CHAPTER 14

"How long have you fantasized about a sexual relationship with her, Wade?"

"She's not really my mother. Hey did she tell you that?" Wade raised his eyebrows. "That I fantasized about it?"

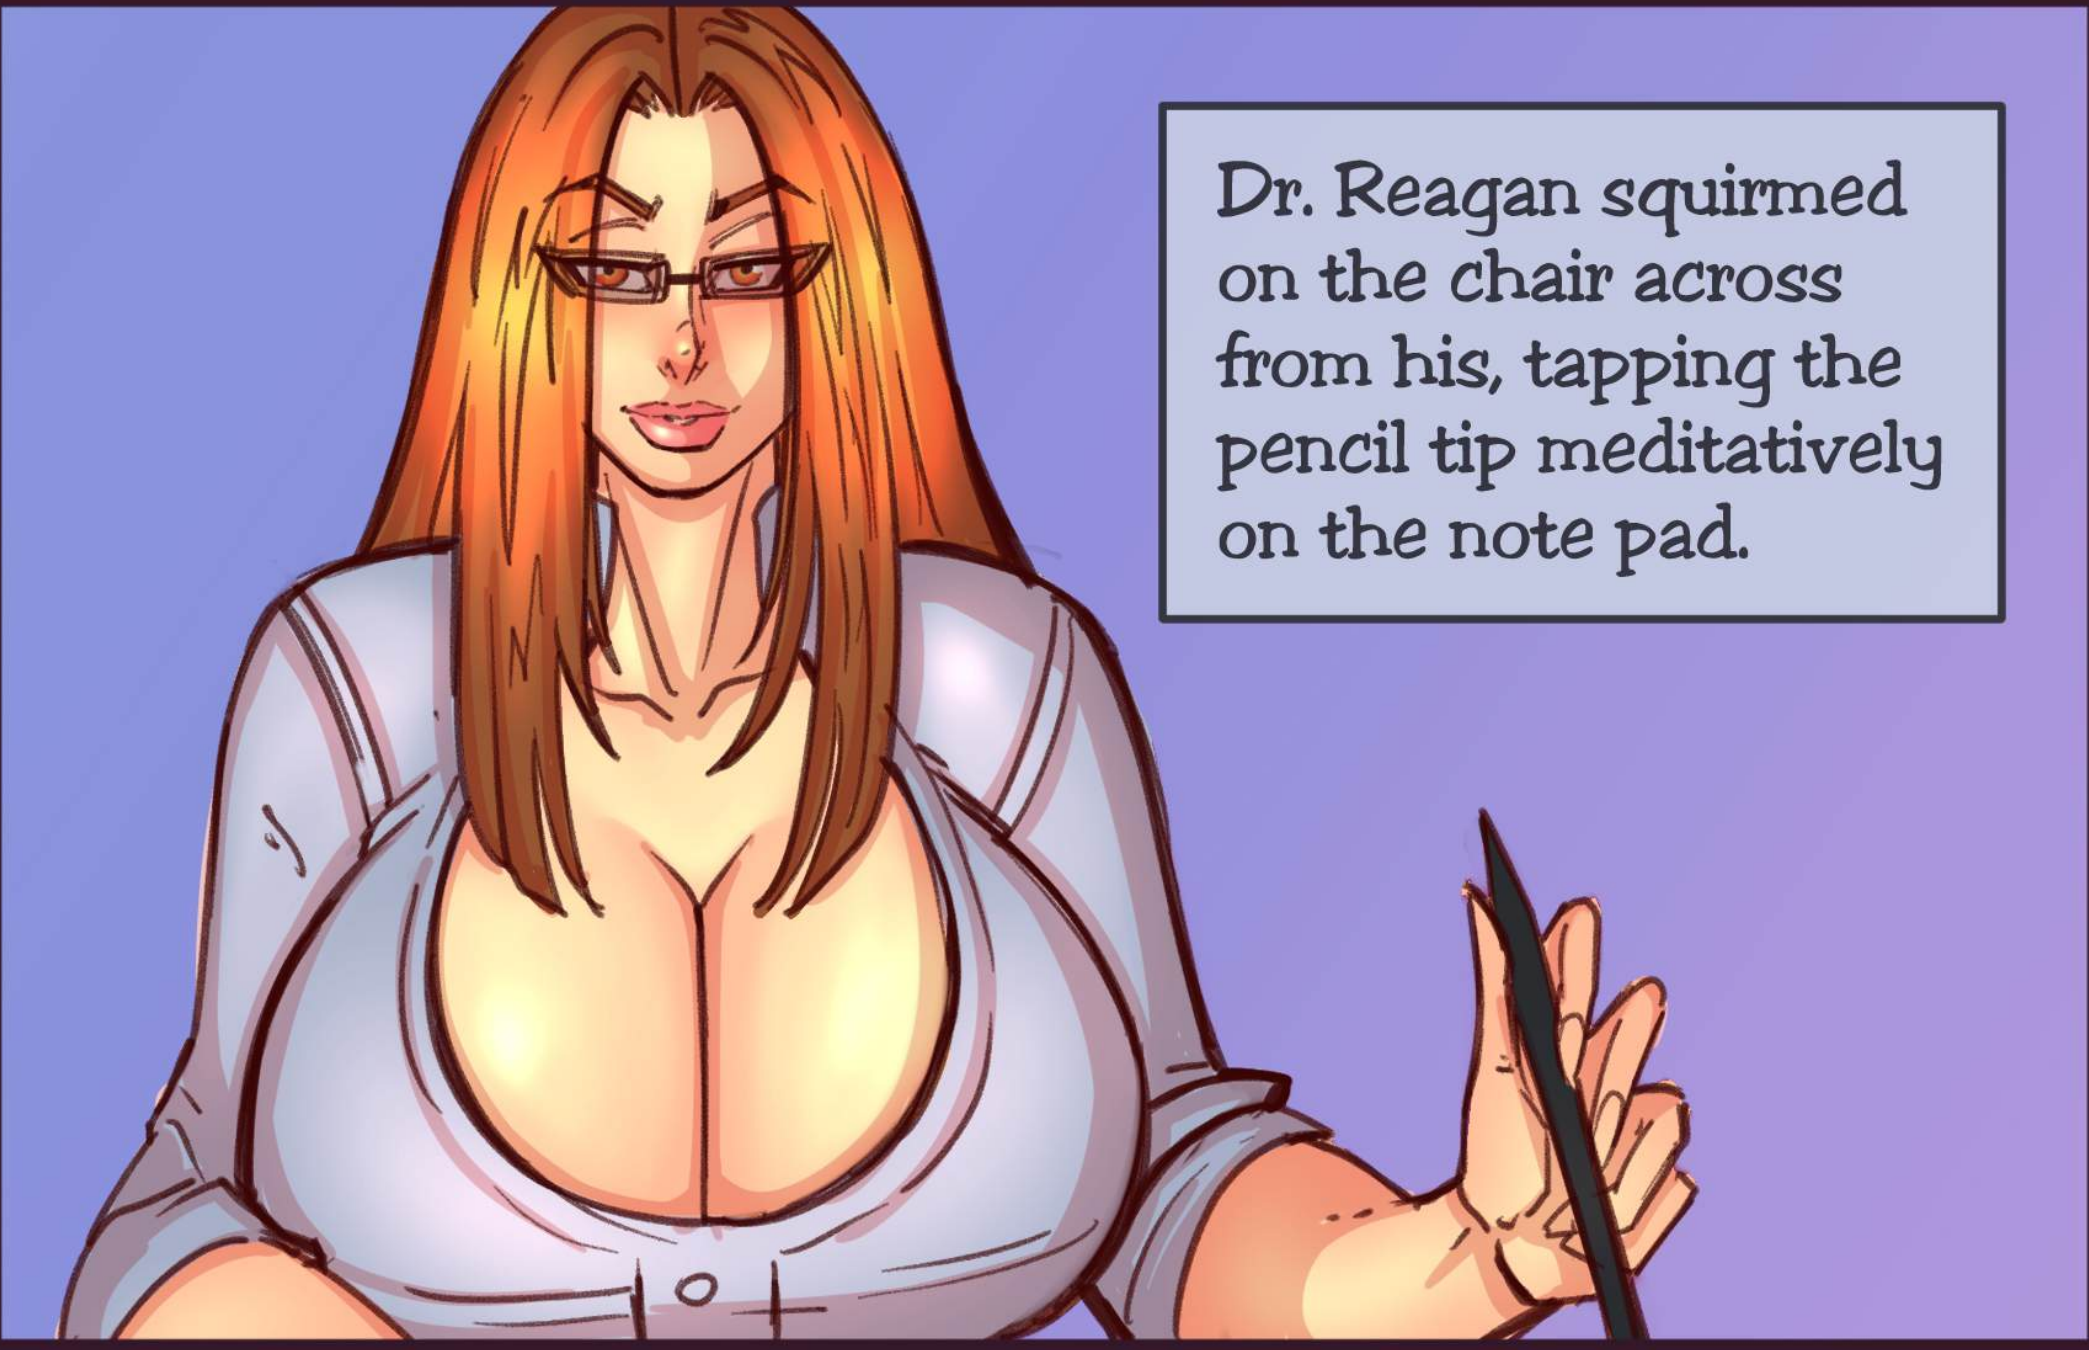

"Is there something else I should know?"

Wade hesitated.

"No. No, that's it. I fantasize about it."

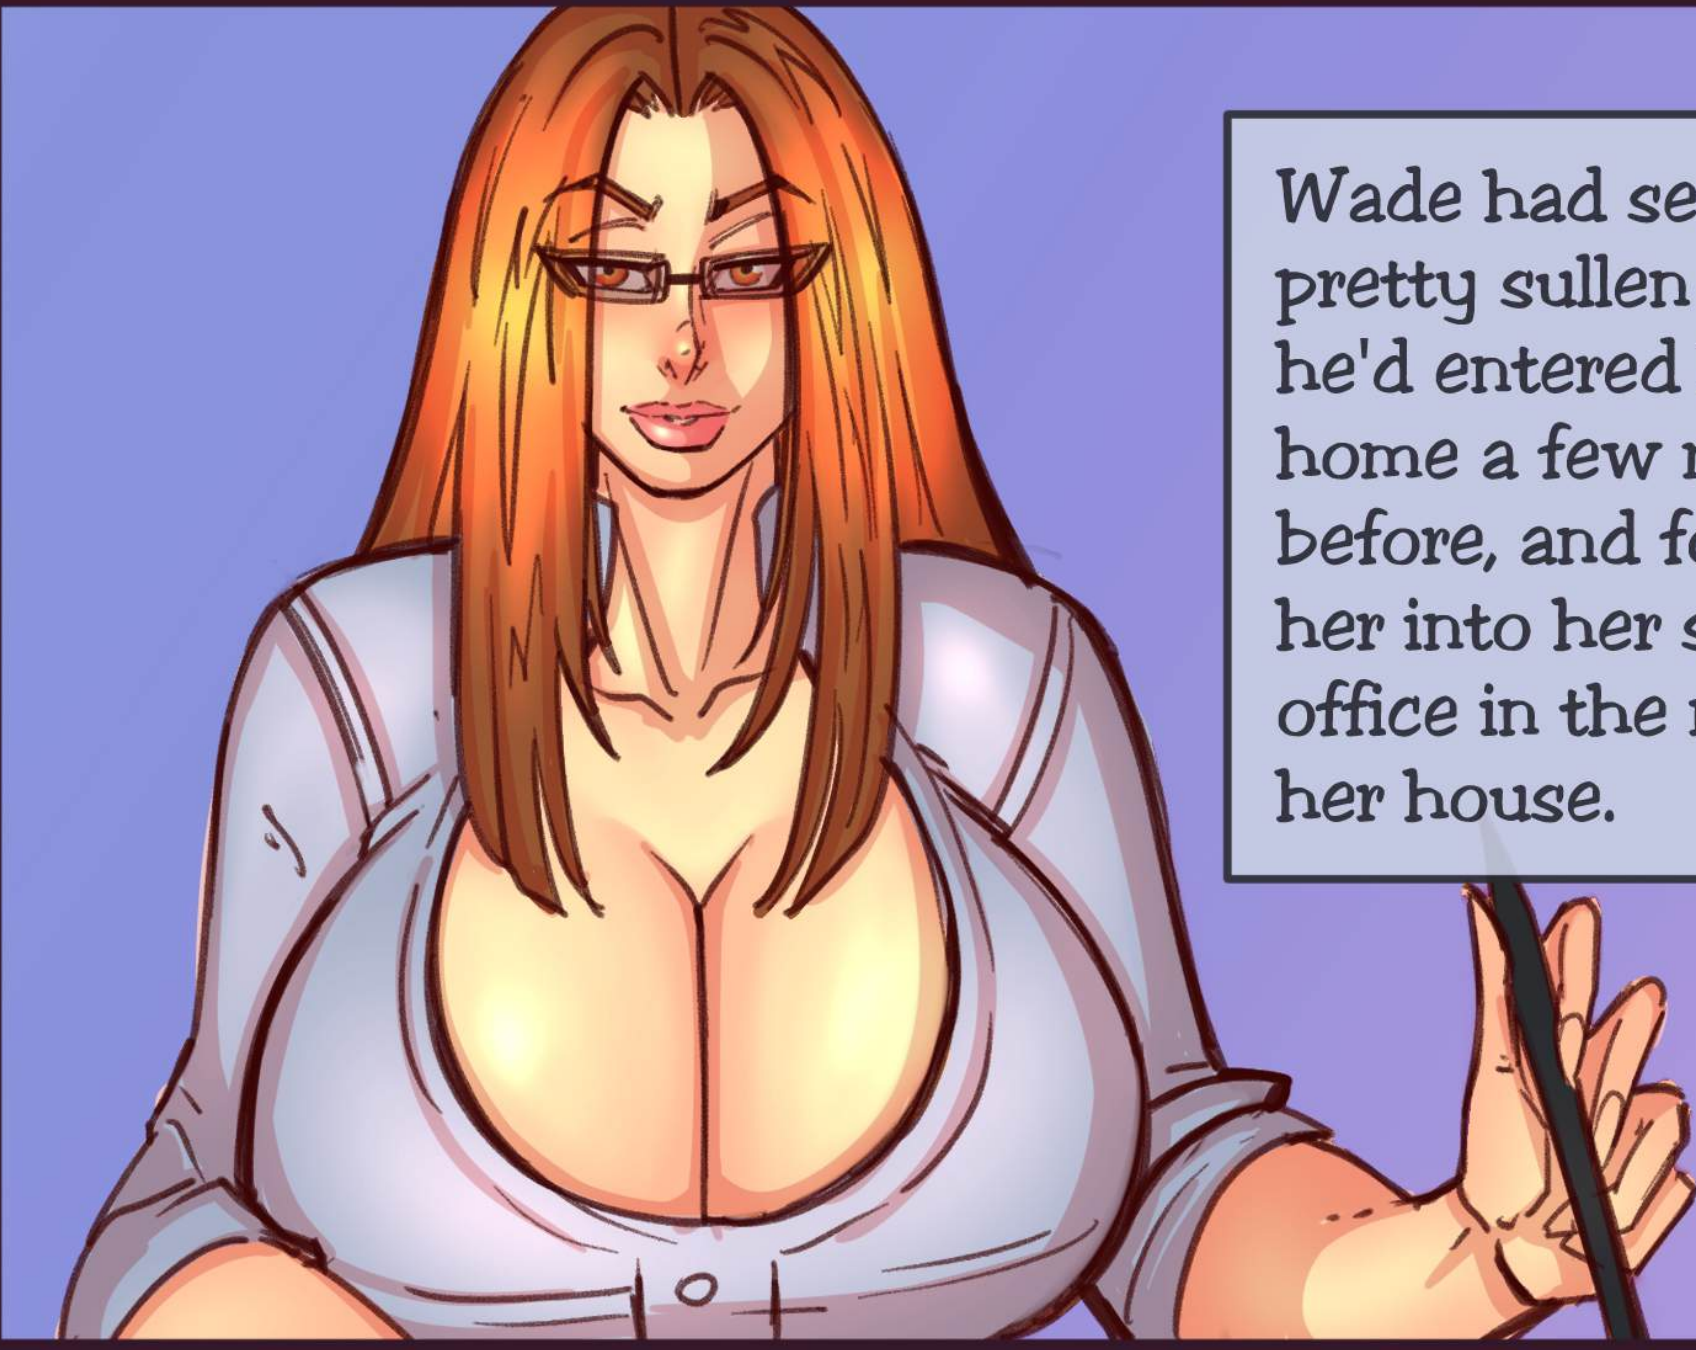

He grinned. "Yeah, I've been fantasizing about it a lot these days."

Dr. Reagan squirmed
on the chair across
from his, tapping the
pencil tip meditatively
on the note pad.

She remembered the call she'd received that morning, and the frantic sound in Amanda Wayne's voice as she'd begged Dr. Reagan to accept a counseling appointment with Wade that afternoon.

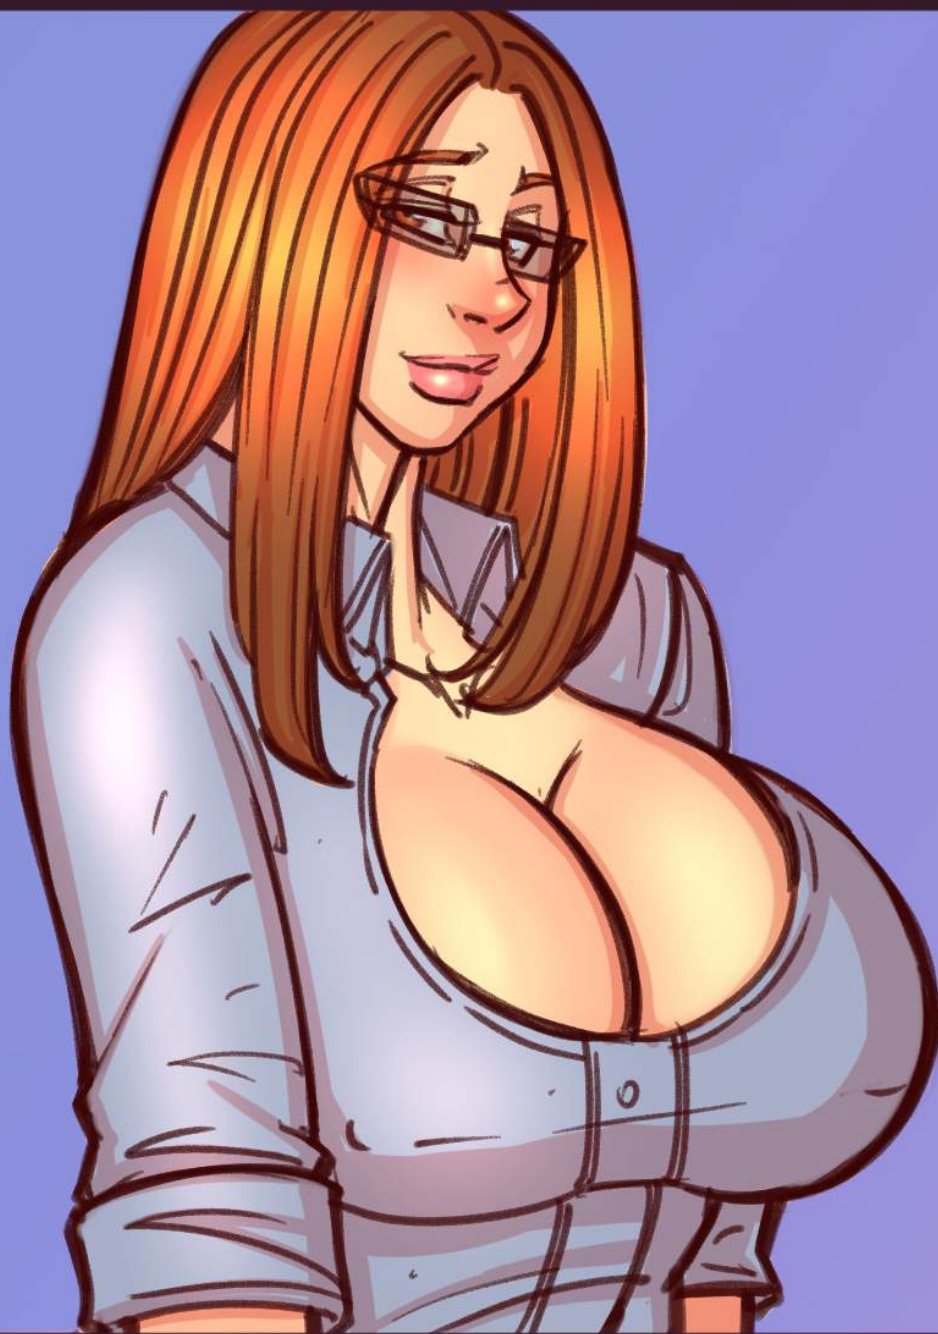

Wade had seemed pretty sullen when he'd entered her home a few minutes before, and followed her into her small office in the rear of her house.

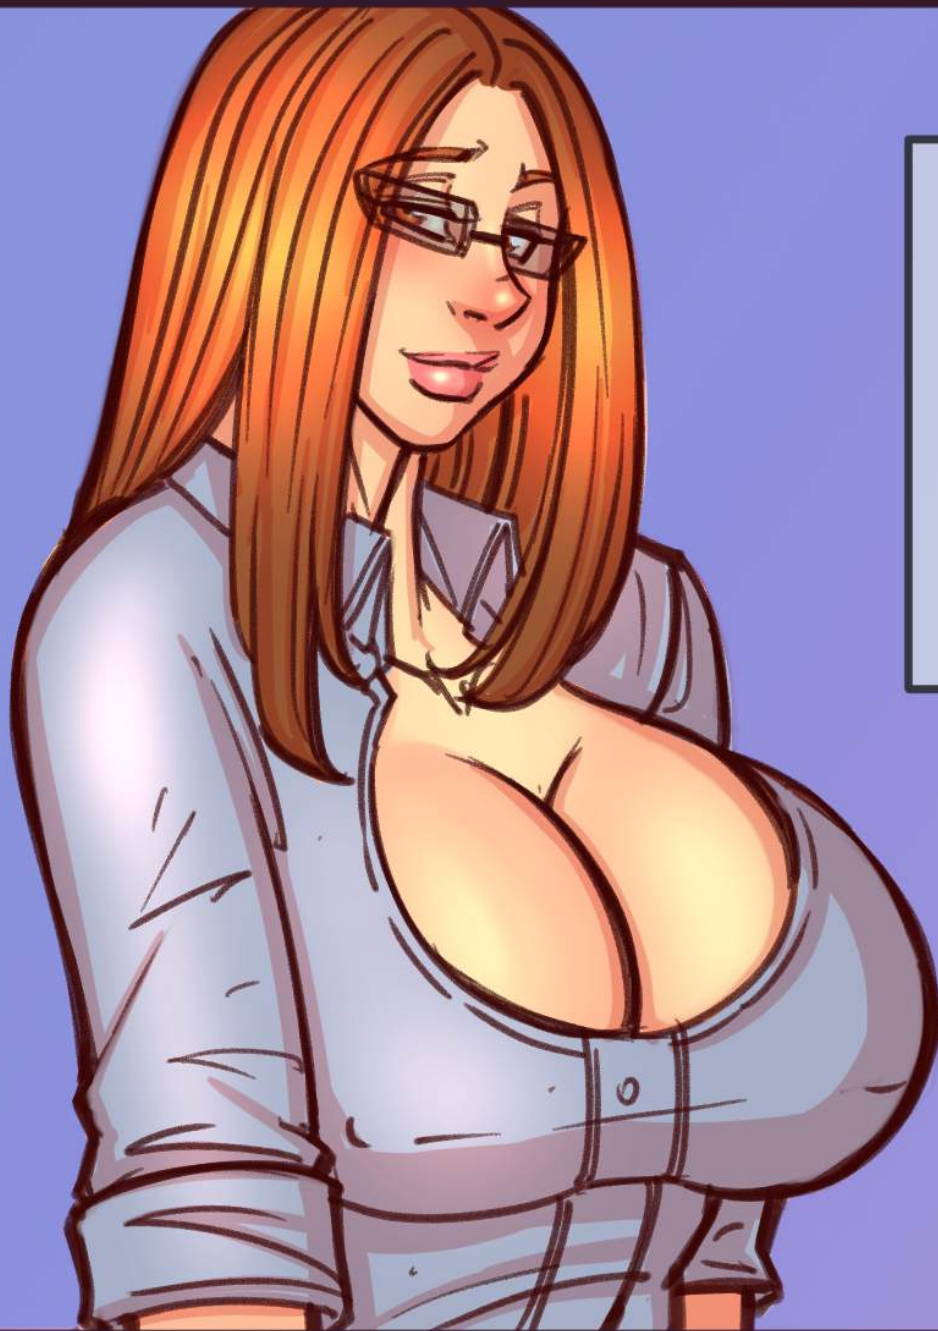

Dr. Reagan now considered the leering tone of his voice, and wondered if he had, in fact, already fucked Amanda.

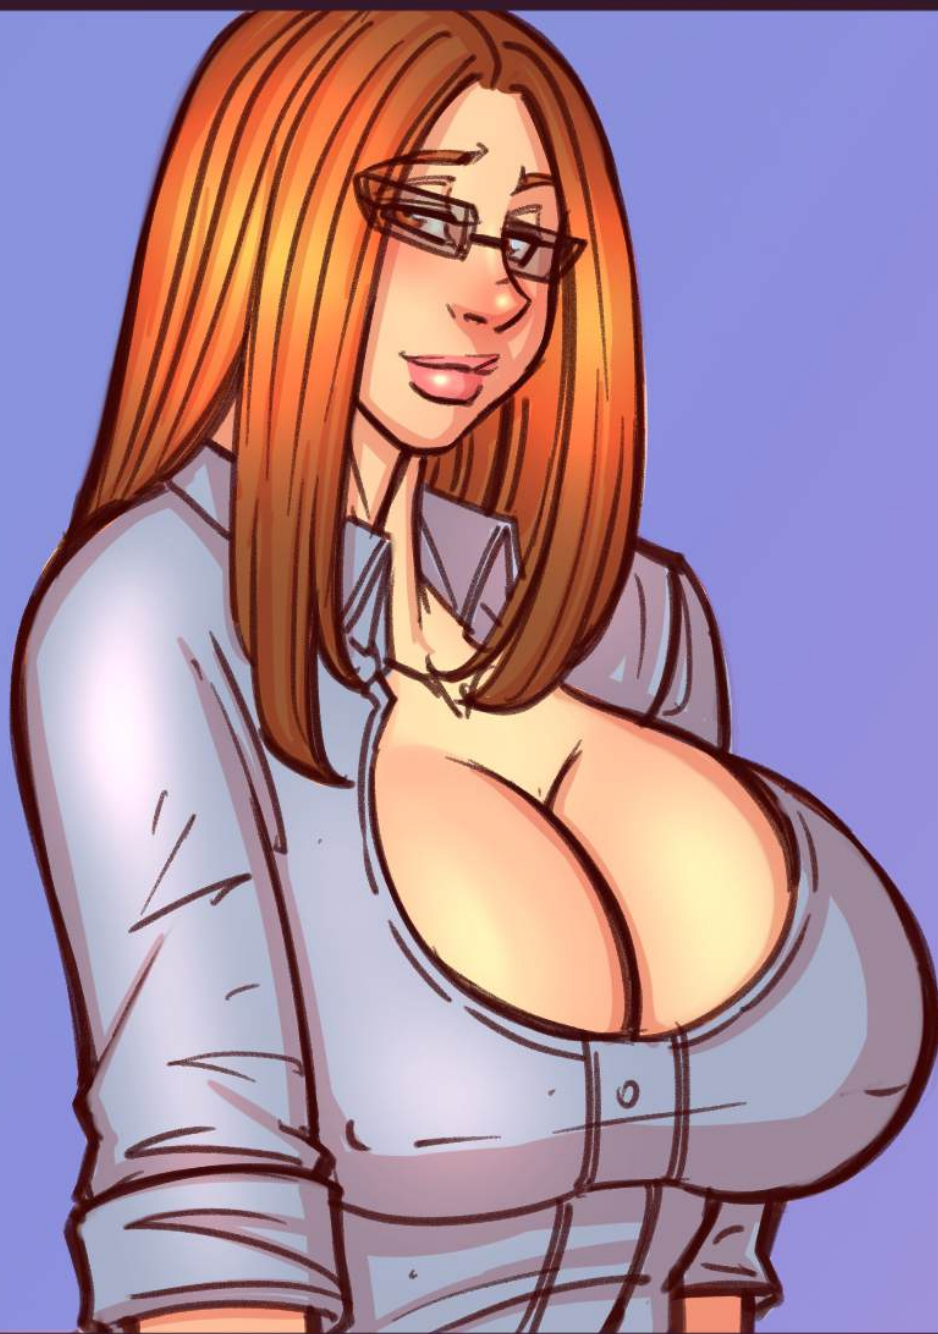

It was possible.
She knew from
her other cases
...and there was
a **WHOLE** lot of
cases.

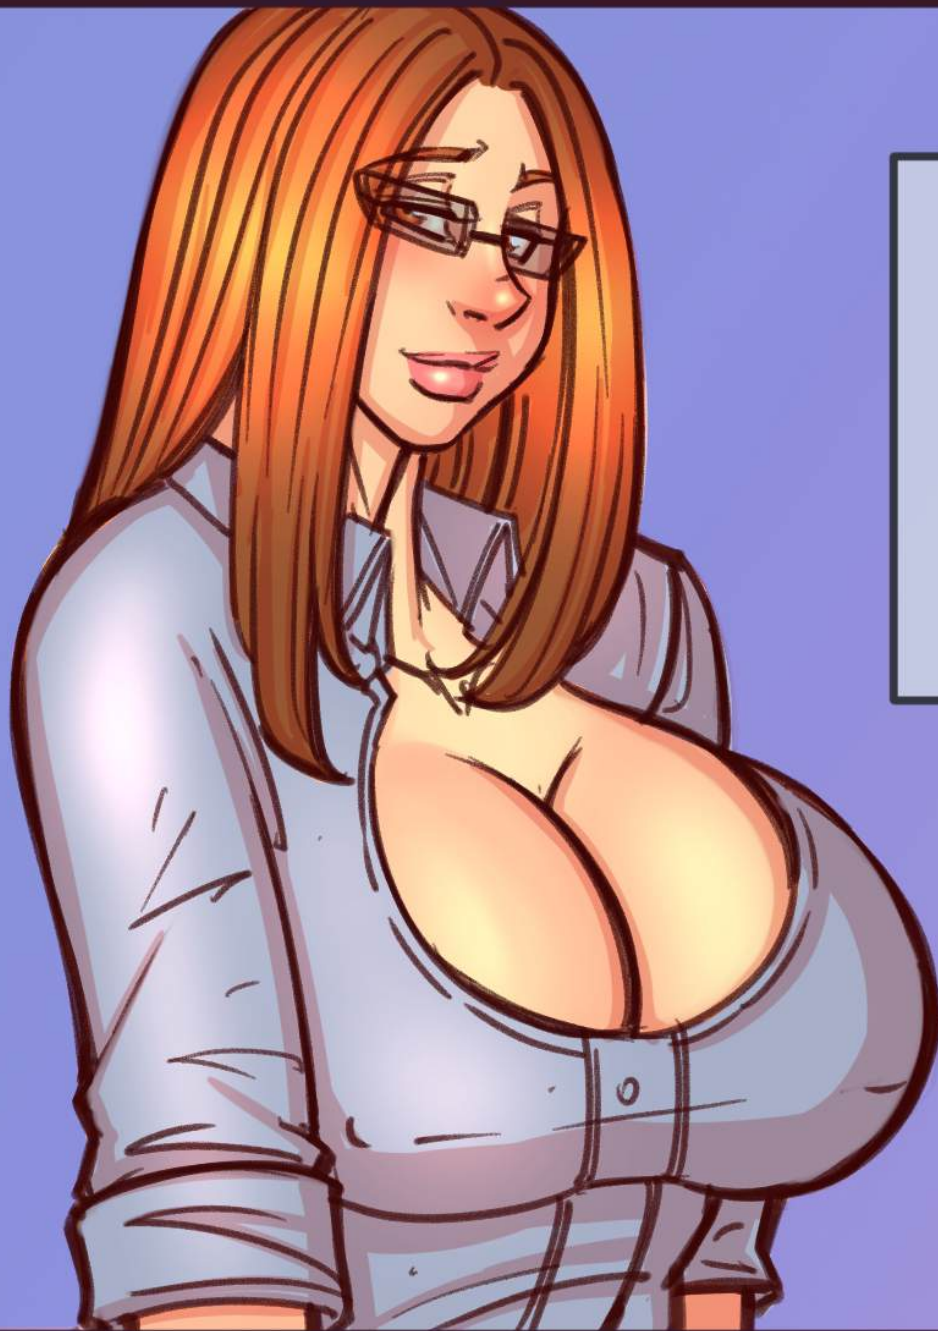

Dr. Reagan was petite
with dark brown hair
had a girlish body
highlighted by
extremely large, very
suckable tits.

Dr. Reagan had married when she was very young. Her husband had divorced her three years ago.

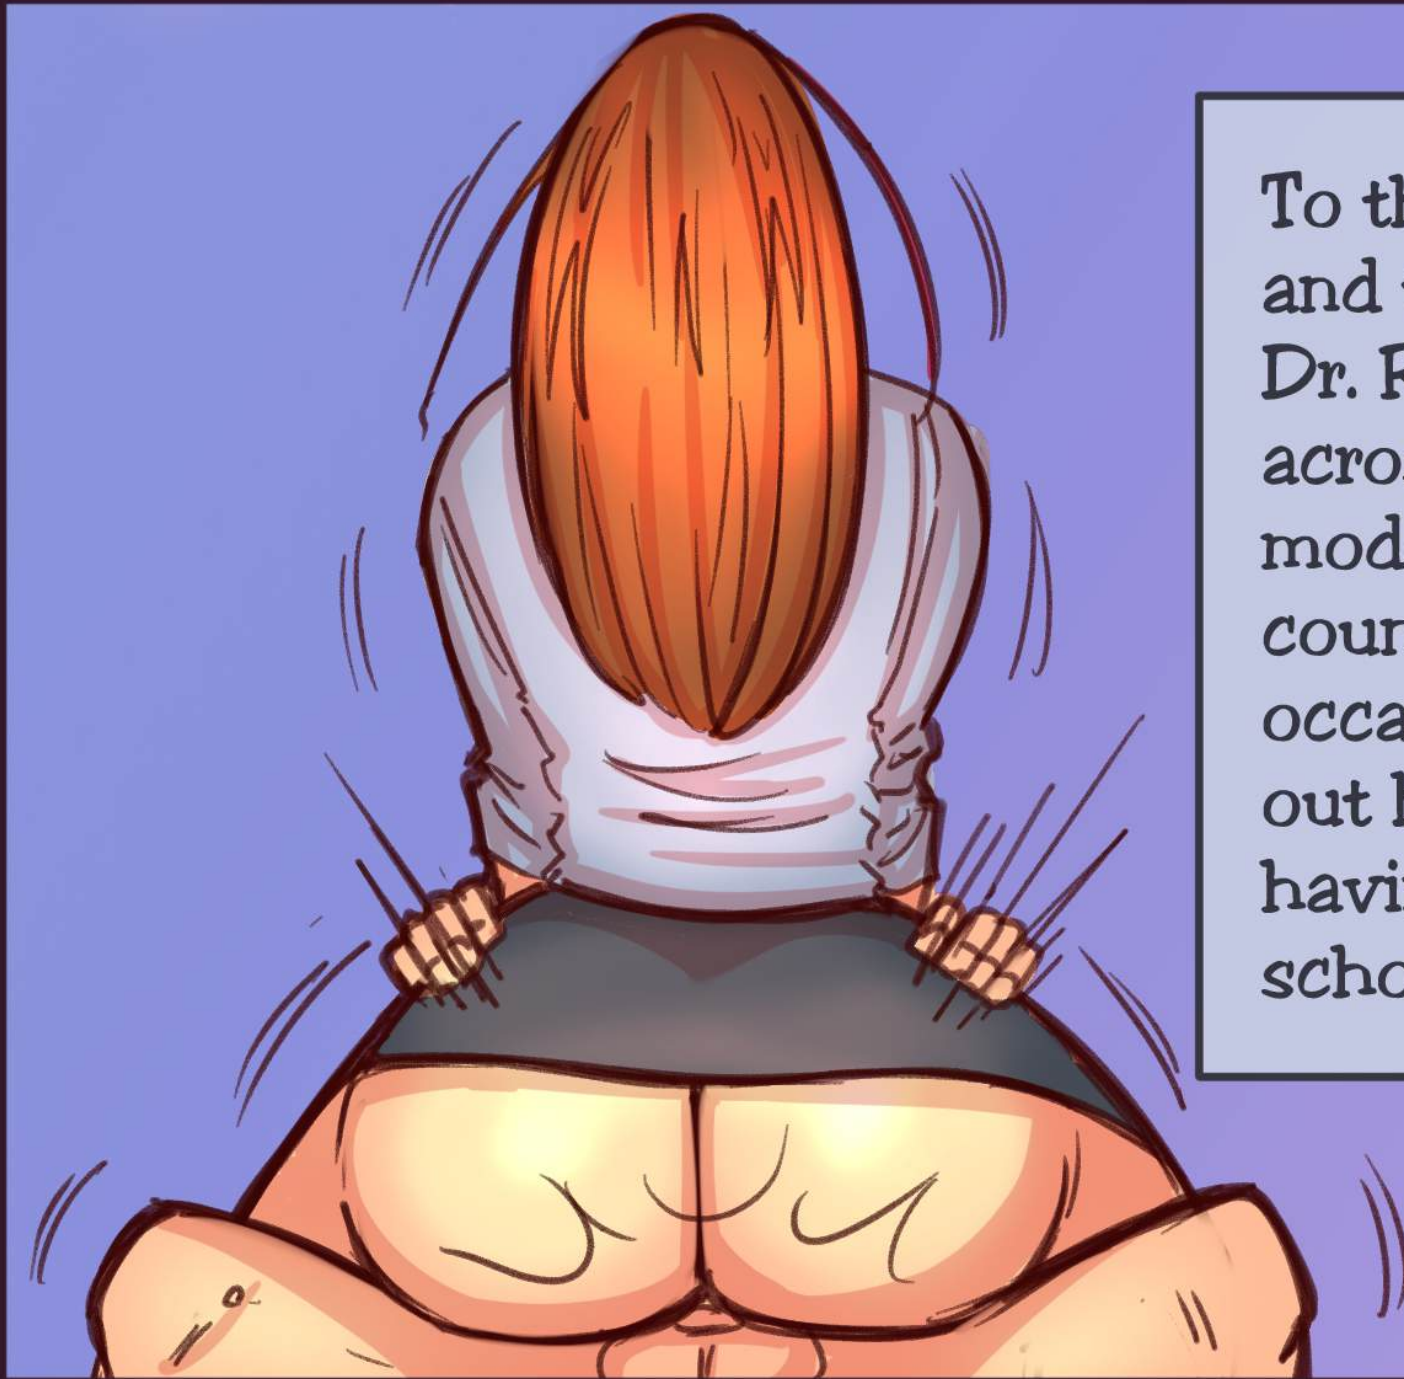

When her neighbor
and best friend died,
her teenaged
neighbor's son Hank
moved in.

Dr. Reagan lived off of his alimony checks and the money she made from counseling, which wasn't much.

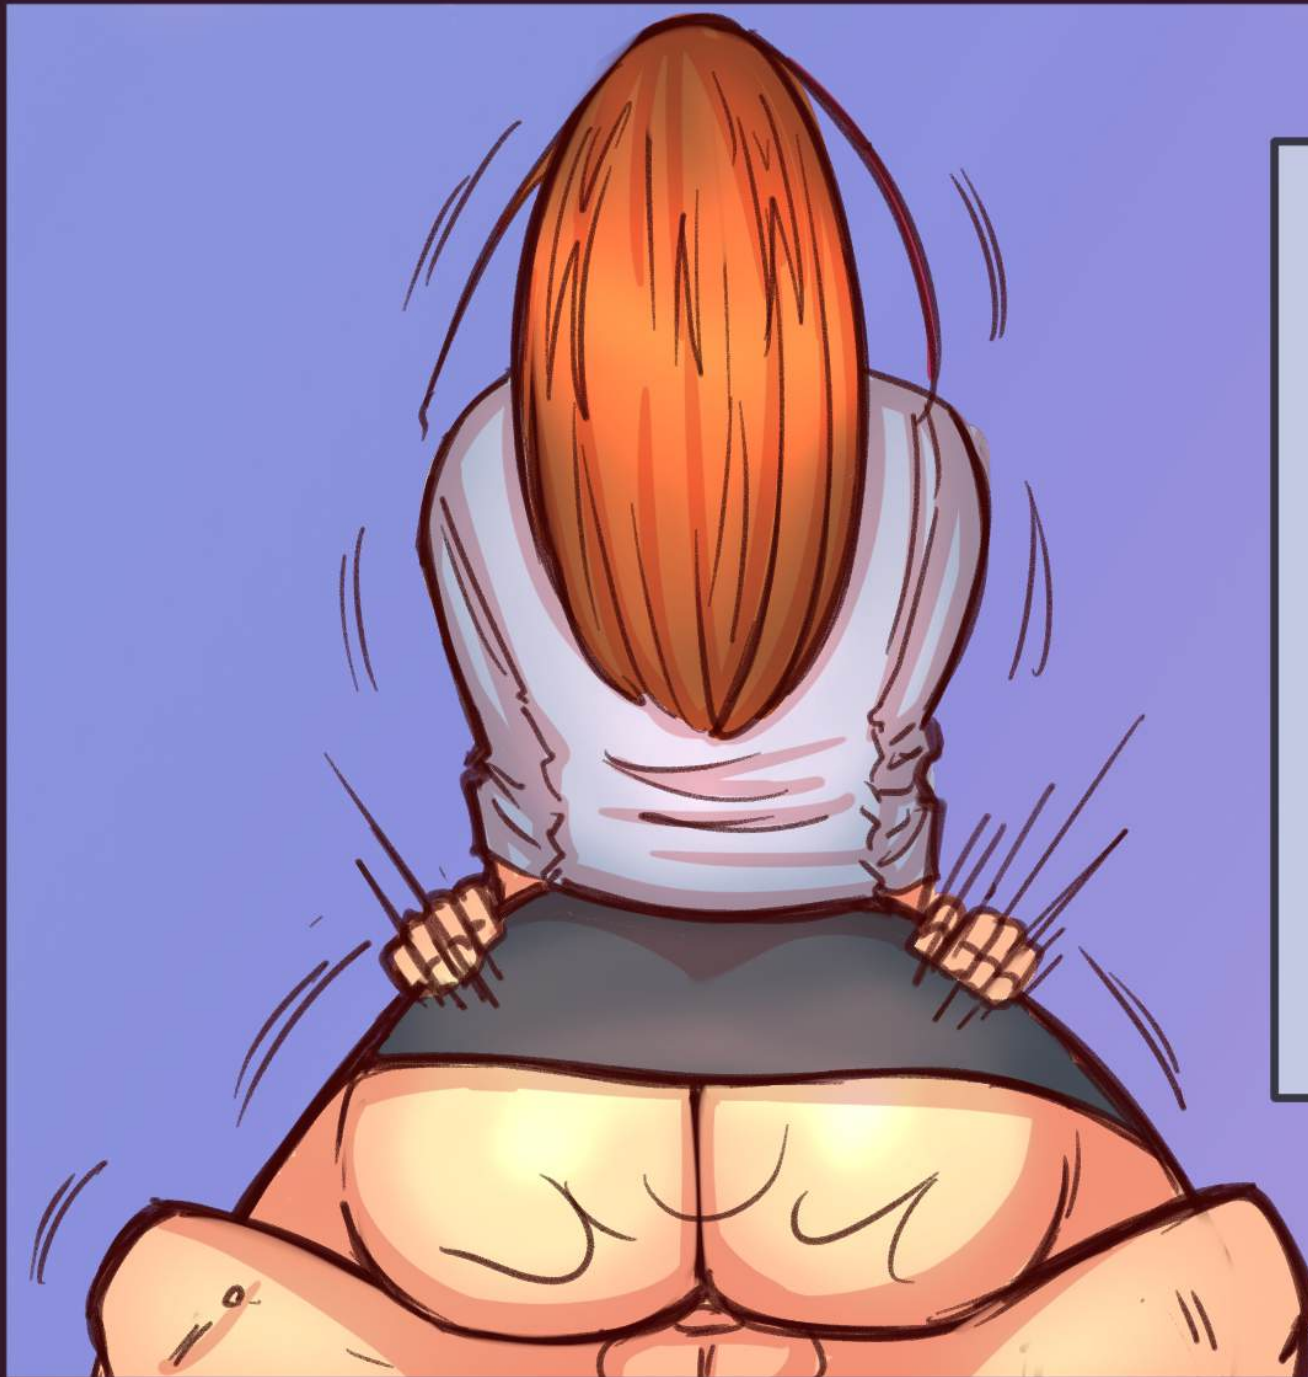

If Wade was fucking
Amanda, it wouldn't
bother Dr. Reagan
in the least.

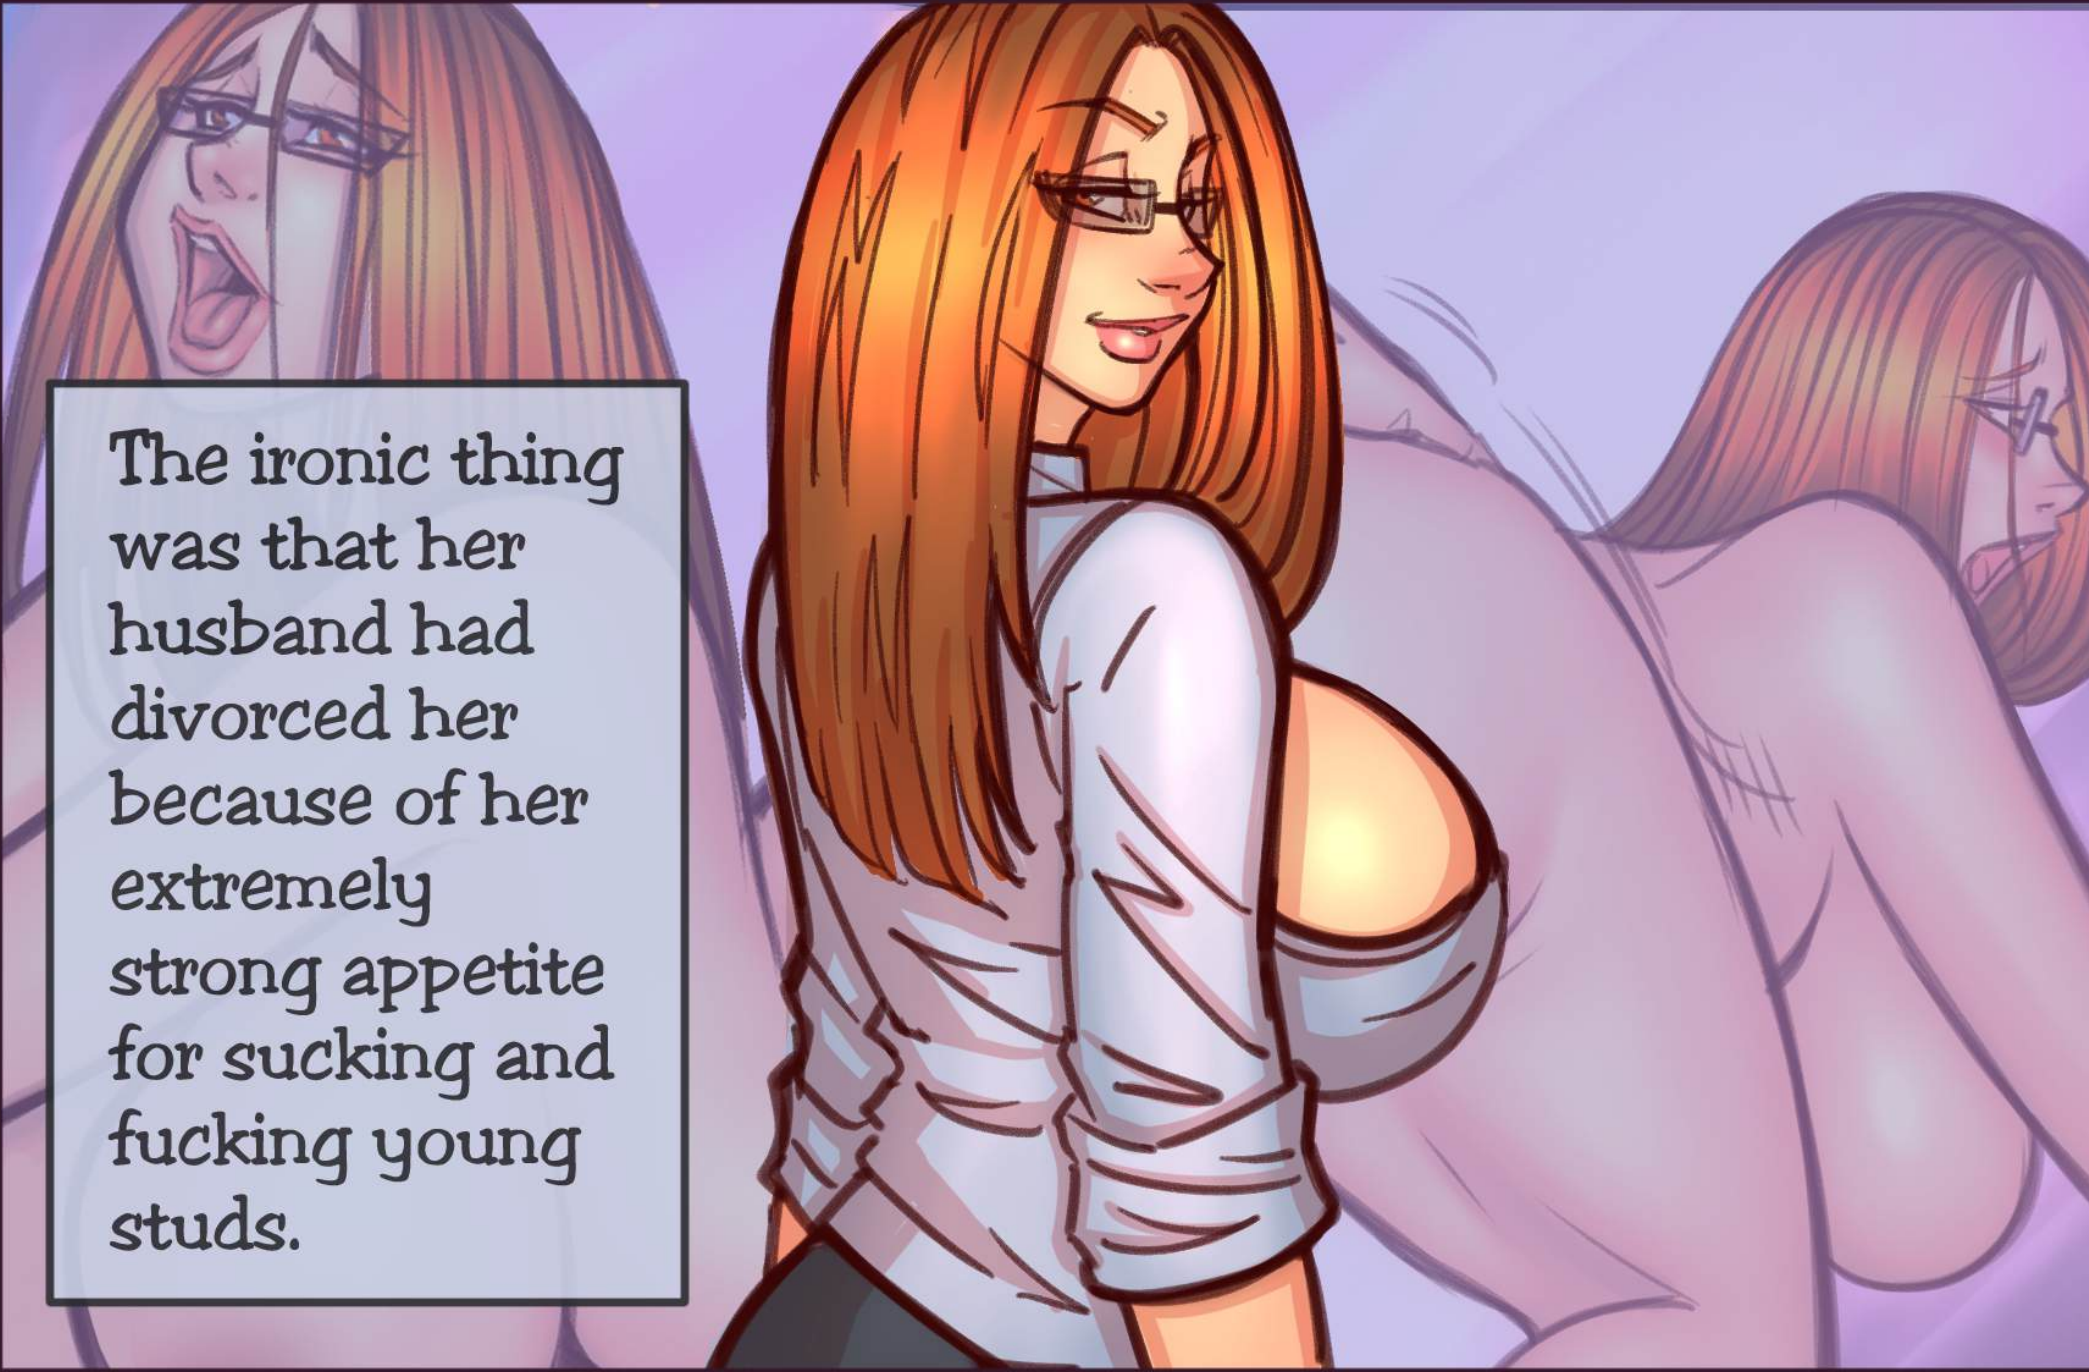

To the school board
and the local PTA,
Dr. Reagan came
across as a
modestly-priced
counselor who
occasionally helped
out boys who were
having problems in
school.

What the school board
didn't know was that
Dr. Reagan helped out
most of these boys by
letting them fuck her.

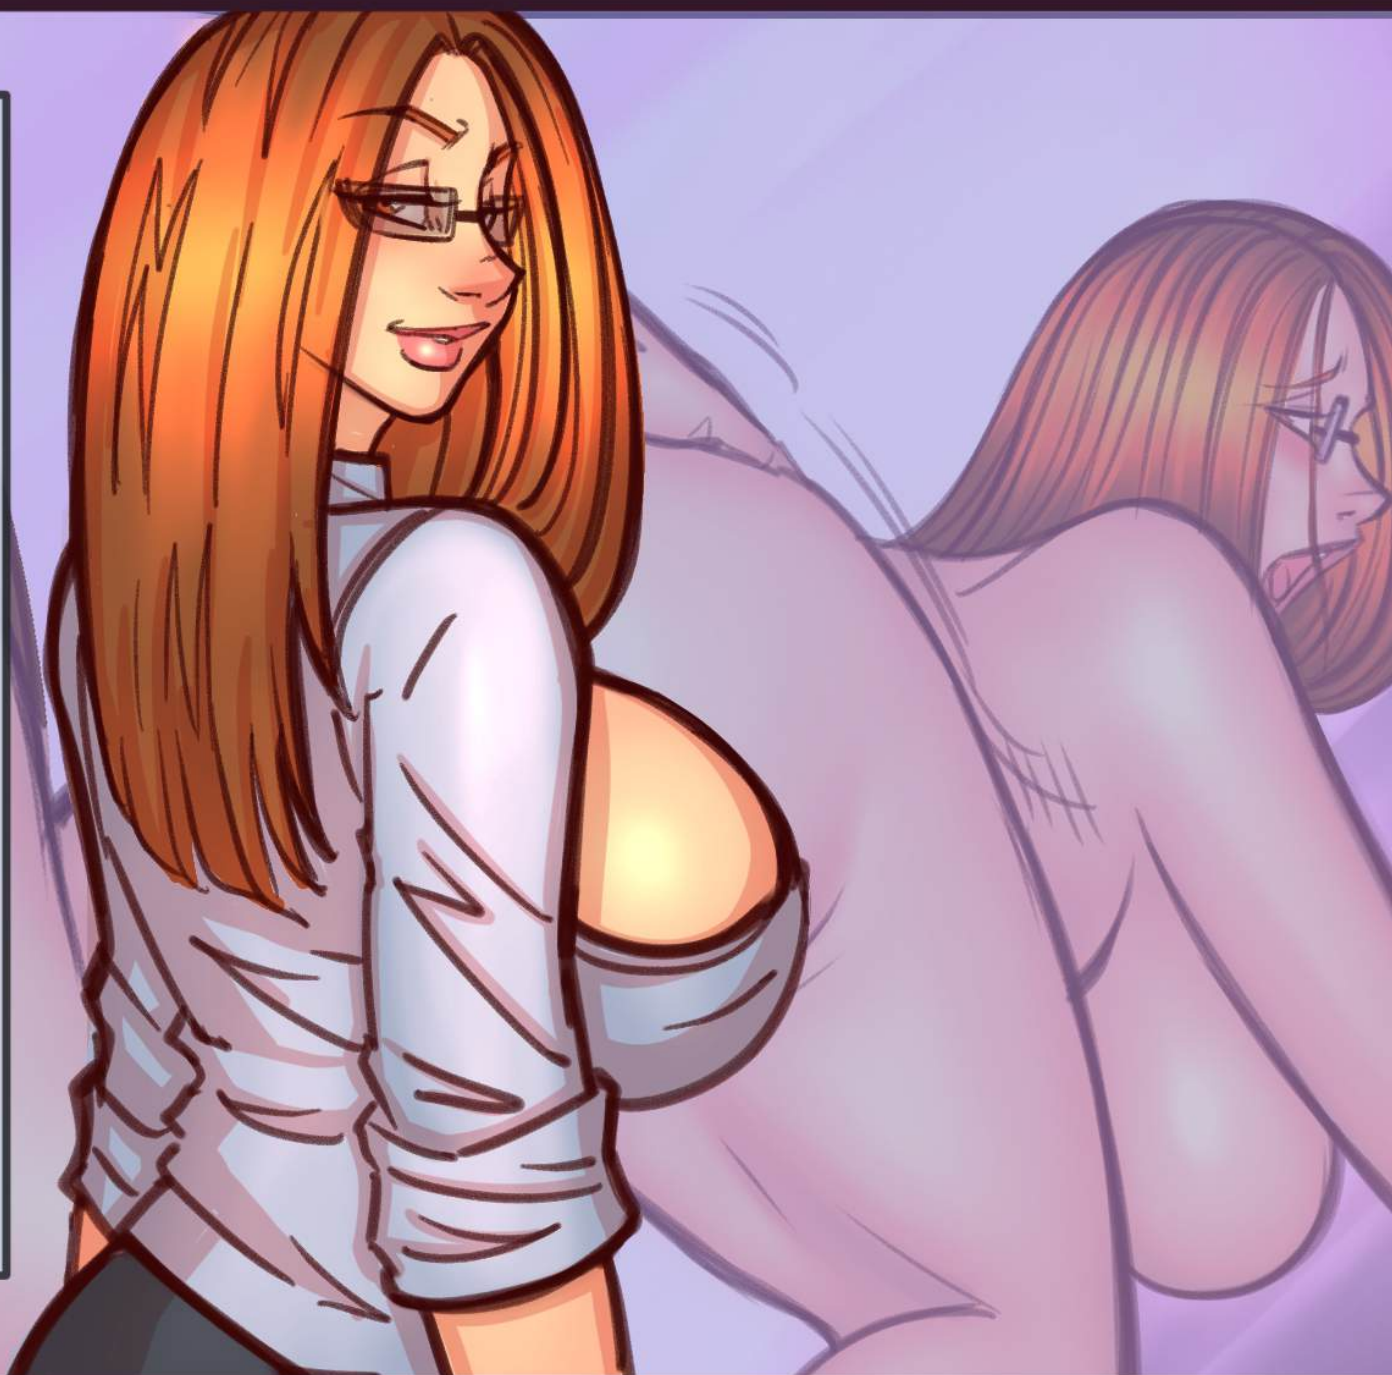

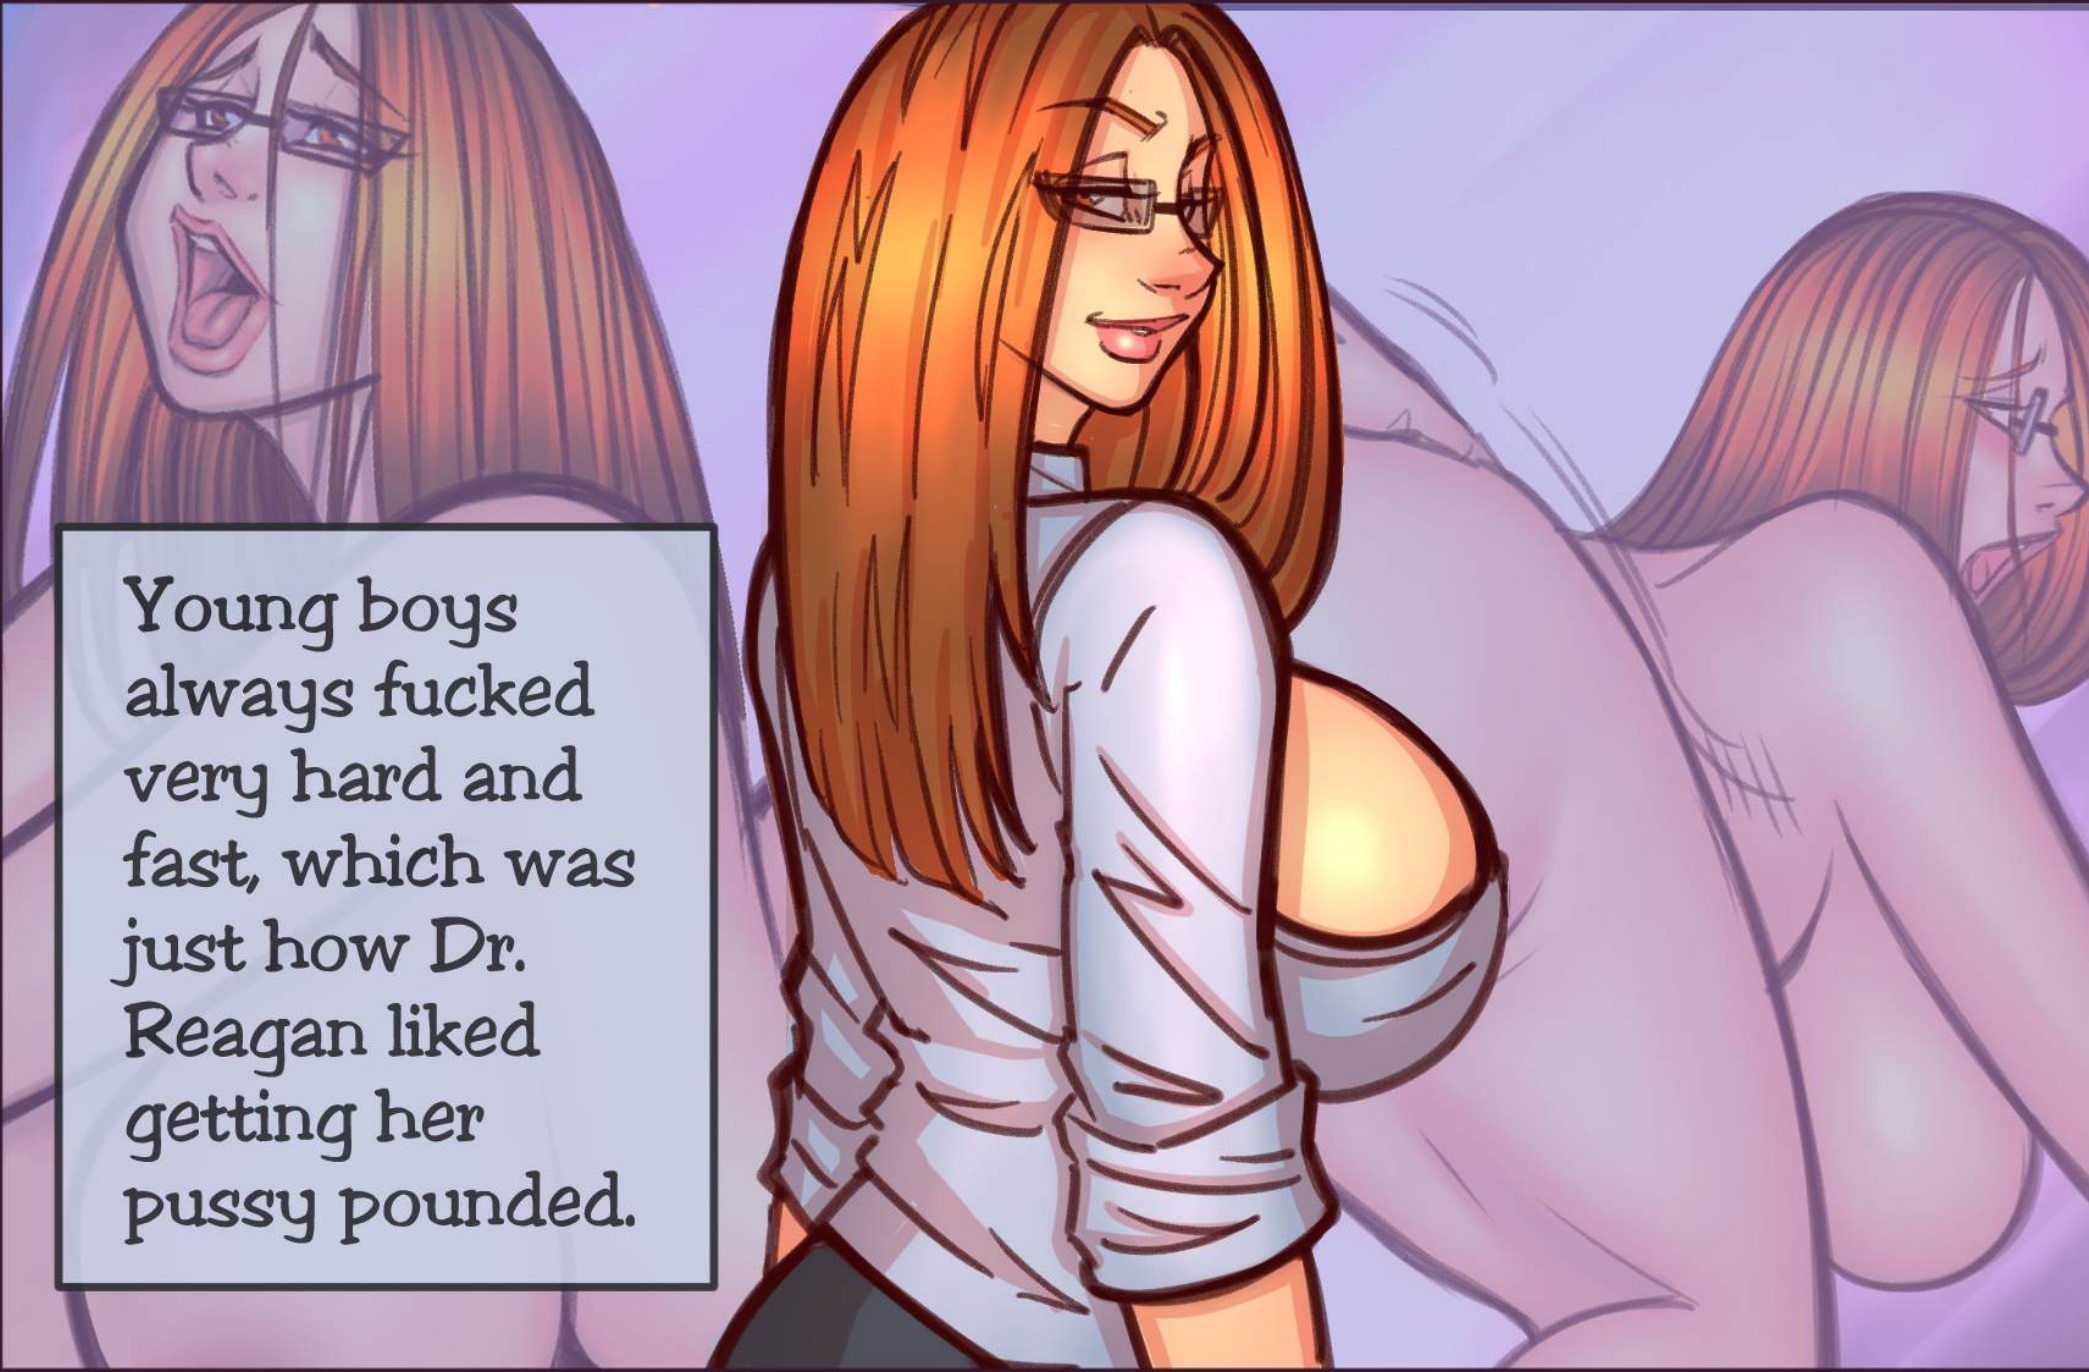

The only reason she ever worked as a counselor was that it gave a chance to suck and fuck with lads just about Wade's age. (19-20 years old).

The ironic thing
was that her
husband had
divorced her
because of her
extremely
strong appetite
for sucking and
fucking young
studs.

A young stud's cock, Dr. Reagan felt, stiffened much more rapidly than that of his older counterpart, and invariably sprayed more hot, tasty cum juice into her mouth or pussy or asshole.

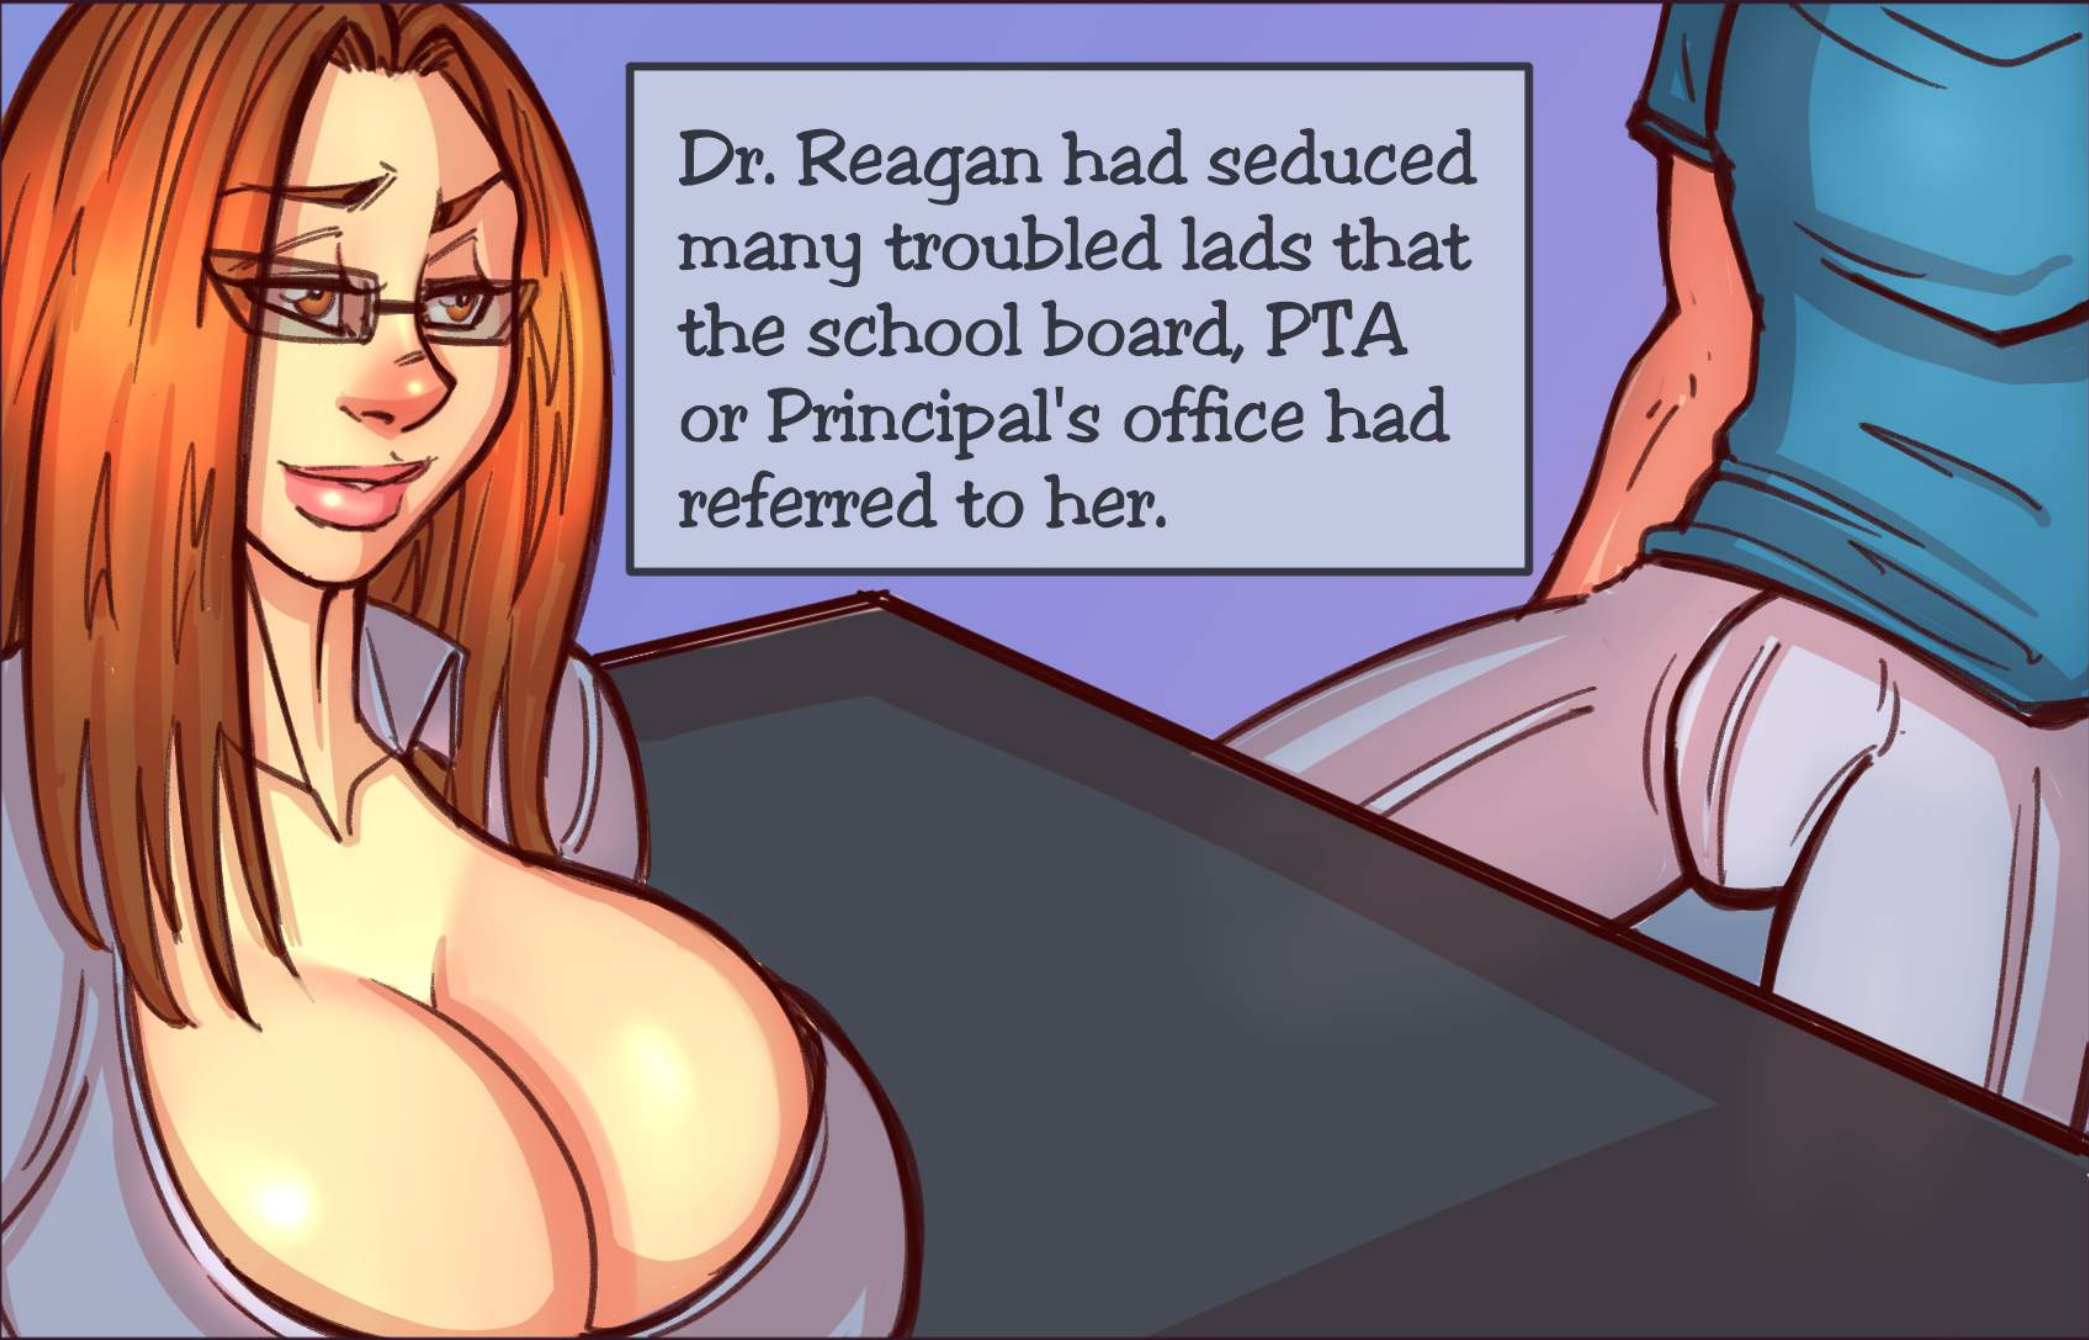

Young boys
always fucked
very hard and
fast, which was
just how Dr.
Reagan liked
getting her
pussy pounded.

They were
always eager
to keep fucking
and cumming
all night.

Dr. Reagan had seduced
many troubled lads that
the school board, PTA
or Principal's office had
referred to her.

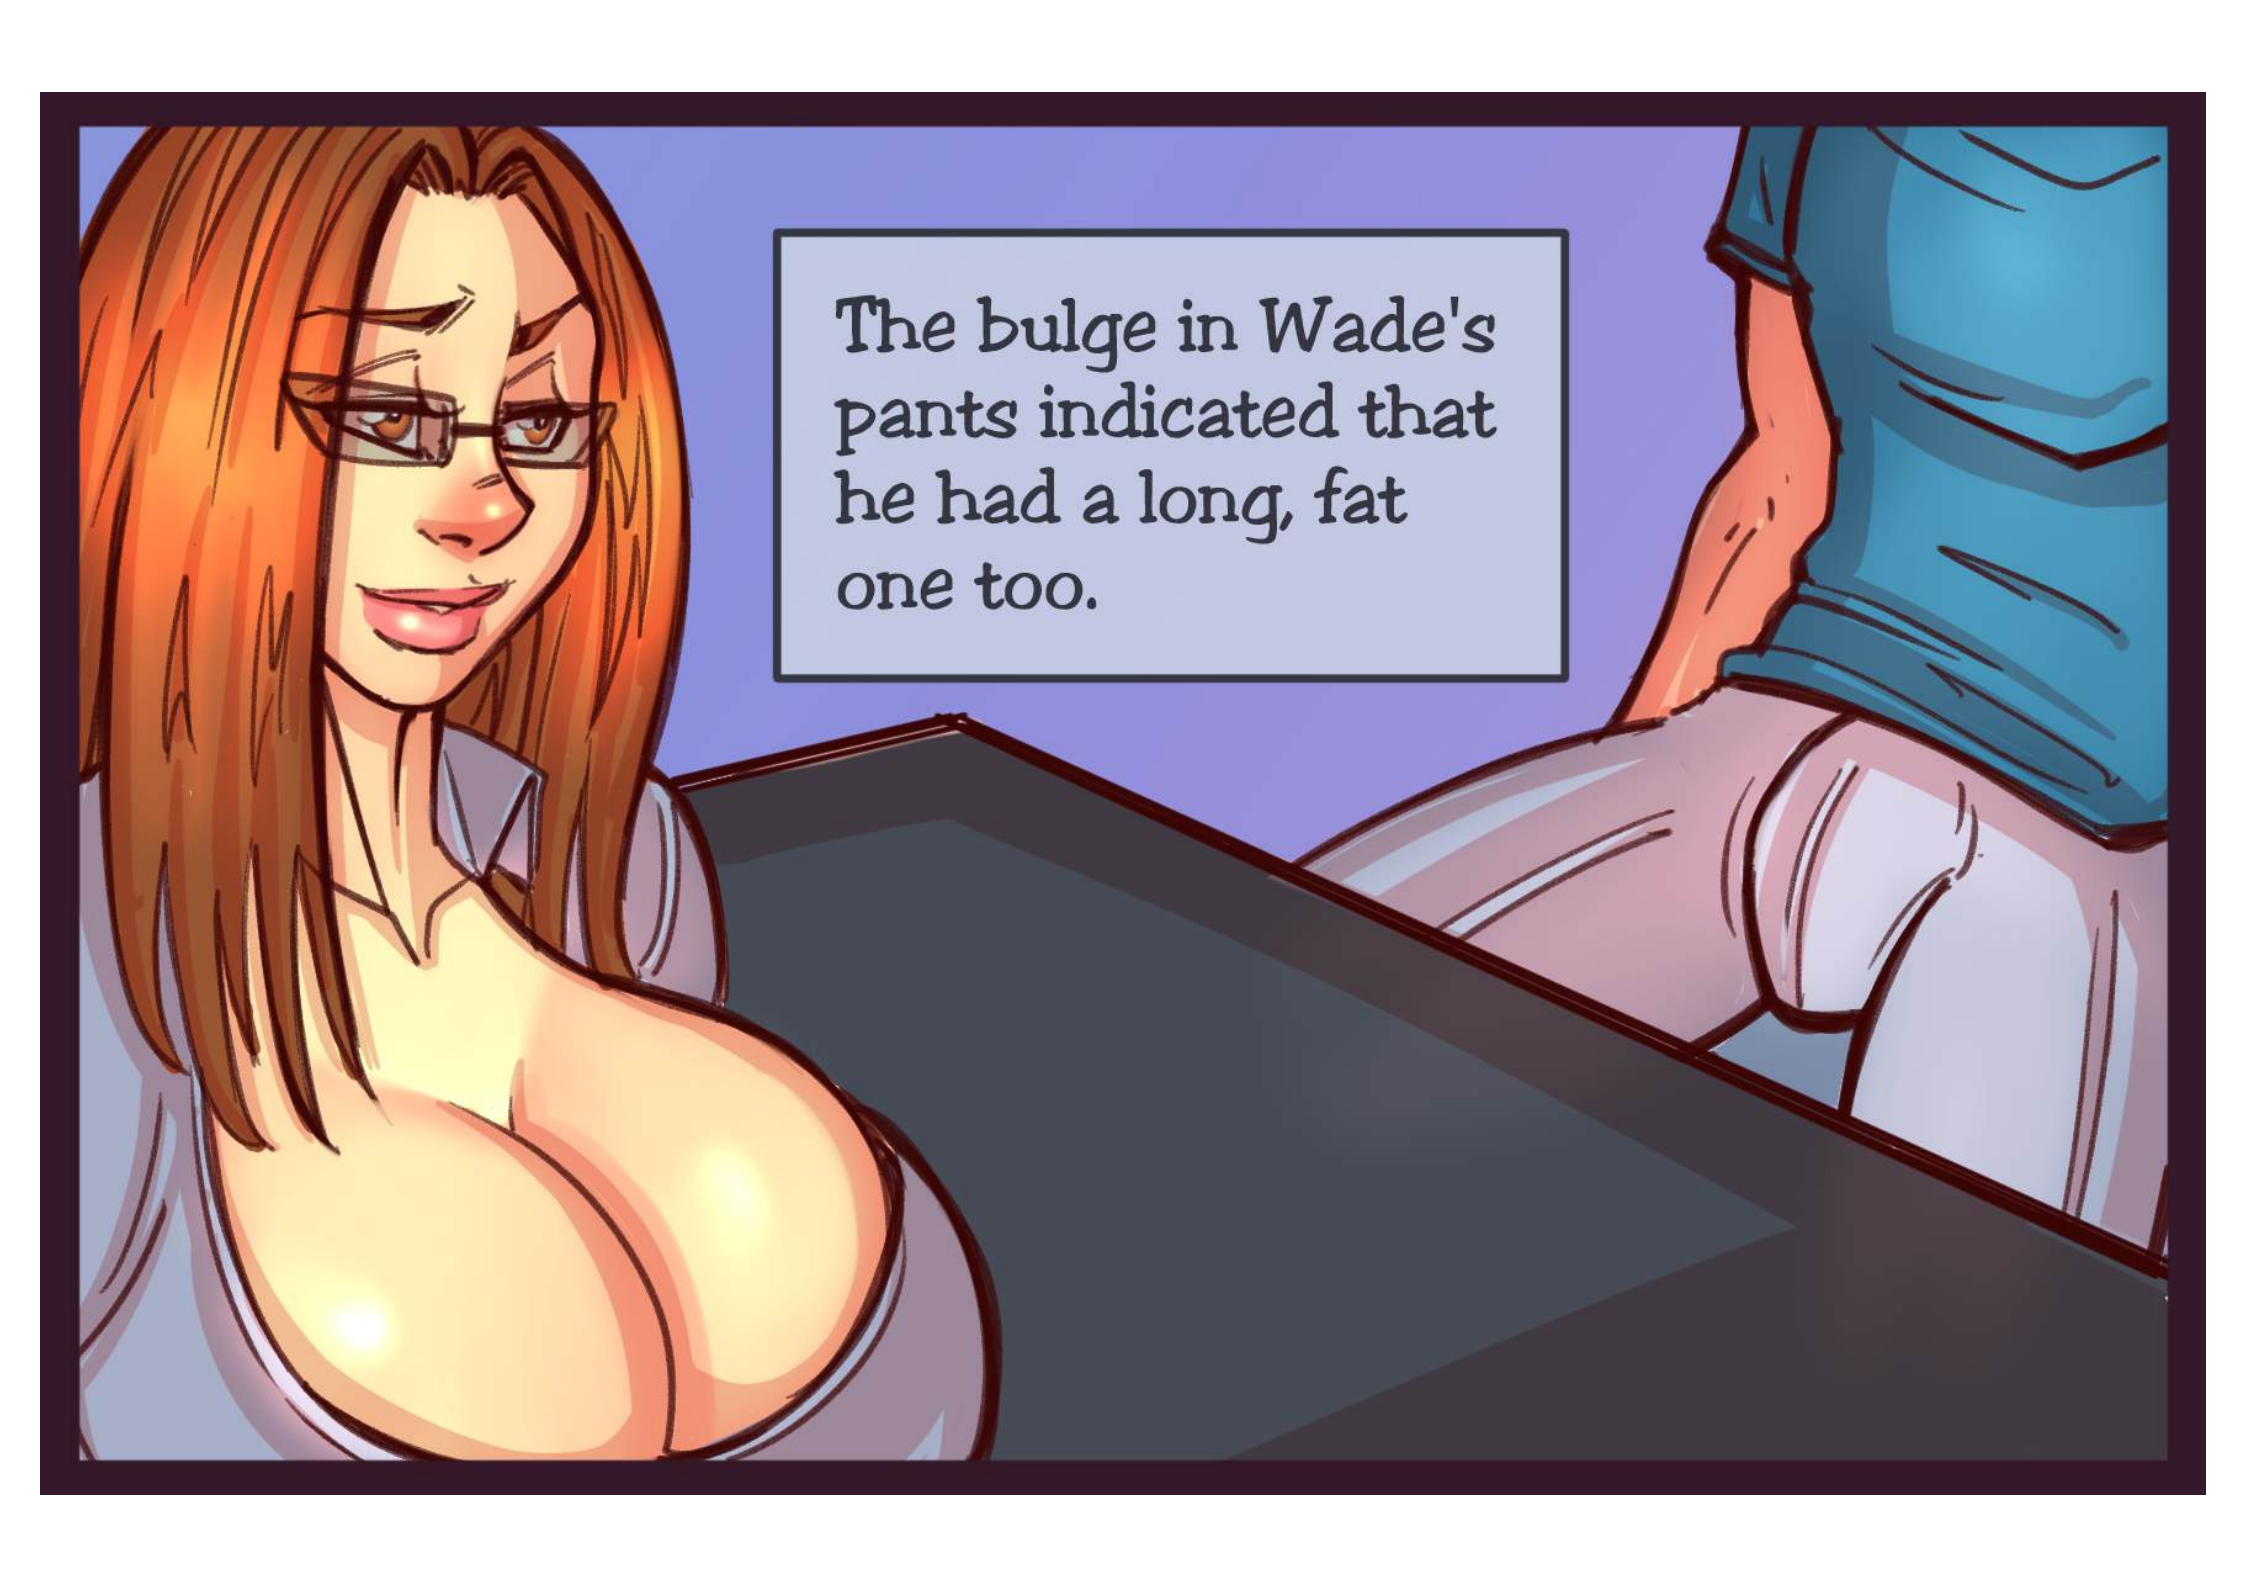

The best cure for most
young male problems,
she felt, was a healthy
dose of fucking and
cocksucking.

It was rare for any boy
to act up at home or at
school if he was getting
the cum sucked out of
his cock on a daily basis.

Dr. Reagan was always eager to relieve a lad in this fashion, particularly if his cock was long and fat.

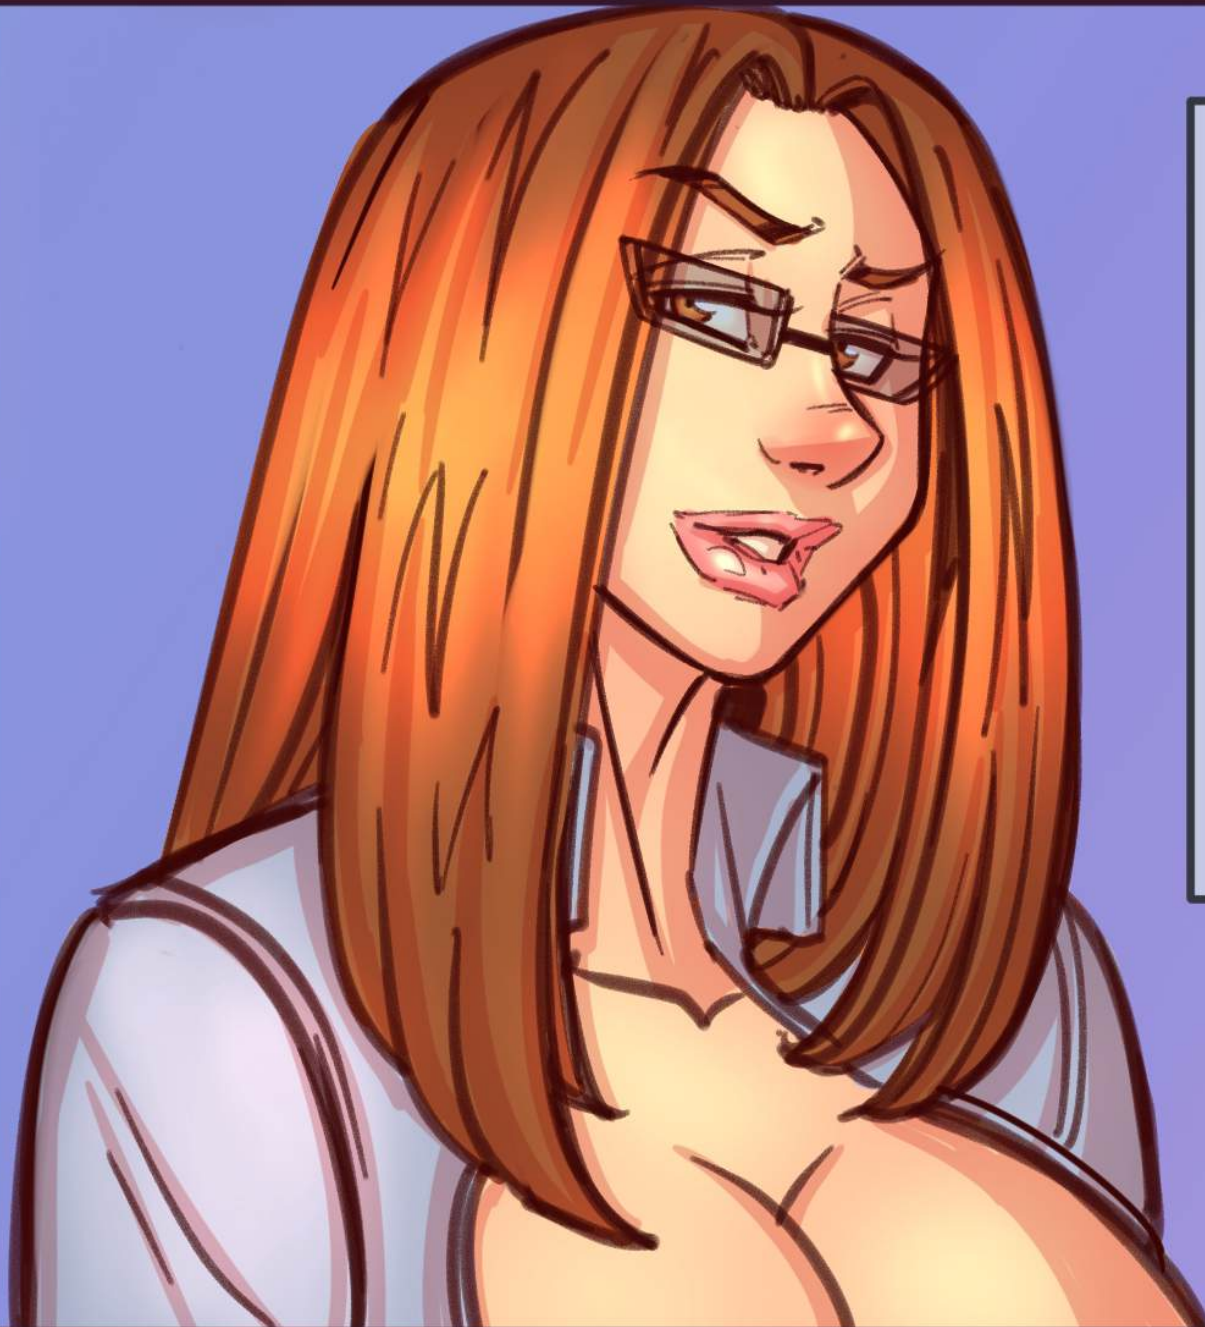

The bulge in Wade's pants indicated that he had a long, fat one too.

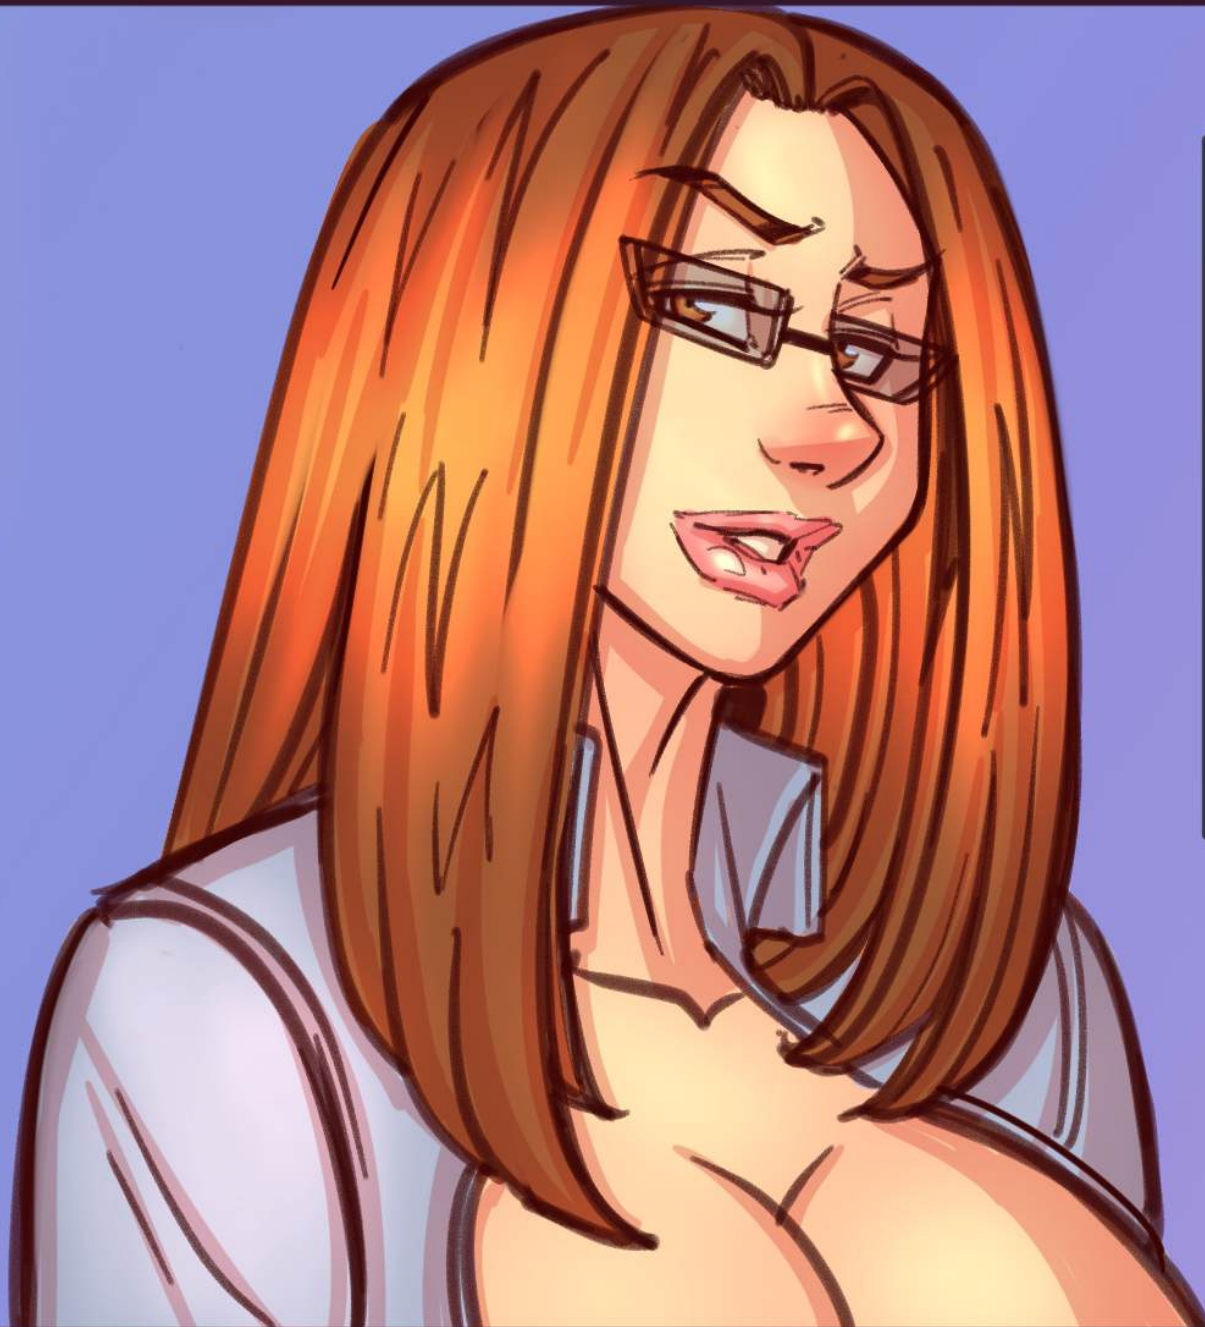

A comic panel with a purple background. On the left, a woman with long brown hair and glasses is shown from the chest up, wearing a grey top. On the right, the back of a man in a blue t-shirt is visible, with a prominent bulge in his light-colored pants. A speech bubble is positioned between them.

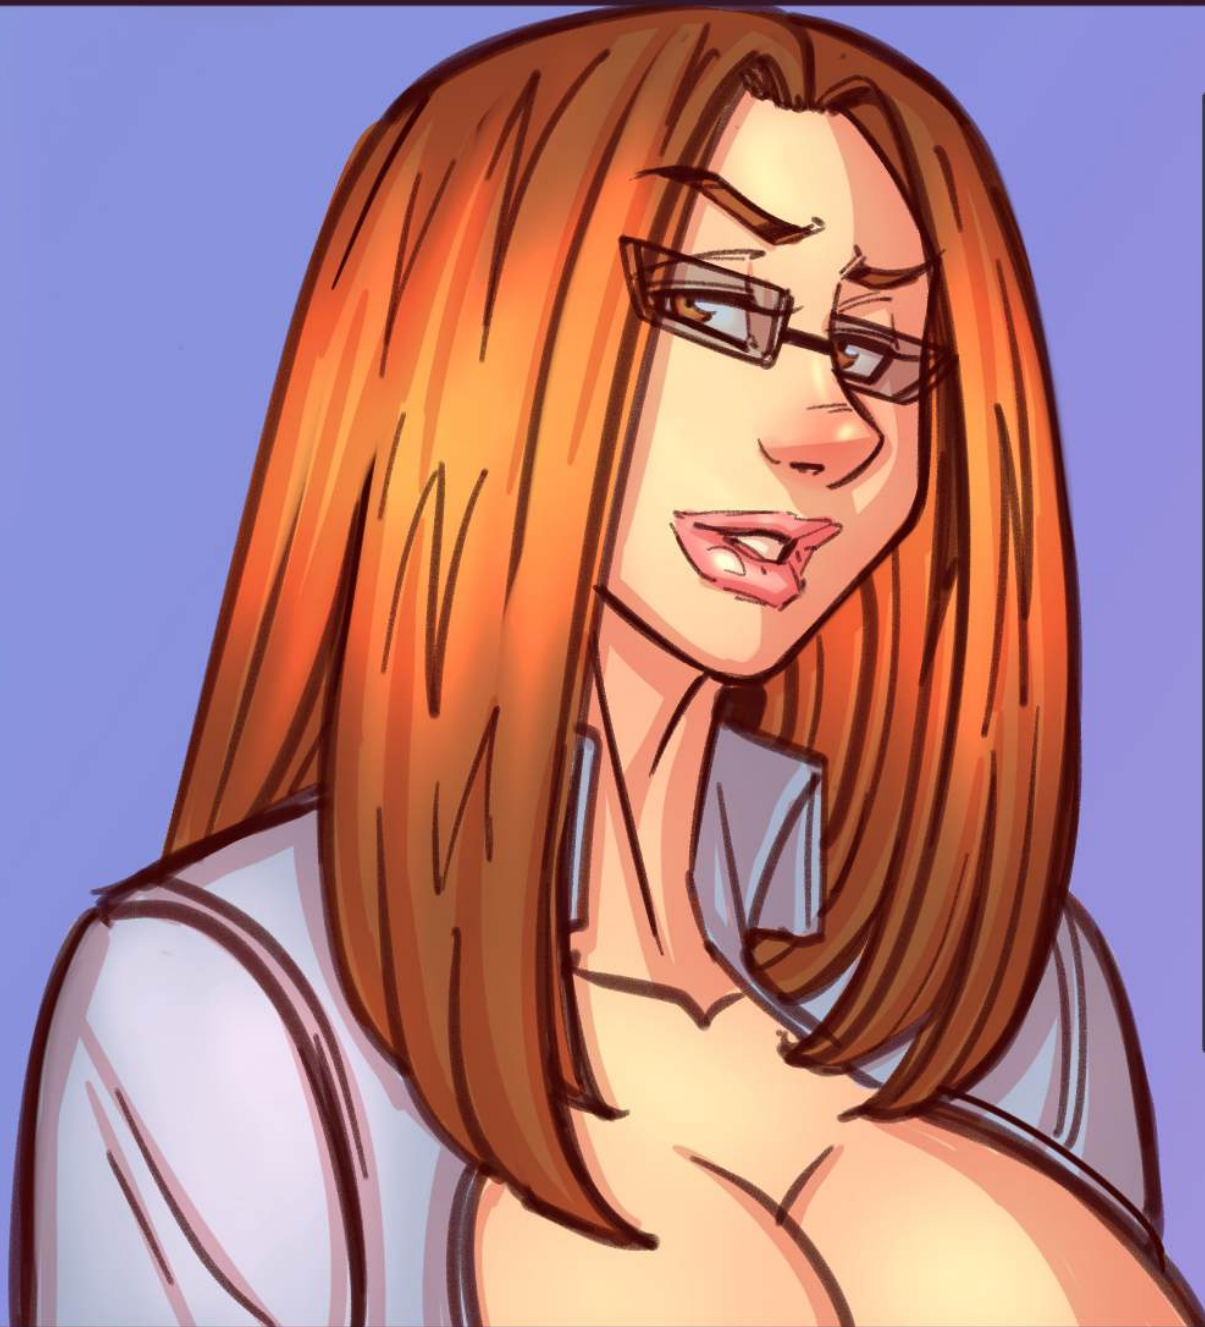

Dr. Reagan had always had a special appetite for sucking the jizz out of unusually big, stiff hard-ons.

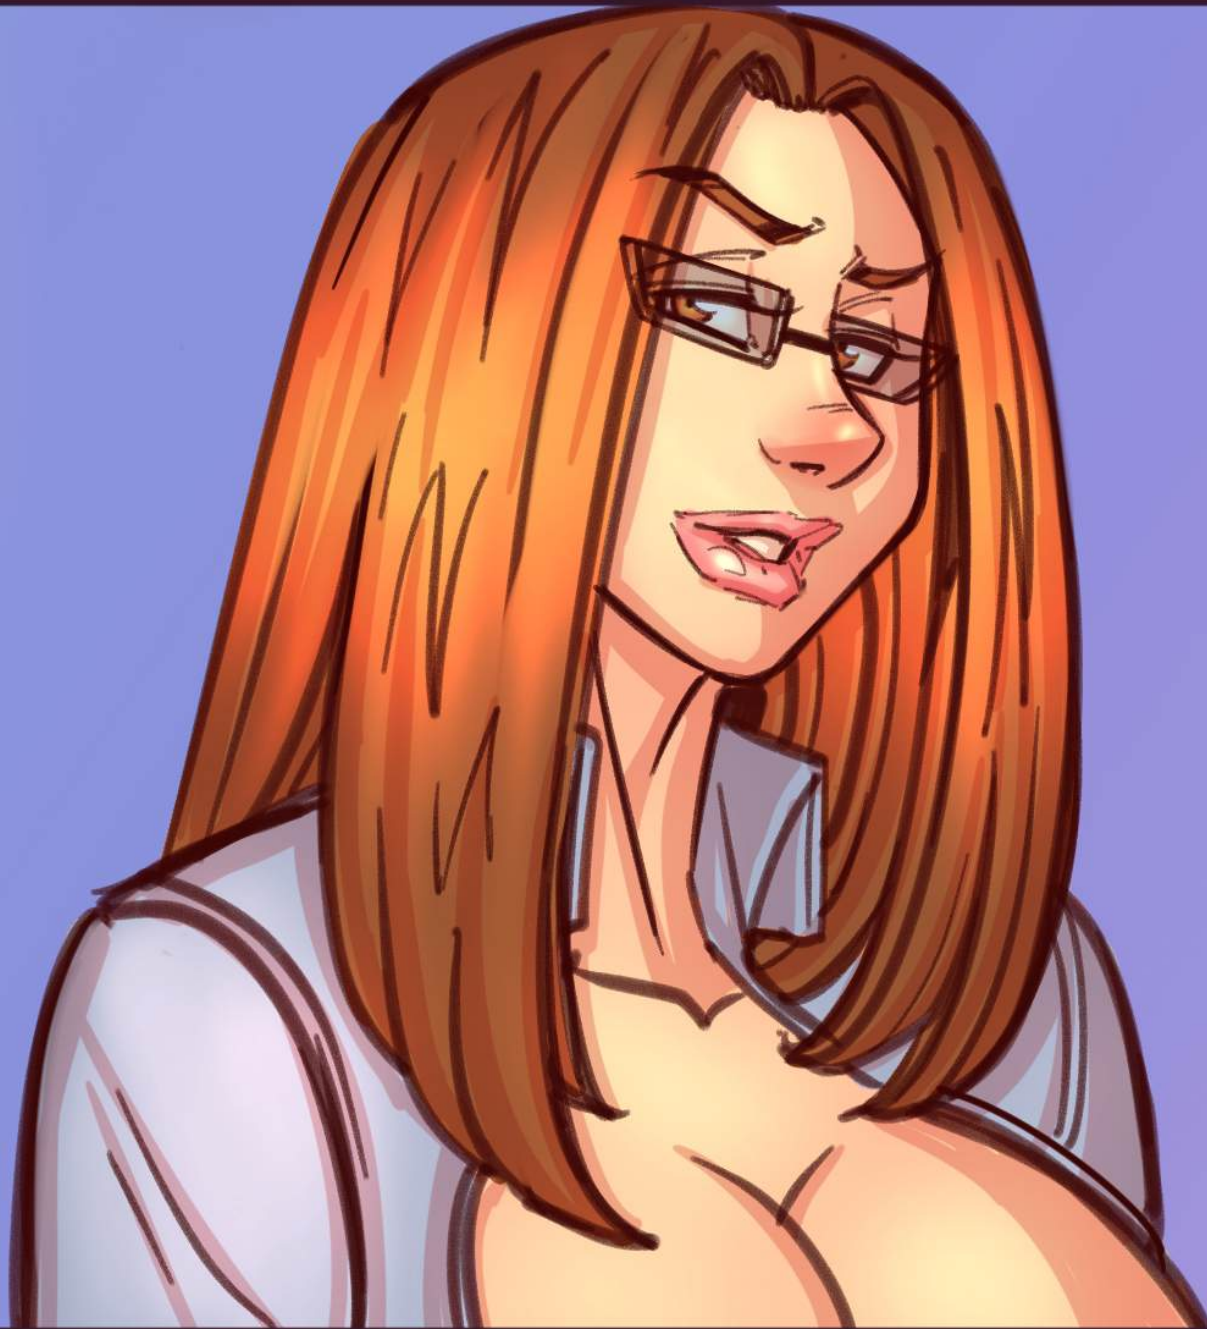

Her husband had been well- endowed, and the glue that had held their marriage together had been her penchant for nightly cocksucking.

Now, Dr. Reagan
felt violently
aroused by even
the faint possibility
that young Wade
had actually fucked
Amanda.

The most intensely satisfying fantasies she'd ever had, which she'd suppressed religiously, were those of teaching her own, innocent Hank how to suck and fuck.

But that is
part of another
story...
