CHAPTER 11

Wade stopped humping,
pausing to smile knowingly
down at his mom.
Then he slid his throbbing prick
out of her pussy
and rose from the bed.

He stood up,
his cock pulsing
as he waited
for his mom
to get on her
knees in front of
him.

Amanda did it.

It made her feel like even more of a slut to kneel like this in front of her adopted son, to be on her knees looking up at him as she popped his cock into her mouth and started sucking to draw out its load of spunk.

"Give me some
good cocksucking,
Mom..."

Amanda stared hungrily at the huge cock throbbing in front of her face.

She gripped it in her fist, sliding her hand down to the base to hold his cock in position.

Then she popped
the cock knob into
her mouth, and
then she started
sucking it.

It tasted especially good now, from fucking two wet, creamy pussies in a row.

Contentedly Amanda gurgled as she nursed on the big prick, thrusting her tongue into the cum hole to lap up the oozing jizz.

The cock knob was already very fat and puffy, and the cum cream oozed out every instant.

Amanda's pussy got itchy again as she thought of how much cock juice was jacked in her adopted son's balls, of how heavily he would soon be showering her tonsils with cream.

"Man, you like
putting my cock
in your mouth,
don't you, Mom?"

Amanda didn't
answer.
She was too busy
sucking cock.

Loudly and wetly she slurped on the tasty prick, hearing her own gurgling, smacking sounds of cocksucking pleasure filling the bedroom.

The prick grew
even stiffer, beating
on the roof of her
mouth.

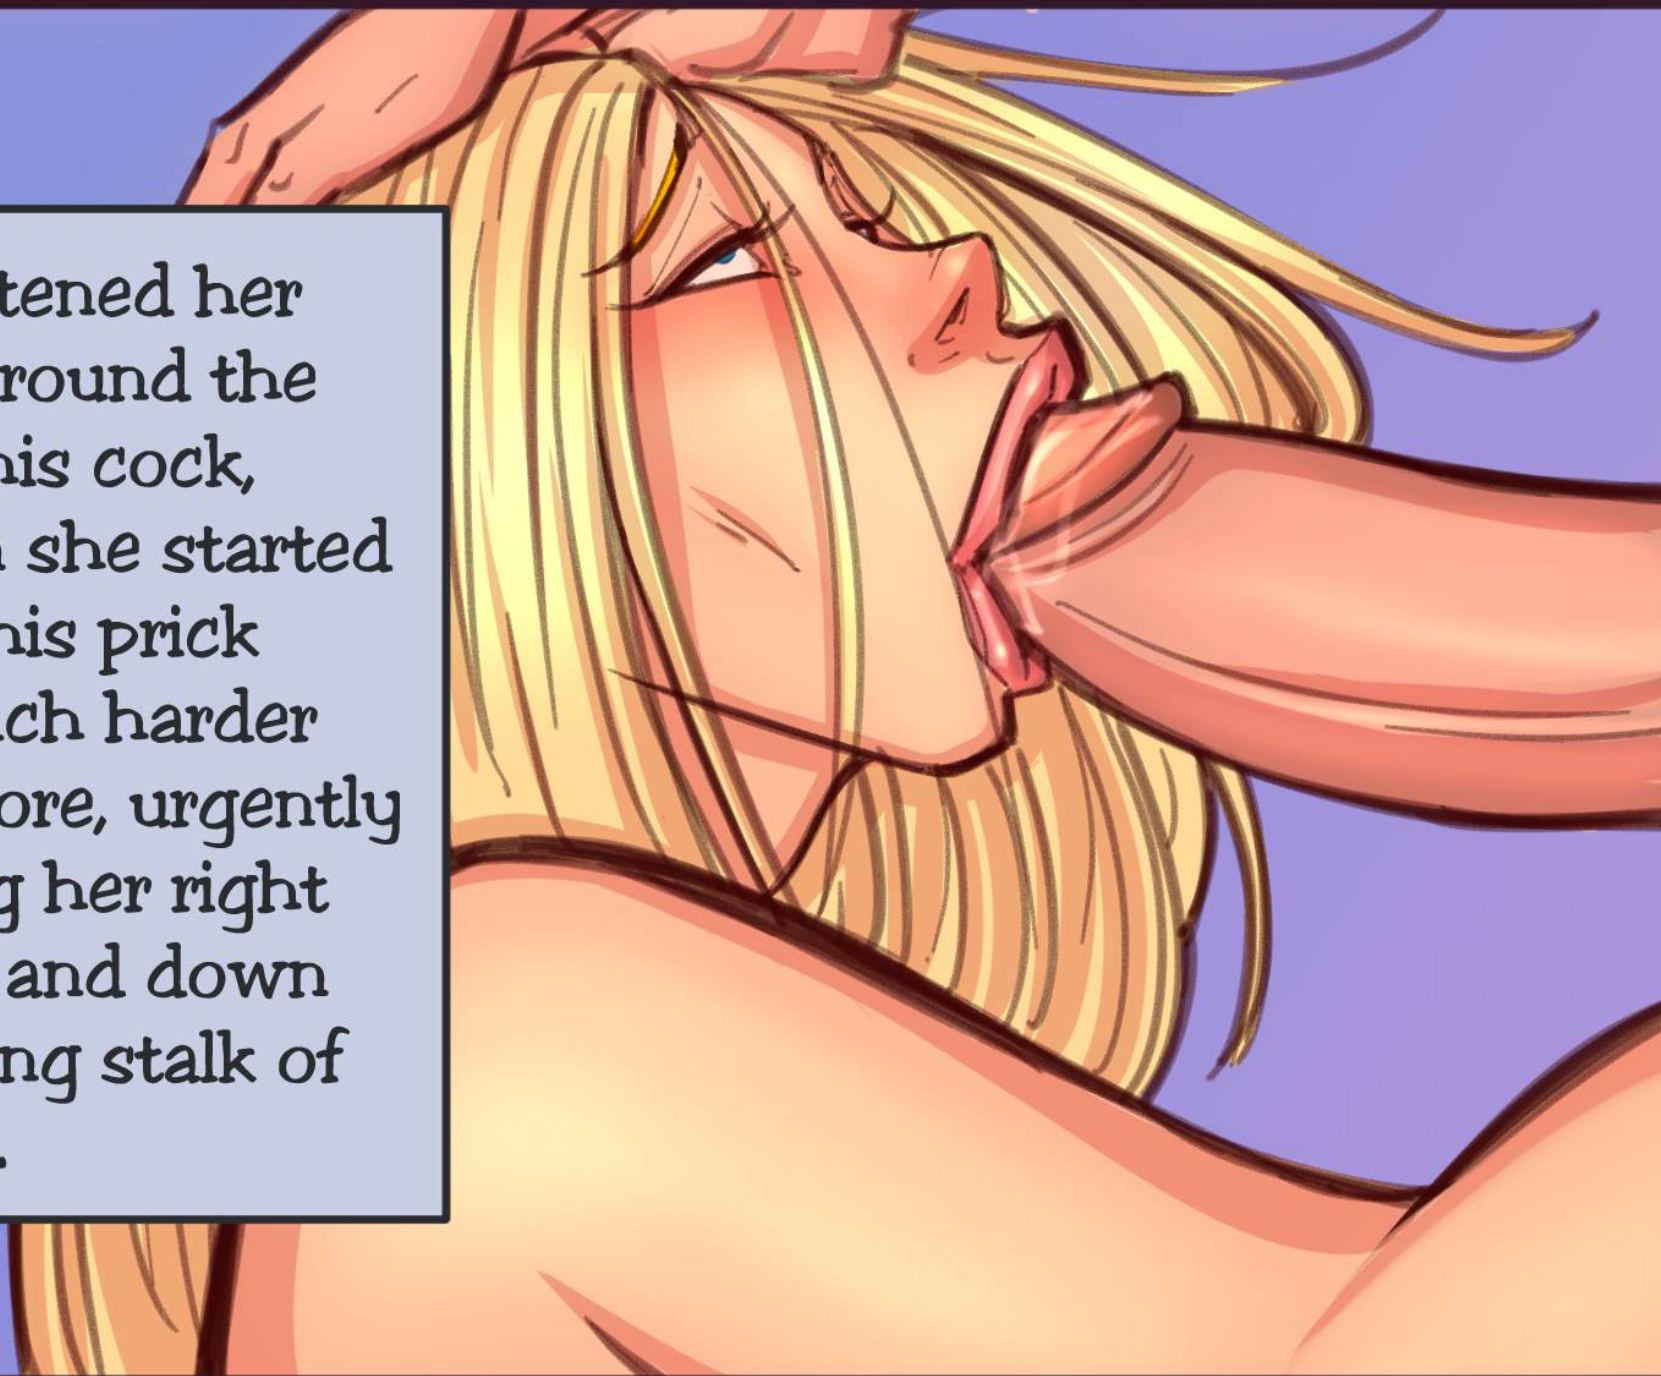

Her mouth was stretched to bursting, contorted obscenely as she struggled to accommodate the blood-beating thickness of her young adopted son's cock.

Amanda bobbed
her head, her blonde
tresses bouncing on
her shoulders,
urgently fucking her
mouth with his cock.

She tightened her fingers around the base of his cock, and then she started beating his prick meat much harder than before, urgently whipping her right hand up and down the pulsing stalk of his prick.

"Gonna shoot it,"
Wade gasped.
He clutched her
head with both
hands, lunging
forward, cramming
another half- inch
of his cock
between her lips.

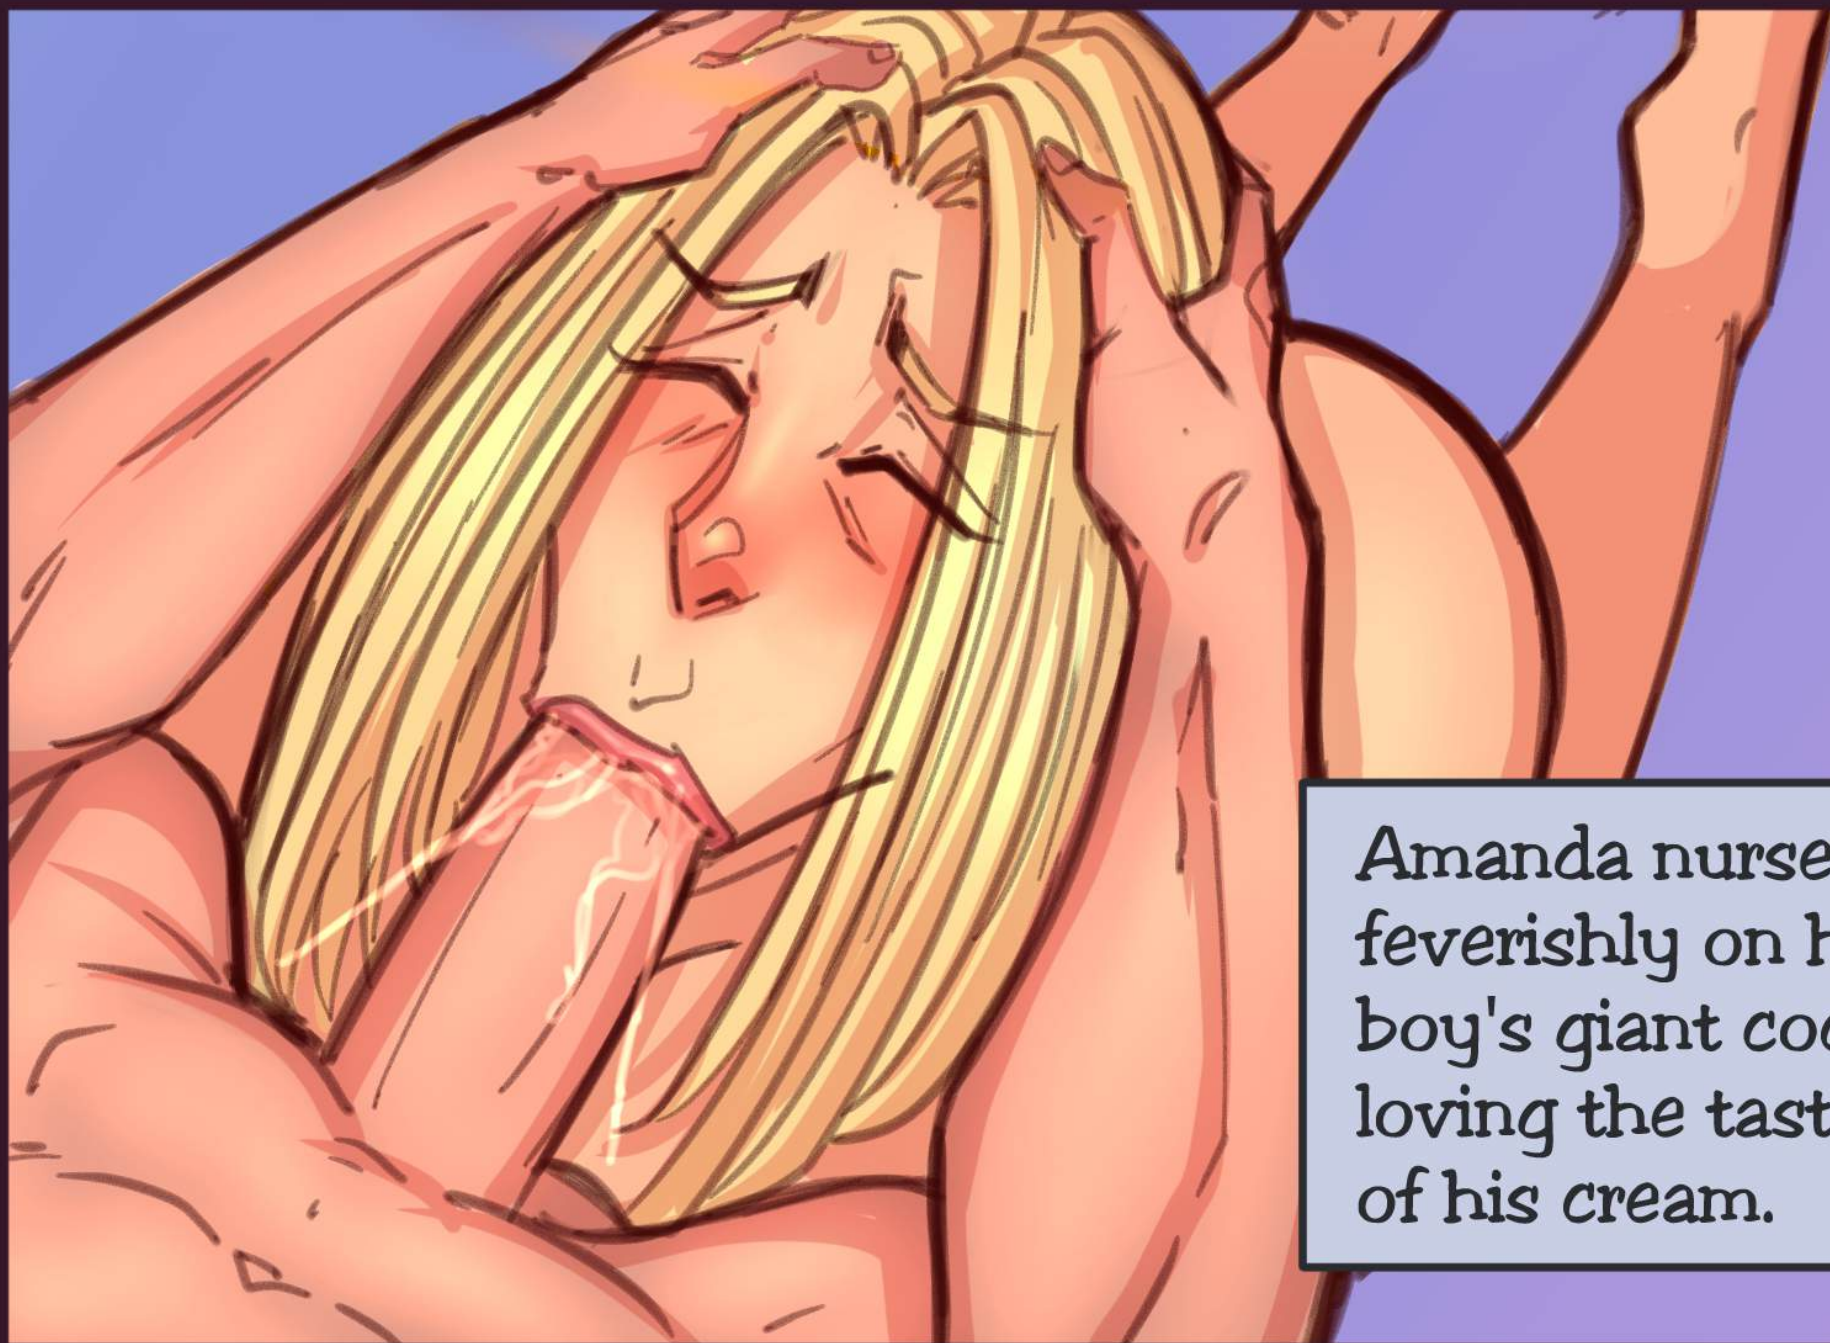

"Suck it, Mom,
suck it good!
Unngh! You're
a great cocksucker,
Mom! Oh, fuck,
cumming now!"

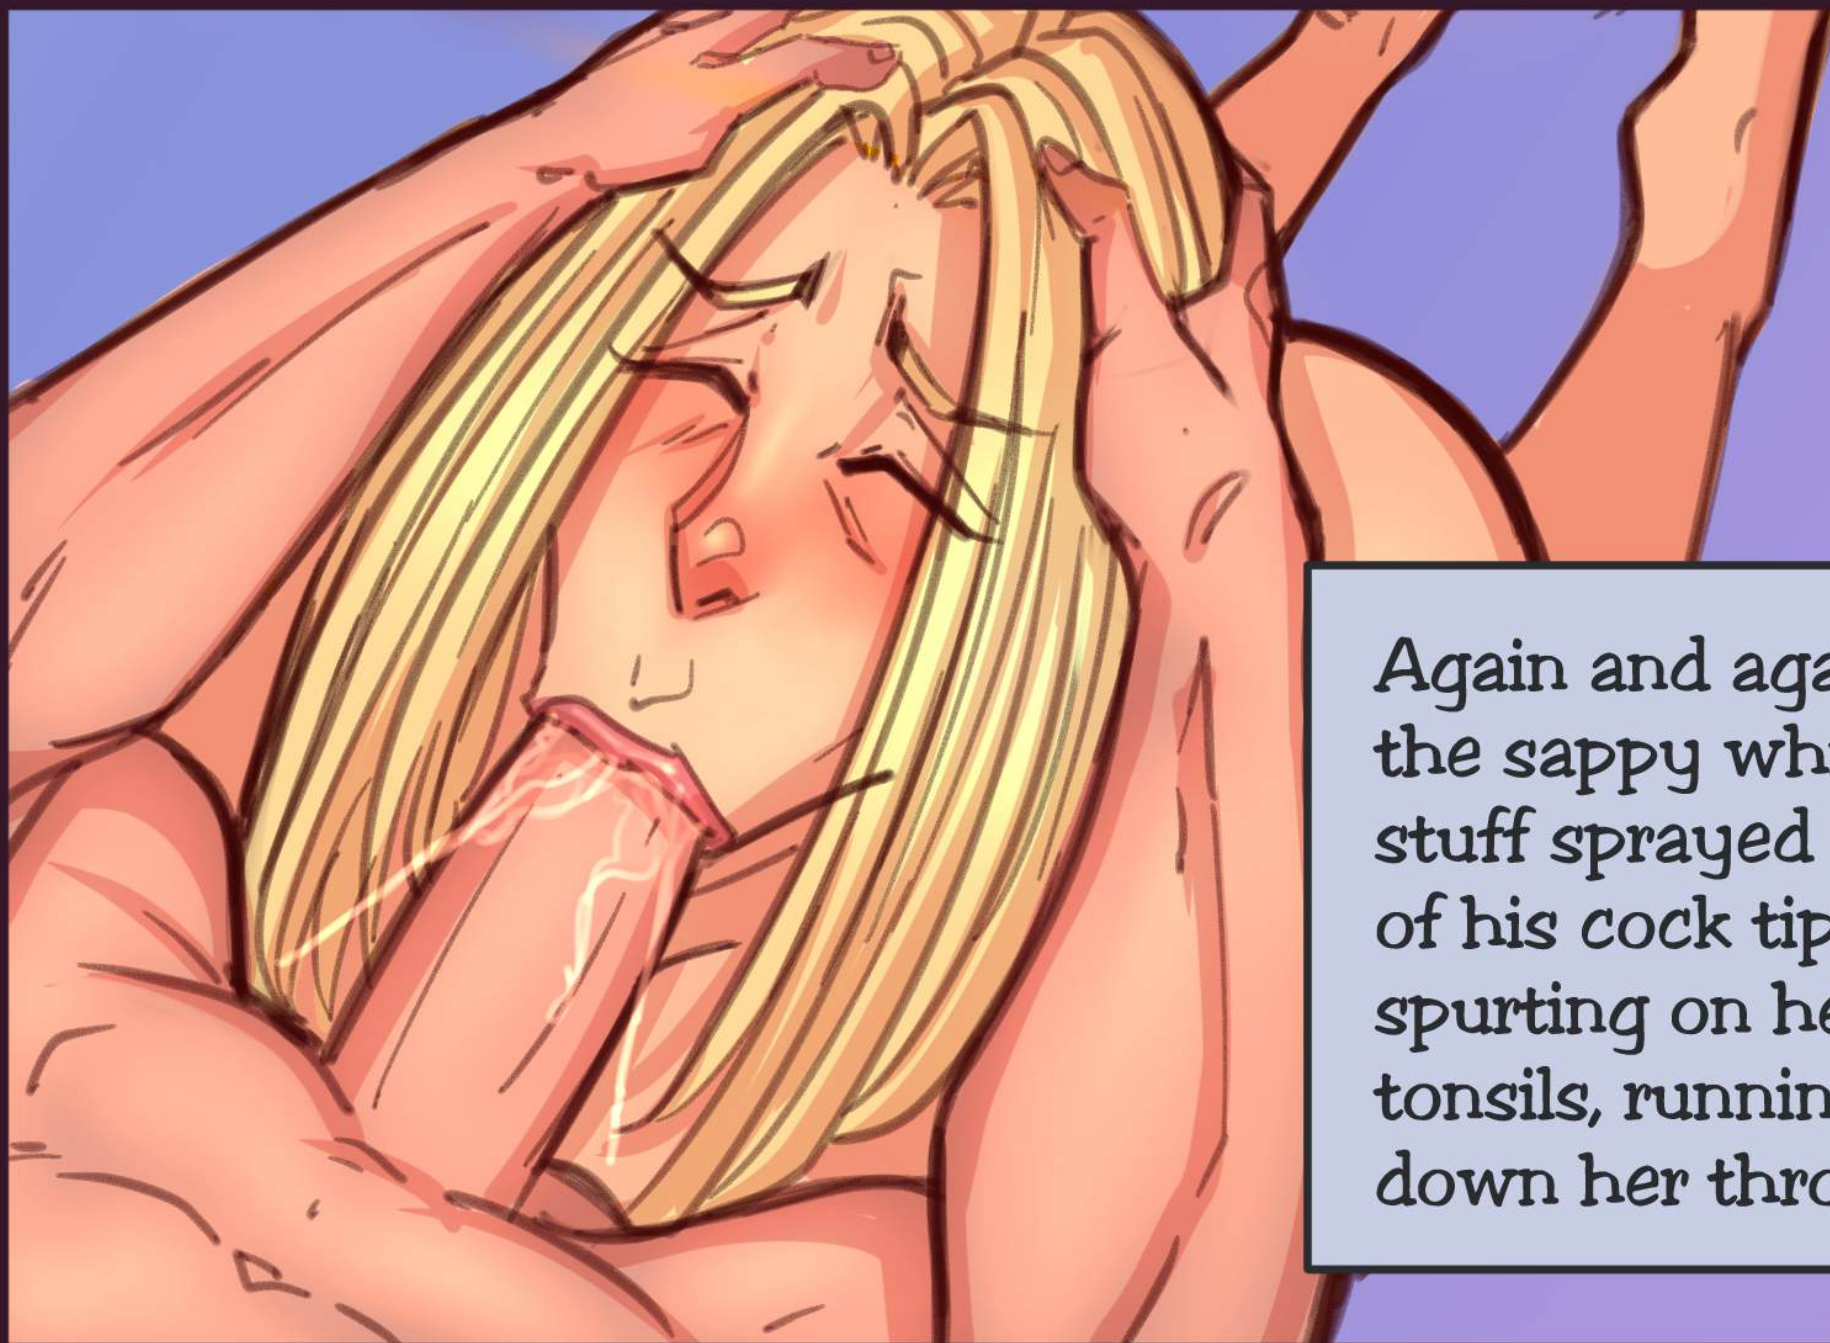

The giant prick started spewing, spraying rich gobs of cum juice down the cock-loving mother's throat.

Amanda nursed feverishly on her boy's giant cock, loving the taste of his cream.

Again and again,
the sappy white
stuff sprayed out
of his cock tip,
spurting on her
tonsils, running
down her throat.

Amanda clung shamelessly to the huge, squirting cock, jacking and sucking it, feeling her belly filing up with cream.

At last the sticky
white cock juice
stopped blasting
out of his hard-on.

Amanda popped
the big, wet cock
out of her mouth,
panting as she
stared intently
at the cock knob.

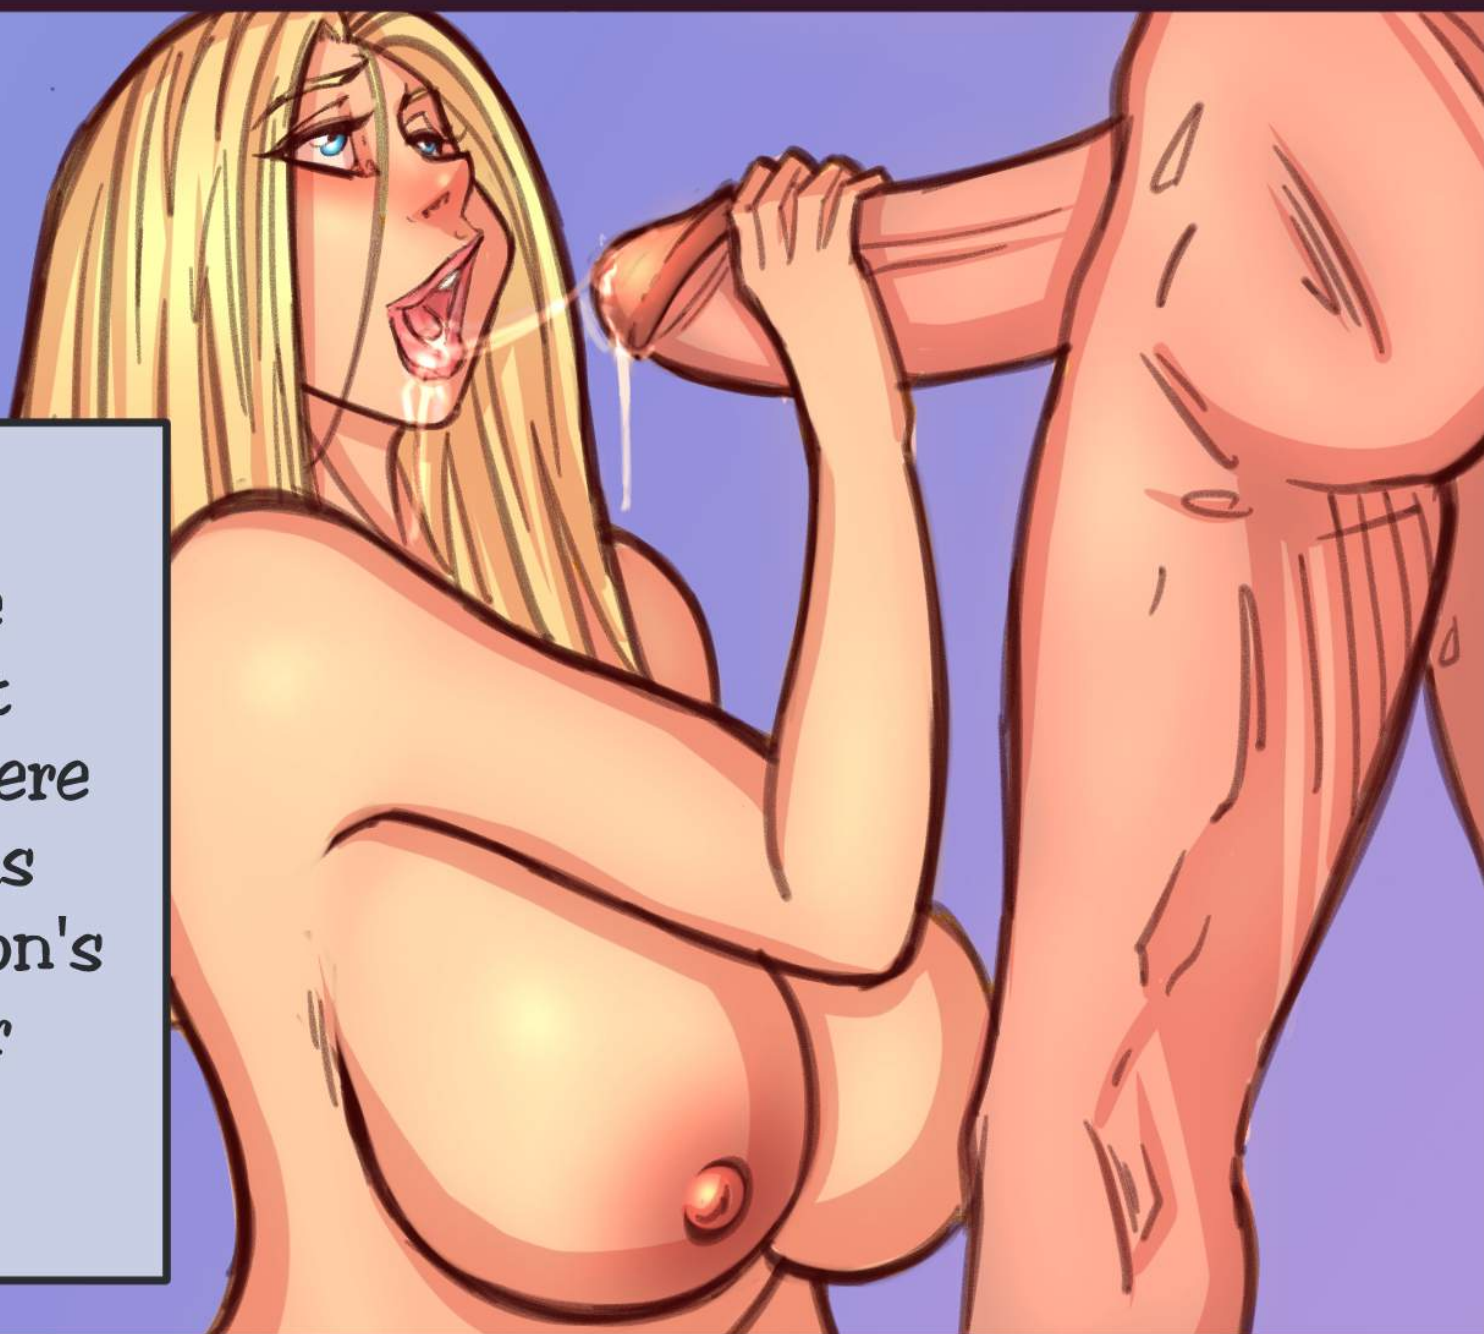

She felt completely depraved now, unable to suppress her constant craving to fuck and suck with her own adopted son.

If she'd gone this far with him, she might as well go the rest of the way.

It had been a long, long time since she'd felt a prick anywhere near as huge as her adopted son's boring into her tender little shitter.
