

You know, you've been the "butt" of all my jokes recently, so I thought I'd repay the favor a bit!

Mrrrph!

Oh don't act all mad at me Sasha, we can't all have asses as big as yours. But I guess mine will have to be enough.

Sophie you bitch! I-

Now that wasn't very nice, here I was ready to let you go too...

MRMPH!!!!

Ugh! Sasha... Heavy...

Maybe if somebody with the world's biggest behind would apologize to me, I wouldn't keep torturing her with my own backside...

Gasp!

At least I put the offer out there. It doesn't sound like you plan on accepting though.

After all of this... do you really think I would just say "I'm sorry?"

Go to hell!

Not any time soon, but I do know where your face is going...

Sophie you better hope I don't ever get up or you'l-

If only it was this easy to shut you up before we were this big. It's fantastic!

Hmph...

It's good that you realized that our friendship's in the past then!

You keep acting like I was some monster to you! We were best friends up until a few hours ago!

But it doesn't have to be like that!

Oh?

I just had a good idea.

THWACK!

Aaagh! Did you just slap me with your boob?

You apologize for everything, you admit that you like what happened to you AND you let me have Greg, then all is forgiven.

Maybe I'll even stop slapping your around with my tits!

I can't just give you Greg he's an-
oof!

THWACK!

**You can do whatever you want now!
Have you not noticed how big we are?
We could do whatever we want!**

Mmph!

Regardless of how we feel about each other, this is who we are now. Everything's gonna be different. But it's up to us to make it what WE want!

Mphm!

A life of being bullied, made fun of, where nobody would glance in my direction other than for a cheap laugh... That's NOT the life I want to live ever again!

Mrrph!

What was that..

I never knew you
felt like that.

You were always preoccupied. You
had Greg, other friends, a life you
wanted to live.

Sophie, I would have always been there, you just needed to say it.

But you were never there to say it to...

I... I'm sorry...

Yo... you are?

I never realized it was that bad...
you were always so happy...

But there's one other thing I wanted to mention.

What about?

A 3D rendered scene in a modern interior. A woman with blonde hair, wearing a white bikini, stands in the center, looking back over her shoulder. She has extremely exaggerated features, including very large breasts and buttocks. In the foreground, another woman with blonde hair lies on the floor, looking up at the standing woman. The room has a white brick wall, a wooden floor, and a large window with white curtains. A black bird is perched on a ledge near the window. A speech bubble is positioned above the standing woman, and another is near the woman on the floor.

I meant everything I said,
but there's still the matter of
you sitting on my face...

Oh yea, I did do... wait...

Also the fact that you berated this "fat ass" for as long as you could...

Now Sasha... come on now, this isn't funny!

I think you owe it an apology...

I mean it Sasha, stop!

Hope your face is
comfy...

No no no no....

NO NO NO!!!

NOOOO-

HMMPH!!!

Oh, I can see why you loved doing this so much!

Hmph!h Mph!

A 3D rendered scene featuring a woman with extremely large, exaggerated breasts and buttocks. She is smiling and looking towards the viewer. The setting is an interior room with wooden beams, a window with white curtains, and a hanging lantern. A speech bubble is positioned above her head, and another is near her lower body.

I hope you don't mind all the
"extra" weight down there!

MPHHHHHHH!!!!

What was that? You love having
my ass in your face?

HMMMPH!!!
HMMPHL!!!!

Why didn't you say so?

We should do that
again some time...

Gasp
Ugh...

But for now, we need to get going, Greg.

Thought you forgot about me there for a second. Wait... Go... go where?

As far away from Sophie as we can get for the moment, now let's go!

Uh... Alright...

Don't think i'd fit, only other place is up!

Shouldn't we try to go downstairs?

Ugh... She's gonna pay for that...

Sasha!

Well, you got up quick didn't you?

Umm, hey Sophie...

Shut up Greg!

Sasha you better pray I never catch you! I swear if I do I-

Wha--
Aaaagh!

Curse these poorly-made
stairs!

Wugh!?!

Oh god yes and no at the same time!

Ow...

Alright... just the no part now...
well.. nevermind...

Okay Sasha... so we're on the roof... now what?

I... Didn't think that far...

A blonde woman with short, wavy hair is crouching on a rooftop. She is looking down and to the left. Her body is angled towards the right, showing her back and buttocks. She is wearing a dark, possibly black, bikini. The background is a clear blue sky and a concrete ledge. A speech bubble is positioned to her left.

And when Sophie gets up here?

I'll deal with it as it happens.

Good 'ol Sasha.

**You know, you never apologized
for what you did with Sophie...**

**What am I gonna do, tell the 30
foot woman no? I enjoy living,
thank you very much!**

Then tell me this...

A 3D rendered woman with extremely exaggerated proportions, including very large breasts and buttocks, is shown from a side profile. She is crouching on a rooftop with a grey stone wall and a water tower in the background. She is wearing black high-heeled sandals. Two speech bubbles are overlaid on the image.

Will you tell THIS 30
foot woman no?

I'm all yours, always will be...

Oh Greg...

So... What would you like to do now? Considering I can't tell you know and all...

Well, I can think of a few things...

Oh can you now?

Sophie's may be bigger, but remember that I know how to USE mine!

Either way, they're as big as me, do your worst!

I'd be lying if I didn't say
this was a first.

Comfy?

I'd also be lying if I said I wouldn't...

Hope you enjoy the ride sweetie...

I thought I told you!

**Greg! Is!
MINE!!!**
