It was a dark night, and it had just stopped raining...

Erie noises could be heard down the street...

And with a queasy feeling in my stomach, I approached the wooden door and knocked...

Knock

Knock

I went for this awesome costume and Jake just puts on some f***** sheets?!

Forget about that!

It's horrible!

The party isn't rocking at all!

Really man?

You're going with the ghost?

What's wrong?

Yo! Dude!

Jake invited all the nerdy bunch and the girls are not really up to party!

That about sums it up... some of them do not even have proper costumes!

Neither do you...

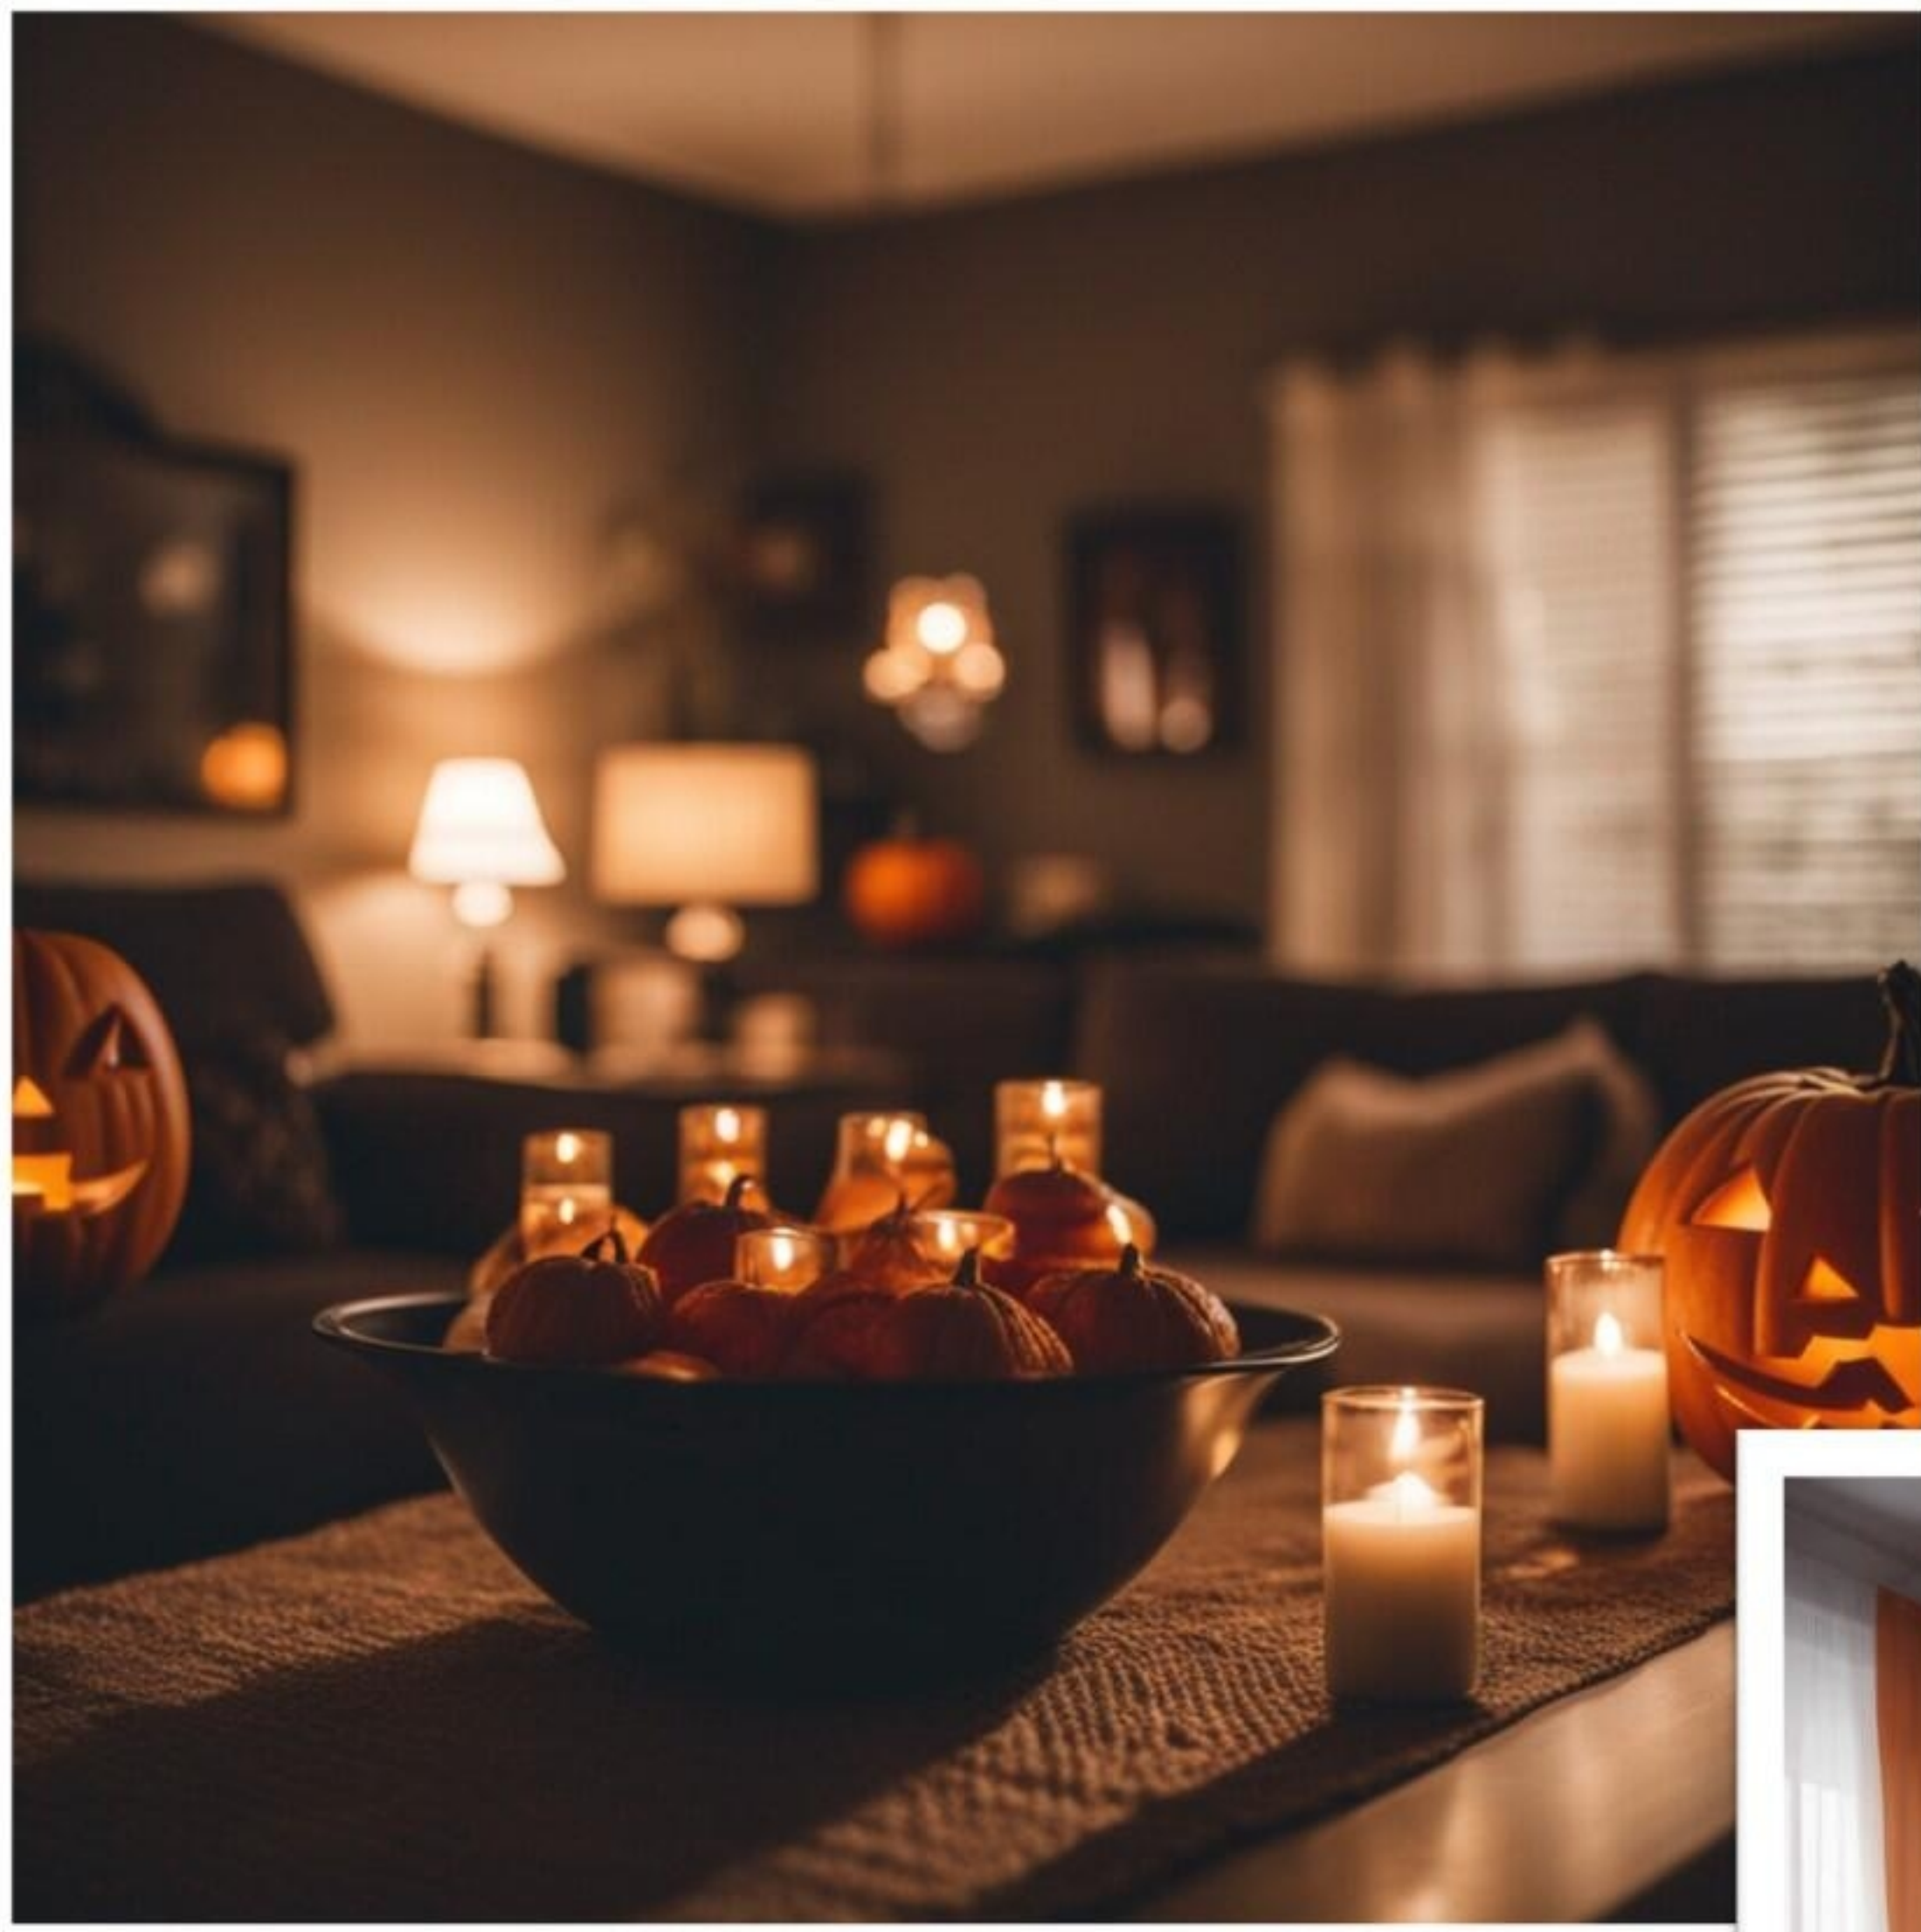

A solution!

Fear not my narrow-minded friends – for I have...

The Stickerbox!

They just laugh at me... but hey, they don't know what I have here!

I ignore them and enter the house. Nicely decorated! What Jake lacks in terms of costume he made up for in decoration, I guess.

Maybe he went a little heavy on the pumpkins...

Anyway, I settled in and went to work... starting with Becca - she was dressed as a nurse! Nice!

Hey, Becca!
Having fun?

Ha-ha!
You're funny!

Worst
party ever!

Becca was my ex...
though ex might be a
big word... we had a
little fling some time
ago... and we are still
on friendly terms...
but no more sexy
action...

Urgh!
What is it with
you? Are you just
trying to be cheery
or hitting on me?

Well, let's
spice this
party up then!
chuckle

I'm not gonna take any drugs!

Don't worry! It's nothing illegal... I think.

It's just this...

Bimbo

smack

And with that, I smack one of the stickers on her thigh and wait in anticipation...

Da fuck?

Bimbo

Look, you might
be able to like
impress some of
your floozies or
whatever with
that...

A sticker?
Saying Bimbo?!

But Becca's like a so... sophis... smart girl!

Were you trying to say "sophisticated"?
chuckle

Bimbo

In front of my eyes, I could see Becca's hair turn from her usual brown color to blonde. Also, I think it's getting a tad longer!

Yes! Like totes what you said!!

Wait!

Why like Becca talks funny and shit?

Bimbo

Well... maybe you are more of a bimbo than you'd have thought?
chuckle

You Meano!
Becca like is no Bimbo!

Bimbo

Yup! That sticker was totally working!
Nice!

But thinking is getting hard, no?

Well... like yeah. My head's like all fuzzy and stuff...

A woman with blonde hair and glasses, dressed as a nurse in a white uniform with red accents and a white cap with a red cross. She has a shocked expression with wide eyes and an open mouth. She is standing in a living room with a blue sofa, an orange sofa, and a coffee table. There are framed pictures on the wall and a pumpkin on the orange sofa. Two speech bubbles are overlaid on the image, and a name tag is on her thigh.

Wait a second!

You like totes did something to me!

Bimbo

I watched on as Becca's hair got really long. Even her uniform adjusted and became sexier!

O.M.G.!!

It's like that sticker, isn't it?!

Mia Khalifa

A woman with blonde hair, wearing a white nurse costume with red accents and a red cross on her cap, stands in a living room. She has a surprised expression. A pink sticker with the word 'Bimbo' is on her right thigh. The room features an orange leather sofa on the left, a white sofa on the right, and a wooden coffee table in the background.

Don't be silly
Becca. How
should a sticker
do that?

But... like...
Becca's
changing!

A woman with long blonde hair, wearing a white nurse costume with pink accents and a nurse's cap, stands in a living room. She has very large breasts, which are highlighted with red curved lines. She is looking towards the camera with a surprised expression. The room contains a white sofa, a coffee table with a pumpkin, and a doorway in the background.

You sure
about that?

Like, fuck
yeah!

Look at me
boobies!

They are like
fucking ex...
expa... getting
bigger!

She certainly was right about that. Her Boobs were getting bigger. A lot actually! **Nice!**

Really? I don't notice anything different about you, Becca. *chuckle*

Like really?
You are like sure
these are not
bigger?

They look
fine to me.
chuckle

Phew!
Then I just like
im...imag... made
that up, I guess.
giggle

Becca's like
such a clutz
sometimes.
giggle

Bimbo

That's fine.
Everybody loves
a clumsy bimbo.
Especially at a
party!

Awww.
You are like
totes sweet!

Bimbo

A woman with long blonde hair, wearing a white nurse's cap with a red cross, a white short-sleeved top with a pink zipper, and a white mini-skirt, stands in a living room. She has very large, prominent breasts. The room contains a white sofa with a red cushion, a lamp, and several jack-o'-lanterns. Three speech bubbles are overlaid on the image.

Speaking of party. Like we should totes get this one going!

It's like boring ass fuck! *giggle*

Sure, sure. However, before we do that, nurse. I have a little... I mean **BIG** problem... down here...

And I could really need your medical expertise...

A woman with blonde hair and blue eyes is dressed as a nurse. She wears a white nurse's cap with a red cross, a white short-sleeved nurse's uniform with pink trim, and a white button-down skirt. She has extremely large, prominent breasts. She is also wearing white thigh-high stockings with white garters. A pink name tag is pinned to her chest, and a pink name tag with the word "Bimbo" is attached to her garter on her right thigh. She is standing in a living room with a black leather sofa, a red cushion, and a framed picture on the wall. A jack-o'-lantern is visible in the bottom left corner. Three speech bubbles are overlaid on the image.

giggle
You know, this is
just a costume.
I'm not like really
a nurse...

Well... err...
yeah. But you
should get into
your role, no?

And I'm sure you
won't have any
trouble making
this swelling go
away...

Holy... Bimbo
Logic was totally
working on her
now!

Huh... I
guess you
are right.

Bimbo

Becca's expression turned all lusty from one moment to the next.

Well then, I hope you are ready.

Cause nurse
Becca is gonna
make you pop.
giggle

And she got down
on her knees right
before me... giving
me a marvelous
view of her now
impressive
cleavage!

Bimbo

You like that?

It does only a moment and she has me out of my clothes and my dick between her massive melons!

A woman with blonde hair and blue eyes, wearing a white nurse's uniform with a red cross on her cap and white gloves. She is smiling and looking at the camera. A large, realistic-looking penis is visible in her cleavage. The background shows a living room with a blue curtain and a lit jack-o'-lantern on a table.

I wonder
why we did
not do this
sooner.

Cause you were pretty
much flat up top!

I... *groan*...
don't know
either.

Your tits feel amazing wrapped around my cock, Becca!

SPIT

Wanna take a
better look?

Here ya, go!
Stare all you want
as I bounce them
up and down along
your shaft!
giggle

A woman with long blonde hair, wearing a white nurse's cap with a red cross and a white nurse's uniform with red trim, is shown from the chest up. She has a large, realistic-looking penis in her mouth, and a clear liquid is dripping from her tongue. Her eyes are wide and she has a playful, slightly mischievous expression. In the foreground, two large, realistic-looking breasts are prominently displayed. The background shows a living room with a dark leather sofa, a potted plant, and a lit jack-o'-lantern on the sofa. A speech bubble is positioned to the left of her head.

Getting close?
It's twitching.
giggle

giggle

Your boobs are amazing! I am getting close!

It takes only a few more strokes of her beautiful balloons and my cock explodes – shooting its load all over Beeca. Some of it she catches with her mouth...

The rest drips
down onto her
funbags –
covering them in
sticky white goo.

There
we go!

Patient like
cured, I'd say.

giggle

slurp

A woman with long blonde hair and blue eyes is kneeling on a light-colored rug in a living room. She is wearing a white nurse's uniform with pink trim and a white cap with a red cross. Her breasts are large and covered in a white, dripping substance. A speech bubble is positioned to her left, and a pink 'Bimbo' sticker is on her right thigh. The background shows a grey sofa, a lamp, and a window with curtains.

Thanks, Becca!
I really needed
that. You are a
life saver!

Bimbo

giggle
Like no problem!
That's what a
good nurse like
does, right?

Gotta go clean
up now... You
like made me all
sticky and stuff.
giggle

A woman with long blonde hair and blue eyes is wearing a white nurse costume with pink trim and a red cross on her cap. She has several white cum stains on her chest. She is standing in a living room with a white sofa, orange curtains, and a jack-o'-lantern on the floor. A speech bubble is next to her.

Sorry?

Don't be!
Becca's like sure
this costume was
made for cum
stains and stuff.
giggle

Great start to
the party! See
you around?

Definitely!

And so, Becca leaves for the bathroom. I stare after her, thinking about how awesome these stickers are!

Gotta go clean up my boobies.

Be like ready for my next patient.
giggle

Bimbo

A little later, once
I've come down from
my after-orgasm
stupor.

Hey
Nadja!

Oh, hi
there.

You think putting on a Cat-ear-headband counts as a real costume?

FUCK OFF!
I did not feel like dressing up!

Worry not, Nadja! I have exactly what you need! *chuckle*

smack

Catgirl

To be continued...

Would it be working?

No!

Well, then I'm just trying to be cheery...

And I have something that will make you enjoy this party. Promise!
