CHAPTER 13

"Now how would you
like me to reward you?
Would you prefer a blowjob?"

She asked.

"I've got a better idea!"

I kneeled between her legs, leaning forward so the tip of my cock was grazing against her wide, wet opening.

"No, we can't,
we shouldn't..."
She pleaded
without much
effort, her legs
remaining wide
open.

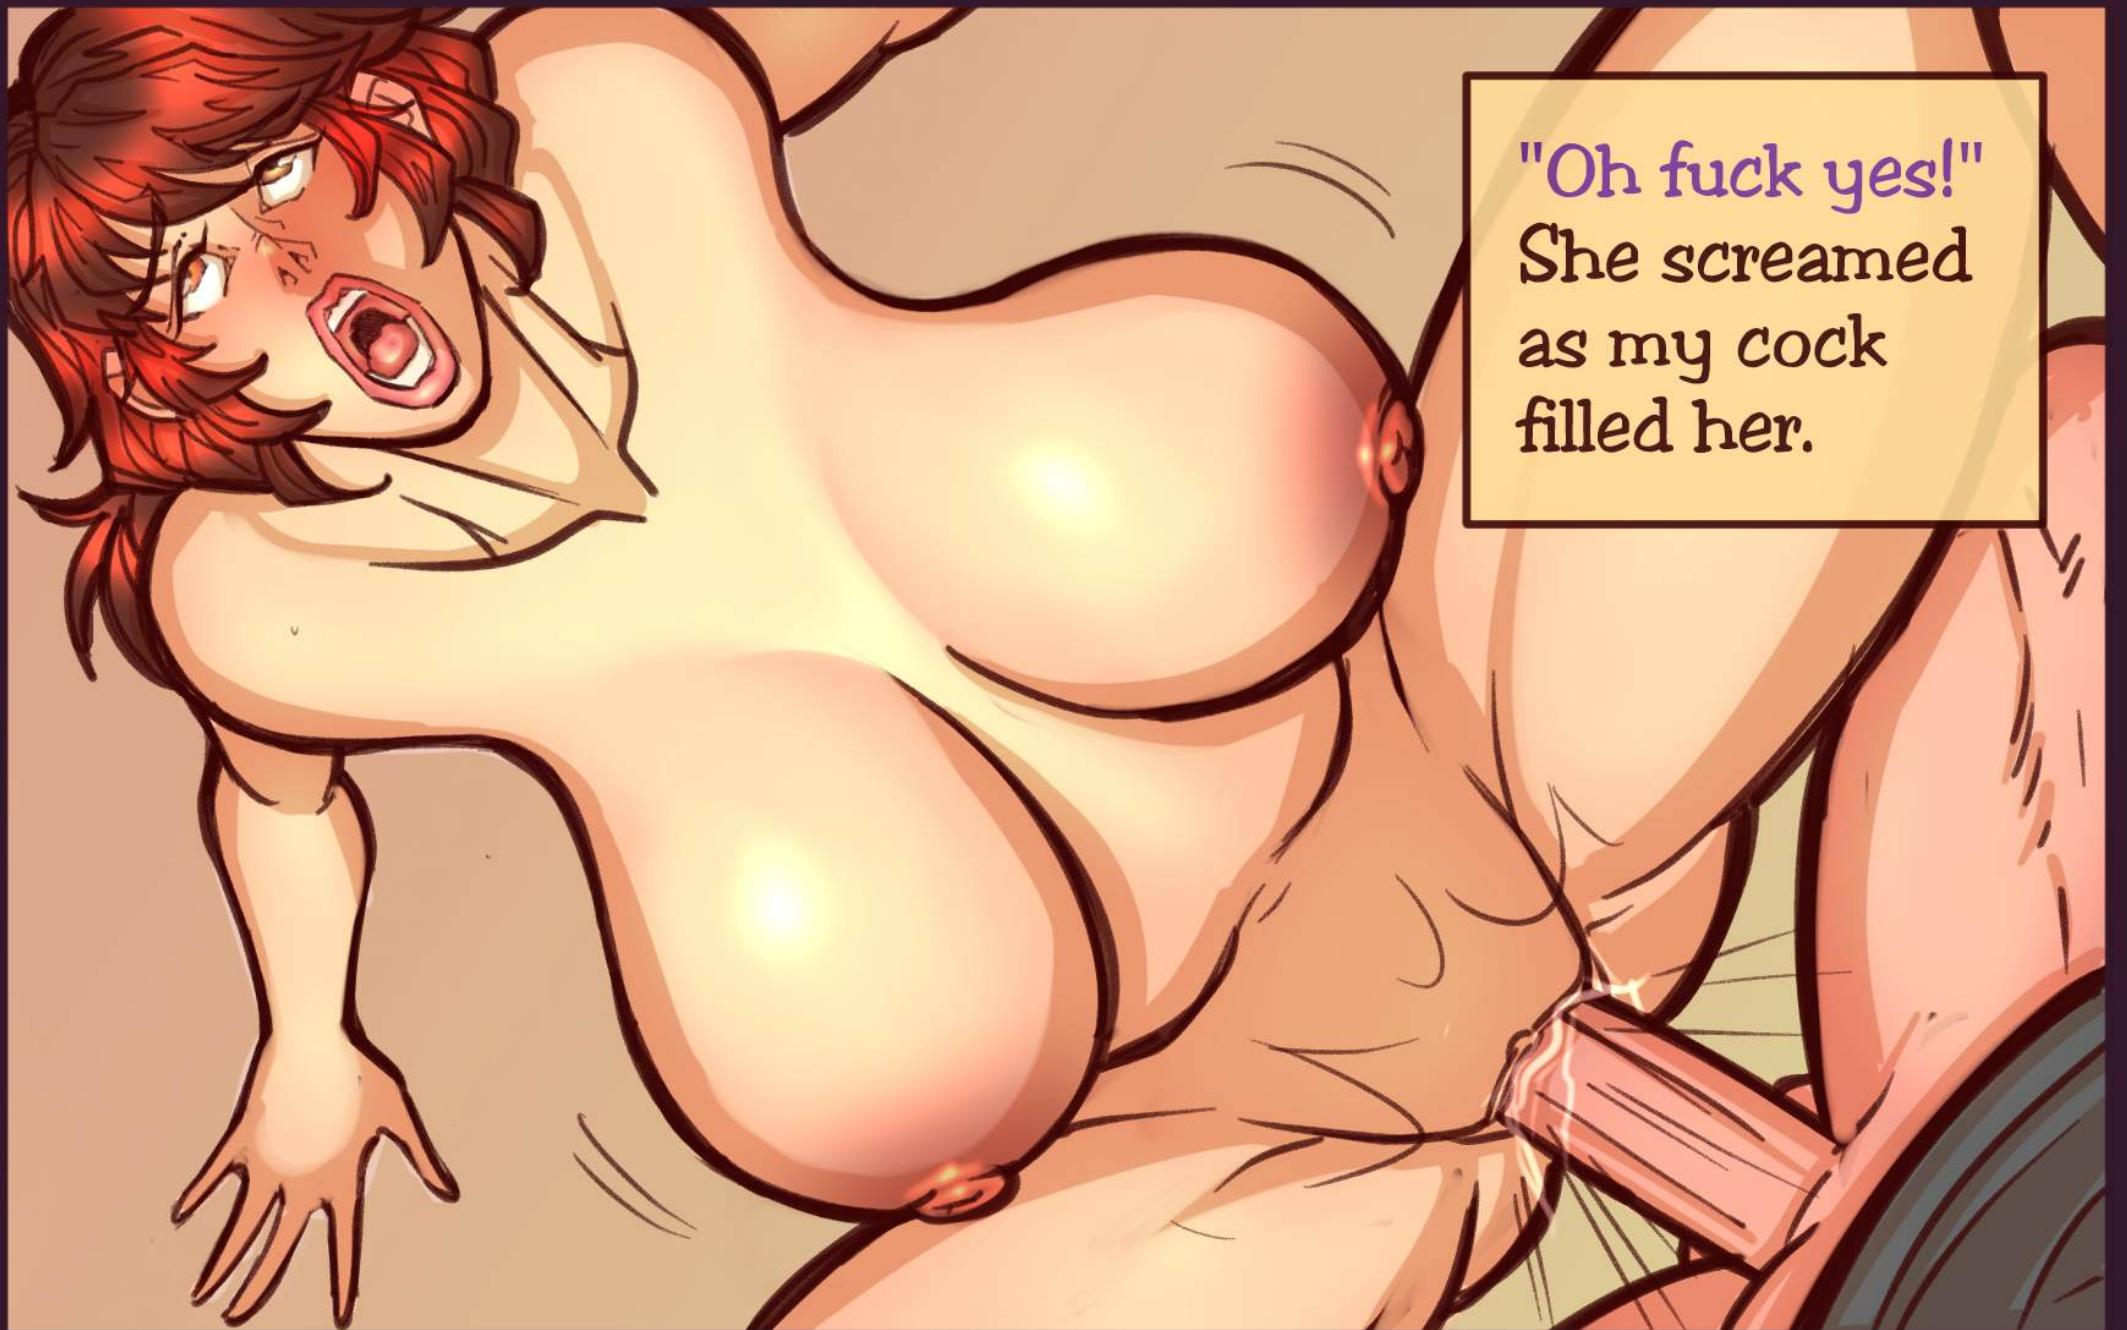

Then, With a
single thrust...

...my cock slid easily into my mother-in-law's wet pussy, penetrating her deeply.

"Oh fuck yes!"
She screamed
as my cock
filled her.

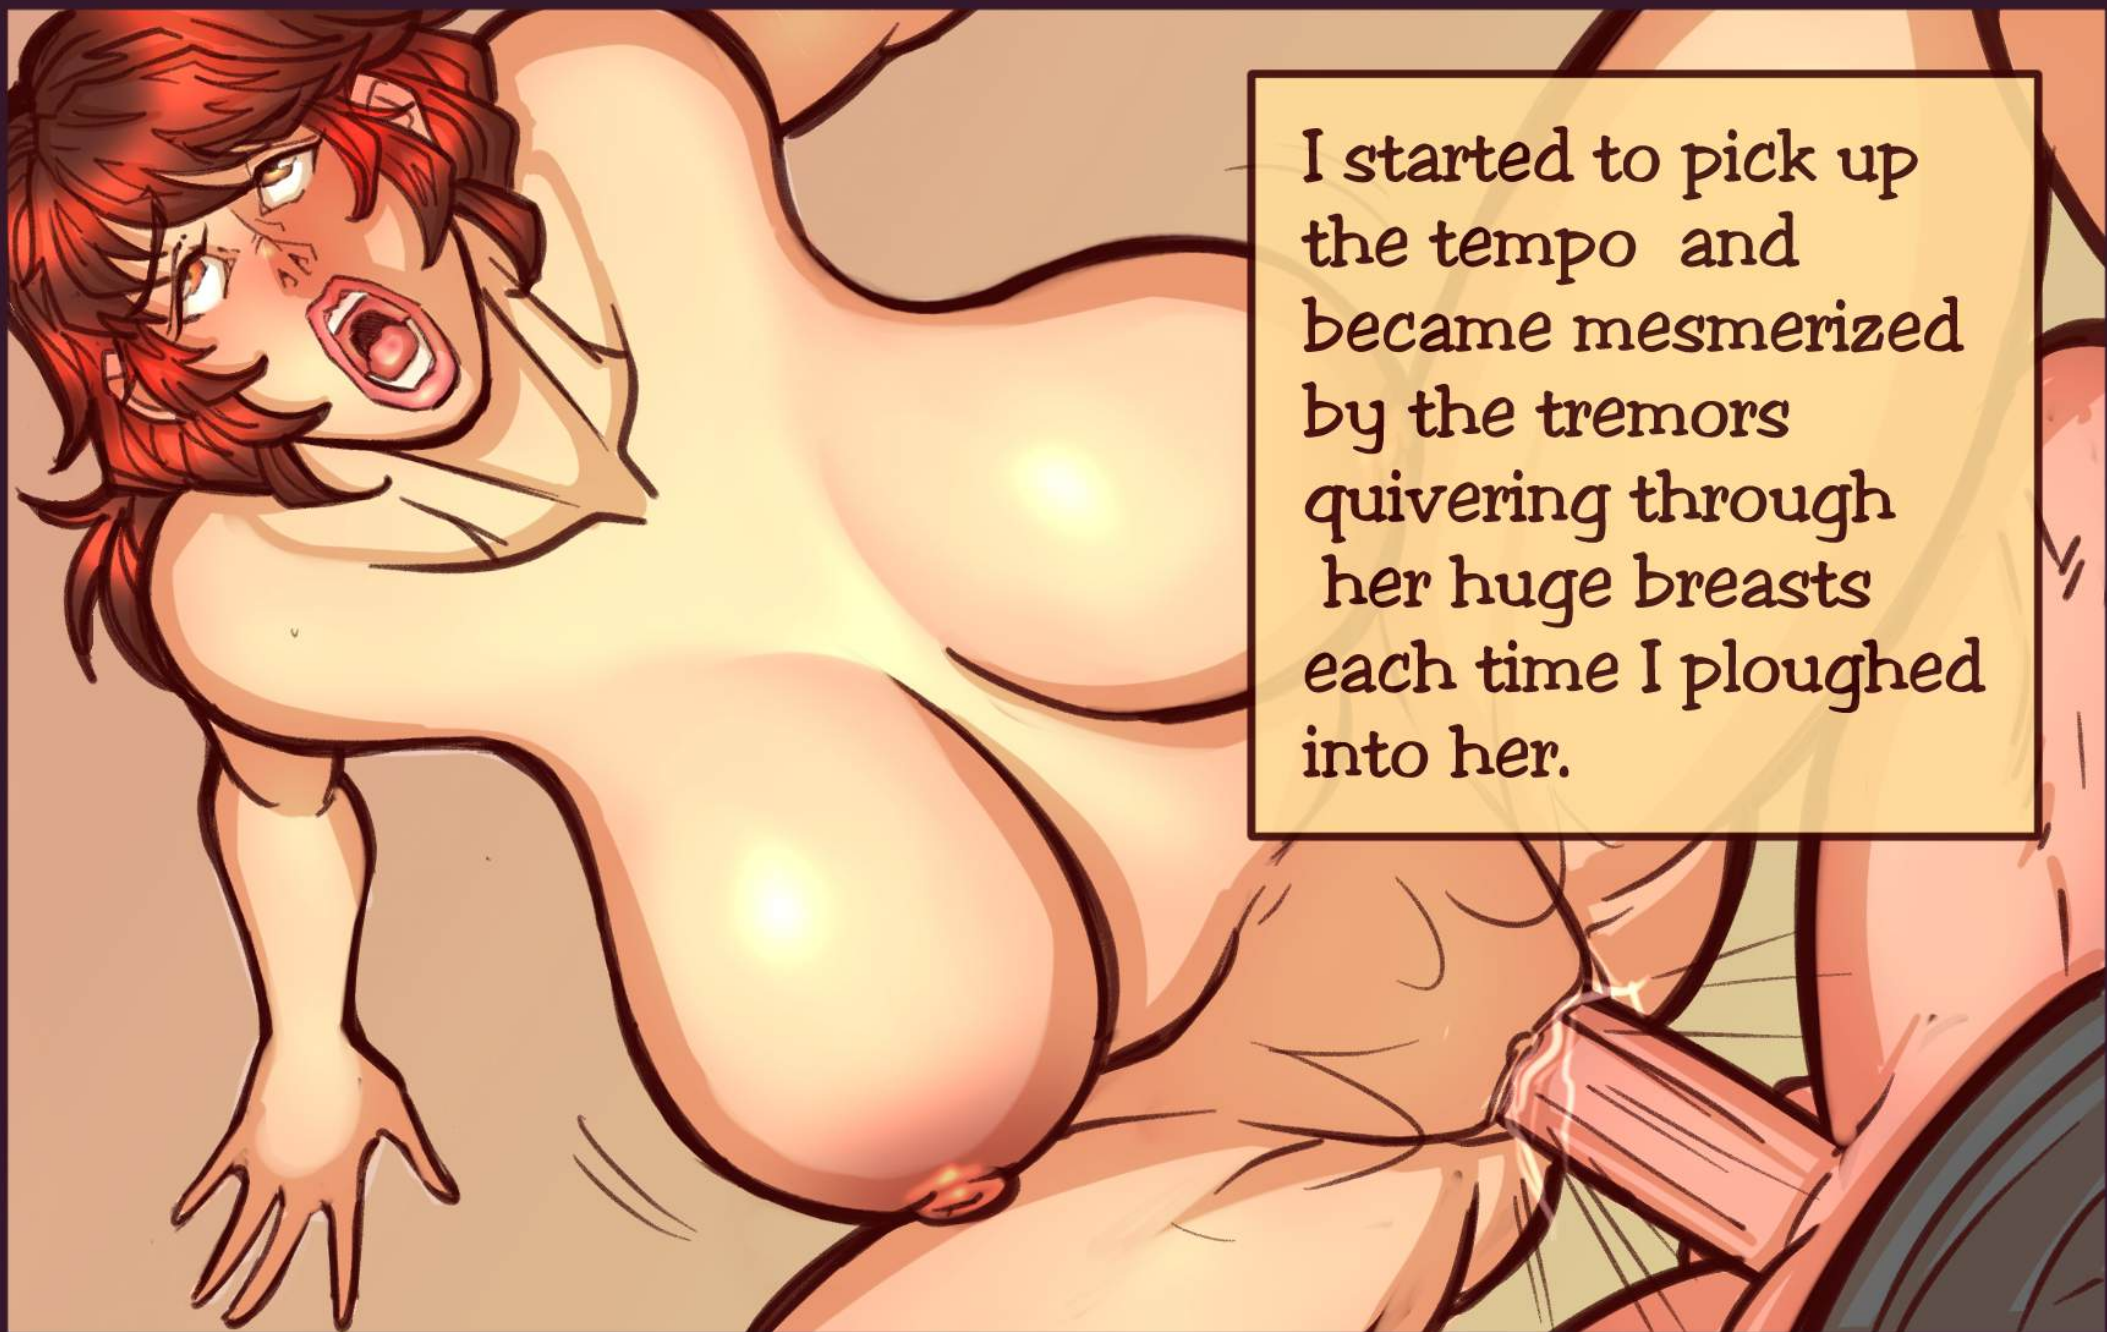

"I've dreamt of you
doing that to me, your
huge cock filling me
completely, I've never
felt so stuffed in my life!

I started to slowly slide my cock in and out of Annette's pussy as she moaned and writhed in pleasure under me.

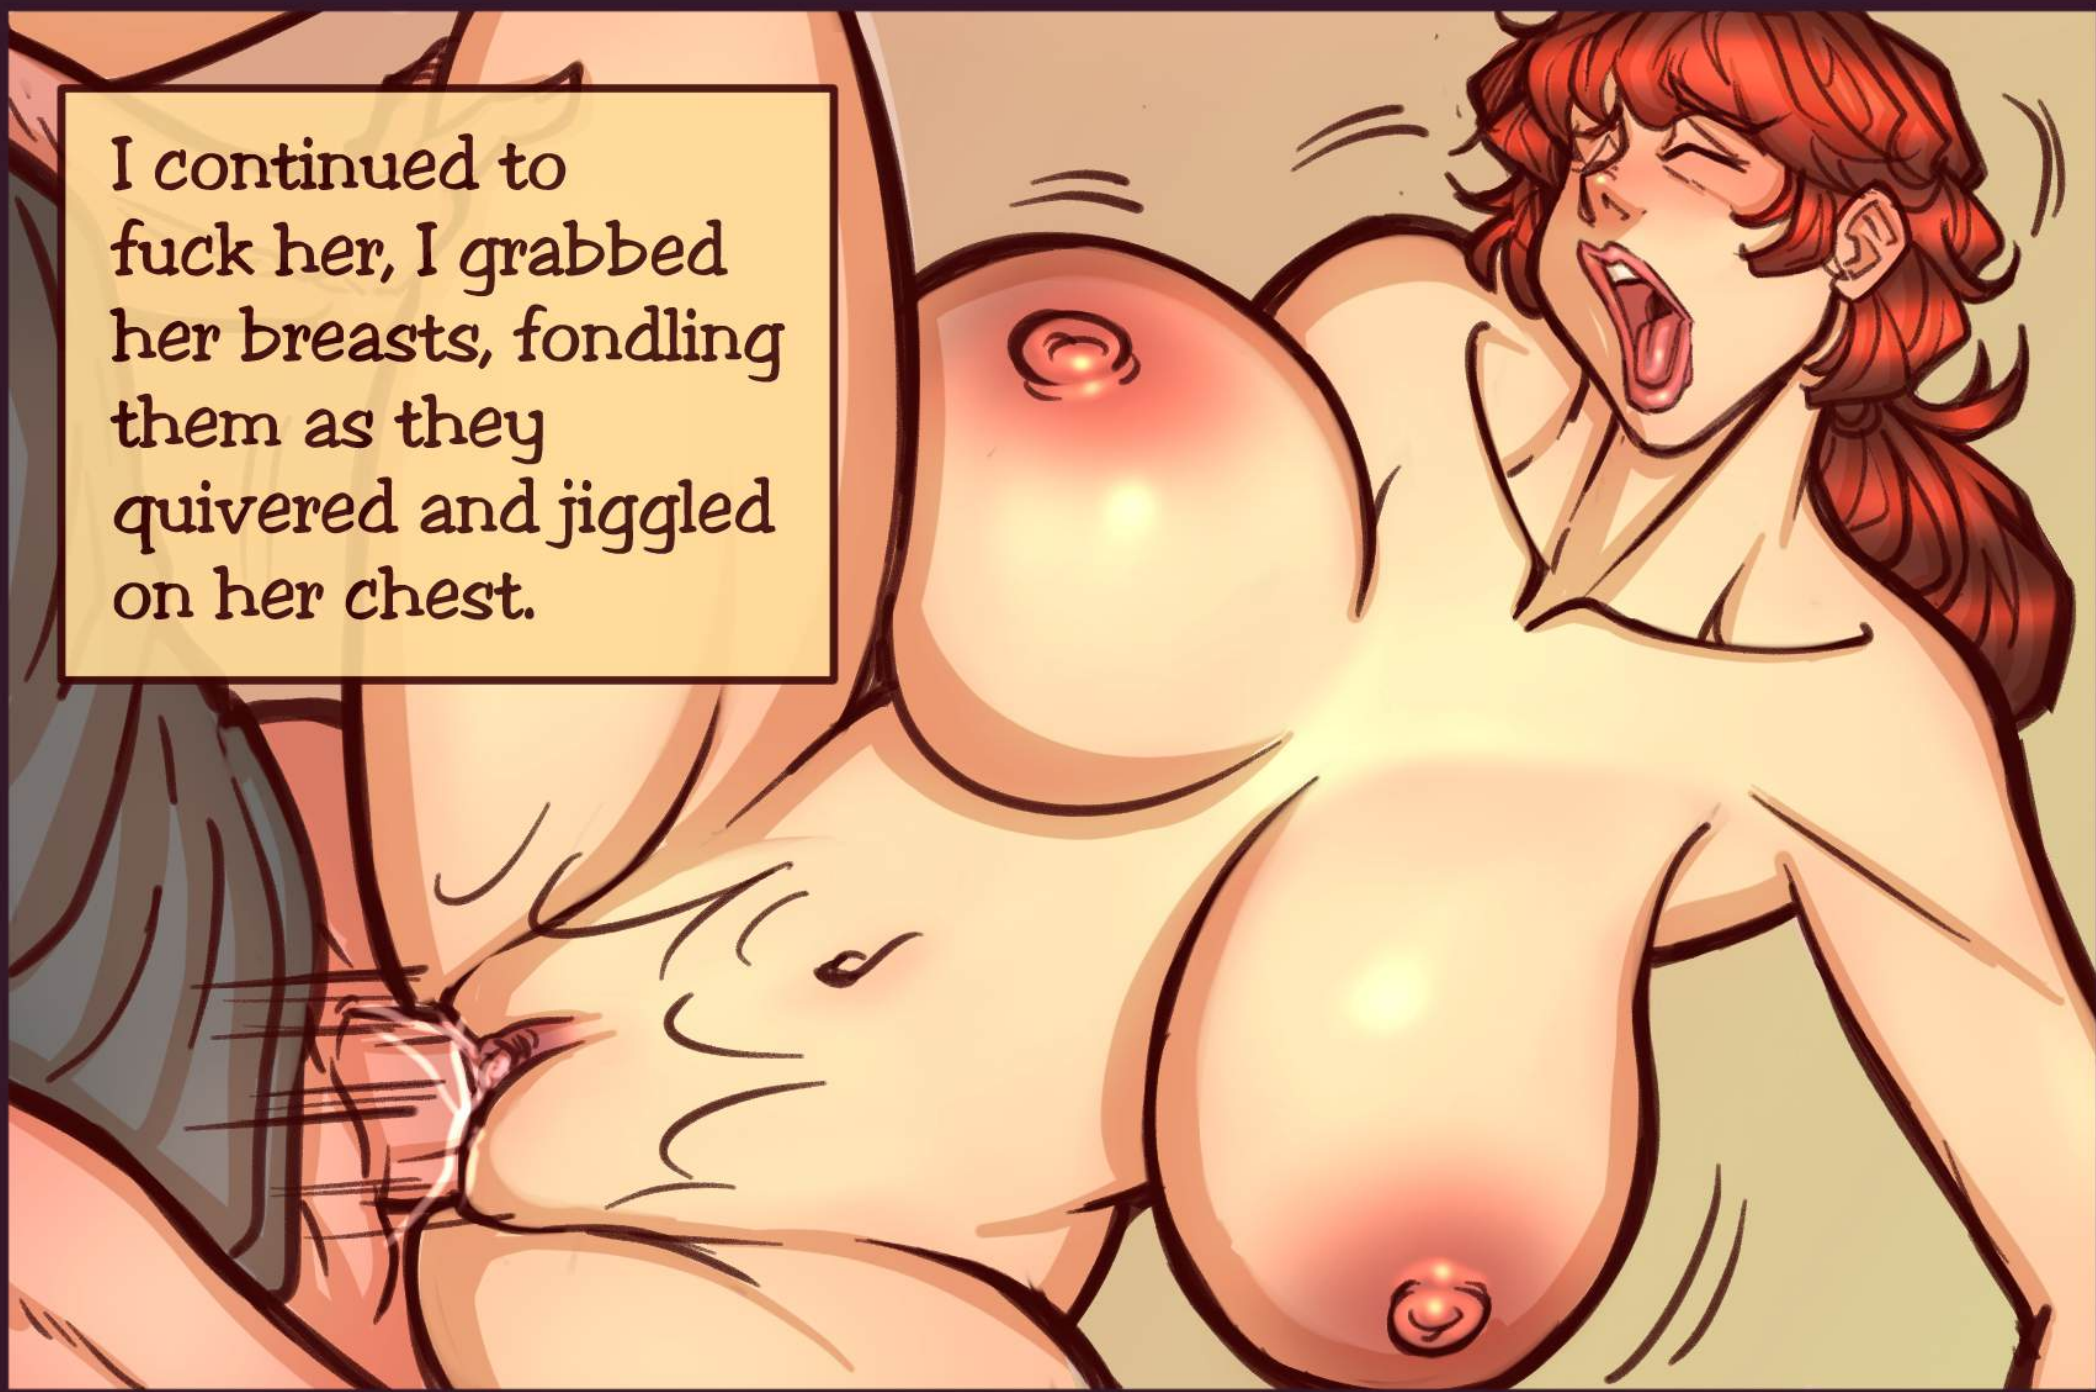

Despite how wet she was she still felt tight, her pussy fit my cock like a slippery glove.

I started to pick up the tempo and became mesmerized by the tremors quivering through her huge breasts each time I ploughed into her.

I continued to fuck her, I grabbed her breasts, fondling them as they quivered and jiggled on her chest.

After 20 minutes
or so of my cock
sliding in and out
of Annette's pussy
I was on the verge
of cumming...

My strokes had slowed again and it felt like just one more stroke would tip me over.

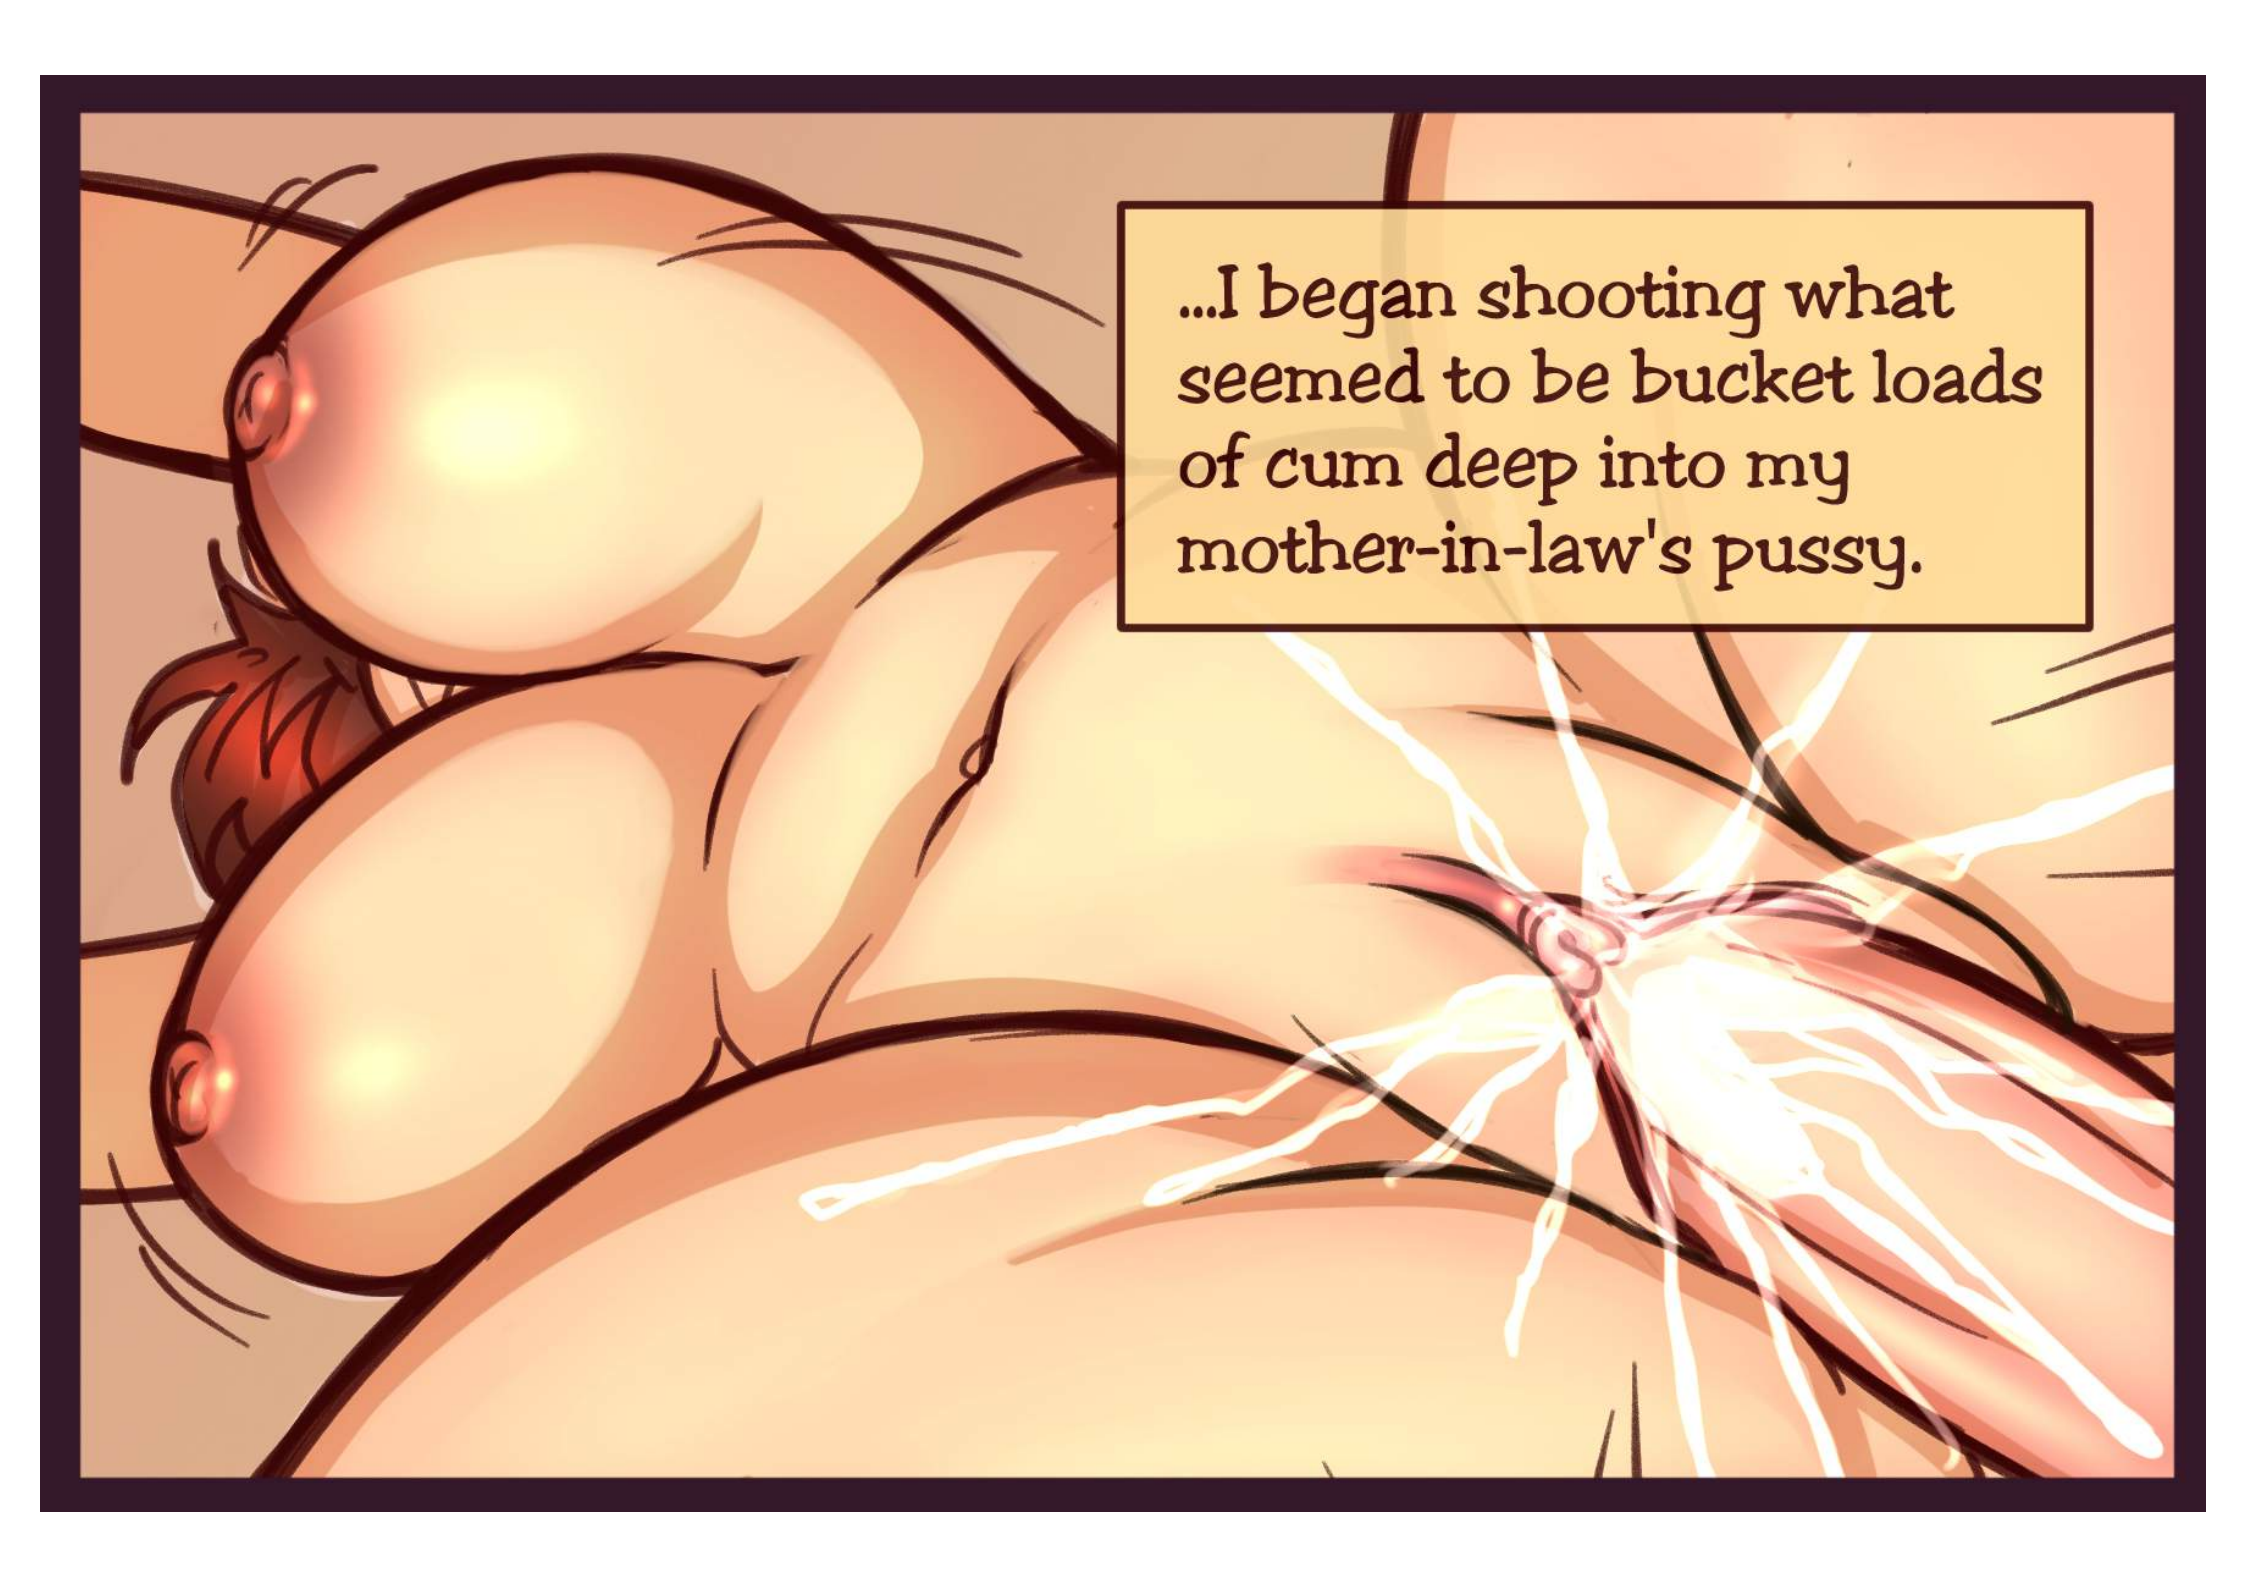

"Gonna cum!" I told Annette, although she was too busy moaning with pleasure to take any notice.

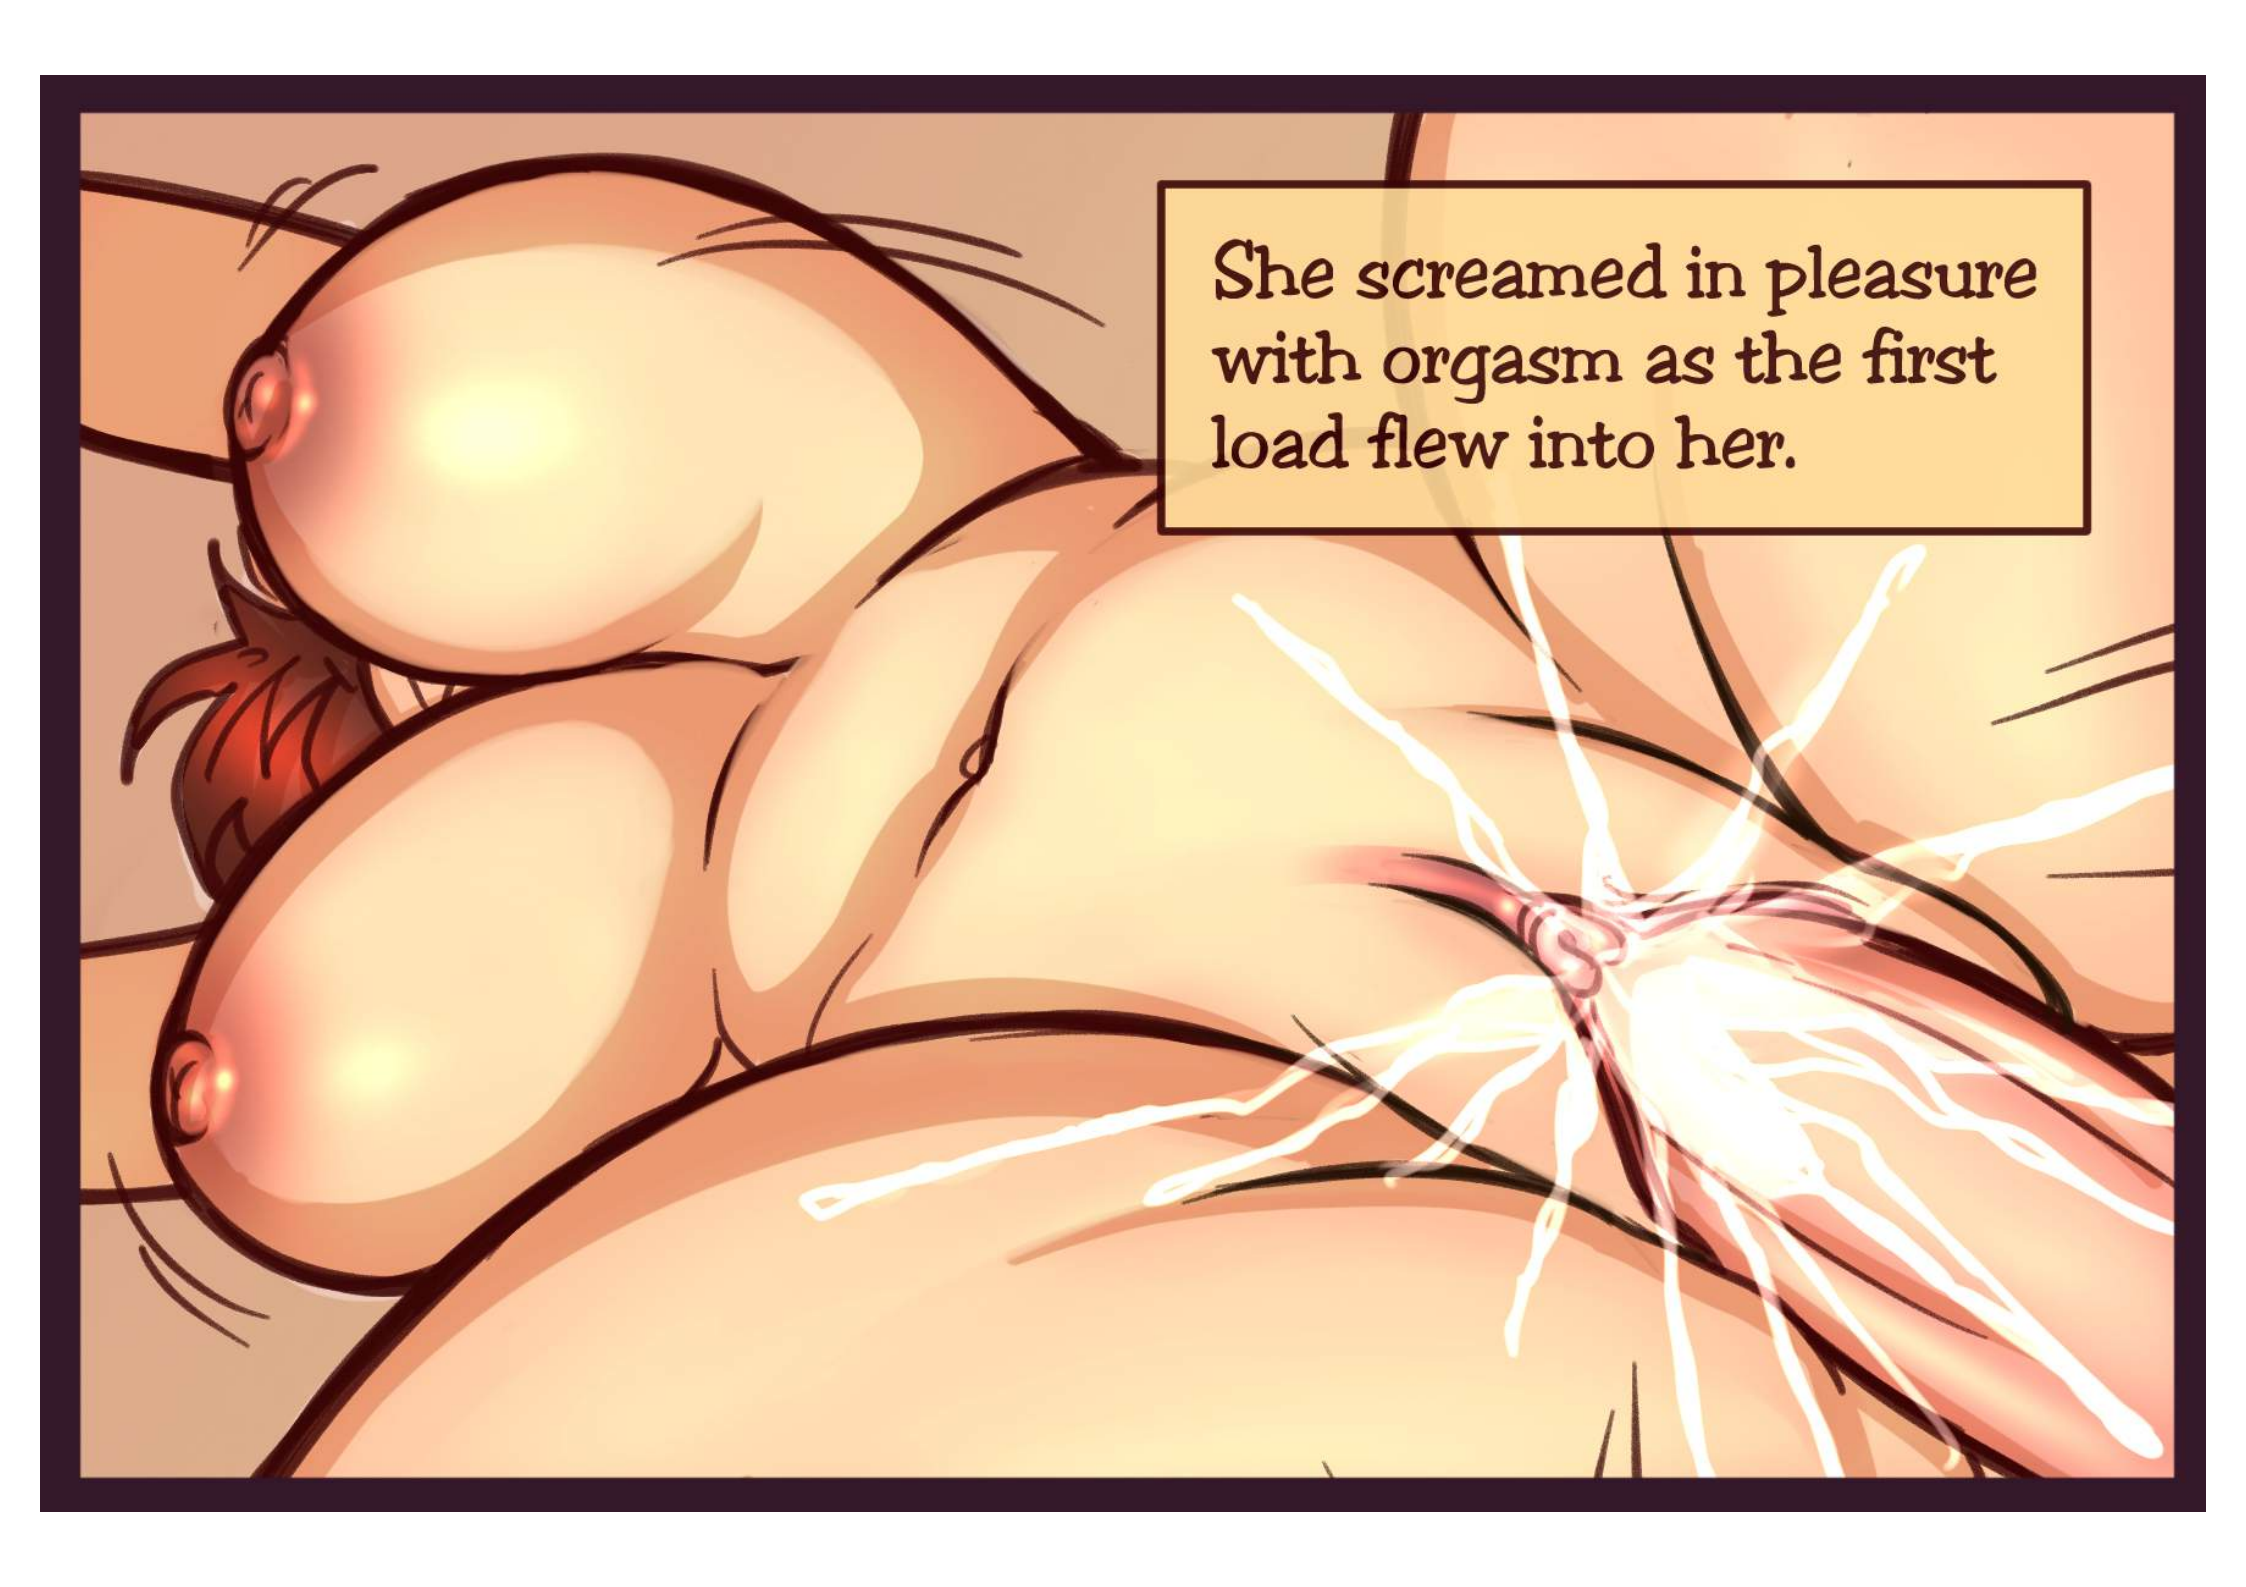

I thrust into her one more time, before with a loud groan of pleasure...

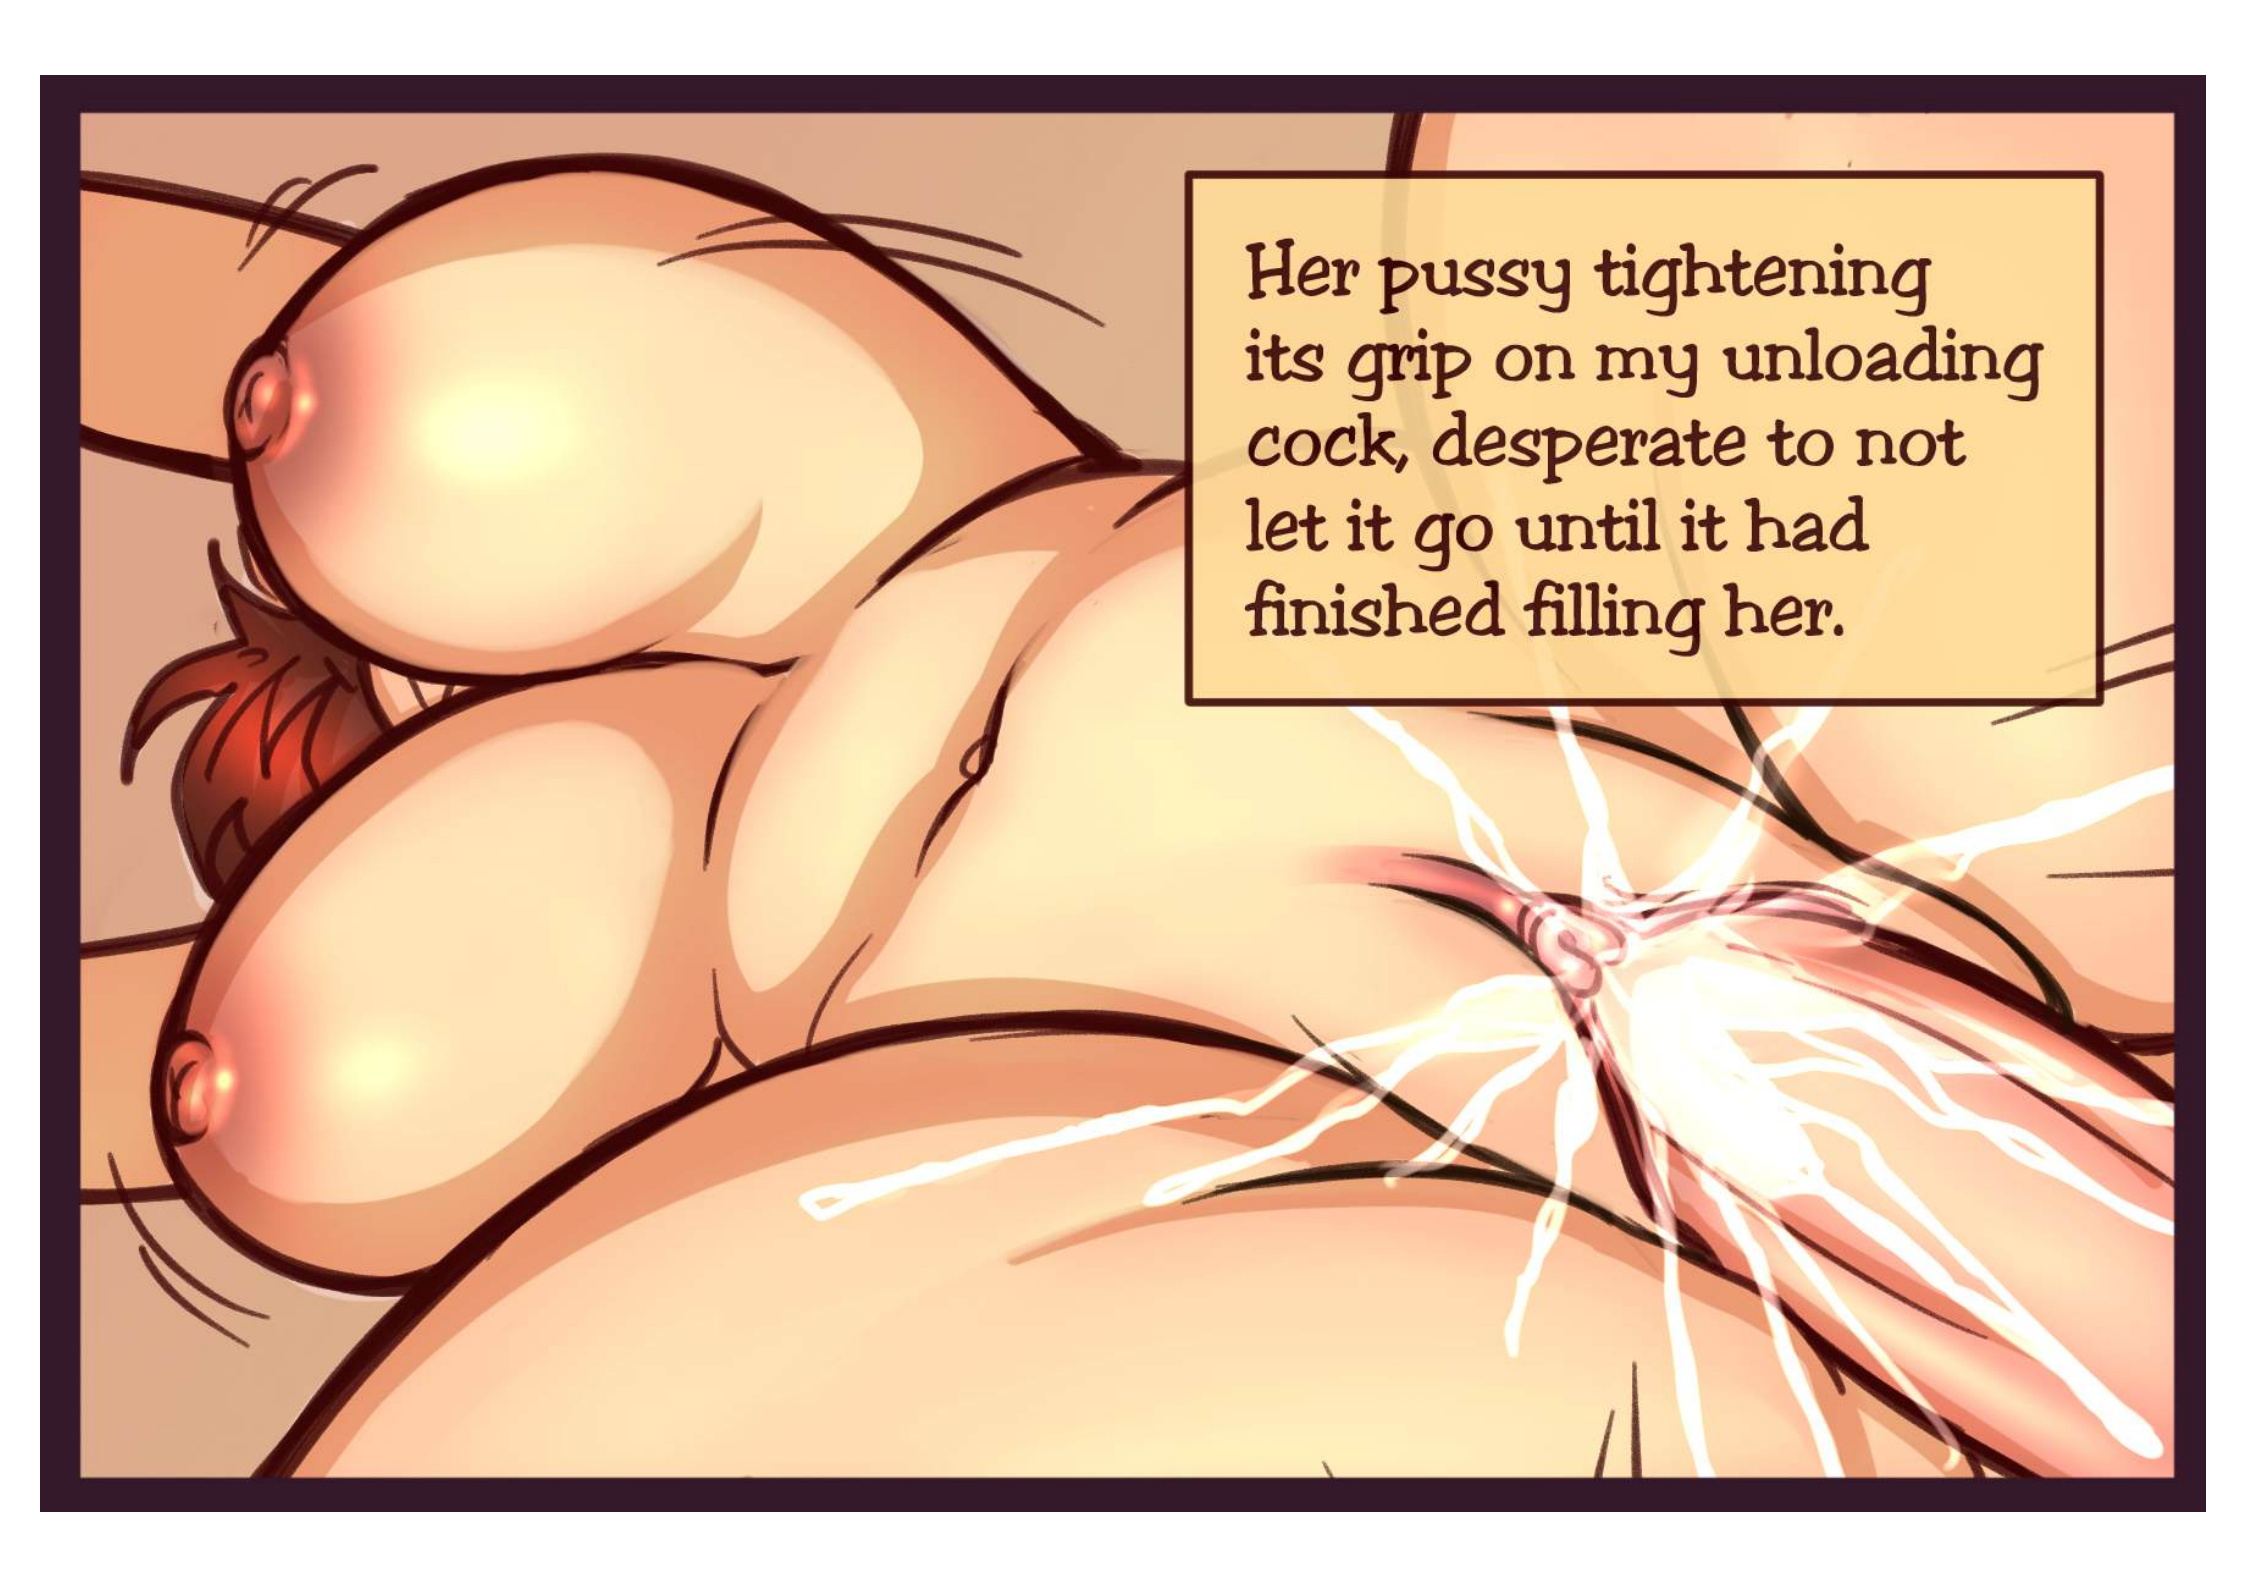

...I began shooting what seemed to be bucket loads of cum deep into my mother-in-law's pussy.

She screamed in pleasure
with orgasm as the first
load flew into her.

Her pussy tightening
its grip on my unloading
cock, desperate to not
let it go until it had
finished filling her.

"Oh fuck, it feels so good to have your cum pumped inside of me!" She moaned.

After the last spurt of cum had finished flooding my mother-in-law's womb with my sperm I pulled out of her.

Then, wondering how much further I could push this, I got up off the sun bed, walked round and presented my cock, covered in my cum and her juices to Annette.

To my surprise,
she sucked it
straight into her
mouth, bathing it
in her cool saliva
and using her
tongue to wash
the sexual
mixture off it.

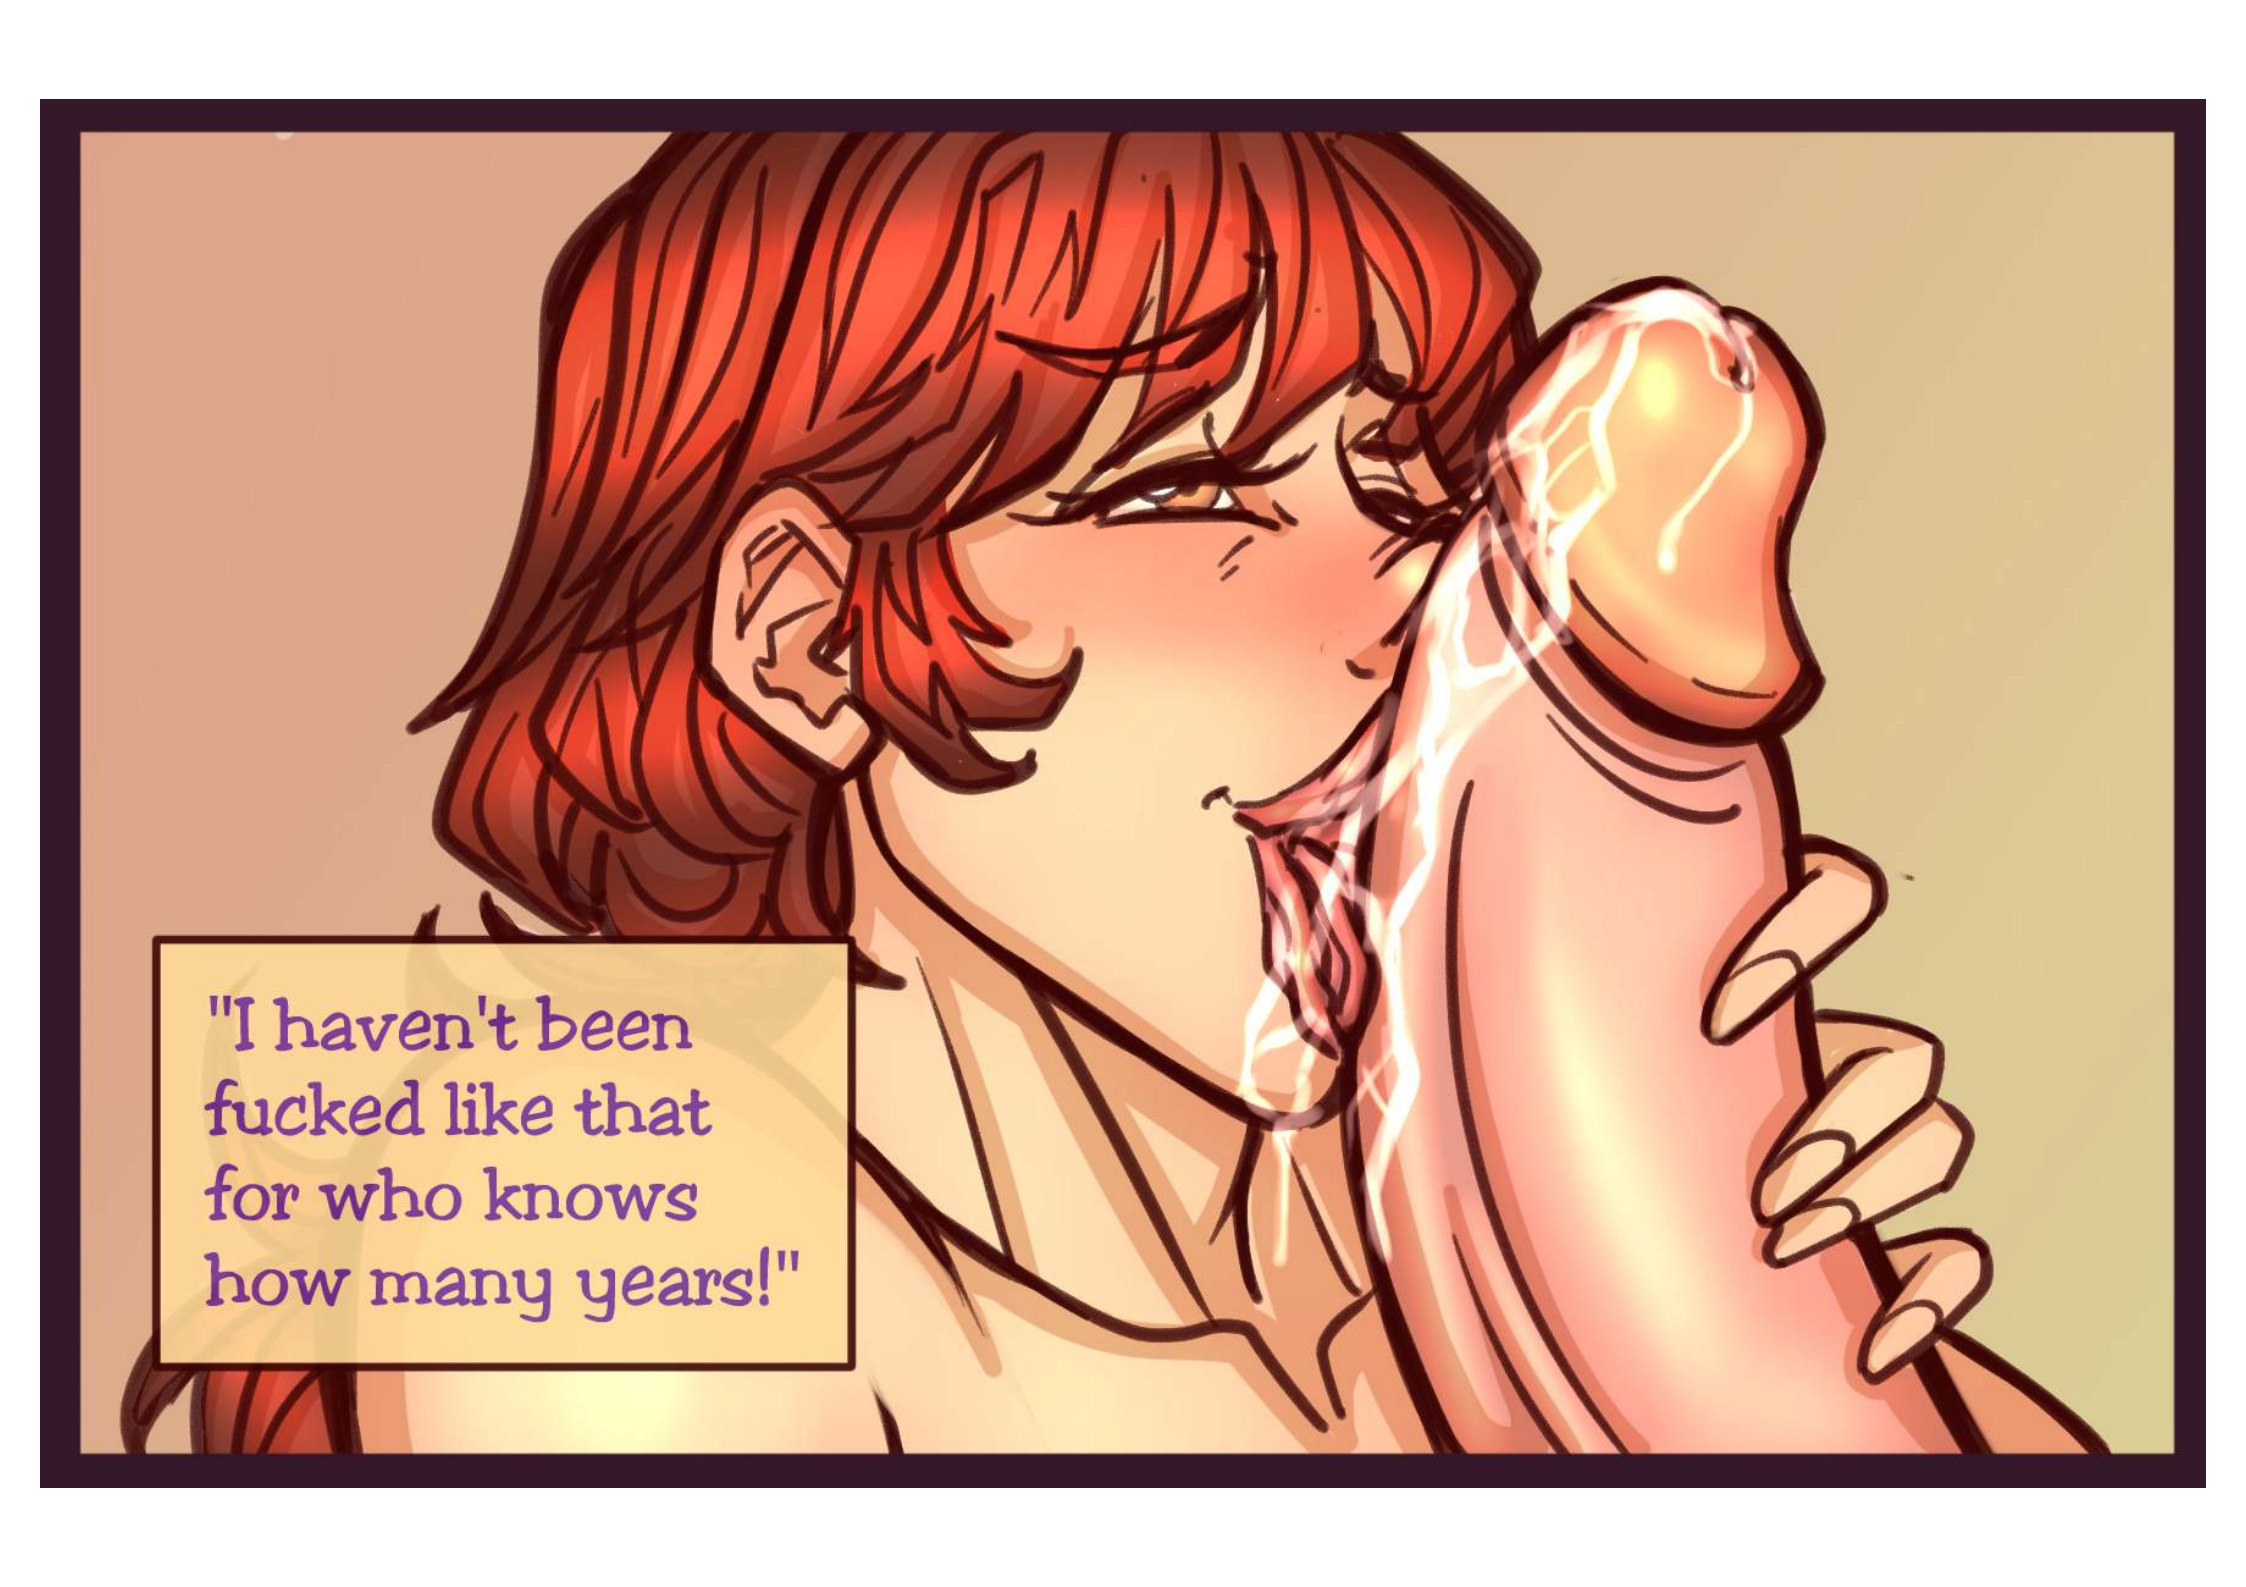

After she had cleaned it, she allowed it to drop flaccid from her mouth.

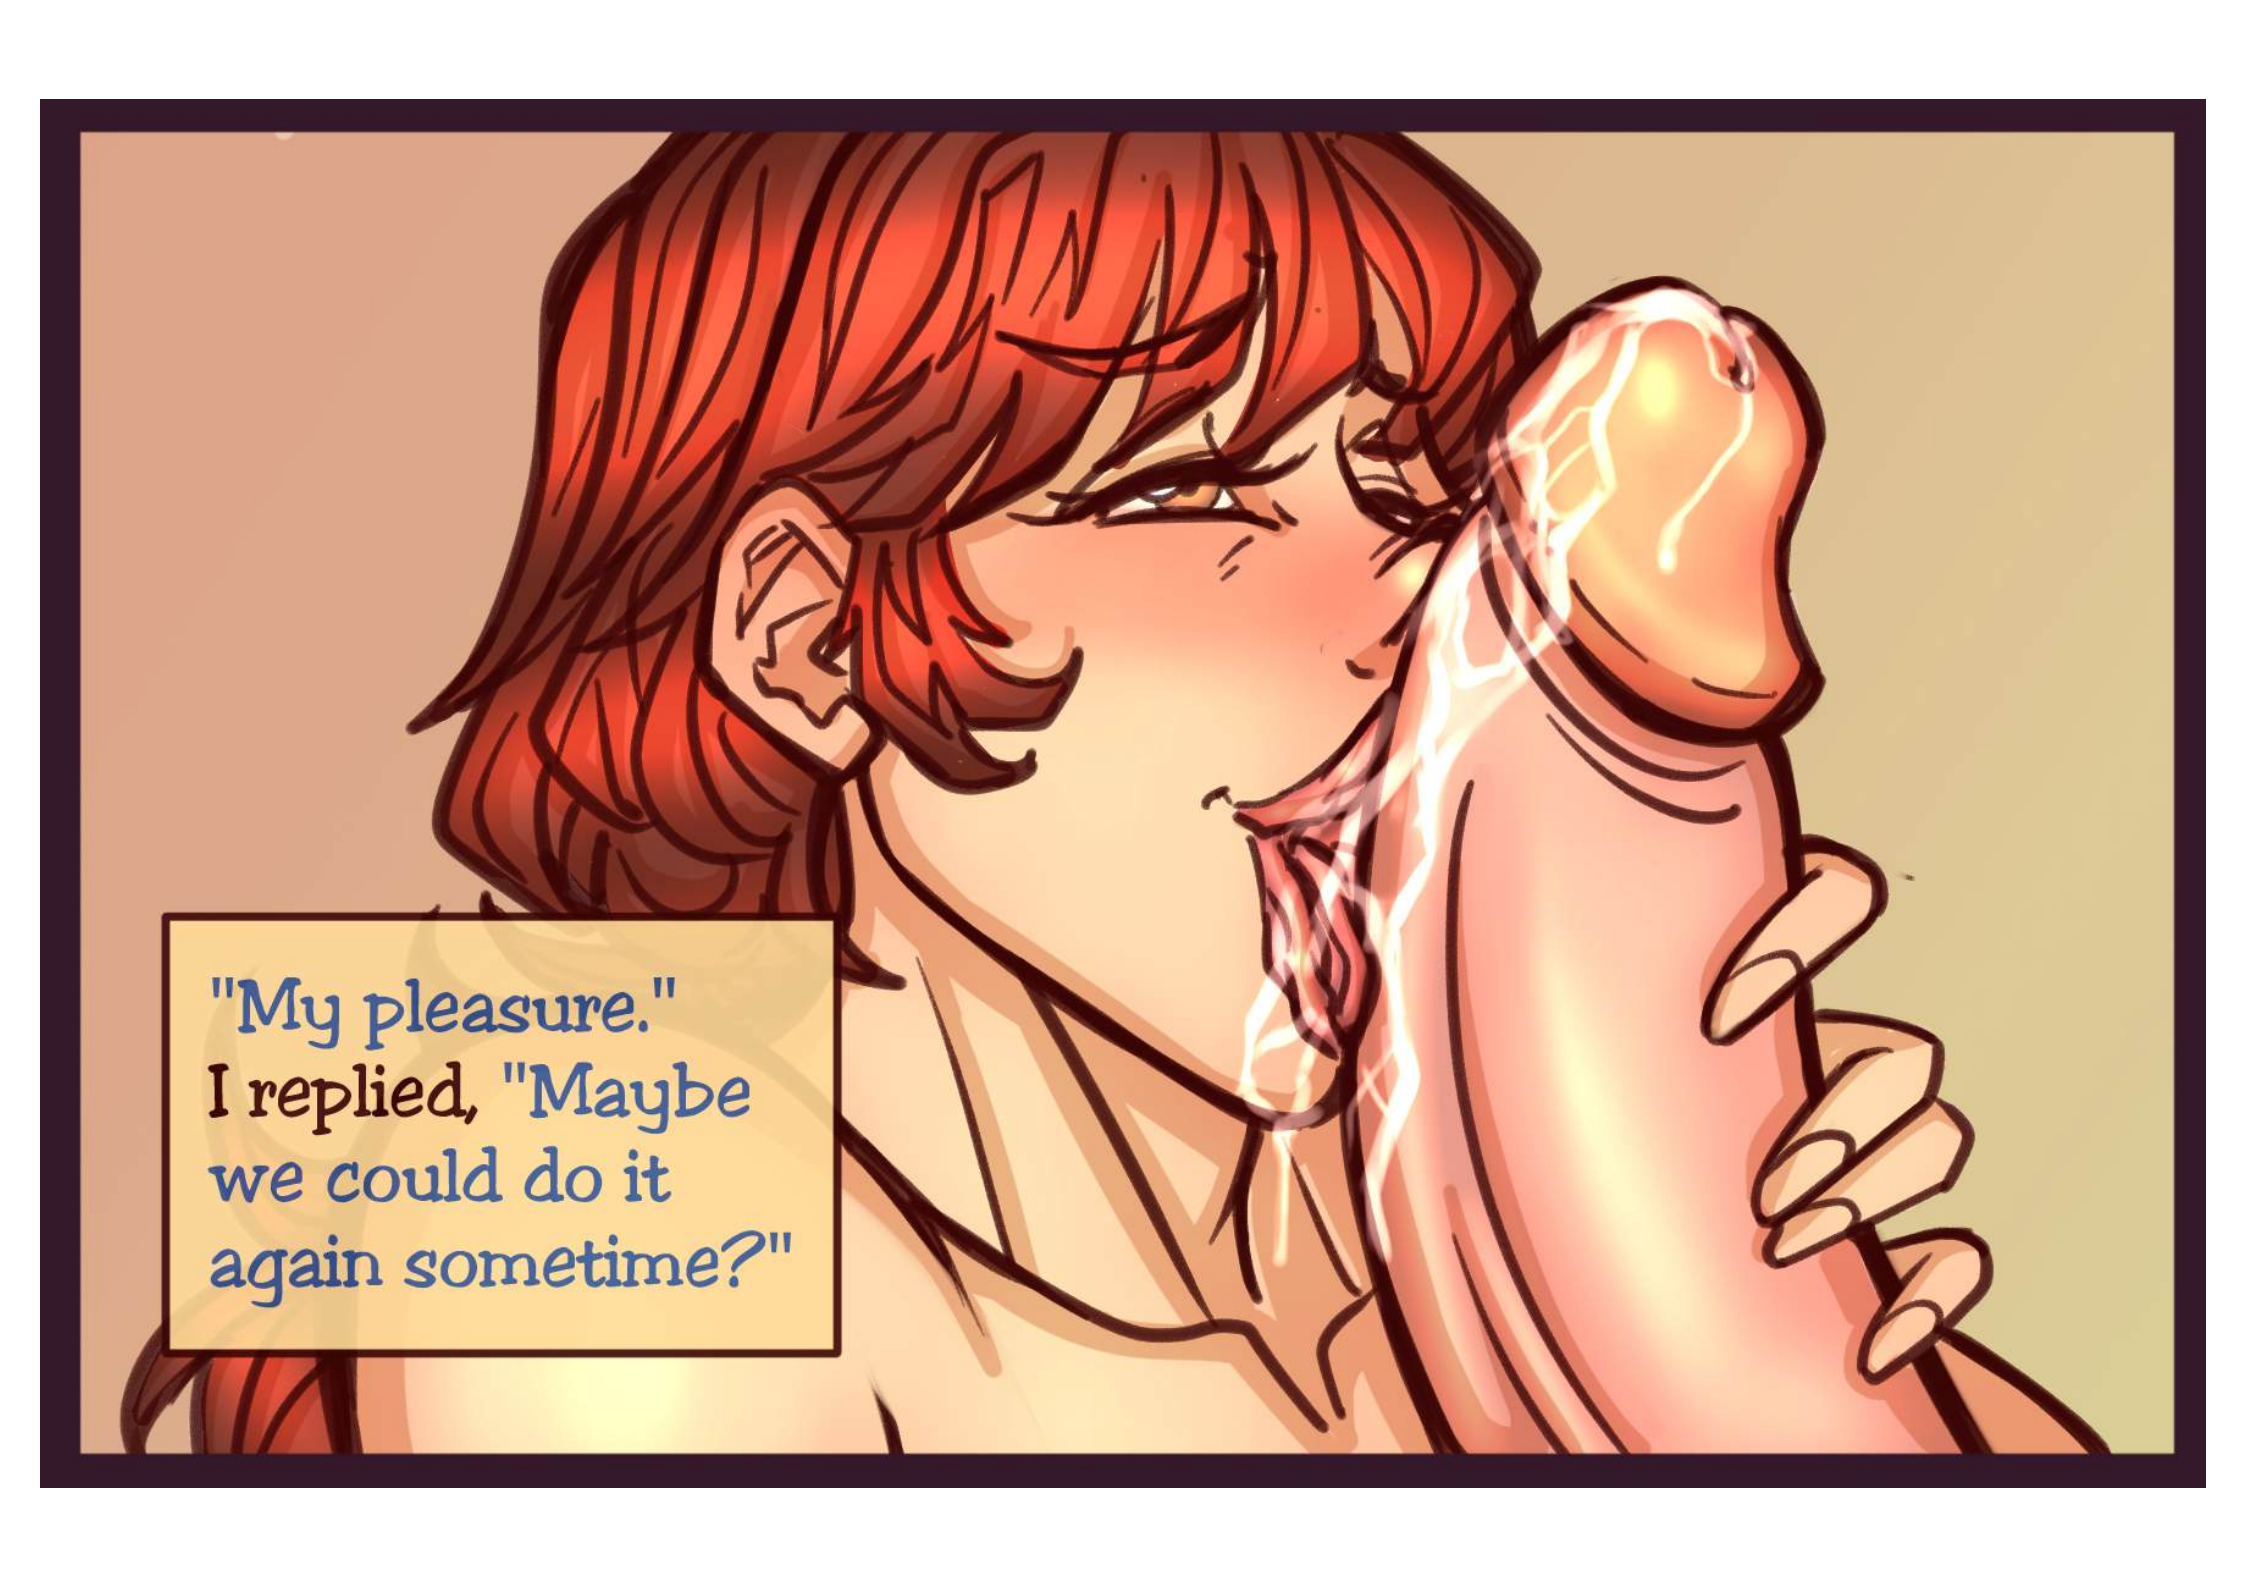

A stylized illustration of a woman with vibrant red hair, shown in profile from the chest up. She is leaning forward and kissing a large, glowing apple. The apple is rendered with bright yellow and orange highlights, giving it a magical or ethereal appearance. The woman's eyes are closed, and her expression is one of bliss. The background is a soft, warm gradient of light brown and yellow. The entire scene is framed by a dark border.

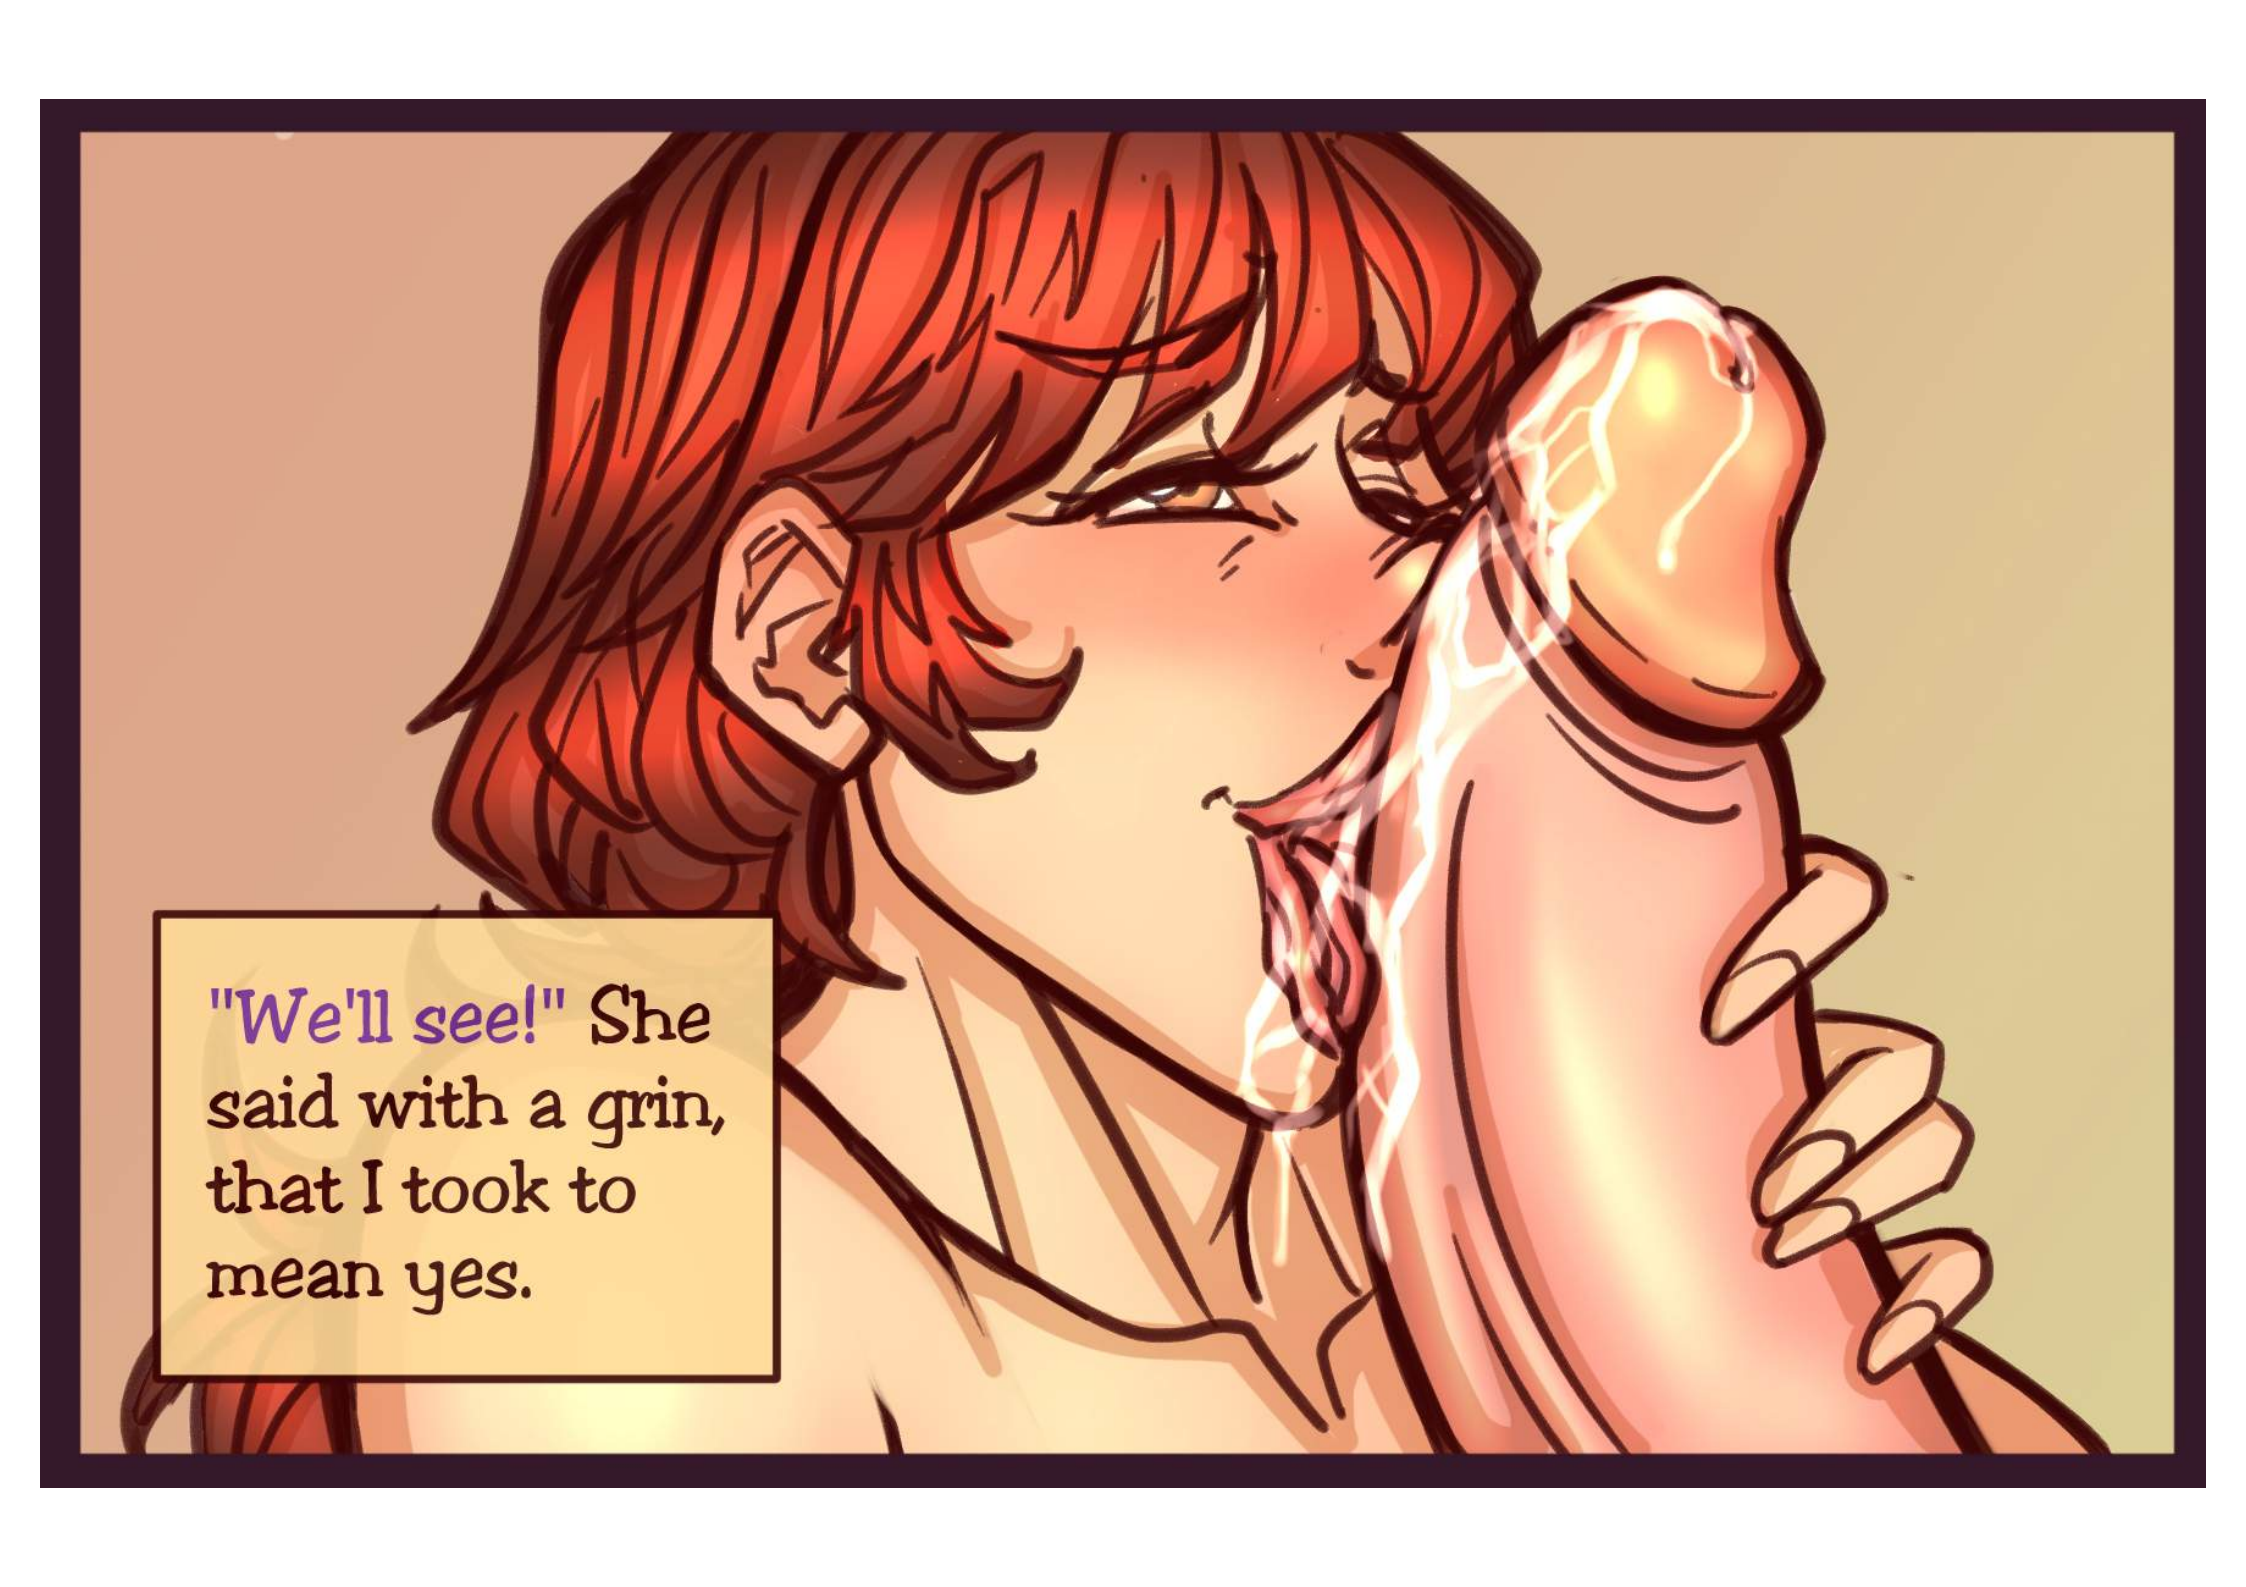

"That was fantastic,
thank you." She told
me.

"I haven't been fucked like that for who knows how many years!"

"My pleasure."
I replied, "Maybe
we could do it
again sometime?"

"We'll see!" She said with a grin, that I took to mean yes.
