CHAPTER 03

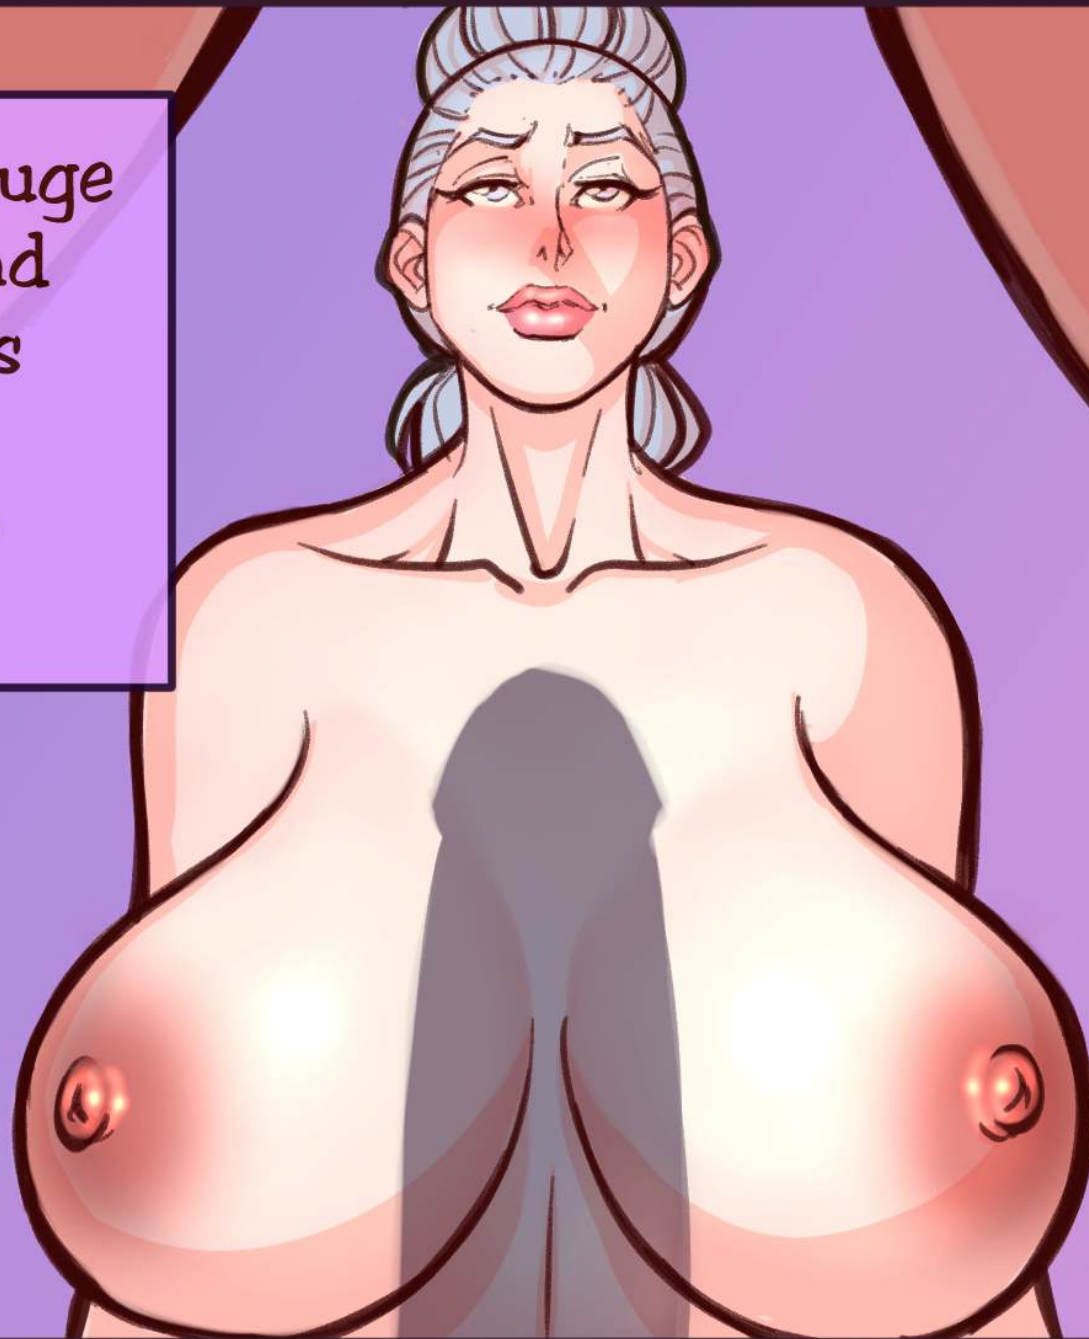

She removed
her arm and
her breasts
flopped down.

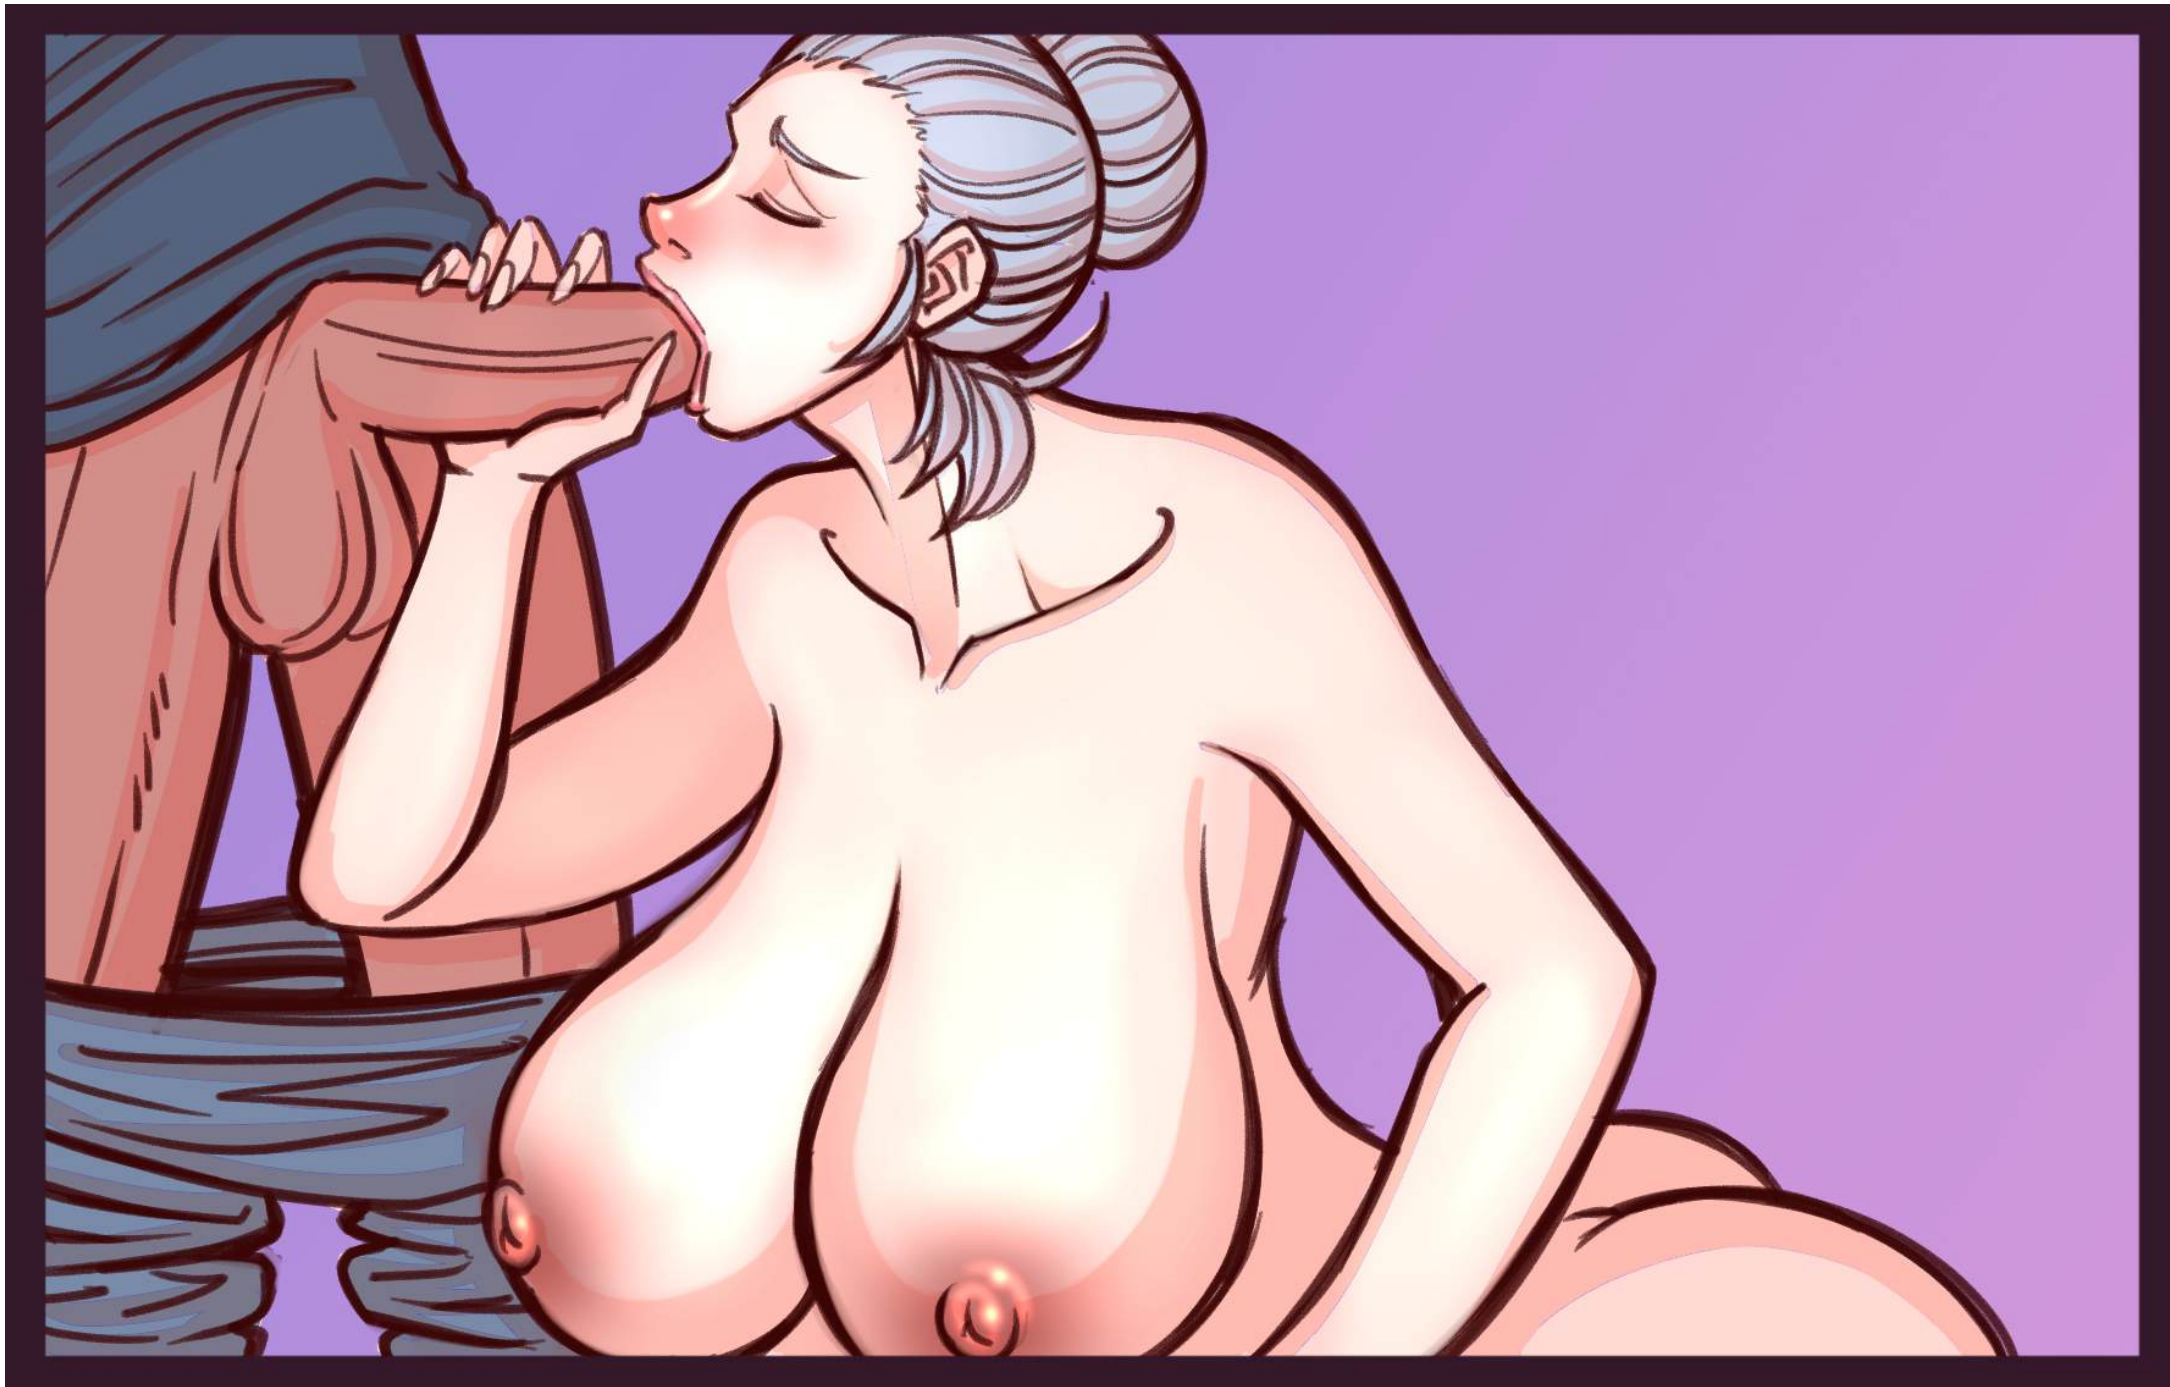

They were actually quite perky which surprised me.

She had huge areolas, and her nipples stood out about two inches.

She then reached out and grasped my cock and slowly began stroking it with her soft hands.

Then, she pulled me closer and looked up at me and slowly engulfed my cock.

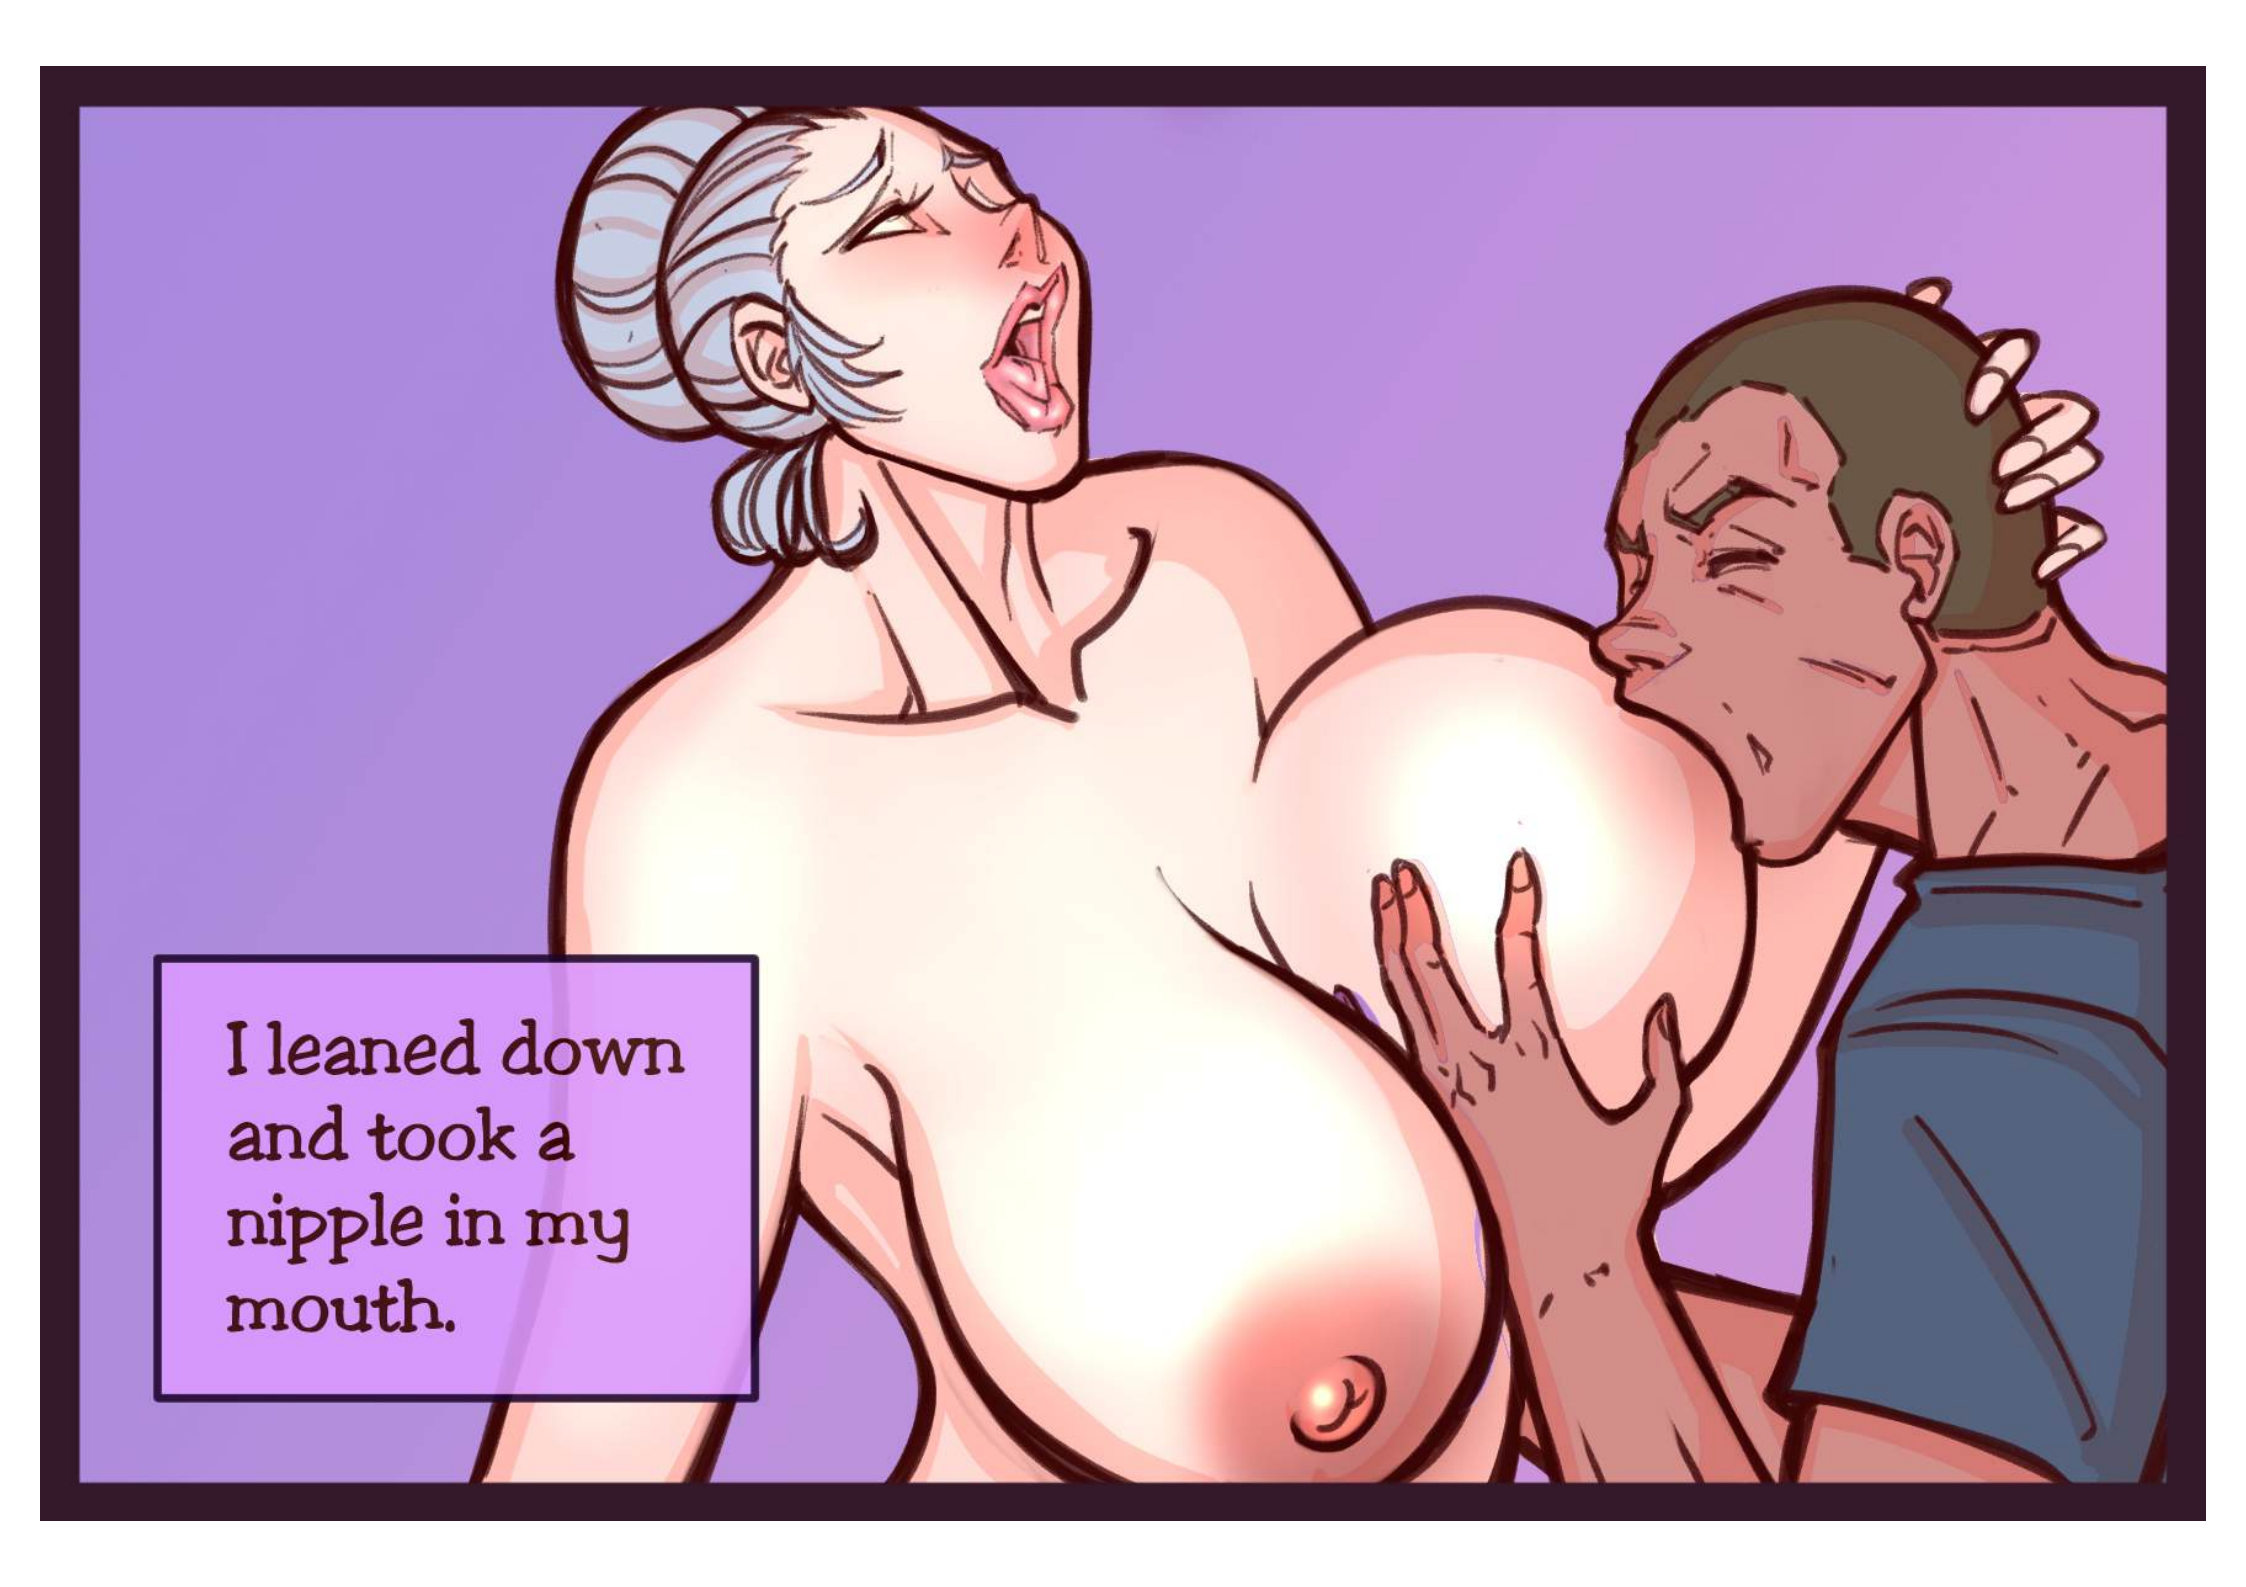

I leaned back in total ecstasy, as my mother in law's tongue twirled around my cock.

My mother in law could really suck cock. She pulled my cock out of her mouth, and stood up and stepped out of the bathtub.

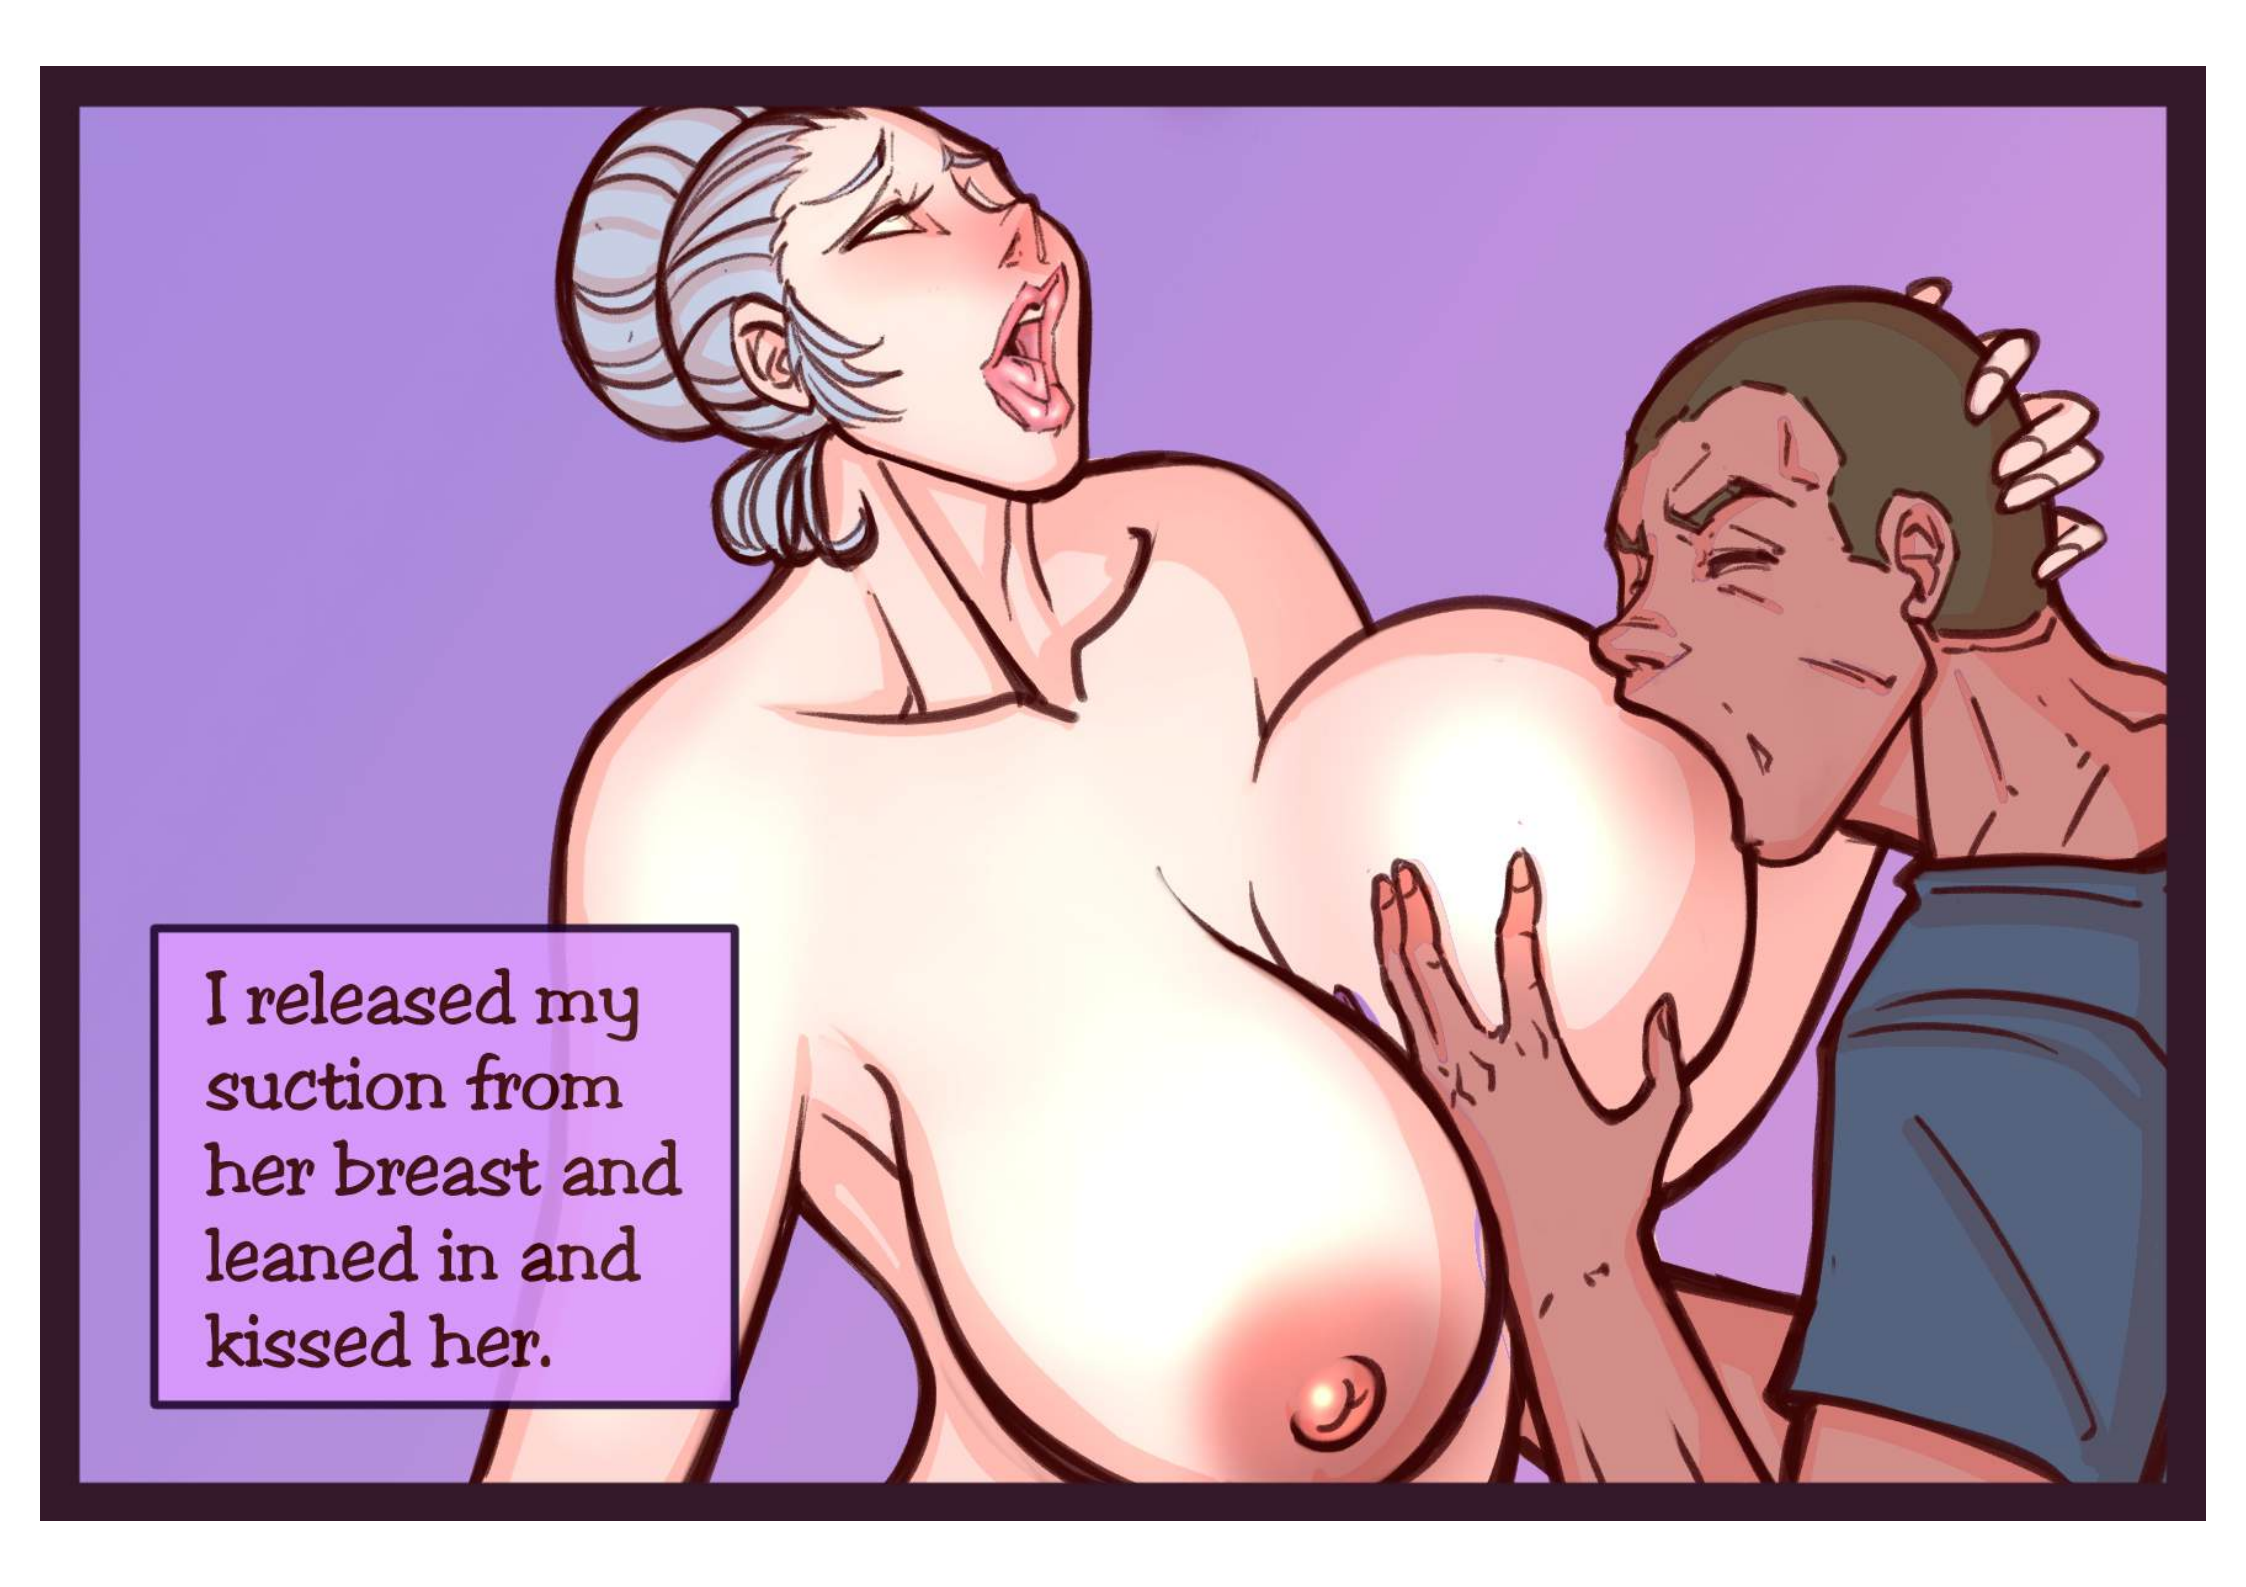

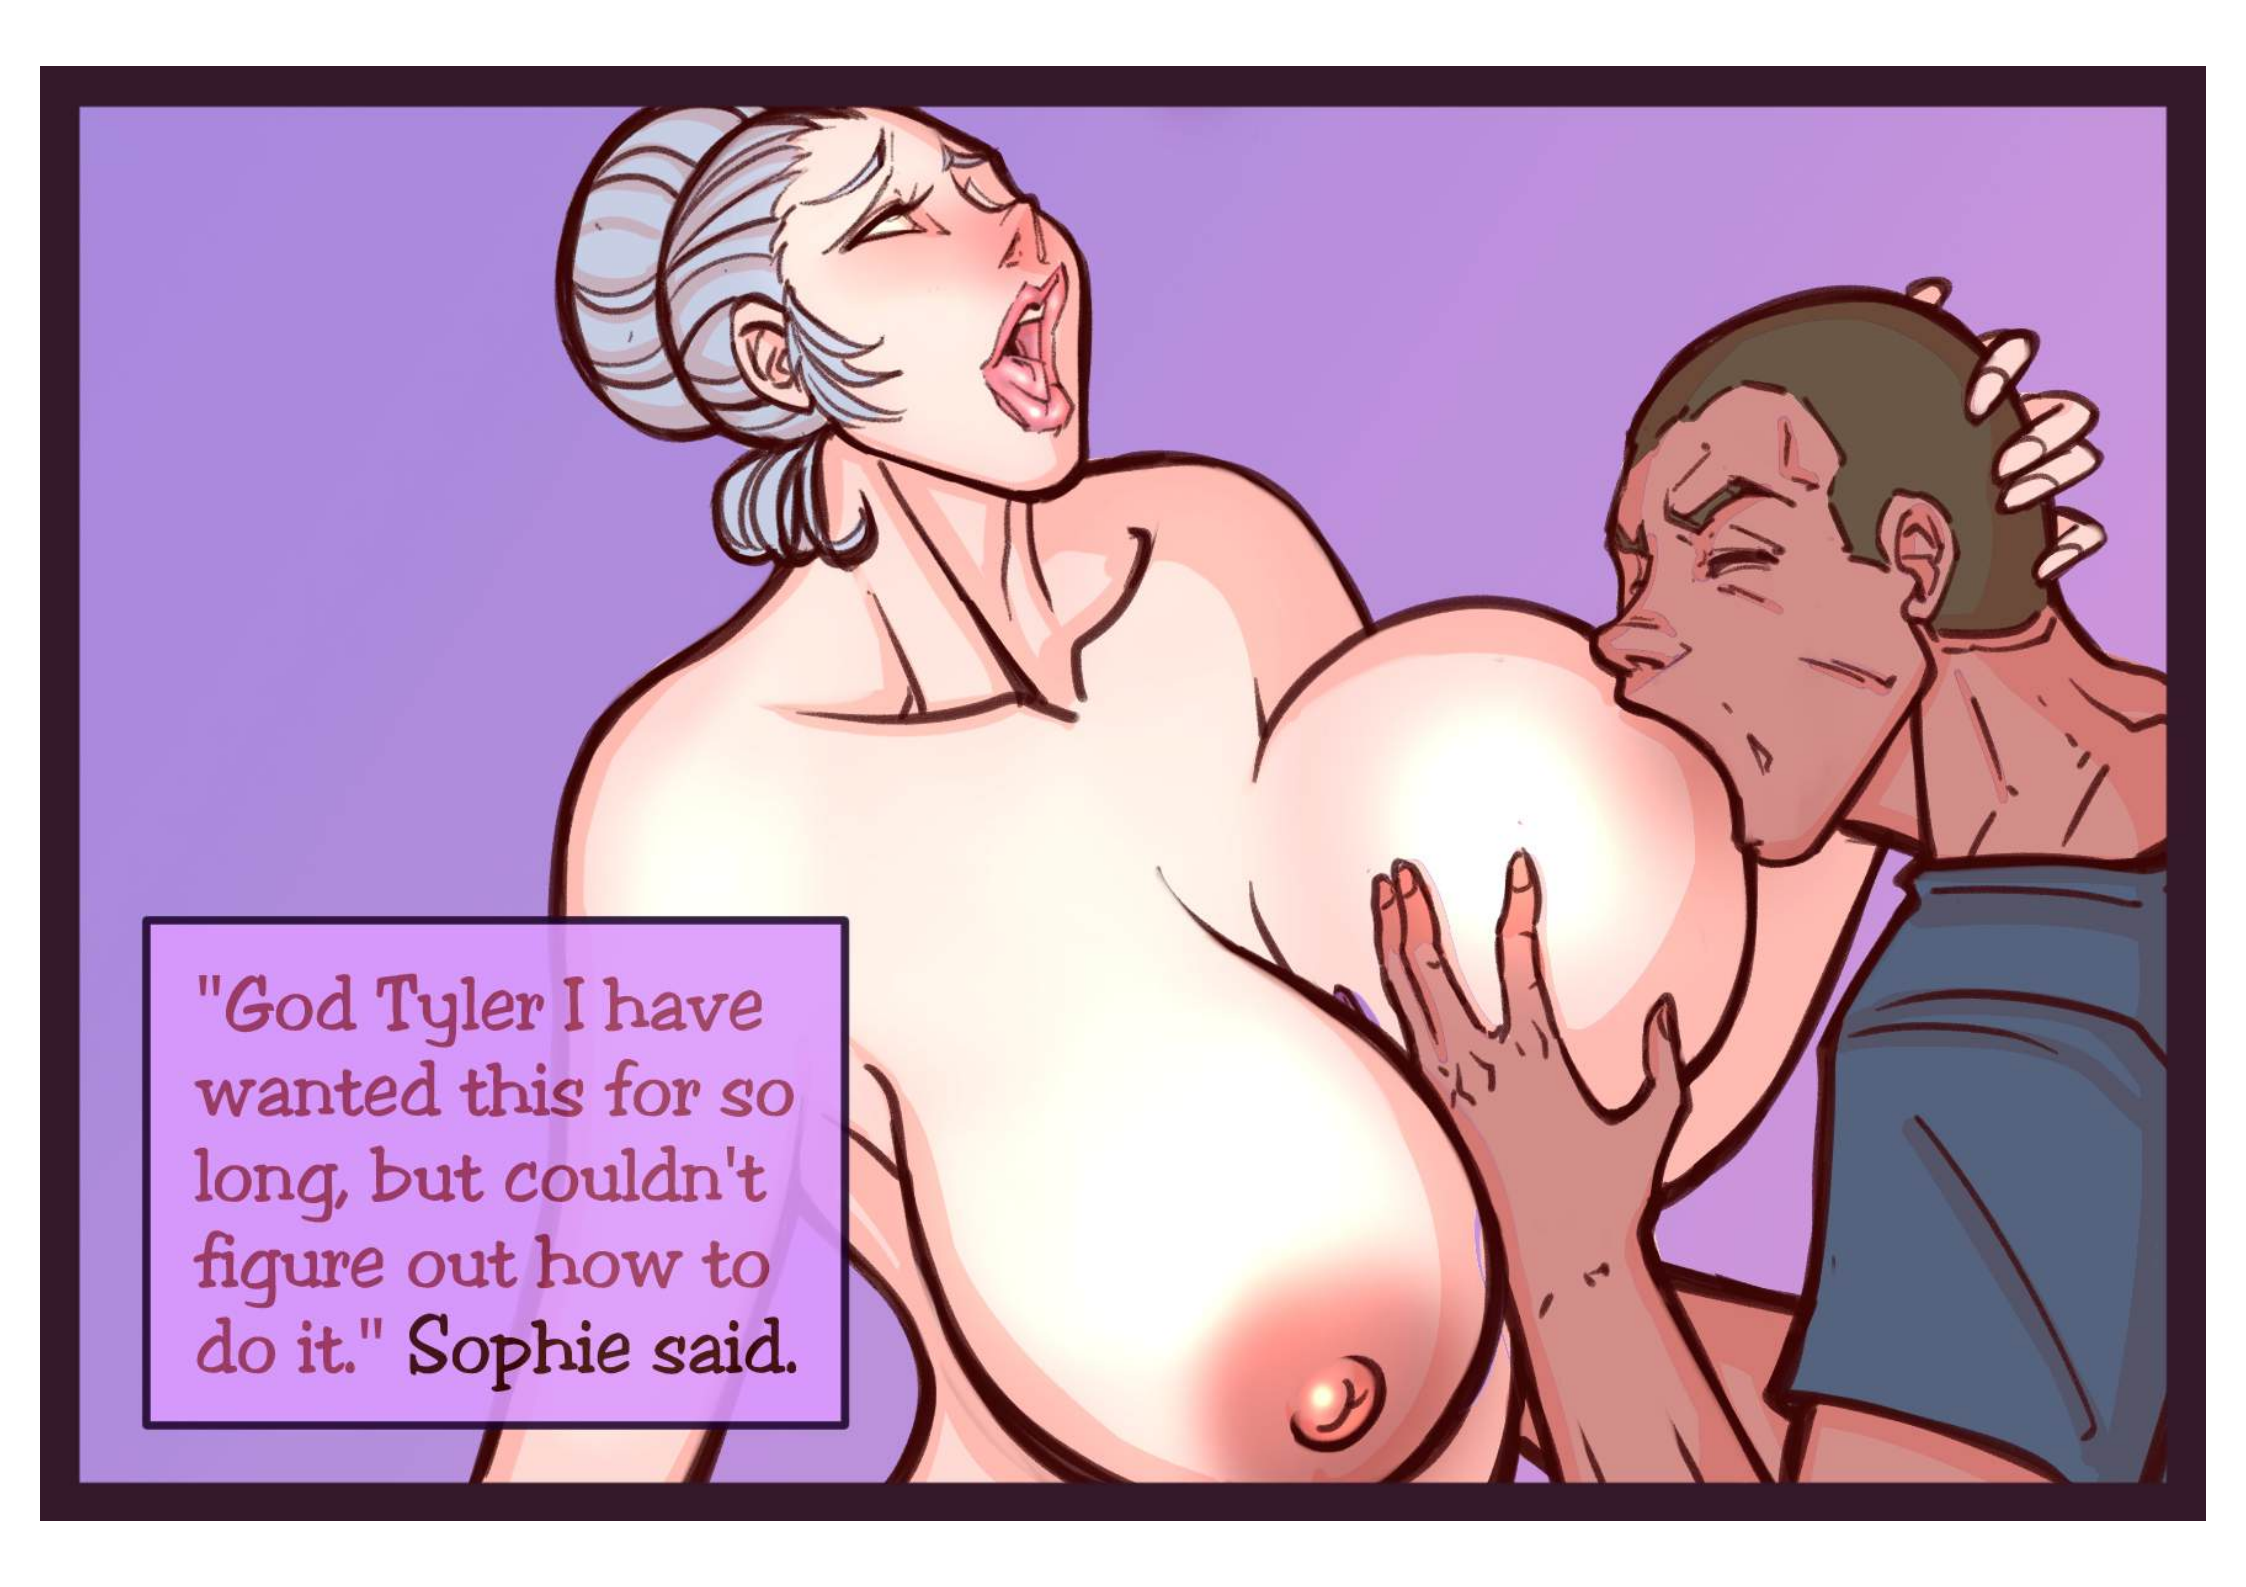

I leaned down
and took a
nipple in my
mouth.

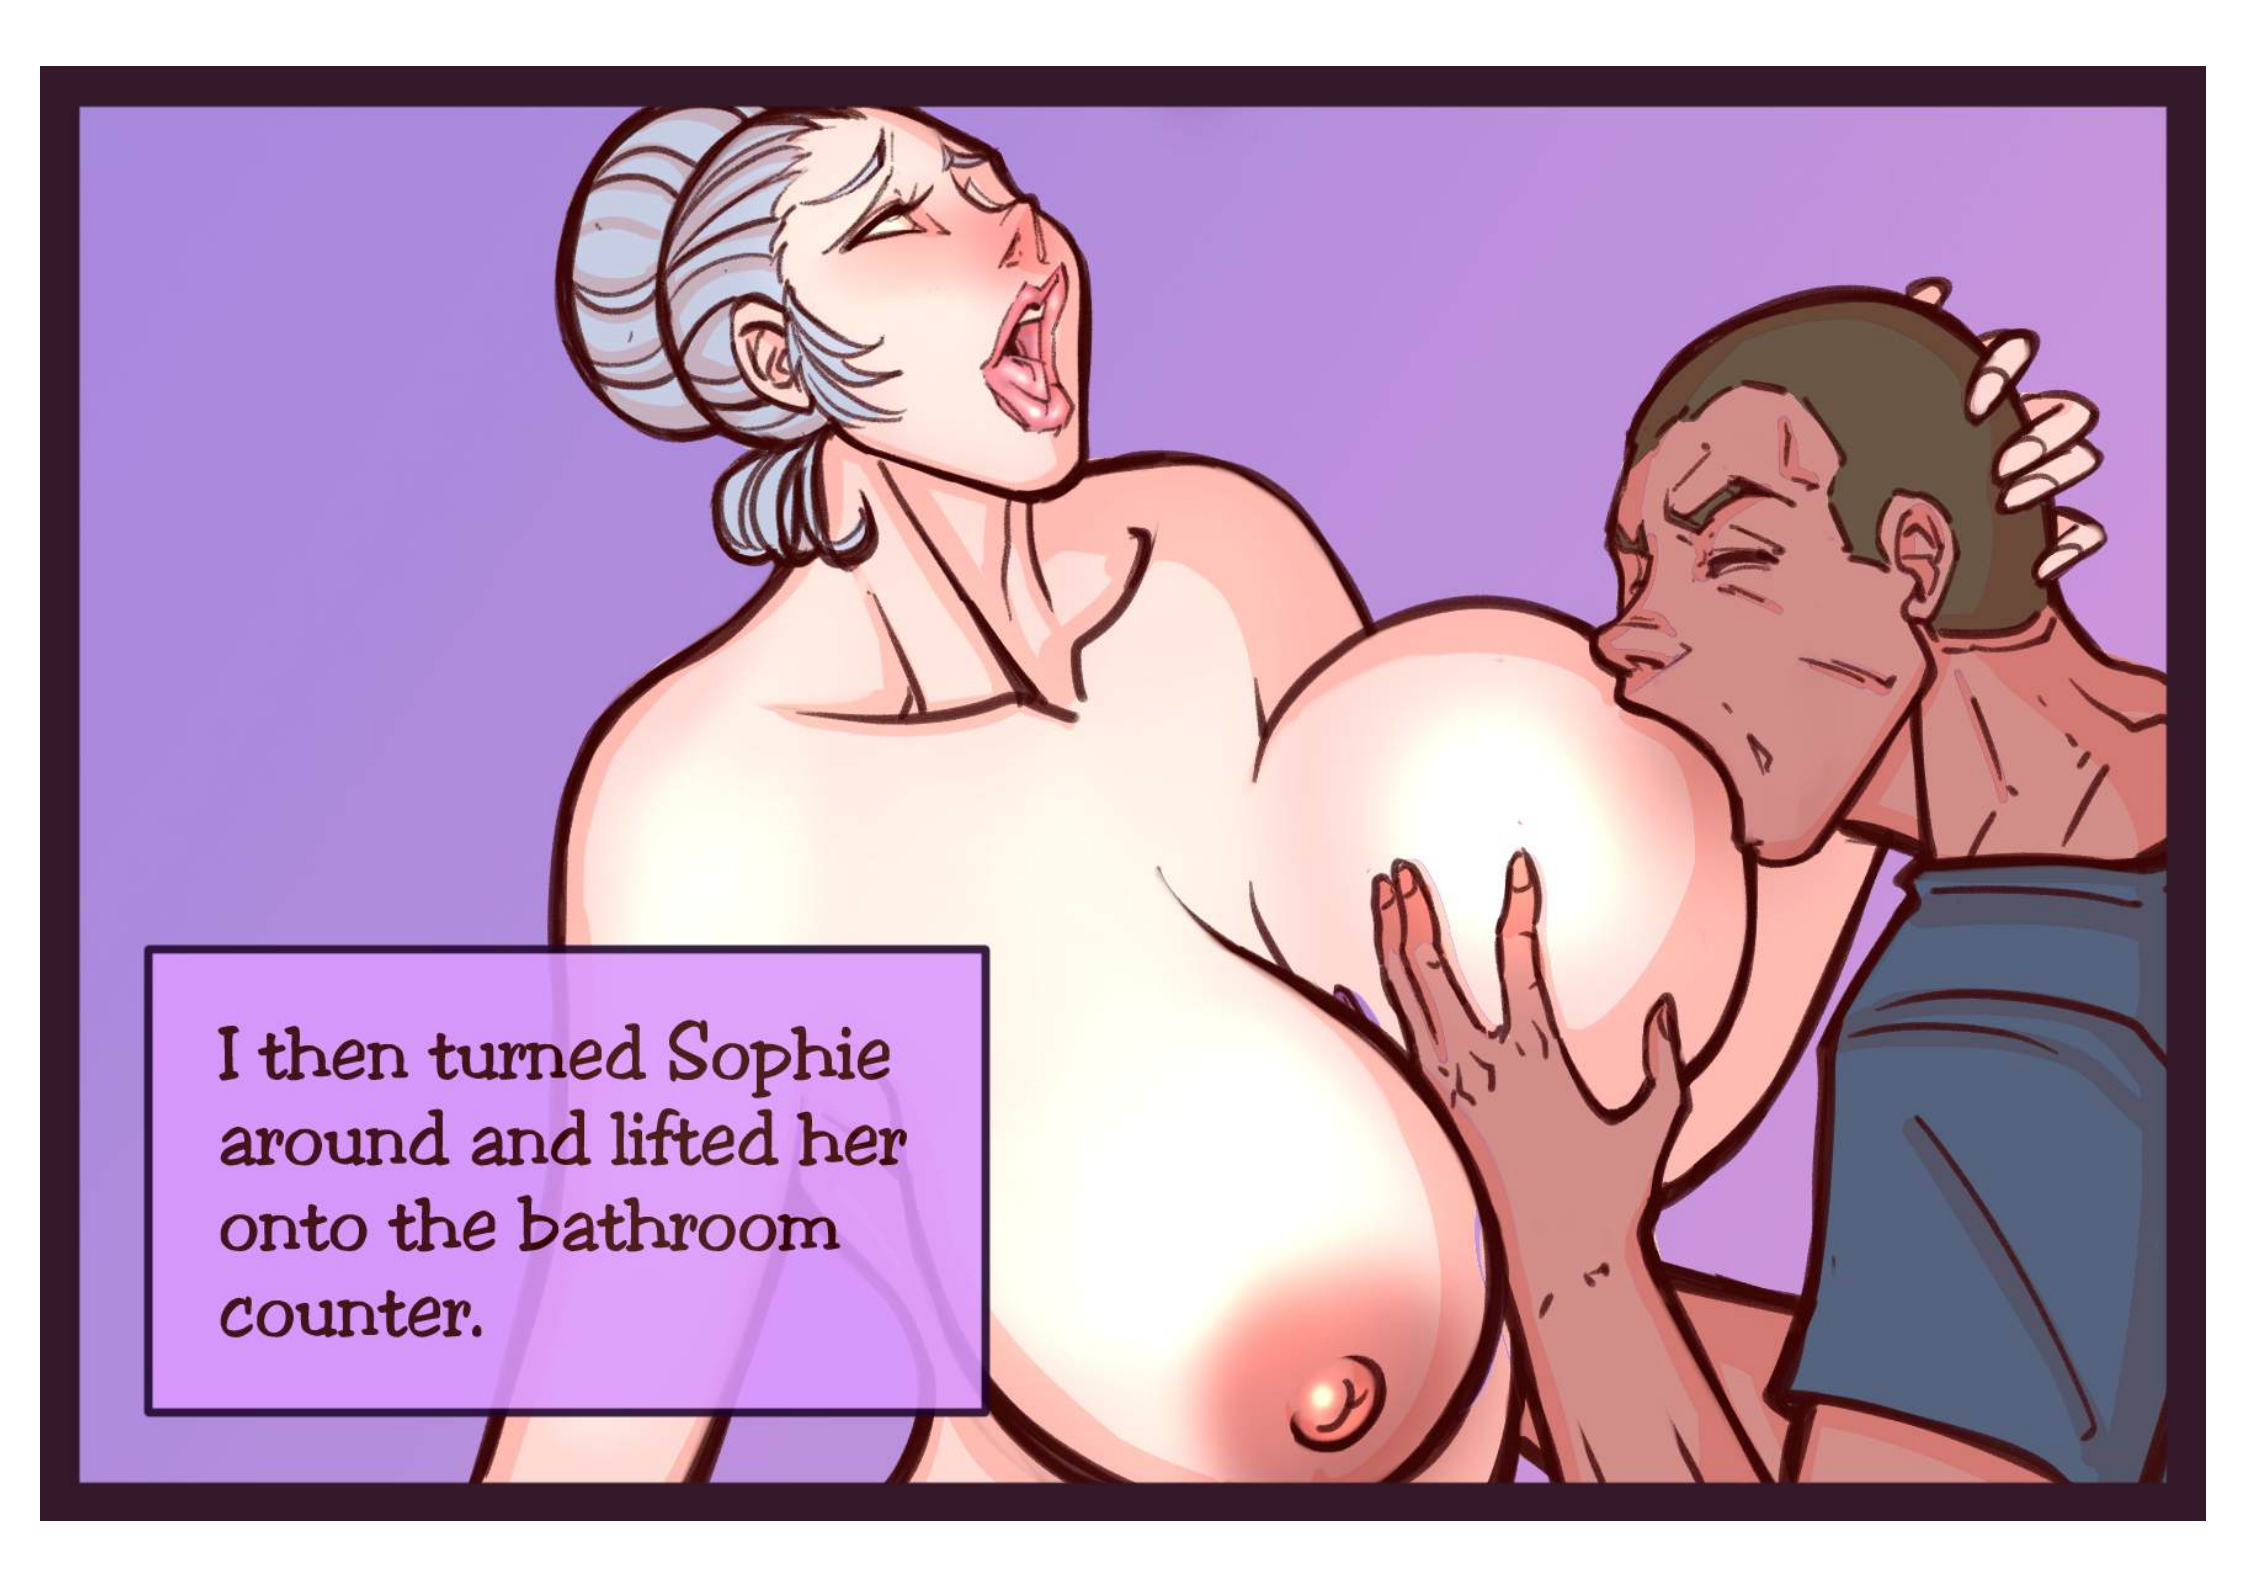

Sophie let out
a loud sigh, as
I sucked her
tits.

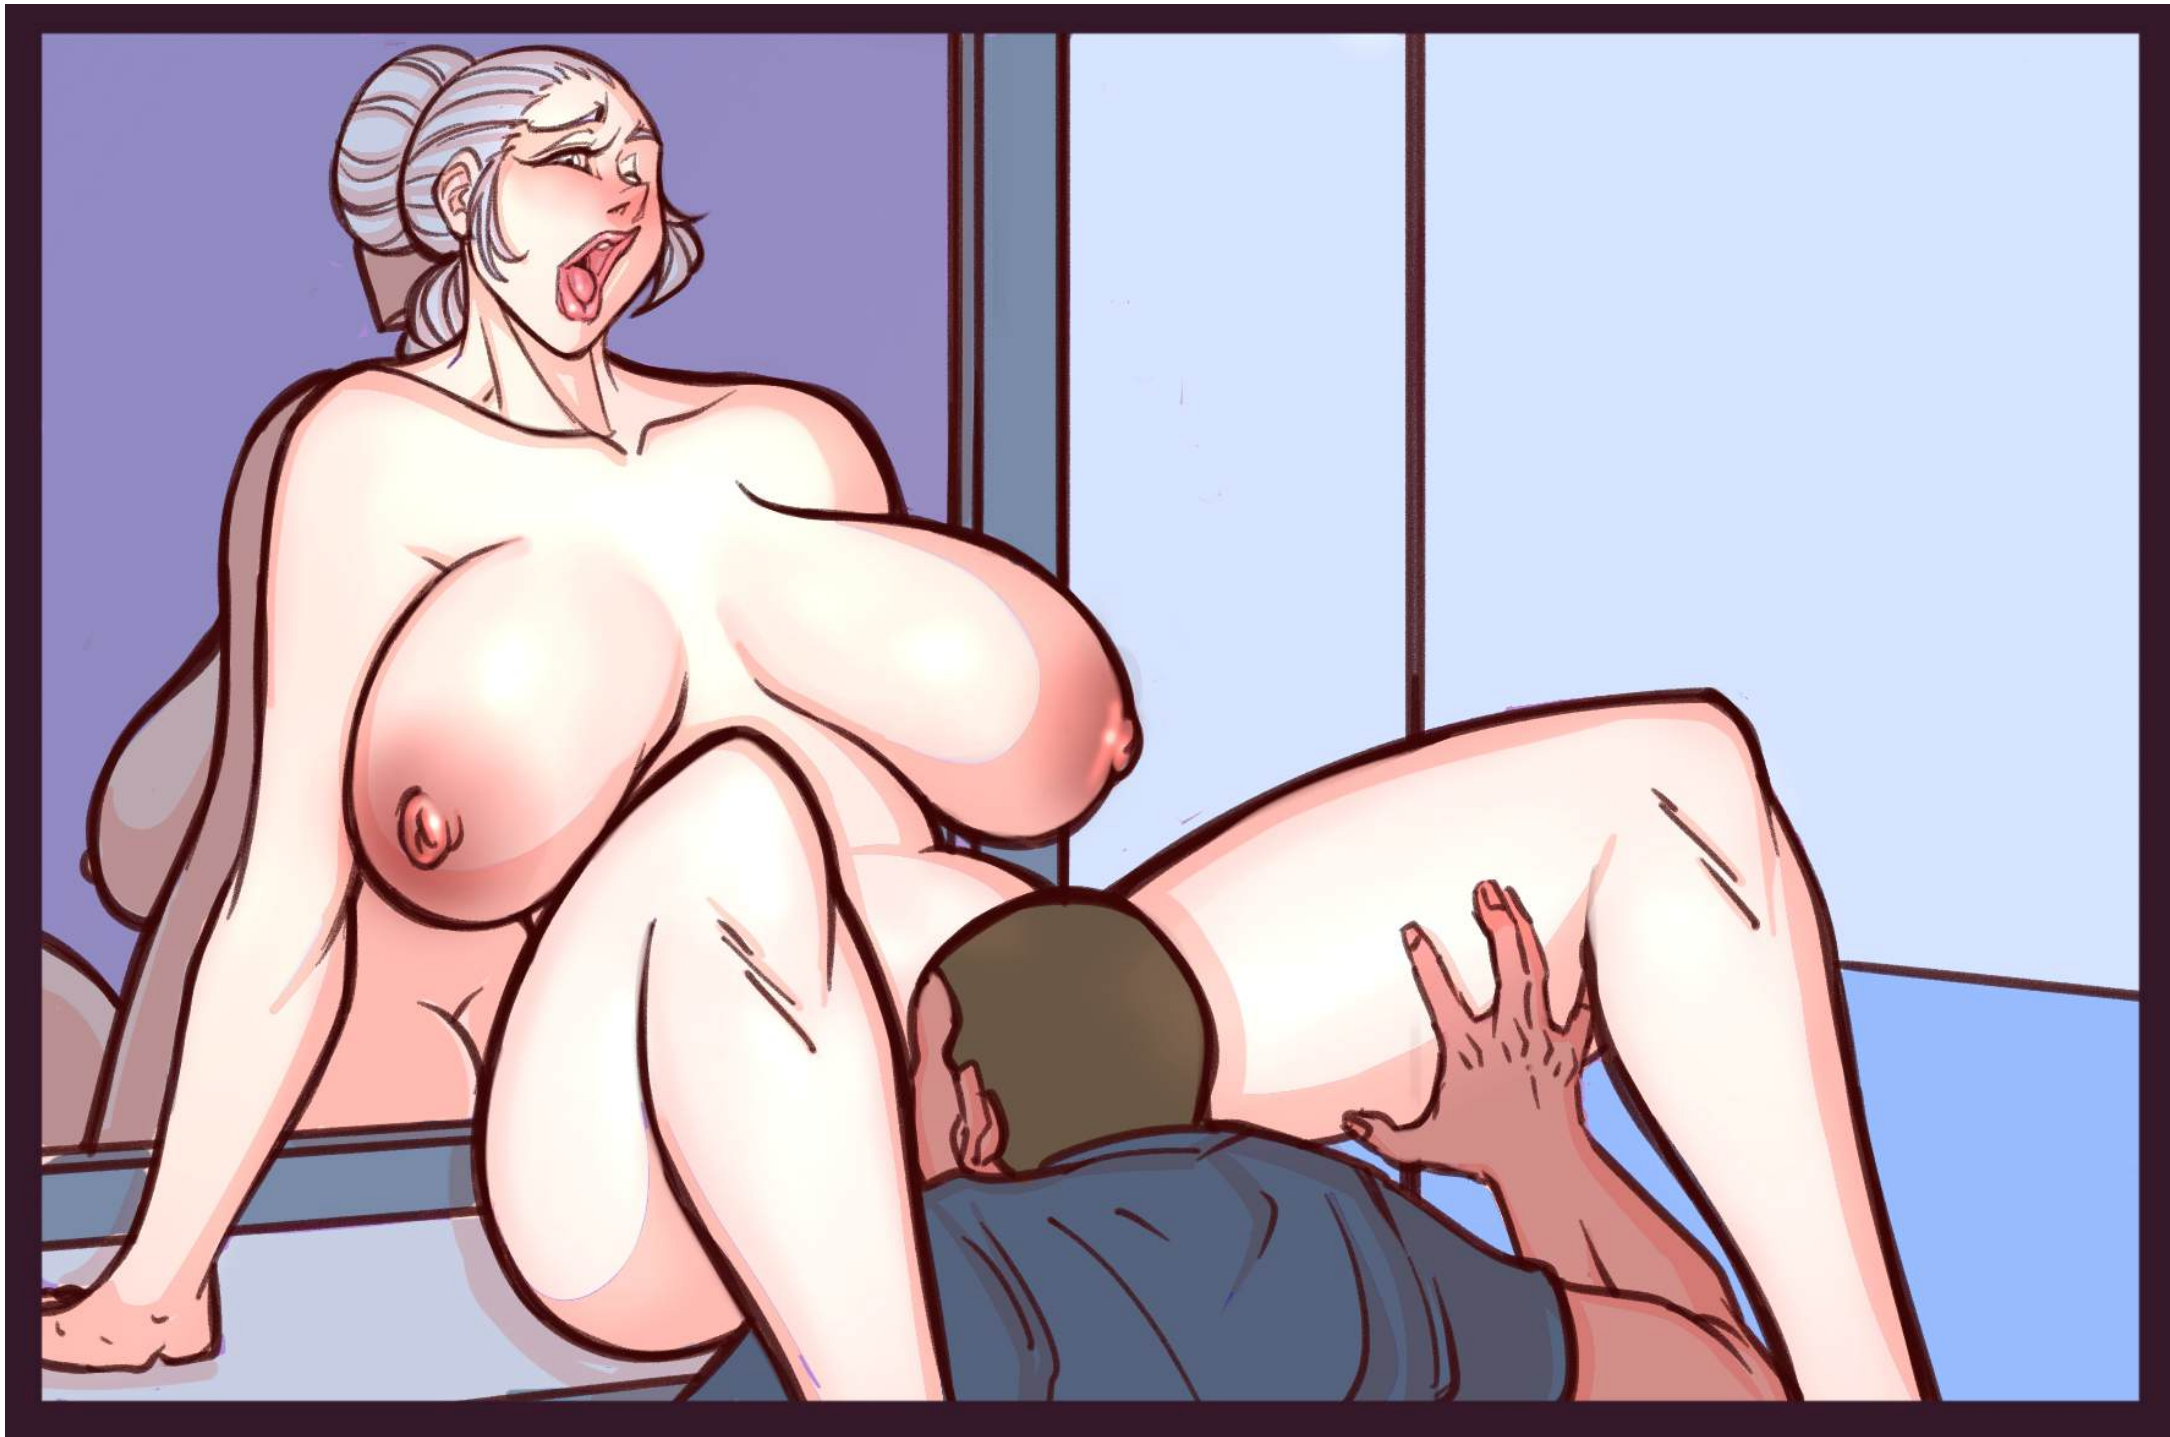

I released my suction from her breast and leaned in and kissed her.

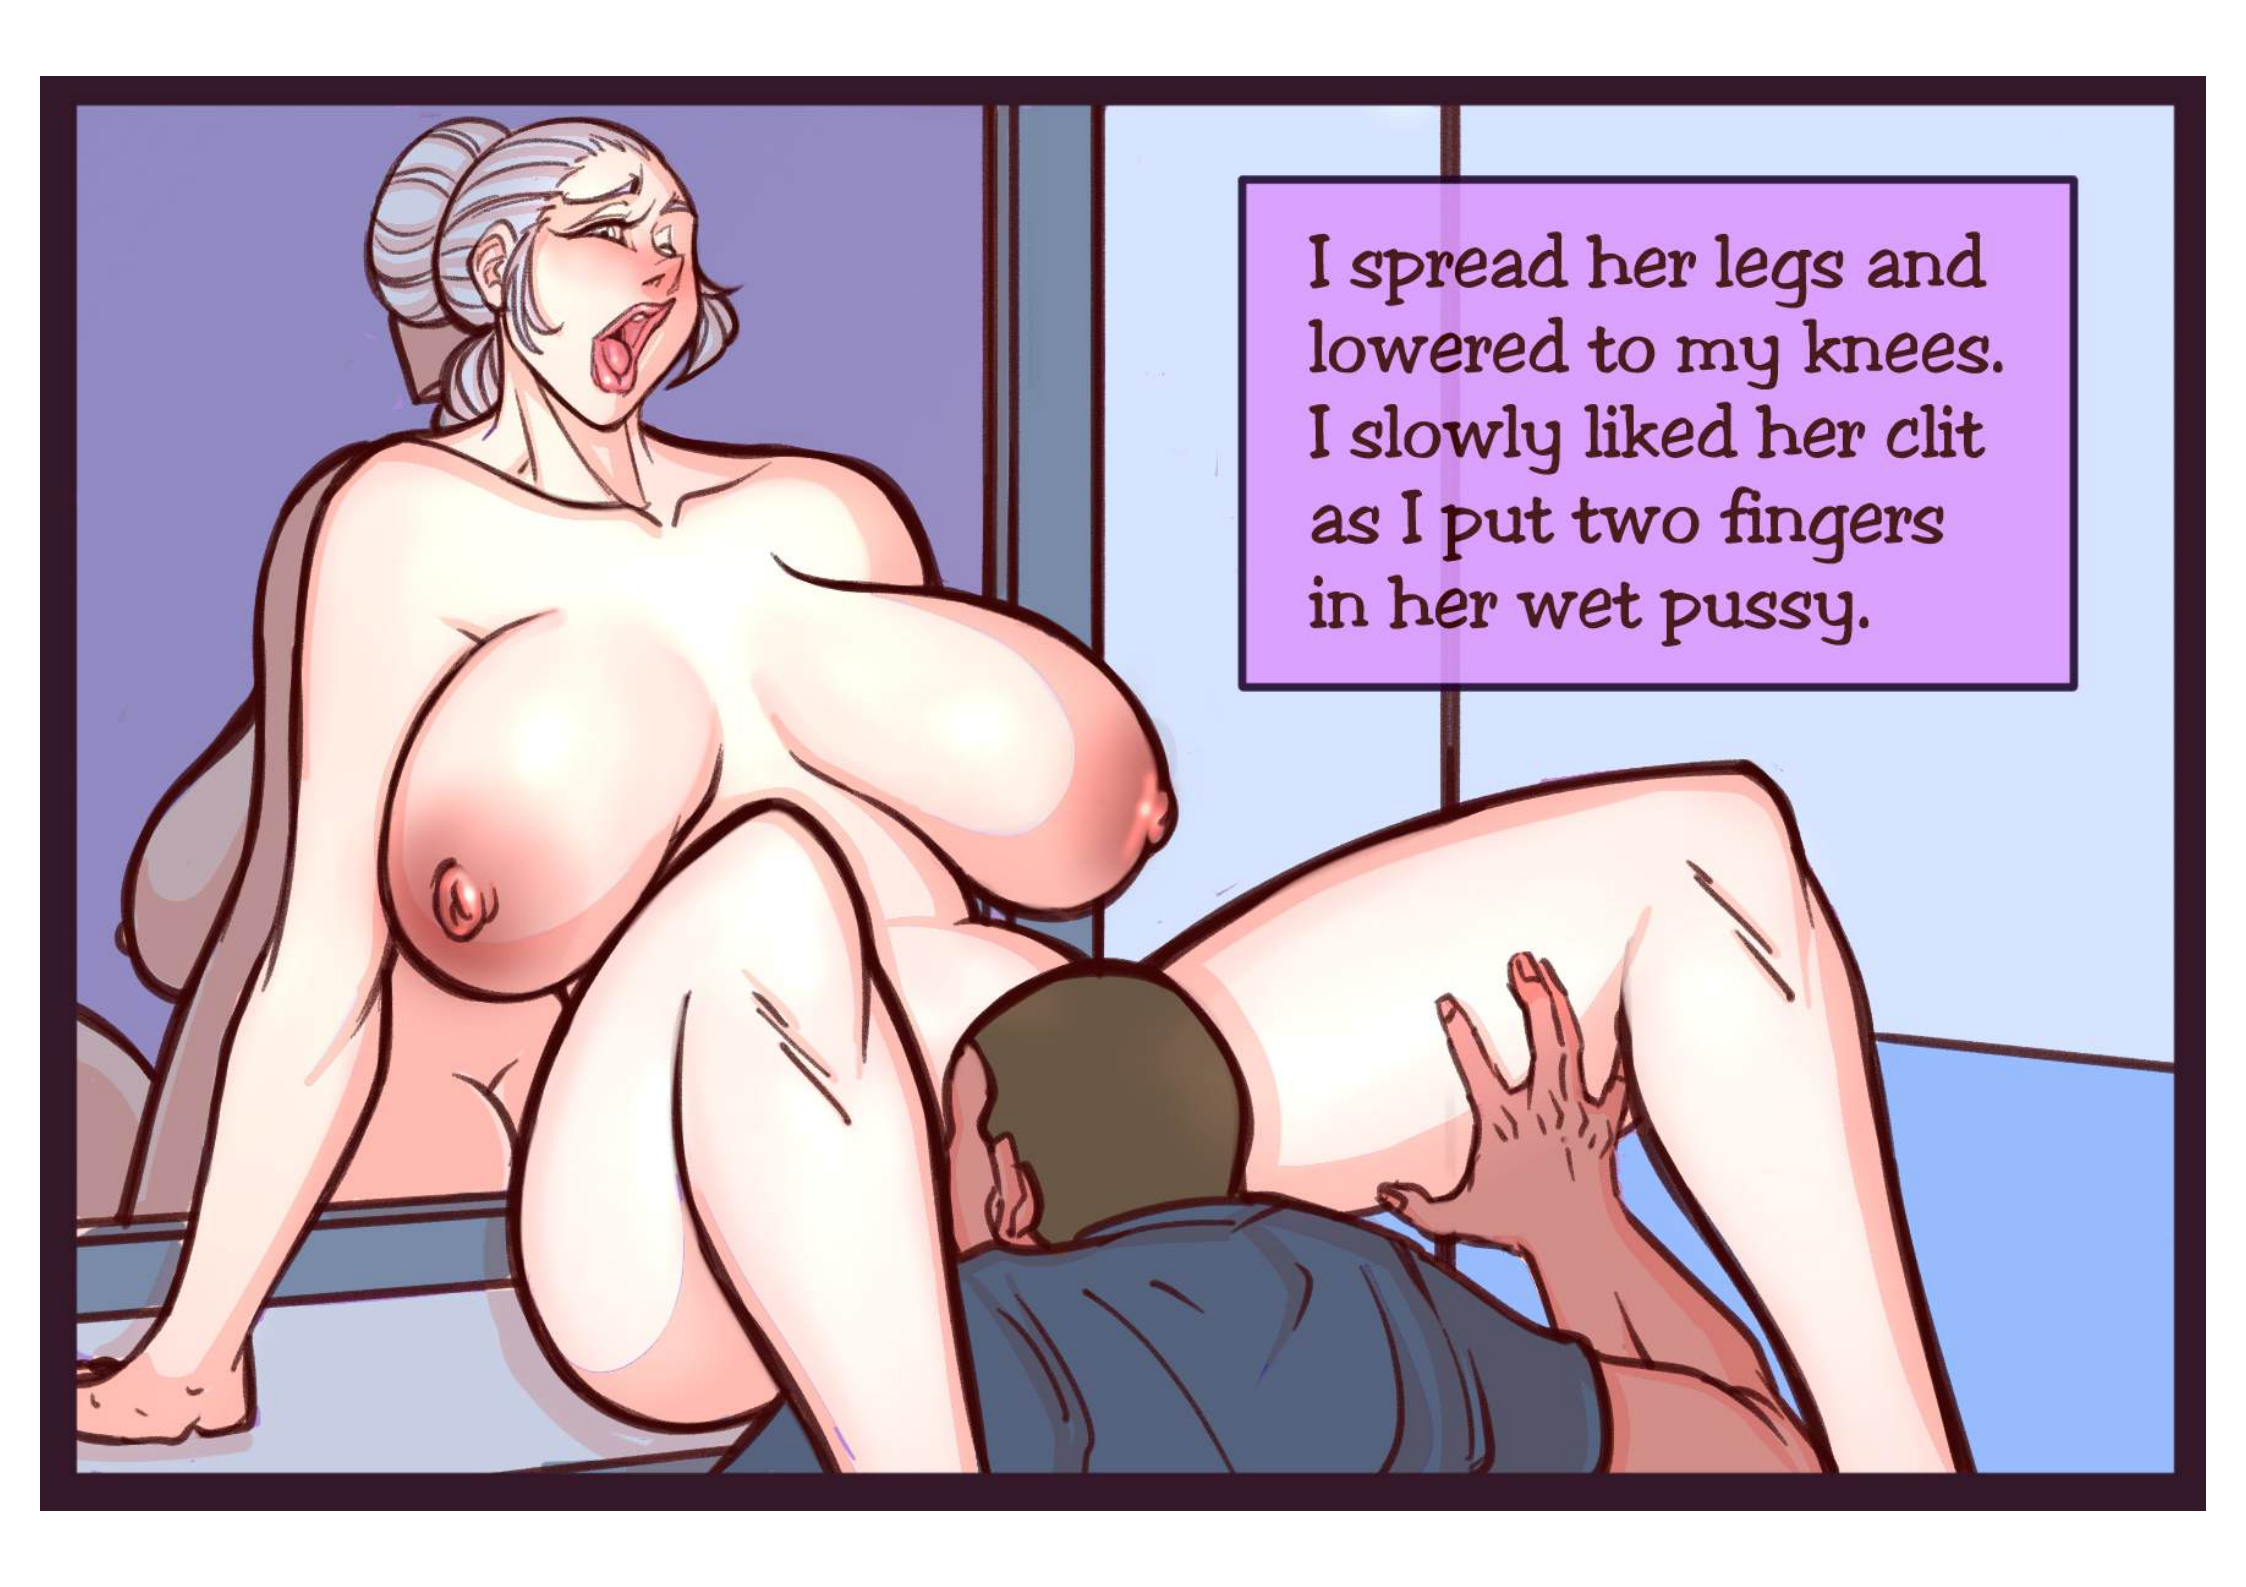

"God Tyler I have wanted this for so long, but couldn't figure out how to do it." Sophie said.

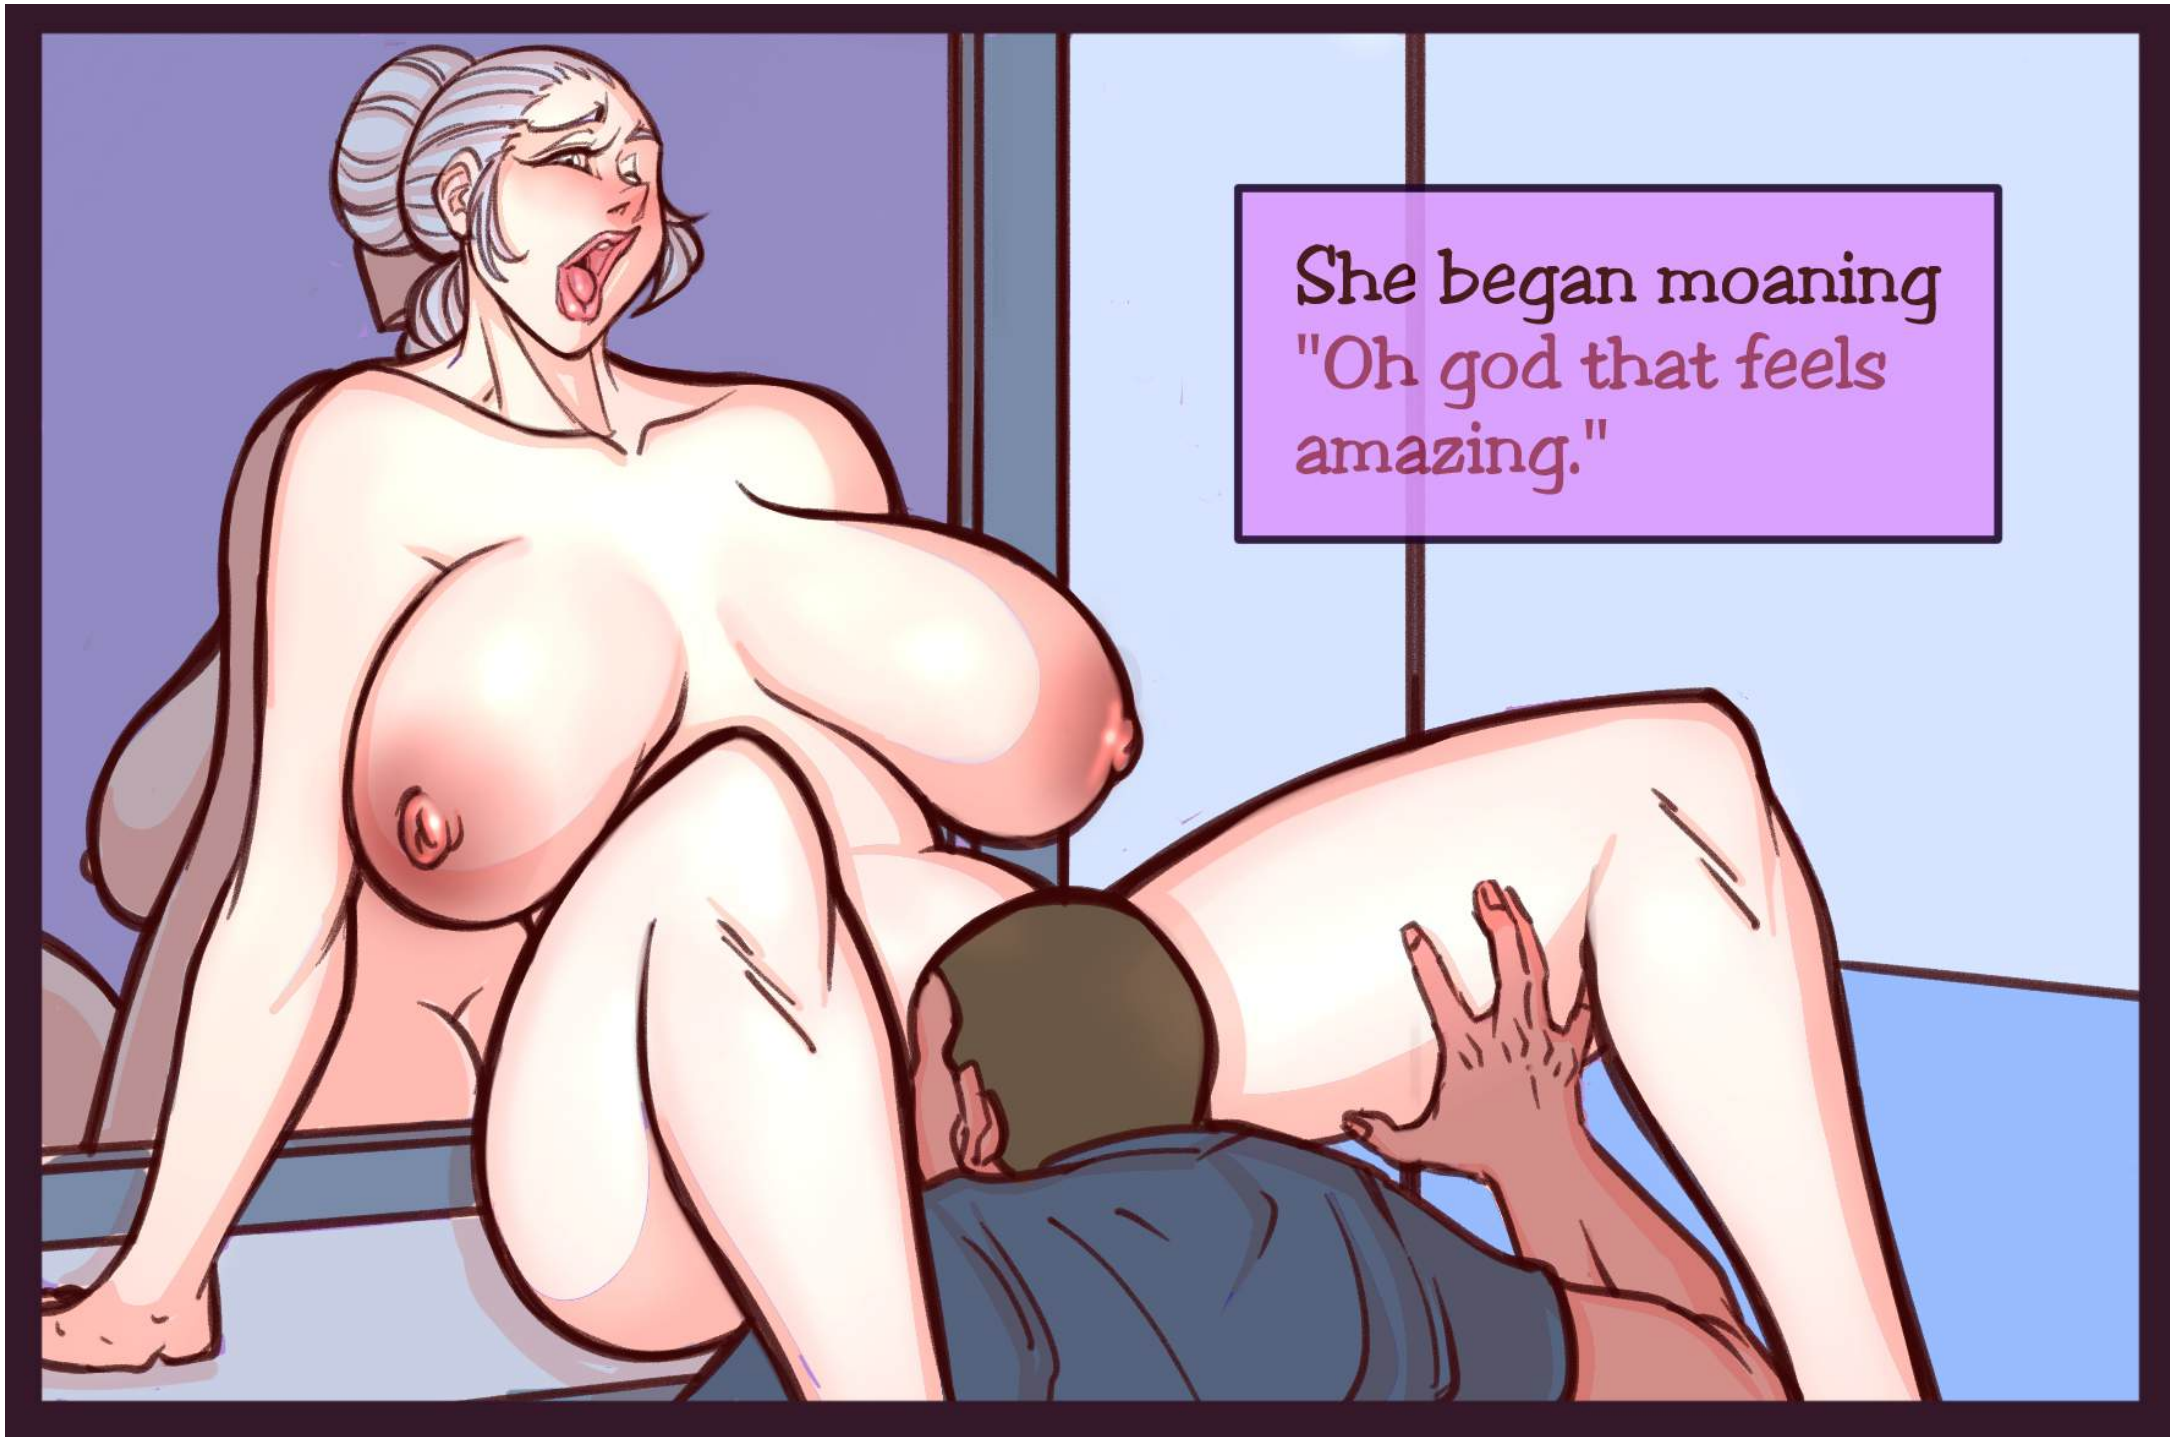

I then turned Sophie
around and lifted her
onto the bathroom
counter.

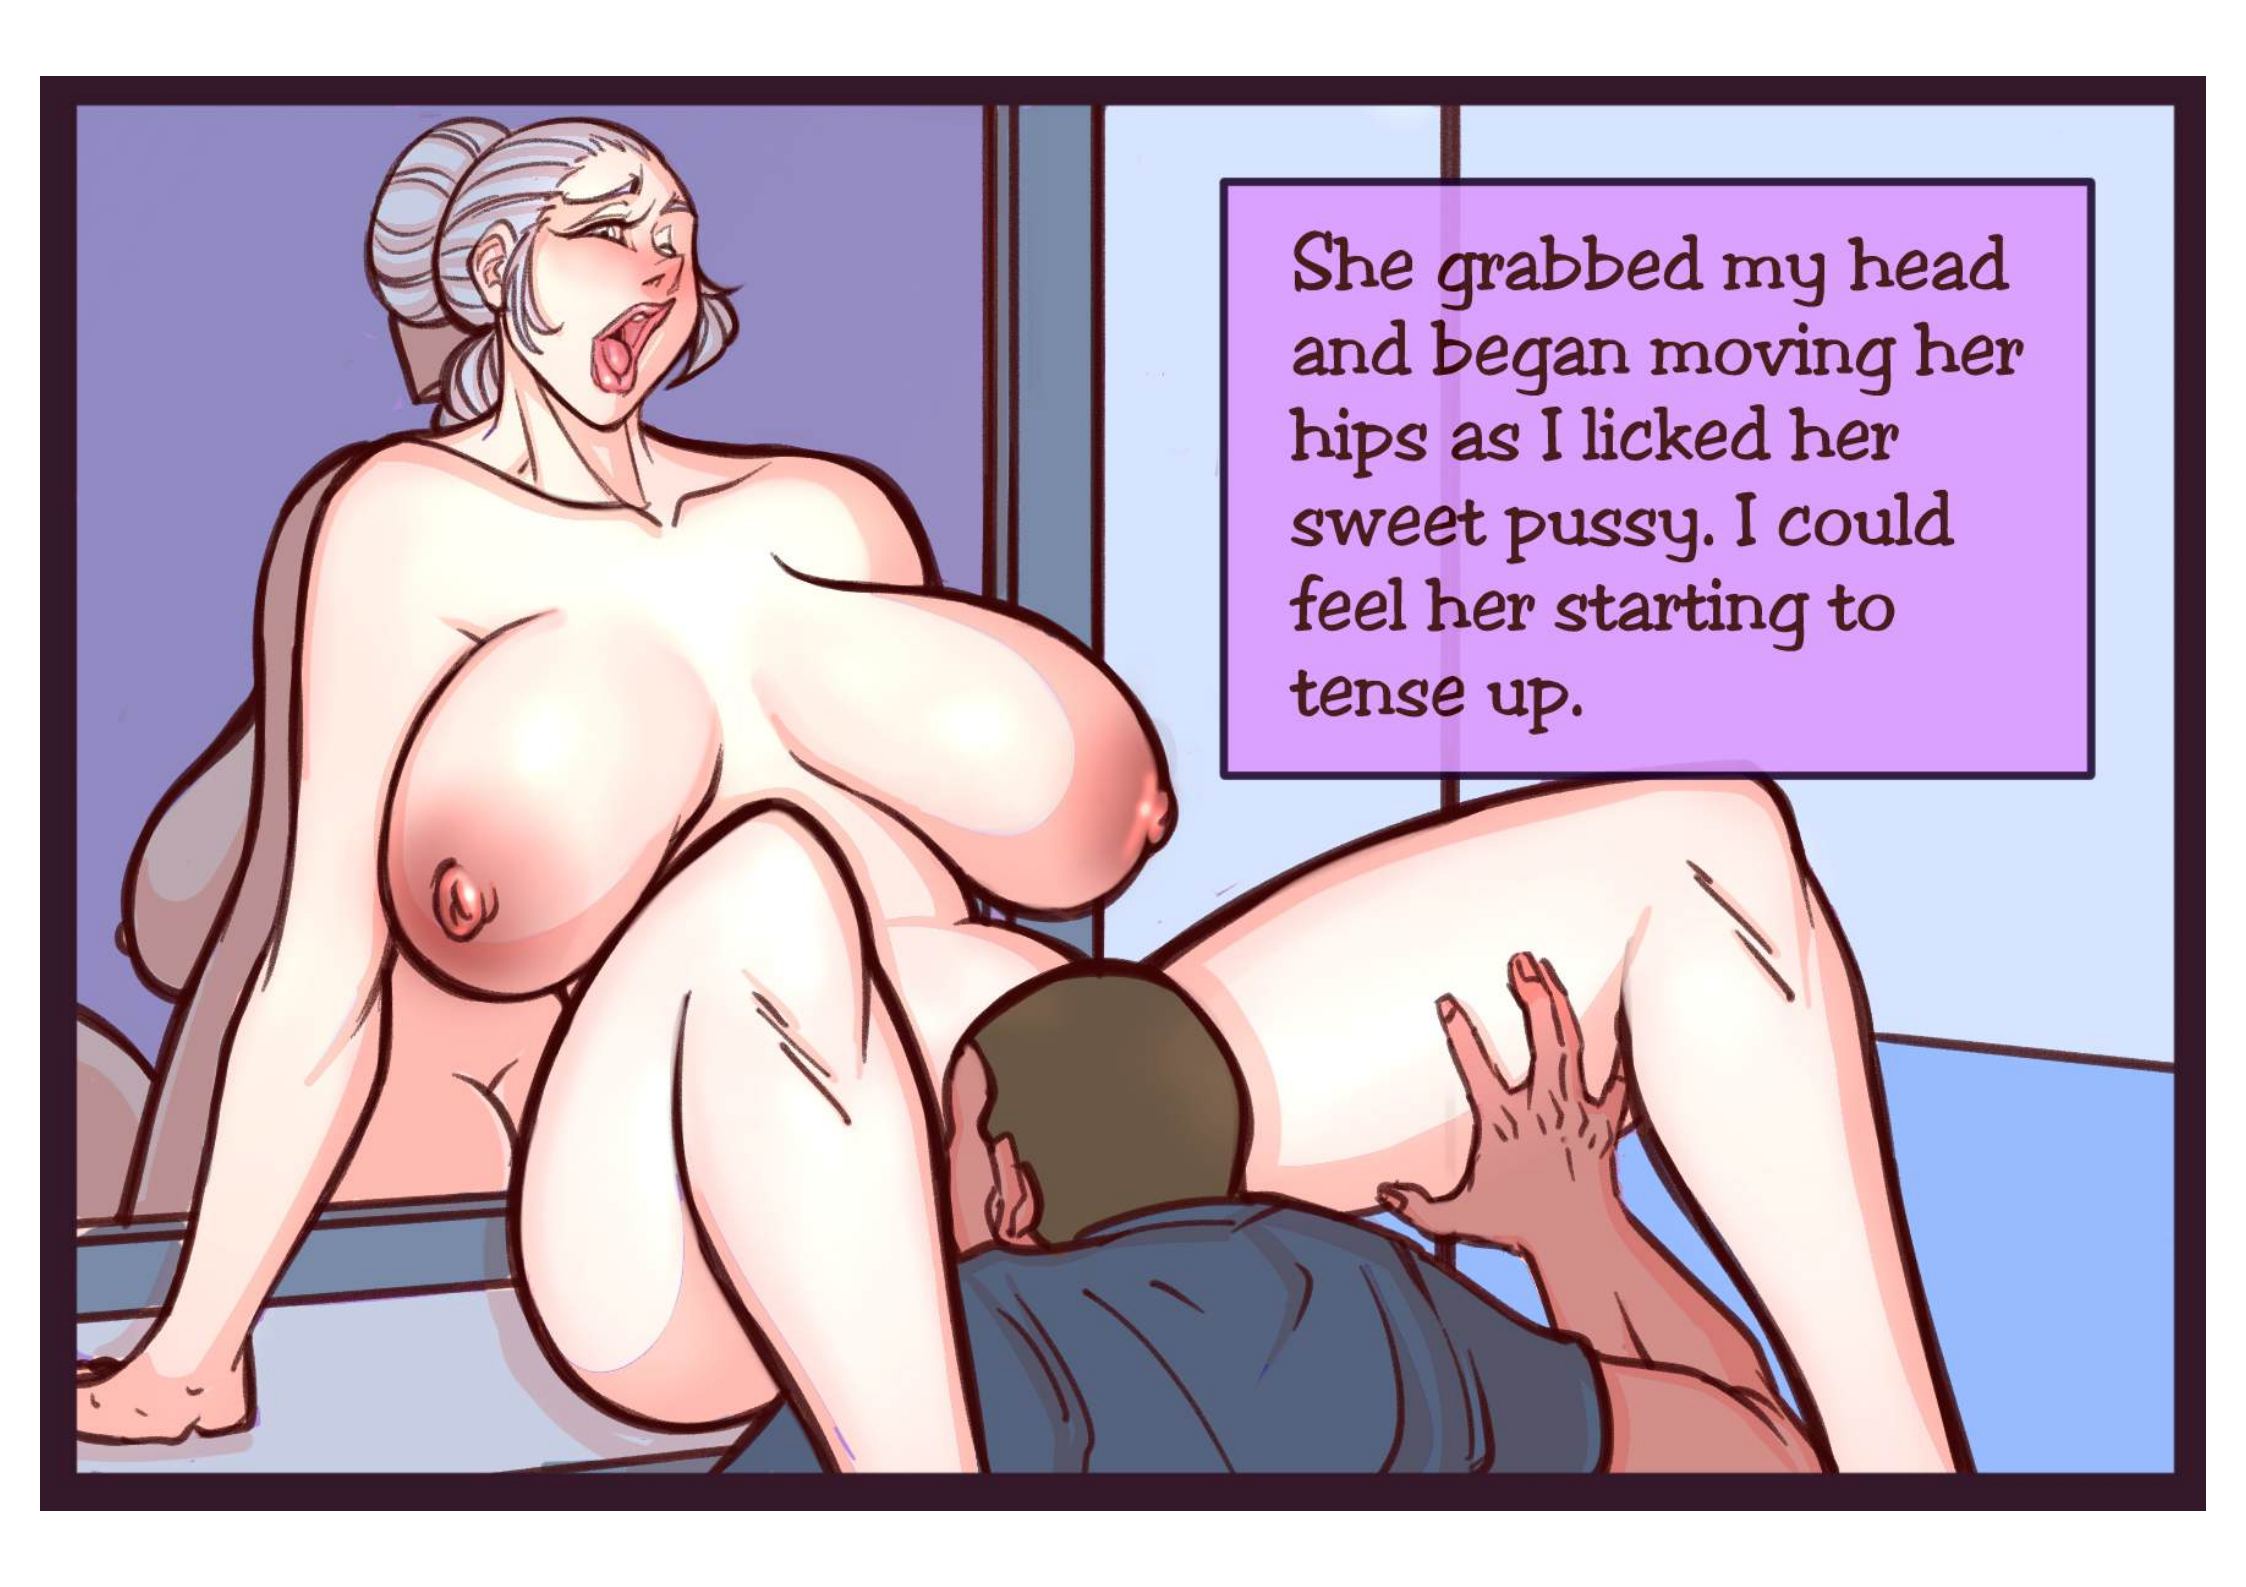

I spread her legs and lowered to my knees. I slowly licked her clit as I put two fingers in her wet pussy.

She began moaning
"Oh god that feels
amazing."

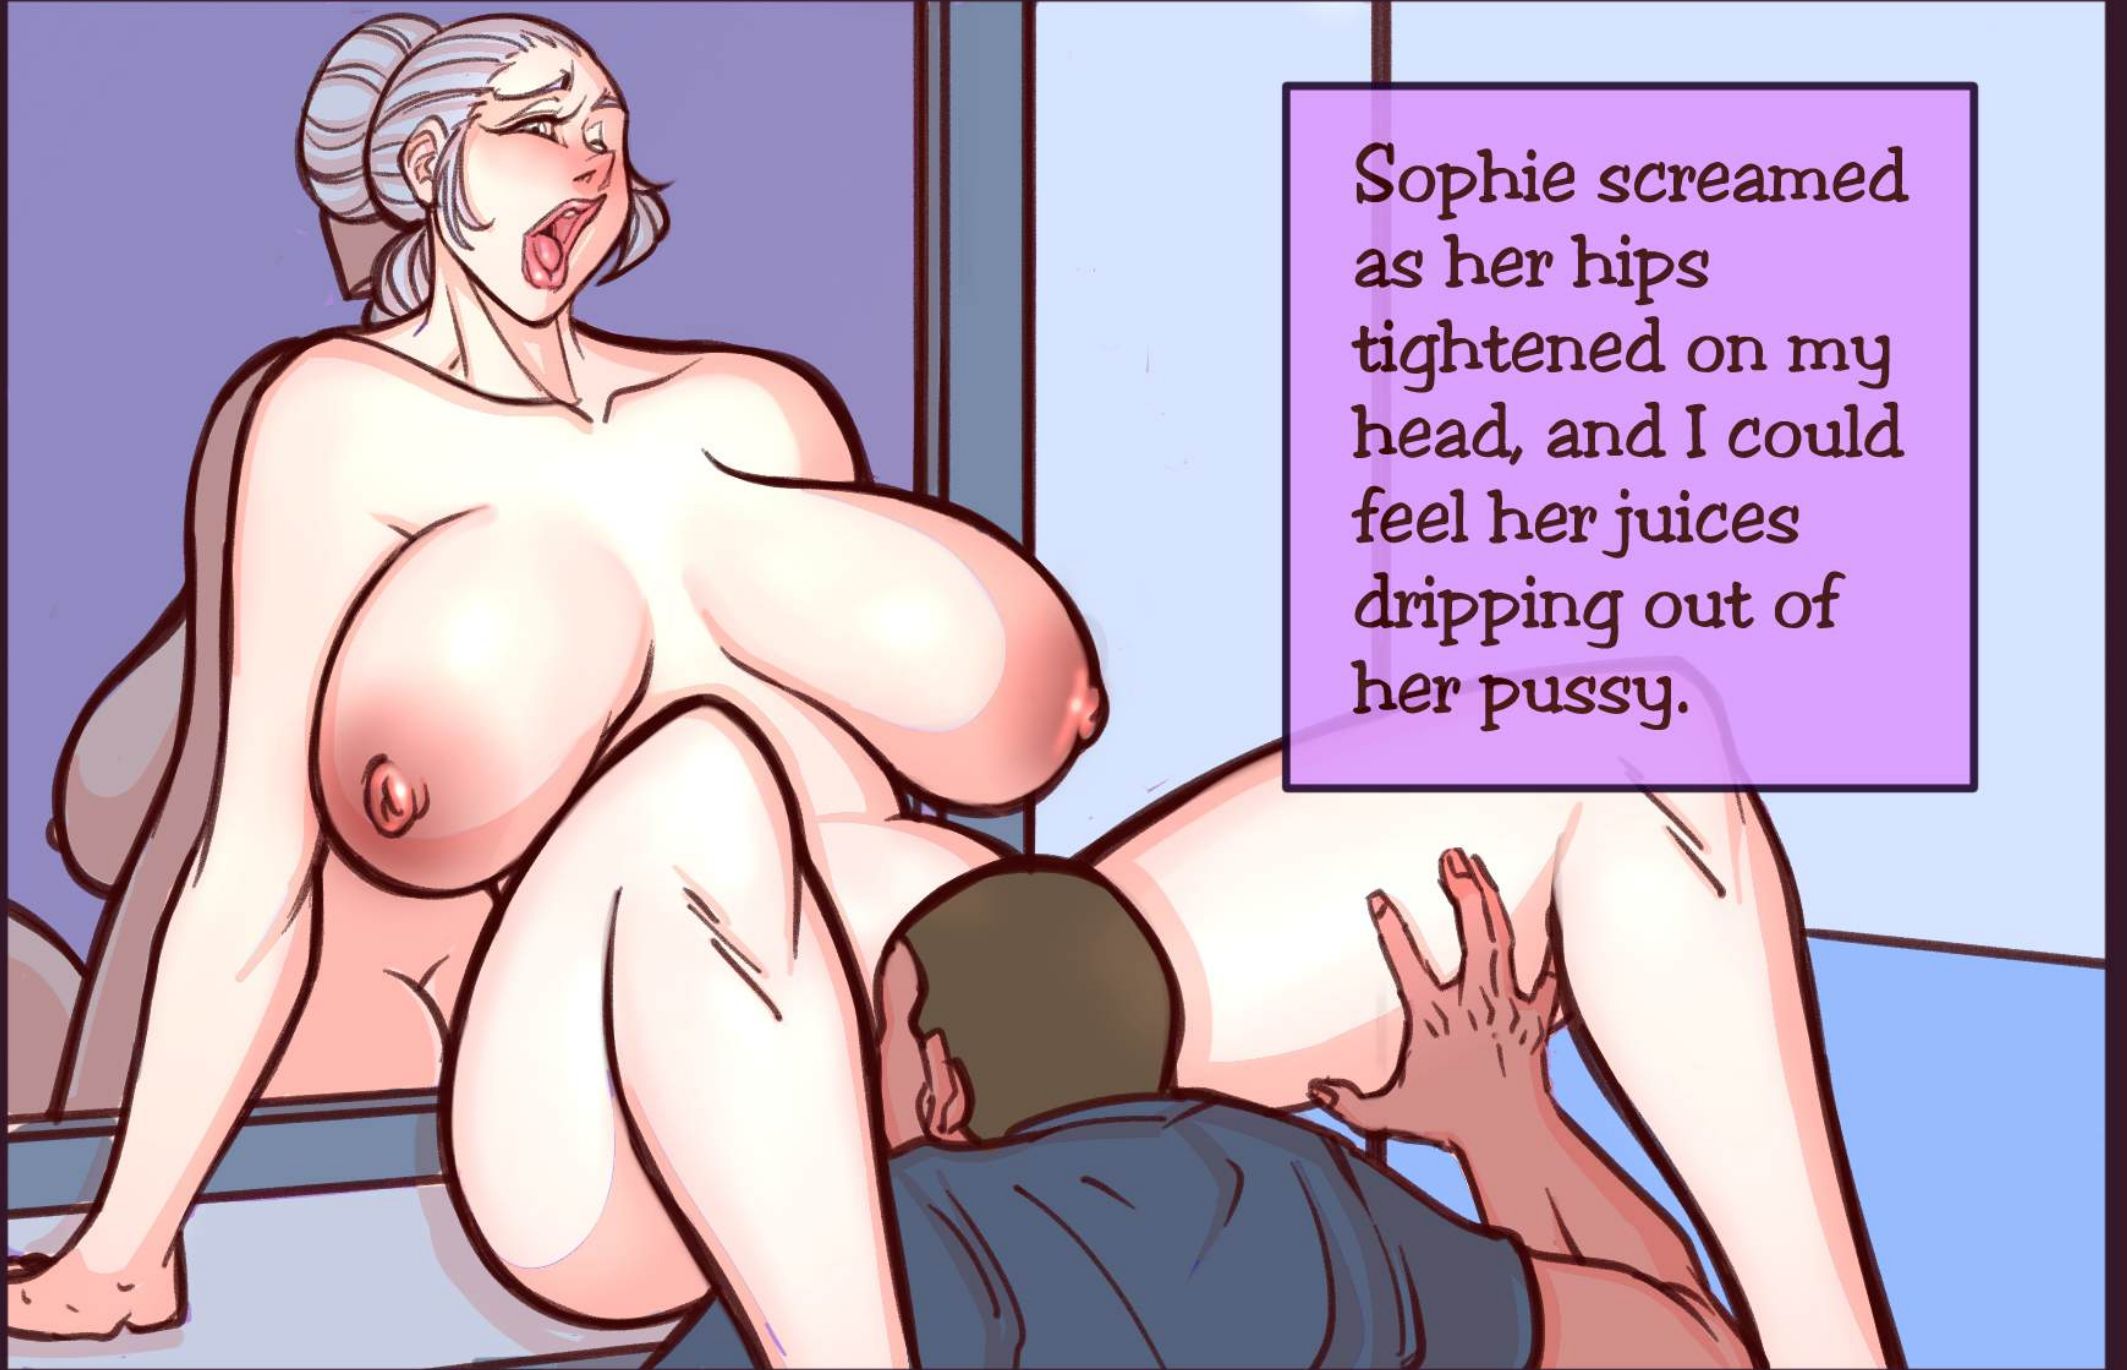

Her pussy tasted fantastic as I slid my tongue down, and began sliding it in and out of her wet pussy.

She grabbed my head and began moving her hips as I licked her sweet pussy. I could feel her starting to tense up.

"Oh my god Tyler,
don't stop I am
cummiiiiinnnggg!!!"

Sophie screamed as her hips tightened on my head, and I could feel her juices dripping out of her pussy.

"Get up here and put that big cock in me" Sophie breathed.
