After my fuck with
"Officer Becky"...

I kept laying in Monica's bed for a good
half an hour longer - just feeling content.

When I finally got up, I checked up on
Monica in the closet.

The girl was still standing there – eyes
closed – powered down.

When I made my way back down into the living room the orgy was still going strong.

Especially Officer Becky...

Moan

Moan

whore

...and Officer Paul were still going strong.

I watched for a bit...

Moan

But having cum
three times already
that night I kept to
the sidelines.

While I waited for the party guests to exhaust themselves, I also fixed one small side problem...

Ding

Dong

Remember, the police told us it was a neighbor ratting us out. **And it was kinda obvious which one!**

What do you want? Here to apologize?

Err... Yes Ma'am. We are very sorry for the noise.

To make it up to you ...

So, in order to not have her disturb the party again that night...

iiiiikkkk

I want to give you this!

Smack

Another sticker
was in order!

statue

What
the...

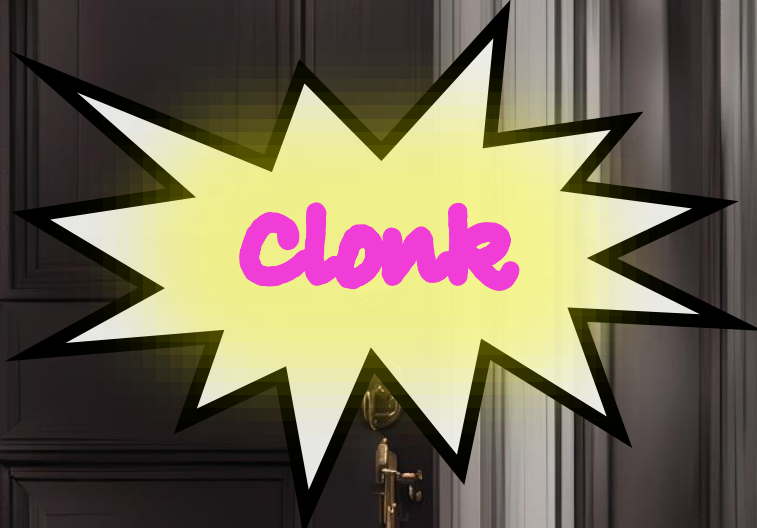

I doubt she'll bug us any further tonight. *chuckle*

Thankfully, she had stumbled back into her house when I stuck that sticker onto her... I would not have been able to move that statue... **It's fucking heavy!**

But as is, I could just close the door behind me and leave the scene with an innocent whistle on my lips.

And after three more hours
of sexual endgame...

The moaning in Jake's house finally subsided as all the guests lay around - exhausted and asleep from all that wild sex... and/or the alcohol.

Peeling off the stickers from the unconscious party guests was easy...

And once a sticker was removed the person transformed back to their original form.

I just really hope...

Party Girl

That the sticker
transformation works as
Contraception...

One after another I turn them all back...

2/16

Though the cum stains seem to stay...

Welcome back, Becca!

Bimbo

I refrain from giving my ex-girlfriend a kiss once she reverts to normal... she's still covered in other guys' juices...

And the best part!

In heat

The stickers are still in one piece. I'll be able to reuse them another time!

Finally with Officer
Becky being the last...

Everybody was back to normal!

I just really hope people won't remember much of this as I try to get a few hours of sleep in before the sun sets.

And really! Once people started to wake up in the morning... or rather make that early afternoon,
The girls did not remember a thing!

Shit!
What did I
do?

I was totally
covered in
cum!

Was that a
furball stuck
in my throat?

One after another they left Jake's house while blushing heavily.

Oh, god!
I feel good...
but I'm so
embarrassed!

How many guys
did I sleep with
tonight?!

Did we really
join in on the
party?

Do you... do
you think the
two of us... I
mean... did
we...

Let's not
speak of this
again. **EVER!**

Now... you might ask about the boys...
Well, they all basically had a hangover
due to alcohol consumption. They did
not remember much either. **The
stickers would stay a secret!**

What a
party!

Only Jake remembered fragments...

yawn

Holy... dude!
What a party!

Man... I had the best night of my life!
Woohoo!

This Izzy girl is one hot party mouse!

Can you get me her number man?
I need to see her again!

Sorry man.... Err... she's an exchange student... that was her last night in town.

A young man with short brown hair, wearing a teal t-shirt and dark shorts, stands in a room. He has a thoughtful or slightly regretful expression, looking down and to the left. His right hand is tucked into his pocket. The room features a wooden shelf with a grey jacket and a black bag, a wooden door, and a wooden cabinet in the background. A speech bubble is positioned to his left, and a text box is in the bottom right corner.

Darn... We really clicked together... I really would have liked to get to know her closer...

Oh, no buddy. No you don't...

Jake walks off saddened... But it's better that way. He must never find out who that girl was!

scratch

Anyway, the party was a huge success, and the stickers were safely back in my box. I call that mission accomplished!

Two days later...

Back at Jake's place...

Knock

Knock

Now... you might have thought I've forgotten something.

Urgh! What do YOU want? Jake's not home.

Oh, I'm not here for Jake. I wanted to see you.

Activate
robot mode.

Huh??

But I would never
forget a girl like her!

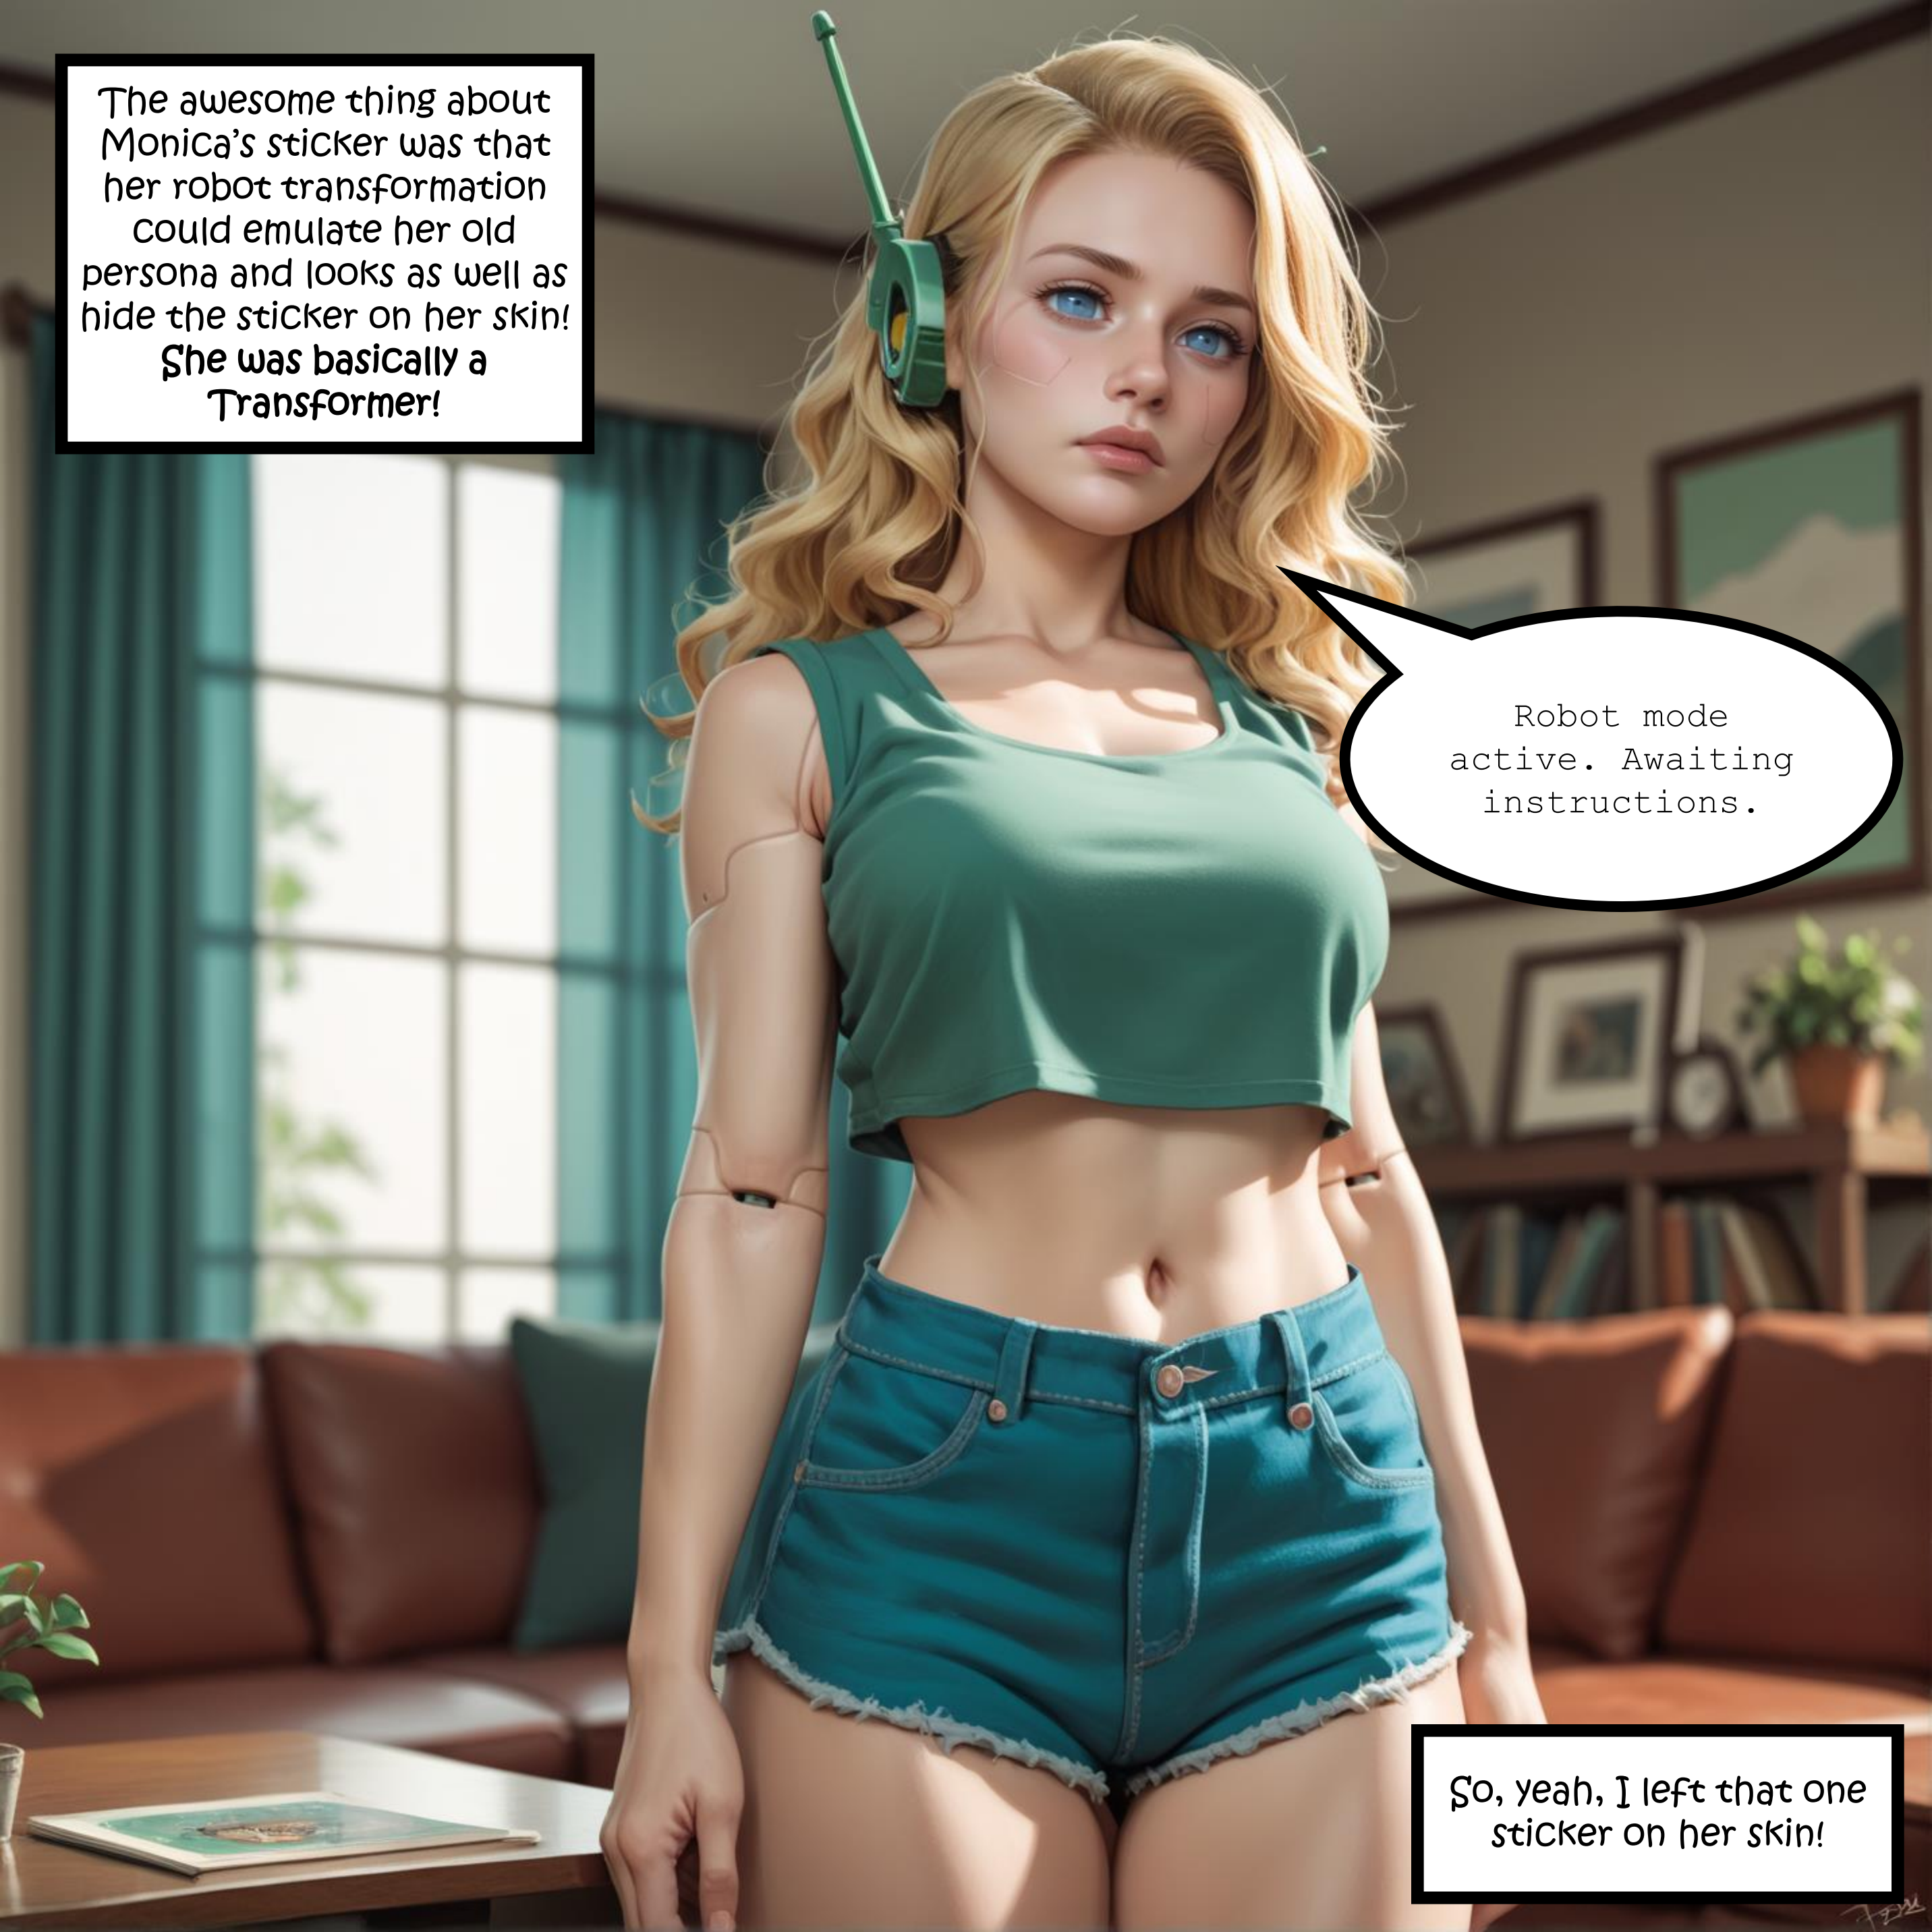

Affirmative,
activating
robot mode.

The awesome thing about Monica's sticker was that her robot transformation could emulate her old persona and looks as well as hide the sticker on her skin! She was basically a Transformer!

Robot mode active. Awaiting instructions.

So, yeah, I left that one sticker on her skin!

Monica Bot, lose
the shirt. Show
me those tiddies!

Affirmative.
Monica Bot will
show tiddies.

Without hesitation,
Monica follows my
command and strips
off her top.

Now, having a hot
girl with that level of
obedience is already
fucking hot!

But like I said, she's a
Transformer!

Monica Bot,
Increase bust
size. Target size
"Double M cups".

Affirmative.
Breast expansion
process ongoing...

Procedure
complete. Target
size reached.

Brilliant.
Run "happy
girlfriend
protocol".

Hey, Babe!
Had a hard day
at university?
Anything I can
do for you?
wink

Oh, I think I know how I can make you feel good!

Quickly Monica removed her hotpants and slowly lowered her panties. She's always wearing such hot lingerie!

You like, babe?

Wanna stick
it right in or
should we...

Activate Vanilla protocol.

Affirmative. Pussy juice flavor set to "Vanilla".

Moan

As Monica's juices start to flow, I can taste that sweet nectar on my tongue. Really it was like licking ice cream! Well, warm and moaning ice cream that is.
chuckle

Lick
Lick
Lick

I loved doing that!

Oh, Babe.
You are so
good to me.

And so did Monica!

Babe! I'm...
I'm...

I'm
CUMMING!

squirt

After eating my new girlfriend out, I proceeded to fuck her.

Oh, god, YES! Your cock feels so good, Babe!

insert

I'll never get enough of her!

Moan

fap

I love you,
Babe!

She's the perfect girlfriend - I think to myself...

moan

...as I take her in various positions.

Moan

Moan

Cumming again!

Fucking Monica
felt fantastic but I
wanted to cum in
her mouth today.

Yes, babe.
With my tits
and mouth.

Monica's expanded breasts felt incredible moving up and down along my shaft while she lubed them up with her saliva.

She then puts
my dick in her
mouth...

And oh, that suction!

“She’s the perfect Girlfriend!” I think to myself once again as I shoot my load inside her waiting mouth.

Phew!
That was
fun, Hon!

Activate
standby mode
now.

Affirmative.
Entering standby
mode...

Monica Bot,
clean yourself
up and redress.

...

Shortly later...

Cleaned and
dressed.
Awaiting further
instructions.

Monica-Bot,
10-minute
delay action.

Revert to
original Monica
persona.

Affirmative.
Will switch to
original Monica
persona in 10
minutes. Timer
starting now.

A modern house entrance featuring a dark, sleek door with a vertical glass insert. The door is set within a dark frame. To the left of the door is a large window with a wooden horizontal slat. The house has a light-colored, textured exterior wall. The scene is set outdoors with green trees and a clear sky. The lighting is bright, suggesting daytime.

I leave Monika's house in good spirits. Jake's sister was now my secret robot girlfriend, and I could have my fun with her anytime Jake was out...

Life was going great!

But something was still nagging
at the back of my mind as I
walked down the street...

As if... I was forgetting
something important...

statue

Nah!... I'm probably just hungry.

Also, about 10 minutes later
back at Jake's place...

10-minute timer
up. Restarting
original Monica
persona...

?

Ugh...
huh?

I feel strange!

What the fuck
happened to
my tits?!

They are humongous!

End of Chapter.

Hello, Hexxet here,

I hope you like how the party ended... and of course the little extra action with Monica! 😊

With this chapter, the Sticker Box Series is complete for now. It's possible I might continue it in the future or pick up the sticker topic in a different setting. But for now, the sticker action is over. I hope you liked this series! 😊
