I'm guessing this is all new
to you.

Is being 20 feet tall not new
to you or something?!

Seriously, Greg? You don't have to be rude about it!

Oh come on, I was kidding!

Oh were you,
funny little man?

Well I guess I can still try this...

Hopefully I don't squish you...

It would be a shame for someone so handsome to end up as a stain on my tits...

You wouldn't,
would you?

I'm a growing girl, who knows?

Speaking of which, did you hear something from upstairs?

I don't think so, why?

I swear I couldn't've heard something... Oh well!

Uhh, Sophie?

Sophie!

Uh-oh.

**Now Sasha...
sweetie... listen...**

Don't you 'sweetie' me!

A 3D rendered scene in a room. In the foreground, a woman with blonde hair tied in a bun is shown from the back, looking towards the center. In the middle ground, a woman with long white hair is kneeling on a patterned rug, looking distressed. To her right, a man is also kneeling on the rug, looking towards the white-haired woman. A speech bubble is positioned above the white-haired woman, containing the text "I trusted you Greg, why would you do this to me?". The room has a wooden floor, a brick wall, and a window with white curtains. A decorative lantern hangs from the ceiling.

I trusted you Greg, why would you do this to me?

And you!

Me?

How could you do this to me? I would never do shit like this to you!

What the fuck is that supposed to mean?

Hell, like you even could!

It means nobody would even glance at me without taking a long look at you! I was always the short, flat-chested, plain one! Well not anymore!

Uh...
This is still really hot...

Finally, people will notice me, thanks to these puppies!

And with this round ass, I can have anybody! So take your own huge lard ass and find someone else to get a quick fuck with, Greg's mine now!

Now where were we, Greg?

'Lard ass?!'

She deserves it!

Sasha, she didn't mean that...

Sophie, that was too much...

**The only reason I look like this
is because of you!**

I'm a freak!

A monster!

And it's all your fault!

And it's all your fault!

My fault? You should be thanking me!

Uh, girls?

Don't you 'uh'
me, little guy.

You're getting
punished.

Wh...What are
you doing?

A 3D rendered scene from a game. A woman with blonde hair and large breasts is looking at a man. She has a speech bubble above her head. The man is looking at her and has a speech bubble above his head. The background shows a building with a staircase.

**You didn't think I would
just let you get away with
that, did you?**

**O... Of course not!
Maybe?**

It's over Sophie, I want you out of *my* apartment, *now*.

Your apartment, huh?

No, I don't think these tits are gonna fit through the door.

Plus, Greg and I still haven't gotten to "finish."

You're walking a fine line, Sophie, don't you dare cross it.

Oh no, I'm shaking in my boots!

Sophie...

What are you gonna do about it, tiny?

Tiny?

It sucks to be the smallest in the group, doesn't it?

I'll cross any line I want, I'll do anything I want, and you'll like it!

Just try and stop me, smallfry!

Umm...

I never mocked you for
being short.

I never made fun of your
height... I didn't care!

Uhh, Sasha?

Why would I? You were one of the sweetest people I'd ever met!

You... You're..

In return, all I gave
you was my
friendship!

But damn it Sophie, if this is what you would've been like had you looked like me...

Then I'd never be friends with you, you narcissistic bitch!

You... you grew again...

Did I? Well I guess that makes me the tall one!

Sasha, no!

That's not...

Sorry, tiny, you gotta
speak up!

Sasha!

Get off me,
you cow!

A "cow," am I?

This "Cow" is going to show you why you should be nice to your superiors!

Superior? You've gotta be kidding!

So heavy... might die... but... this is really hot...

A 3D rendered scene in a room with white brick walls and wooden floors. Two large, muscular women with exaggerated body proportions are kneeling on a patterned rug. The woman on the left has blonde hair and is looking towards the woman on the right, who has long blonde hair. They are both wearing minimal clothing. A man in black briefs is lying face down on the rug between them. In the background, there are wooden beams, a window, and a dark grey cabinet.

If only some of that growth affected your brain!

I could say the same, but all of it went to your fat ass instead!

Is this heaven?
It has to be...

You should really try making this a challenge!

You bitch!

I'll show you a challenge!

Yeah! How's that?

You know, you don't look so big from up here!

Oh, now you've done it!

End of Part
