CHAPTER 13

Hurry, honey,
give my asshole a good,
hard ass fucking!

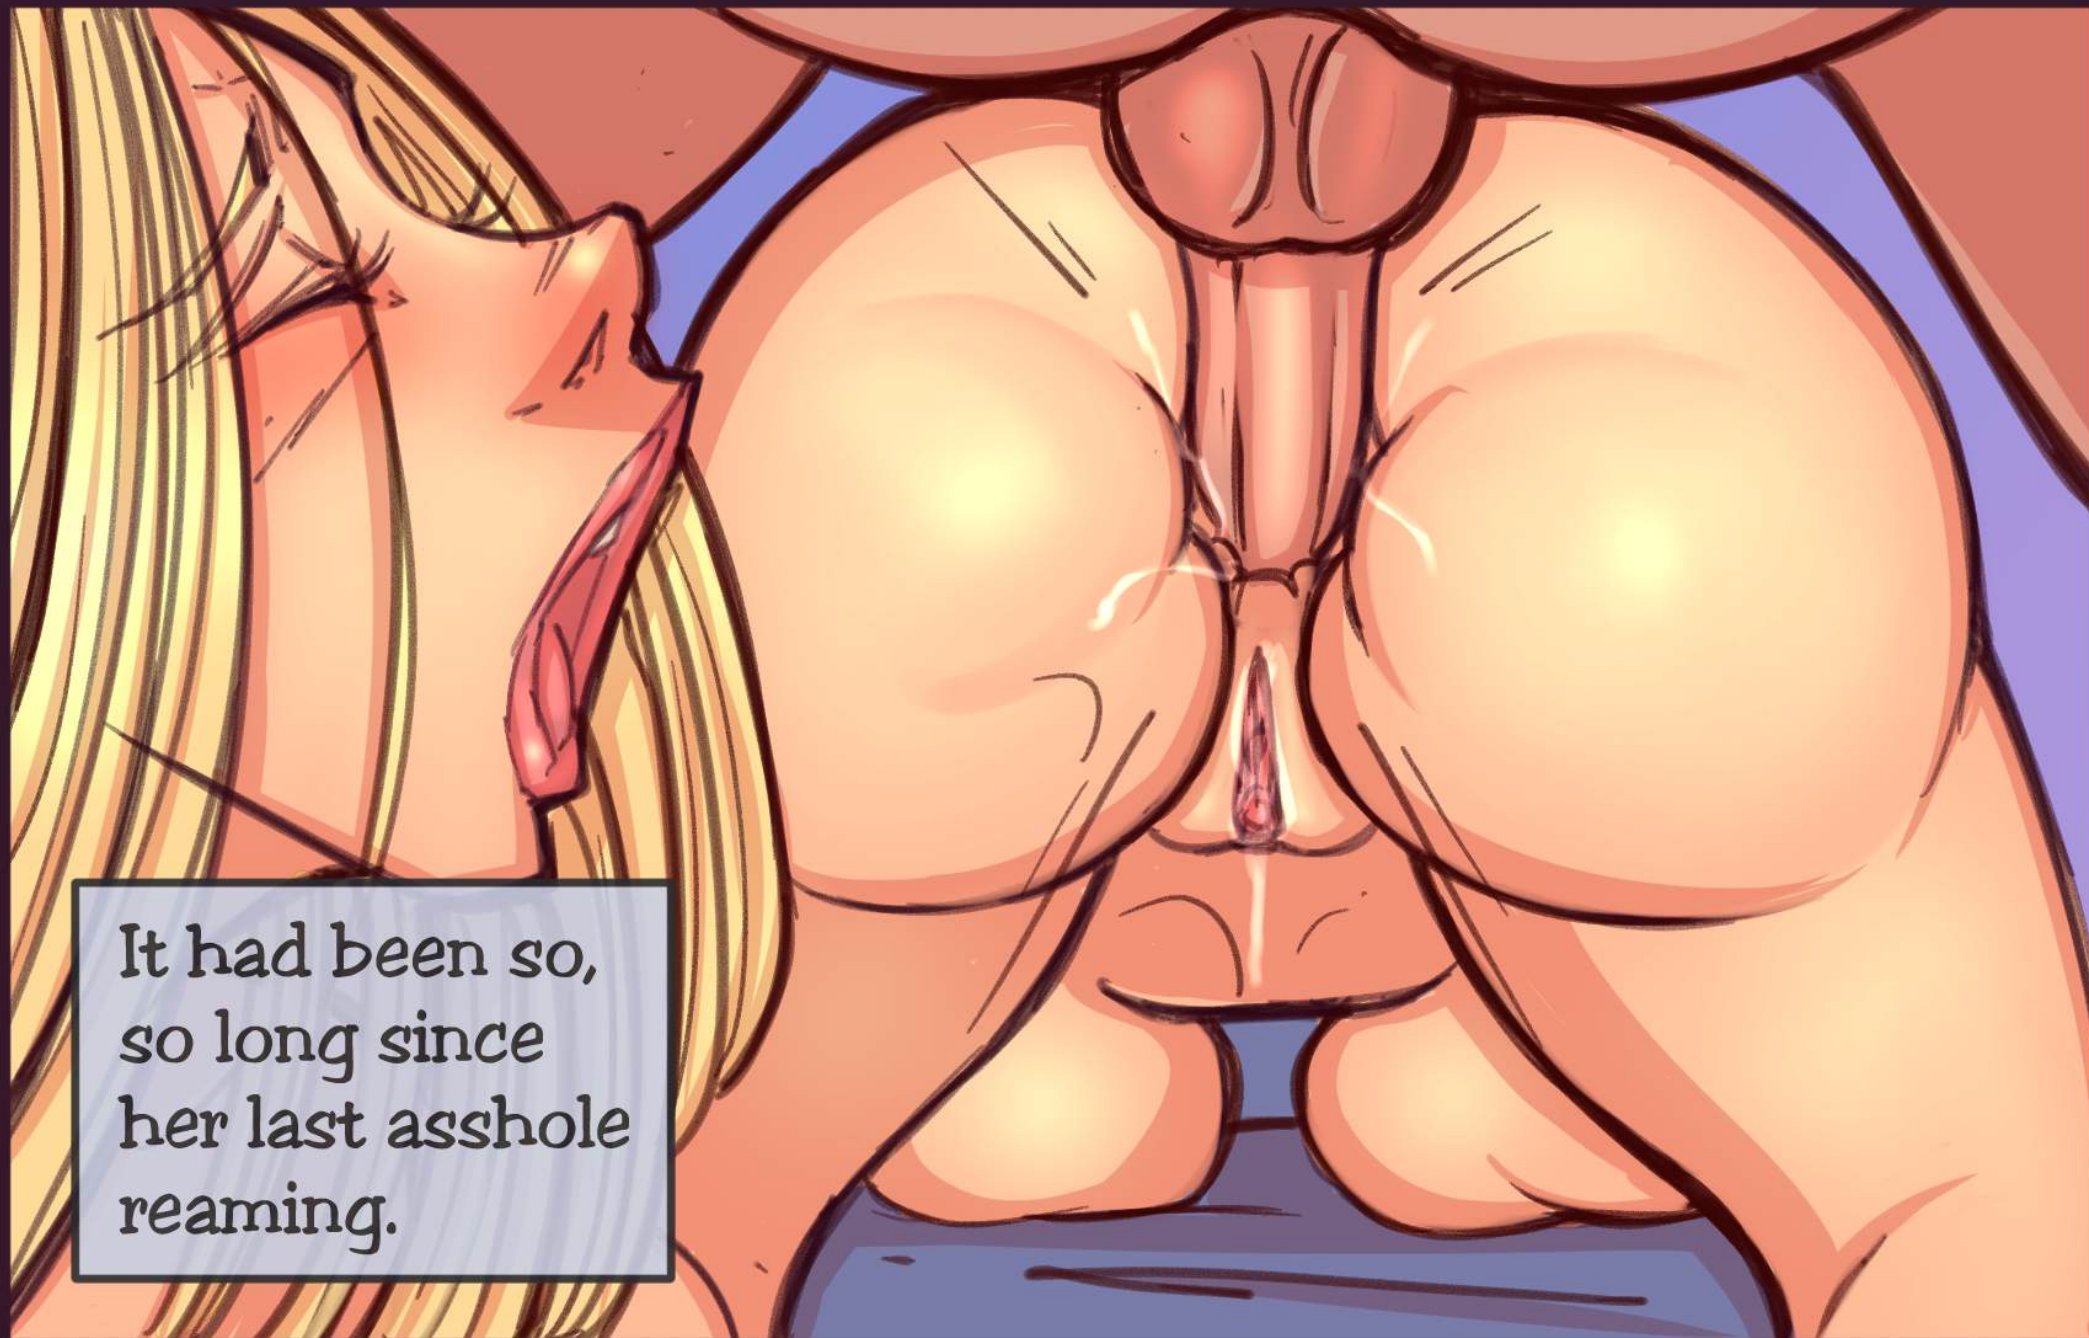

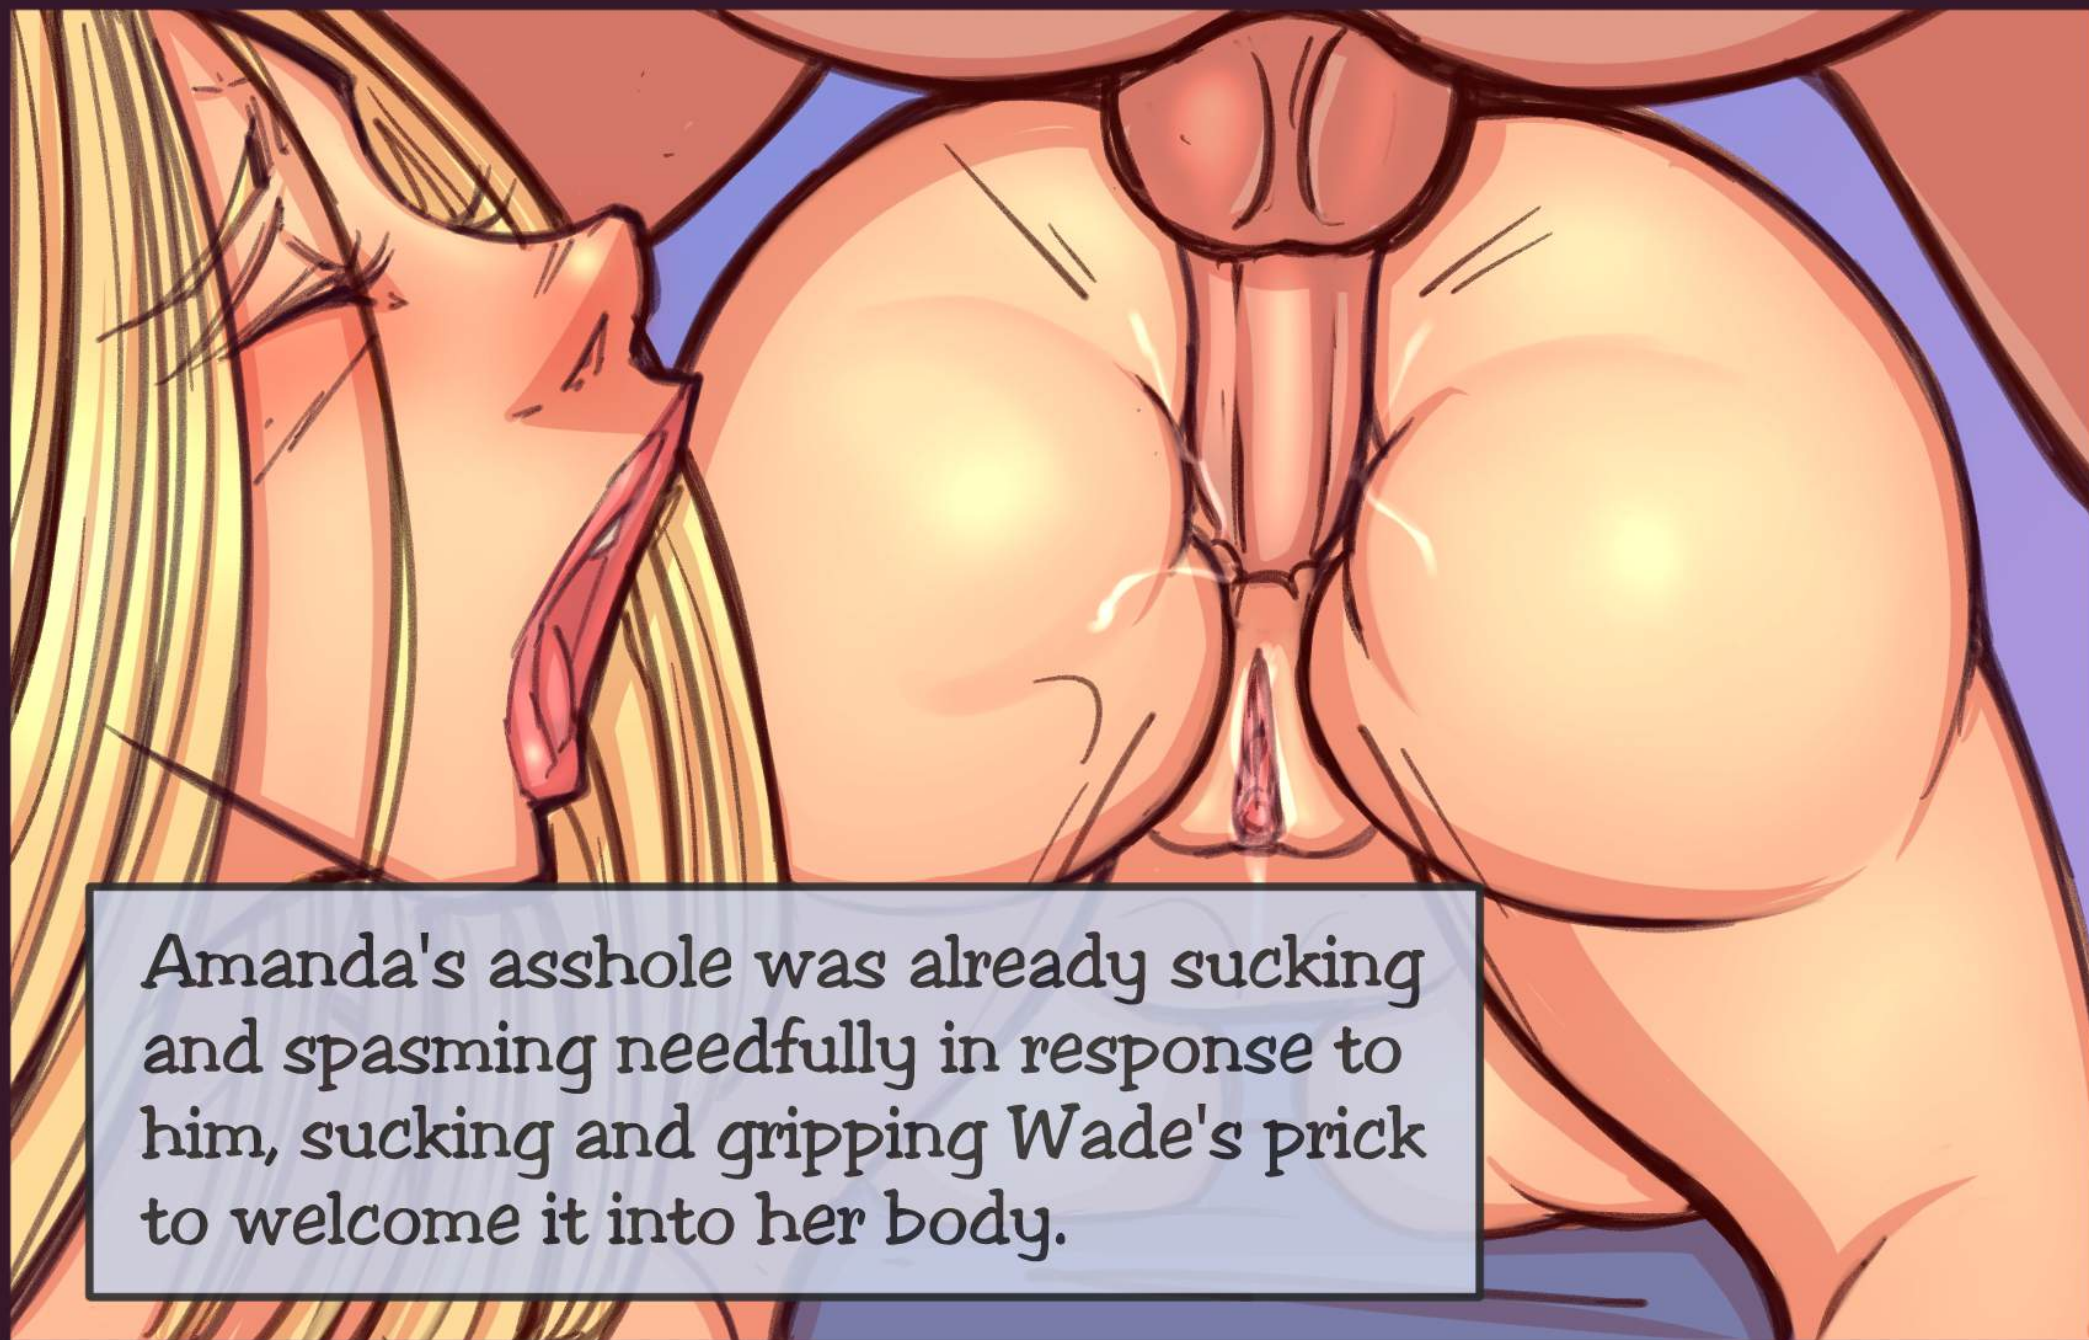

Wade mounted her,
aiming his swollen
cock tip at her
rubbery shit hole.

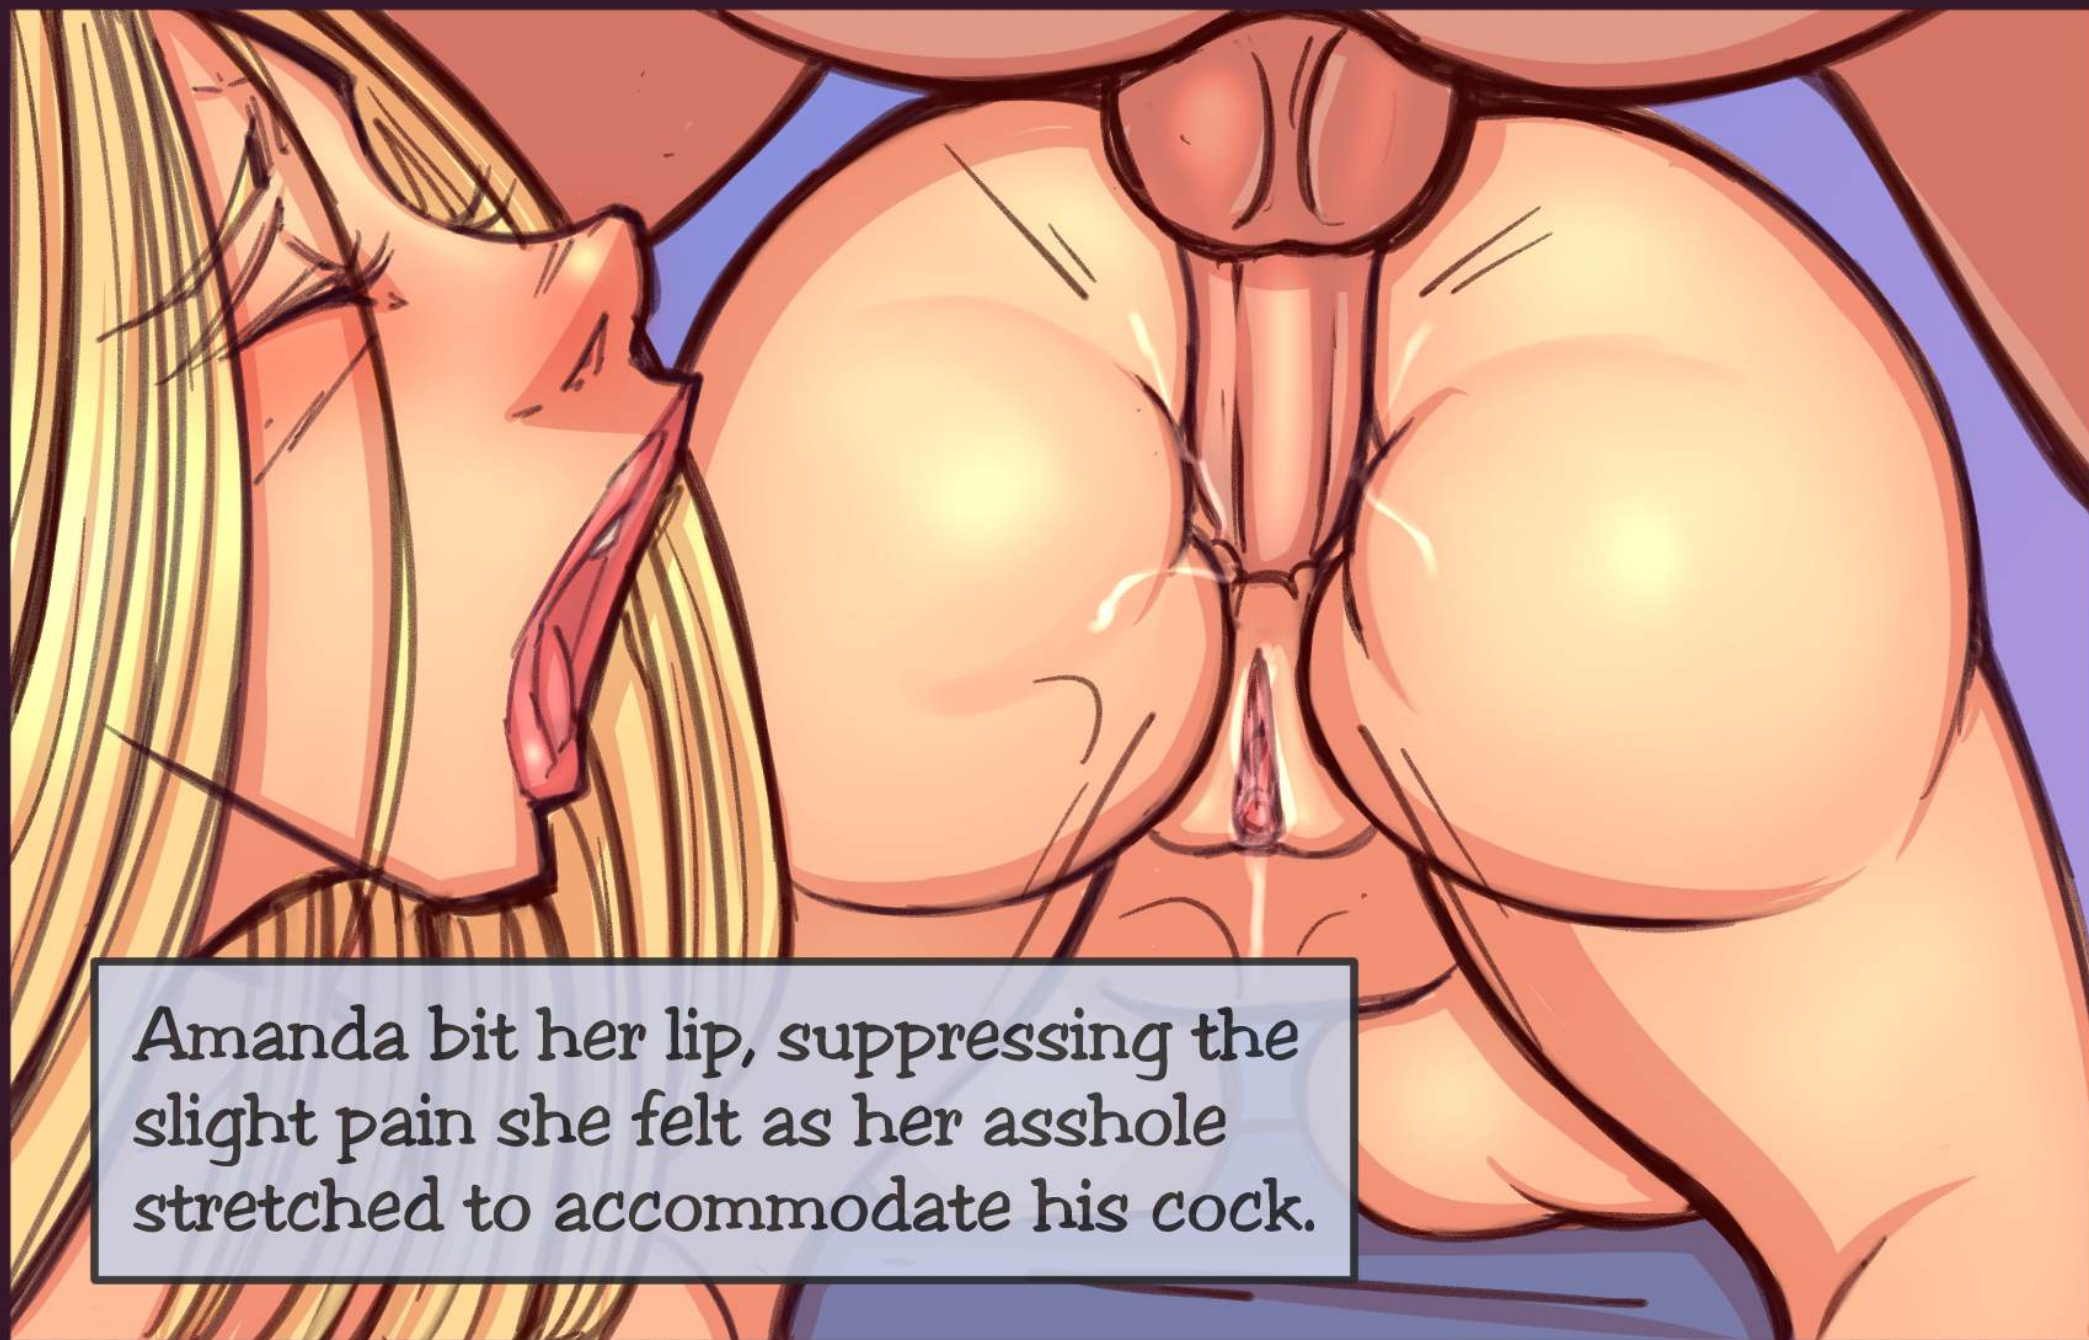

Amanda gasped with intense pleasure, as she felt the cock cleaving into her bowels, instantly stretching her burning asshole to the bursting point around the invading thickness of his prick.

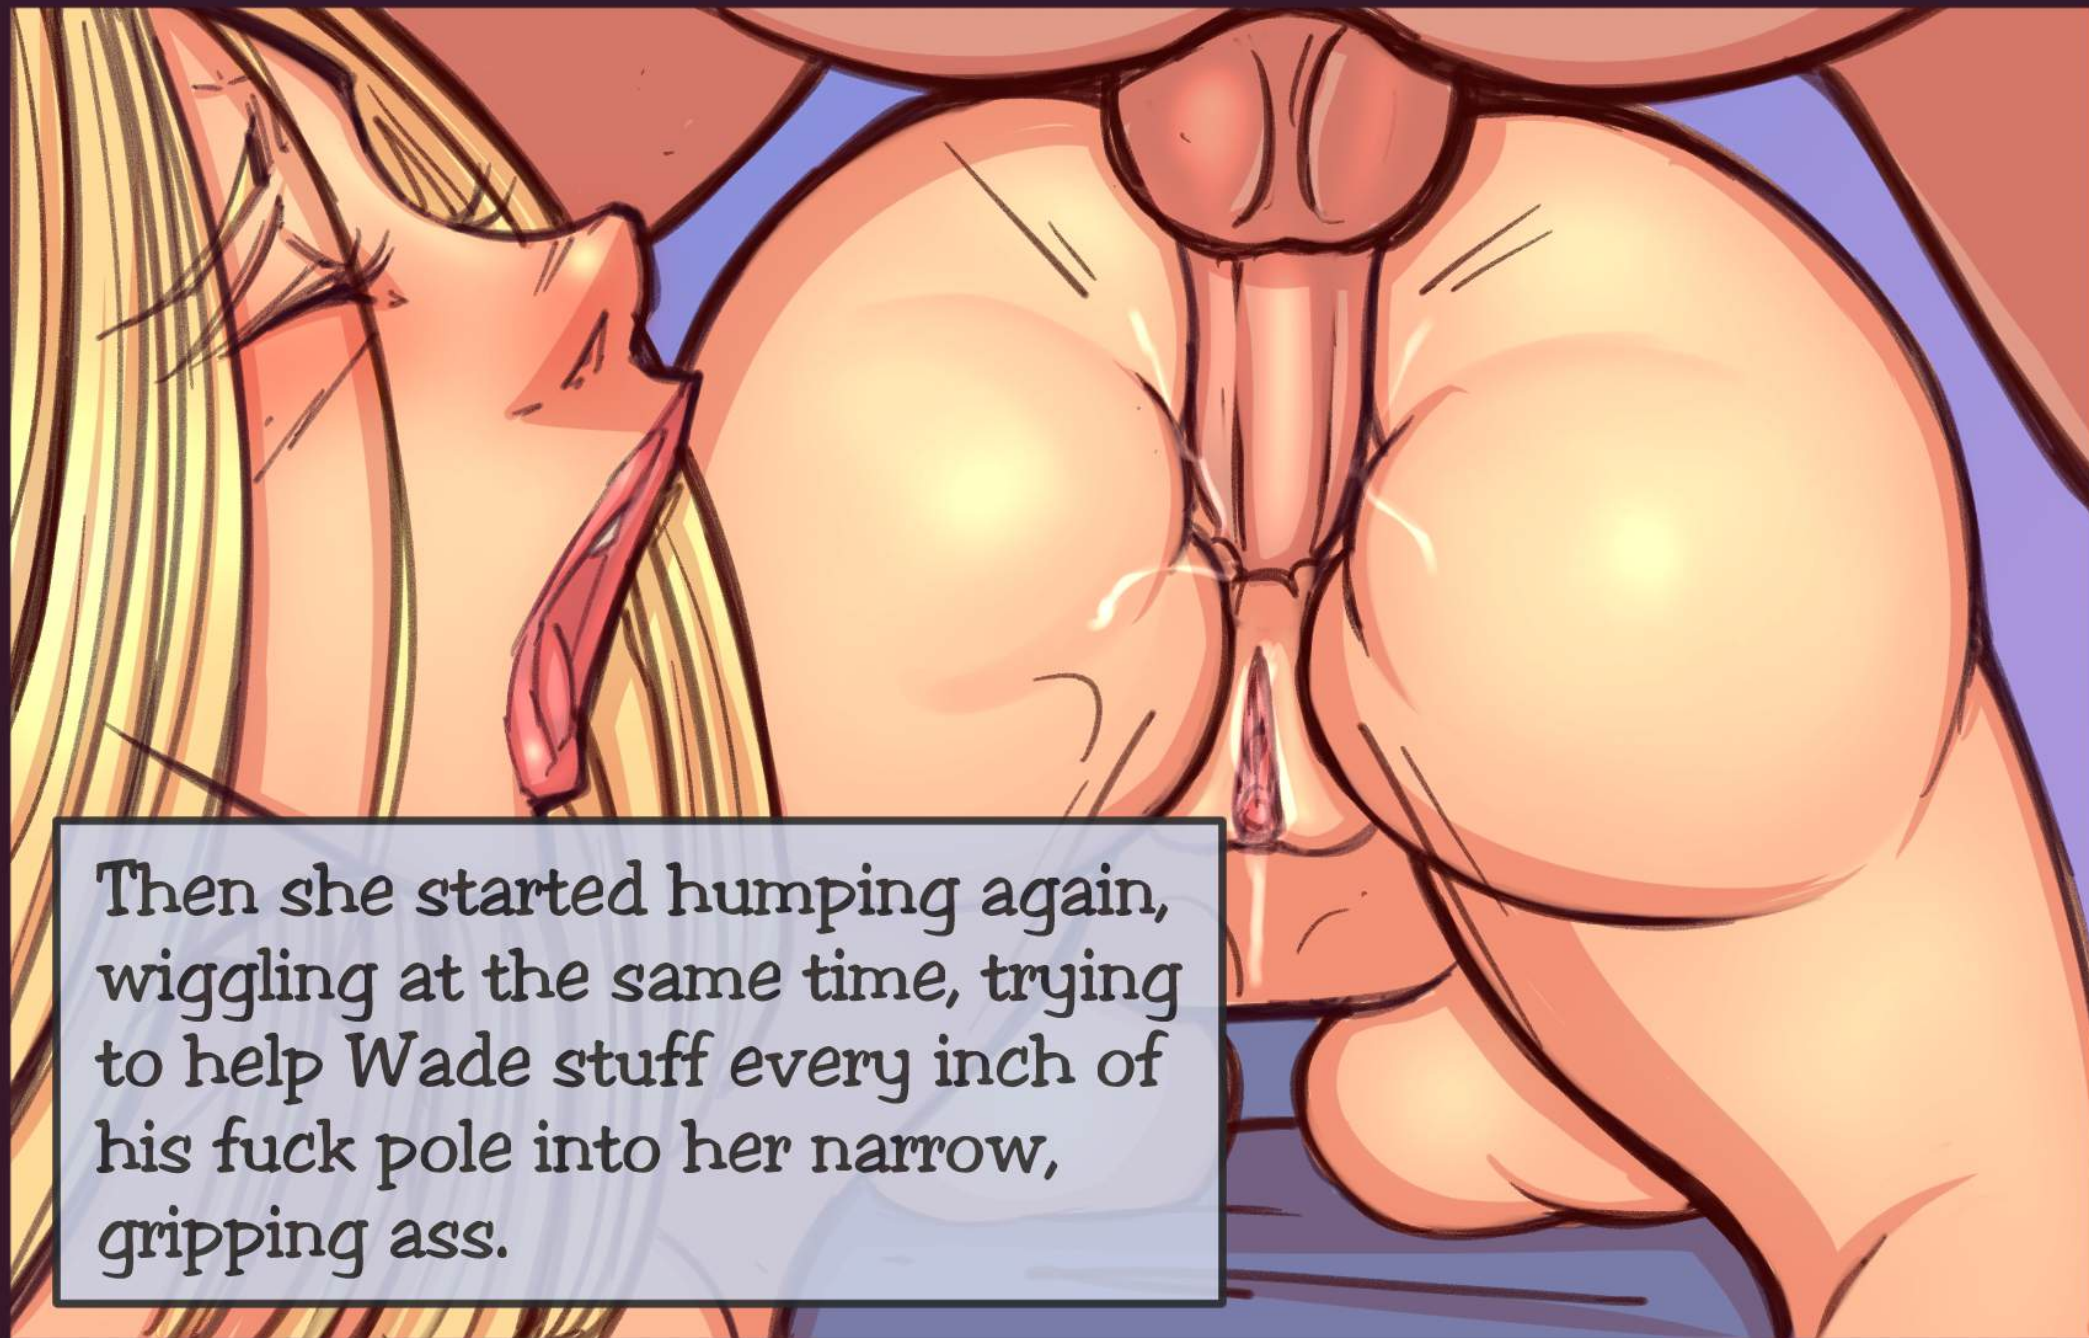

It had been so,
so long since
her last asshole
reaming.

Amanda's asshole was already sucking and spasming needfully in response to him, sucking and gripping Wade's prick to welcome it into her body.

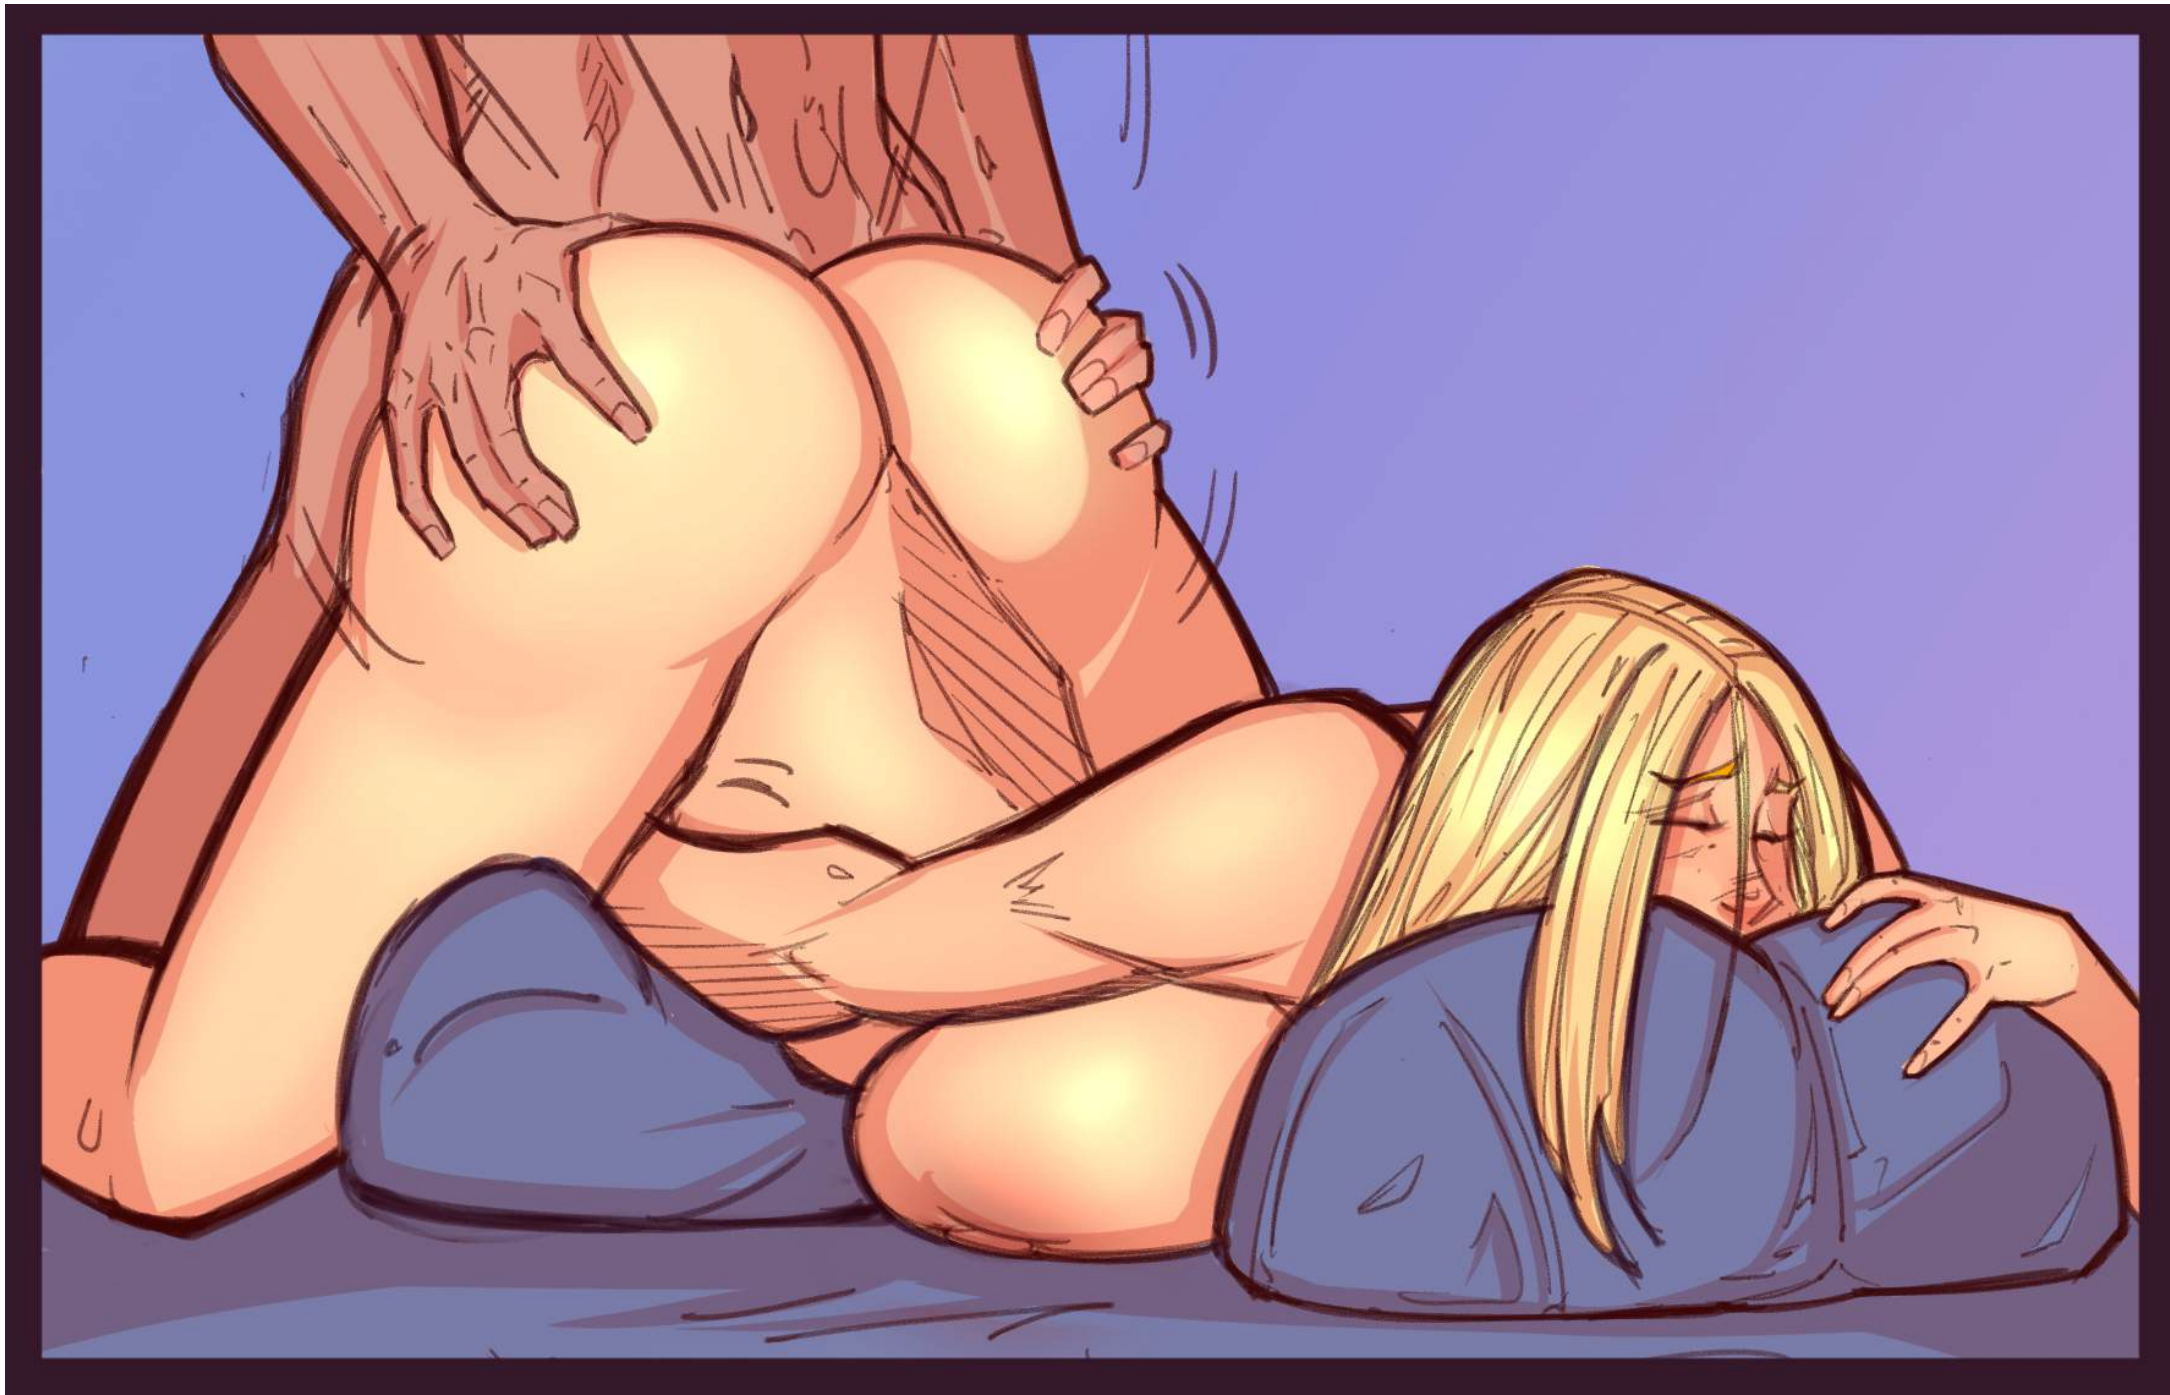

Amanda bit her lip, suppressing the slight pain she felt as her asshole stretched to accommodate his cock.

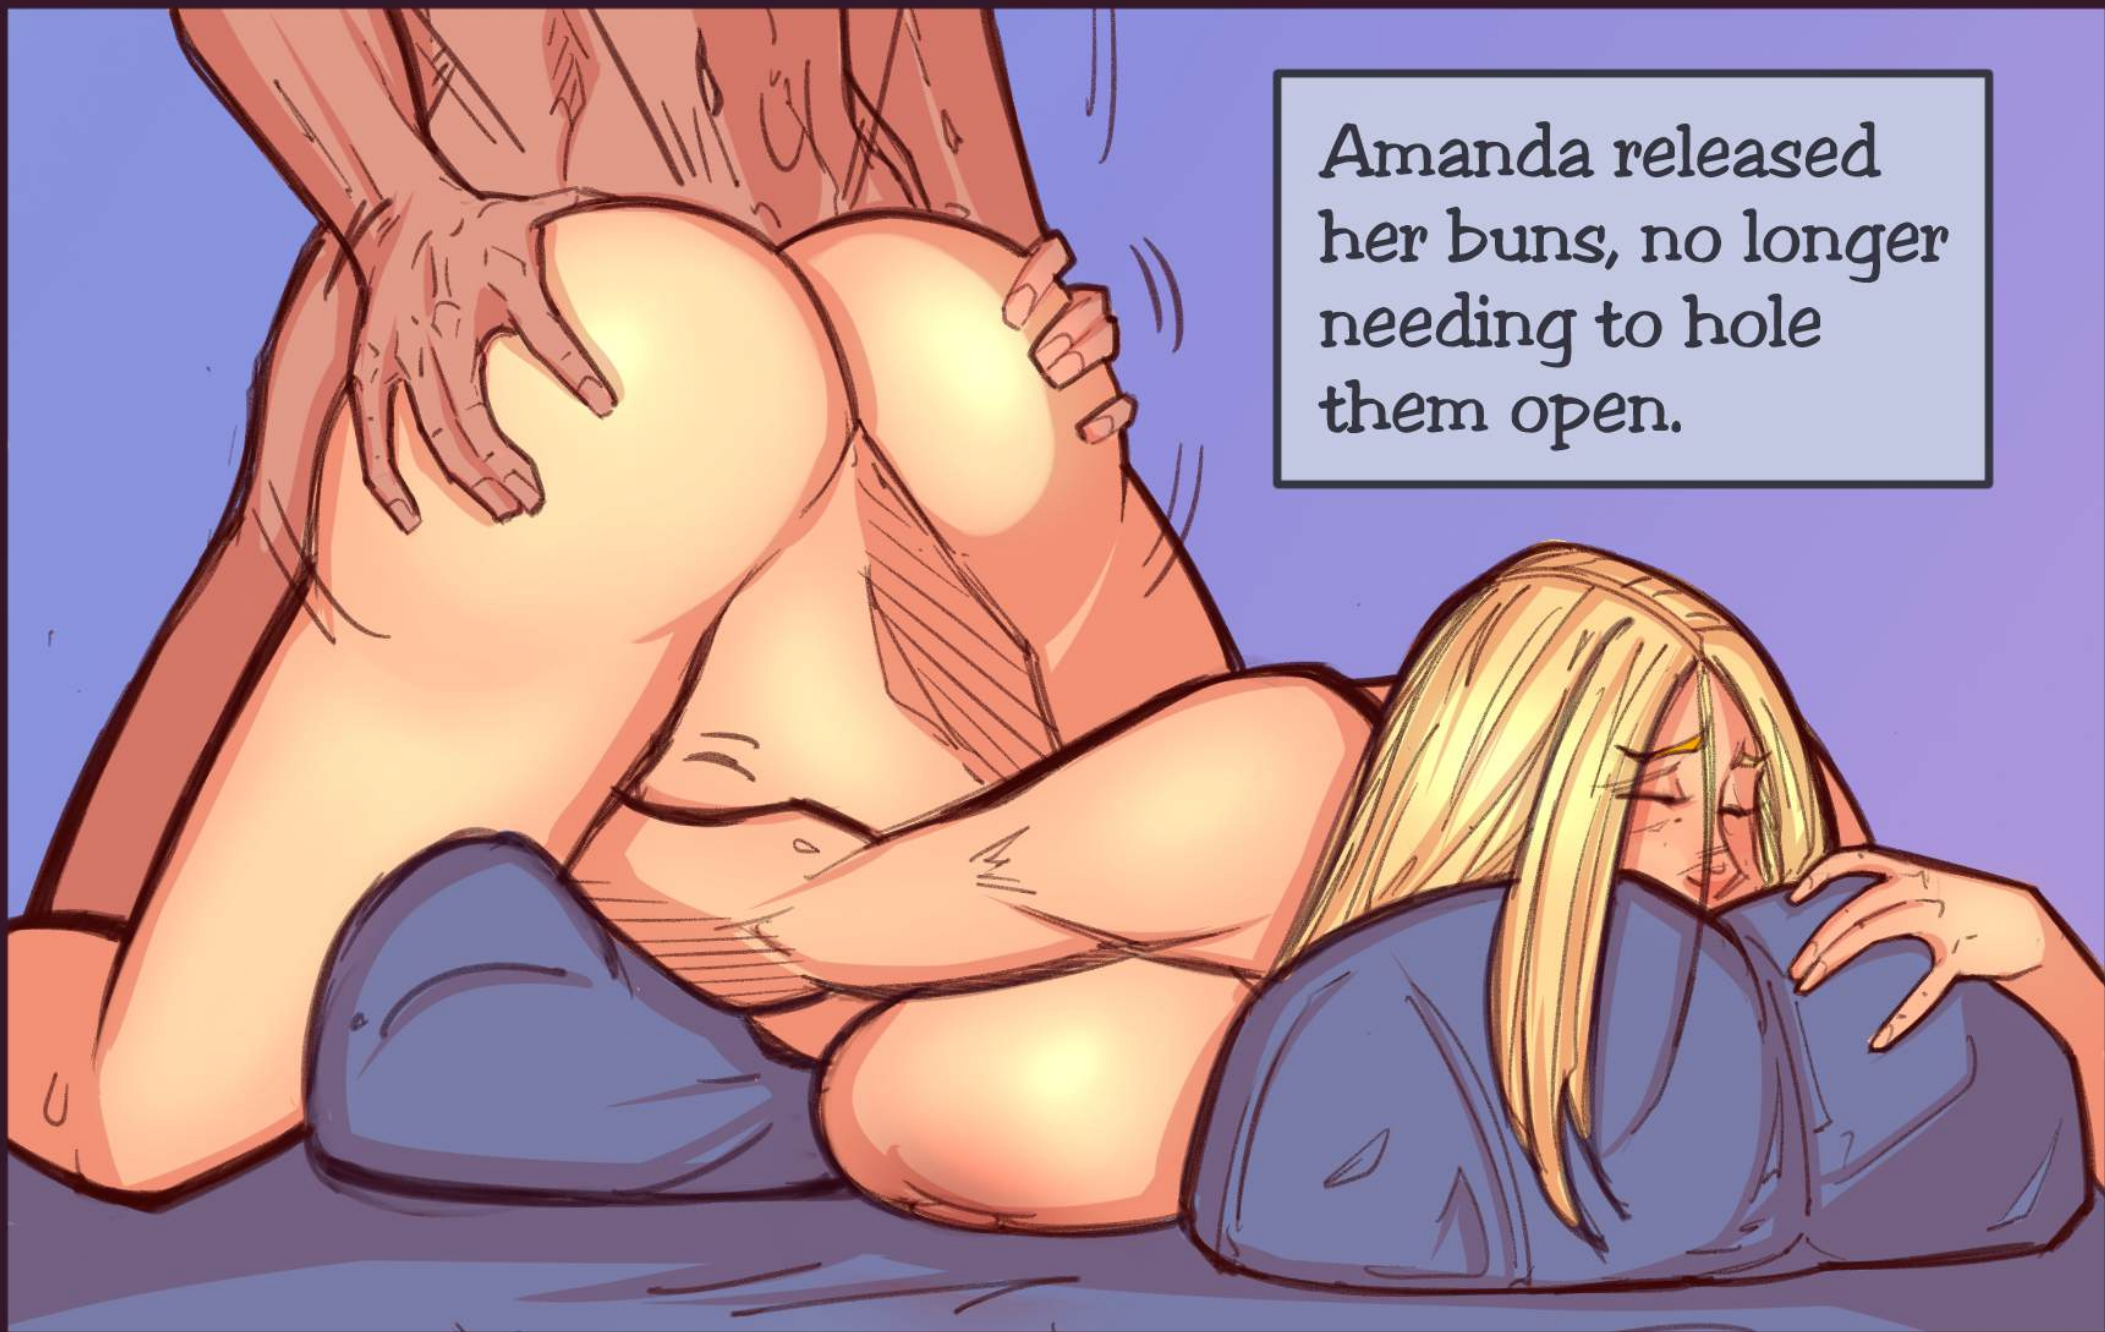

Then she started humping again, wiggling at the same time, trying to help Wade stuff every inch of his fuck pole into her narrow, gripping ass.

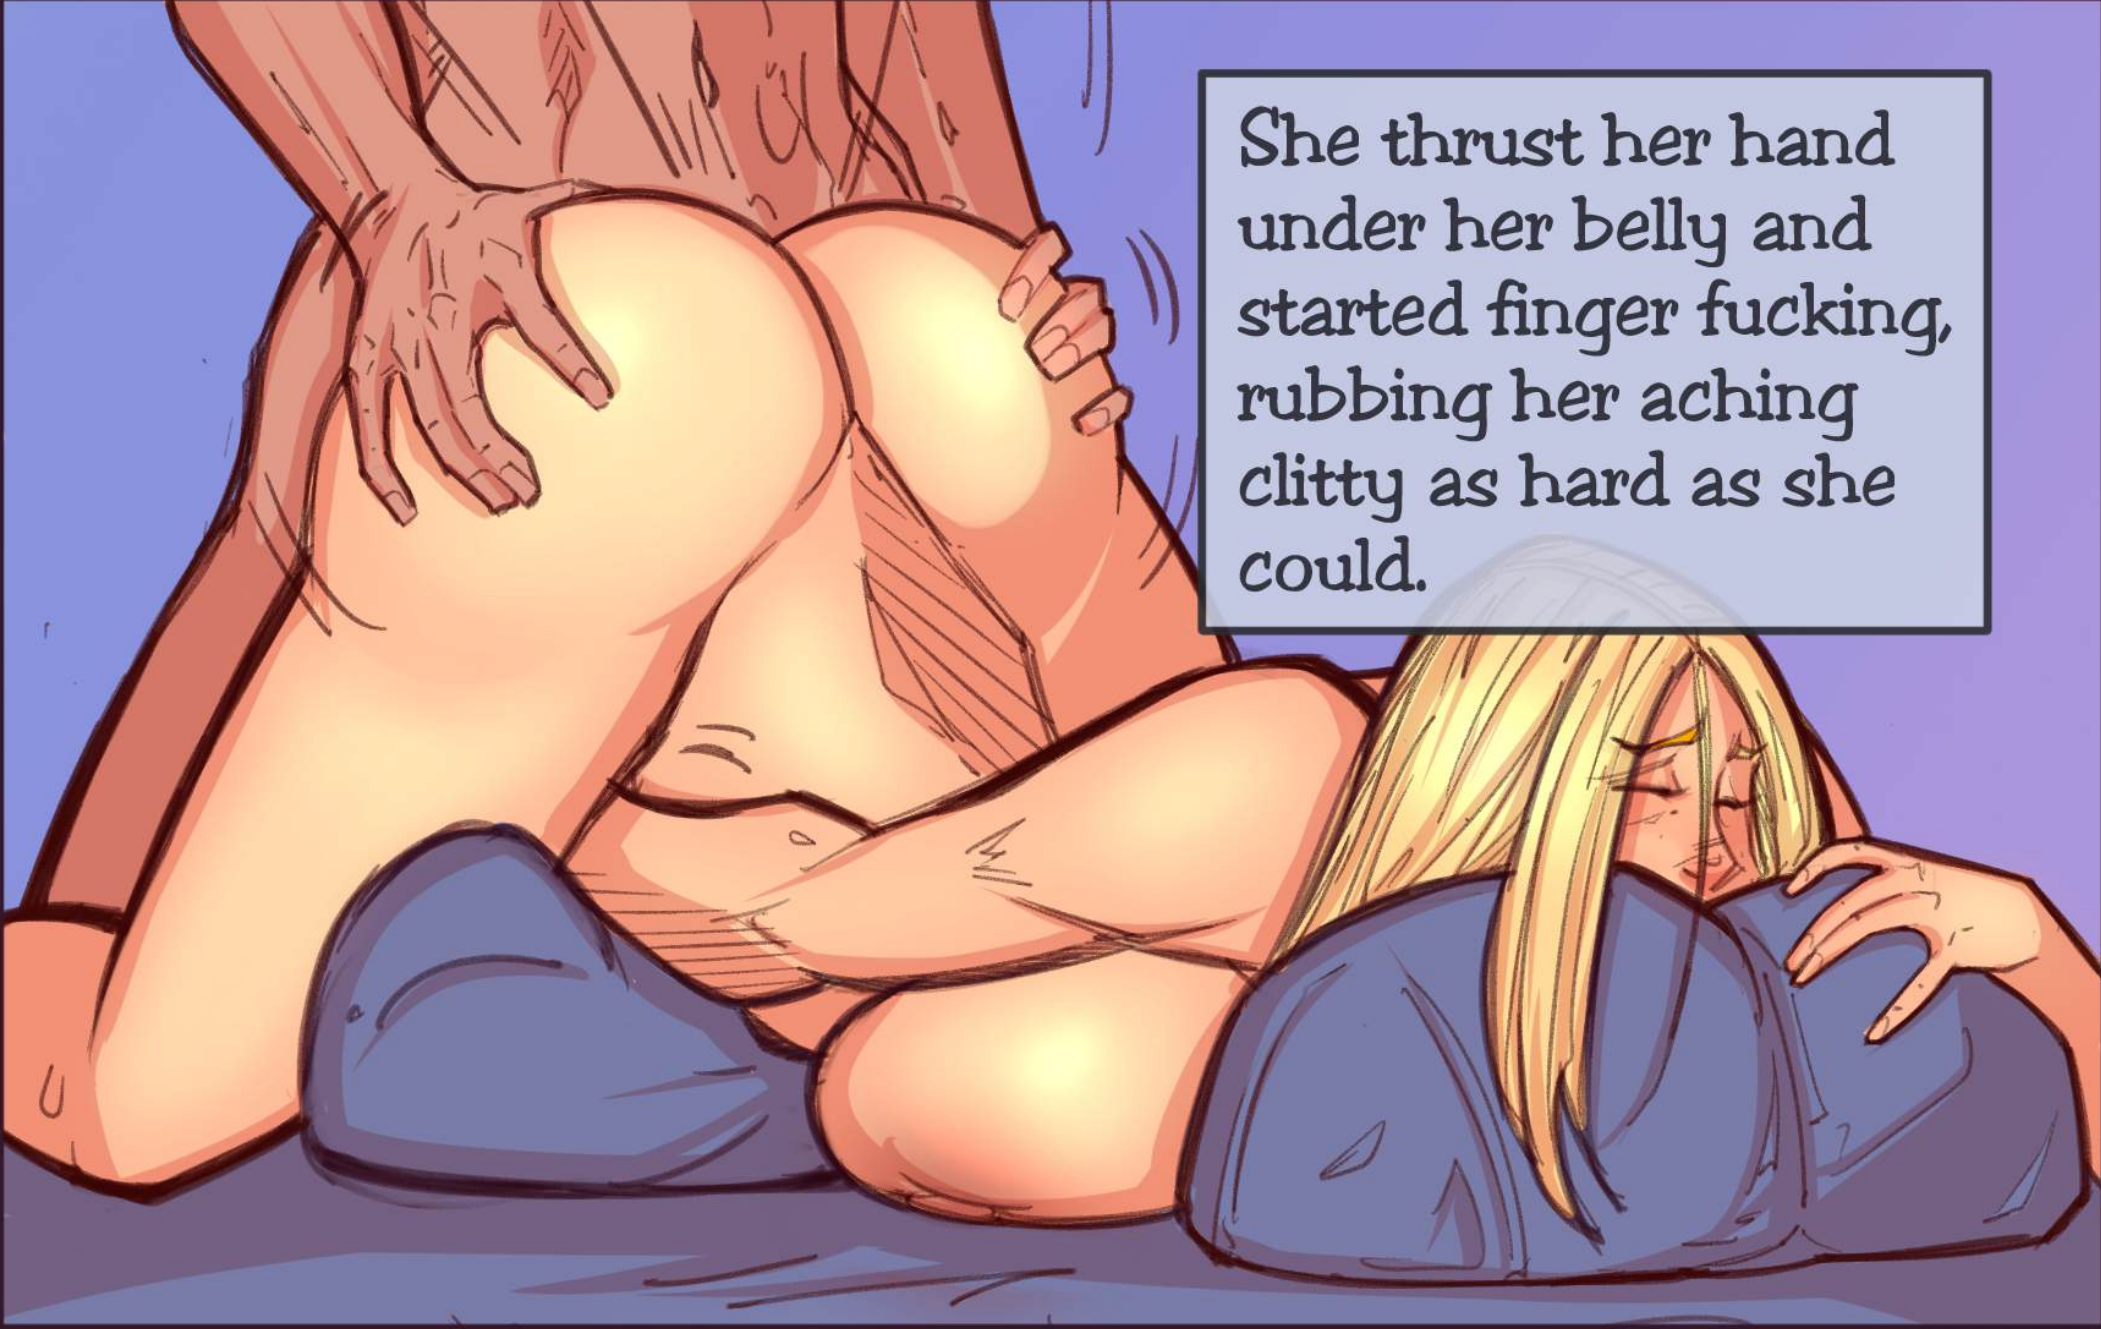

"Fuck me, fuck
my little asshole!"
she pleaded.

Amanda released
her buns, no longer
needing to hole
them open.

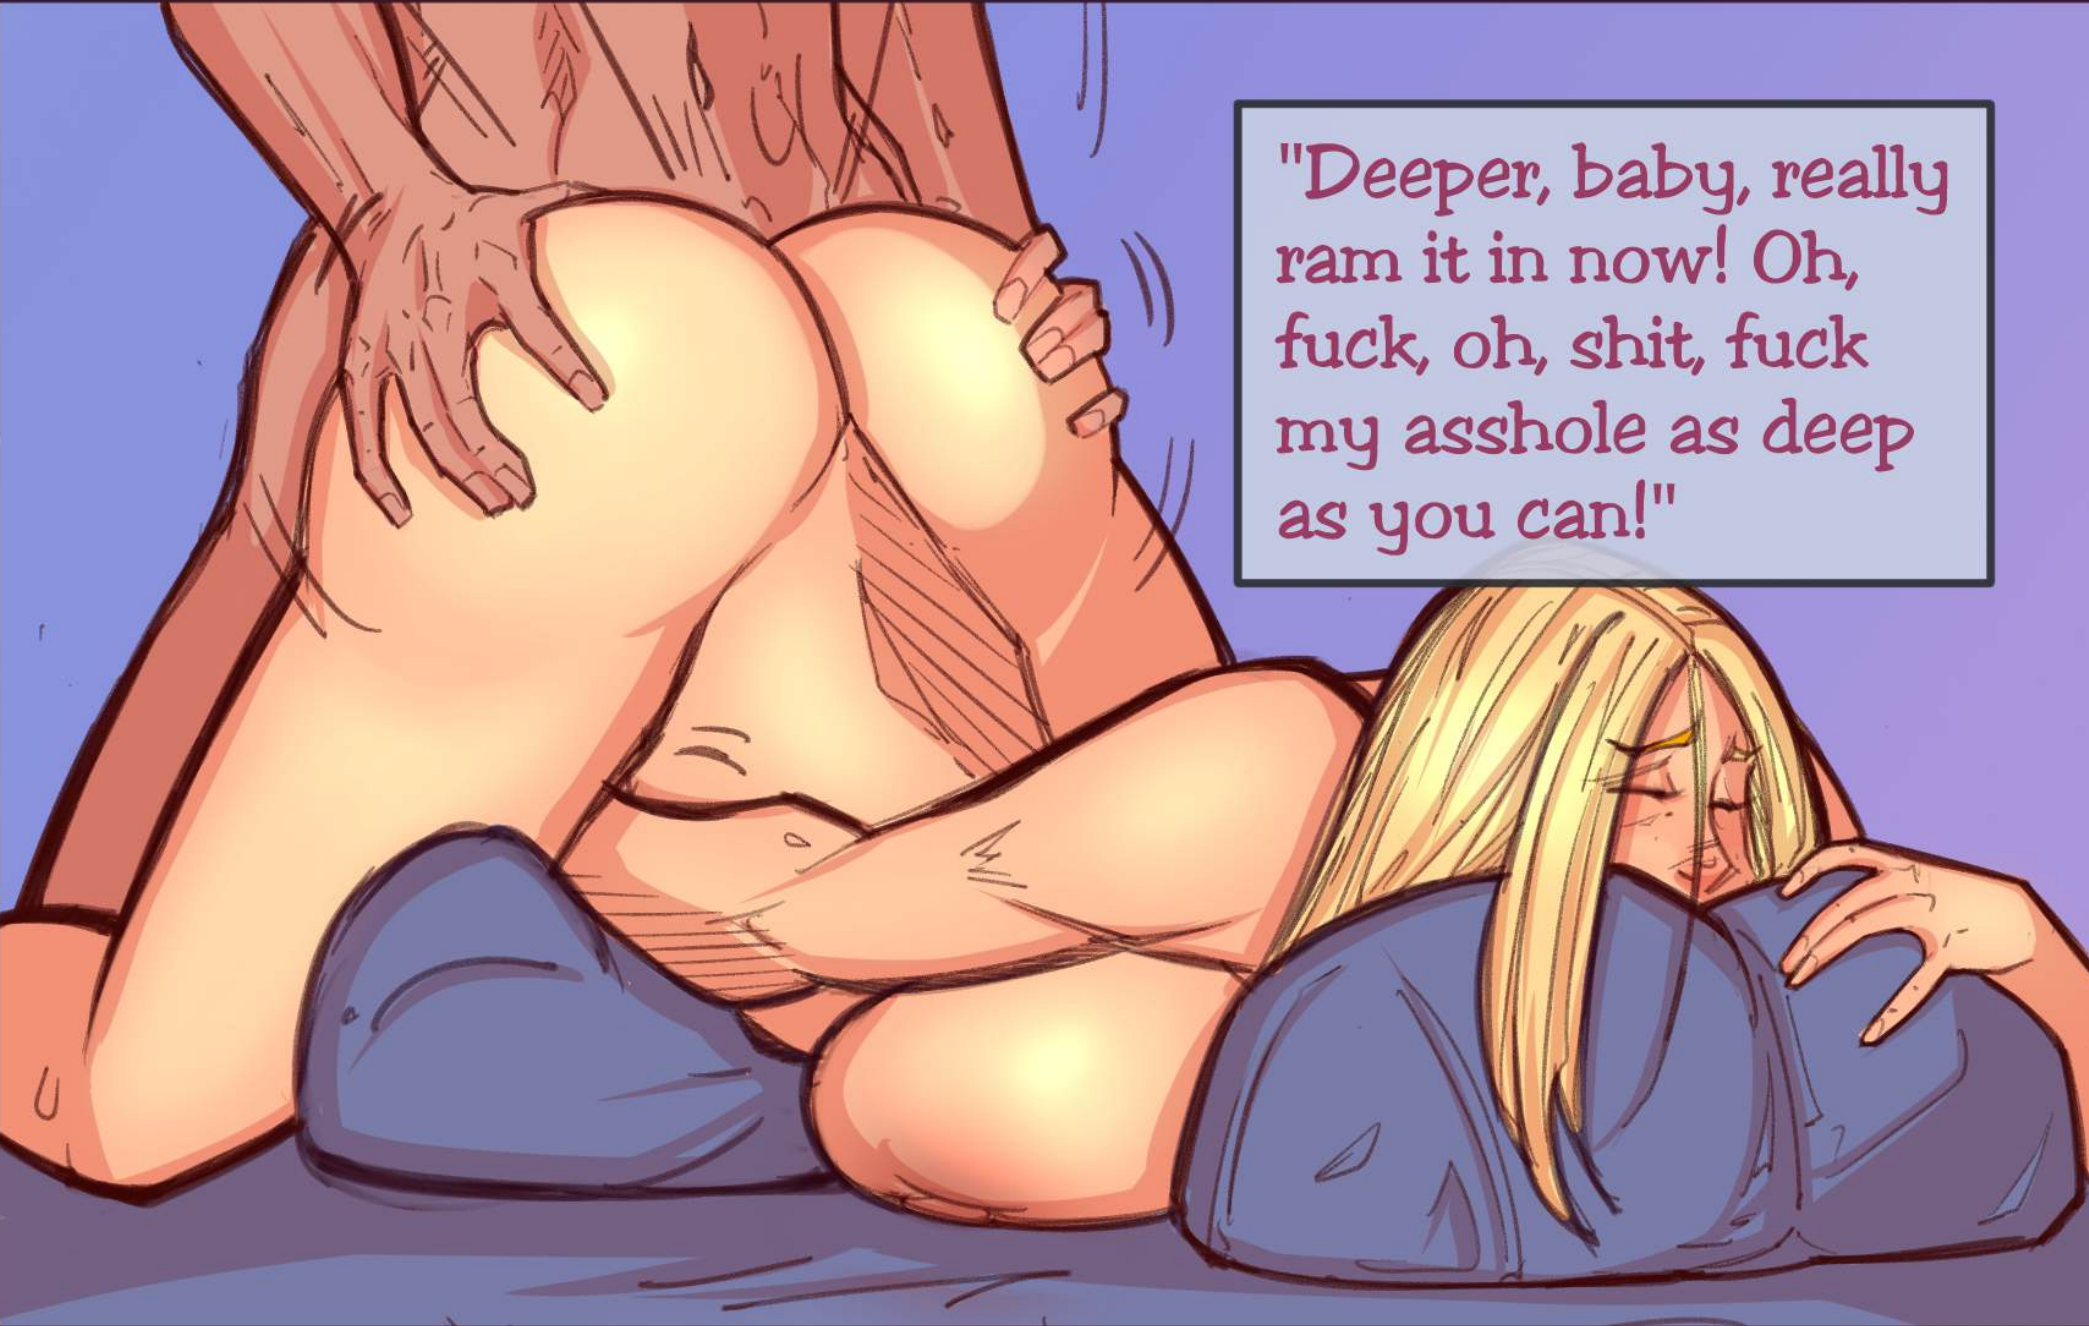

She thrust her hand under her belly and started finger fucking, rubbing her aching clitty as hard as she could.

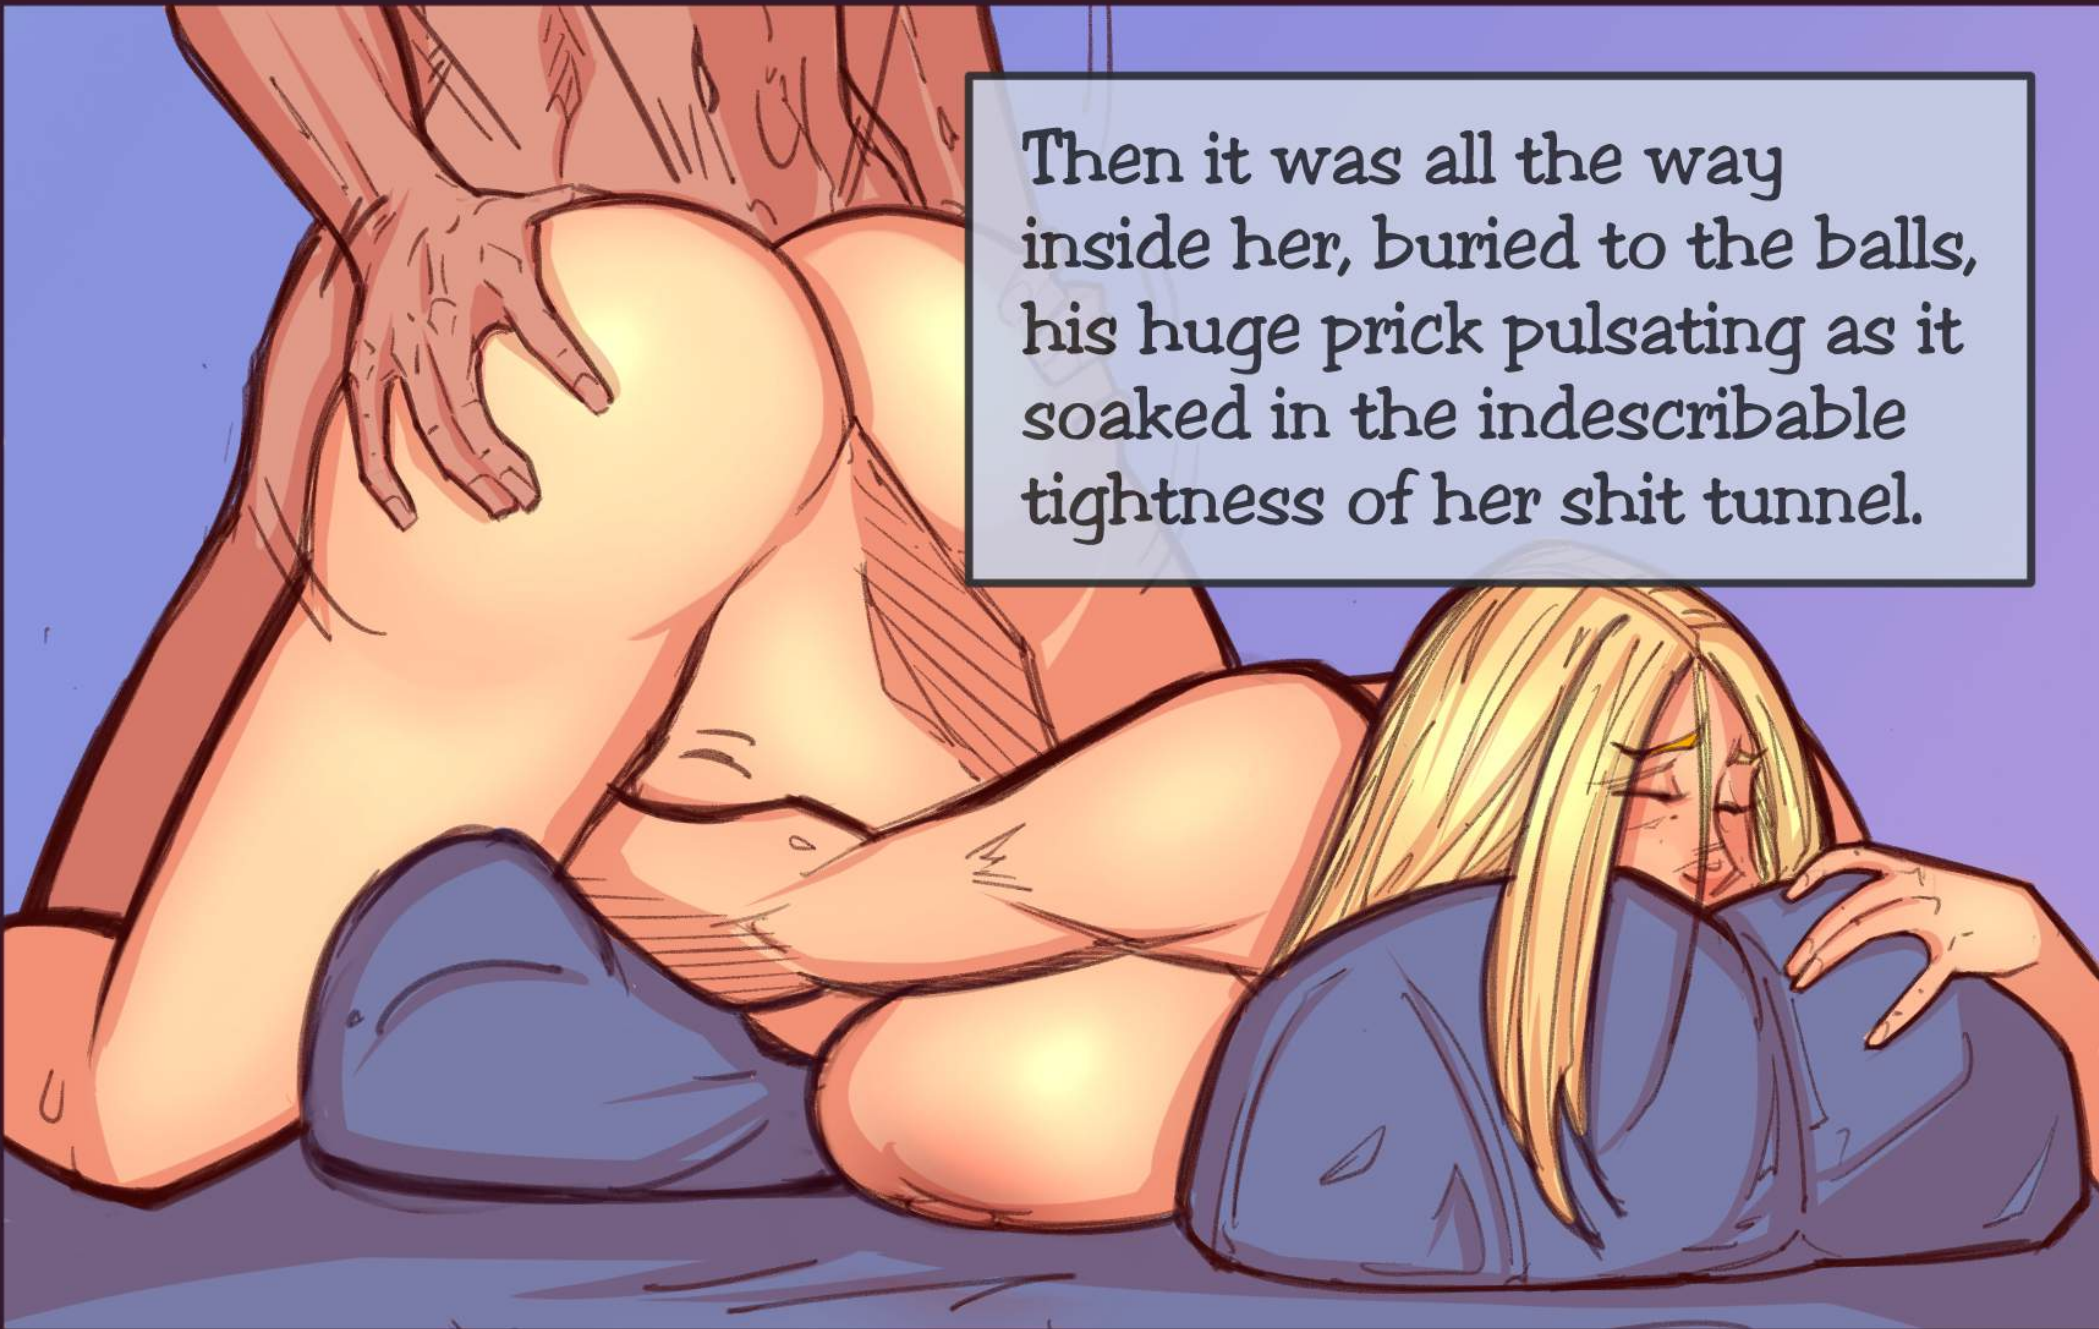

"I need assfucking,
Wade!" she panted.

"Deeper, baby, really
ram it in now! Oh,
fuck, oh, shit, fuck
my asshole as deep
as you can!"

Wade grunted as he heaved on top of her, forcing his immense cock deeper into the heat of her asshole.

Then it was all the way
inside her, buried to the balls,
his huge prick pulsating as it
soaked in the indescribable
tightness of her shit tunnel.

Amanda started humping harder, moaning and crying as she shamefully fucked her stretched, tingling asshole onto his cock.

Wade pulled out slowly, then rammed his prick back into her bowels.

Then he settled into a hard, fast rhythm, slamming his prick in and out of Amanda's horny little shitter.

A comic book panel with a purple background. The main focus is a close-up of a person's buttocks and legs, rendered in shades of orange and yellow with black outlines. A hand is visible at the top, holding the person's leg. In the lower right, a person with blonde hair is lying down, looking up. A speech bubble is positioned in the upper right.

"Fuck my asshole,
fuck my horny little
asshole!" Amanda
pleaded.

She finger fucked
her pussy in a frenzy,
simultaneously
thrusting her asshole
onto his cock.

"Unnggggh! I got such a horny little asshole, honey! It needs fucking super bad! Oh, shit, please do it harder!"

"Oh, darling, fuck
my asshole as hard
as you can!"

Wade did it, ramming
his cock up her shit
chute as hard as he
could.

A comic book panel with a purple background. In the foreground, a large, muscular person's buttocks are shown in a close-up, rendered in shades of orange and red with black outlines. A hand is visible on the left, gripping the person's hip. In the background, a woman with blonde hair is lying down, looking up with a surprised or intense expression. A speech bubble is positioned in the upper right quadrant of the panel.

The enormous fuck organ
had swelled even stiffer,
and Amanda sensed that
this big cock would soon
be basting her bowel tract
with another load of cum.

The orgasm burst suddenly deep inside her, making her pussy gush onto her fingers, and her asshole spasmodically grip and milk around Wade's hammering cock.

Amanda shrieked
with shameful
pleasure, humping
and bucking and
thrusting as hard
as she could.

"Fuck my asshole,
fuck my horny
asshole!" she cried.

"My asshole's
cumming now,
Wade! Fuck it,
fuck it good!
Cuummiiinnngg!"

Wade collapsed,
ramming his cock
to the hilt in her
tenderly sucking
bowels.

Then his load of
cock juice spewed
out of his balls.

It lashed out of
his cock tip,
spraying into
her, deluging her
shitter with an
ocean of cream.

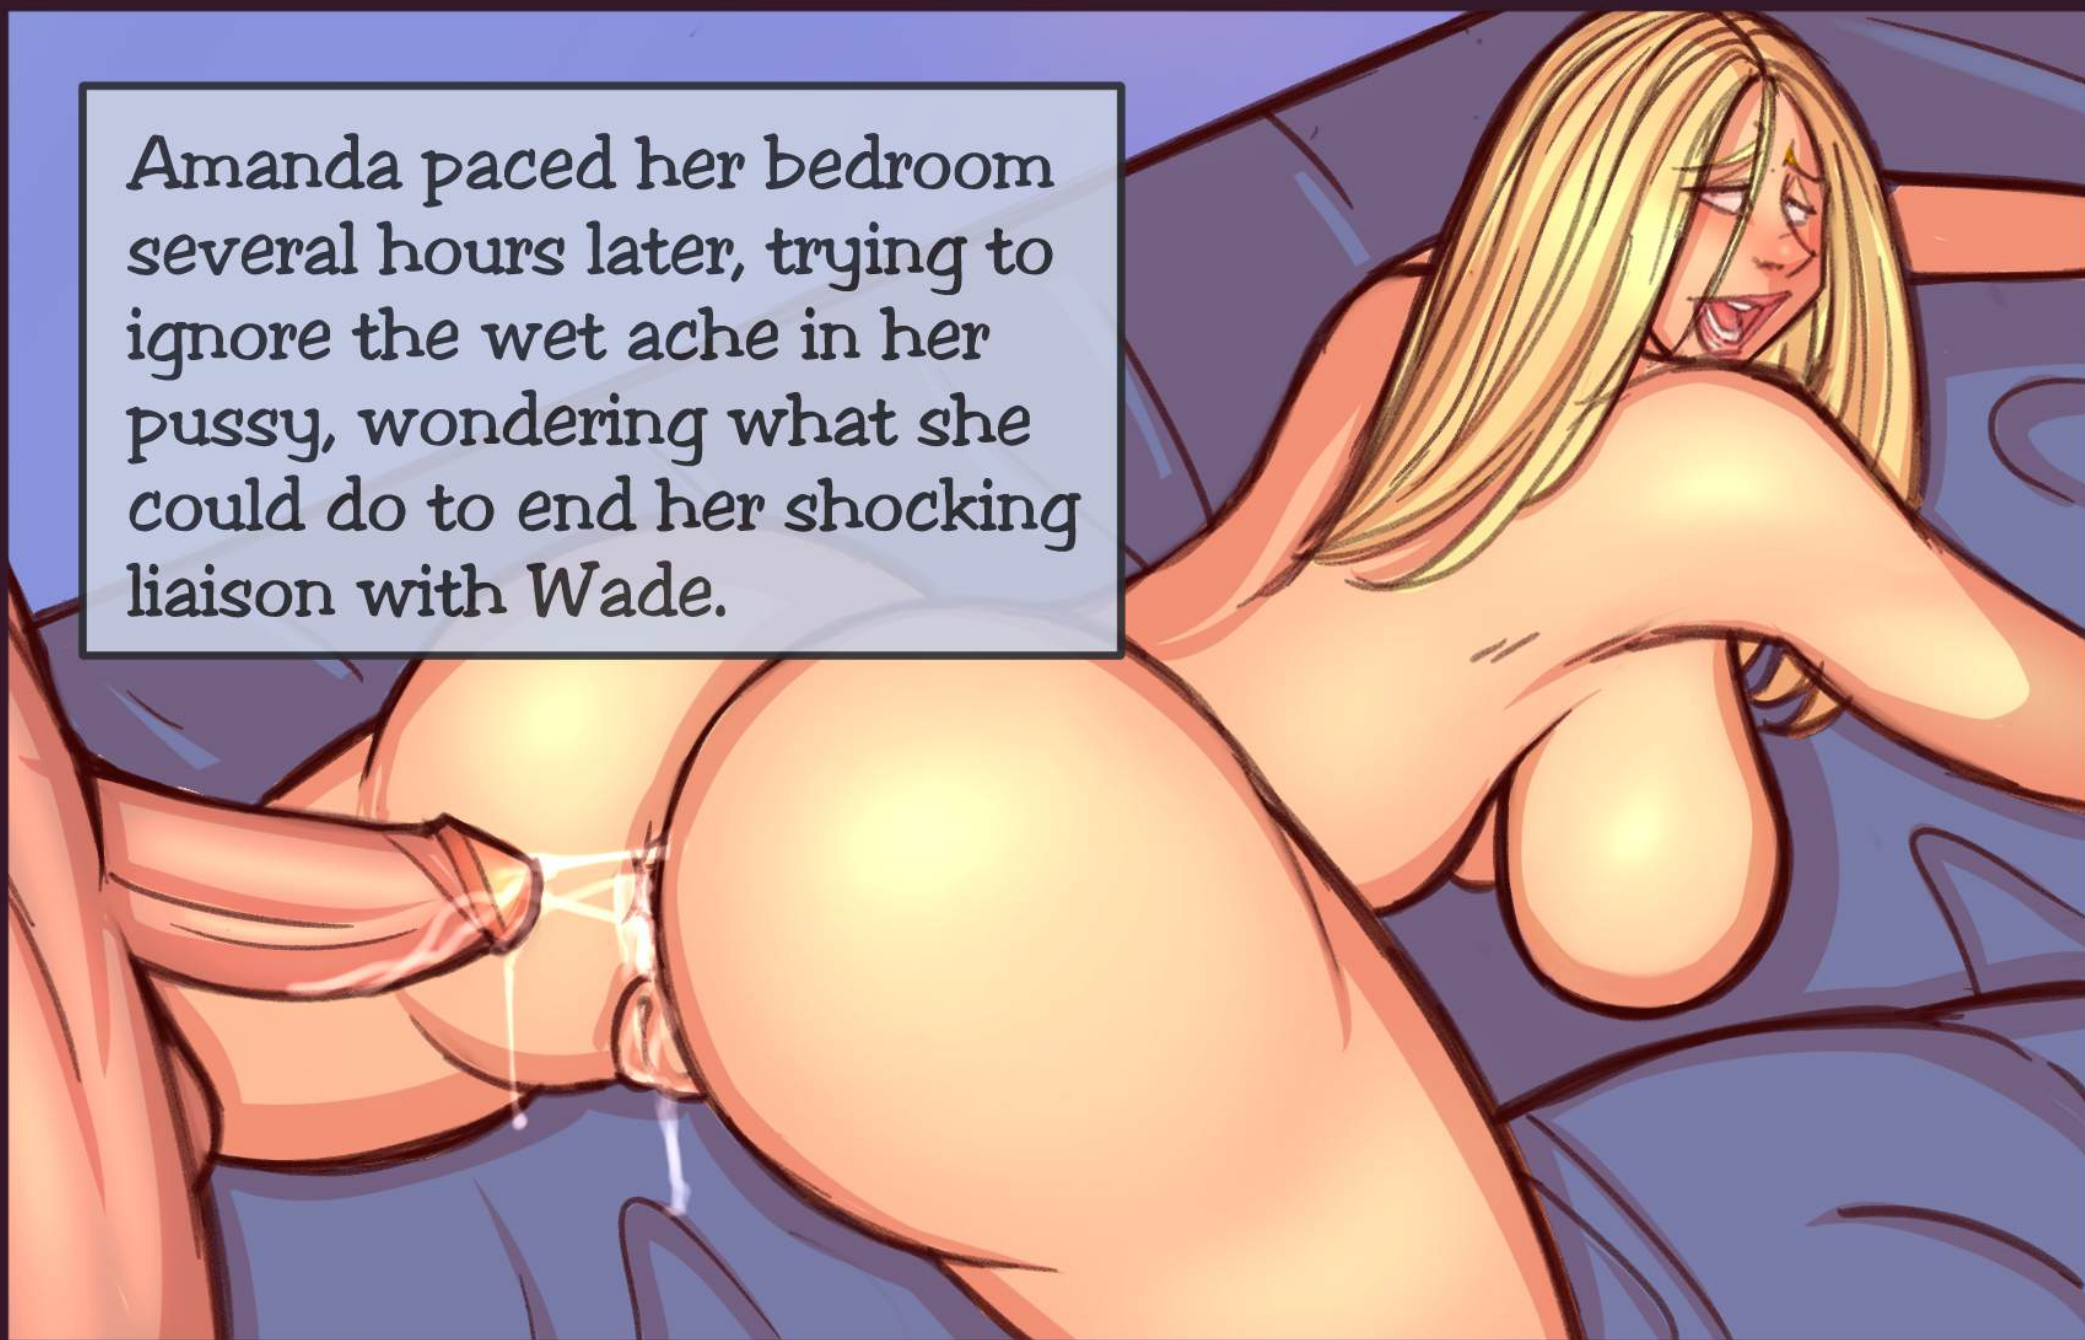

Hornily she flexed
her shitting muscles
around the huge,
erupting cock,
helping him draining
his balls completely
in her ass.

She had to do something
about Wade's craving to
fuck her.

Amanda paced her bedroom several hours later, trying to ignore the wet ache in her pussy, wondering what she could do to end her shocking liaison with Wade.

She'd make him see
a counselor. Yes, that
was right.

A counselor could help
him deal with his
uncontrollable sex drive.

Amanda went to her bureau, finding her address book and thumbing through the pages.

She still didn't think that her own lust had anything to do with the fact that she'd let Wade fuck her. She blamed it all on him.

Dr. Reagan.
She was a
therapist of
some sort.

Amanda had heard
about her because
Dr. Reagan sometimes
worked with young
people.

Having a record of referrals was as much endorsement as Amanda needed.

She'd make sure that Wade saw Dr. Reagan as soon as possible, to discuss his shocking desire to suck and fuck her.
