Based on an Original story by Anonymus
Illustrations by NGT VisualStudio

This is a work of fiction.
All characters aren't real.
All characters are 18 years or older.
Enjoy it!

CHAPTER 02

As we'd brought some badminton equipment with us, after a while I grew bored of sunbathing and pestered my wife into a game of badminton.

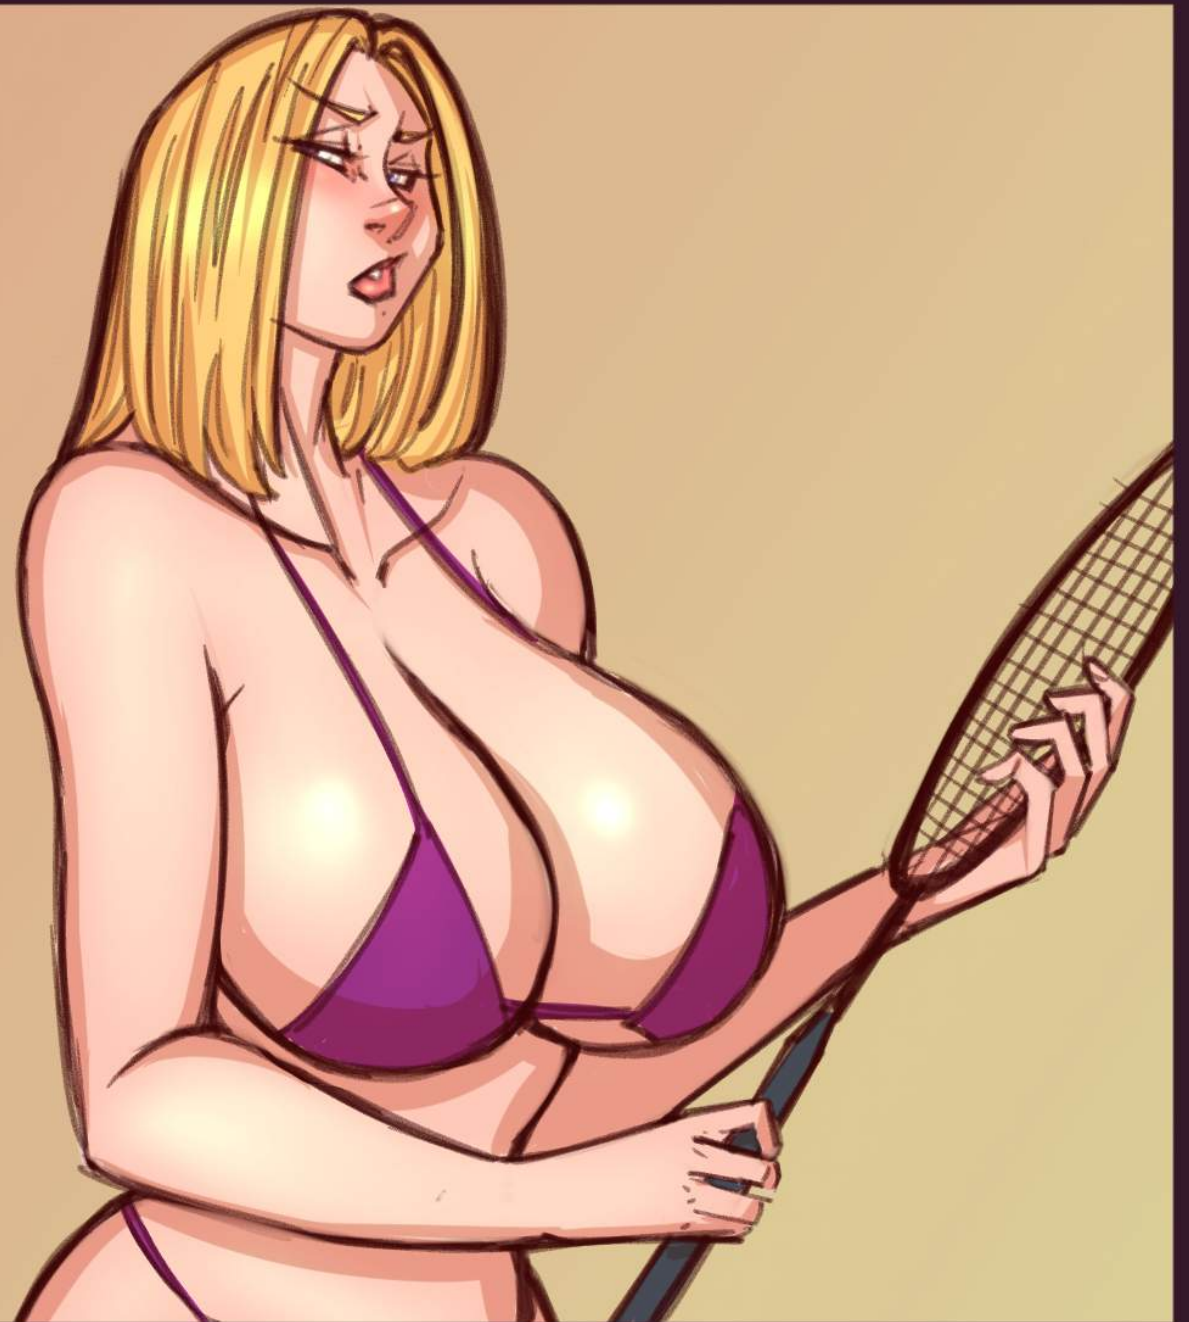

After
comfortably
beating her,
I ended up
playing my
brother-in-law.

I just beat him
and started to
play against
Kate, his
girlfriend.

I had won the first game comfortably, when my mother-in-law announced that everyone else was going shopping, but that we should stay and finish our game as it didn't need all of us going.

We heard them
drive away as
we continued
playing.

I won the next
two games as
well to leave
me 3-0 up,
playing best of
7.

"You know
I think I might
try and even
my tan out
after all, if it's
ok with you
that is?" Kate
asked me.

"Uh, sure,
whatever."
I replied.

Kate then reached behind her back and pulled the tie that undid her bikini, before calmly lifting it away from her body and up and over her head.

A comic book panel featuring a blonde woman with large breasts and a tennis racket. She has a determined expression and is wearing a purple bikini bottom. The background is a simple gradient of brown and tan. A yellow speech bubble is on the left side of the panel.

Her tits were
absolutely
fantastic,
incredibly pert,
almost like
large rockets
pointing
straight ahead.

She had tiny
light pink areola
and pencil eraser
nipples.

I couldn't take my eyes off her tits, so needless to say I lost the next four games, and ended up losing overall.

But what did
I care, winning
hardly compares
to the jumping,
jiggling exhibition
I was just given!

After we finished the game we both went to lay down on the sunbeds.

After a while we heard the car drive back into the driveway and Kate quickly fumbled to put her bikini top back on.

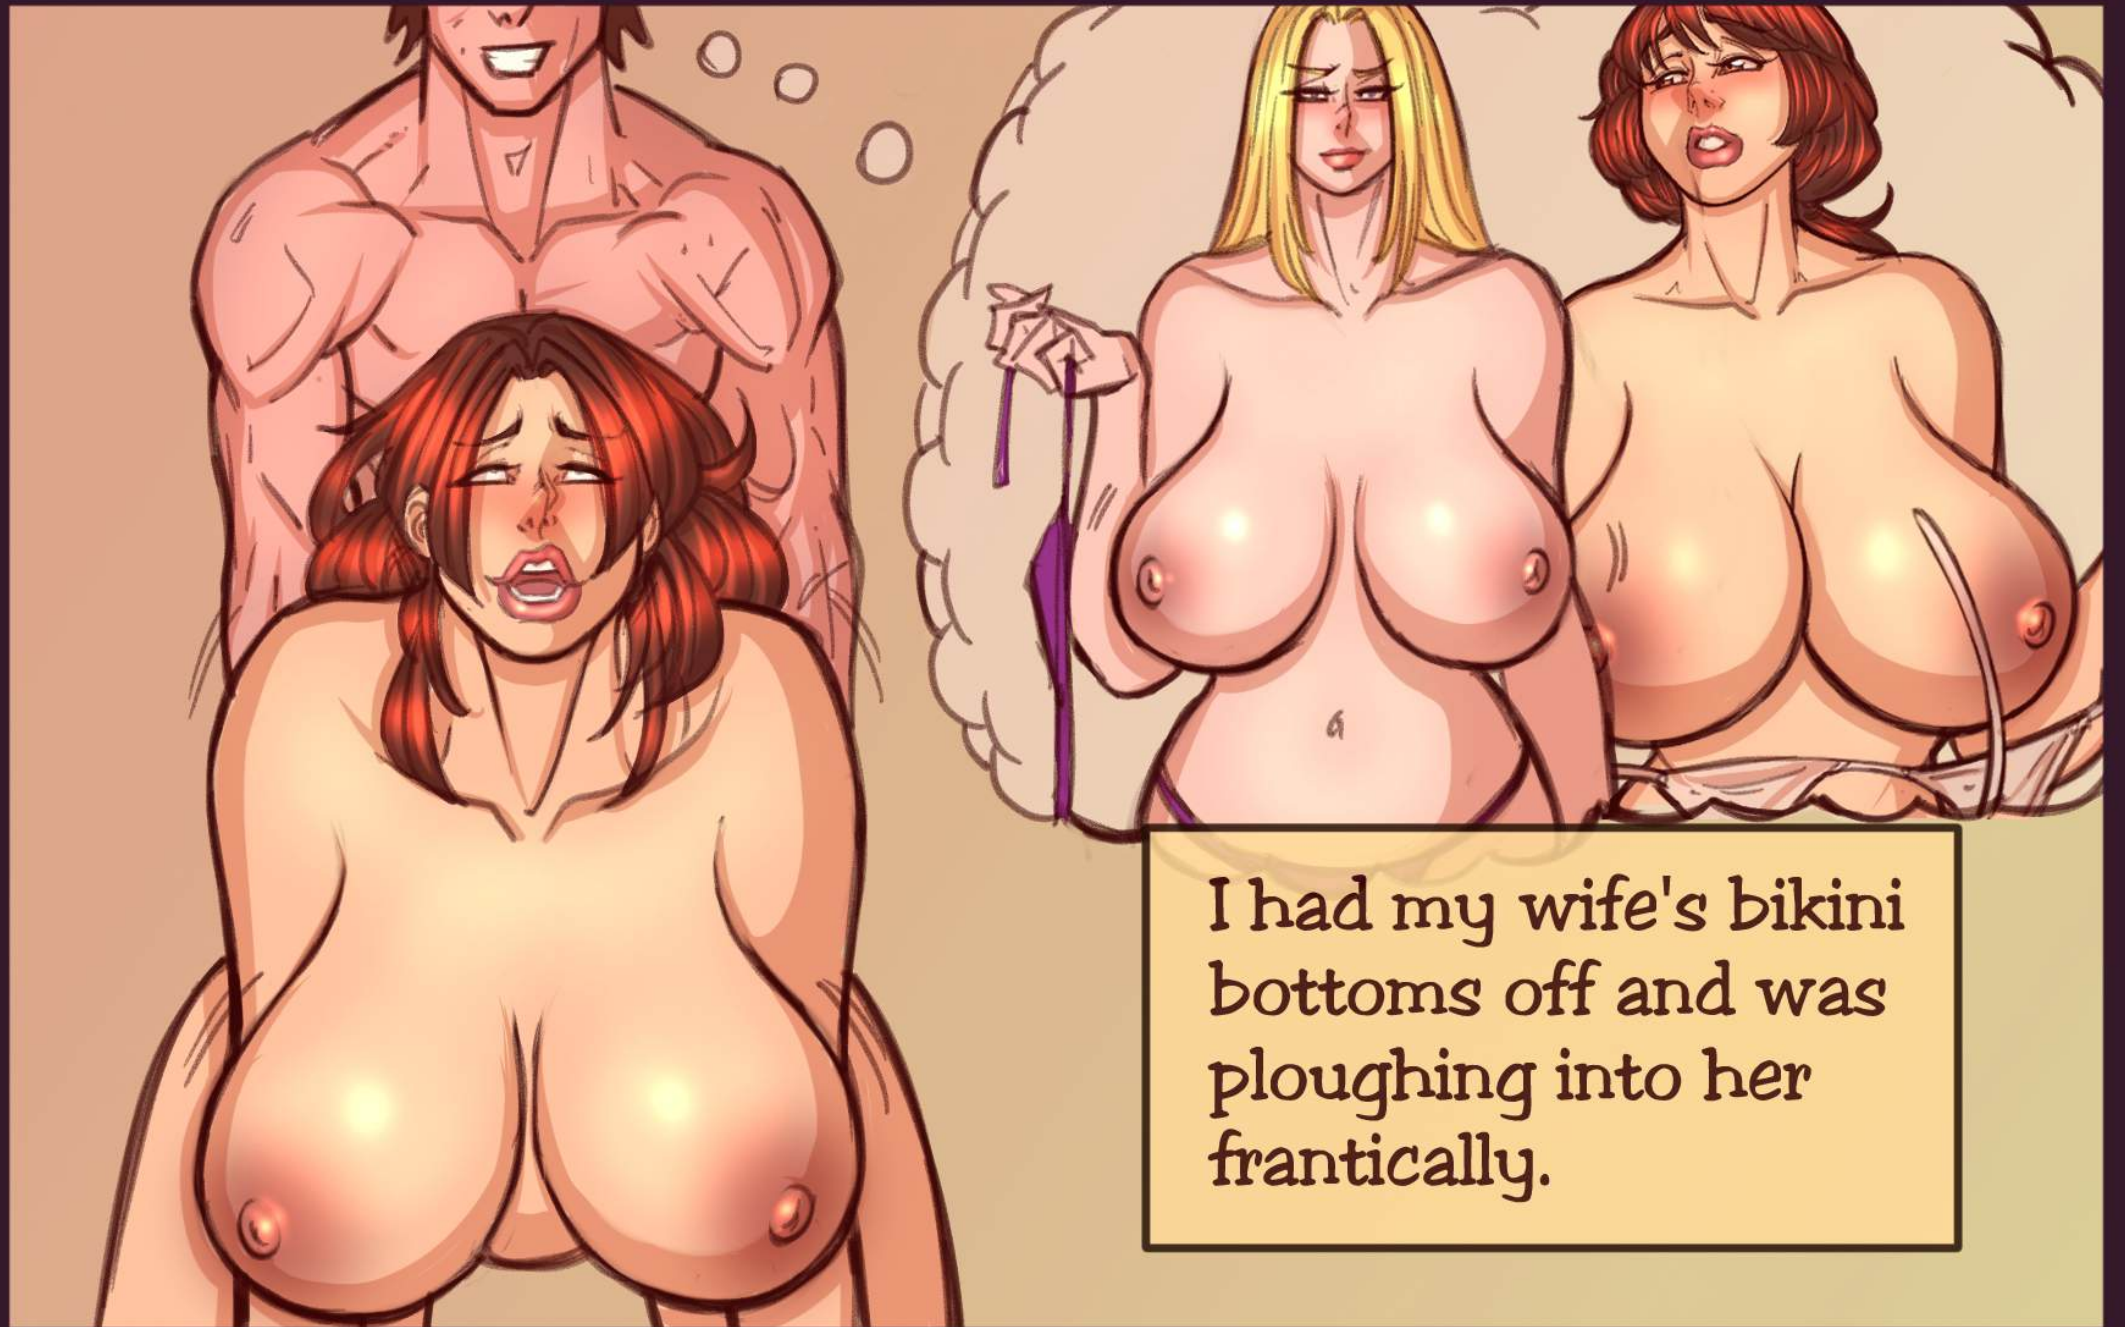

It seems her
tits are for my
eyes only, well
mine and my
wife's brothers!

That night as soon as we got into our room and shut the door.

I had my wife's bikini bottoms off and was ploughing into her frantically.

However it wasn't her
boobs I was thinking
about as I covered them
in my sticky fluid.

But those of her mother and Kate.
