

Sigh

Ooo what a great first cumshot...

*S...Seraphim!
What are you doing here?!*

*I'll keep that to myself for now.
Suffice it to say,
I have reason enough...*

Blush

*I see...well,
I suppose...since
you're already here...*

*I sensed a tremendous
amount of sexual energy.
I have been imprisoned
for so long that
I crave release.*

Hmhmhm...silly girl,

no need to be coy.

*I can see how hard
you are already.*

*Don't read into it too much:
let's have some fun.*

gulp

Fun? Yes...
I could use
some more fun...

throb
throb

Hahaha, yes.
I told you that your
appetite for sex
would be almost
impossible to quench.

*O-oh! I...yes...
I want to see
how powerful
I can become...*

Yesss...mmm...

*I can feel your power
growing as we speak.
You've so much potential, Vespera.
I wonder if I should
help you unlock it?*

Zzzz...

*Stop being shy:
tell me what you want.*

Pulsepulse

*I want...
to fuck.
Hard.*

A scene from a video game. In the foreground, the back of a man's head and shoulders are visible; he is wearing a dark, possibly leather, mask. He is looking towards a blonde woman standing in front of him. The woman has short, straight blonde hair, blue eyes, and is wearing a black bra. She has several tattoos on her chest and arms, including a large floral design on her left arm. She is looking at the man with a slight smile. The background shows a room with large windows and a metal frame structure.

*Good girl...that's
the kind of honesty
I was looking for.
So how about it?
You first, or me?*

You pick...please.

Still a bit timid, I see.

*That's alright, you are used
to being a servant afterall.*

*It will take you some time to learn
how to be assertive. For now...*

Chuckle

AH!

I can be a bit
INSERTIVE!

Ohogods yesss!
It's even better
than the first time!

*You haven't
experienced anywhere
near my full power!
This is just the tip!*

Glow!

Crssss!

*Ahaawhat?!
Is this power?!*

*My cum is leaking out!
I can barely hold it in!*

Preeee

Hnn...zzzz...

*I wonder how you'll
fare when I'm completely
inside you.*

huff

*I'll do anything...
I'm begging you,
please fuck me...*

*Should I tease you
and go slowly? Hehehe...*

I...ah! I want more...

NEED *more.*

But this feels so exquisite!

gasp

*It...It feels so good to be back.
All this pressure is going to make
me lose control if I'm not careful...*

*I can't resist your
tight hole, though!*

I've done too good

a job turning you

into an angelic fuck toy!

Yehehssss!

Slam it into me!

Fill me all at once!

yawn

Huuu...Huh?

Grunt!

As you wish,
you greedy
futa bitch!

Harder!
Deeperrrr!
Yessss!

Oh my!

When did she get here?!

Is that the seraphim?

*I had no idea she
was such an animal...*

twitchtwitch

*Ahhh I think somebody
is ready to play again.
It feels incredible to
have this power back...*

Raiisssssse

*I feel ever thicker
and more virile than before.
Just thinking about
spraying a massive load is
making me insanely, ridiculously...*

ThumpTHUMP

HARD!

THRUMP!

PULSE!

Vespera!
Shame on you for
having so much
fun without me!

Giggle

Join us, you pussy
hungry angelic wench!

I...Uuuu!
I d-didn't...she...
it's SO good!

*Call me wench again and see
what happens, hehe.
But since you offered...*

*If you believe
you have what it
takes to satisfy me,
then by all means!*

Gasps!

*I'll be joining
this fuck train!*

*I'm g-gonna cum again already!
You're getting harder inside of me!*

Haagods!

I never thought

I'd get the chance

to fuck a seraphim!

*Show me if you
are worthy, lowling!
Give me everything
you've got!*

Spitt

*I can't hold it
for much longer!
I'm going to
explode at this rate!*

*New plan:
Unleash all your lust
on the needy one.*

*Who are you
calling needy?!*

It has to be me!

*Don't be stupid, girl:
you're clearly the more
dominant fledgling here.*

*Claim your place
and make this loyal
bitch cum uncontrollably!*

*Hm...maybe you're
not so bad after all...*

Do as she says...please...

*I only wish for all
of us to experience
the ultimate pleasure.*

*I'm still not sure if I can trust
you, but I'm so horny
I can't think straight.
I'll play along...*

I crave more...

*That's a good
slut, mmm...*

Kiss

Now swallow
me whole!

MOFFGGGG!

Don't cum yet!
Keep choking me down,
you...ha...hagawdsss,
I'm cumming
too **SOON!**

Ohooyeah!
She must really love
having her mouth stuffed!
She's going to bring me to the
edge already!
I..I'm CUMMING!

Splurcc!

Gulp!

Mlbbbpfft!

Splorkk!

Splorttt!

Splttt!

Oh wow!
You're cumming
really fast, too!
It's so much!

HMMFFGGG!!

Well, haha, I must say,
none of us were expecting
to finish that quickly.
We must be pent up from
all this newfound power.

I can't believe
how hard I still am!
I could have
sex all day!

*Oh...mmm...I'm still leaking
cum...but...other matters?
What do you mean?*

Dribble

*We very well might.
If only I didn't have
other matters
to attend to...*

*This is neither the time
nor the place to
talk about such things.
Focus on your pleasure
for now: we'll get
to it soon enough, hmhm...*

*Being cryptic, huh?
You might be more powerful
than me, but don't
underestimate my ability
to fuck, haha!*

Gasp!

*Well, well, if it isn't
lady Meridiana herself.
In all her restored glory...*

*Seraphim! What is the
meaning of this?!
Were you not set free?!
What are you doing
with my minions?!*

M-my lady!

*You have ten seconds to
explain your presence here!
Your kind are not free to
wander about my home unsupervised,
let alone put crazy ideas
into my girls' heads!*

Relax, you red hot firecracker,
hmhm. I came to deliver a dire
message: speak with Uriella if
you want to bring peace back
to the balance. It's connected
to why you became sick in
the first place.

Ahem

This is kinda awkward...

Hmph! I see.

I suppose you have
no reason to lie.

I will do this, but
not because you told me to.

Some time later, Meridiana moves
to her secret prison to speak with Uriella...

*I am here:
do not waste my time,
you has-been.
What do you want?*

*Pffft...nice to see
you, too, Meridiana.*

thinking
She has changed...
I can feel the
shift in her energy...

*I can see by your expression that
you've noticed what's happened to me.*

*To both of us. Aren't you curious
about why a strange illness befell you?*

*You have tampered with the cosmic
balance and tipped the
scales much too far.*

*How do I know
you speak the truth?*

What reason do I have to lie to you?

*Do you really believe I couldn't
leave this place if I so chose?*

*I am here because we need
to make peace, Meridiana.*

This eternal war cannot continue.

*It will eventually destroy
all of humanity and us.*

*I know that might
be your wish, but...*

Ahahahaha!

Oh goodness gracious...

Do you really think

I desire the destruction of everyone?

*Please, Uriella, even you
should know me better than that.*

We've known each other for eons.

giggle

Indeed. Laugh if you must, but the fact is, we need to begin working together. Our powers are equal on different spectrums: when we fight, we risk throwing everything into chaos, regardless of our motives. This is partly why you became sick: you actually gained too much power.

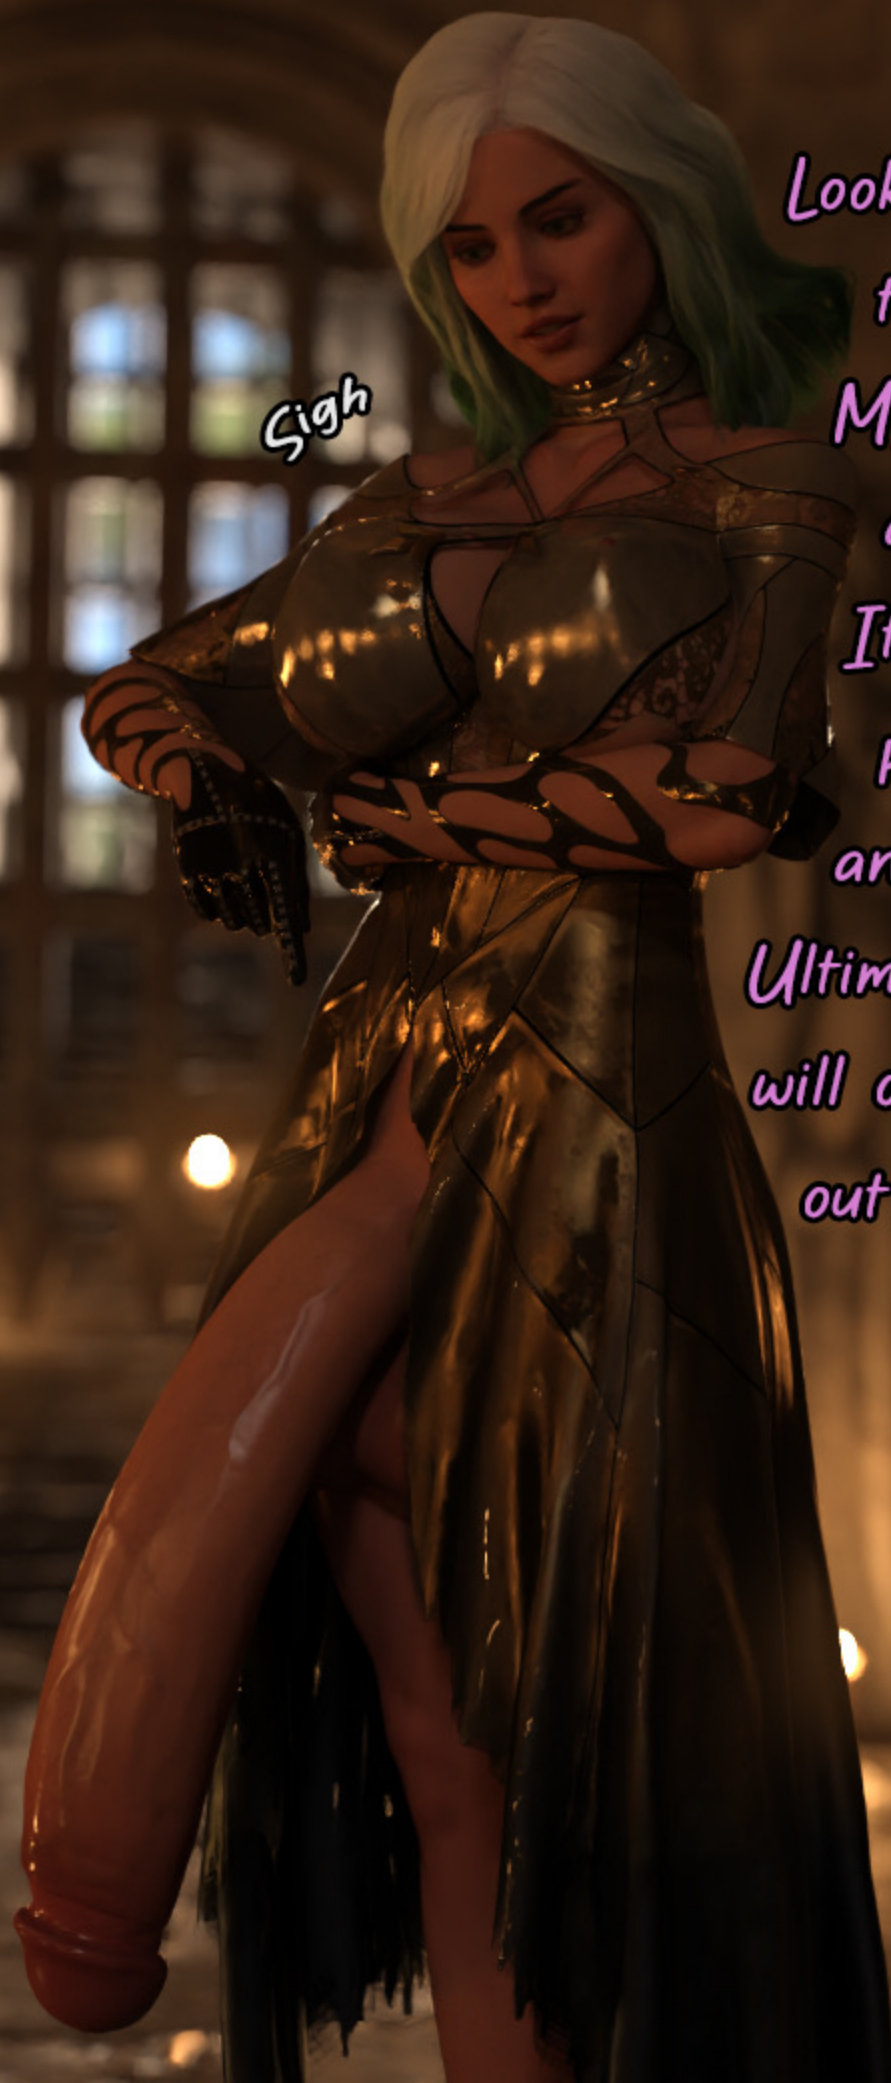

A woman with a golden horned headdress and a black dress stands in a dimly lit room. She has a serious expression. The room is filled with stone pillars and a stone floor. There are several lit candles in the background, casting a warm glow. The text is overlaid on the right side of the image.

TOO MUCH POWER?!

I...you can't be serious!

*I...no...now that you mention it,
the old texts...yes...*

*Hmm...then what do
you propose we do?
I'll die before I go back
to being your lap dog!*

Sigh

Look what you've done
to me, Meridiana.

My once sacred body is now
a vessel for pure pleasure.

It takes so much of my
power not to lose control
and masturbate endlessly.

Ultimately, it may be the
will of the gods to carry
out your mission, except...

*We need to
balance our power?*

*Precisely.
And in order
to do that...*

Throb

We need to put
aside our differences...

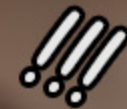

?

Throb

Lift

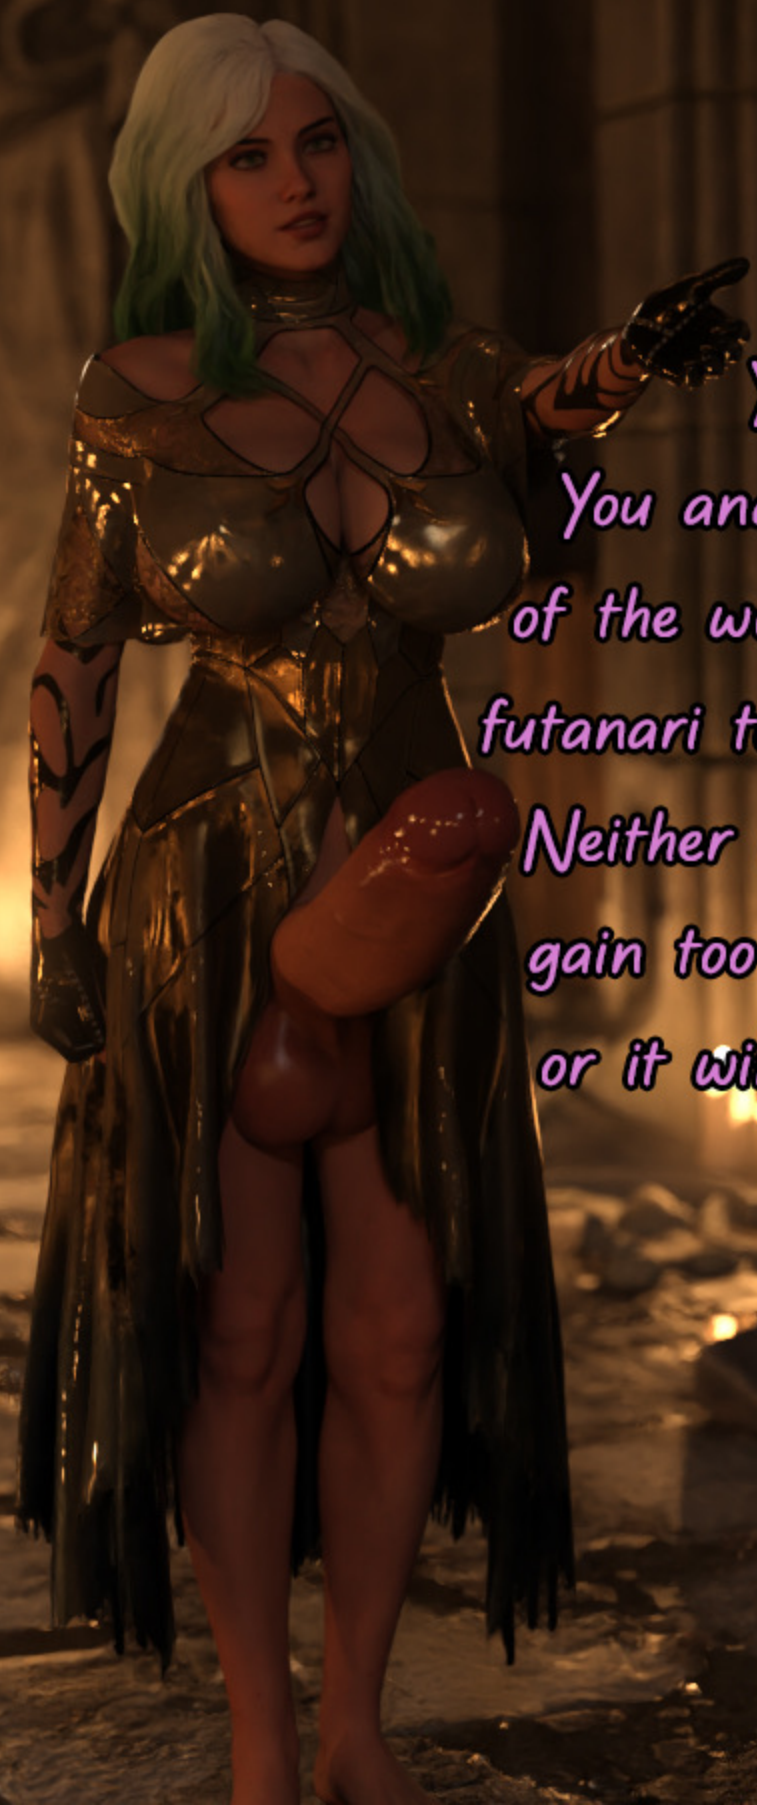

CHUB!

And come together!

A woman with long dark hair and a large, ornate, golden headpiece with curved horns and intricate designs. She is wearing a black, sleeveless, high-necked top. She has a surprised or shocked expression on her face, with wide eyes and an open mouth. The background is a dimly lit, ornate interior with stone arches and warm lighting from candles or lamps.

*Hold on!
You're suggesting
we...work together?!*

*Yes. A true partnership.
You and I, turning a portion
of the world's women into
futanari to create a new race.
Neither one of us can
gain too much power,
or it will affect the other.*

*I...I never thought I would
hear you speak to me as
an equal...let alone this...*

*Let's say I agree.
What do you need from me?*

*You already know.
Stop wasting time:
I can see that you've already
made peace with the idea...*

A moment later...

poof!

*We will need to perform
a ritual to recenter the balance.
That will require trust
on both our parts. Are you
willing to blindfold yourself?*

*Hmm...very well.
But one wrong move
and I'm pulling out...*

A woman with long dark hair, wearing a black lace masquerade mask and a dark corset, stands in a dimly lit room. She is looking towards the camera with a slight smile. The room has stone walls, a fireplace with lit candles, and a doorway in the background with warm lights. The overall atmosphere is intimate and sensual.

*What next?
Are you expecting
me to dance?*

*No. I want you to get hard.
We need to have sex like we
actually enjoy each other's
company. So grow for me
like you would grow for a lover...*

*O-oh...interesting.
I...I'm not sure I can
think of you in
such a way, yet...*

pulsepulse

*I find myself compelled.
The idea of a partnership
to replace this endless
fighting is...intriguing...*

Thrubbbb...

Sproing!

*Mmm! I suppose it
wasn't that difficult to
get myself into the
idea after all, hahaha!*

inhale

*Incredible...even the scent of your
sex is driving me into a frenzy.
My ability to control my
urges is melting away...*

*I have that effect
on people, hmhm...*

*Now, for the next
step...we both must
share a deep seeded
secret with one another.*

A...a secret?

Yes, Meridiana.

Don't be too shy, now.

*I know you are used
to being the one
in charge, but try to get
used to the idea of sharing.*

Giggle

Moosh!

*Mmm...is this...playfulness
coming from you?
I didn't know you were capable.*

*I will show you that
I'm more than
capable of enjoying myself.
As for the secret, it seems
fair that I go first.*

...

I hope you can multitask!

gasp

Oh! So you want to get right into it, hm? Very well...

Go on...tell me your secret...

Rub rub rub

Groan

I...I always envied you, Meridiana.

*The way you always spoke out...
the way you went after
what you wanted.*

I...was jealous of you...

*Ohooo...mmm!
That is a juicy
secret, Uriella!
I can tell how excited
you are to share it!*

*Ahhh! Oh yes!
I've been holding
my cum for so long!
I'm ready to release it!*

*Unfff! It's time
for my secret, isn't it?*

*Y-yes! You must
tell me if
you want to
complete the ritual!*

Very well. To tell you the truth...

*I...I always thought you were
the most beautiful creature I'd
ever seen. I...I still think that...*

Ah...I see..w-well...

Don't respond, just suck!

Groan!

Mfffggg!

*Suck me like you love me!
I...I'm going to cummmm!*

Swallow!

Cough!

Glug!

Hrmmphhh!

Mffffff!

*There's plenty more
where that came from...*

Dripp

GRASP!

*Oh gods! Such a
thick, hot load!*

*I can feel the
ritual working!
My body is getting
so hot and tingly!*

*I can feel it
too...hmhmhm...*

*But don't tell me
we're finished so soon.*

*I expected more from you, Uriella,
Captainess of the elite angel brigade...*

*More you shall have,
Meridiana, Queen of lust...*

Mmmgodsss!
I can **FEEL** just
how ready you are!

Use me freely!
I am ready to
relinquish my pride!

groan!

*Open yourself to me, Uriella!
I...I've secretly wanted
this for a long time!*

***YES!** Slam that
thick woman meat
into my needy hole!
My desire is mounting
my the second!*

*This position is far
better suited to satisfy your
begging, you holy slut!
I'm going to blow another
huge load at this pace!*

Thump!

*Slam it deeper! **DEEPER!**
Give me what I've always wanted!*

GROAN!

Ufffyesss! Tell me
more secrets, Uriella!
This forbidden union
is sweeter than honey!

The secrets I keep involve
me being railed like
this by **YOU!**
More! **MORE!**

HNING! Wonderful!
Let me hear the scintillating
sounds of your
pleasure echo throughout
these darkened halls!

SLAM!

AHHFFUCK!

MOAN!

I'm going to cum again!

Do it! Flood your
burning spunk inside me!

Yesssss!

Splutch!

*Oooo...Amazing...sex
with you is...unreal...*

huff

puff

*Yes...It seems our diametric
opposition is the perfect
recipe for an unusually
explosive sensual encounter...*

Speaking of which...
I...I am so ready to release.
I have never needed it more...

Throbbbbb

*A deal is a deal.
I've had my fun with you:
this ritual won't be
complete with you getting
your...cum-uppence...*

Moan

gasp!

Enough talk!
Meridiana...I need you!

Yes...

A scene from a video game showing two women in a stone-walled room. One woman has dark skin and curly hair, the other has light skin and long blonde hair. They are embracing. The woman with dark skin is leaning against a stone pillar. The woman with blonde hair is wearing gold armbands and a black wristband. In the background, there are stone statues and a stone table.

gasp!

*Uffffff! S-so much wasted time!
We could have been fucking each
other for hundreds of years!*

*We can make up for it now!
Let the past be the past,
and the future be...fuckkk!*

Grunt!

ENOUGH!

*Give me your heart,
mind, soul and HOLE!*

*Take the wrath of a
millennium of pent up desire!*

*Yesyesyes! Let me be
your depraved vessel!
Pour your frustrations
and cum into
me, you angelic bitch!*

Moannn

*Wait...please...I don't
want this to end...let me
hold myself inside your
heat before I unleash...*

huff

*I've never felt so
full in all my existence!*

I can feel you teetering ^{gasp!}

on the edge of bliss...

What are you waiting for!

Finish the ritual and unload

a torrent of your holy jizz!

Not yet! I...hffff!

I must prepare myself.

*This will be unlike anything
either of us has experienced...*

Grunt!

But this outcome
was always inevitable!
We've fought for long enough!
Take this massive cock you
bestowed upon me and suffer
the consequences of your
lustful actions, succubus!

Plap

Plap

Plap

AFUCKK!

I regret nothing! Pound me!

*Give me everything your
pretentious soul can muster
you horse-hung angel bitch!*

WOOSH!!

It's working! My wings!

We are being restored!

I...I'm going to climax!

The ritual...it's nearly complete!

I'm...c-ccummingggg!

Spluchhh!

Yes! Cum! **CUM!**

Give us both
what we've always
wanted and break the
unfair cosmic cycle!!

sigh

Mhmmhmmhmm!

Yes...yes...

Ooo...mmm...I feel...s-so strange.
What...what is happening to me?

*I'll see you on the other side,
Meridiana...thank you...*

Bddddd

*The other side of what?!
What...ahhhhh!*

Some time later..

Zzz...ugggg...ohhhhh...

A woman with dark hair, wearing a red lace dress, stands in a room. She has her hands on her head and a distressed expression. The room features a window with a grid pattern, a lamp with a black shade, and a clock on the wall. The text is overlaid on the left side of the image.

Wha...**WHAT?!!**
What in nine hells
happened to me?!
My body...my glorious
cock! **N000000!!**

*This...this isn't right!
This can't be happening!*

I see you're finally awake...

*YOU!!! You did this to me!
You knew this was going to
happen, didn't you?!
You tricked me!*

*I swear to you,
Meridiana,
I didn't trick you.
Listen to me...*

That's the original human vessel you started in.

The powers that be must have reverted you to that form, but you're still you!

*This...no!
How could you?!
After what we shared?!*

Look at me!

I've lost height and my cock

is nearly the size of a

*pitiful normal **MAN!***

How come you haven't

changed like this?!

RIPP

*I have changed!
My changes were just...um...a bit
less extreme than yours.
Your power will come
back when you
start to have sex with
other women, I promise.*

*Where do you think
you're going?!*

We're not finished here!

*I'm going away
from **YOU!***

*Come talk to me when
you've called down,*

*I'm not going to
subject myself to this!*
