CHAPTER 05

I spent the rest of the day
trying to avoid my mother-in-law
whenever possible,
spending a lot of time with my wife.

When it was impossible to avoid her,
I made sure that I didn't make eye contact.
I didn't want any fallout
from what happened earlier.

That night I once again
had my wife stripped as soon
as we got into the bedroom.

She was naked,
lying on her
back on the bed
as I easily slid
into her, she was
a beautiful sight.

I couldn't resist fondling her
now well tanned tits as I slid
in and out of her.

I got her to start fingering her clit as I pounded into her and with a loud moan she soon came.

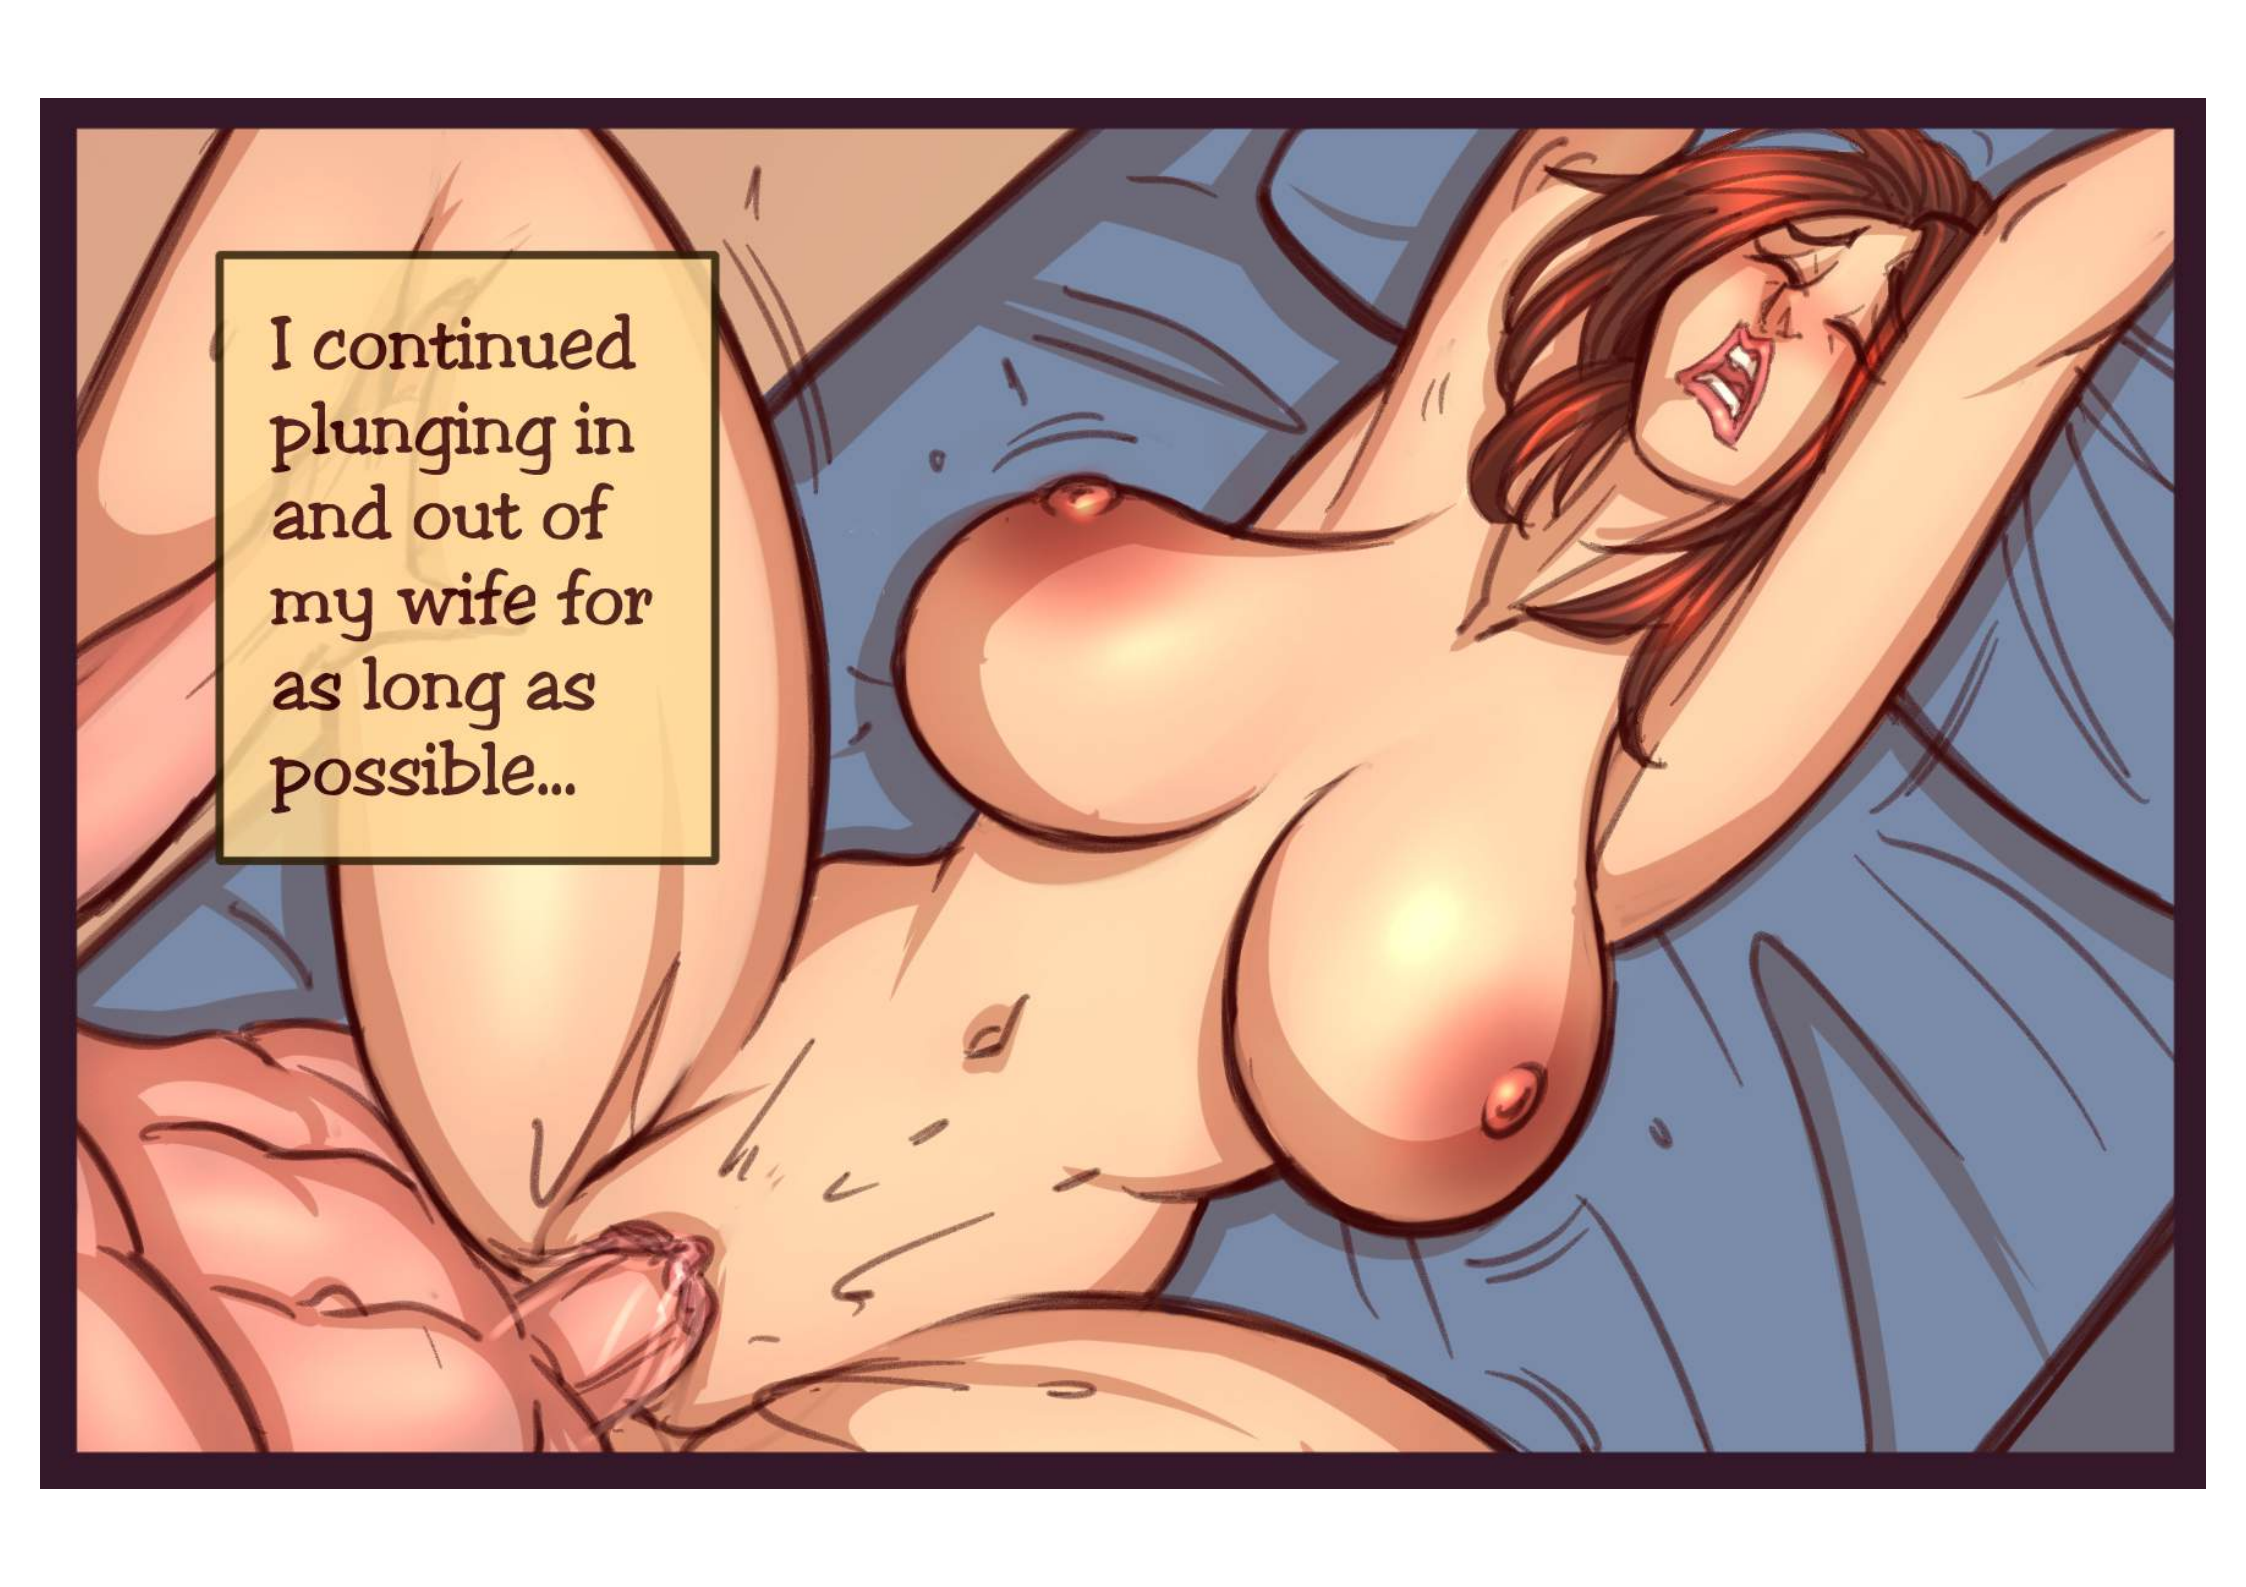

I felt her juices
sloshing against
my penetrating
cock.

I was slipping in
and out of her
much easier now
and I soon felt
my own orgasm
building.

I continued
plunging in
and out of
my wife for
as long as
possible...

...before pulling out at the last possible second and coating her lovely tanned breasts in my gooey cum.

"Mmmmmmm,
that was great!
I love you." She
said, as I moved
in to kiss her.
"Love you too."
I replied.

She sat up
and started
massaging
her own
breasts,
rubbing my
cum into
them.

"Has anything
happened
between you
and mummy?"
She asked.

*'What like
massaging
suncream into
her huge tits,
or watching
her finger
herself to an
orgasm then
lick her juices
off her fingers?'*
I thought to
myself.

"Like what?"
I asked my wife.
"I don't know,
like an argument
or something?"
She responded.
"No, not at all."
I told her.

"Oh, it's just that you two don't seem to have talked much today or anything."

"You know she's really down at the moment; she and Daddy haven't had sex for months."

"So just make
sure you're nice
to her and try
to make her
feel better."
She said.

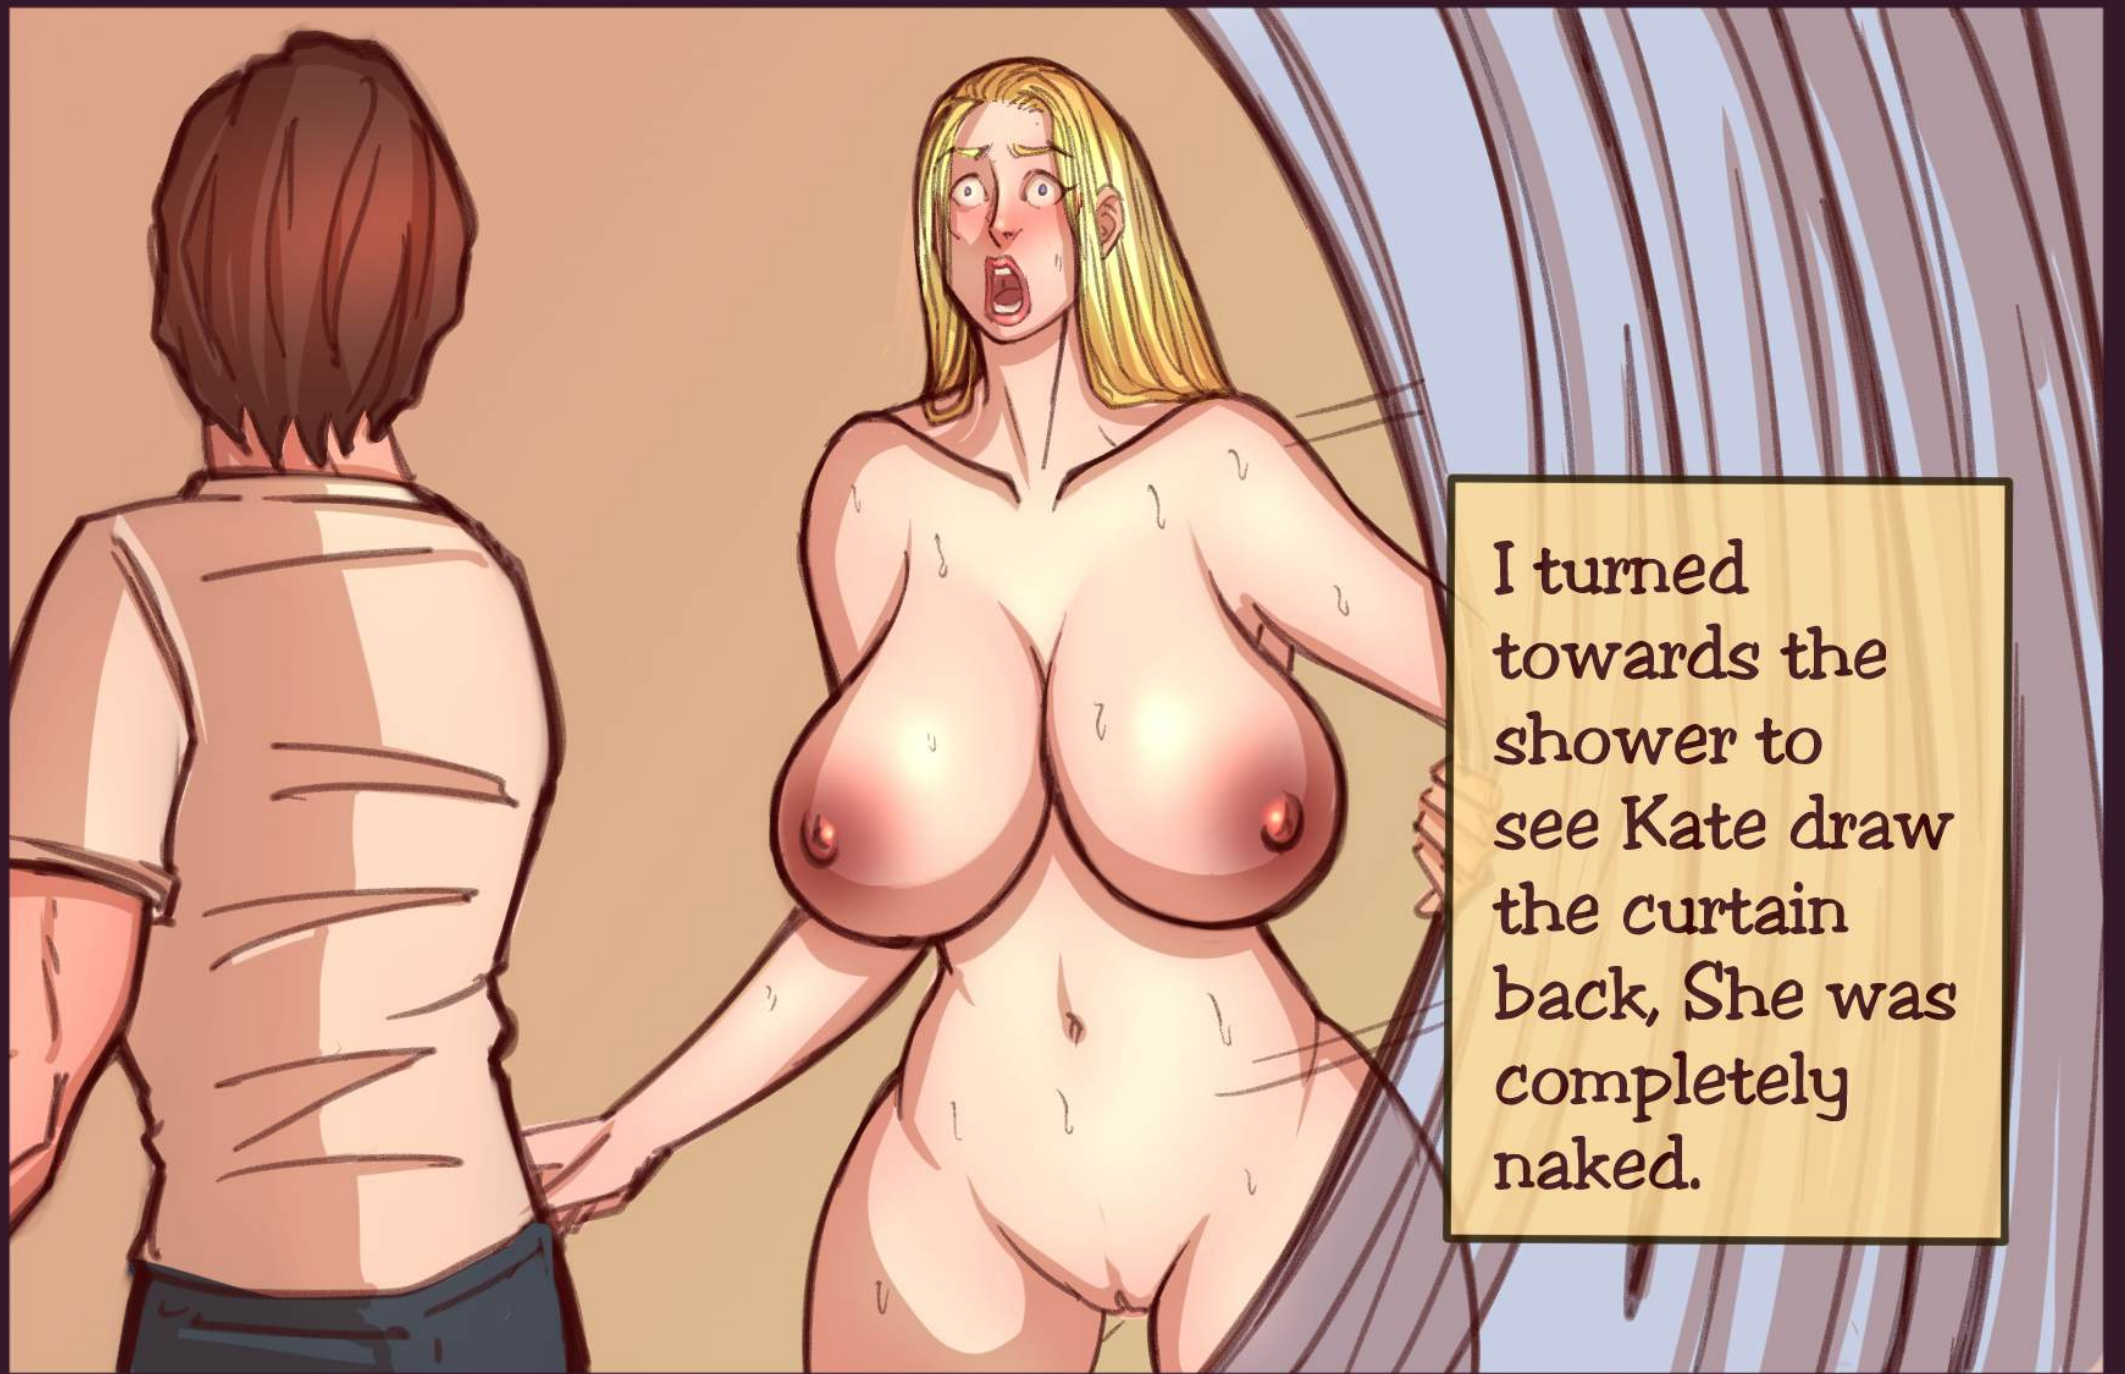

"OK, I'll try my best." I replied with a smile, before we climbed into bed and fell asleep together.

The next morning I woke up
and shuffled my way to the bathroom,
pushing the door open
and leaning against the wall
as went for a morning slash.

I flushed the toilet
and turned the hot water on
to wash my hands.
"Aaaaaaaahhhhhh,
cooooooooooolllllllddddddd."
Someone screamed.

I turned towards the shower to see Kate draw the curtain back, She was completely naked.

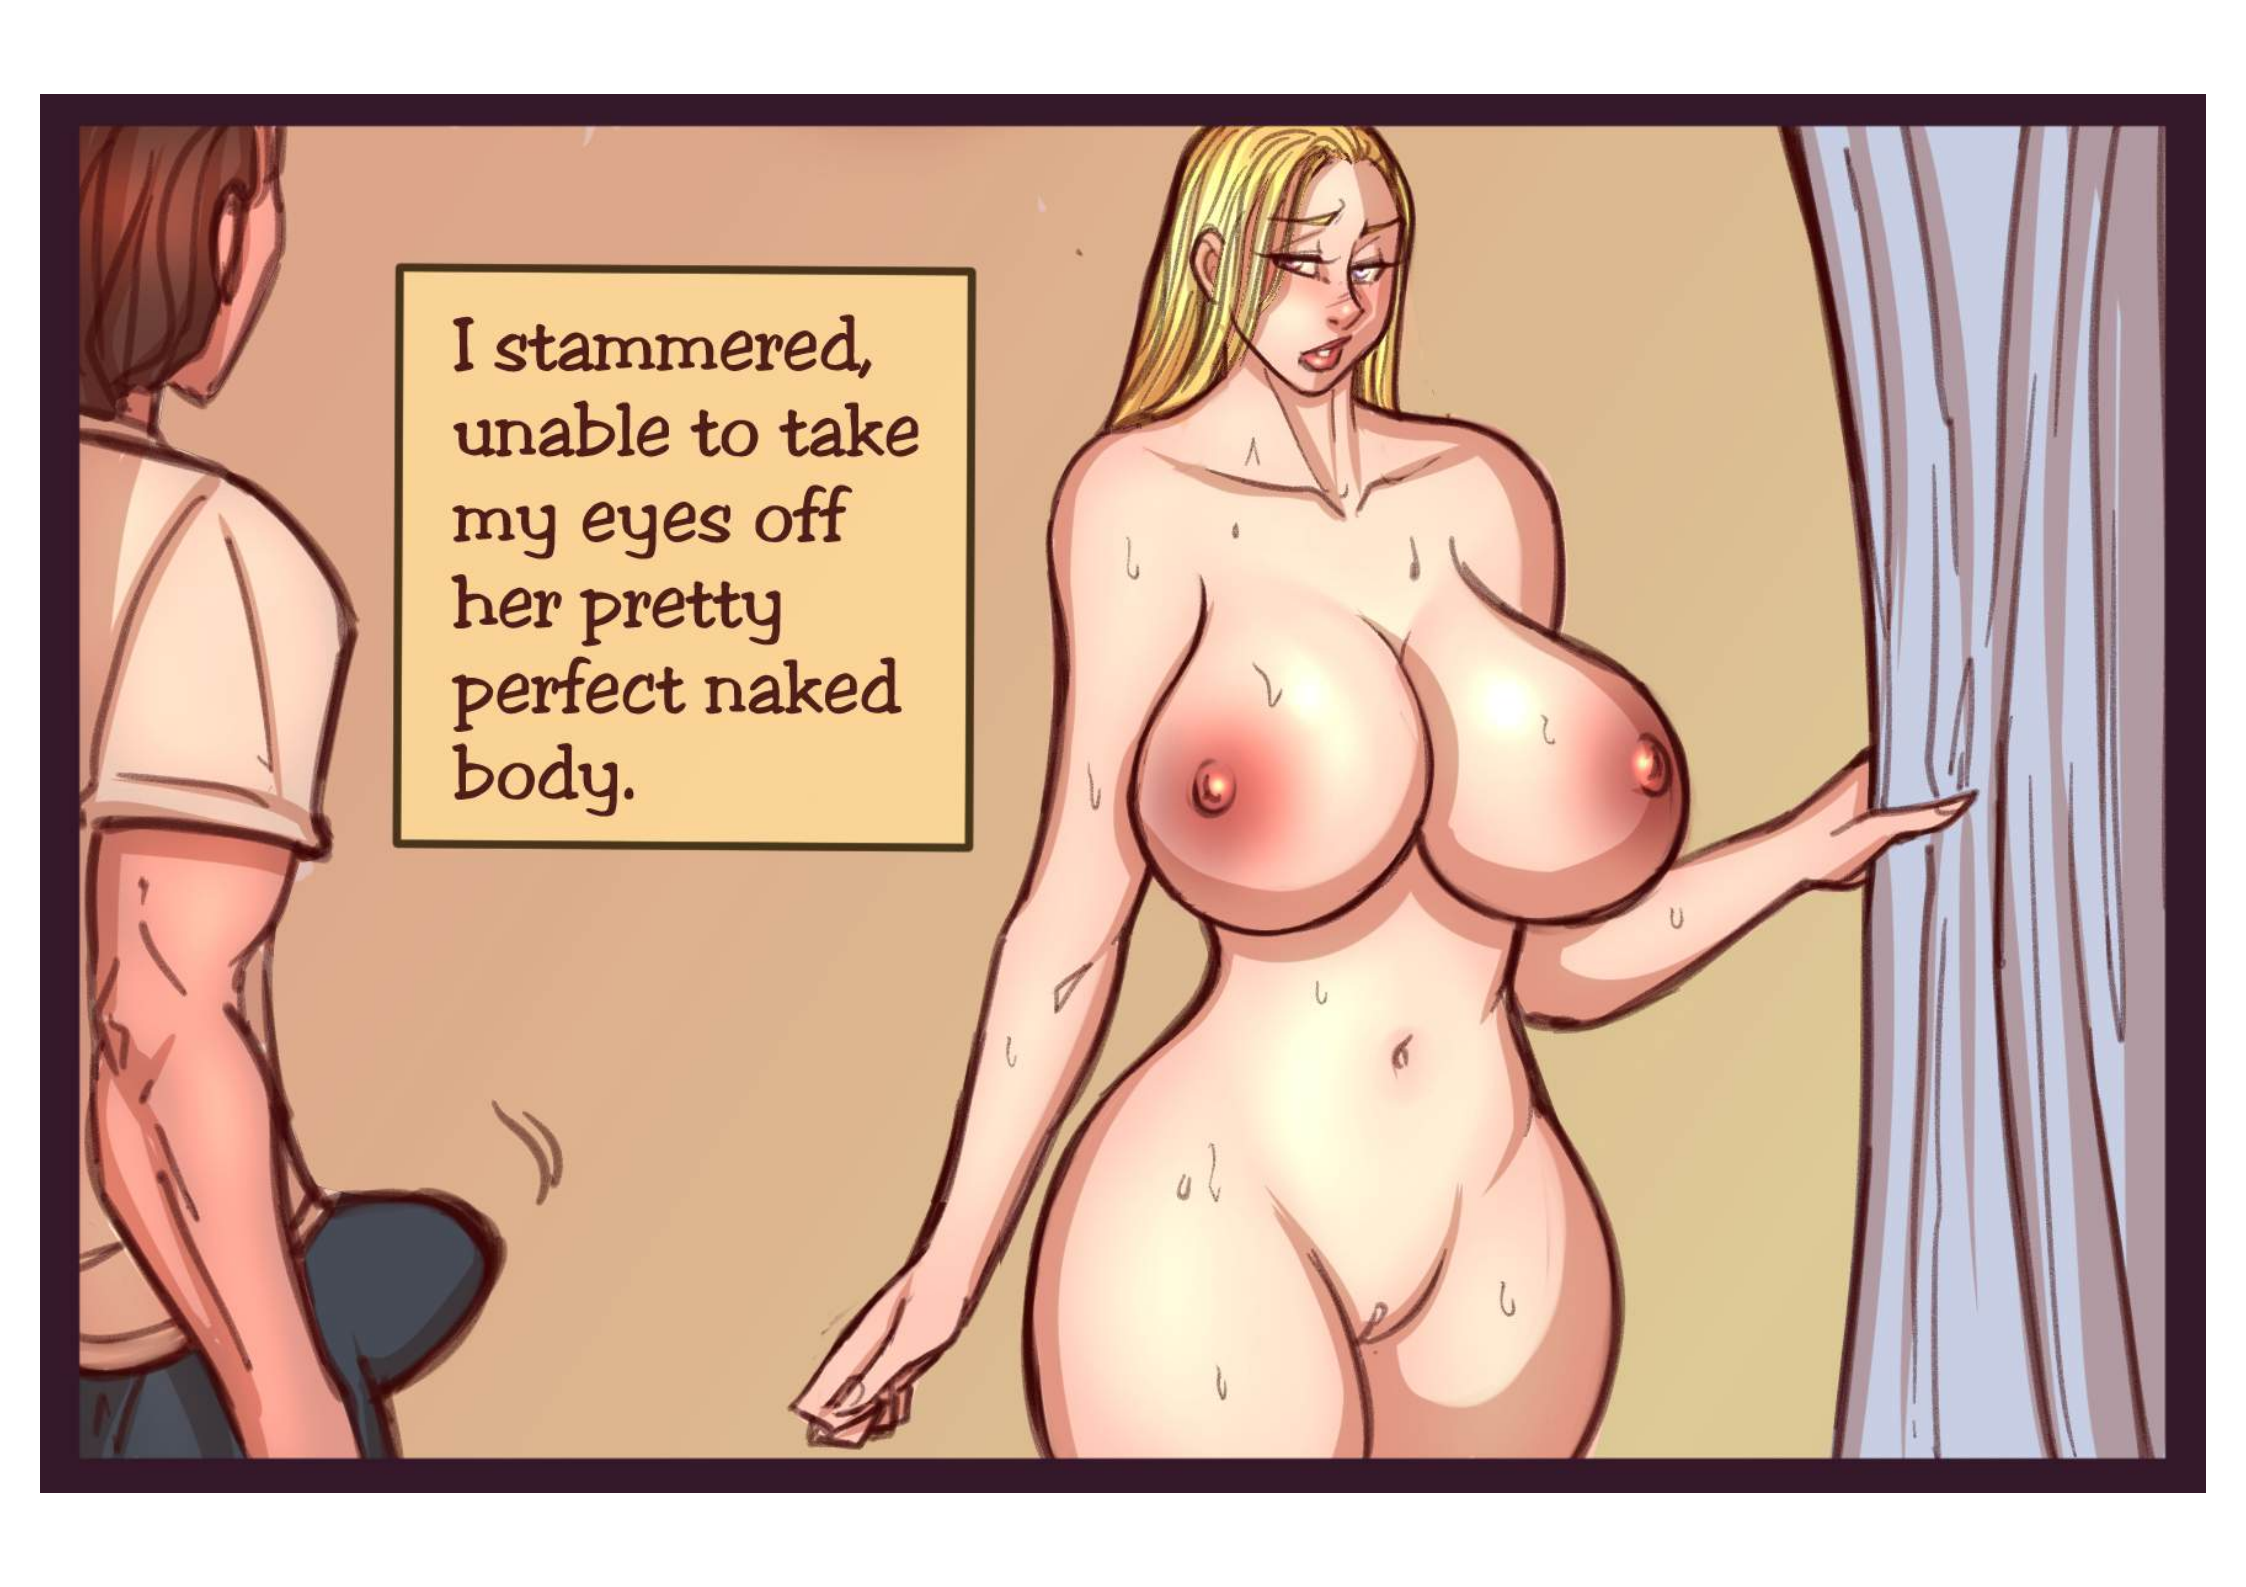

Her pencil eraser nipples stood out like bullets from her large breasts.

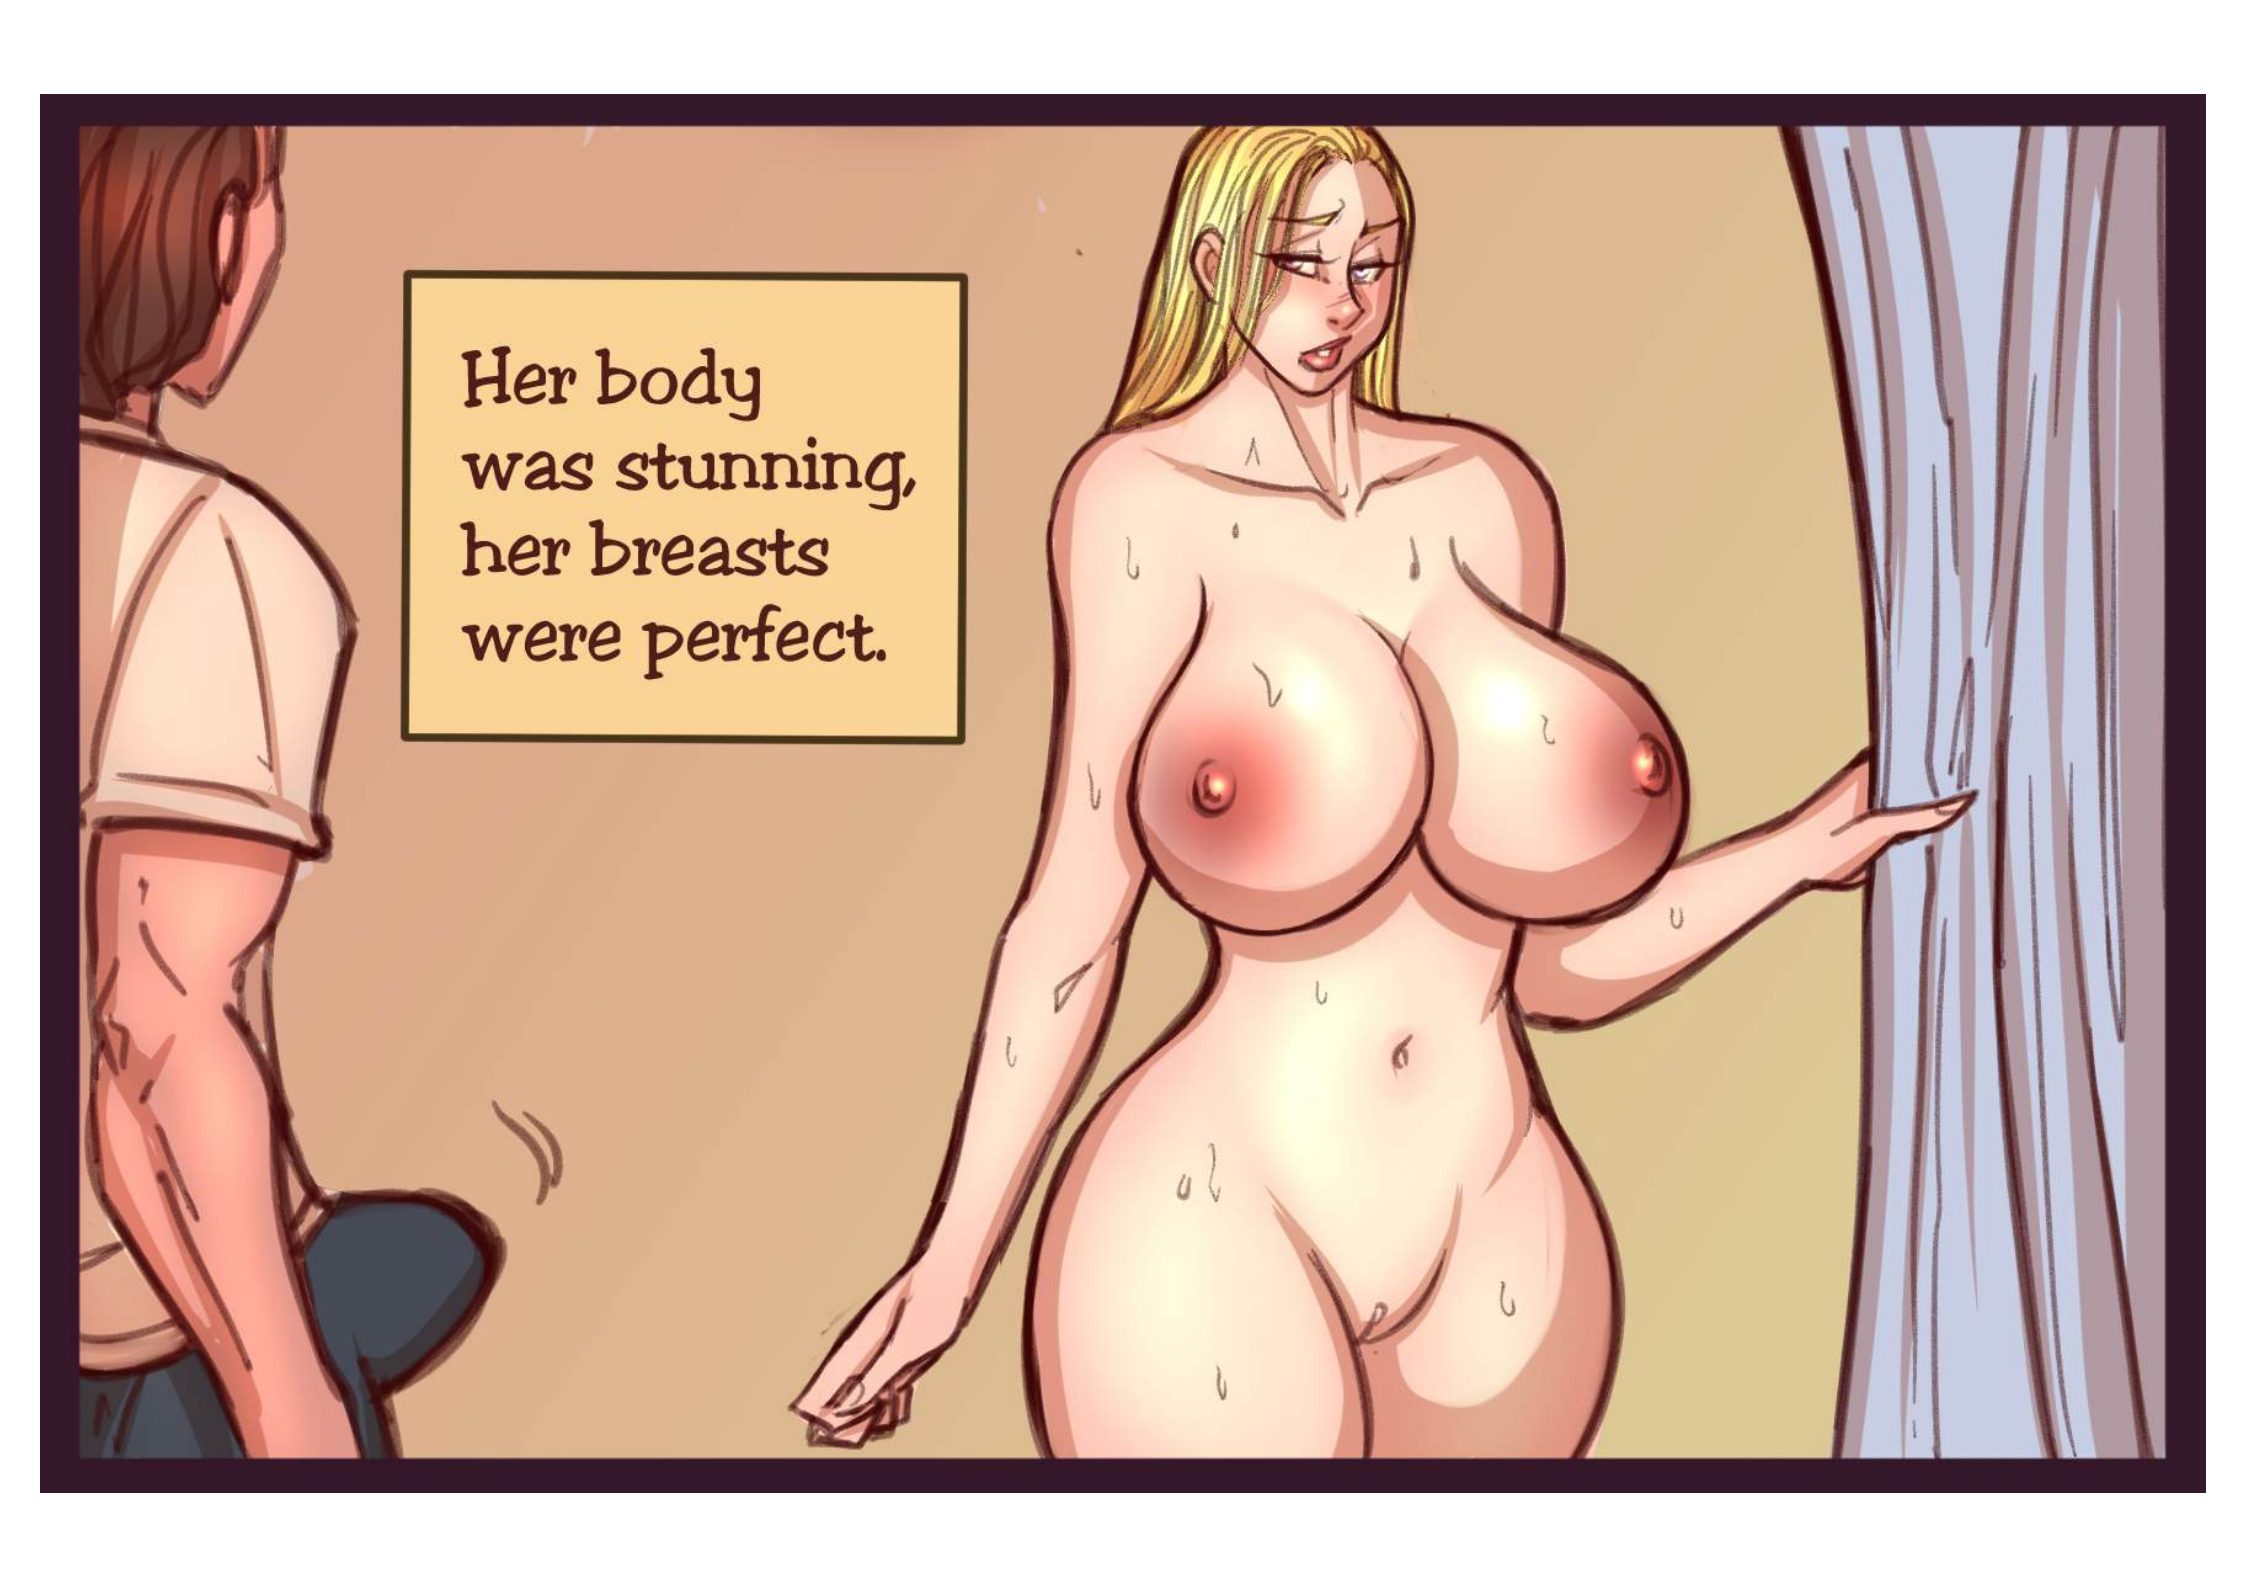

I could see that she was completely clean shaven!

"Shit, I'm so sorry, I didn't realise anyone was in the shower."

A comic book panel with a dark brown border. On the left, a man with brown hair, wearing a white t-shirt and blue pants, is shown from the back, looking towards the right. On the right, a woman with long blonde hair is shown from the front, standing nude. She has very large, prominent breasts and is looking slightly to her left with a neutral expression. Her right hand is resting on a blue curtain. The background is a plain, light brown wall. A yellow rectangular text box is positioned in the upper left quadrant of the panel.

I stammered,
unable to take
my eyes off
her pretty
perfect naked
body.

Her body
was stunning,
her breasts
were perfect.

"Could you pass me my towel on your way out?"
She replied,
pouting at me.

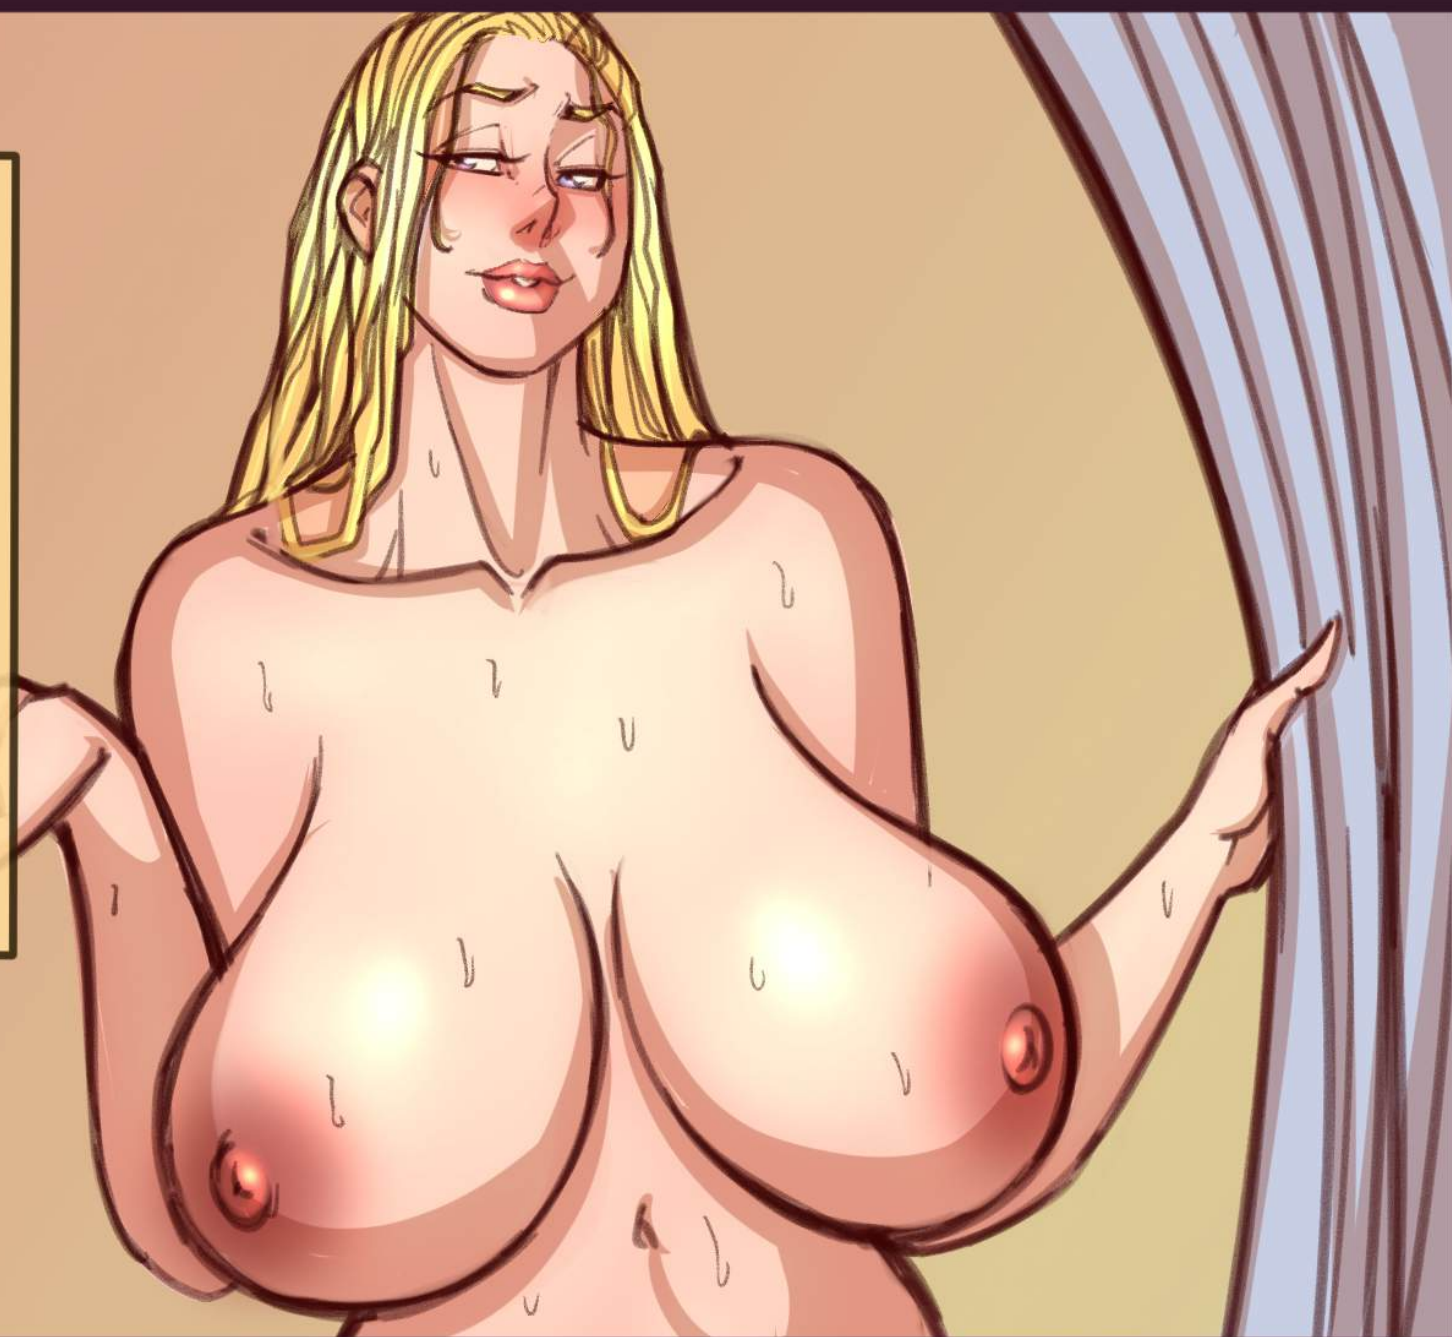

She smiled as I handed her the towel, although she didn't seem in any rush to wrap it round herself and hide her body from me.

*'Lucky I pissed
before that
happened.'*

I thought as I
walked out of
the bathroom,
rearranging
my hard cock.
