GIANTESS ERODREAMS2

1. The first step in the design process is to define the problem and the goals of the project. This involves understanding the client's needs and the context of the project.

2. The second step is to generate ideas and develop a concept. This involves brainstorming and creating a series of sketches and models that explore different design options.

Despite of that, he continued normally with his life, he enjoyed sports and video games, he even had normal size friends, and today he was going to pay a visit to his neighbor, who was also his friend from childhood and classmate, Jenny...

Jeeenny!!...

Jenny told Steve to whistle loud instead of knocking the door, so he wouldn't need to climb up the stairs, but it was already 15 minutes since he was doing that and he didn't get any answer...

Maybe it was not a good idea just to whistle, I think it's better if I climb up and knock the door...

But when Steve was about to climb up, someone opened the door...

I think I've heard a whistle, but it seems there is nobody out here...

oh, it's Jenny's mom!, she's so huge!...

...and when Jenny's mom was about to get inside, she realized about the tiny guy at the entrance of her home...

oh, now I see who was whistling...

A giantess woman with large breasts and a yellow patterned headband is kneeling in a doorway. She is wearing a red patterned one-piece swimsuit with black trim and blue underwear. She has a confident, slightly teasing expression. A tiny man in a white shirt and dark pants stands on the floor in the bottom left corner, looking up at her. The scene is set in a room with a wooden door and a white wall.

Hi little Steve, are you the one who was whistling?, what are you doing out here?...

Hello Mrs. Brown, sorry for that, I was just looking for Jenny...

*Oh! but she's not at home now,
but you can get inside and wait
for her...*

*mmm..., I think it would be
better if I just come back
later Mrs. Brown...*

*nonsenses!... you're
always welcome to our
home Steve...*

SRUNG

I'll take care of you until
my daughter arrives!

th...thanks Mrs. Brown, but that's not necessary...

I told you before not to call me "Mrs. Brown", you can just call me Helen, besides it's strange that your mom didn't take you here as usual...

She was not at home and I just wanted to know if Jenny was better, she had been sick and missed some classes...

holy cow!, her boobs are sooo big!...

A 3D rendered scene featuring a woman with long, dark brown hair tied back, wearing a yellow and blue patterned headband and a red lace-trimmed top. A speech bubble above her contains text. In the background, there is a wooden door, a mirror, and a wooden shelf with various decorative items.

Ooooh!, you're so sweet!, you were worried about her, but yes, she's much better thanks...

Steve blushed when his head was rubbed by Helen's finger

y...you're welcome...
Helen... *giggle*

you shouldn't be so shy
Steve... hahaha...

While Helen and Steve were talking, Kelly, the youngest daughter showed up...

Mom!, mom!, with whom
are you talking to?, have
we a guest?...

Yes Kelly, it's Jenny's friend and he's here...

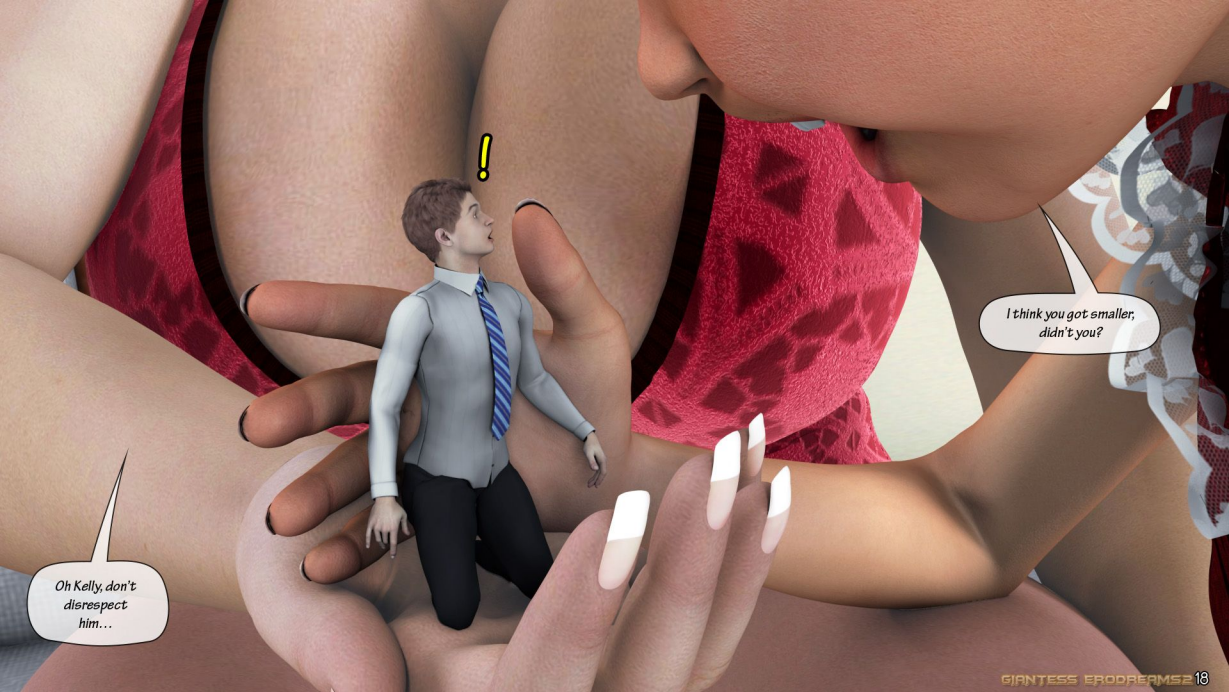

where mom?!, where is he?!, I can't see him!...

you!

Gulp!, it's Kelly... I think
she grew up more since the
last time I came...

Oh Kelly, don't disrespect him...

I think you got smaller, didn't you?

*but mom, look!, he fits on
my palm and my finger is
stronger than him, hahaha!*

*it's because you're
growing up sweetie...*

Kelly continued rubbing Steve's body, he was getting excited

this is bad, when she rubs me I'm getting horny!

PUM!

Oh!, I think I feel something hard down there...

no more!, damn it!, if she continues I'm going to blow up!...aaaah!...

RUB
RUB

*hahaha! Kelly, be careful with him,
you can break his bones with just
one finger, be nice...*

Alright Kelly, stay here and take care of Steve for a while, I'm going out to buy some medicines for Jenny....

*no please!, Helen!, don't
leave me alone with
your daught...*

Alright Steve, what would you like to do?...

uhmmm Kelly..., I'd like just to sit on the sofa and watch TV until Jenny arrives and...

The poor Steve was now trapped in his best friend's home but with her little sister...

No!, that's boring!, let me show you my bedroom, we can have more fun there!

I just hope that Jenny or Helen come back soon!, I have a bad feeling about this!...

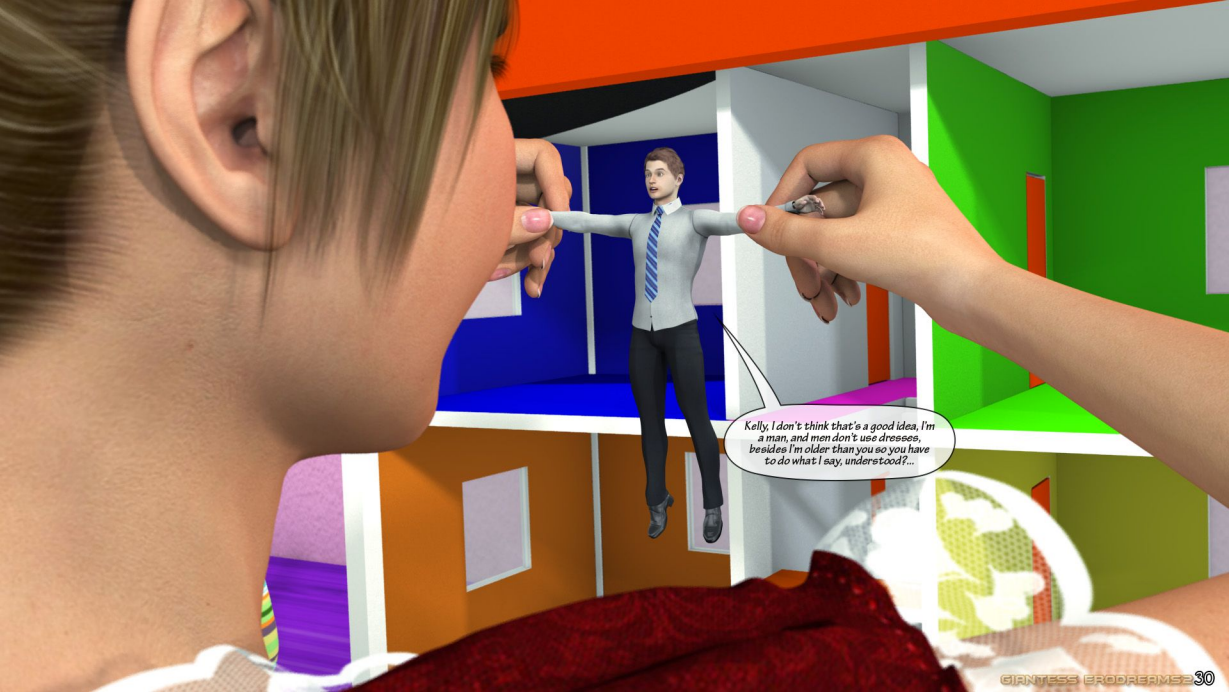

welcome to my bedroom
Steve, here I have a lot of
dolls and toys...

GULP!

...you know?, you have the size of my Barbie dolls, so I could use some of their dresses on you too...

Kelly, I don't think that's a good idea, I'm a man, and men don't use dresses, besides I'm older than you so you have to do what I say, understood?...

Kelly didn't listen what Steve said, so she began to undress him...

Hey!, what are you doing?!, Kelly please!, don't do it!..

1. The roof is made of wood.

2. The walls are made of brick.

*...besides, this is the first
time I see a man naked, what
should I do with him?...*

Kelly didn't need any effort to push Steve with her finger...

...alright, just relax
Steve, stay right there...

no!, wait!...

Please Kelly!, this is not funny!, give my clothes back!, if your mom comes back, she'll be very upset!...

Steve, why your hands are between your legs?, what are you hiding?...

ouch!, no, nooo!...

mmm... , let me see!...

is this what you were hiding?, but
how little thing it is!... *giggle*

someone do this to me!...

Kelly was curious, so she touched Steve's dick and began to rub and move it, Steve was getting excited...

mmmm, I feel that little thing getting harder... and I'm feeling strange... what it could be?... maybe I could taste it...

Kelly grabbed Steve and opened her mouth...

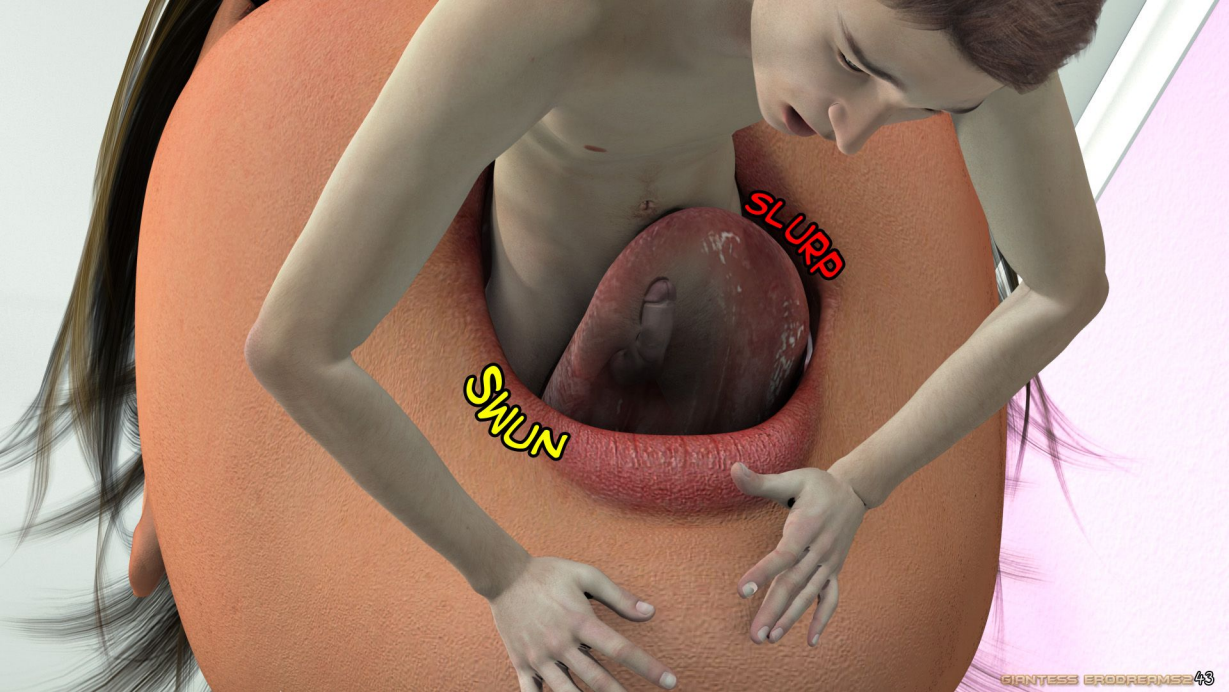

Hey!, Kelly!, what are you going to do?!, wait!...

Kelly put Steve inside her mouth...

by a girl...

Kelly tasted something strange so she realized that having Steve inside her mouth was a bad idea...

Aaaargh..., it's bitter!,
what did you do Steve?, it's
so disgusting!

ouch..., don't make
me tell you....

Anyway!, we're having fun together, don't you think?, and look!, I have many Barbie dresses here for you!...

mmm... I think this dress
will look good in you!, try it
on!...

I think I'd look much
better with my own
clothes, Kelly...

Kelly didn't care what Steve said so she dressed him up...

Waaaaa, you look great Steve!, you're even cuter than my dolls... *giggle*

Steve feels himself humiliated by a girl but he couldn't do anything to stop her...

SWUM

...and now, let's dance!, la la lara, lara la la laaaa!

SWAM

Minutes later, Amber, the middle sister, opened the door...

Hi Amber, mom is not here, she went out...

fun together...

Amber!, don't be so rude!, Steve and I are having a good time!...

you'll see Amber,
I'll tell mom!

sorry Kelly!, don't be so
selfish, besides I think he
prefers spending time
with me!...

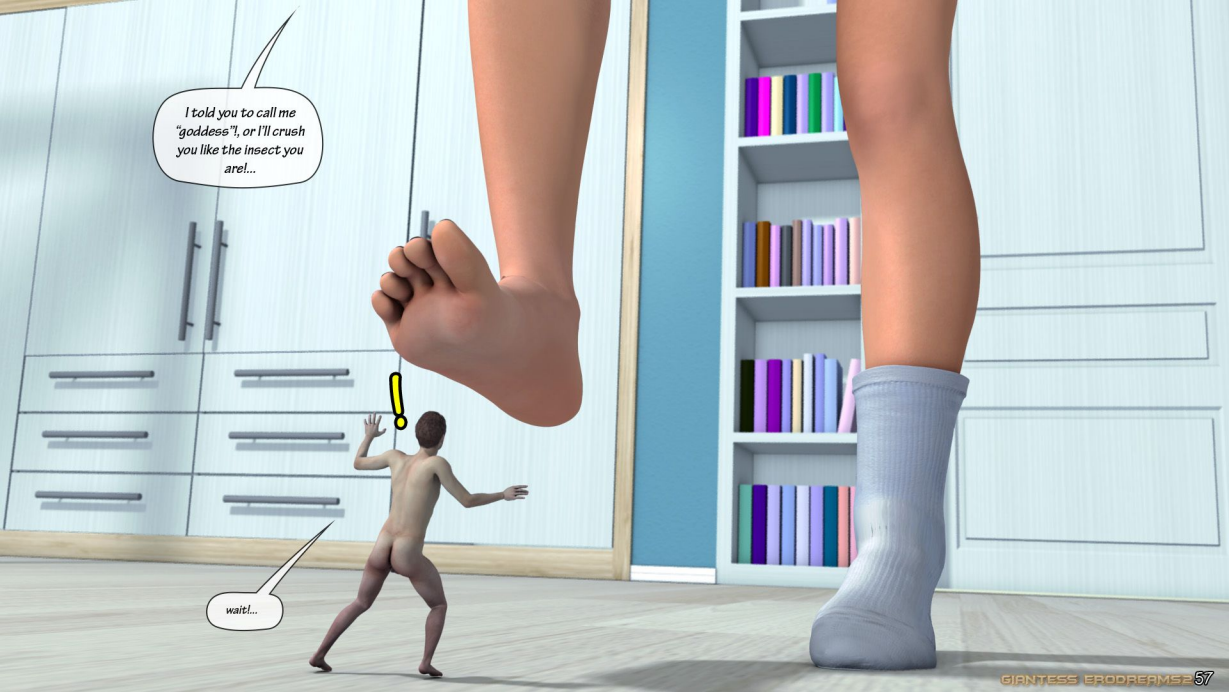

In Amber's bedroom, Steve was on the floor, naked and a little nervous to be with her alone...

Amber..., thanks for taking me with you but..., uhmm..., I think you forgot my clothes in Kelly's bedroom...

I'm sorry Steve, but since my mom or Jenny are not here, when you address me, you should call me "goddess", understood?...

are you kidding me Amber?

I told you to call me
"goddess", or I'll crush
you like the insect you
are!...

wait!...

*now, lick my feet, remember
that I'm a goddess for you!...*

Minutes later, Steve found himself taped down on the desk...

Amber?... what is it?, what do you have in mind?...

Oh Steve, how do you feel that a younger girl treats you like this?, do you enjoy it?, hahaha...

AAAAHHH

SUCK SUCK

Amber continued torturing Steve who was in pain when fortunately Helen opened the door...

Amber!, what do you think you're doing?!, this is not the way we treat guests here!...

mom?!..., we were...just playing... that's all...

AWHH!

Helen scolded her daughter then she took Steve to the bathroom with her

don't worry, I'm fine Helen...

I'm so sorry little Steve... my daughter Amber is a nice girl, I'm pretty sure she regrets for what she did...

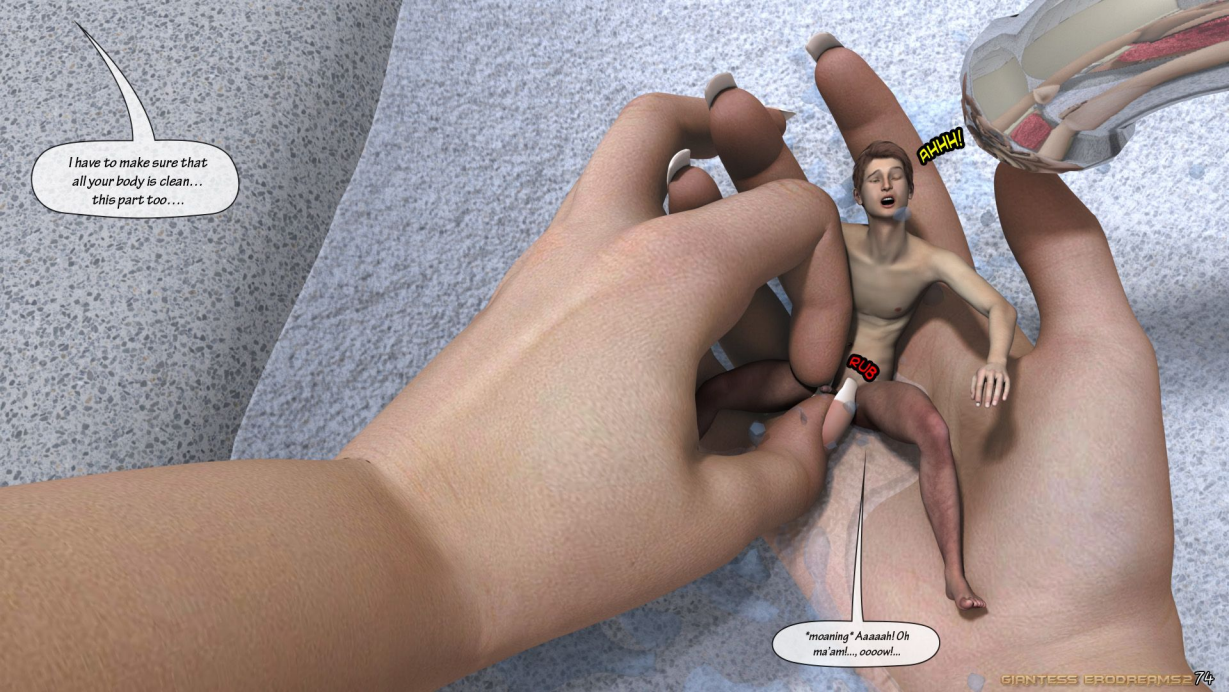

Steve could feel how Helen rubbed all his body, he was really enjoying that...
