## CHAPTER 06

"What are you looking at me  
like that for, Wade?"  
Amanda panted.

"Why don't you just go ahead  
and ram your big prick into me  
right now?  
I know that's what you  
want to do."

"I Wanna lick it first,"  
Wade mumbled.

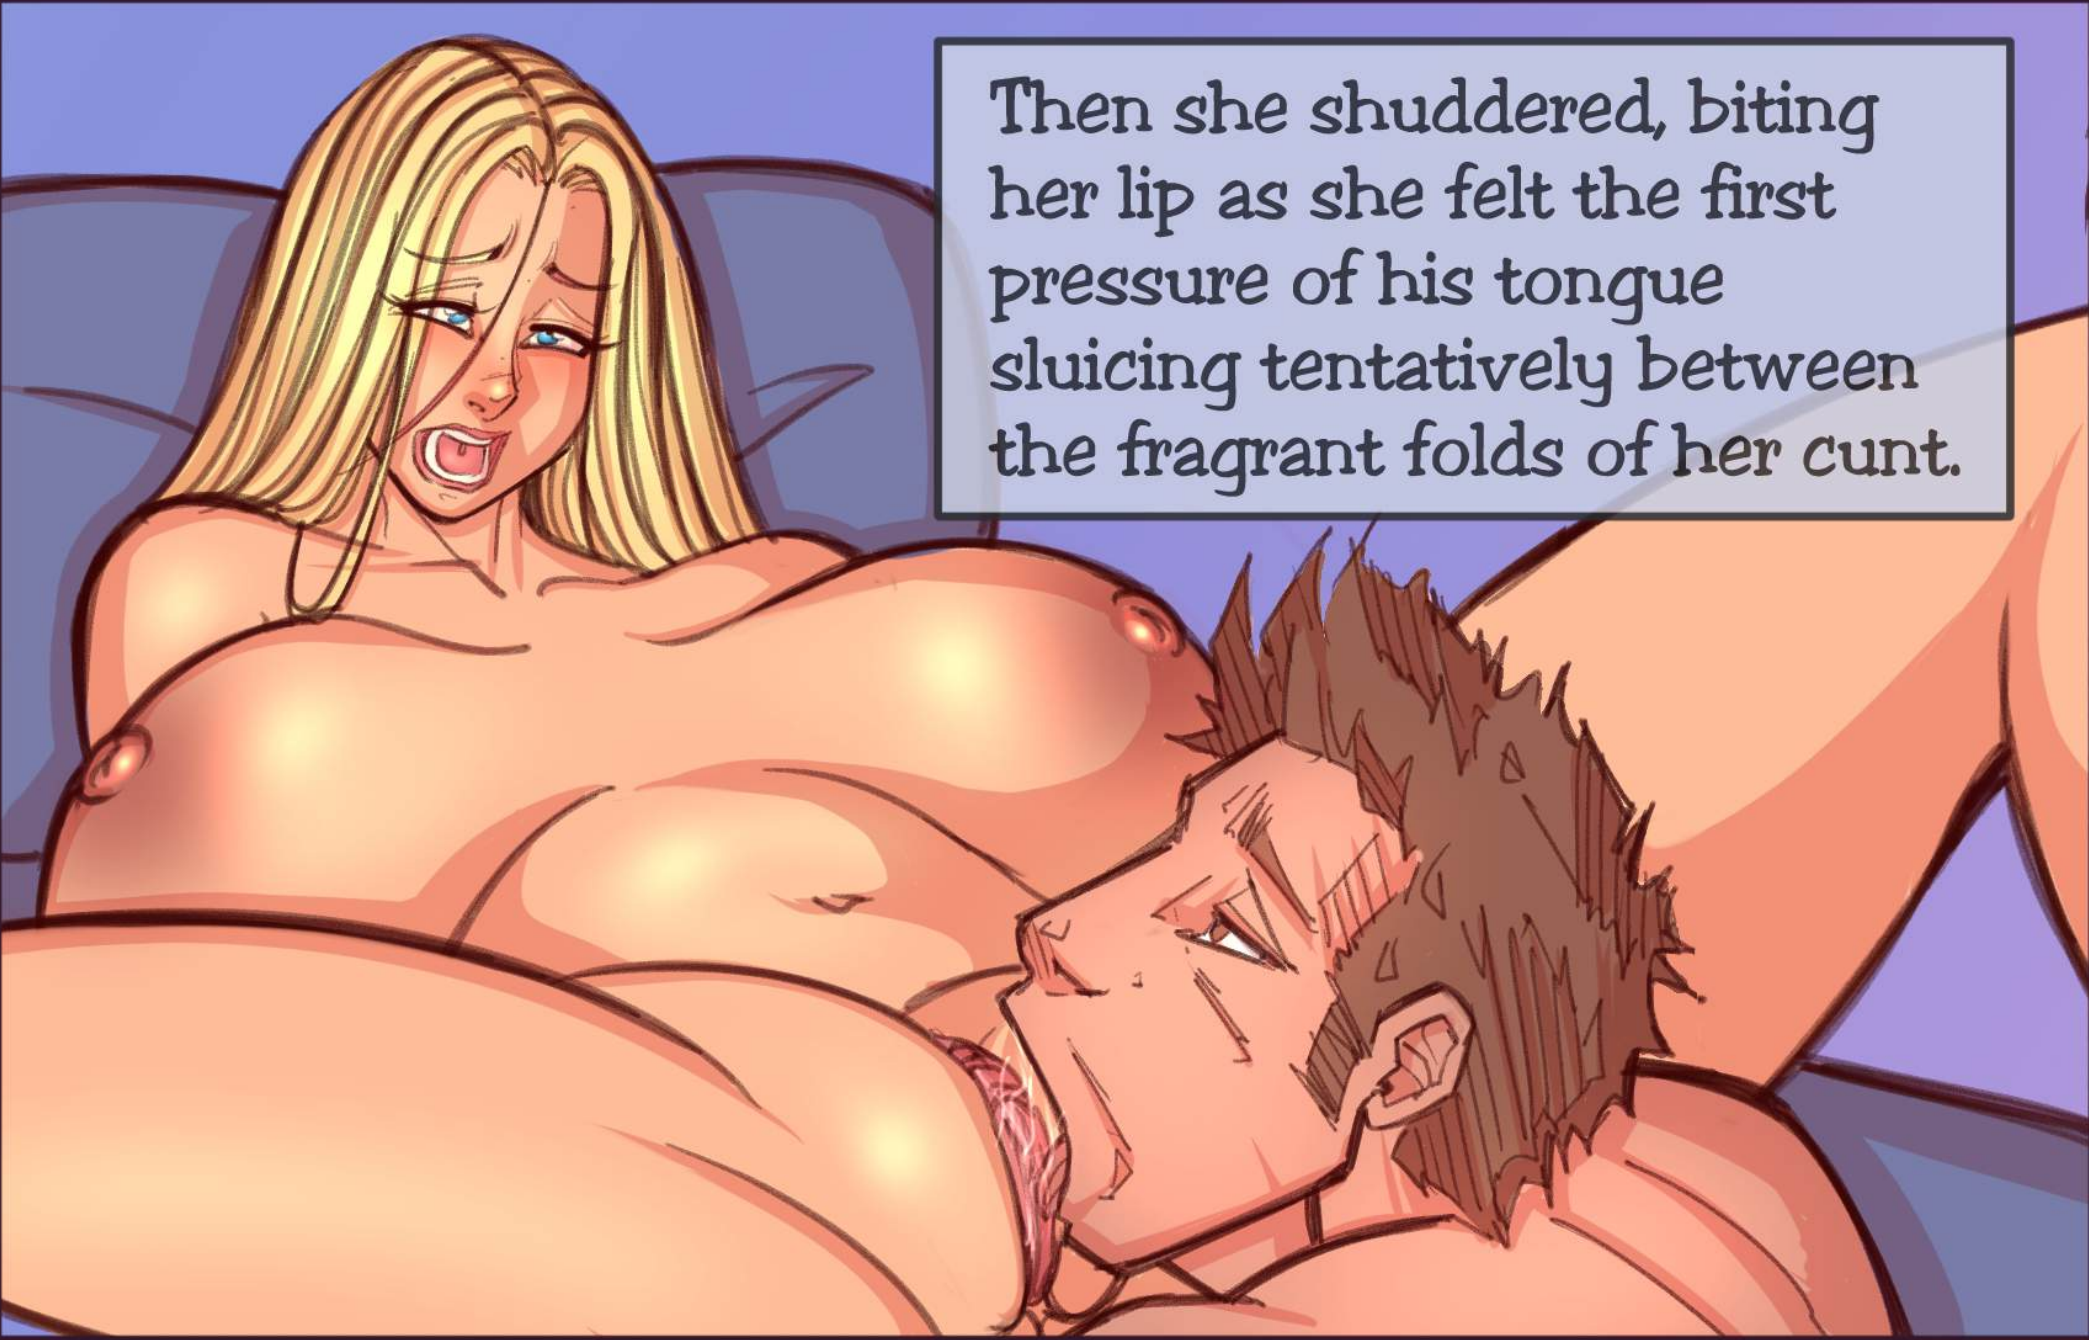

And then he sprawled between her long legs, pushing up her thighs to give his mouth better access to her throbbing, tasty cunt slit.

It took the naked mother  
a minute to even understand  
that her adopted son wanted  
to suck her pussy.

Then she shuddered, biting  
her lip as she felt the first  
pressure of his tongue  
sluicing tentatively between  
the fragrant folds of her cunt.

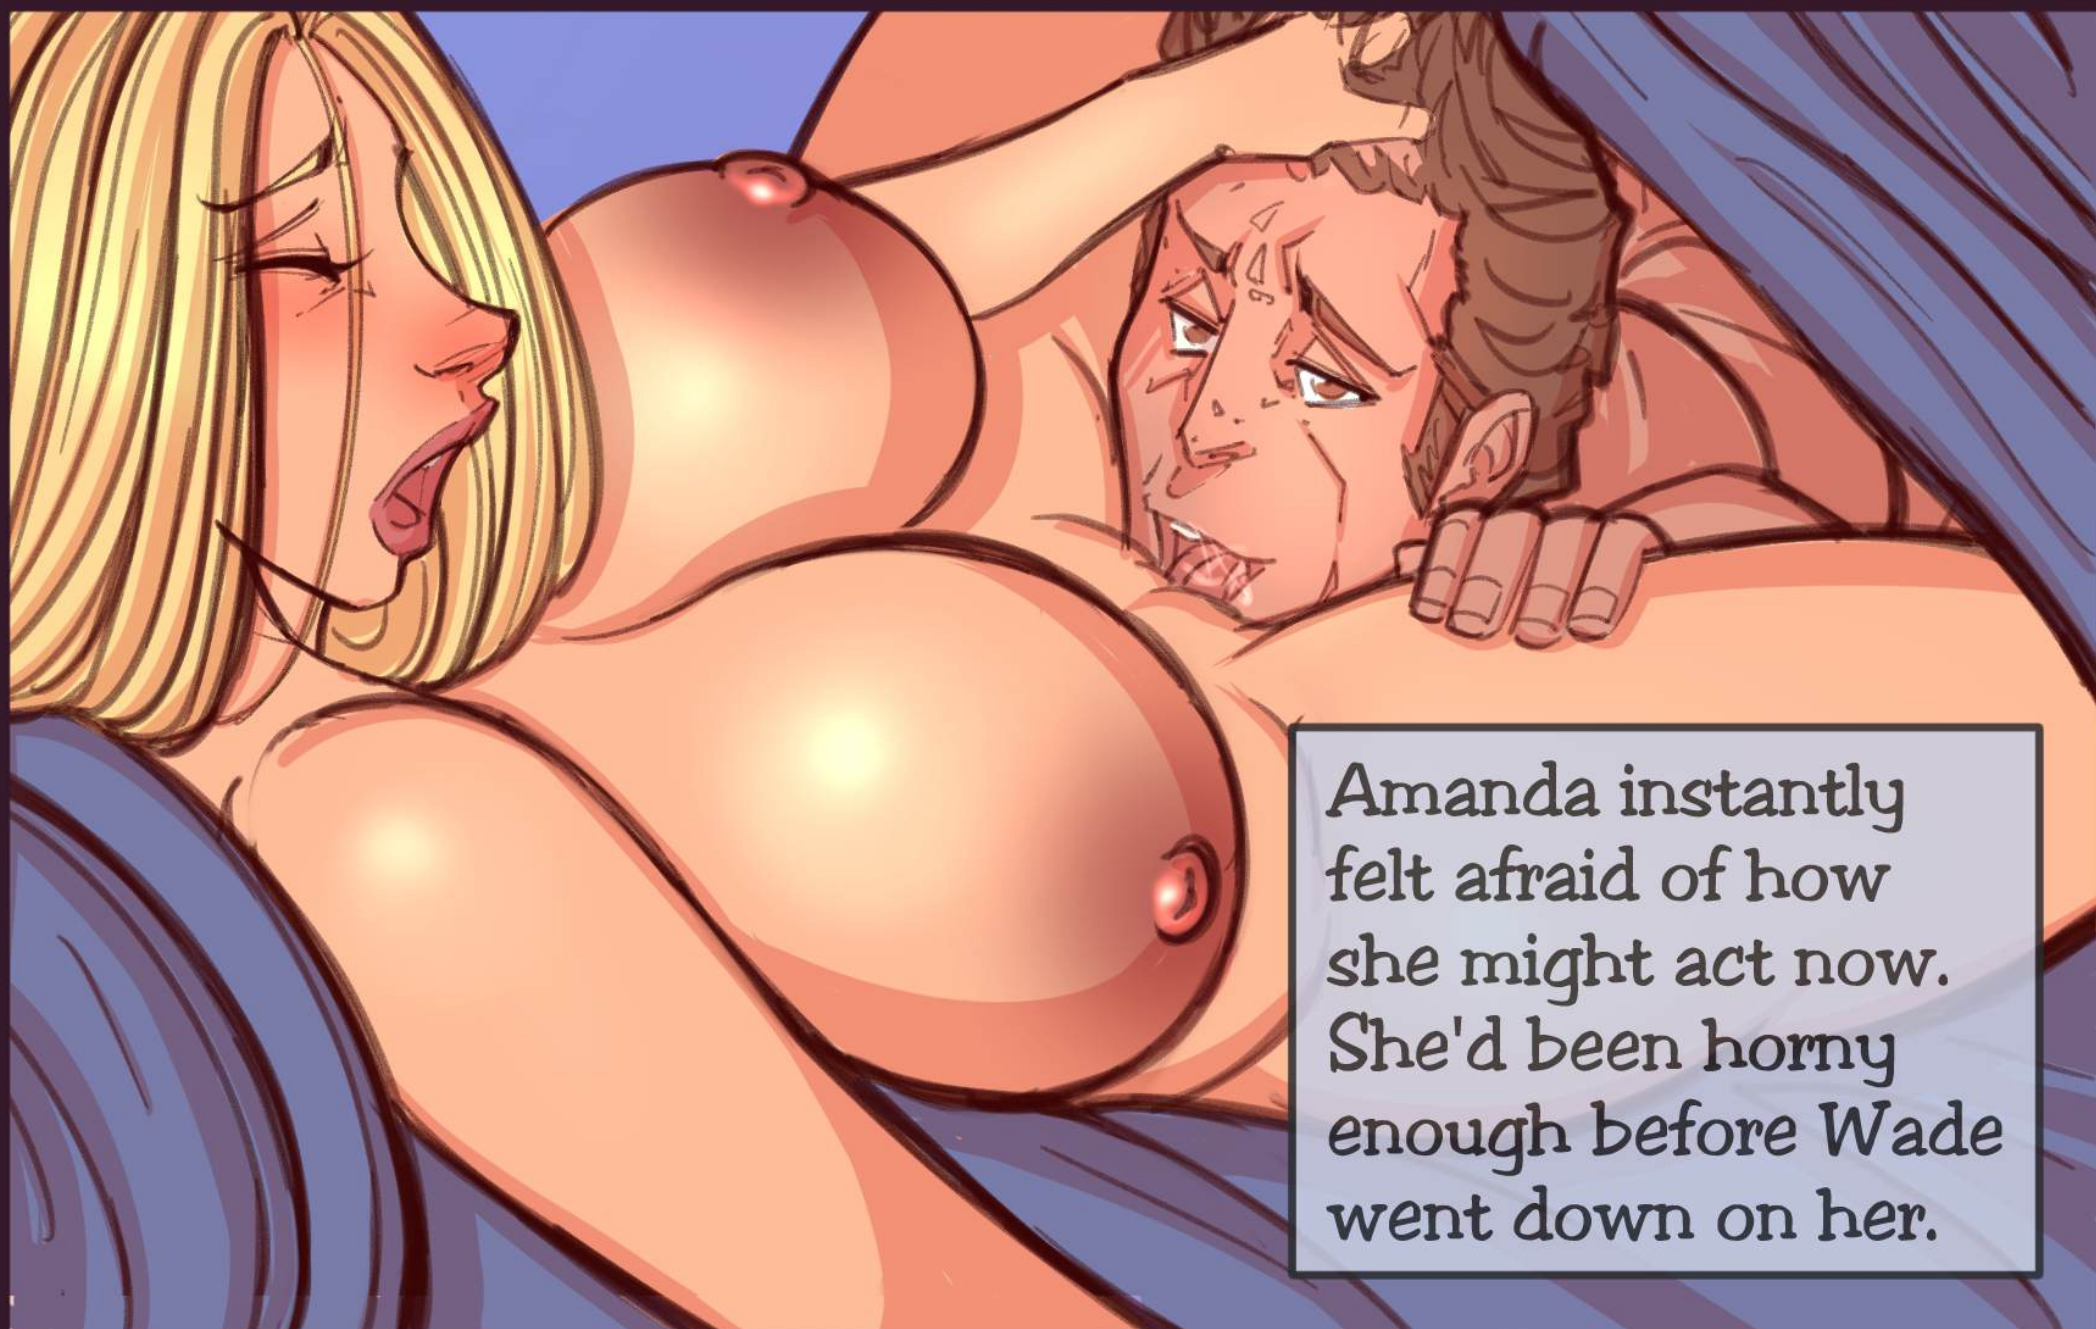

"Ungggh! Oh, Wade! What...  
what are you doing that for,  
Wade? Unggh! Unnggh!"

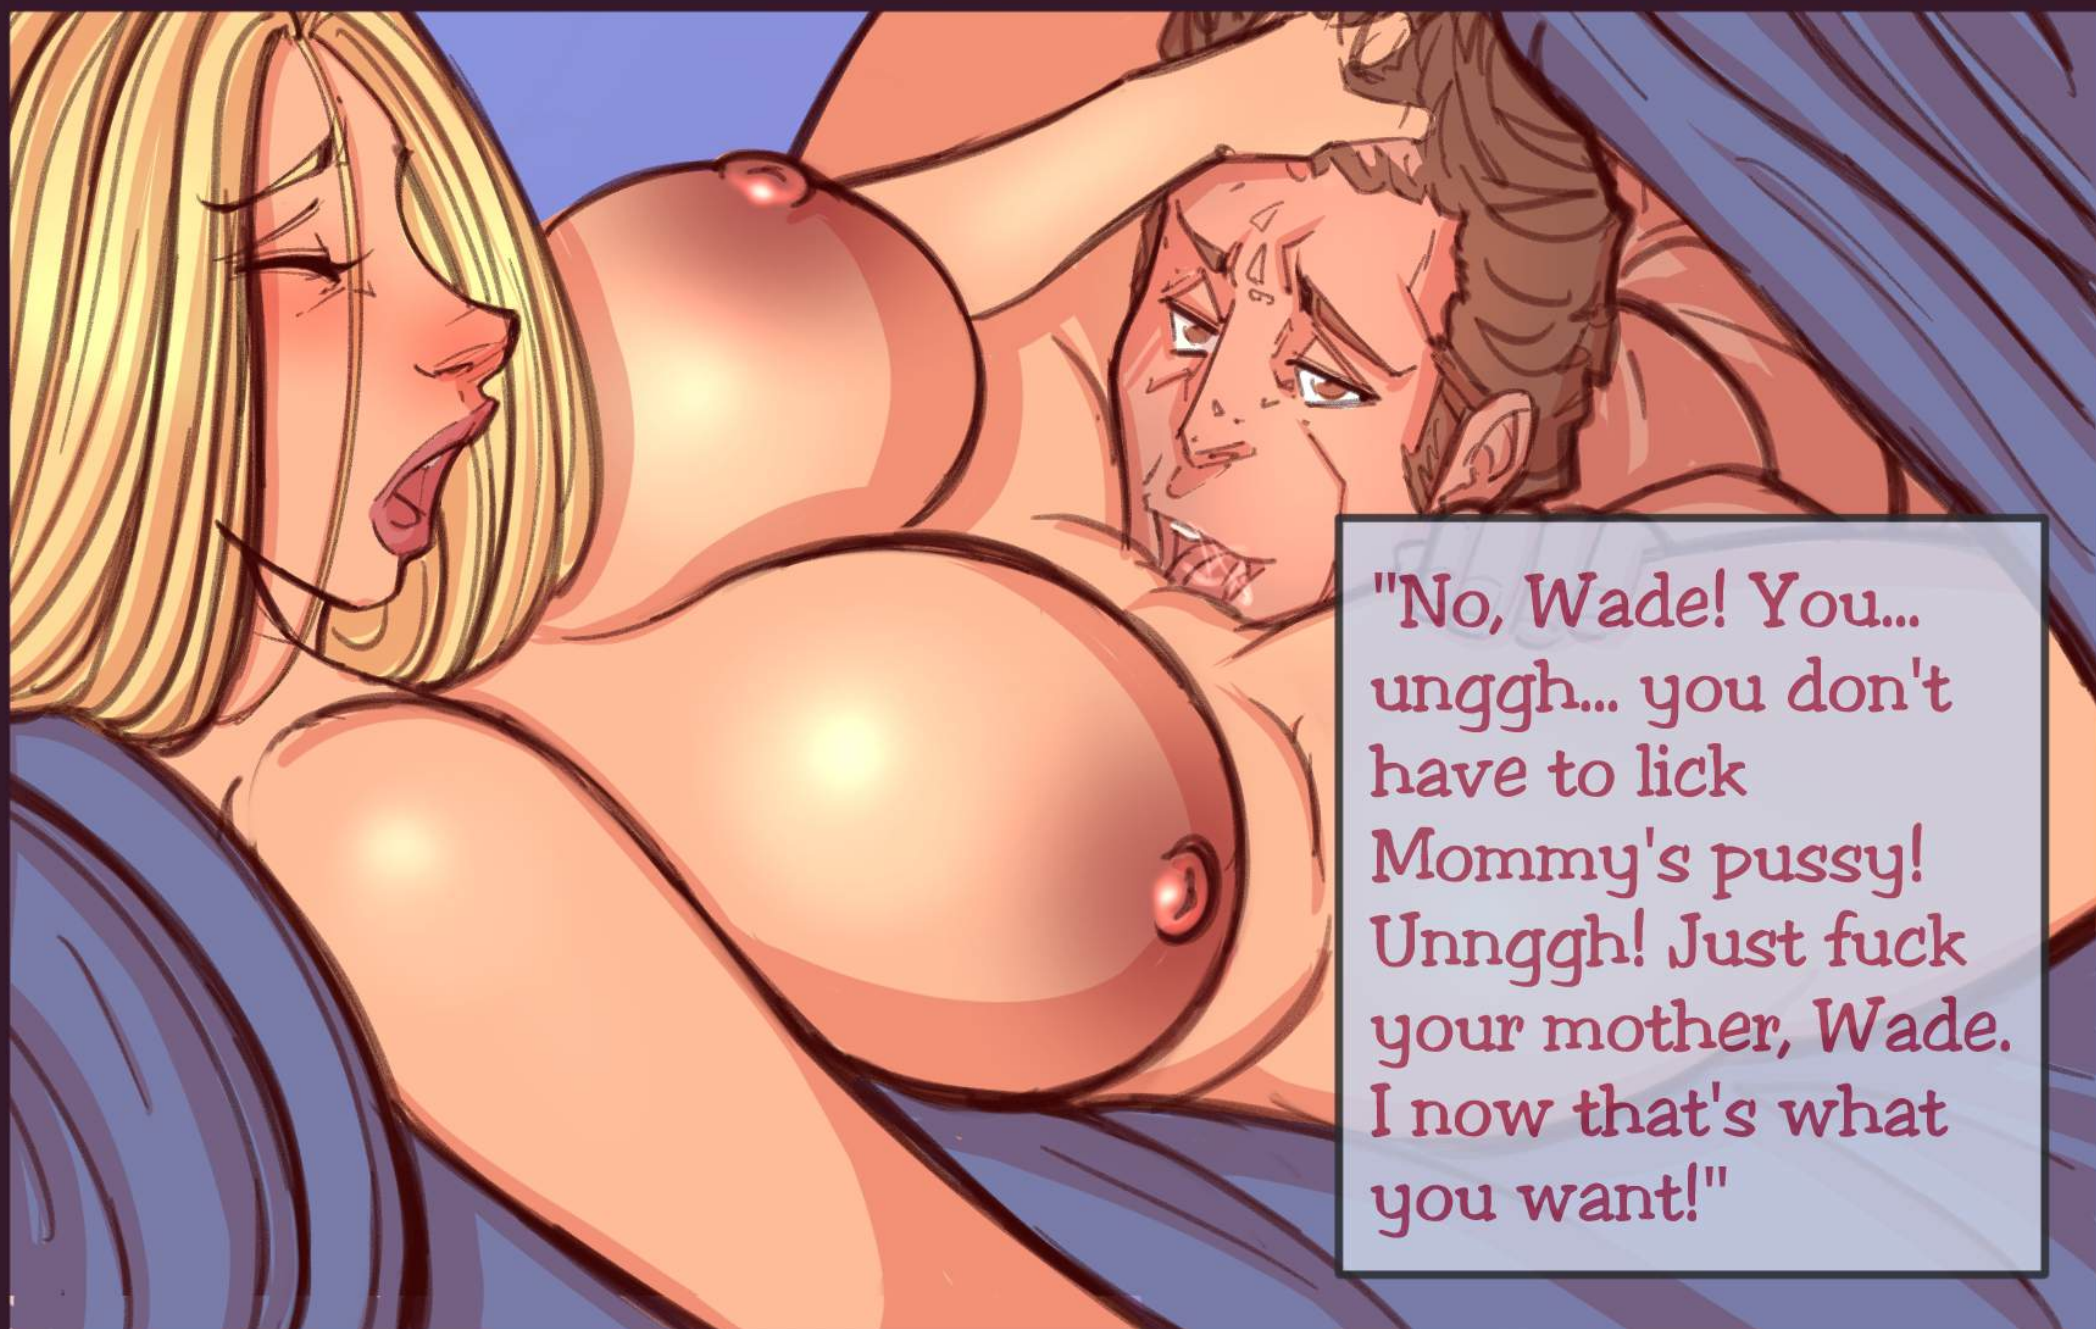

He obviously loved the taste of his mother's pussy, loved the way it felt to move his tongue busily up and down her cunt.

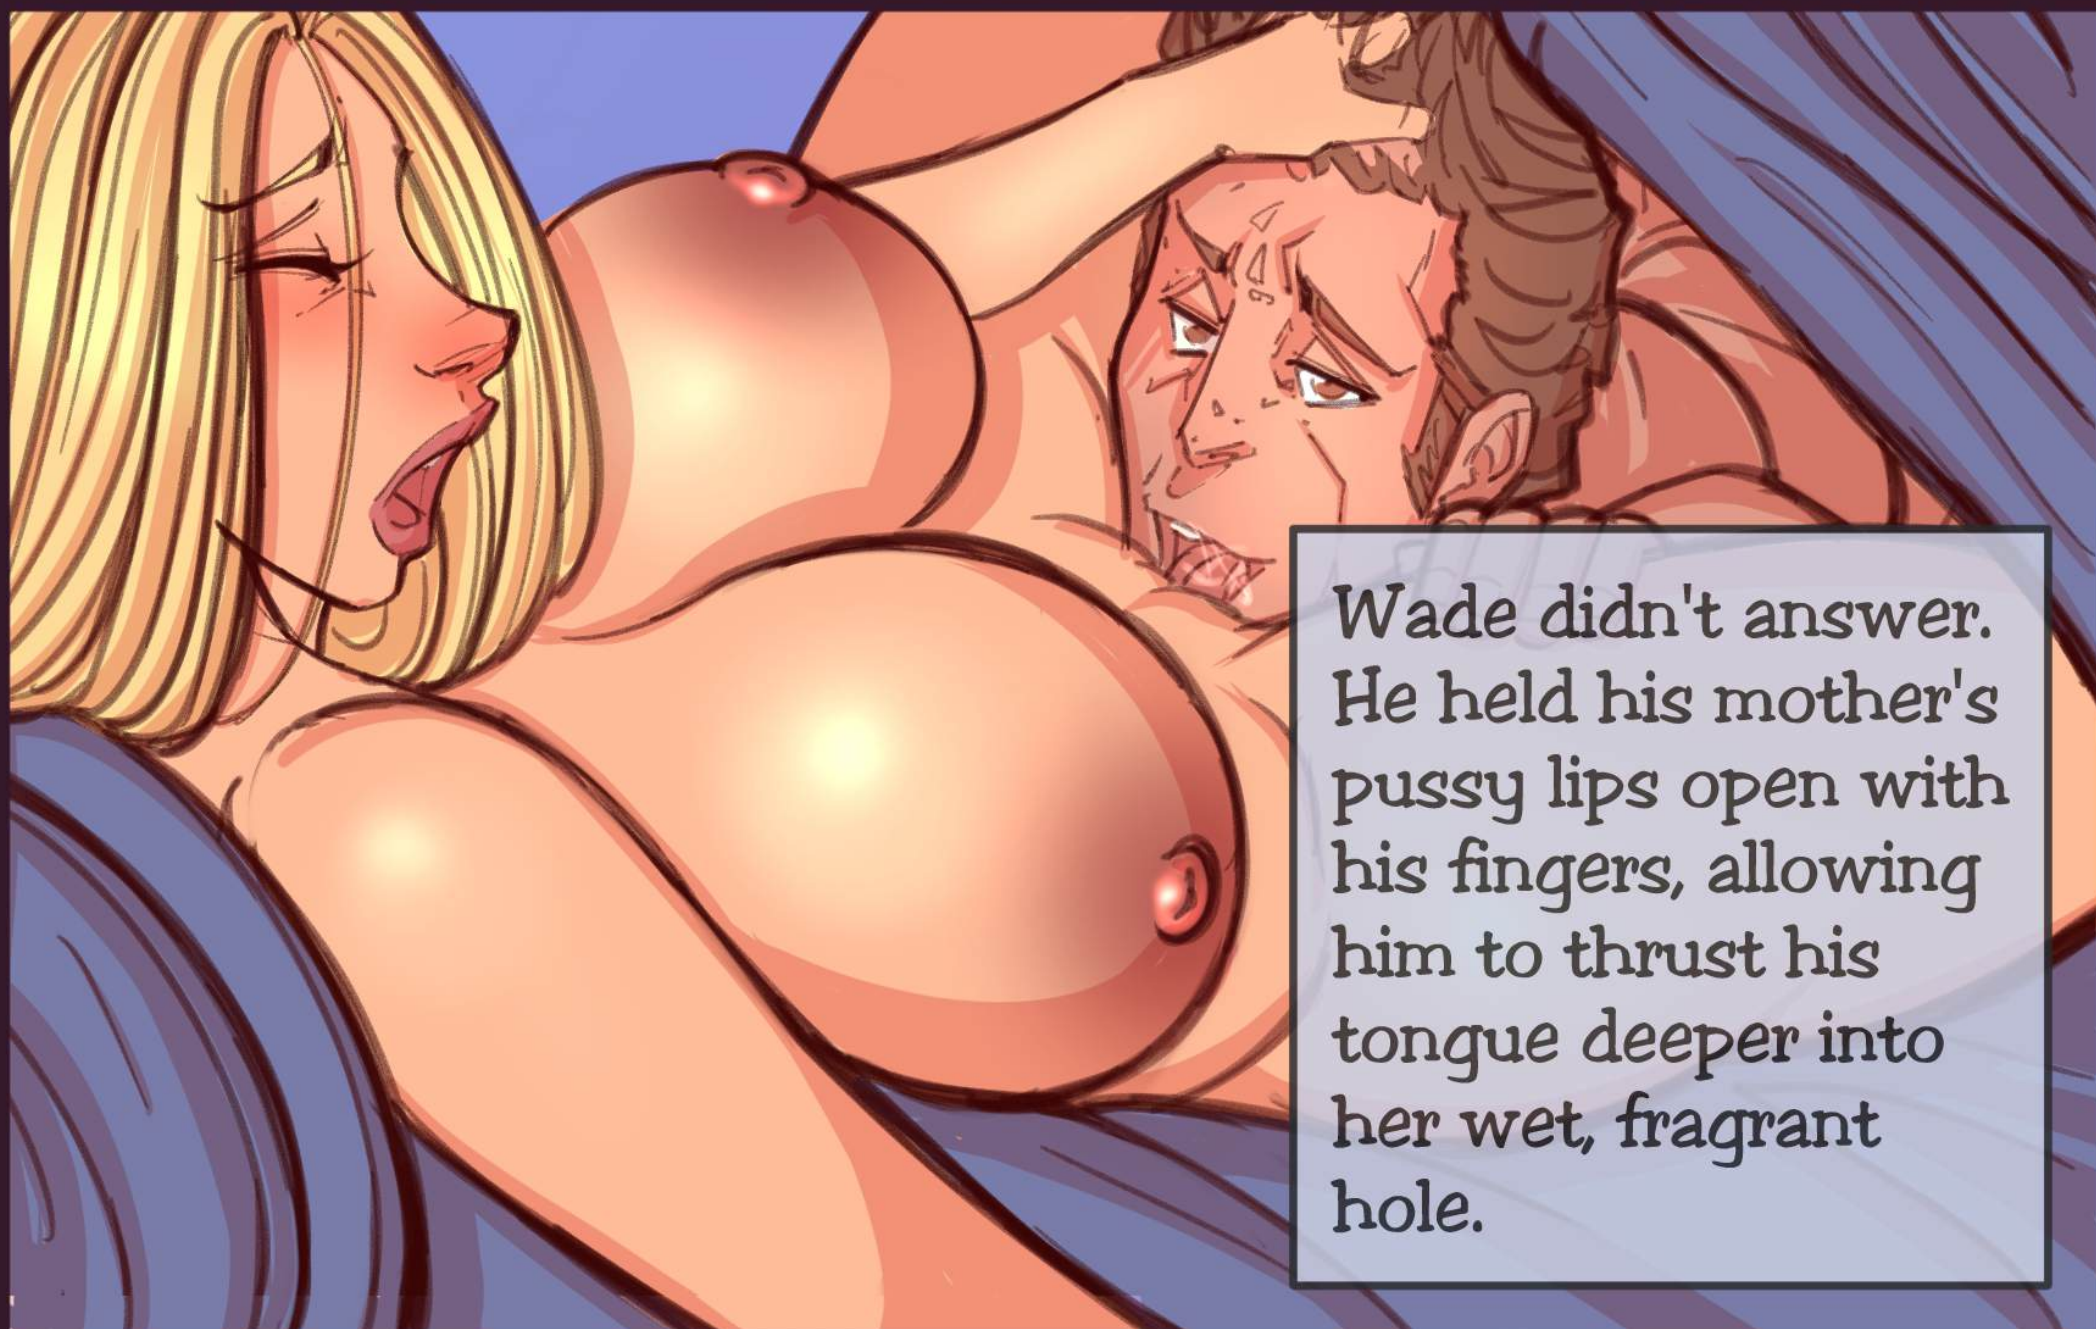

Amanda instantly felt afraid of how she might act now. She'd been horny enough before Wade went down on her.

She didn't know how outlandishly she might behave if he made her cunt even wetter and itchier with his tongue.

"No, Wade! You...  
unggh... you don't  
have to lick  
Mommy's pussy!  
Unnggh! Just fuck  
your mother, Wade.  
I now that's what  
you want!"

Wade didn't answer. He held his mother's pussy lips open with his fingers, allowing him to thrust his tongue deeper into her wet, fragrant hole.

The fuck cream kept running out of her cuntal depths, and her clit was very fat and swollen, protruding at the top of her fur-fringed cunt slit.

Wade moved his tongue higher, proving his skill as a pussy licker as he began swabbing his mom's clit from side to side.

Then she urgently started thrusting and fucking her hips off the bed, urgently fucking her wet pussy onto his face.

A cartoon illustration of a blonde woman with long, straight hair. She is shown from the chest up, with her head tilted slightly to the right. Her eyes are closed in a pained or crying expression, and her mouth is open in a grimace, showing her teeth. She has large, prominent breasts. The background is a solid light blue color.

"Yes, Wade," she cried  
hoarsely. "Unngggh!  
Mommy needs sucking  
now! Mommy needs  
sucking bad!"

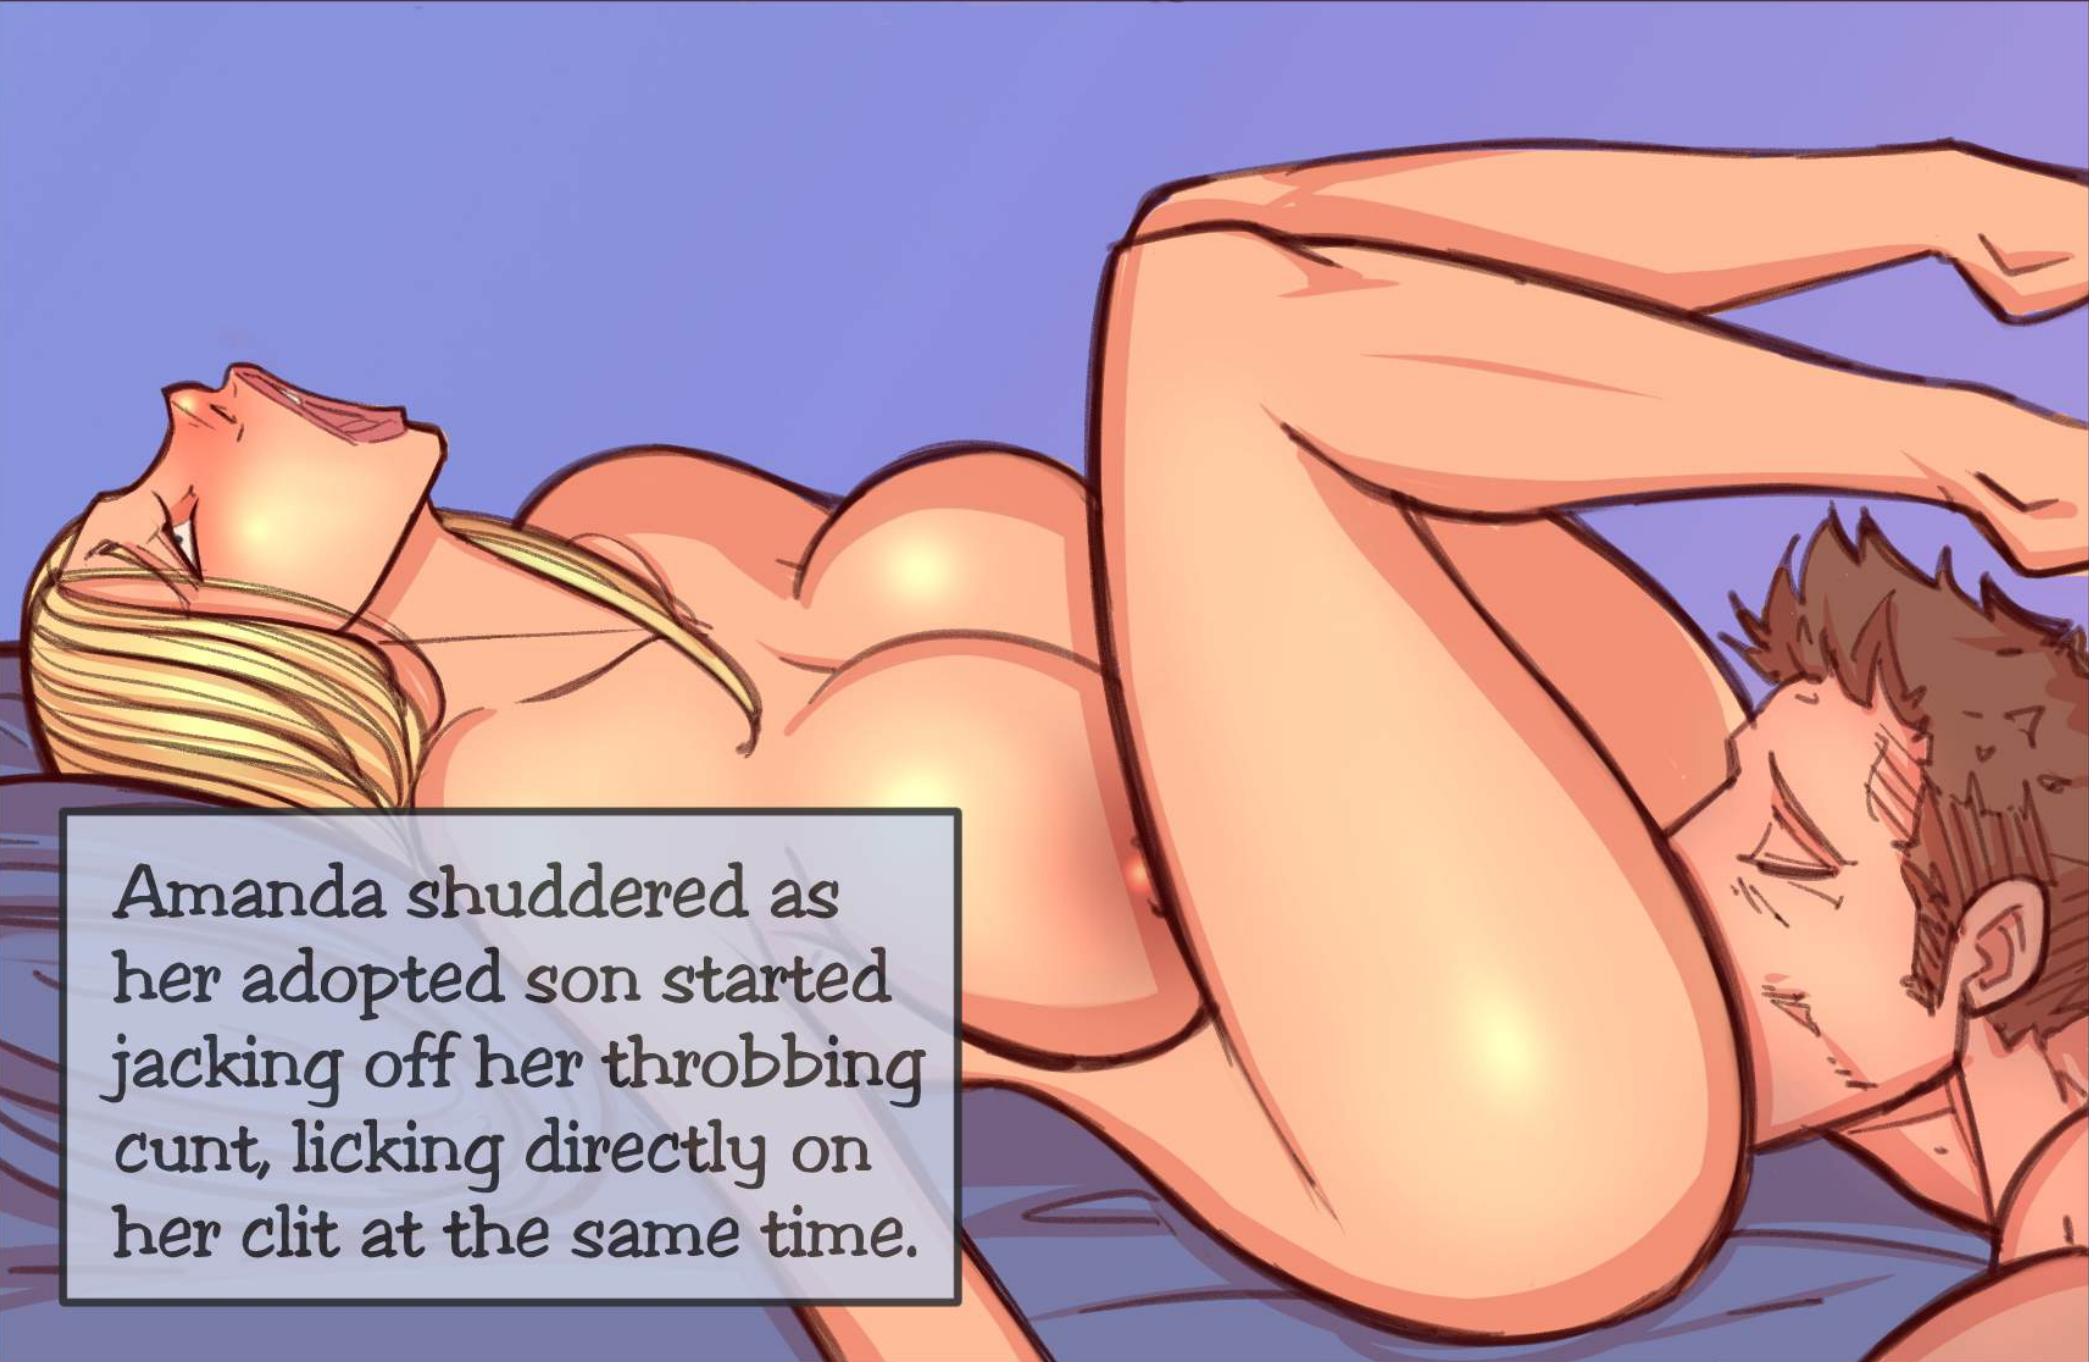

"Unggh! Lick Mommy's clitty, Wade! Oh, suck it, suck it good, make your mother cum!"

Wade kept licking and kissing, pausing to rub his face on the dense, platinum colored curls that covered her lower belly in a rich moss.

Now he straightened  
his fingers, pushing  
them into the narrow,  
clinging interior of his  
mother's pussy channel.

Amanda shuddered as her adopted son started jacking off her throbbing cunt, licking directly on her clit at the same time.

"Suck it, Wade! Oh,  
please!"

Wade took her clit  
between his lips.

He sucked it gently but forcefully, slurping on it, at the same time pumping his fingers rapidly in and out of her cunt.

Amanda felt the cum welling up deep inside of her, making her nipples and asshole tingle as the pre-orgasmic sensations violently pleased her whole body.

Then she was  
cumming,  
cumming  
uncontrollably,  
while her very  
own adopted  
son sucked  
her cunt.

"Eat it, Wade!  
Unnggh!  
Lick it, lick  
your mother!  
Cumming,  
cummmiinngg!"

Her throbbing pussy spasmed and spewed, giving her child a mouthful of pussy juice to lick and suck up.

Wade kept sucking her  
clit and jacking her off,  
guiding her through the  
peak of her orgasm.

By then, Amanda had an aching need deep, deep inside her pussy that she'd never felt before.

She desperately need to feel her adopted son's fat, meaty prick pounding into her cunt as fast as he could shove it in.

"You... you can fuck me now,  
Wade.  
I know that's what you really  
want.  
Go ahead, Wade.  
Shove it in. Hurry!"
