CHAPTER 04

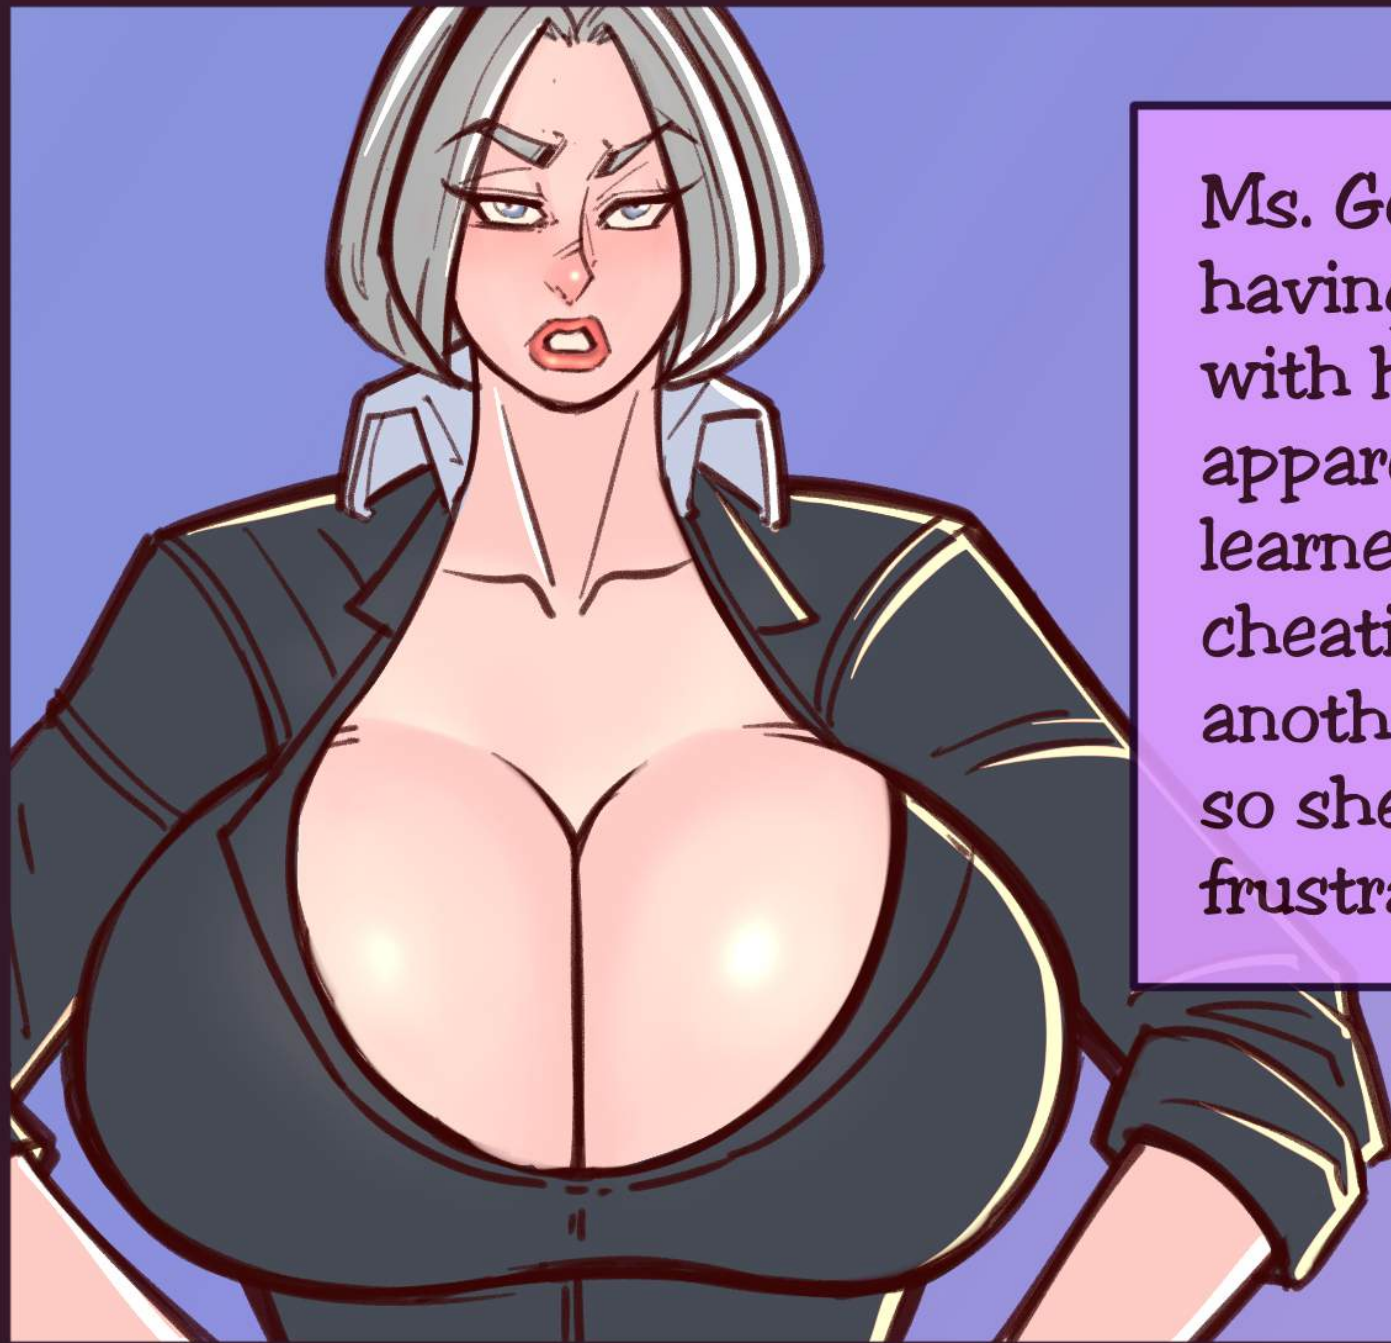

Ms. Gerard has been watching me this whole time unknown to me.

She watched and waited as I entered the alcove and thought she was about to catch me red handed doing some sort of pill or tab, but I certainly did fool her.

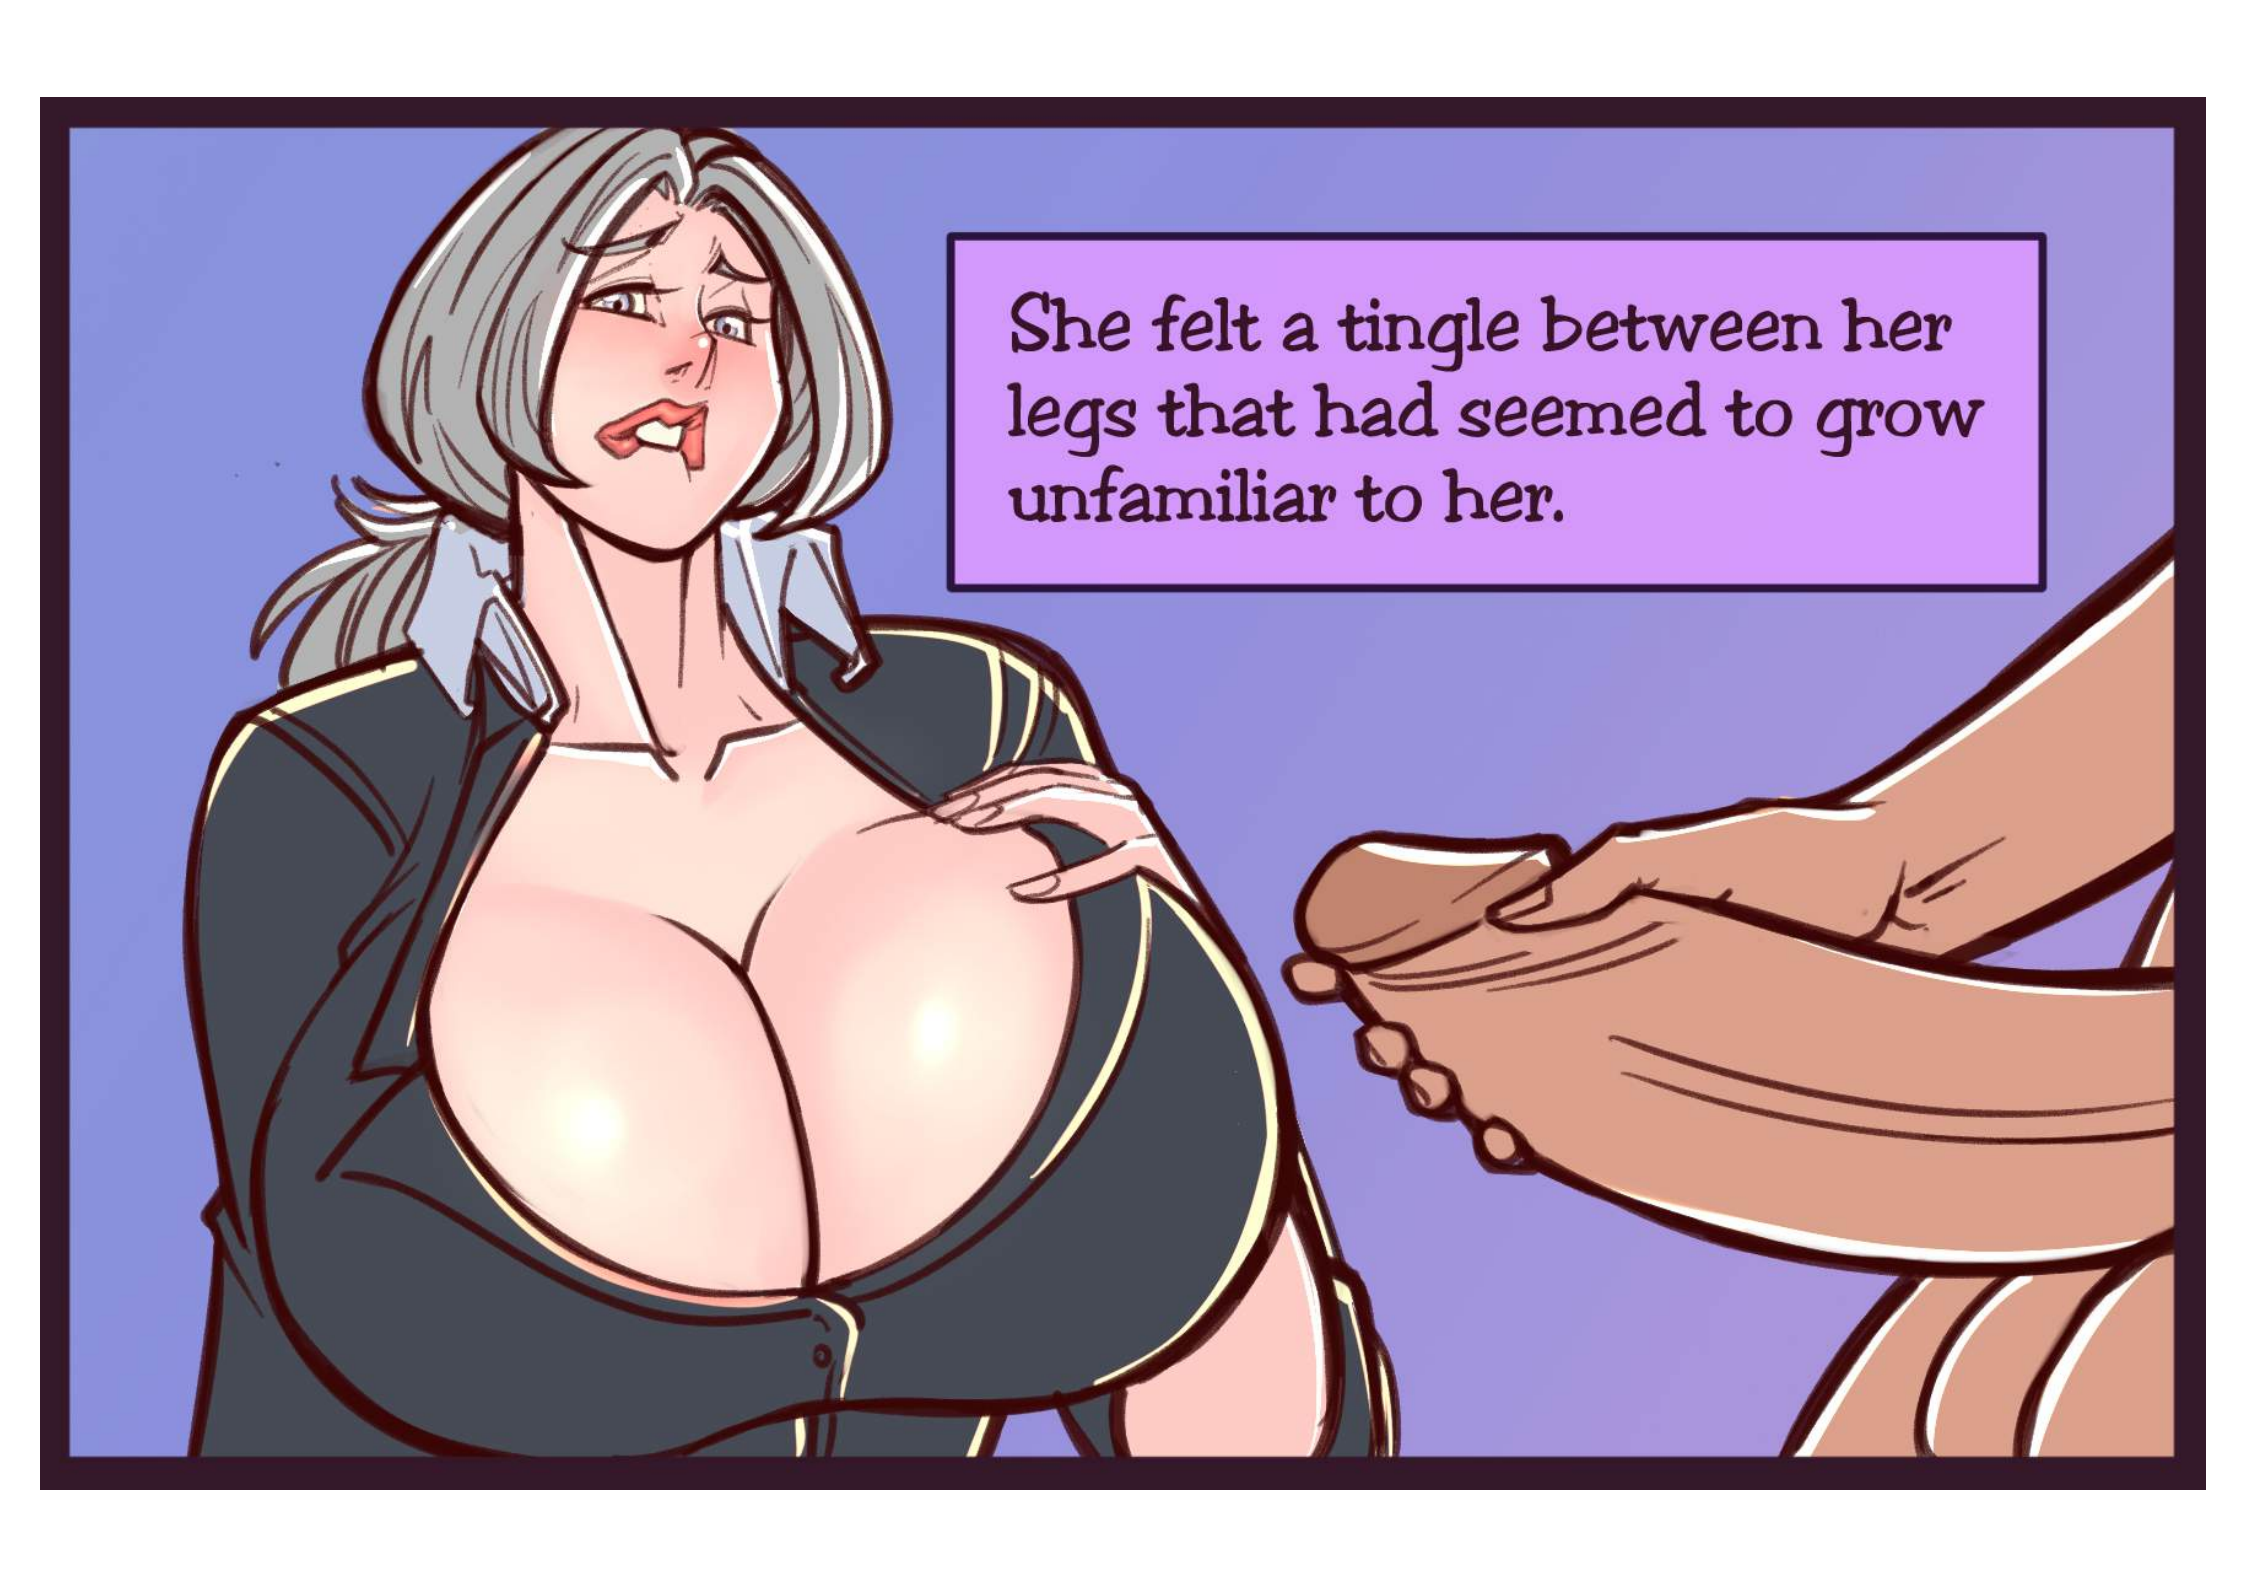

The sight that came to her was one she was not prepared for.

Ms. Gerard had been having issues at home with her boyfriend, apparently she had learned that he was cheating on her with another woman and so she had been quite frustrated recently.

The sexual scene before her became even more pronounced as I had pulled my cock out of my pants and let the full length of it into her view.

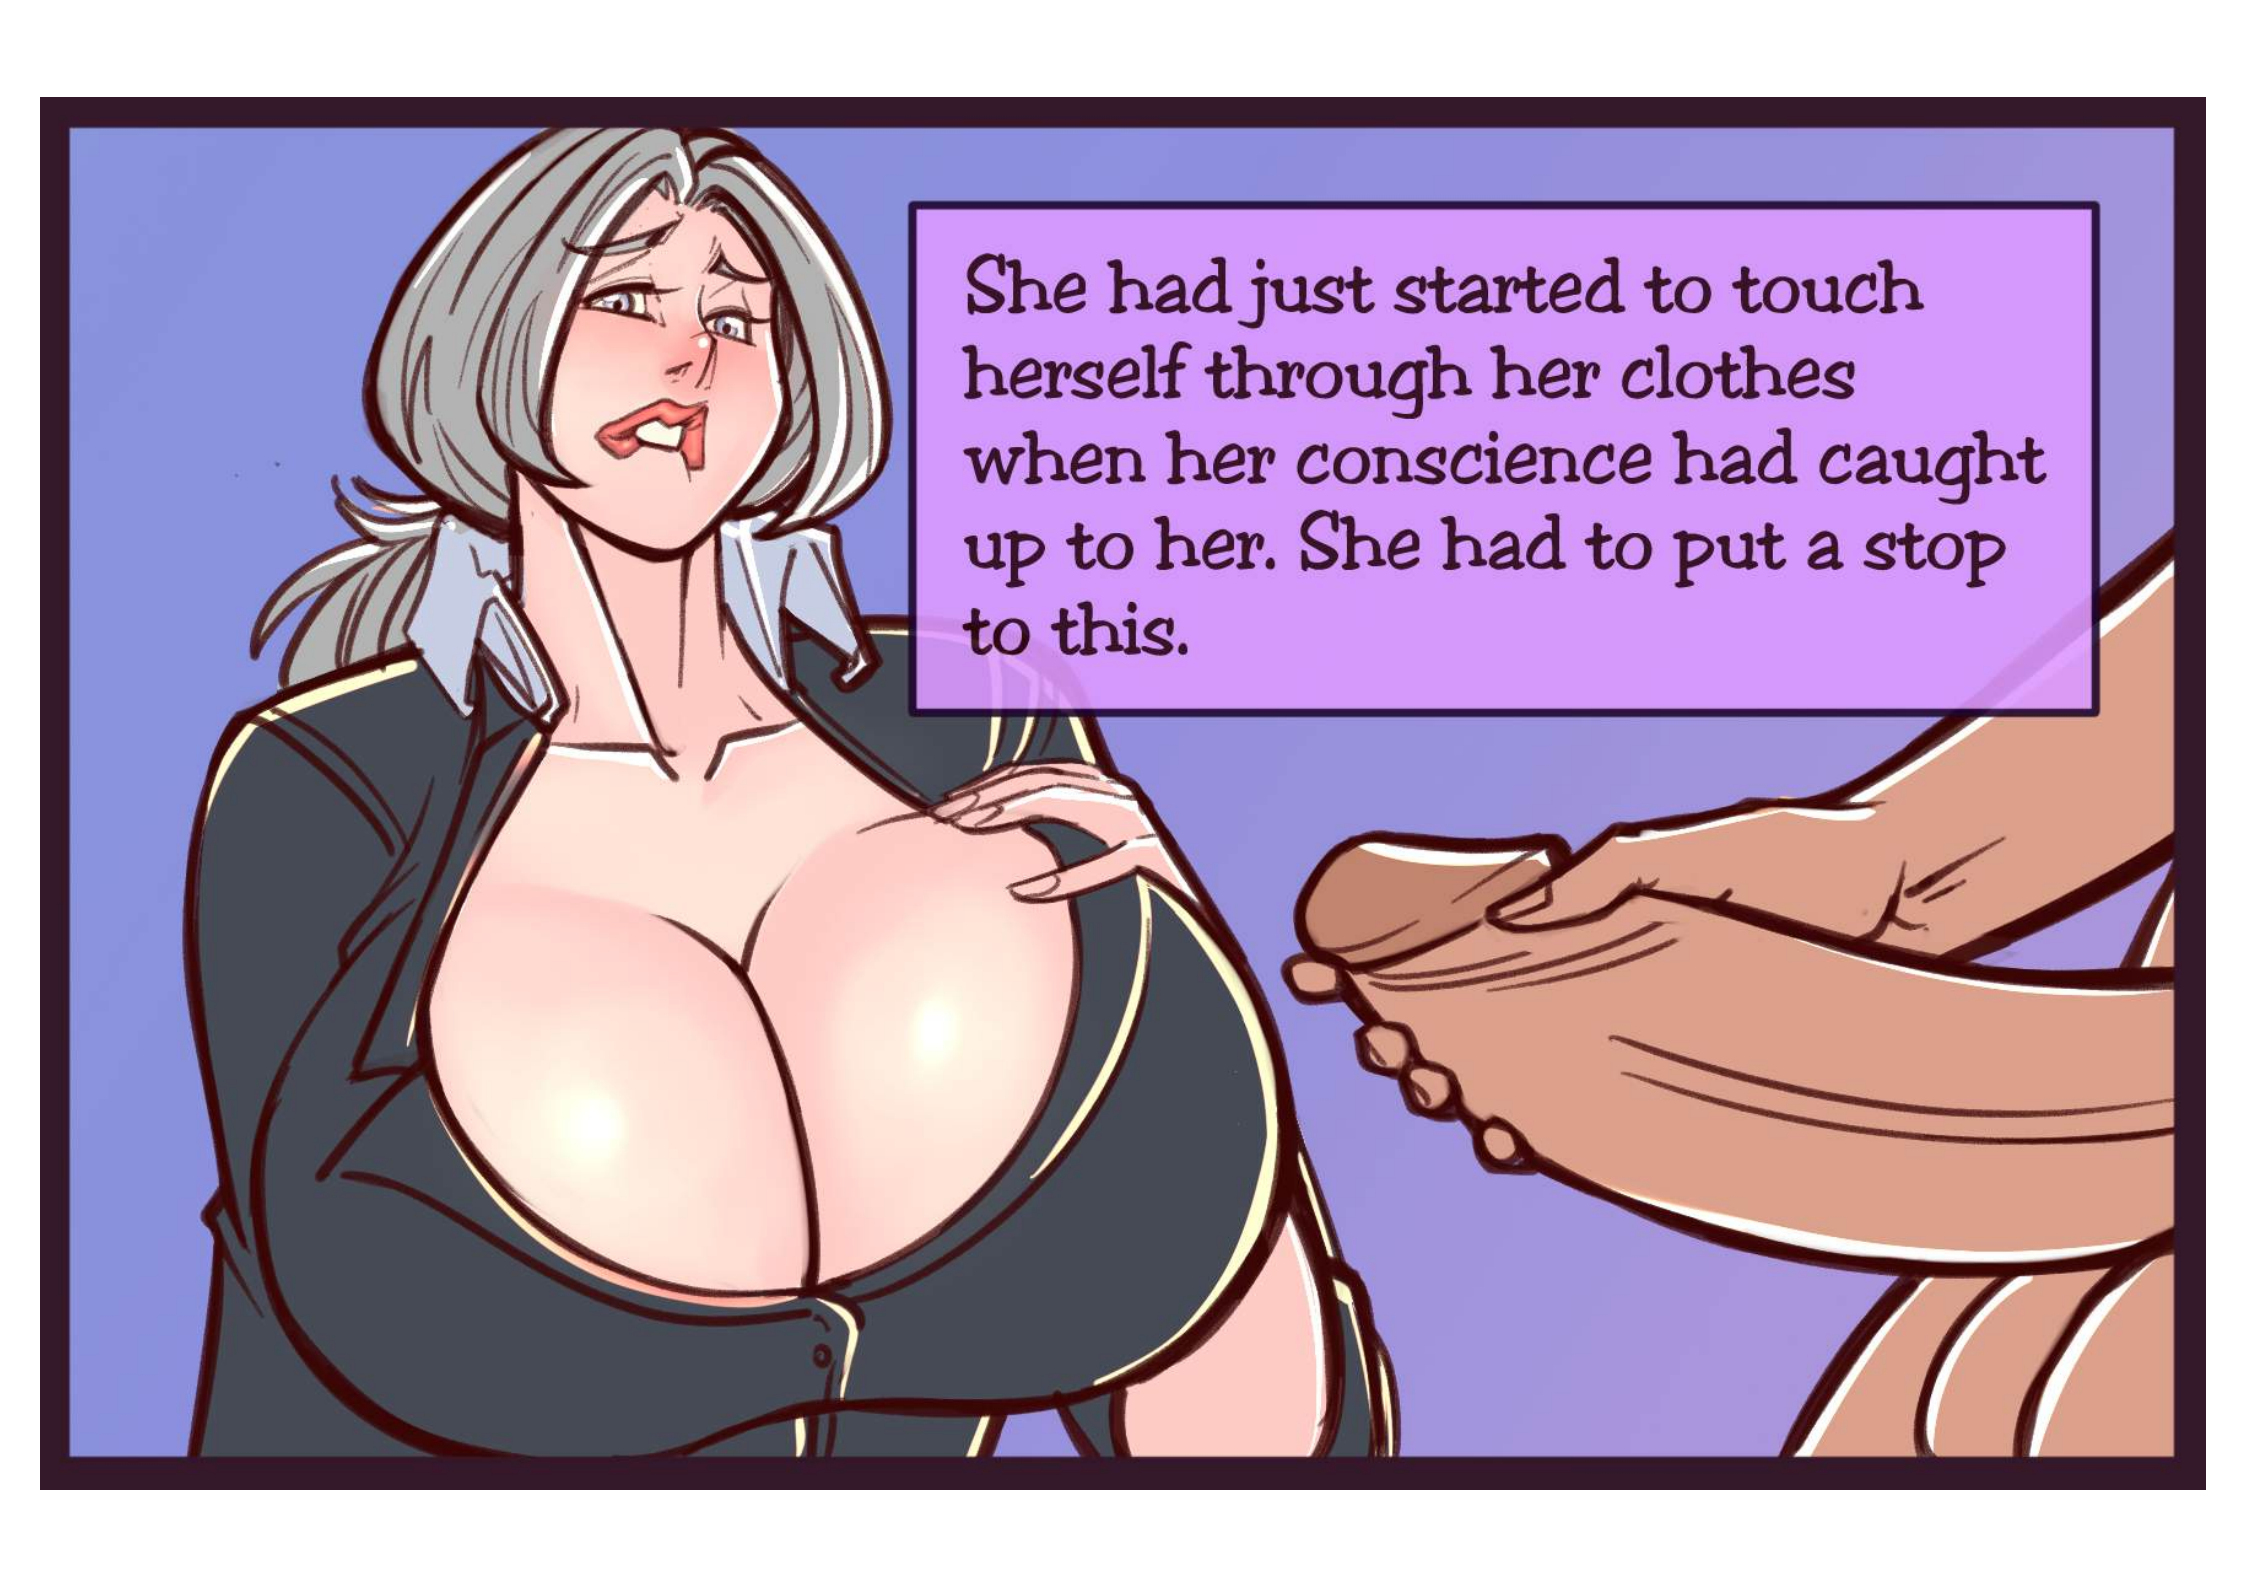

She felt a tingle between her legs that had seemed to grow unfamiliar to her.

As I began to moan, she imagined me letting her suck on that dick and letting my cum fly all over her face.

Ms. Gerard was a wild woman, she just loved to let the men take control and she loved to be the dirtiest slut she possibly could.

She had just started to touch herself through her clothes when her conscience had caught up to her. She had to put a stop to this.
