CHAPTER 02

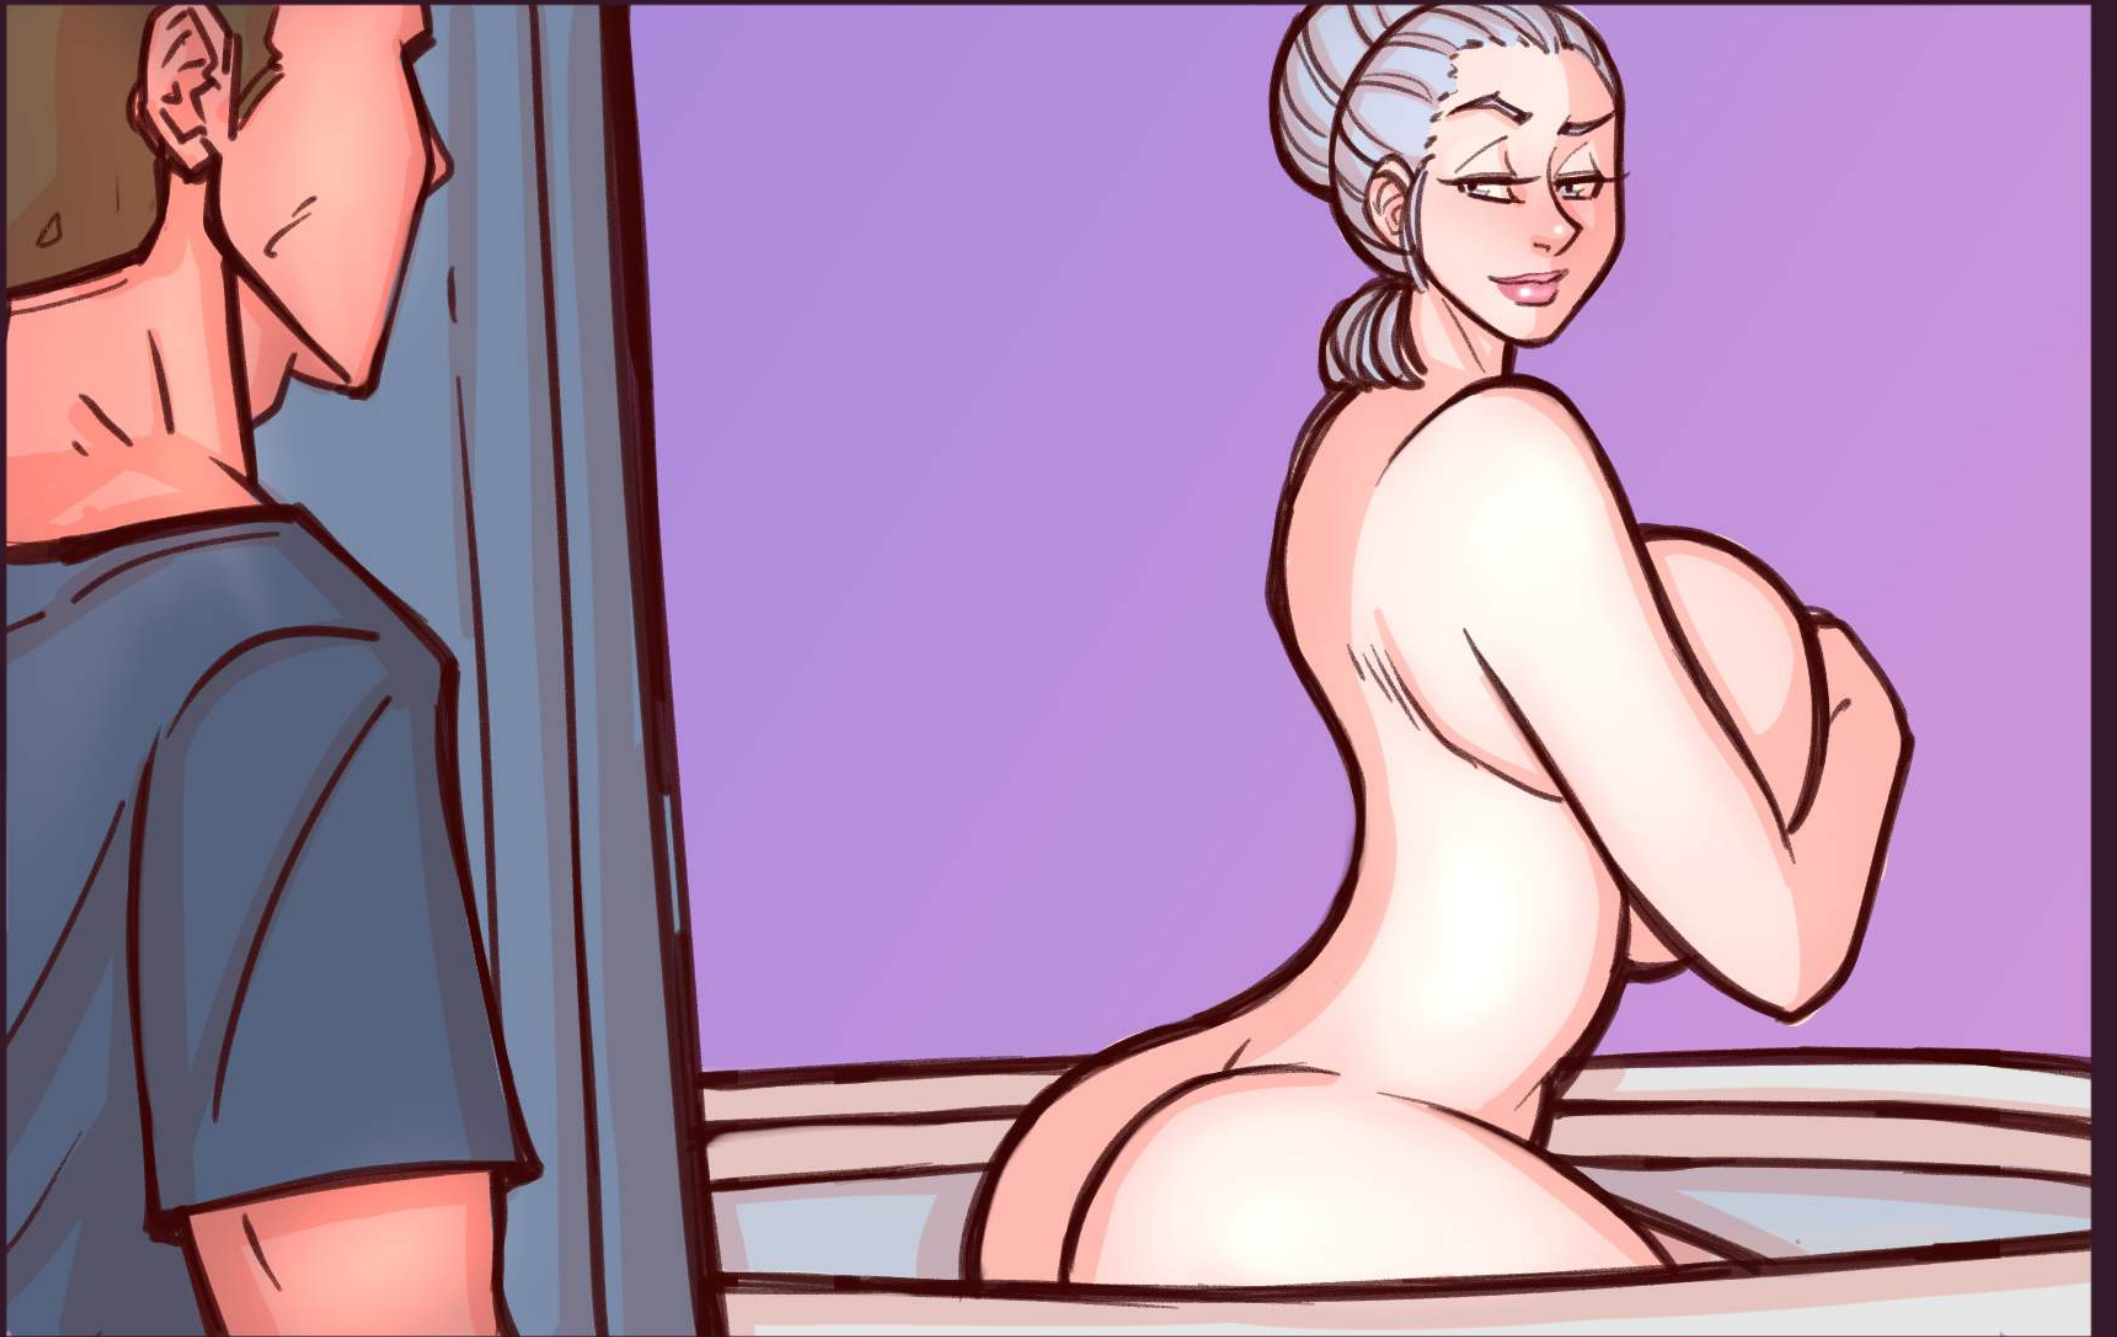

"Could you just wash my back
for me please?"

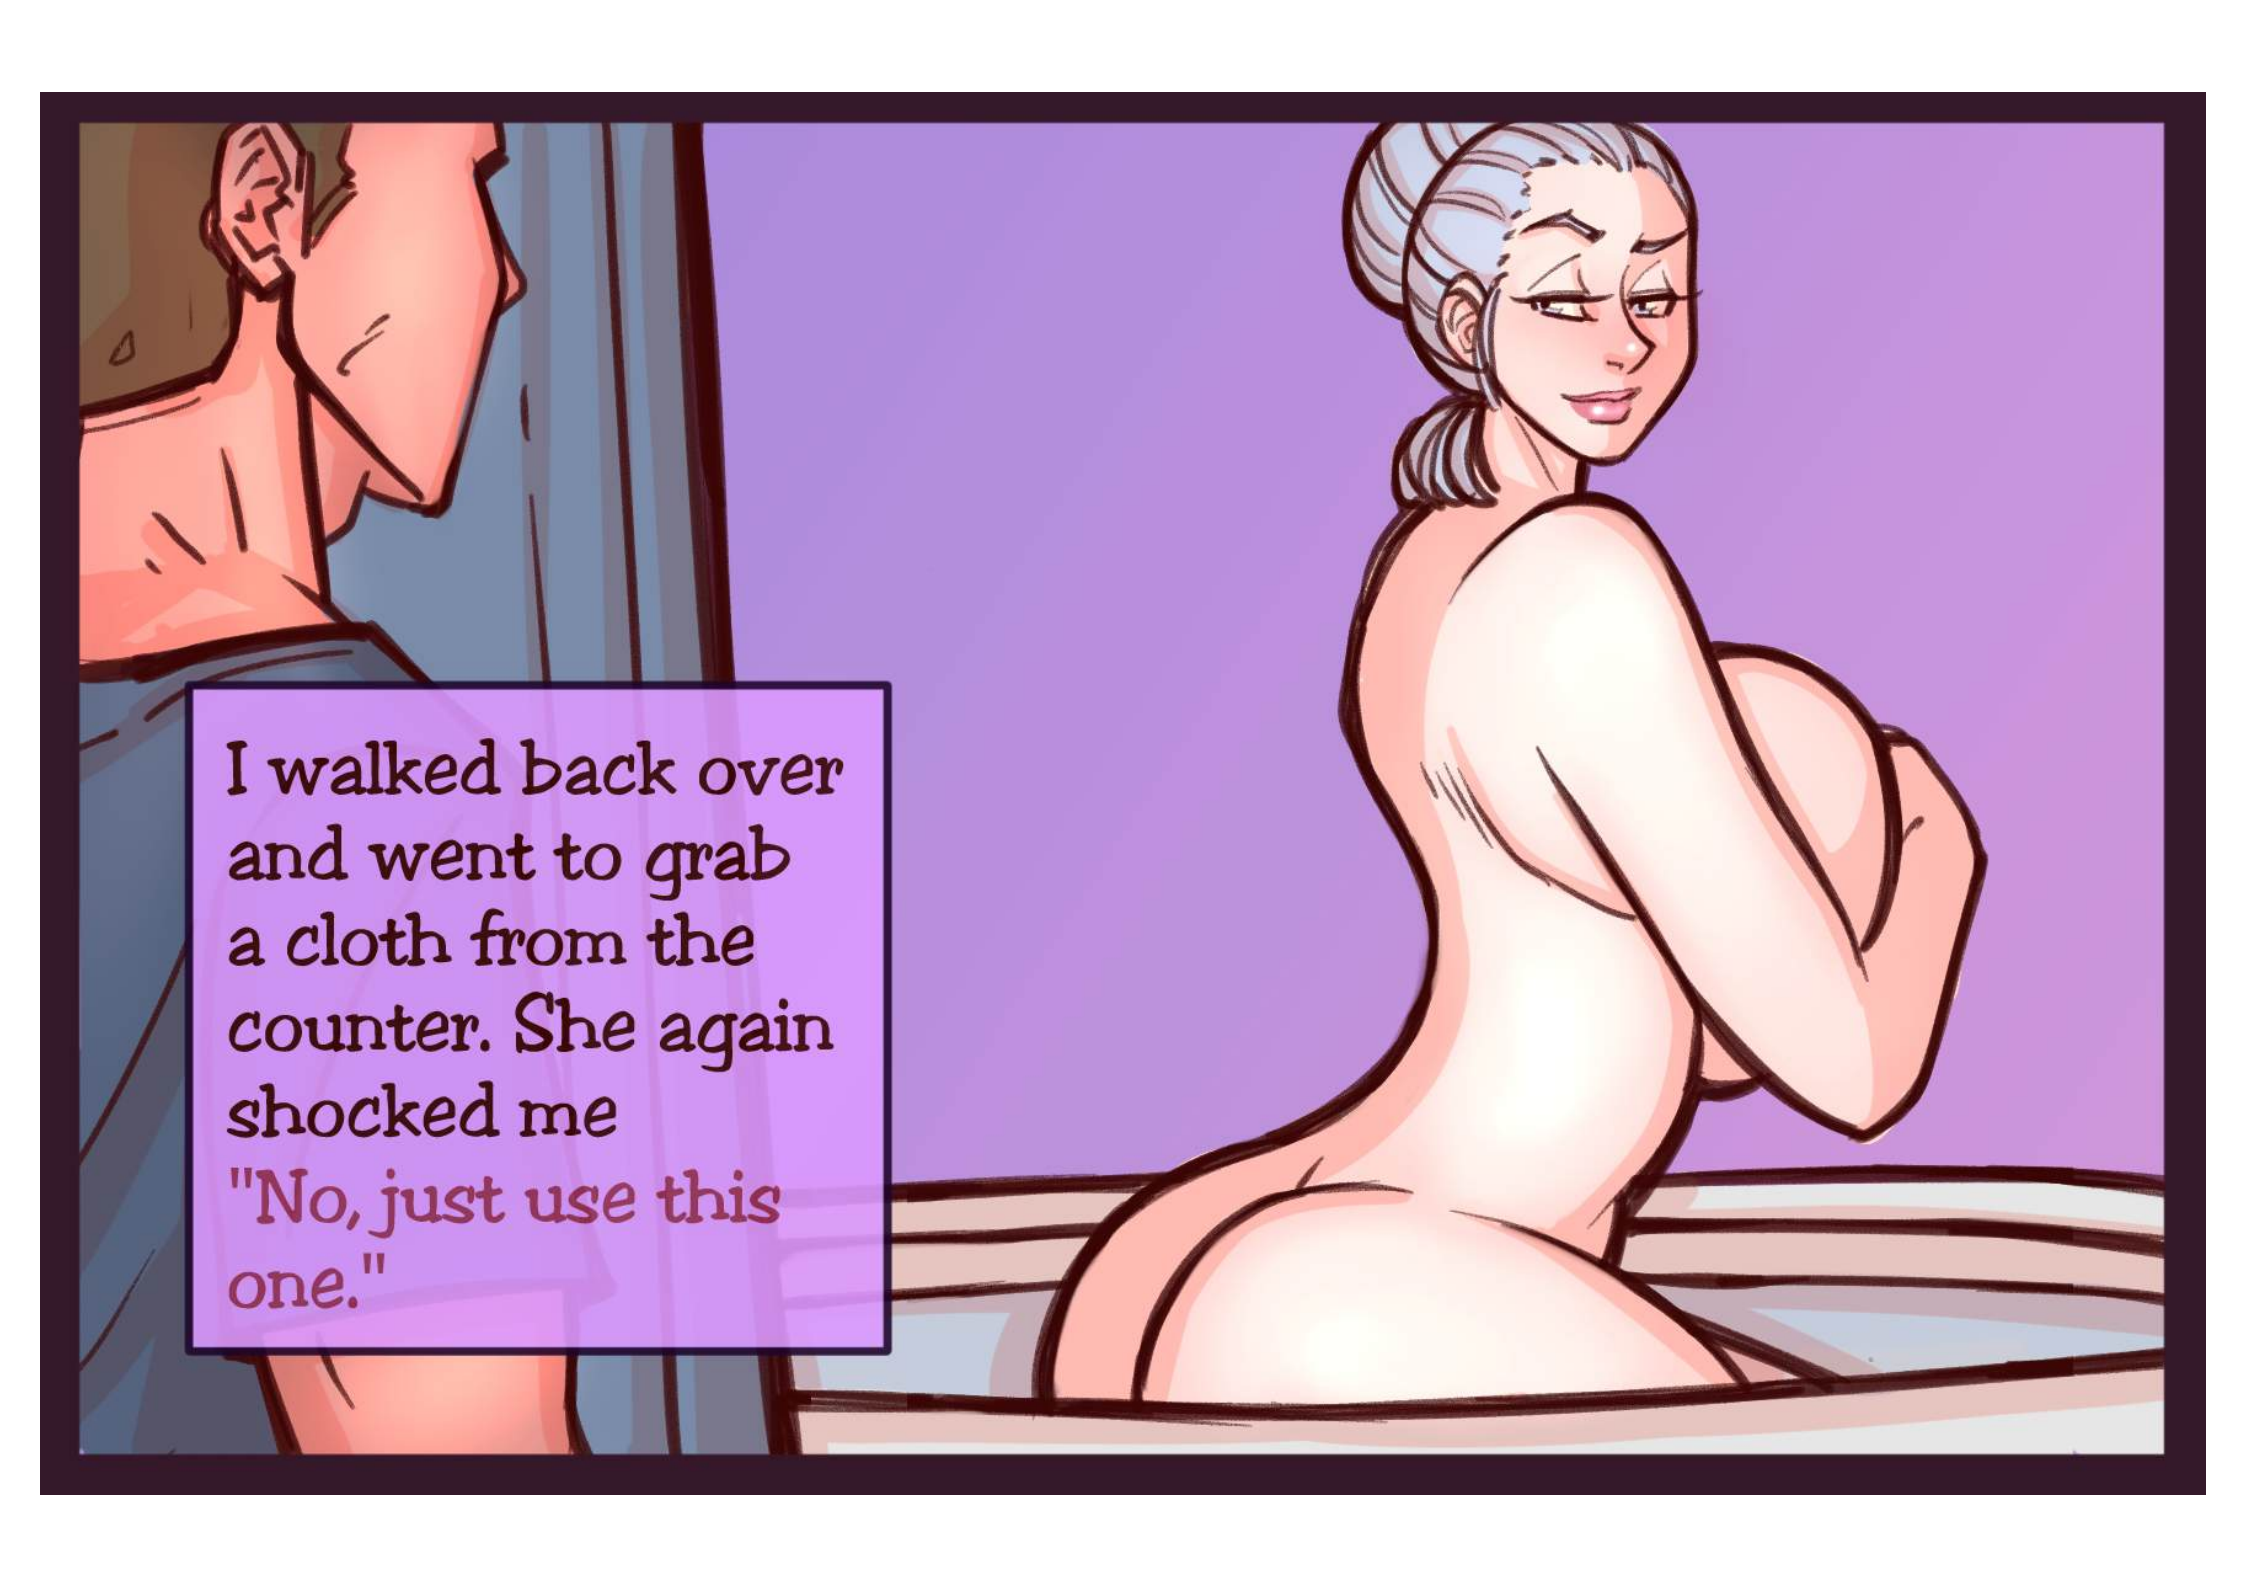

I stopped and could feel
my cock do a little jump
in my pants.

"Really?"

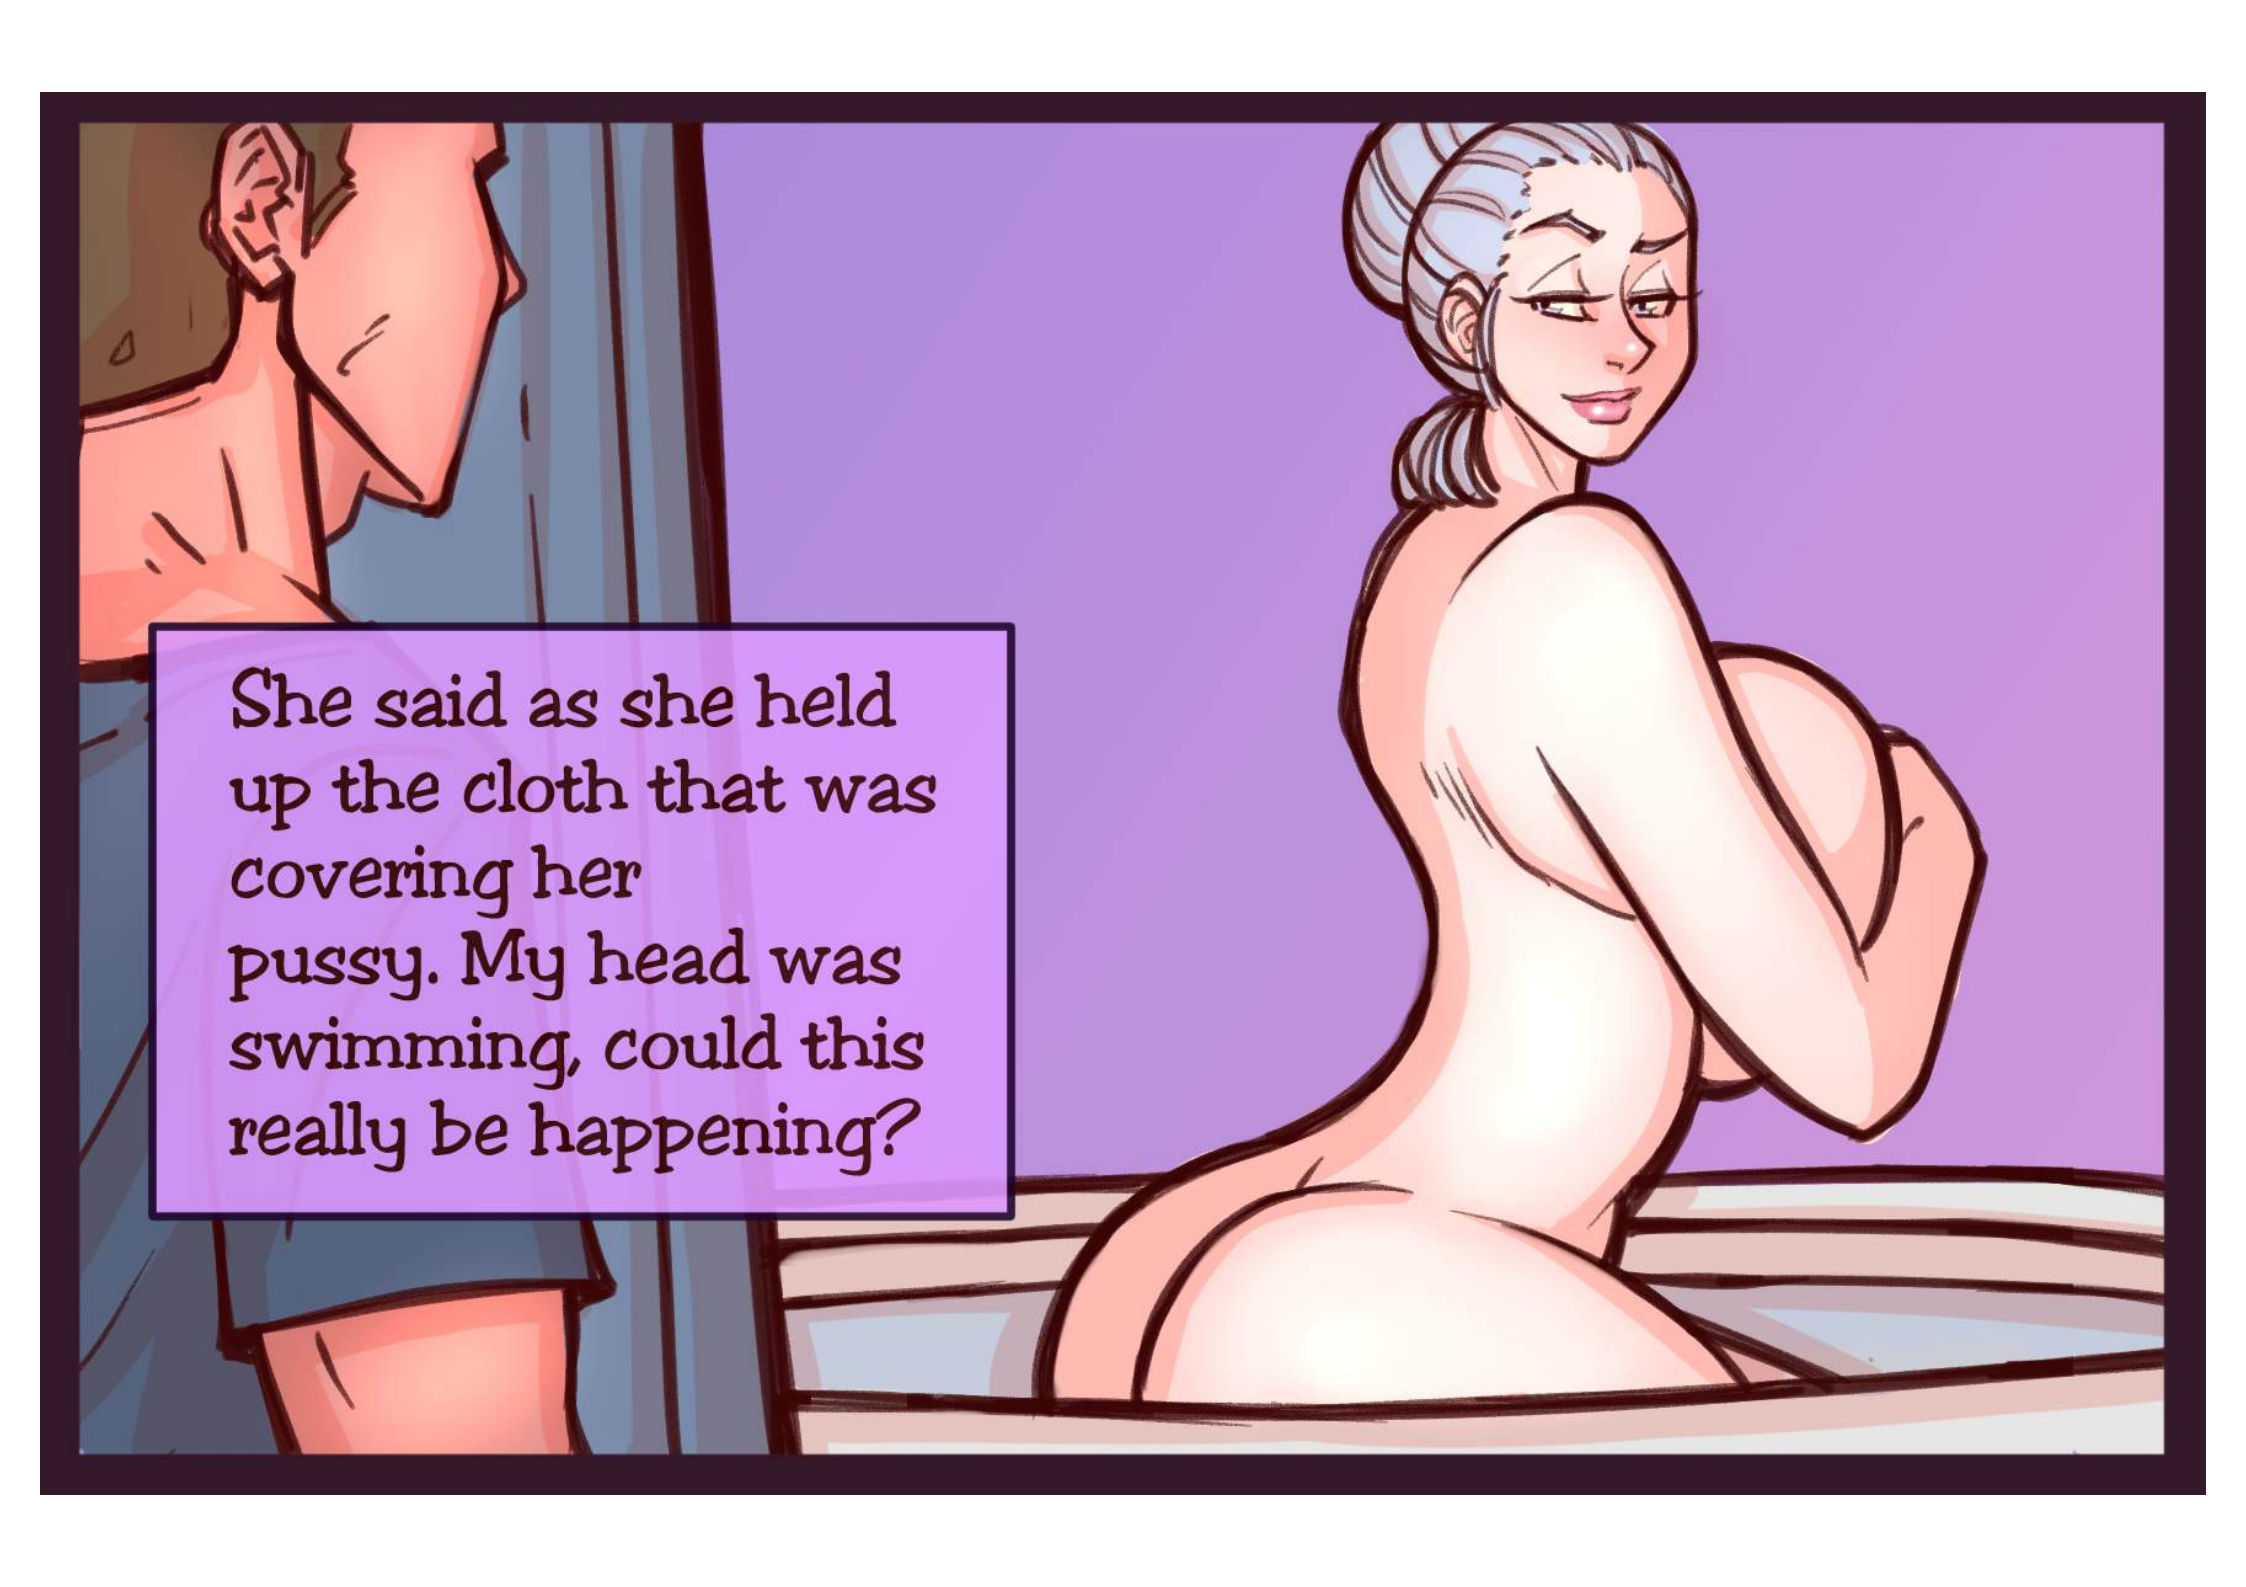

I said trying not to sound
too excited.

"It will only take a second."
She responded.
And then she squatted in the tub...

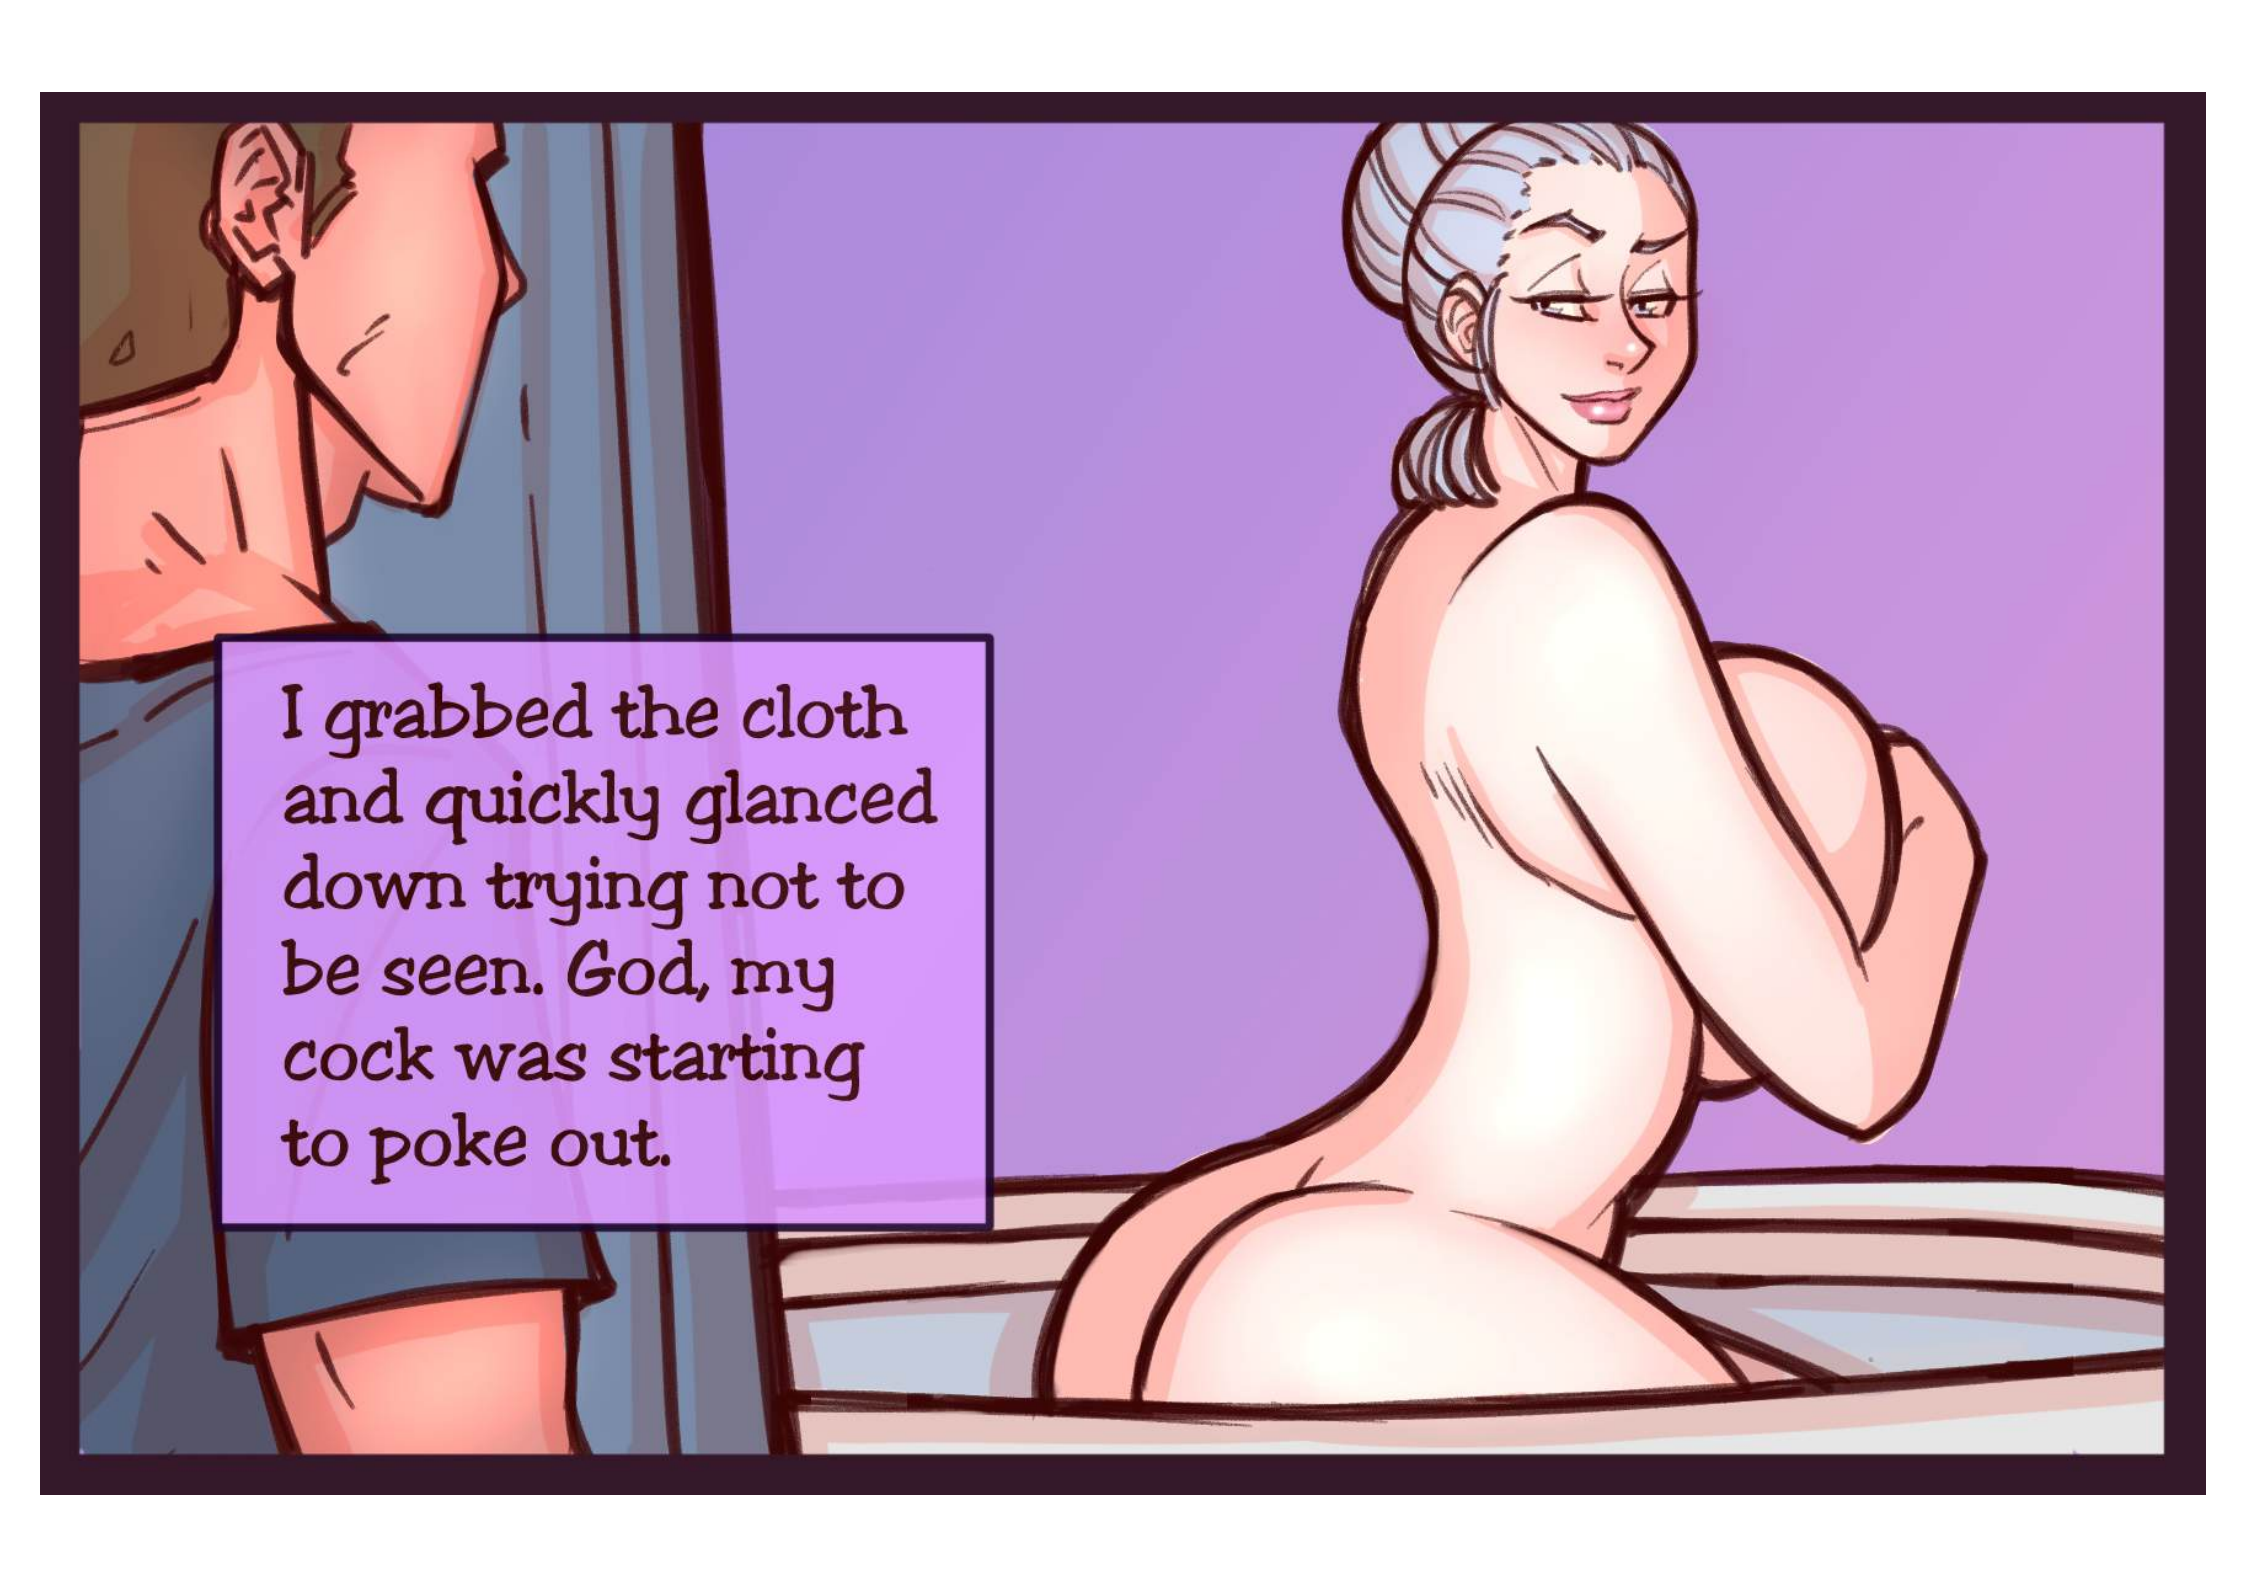

I walked back over
and went to grab
a cloth from the
counter. She again
shocked me
"No, just use this
one."

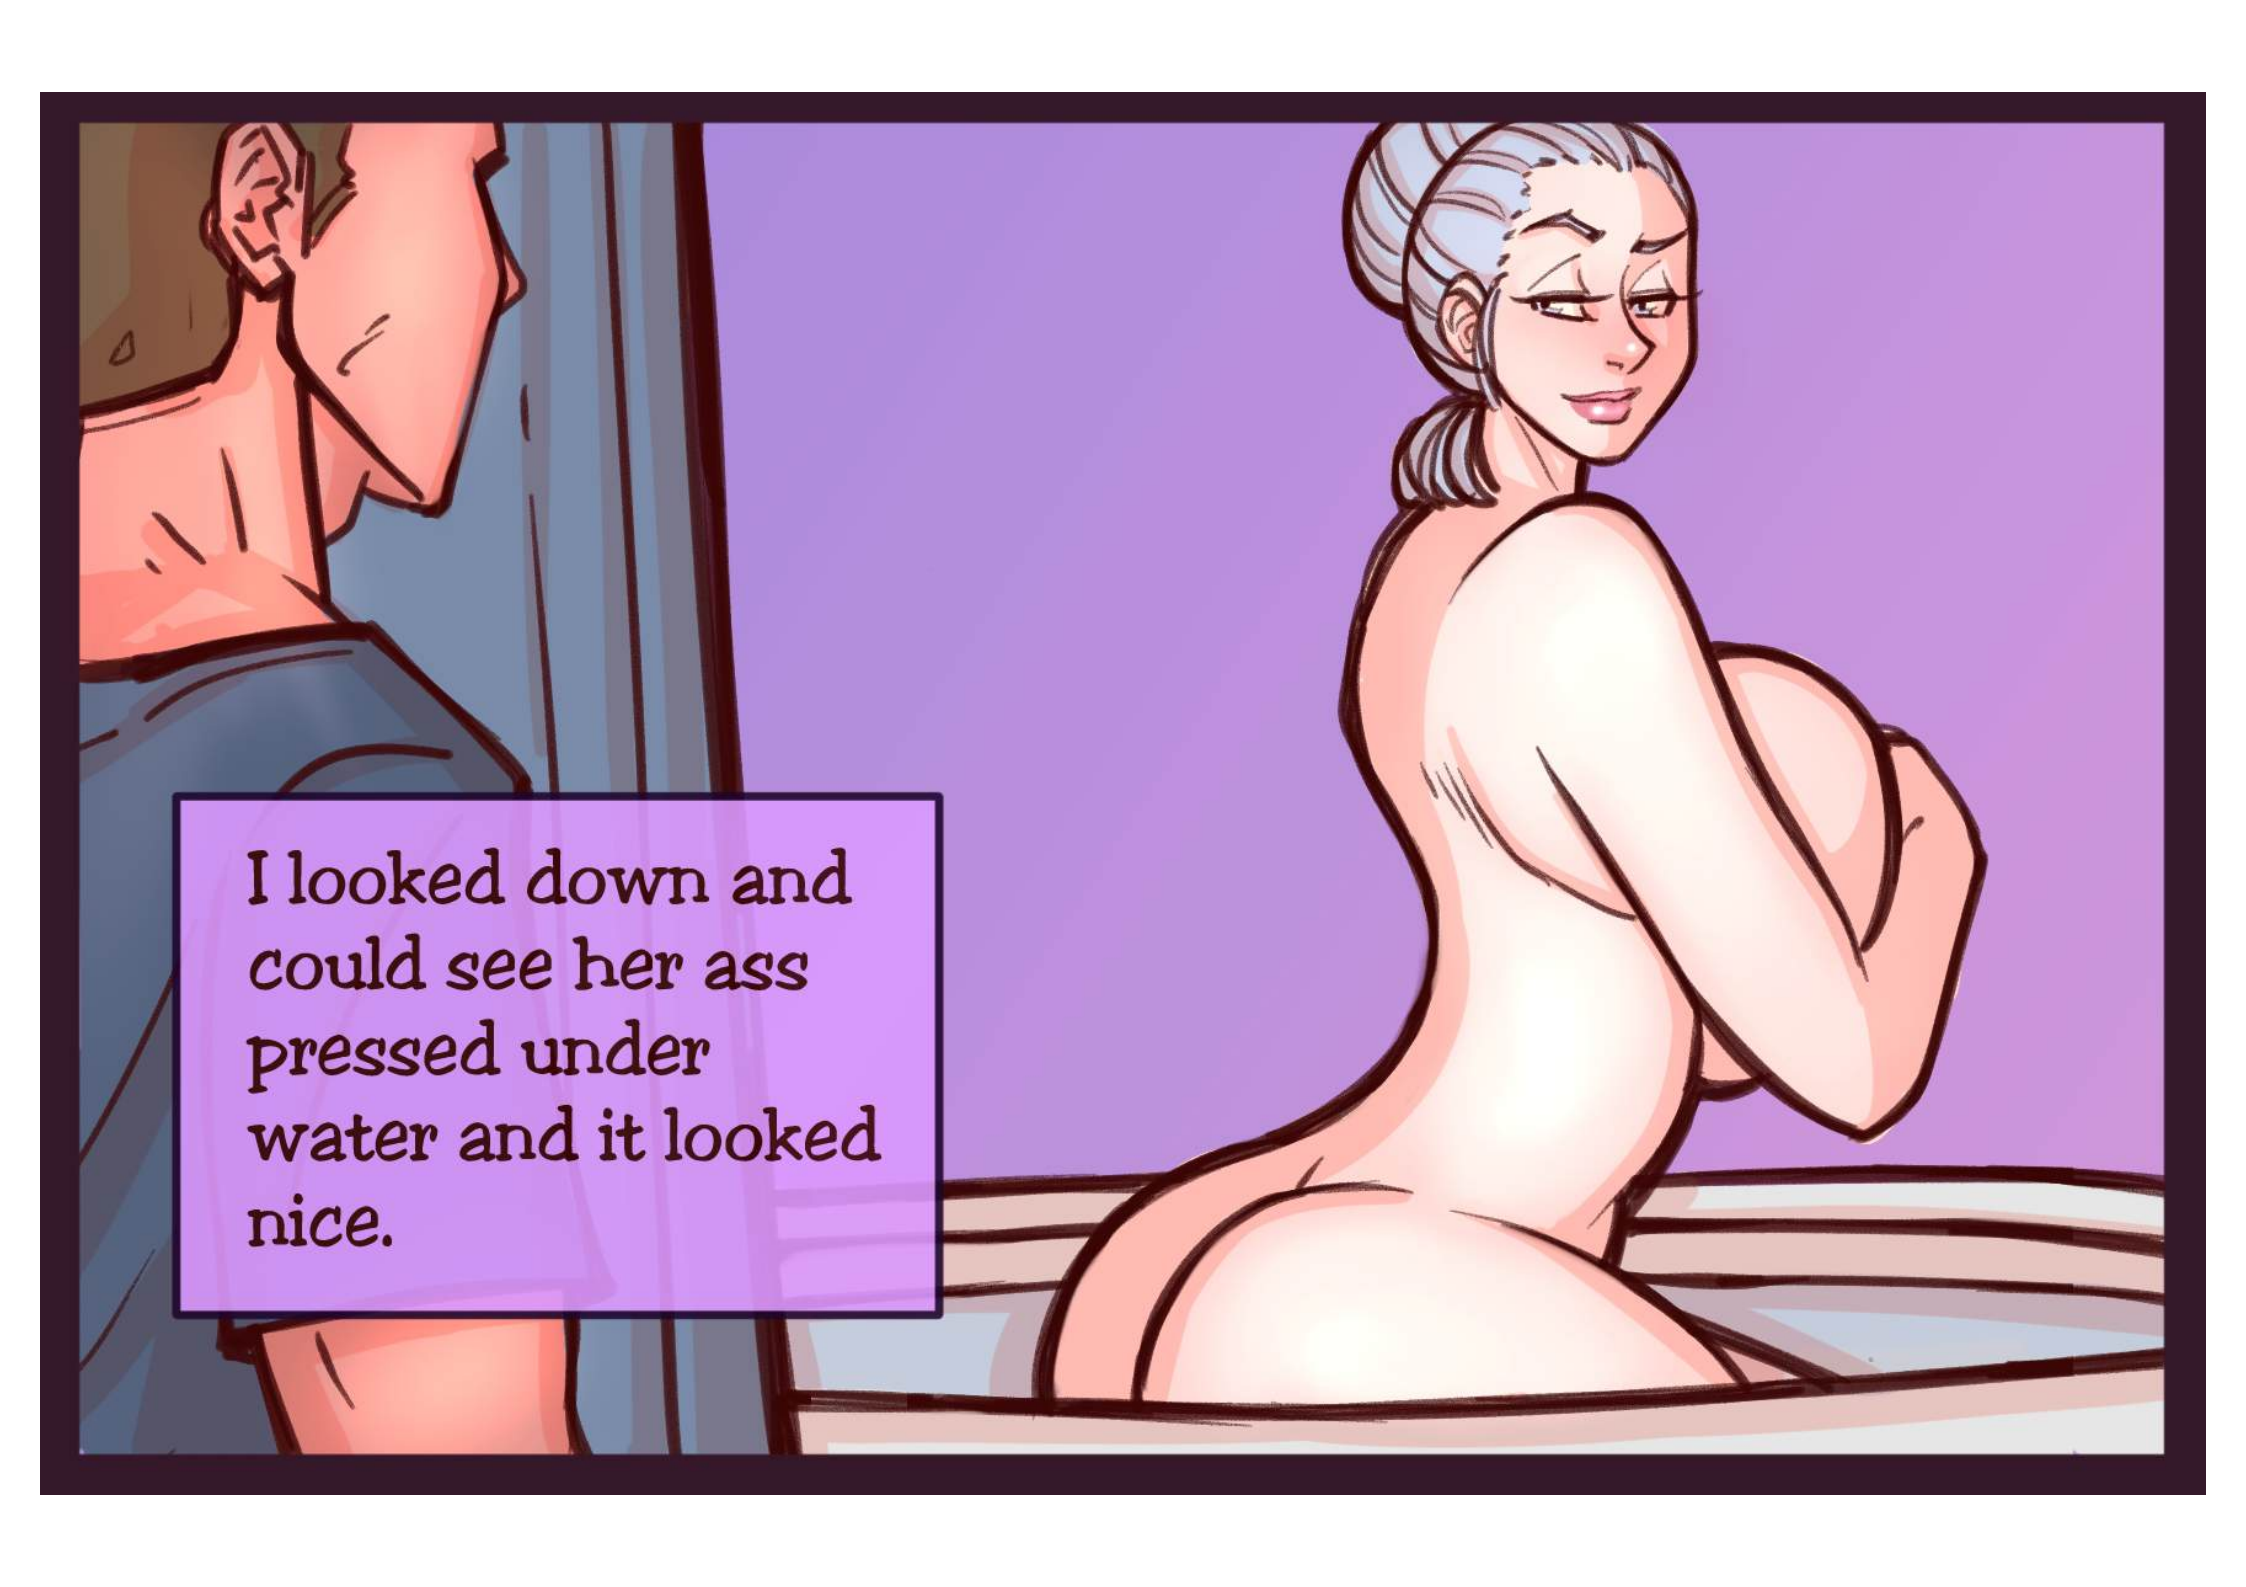

She said as she held up the cloth that was covering her pussy. My head was swimming, could this really be happening?

A comic book panel with a purple background. On the right, a woman with blonde hair in a bun is shown from the back, sitting in a bathtub. She is looking over her shoulder with a slight smile. On the left, a man's profile is visible, looking towards the woman. A purple speech bubble is positioned in the center-left of the panel.

I grabbed the cloth and quickly glanced down trying not to be seen. God, my cock was starting to poke out.

A comic book panel with a purple background. On the right, a woman with blonde hair in a bun is sitting in a bathtub, looking back over her shoulder with a slight smile. On the left, a man's profile is visible, looking towards the woman. A purple text box is overlaid on the scene.

I went behind Sophie
and slowly began
washing her back.

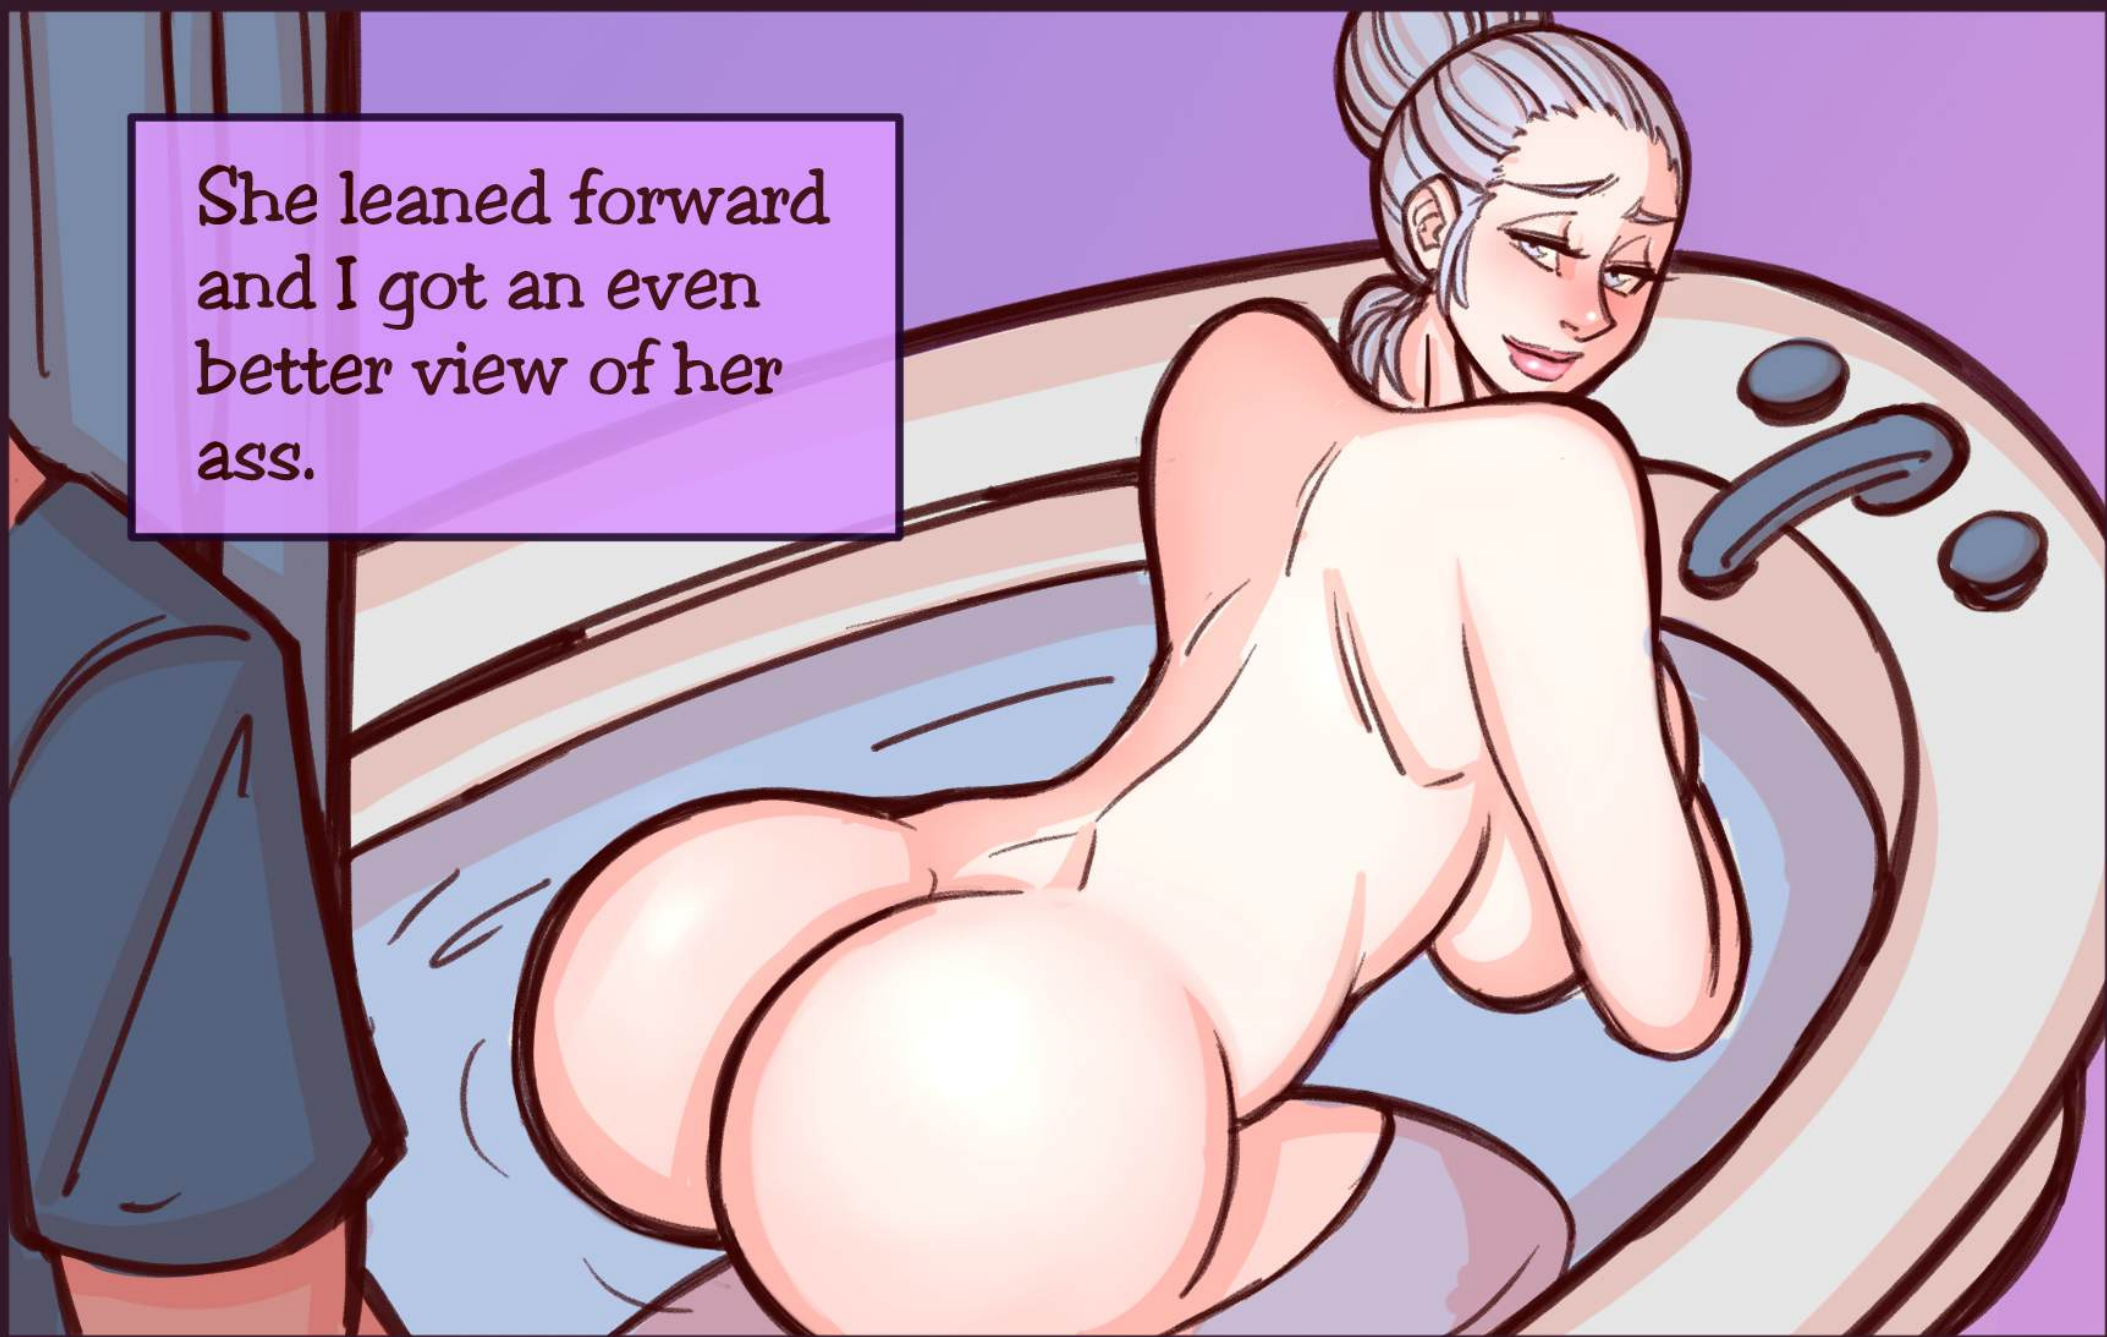

A comic book panel with a purple background. On the right, a woman with blonde hair in a bun is shown from the waist up, sitting in a bathtub. She is looking back over her shoulder with a slight smile. On the left, a man's profile is visible, looking towards the woman. A purple text box is overlaid on the left side of the panel.

I looked down and
could see her ass
pressed under
water and it looked
nice.

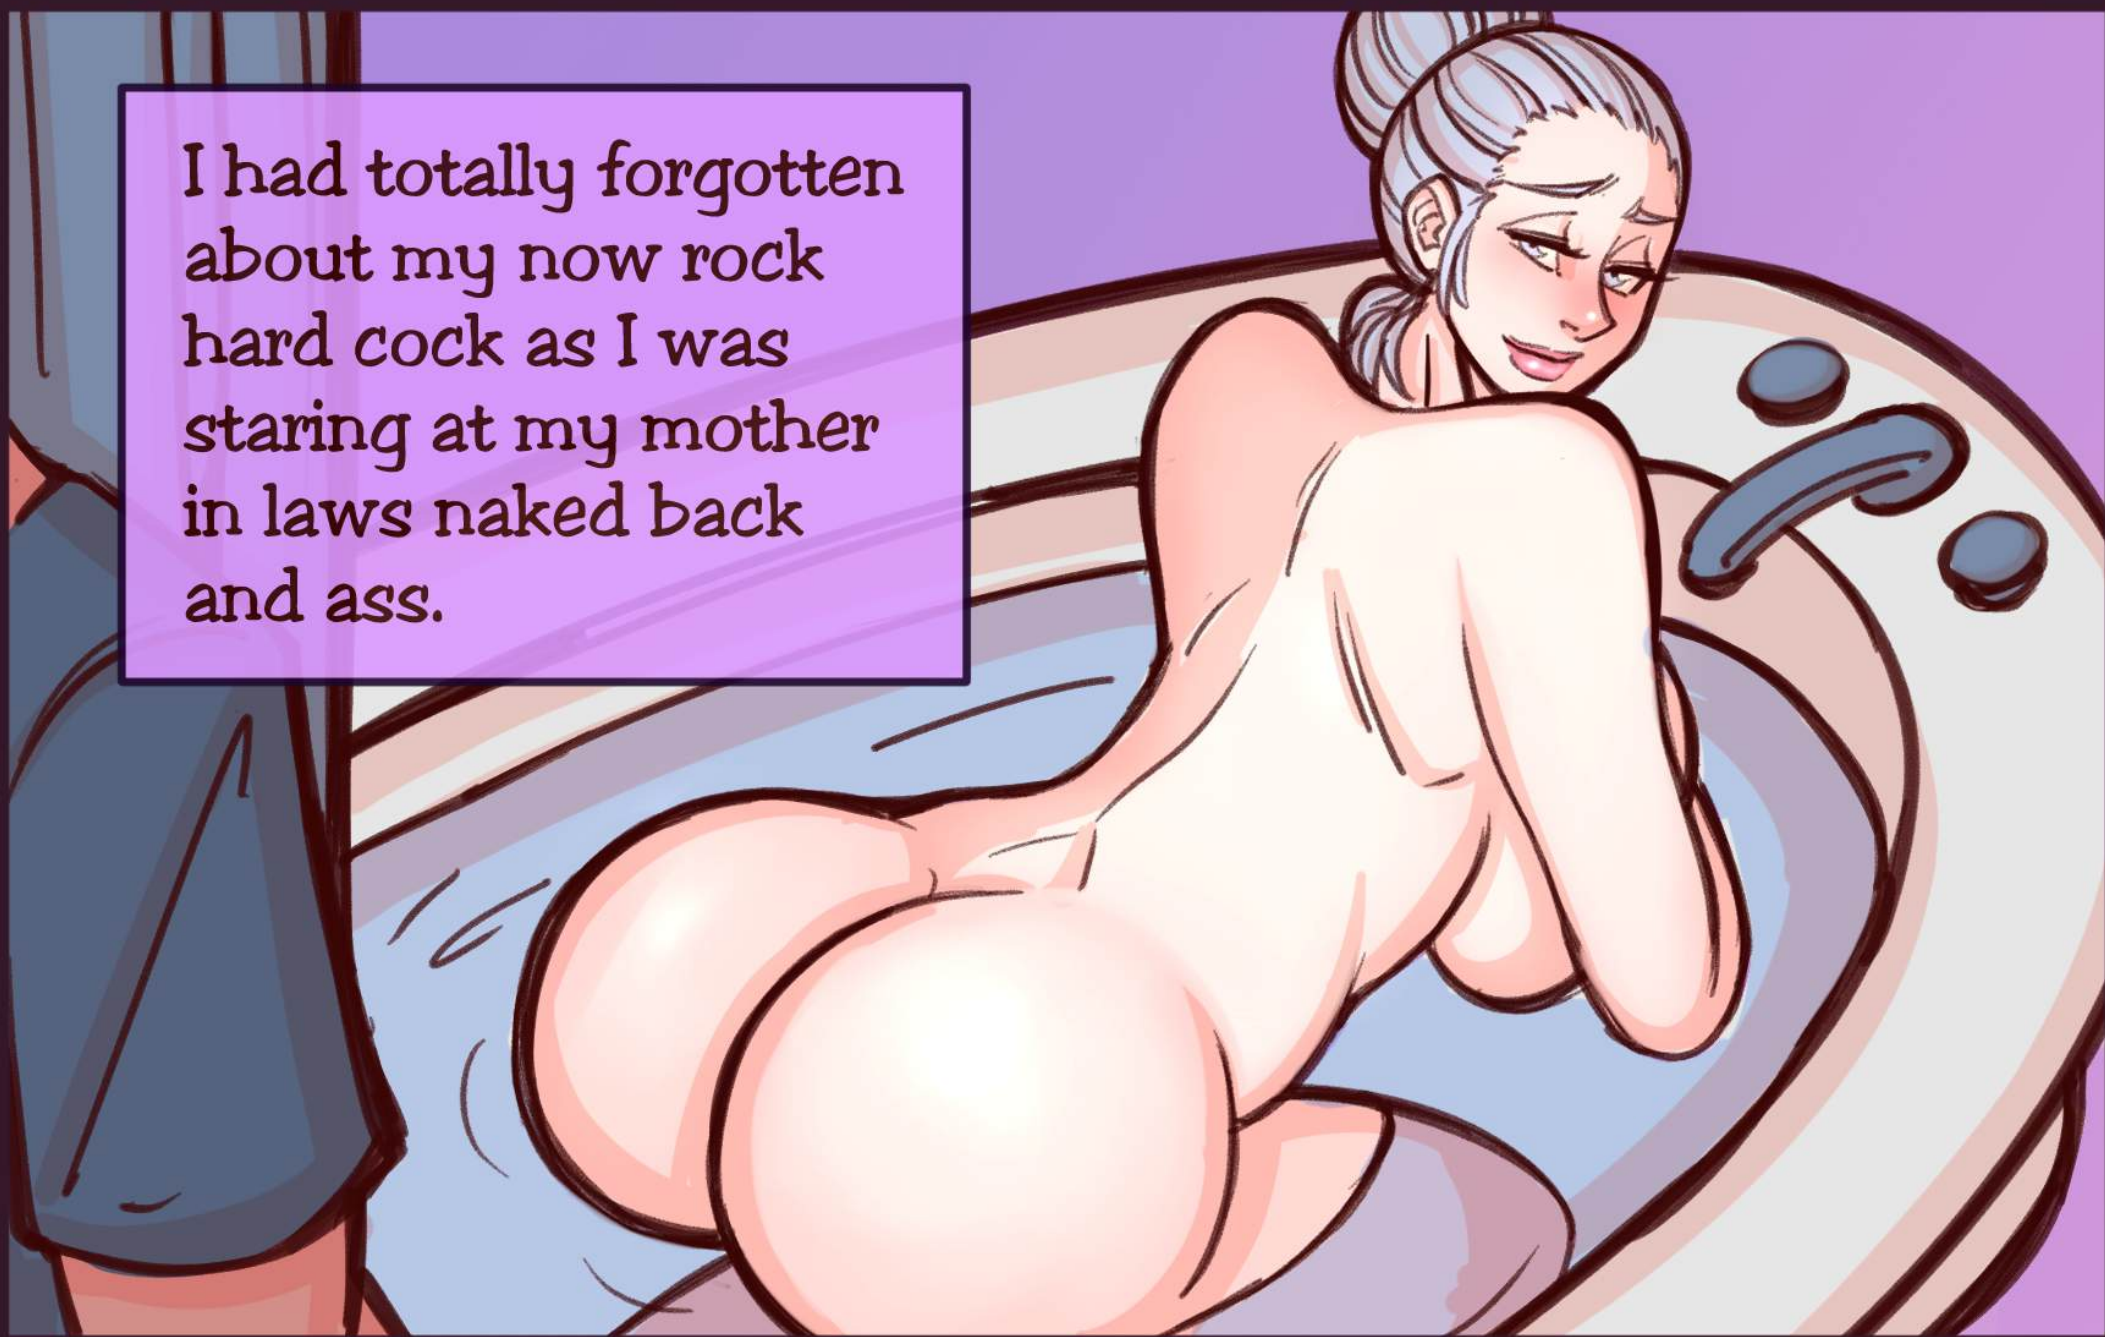

Sophie spoke up:
"A little lower."

She leaned forward
and I got an even
better view of her
ass.

I had totally forgotten about my now rock hard cock as I was staring at my mother in laws naked back and ass.

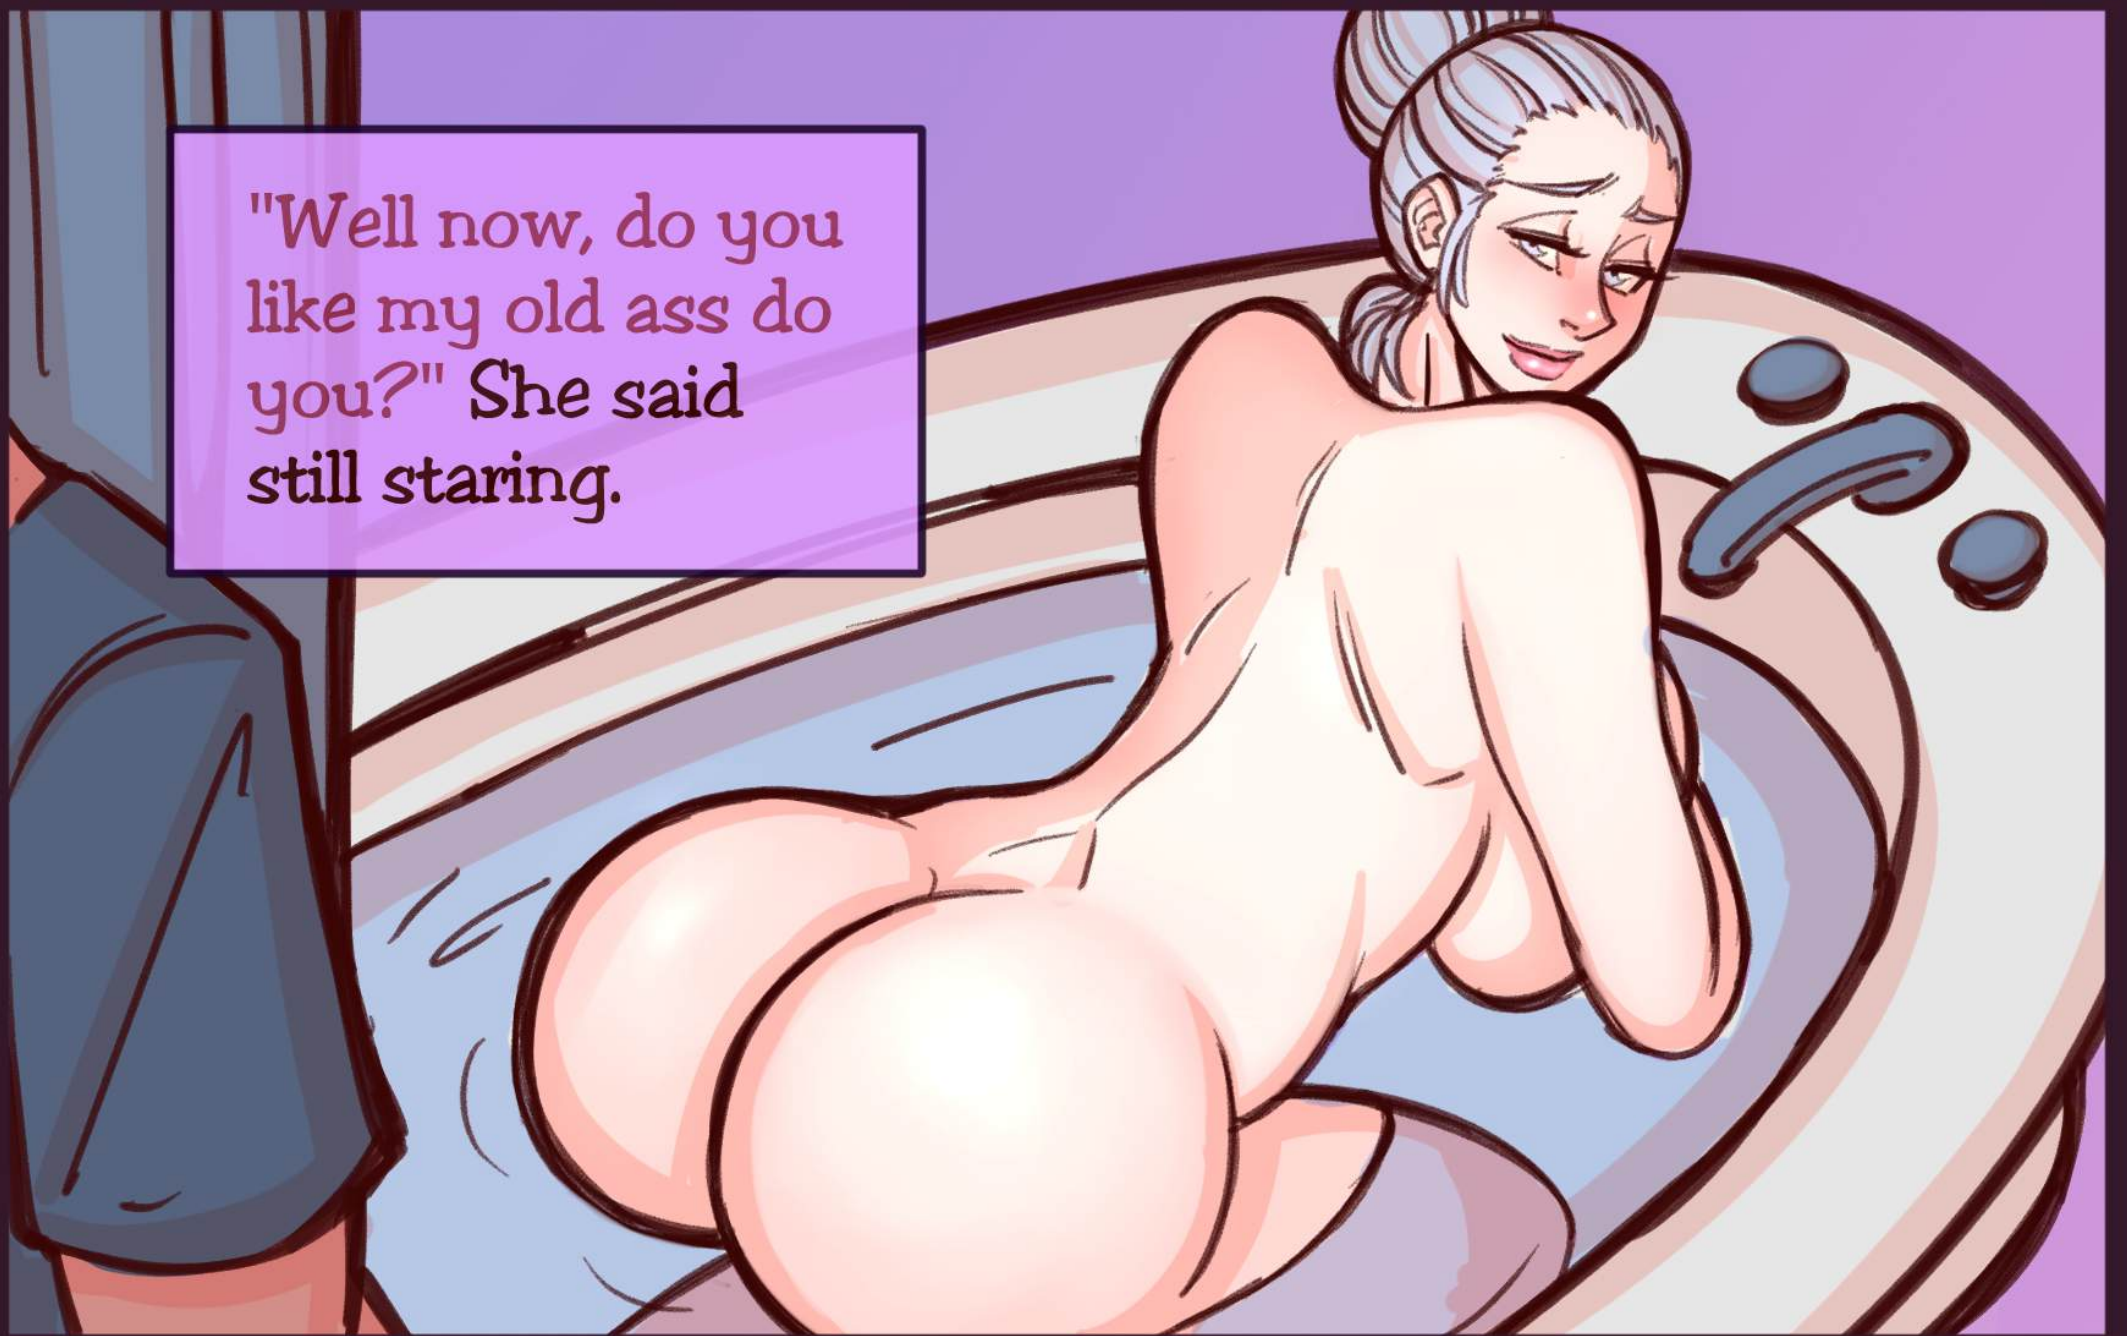

I was snapped back
in as Sophie leaned
back and said thank
you.

I didn't want it to stop, and then I noticed Sophie was staring at my cock.

"Well now, do you like my old ass do you?" She said still staring.

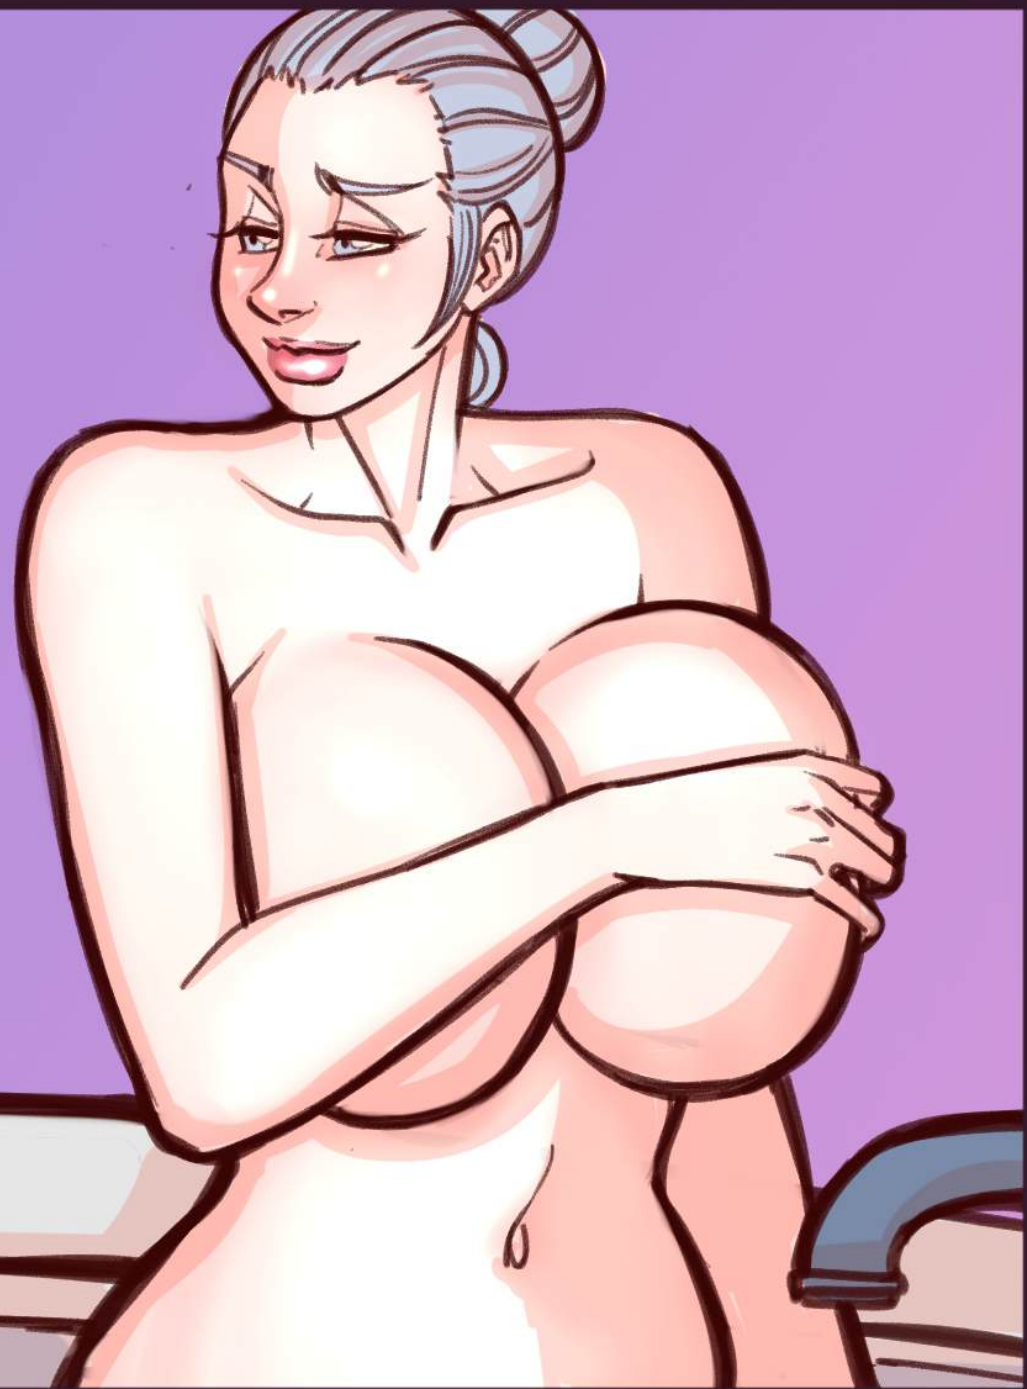

I didn't know what to say, so just nodded feeling myself getting red.

I was now staring
at the naked parts
of her breasts
poking over top
of her arm.

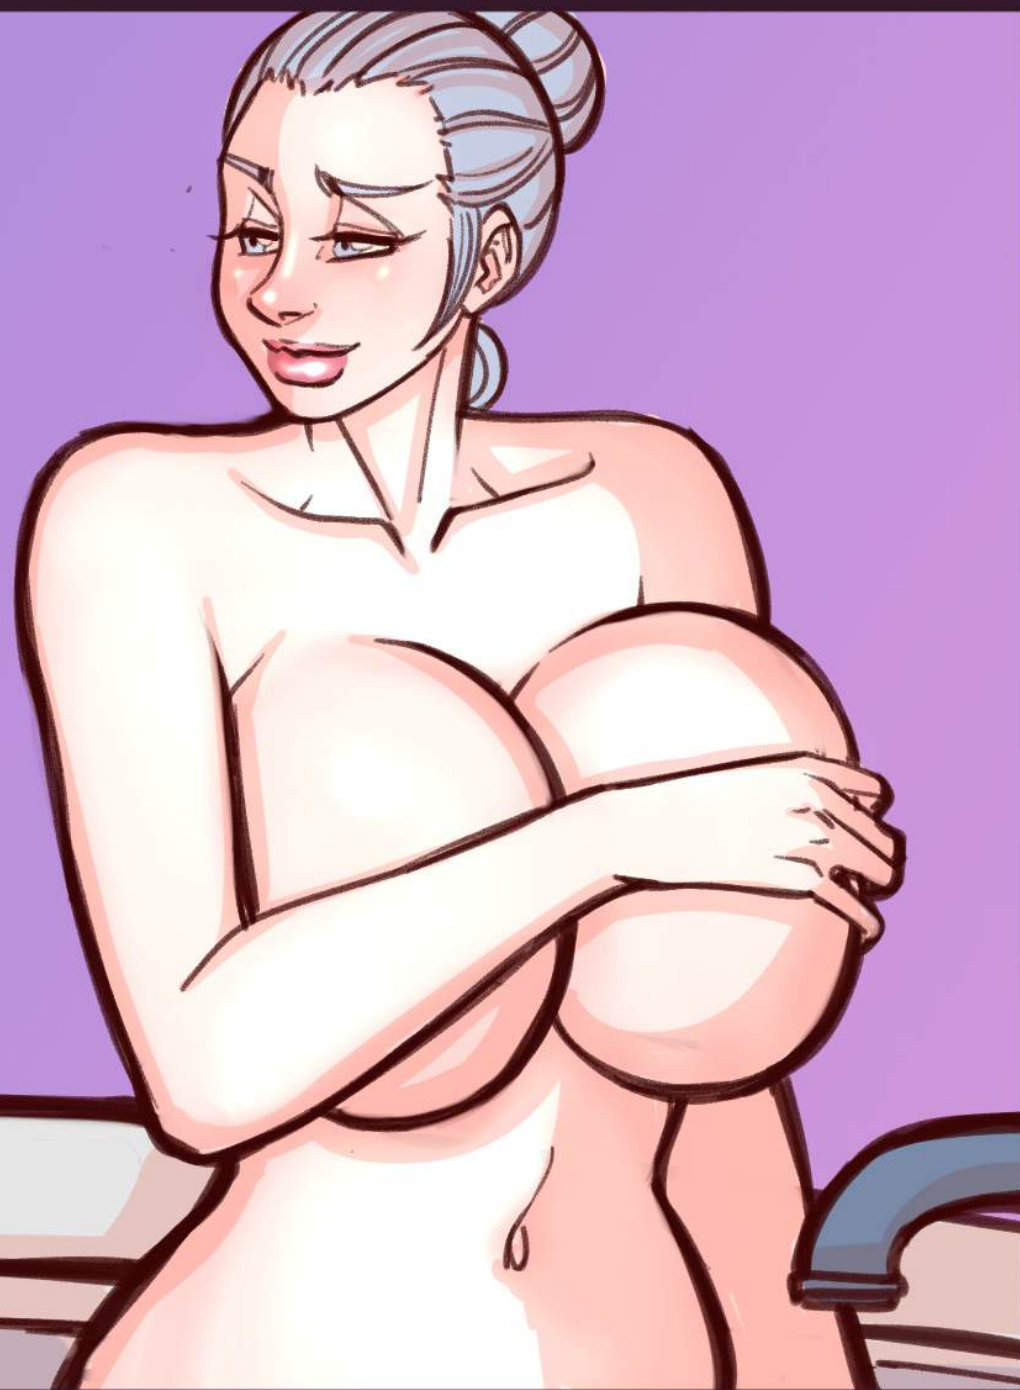

"I'll tell you what Tyler:
you let mesees that cock
of yours and you can
see these." She said,
looking at her breasts.

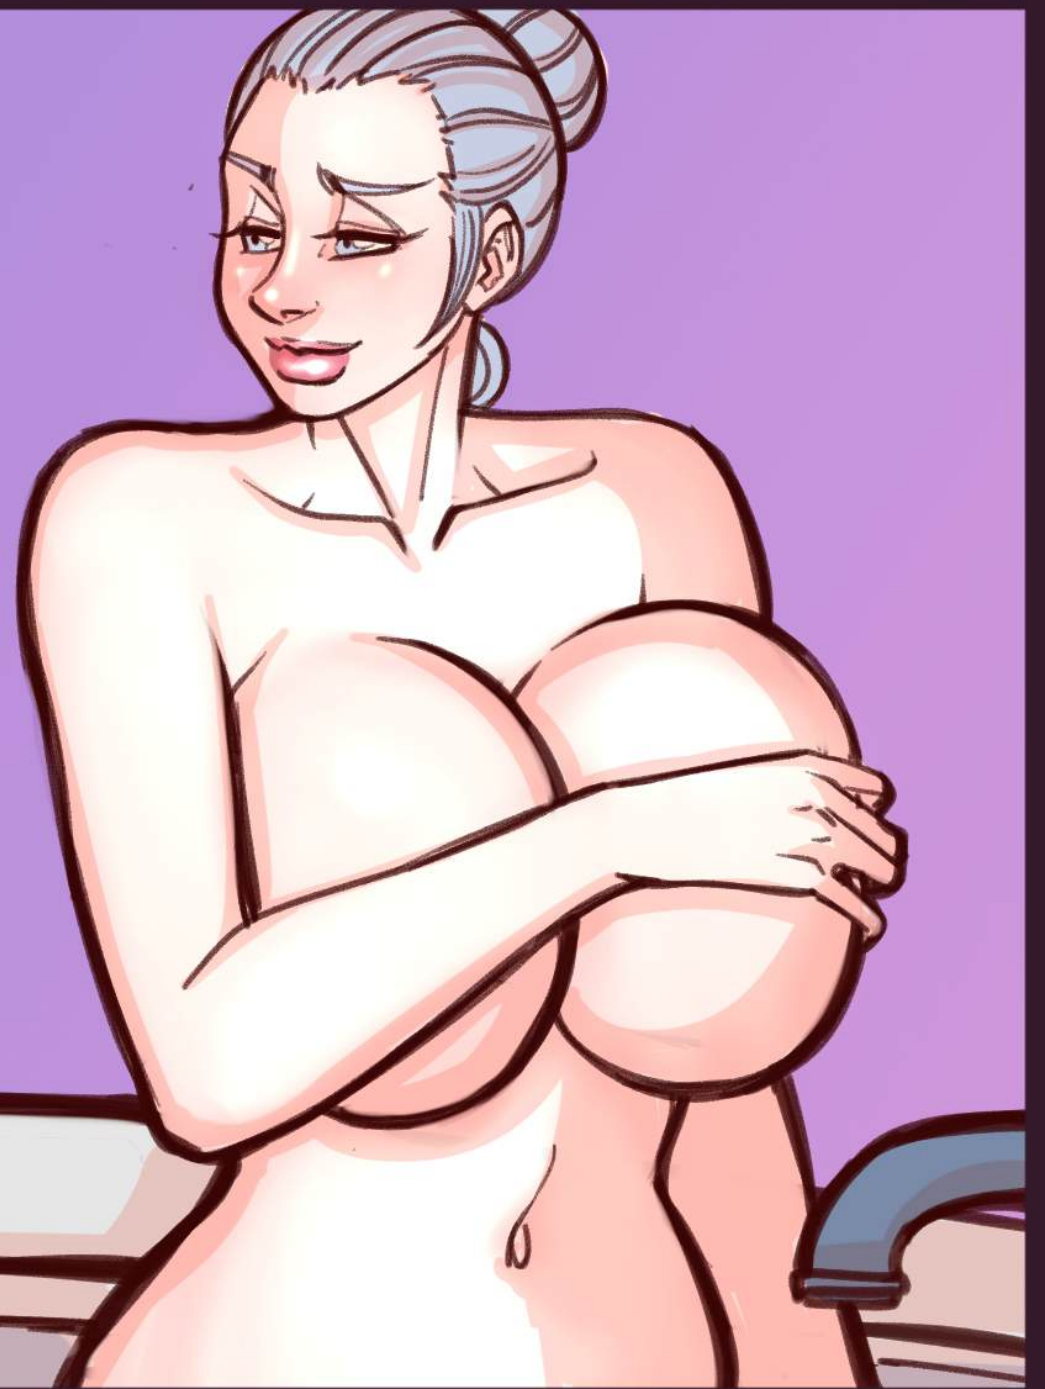

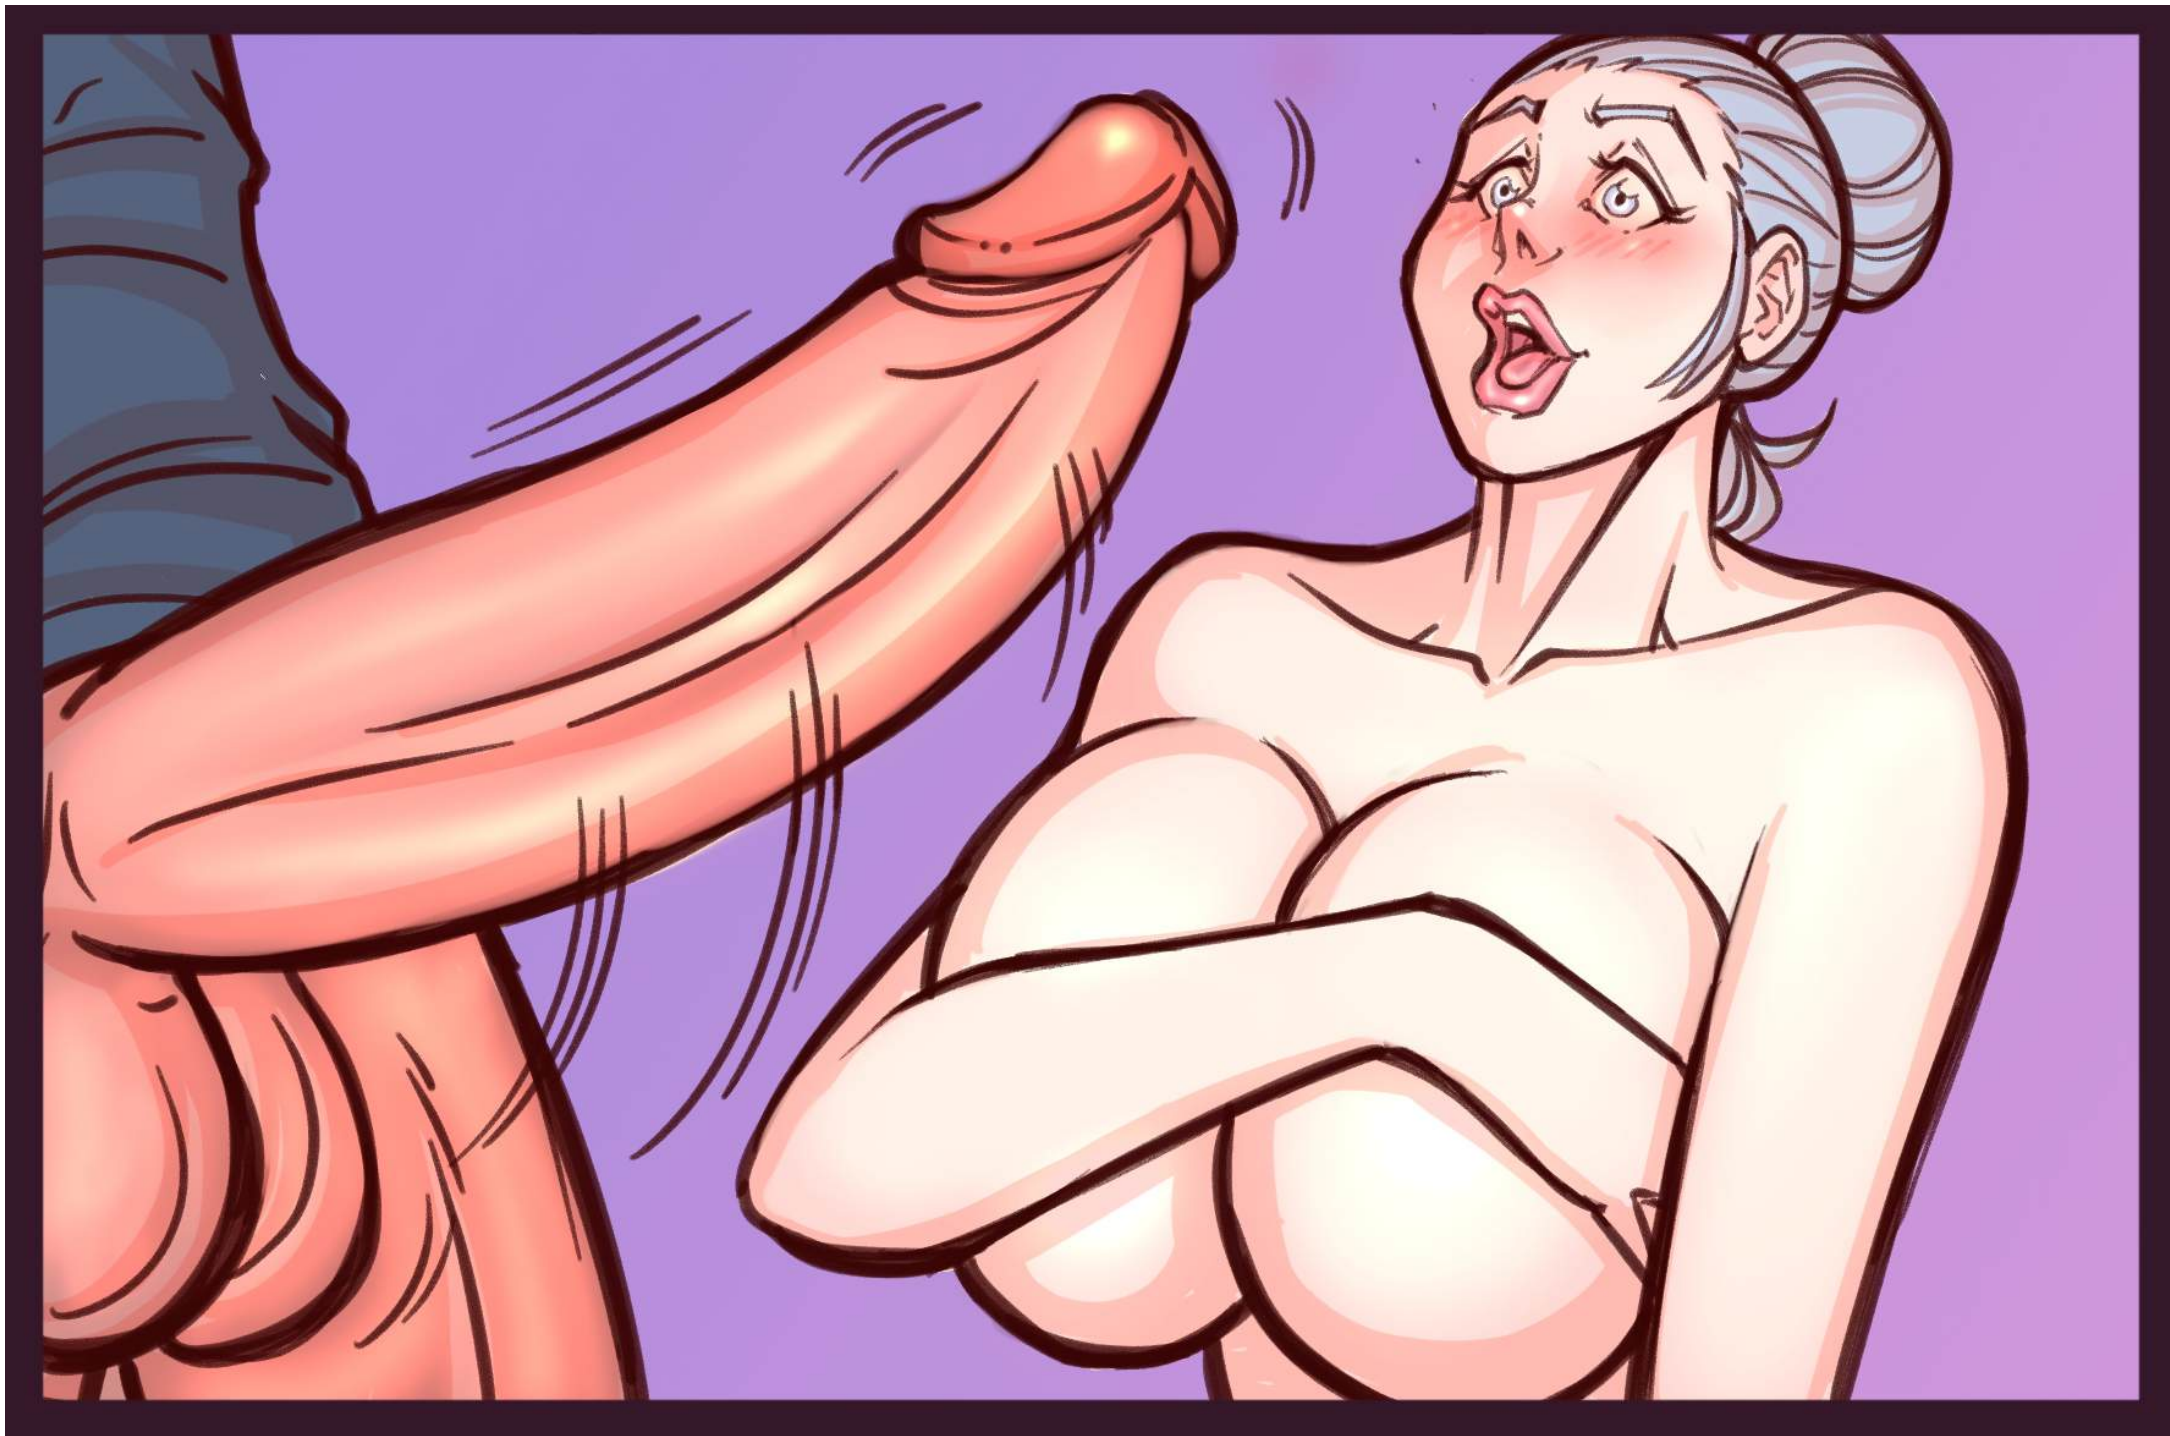

I gulped a little,
not knowing what
to do or say.

She helped me a bit
by saying she had
always loved
watching me stare
at her tits.

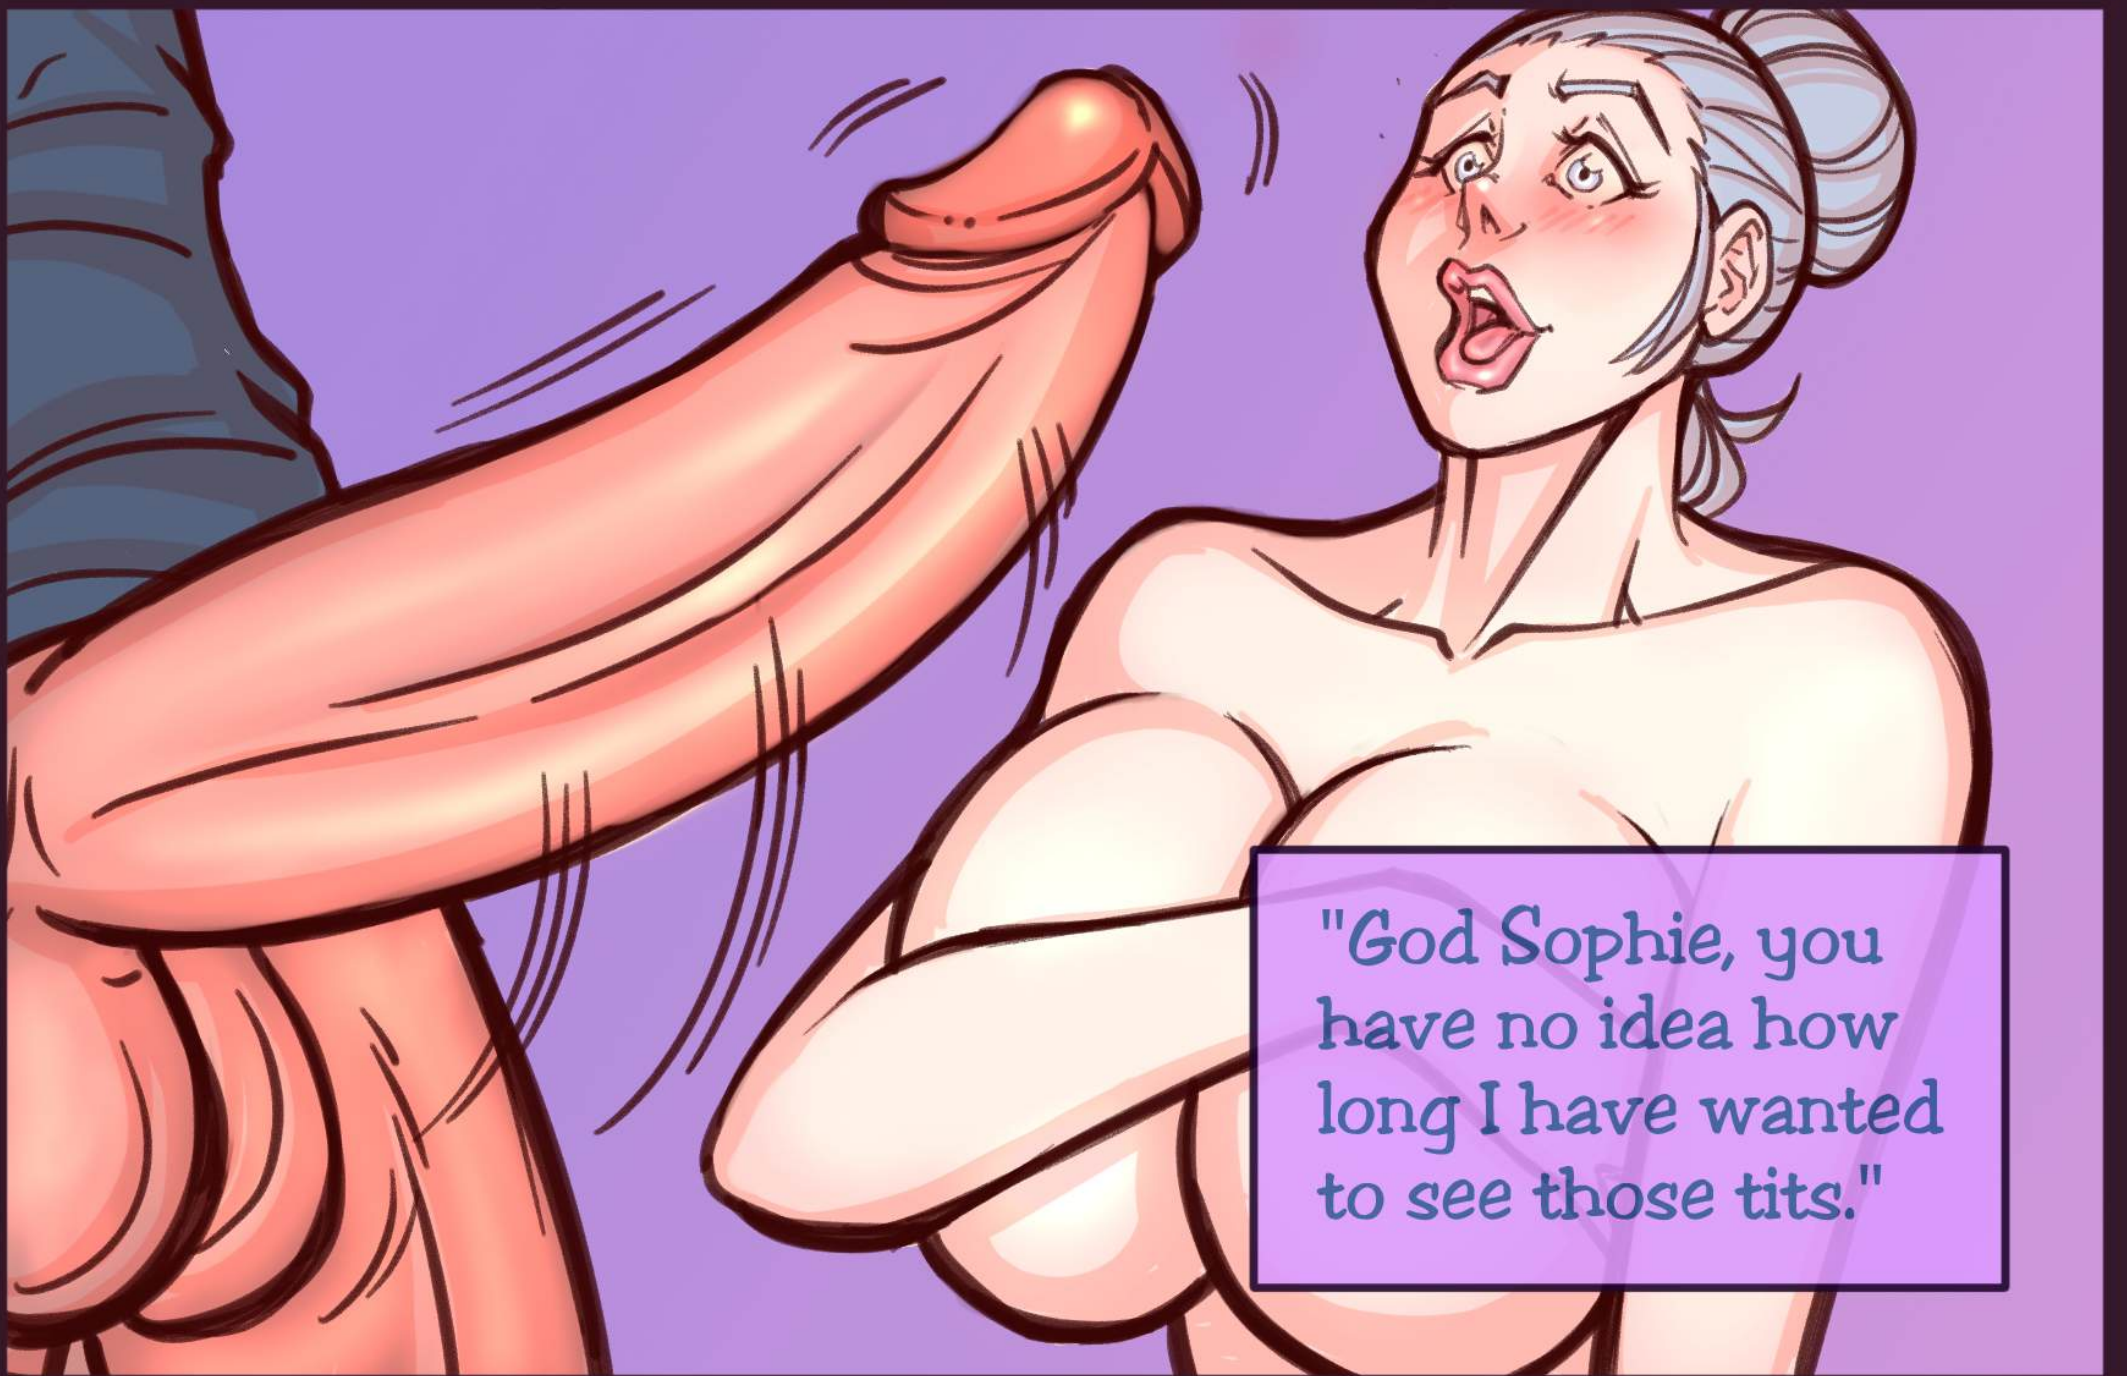

I was in shock
because I never
would have figured
that she was like
this.

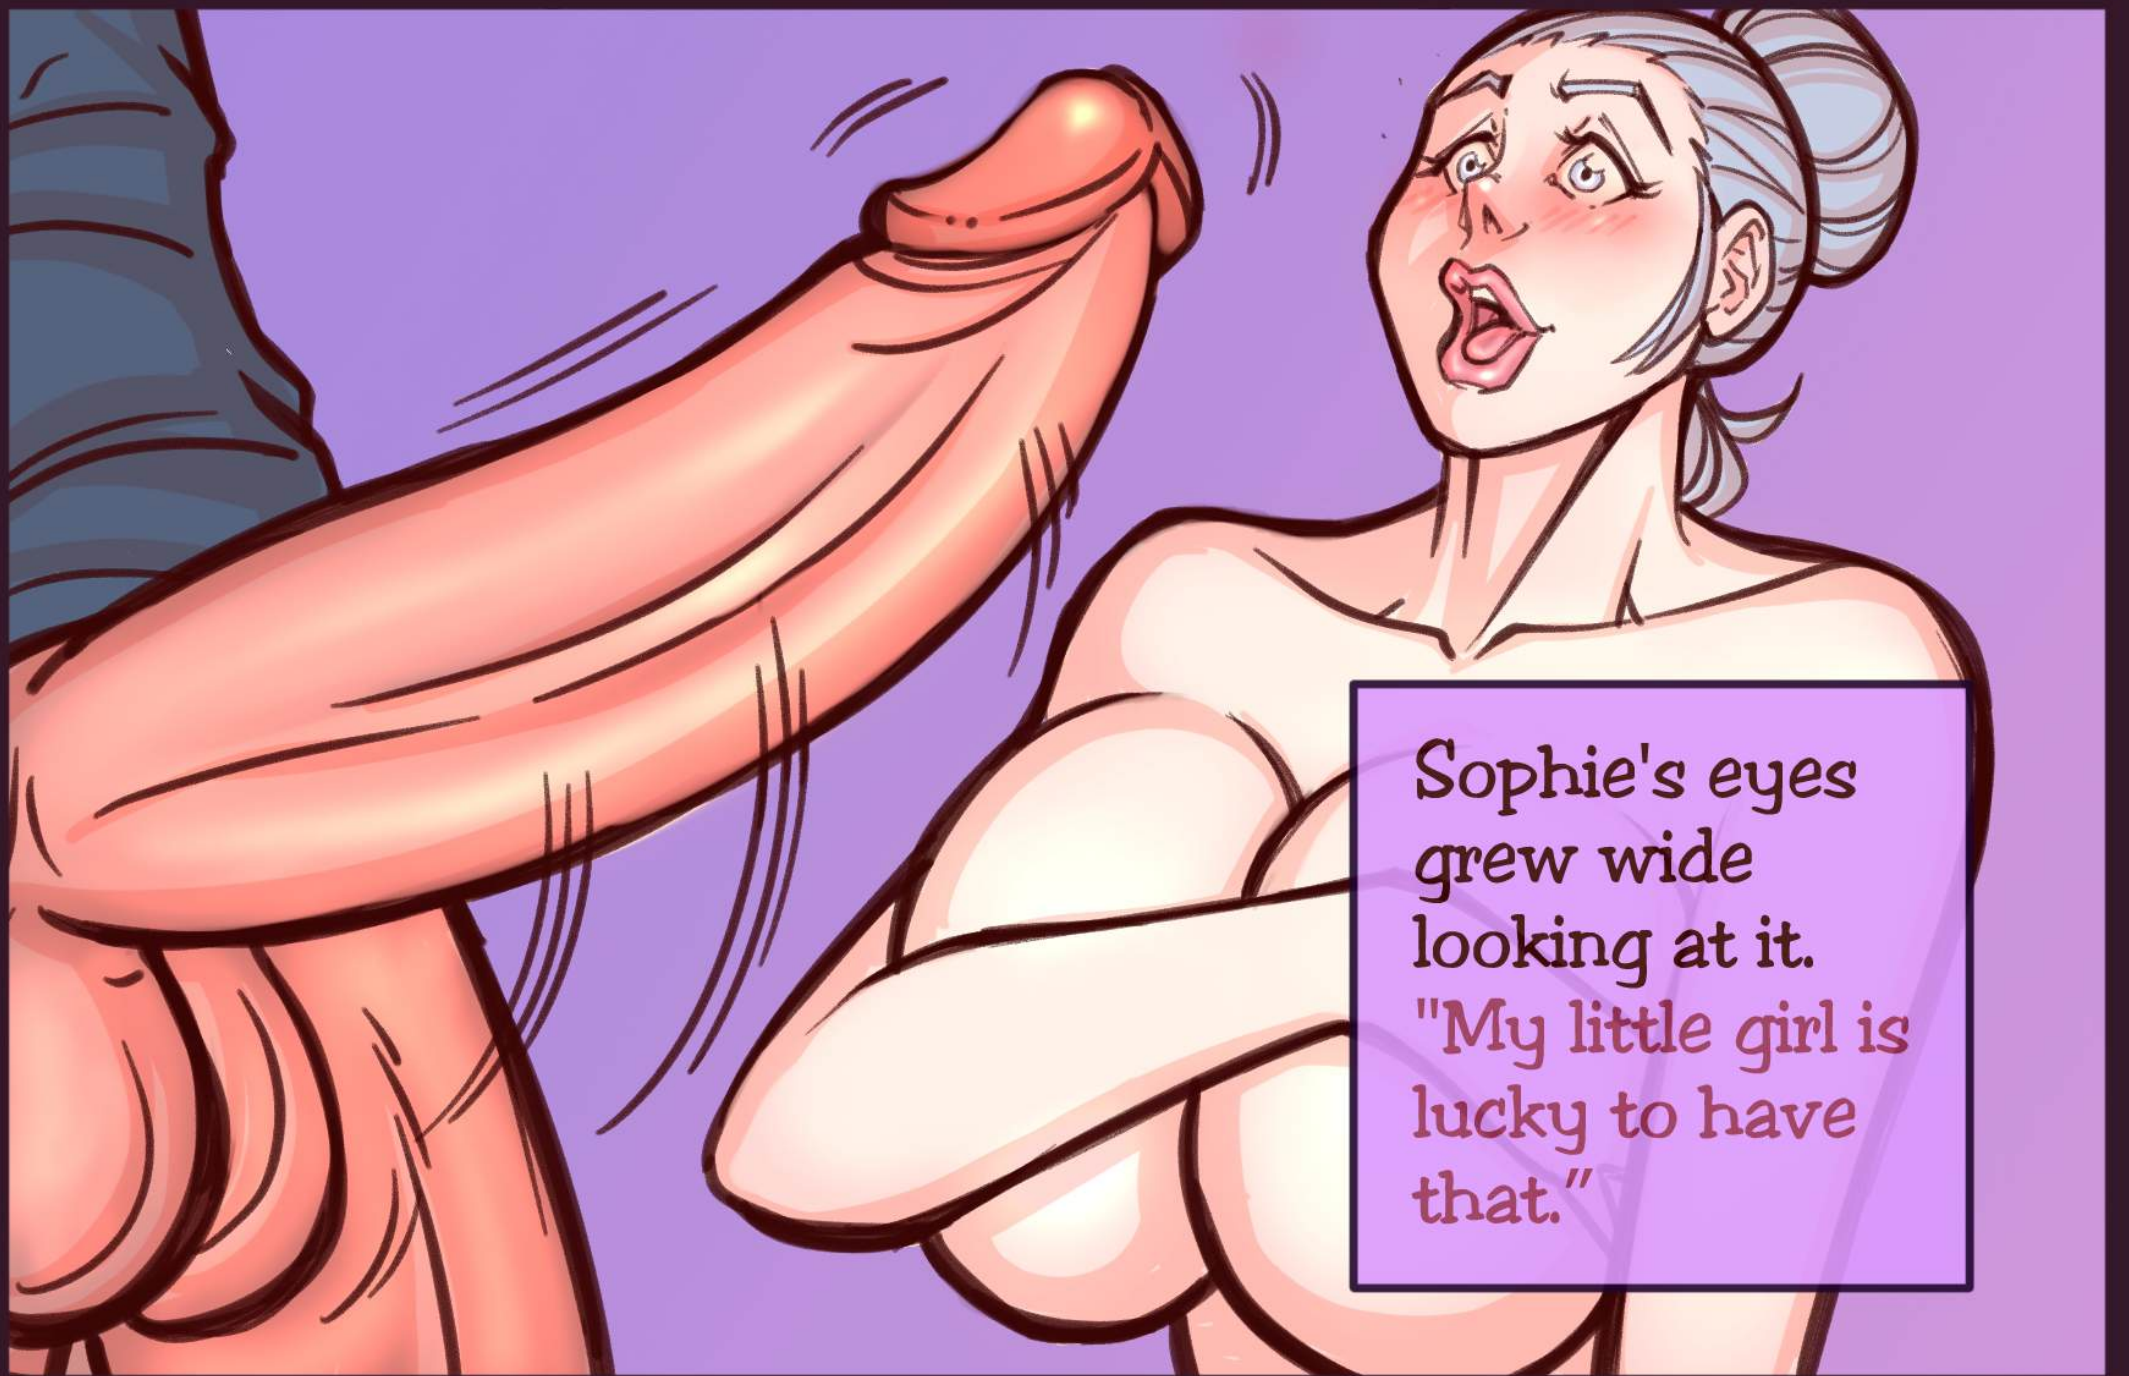

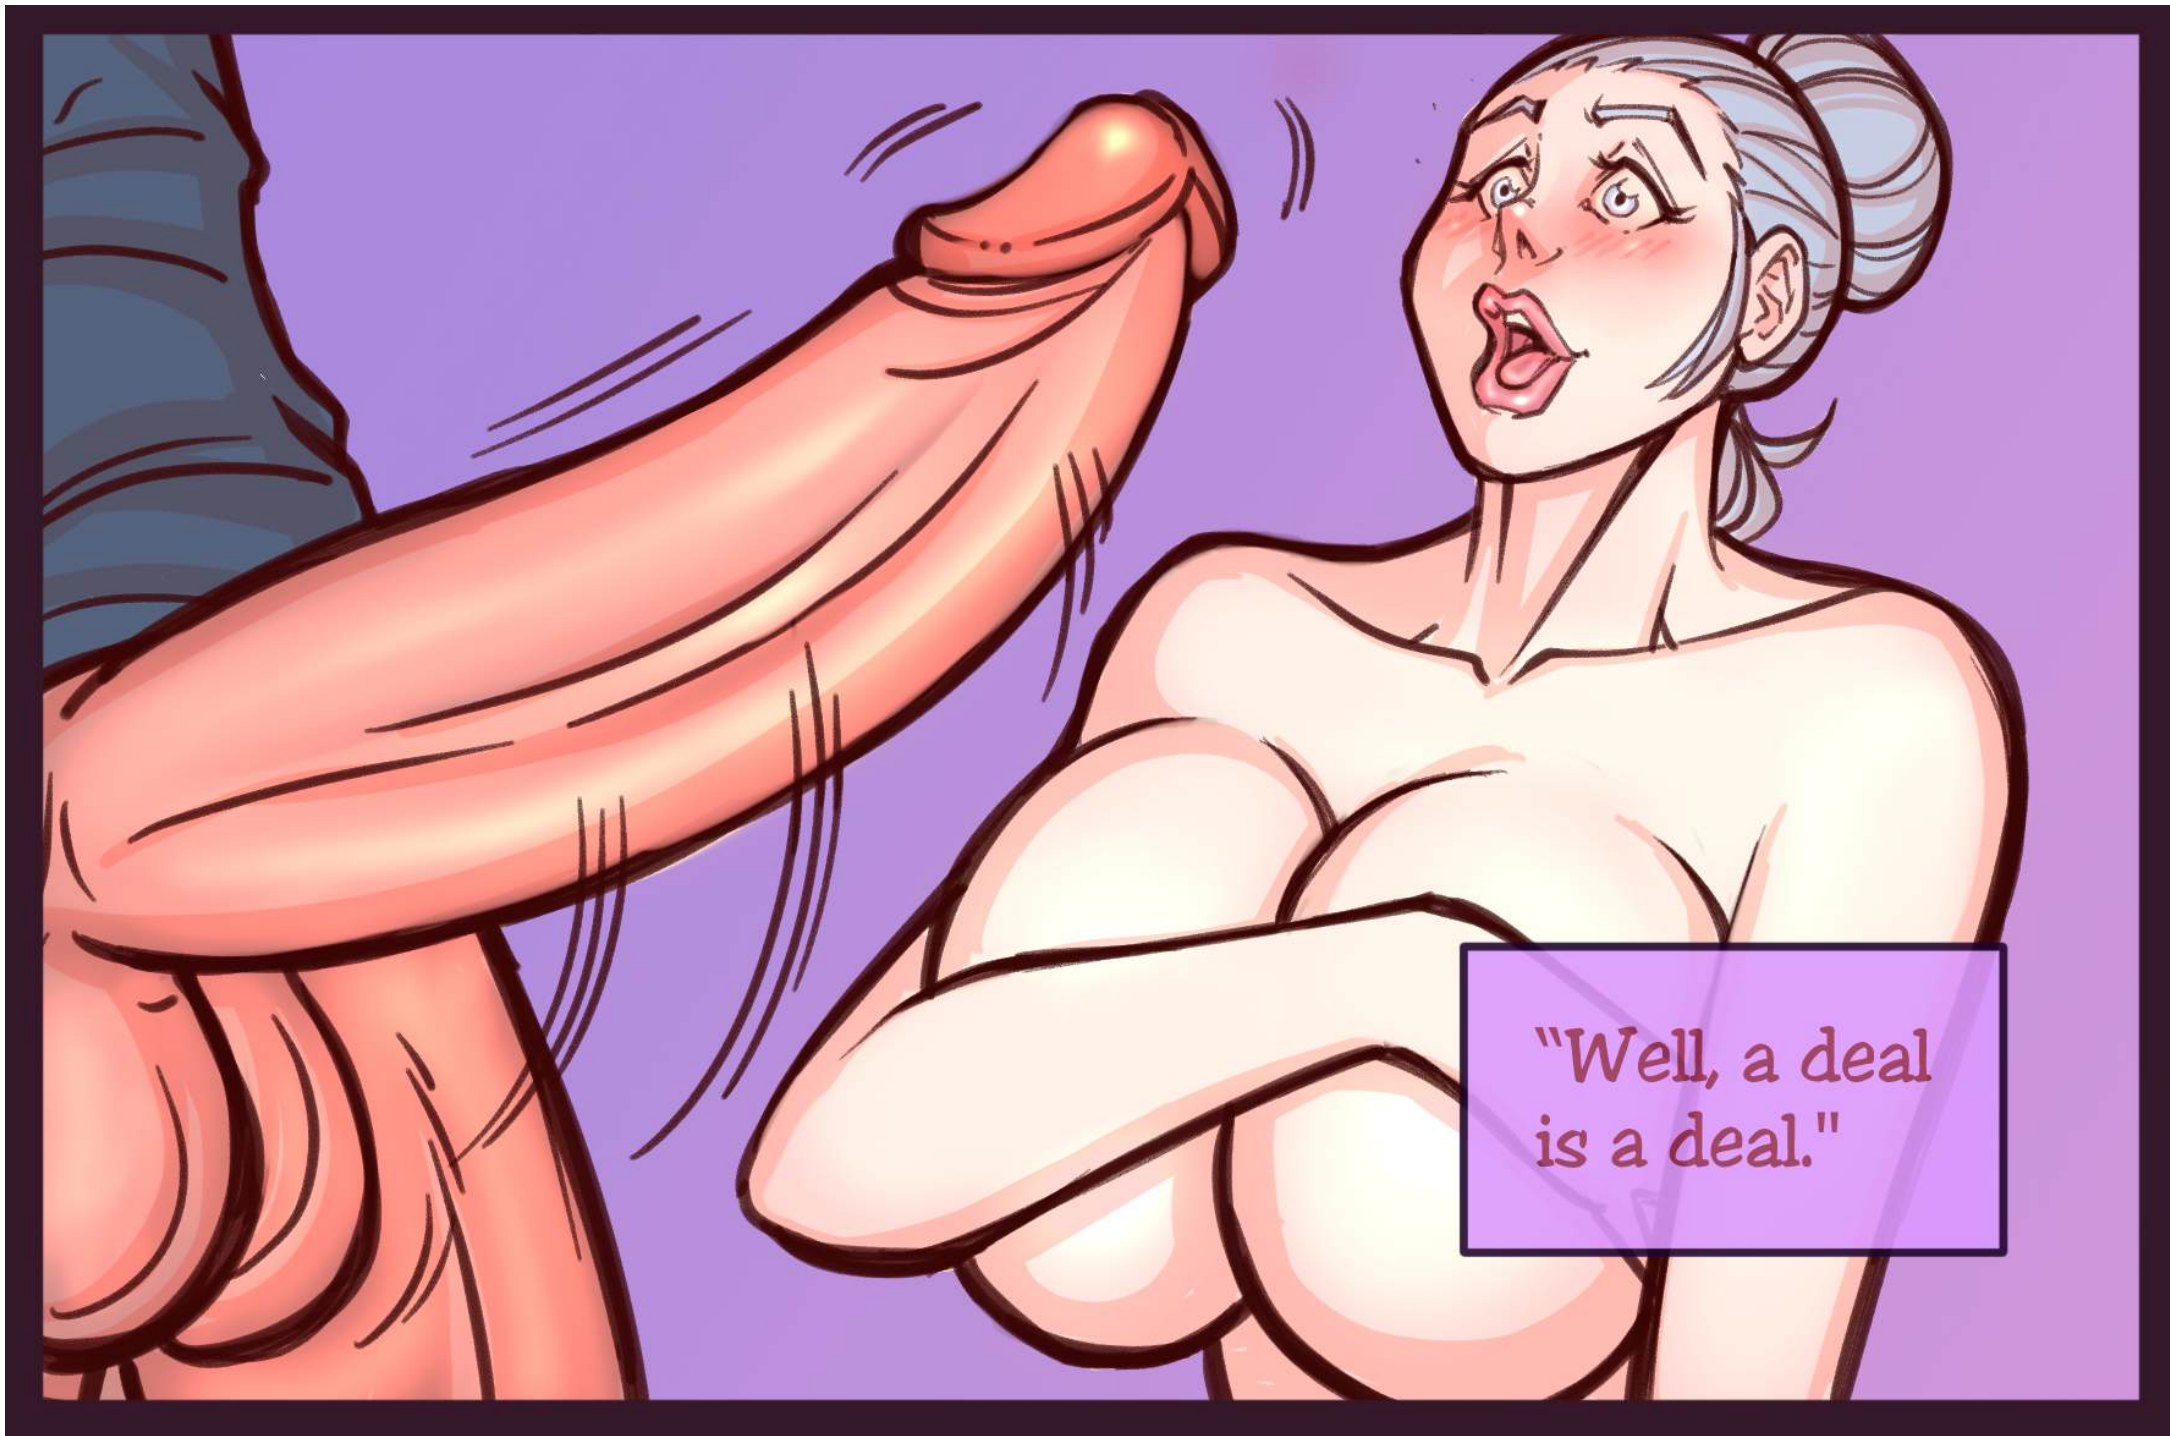

I began pulling my shorts and my underwear down, revealing my cock.

"God Sophie, you have no idea how long I have wanted to see those tits."

Sophie's eyes
grew wide
looking at it.
"My little girl is
lucky to have
that."

"Well, a deal is a deal."

And then,
she removed her arm
and her breasts
flopped down.
