# CHAPTER 07

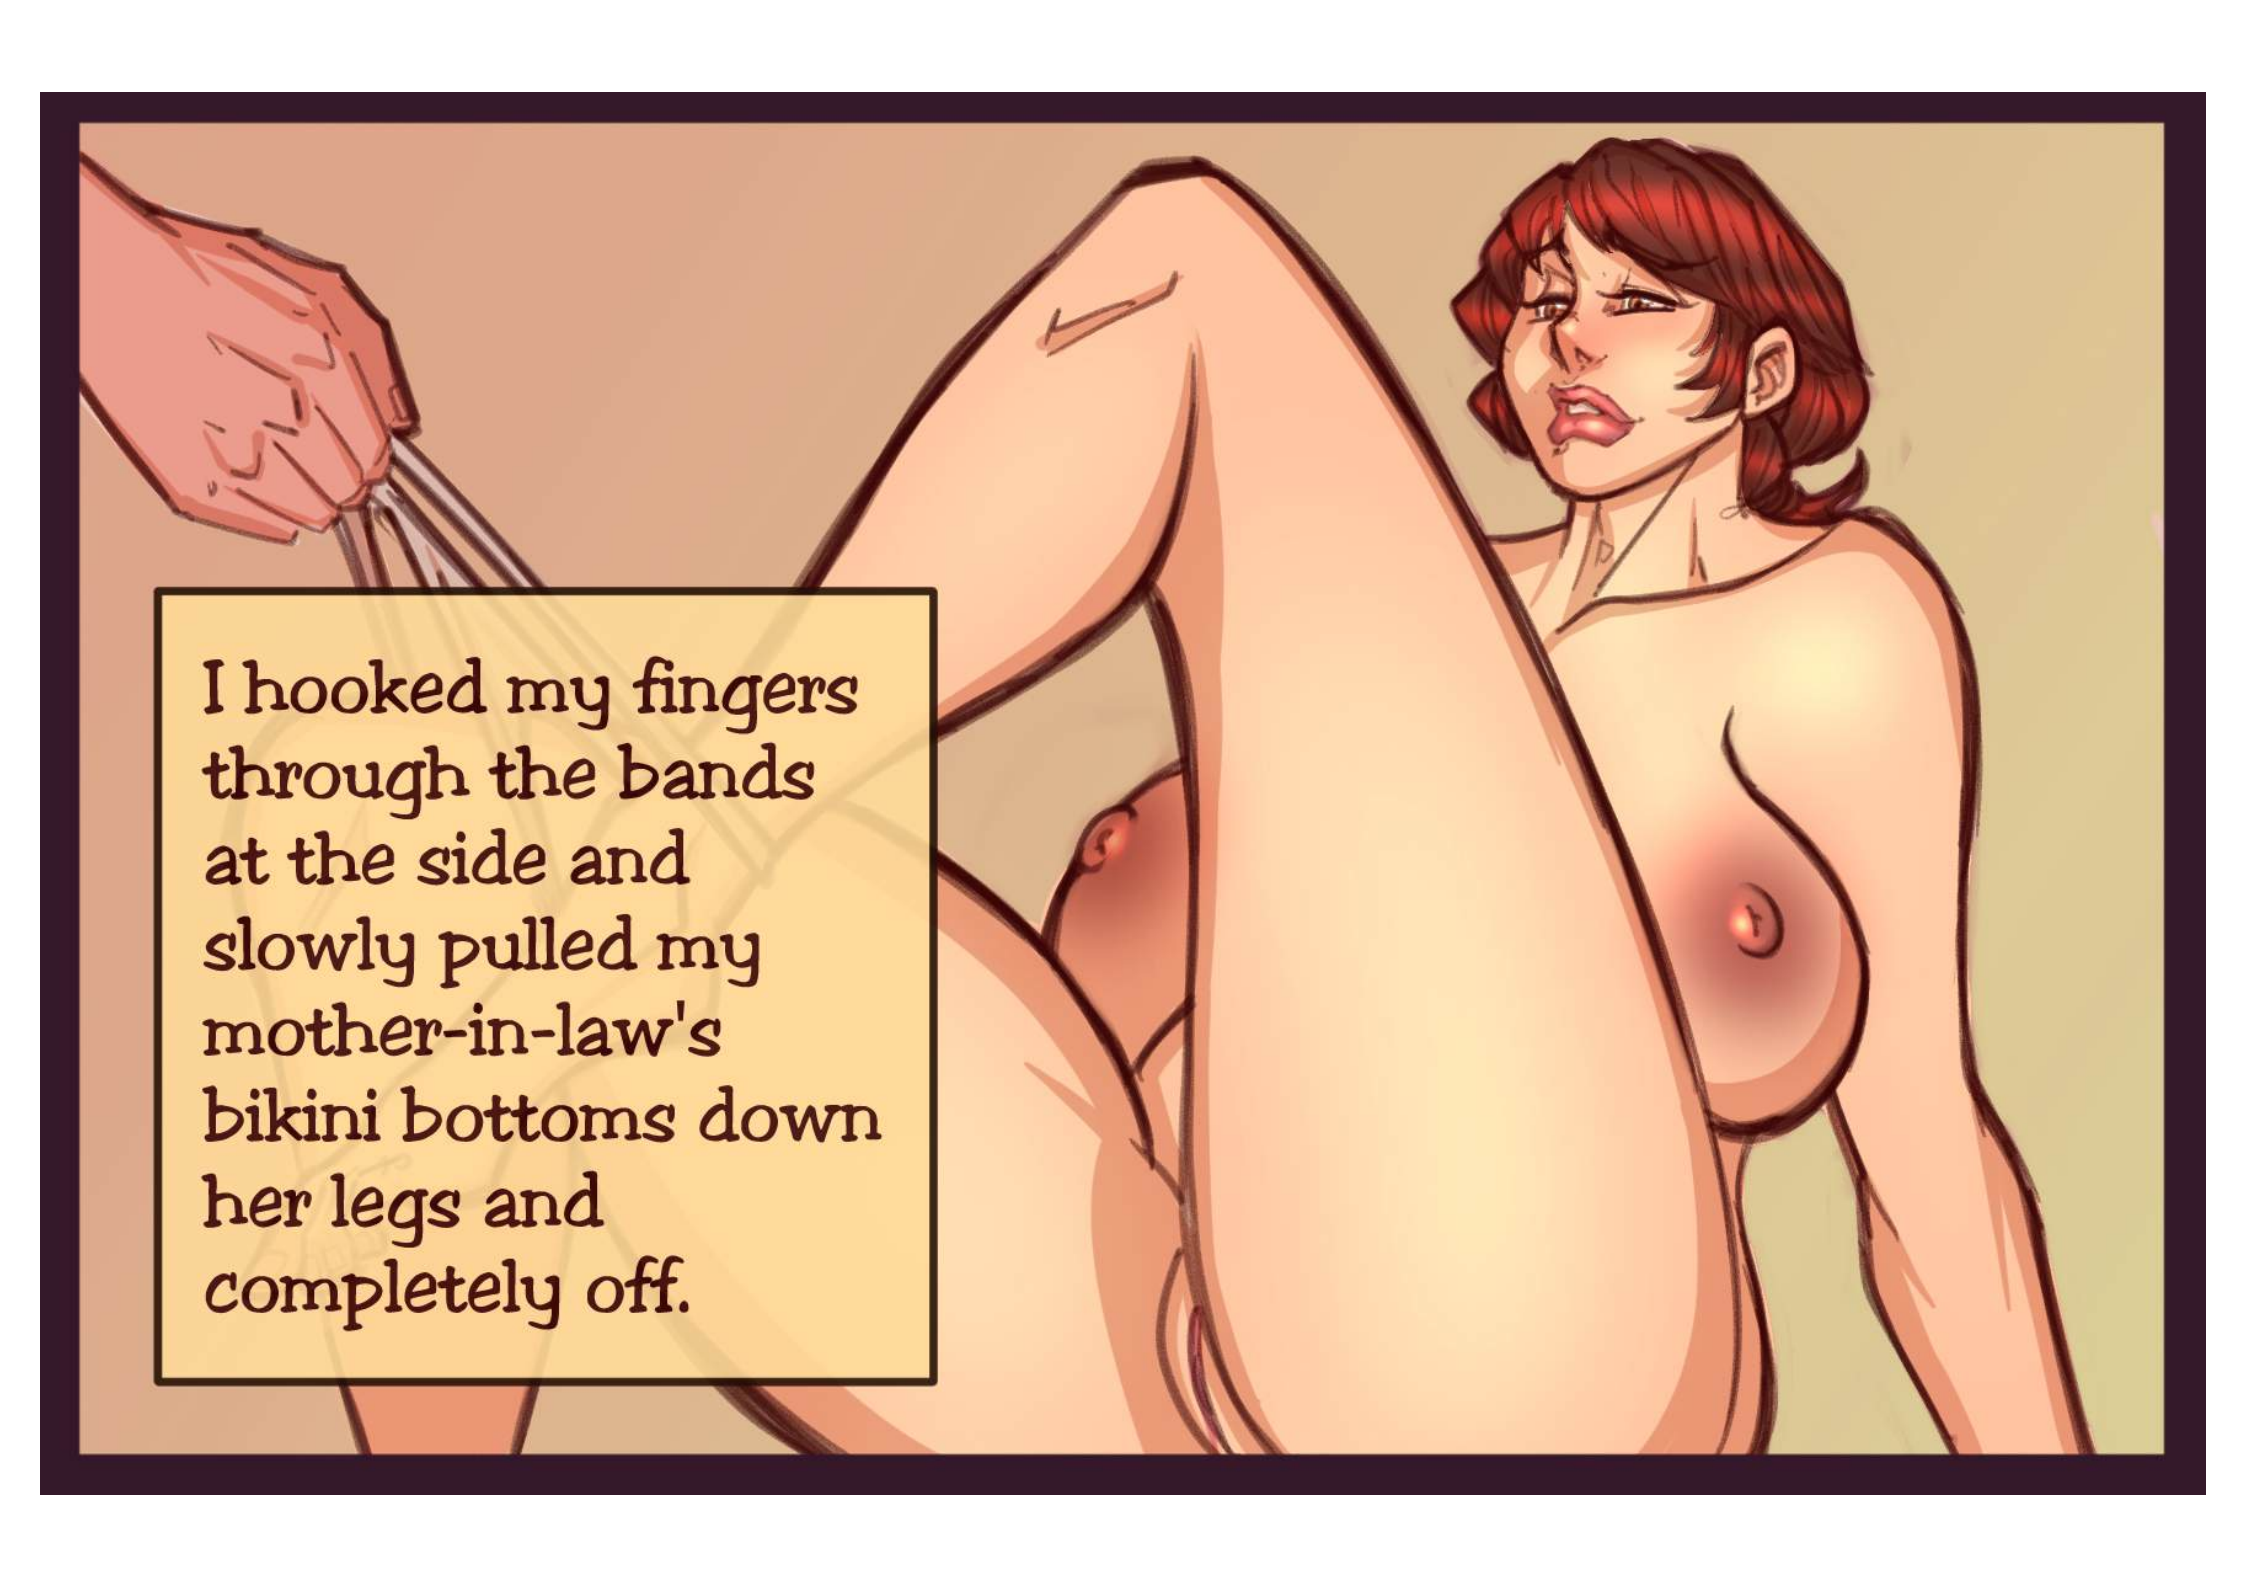

"Could you remove my bikini bottoms  
for me?"

My mother-in-law asked.

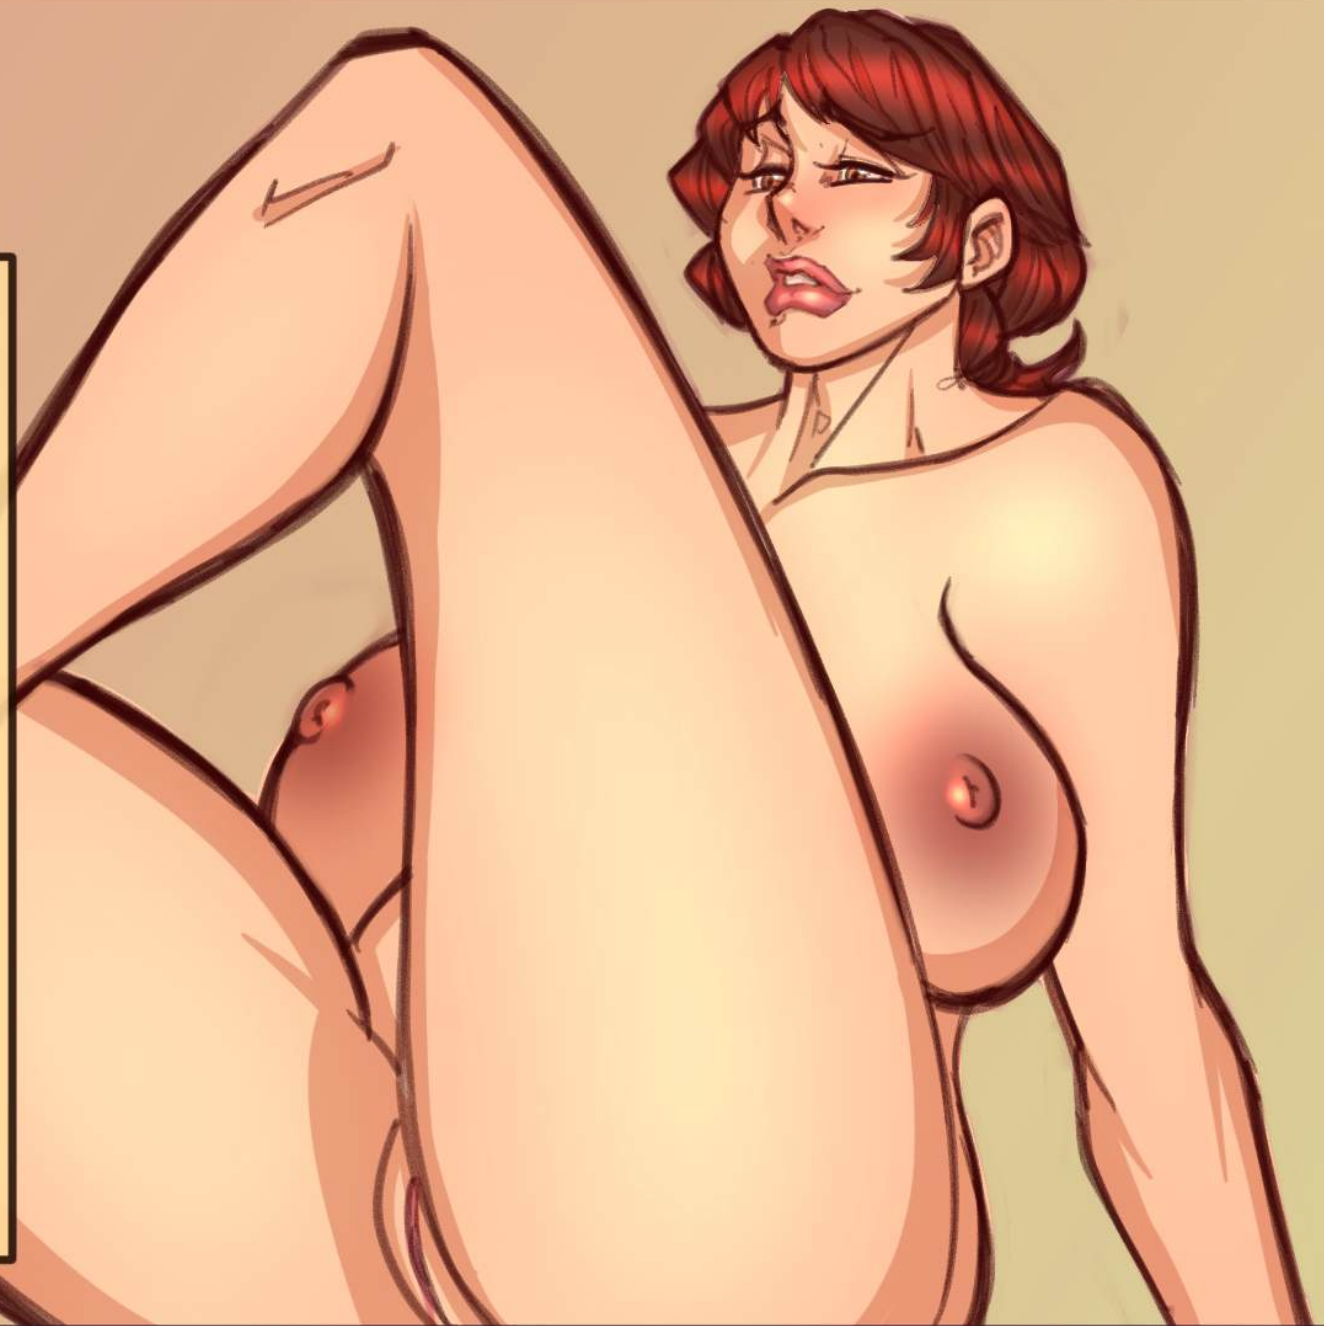

I stood up and got off the sunbed as Annette raised her lower body slightly.

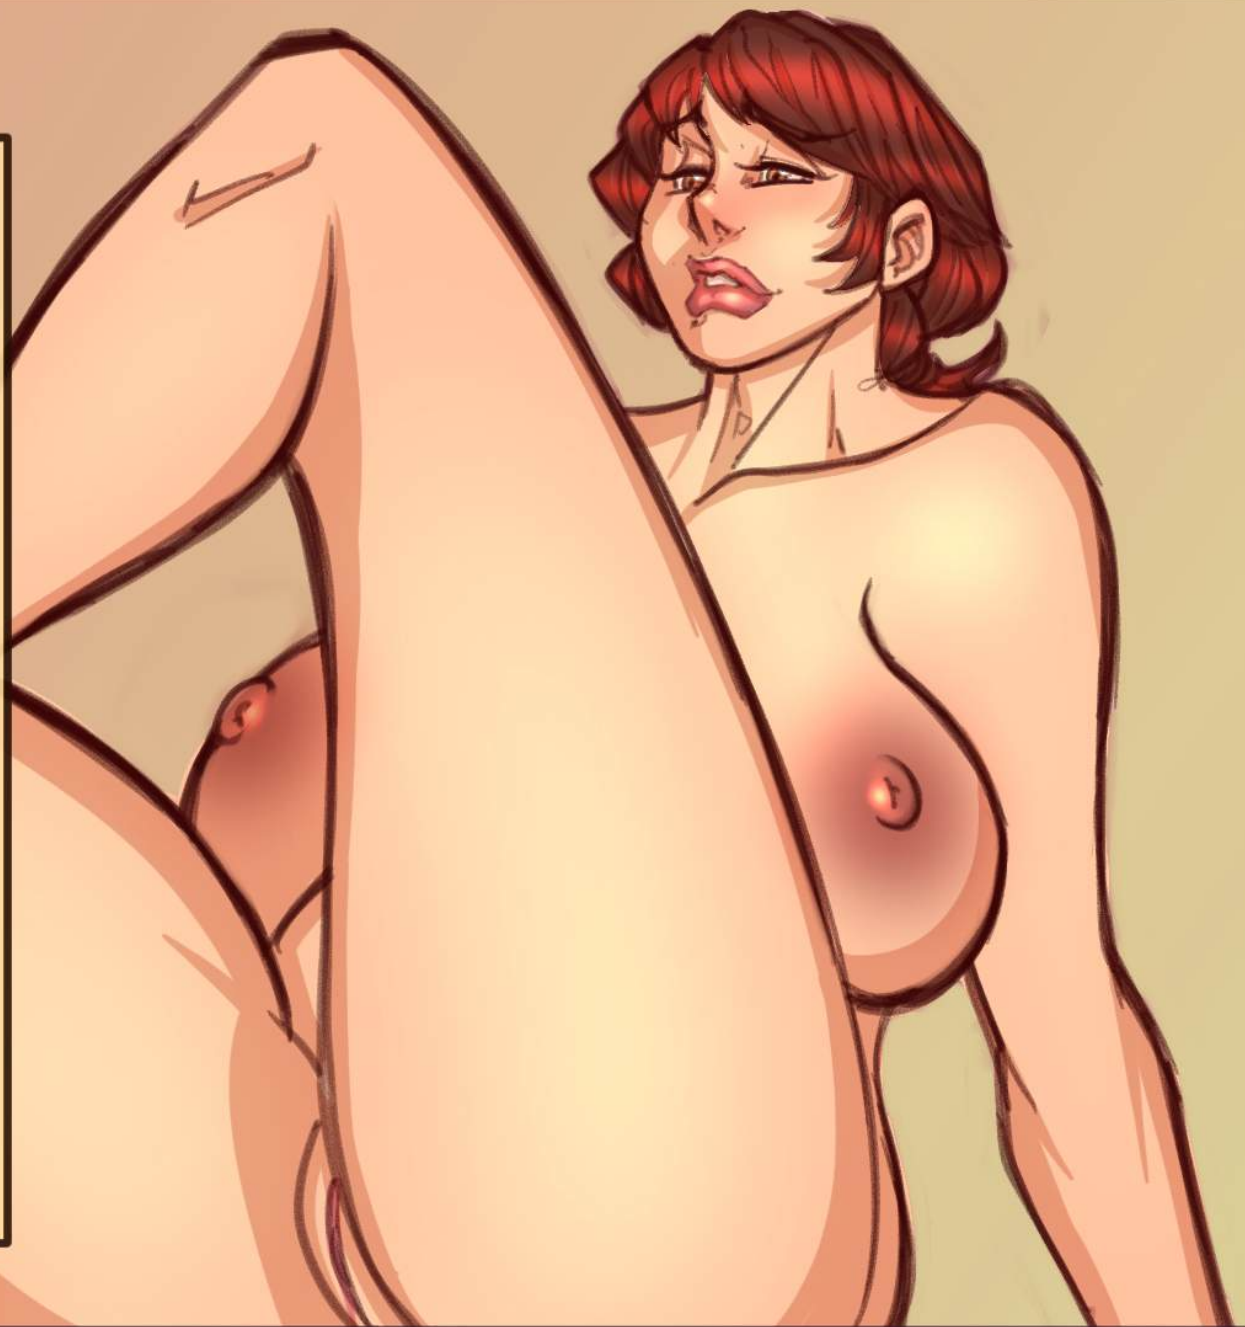

A comic book panel with a dark border. On the right, a woman with short, wavy red hair is shown from the waist up, looking slightly to her left with a neutral expression. She is unclothed. On the left, a hand is shown holding a pair of metal forceps or pliers, which are positioned to remove a bikini bottom from her leg. The background is a simple, light-colored gradient. A yellow speech bubble with a black border is overlaid on the left side of the panel, containing text.

I hooked my fingers through the bands at the side and slowly pulled my mother-in-law's bikini bottoms down her legs and completely off.

Annette kept her pussy neatly trimmed, whilst her pink pussy lips protruded slightly, just like her daughters, and I could already see moisture on her outer lips.

My mother-in-law was now lying naked and horny in front of me, and my wife had explicitly told me to be nice and make her feel happy, although I doubt this is quite what she had in mind!

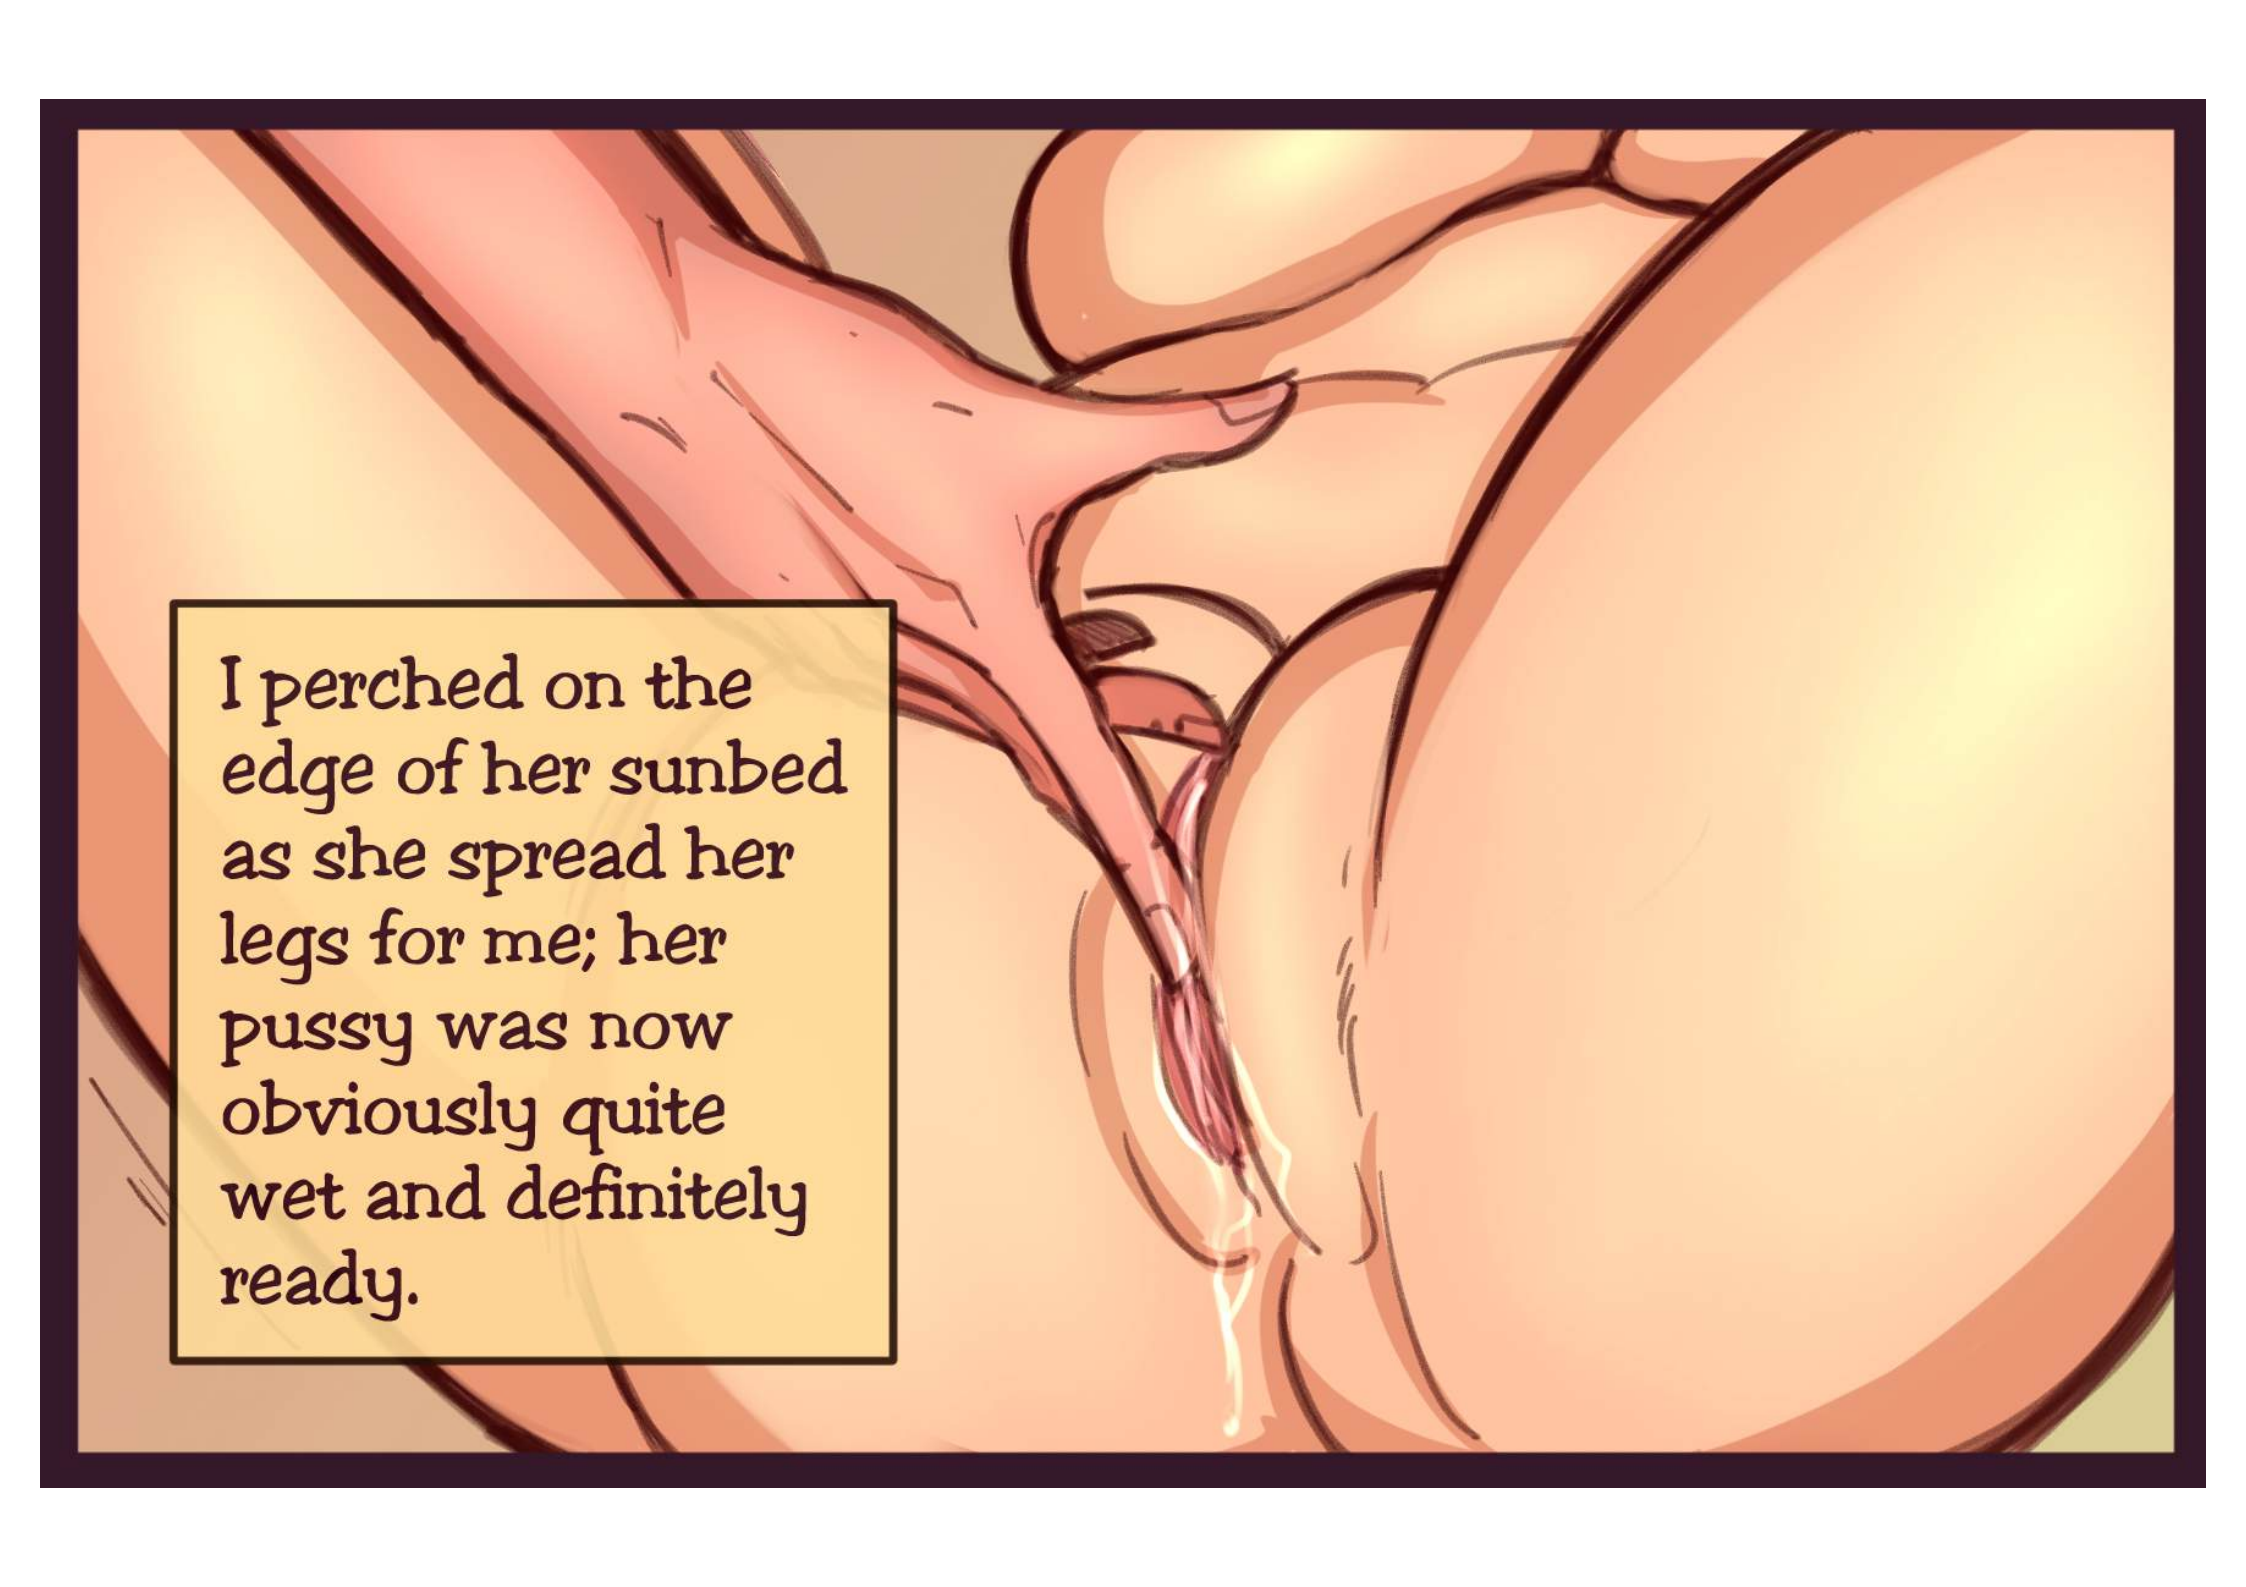

I looked at Annette expectantly, waiting for her to tell me what she wanted.

"Please finger me."  
She said, her voice  
having a tint of  
desperation to it as  
she continued to  
fondle her breasts.

I perched on the edge of her sunbed as she spread her legs for me; her pussy was now obviously quite wet and definitely ready.

I gently ran my index finger down her pussy lips, and they parted easily, before licking my index and middle finger to get them wet.

I then slowly eased my two fingers into my mother-in-law's sodden pussy as she moaned in appreciation until they were fully in.

I curled my fingers up, inside her and thrust them in and out, my fingertips dragging over the spongy area of her G spot.

Annette moaned every time I hit her G spot as her pussy got wetter and wetter.

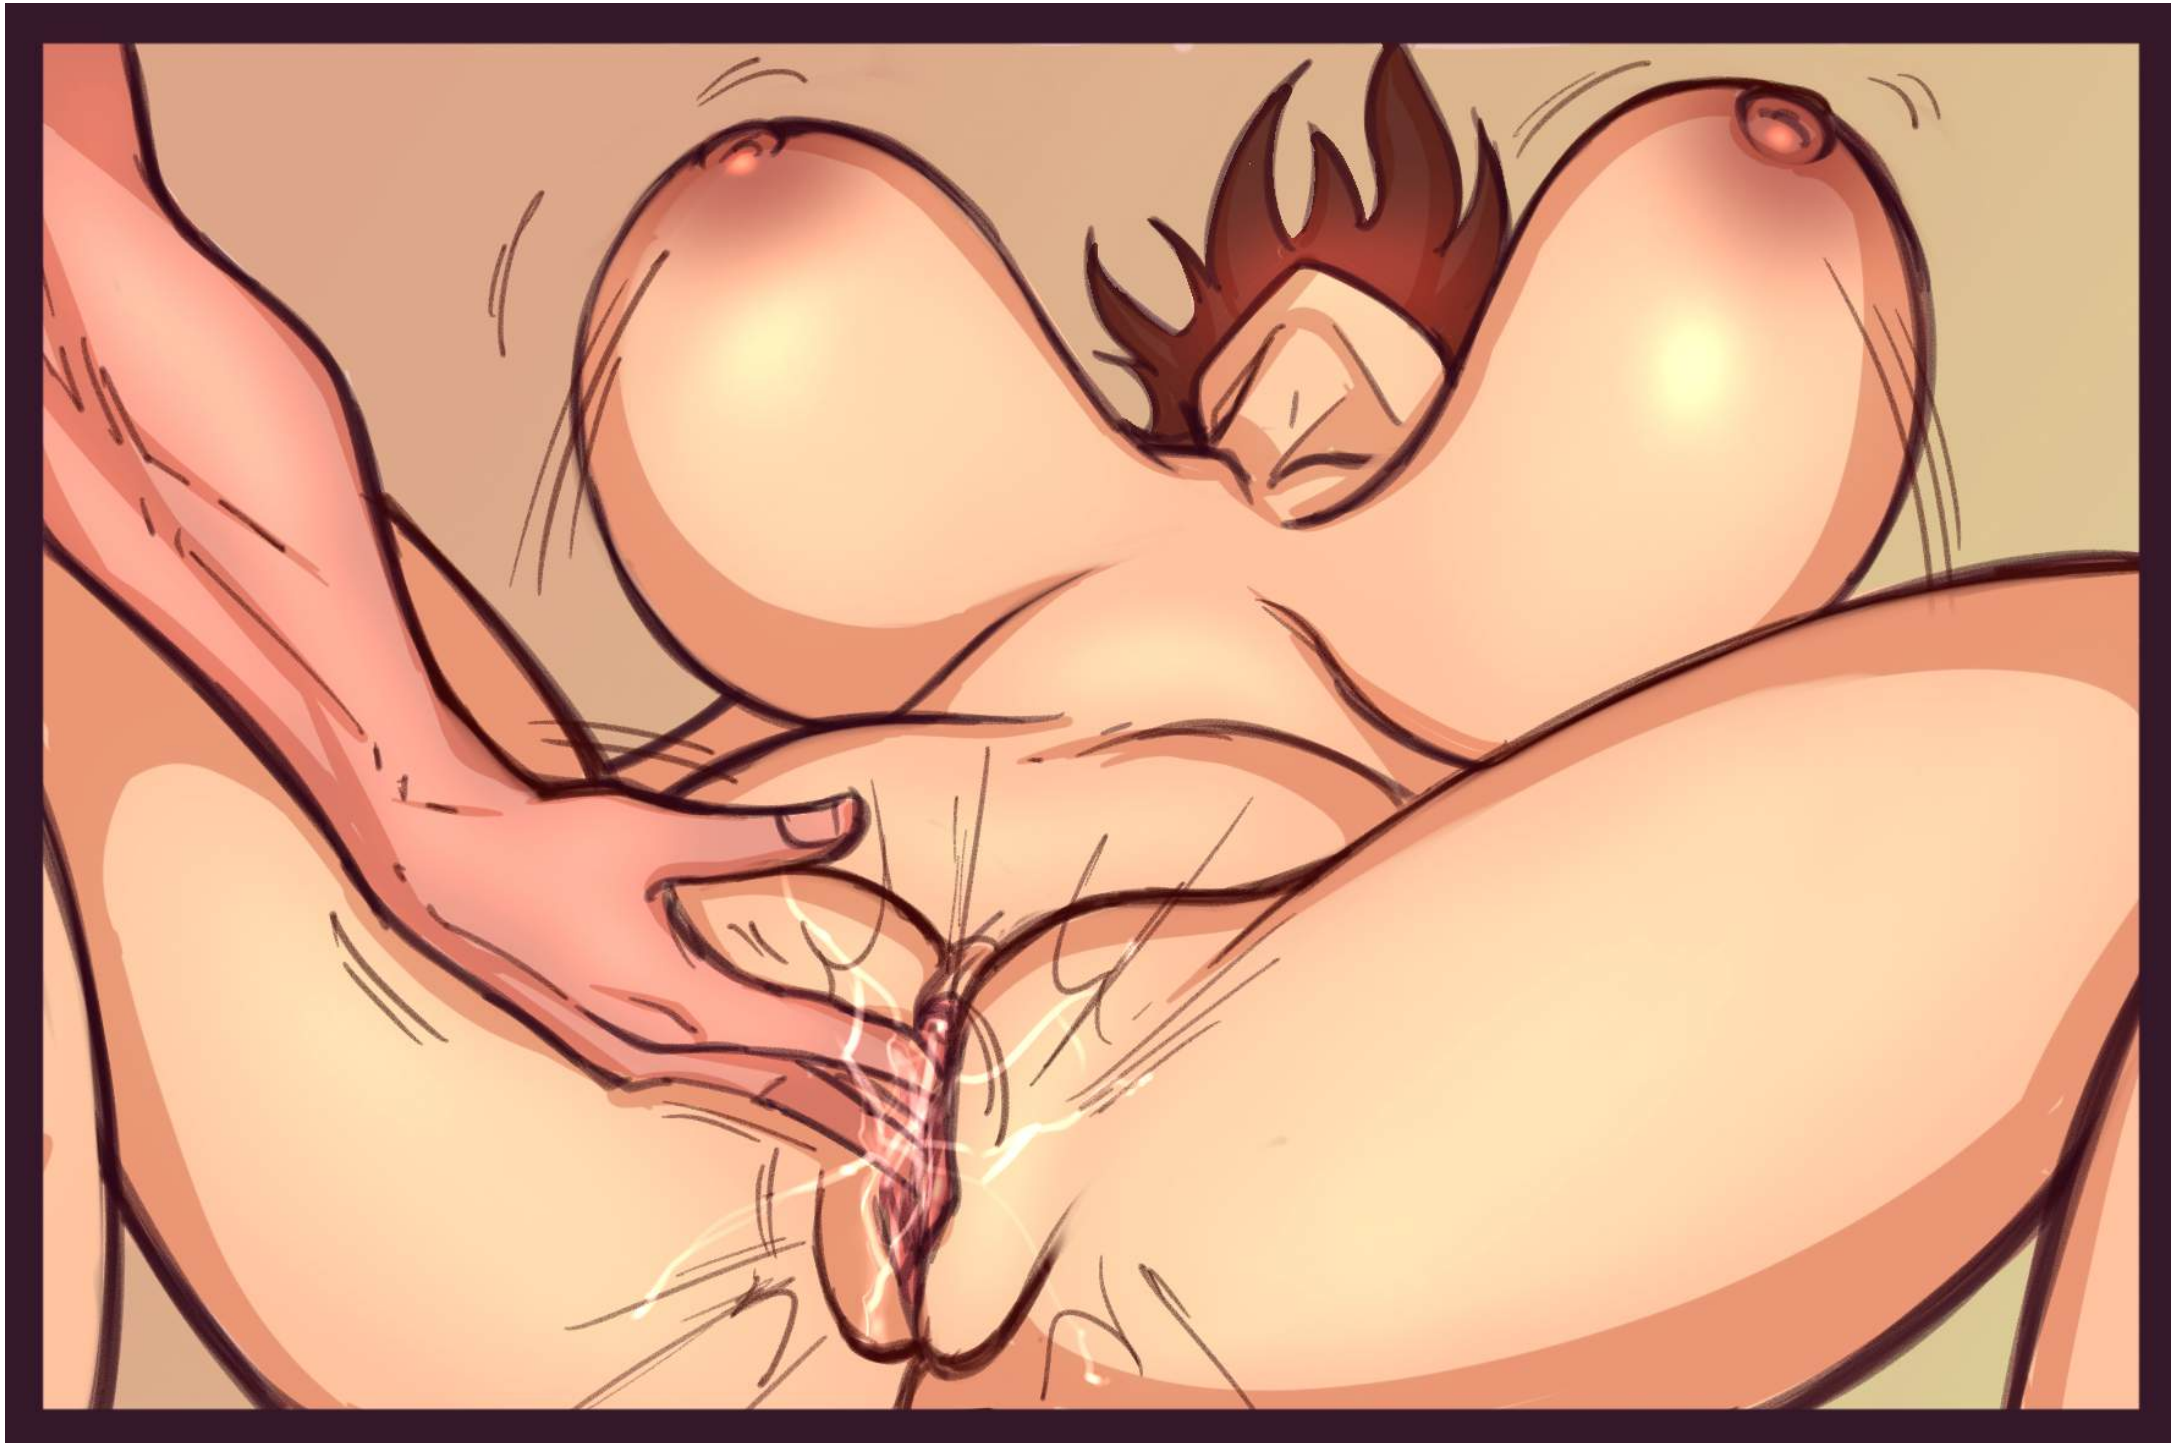

"Nooooo, don't stop I'm so close." My mother-in-law whimpered as I withdrew my two fingers from her sodden pussy.

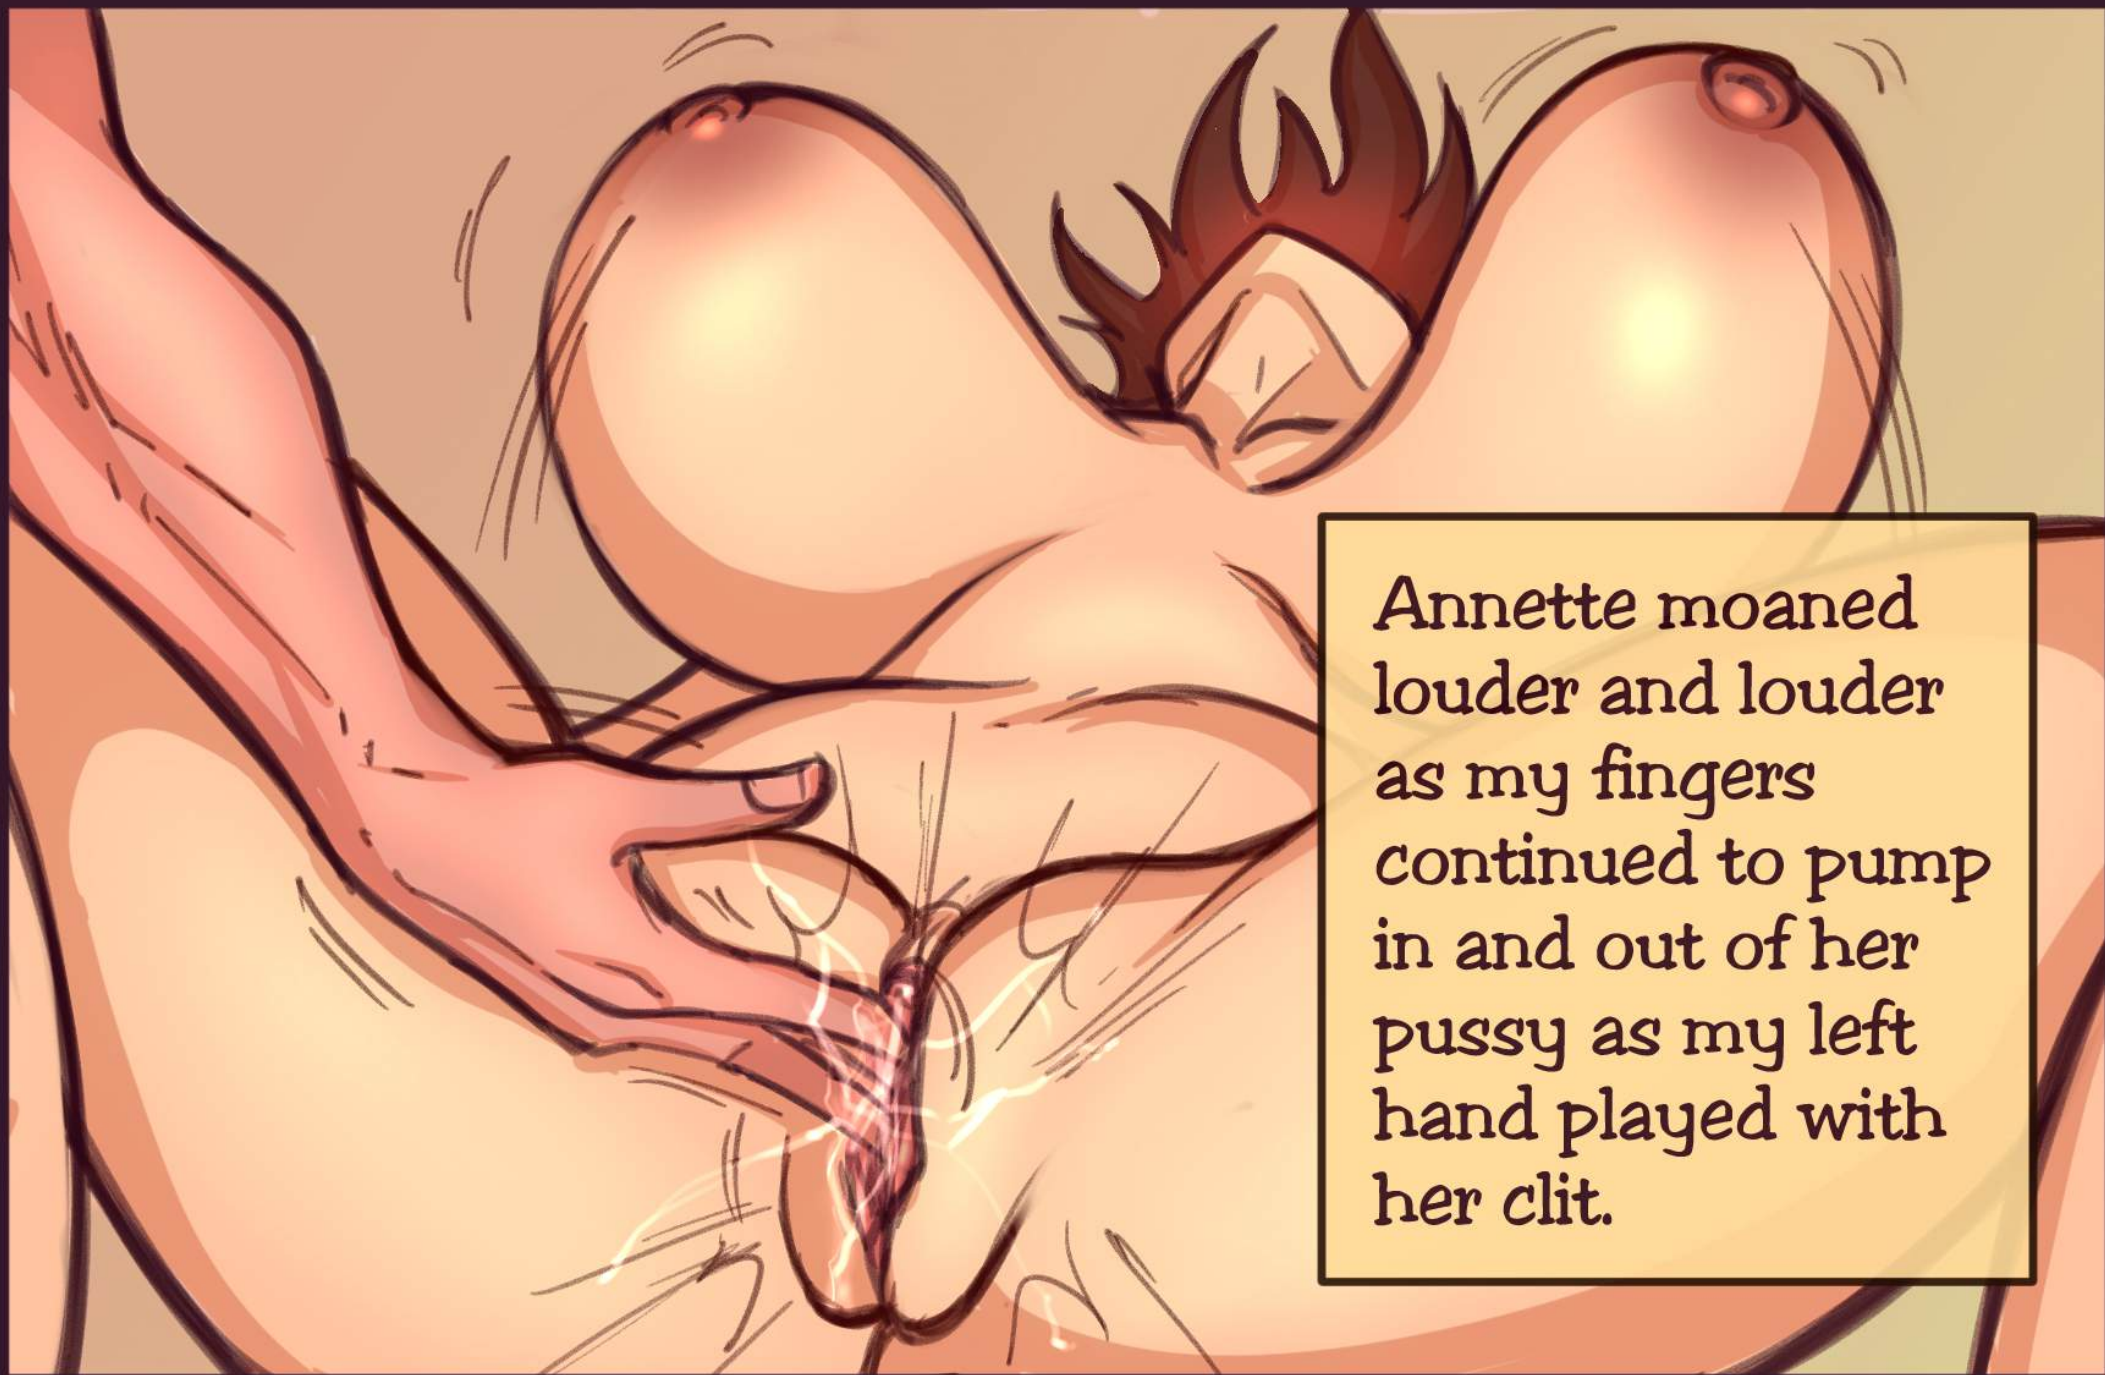

I just smiled at her before re-inserting three fingers and using my left hand to play with her clit.

She was moaning louder now, as I finger fucked her closer and closer to an orgasm.

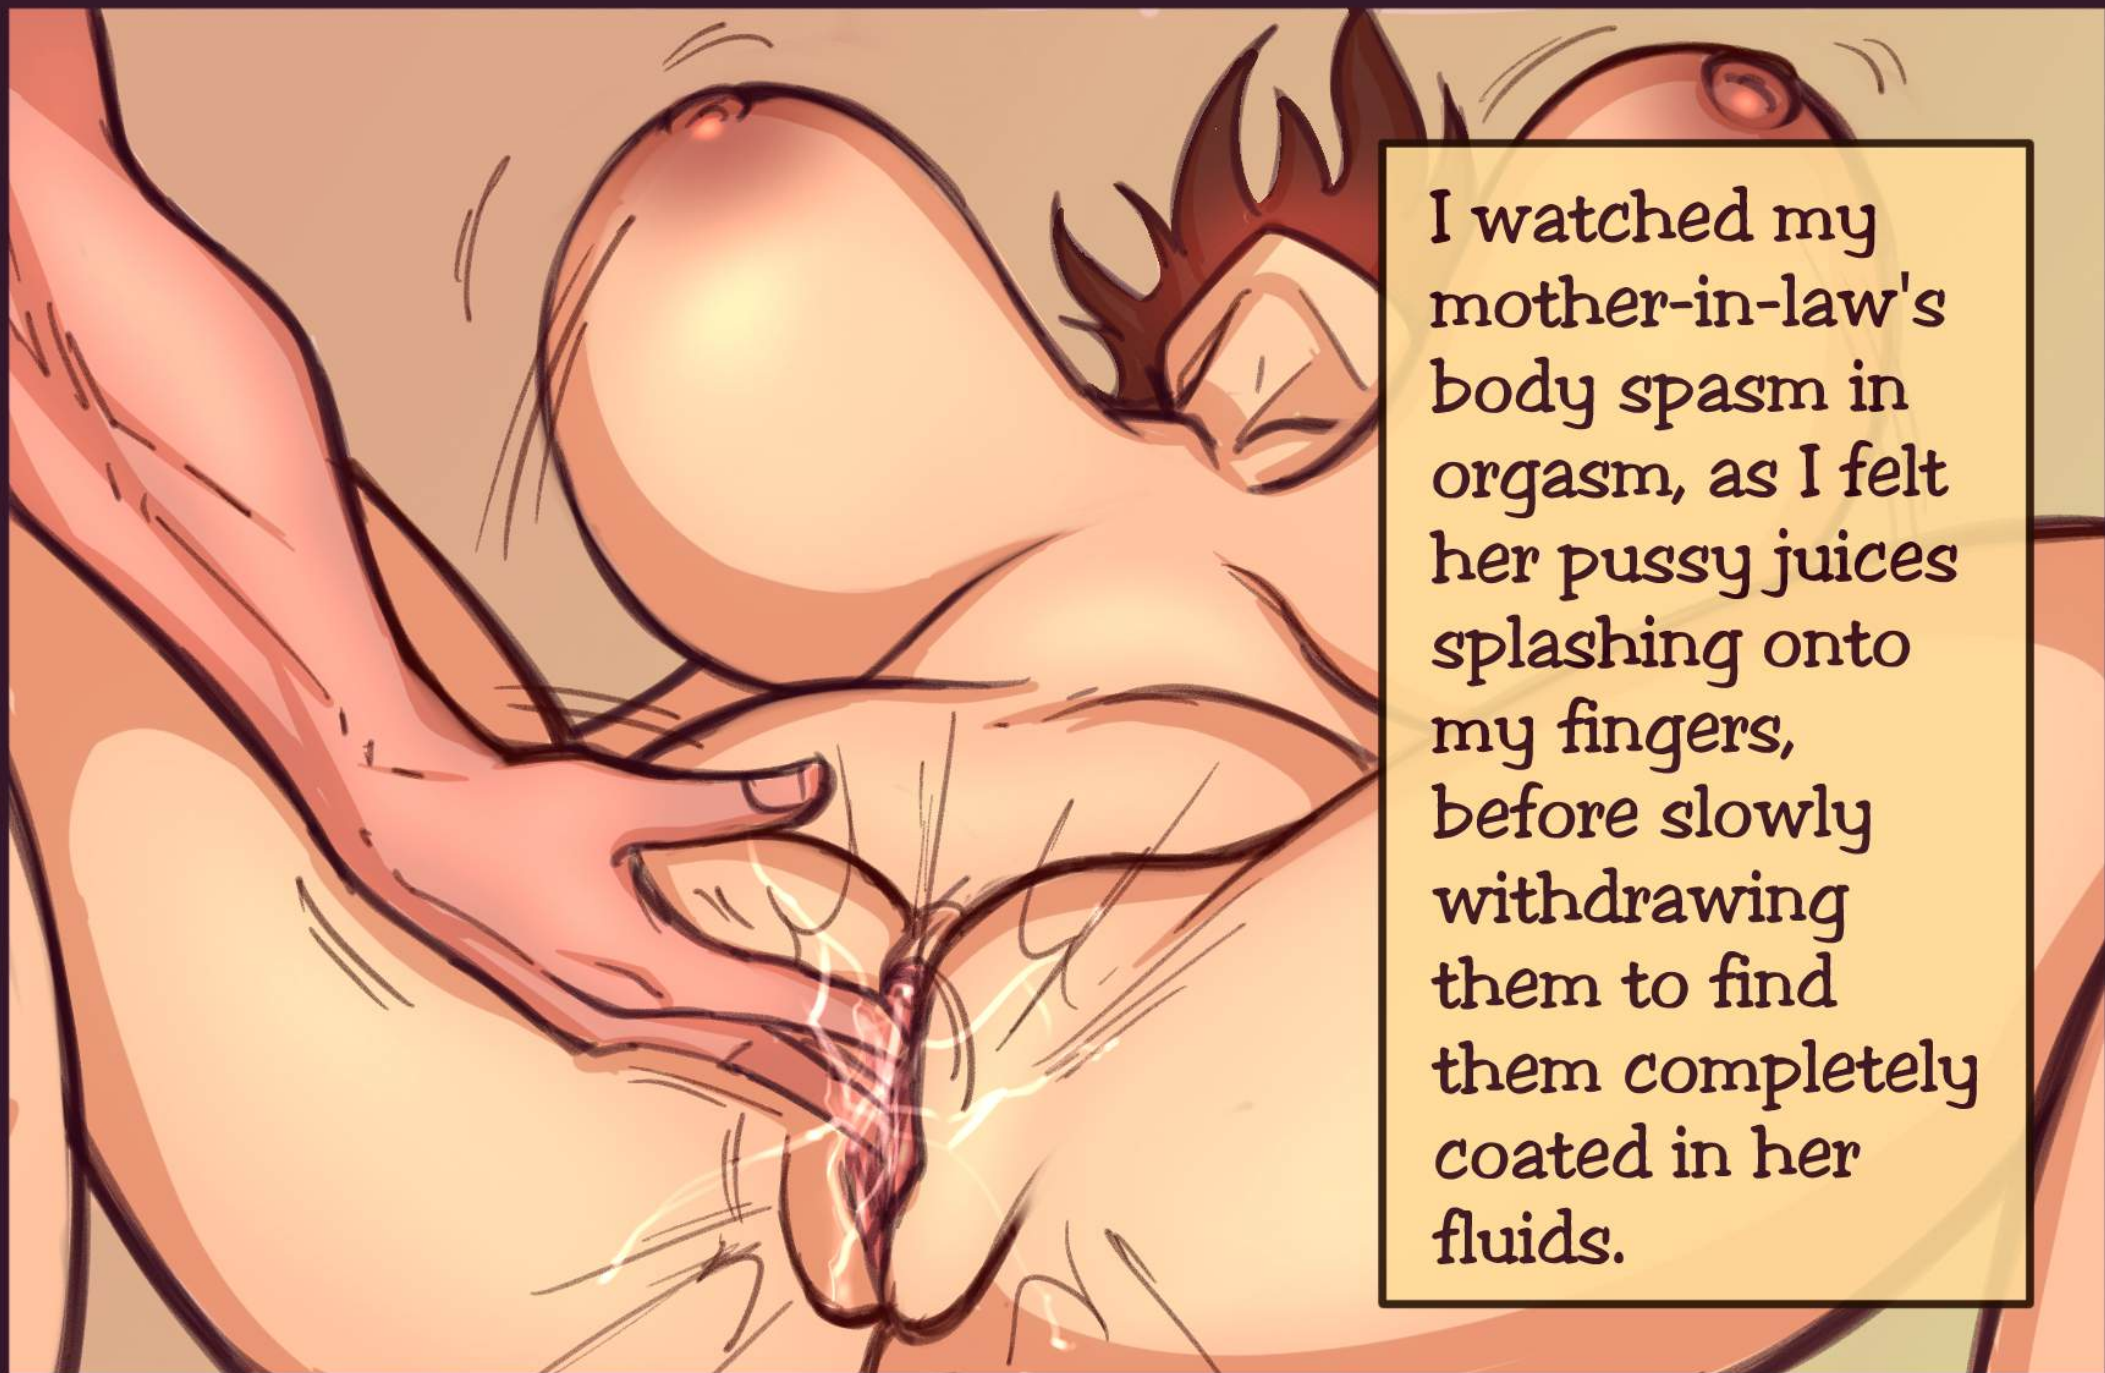

Annette moaned louder and louder as my fingers continued to pump in and out of her pussy as my left hand played with her clit.

Then, with a huge moan of pleasure, she exploded in orgasm.

I watched my mother-in-law's body spasm in orgasm, as I felt her pussy juices splashing onto my fingers, before slowly withdrawing them to find them completely coated in her fluids.

"Thank... you...  
that... was... so...  
amazing!"

Annette panted,  
trying to regain  
her breath.

"You look like  
you're about  
to burst out of  
those shorts."

"We can't have you going around like that for the rest of the day and it's only fair that you get to finish too."

Annette stood up and pulled my shorts down, leaving me completely naked in front of her, my hard cock standing to attention.

The scene is set against a plain, light-colored background. A yellow speech bubble with a black border is positioned in the lower-left corner, containing text in purple and black. The overall style is that of a classic comic book illustration with bold lines and a limited color palette.

*"Very impressive!"*  
She said, staring  
at my cock,  
*"Now sit down."*

A man's hand, wearing a blue sleeve, is shown from the right, with the index finger pointing towards her left breast. The background is a simple, light-colored gradient. I sat down on the edge of the sunbed as Annette knelt down in front of me, my head screaming 'Blowjob!'.

But it won't  
be a blowjob  
for now...
