CHAPTER 08

"Now sit down."

I sat down on the edge
of the sunbed as
Annette knelt down in front of me,
my head screaming 'Blowjob!'.

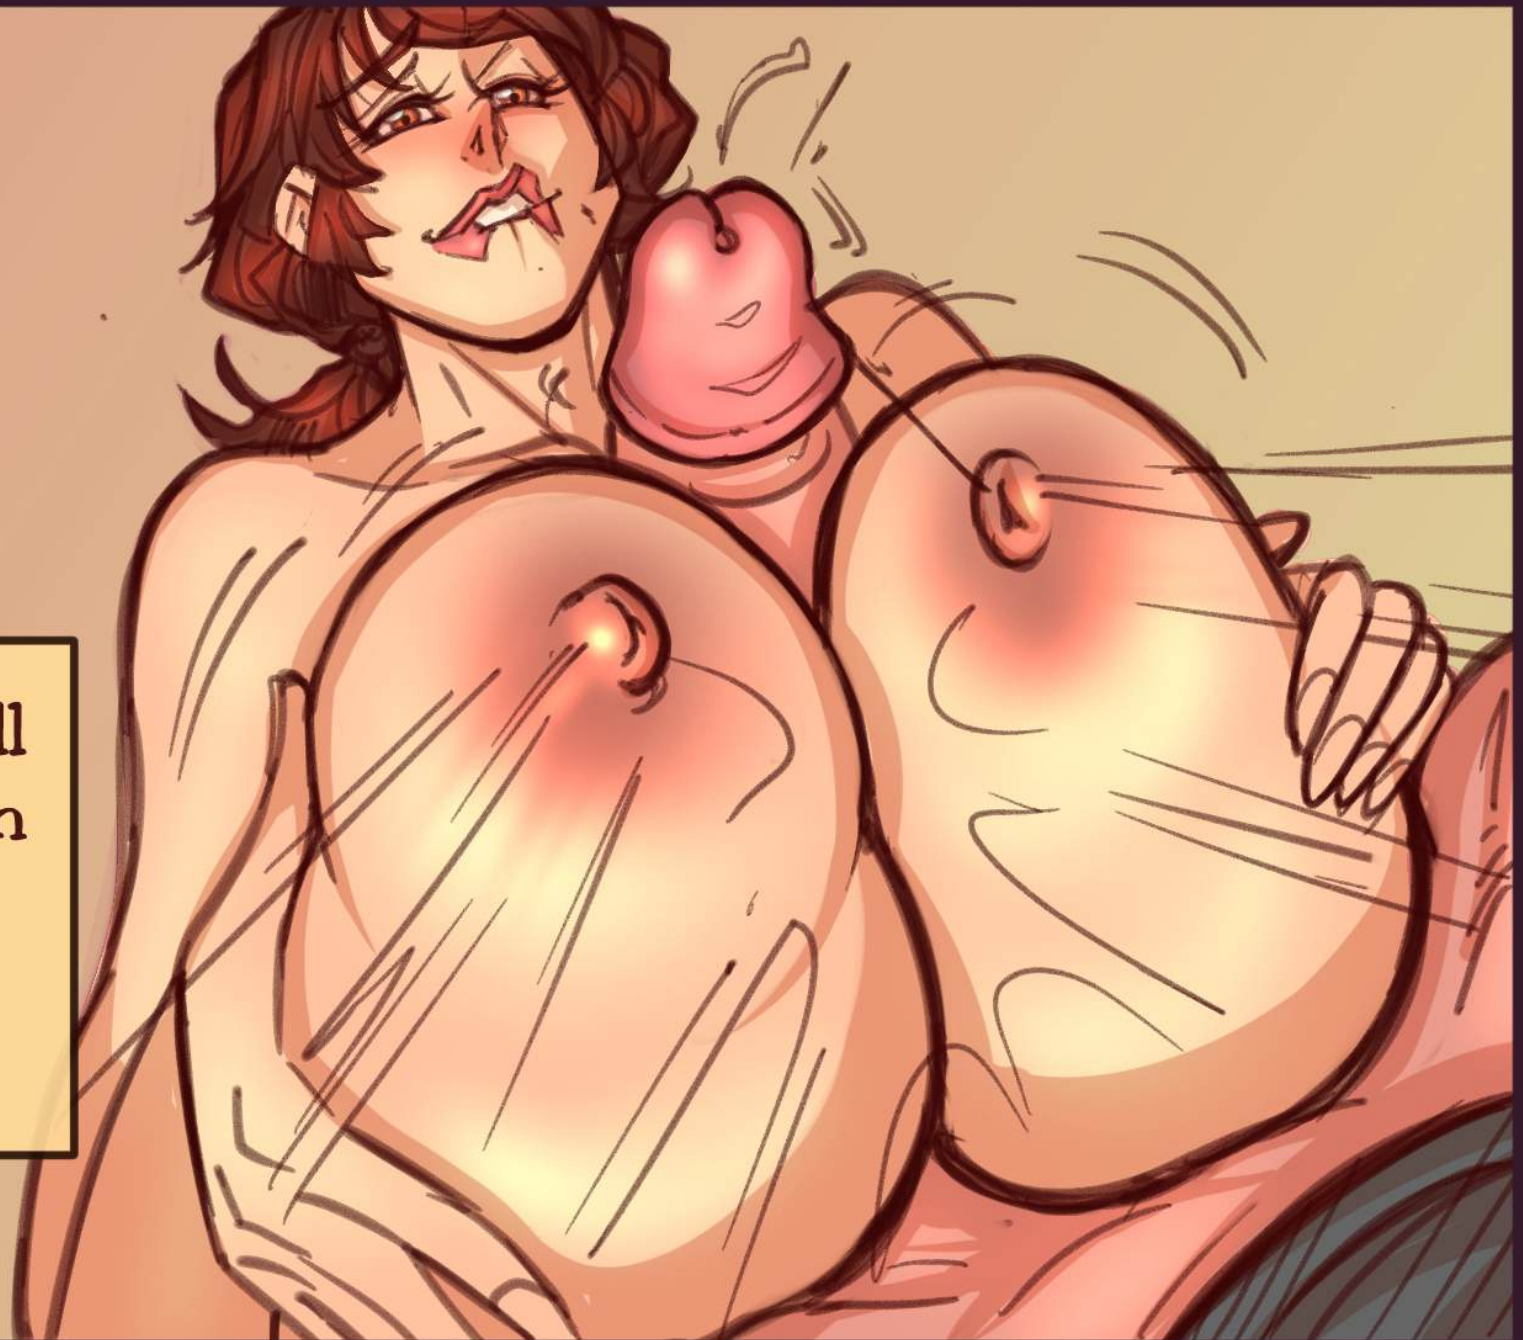

It won't be a blowjob...

With that, my mother-in-law took hold of my cock, and placed it between her large breasts.

They were still
well oiled from
the sunscreen
I rubbed on
them earlier.

It felt amazing
to have my
cock buried
between my
mother-in-law's
tits.

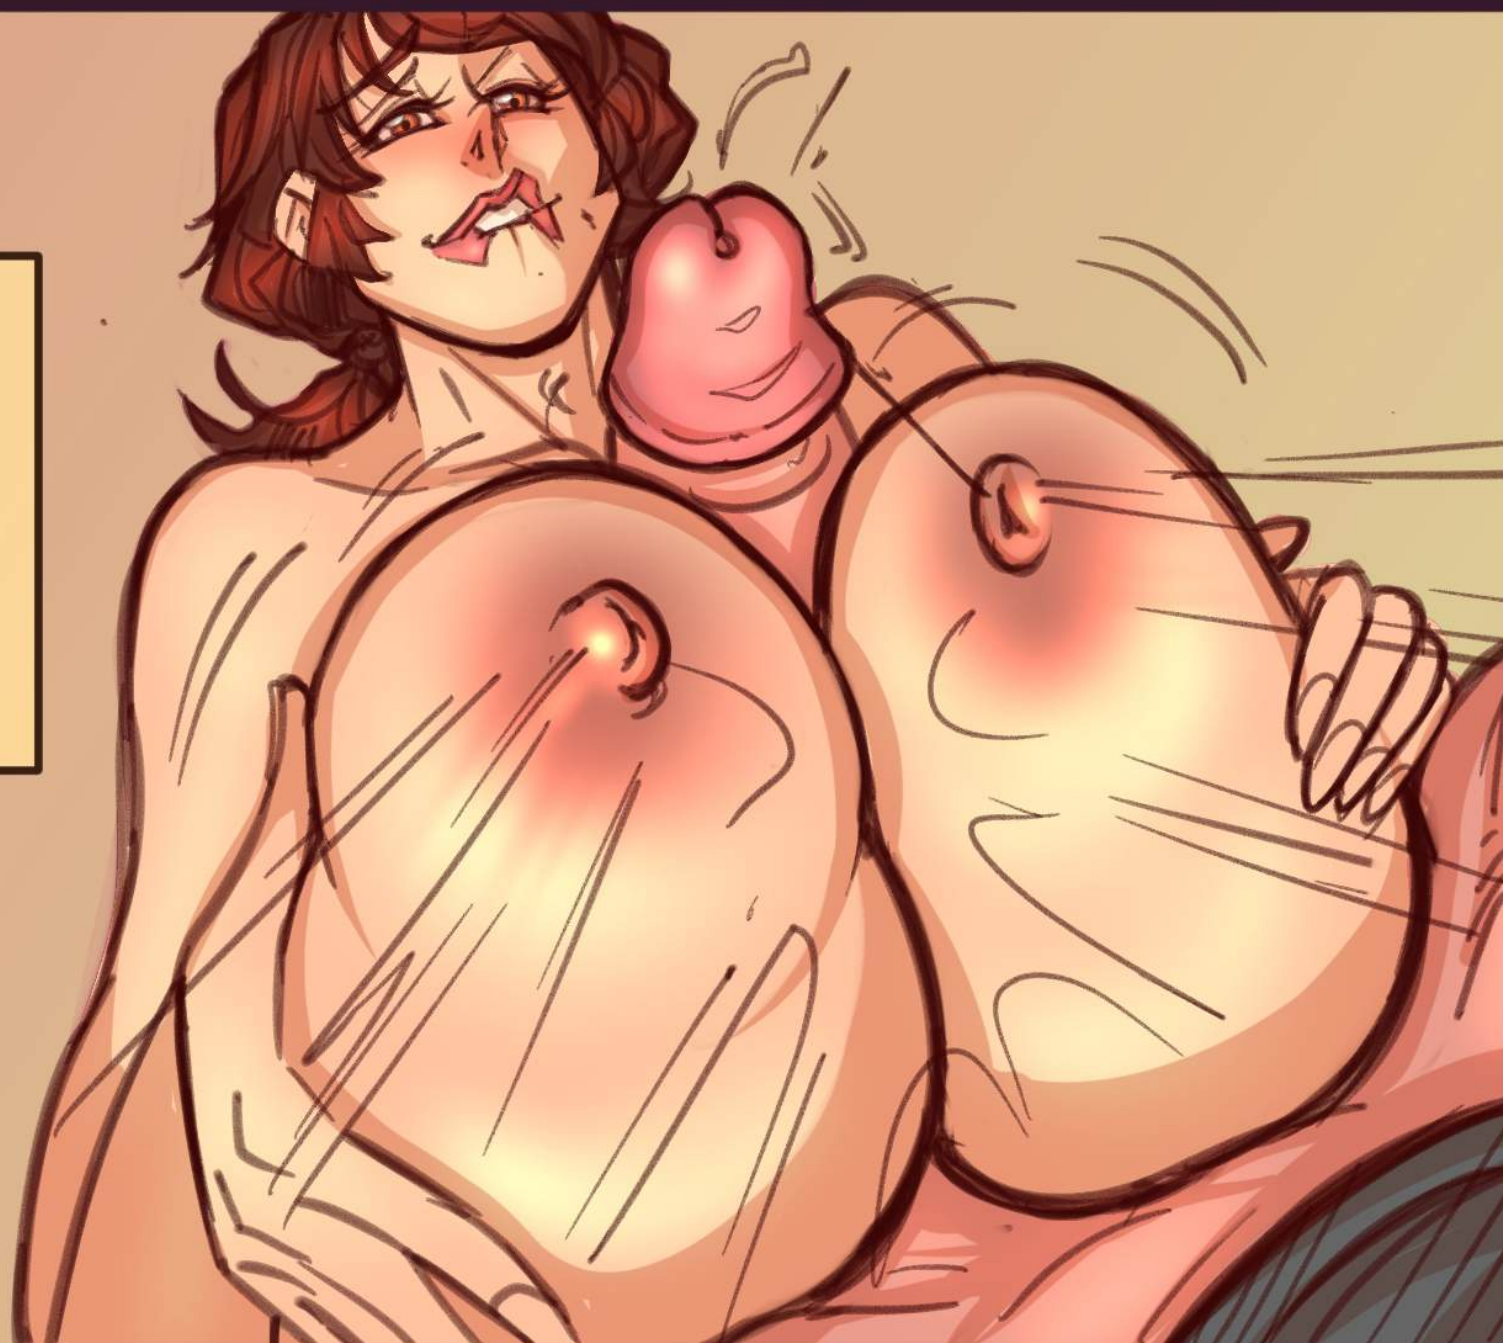

Annette then began to thrust her breasts up and down over my cock, ensuring she kept the pressure on to stimulate me.

"Now, I'm afraid I can't have you inside any part of me, but I've never done this for anyone else before, not even my husband..."

"...so I hope
you enjoy it!"
And I was
fucking doing
it...

The sensation
of it was truly
amazing.

The feeling of
her soft breasts
rubbing over
my cock was
so erotic.

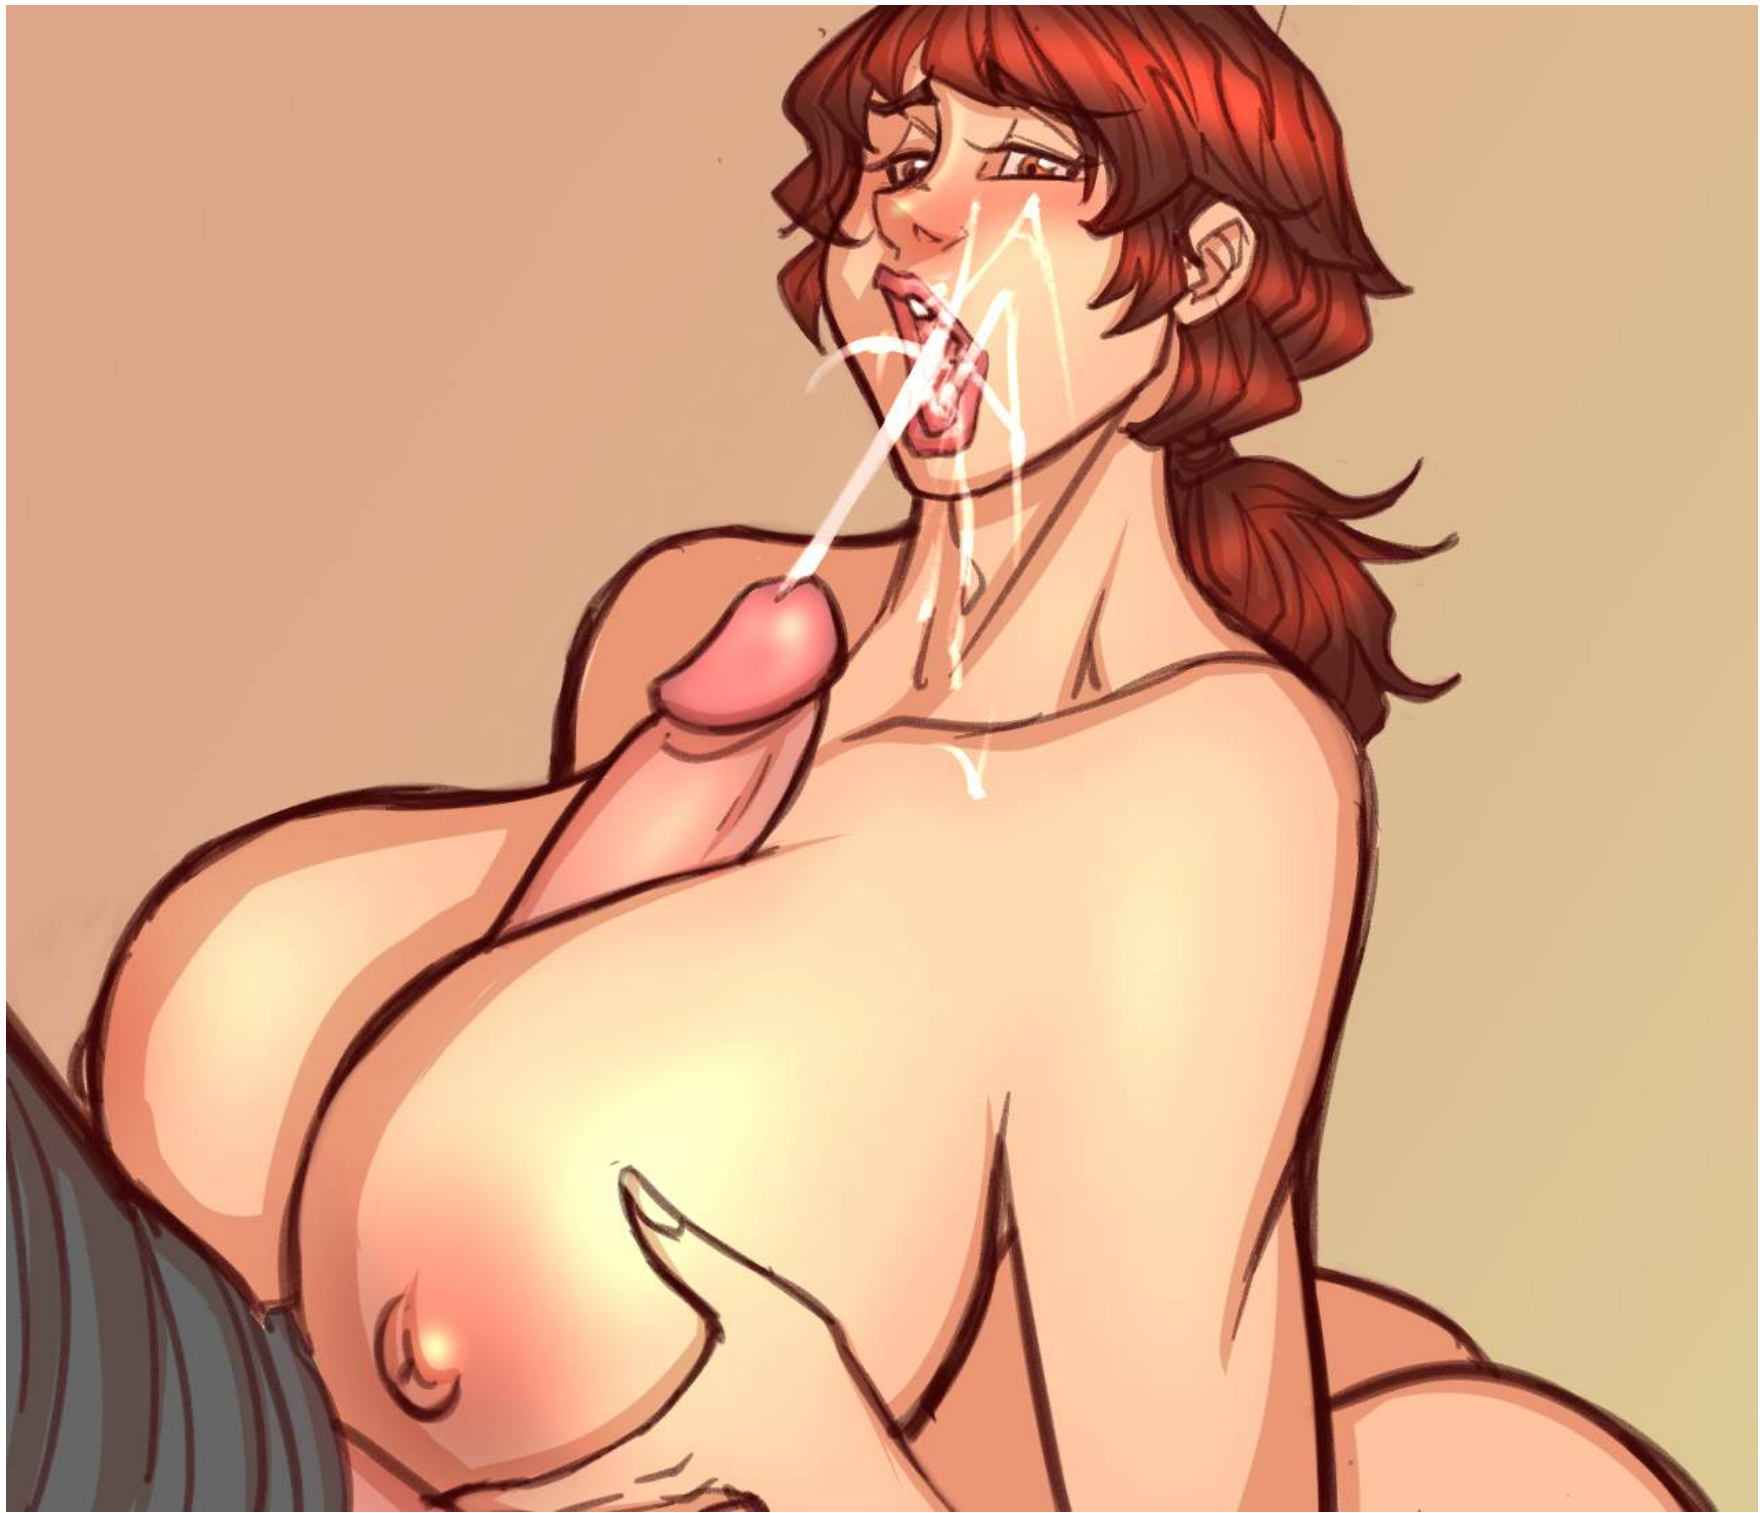

It didn't take
long before I
could feel myself
about to burst.
"Gonna cum."
I told Annette.

"Mmmmmmm,
cover my big
tits in it." She
responded,
still sliding her
breasts up and
down on my
cock.

The first gush of cum flew straight upwards, some hitting Annette's chin. The rest hitting her mouth.

I watched as she licked my cum off her mouth whilst my spewing cock covered her huge tits in my cum.

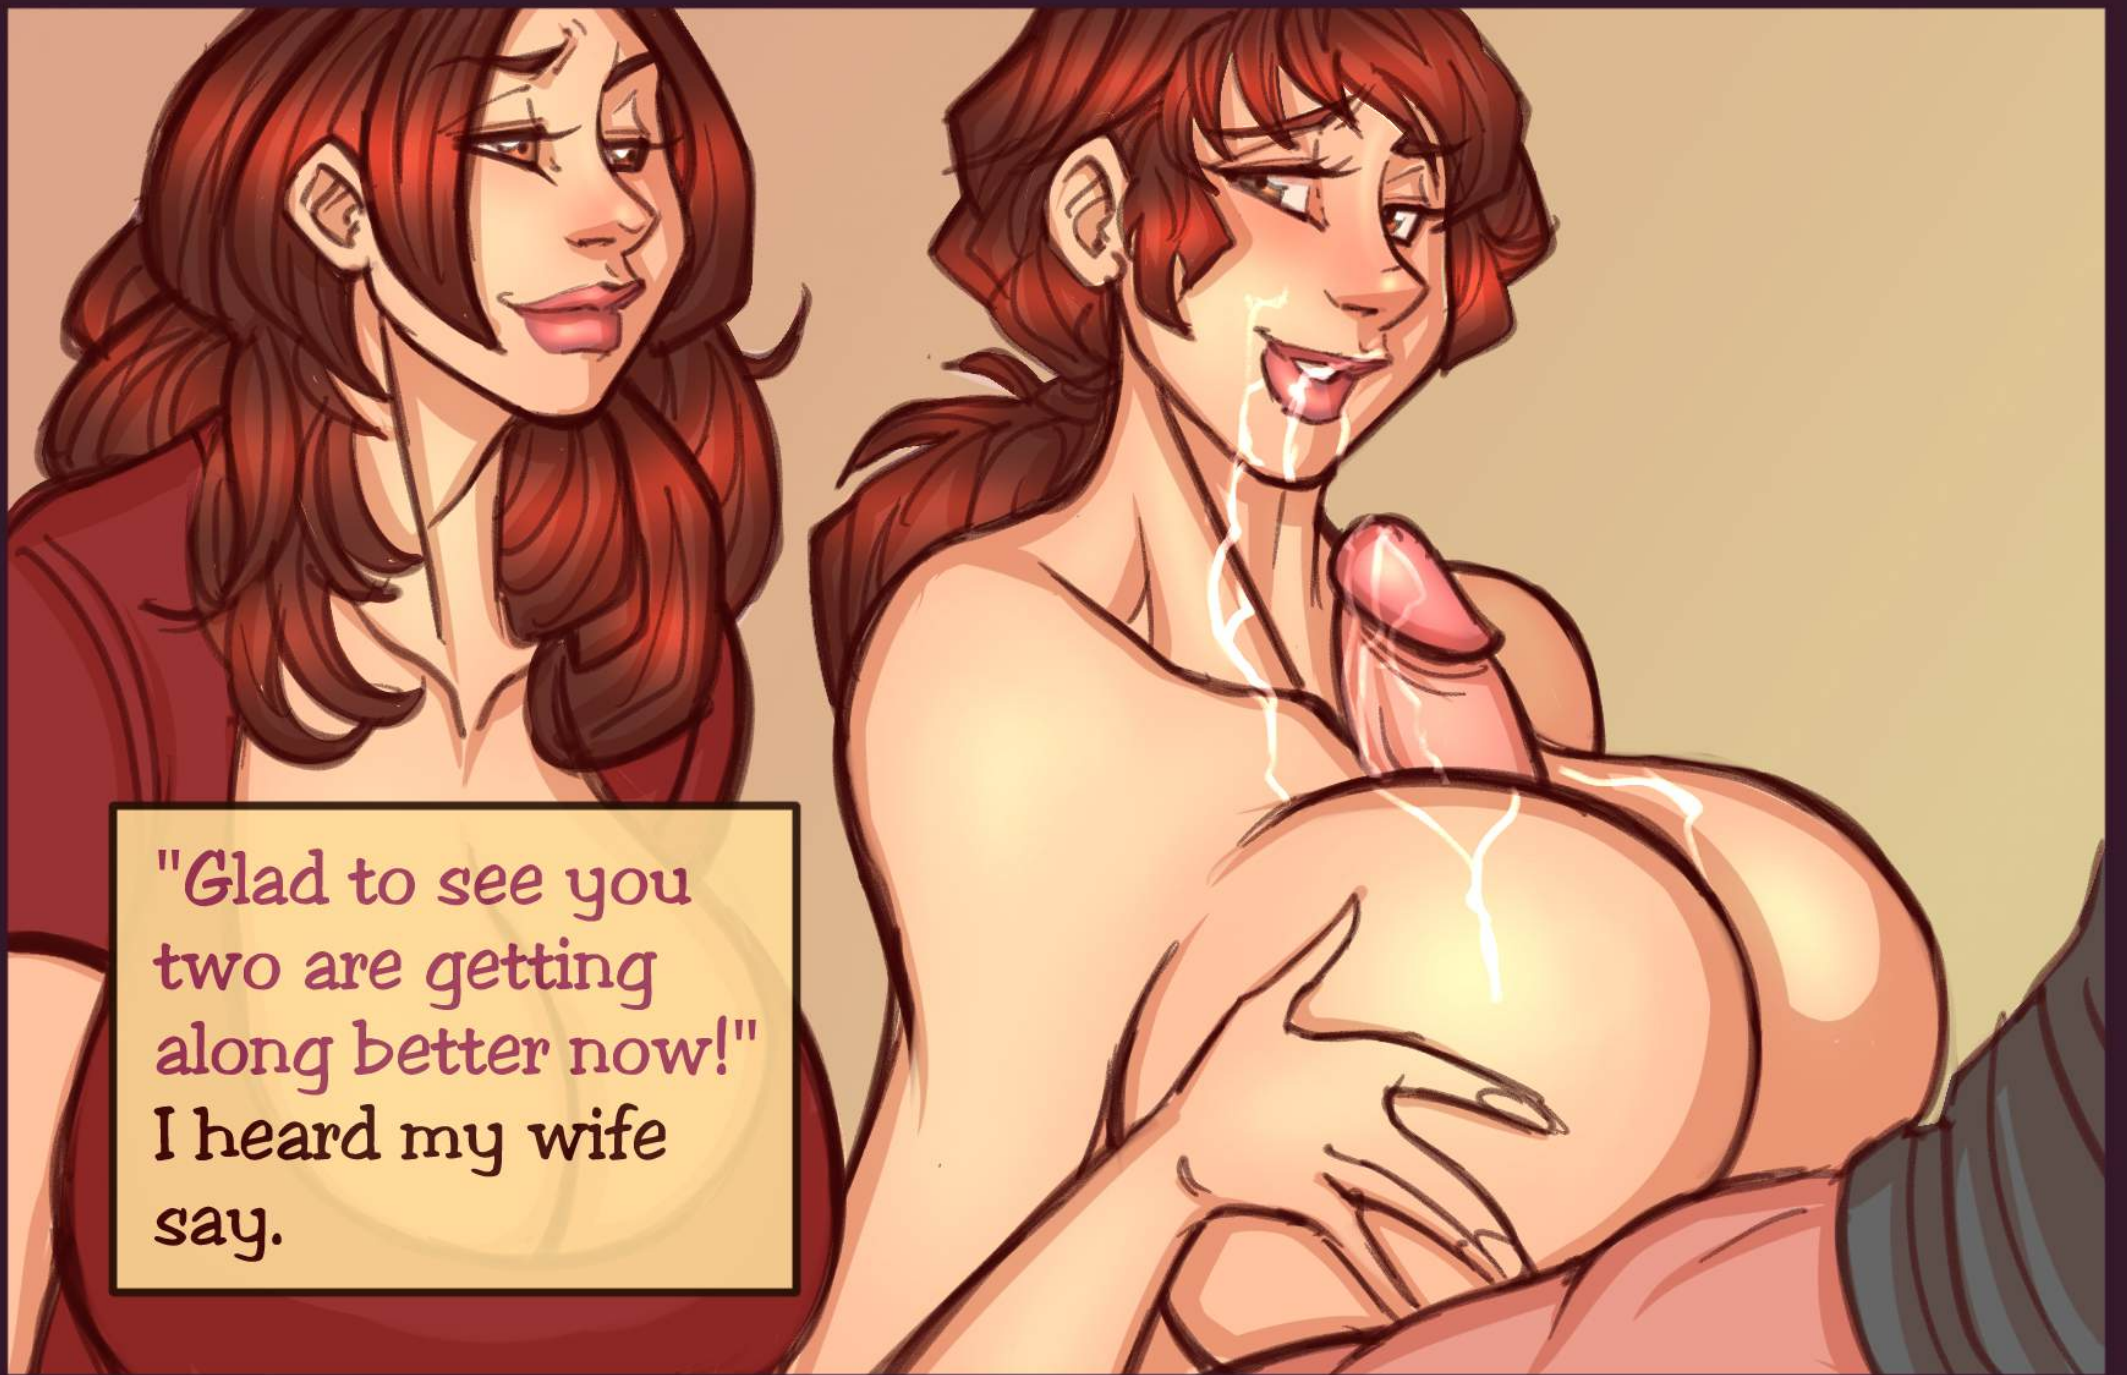

Her nipples
hardening
as the cum
splashed
onto them.

"That was
fantastic,
thanks."

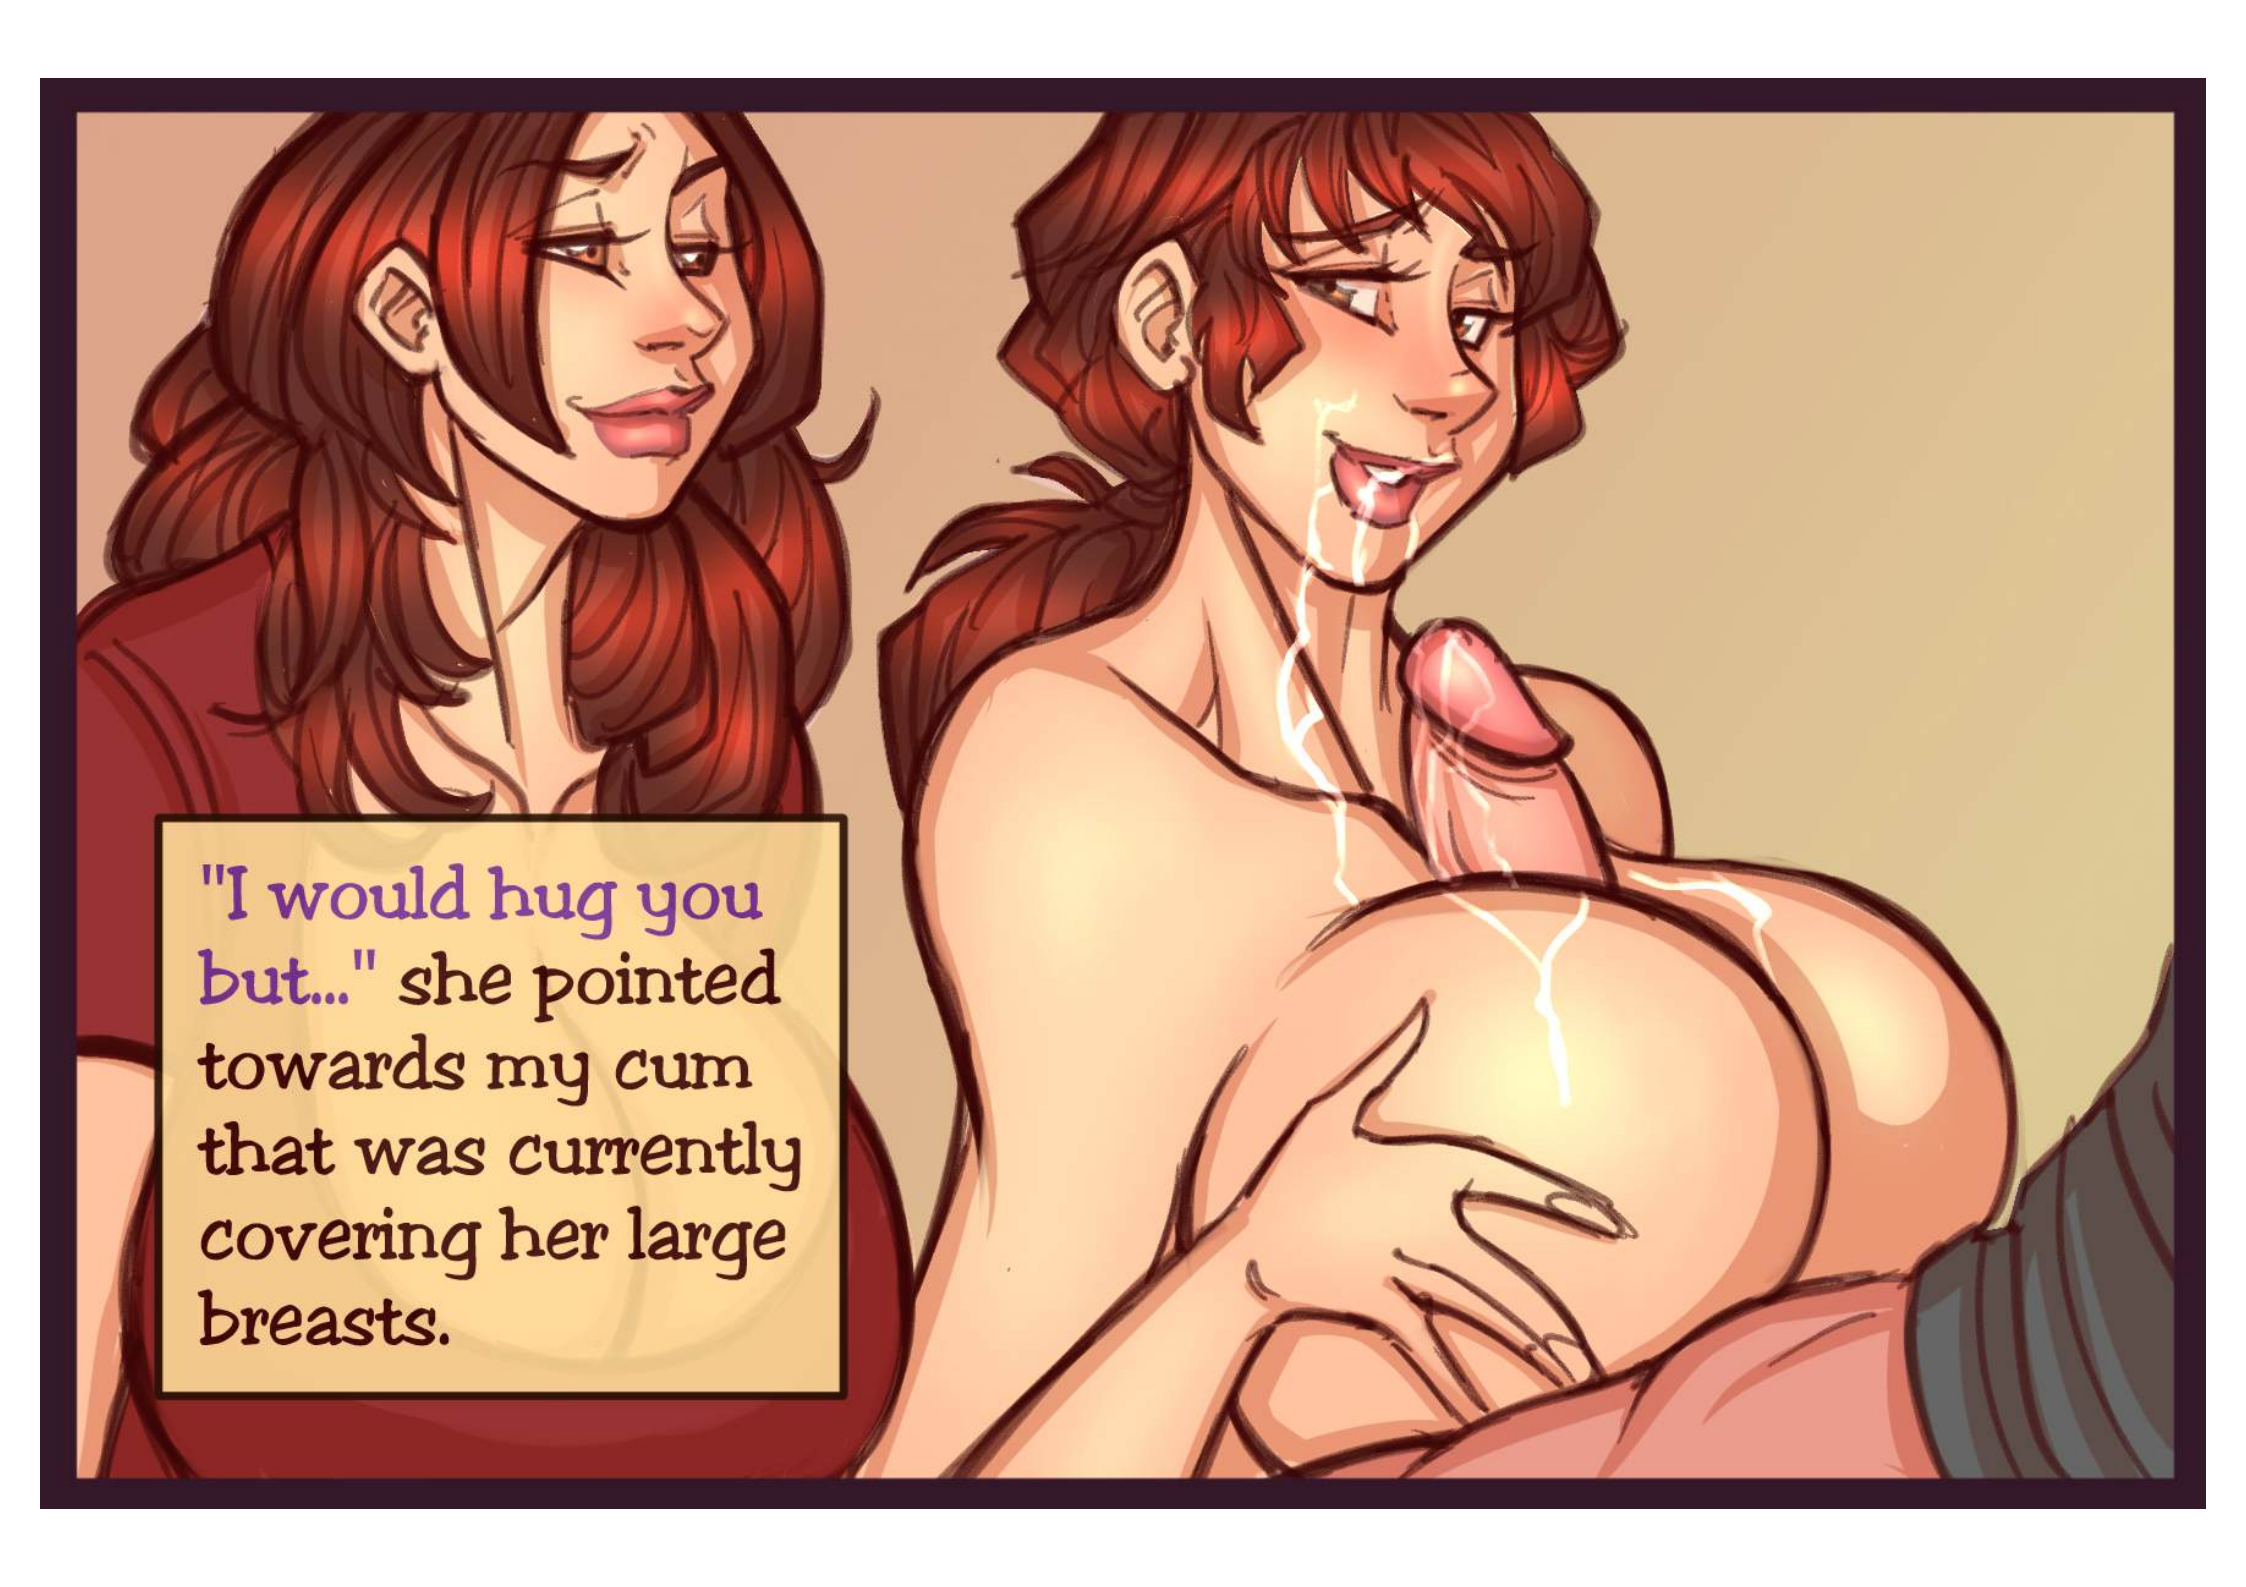

I told her as I
regained my
composure.

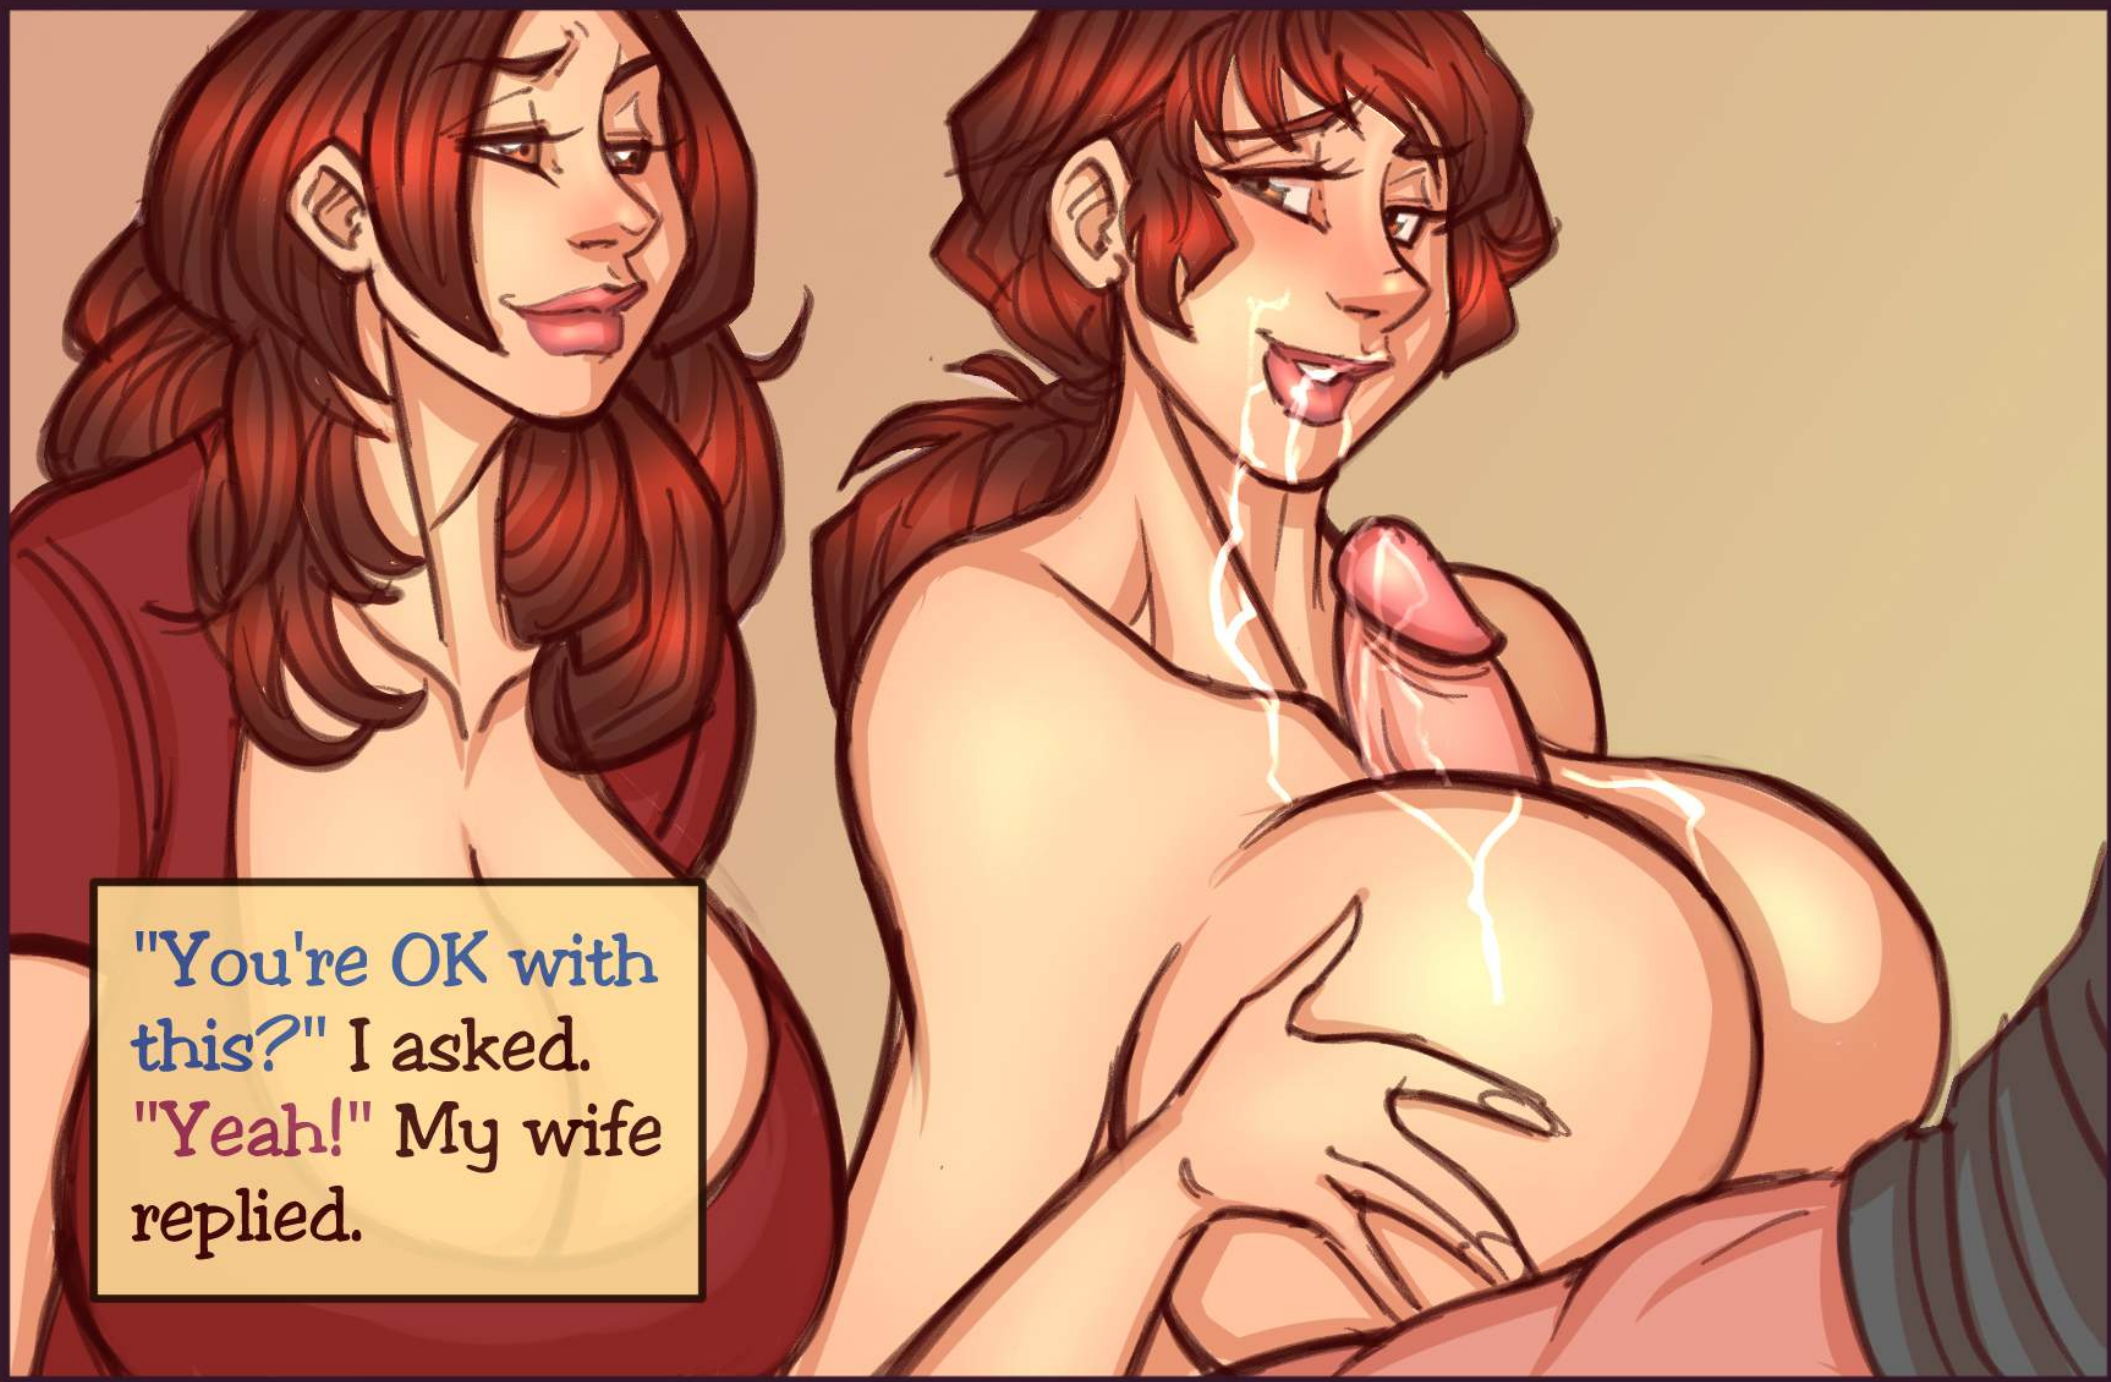

"Glad to see you
two are getting
along better now!"
I heard my wife
say.

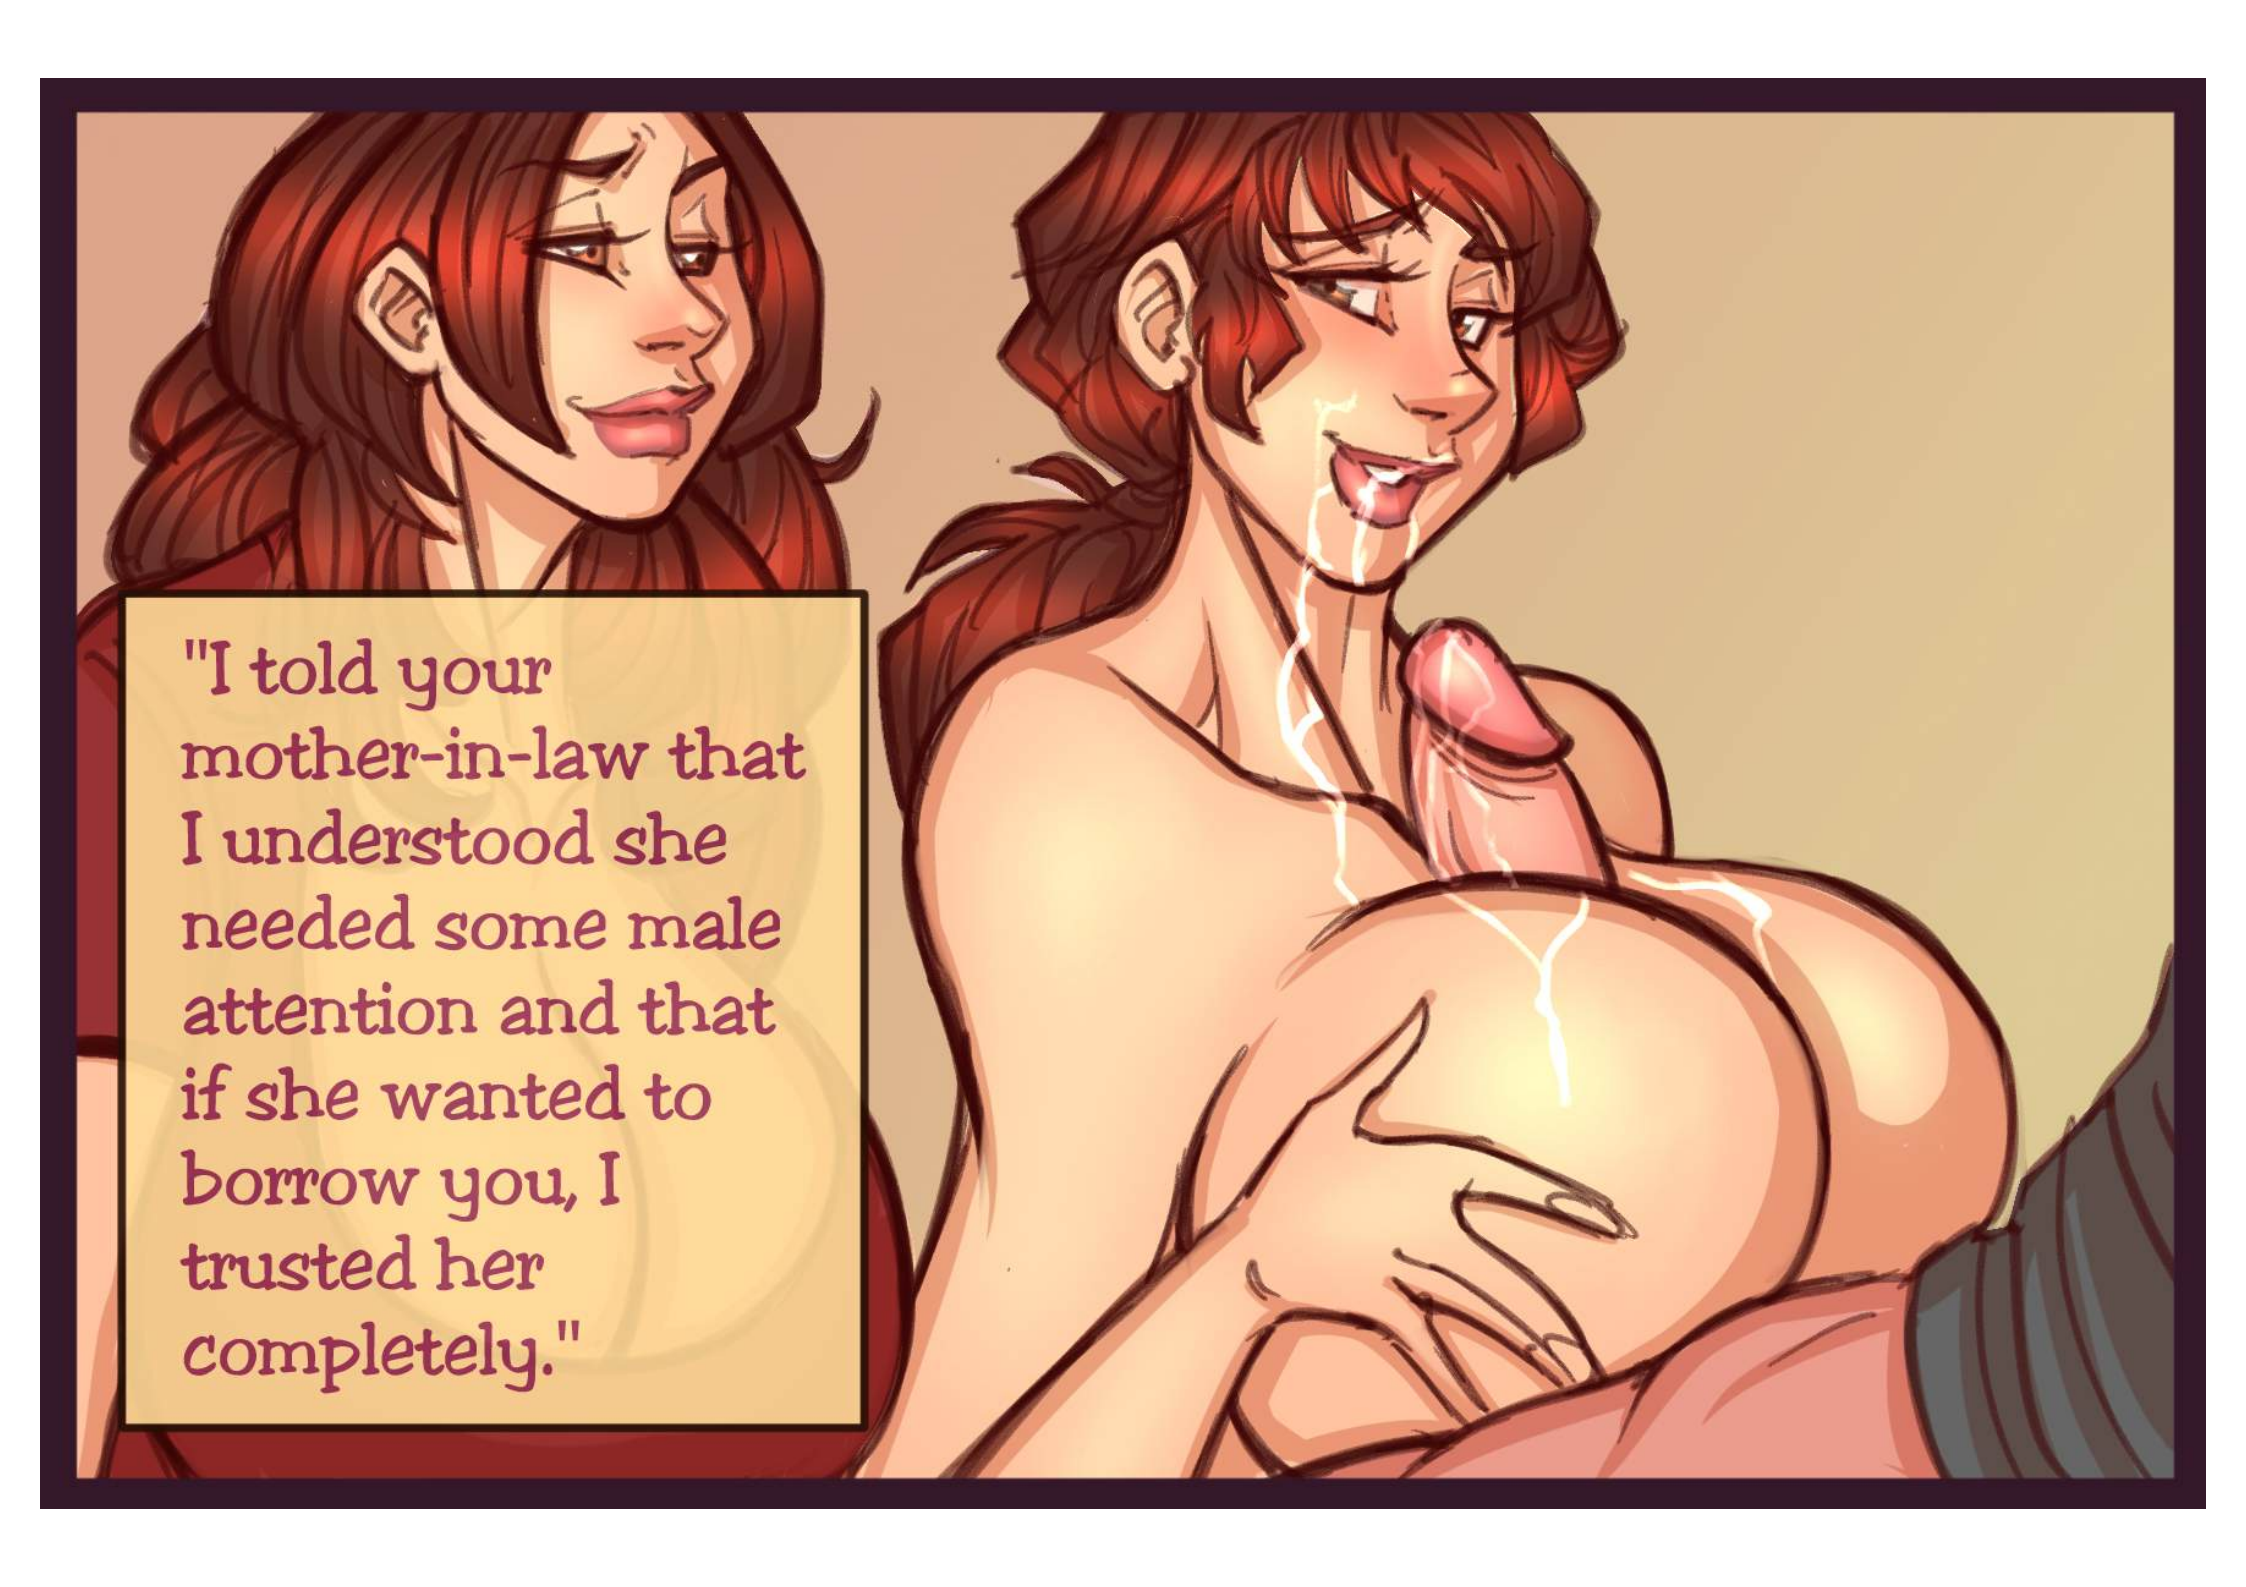

"Thanks Beth!"
Annette said as
she stood up.

"I would hug you but..." she pointed towards my cum that was currently covering her large breasts.

"You're OK with this?" I asked.
"Yeah!" My wife replied.

"I told your mother-in-law that I understood she needed some male attention and that if she wanted to borrow you, I trusted her completely."

"So what happens now?" I asked.

"Nothing." My wife replied.
"No-one else needs to know about this and mummy's satisfied now aren't you?"

"Definitely!"

Annette replied,
wiping my cum
off her chin and
licking it off her
hand.

"Well then,
we're all good!
But I think you
might need a
shower before
everyone gets
home!"

"I think you're right!" Annette replied, winking at me.

Later that night, I was in bed
with my wife...

"Did you enjoy
titfucking your
mother in law?"

"Uhhhh, yes?"
I replied,
wondering if
that was the
right answer.

"Good - you know that was the first and last time don't you." She told me. "Of course."

"Good, I love you, thankyou so much for helping your mom-in-law."

"Love you too."
