CHAPTER 16

"I think my counseling to you
would be more valuable
if I could see and inspect
your cock."

Wade stood up, leering at the busty brunette knowingly as he opened his belt and pulled down his zipper.

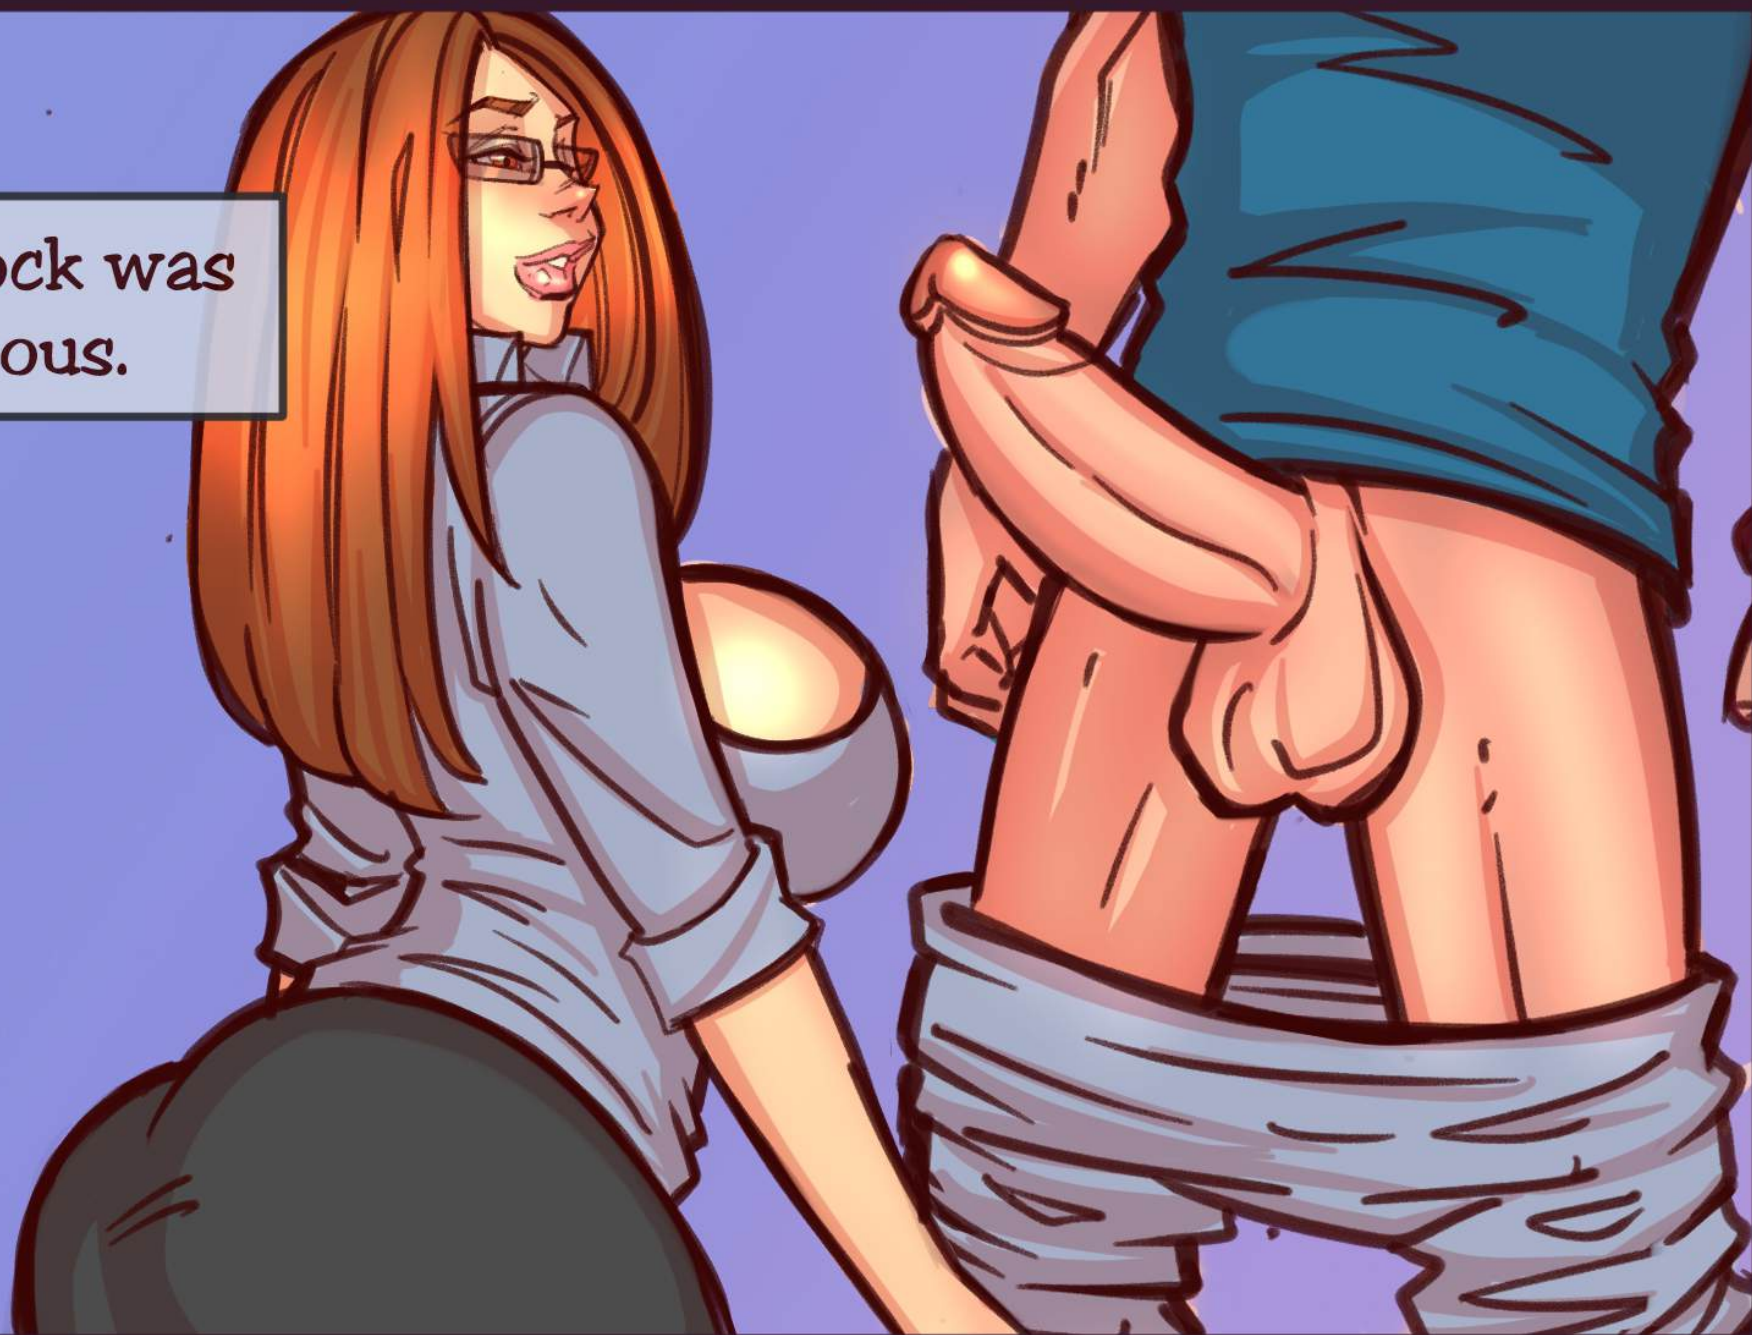

He stepped out of his shoes, then let his pants drop to his ankles, stepping out of them, leaving him naked from the waist down.

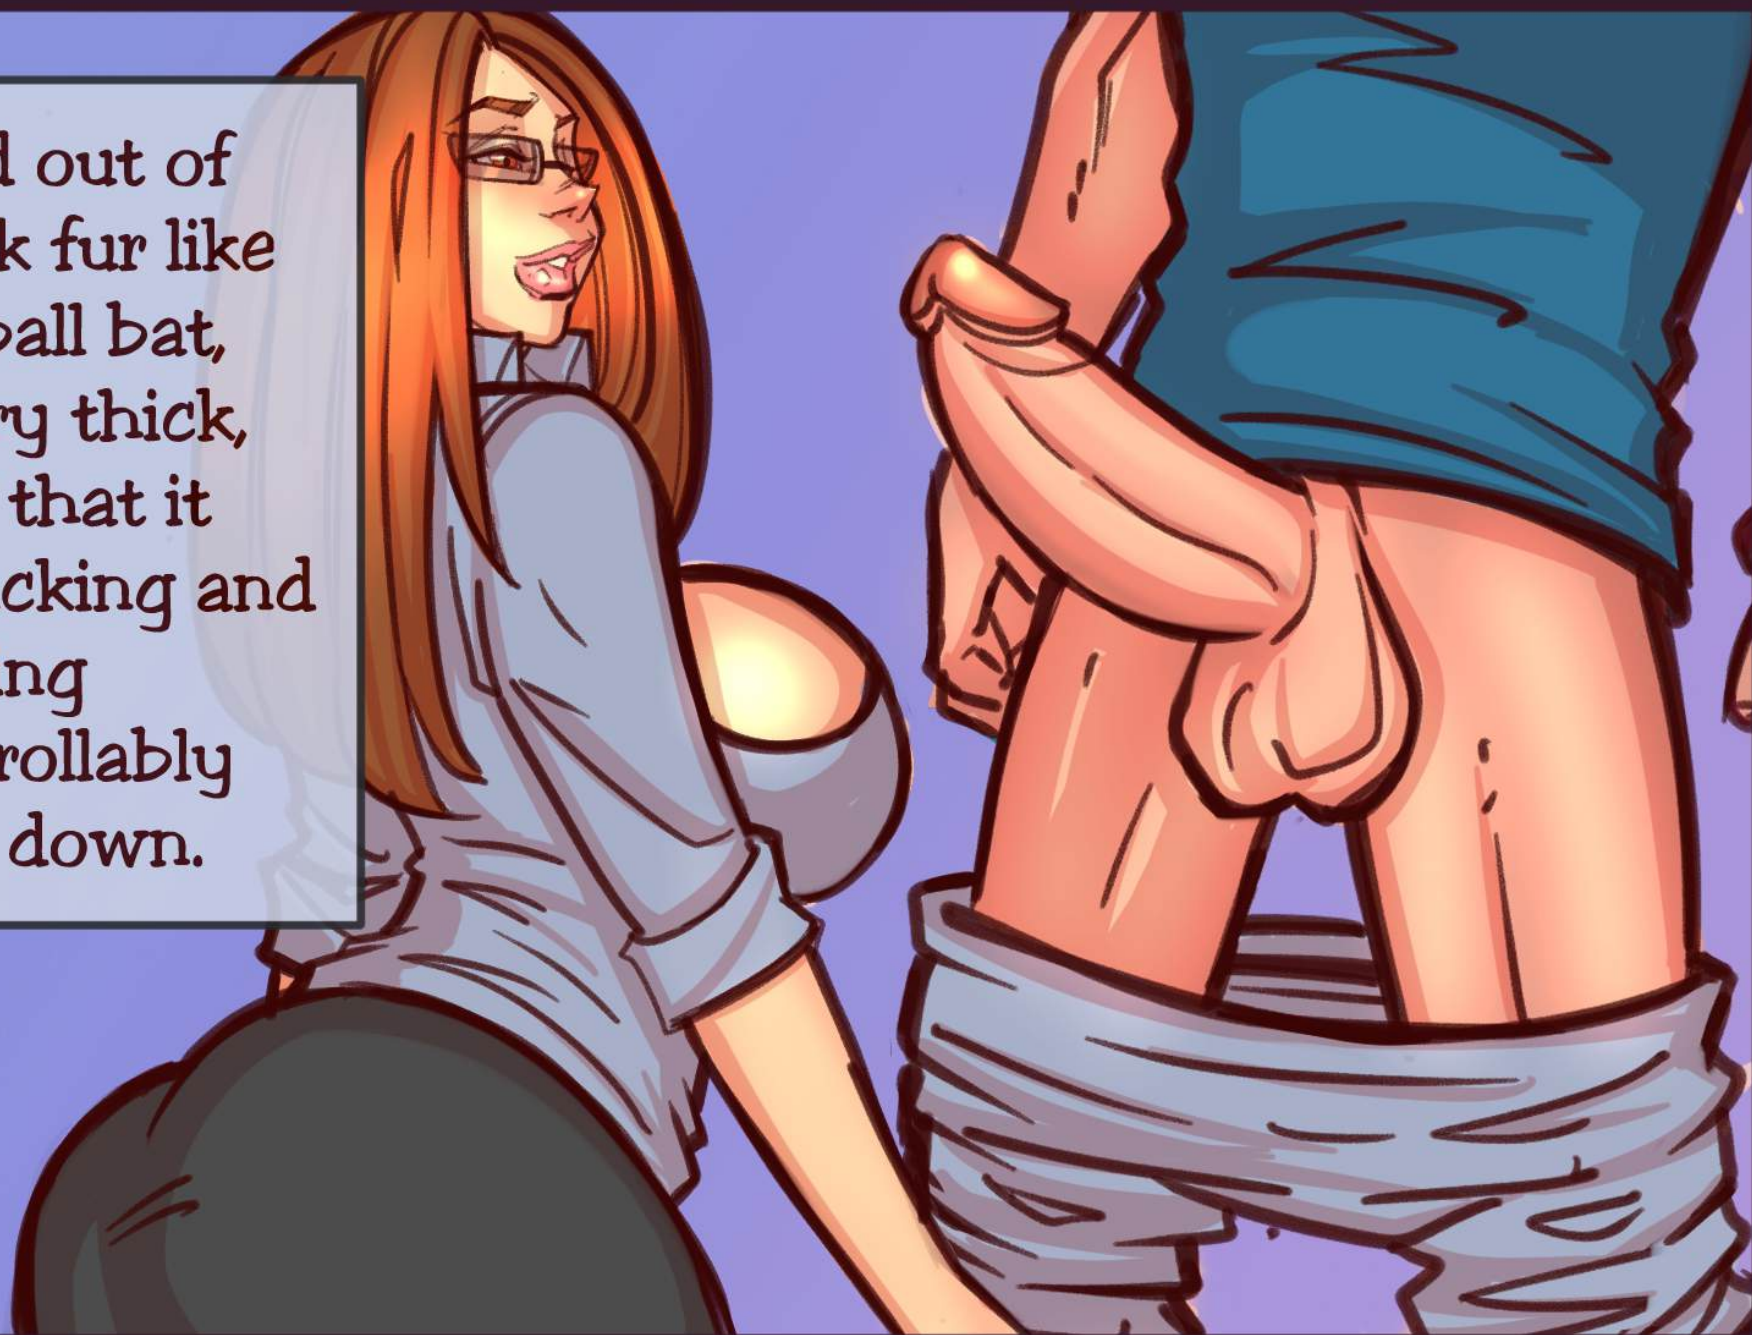

"Oh, Wade. Why, it's just incredibly huge!"

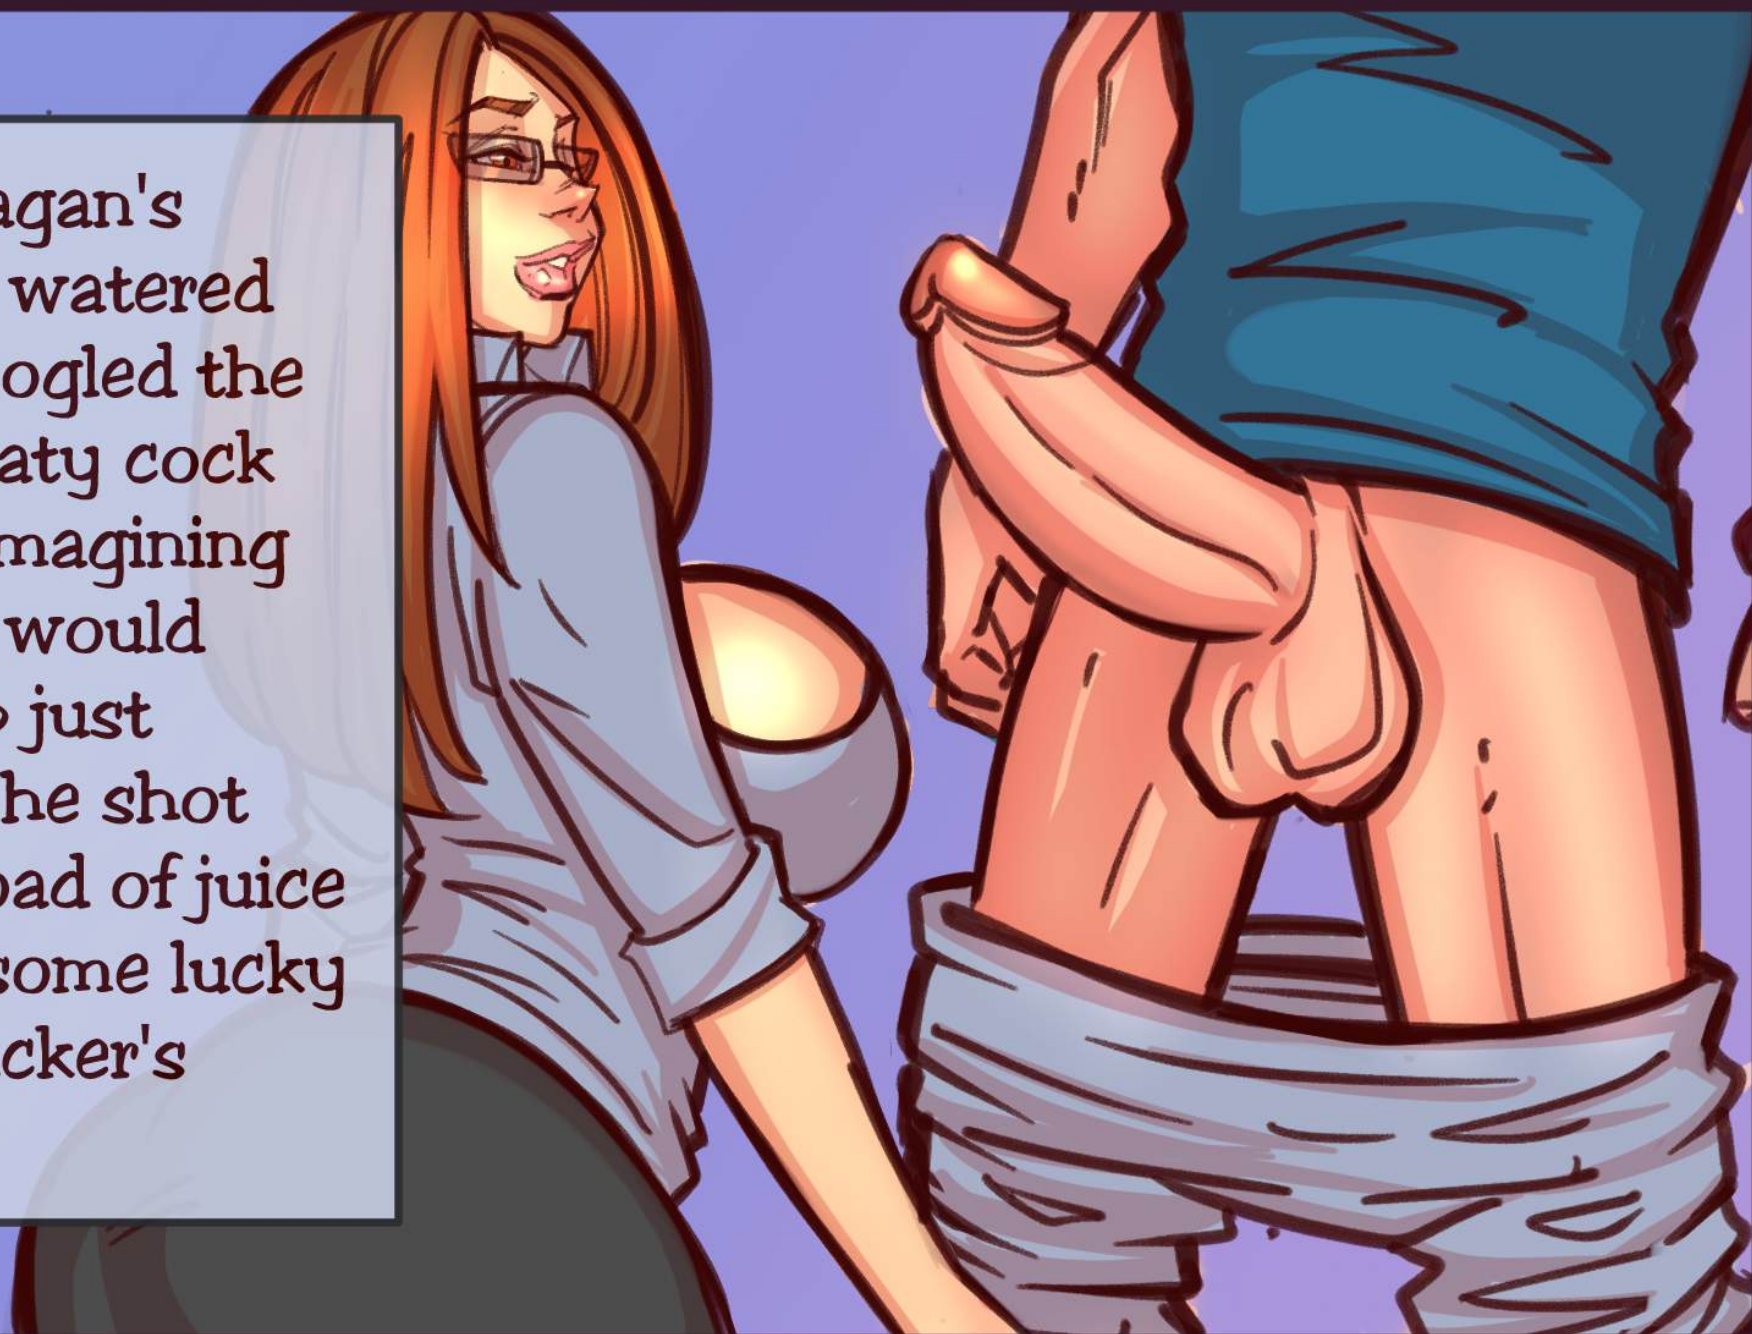

The cock was enormous.

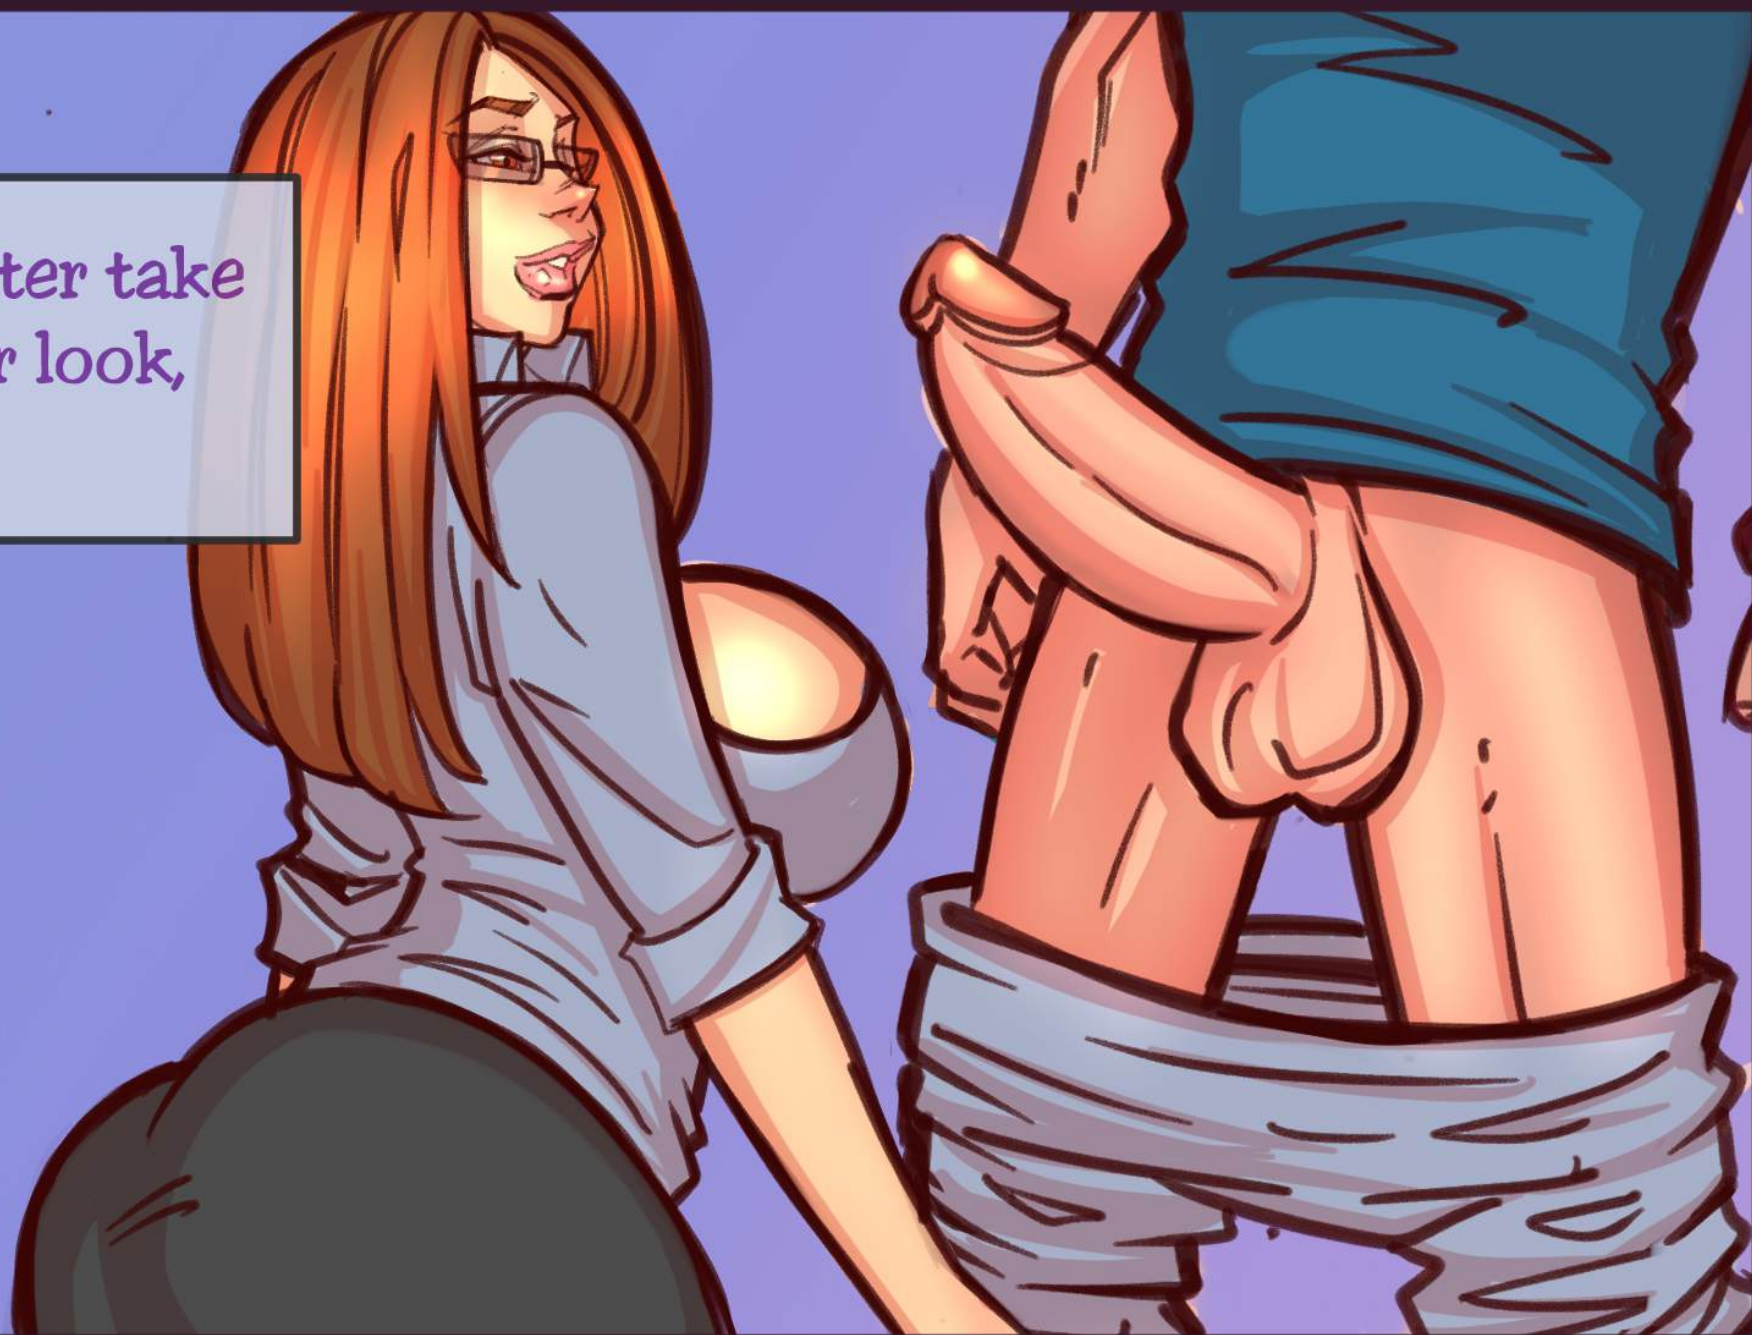

It stood out of
his cock fur like
a baseball bat,
and very thick,
so stiff that it
was bucking and
throbbing
uncontrollably
up and down.

Dr. Reagan's mouth watered as she ogled the fat, meaty cock knob, imagining how it would puff up just before he shot a big load of juice down some lucky cocksucker's throat.

"I'd better take
a closer look,
Wade."

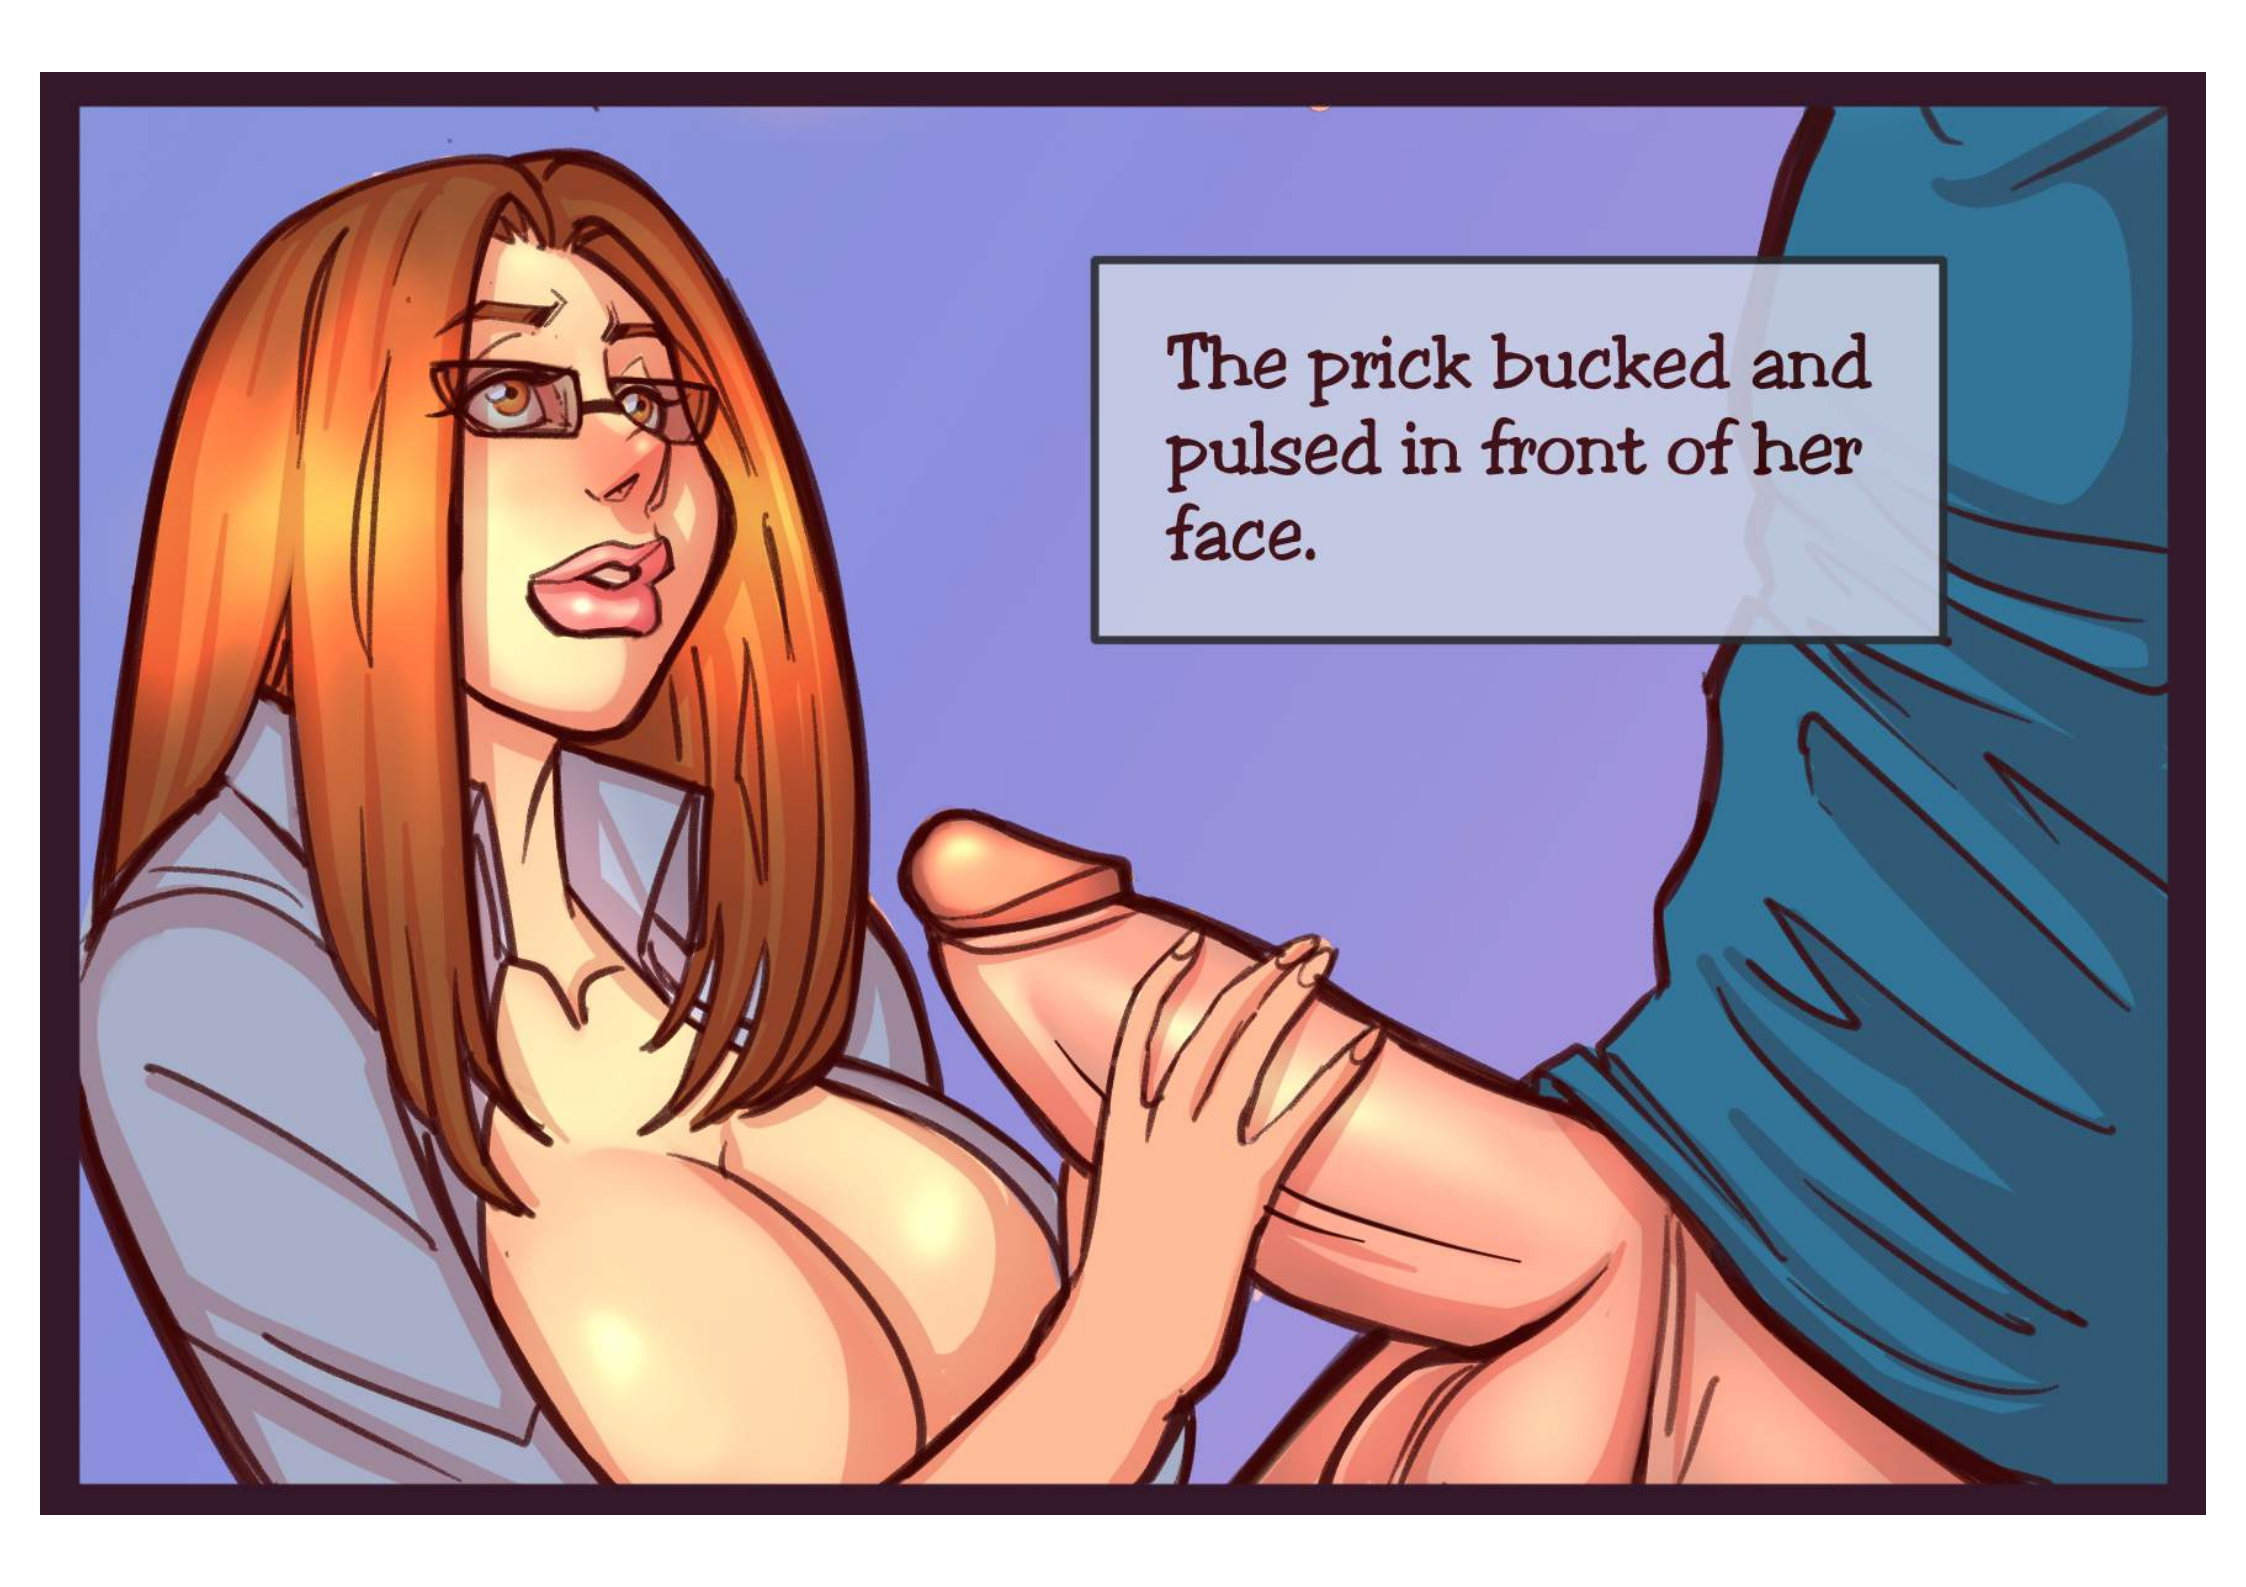

She suppressed a groan
as she stared at the
mammoth prick pulsing
in front of her face.

Dr. Reagan pinched his
spongy cock head, running
her fingers all over his cock
meat.

The prick bucked and pulsed in front of her face.

"It looks perfectly healthy,"
she said breathlessly.

"Does it feel good when
I touch your hard cock like
that?"

"Yeah."

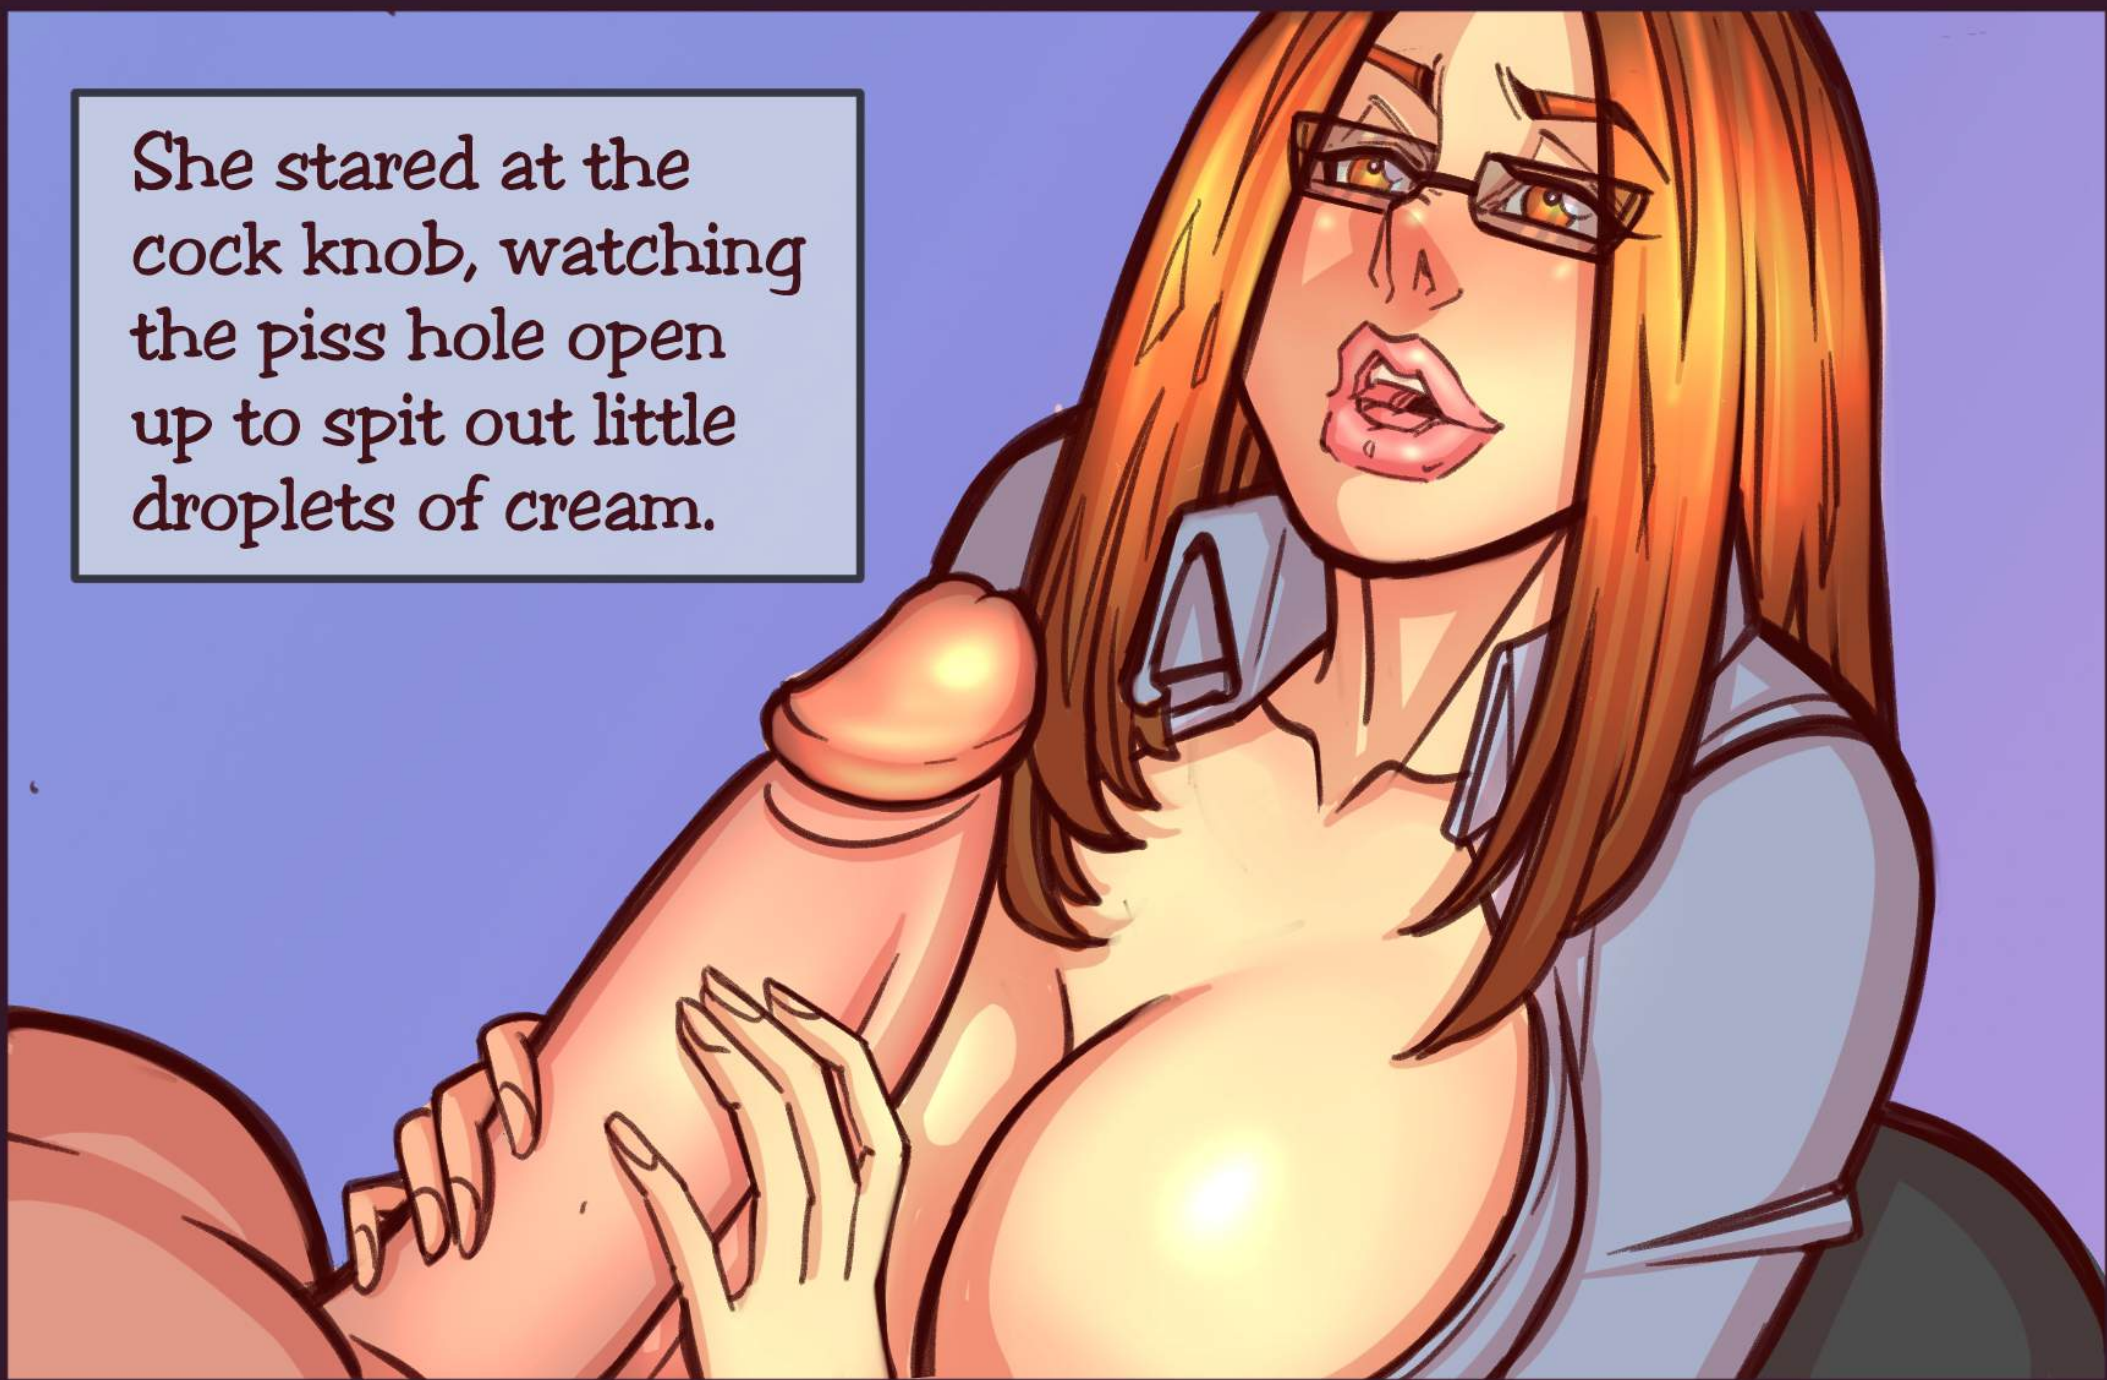

Dr. Reagan wrapped
her hand around
the root of his huge,
throbbing prick.

Lewdly she started
jacking the big cock
up and down, slow
and hard.

She stared at the
cock knob, watching
the piss hole open
up to spit out little
droplets of cream.

"Does this feel better,
Wade? Is this how you
touch your prick when
you jack off?"

"I think it would
feel a lot better if
you sucked on it."

By now a great deal of sticky, milky cock juice had dribbled out of Wade's cock head.

Dr. Reagan
pressed her palm
on the cock knob,
coating it with
her spunk.

She slid her fist
to the root of
his prick, holding
it in position.

"That might be
therapeutic too,
Wade. To see
your reaction."

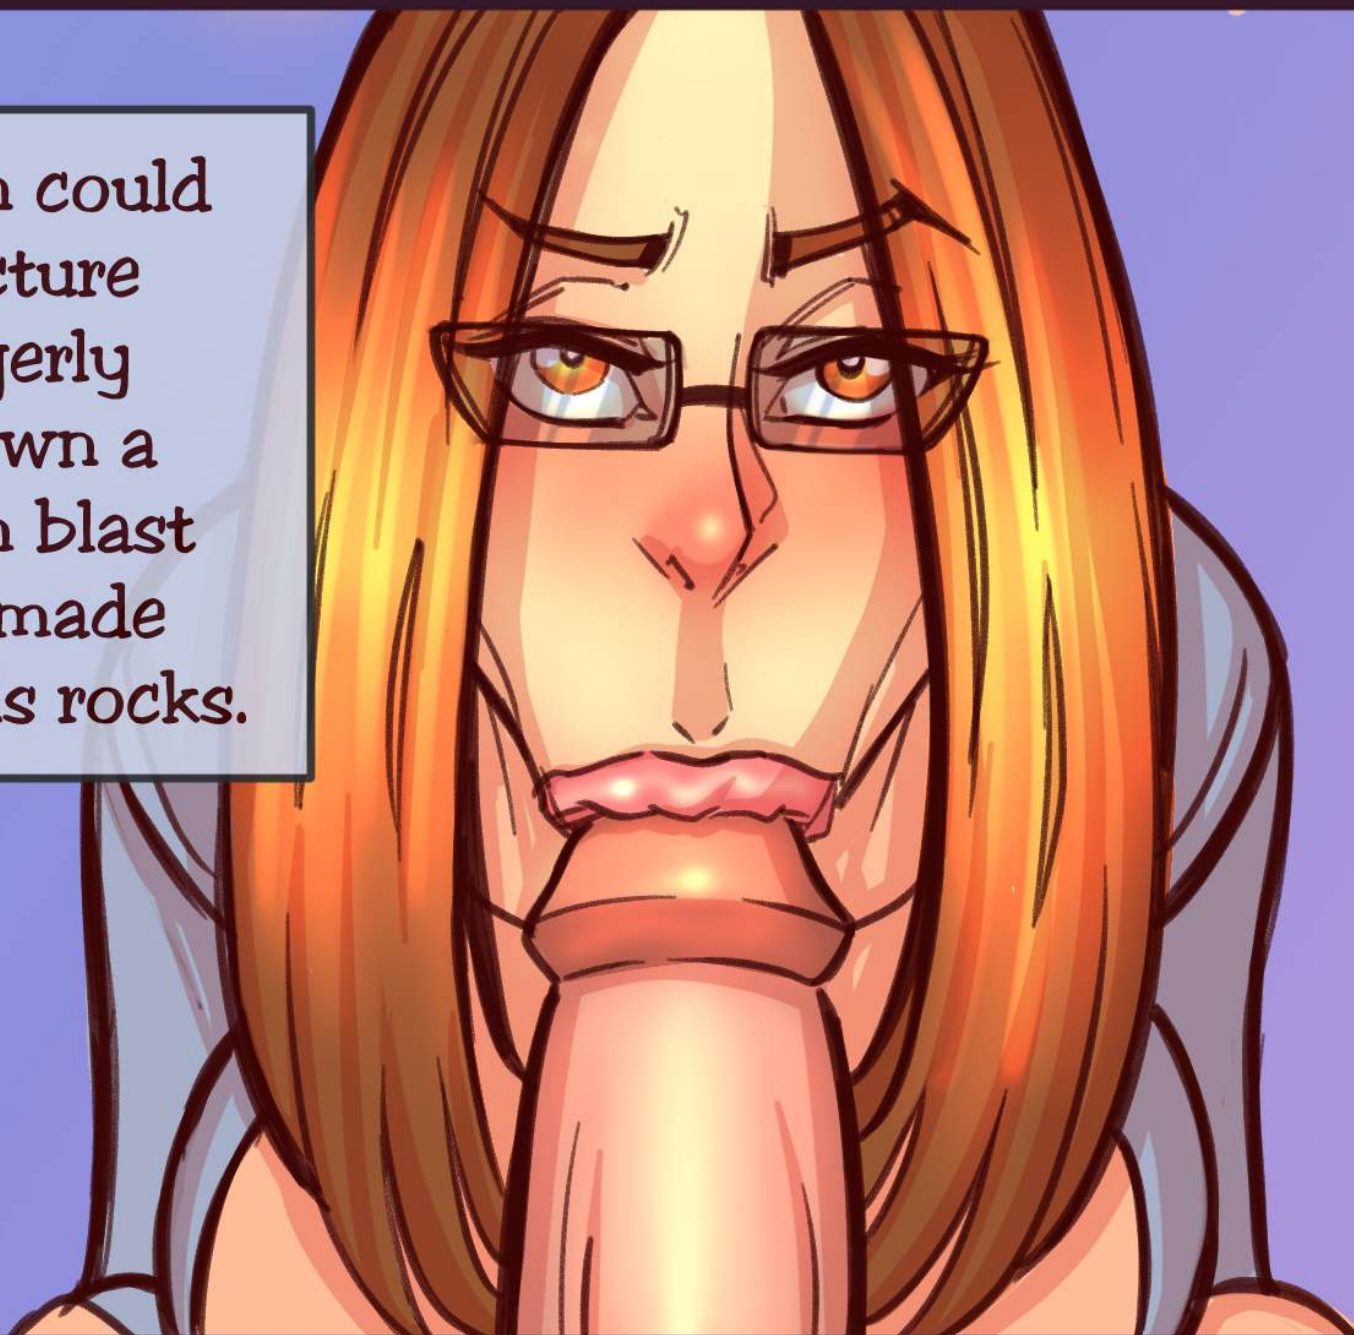

Then, with a little smacking sound, she pressed her lips to the tip of his cock.

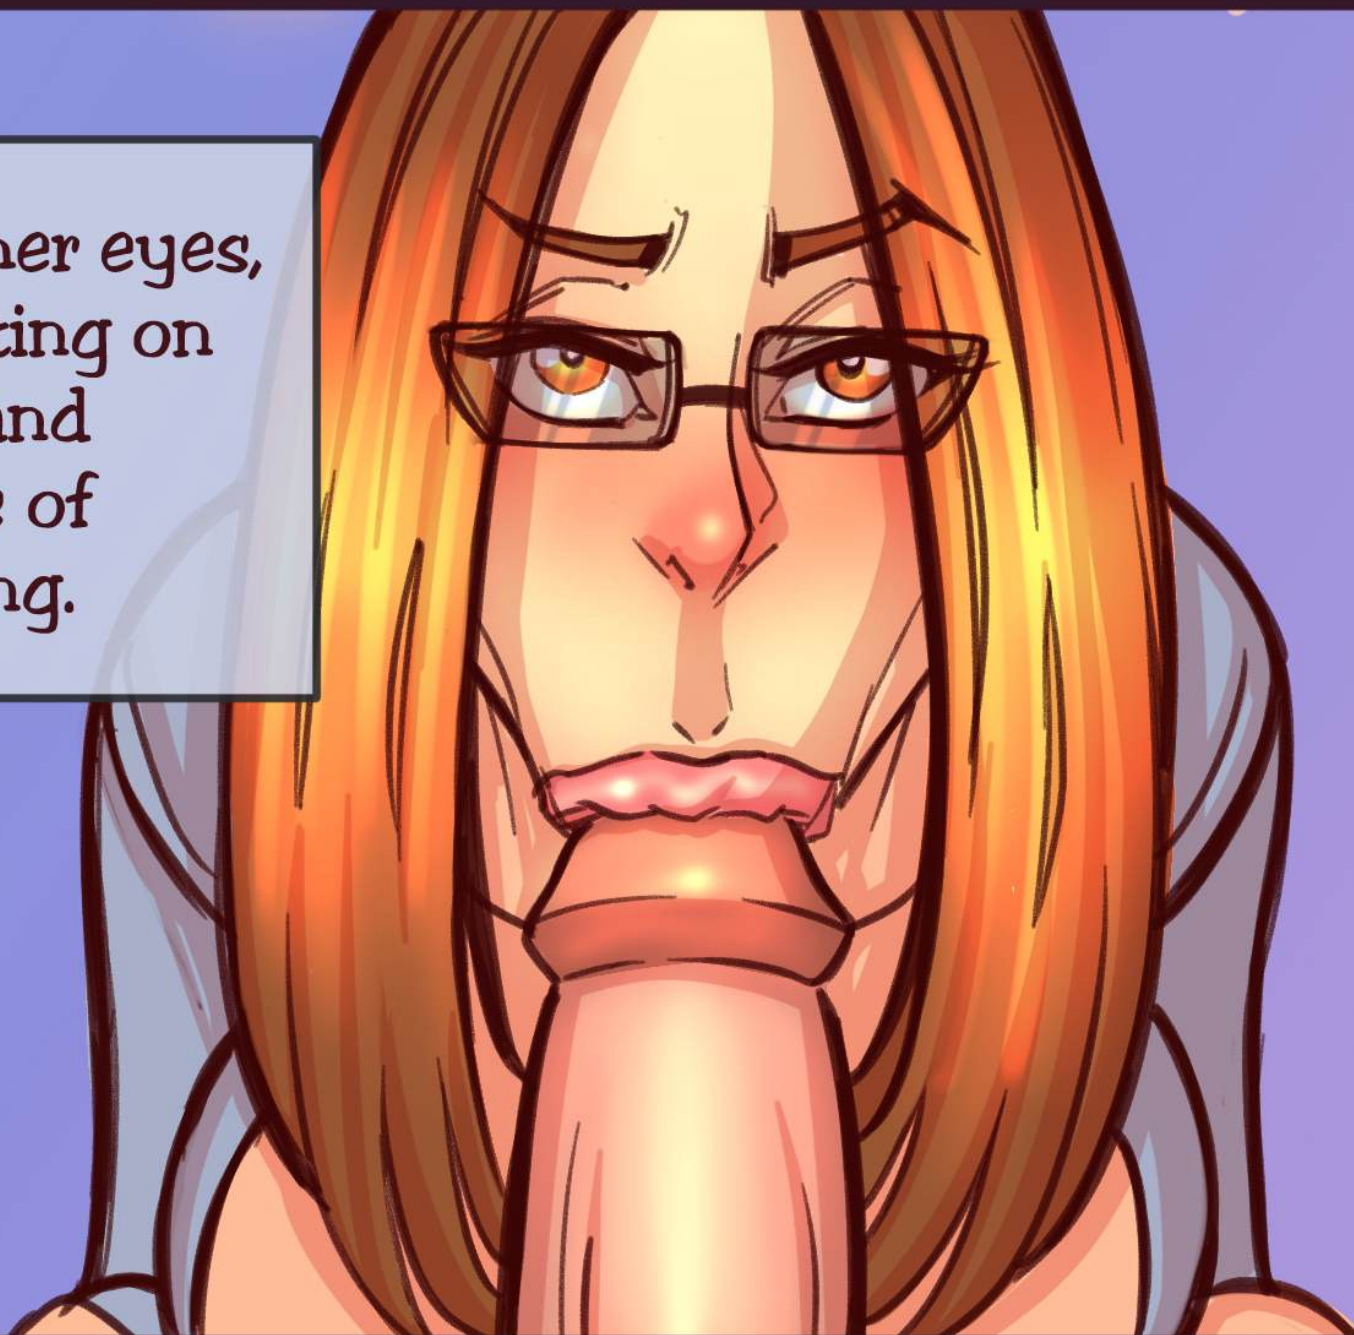

His fuck organ
tasted very good,
and so did the
cum ooze.

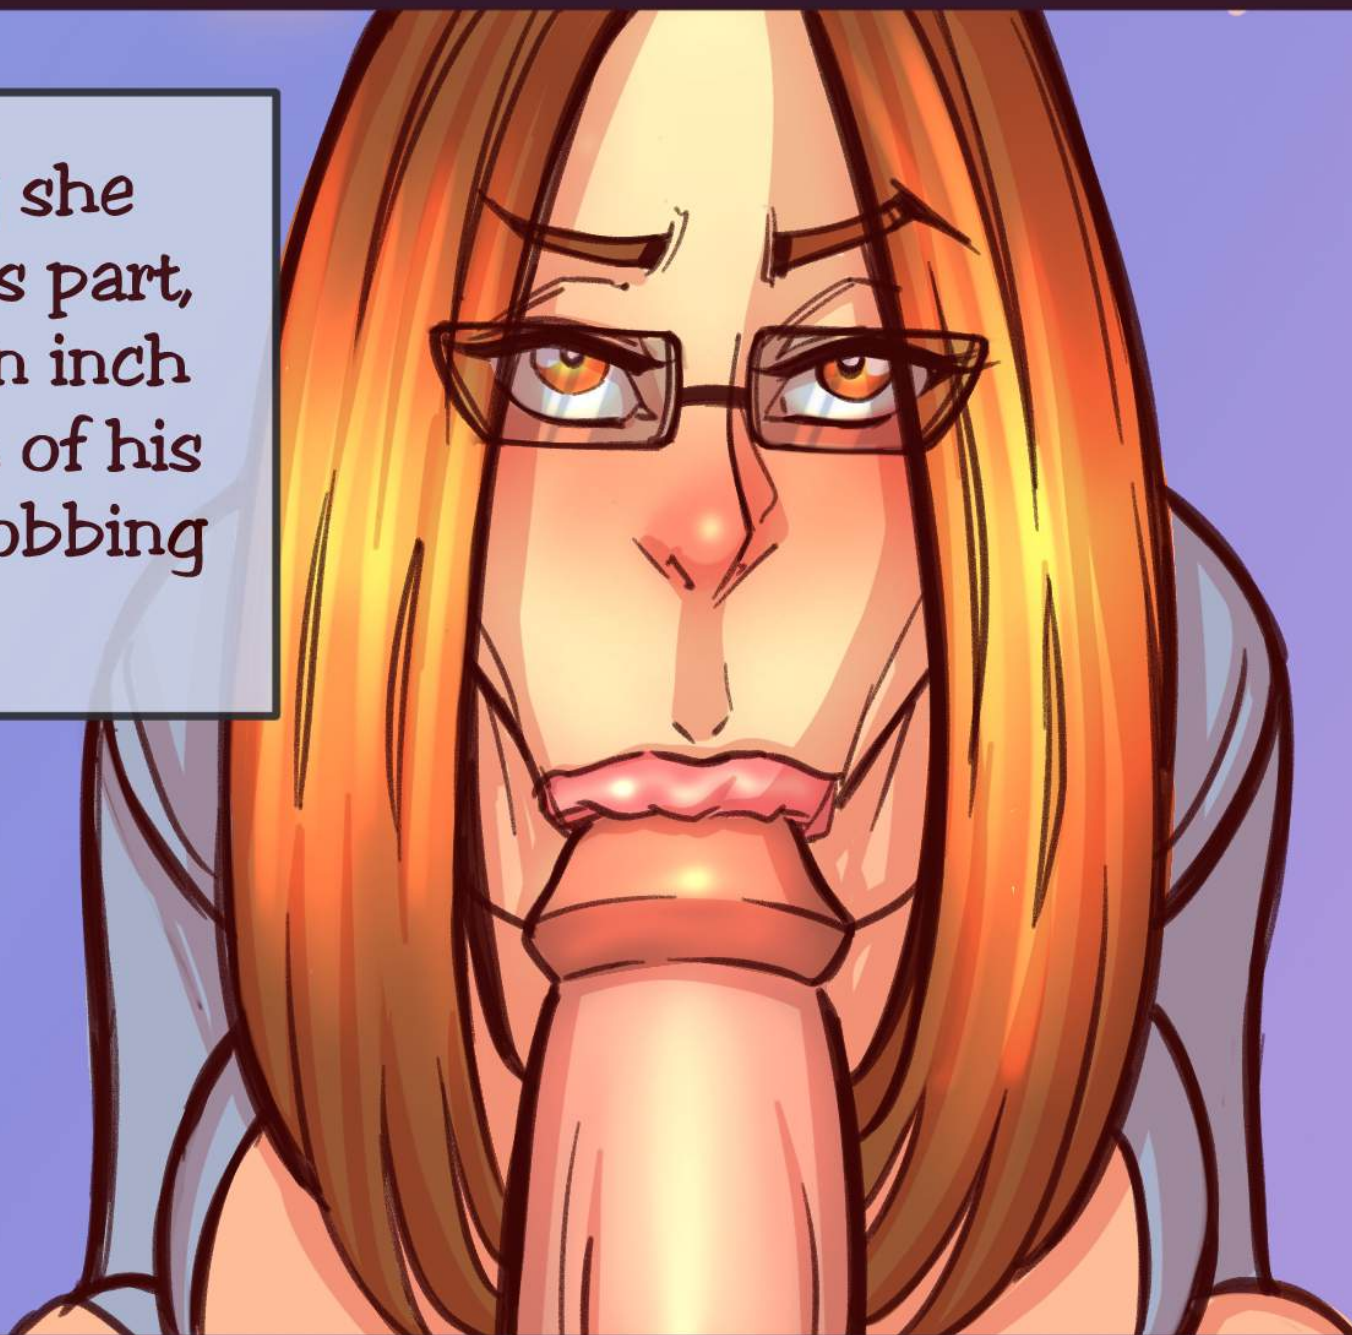

Dr. Reagan could
already picture
herself eagerly
gulping down a
heavy cum blast
when she made
him pop his rocks.

She shut her eyes,
concentrating on
the taste and
sensations of
cocksucking.

Gradually she
let her lips part,
slurping in inch
after inch of his
huge, throbbing
prick.
