# CHAPTER 15

"I might be missing  
the point, Wade,"  
Dr. Reagan said.

"When Amanda called me this morning, she told me that her problem with you has become very serious."

"She said that you've frankly confessed a sexual interest in her, and that you've even tried to initiate a sexual relationship with her."

"Now, I get the impression  
that this sexual contact  
has progressed farther. Is  
that true?"

"This case is more normal than most people think. The cock of a boy your age can grow stiff many times each day with a little provocation."

"Now, I want to assure you, Wade, that any admission you make to me, won't leave this room."

"Now tell me the truth.  
You have fucked her,  
haven't you?"

Wade hesitated  
only a moment longer.  
Then he smiled,  
"Yeah, I have."

"Who initiated this sexual contact?"  
Dr. Reagan asked,  
as she felt her cunt  
getting wet and hot.

"I did. She didn't mind it much, though. She thinks she did. That's why she sent me here."

"Why did you want to fuck her, Wade? Were you just so horny that any pussy would do, or did you have a particular craving to fuck her?"

"Both."

"Would you say that you have a very high sex drive, Wade?" Dr. Reagan picked up the pencil and pretended to take notes.

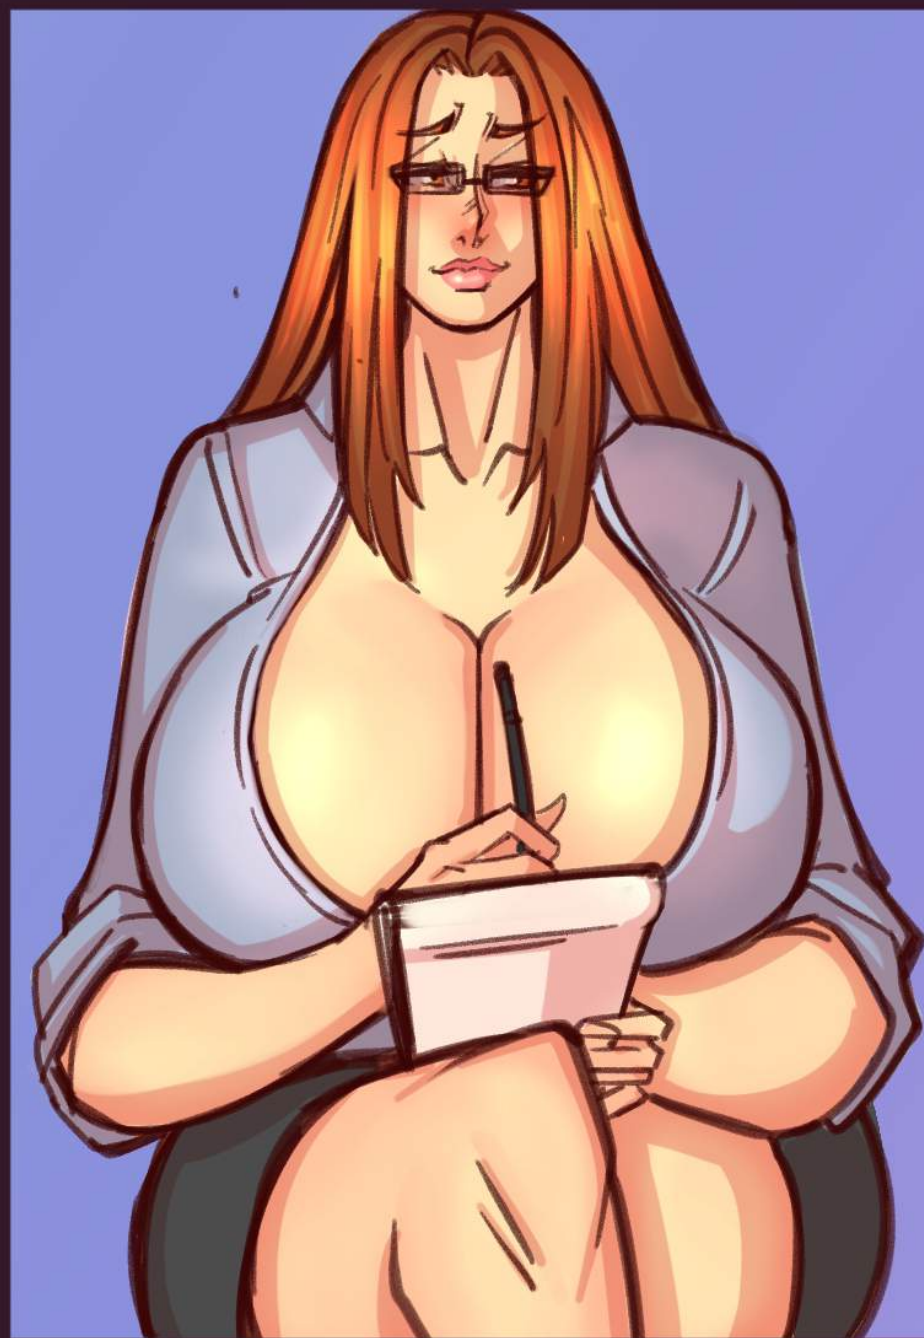

"Very."

"Do you masturbate a lot?  
How many times a day do  
you jack off, on the average?"  
"Five or six."

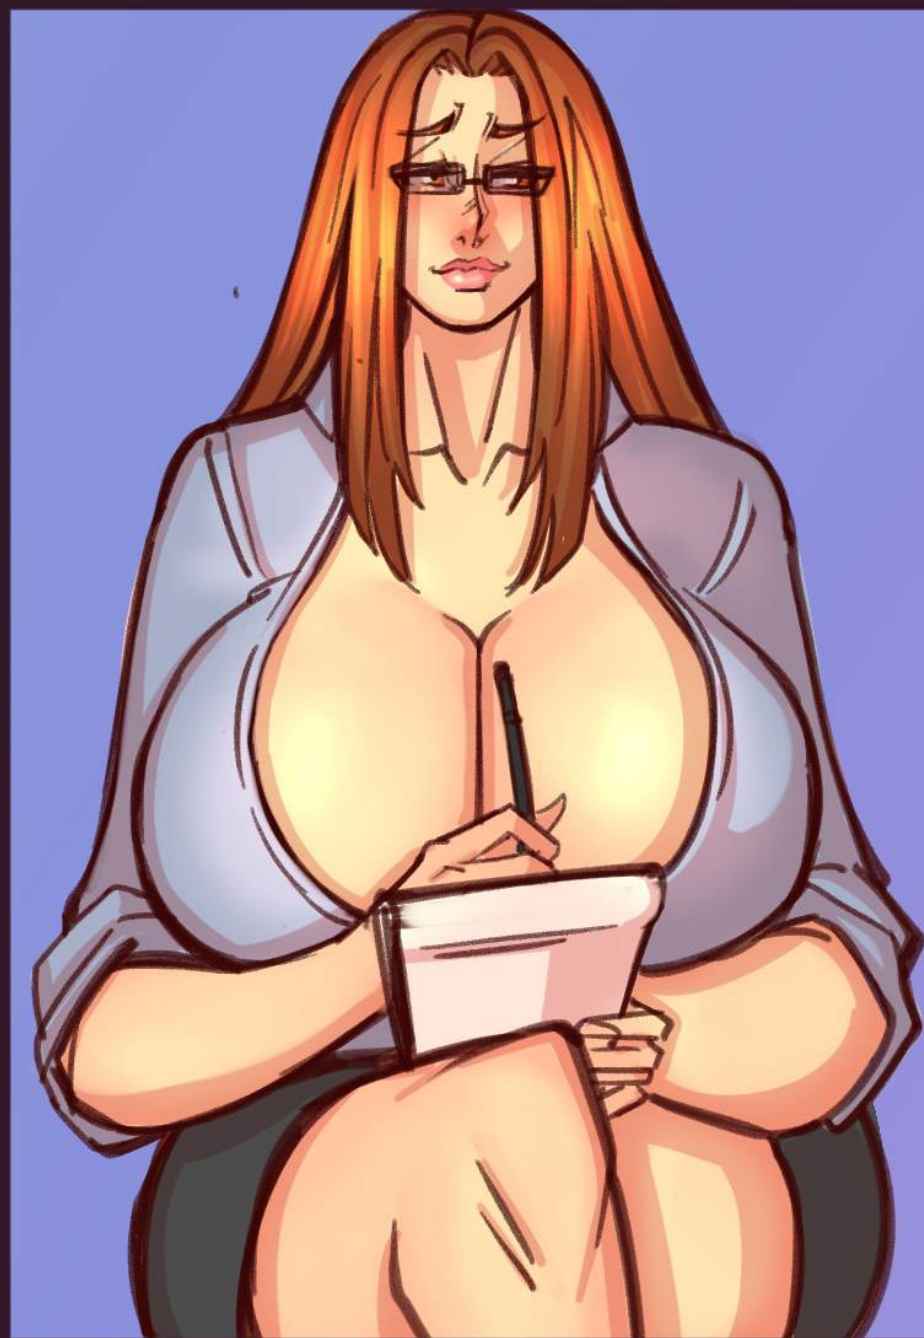

"That's a great deal, Wade.  
Do you always squirt out  
a great deal of semen when  
you cum? Or do you  
sometimes just shoot out  
a small amount?"  
"Always a lot."

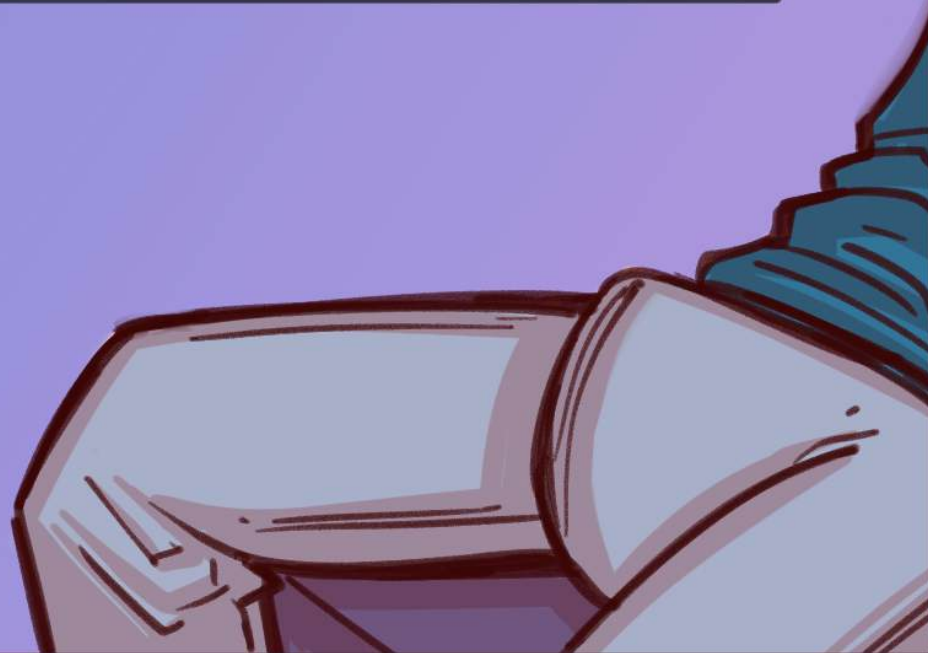

Dr. Reagan felt her cunt throbbing. She stared at the lad's crotch, realizing that the dirty talk, as she'd intended, was giving him a magnificent looking hard-on.

"I can't help noticing that  
your prick is getting stiff  
right, now, Wade. Does  
that happen frequently?"  
"Yes."

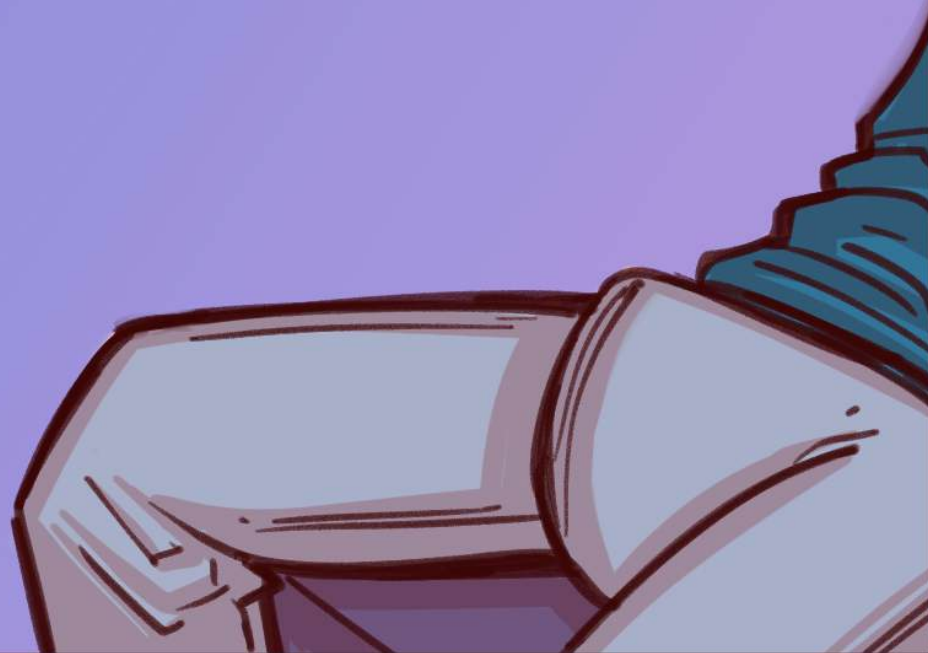

"It feels good when  
your cock gets big  
and stiff, doesn't it?"  
"Yeah."

Then, Dr. Reagan  
put down her  
notebook.

"Wade, I'm going  
to ask you a  
special favor now."

"I'd like you to take  
down your pants and  
show your hard cock  
to me."

"I think my counseling to you would be more valuable if I could see and inspect your cock."
