# CHAPTER 06

This morning, I woke up  
and tried to get my head  
around the idea that I had  
fucked my mother-in-law.

Wendy had surprised me yesterday just when I was heading to the shower, and, well, one thing led to another and we, you know, did it.

I never had planned it  
or even really thought  
about it, but God it was  
amazing.

But I just didn't know if  
it could or should happen  
again.

I mean, we could really mess things up in our family. And neither one of us wanted that.

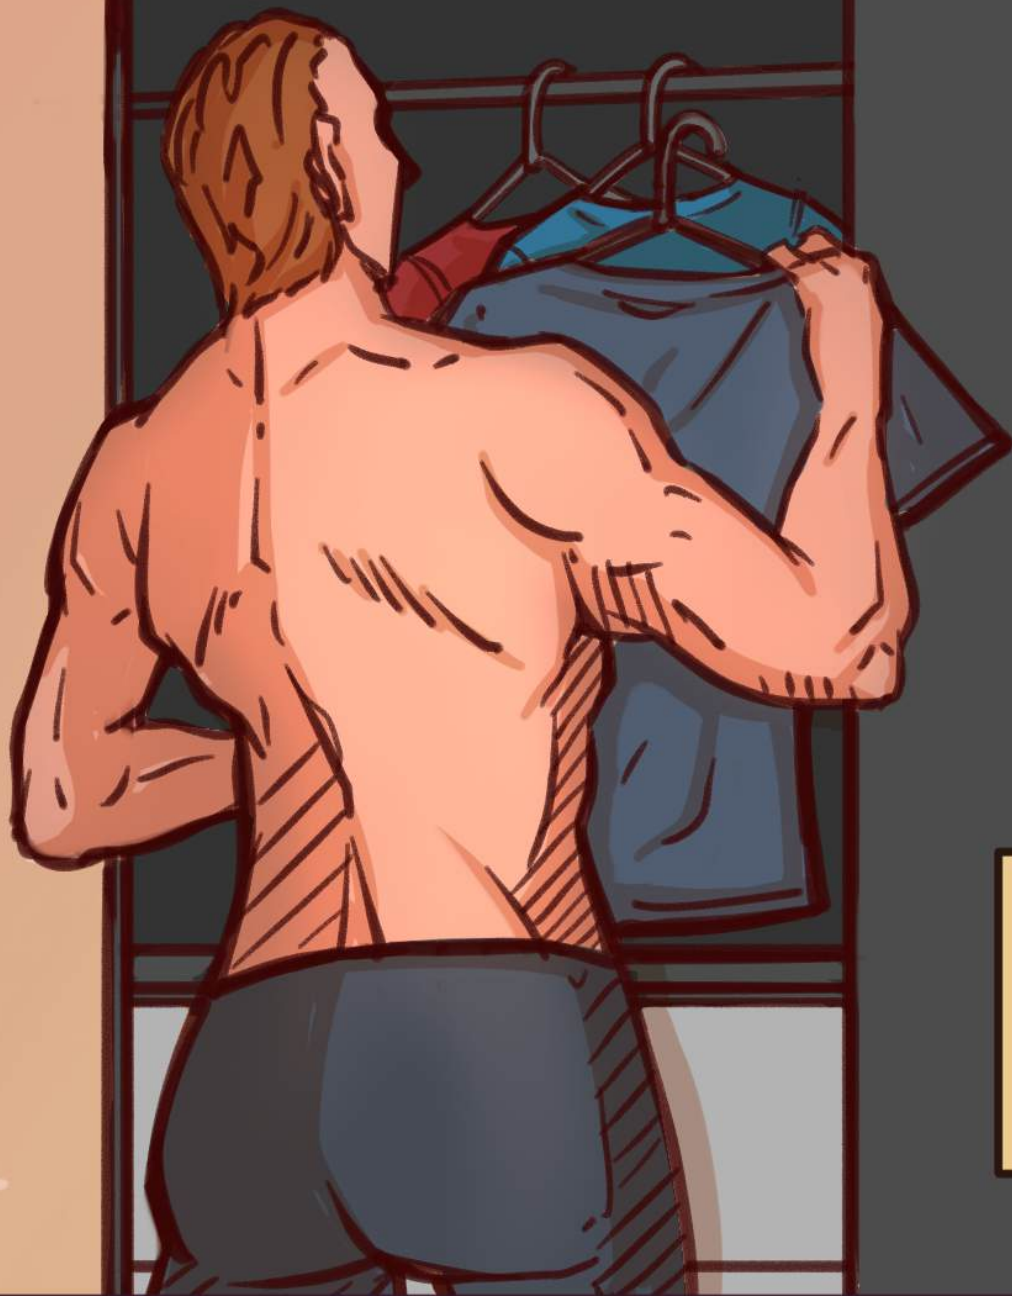

So I had no idea what  
might happen today.

She might tell my wife,  
she might avoid me, or  
she might wake me up  
with a blow job. Who  
knows?

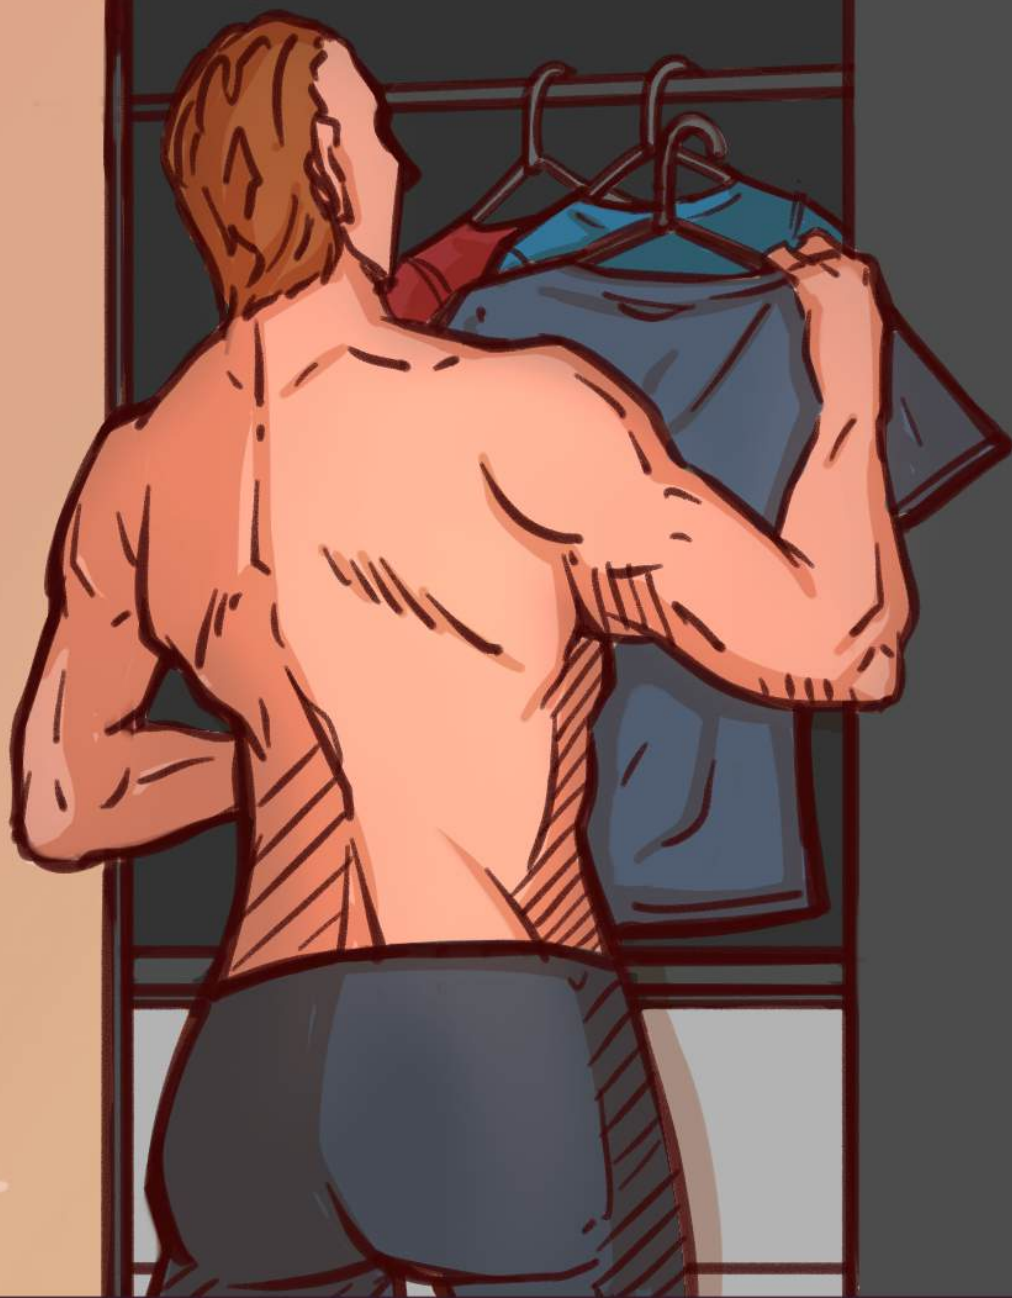

One thing that I was sure of, though, was that I was going to take a shower first thing so that I would be dressed in case something happened.

As I dressed, I just didn't know what to do.

Should I maybe try something that Wendy might find sexy, if she comes over, or should I just dress normally and let things happen naturally?

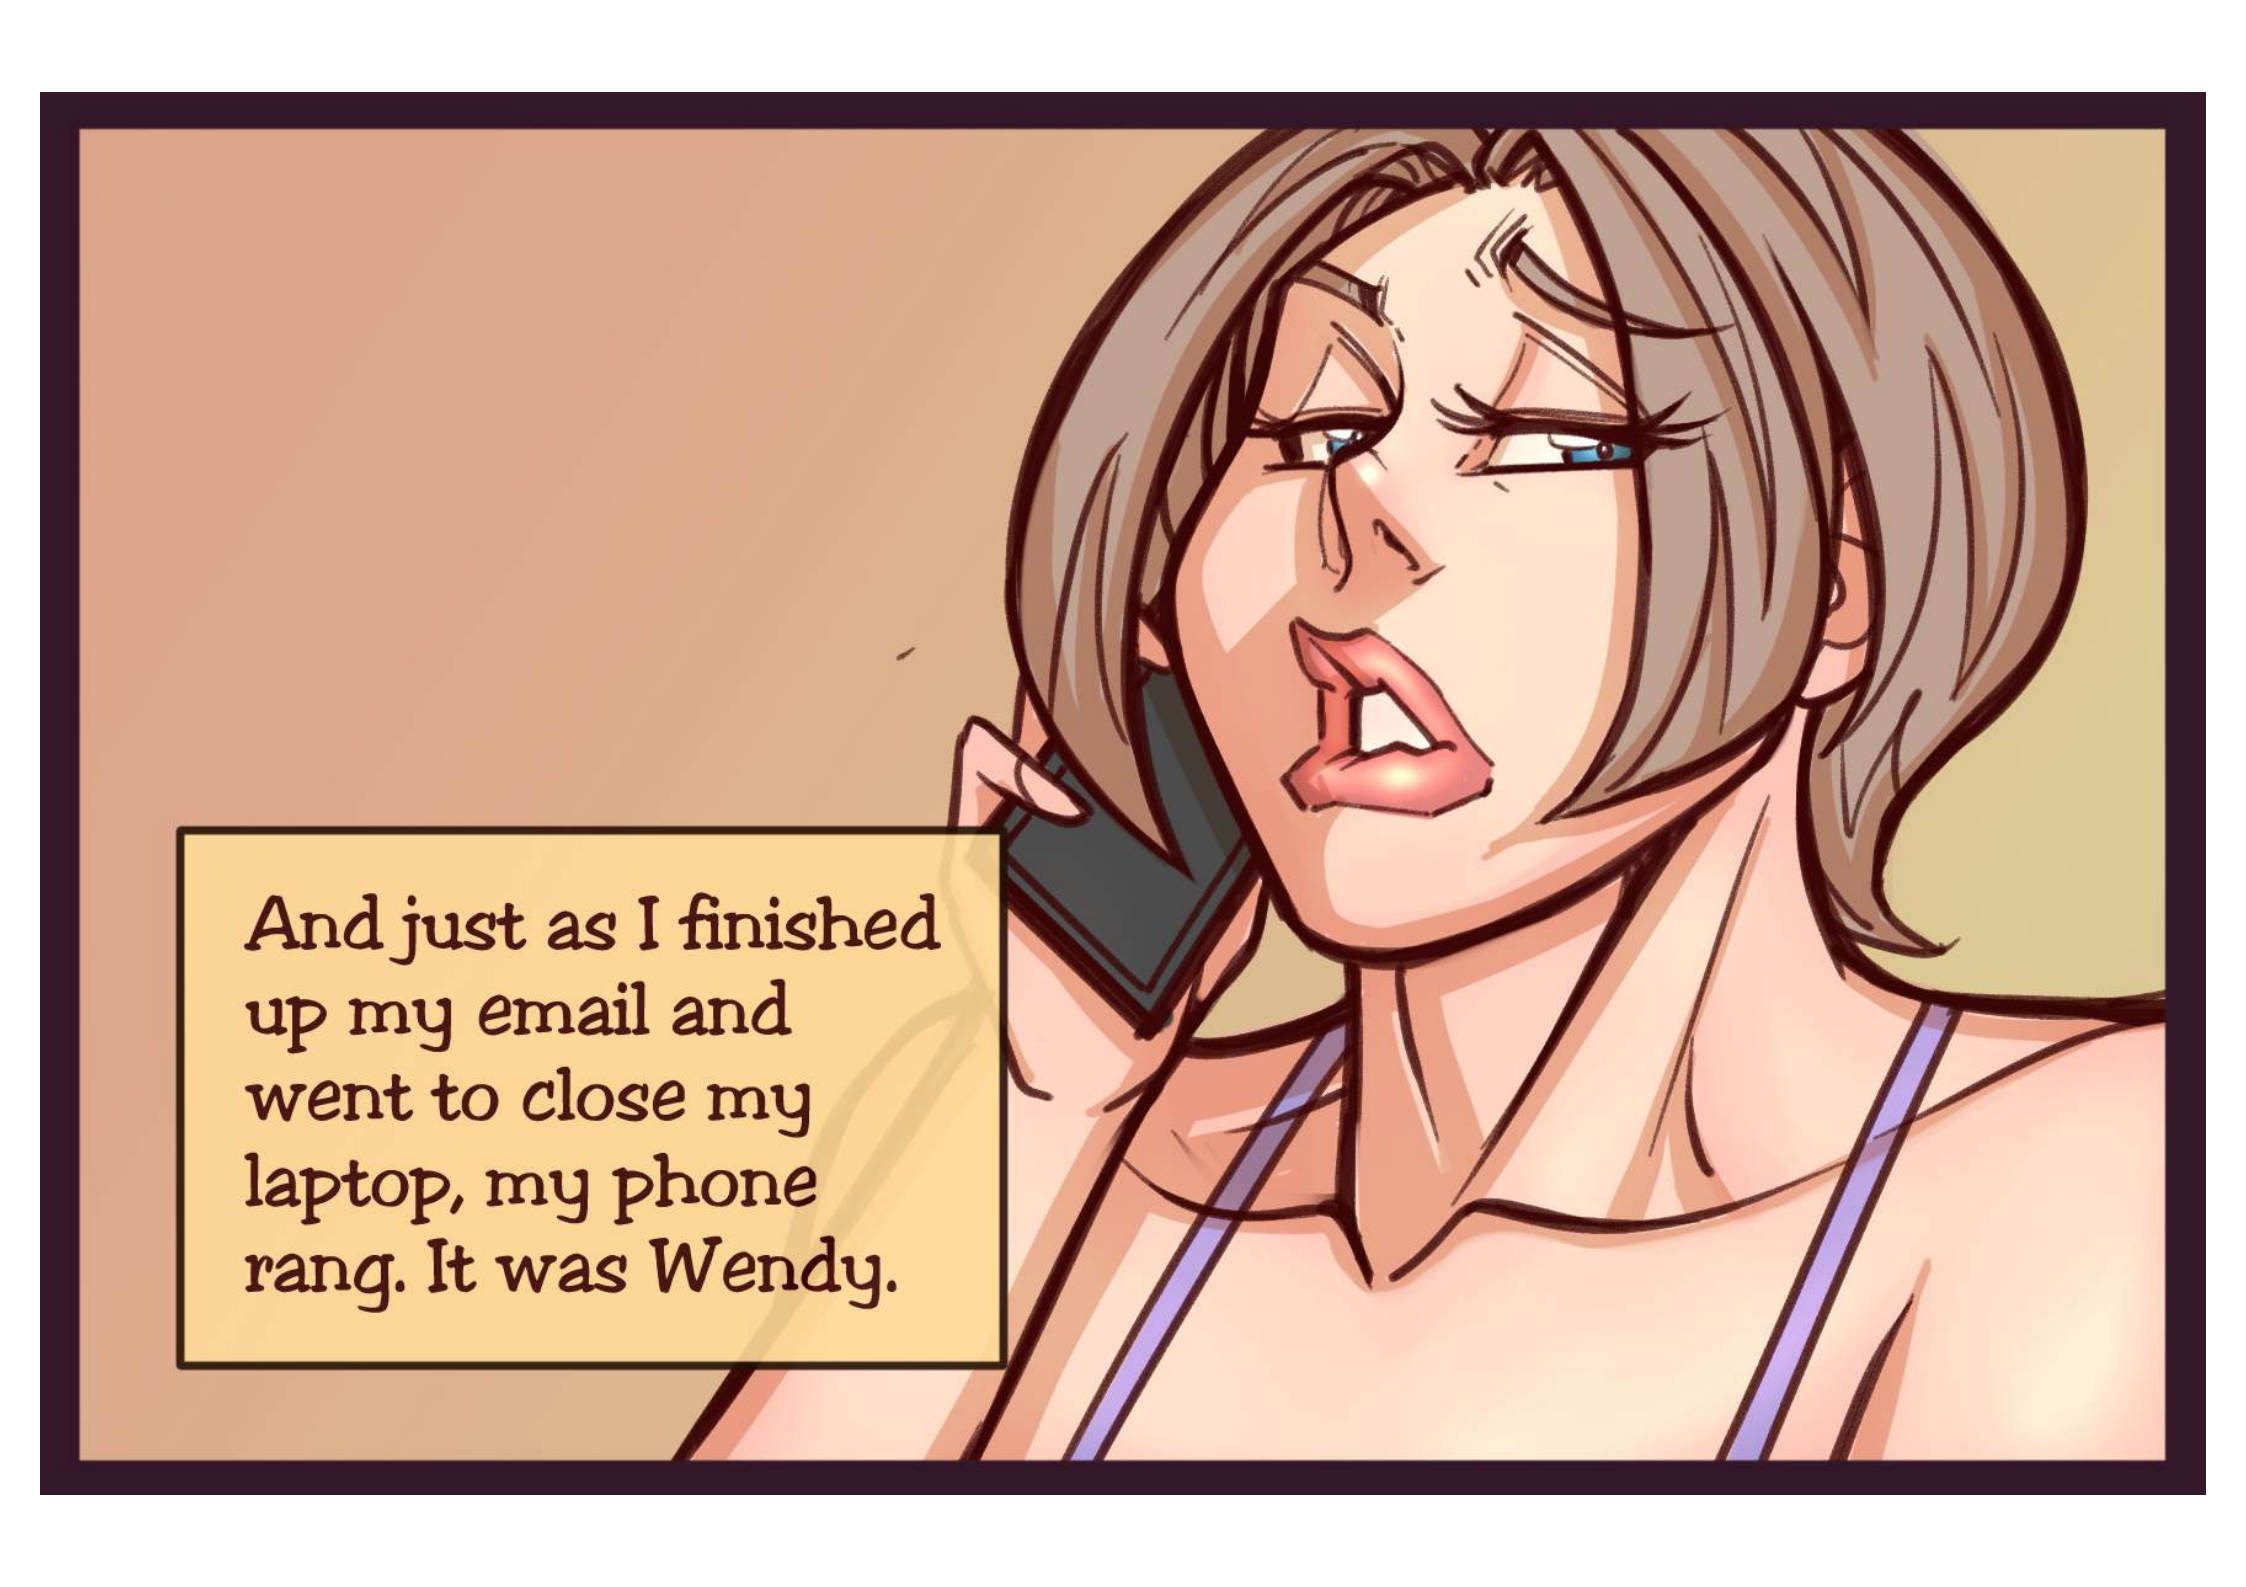

I decided that I would be somewhere in the middle, wearing shorts and a t-shirt, but not wearing underwear so that my cock could be free and more obvious.

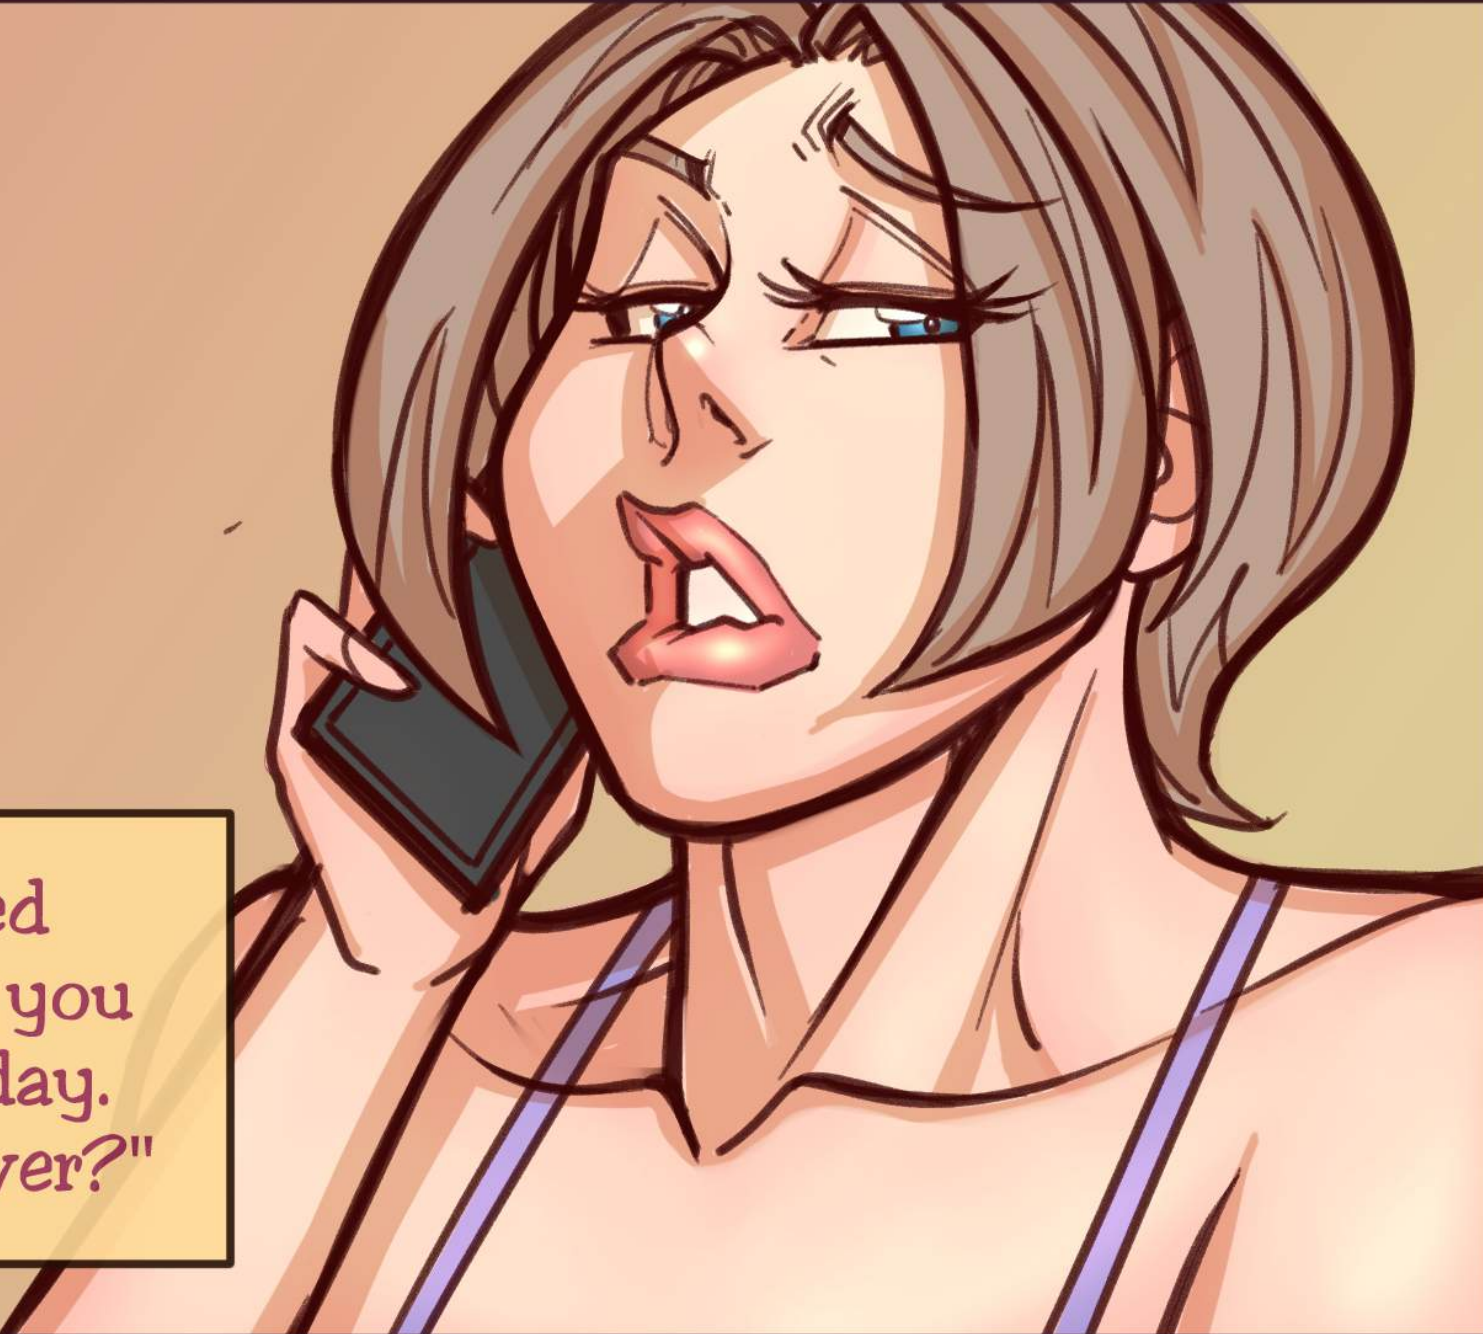

With coffee in hand,  
I went into my home  
office and started  
going over emails  
and voicemails.

I didn't really have a lot that needed to be done today, but I wanted to have everything done so that I could play if Wendy came over.

And just as I finished up my email and went to close my laptop, my phone rang. It was Wendy.

A close-up illustration of a woman with short, layered brown hair and blue eyes. She is holding a dark green smartphone to her ear with her right hand. Her expression is one of concern or urgency, with her mouth slightly open as if speaking. She is wearing a light-colored top with thin blue straps. The background is a soft, warm gradient of brown and yellow.

"John, we need to talk about, you know, yesterday. Can I come over?"

Wow, this was a new Wendy, calling to warn me about her visit. She and Alan **NEVER** do that, so we were already entering new territory!

"Sure, anytime is fine. I'm just getting some work done."

"Great, I'll be over in a few minutes then."

"Great, see you soon."

I went around the house and tidied up, and before I knew it, Wendy was ringing the doorbell.

I went and  
answered  
the door.  
"Hello...  
We need  
to talk..."
