CHAPTER 03

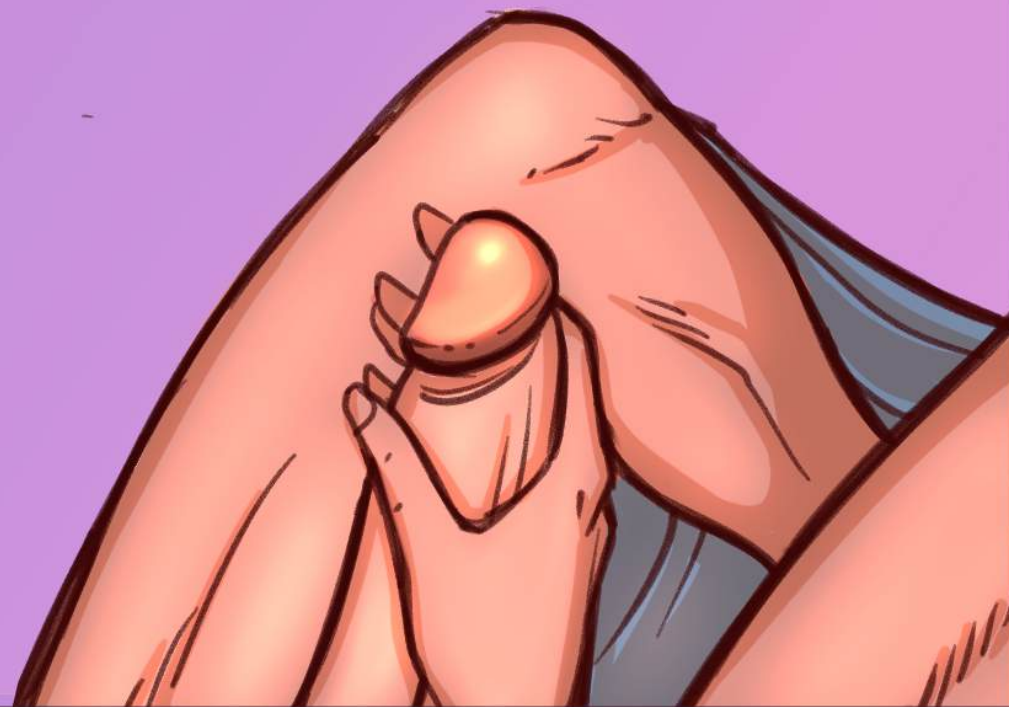

Heavy hearted
I went to the spare room,
made up the bed myself,
took off my clothes,
climbed into bed and
tried to sleep.

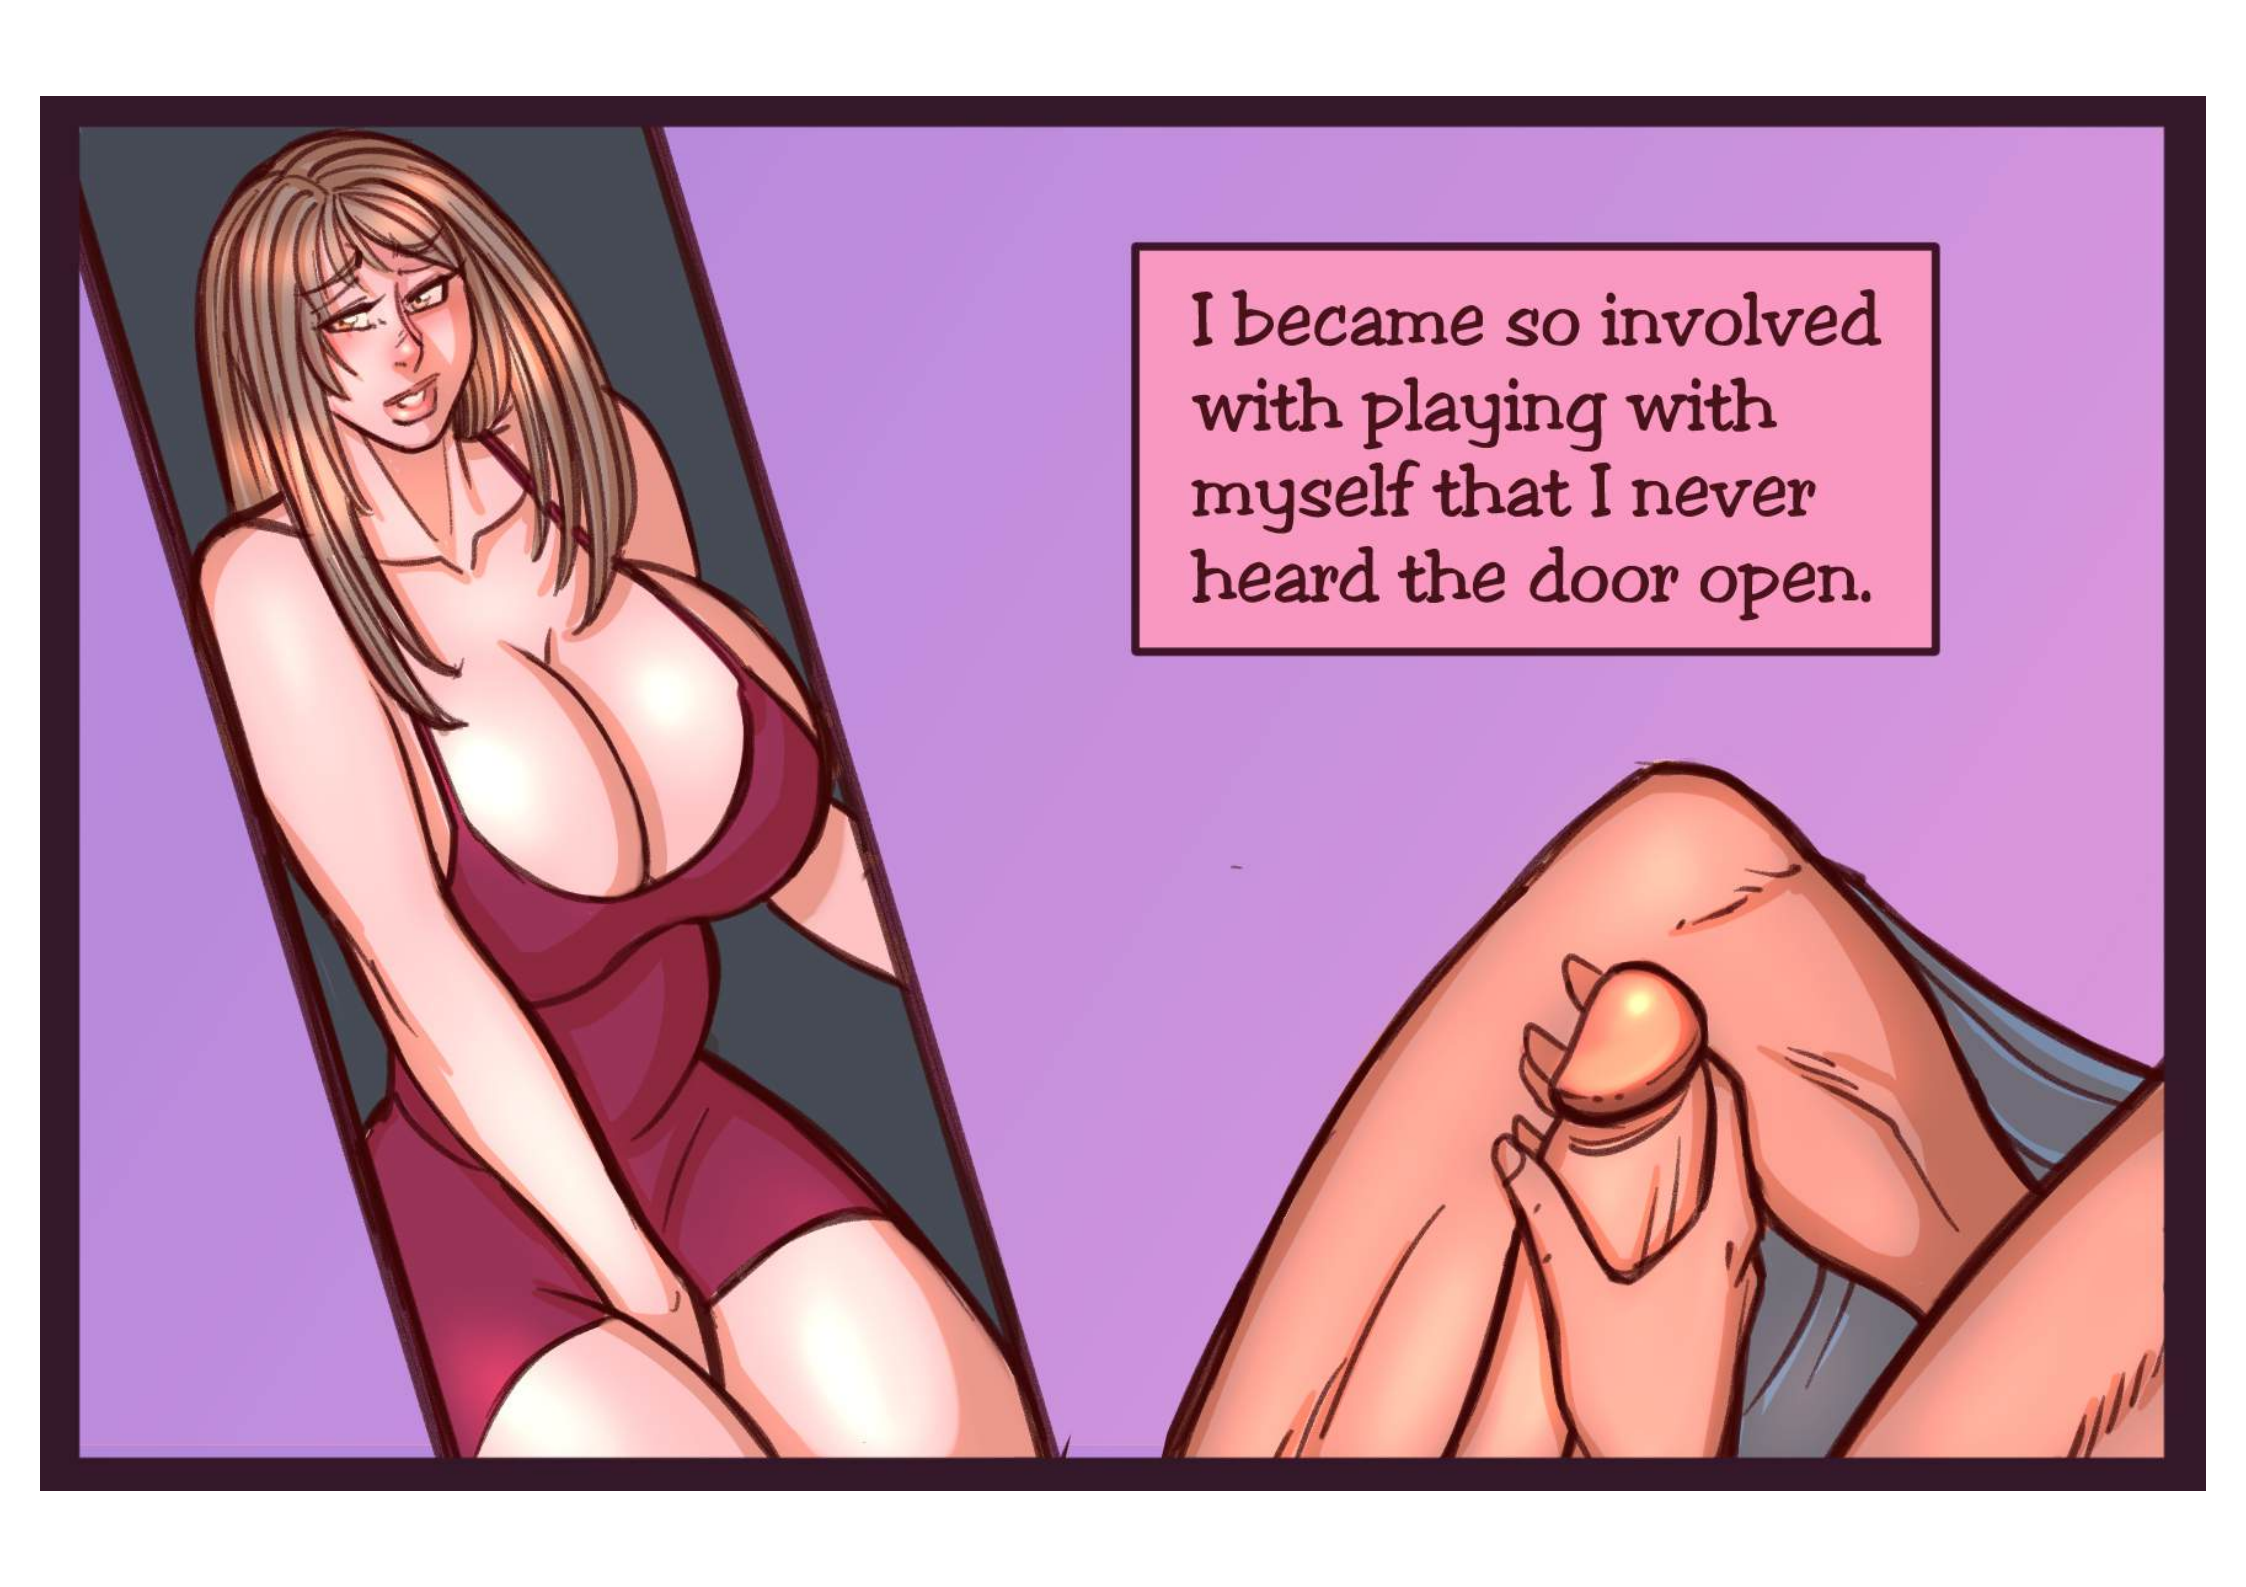

It never came.
I tossed and turned for
over an hour.

Worst of all,
I was still horny as hell
and decided that I'd better
relieve myself or
I'd never get any sleep.

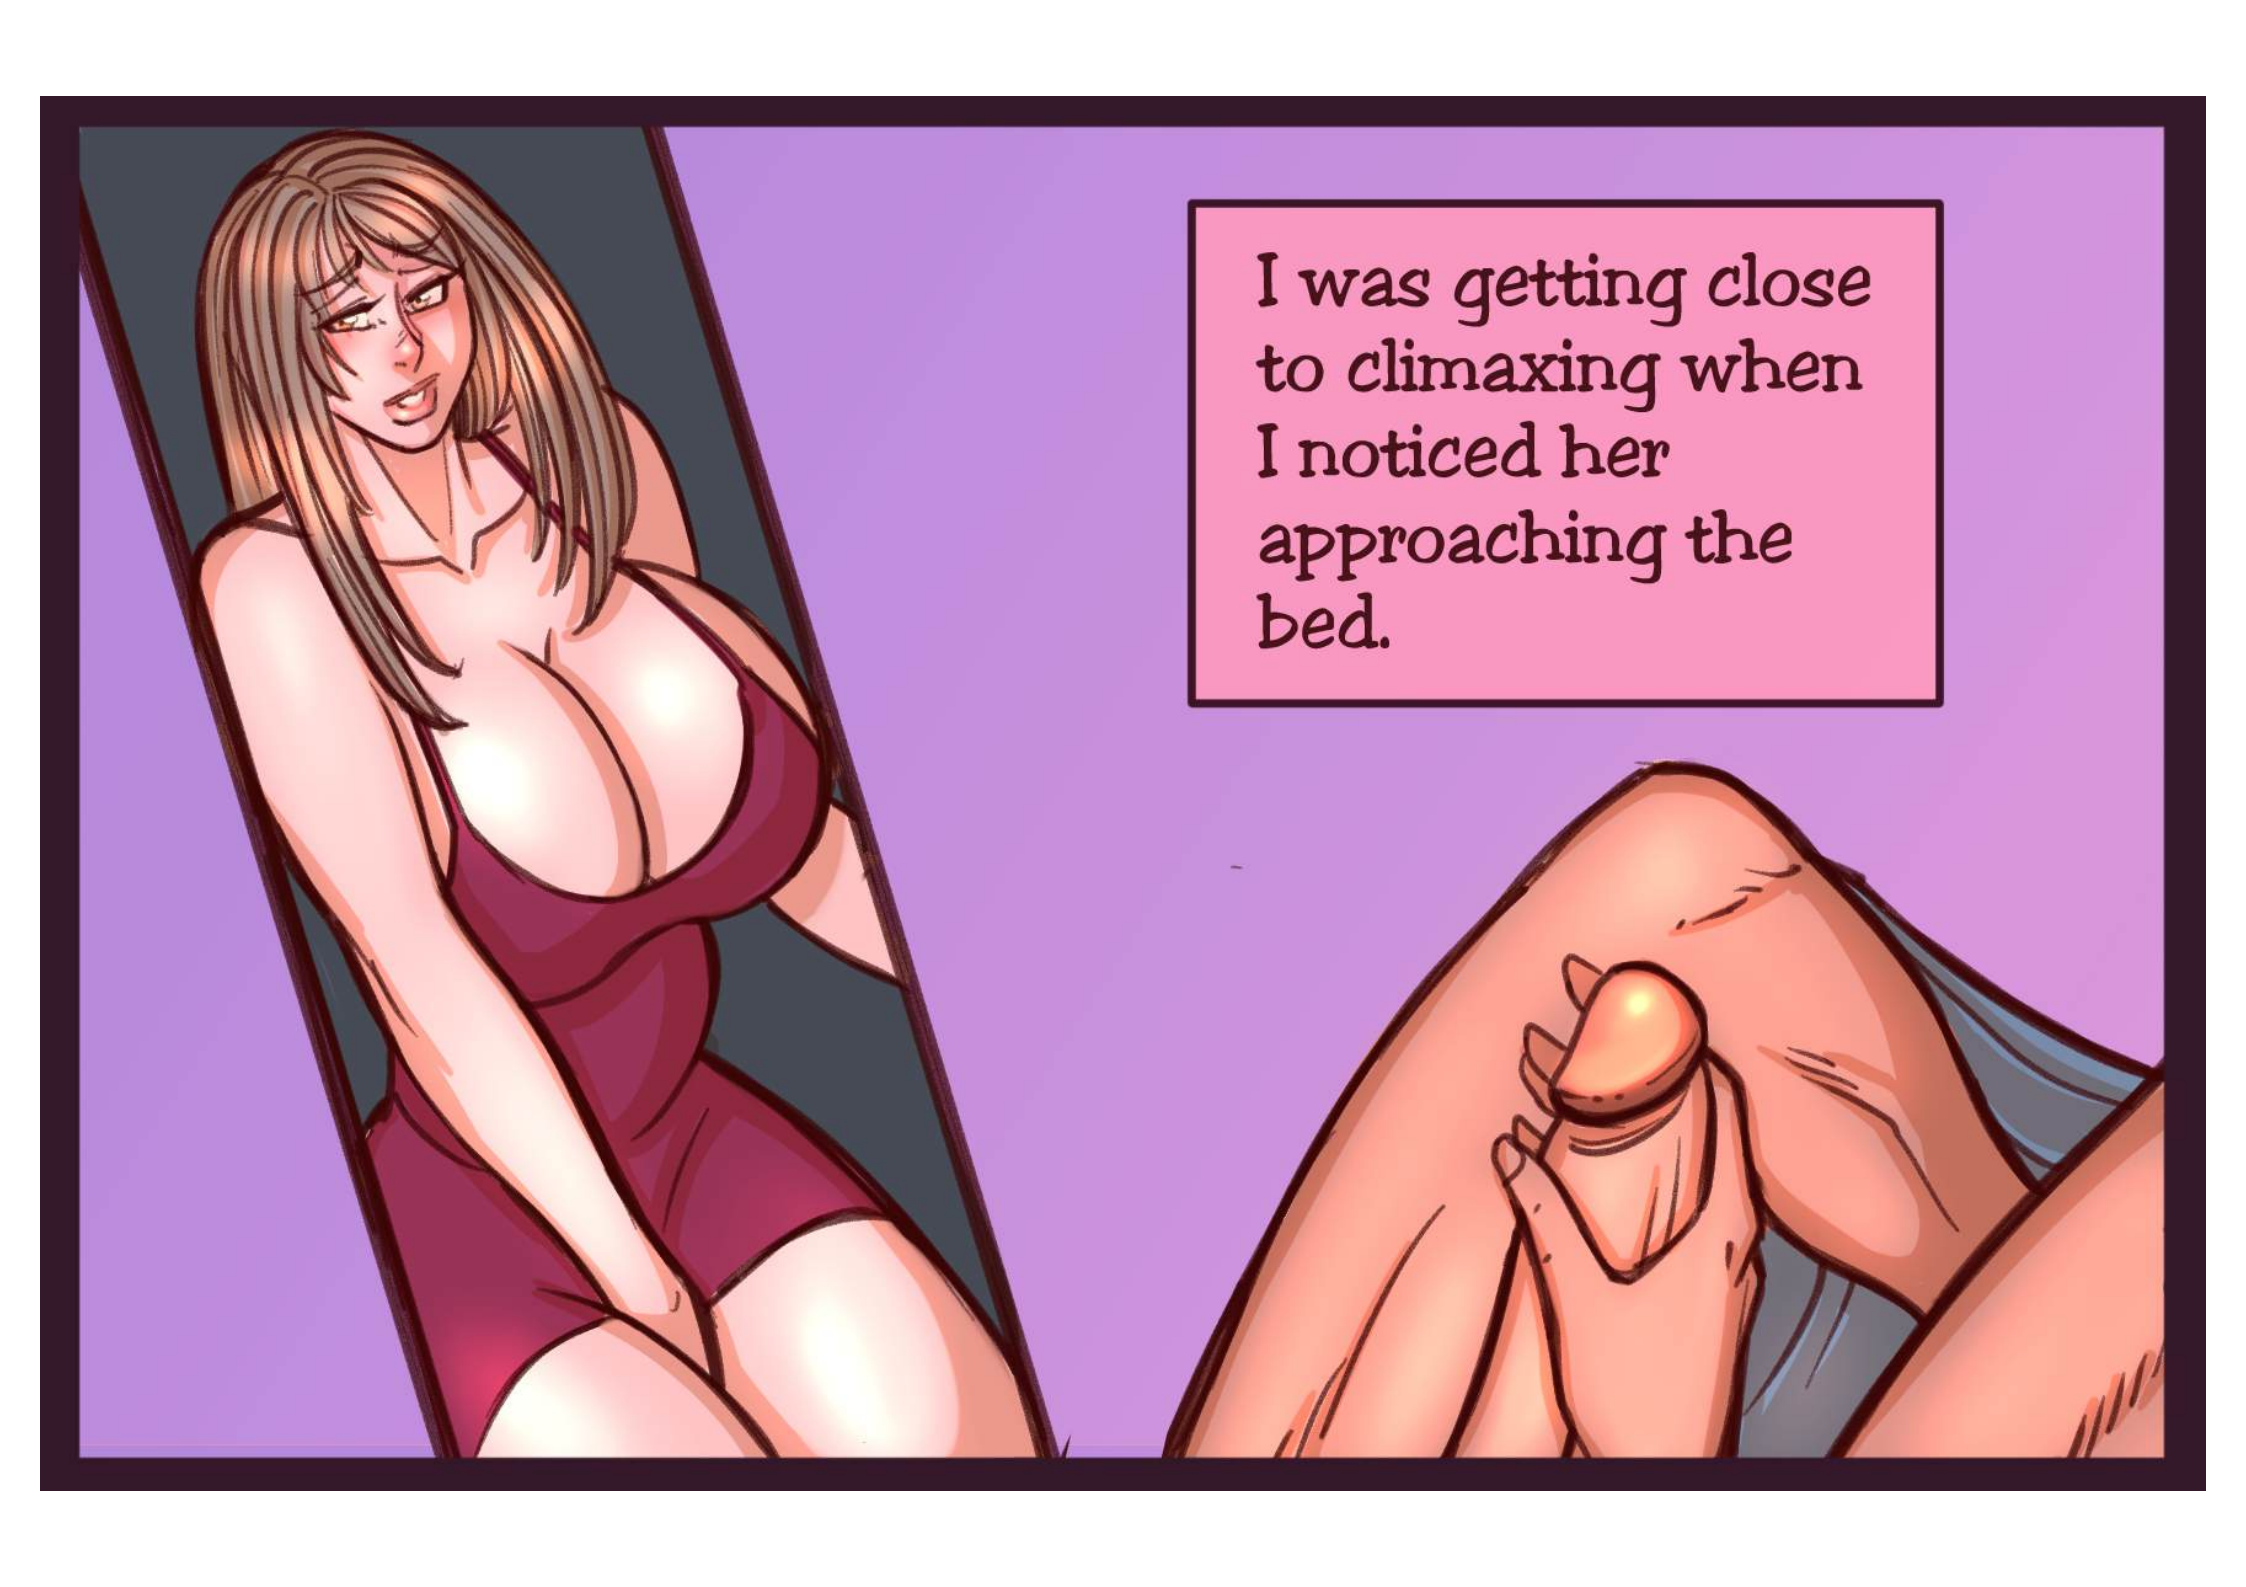

Then, I saw her...
Mrs. Roberts was
standing just inside
the door touching
herself.

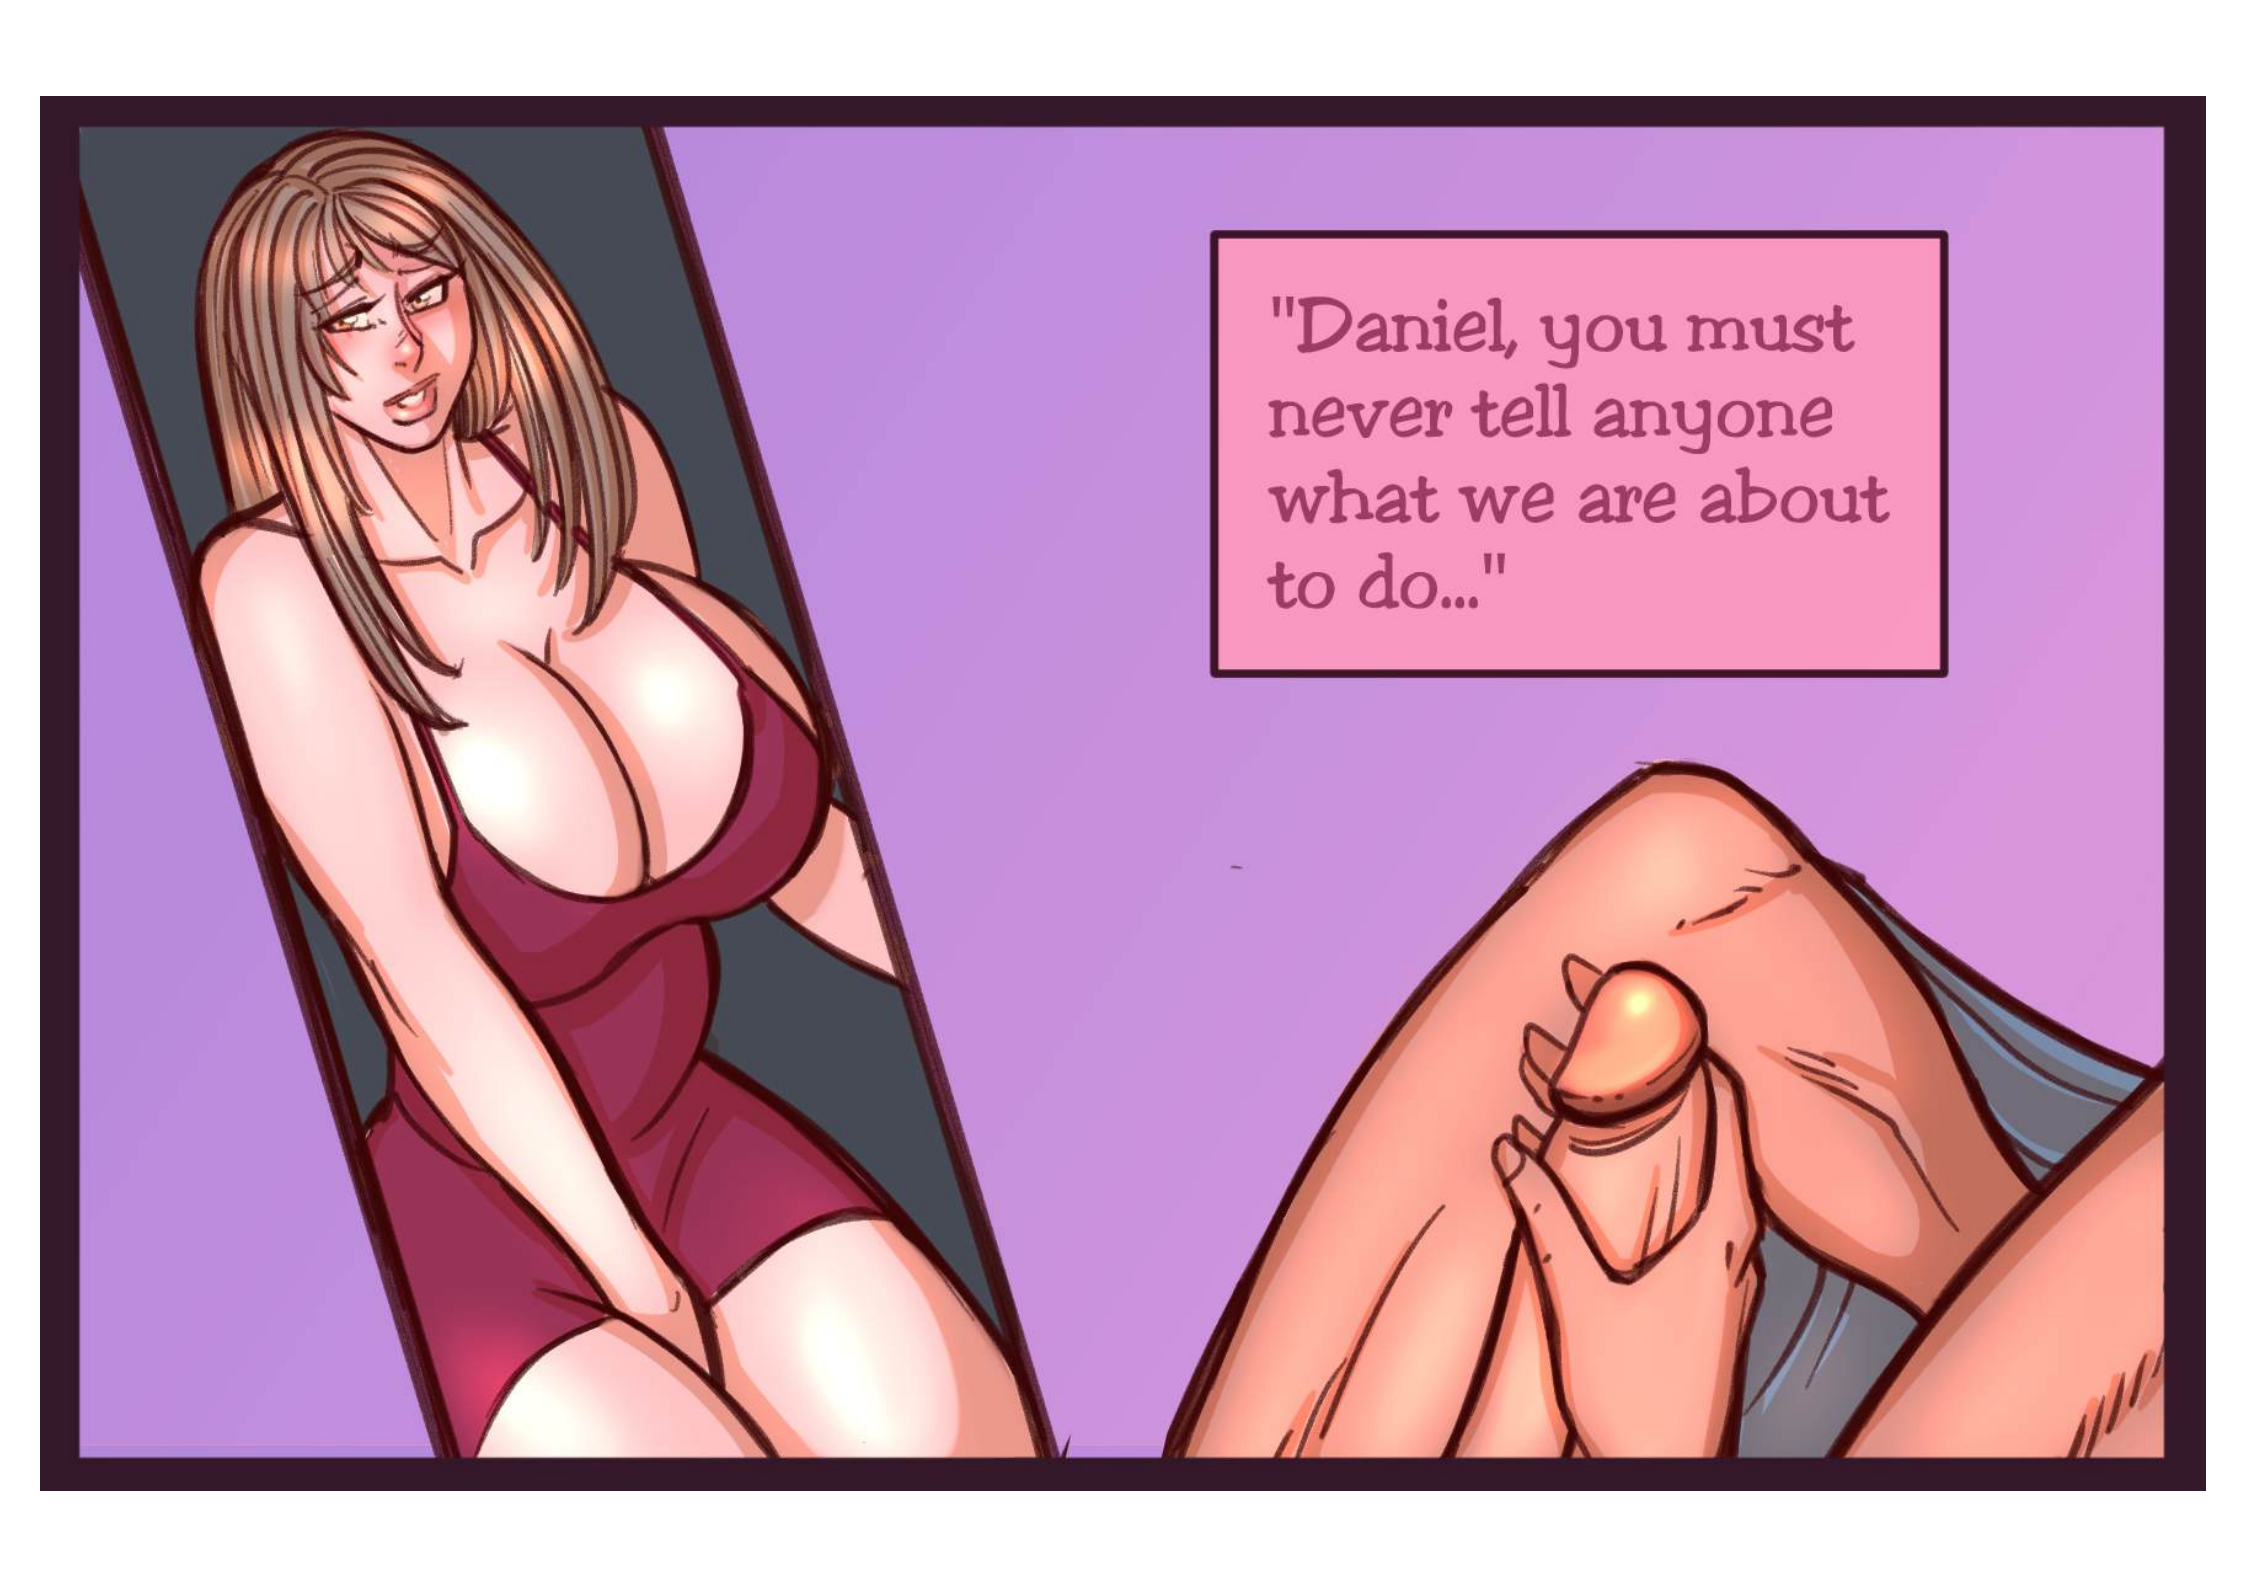

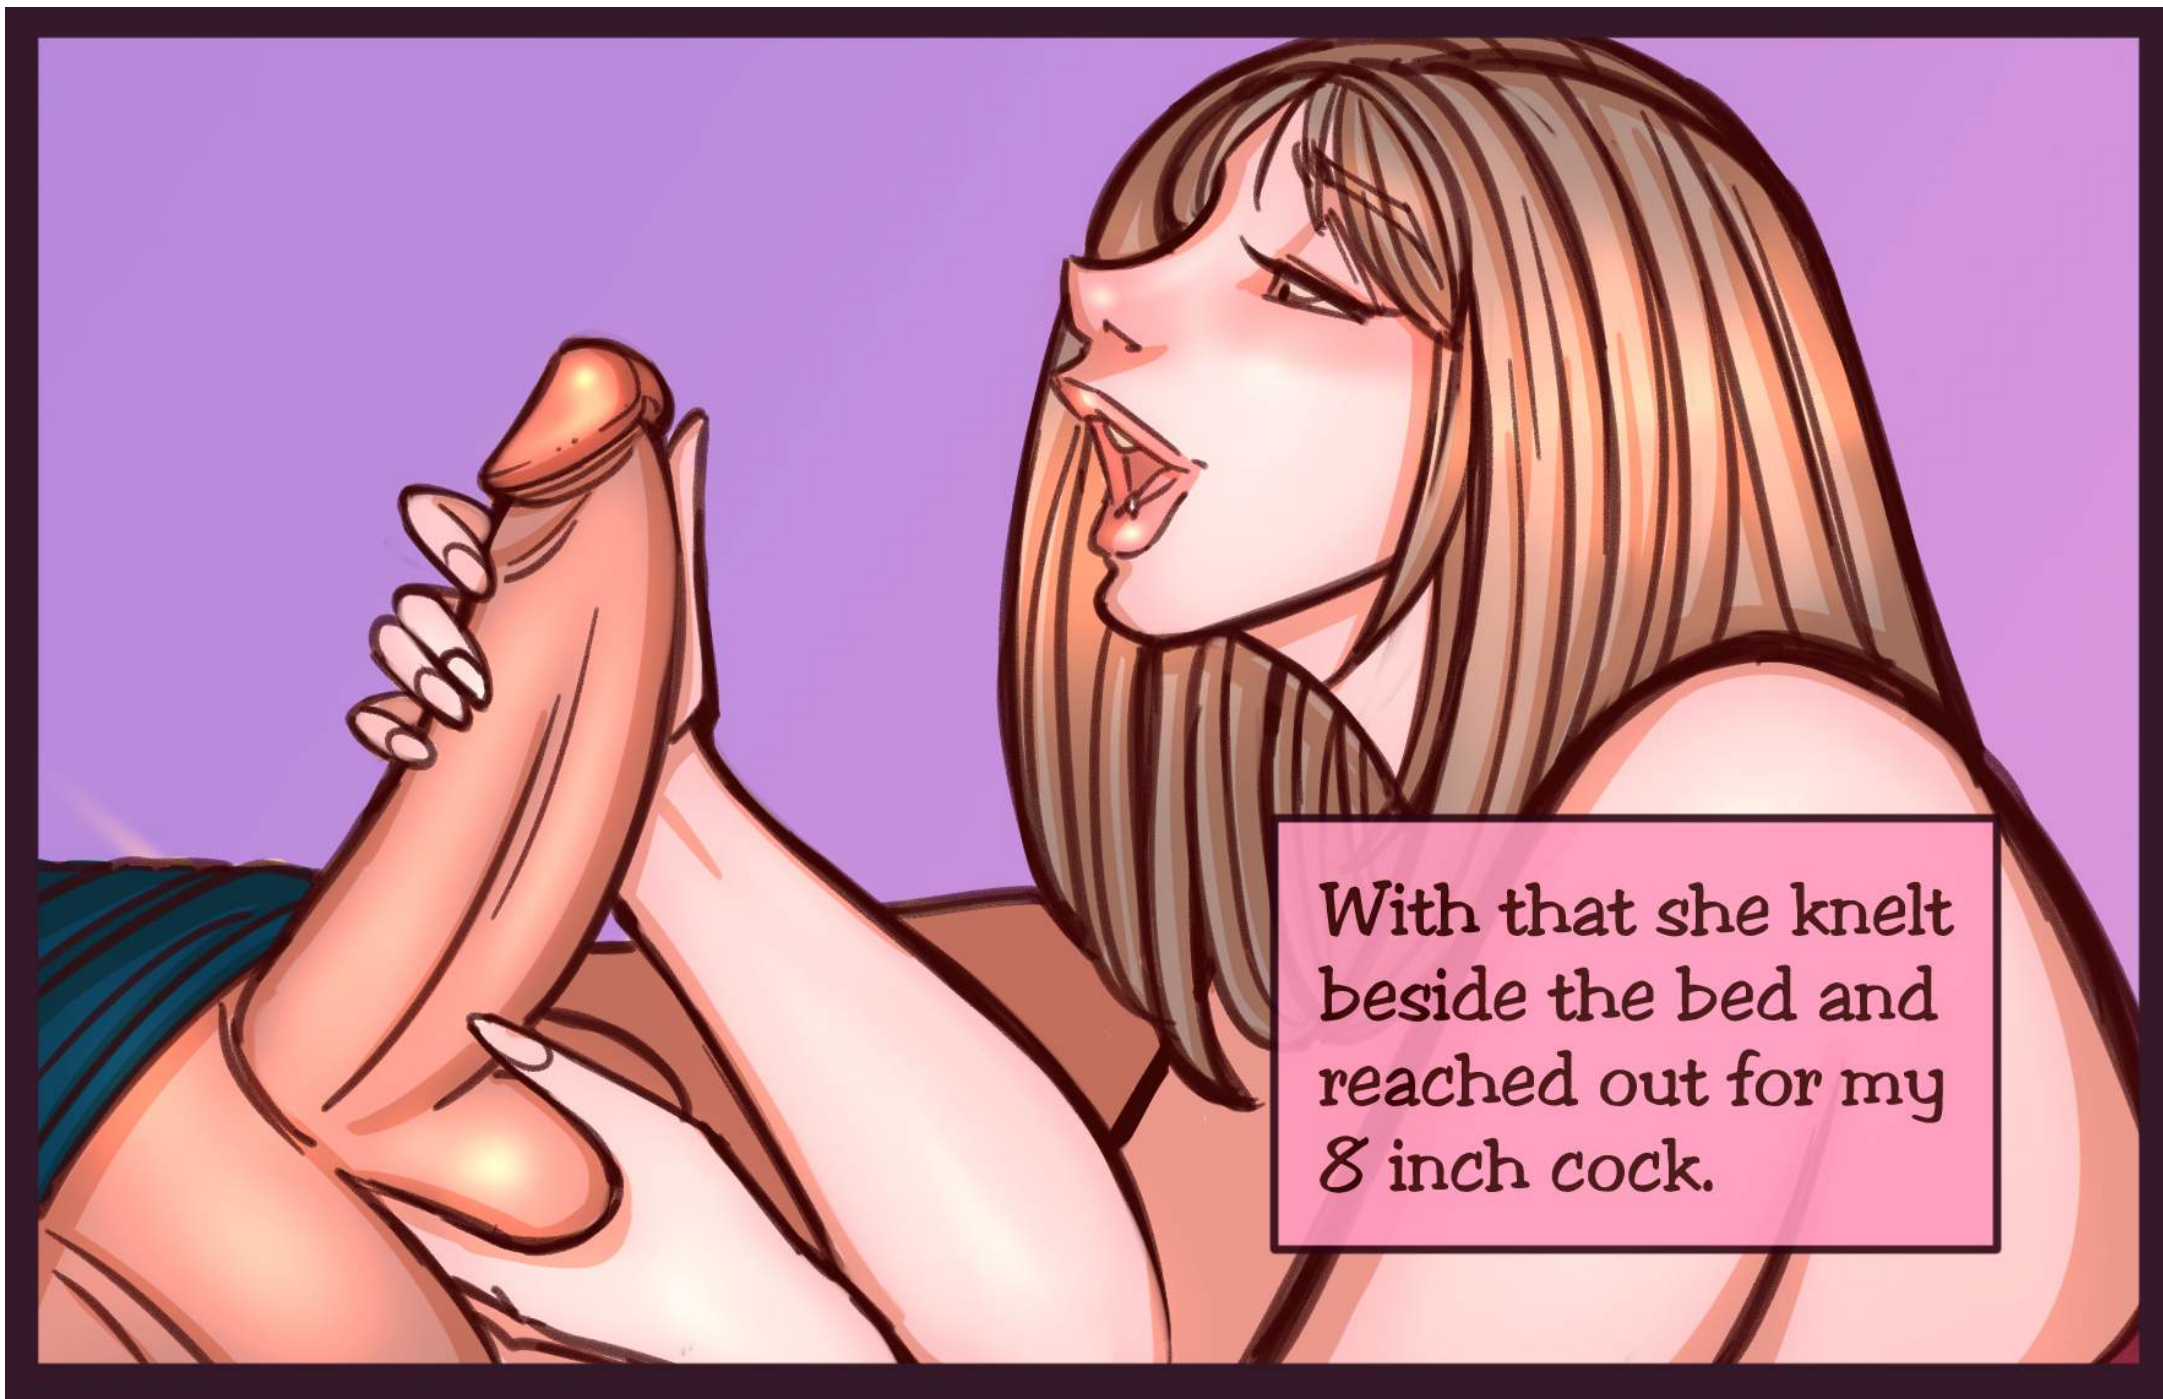

I became so involved
with playing with
myself that I never
heard the door open.

I was getting close to climaxing when I noticed her approaching the bed.

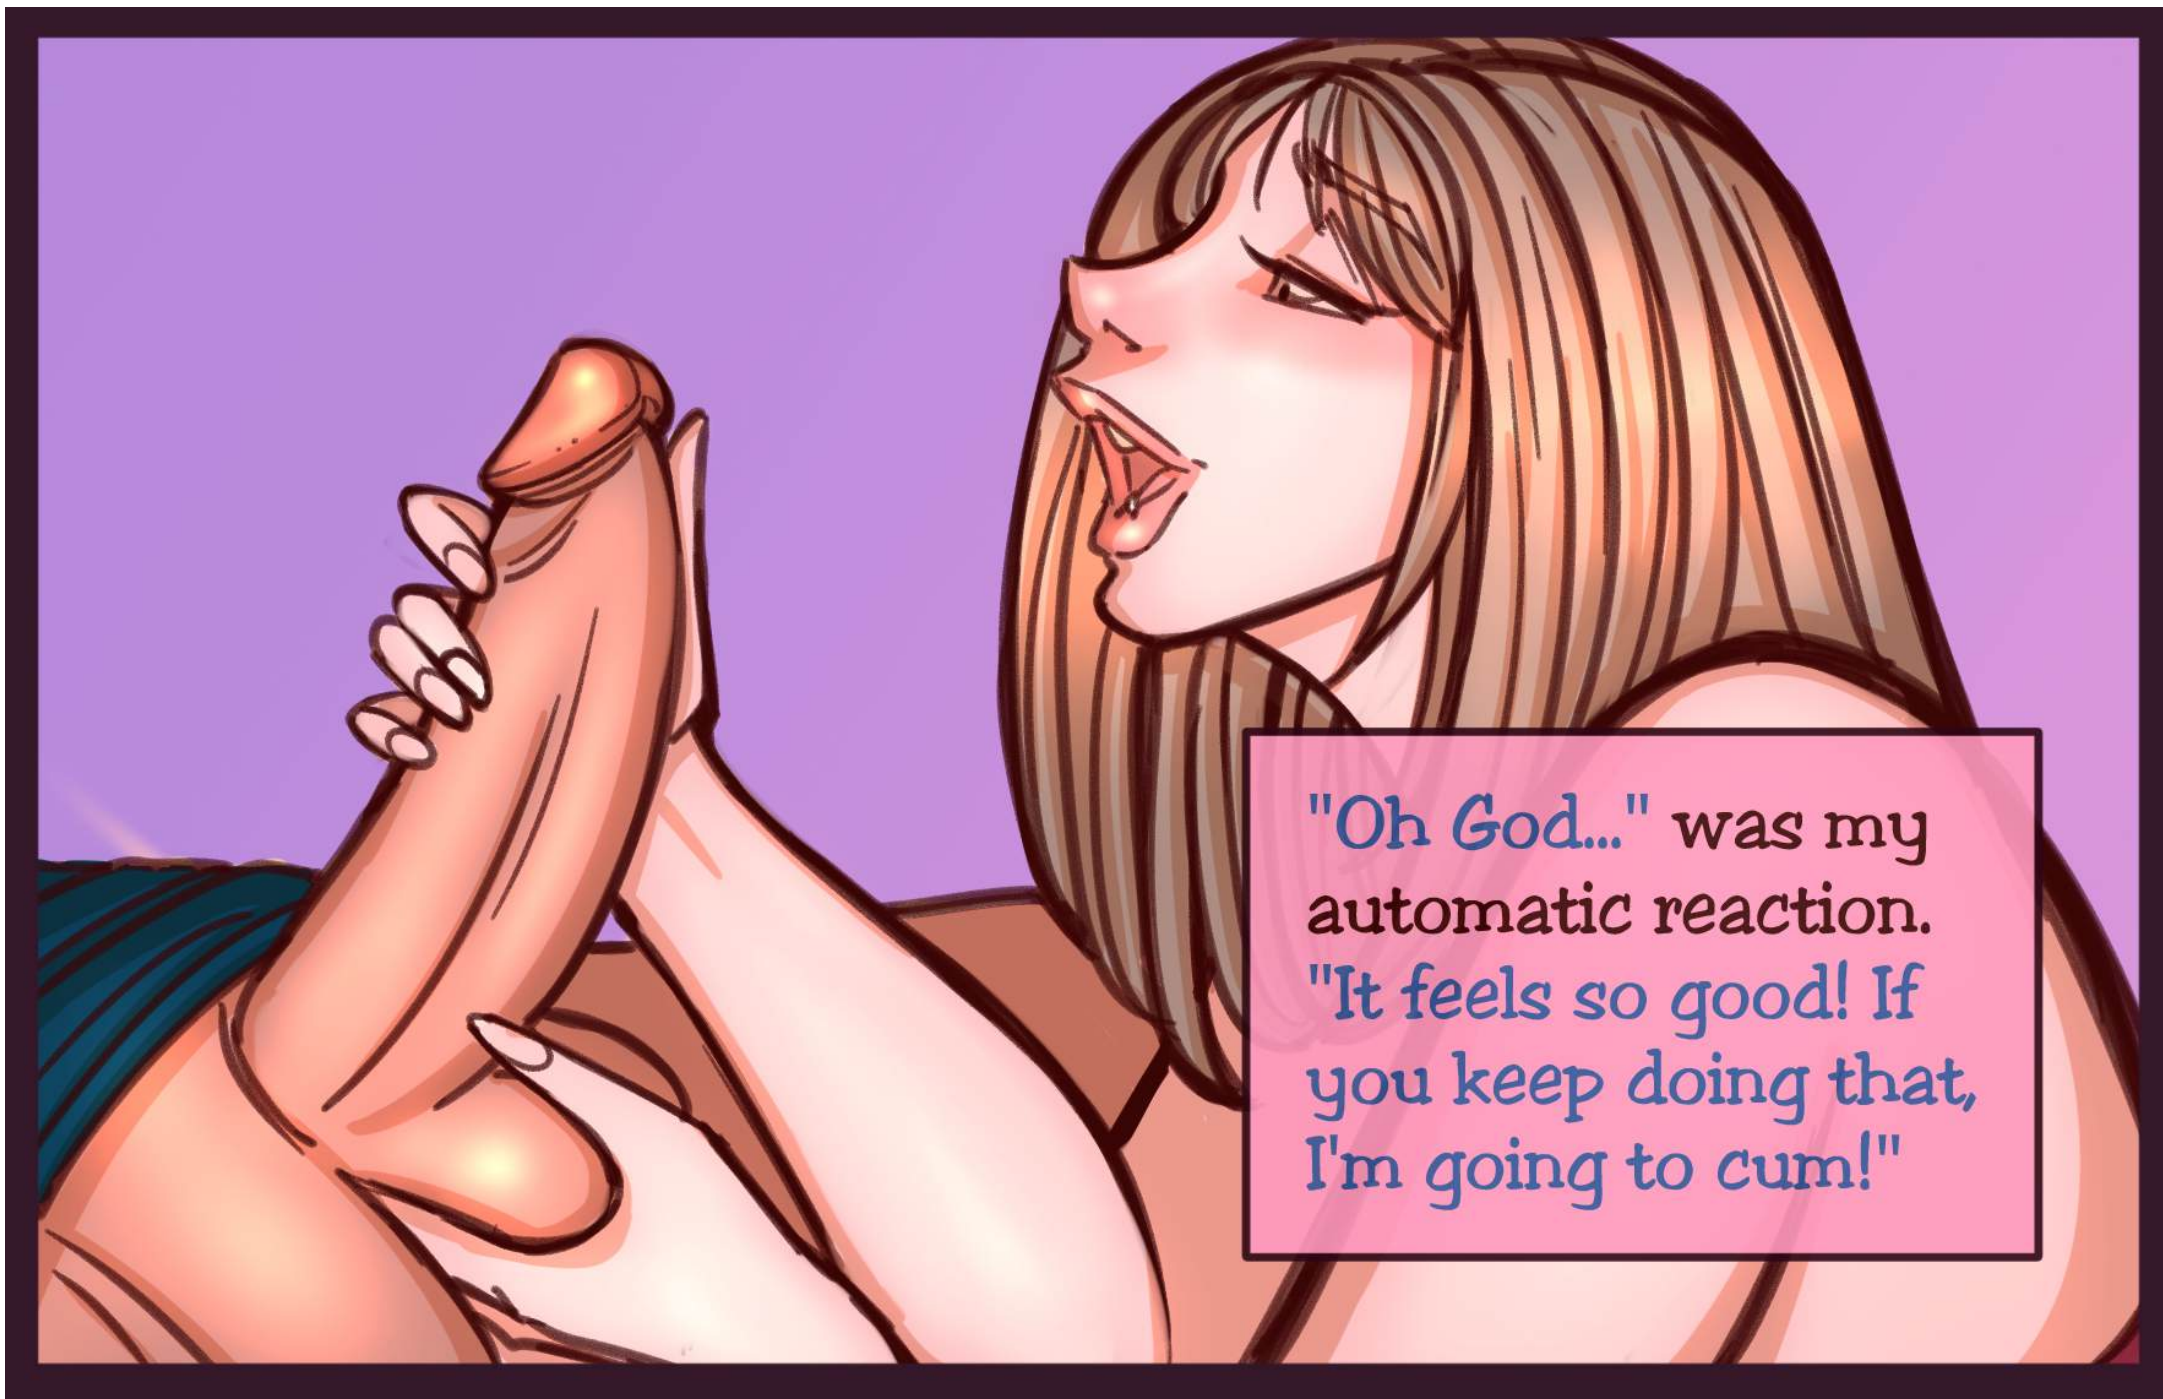

"Daniel, you must never tell anyone what we are about to do..."

With that she knelt beside the bed and reached out for my 8 inch cock.

As she started to stroke my erection with one hand, she reached down and grabbed my balls in her other hand.

"Oh God..." was my automatic reaction. "It feels so good! If you keep doing that, I'm going to cum!"

"Don't come yet,
Daniel. Is this your
first time?"

"Holy shit... yes!! I can't believe you're doing this with me," I groaned.

"I don't want your first time to be a hand job, Daniel. You can get that from any girl friend."

"First I'm going to suck you off and then you'll be able to last longer when you fuck me. Is that ok?"

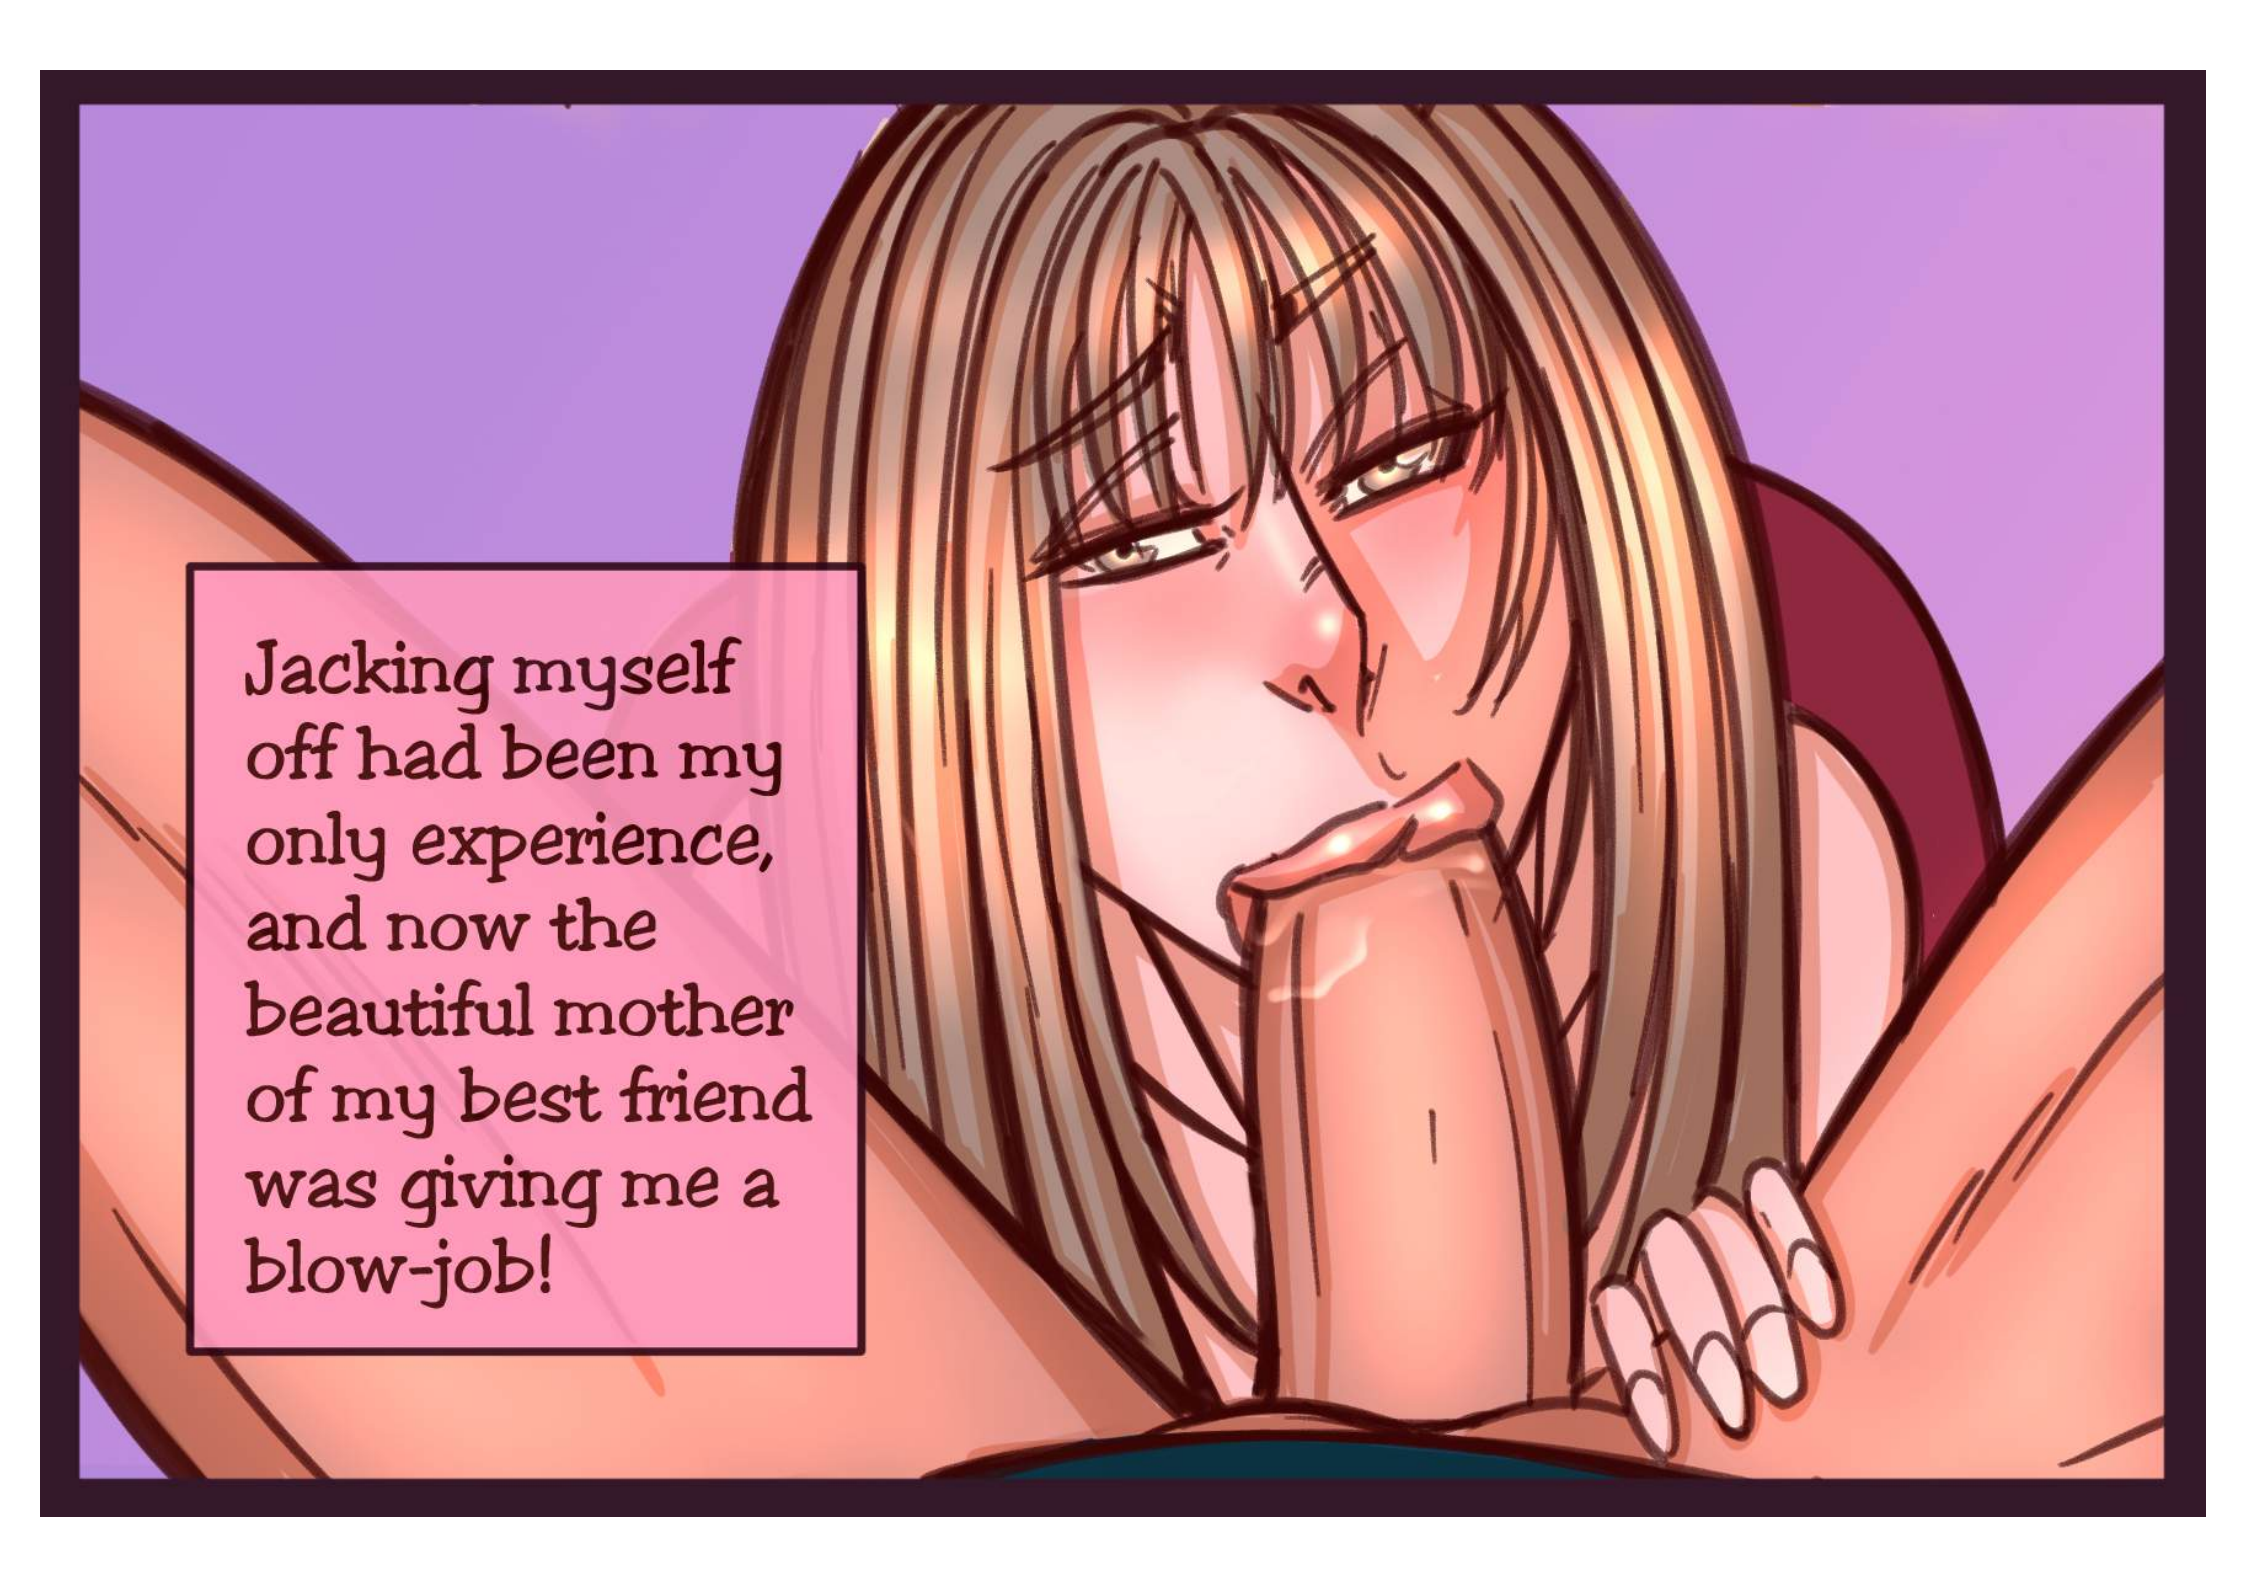

"Aaaa... yeah... oh
yeah... I'm getting
close... It feels so
fuckin' great.. don't
stop!!"

Mrs. Roberts
brought my hard-on to her lips,
and after kissing the tip,
she opened her mouth
and sucked me in.

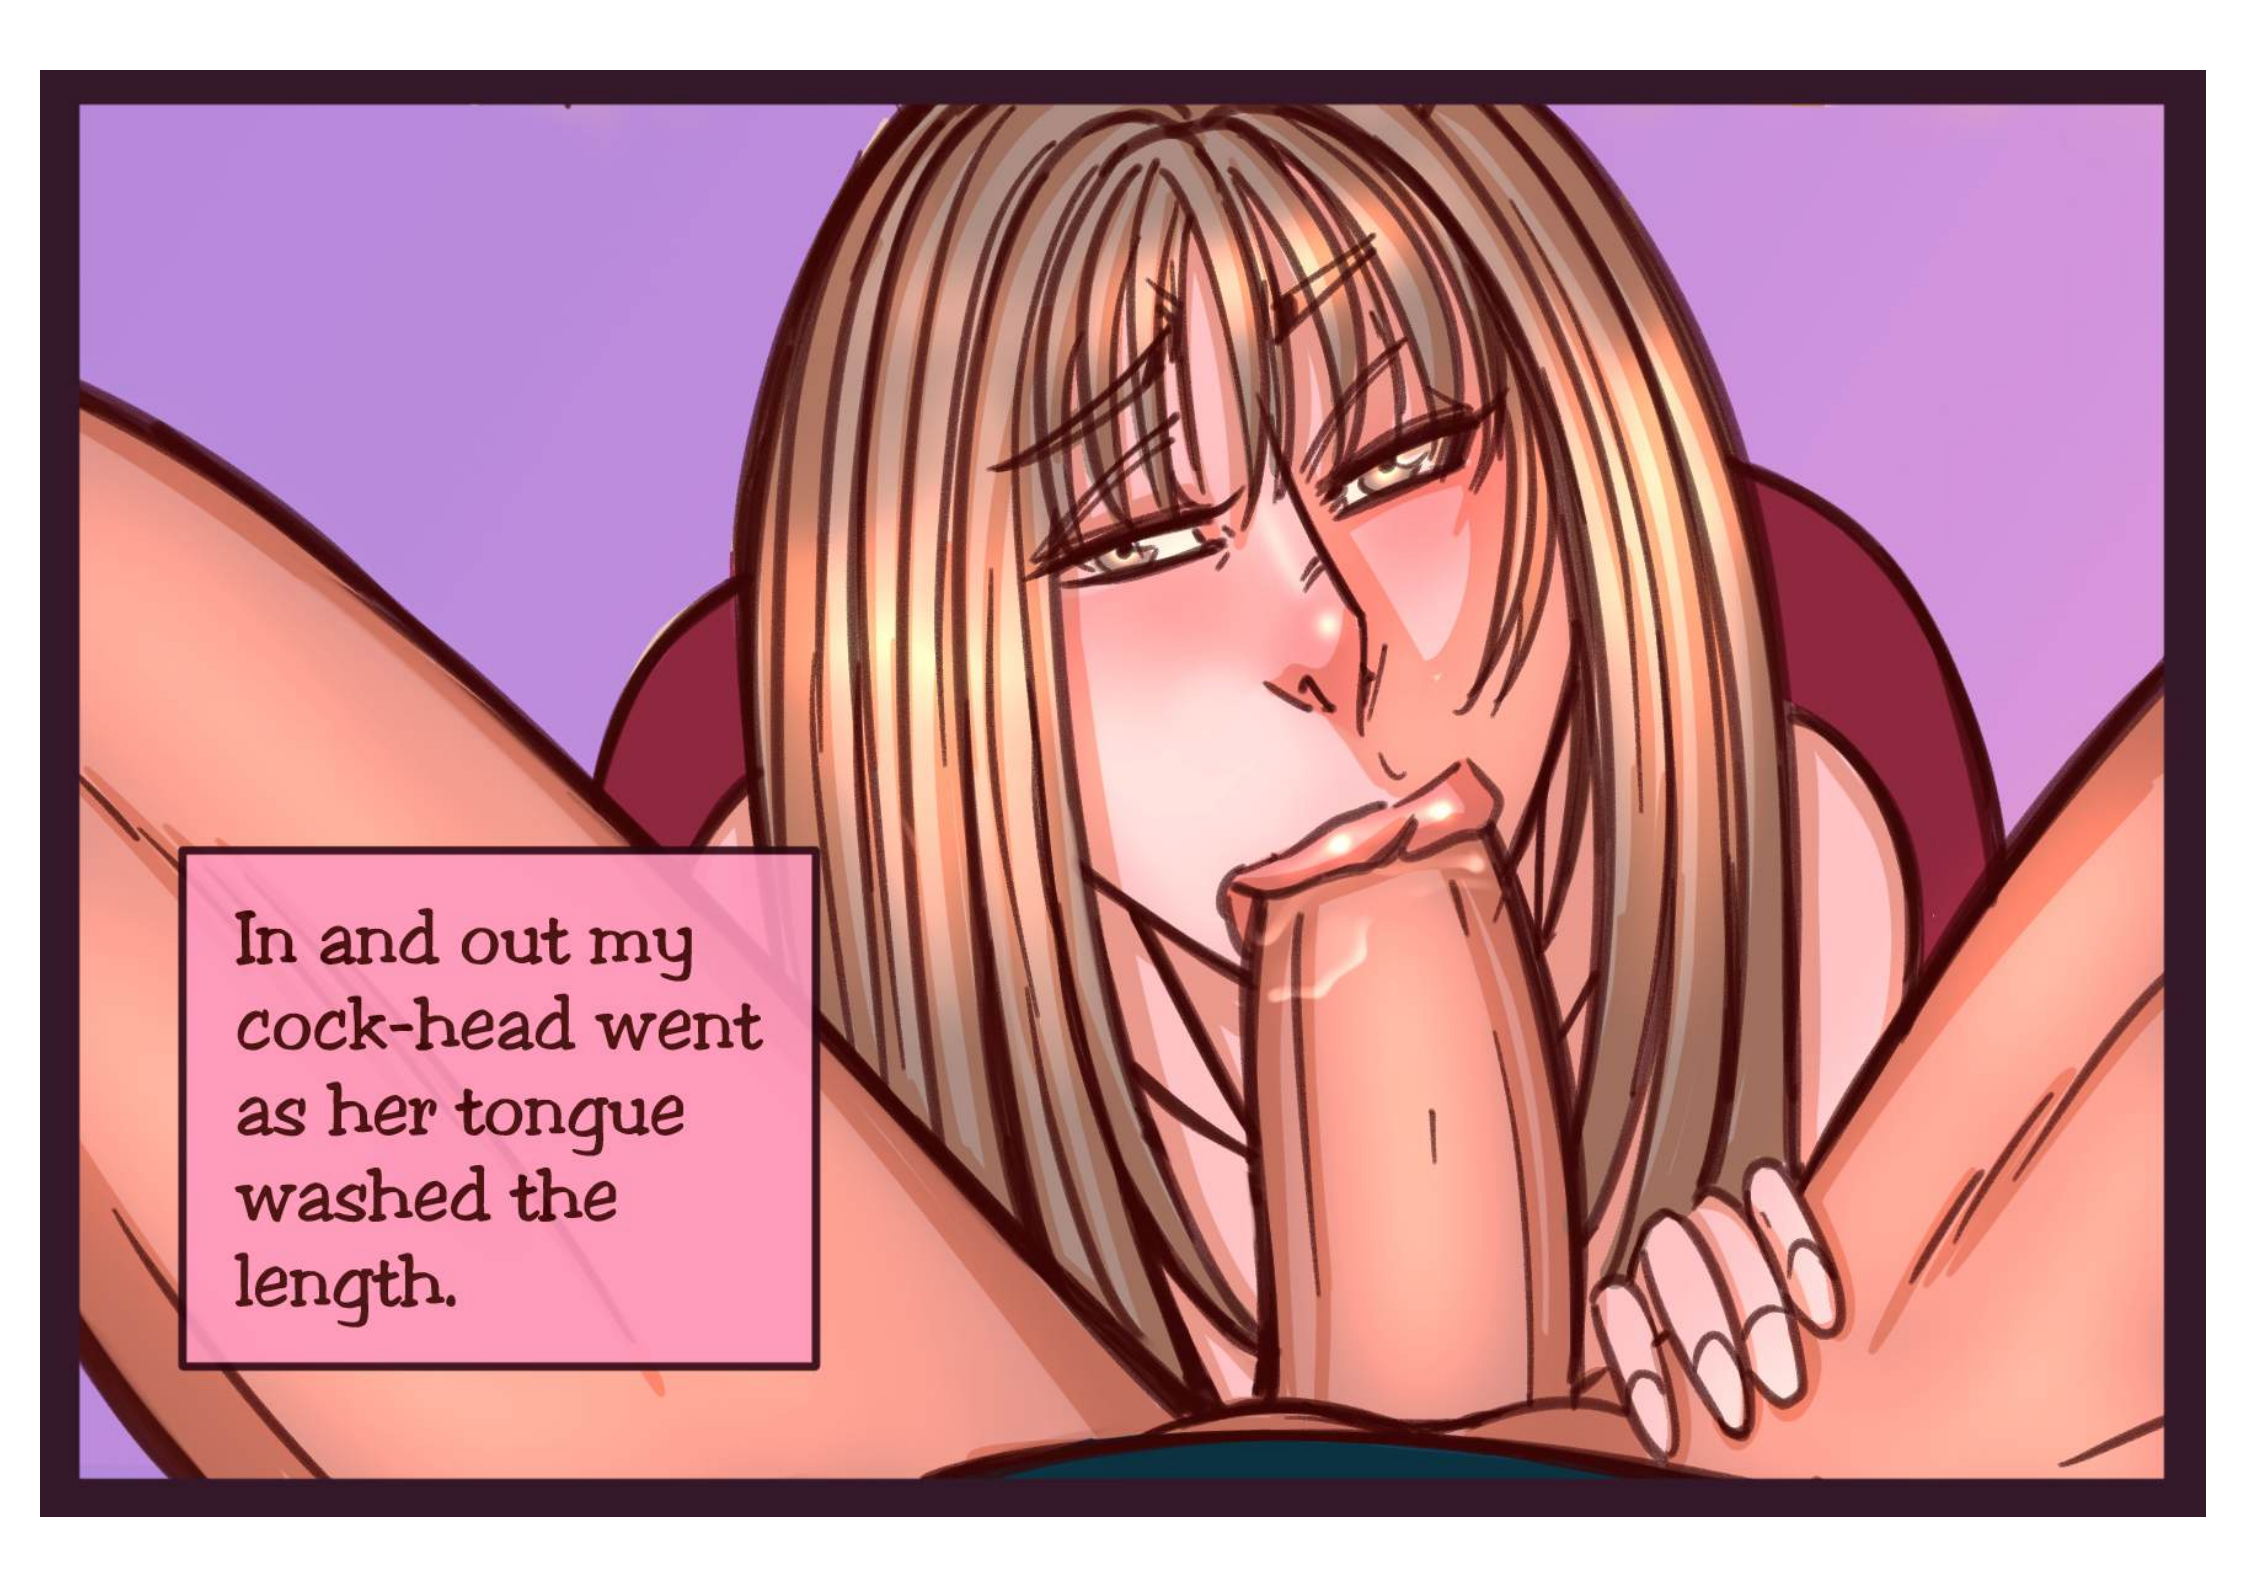

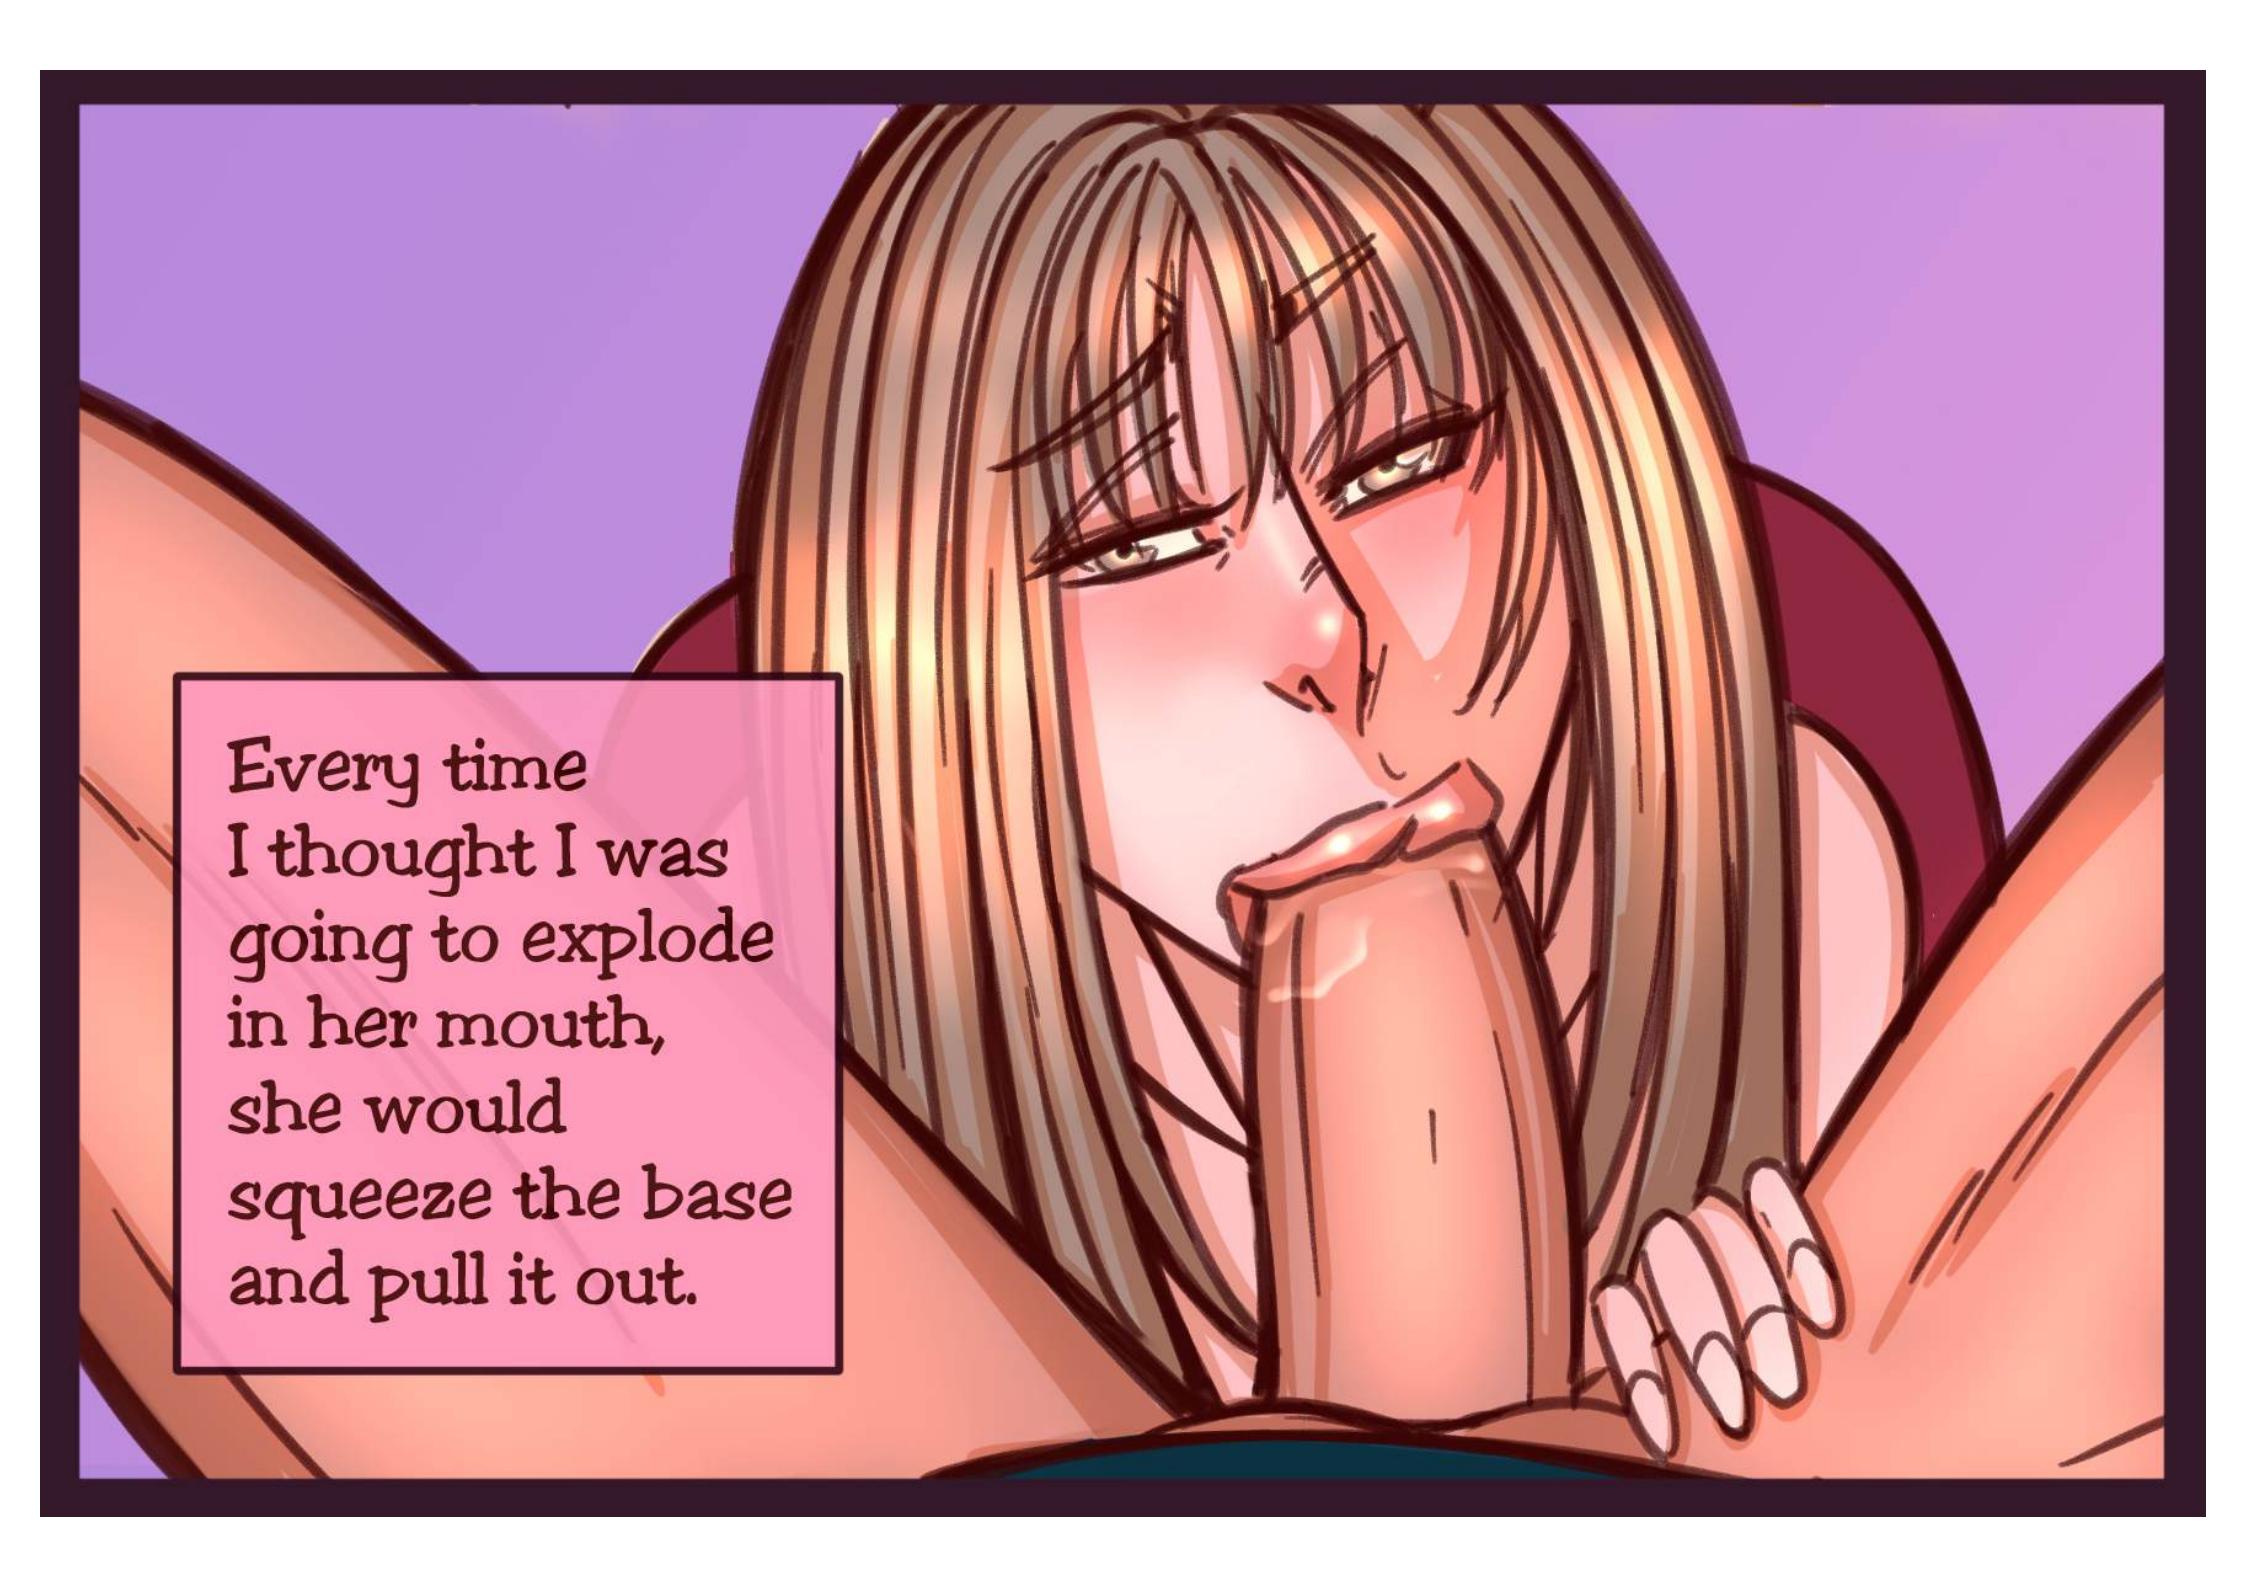

I was in heaven.
I have never felt
anything so great.

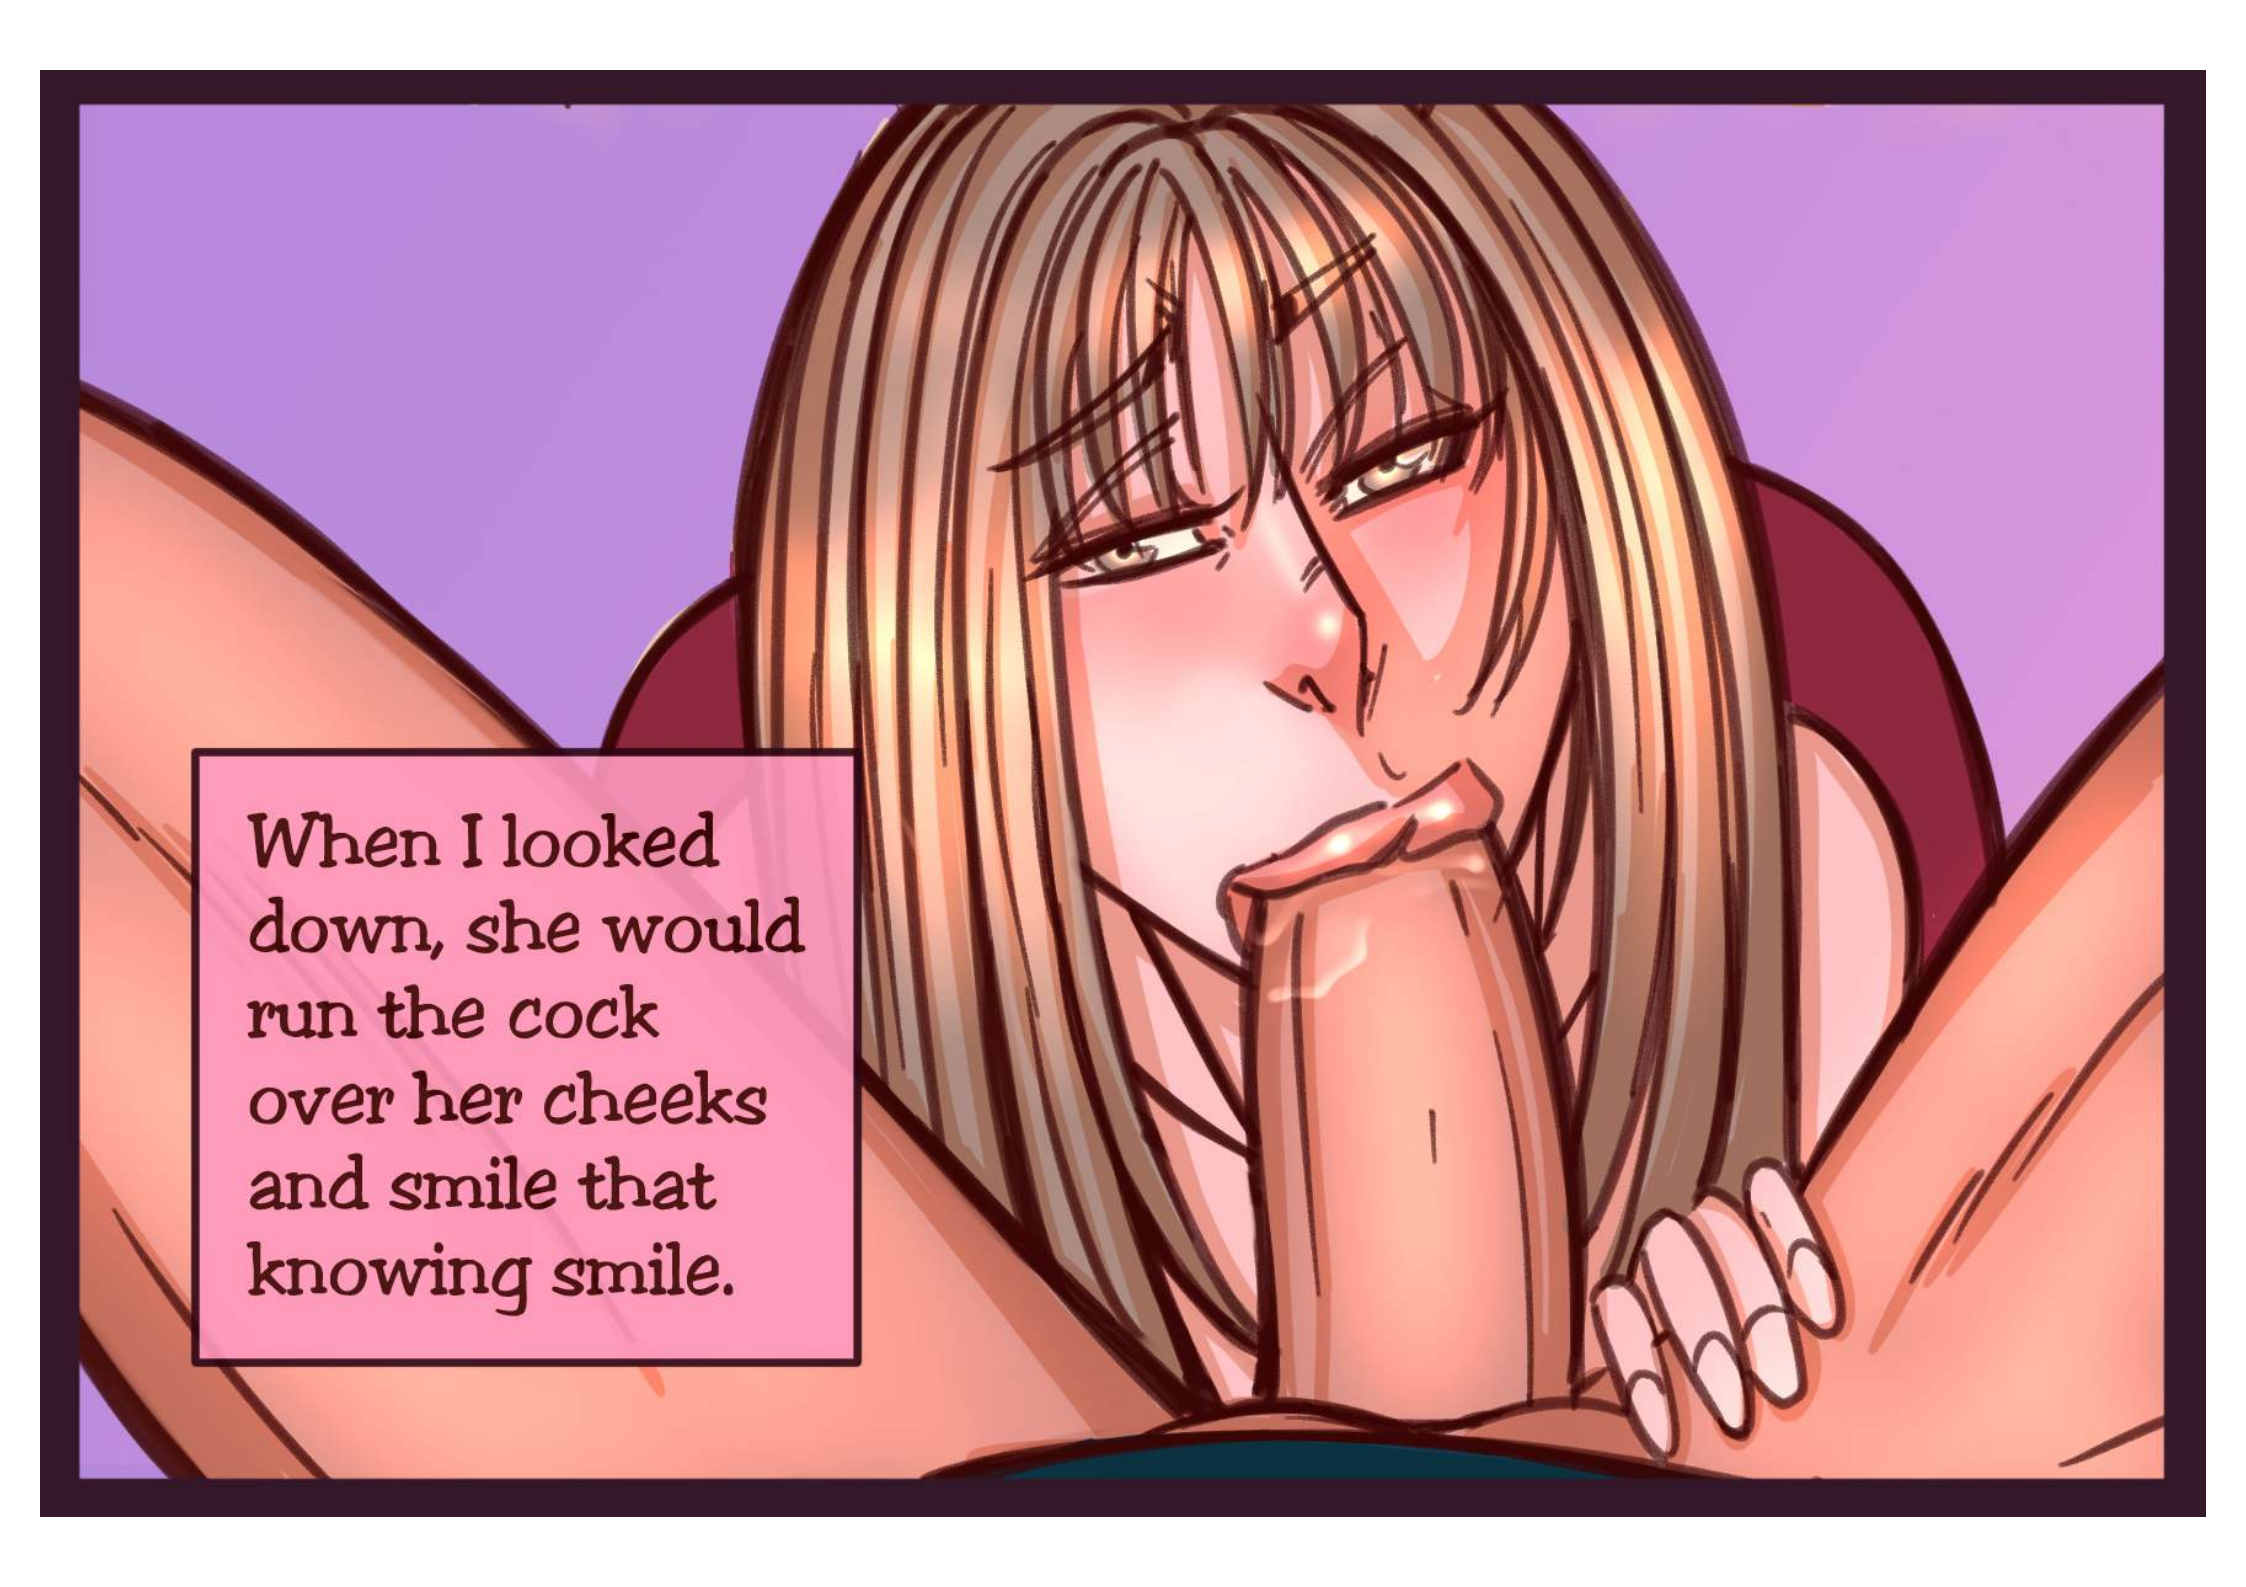

Jacking myself
off had been my
only experience,
and now the
beautiful mother
of my best friend
was giving me a
blow-job!

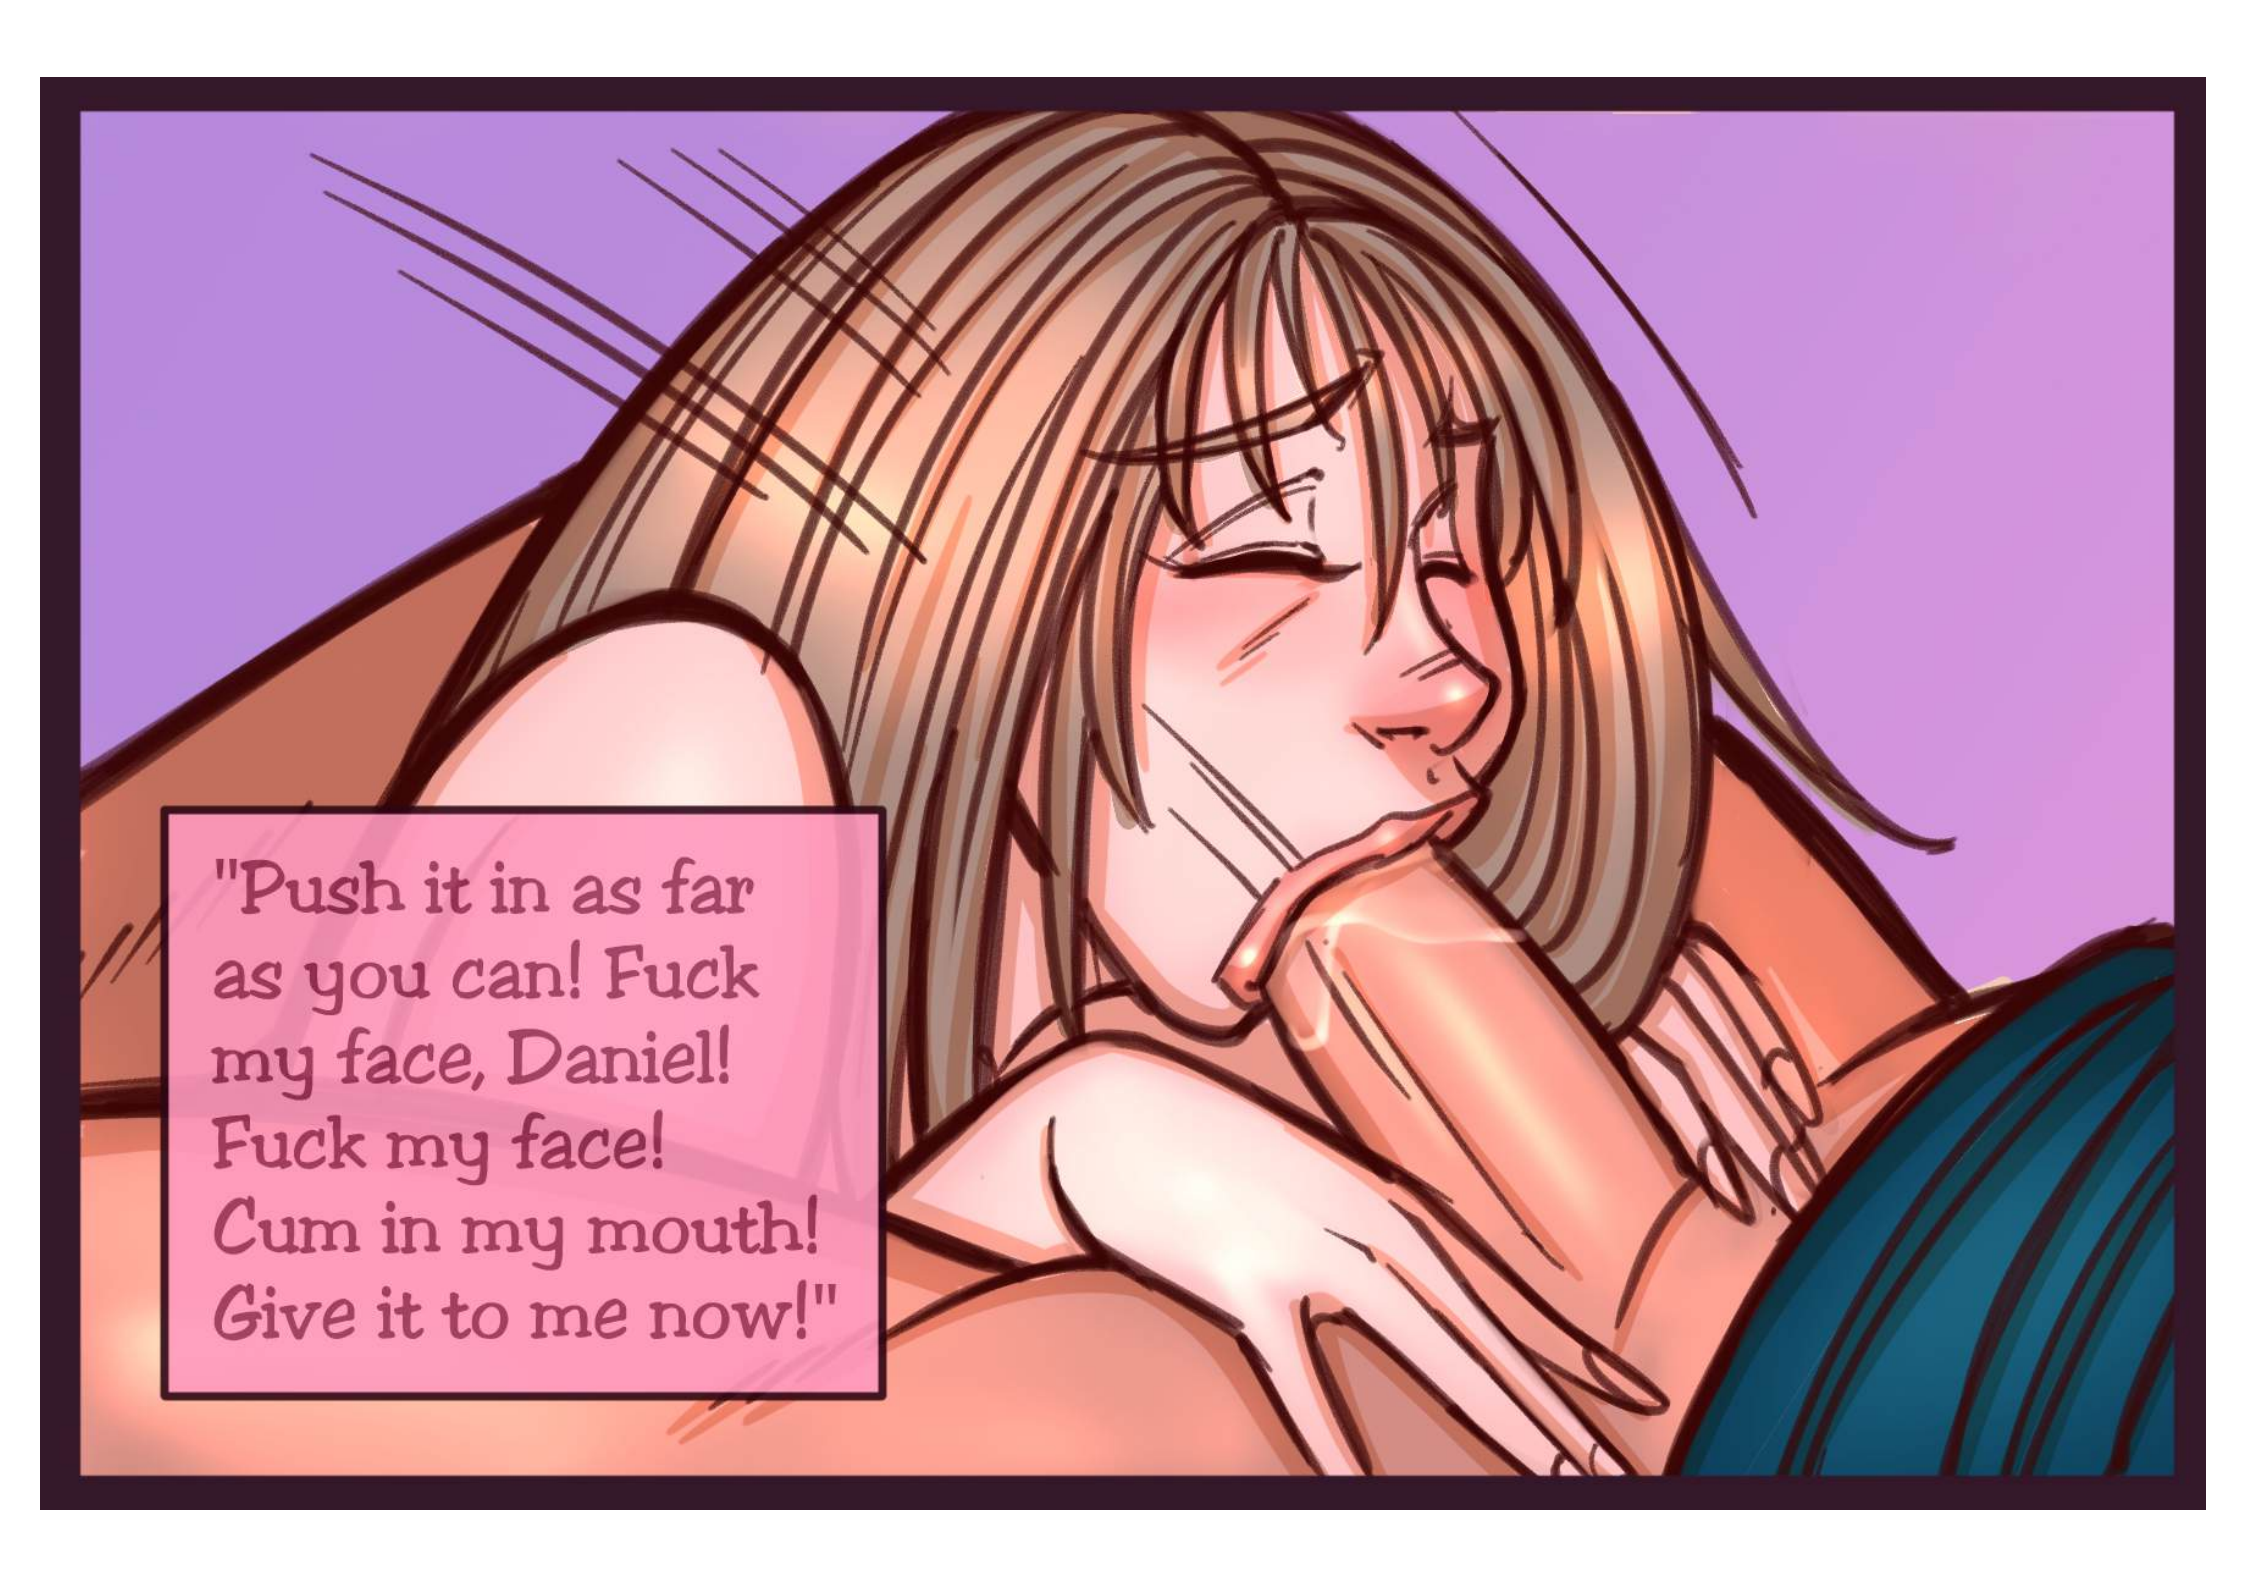

In and out my
cock-head went
as her tongue
washed the
length.

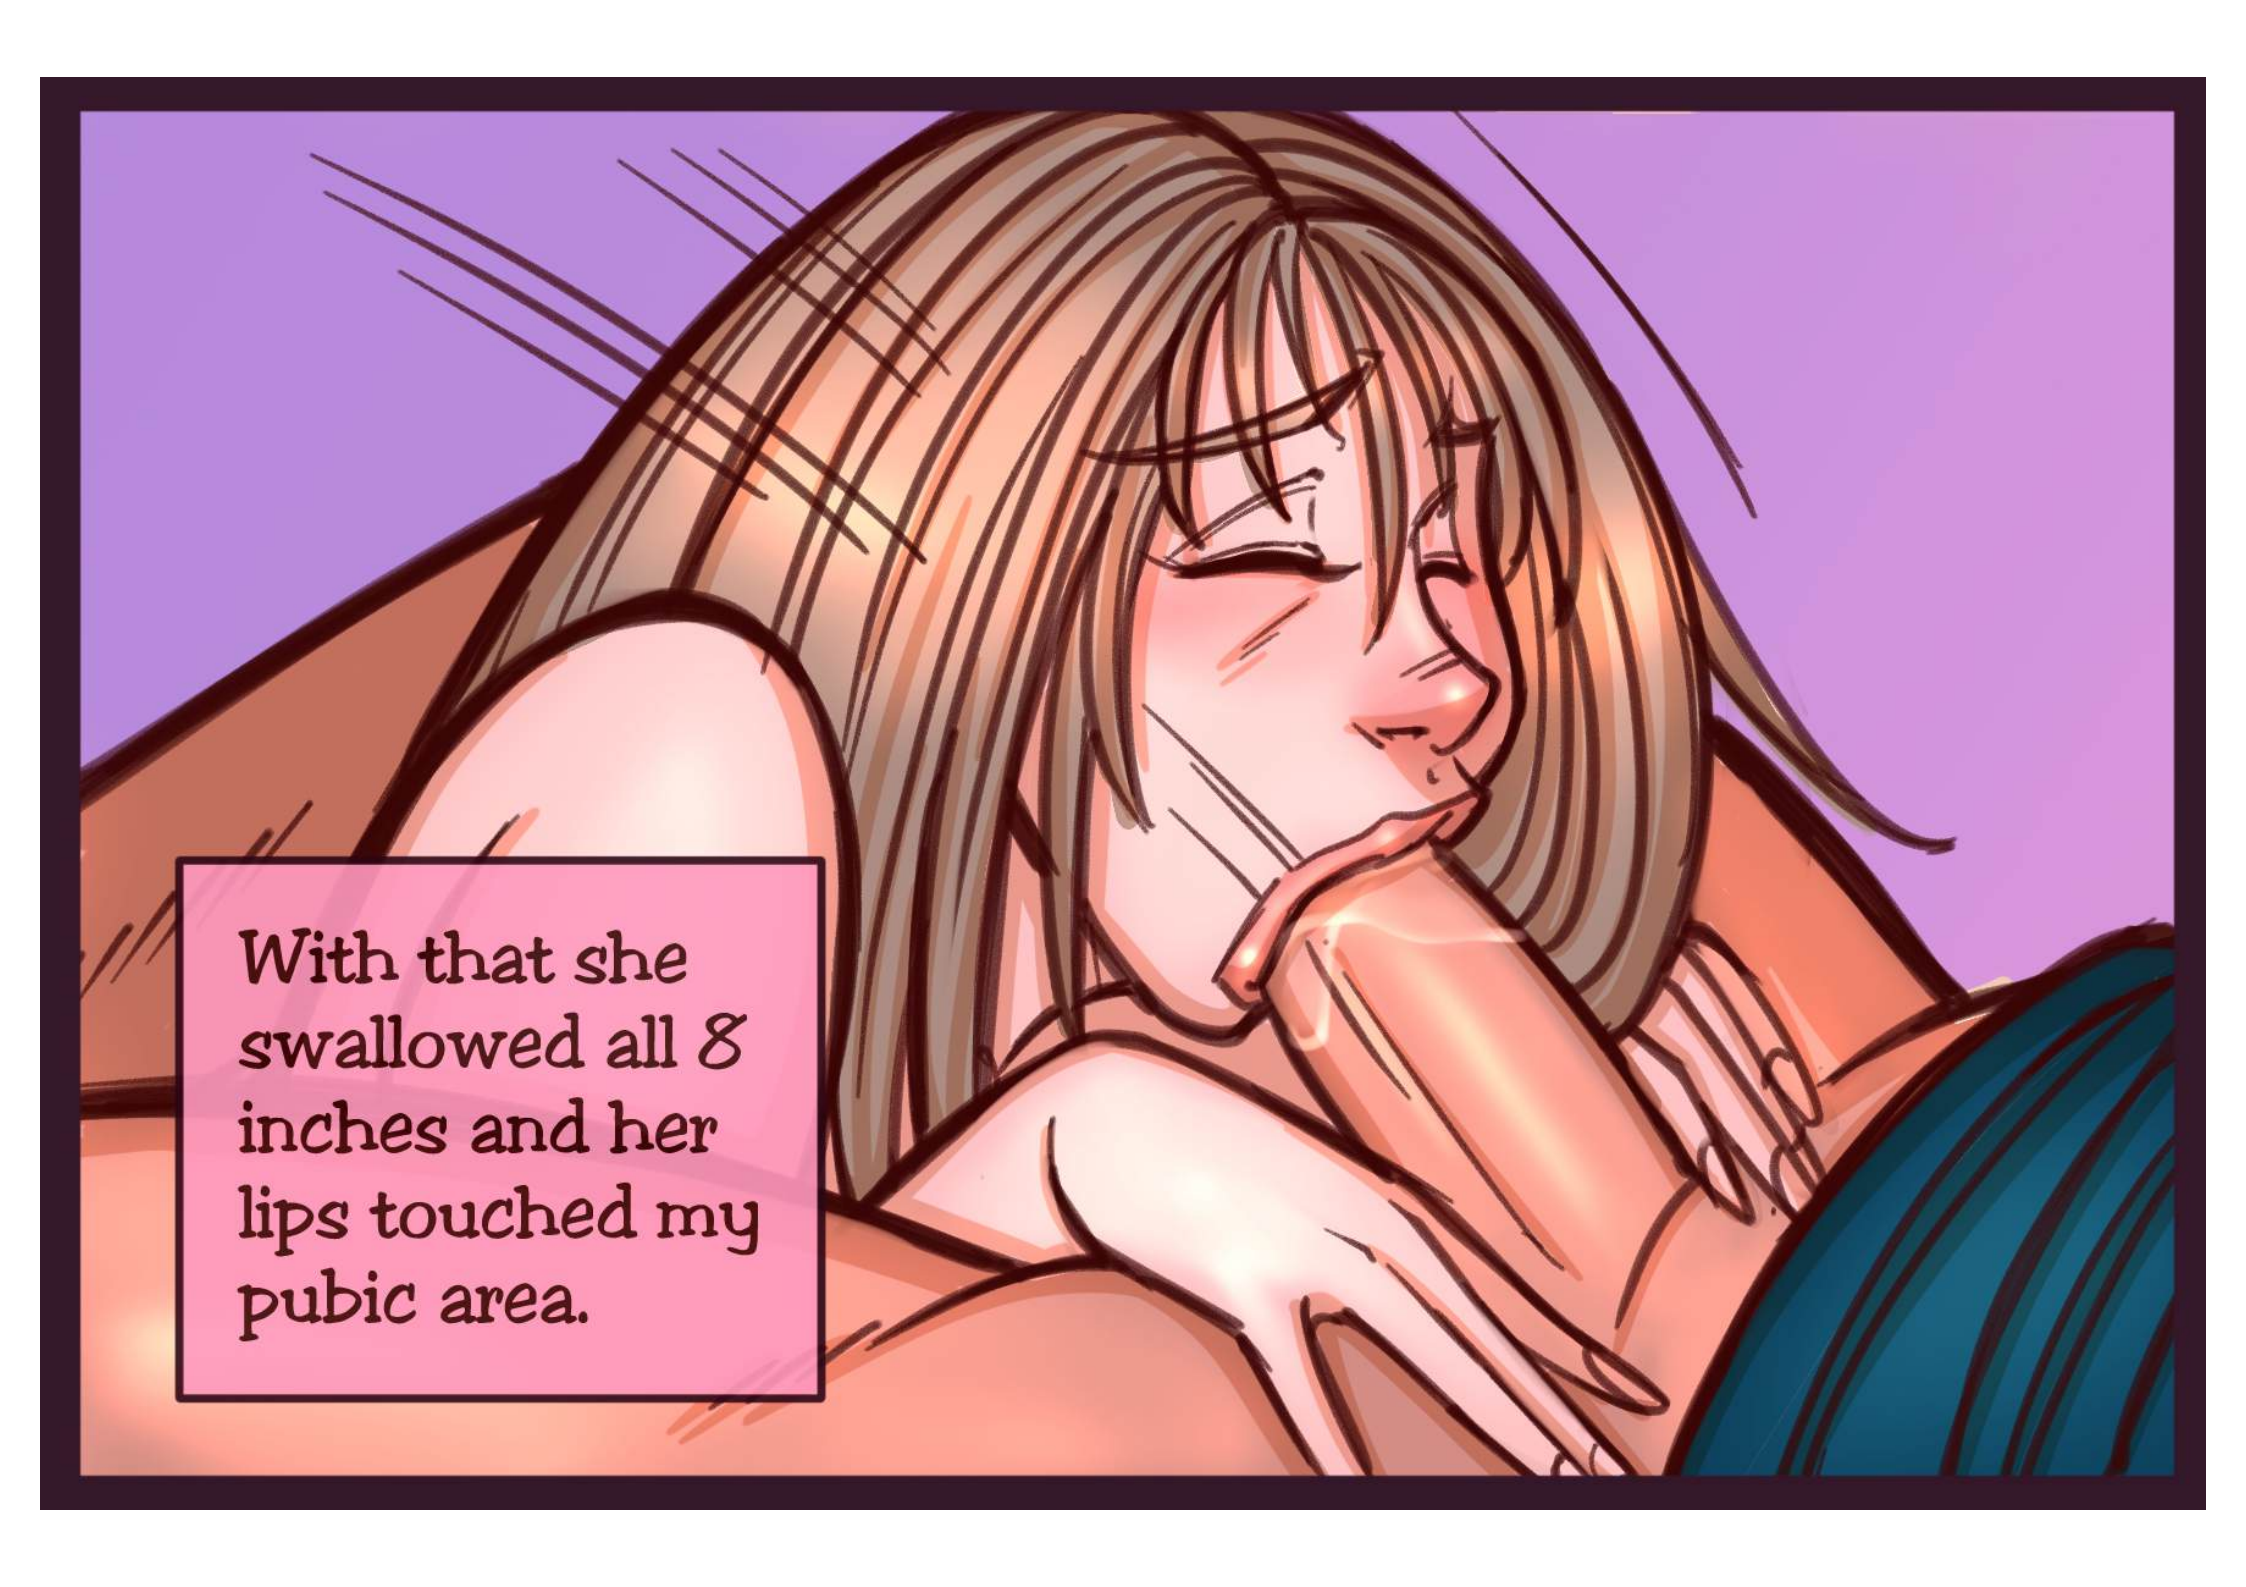

Every time
I thought I was
going to explode
in her mouth,
she would
squeeze the base
and pull it out.

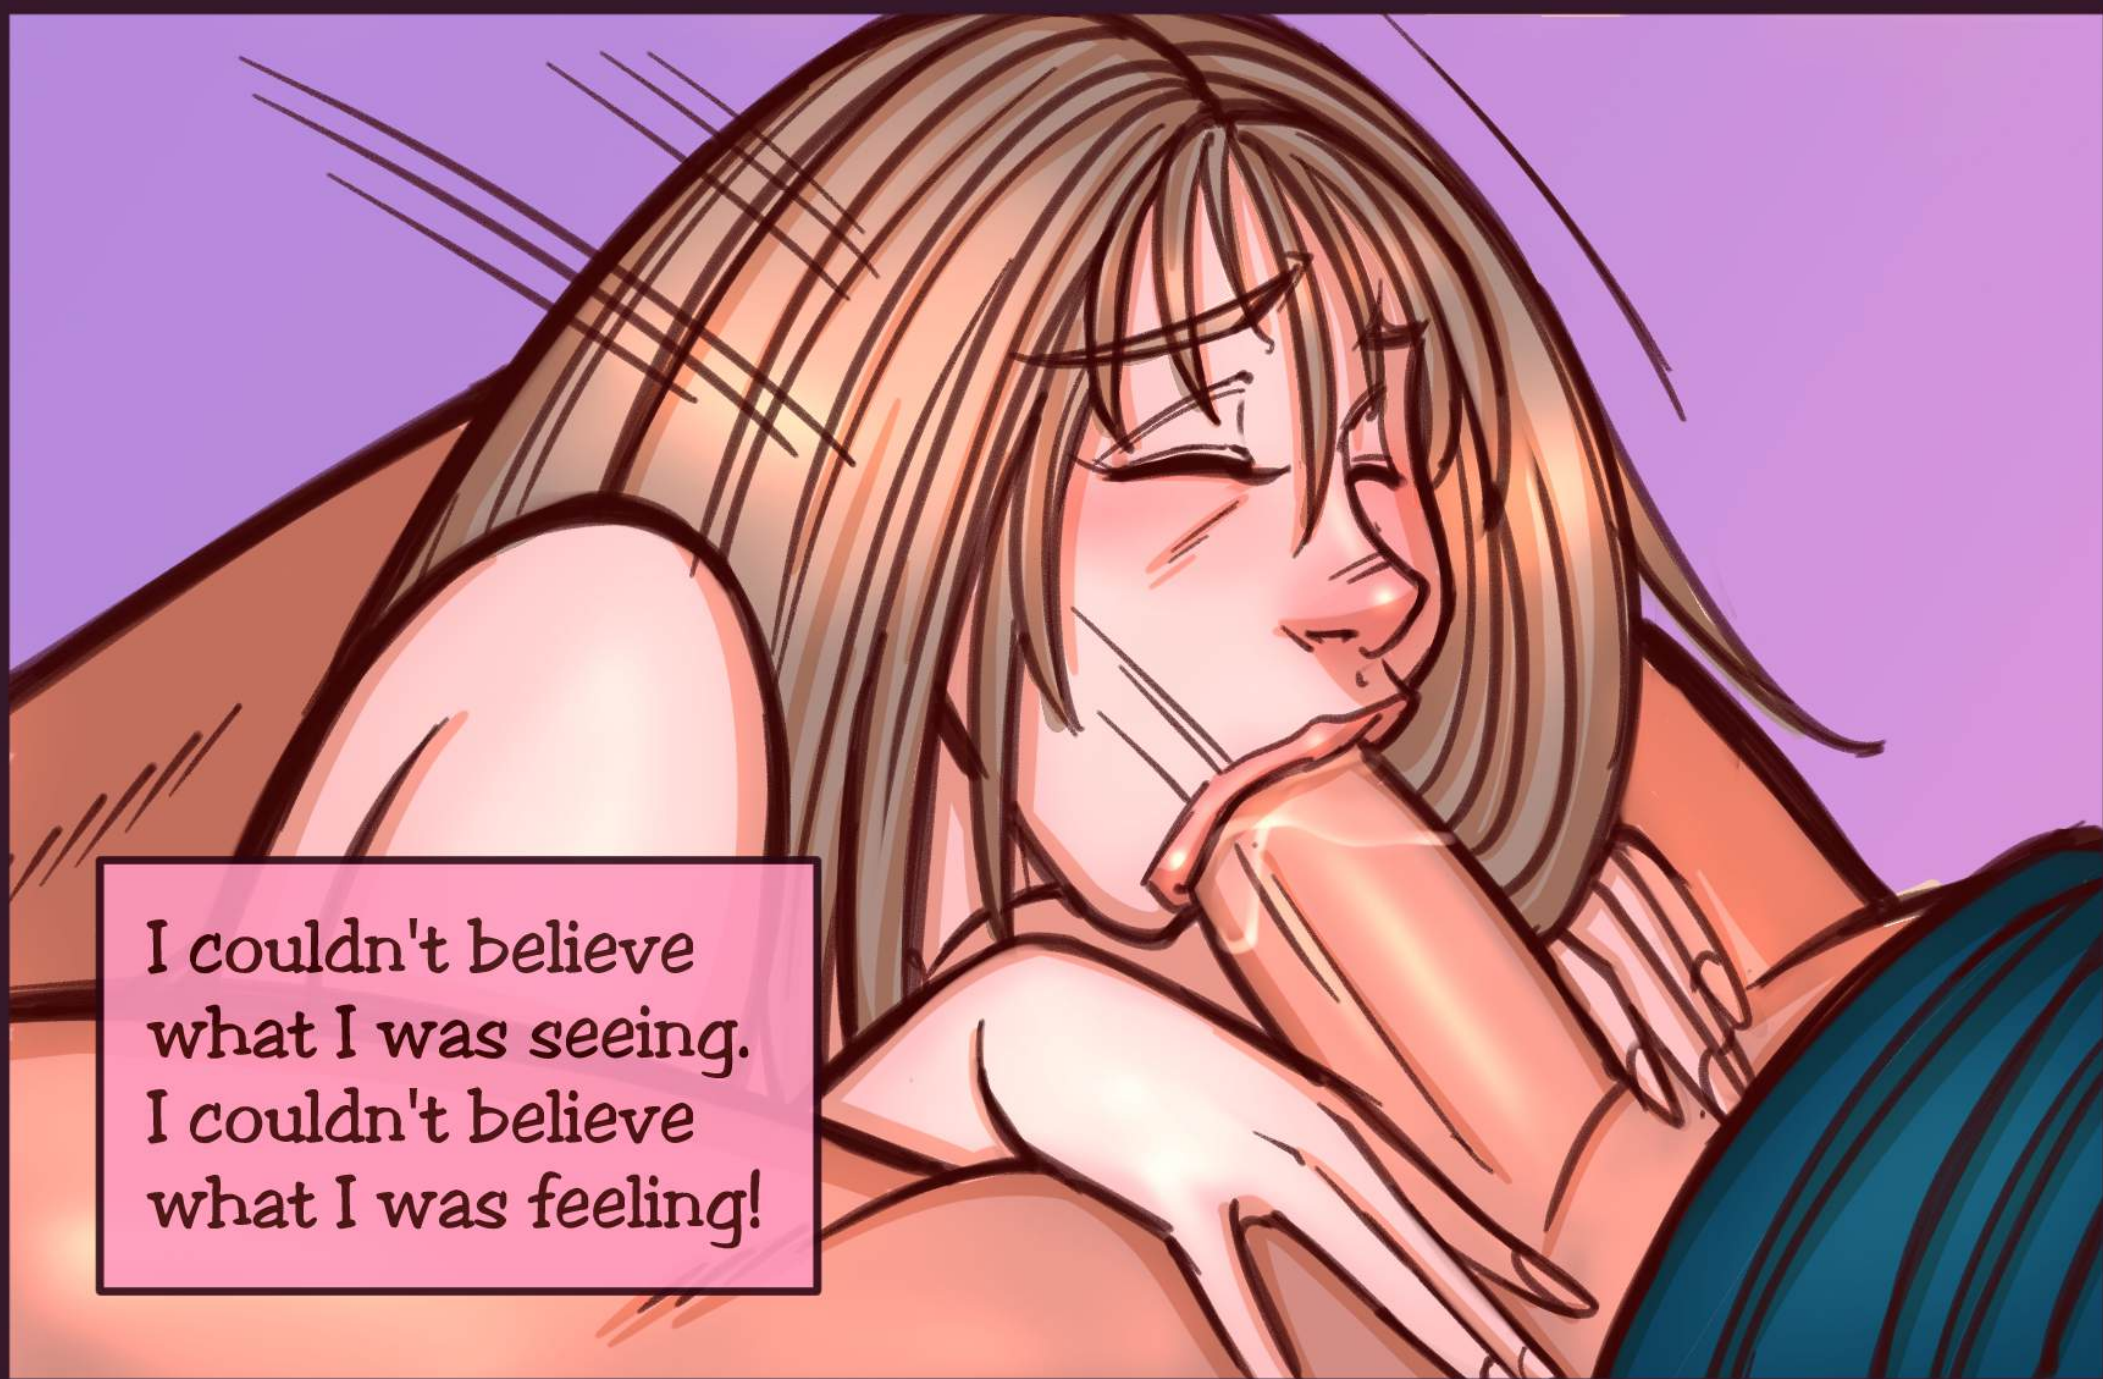

When I looked down, she would run the cock over her cheeks and smile that knowing smile.

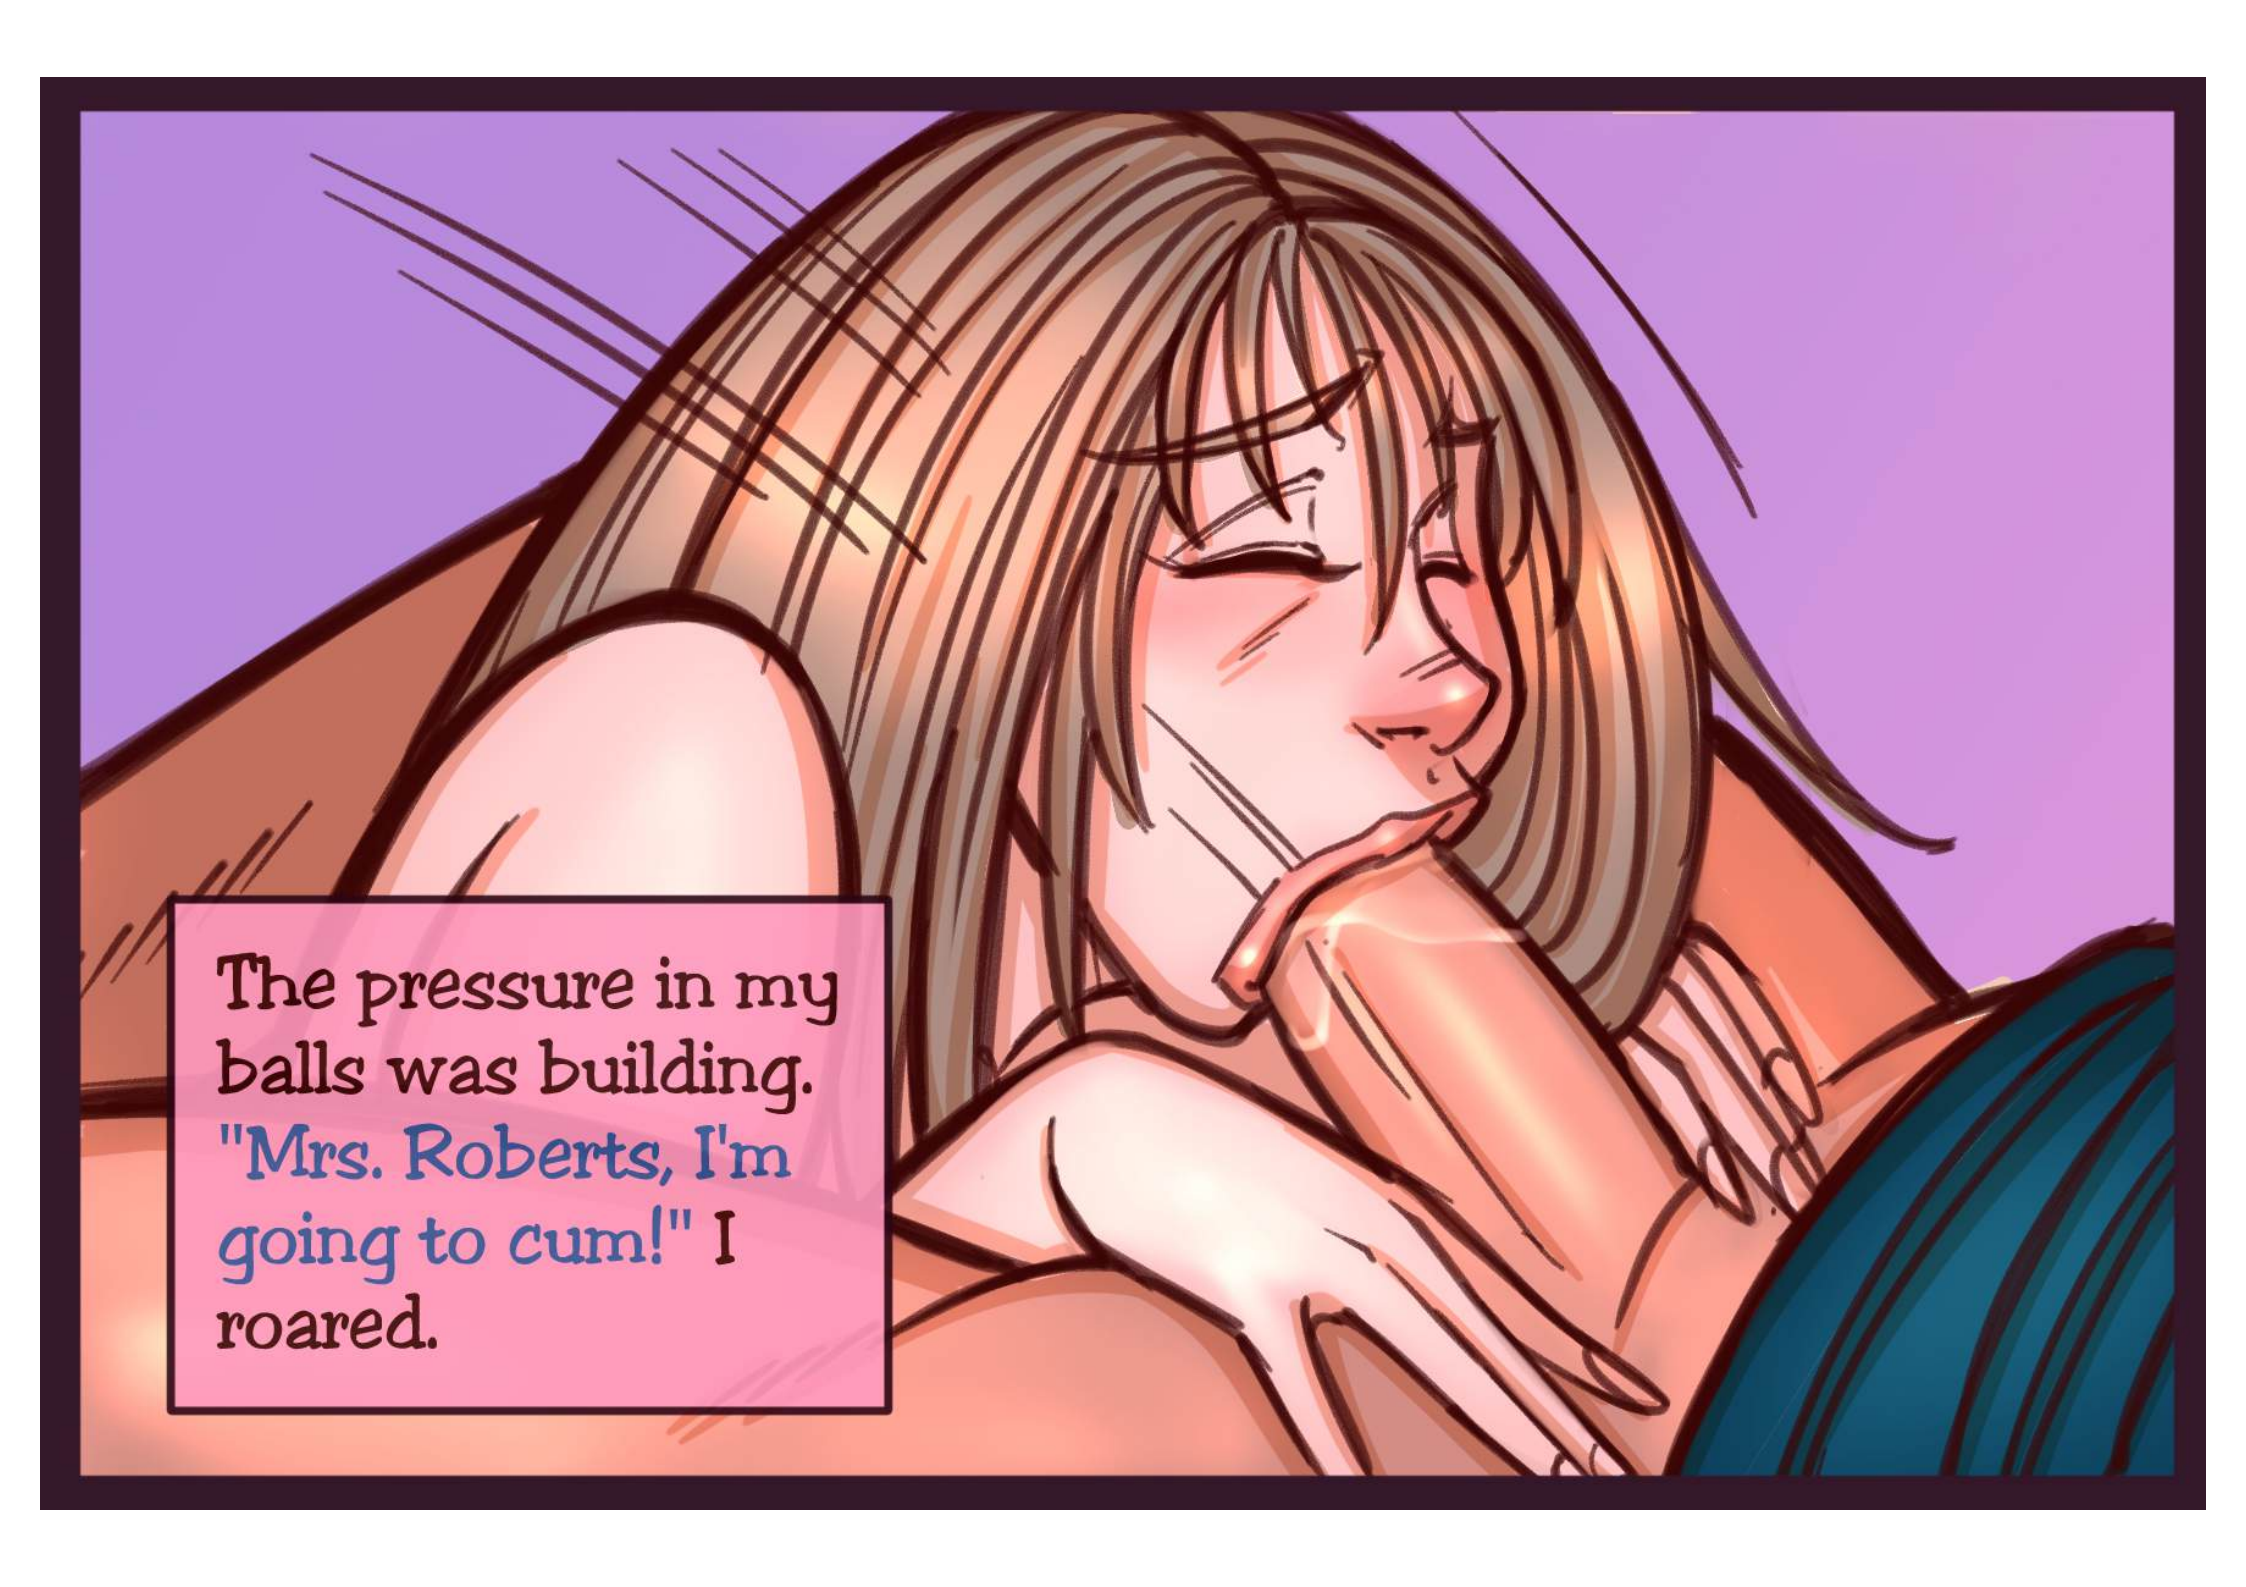

"Push it in as far
as you can! Fuck
my face, Daniel!
Fuck my face!
Cum in my mouth!
Give it to me now!"

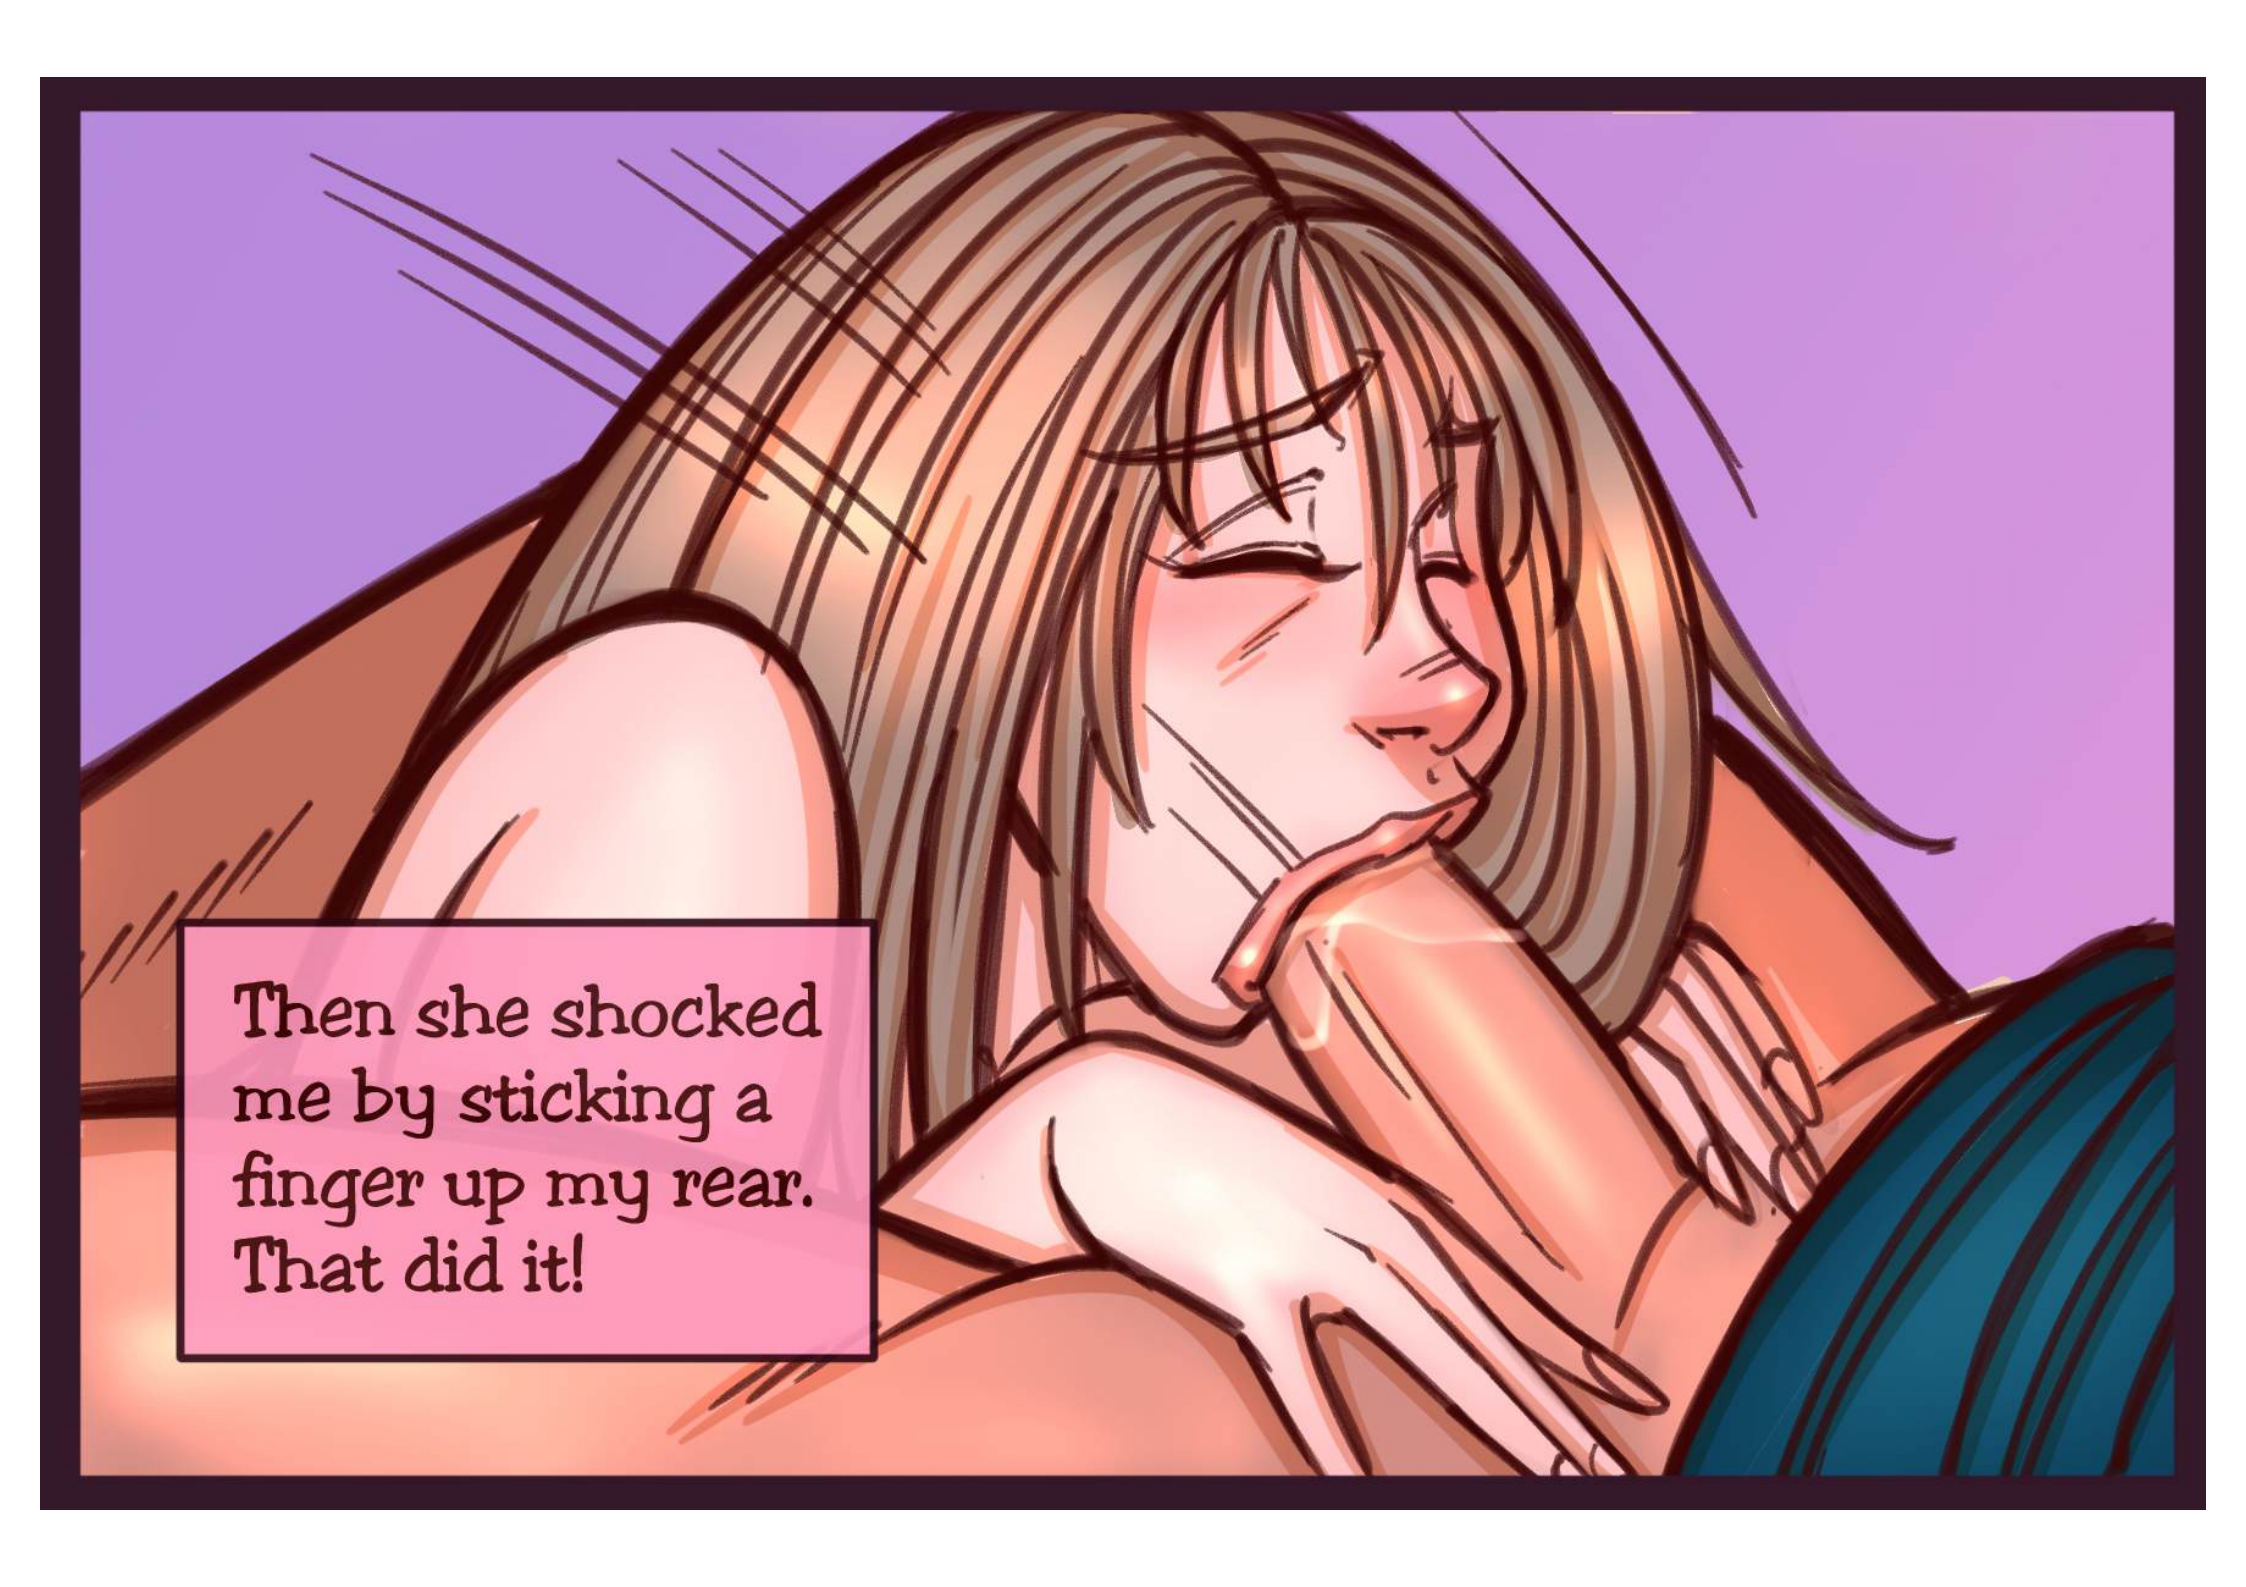

With that she
swallowed all 8
inches and her
lips touched my
pubic area.

I couldn't believe
what I was seeing.
I couldn't believe
what I was feeling!

The pressure in my balls was building. "Mrs. Roberts, I'm going to cum!" I roared.

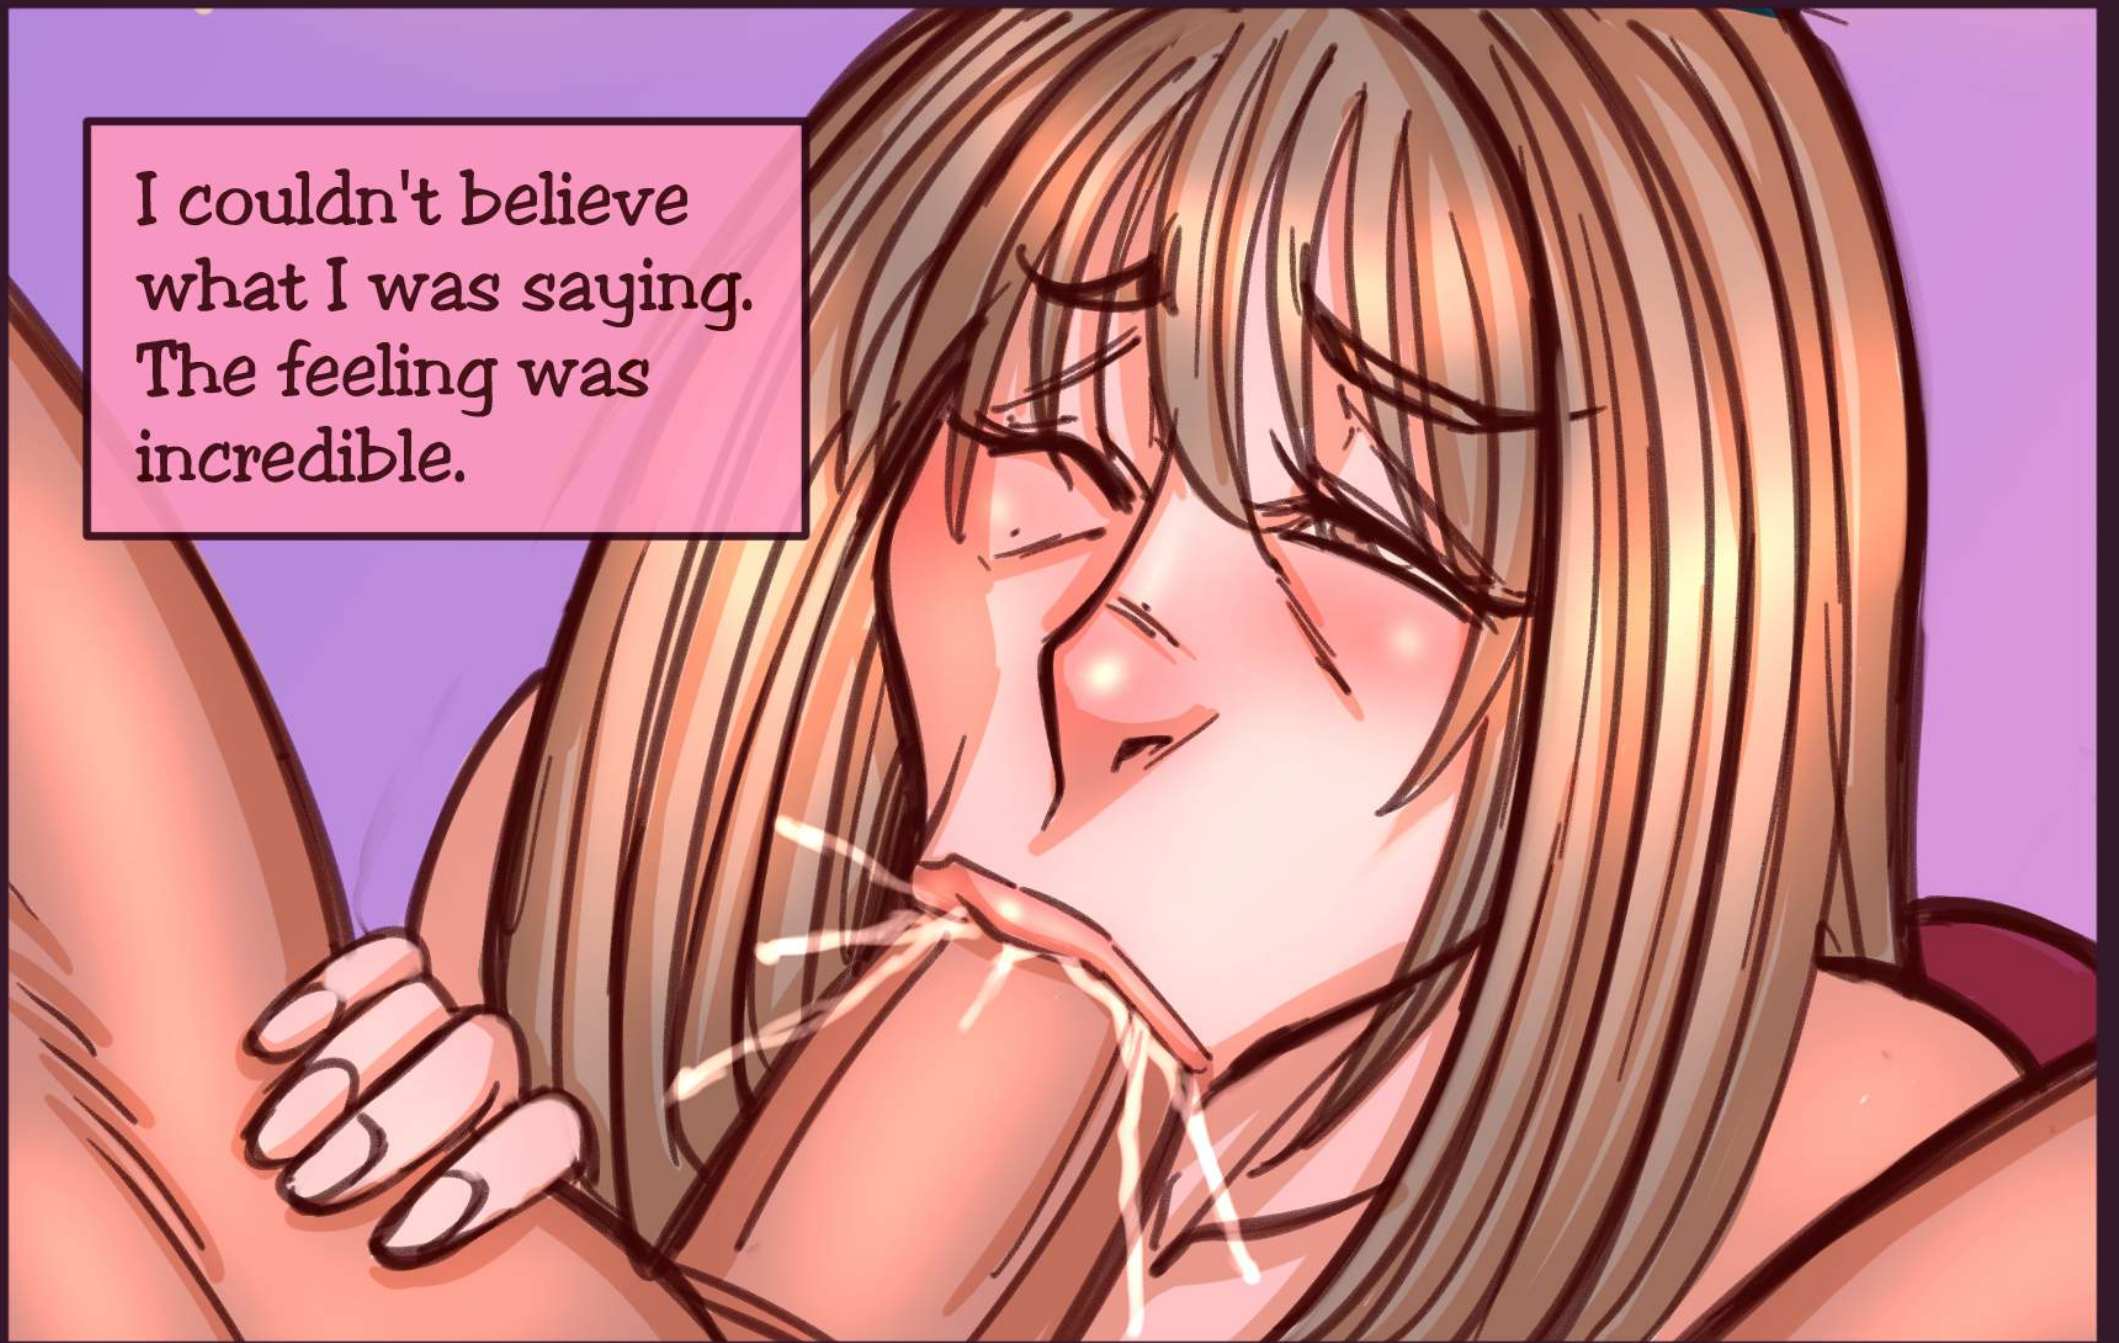

Then she shocked
me by sticking a
finger up my rear.
That did it!

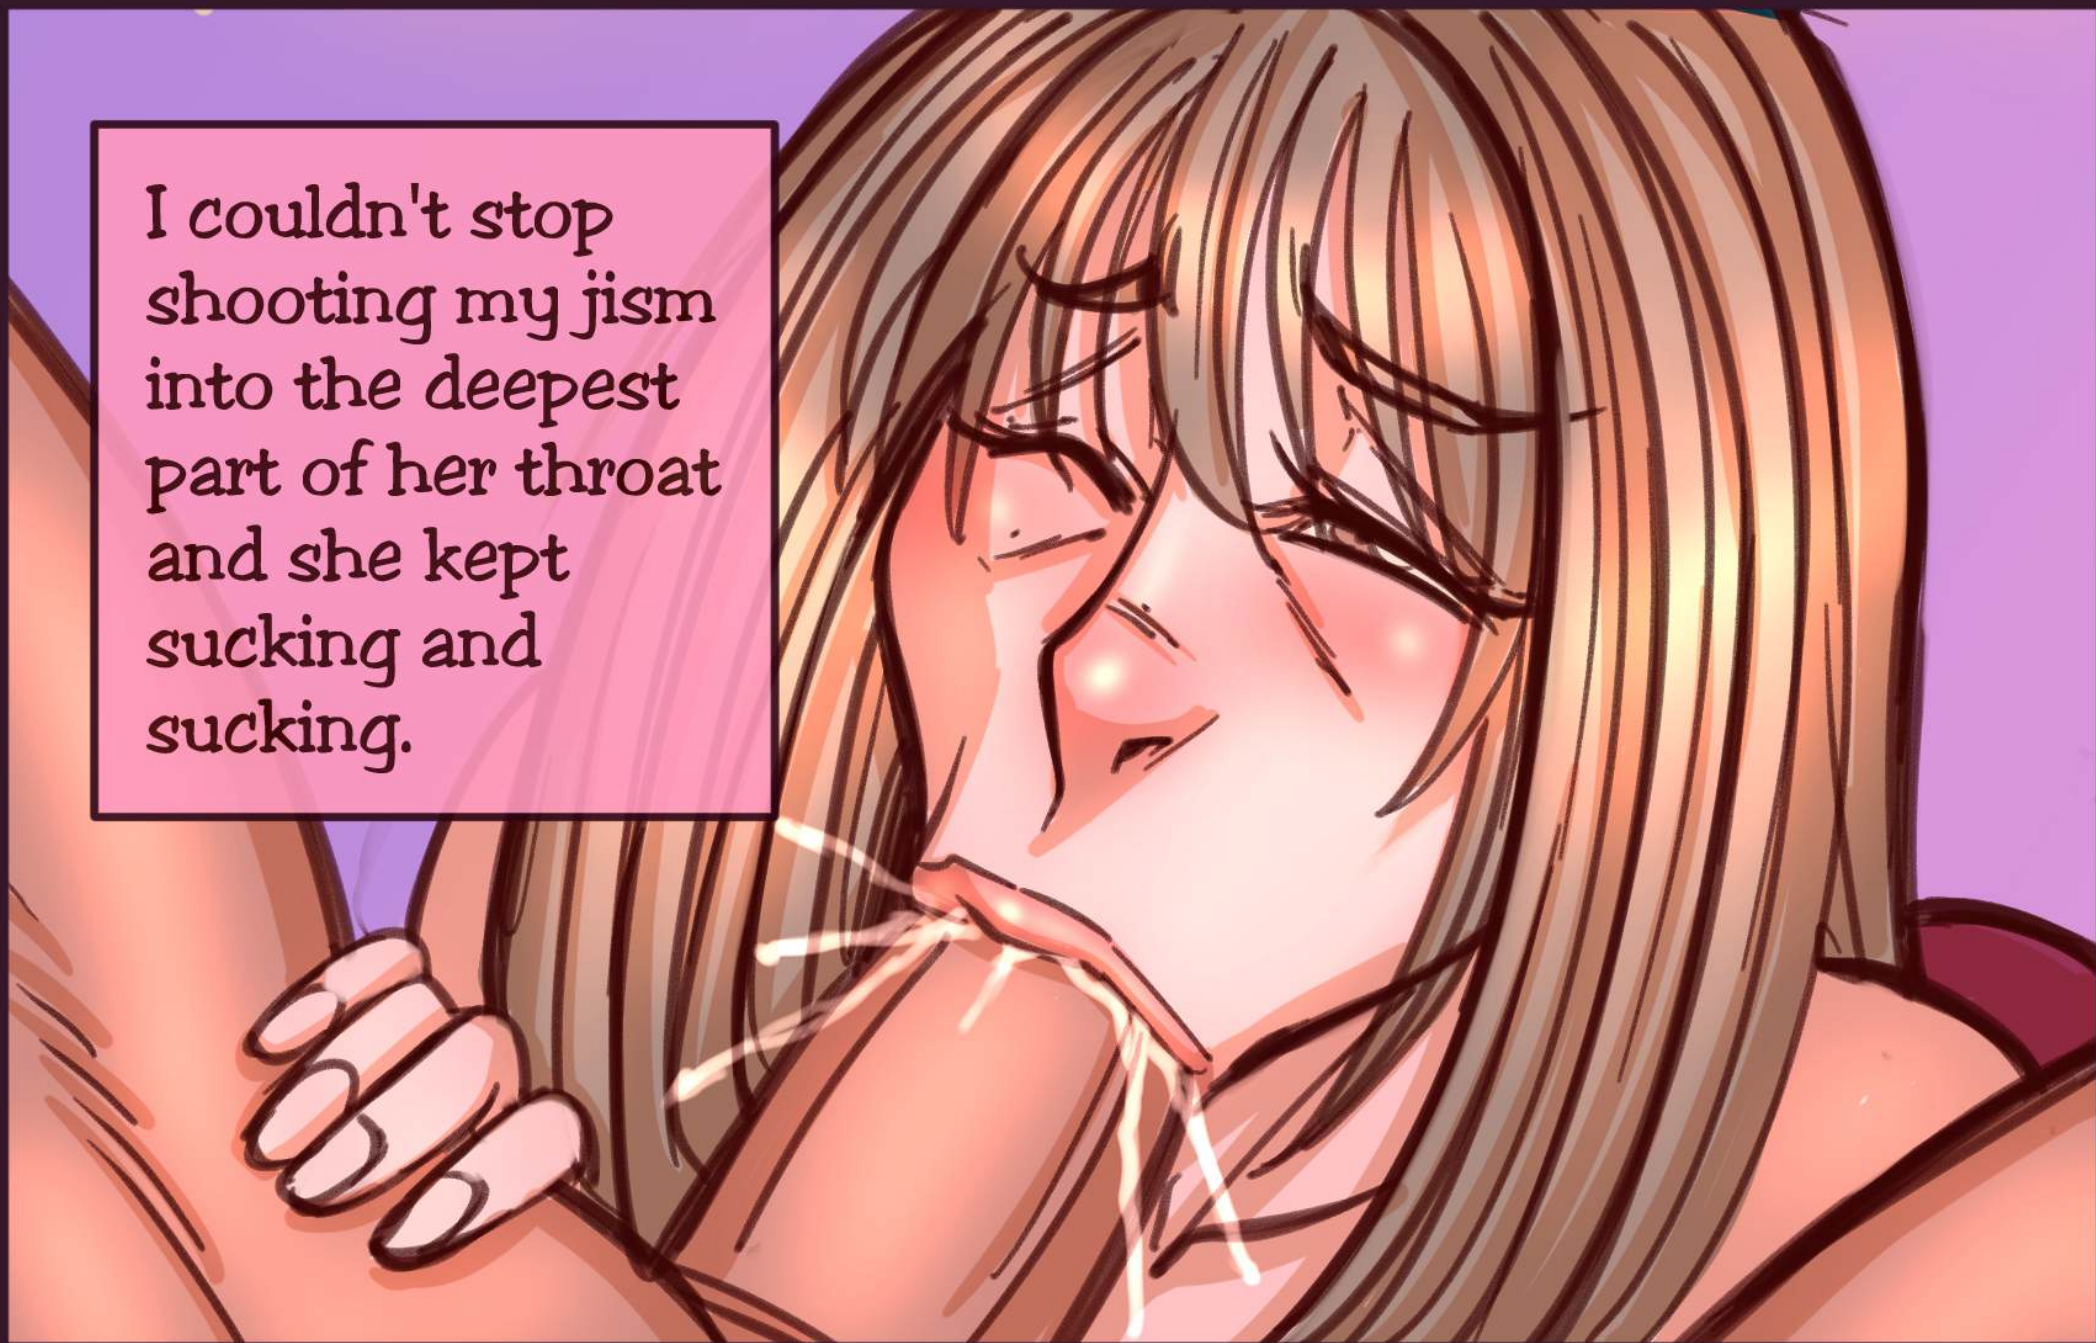

The first stream
of cum erupted
like a volcano.
"Suck it bitch!
Suck it all!"

I couldn't believe
what I was saying.
The feeling was
incredible.

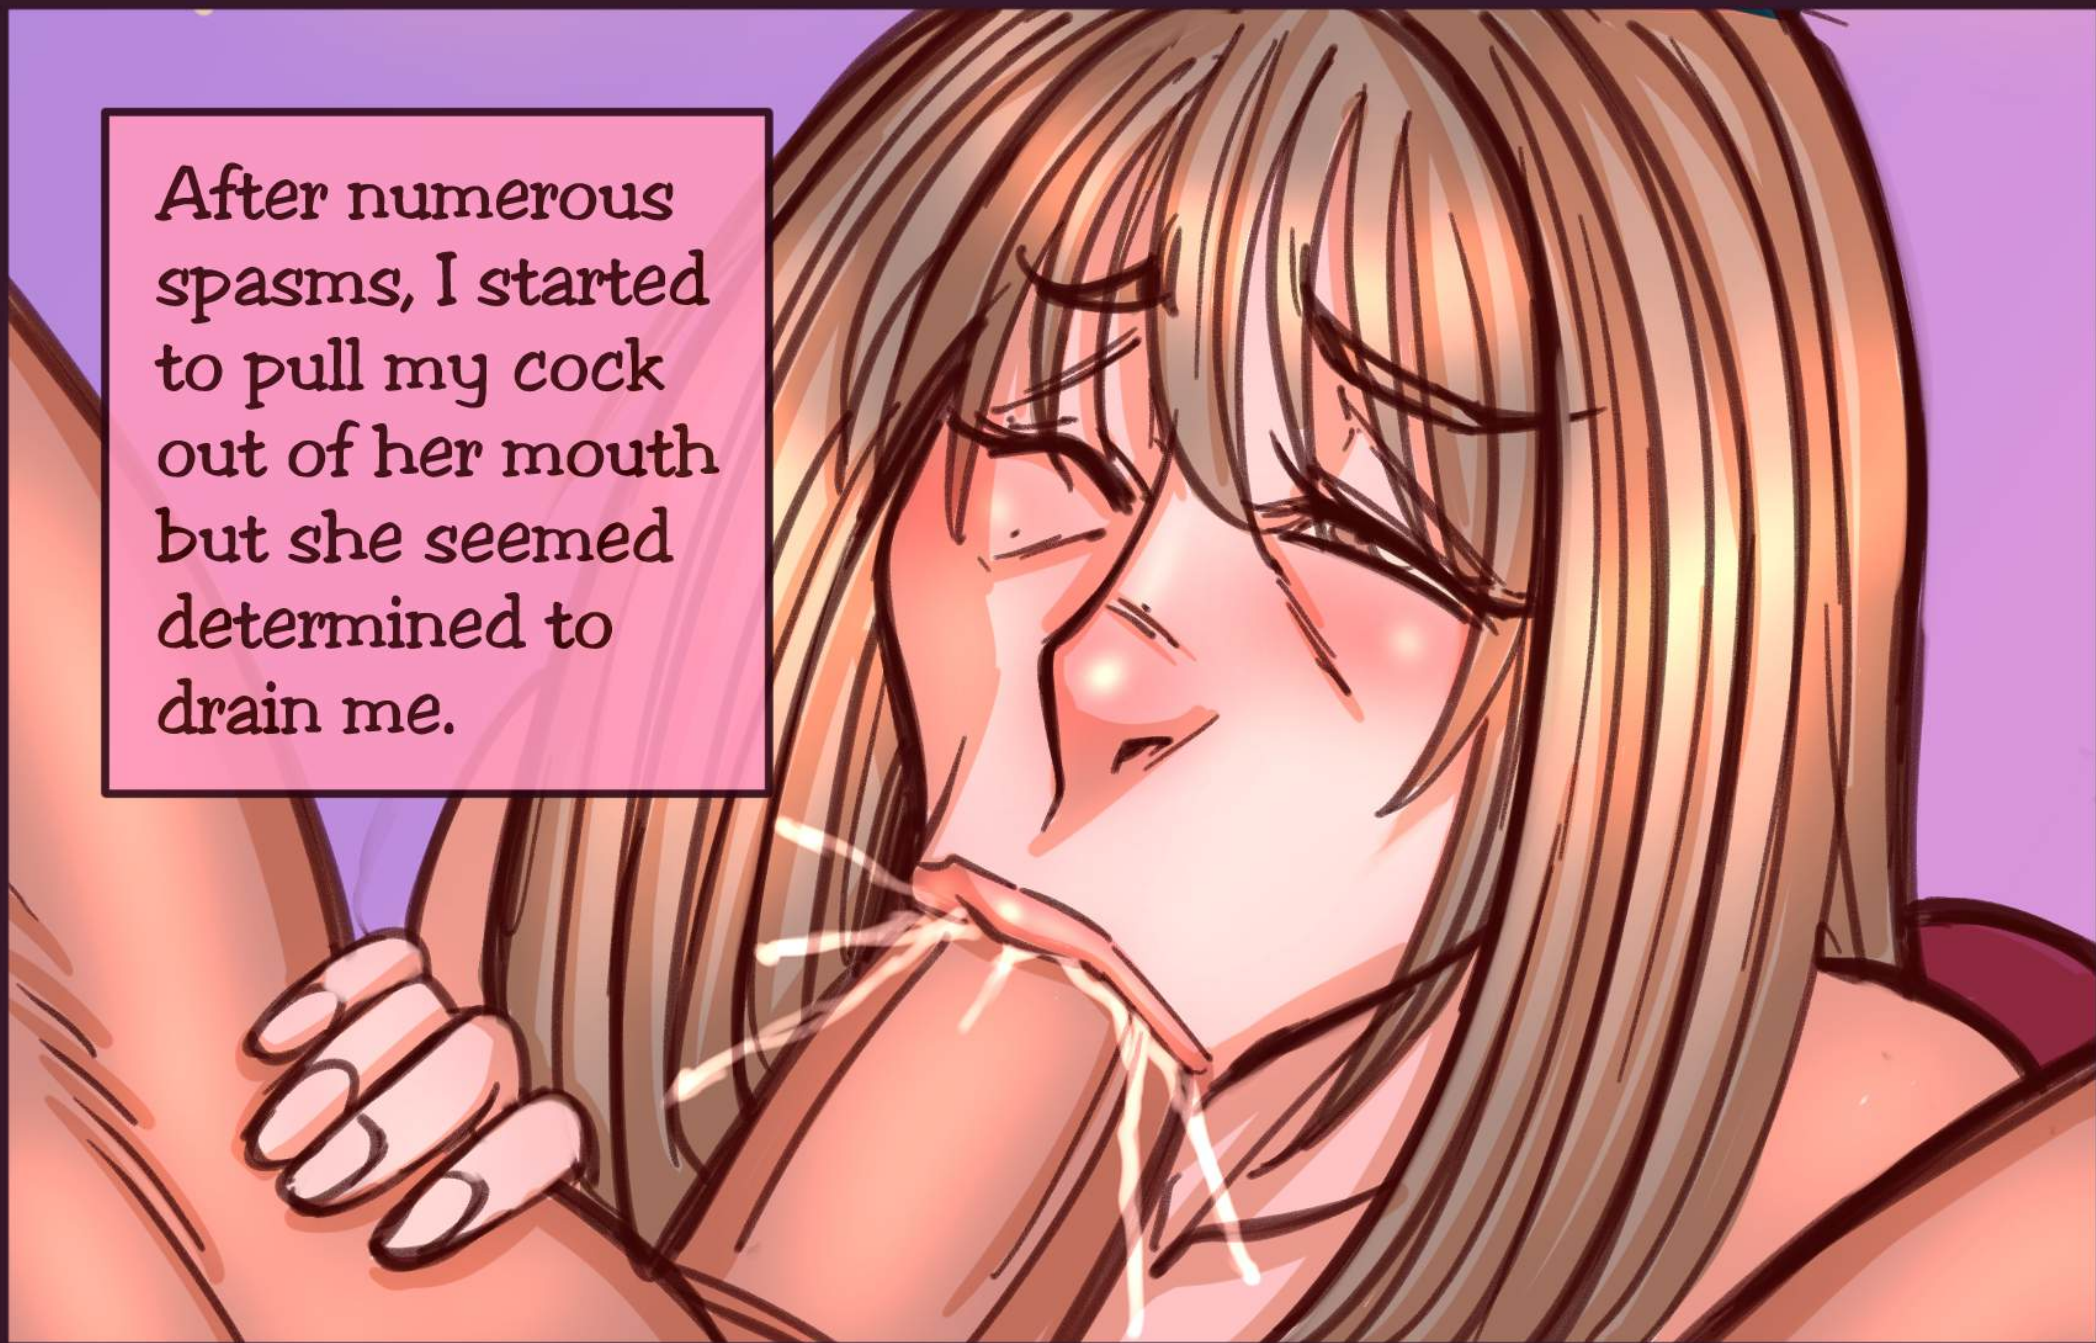

I couldn't stop shooting my jism into the deepest part of her throat and she kept sucking and sucking.

The cum had no where to go but down her throat. She swallowed every drop.

After numerous spasms, I started to pull my cock out of her mouth but she seemed determined to drain me.

"Lick it all bitch!
Take it all down
your throat!
Clean it up!"
