CHAPTER 04

*We made it into the room
and I turned to face her again.*

I pulled her close
and resumed our
greedy kissing,
standing there,
then moved my
kisses to her neck
and shoulders.

She was moaning nonstop now, and I reached behind her, and undid her skirt.

She moved her
hips and it fell
off in a pile at
her feet.

I could see her
big white panties
covering her
matronly ass.
She wasn't fat,
not at all, but she
was definitely a
woman.

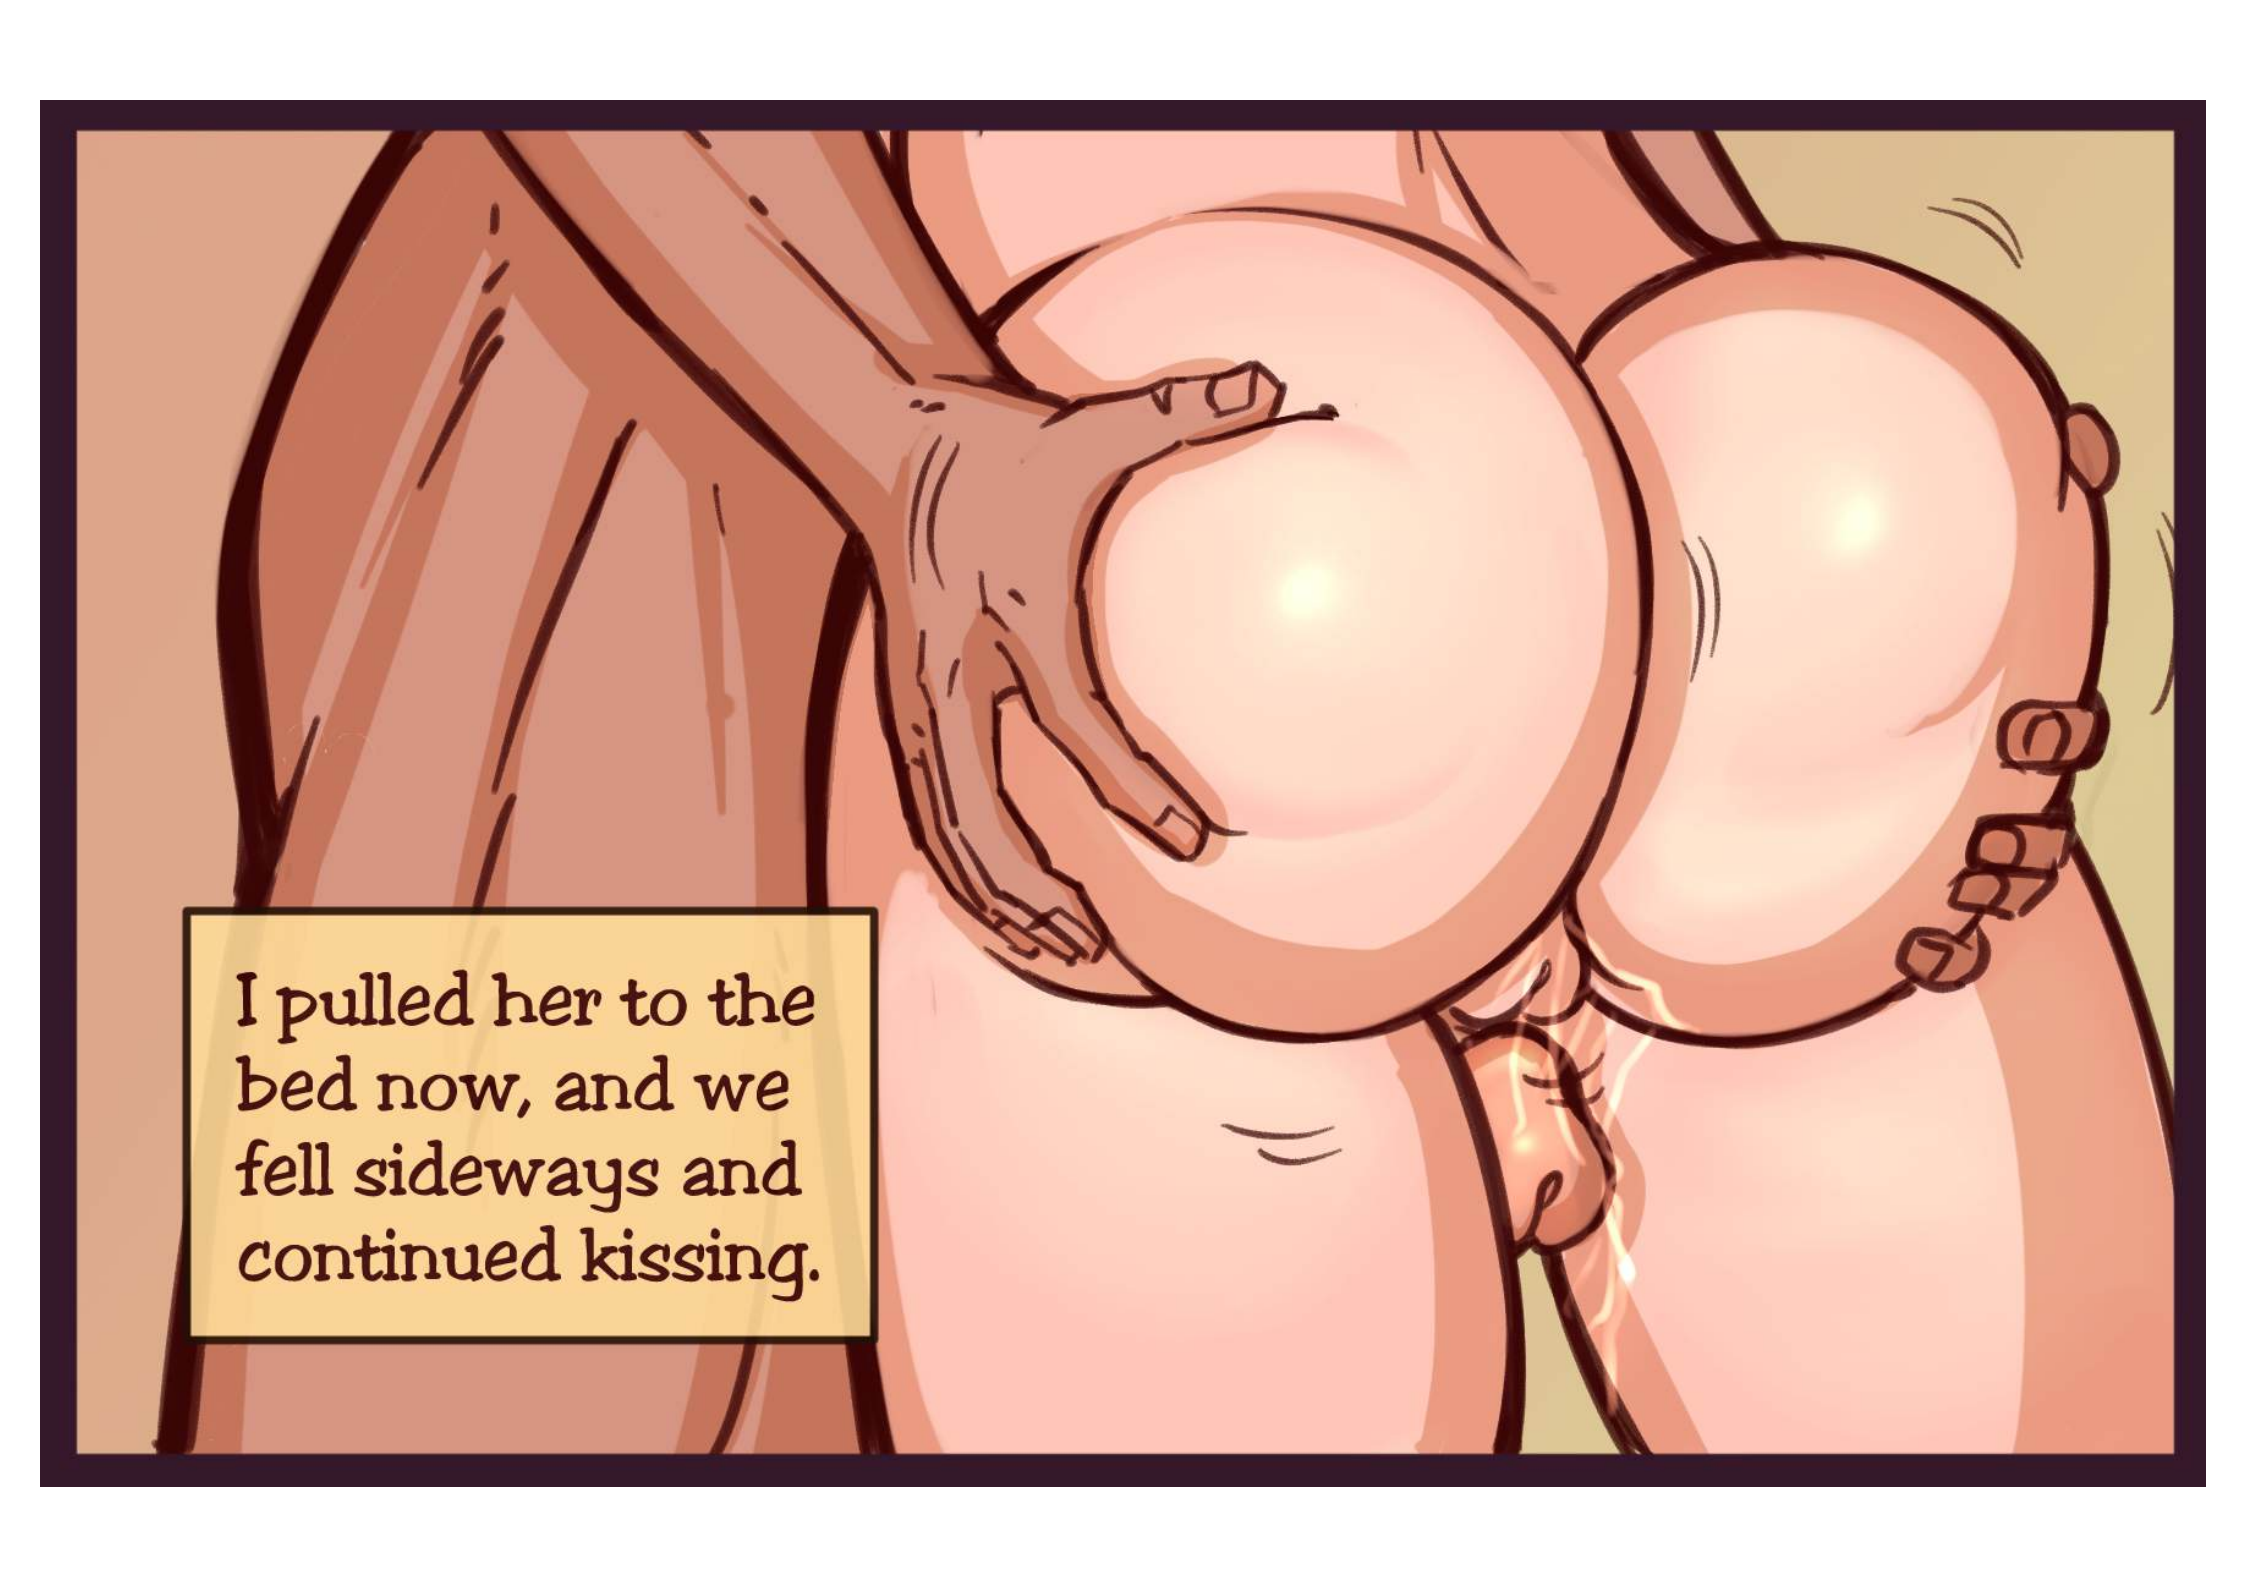

My hands moved to her ass and I squeezed her cheeks while I pulled her hips into mine, grinding my cock against her pubic bone, humping against her.

She was melting into my arms now, and I could smell her womanly scent that meant that she was more than ready.

I pulled her to the bed now, and we fell sideways and continued kissing.

My hands went to her tits and I finally got to feel them in all of their glory. They were better than I imagined.

Her nipples were
so big and so hard,
and I couldn't wait
to suck them.

She's different from Andrea, but there's this odd similarity that makes it comfortable.

I never imagined that I would find an older woman so hot, but she brought out something in me that my wife never has.

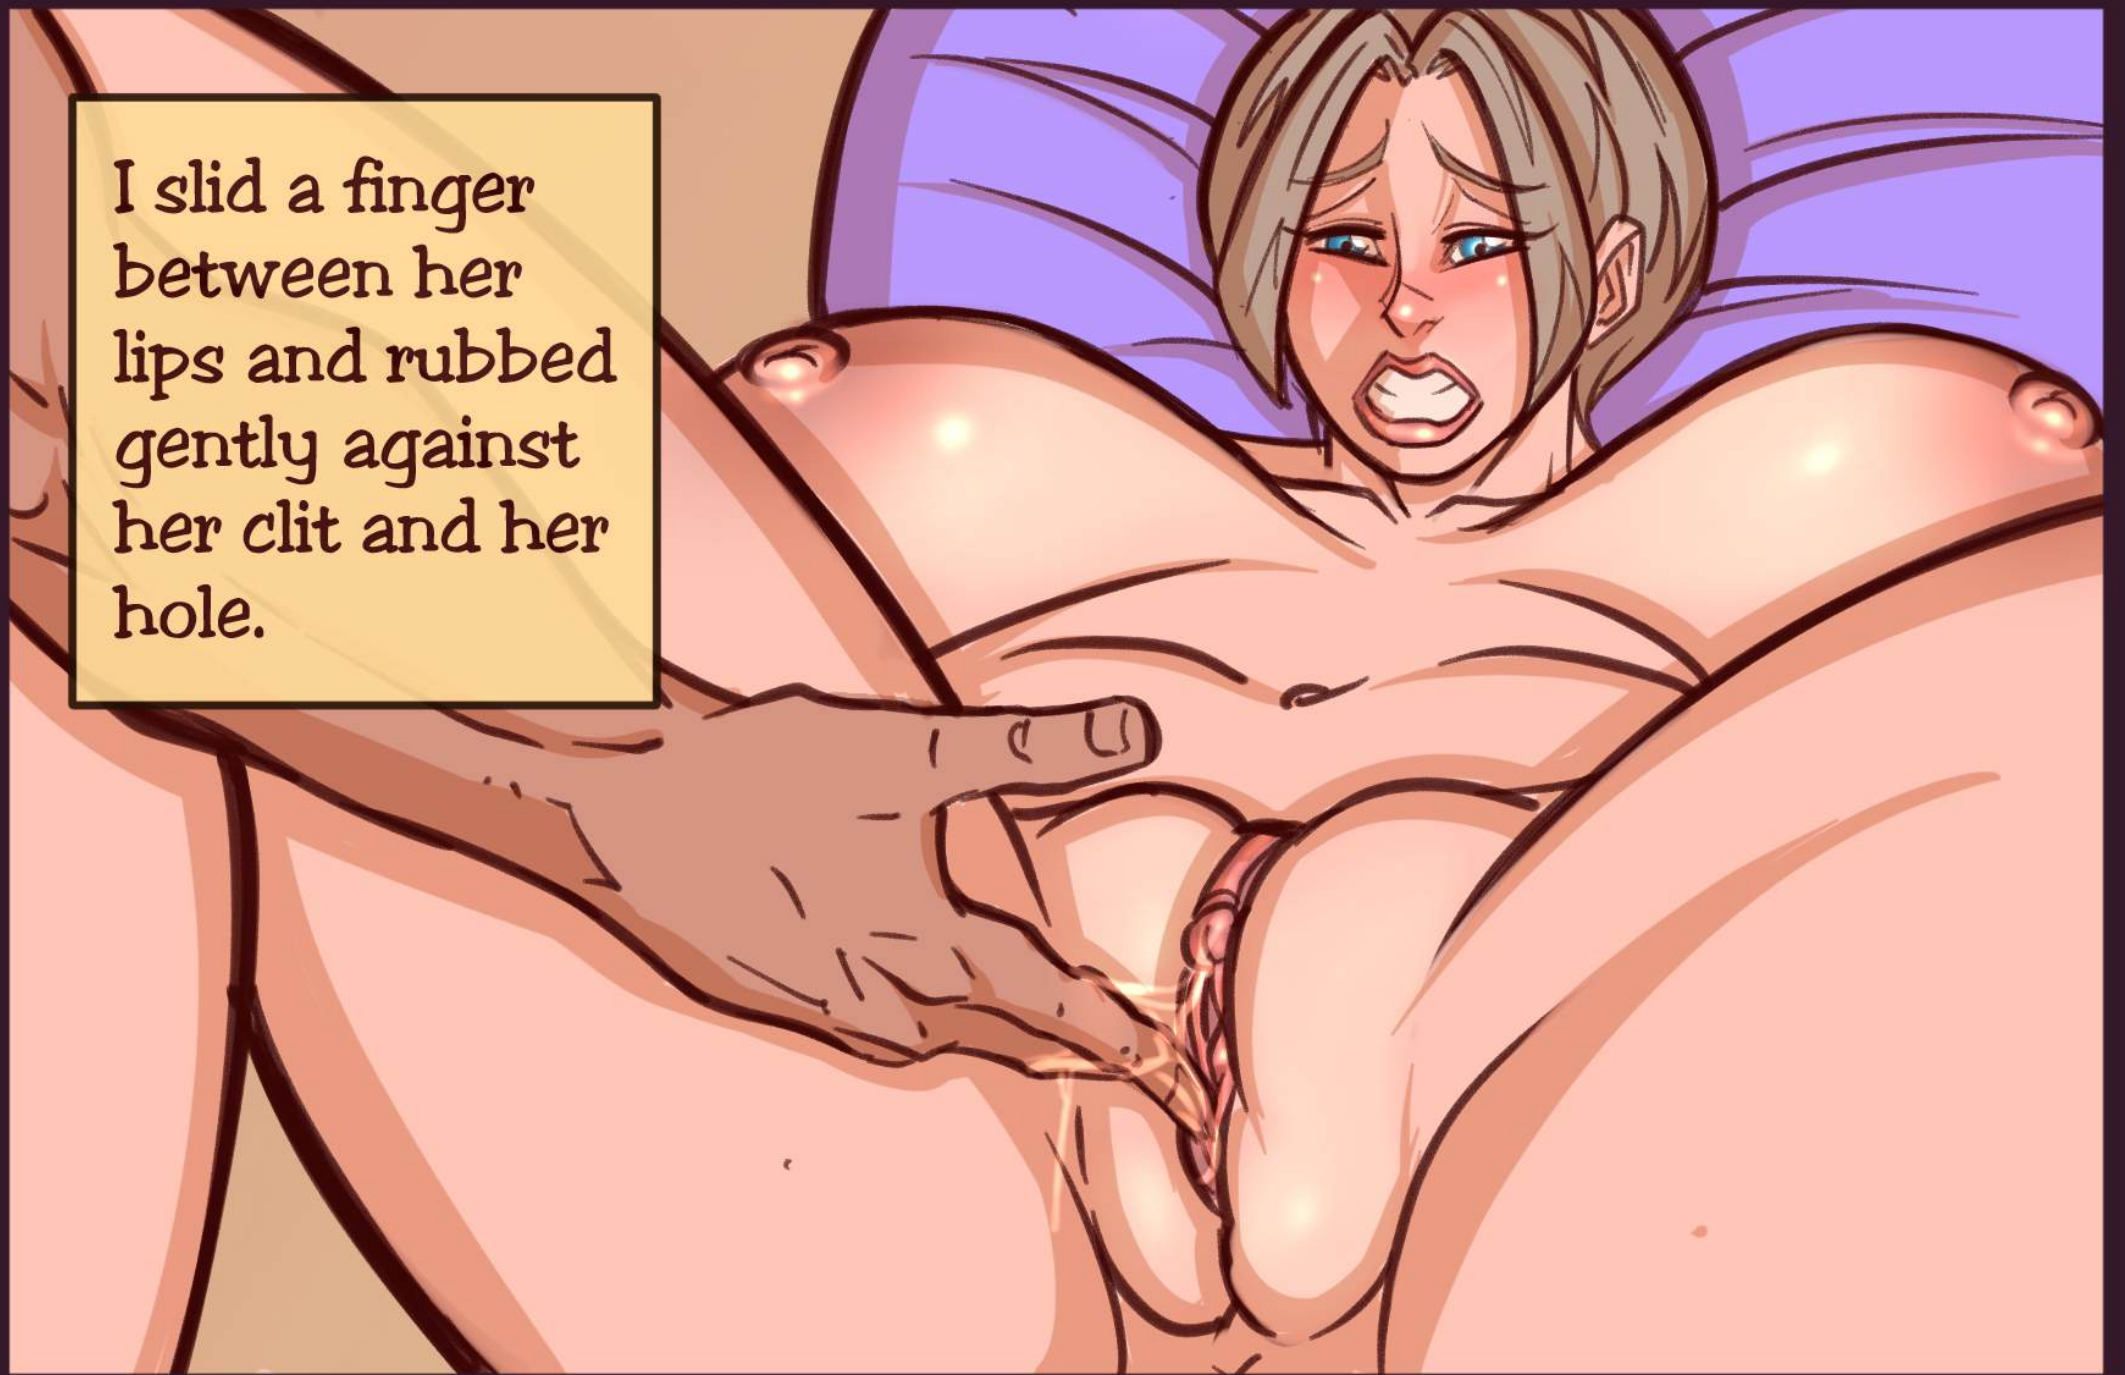

We somehow moved so that we were laying on the bed, and my hand went down to her pussy.

She was soaked and groaning as I explored her.

I slid a finger
between her
lips and rubbed
gently against
her clit and her
hole.

I didn't move inside, just rubbed the outside, teasing her clit and making her want more.

My head moved to her tit and I finally sucked her nipple into my mouth.

She was writhing
as I sucked hard
and felt her
respond.

Her legs opened
and I had full access
to her pussy now.
I slid my finger inside
and felt her pussy
suck it in.

"Oh God that's
so good. Oh God."
Her hips humped
against my hand
and I pushed my
palm against her
clit.

Two fingers inside
now and she was
humping hard now.

She was desperate to cum, I knew, so I went right back to finger fucking her and sucking her tit now.

She was fucking my hand,
holding my head hard
against her chest, moaning
and begging for more.

It was time, and I moved us so that she was on her back in the middle of the bed.
