CHAPTER 01

Things had been tough for Lauren
since the death of her husband
two years ago.

She had married young to a man
fifteen years her senior and now,
at the ripe old age of twenty-nine,
had inherited two stepsons,
Carl and Brad, and also Karen,
a stepdaughter.

Just what any man would want,
she used to think to herself.
Marry a widow with a ready
made family.

Lauren used to sit
and wonder exactly
what had happened
to her. She was a
fine looking woman.

She had kept herself in great shape through aerobic exercise and hard work. Before she met her late husband, she had never had any trouble at all.

Within the span of six years though, Lauren had lost both parents and her only brother in an auto accident and then lost her husband in a freak hunting accident.

Married at twenty-one to a thirty-seven year old widower, widowed herself at twenty-seven.

Oh, she had her
share of dates since
she went back to
active involvement.

There was the cute banker who literally ran out of the house when he met the kids.

There was the store owner who, though he at least stayed around for a few drinks, had never bothered to call her again.

And there had been others but the ending was always the same. One date, meet the kids, gone.

After nine or ten
different guys,
Lauren about
gave up on it all.

There were times when Lauren thought seriously about just taking off and leaving the kids.

Once she had even packed and made plane reservations. But, at the last minute, she decided she couldn't.

The kids would have been well taken care of by her brother in law, so that wasn't the problem.

It was simply that
she had grown
so attached to them.

No, Lauren couldn't leave.
They were as much hers as
if they had been born to her.
They were her family and
her life.

It was rough and would get rougher as time went on but, she thought to herself, it was worth it.

One of the
hardest parts
of being single
again was a
lack of physical
affection.

Lauren had been sexually active since she was eighteen and now it had been over two years since she had slept with a man.

During her
six years of
marriage,
Lauren had
always
remained
faithful,
actually for
two reasons.

The first
was that she
honestly and
dearly loved
her husband.

The second was that he was the best lover she had ever had. He always seemed to know exactly what she wanted and how to please her.

Pleasing her
was always
more important
than pleasing
himself.

A woman with long, straight red hair is lying in bed, looking down with a thoughtful expression. She is wearing a blue bikini top. The background is a soft, warm pinkish-orange color. A speech bubble is positioned to her right, containing text.

Many nights since the accident that took her husband away from her, Lauren would lie in her bed and remember their lovemaking sessions.

A woman with long, straight red hair is lying in bed, wearing a blue bikini. She is looking down with a slightly open mouth, appearing to be in a state of passion or exhaustion. The background is a soft, warm pinkish-red color. A speech bubble is positioned to her right, containing text.

At times, caught up in the throws of passion, Lauren would bring herself to deep orgasms and moan loudly before coming back to the realization that her stepchildren were asleep in adjoining rooms.

Lauren made a commitment to herself though, that, no matter what happened, she would keep her family together.

If it meant that
she would never
find another man,
so be it.

If it meant a
remaining life
of celibacy,
then she would
bear up.
Nothing would
separate them.

Then,
one warm summer evening
an incident would happen
that would change Lauren's life,
forever.
