Oh, I'm a 'rich bitch,' am I? Well good, because money means power, and power lets me do whatever I want.
It cost us more than the GDP of some small countries to make it so Becca's boobs could grow bigger than she is, but she's my little baby, so she gets what I want. And I always wanted to be able to grow huge, so I can crush worthless little poors under my feet... Not to mention under my ass, and between my tits...

www.erofus.com

Speaking of which... Let's get bigger!

Yeah mom! Squish that bitch!
Oh I will, my darling girl. We'll squish these peasants together, and all in good time.

That wasn't so hard, was it?
Ugh...
www.erofus.com

You're like some kind of trashy little doll...
www.erofus.com

I suppose it's only fitting that we play dress-up!
www.erofus.com

This thing should come right...
www.erofus.com

Off!
www.erofus.com

www.erofus.com

Please, let me down!
www.erofus.com

Now, let's take off your little bikini bottom...
www.erofus.com

www.erofus.com

I don't want everyone to see me naked!
www.erofus.com

www.erofus.com

Now, you two! Strip down! If I'm going to be naked, you little skanks are too!
www.erofus.com

I said to get naked!
www.erofus.com

Maybe you didn't understand what I meant by 'naked'...
Okay, Okay! I'll get naked, just don't step on me!
www.erofus.com

Aagh, okay, okay...
www.erofus.com

Oh, don't be shy.
This is humiliating...
www.erofus.com

I hope you two are enjoying yourselves, because I'm just getting started.
Aagh, my hair!
www.erofus.com

www.erofus.com

Let's see if you fit between my cleavage!
What, no! Wait!
www.erofus.com

I'll try not to squeeze my breasts together too hard, I'd hate to squish you so soon...
What are you going to do with me?
