A 3D rendered female character with a tan complexion and long, dark hair. She has two large, curved, brown horns on her head. She is wearing a simple necklace with small, round beads. She is sitting in a hot tub with a wooden rim, her body partially submerged in water. Her expression is one of weariness or pain, with her eyes closed. The background consists of a dark grey stone wall and some green plants in a planter to the left.

*Ufff... So...weak. I must find a way to
recover from this strange illness...*

thinking

Poor Mistress. I fear, if we don't do something about this affliction soon, then she'll...no, I shouldn't think about that

My Lady, you summoned me?

*Ah, Vesperia,
you always answer me so quickly.
What news do you have regarding
a cure for my strange sickness?*

*After consulting the archives,
Milady, the only information
I was able to find involves...well...
I'm afraid to say.*

cough

*Come now, dear,
I am not so...fragile,
even in my current state.
Tell me.*

*Yes, well...
it involves
the seraphim...*

A woman with long, wavy black hair with red highlights and blue-tinted sunglasses stands in a shower stall. She is wearing a black leather bikini top with shoulder cutouts, long black leather gloves, and a black leather skirt. Her hands are clasped in front of her. The shower stall has dark, marbled tiles and a gold-colored showerhead. In the foreground, a blurry, out-of-focus object, possibly a hand or a piece of clothing, is visible on the left side. The background shows a dark wall with horizontal slats and some greenery on the right.

*I know you went through
great lengths to capture her,
but she may be the only
one who can cure you.*

I see...

A woman with long black hair and red sunglasses is shown from the back, wearing a black latex outfit consisting of a long-sleeved top, a matching skirt, and thigh-high stockings. She is standing in a modern bathroom with dark grey marble walls and a white sink. The lighting is warm and focused on her. In the background, a shower area with a glass door and a white toilet are visible.

*I hesitated to even mention it,
because I know how great
a prize she is, but Mistress,
if you would allow me, then...*

Sigh

Look at my poor cock,
flaccid and powerless.
I've tried everything
to get my power back,
but everything has
failed up to this point.

A woman with long, straight grey hair and large, dark, curved horns. She has a somber expression, looking down and to the left. She is unclothed, with a thin gold chain around her neck. The background is a grey stone wall with a diagonal line, and some green foliage is visible on the left.

*As much as it pains me,
I permit you to visit the seraphim.
Do whatever you need to do,
free her if you must,
but if she has an answer,
pry it out of her at any cost.*

*My Lady Meridiana...
are you certain?*

I am.

*I appreciate your dedication
to my cause,
Vesperia, but my health
must come before conquest.*

*I understand.
I won't let you down,
Mistress.*

Vesperia dutifully travels to the secret basement...

thinking

*I'll do anything to save my Mistress.
If this heavenly wench knows anything,
I'll make her tell me her secrets!*

A woman with short white hair and tattoos on her chest and arms stands in a dark, cavernous room. She is wearing a long, dark, form-fitting dress and high-heeled sandals. Her hands are clasped in front of her, and a glowing orb of light is visible between them. The room is dimly lit by several torches on the walls and a large, glowing fire pit on the left. In the background, there are stone pillars topped with winged statues. The floor is made of large, dark stone tiles.

*Greetings, Seraphim,
it's been a long time.*

*I see you still won't
speak my name.*

*Well then...
what do you want?*

*I'll get right to the point:
My Mistress is suffering
from a strange condition.
Her power has all but left
her and her pallor is sickly.
Tell me what you might
know of this and we
might be able to make a deal.*

Hmph!

*This is rich,
you're asking for my
help now..interesting.*

*You know something,
I can see it in your eyes.*

*Why would I help you?
You are all monsters.*

*Monsters we may be,
but even monsters can
be reasoned with.*

*Very well...it's not like I have
any personal stake in this.*

Not anymore.

*If you free me, I'll give you what
you need to cure your Mistress,
but it will come at
a personal cost to you...*

*We have an agreement:
the cost concerns me not.*

Just like that, hm?

Dbbbbb...

Shatter!

*My word is my bond:
are you prepared?*

*I am.
Do what you
must to me.*

Mmm...ohhhhhh...finally...

*I'd almost forgotten
what freedom felt like.*

*You'll have time enough to enjoy
it once you're through here:
do what needs to be done.
There's not much time.*

Sway

Haste makes waste,
henchwoman.

Gasps!

You...you're...futa?!

Shump!

Please, I transcend gender.

But that doesn't matter:

in order to have your Mistress,

I must first make you like me.

B-but...how?

How do you think?

Surely you can't be that dense.

*You need to have sex
with me...obviously.*

I was just surprised.

*If the cost of saving my lady
is being like you, I'll gladly pay it.*

Ahem

Foolish servant,
you have no idea what
you're agreeing to...

Throbbb

*Then enlighten me:
my resolve is unshakable.*

Very well.

*With a member like this,
your desire for pleasure
will be nearly endless.*

*Such a frail body will barely be able
to contain even a fraction of my power.
Your every thought will be consumed
with seeking pleasure, hmhm...*

*But enough gloating from me:
let's see the power
of your resolve, girl!*

Snap!

Ahhh...y-yes...

thinking

I hope I'm ready for this!

Ahhh! What...my body...My skirt!
What did you...ohooofuekkk!

gasp!

Welcome to the beginning
of the end of your
feeble humanity...

Plump

It won't be long, now...

M-my clit?!

This is...huaagawddds!

Sprout!

*You're actually taking
to it very well!
I'm impressed.*

*My h-head is buzzing!
It's so hotttt!
Why does it feel like
I'm turning into a beast?!*

*Thump...
throbb!*

When this is finished,
the real work can begin.
Assuming you can remain
conscious through this...

I feel it!
It's...g-growing!

Getting longer and thicker!

Please...it feels

TOO GOOD!

Thrump!

Thriibb!

It is done.

Pulsepulse

Groan!

*I may have underestimated you:
you're still standing.*

Then let's proceed.

*I told you...uuuu...
I'll do anything to
save my Mistress.*

Huff!

*It will take some
time to adjust. Until then,
every sensation will feel
like a miniature orgasm.*

*But I...AHH!
I think I'm gonna
cum already!
It's leaking out!*

Spurt!

*Mmm...since I'm already
bound to help you,
I see no reason why I can't
take some pleasure for myself...*

*You...do you
not hate me?*

*The cosmic tides are turning,
there has been enough animosity between us.*

*What do I have to gain
from hating you, underling?
Besides, I can find plenty of
revenge in your pleasure, hahaha...*

Grasp

*Please, it's so sensitive.
Do not toy with me!*

*Calm down and embrace it.
You'll need to be ready
to administer that cure...*

Kiss

Oh...I..mmm...

Ah!
W-what are you...oho!

lick

I must prepare your
body to receive my power.
You should be grateful:
many creatures would...
do anything for
this kind of treatment.

*How...ah...how can
you be so giving to me?*

I am...So confused.

*I can't think straight...
your tongue feels better than
anything I've ever felt in my life!*

gasp!

Oh g-gods!

Hmph!

Enough questions!

thinking
Revenge through
pleasure...it's perfect!

*Oh! S-S-Seraphim!
I'm going to explode!*

Groan!

*This heavy, throbbing monstrosity
is p-pulling every ounce of energy
from my body!*

*It's going to be like
this from now on?!*

Homgg! MFFF...

Oh godsss! **MORE!**
The pressure is building!
I need it! I...ahhh!
NEED IT!

Pull!

HRKK!

*This! Gyahaa! This is your power?!
I know you tried to warn me,
but I c-couldn't have known!
This pleasure is impossible!
Swallow my new cock, Seraphim!
Make me cum!*

Shove!

SHUCK

HRRK!

*YES, servant!
Rain it down on me!*

Splurchh!

*I can't hold it anymore!
It's going to destroy
MEEEEEE!!*

Ahahaha!

Freedom never felt so incredible!

It has been too long since

I've gotten to bask in the

glory of my own power!

Drippp

Huff!

Oh...I...I'm still so hard...

Gasps!

Ahh...so what now?

*Hmhaha, soft already?
Don't think for a moment
that we're finished...*

You...you're not planning
on penetrating me with
that behemoth...are you?
Will it even fit?

Oh, don't worry...

Your body is much stronger than it was before.

Besides, how else do you expect to receive the cure?

I'll need some of your power to create a concentration potion.

Are you ready?

I...yes...

*Then come and make good
on your resolve, wench!*

WOAH!

Aieeee! You're so strong!

No waiting this time!
No teasing..GNHH!
Get fucked, you faithful whore!

Ohmygawdddd!
It's...haaaafuck!
It's SO BIG!

I'm going to cum again already!

Grunt!

Don't cum!

You need to be ready..ahaa!

To receive the cure!

*Just take it like a good
bitch and show me your resolve!*

Mmm! Y-yess!

*Your tight hole is wonderful, slut!
That's a good servile fuck slut!*

Grasp!

Slam!

*Ohhhfuckkk! You're so dirty!
Your words are so filthy!
I thought you were an...hyaaa!*

Bend over!

*I want to feel your new
balls slamming against mine!*

Groannn!

Seraphim! Don't stop!

I want to feel it too!

*Ohhhh yeahhhh! To be untethered
from the evil or divine...hggg!*

*My body has been
craving this for so long.*

*No more will I be used
as a pawn in cosmic games!*

GASP

Deeper!

Shlick!

For eons I was like you, wench!
Serving a master blindly!
When you learn of true freedom,
you too may end up like me!
Pounding your way forward into every
bitch that stands in your way!

Gasps!

I can't stop!

Please...fuck me
HARDER.

Go on, slut: sit on my
throbbing freedom and
experience empowerment
like never before!

Your cock is corrupting me!

I can feel it!

Schlip

Haha! You fool

manifesting itself.*

Keep going!

Ahaayess!

*Ahh, more!

Schlorp!

I...ahaa! C-can't think!

Use my body!

*I'm b-being consumed

*Let's see if you

*Mmmggg! I wonder if you
have what it takes!*

Flop flop flop!

AHNUUU!

It's good! It's too good!

I'm losing my sanity!!

It's filling me completely!

Get ready for my burning
power to pour into you!*

Pulse pulse

Since I've shot a load...

Gasps!

thinking

Oh no...for a little while

I almost forgot about Mistress.

All I can think about is sex...

this is going to be very difficult.

But why do I feel so strange again...

*What's happening to my breasts?
Don't tell me...ah! Are they...ohhhh...*

Oh gods!

GROWWW

A woman with long, wavy red hair and a black choker stands on the left, wearing a black bikini top and arm warmers. She is looking down at her large, dark, glossy breasts, which she is holding with both hands. To her right, a man's muscular torso is visible, with a very large, thick, and veined penis protruding from his groin. The background is dark with some orange and red light sources, possibly fire or machinery.

*What's happened to me?!
My breasts are g-growing!*

*A byproduct of my power.
Speaking of growing...
twitch*

Gyaaaayah!

OH!

Plump!

Impossible...

Throb THRUB!

AHHH!

It's even bigger than before...what...

*what are you planning
on doing with that?*

It's...monstrous!

*It's simple: you're
going to penetrate me.*

*Penetrate you?
B-but...do you mean...
surely you mean normal sex?*

No, you stupid girl...
I don't, hahaha...

*In order for you to carry the
cure to your mistress,
you must **BECOME**
the vessel for my cum!
That means you'll
have to fuck my cock!*

gasp!

Ah! L-like this??

Yes, perfect...
mmm...keep going...

schlipp

Oh **N000!**

They're so heavy!

It's hot...

*I can feel it
sloshing around...*

sloshhh

How else did you think you
were going to administer the cure?
By the way...you might be interested
to know why your Mistress
became sick in the first place, hmhm...

*But that is a
secret for another time.
I have fulfilled my promise...
freedom awaits!*

*Wait!
What do I do next?!*

*Don't be daft,
girl: it's obvious!*

Groan

*Alright...ggg.
I'll need to make my way
back to Mistress without
cumming out this
huge load I'm filled with...*

Vespera somehow makes it back...

Huff

My... My lady!

I have returned...

Puff

Vespera?!

What in 9 hells happened to you?!

*The seraphim...
she changed you?!
Then...does that mean...
oh wow, it's huge!*

UHG!

*Yes, Mistress, I have
the cure inside me!*

It's s-so heavy...I'll need to...

you know...not to

be disrespectful,

but I'll have to...empty

it inside of you...

throbbbbb

thunk!

A woman with olive-green skin, long grey hair, and large, curved, dark brown horns stands in a lush, green jungle environment. She is wearing a simple necklace and has a serious expression. Her right hand is a large, pink, prosthetic limb. The background is filled with dense green foliage and bamboo-like plants. The lighting is soft, highlighting her skin and the texture of the plants.

*So you freed her?
And in exchange she endowed
you with the cure?
And the ability to inject me with it.
What is her goal?
It doesn't make any sense...*

*Hmmm. It doesn't matter.
Her escape certainly throws
a wrench in my plans,
but I need to recover from this
sickness no matter the cost...*

*I've decided: Vespera,
I'll allow you to fuck me.
Make sure you empty
every drop of that healing
cum inside me...understand?*

*Yes, Mistress!
As you command!*

*I would never, Mistress!
This is a massive honor!*

Giggle

*You'd better...mff...
cherish this moment, Vespera.
Don't be too smug, now...*

A woman with long dark hair, wearing a black bikini and black gloves, is kneeling on a grey tiled floor. She is leaning over a large, muscular, olive-green mannequin that is lying on its side. The mannequin has a very large, rounded buttock. The woman's hands are resting on the mannequin's buttocks. In the background, there is a hot spring with a wooden deck and some green plants. The scene is set in a stone-walled area.

*Nhh...it's big...
she really did
a number on you.*

Oh...it's tight!

Ghh!

*Without my powers,
I have to t-take it like
a normal human...ah...*

*Oh my gods!
Mistress, you feel
so incredible!*

Ahhgg! Fuck!

Stop waiting time:
shove it in!

Slipp!

A scene from a game featuring two characters. On the left, a woman with long, flowing grey hair and large, dark, curved horns is shown from the chest up. She has a serene expression with her eyes closed. On the right, a woman with long dark hair is wearing a black, shiny, form-fitting bikini and matching black arm warmers. She is leaning forward, with her hands resting on the hips of the horned woman. The background consists of a grey stone wall and some green foliage on the left.

Ohh!

*I can feel the seraphim's
power already!*

*It's s-so
deep..mmm!*

*Let's change positions:
you're taking too long!*

*Ahannn! M-Mistress!
I'll cum so fast like this!
I can barely handle it!*

GOOD!

*Inject me with that hot cure,
Vespera! Give it to me!*

Moannn!

*Fuck me harder!
Bring it down
on me faster!*

OH?

*Has your personality
changed along with
your body, Vespera?
You used to be so
respectful, hmhm.
Just cum already:
drain those balls!*

Groan

I...ahn! I'm sorry my lady!

*I'm so **HORNY.***

*I can't stop it!
Your tight hole feels way
too amazing! I'm gonna...*

Tingle!

CUMMM!!

OOOOOH!

OHHHHH!

YESSSS!

Mistress!

CHUB!

That's it!
I'm **HARD** again!
Yes! **YES!**

Groann!

I...uoooooo! Yasss!

Ahahahaha!
I am **GLORIOUS** again!
Well done, Vespera!
Well done!

huff!

puff

Thank you, Mistress...
it was...my pleasure...

*You deserve a reward,
my faithful servant.
What is your desire?*

*My Lady, serving you
is reward enough.
But...my body is so hot.
I crave sex.
If you would...if it's
not too much to ask...*

*Hmhm.
Let's go somewhere
more comfortable...*

A few moments later...

*..And so you sacrificed
yourself to save me?*

Mistress...

it was no great sacrifice.

*I would do
anything for you.*

*Yes...I feel like a completely
different person.*

*I can't stop thinking about sex...
my body feels 'made' for it.*

I am burning with purpose.

gasp

Then let's not
waste any more time
ful-FILLING
that purpose!

Oh MISTRESS!
Stuff me to the brim!
Pound me into oblivion!

*Greedy slut! I suppose you've earned
this reward! As long as you are under
my protection, I'll make
sure you **NEVER**
run out of delicious bitches to fuck!*

gasp!

*Unff! S-spoil me, Mistress!
I'll serve you forever!
My body...My huge cock!
They belong to you!*

Plapp!

Excellent, mhmhmm.

Now, it's time to take
your dedication to
me even 'deeper'...

I'm ready, my lady...

I'm so ready to be used...

pant!

Oooh...mmm...you're a tight
bitch, aren't you, Vespera?
I wondered when you were
going to muster the courage
to ask me to fill your holes.
Just one...more...

grunt

Ahh!
Ohoo...mfff...
fhfuggg...

Ohaaaa GAWDSS!

Moannn!

Shlickk!

PUSH!

*The seraphim...she said this
huge cock would be a curse.
But I...mm! I think I'm getting
addicted to it! I wouldn't
mind it being even bigger...*

Oh?

*That can be
arranged, hahaha...*

bzzzzzz

*Ohhhh...uhhh wow...
my lady...you didn't
need to...mmm...*

throbthrobthrob

*Oh heavens!

I can see you're rather enamored with your reward, hehe.

I'll leave you to some well deserved rest and relaxation, Vespera.

MISTRESS!

I'm so happy you're cured!

I came right away!

*If you could find it in your heart
to restore me when you are able,
I would be most grateful forever
and ever until the end of time!*

Suckk!

Mmm...

*Oh..Laila.
You wasted
no time, I see.*

*Does it really mean that much to you?
To the point where you can't
keep yourself from asking for even
a moment to celebrate my recovery?*

*You've come such a long way, girl.
I suppose I should reward the fact that
you had the 'balls' to ask, hehe...*

*Ah! I...I'm sorry,
Mistress...I just...*

My lady Meridiana!

Thank you!

Thank you so much!

You are truly benevolent!

I change my mind...*

The power..the throbbing potential.
Already my cum is

Leakkkk

*I have much business
to attend to: I'm sure you can find a
suitable playmate, Laila.
I'll summon you both in a little while.
Until then, have fun...*

Oh...

and prim and proper, Vespera.
It's interesting to see you like this...*
