

Wait did I just hear you right?

You actually just asked me out?

Umm... Yes?
I-I think you're the most
b-b-beautiful woman ever!

A tiny man with brown hair, wearing a grey t-shirt, blue jeans, and dark shoes, stands on a wooden surface. He is looking up at a giant woman whose lower body is visible. She is wearing a black top and a large, vibrant red plaid skirt with green and white patterns. The scene is a visual metaphor for the disconnect between clothing size labels and actual body measurements.

**You do realize that you're a tiny,
and I'm a big person, right?**

S-size has nothing to do with I-level!

Is that so...
Well why should I fall in love
with a pathetic tiny?

Even the wimpiest normal boy is a million times
stronger than you, and I reject those boys everyday...

I may be s-small!
But I'm not afraid of anyone! Big or not!

You definitely are brave...
Because you know a lot of girls, like most of my friends,
would have probably squished you already...

Haha... You're kidding about that right...
R-right?

O-Ow!
Can't you find a better way to hold me!

Oh? I thought you were a tough guy?
Maybe I was wrong?

I-I mean this is f-fine!

Hmm... I guess you are kinda cute...
For a tiny anyway...

Okay... I'll let you go on a date with me...

R-really!
That's awesome!
Wait what are you doing now?

I can't have anyone seeing me hanging out with a tiny...
So how about you hang out in here for now?

Holy shit!

Or is this moving too fast for you?
I thought you were a bold man...
Maybe I was wrong?

N-no!
I love it in here!
Y-your boobs are the best!

My 'boobs are the best' huh?
You're such a romantic!
You're making me blush!

I-I didn't mean...
Ah shucks...

Oh my god...
I'm such an idiot...

It's alright...
I find your awkwardness kinda cute...
Just hide down there for now...

I went ahead and ordered...

Umm thanks...
It's a little big for me though...

Yeah I know.... I bought it
for us to share stupid...

Ooff!
O-oh yeah... that makes sense...

A woman with dark hair and a necklace is shown from the chest up, looking down at a massive, glowing golden burger that fills the foreground. A small man is crawling on the burger's surface. The background shows a blurred cityscape.

Still though, this burger is huge by
normal people standards!

Wait does 'sharing' that mean
I have to eat half?

I don't think I'll be able
to eat one tenth of this...

Well dig in!

Y-yeah!

He looks so cute on
such a big burger...

She's so cute eating
such a big burger...

Oh my god! Hey girl!
Funny seeing you here!

Oh h-hey...

guy this would be a date!

Dumbass tiny!

Please help me!

I'm like, actually a little relived!
Cause there's actually a rumor you're like... a tiny lover!

I mean since no one ever
sees you squishing any!

In fact I heard from Amy that she saw you
walking down a hallway, and that you actually moved
to the other side to avoid walking over a group of tinies!

But I knew that was bullshit!

Please help me!

W-what? M-me a tiny lover?
No w-way!

I know right?
Ugh... I hate people who start rumors!
It's so mean!
