# CHAPTER 01

Things had been tough for Lauren  
since the death of her husband  
two years ago.

She had married young to a man  
fifteen years her senior and now,  
at the ripe old age of twenty-nine,  
had inherited two stepsons,  
Carl and Brad, and also Karen,  
a stepdaughter.

Just what any man would want,  
she used to think to herself.  
Marry a widow with a ready  
made family.

Lauren used to sit  
and wonder exactly  
what had happened  
to her. She was a  
fine looking woman.

She had kept herself in great shape through aerobic exercise and hard work. Before she met her late husband, she had never had any trouble at all.

Within the span of six years though, Lauren had lost both parents and her only brother in an auto accident and then lost her husband in a freak hunting accident.

Married at twenty-one to a thirty-seven year old widower, widowed herself at twenty-seven.

Oh, she had her  
share of dates since  
she went back to  
active involvement.

There was the cute  
banker who literally  
ran out of the house  
when he met the kids.

There was the store owner who, though he at least stayed around for a few drinks, had never bothered to call her again.

And there had been others but the ending was always the same. One date, meet the kids, gone.

After nine or ten  
different guys,  
Lauren about  
gave up on it all.

There were times when Lauren thought seriously about just taking off and leaving the kids.

Once she had even packed and made plane reservations. But, at the last minute, she decided she couldn't.

The kids would have been well taken care of by her brother in law, so that wasn't the problem.

It was simply that  
she had grown  
so attached to them.

No, Lauren couldn't leave.  
They were as much hers as  
if they had been born to her.  
They were her family and  
her life.

It was rough and would get rougher as time went on but, she thought to herself, it was worth it.

One of the hardest parts of being single again was a lack of physical affection.

Lauren had been sexually active since she was eighteen and now it had been over two years since she had slept with a man.

During her  
six years of  
marriage,  
Lauren had  
always  
remained  
faithful,  
actually for  
two reasons.

The first  
was that she  
honestly and  
dearly loved  
her husband.

The second was that he was the best lover she had ever had. He always seemed to know exactly what she wanted and how to please her.

Pleasing her  
was always  
more important  
than pleasing  
himself.

A woman with long, straight red hair is lying in bed, looking down with a thoughtful expression. She is wearing a blue bikini top. The background is a soft, warm pinkish-orange color. A speech bubble is positioned to her right, containing text.

Many nights since the accident that took her husband away from her, Lauren would lie in her bed and remember their lovemaking sessions.

A woman with long, straight red hair is lying on her side on a bed. She is wearing a blue bikini. Her eyes are closed, and her mouth is slightly open, suggesting she is in a state of passion or orgasm. The background is a soft, warm pinkish-orange color. A speech bubble is positioned to the right of her head.

At times, caught up in the throws of passion, Lauren would bring herself to deep orgasms and moan loudly before coming back to the realization that her stepchildren were asleep in adjoining rooms.

Lauren made a commitment to herself though, that, no matter what happened, she would keep her family together.

If it meant that  
she would never  
find another man,  
so be it.

If it meant a  
remaining life  
of celibacy,  
then she would  
bear up.  
Nothing would  
separate them.

Then,  
one warm summer evening  
an incident would happen  
that would change Lauren's life,  
forever.
