# CHAPTER 10

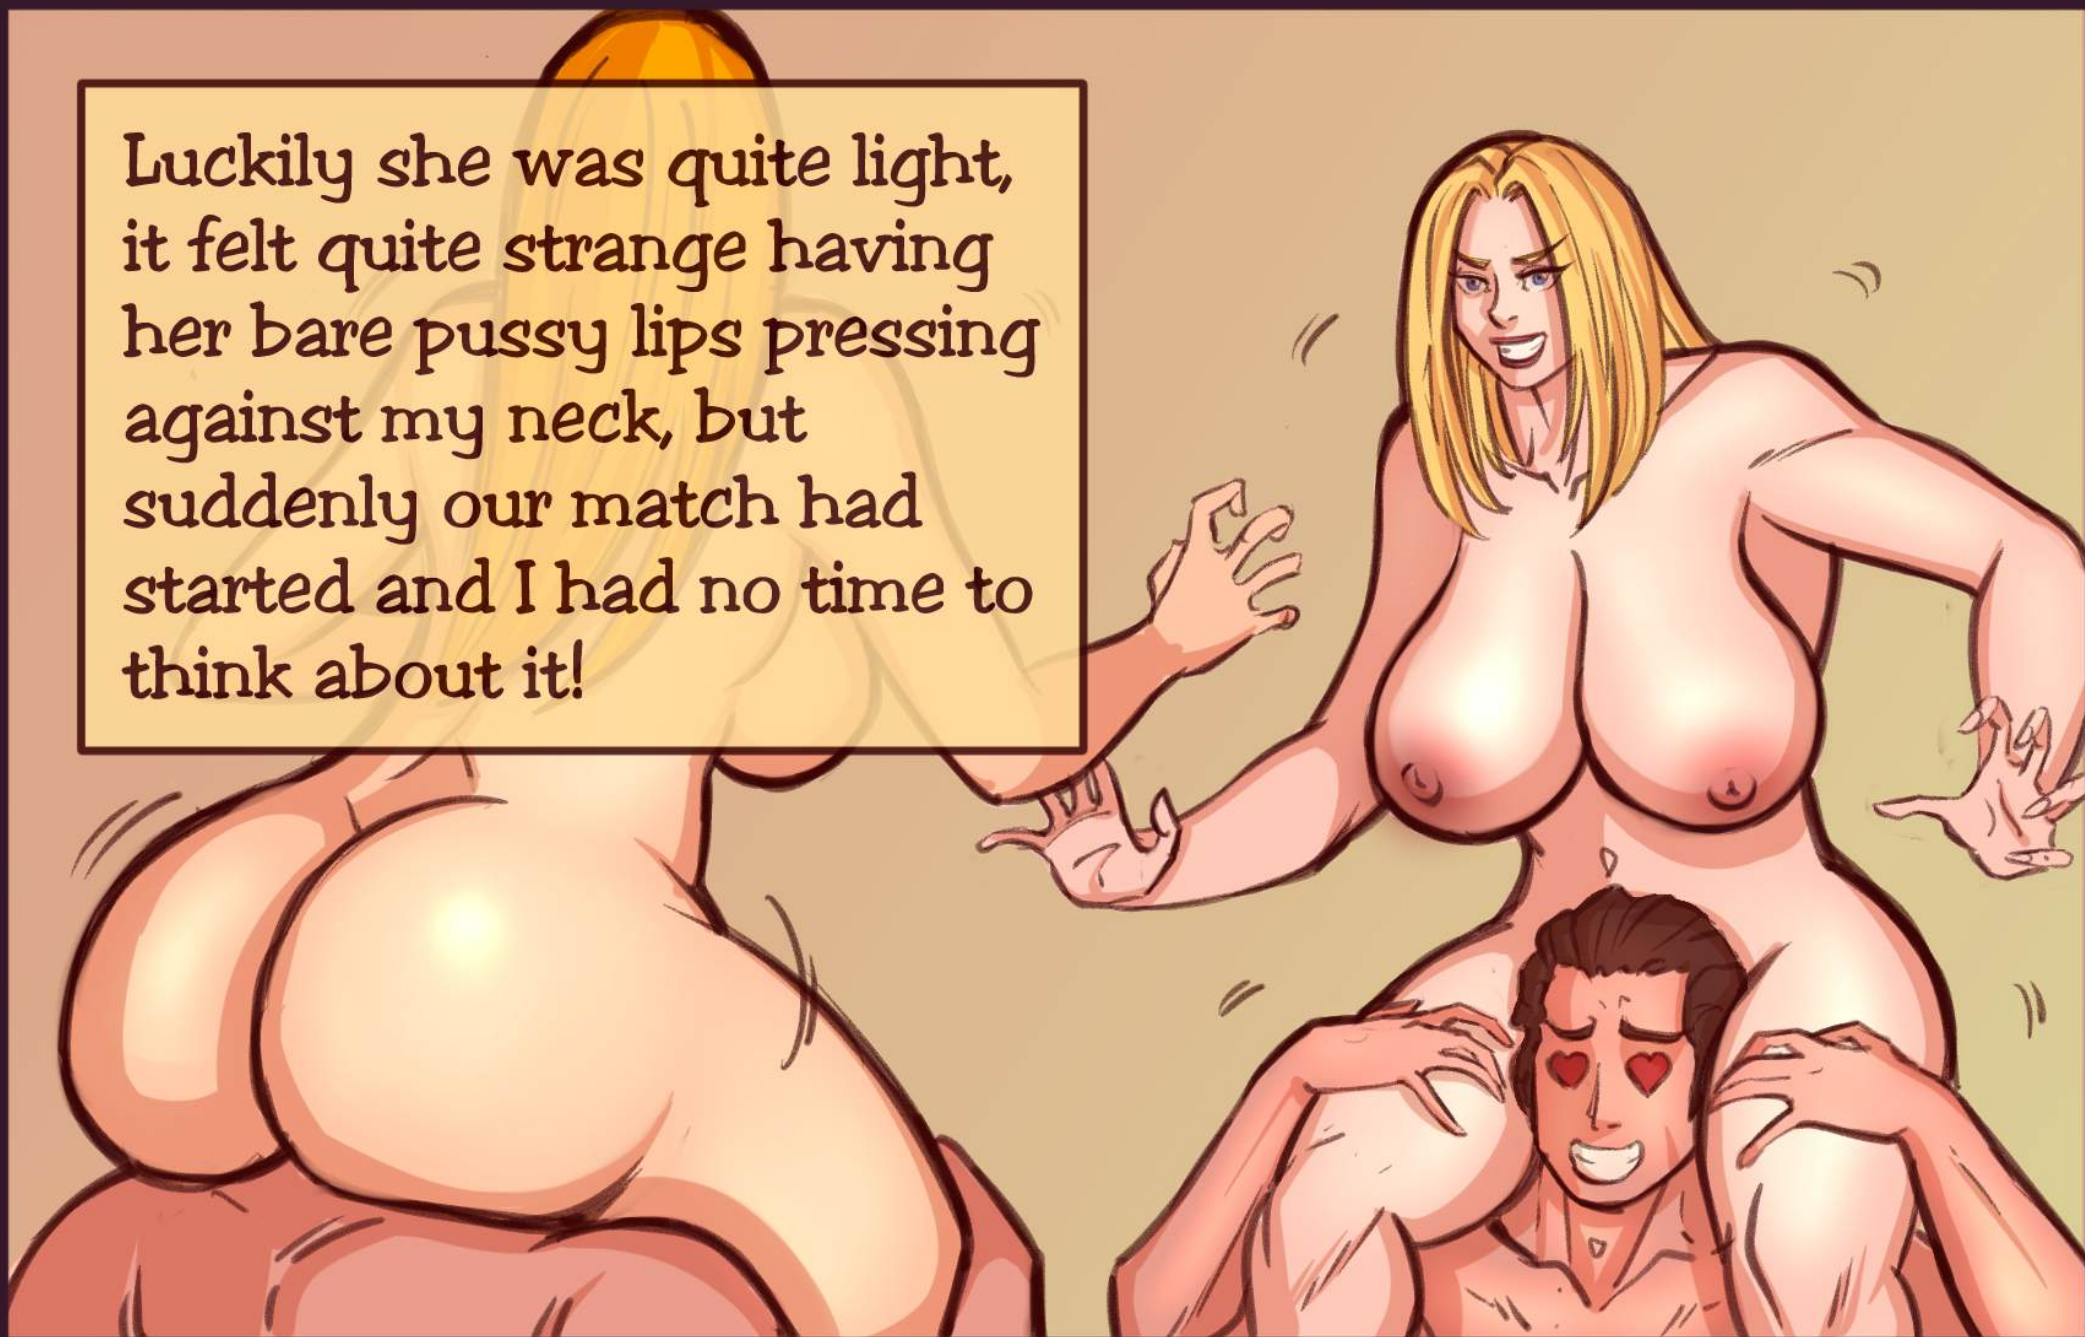

The couple of hours before the tournament  
passed quickly  
and it wasn't long before  
all five of us headed over  
to where it was being held.

Kate and I waded into the water  
whilst the other three stayed  
on the beach to watch.

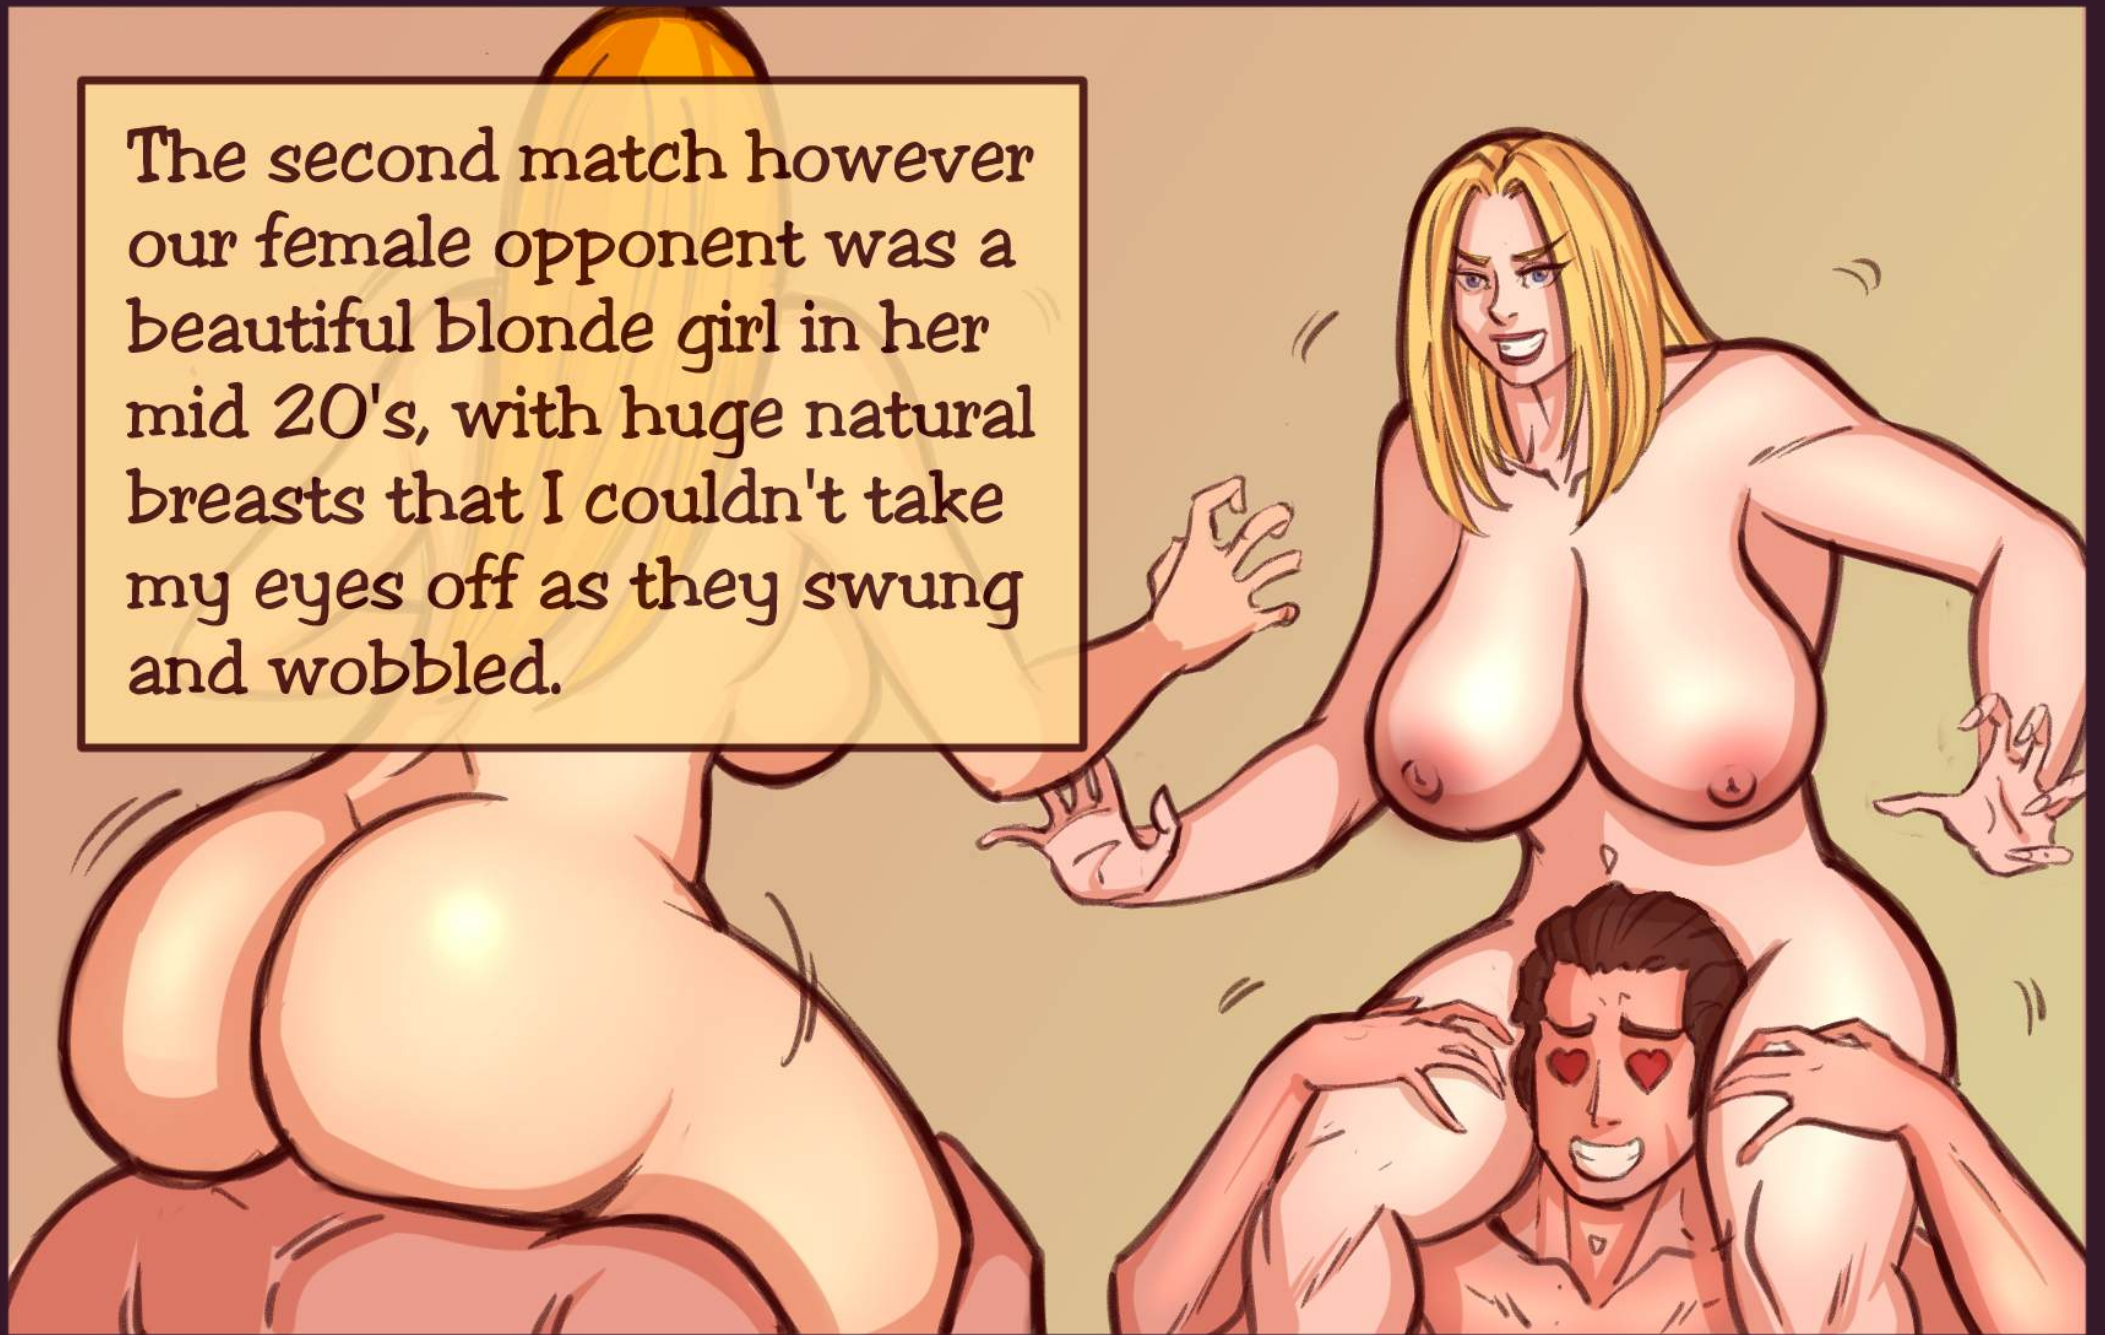

I bent down to allow  
Kate to climb onto  
my shoulders.

Luckily she was quite light,  
it felt quite strange having  
her bare pussy lips pressing  
against my neck, but  
suddenly our match had  
started and I had no time to  
think about it!

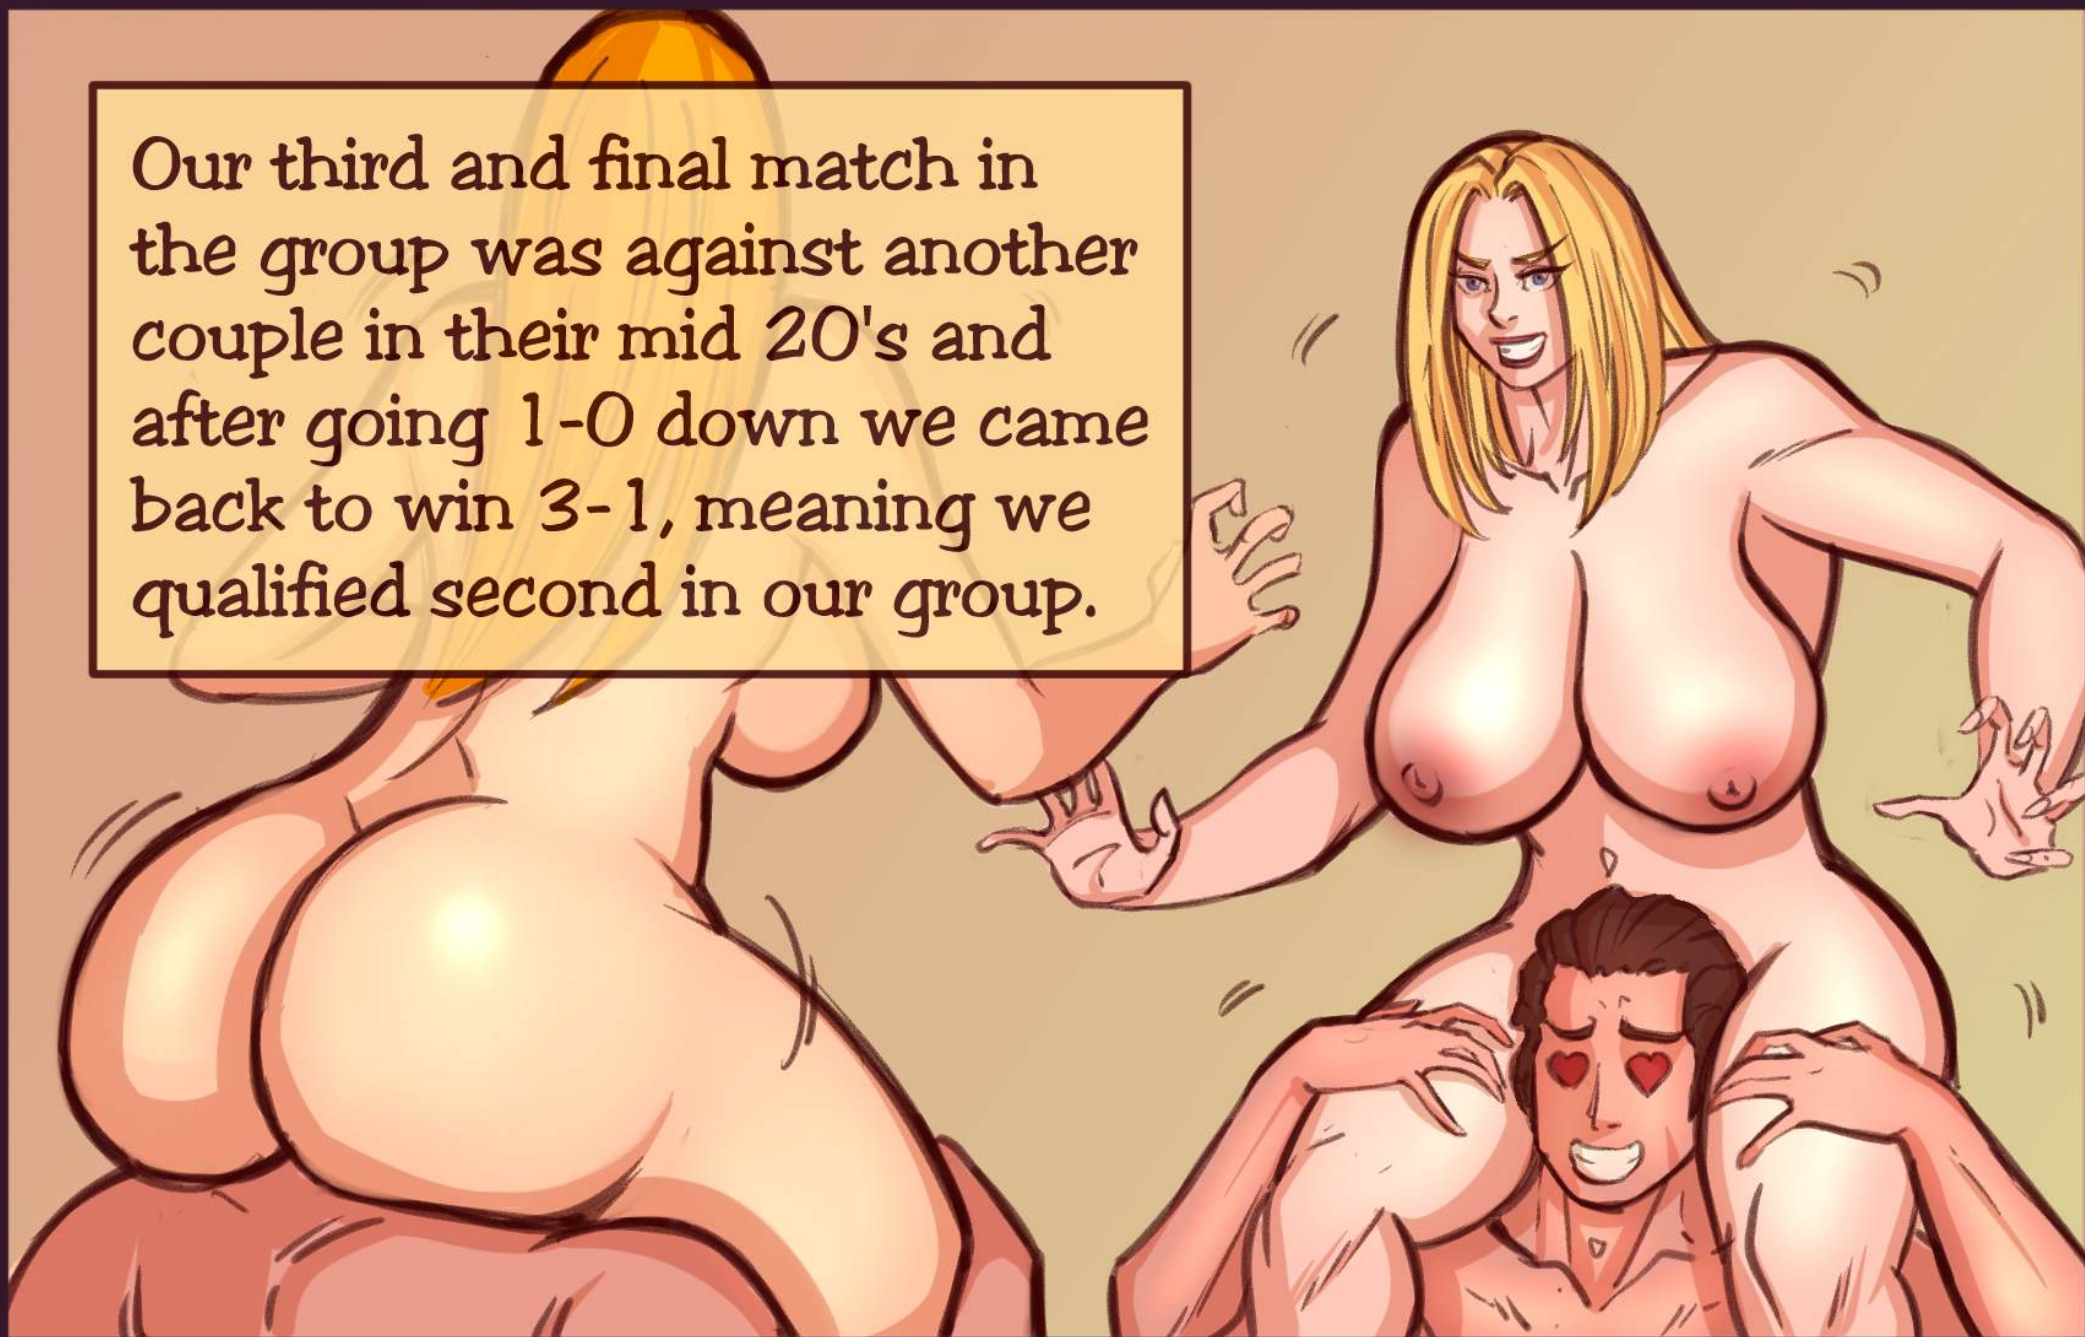

The second match however our female opponent was a beautiful blonde girl in her mid 20's, with huge natural breasts that I couldn't take my eyes off as they swung and wobbled.

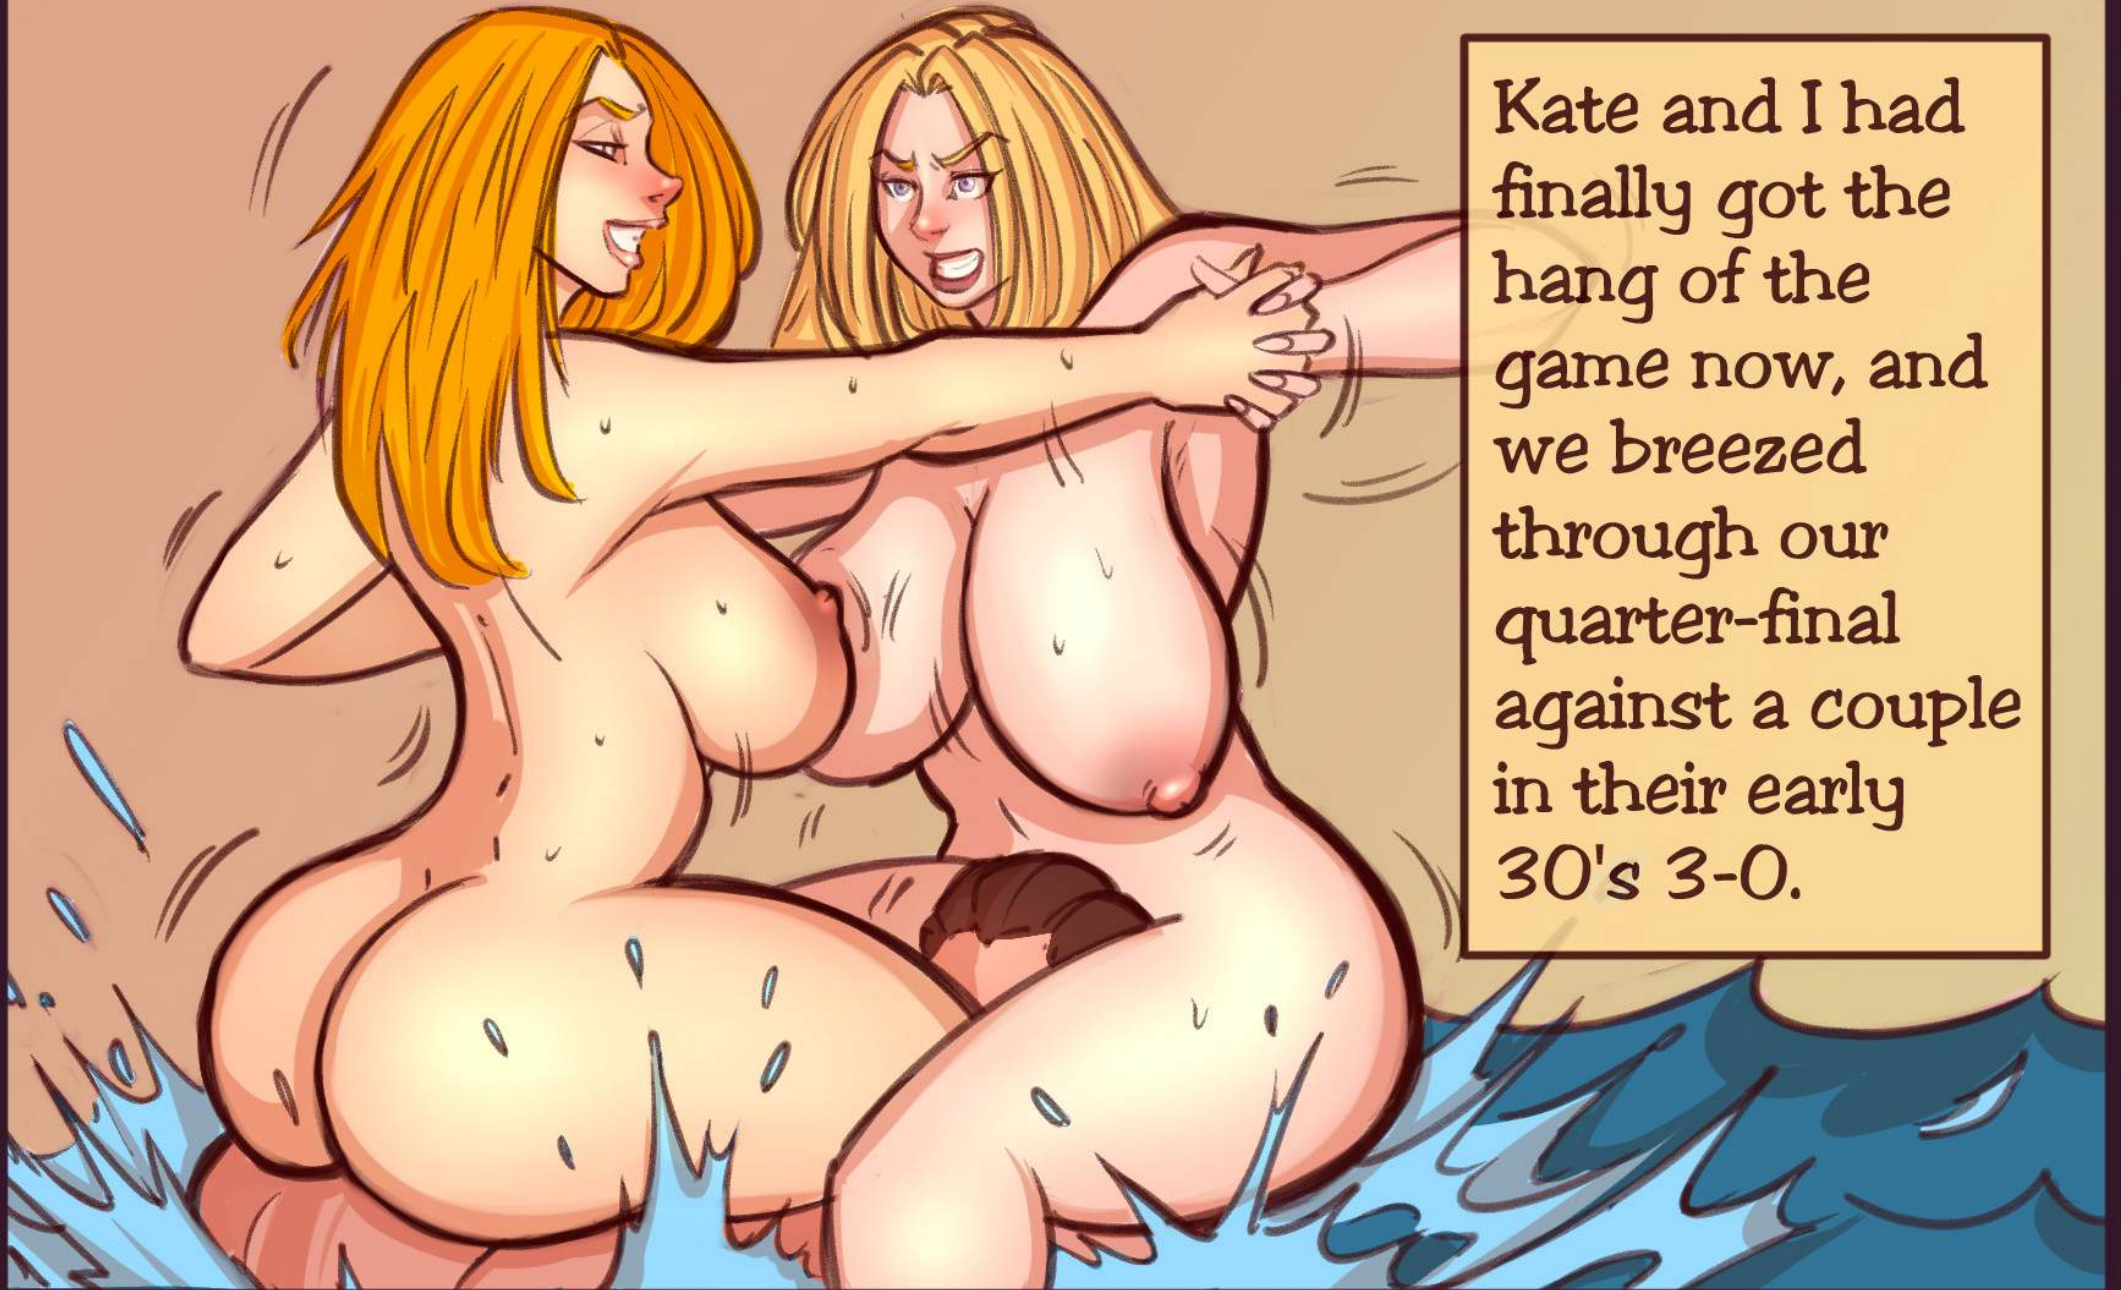

Needless to say we lost  
3-0 and Kate wasn't too  
happy with me!

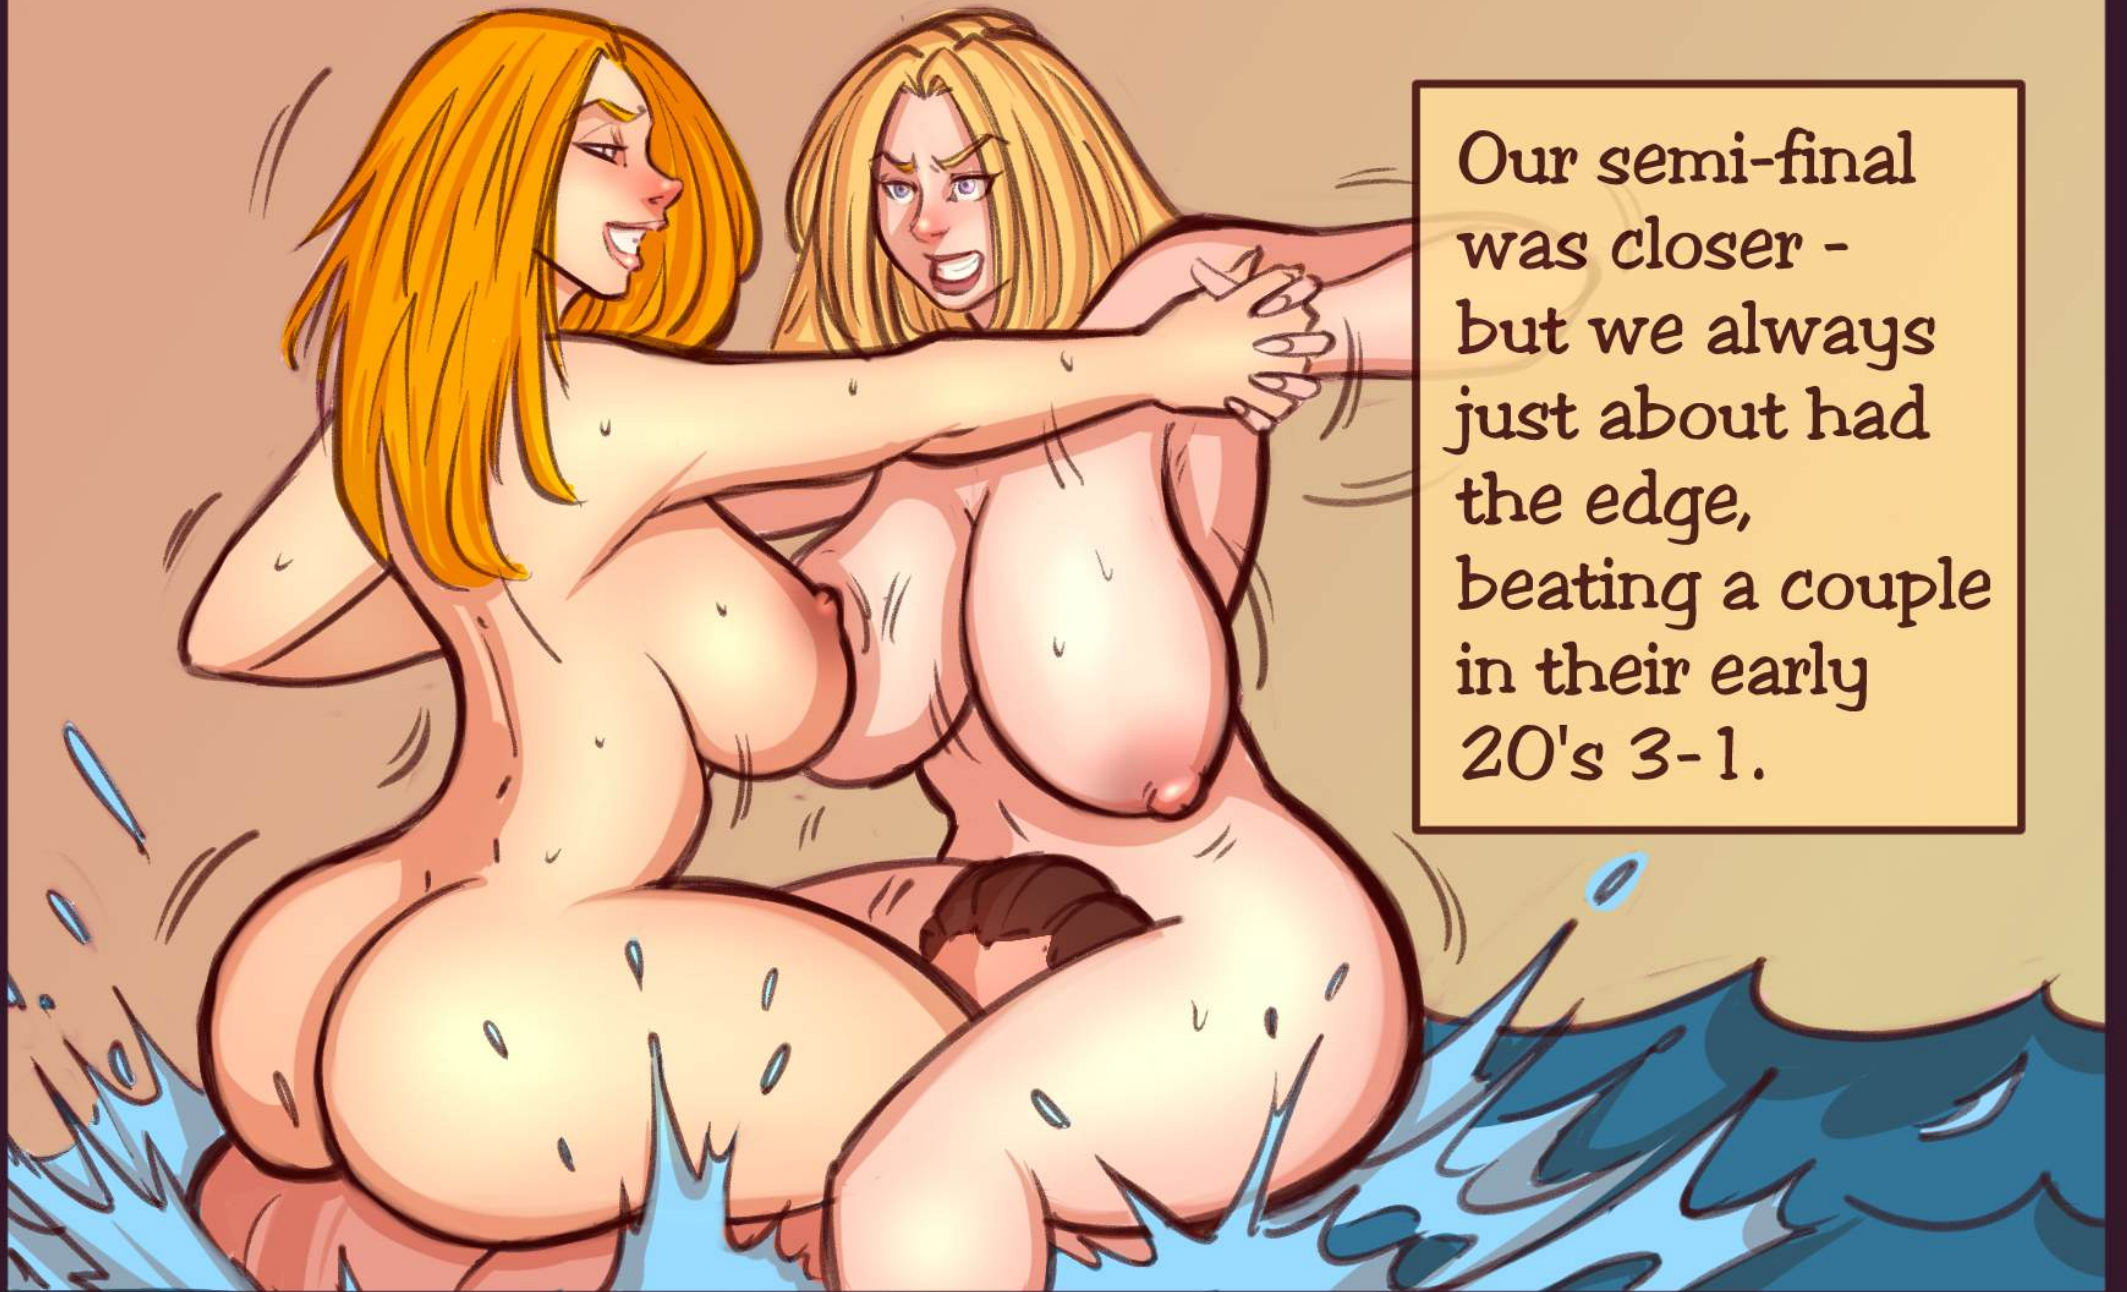

Our third and final match in the group was against another couple in their mid 20's and after going 1-0 down we came back to win 3-1, meaning we qualified second in our group.

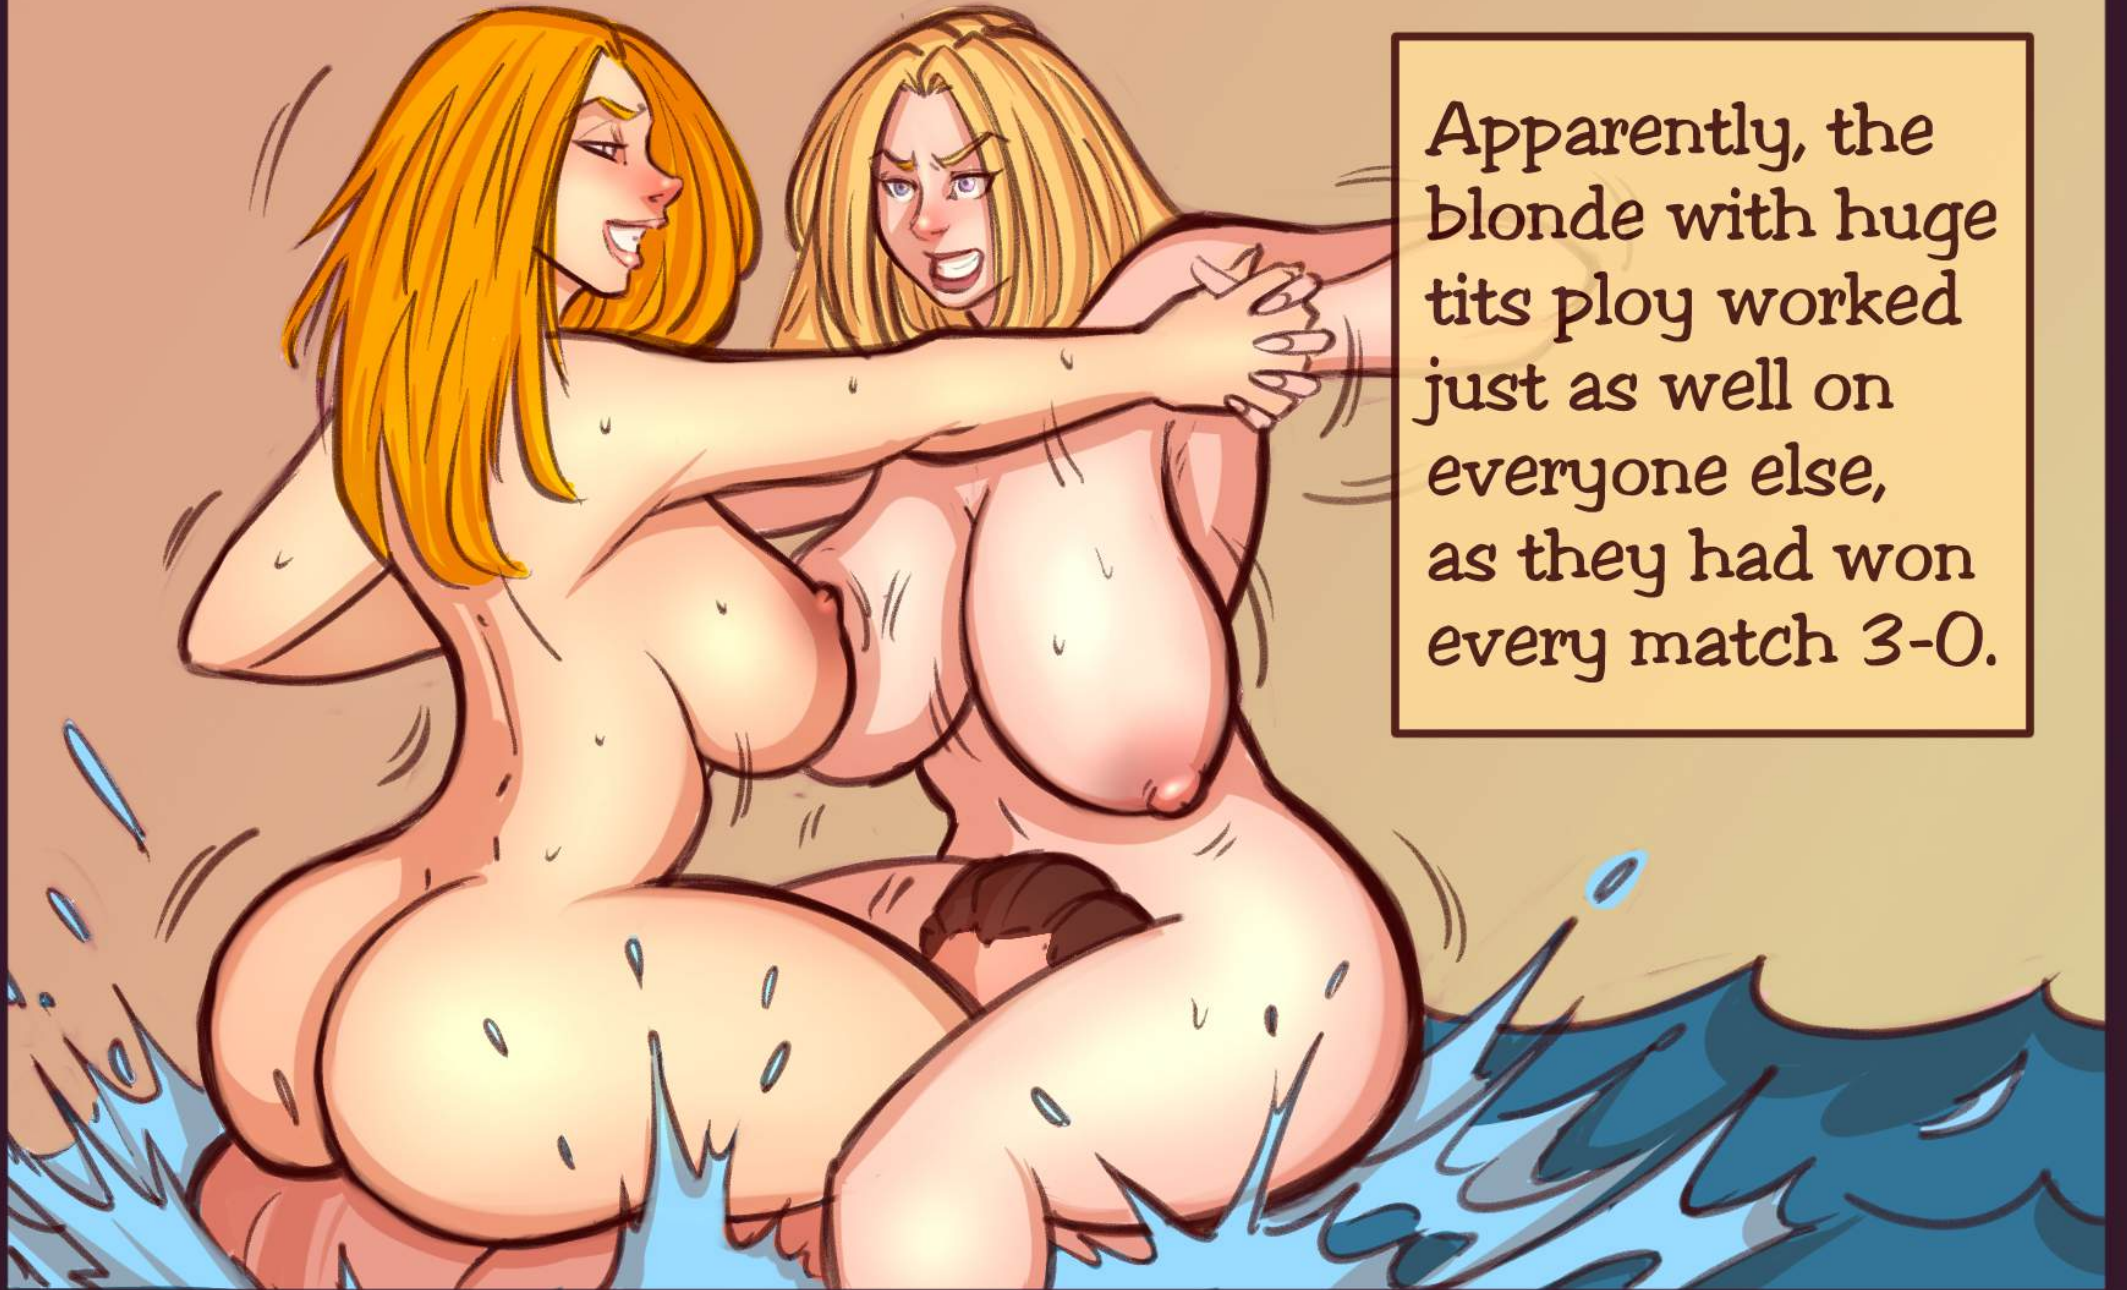

Kate and I had finally got the hang of the game now, and we breezed through our quarter-final against a couple in their early 30's 3-0.

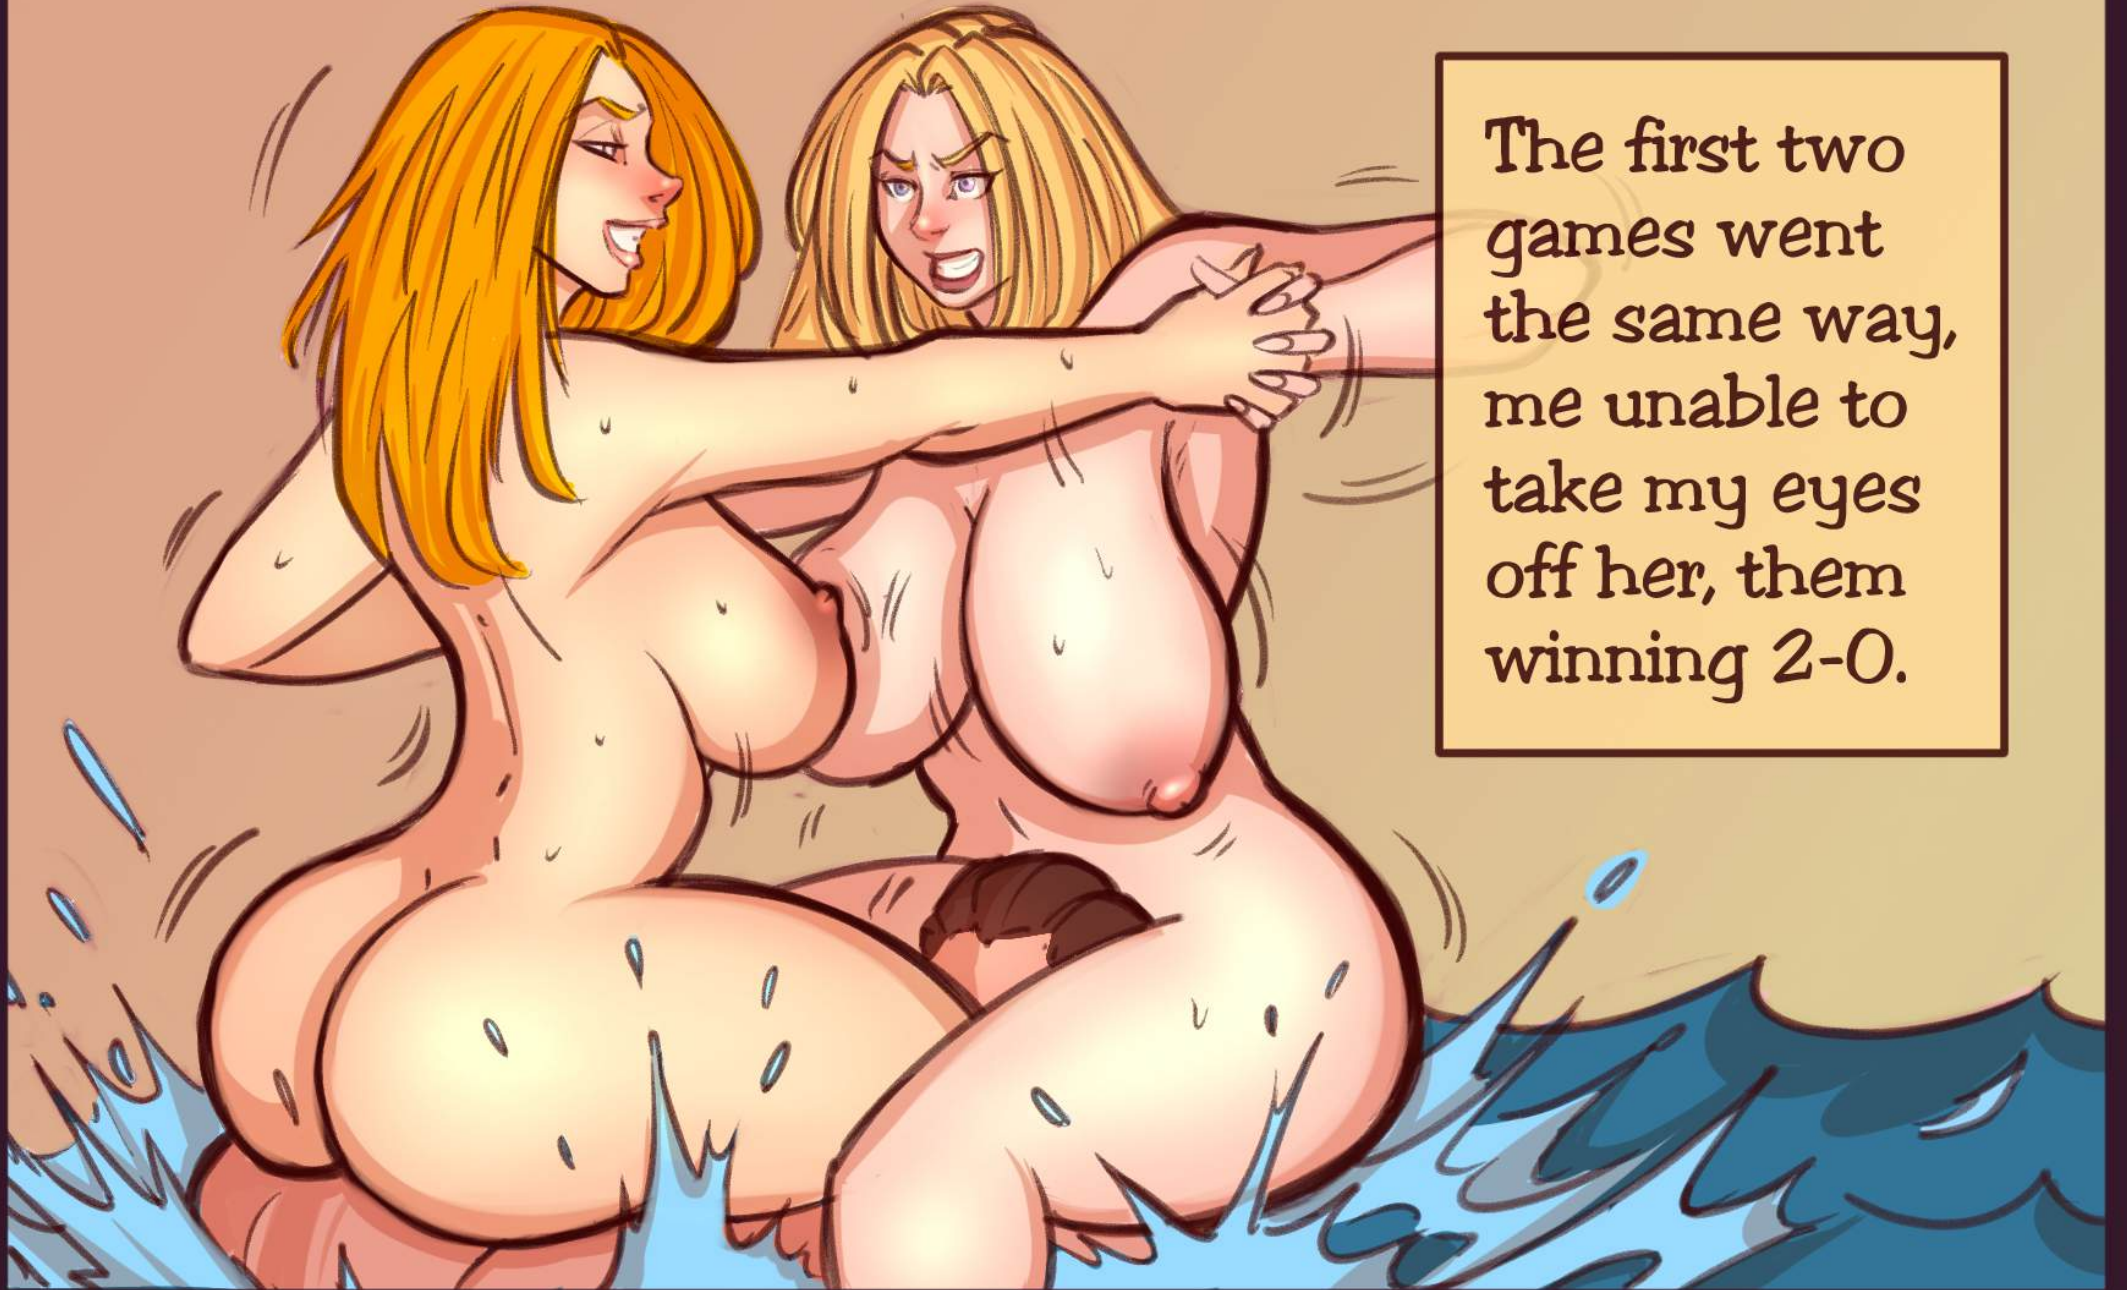

Our semi-final was closer - but we always just about had the edge, beating a couple in their early 20's 3-1.

So we were in the final, and we would play the couple that beat us 3-0 in the group stages.

Apparently, the blonde with huge tits ploy worked just as well on everyone else, as they had won every match 3-0.

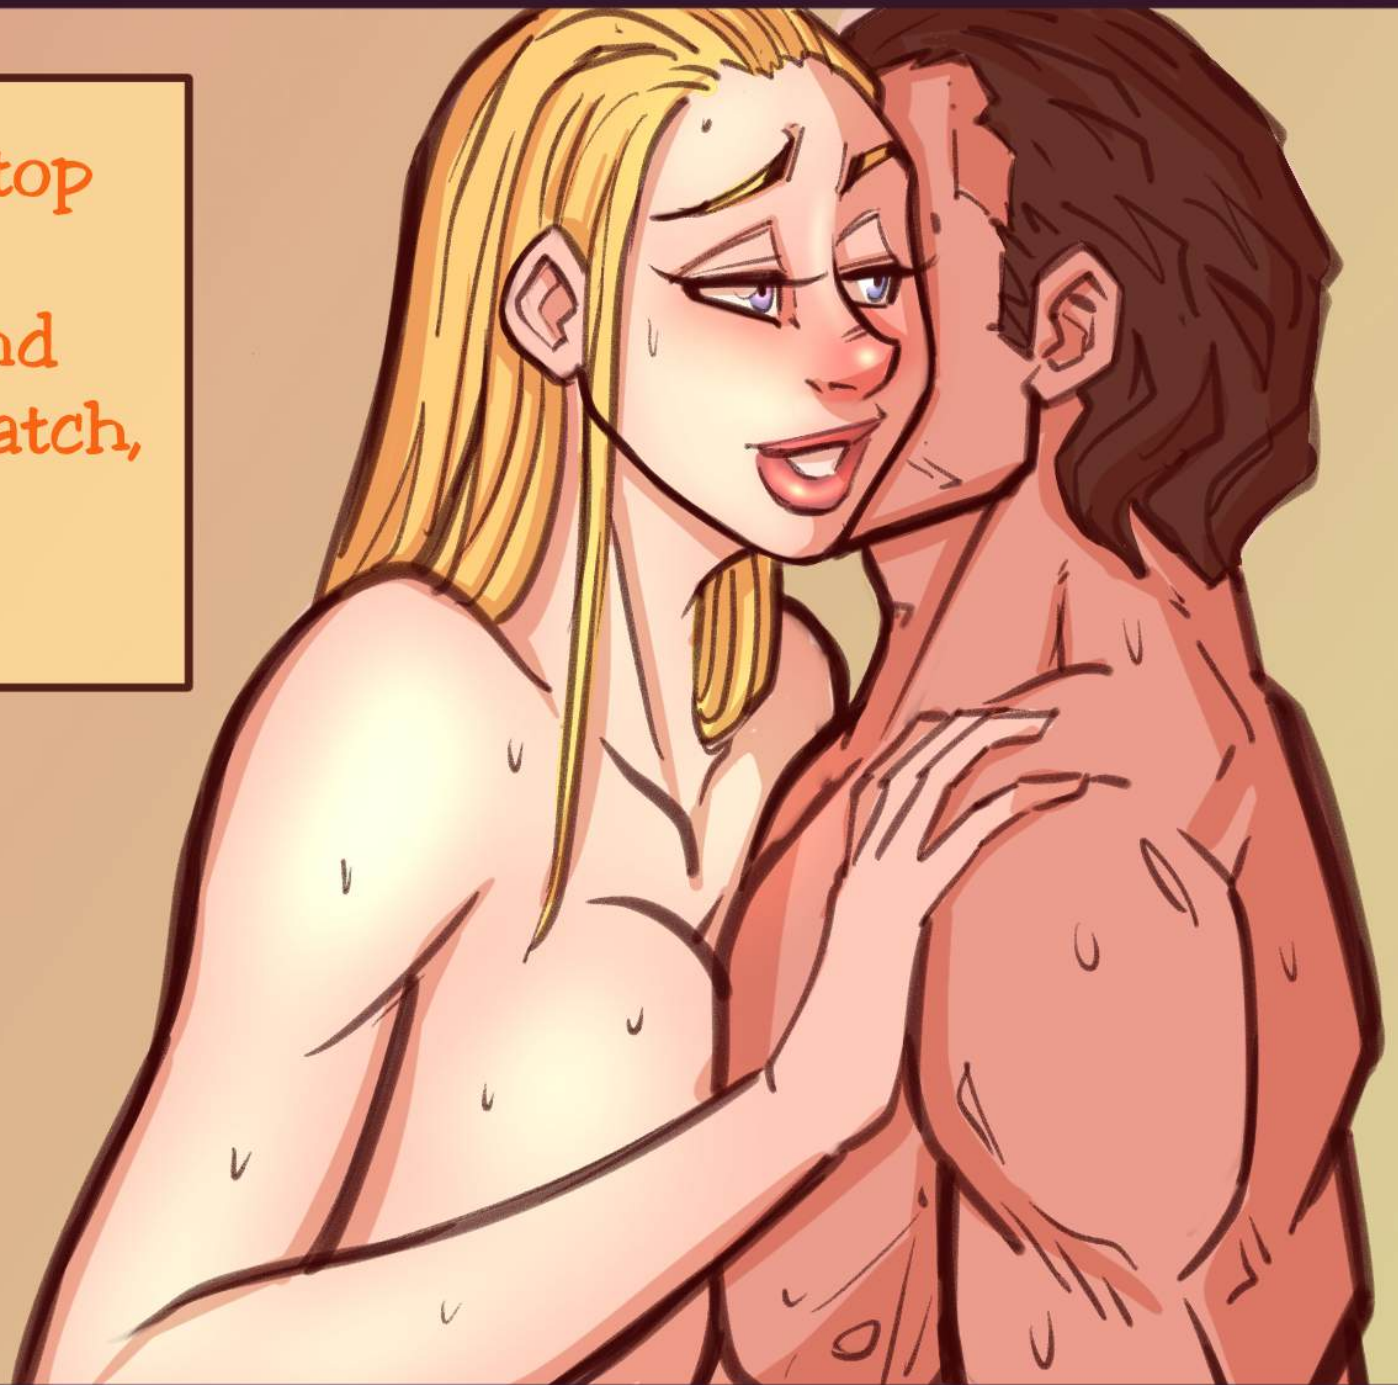

The first two games went the same way, me unable to take my eyes off her, them winning 2-0.

As Kate was about to climb back onto my shoulders she said quietly into my ear:

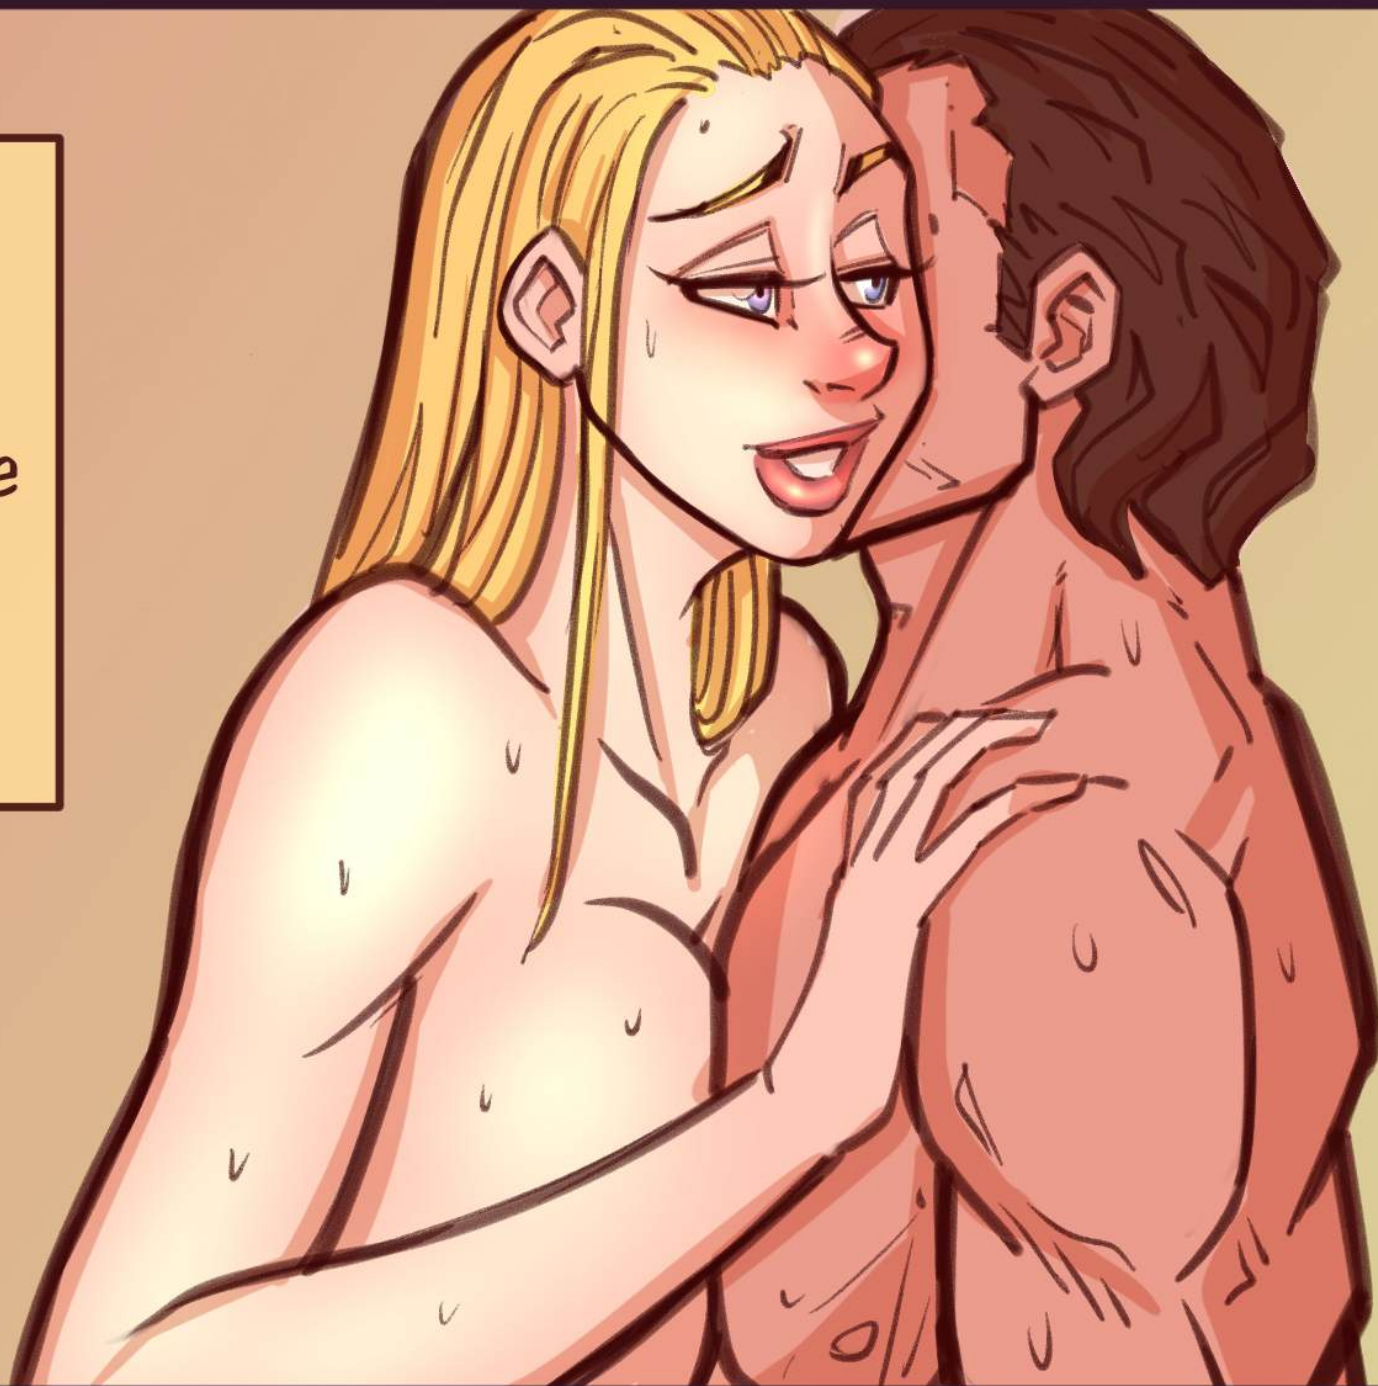

"Look, if you stop  
staring at that  
blonde's tits and  
we win this match,  
I'll give you a  
blowjob."

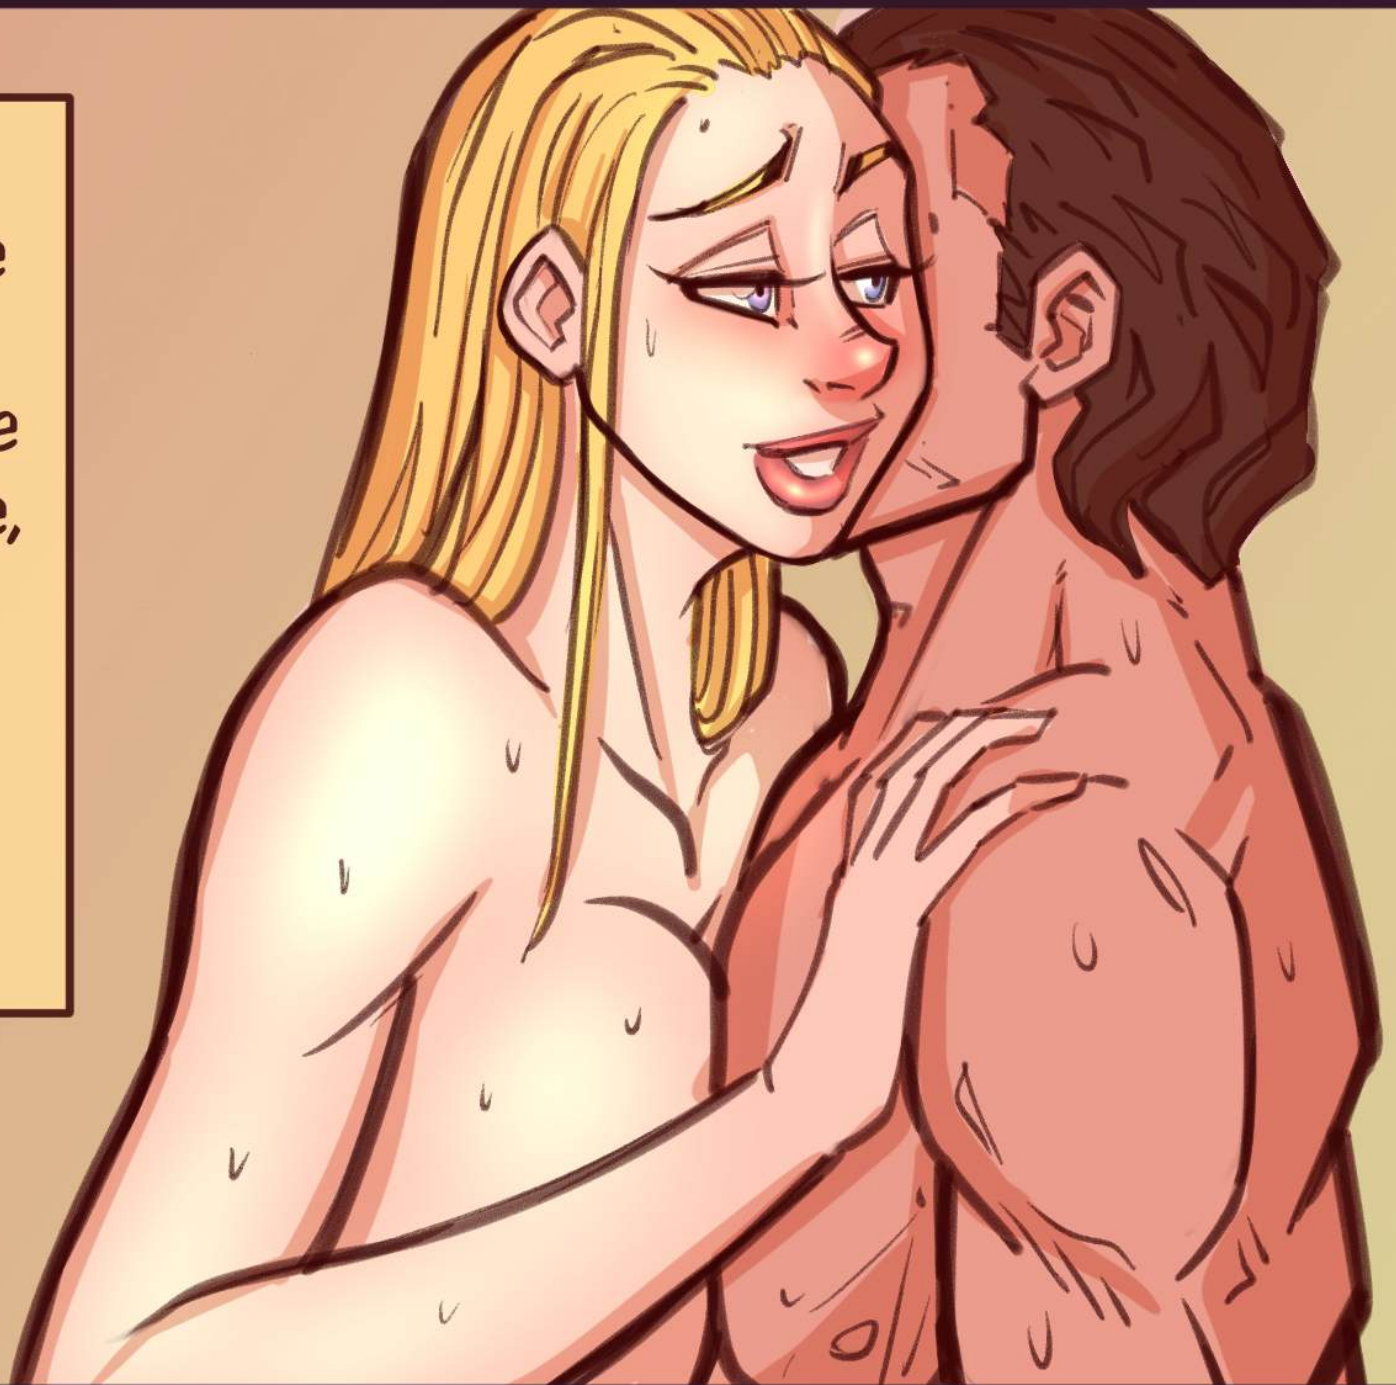

Spurred on by  
her promise, I  
kept my focus  
and we won  
the next game.

The crowd  
cheering as  
they finally  
saw someone  
win a game  
against this  
team.

We also won the next game to take the match into the deciding game, as the other team argued Kate dropped off my shoulders.

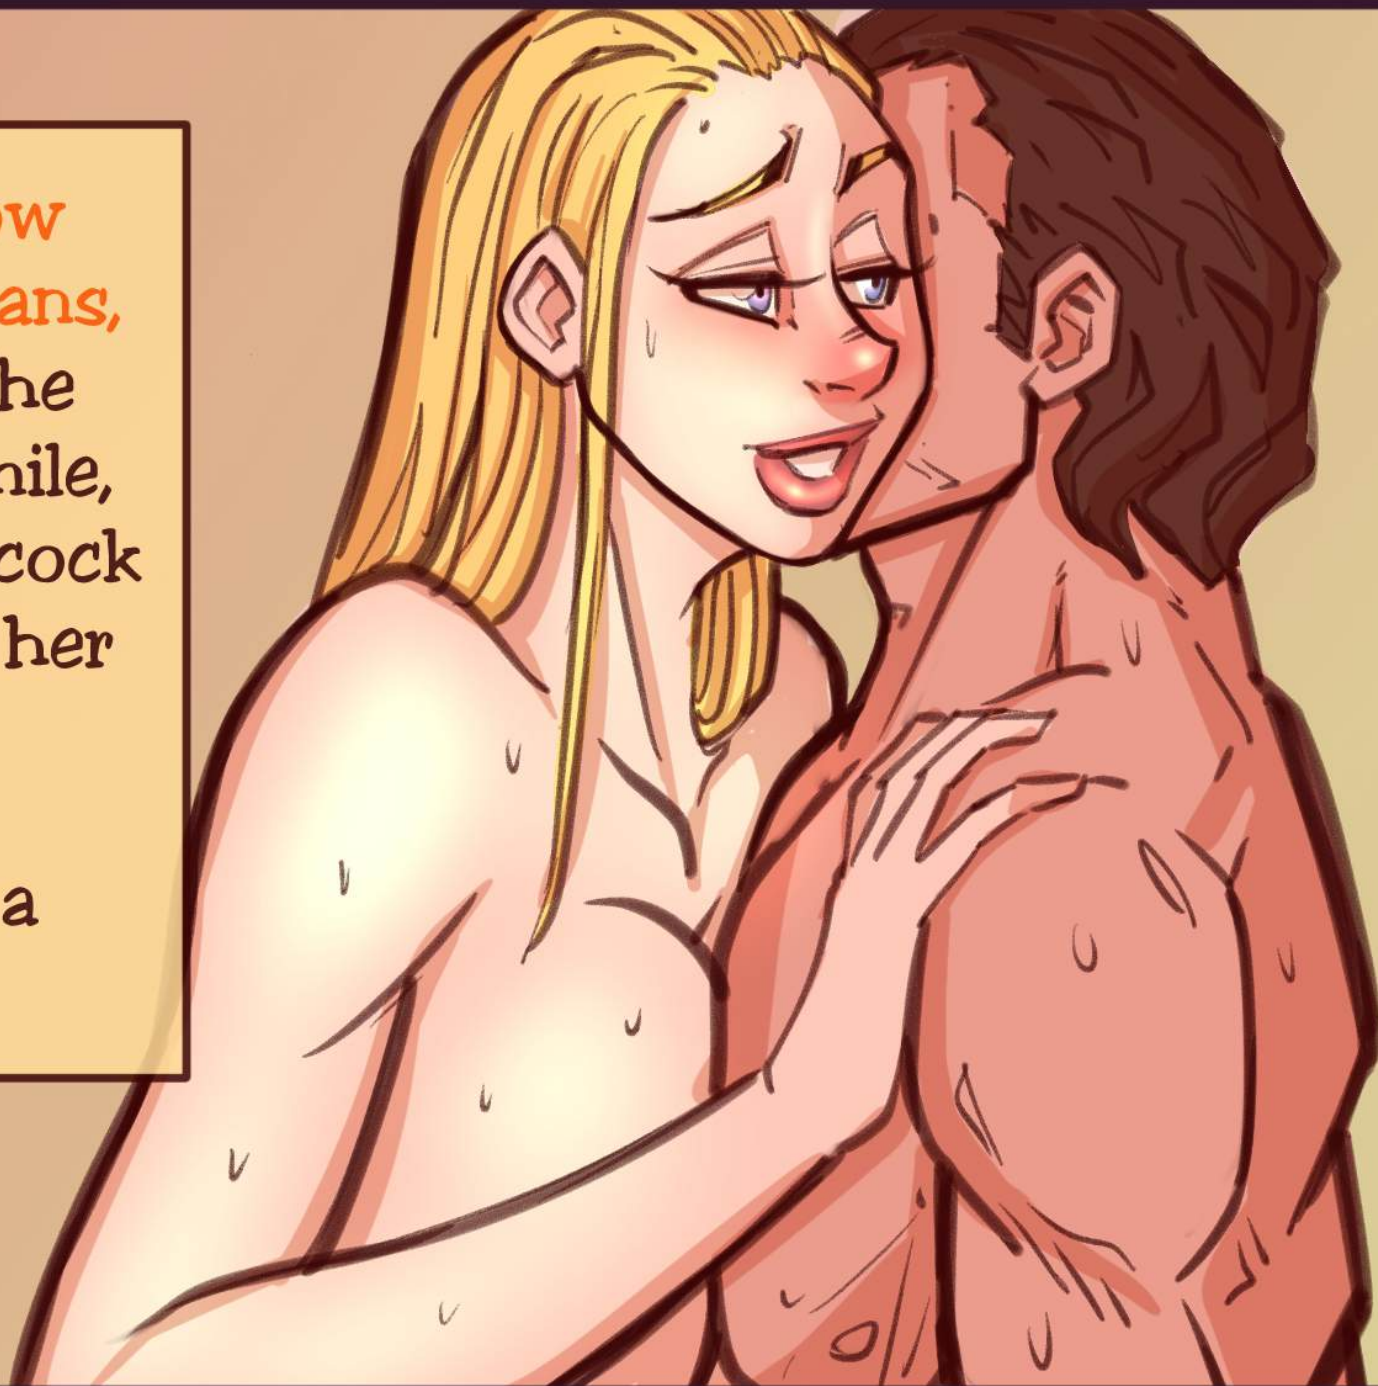

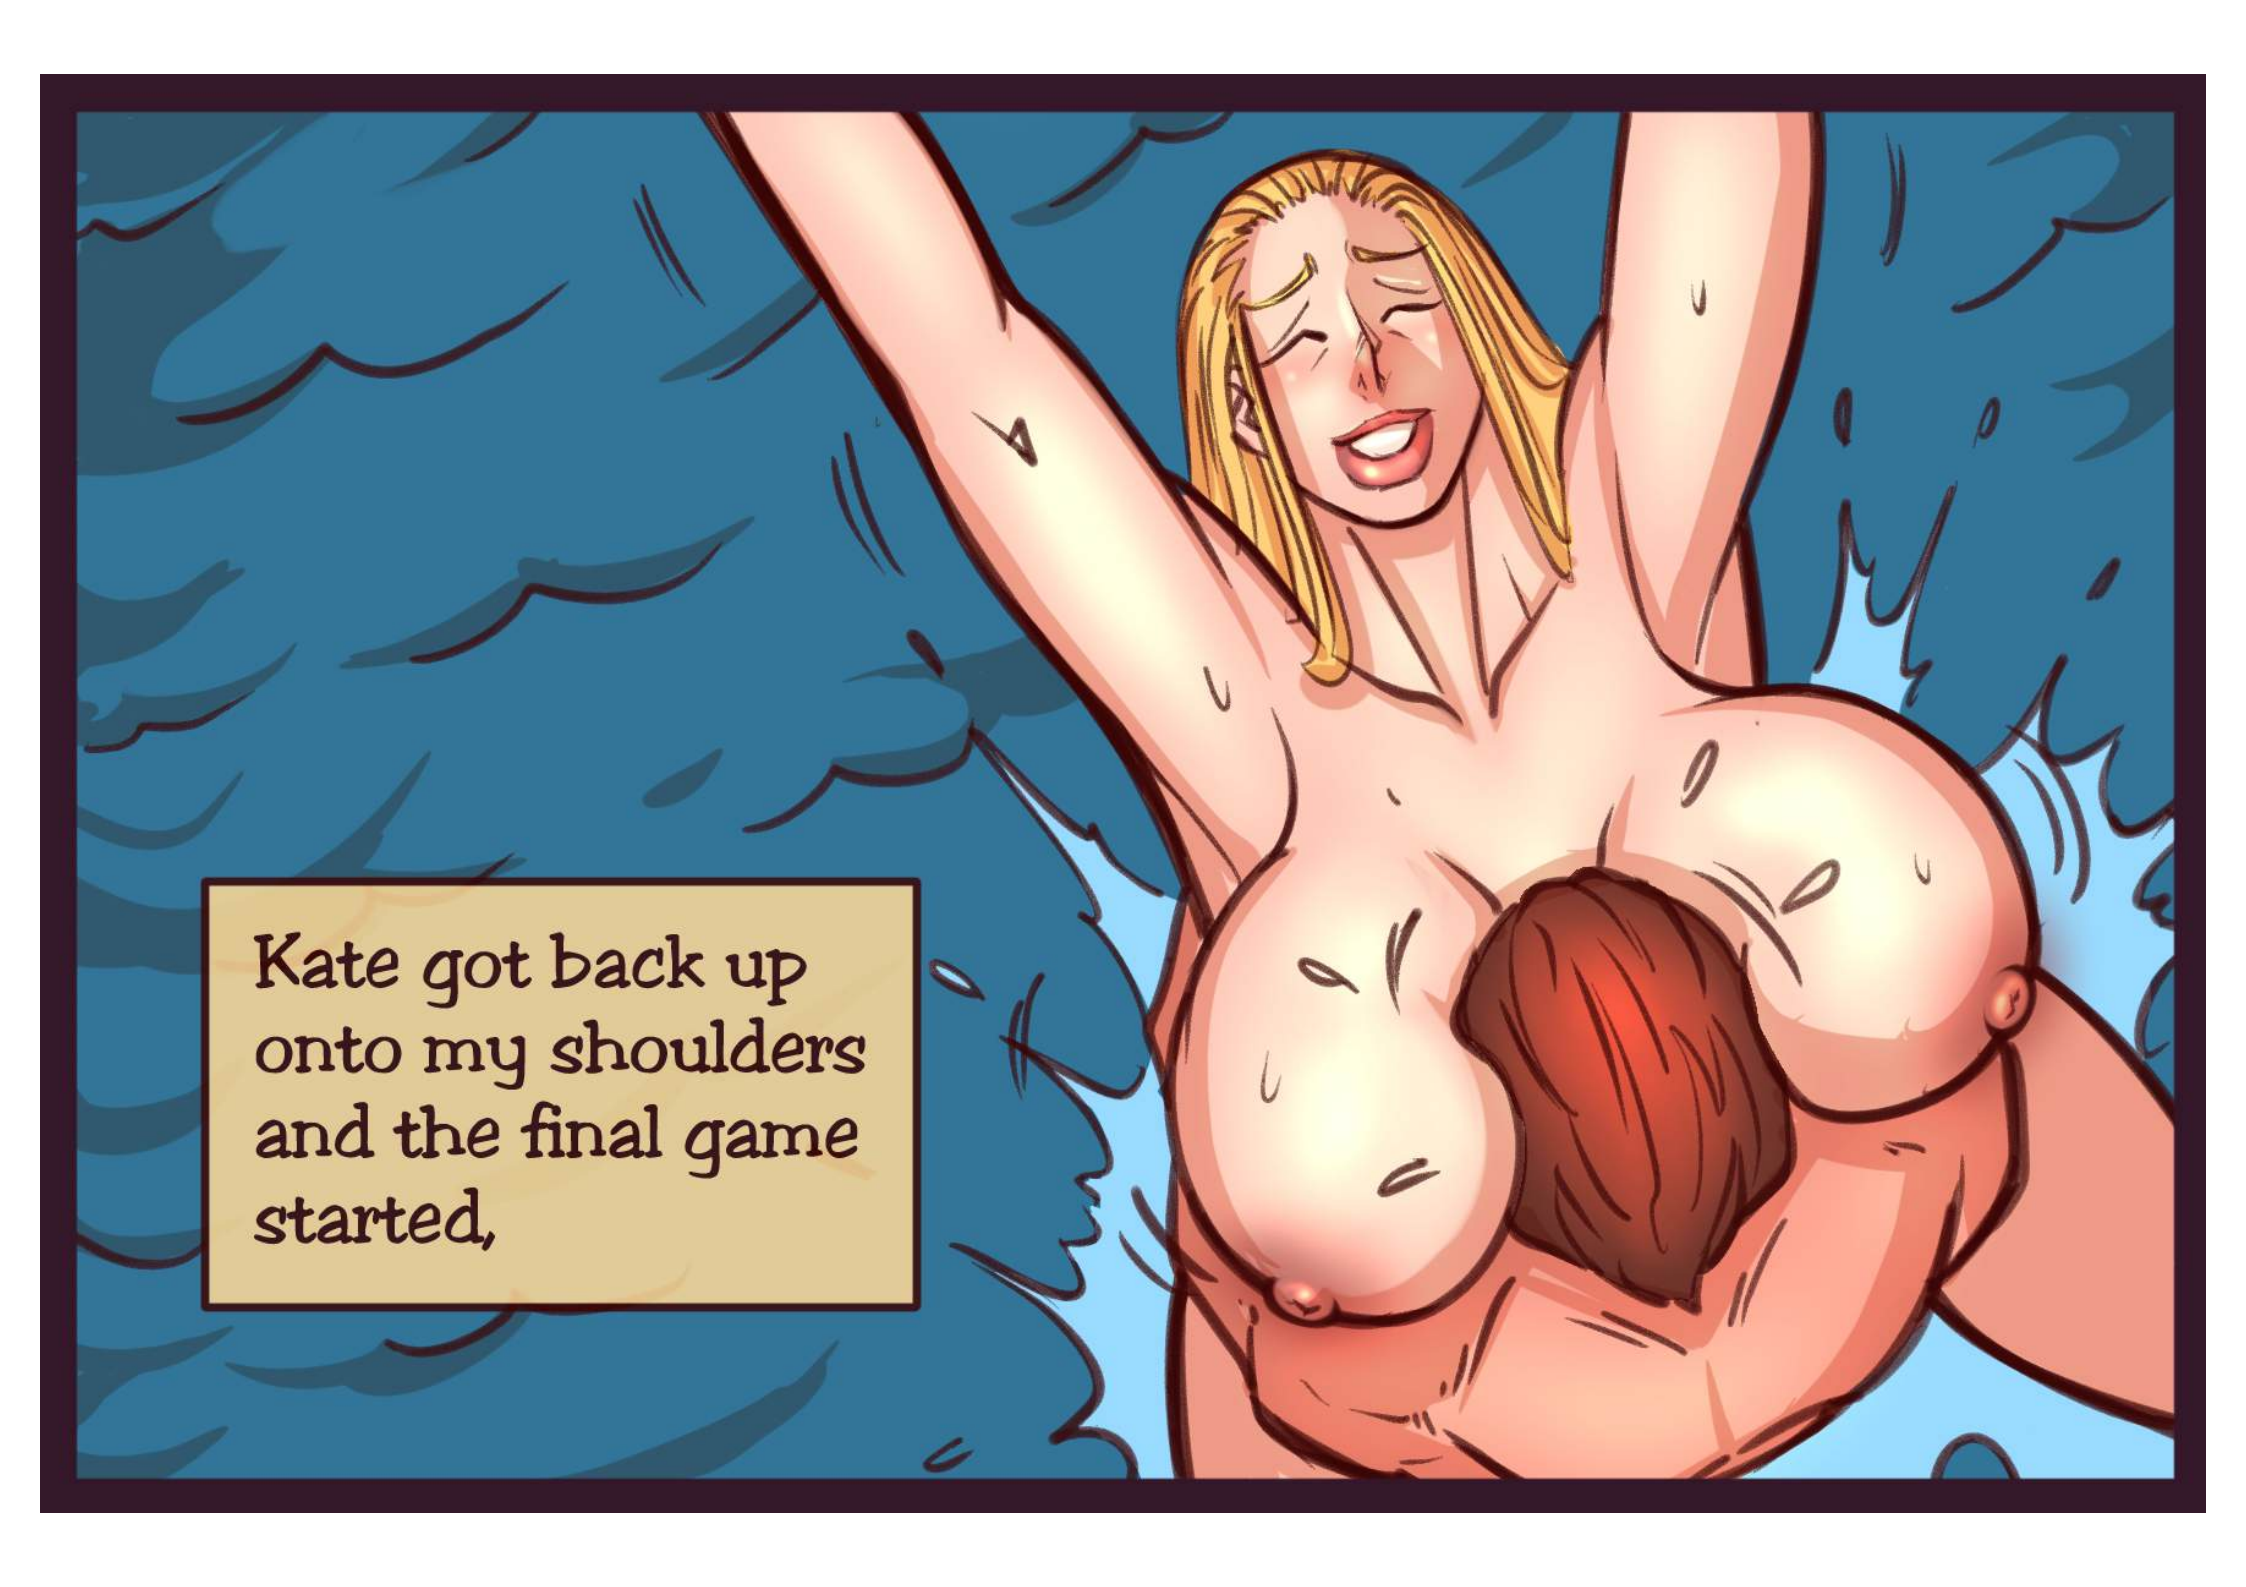

"See, they're not that difficult to beat if you concentrate, one more game and we win!"

"And you know what that means, don't you!" She said with a smile, grabbing my cock to emphasise her point.

"I do indeed!" I replied with a smile.

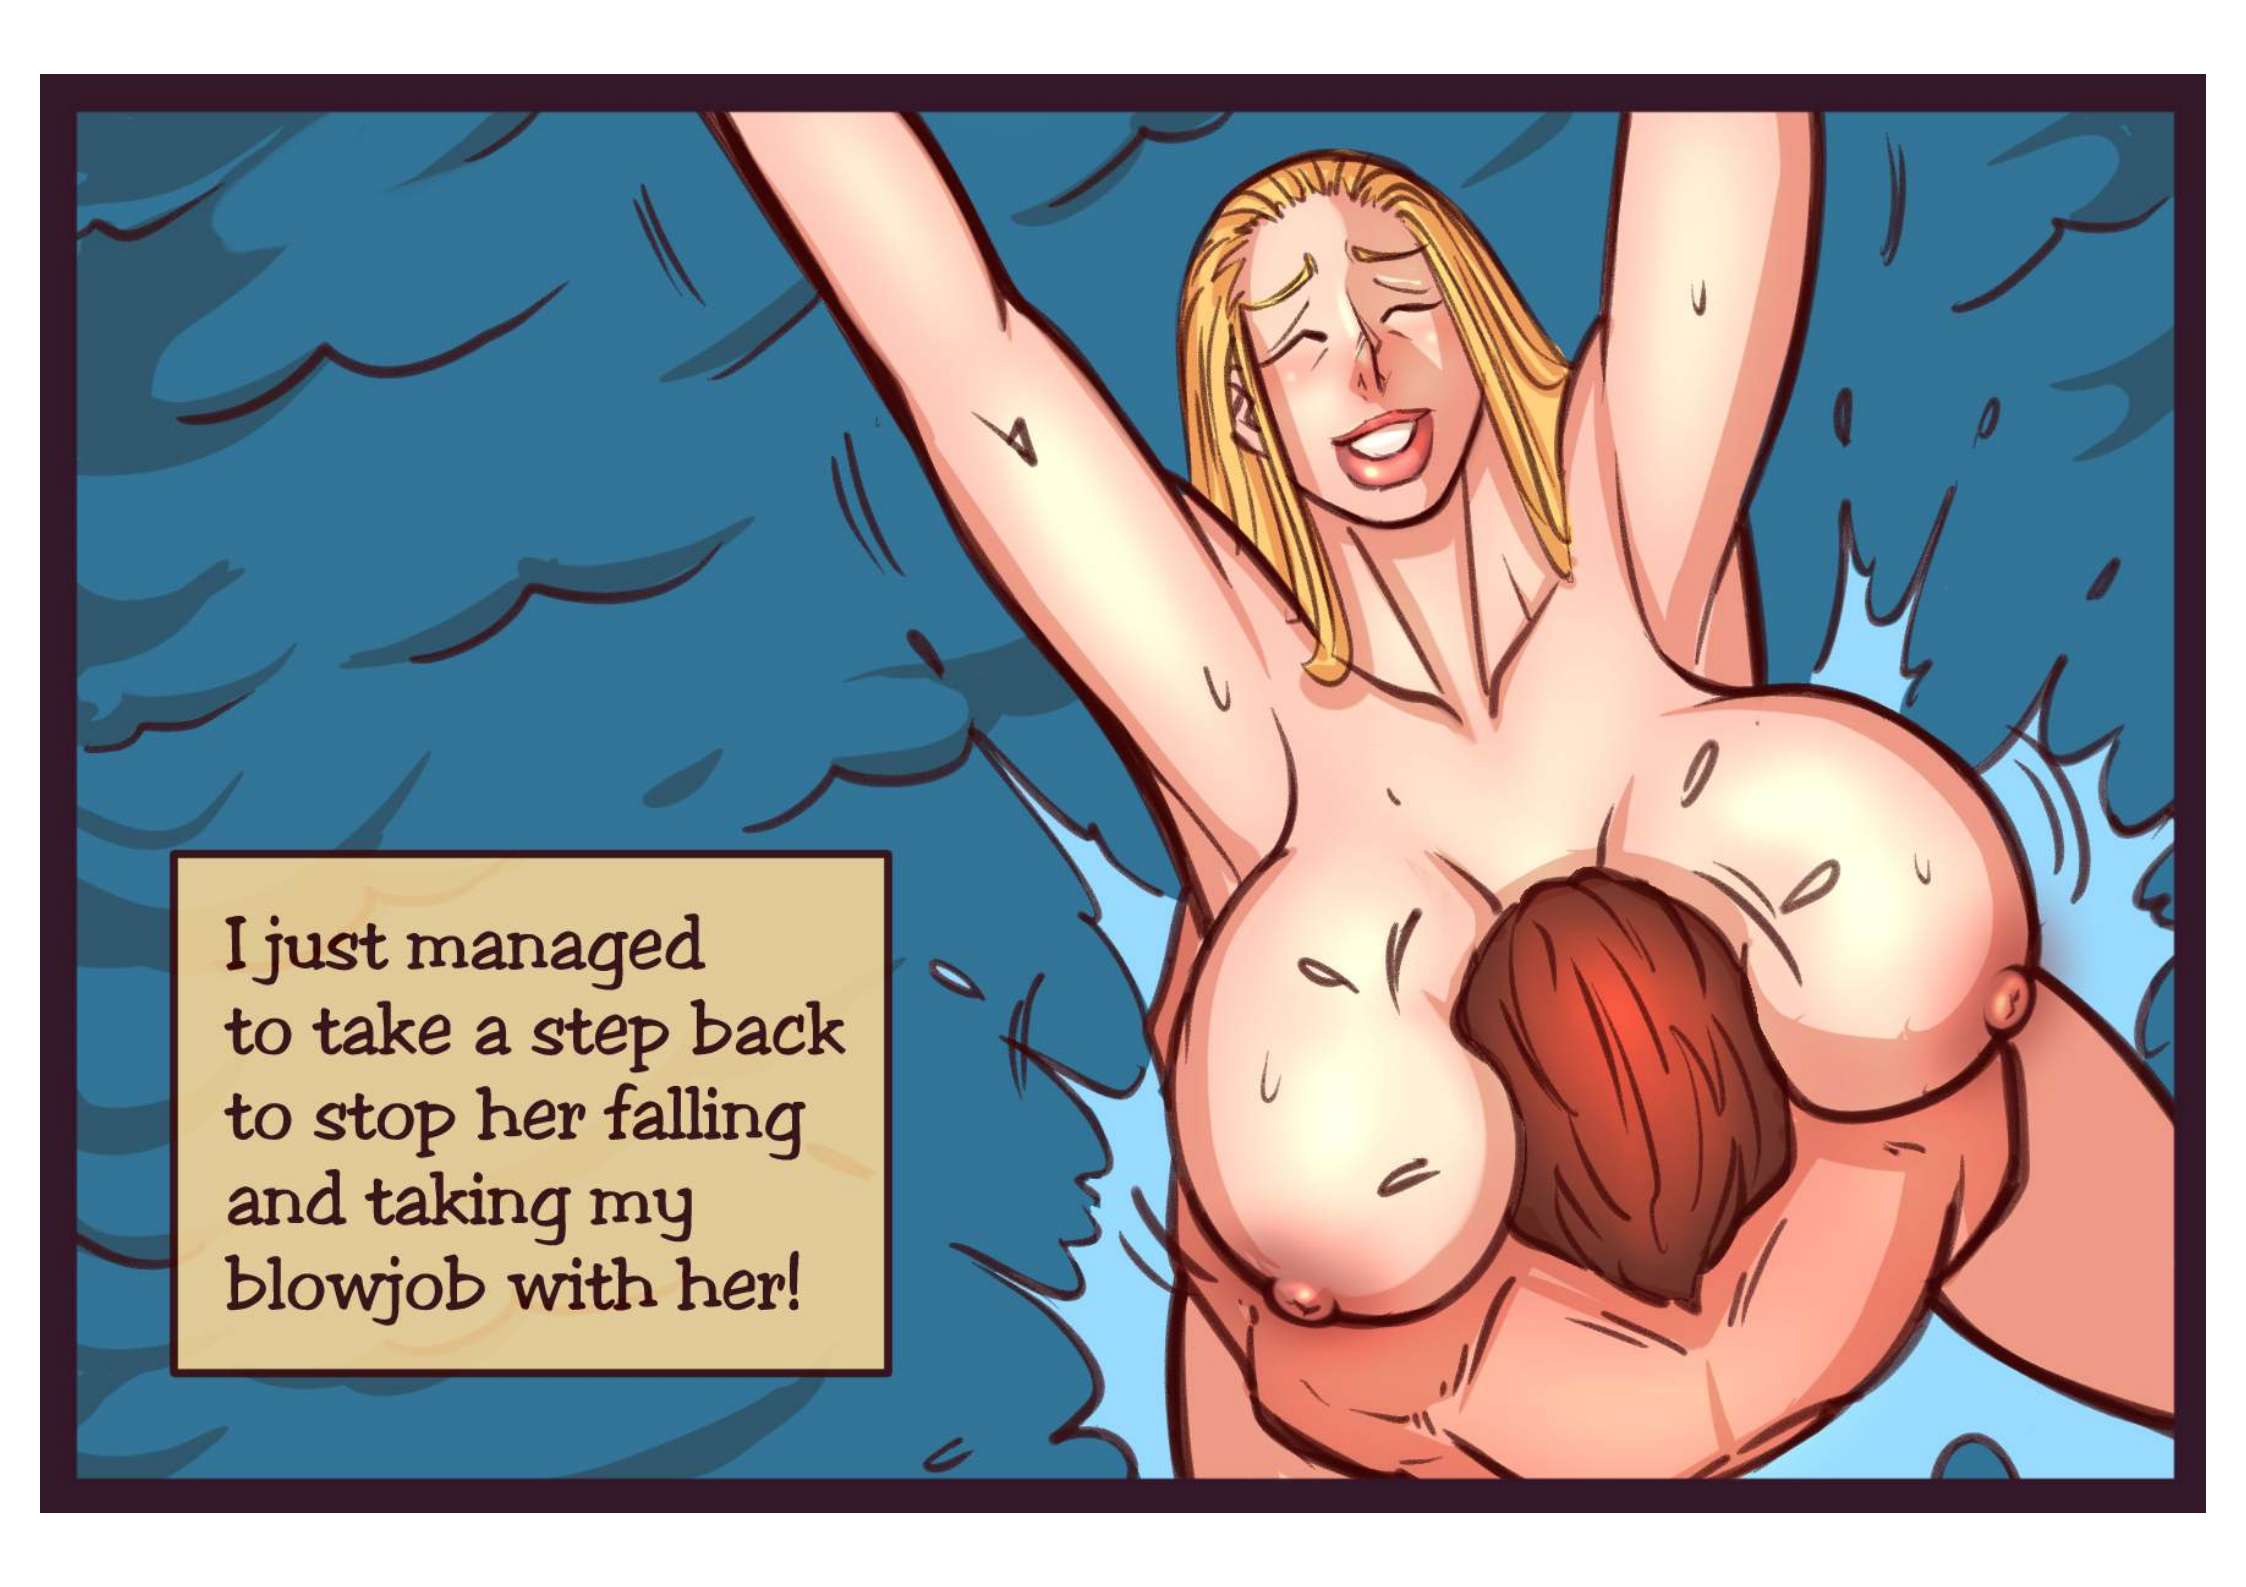

Kate got back up  
onto my shoulders  
and the final game  
started,

Some simple pushing between the girls at first, then the blonde girl caught Kate with a large shove, feeling her falling backwards.

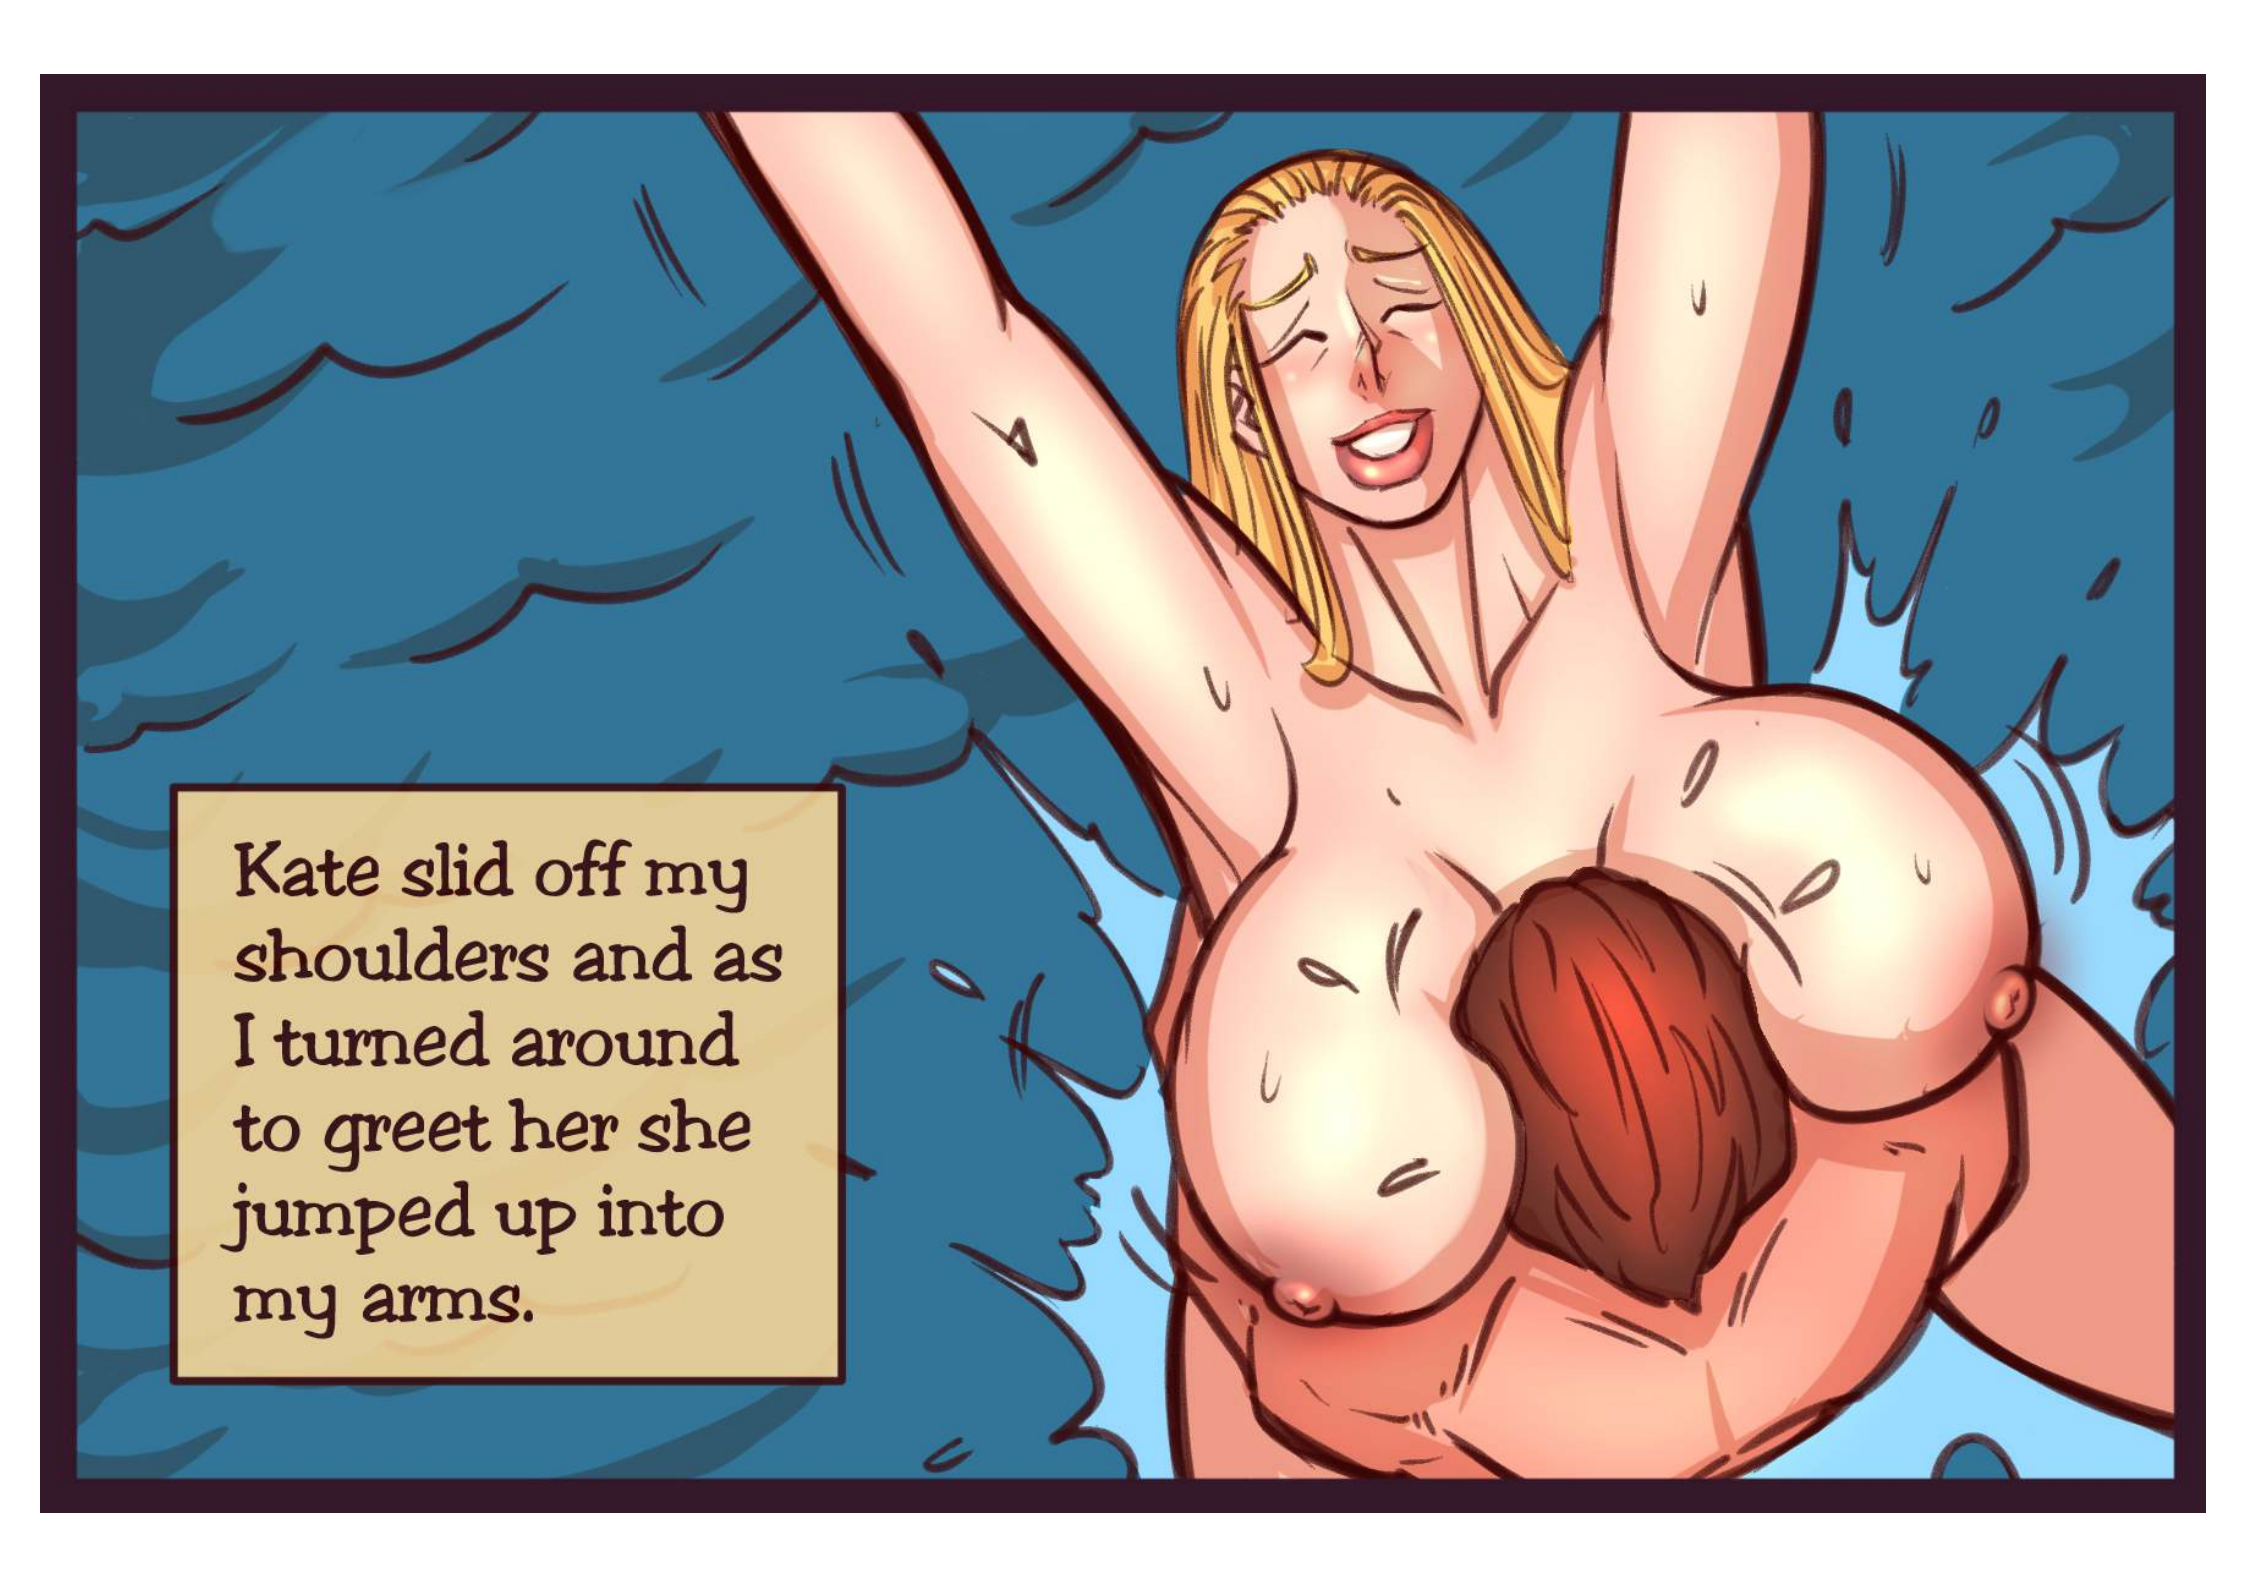

A comic book panel depicting a blonde woman in a compromising position with a man in the water. The woman is shown from the chest up, with her arms raised and a pained or distressed expression. She is holding a man's head, which is partially submerged in the water. The man's face is not visible, only his dark hair and the back of his head. The background consists of blue water with dark blue outlines representing waves. A yellow speech bubble is located on the left side of the panel.

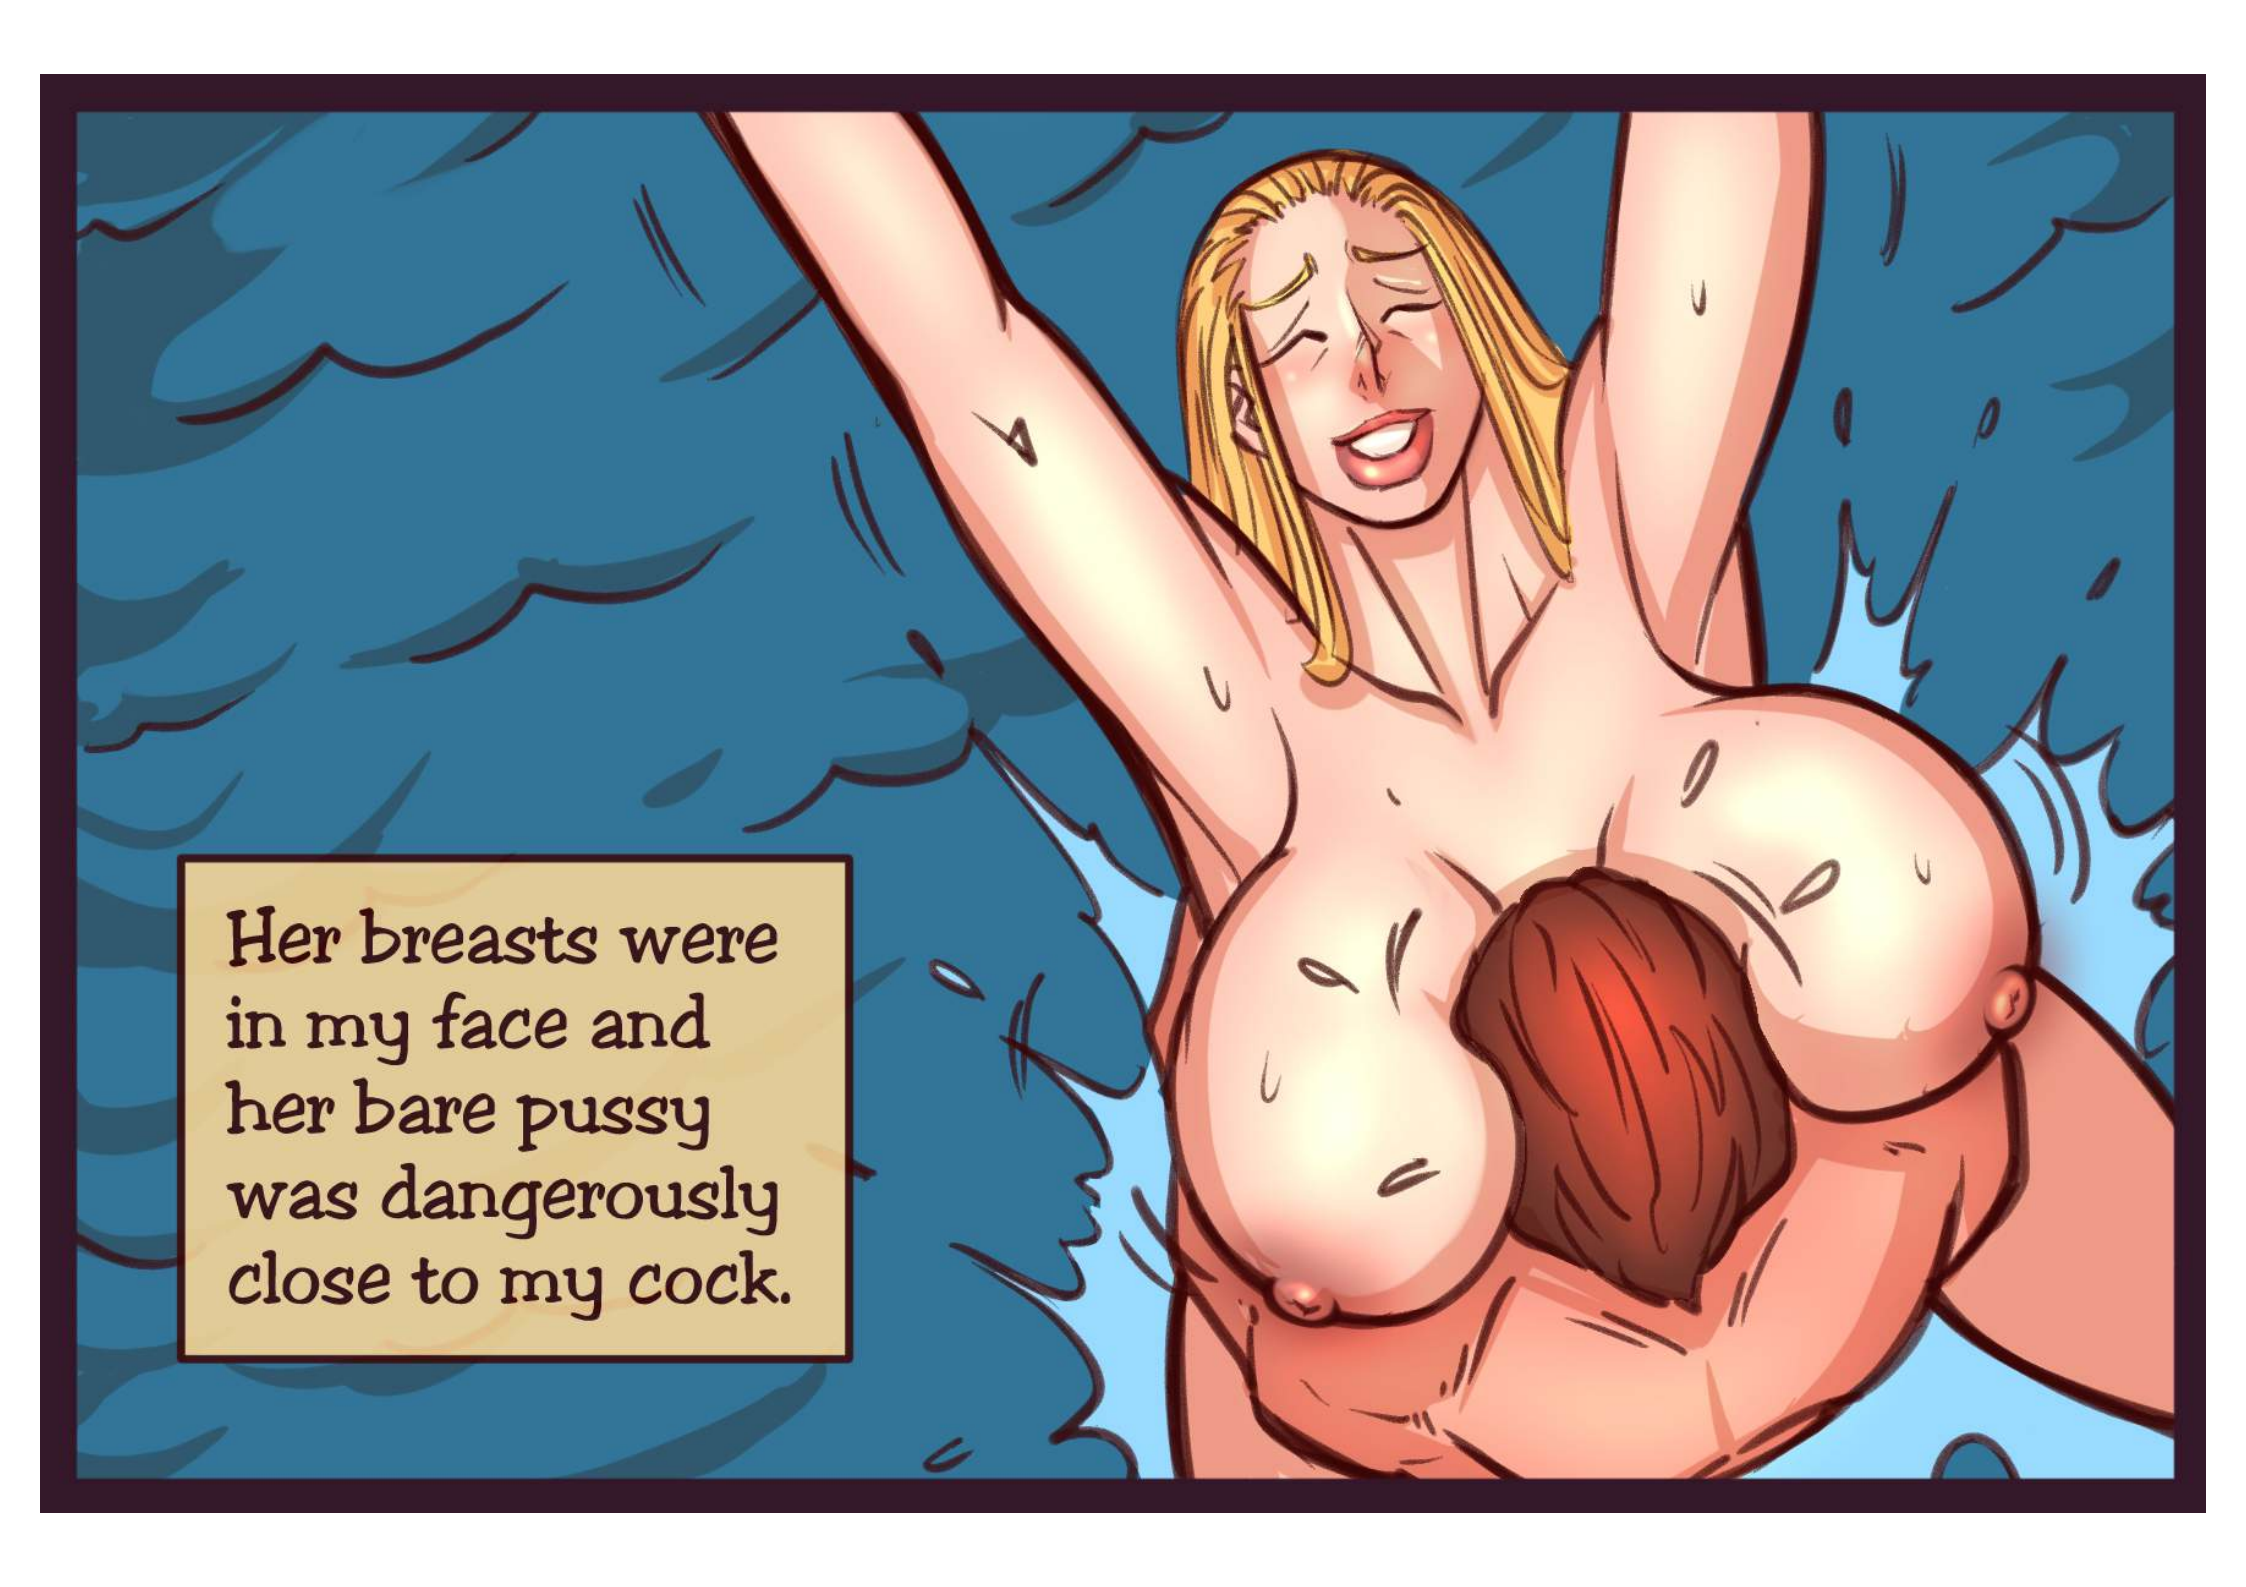

I just managed  
to take a step back  
to stop her falling  
and taking my  
blowjob with her!

The other couple  
thought they had  
won, and were  
caught off balance  
when Kate's little  
shove sent them  
splashing towards  
the ground.  
We had won!

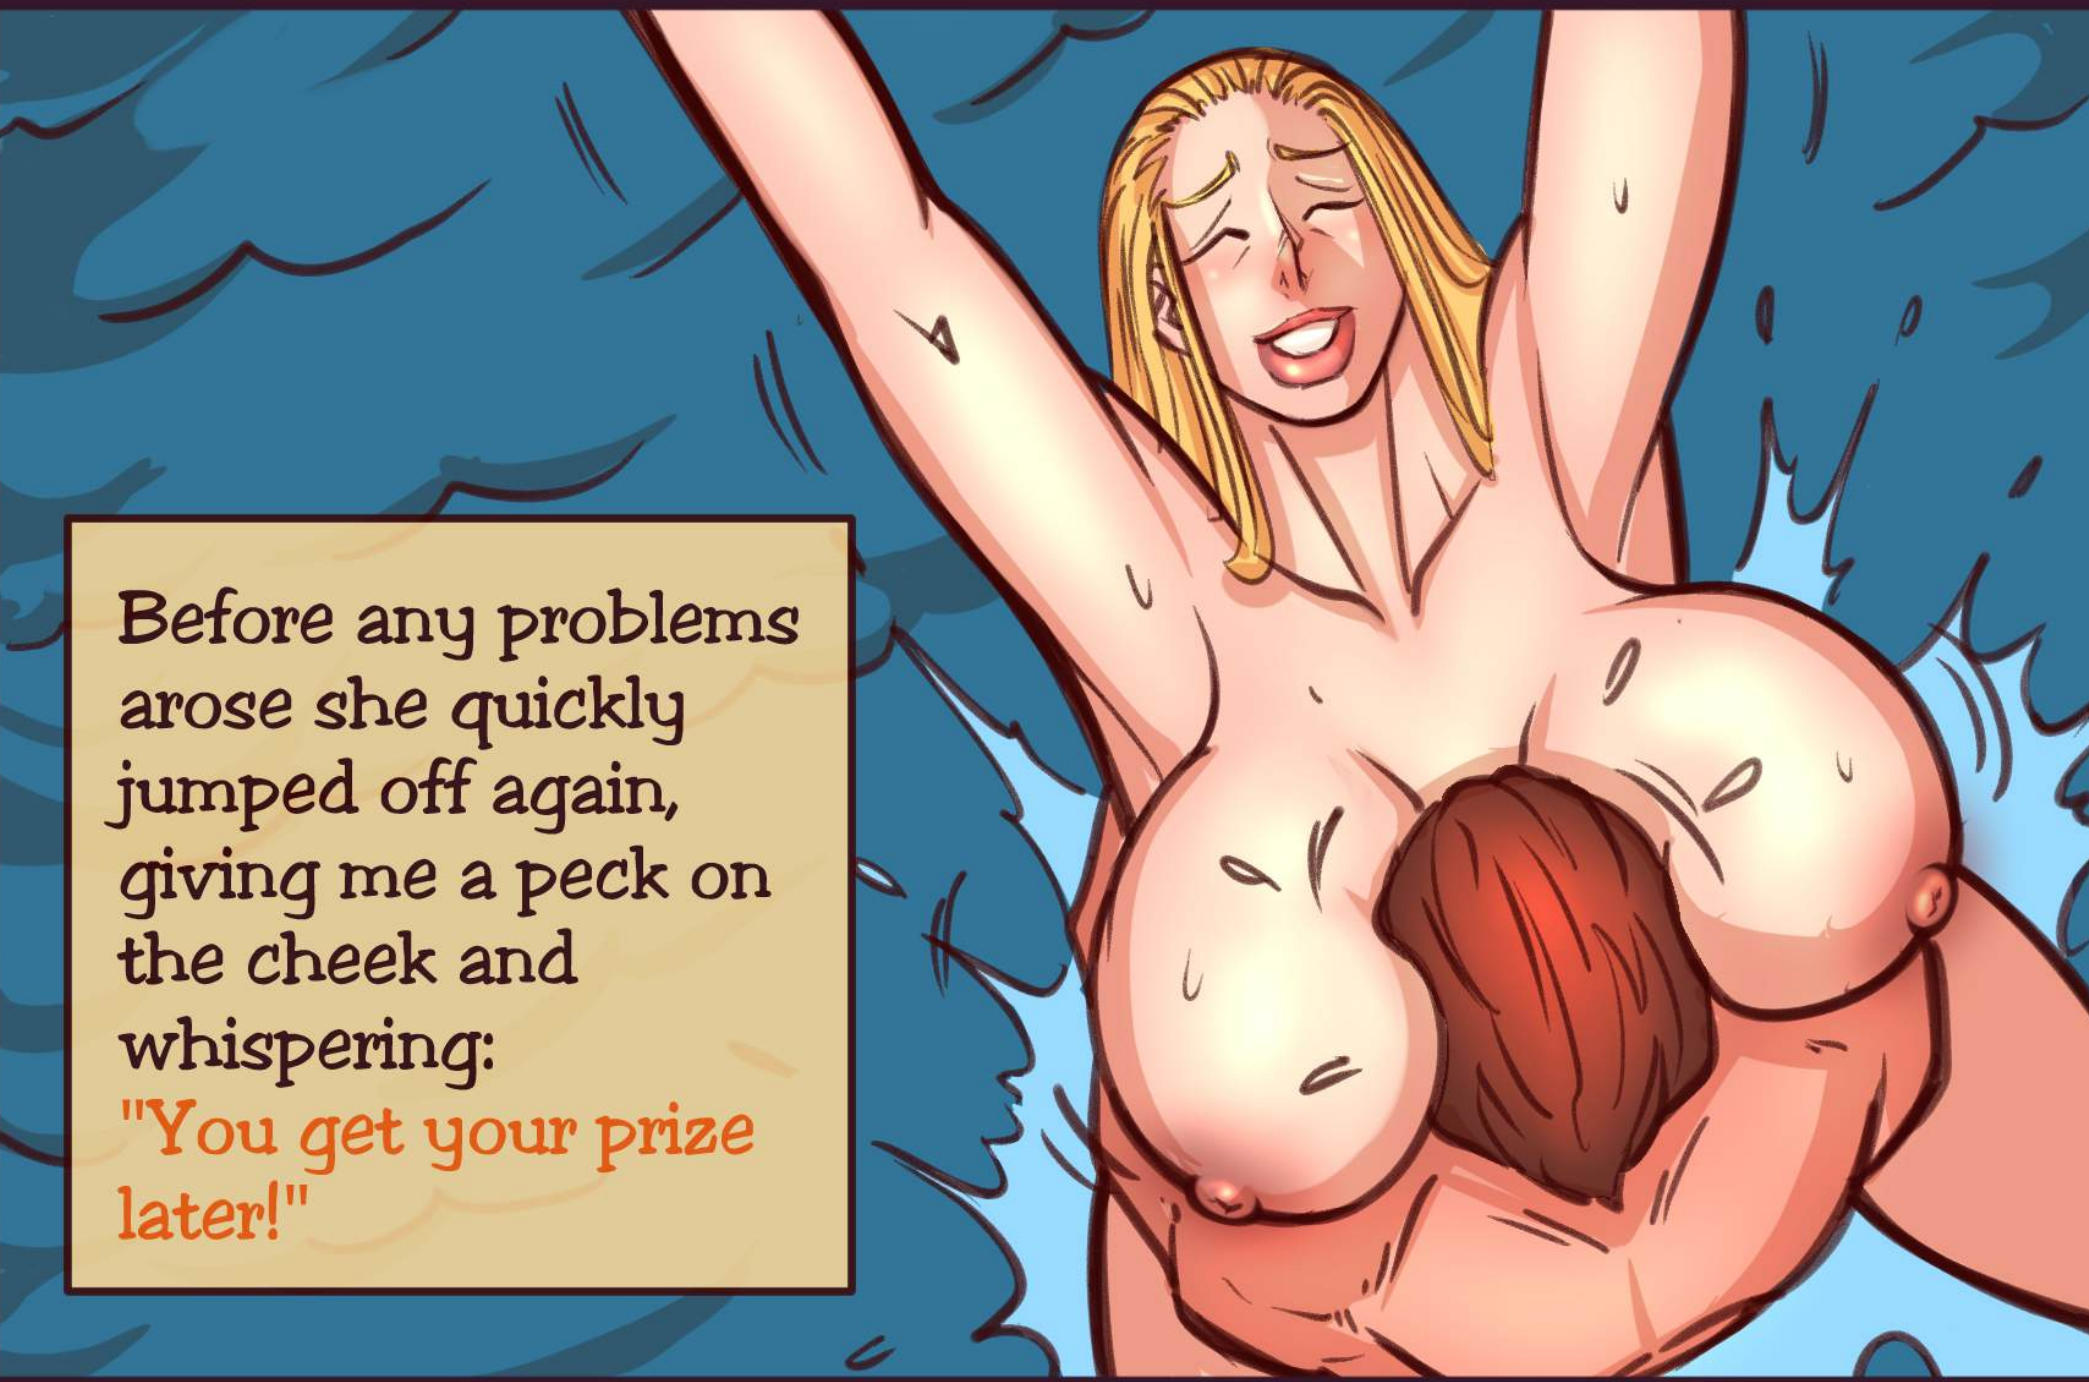

Kate slid off my shoulders and as I turned around to greet her she jumped up into my arms.

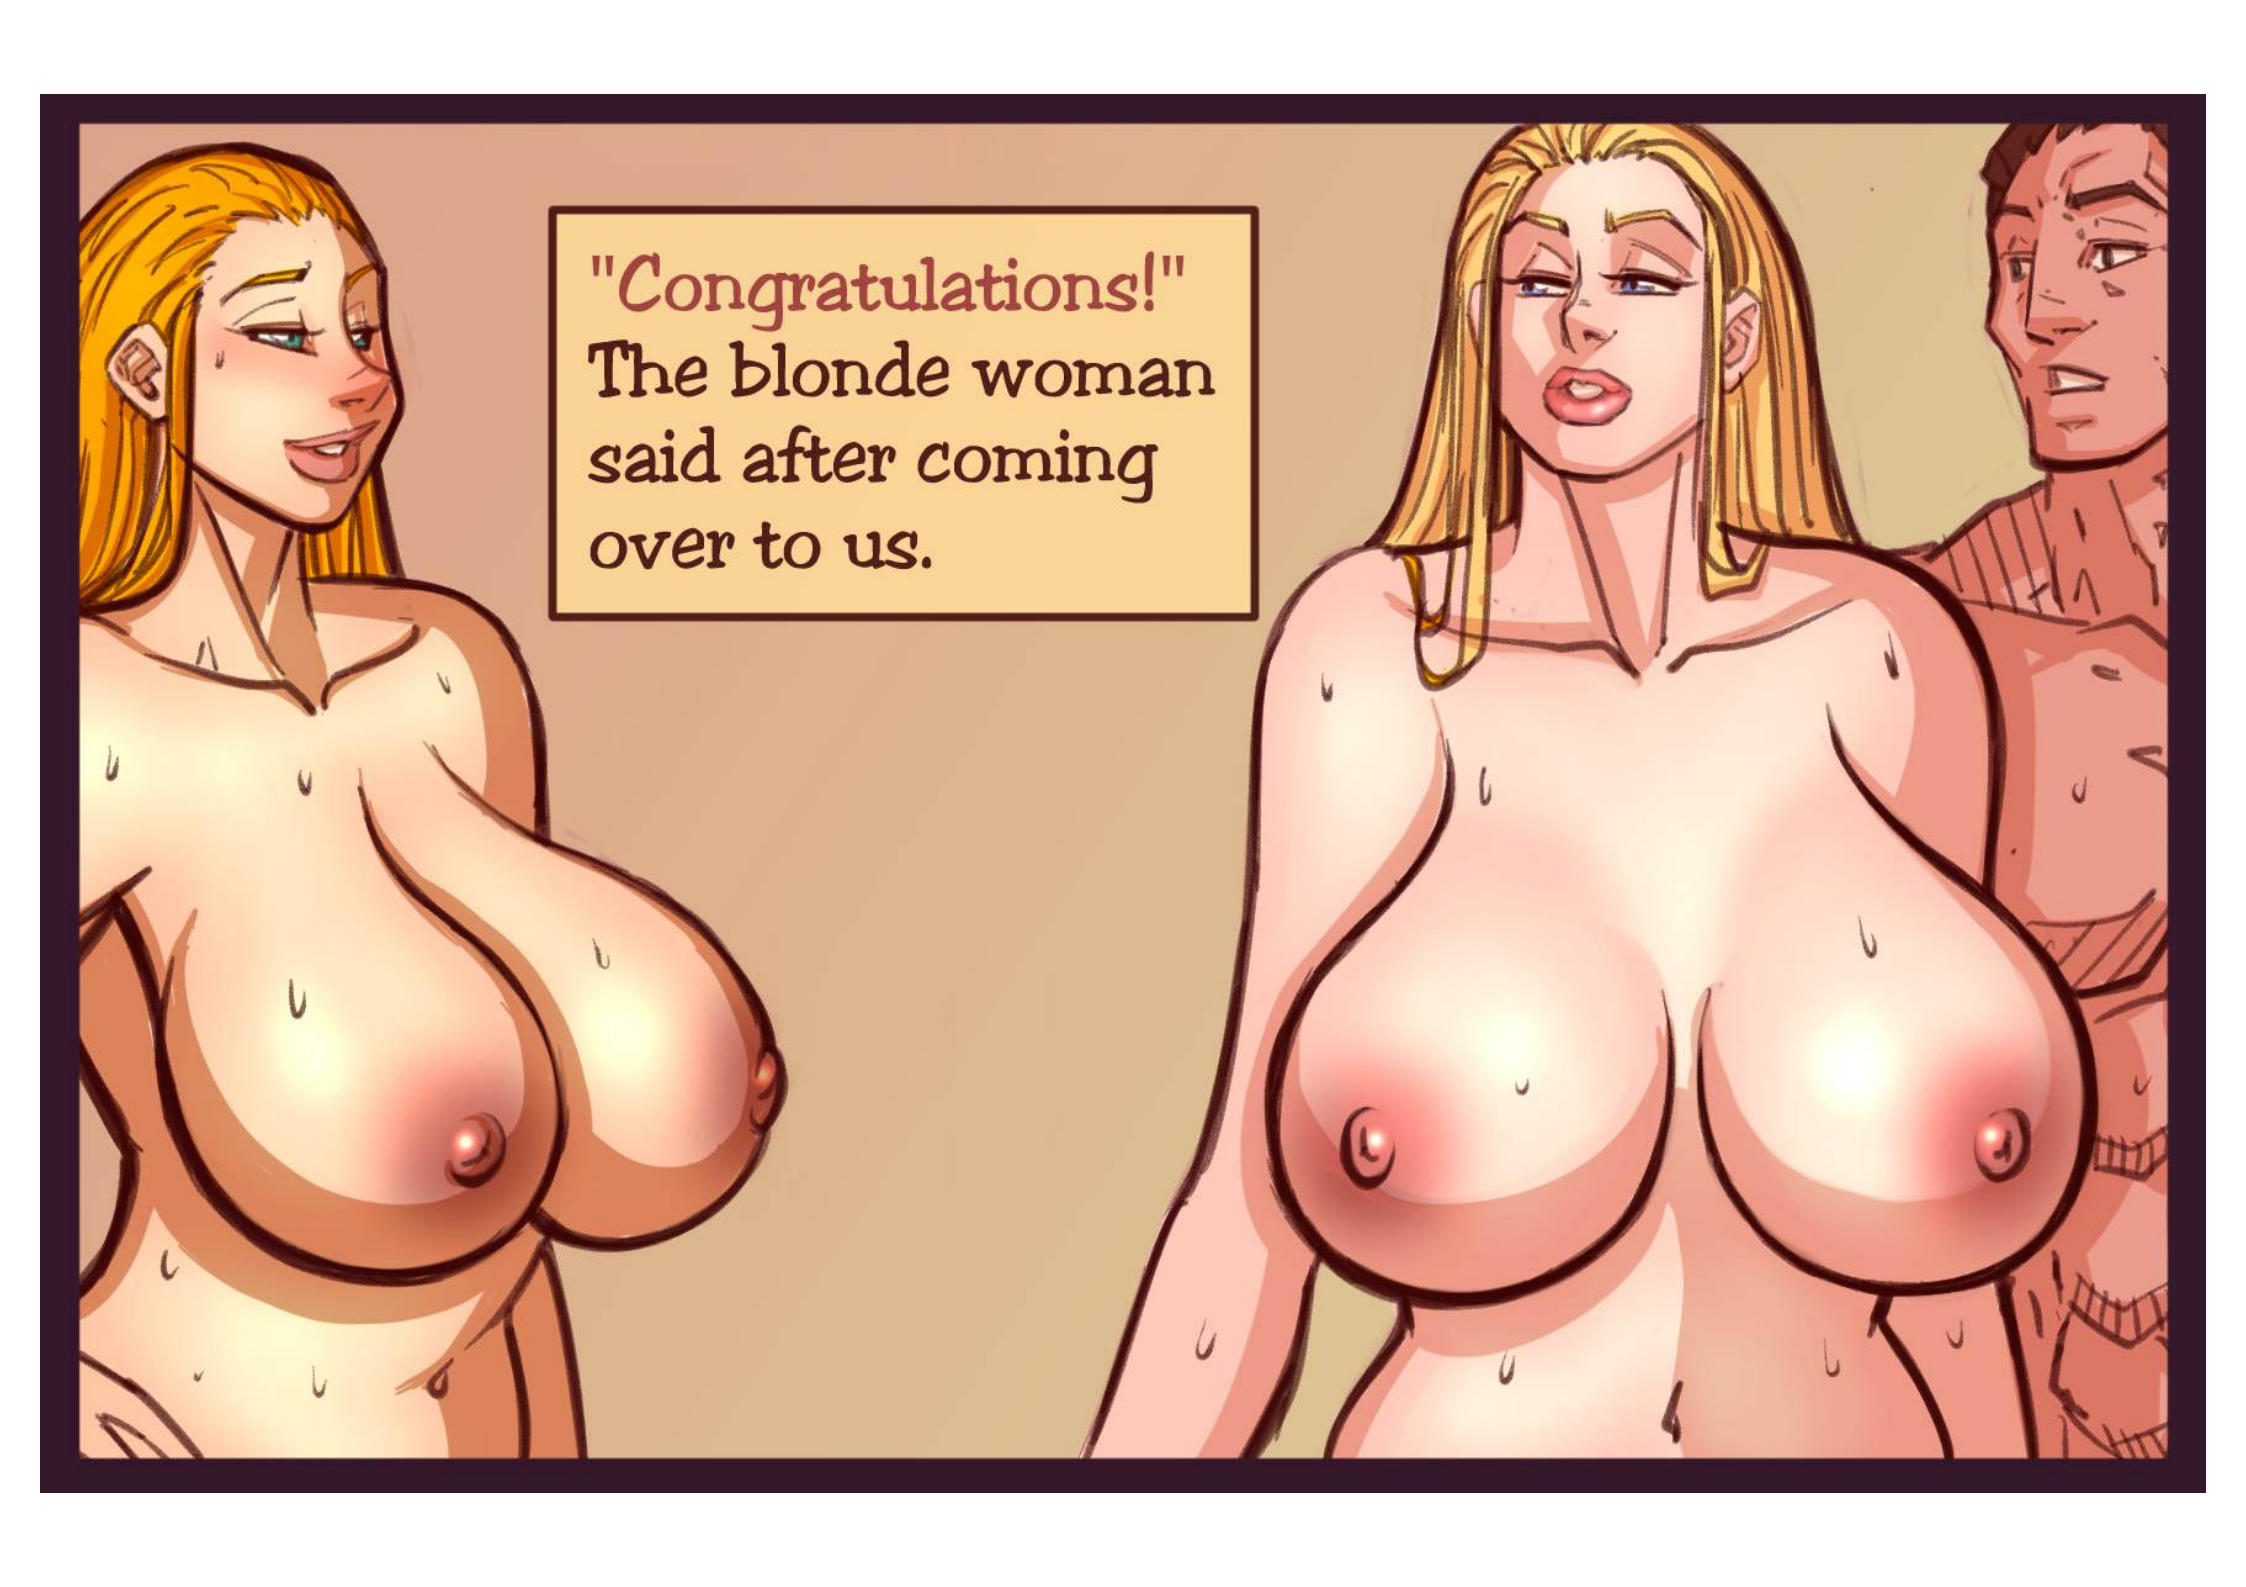

Her breasts were  
in my face and  
her bare pussy  
was dangerously  
close to my cock.

Before any problems  
arose she quickly  
jumped off again,  
giving me a peck on  
the cheek and  
whispering:

"You get your prize  
later!"

"Congratulations!"  
The blonde woman  
said after coming  
over to us.

A comic book panel featuring two women and a man. The woman on the left has long blonde hair and is smiling. The woman on the right has long blonde hair and a more serious expression. A man is partially visible on the right. A speech bubble is positioned between the two women.

"You're the first team  
ever to beat us and  
we've been doing this  
every time we've come  
here for the past few  
years."

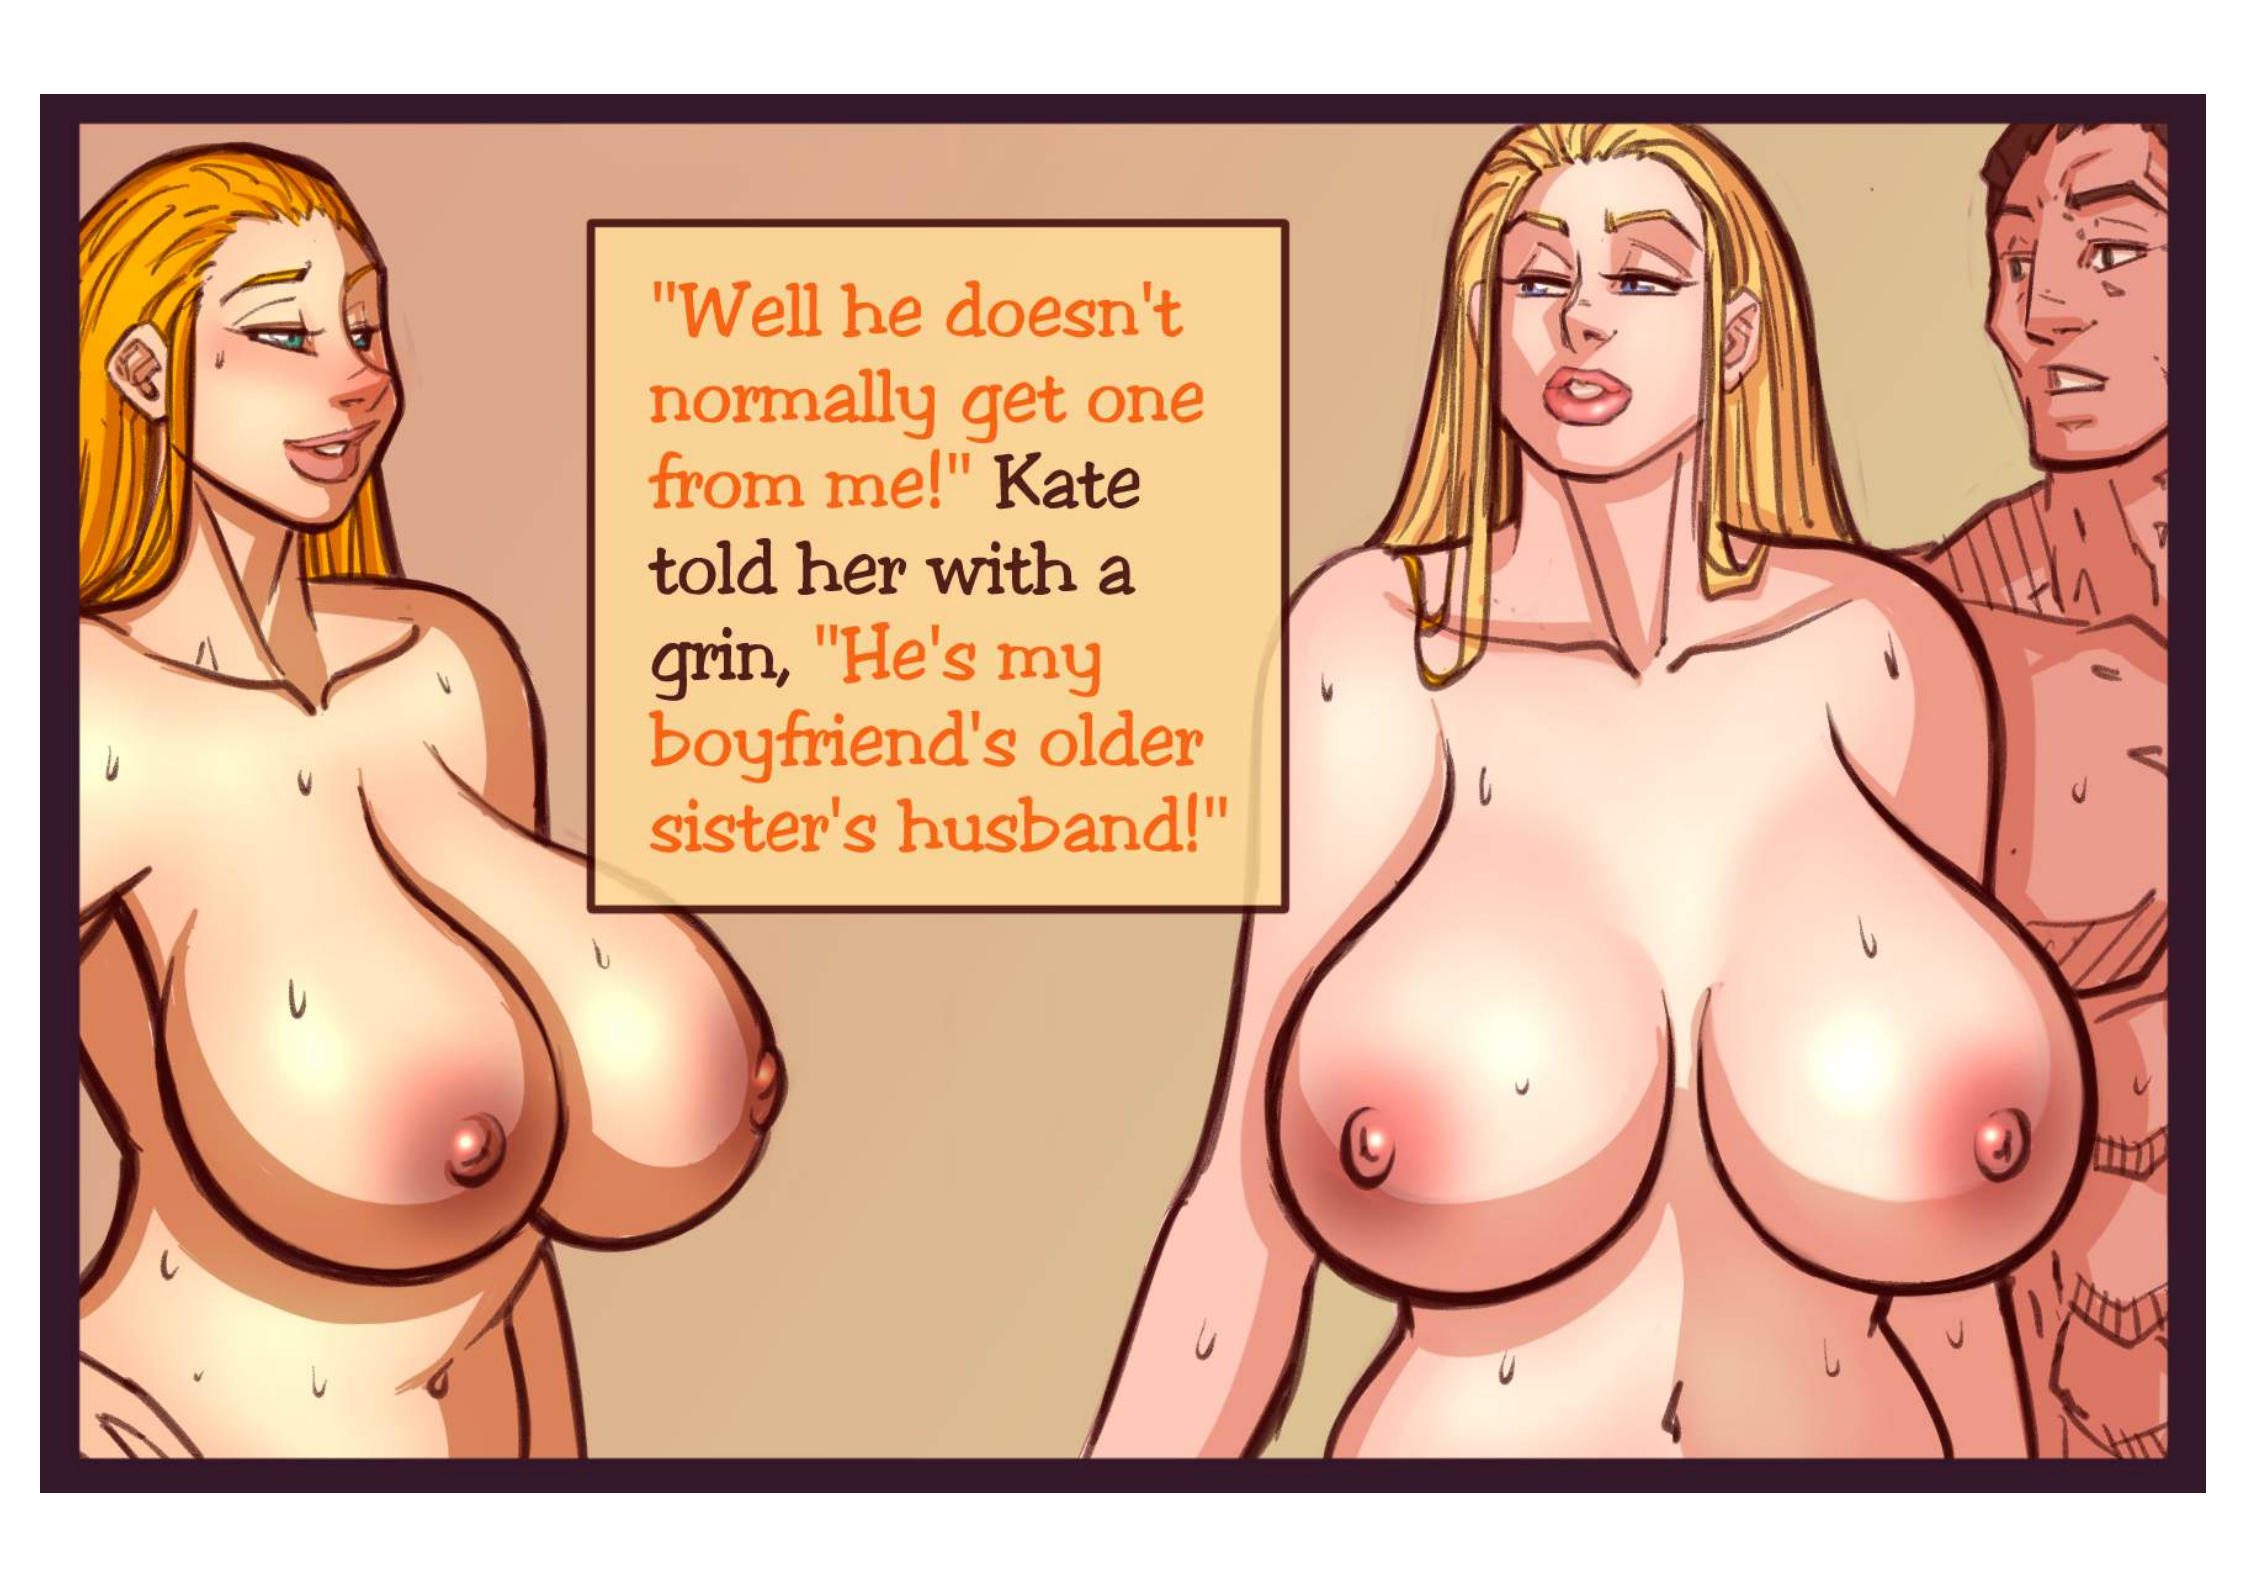

A comic panel featuring two women and a man. The woman on the left has long blonde hair and is smiling. The woman on the right also has long blonde hair and a more serious expression. A man is partially visible on the right side of the panel. A yellow speech bubble is positioned between the two women.

"How did you get him  
to concentrate?"

"I just promised him a  
**blowjob!**" Kate replied  
with a smile.

"We find that doesn't normally work, as it's something he already gets." The blonde told her.

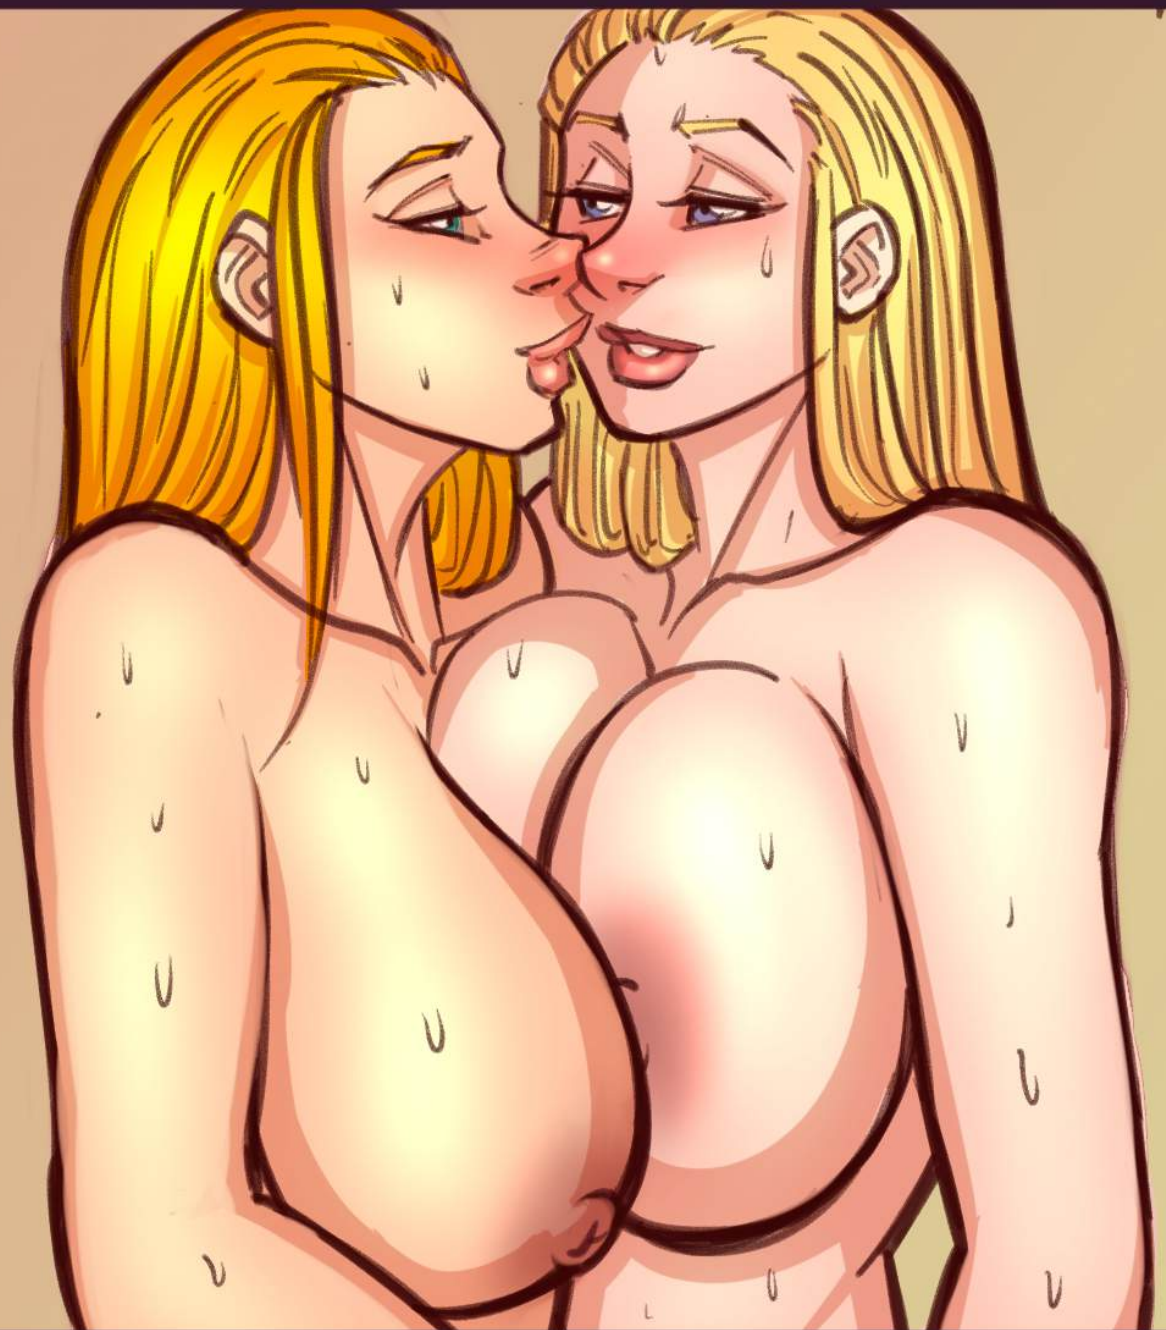

"Well he doesn't normally get one from me!" Kate told her with a grin, "He's my boyfriend's older sister's husband!"

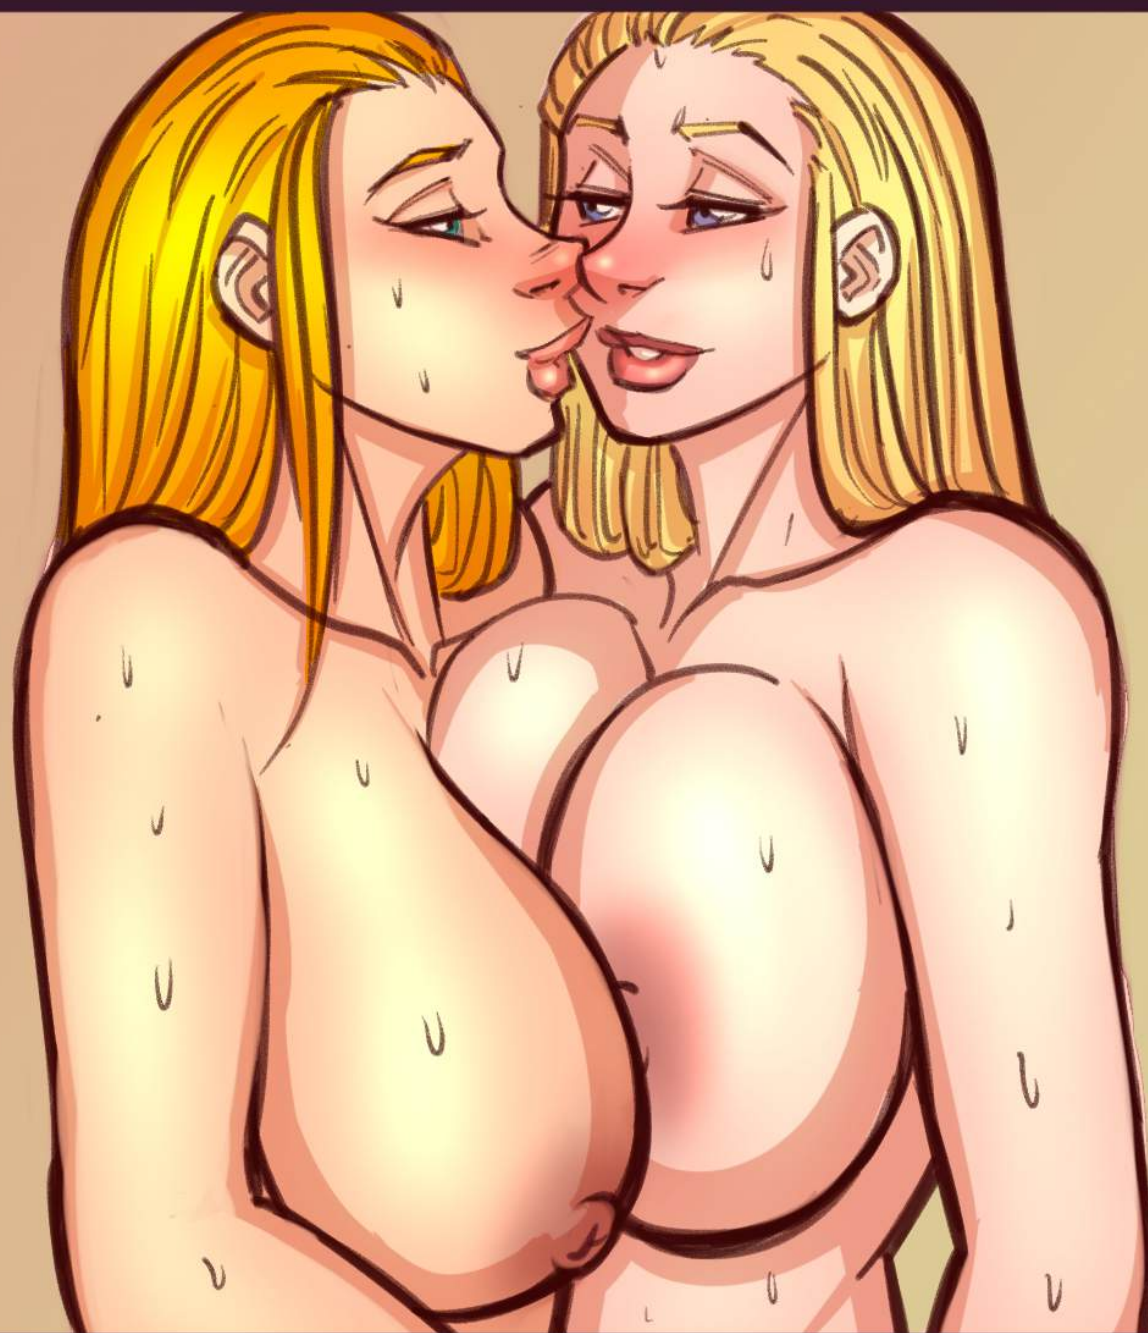

"Ah!" The blonde replied  
a huge grin spreading  
across her face, "I always  
threaten my bloke, by  
saying if we lose, I'll have  
a threesome with the  
winners."

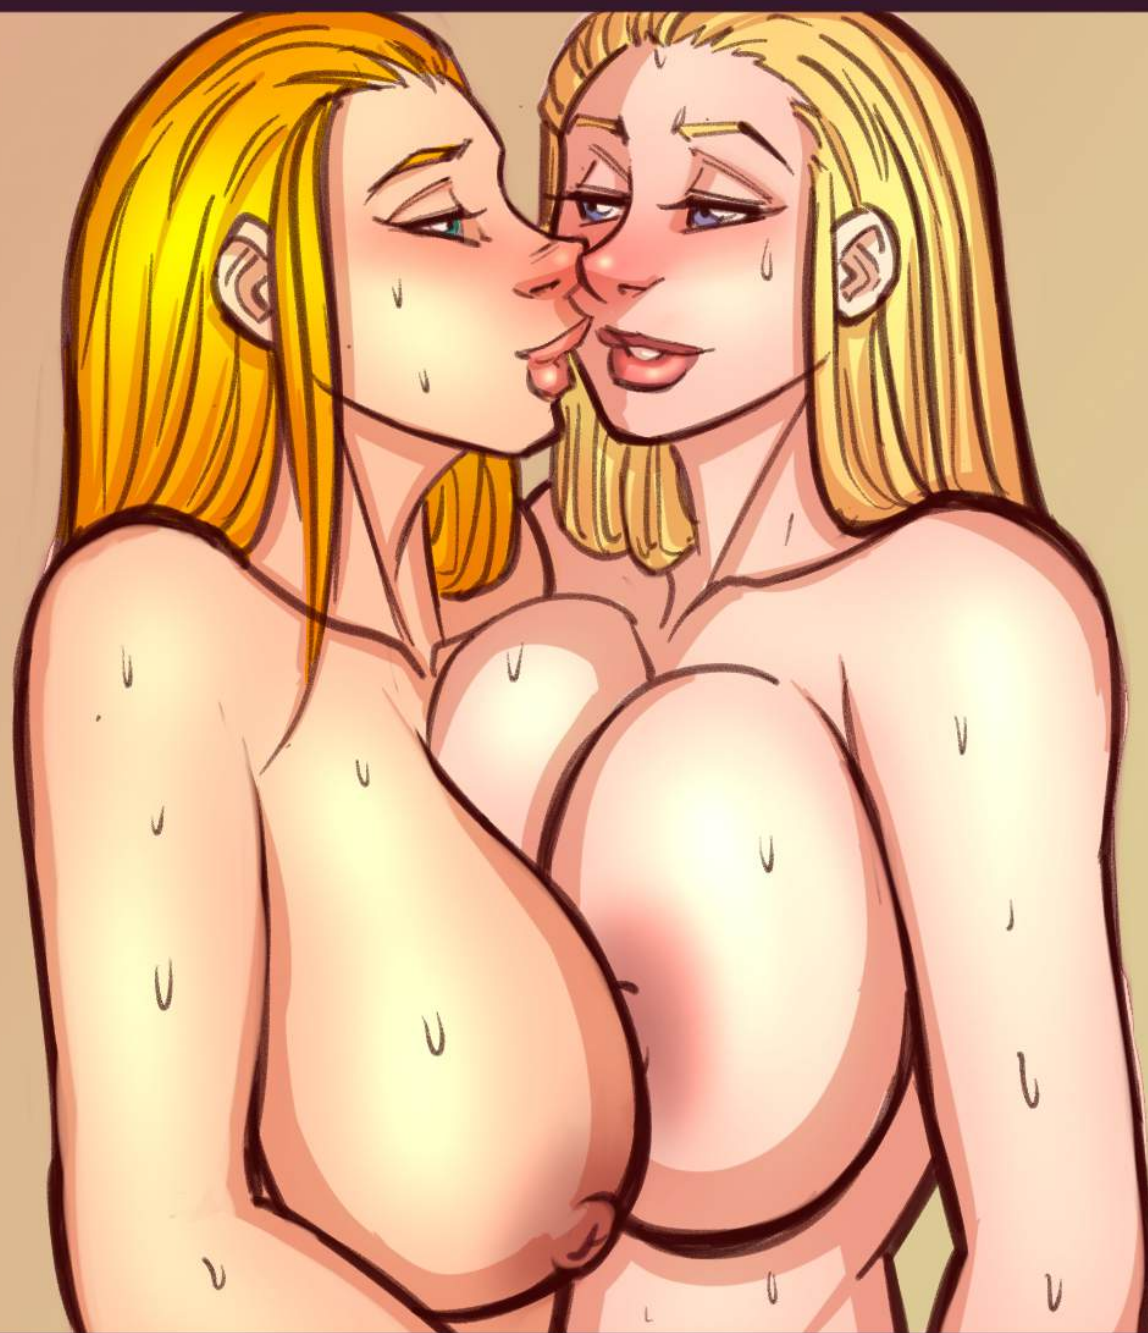

My face lit up as I heard this. The blonde woman continued:

"As you're not a proper couple I'll give you my number and you can contact me if you want. My name's Carol by the way."

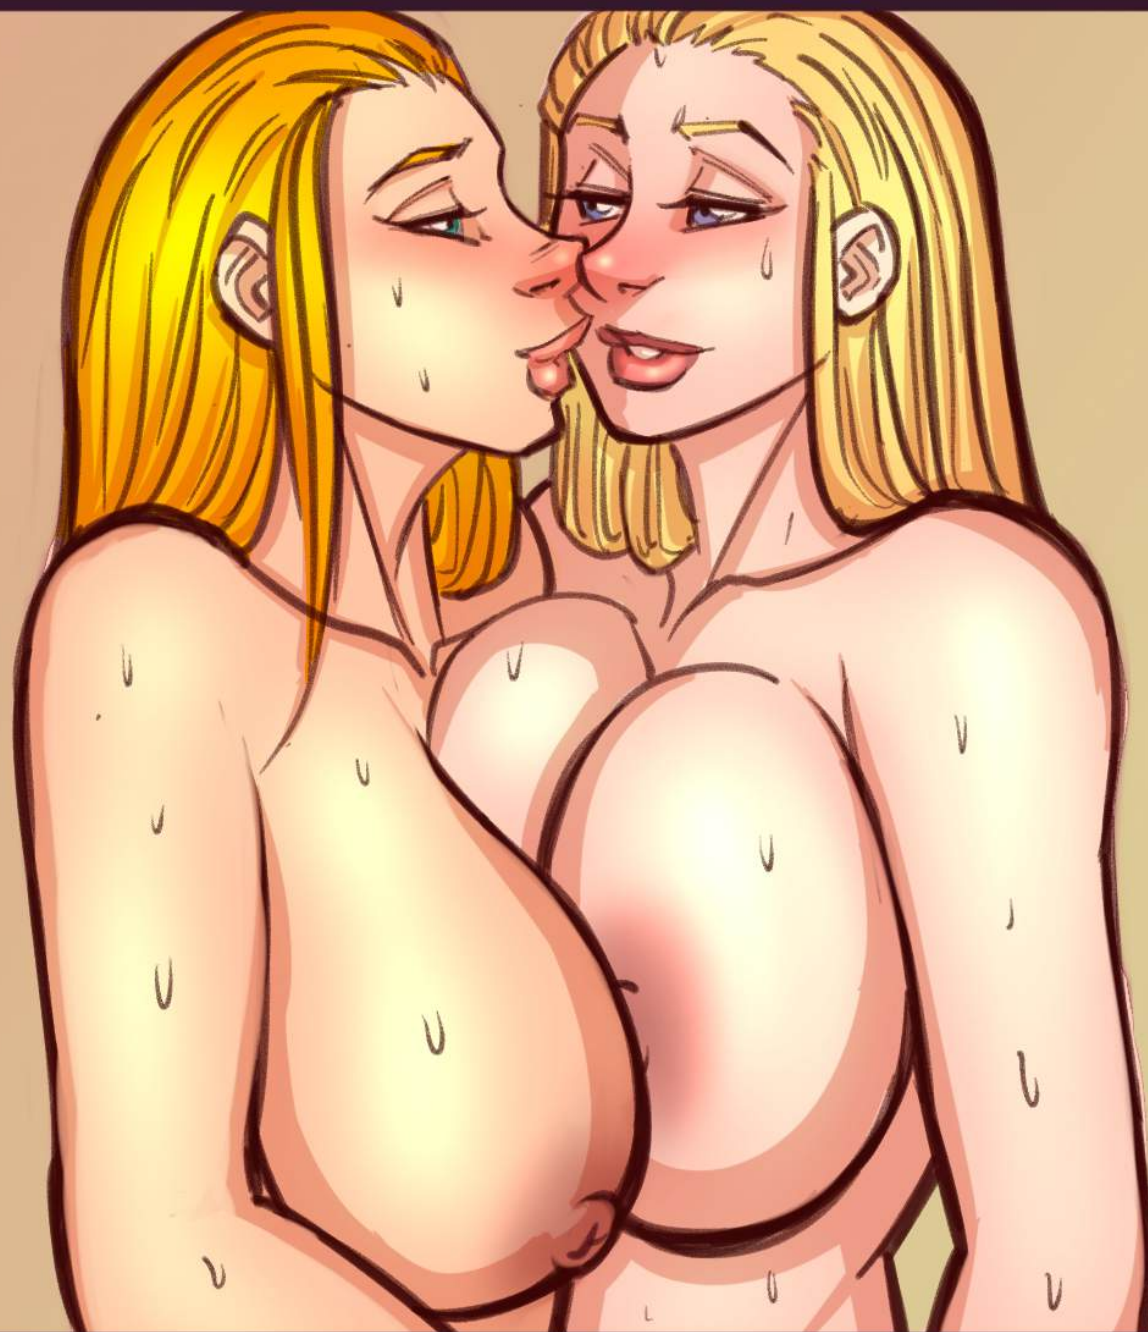

As we got out of the water Kate grabbed her phone and took down Carol's number, before she gave us both a kiss on the cheek and left with her partner.

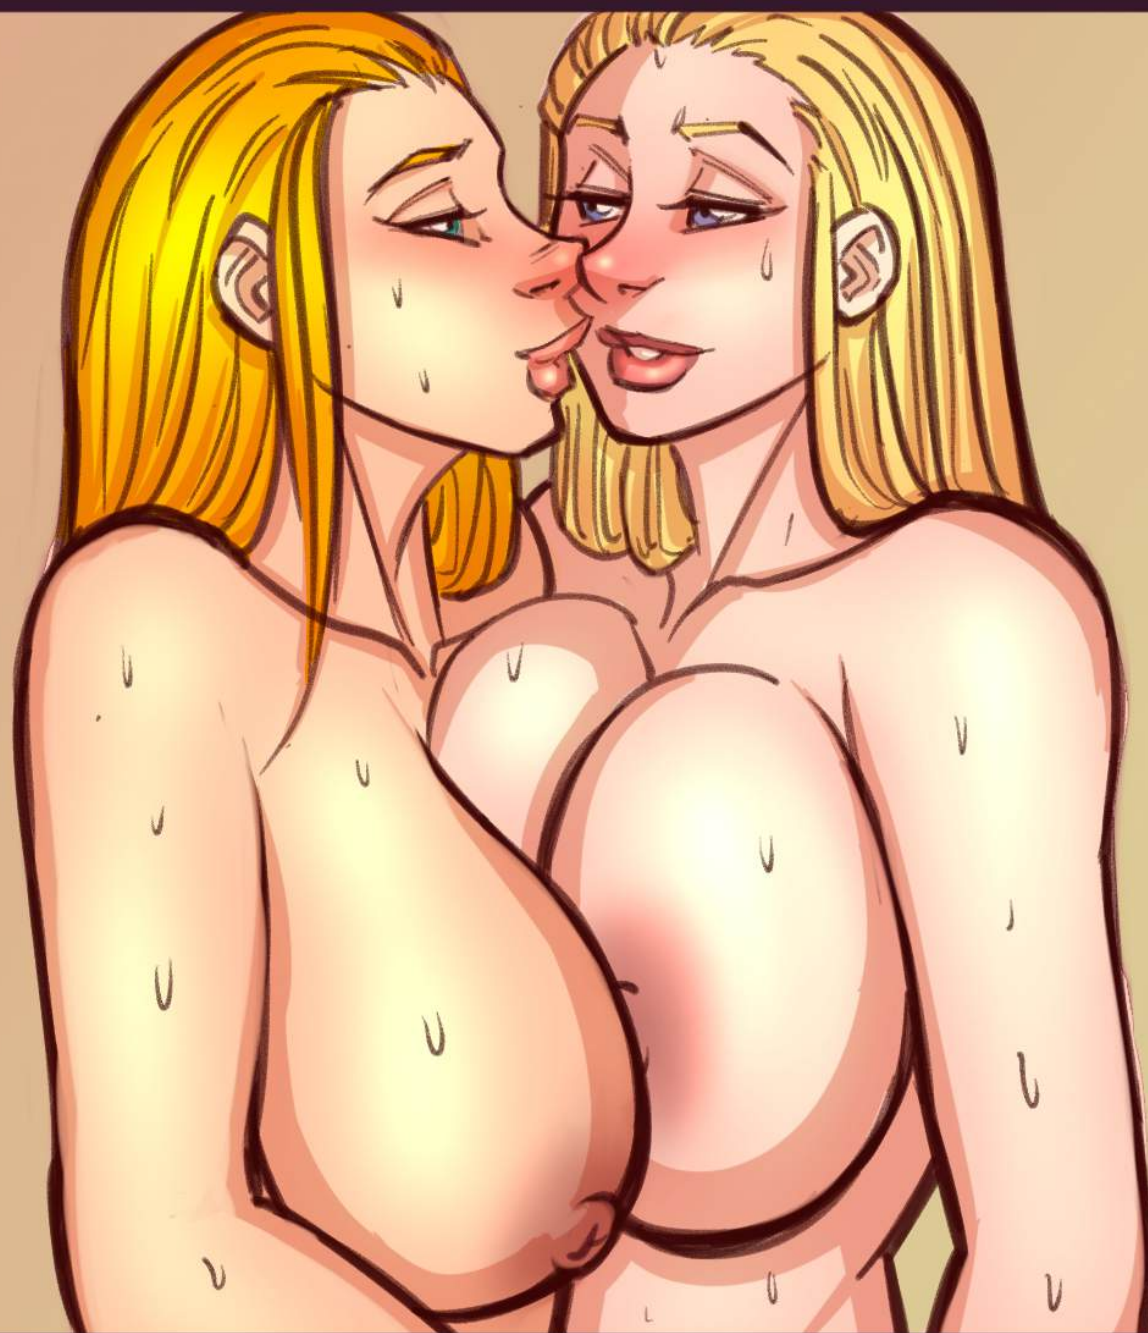

"Congratulations  
on winning!"

Annette said, as  
she gave us a  
hug, crushing  
her naked body  
together with  
mine and Kate's.

"Yeah, congrats."  
My wife and her  
brother said,  
slightly less  
enthusiastically.
