CHAPTER 06

On the Monday I got up late
after staying up late the previous night
sharing a bottle of wine
with my wife.

I got up and shuffled to the toilet,
before making my way to the kitchen
to grab a glass of orange juice.

I made my way outside to the pool area to find Annette sunbathing topless as usual.

"Morning." I greeted her chirpily.

"Good morning." She replied.

"You've just missed everyone else, they've all gone shopping for this week's food."

"Oh right." I replied.

"I don't suppose
you'd mind putting
some sunscreen on
me would you?"
My mother-in-law
asked with a hopeful
smile.

"Of course I will."
I replied, smiling
back.

Annette sat up on the sunlounger and I climbed on behind her, grabbing the sunscreen on my way.

I squirted some sunscreen onto my hands before rubbing it all over her back, making sure it was completely covered.

"Could you
do my front
now?"
She asked.

I rubbed the cream into her stomach first, before slowly moving my hands up her body until they were grazing the underside of her breasts.

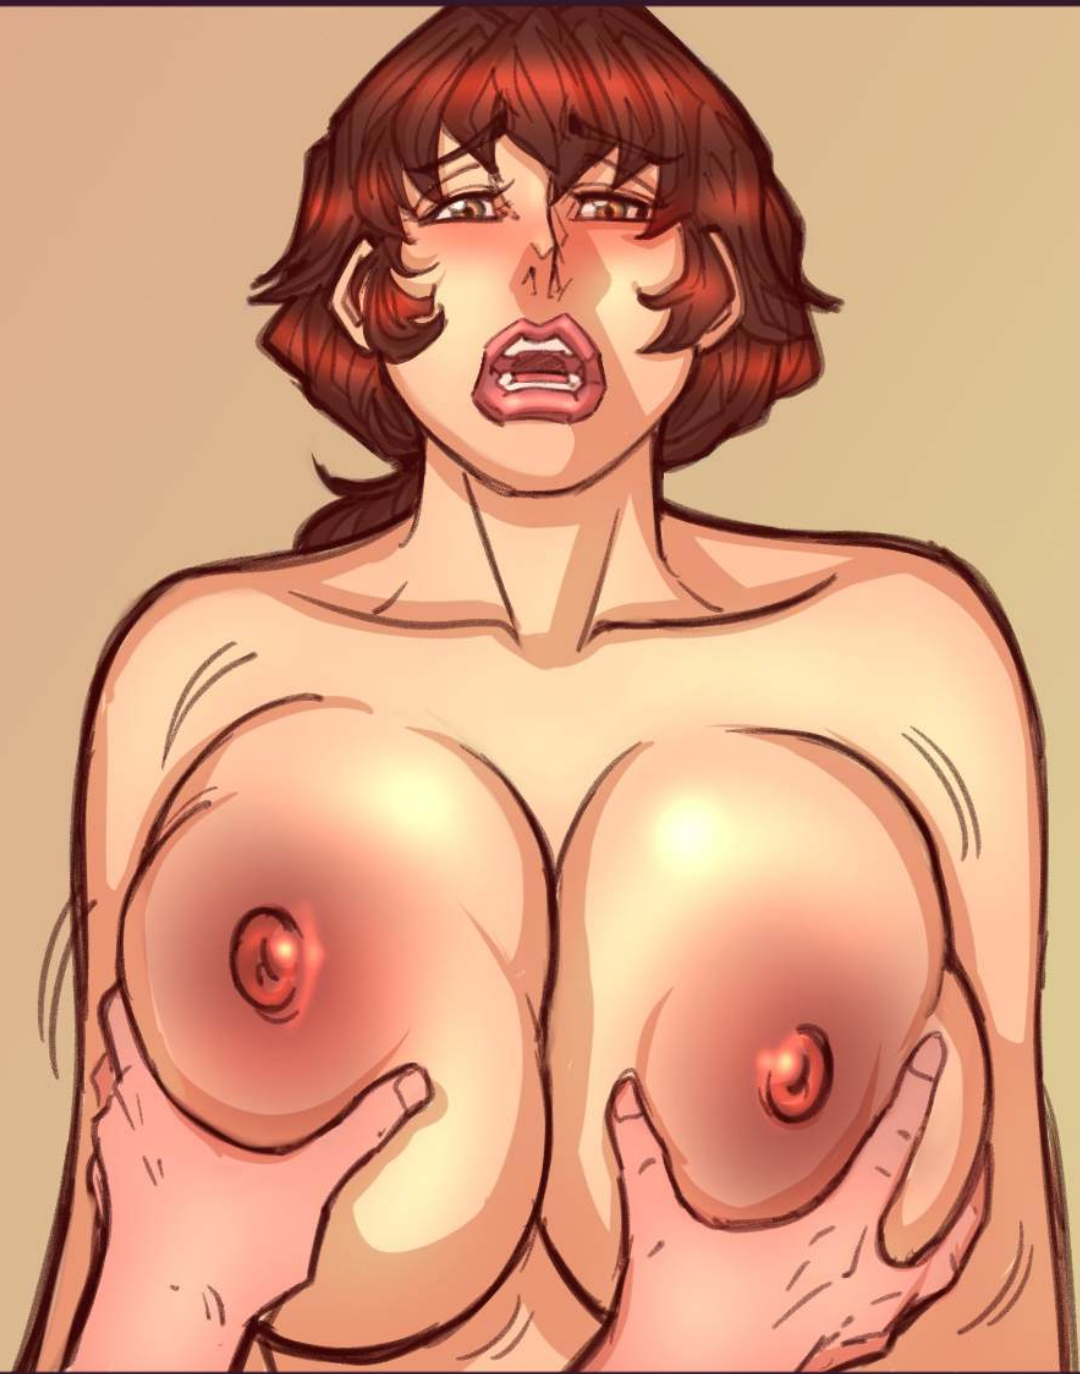

I rubbed the cream into her stomach first, before slowly moving my hands up her body until they were grazing the underside of her breasts.

My mother-in-law
looked up at me
expectantly as I
squirted yet more
suncream onto my
hands.

She didn't take
her eyes off me
as I brought my
hands down.

Then, the cool
suncream just
touched the top
of her nipples,
causing them
to harden.

I smiled at her
before bringing
my hands down
onto her breasts.

I massaged
the sunscreen
into Annette's
breasts,
kneading the
soft flesh in
my hands.

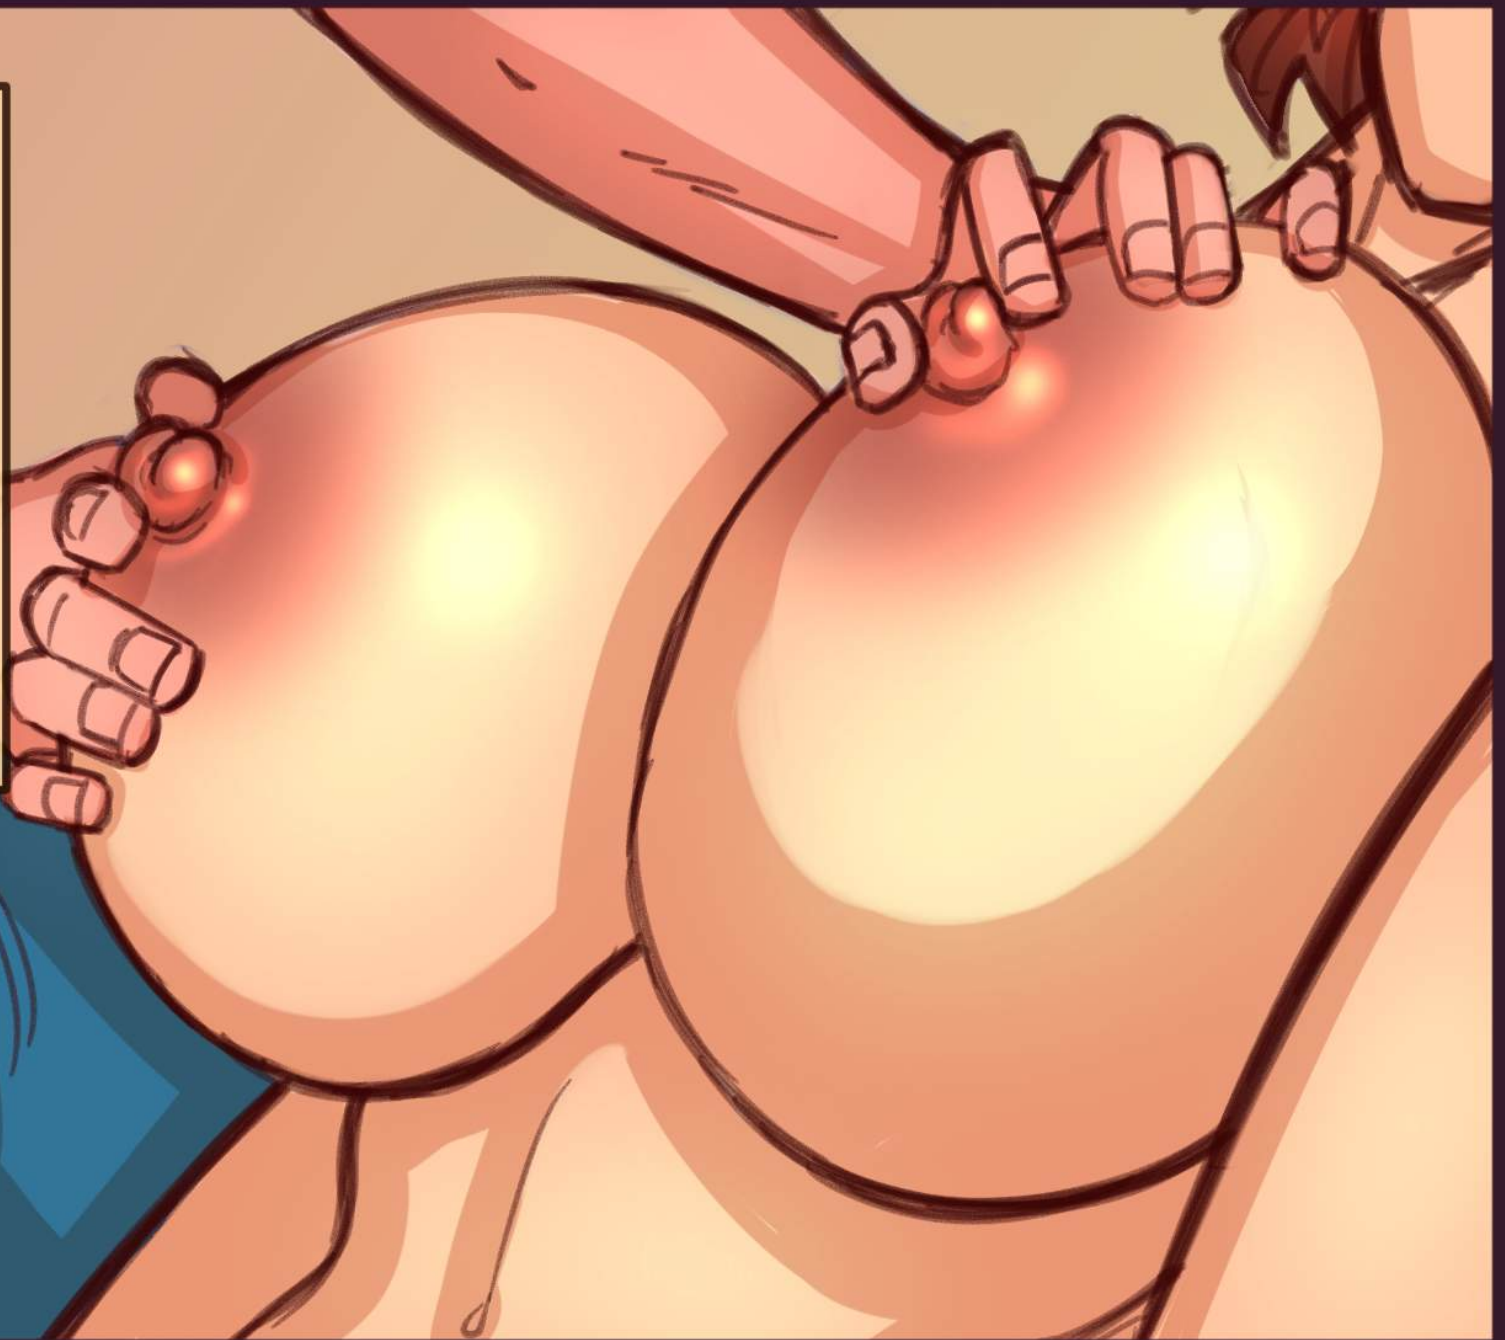

My cock
quickly grew
in my shorts.

I took my
mother-in-law's
nipples between
my fingers.

I was gently
tweaking
them before
going back
to massaging
her breasts
in my hands.

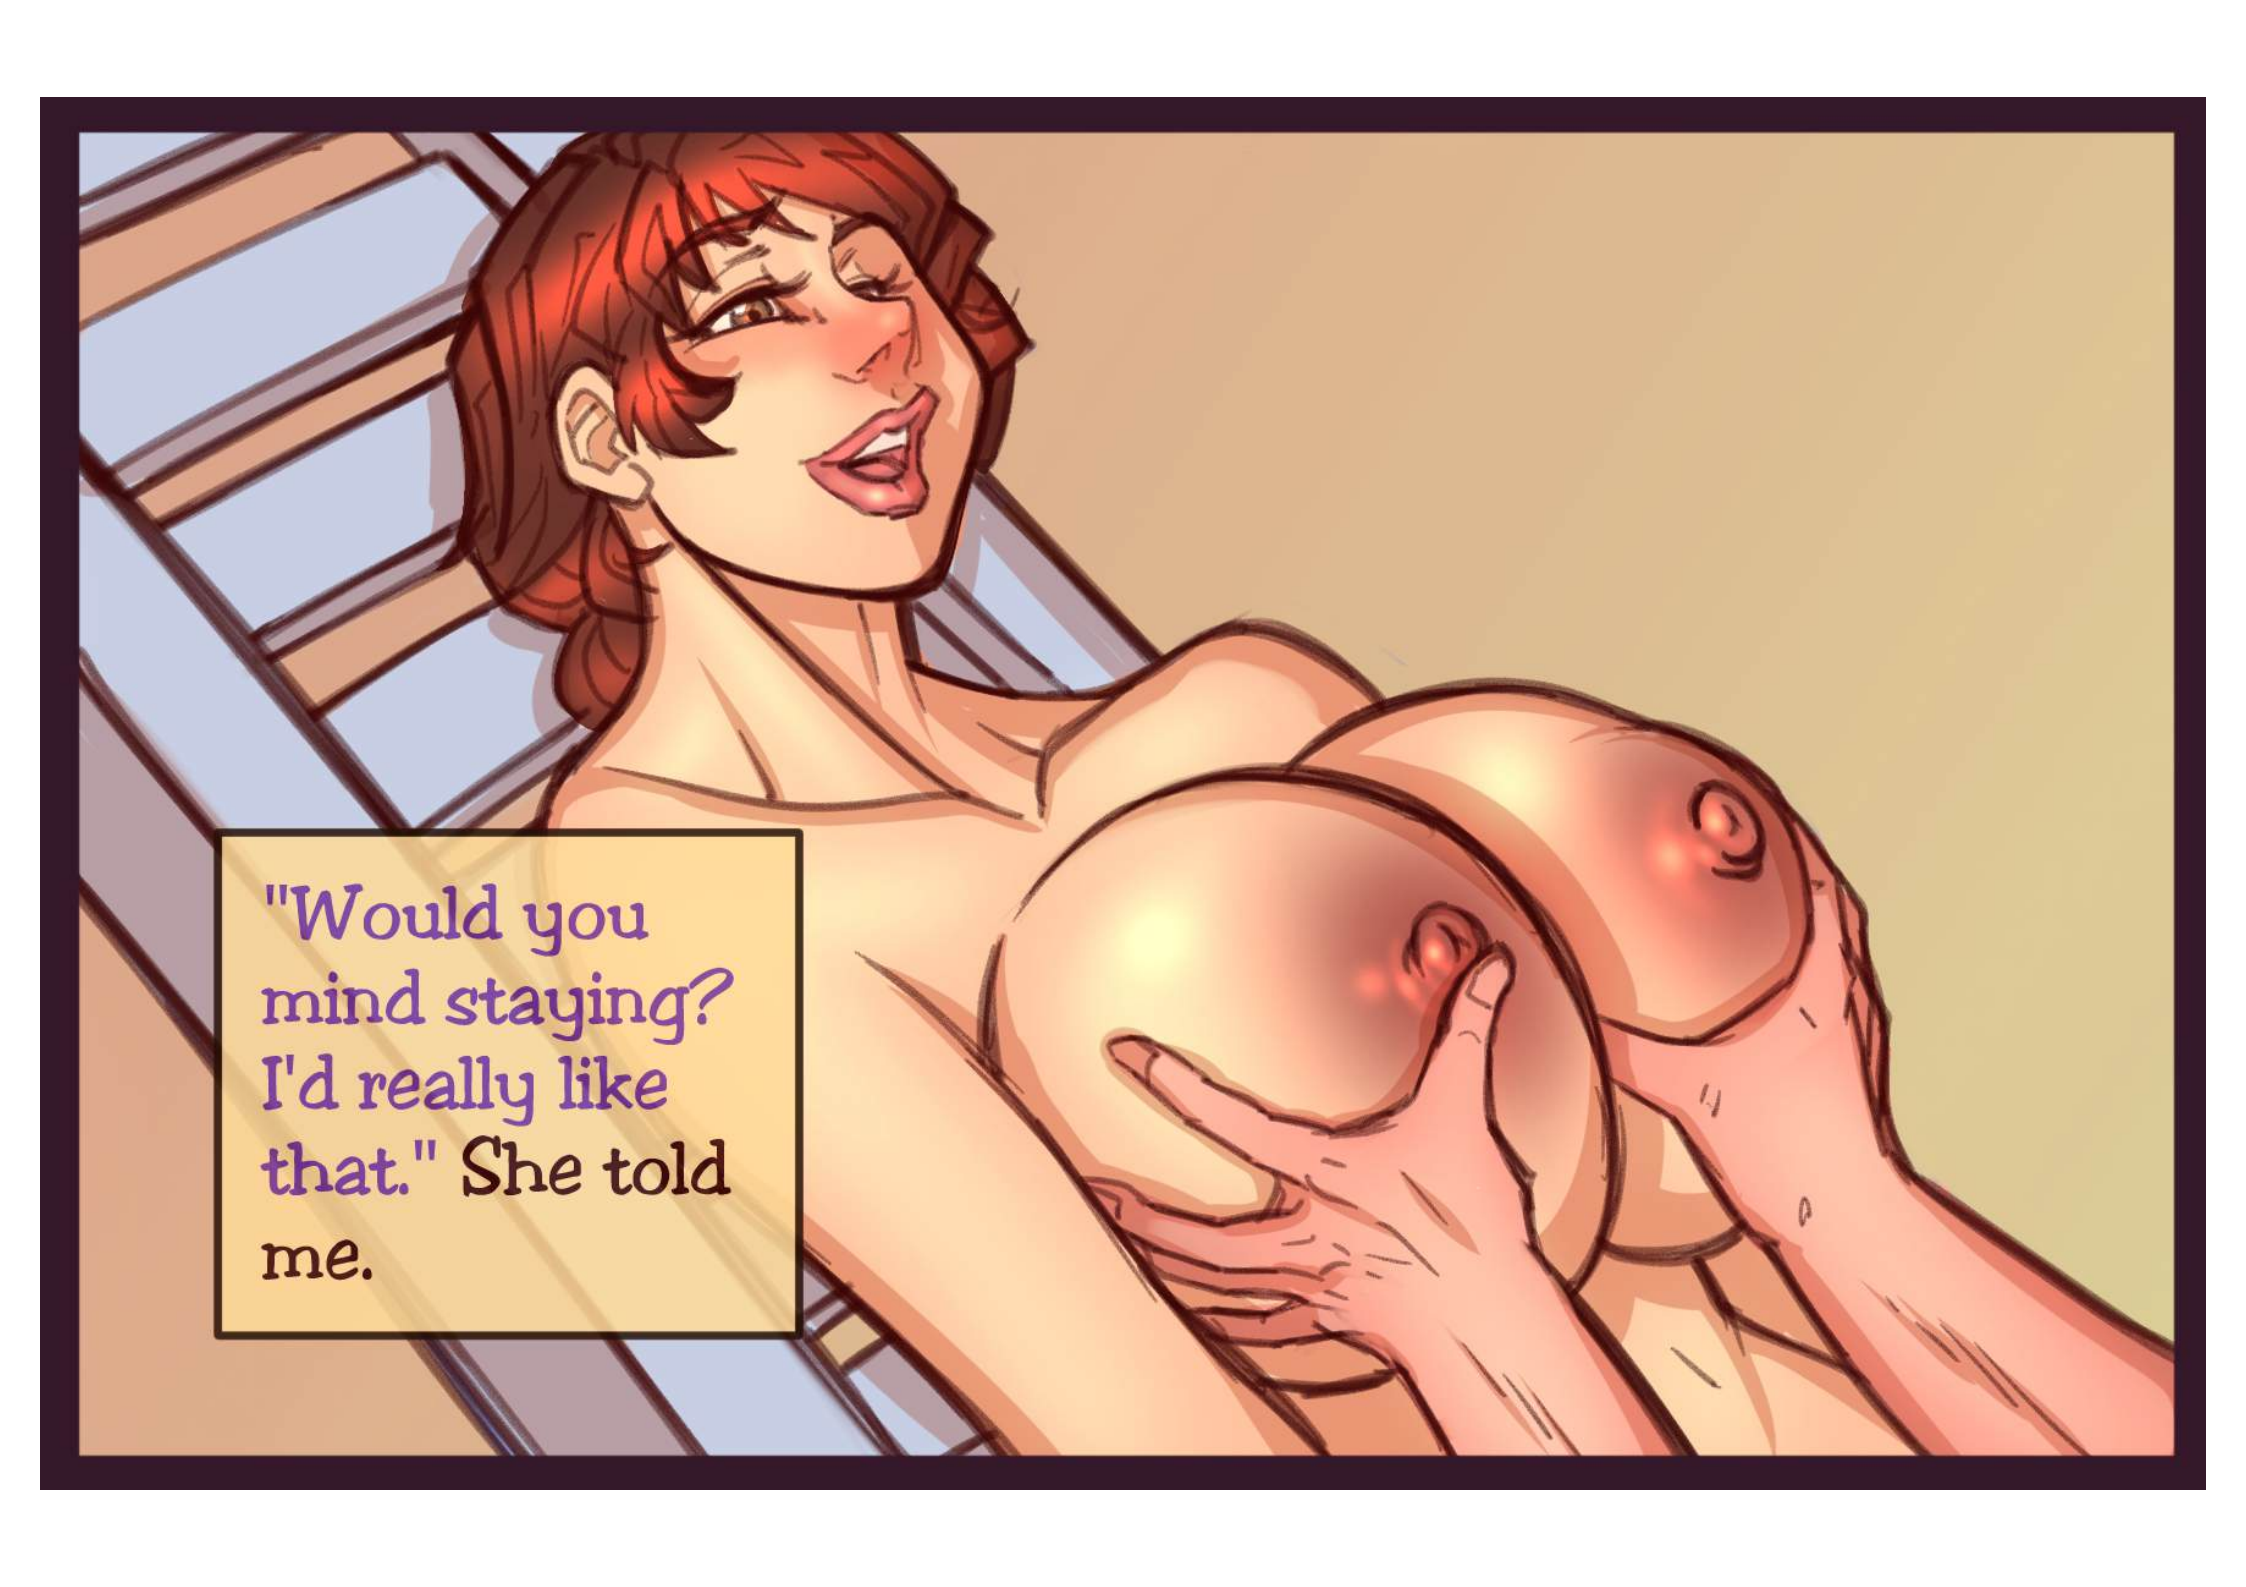

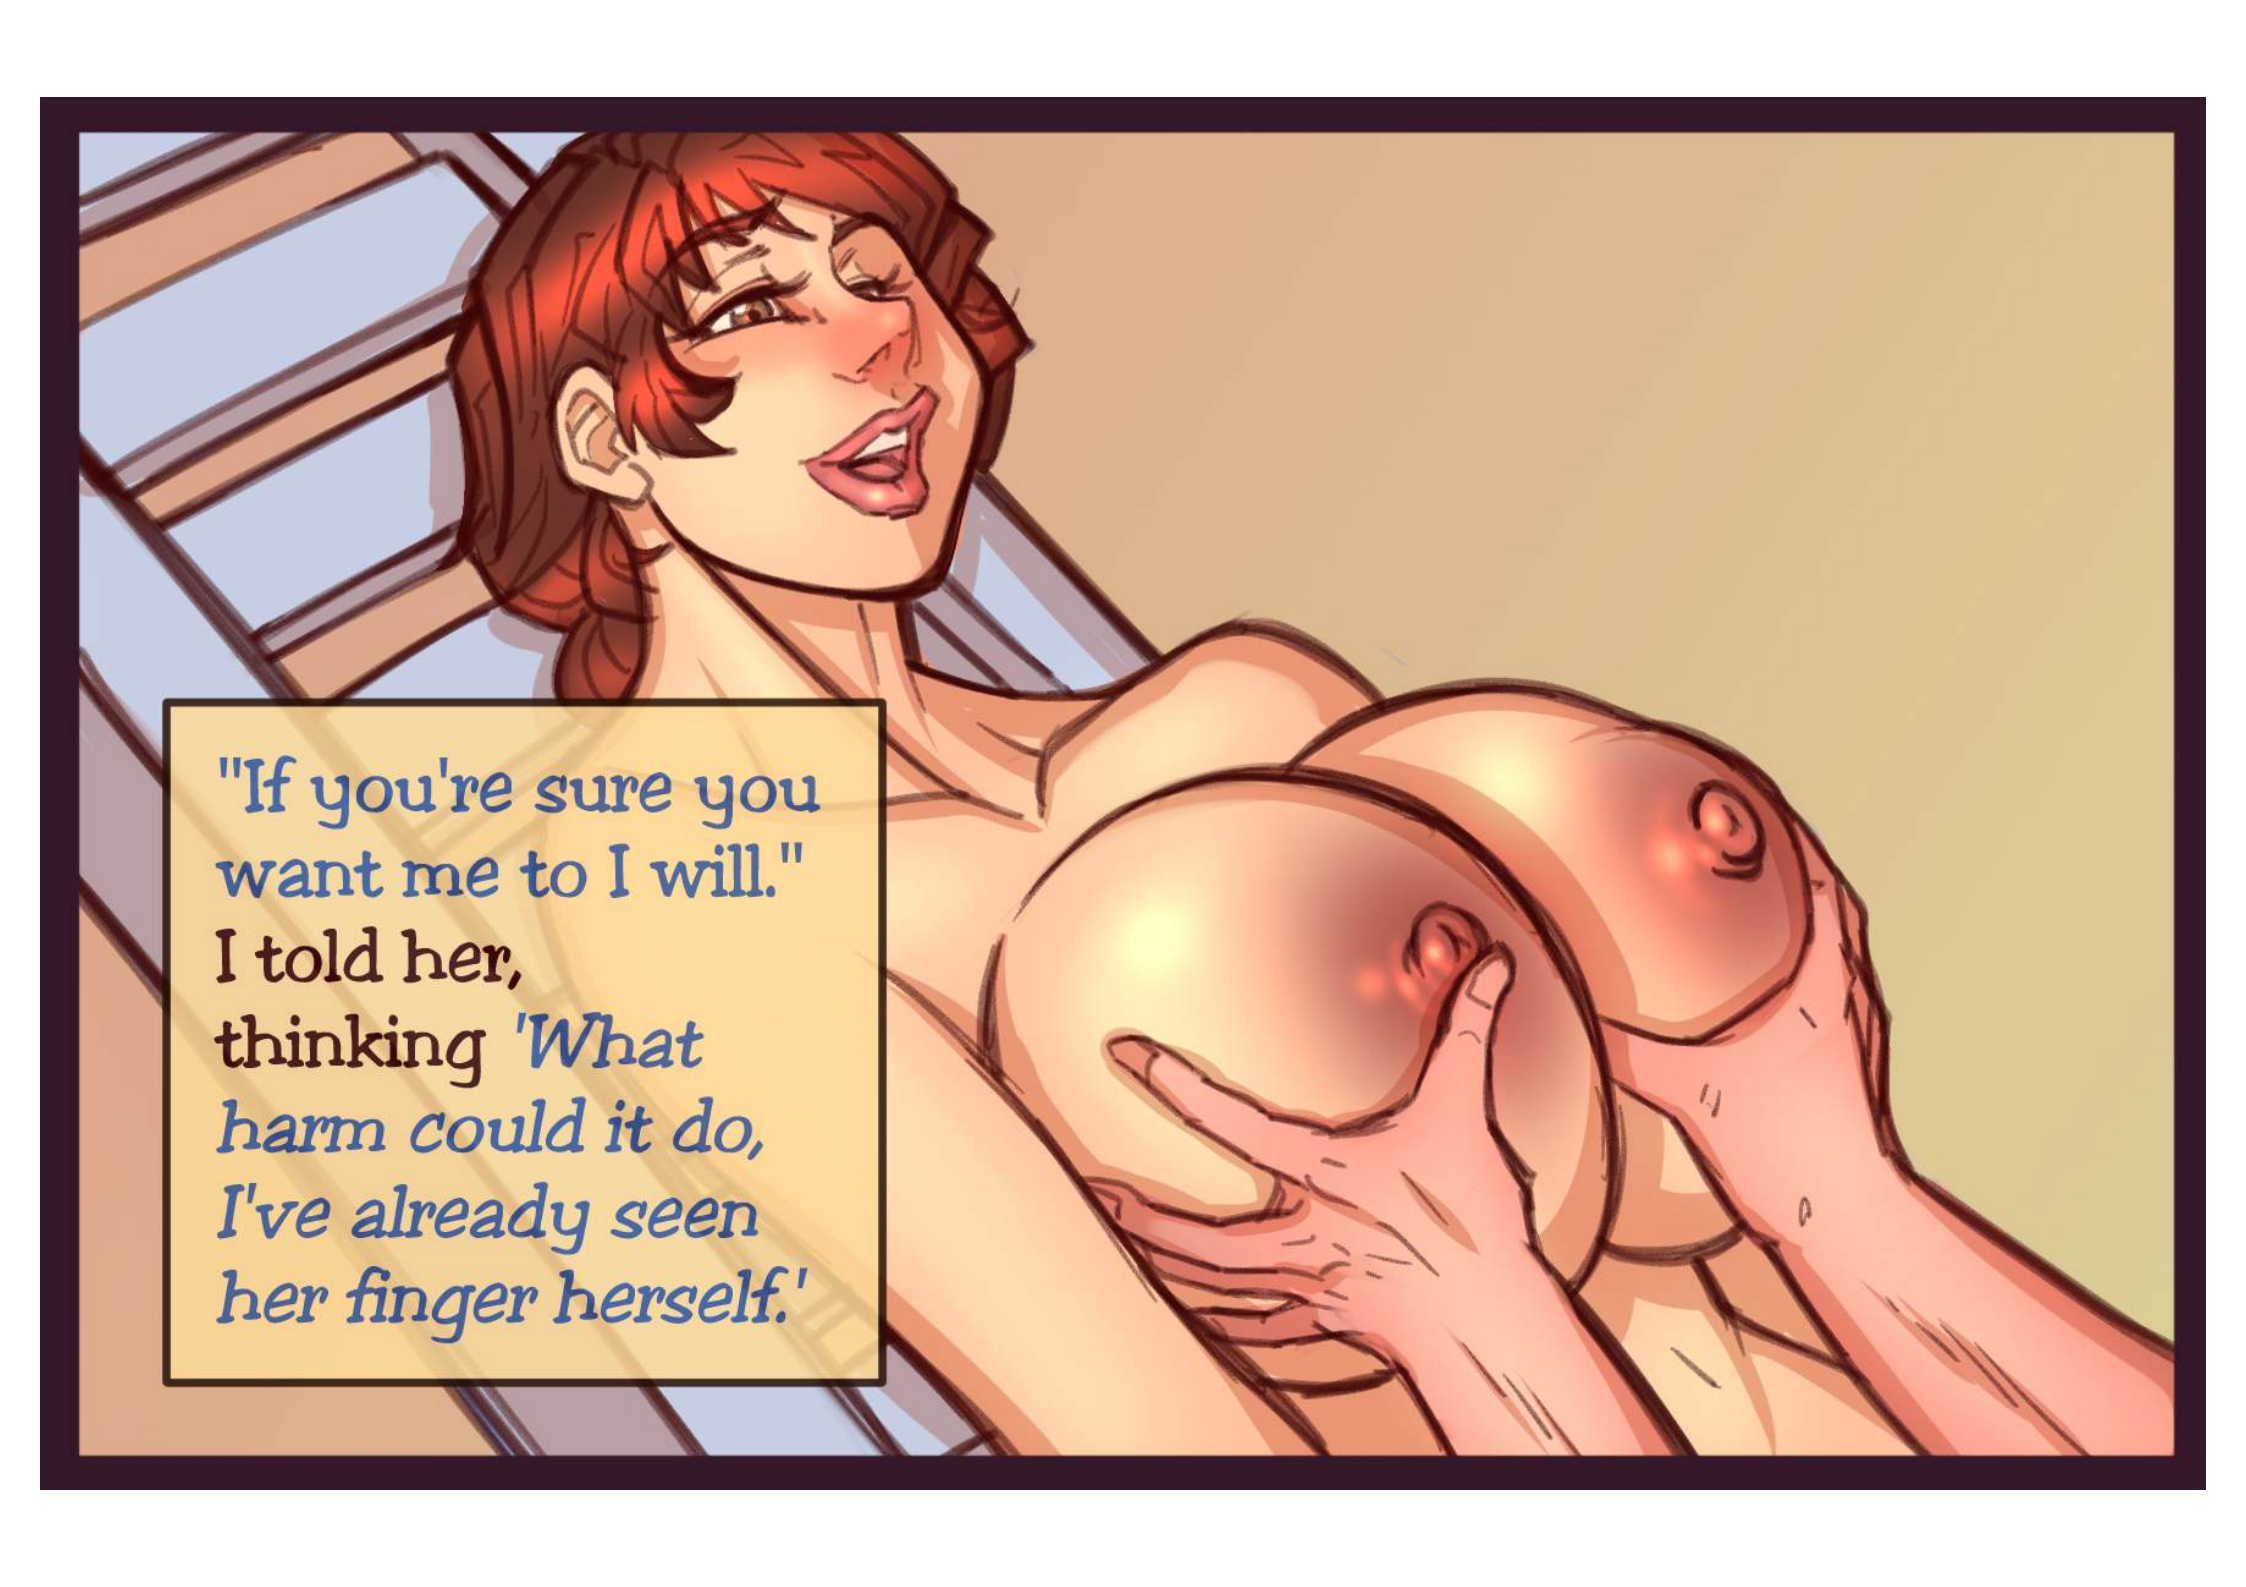

"Wow, you've
got me so
horny Steve!"
Her voice
sounding
slightly
excited.

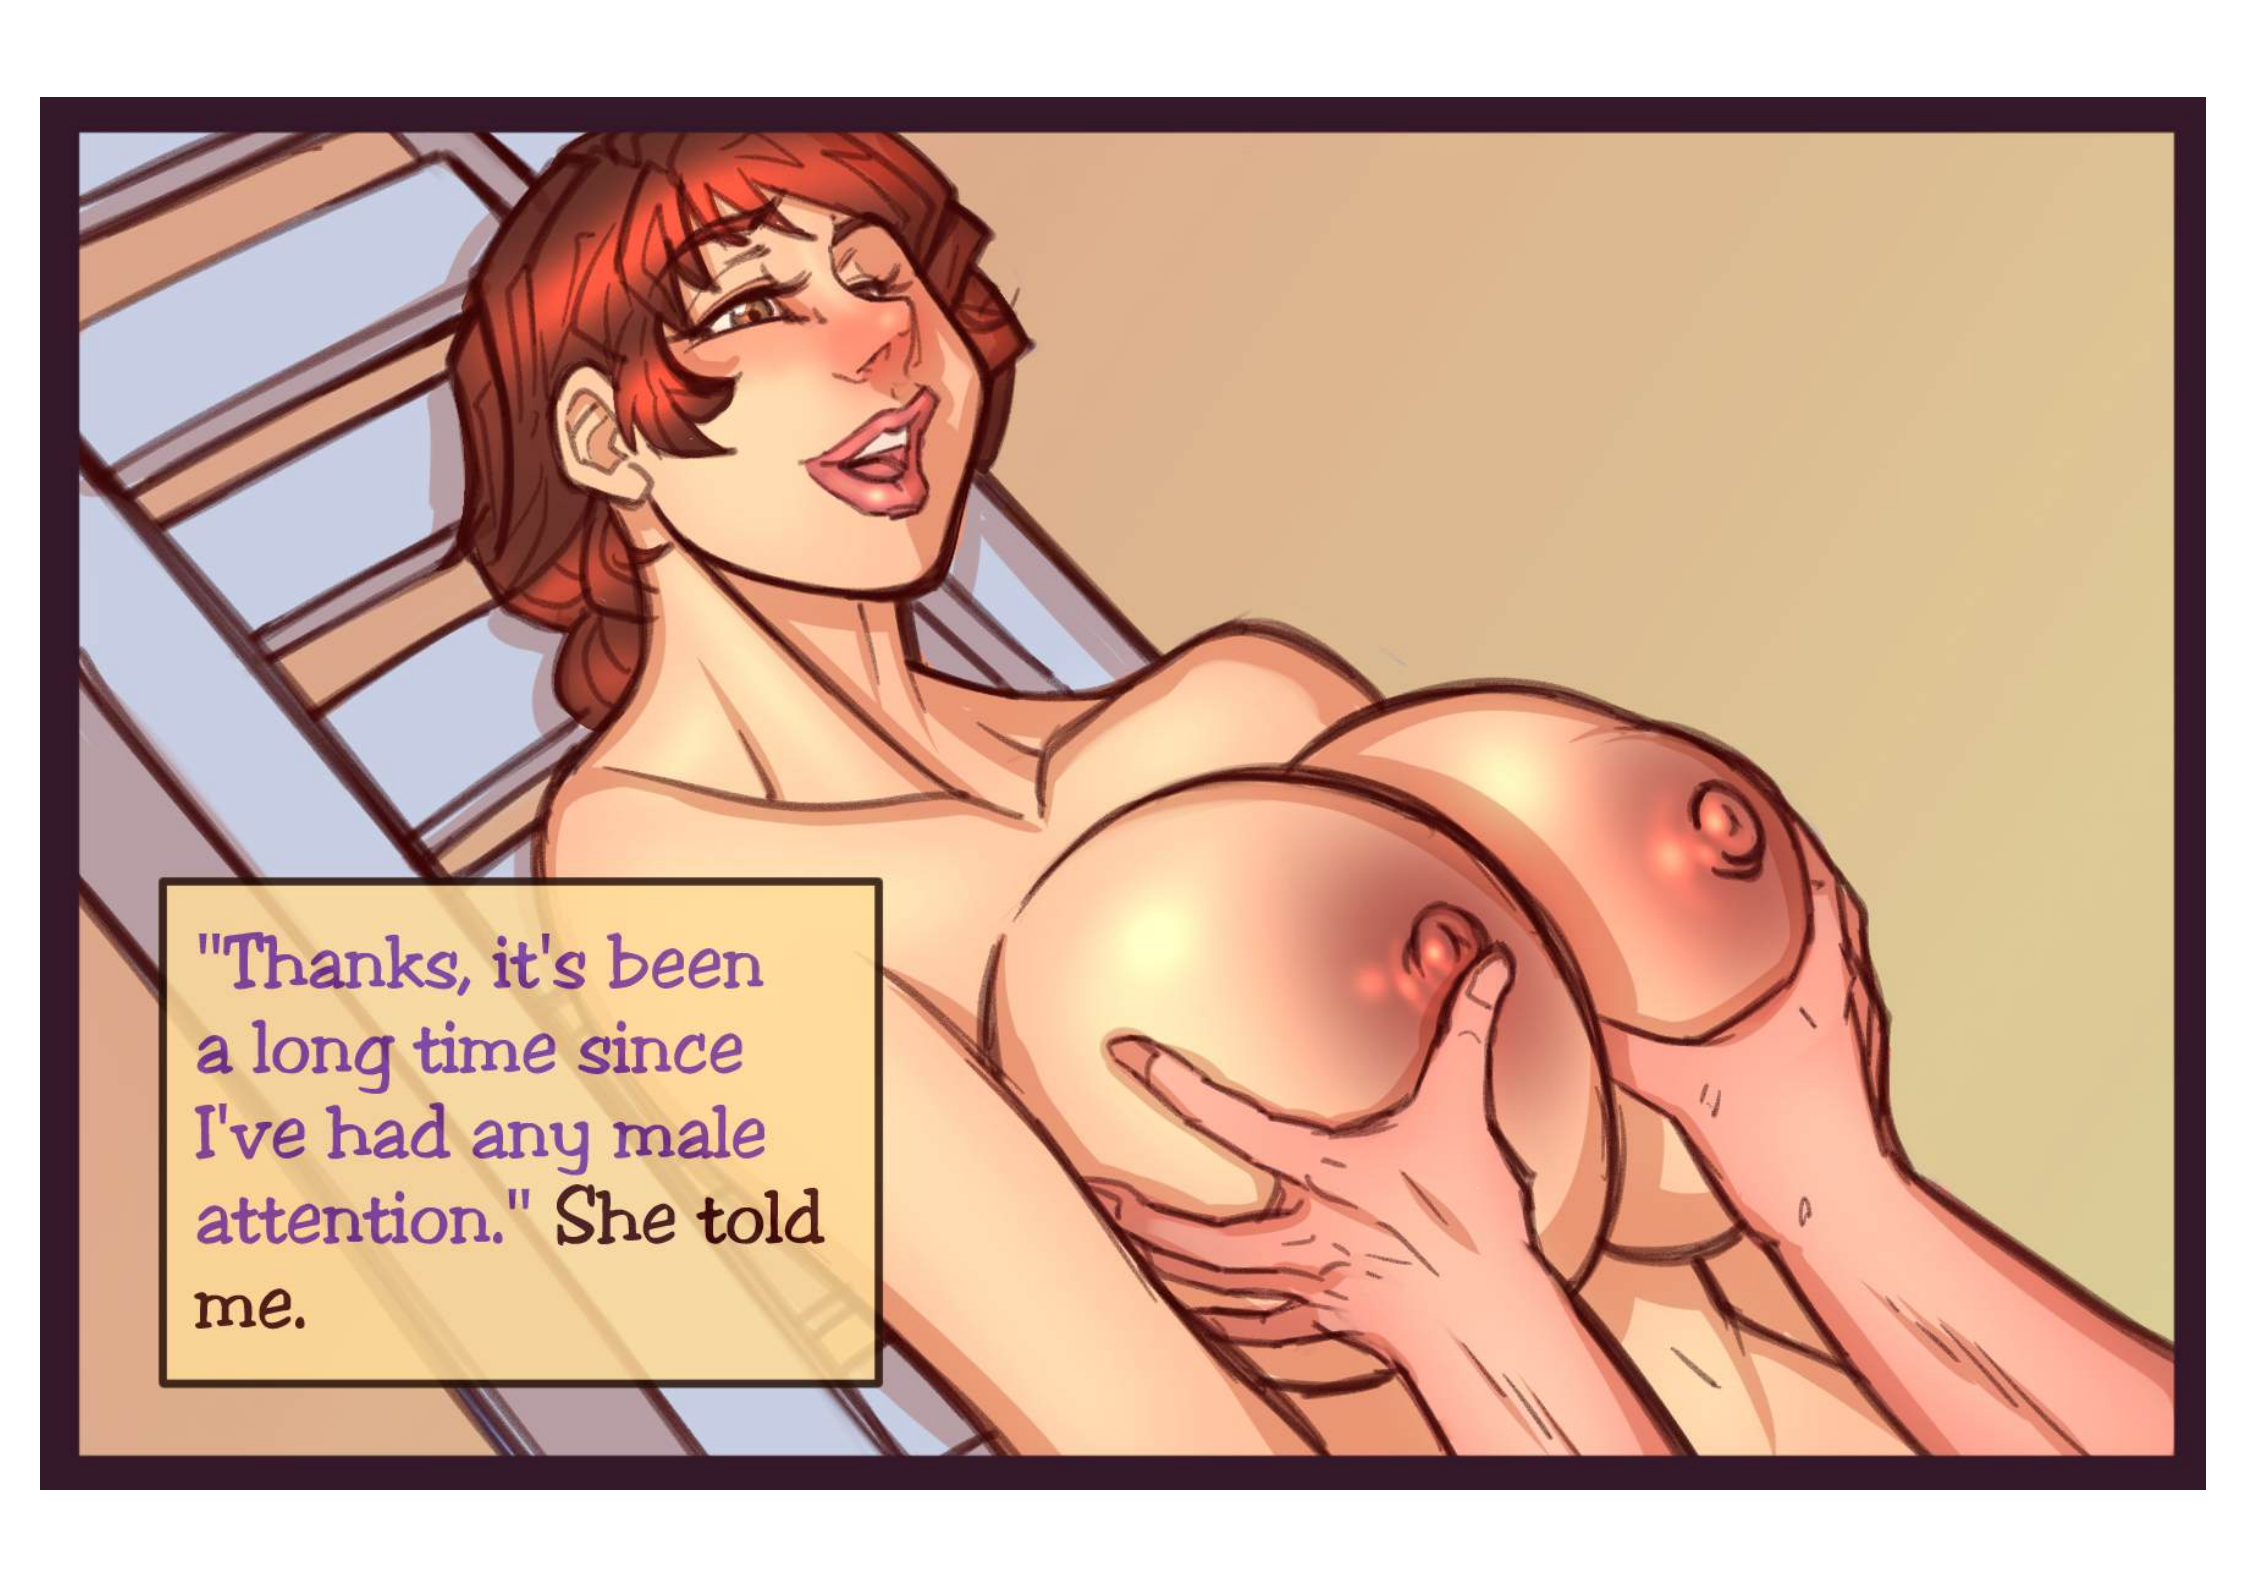

"Should I give you
some time to
yourself?" I asked,
still fondling her
breasts.

A woman with short, wavy red hair is sitting on a wooden chair. She is looking towards the right with a slight smile. She is holding a large, glowing, spherical object in her hands. The object has a bright yellow glow and a dark, swirling pattern on its surface. The background is a simple, light-colored wall.

"Would you mind staying? I'd really like that." She told me.

"If you're sure you want me to I will."
I told her,
thinking *'What harm could it do, I've already seen her finger herself.'*

"Thanks, it's been a long time since I've had any male attention." She told me.

A woman with red hair is sitting on a wooden chair. She is looking towards the right with a slight smile. She is holding her breasts with both hands. The background is a simple, light-colored wall. The overall style is that of a comic book illustration.

"What would
you like me to
do?"

"Could you remove my bikini bottoms
for me?"
