I thought I told you!

Greg! Is!
MINE!!!

Stop you? Now why would I do that? I'm your "friend" remember?

You're dumber than you look if you thought that's all it would take to stop me.

Everything I said was serious, and you shit all over ALL of it. Now i'm not leaving until you give me Greg, and you BETTER give him to me.

Give him to you?!

Greg is mine! Beyond that he's human, something you lost the second you turned into this giant fucking freak show!

The image depicts a scene on a rooftop. Two large, nude female figures with exaggerated, inflated buttocks and breasts are the central focus. They are standing side-by-side, facing each other. The figure on the left has blonde hair, and the one on the right has long, straight white hair. In the background, a man is lying on the ground, looking up at the women. The setting includes a concrete building with windows on the left and a water tower on the right under a clear blue sky. There are some broken bricks on the ground in the foreground.

Bring it, you oversized idiot!

Freak show am I? That's it!
That's fucking it!

Ladies? I... I think they forgot about me again...

Get your ass over here so I can tear you a new one!

OOF!

Get the fuck
off me!

Not until you give me
Greg you skank!

The image depicts two female characters in a physical struggle on a rooftop. The character on the left has blonde hair tied in a bun and is being held from behind by the character on the right, who has long, straight white hair. Both characters are nude. The blonde character has a speech bubble above her head. The background shows a multi-story building with many windows and a clear blue sky.

**Never call me that you
blonde bimbo!**

Aww, did I hit somebody's week spot?

You're fucking dead...

What the fu-

Aaagh!

Ah, now this feels right
doesn't it? Me sitting
triumphantly over you...

Get the fuck off of me!

Nuh uh, I'm enjoying myself too much, now stay down and shut up!

What are you making that stupid face for? Wait...

Oooh...

Oh no...

Come on you two,
stop fighting!

No no no...

NO DAMN

Oh boy...

Oh yes...

It's time I put you in your place, bitch...

I'm taking your ass down a peg!

Bring it the fuck on!

Ha, now this is more like it!

What's the matter,
Sophie?

Feel like you lost?

Humiliated?

Good! Because it's exactly
how you deserve to feel
after all this!

While i'm feeling...

She's fucking huge...

A Whole...

Lot...

Bigger!

It's time to end this
Sophie!

So... Big...

What's the matter, cat got your tongue?

No, I--

Well good, I want you to remember what I'm about to do next!

Not so tall anymore, are you?

So... So huge...

I need... Gimme...

Not happening, short stuff! I'm a little busy at the moment!

I'm gonna make you eat all of those words, you know...

C'mon, I've been good!

Ooh...

You're not...

Ooh, I am...

Weird, looks like its a fair fight again!

Nevermind!

Seems like I'm still a
growin' girl!

No fucking way!

Yes way...

Now get over here
you bitch!

We're ending this now!

Aah!

Oof!

Ugh...

You okay?

Oh, now you notice me for once.

Good thing you didn't land on me, or I might be a lot flatter...

Ready to fight fair now?

Fuck you!

Oh!

What?

Ha... Haha!
Hahahaha!

What's so fucking funny?!

I can't even see you down there anymore! This is incredible!

You won't think it's so incredible when I-

When you what?
Please tell me...
