SACRIFICES.

Trevor was a man with a dream. A dream that he could become the world's next best rapper. He was a young and handsome man that had worked really hard for it, but even with all of that, he couldn't seem to catch his big break.

As time passed he grew more and more desperate, and his ideas were beginning to run out. He performed his original songs on the street, he rapped on karaokes, he went to any open mic event at any bar in the city, he made CDs with mixtapes to sell or sometimes even hand out in the streets, but nothing seemed to work.

Once he was on the verge of not trying anymore, he decided he would make one last effort. Just desperate enough that it might work. He grabbed a bluetooth speaker that he bought with what little money he earned from the few gigs he had gotten and went to the biggest record label that he knew that had offices close enough that he could make the trip.

He decided he would go there and perform right outside the building for an entire month and then change to a different record label. He would either get signed eventually, or run out of record labels to try.

It was his final chance at fame and success in his mind. He went on the first day and gave it his all. People looked at him funny, some even (specially

employees from the building) pointed and laughed at how desperate he seemed.

He performs one song after the other, and some people even stay for a moment to listen to him. It was clear that he had a lot of talent, but his luck was not as good. The first day ended, and while he caught his breath after rapping for hours, he picked up his stuff, gave one final look to the building, and walked back home.

Determined to keep up his own challenge, he woke up the next morning ready to go out and try again. He got to the record label office even earlier than the day before and unceremoniously began to rap his heart out.

People recognised him from the day before and were amused by the foolishness, persistence, and performance alike. He didn't mind the people around him, but when a passerby dropped some coins next to his speaker, he thought that maybe he wasn't clear enough with what he wanted.

The next day, he made a sign to bring out to his performance that read:

“I am the world's next best rapper, I just need a chance. Sign me.”

The sign was obviously pointed towards the record label's building and now there was no doubt to anyone as to what he wanted out of his public stunts.

Now on the third day, some new people stayed to listen, a couple of employees even went out to listen to him for longer when they were on a break or at their lunch time.

On the other hand, some people now began to ignore him, quickly accepting him as part of the routine and the normal day to day environment.

As the third day ended and he grabbed his stuff he thought to himself.

“It's going to be a long, long month.”

He tried to deny it to himself, but everyday that passed was more and more defeating than the last one in a way that he couldn't expect.

Of course the people around him didn't pay for a ticket to go and see him nor did they put a song of his to kick back and listen, so it was normal to ignore him, walk past him and stuff like that, but he still felt hurt every time he gave it his all and nobody even noticed him for an hour straight at times.

Fourth day came and for the first time, someone stayed for more than one song without planning it ahead of time. A lady on the mature side, dressed like she would be important wherever she worked, stopped when she was making her way inside the building and stayed to listen.

He didn't realize it at the time, but it was pretty obvious she was a higher up as well since she didn't really care if she was getting late to check in, since she probably didn't have a strict time to get in or out of the office.

He didn't react to seem professional and just kept going. At about the 3rd song that she fully listened to she walked to the building with no reaction.

He didn't show it, but that was even more hard to take, since he thought maybe, just maybe, she was someone that could make his dream come true. But that didn't happen.

The day came to an end for him and he went home. The sight of the lady stuck with him as a glimmer of hope that maybe, eventually, one of the people that one day would stay, would be a higher up or maybe even the CEO of the record label.

Maybe that day would be the next day.

"I guess I'm already dreaming before going to bed."

He thought to himself as he went to sleep.

The fifth day came by and he readied himself, prepared to give it his all once more. He arrived at the same place he had for the past week and began his usual performance, but this time, the same lady from the day before was already there, waiting.

He got nervous, thinking maybe she would ask him to leave, but she didn't, she simply stood there and waited for him to start and then listened to him.

After about half an hour or so, she approached him, in between songs.

Upon closer look, she did look like a very important person. She was fashionable but formal, serious, classy. The woman was probably in her 50s but didn't look really old, just very mature.

He gulped down and straightened his shirt a bit by pulling it from the ends at the bottom of it.

“Hello.”

“Hi, what's up?”

Regardless if she was going to throw him out, give him a record deal, or just chat, was a major breakthrough from people simply ignoring him every day.

“My name is Janice.”

“Uh, hi, I'm Trevor. It's a pleasure.”

Trevor extends his hand but Janice does not do the same in response, so Trevor brought his hand back to him after a couple of seconds of awkwardness.

“You are... interesting, to say the least.”

“Oh! do you like my music?”

“I was referring more to the fact of your little daily unrequested performance here.”

“Ah, that. Yeah, I’m hoping someone will listen to me and be convinced that I should be signed with you all.”

“You think you should be signed with us based on what?”

“Well, you heard it yourself, you can’t deny I’m really good.”

“There are a lot of really good rappers, musicians, singers out there and we don’t sign them. What makes you different?”

“That I won’t rest until I succeed, it doesn’t matter how long it takes and it doesn’t matter what I have to do to get there.”

Janice smiled as Trevor said that.

“In that case, you really are different. That is, if you really mean what you are saying.”

Trevor looked at her a little bit confused as to what she meant.

“See you tomorrow, Trevor.”

Janice said as she walked away, waving slightly from over her shoulder.

Trevor sighed.

“See you tomorrow.”

With all that, he thought that maybe he was getting help from Janice after all, but that wasn’t the case, at least not for now. He continued his performance until he ran out of songs. He kind of wanted to start again from the start just to show that he had the conviction he told Janice about, but he decided that steady wins the race.

He went home with a bittersweet feeling about what happened, but regardless, it was progress after all.

The next day as soon as he got there, Janice was there, waiting for him.

“Hello.”

“Hi! I guess you really like my music after all.”

“If you want a contract, go to this address tonight at the time it says here.”

Janice handed him a piece of paper.

“It’s my house. We can talk it over there.”

Trevor was speechless, and Janice didn’t make anything of it as she walked away.

He still gave his usual performance just in case.

At night, he went to the address and found that it was a literal mansion. As soon as he rang the doorbell, the gates opened and he was greeted by a butler who guided him to a living room where Janice was sitting along with 3 more women that looked just like her, probably more executives from Warner Music.

“Finally. Come here.”

Trevor walked to them.

“Today, you will win the right to sign a record deal, but to do that, you will have to do anything we tell you to do. Are you willing to do that?”

“Anything! I’ll do anything to make it to the top.”

“Great. Then drop to your knees. I’m going to make your dream come true.”

“What?”

“You heard me.”

Janice took her shoes off and shifted in her chair to face Trevor.

“Come here and suck on my feet, bitch.”

Trevor lowered his head as he got on his knees and crawled up to Janice. He then grabbed both her feet and lifted them slightly as he got his face closer.

His tongue ran up and down on her feet as he left them wet, and his crotch got tighter around his pants.

He definitely got turned on by it, but he also felt quite embarrassed. Not only was she treating him like a dog or a slave, but she was also making him do it in front of other women.

“Come on, lick them good. You want to be famous, right? You want that record deal?”

“I do.”

“You don’t want to be hustling every waking hour, right?”

“I don’t.”

“Then all you have to do is finish this one time.”

“Ok.”

The women were amazed by the scene. The handsome, hot guy that rapped outside their building was now literally on his knees kissing and licking one of the executive’s sweaty smelly feet.

Janice moaned and giggled as Trevor kissed and licked her feet while he tried to hide his raging boner. Trevor grabbed Janice’s left foot and passed his tongue between each toe while he massaged her sole with his hands. Janice’s giggles stopped and were replaced entirely by her moans when Trevor started sucking on her toes.

He went one by one, sucking them thoroughly and hard; sometimes, he got one toe in his mouth and then began to swirl his tongue around it while sucking. Janice felt some vibrations from Trevor’s mouth, and she noticed he had been moaning very quietly.

Janice used her right foot to press on Trevor’s crotch and moved her foot around it, feeling his erect cock.

“Oh my, what is this?”

Trevor instantly got red in the face but didn't say anything or stopped hoping that the other women wouldn't notice. He also didn't stop because for him, sucking on a woman's toes to get signed as an official artist as she passed her foot over his cock was a dream come true for him.

"Looks like our little freak is getting excited. Just don't cum all over the floor, please. Or on yourself, the last thing we want is to have to wait for you while you clean up as well."

Trevor continued to kiss, lick, and suck on Janice's feet, trying his hardest not to moan or show how much he was getting turned on.

"All right, I don't want to be selfish. It's their turn now."

Trevor stopped and looked at Janice with confusion, then he looked over to the other women who were smiling, and then he looked back at Janice, who was putting her shoes back on.

"What? Did you think I invited them just to watch? Not everybody is a freak like you, you know? They are here to get some of the action as well. You see, we all divorced rather recently and want to get back at the likes of you."

"The likes of me?"

"Men."

The women laughed at Trevor's confusion.

"You see, we will get revenge by getting out of you. If you really want to get your dream come true, then you will be obedient and do as we say. Understood?"

"B-But you said..."

"I said after you were finished with this here, it was all over, but I never said what I meant with this, did I?"

Trevor looked down at the floor, he got played, but it was still a perfect deal. Even if he were disgusted with what he was doing, which he wasn't,

he couldn't afford to pass up on the offer that she gave him, this was his big break.

He crawled up to another woman and reached for her feet.

“Hey, what do you think you are doing? Did you ask for my consent to do your kinky shit?”

“N-No, I'm sorry. May I take your shoes off?”

“Oh, is that all you are going to do?”

“No. May I take your shoes off so I can kiss your feet, lick them, suck on your toes-”

“Ok, ok, that's enough, you freak. Yes, you can do whatever you want with my feet; just watch the teeth.”

Trevor paused for a second before doing so. Never in a million years would he think he could ask that to a woman and that she would respond with a yes. He grabbed each foot one at a time and gently removed her shoes. Trevor was sweating from how nervous he was, and the executive noticed. She stopped being disgusted and was now amazed by how much Trevor wanted to worship her feet. It was like there was a completely different person kneeling in front of her than the person that was doubting a second ago before Janice gave him her little speech.

Trevor looked like a kid in a candy store. He went straight to the action and started sucking on the woman's toes. The woman was surprised by how good it felt and had to cover her mouth to avoid moaning. Trevor then went on to lick her entire feet. He left no place dry as he ran his tongue over every last bit.

He ran his hands over her feet. It was like an erotic massage. His hands ran smoothly over her feet thanks to his spit, and his tongue gave it a sexual touch that the executive was loving. The woman also loved having someone worshiping her feet, almost like a personal servant.

The woman pressed her foot against Trevor's face, rubbing it against his cheek. He wasn't bothered by it. He was actually getting even more turned

on. He grabbed the foot pressed against his face and ran his tongue over it. The woman smiled, looking at a humiliated person that didn't even notice he was getting humiliated or maybe he didn't care.

Trevor kind of snapped out of his trance and remembered he needed to tend to the other executives as well, but when he tried lowering the feet of the women, she put her foot on Trevor's neck and pulled him back.

"I didn't say you were finished, now did I?"

"N-No. I'm sorry."

"Get a good suck on those toes before you leave."

"Yes, miss."

Trevor grabbed her feet again and began to suck on her toes with all his might, trying to please the executive so he could finish this fast and go to the other women so Janice would finally give him the record deal he was waiting for for as long as he could remember.

Eventually, the woman leaned back on her chair, looking satisfied, so Trevor looked at her with the eyes of a puppy, waiting for instructions.

"That was good, little servant. You can go to the others now."

Trevor crawled again to the next executive, who was reasonably close to the last one, so he decided to go all out. For both the purpose of getting this over quickly and also to go on to his home and write some songs about how he finally made it. He kneeled in between the two women and looked over at them.

"Misses, may I worship your feet?"

The women looked at each other, giggling.

"Yes, boy."

"Go ahead."

"Thank you."

Trevor went one foot at a time, taking the shoes off of the two of them. One of them had socks on, so he took them off as well. Since this was the last time he needed to do it and also the last time he could do it, he took a big sniff out of the shoes and socks. One of the executives raised an eyebrow, but since they had already seen Trevor suck on the toes of two people before that, they were not really shocked by his behaviour.

Trevor sat down so he could place the feet of both women on his lap. He used his hands and arms to lift both pairs of feet up and ran his tongue over the four feet. He would go up and down over each of them, taking his time.

For the women, it felt almost like a spa treatment. They were getting their feet caressed, moisturised, taken care of, worshiped.

“Go ahead and start with the intense shit.”

Trevor nodded and put one foot in his mouth, and began to suck on the toes of the executive. He went for the big toe, and since that woman was quite tall and had really big feet, he could even go up and down, sucking on it.

“You really like that, don’t you? You look like you are sucking a dick!”

All of the executives laughed as Trevor felt more and more embarrassed, but he only needed to push through a bit more. He sucked on all their toes, getting them quite satisfied and a little bit turned on.

Before He was finished, he felt something pressed against his shoulder, and before he could turn his head to see what it was, he felt a push and fell to the ground. Once he could look up he saw Janice pushed him with her high heel and was smiling.

“Time to wrap this up.”

“W-What-”

“Don’t speak, just lay there. We are going to do what we would like to do to our ex-husbands and we can’t picture them in our heads if you talk.”

Trevor didn’t say anything, but kept eye contact as he nodded to signal he understood.

Janice placed her foot on his chest, letting all of her weight on top of him, digging her heel on him. Trevor endured the pain as Janice leaned in, grabbed his face and pressed his mouth open.

“How does this taste?”

She spat inside his mouth and closed it, making him swallow it while enduring her heel hurting him more and more.

She finally let go and walked back to let him breathe, but before he could regain his composure, one of the women walked all over him, although without shoes so she wouldn't fall.

Trevor laid on the floor as still as possible, until the final step was taken, which was on his head.

The executives laughed as they imagined doing all of what they did to Trevor to their husbands.

They took turns walking over him, spitting on him and in his mouth, one of the women even stepped repeatedly on his balls, making him almost scream in pain, but he could cover his mouth and grind his teeth just enough to keep quiet, although a couple of tears did fall down his face as he could feel his testicles getting crushed under the woman's foot.

They were eventually done and satisfied while Trevor was dizzy from the pain, the excitement, the humiliation, and everything else he felt.

He went home unceremoniously as the women completely ignored him as soon as they were finished. He felt guilty, filthy, and ashamed.

Once he got home he went to sleep as soon as possible so he could end that horrible day and start the best day of his life. The day he would be able to sign his record deal with Warner Music.

The next morning, he got up and took a shower, since he still felt dirty from the day before. His balls hurt so bad that he wanted to go to the doctor, but

he could do so after signing the contract.

He went straight to the same building he had been going for the past week and proudly went to the entrance.

“Hello. I came here to sign a contract. Miss Janice is expecting me.”

The guard looked up to Trevor and raised an eyebrow.

“Who? There’s nobody here with that name.”

Trevor’s look of horror was so clear that the guard could feel it. All of what he did and it was for nothing, he got played and cheated. Before he cried, the guard placed his hand on his shoulder.

“Damn, kid, calm down, it was a joke.”

The guard laughed as he opened the gate for him and gave him a pass. After giving him directions of the inside of the building, Trevor entered, relieved that the nightmare was over, and all that was left, was his dream, finally coming true.

For my fellow sexual deviants.. Keep having fun ;)
