

The lifeguard summer

In between my college sophomore and junior years, my parents were ragging on me to get a summer job. At first i resisted, but finally i found something i could stomach for the 3 month summer break.

I had been working out like crazy and was in the best shape of my life. For the first time in my life i had a six pack, biceps and strong back and pecks. I liked showing off my new body and one day while at the neighborhood pool i saw a lifeguard job applications form.

Perfect i thought. There were a bunch of hot girls who worked at the pool, the job would be easy and low stress, i could get a good tan, it had a lot of benefits in addition to getting a little spending money and my parents off my back.

I was already a good swimmer and i had taken a CPR class a few years ago so I figured i would be a shoe in. As it turns out, a lot of people applied and i had to get my certification renewed. Finally, a few weeks into my summer break they posted the summer rotation. I made it. And even better, the list of names included some girls I recognized.

There was Alex Stacy, she was one of the best known hot girls from my high school. Although she was a few years younger than me, she had a reputation as a party girl and of getting around, i had heard a few guys from my year brag about getting head from her. She was very wealthy and spoiled but also kind of dumb. She was 18 and about to go off to college but i doubt the school was good for anything other than the party scene she was always a part of. She was very thin with a pretty face and pouty eyes and lips.

There were some younger lifeguards, 2 girls and a guy i didnt know who were still 16-17.

The name that surprised me the most was Megan Stevens. I had known Megan since i was younger, we had lived across the street from each other before my family moved to a different house. As kids we had even been "paired up" once in a middle school game of spin the bottle. Even though she was two years younger than me she had been my first kiss. She was 18 and I knew she was following me to the state university. I had also seen recent pictures of her and was totally excited to see her. She was one of those girls who was so modest even though she had a killer body. "Skinny big titts" i called her body type. She has very thin arms and waist, and a slender , pretty girl next door face, but somehow she had giant mellon tits that were impossible for her to hide. She would always dress very conservatively but her huge assets always made an impression. She had gone off to a private school, so though i knew the name i hadn't really spoken to her in several years.

The first day at work confirmed my belief that this job would be a cakewalk. We rotated duties so that 1-2 people had to sit up in the lifeguard chair while the rest of us got to hang out in the office. Since I was the oldest everyone wanted to hear about college and i enjoyed telling them stories about life as an undergrad.

Megan was very serious and was more interested in the academic side of things while Alex was more interested in the party scene. About every 45 minutes someone would rotate out of the office. When it was Alex's turn she pulled off her tank top to reveal a very tiny two piece bikini. She was so skinny she didnt have an ounce of fat showing and she got a lot of looks from people of all ages as she climbed up into the liveguard chair.

Still in the office, Megan sighed. "She is so wierd, she knows all the old men are looking at her right?" She asked me.

"Haha yeah thats a pretty tiny bathing suit" i laughed

"Shes practically naked" megan laughed. "She must like the attention"

It wasn't all fun, the pool manager Ricardo was always assigning odd jobs like cleaning the bathrooms or sweeping the tennis courts, etc...

Ricardo was older, in his 30s and had been working at the pool for years. He was brazilian and was a very loud and boisterous personality.

"Megan i think its your turn to take out the garbage" he said, pointing at the overflowing garbage cans near the entrance.

"John hasnt done it yet" she said, playfully poking me in the shoulder.

"Then he will do it next time. Go on." He said smiling into her eyes.

"Ok" she went and got the trash as ricardo sat next to me.

"Wow that body" ricardo said to me , leering at megan as she walked away.

"She doesnt know what shes got on her" he added.

"Haha yeah" i laughed nervously. I felt a little uncomfortable about the way Ricardo was so shameless about the girls, at 30 he was almost twice their age. He even made comments directly to the girls a lot of times and just seemed to have no shame.

When it was my turn to go up on the chair i made sure i pulled my shirt off in front of megan and Alex. I was cut. I walked up to the chair and enjoyed the sun as i surveyed my new kingdom. Through my sunglasses i though i saw a few of the pool milfs eyeing me.

This was going to be a fun summer, I thought.

The Friday of the first week was our first “Fiesta Friday” The pool had a big barbecue and had music and dancing into the night. Since this was our first week on the job all of the new lifeguards were in good spirits. Alex snuck in a bottle of tequila for us in the booth.

“No thanks!” Megan said

Me and Alex and the younger lifeguards (Tina and Mark) each took a few shots through out the day, trying to keep it hidden from Ricardo.

When the dancing started, Alex was already a little bit tipsy. She, down to her string bikini started gyrating her body in amongst the families. I was only a little bit tipsy but I had to admit, her body was banging and the way she moved her hips was giving me a little bit of a boner in my swim trunks. As me and the other lifeguards were sitting in the booth, I tried to shift positions and not let Megan see me watching Alex.

“Oh my god! She is just ridiculous!” Megan said to me.

“Yeah, I hope she doesn’t get too drunk, we could all get in trouble if Ricardo find out we were drinking”

“You mean YOU were drinking” Megan said to me

“Ok, well sh...” I laughed.

Ricardo came into the booth, and Megan was still complaining about Alex’s scandalous dancing.

“Well , she looks ok, what do you think John?” he asked me, Megan looking at me to back her up.

“Yeah she’s kind of inappropriate for the family setting” I said, wanting to agree with Megan.

“Yeah but shes got a hot body right?” Ricardo continue

“A lot of the old married guys come in here for that you know!”

“Gross!” replied Megan. “You would know Ricardo, creepy old man!” she laughed.

“I mean, she’s a little skinny for me, right” This is more what I like “ he said, looking at Megan’s chest.

The whole booth laughed while Megan turned red. She always wore a 1 piece bathing suit showing as little skin as possible, but there was no hiding her giant melon tits. Her breasts were just so massive that it was almost absurd for such a skinny, conservative girl. She had on mesh shorts and her 1 piece suit. Her dark black hair tied back. She folded her skinny white arms up in front of her chest to avert Ricardo’s stare.

“Gross! You are a pervert!” Megan told Ricardo.

Ricardo laughed, quickly changing the subject “What do you think, Alex or Megan? Who is the hotter?” Ricardo asked me and the younger Mark.

“No comment” I replied with a smile.

“No balls is what you mean” Ricardo jested. “Ok Who is closing up tonight?”

“Me and John can do it” Megan answered.

“Ok, make sure you turn all the lights off. I will be counting the register so no funny business! I have a date tonight” Ricardo said, pushing his hair back in a mock suave style.

“Good luck your’e gonna need it!” Tina joked.

Ricardo left and Tina told us she had heard a rumor that Ricardo was “having an affair” with one of the pool moms.

“He’s so gross” Tina said, “I mean not gross physically, he’s kinda hot, but just such an jerk”

“And old! Never in a million years” Megan added.

Alex came back to the booth, a little bit sweaty from all her dancing.

“John come dance with me!” she asked.

“Sorry not really into it” I replied.

“Come on” Alex said, while pulling my arm . I reluctantly followed her out into the crowd of people dancing to awful hit list music that was at least 3 years past it’s prime.

Alex took a step in front of me and started to gyrate her hips, leaning forward and brushing her chest against me before dipping low and combing back up into my waist. I wasn’t a particularly good dancer but I tried to at least sway with the beat.

Alex turned her head to give me a slight smile.

“Anything?” she said.

She did another of her moves, grinding her ass down my leg and back up, bouncing her ass against my crotch. I had to admit, Alex was really hot. She has short blond hair and her eyes and face were very

sexy. She may not have had the curves like Megan but her skin felt great and I started to get an erection for the second time, completely out of my control.

“That’s better” Alex said, pulling my hands to her waist as she ground her hips into my hard on.

“Um” maybe we shouldn’t do this” I said, realizing I had lost control of the situation.

I looked back toward the lifeguard booth to see the other guards watching us. Megan stuck her tongue out at me in mock disgust.

“Maybe we should go somewhere else” Alex whispered into my ear.

“My car is out back” she said, taking me by the hand.

Alex led me back to her car. I was a little uncertain as I didn’t want to ruin any chances with Megan, but my dick was leading the way and Alex was way too sexy for me to think logically.

We got to her car and Alex opened the back door. I got in first and she jumped on top of me, kissing me passionately and grinding her skinny body against mine.

“Take off your shirt” she whispered into my ear as she breathed her hot breath onto my neck.

I pulled off my Tshirt and she ran her hands down my tight chest and stomach muscles.

“You got a great body stud” she whispered into my ear as she kissed my neck and chewed on my earlobe.

I reached behind her to unhook her bikini top. Suddenly Alex seemed a little self conscious.

“They’re small ok?” she said.

“You’re hot!” I reassured her as she kissed my neck.

“Let’s do body shots!” She said, pulling the bottle of whiskey from under the seat.

Alex pushed me to lay back onto the back seat of the car, I was wearing only my bathing suit with a massive hard on tenting them out. She poured a small amount of whiskey onto my chest before running her mouth slowly over the trail of liquid, kissing and sucking it all the way down my stomach, to just about my waist.

“Ohh.” I moaned, this girl sure was good with her mouth.

She leaned back up, her back against the window as she handed me the bottle.

"You're turn" she moaned , removing her bikini top to show her small but perky A cup sized tits. Her pink nipples were hard and even though her tits were small, they were very sexy and tight like the rest of her toned body.

I poured a little bit of whisky on to her neck and kissed and sucked it off as she moaned.

"Oh john." she moaned as I followed the trail of liquor down her chest, stopping to suck one of her hard nipples into my mouth.

"mmmmm" she moaned, breathing heavily.

I kissed my way down her tight stomach, grazing my tongue inside of her bikini bottom, and getting a taste of her wet slit , which made her arch her back and moan.

"Oh John!" she moaned as I started to ease down her bikini bottom for better access.

"Do you have a condom? " she asked.

"oh" uh no" I said, worried that the mood would be broken.

"Ok" she said, "lets do other stuff"

She pushed me back onto the seats and ran her hands down my body, putting her fingers inside my bathing suit ready to slide them down.

"Do you have a nice big cock for me John?" she asked sexily.

"Oh yeah baby, it's so hard Alex".

Alex pulled down my bathing suit revealing my rock hard erection. Alex grabbed it softly with one hand and began sucking on it, looking up at me with her big pretty eyes as she took my full 6 inch hard on all the way into her mouth and throat.

Alex was obviously very experienced at this, she had no gag reflex and she easily reached my public bone with each stroke of her mouth. She used her tongue on my head, licking the most sensitive spot on the head of my penis and doing a twirling motion that brought me to the peak of orgasm almost immediately.

"I'm gonna cumm." I moaned, way past the point of being able to stop.

Alex pulled her head back and aimed my cock at her chest. I shot a good 6 spurts of hot cum onto her

neck and chest, dripping over her hard nipples and running down her body as she milked my cock with her hand.

“Holy shit.” I moaned as the last few ounces of cum drained out of my balls onto her sexy body.

“Mmm” she moaned.

“Not bad John, you’ve got some nice balls there” she smiled.

After some awkward small talk and joking, I offered to drive Alex home but she said she was ok to drive. I was worried she was too drunk but I realized I had no way of getting her home in her car. Eventually she left, giving me a kiss goodbye.

“We just have to work on your stamina, and bring some condoms next time” she said with a wink, “But thank you for the pearl necklace” she said as she pulled away in her car.

“Wow, that girl is so slutty” I thought, but wow did that feel good. Alex was one hell of a good lay.

I put my tshirt back on and walked back into the pool, everyone else had left and Megan was alone cleaning the office and locking the rest of the doors.

“Sorry, I got a little caught up, Alex was too drunk to drive” I said, trying to think of an excuse without letting Megan know what had just happen.

“haha Ok John” sigh “boys” Megan said, clearly disappointed that I had obviously hooked up with alex.

“It’s not what you think” I said, worried that I had ruined any chances with Megan.

“No, it’s ok, if you like girls like Alex that’s your business” Megan said, clearly hurt.

I realized maybe this wasn’t so bad. If Megan was jealous maybe I could use this to get her to be a little bit more outgoing.

“It’s not that, she just makes it really easy you know” I said

“Is that what guys want, A slut?” Megan asked me, genuinely curious.

“No, at least “ that’s not what I want” I said, holding the silence a little bit longer than necessary

“That’s good, because I want a guy who has to work for it ya know?” She said.

“Oh trust me, I think any guy would be willing to work for a girl like you” I said, realizing I was maybe

getting a little bit to forward.

"Good.. So , I was looking over the course guide for next year" Do you think you could come over some time next week and help me pick some classes? I know you have done it a few time and I just need some advice"

I knew that most student didn't have any of their courses picked out until at least the first or second week after getting to campus, but I wasn't going to let that stop me.

"Sure, I know all the tricks I can definitely help you out"

"Great!" Megan said. We finished locking up and I waved her goodbye as we both drove off.

I was looking forward to next week, maybe getting Megan a little bit jealous had been just what I needed.

The first weekend was pretty busy, obviously more people than usual so there wasn't as much time to chitchat and all of us were kept busy.

I noticed that Alex was being a little bit more distant than before , but i didn't mind. With that fling out of the way i was ready to focus on Megan.

Tina was the most gossipy of the group and she kept on hinting that something had happened between me and Alex.

"So are you two dating now?" Tina asked me.

"No, it was nothing" i told her.

"What did you do?" She asked.

"None of your business" I told her.

"Haha ok, i guess I can get the details from Alex" she said.

I didn't like being the subject of gossip but figured there was nothing i could do about it. Everyone had seen me and Alex walk to the parking lot together so there was not much use denying it. More than anything i just wanted the subject dropped so that Megan wouldn't hold it against me.

Megan was reading and didn't seem to be listening to Tina's gossip. It was my turn to go up to the chair and I replaced Alex, i tried to make eye contact with her but she weirdly ignored me as we switched rotations.

As i was up in the lifeguard chair, i could see Tina badgering Alex for details. Oh great I thought. At least

Megan wasn't in the booth anymore, as she had gone to sweep the tennis courts.

As i did my 45 minutes of guard duty, it seemed that Tina and Alex were really having a fun conversation, they were both very animated and laughing, sometimes looking in my direction. When i finally finished, it was Megans turn and i came into the booth.

There was an odd silence as though they had been talking about me so I tried to clear the air.

"Did i miss something?" I asked.

"Nope, just girl talk" tina giggled.

"I'm going to go help Mark with the cleaning" Alex said, leaving me and Tina alone again.

Tina wasnt badgering anymore, but i was still curiouse what she had learned from Alex.

"So, did you get all the details from Alex?" i asked.

"Yep, pretty much everything" she said.

"Everything?" I asked.

"Yeah. The body shots. The blow job.. Ya know everything" tina said.

I was little embarressed , i didnt want all these details to be discussed around the pool, especially if Megan was around.

"Well you can stop talking about now that you have it right?" I asked, hoping to let her know i didt want this talk to continue.

"Yeah, there was another thing though... I just thought it was funny" tina smiled.

"And?" I asked.

" well, Alex told me you have a small cock..."

Tina laughed.

My face turned bright red.

"Dont worry John, I wont tell Megan " tina added.

I was completely speechless. For one thing, It wasn't true. I wasn't John Holmes or anything, but I knew my 6 inches was at least average. What made it so much worst is that these girls were so much younger than me, and now Tina thought I had a small dick?

I was in a little bit of a rage and was having trouble thinking straight.

"That's not true" I told Tina

"Oh.. ok John" Tina smiled.

"Really its not" I said again

"It really is ok John, I don't care I just thought it was funny that's all" she said.

"It's not funny, and it's not small" I said again this time getting more angry.

"Take it up with Alex then, she seemed pretty honest. She said you had a nice load though, but that you only lasted like 30 seconds" Tina said.

Jeez the details this young girl knew about me were just too much. I had to talk to Alex.

I went out to the back where Alex and Mark were standing around. I could tell from Alex posture that she was flirting with him. He was like 16? I grabbed her by the arm and pulled her into a corner where no one could hear us.

"Hey? What's up?" she said

"Why did you tell Tina that I have a small dick?" I asked.

"Well" she wanted details, so I gave her the juicy parts. Its just what girls do"

"But my dick isn't small. You even wanted to have sex but I didn't have a condom"

"Well, yeah, I mean I was drunk and horny. I mean I'm sorry John but it's just" it's not as big as a lot of the guys I've been with" I'm sorry if it hurt your feelings but I'm just being honest" She said.

"Look, if you have something to say please tell me not other people. I don't like people spreading rumors about me" I told her

"Ok, sorry, I won't tell anyone else" she said

I left, still a little frazzled. Tina gave me a big smile as I got back to the booth.

It was Tina's turn to go up to the lifeguard chair so me and Megan would be alone in the booth for a bit. Megan luckily seemed unaware of the gossiping that had been going on earlier in the day so I started to calm down. We talked a little bit about the classes she was looking at and I suggested we go over them after work on Monday.

I couldn't stop looking at Megan, she was just so naturally beautiful, and the way she carried herself made her so much more attractive than Alex. I was angry that I had let myself get involved with that slut.

Megan leaned back in her seat and started asking me about my weekend plans. I lied about going to a party (I had no plans).

"oh are you bringing Alex?" she asked.

"No, me and Alex are not a thing" I said.

"Oh ok, I was just checking" she said.

Ricardo came back into the booth and proceeded with his usual hitting on Megan.

"So how did it go closing out last night?" he asked us

"no problems" I said.

"Oh did you two hit it off?" He asked looking at Megan

"None of your business" Megan told him

"Maybe tonight me and you can close the office and it will be more fun" He said to her.

"Ricardo, no way. You have no chance with me you are way to old" she told him, completely dismissing his approaches.

"Don't you have a girlfriend?"

"I have many girlfriends" He said" But none that look as good as you" he said

"Look you need to knock it off, I would rather date someone my own age"

"Oh like John?" Ricardo asked, looking at me

Megan blushed, “yes like John”.

“Ok, well one day you might change your mind I will be here” He said.

“Unlikely” Megan laughed.

“So what is the way I could change your mind?” Ricardo asked, really not giving up.

“Umm.. there is no way” Megan answered.

“What about if I like saved a person or was a hero “ he asked.

“If YOU were a hero? Umm.. I don’t think so”

“If I saved someone would you give me a date?” he asked.

“Like saved someone from dying?” Megan asked

“Yeah, if I was a hero” Ricardo said.

“Ok, Ricardo” Megan finally gave up.

“If you save someone I guess you can have a date”

“Great” he said.

It would become a running joke for the rest of the day(and the rest of the summer). Whenever Ricardo would see Megan he would sing the refrain to “I can be your hero baby” by Ricky Martin and would always joke that if anyone ever saw anyone drowning to call him and let him earn his date with Megan.

On Monday after work, I drove over to Megan’s place after work to go over her courses. She had already highlighted the entire course books, with notes and circles through out. I was really not that prepared but I did my best to point out a few things I had learned, like professors that everyone liked and classes that people had enjoyed. We narrowed down Megan’s list and she seemed to genuinely enjoy my help. We were sitting next to each other and our bodies were getting closer.

“So John.. I wanted to know if like” do you remember when we kissed all those years ago?”

“Yeah of course, that was my first kiss”

“Mine too” she said.

“Well it’s really my only one” she said

"No way!" I said, genuinely surprised.

"I mean, I know guys have been interested but I have just been so focused on school and getting into college. I haven't done parties or any of that stuff" She said.

"But I'm kind of worried that when I get to college people will think I'm boring or not mature or something" She said, looking at me a little differently.

"Oh, well, I think you will have plenty of time to catch up, there are no shortage of parties at State" I said

"I mean, maybe you could show me how to make out?" she said. "I mean, you were my first kiss"

I was so excited that I didn't know what to say. Megan was wearing a loose fitting sweatshirt. Her brown eyes were wide open and she was making herself very vulnerable.

"Sure" I said, barely hiding my excitement.

Megan leaned in and I slowly kissed her. Her lips were very soft and we held our lips together for what seemed like minutes. I gently put my arms on her shoulders and lightly pulled her closer. She kissed my lower lip and looked me in the eyes.

"that's nice" she said.

We leaned in again and kissed, this time our lips parting and our mouths opening more to each other. Megan's body moved into mine and I could feel her breasts pressing against my chest. I was really excited but I didn't want to scare her by moving too fast.

I put my hand around her back, pulling her body into mine and rubbing her back as our mouths continued to lightly explore each other. She tasted and smelled so good, this was nothing like making out with Alex.

I put one of my hands underneath her sweatshirt, and with her help, she lifted it off. She was wearing a t-shirt now and as we continued kissing I could feel her body, mostly her breasts pressing against me. They were so big it was all I could think about.

I moved one hand inside of her shirt when she pulled away.

"I want to go slow ok" She said

"Oh ok, sorry. You're just really hot" I said laughing nervously.

"I guess it might be fun to see each other.. you know" without clothes on" she said.

"Yeah" I agreed.

"So ,maybe you could show me yours, and Ill show you these" she said, cupping her breasts.

"Ok" I said.

We started to undress I took off my tshirt and megan slid out of her jeans when we heard a door open down below.

"Oh shit! My Parents" She yelled.

We frantically put our clothes back on and pretended to be back to looking at the course book when megan's mom came in.

We awkwardly exchanged pleasantries with her mom before she went back downstairs, offering to make us food.

"Well"" Megan said. "That was fun. I guess we can try again sometime" she said.

"Yes for sure" I agreed.

She gave me a kiss on the cheek before I left.

Even though I hadn't gone all the way. I was feeling great. Megan was clearly into me and it was only a matter of time before we picked up where we left off.

The days past more quickly as summer was into full swing. Although we had gotten to know each other better, the job become more of a routine and there was little unexpected over the days.

Tina was always the one eager to talk about the latest gossip. She new about all the married women and men at the pool and there personal lives. Apparently Ricardo had been having an affair with Ms Mallory. She was definitely a milf, young 30s with 2 kids but an impressive body and was on the board of the pool. How Ricardo had managed to pull that off without her husband, a rich older lawyer finding out was a complete mystery to me but somehow Tina new all the details.

" I heard Ricardo comes over when he is off on business, like a couple times per month" She said to us breathlessly.

"She's crazy" Megan said, "She must be an awful mother" she scowled, "and horrible taste in men. Her husband seems so nice and smart"

“Well I guess she needed a Latin lover” Tina joked.

Megan put her finger in her mouth to indicate disgust, she found Ricardo so repulsive that the whole idea was disturbing to her.

Me and Megan had a lot of chemistry and we often made opportunities to be alone. One time, while we were alone in parking lot I noticed her making eyes at me. I wrapped her up in my arms and gave her a kiss. She pressed her lips back into mine and I felt like I was falling in love.

“So.” she said.

“I noticed that there was an opening to close out the pool on Thursday, maybe the two of us could stay a little late and hang around after everyone’s gone home” she suggested.

“Sounds great” I agreed.

“You could bring some wine” she suggested, a devilish smile on her face.

“Of course, that sounds perfect” I said.

Later on that day I found myself in the office with Tina and Alex. Tina was badgering Alex about her night life, always full of intrigue.

“So, who is the stud now?” Tina asked.

“Well, you should go after Mark” Alex said.

“Hes a little young for me but he’s hung, he’s got a pretty cock too” Alex said.

“Oh” so hes bigger than John, that’s so funny” Tina laughed.

Alex looked at me.

“Yeah, hes got John covered” Sorry John” Alex smirked.

“Hey!” I said getting angry at Alex’s forwardness.

“I said I’m sorry John, I’m just trying to give Tina the heads up” Alex said, putting on her sunglasses as though she was above it all.

“I mean, for a teenager.” Alex continued. “ For a real deep fucking Ricardo is the one with the goods”

“Oh my god! You slept with Ricardo?” Tina asked, as shocked as I was.

“He let me suck him off last night, and wow, he’s the biggest I’ve ever seen” Alex gushed.

“Like I needed both hands” Alex showed Tina, making a big mouth and fake jerking a cock with two hands. “I’m hoping to get some more of that tonight” Alex said, looking at Ricardo in the distance as he flirted with some random mom by the poolside.

I was feeling a little bit of jealousy and humiliation as Alex talked up all the other guys other than me. I couldn’t believe Alex would say this while I was still in the room.

“You girls are just sad” I said, leaving the room.

“It’s ok John, Megan doesn’t know you’re the third best cock in the booth! Yet!” Tina laughed, and Alex laughed with her.

“Well she’s a virgin so maybe she needs a little one to get her started” Alex added as I left the booth.

These girls were clearly just jealous, I thought to myself. They had seen how me and Megan were really hitting it off, and they just needed a way to bring me down. I had a date with Megan on Thursday and I wasn’t going to let their baseless claims bring me down.

Thursday night couldn’t have come soon enough. I had made sure to bring a bottle of wine, two plastic cups, and, learning from my mistake, a pack of condoms. As the day turned to night Megan was flashing me knowing grins as the time to close up for the night fast approached.

Ricardo, seeing the schedule gave us the usual routine.

“No funny business tonight “ he said

“Don’t worry, we will clean up and lock up” Megan replied.

“I hope you don’t miss me” Ricardo added.

“Nope” Megan Laughed.

Finally, everyone else had left and the quiet night was ours. Megan started counting the money from the cash register, while I went to the car to get my supplies.

When I came back, I was surprised to find Megan, swimming in the pool.

“Coming In “ I yelled before diving in.

We swam up to each other and embraced as we began passionately kissing. Megan's wet body felt so good, her skinny arms wrapped around my neck as our tongues thrashed in passion.

Megan pulled her body out of the water and she sat just above me.

"It's about time, I've been waiting to show you something" she said.

Megan pulled down the top of her bathing suit, releasing her giant tits. My eyes nearly popped out of my head. They were the biggest, firmest, natural tits I had ever laid eyes on. Not even the hottest playmates could compete with the body on this innocent, beautiful girl.

"Do you like them?" Megan asked.

"They are spectacular" I said. Fumbling for words. I was dumbstruck by how perfect Megan's body was. Even All the time I had spent imagining and wanking to the image of her body was no match to seeing her beauty in the flesh.

"Come up here " she said, leading me out of the water and kissing me passionately as my hands naturally grasped at her massive melons. They were too big to fit in my hands and I felt like I was the virgin as I was in awe of her body.

"Your turn" She said as put her tiny hands down at my waist. The thoughts of the other girls at the pool mocking my size gave me a brief pause, but I pulled down my trunks reveling my full 6 inches, proudly standing at full attention.

Megan laid back and guided me on top of her. She pulled the rest of her bathing suit off and we were now both fully naked as we made out, my cock resting on her skinny stomach and grazing against her trim pussy.

"I think I might be ready" Megan said quietly, as I reached into the bag for the condoms. Awkwardly fumbling, I finally got the rubber out and guided it down my stiff cock.

Megan was lying on her back, her rosy cheeks and glazed eyes looking at me in lust. Even on her back, her breasts were huge, and I give her breasts a kiss before I slowly guided my cock into her snatch.

"Oh" go slow ok" she warned.

I got about halfway in before I knew I was in trouble, Megan's giant breasts and taught stomach were glistening in the moonlight. She was just too sexy and I felt waves of orgasm sweep through me.

"Oh " shit" I moaned as my balls erupted inside of Megan, my condom filling to it's max in a matter of seconds.

“Oh shit.. sorry” I said, pulling out of her and removing the used condom.

“Oh.. don’t worry John, that was fun” And we have the whole summer” She said.

I kissed her, and not wanting to leave her empty I proceeded to lick her tight pussy, eliciting moans as she wrapped her tiny arms around my head.

“Oh John, that feels so good” She moaned as I licked circles and shapes around her aroused clit. Her pussy tasted and smelled so good, I had never been with a women who was so perfect in every way.

Megan arched her back as she moaned, her giant breasts heaving up toward the night sky.

Finally, after she had enjoyed several minutes of tongue, we came to a stop and lied together, our naked bodies against each other, breathing deeply as we both caught up with our excitement.

“I guess that’s what I’ve been missing” Megan laughed.

I agreed.

“Well I hope we can get you all caught up, it’s my pleasure to help” I joked.

We stood up to go back inside, both still naked. My penis had gone down to flaccid length, and Megan saw me trying to hide it.

“Oh, it’s cold out tonight” She joked.

We both got towels and went back to the booth. We ended the night sitting together, sharing a glass of wine.

“So, tomorrow night, lets go to my place” I suggested. “My parents are out of town for the next few days”

“Sounds great” Megan said, kissing me on the lips.

We finished with the work and we both drove off, thinking back over the course of the night to ourselves as I relished in having taken this goddesses virginity.

Even more exciting, tomorrow brought another chance to improve my performance and really show Megan how good sex could be. I was already starting to get another hard on as I thought about it, driving home.

It was coming up on the 4th of july and the summer was already almost halfway over. The 4th of july holiday was probably the most crowded day all summer at the pool which meant extra work for us. We

had to decorate and help stock up for the hoards that would hit us.

Being stronger than the girls meant me and mark had to do a lot of the heavy lifting and we had to make multiple trips to and from the trucks bringing in coolers and other such objects. Me and Mark had never really clicked , he was a lot younger than me and i also got a kind of stuck up vibe from him, like he thought he was better than me.

Him and Tina were going out now and he had also had a brief fling with with Alex. It bugged me that Alex had told Tina that Mark was better endowed than me and i wondered if Tina had ever told him that. I really hoped Tina hadn't told him he was bigger than the college guy, he would have had a Big ego boost from her telling him that.

Tina was pretty hot herself even though she was too young for me, i still didn't want her to lose respect for me and as she had one of the bigger personalities it really annoyed me that she didn't seem to respect me as much as him.

I found myself trying to out lift him, and especially when the other girls were watching i wanted them to see that i was stronger and more physically able than him. It was a good workout.

Ricardo was the laziest and being the manager, he basically got to do whatever he wanted and assign tasks to the rest of us. It really annoyed me to see him chatting up the girls while me and mark were sweating and lifting all this stuff.

I was certain Ricardo as always was hitting on megan. He had already hooked up with Alex multiple times and he had even made a few passes at Tina. Even though tina was under age, he had told her he could "teach her a few things" once she turned 18, even more evidence of what a scumbag creep he was.

When we finished bringing all the stuff in we went back into the office , both me and Mark covered in sweat. Megan handed me a soda, while Mark said he was gonna cool off in the pool. The girls were all decorating the office with 4th of july decorations.

"So how are you and Mark doing?" alex asked Tina

"Really good. You know... Having a lot of fun"

Alex laughed and even megan gave a light smile, she didnt usually engage in gossip like the other two.

"So.. Are you two, doing it" Alex asked, humping with her lower body as though she hadnt been clear enough

"Yes" tina glowed.

"I hope your using protection" alex said. I assumed alex must have had a bad experience at some point as she seemed pretty strict on the condom usage.

"Yep" Tina smiled. She pointed opened up the drawer at the desk she was sitting to show a roll of condoms.

"Jeez you two must be doing it like rabbits" alex exclaimed.

"TMI" megan said, putting on her headphones while laughing. I was glad megan kept herself above the gossip.

Ricardo came in with another box full of decorations.

"Looks like more work for everyone, we have to have the whole place decorated, front and back before tomorrow" he said.

It was going to be a late night, and me and Megan had a date tonight. Megan and I were trying to speed things along so that we could leave early but the rest of the group were taking their time and soon it was nightfall and we were only about halfway done.

"No one goes home until we finish" Ricardo said.

We split up and were doing separate tasks, me and Megan were throwing red white and Blue streamers over the trees in the front entrance when we heard a splash. We shrugged our shoulders and kept working. When we went inside we found Tina sitting alone in the booth.

"You missed a show..." Tina said quietly .

"Did mark leave?" I asked

"Yeah he went home" tina said

"He was a little mad"

"What happened" asked megan

"Ok so while you two were out front,
Alex was talking about me and marks sex life to Ricardo"

"Oh no" said megan.

"Alex was playing up that Mark had become the pool stud, And so ricardo challenged mark to a naked swim, to see, you know "

"Oh wow , common lets go home" i told megan. Worried that a naked ricardo was somewhere lurking.

"What happened?" Megan Asked, surprising me that she seemed interested in all this.

"Well....Mark lost" tina said looking distant..

"Ohh nooo" Megan laughed.

"The last thing Ricardo needs is a bigger ego." Megan said

"Oh he's got a big... Ego... alright" Tina said. She looked a little stuned.

.

"Where did everyone go?" Megan asked

"Alex went to ... Um .. Give Ricardo his trophy" Tina said.

"And mark got all mad and stormed out"

"Oh poor Mark" Megan laughed

"Well we are going to a party" Megan lied to Tina.

"You think you all can finish up?" She asked Tina

"Yeah i think so" Tina said.

Me and Megan left together, heading to my house.

"I feel sorry for mark" Megan said in the car.

"What do you mean?" I asked

"Well he's got all these cute girls around the pool but he's a lot younger than you and Ricardo.." She said

"Oh yeah thats true" i said

" i bet you would have won the contest if you were there" Megan said, giving me a sexy grin.

We pulled over and started making out, Megan a little less tentative than she used to be only a few weeks ago.

Megan was rubbing my hard-on with her hand, and i started kneading her

Massive tits as we sucked each other tongues.

Megan pulled away and flashed me smile.

"So i snuck something from the pool today" Megan laughed.

She reached into her bag and pulled out a condom.

"I stole it from Tina! That's what they get for all that sex talk at the pool" Megan laughed.

I realized that the condom Megan had was a magnum XL condom. I was a little nervous as i didn't want Megan to know that Mark was bigger and this would be a dead give away if his condoms were too big for me.

"Why don't we wait till we get home" i suggested trying to stall

"Oh no, i was watching you carry those ice chests all day" Megan said.

"You better take me right here and now" Megan said

Megan pushed me back and slowly removed her top. She pulled her brown hair back and one shoulder at a time, removed her shoulder straps. She brought the front of her bathing suit down so that it was just above her nipples .

Megan's giant breast looked like they were struggling for dear life for circulation. Her breasts were popping out of her top and started rubbing them herself, giving me a show.

I forgot all about the condom as my mouth involuntarily opened. The girls tits were just mesmerizingly big.

She bit her lower lip and ran one of her hands down to her pussy, rubbing herself while she looked at me.

"God Megan your so fucking hot" and told her.

"Do you want to fuck me john" she whispered, pulling her suit the rest of the way down, her huge breasts springing forward as they were let free.

"Oh yeah" i told her.

"I want your big cock in me right now" she said, pulling up the condom and taking off the wrapper for me.

I pulled down my shorts and my 6 inches was at full stiffness. I had trimmed

my pubic area and i was satisfied that i looked bigger than usual.

Megan gave me a kiss as she used her tiny hands to slowly
Put the condom on. As she rolled it down it was very loose fitting and as she got to the base there was
way to much condom left, there was way to much space both in thickness and length.

"Wait, am i doing it wrong?" Megan asked, wondering why it wasn't fitting correctly.

"No its fine" i said, quickly moving her hand away and moving her onto her back.
Megan seemed a little unsure but entered her in one quick motion and started humping her.

Megan didn't seem to be enjoying it as much as last time as she seemed to be worried about the
condom

"John... John... Hold on... I think. I think it might have come
off"

Megan pushed me off of her, and sure enough the condom was no longer on me. It was somewhere still
inside her.

"Oh no.. This is really bad" Megan said.

"Oh shit, can we like find it?" I said.

"Please just take me home" Megan asked, she seemed a mix of worried and angry.

It was one of the longest 5 minutes of my life as a drove megan to her house and dropped her off.

The next day was the fourth of July. I had to come to work earlier than usual, and immediately i was
busy.

There were crowds of people and the pool was packed. We needed to have 3 lifeguards watching the
pool at all times and the other times we had to clean up all the trash people left behind. I was sort of
grateful we didn't have to much time to loiter around the
Office, what with a the awkwardness that had occurred the night before.

I passed by Megan and asked her if everything was ok.

"Fine" she said. Not really giving me any information.

"So can i make it up to you?" I asked

"Lets go to the park for fireworks tonight" i suggested

"I... I'll think about it" she said, giving me a polite smile.

We had to rotate around so many times that it seemed like we were always in need of more lifeguards. I thought I saw Tina smiling at me through her dark sunglasses. She was really getting tanner and her skinny body was kind of in between Alex and Megan. She was shorter than both of them and had medium sized breasts that were not as heavy as Megan's but were at least a handful

I remembered the dazed look on her face last night after she had seen Ricardo naked. I really hoped Tina did not turn into a slut like Alex.

I saw Tina smile again and worried she had caught me staring.

I made sure to avert my gaze from her and the rest of the girls the rest of the day but it was tough. Alex was looking better than usual. She had colored her hair blue and it really brought out her bright blue eyes. She had sexy abs that were on display every time she got up into the lifeguard chair.

Megan was the best by far. For the first time all summer she had opted for a two piece bathing suit. Her stomach was toned and skinny and her long skinny arms really made her breasts seem to pop even more than normal. She had better cleavage than anyone I had ever seen and whenever she got up in the chair a swarm of teenage boys would enter the pool to sneak peaks at her.

We were so busy that we didn't have time to eat. Around 5 pm, I finally was able to grab some food from the BBQ. As I was looking for a cup I asked Tina if she knew where they were.

"Mark might have one, but you might want to make sure it's the right size" she said laughing.

Mark also laughed.

I couldn't believe it. Had Megan told them what happened last night? Megan never gossiped with the other girls.

I didn't have much time to think as there was a commotion out by the pool deck. A man was on the ground gasping for breath as a child cried

"He's having a heart attack!" Someone yelled.

"He's lost consciousness" someone else yelled.

Out of nowhere Ricardo pushed his way through the crowd. He had a defibrillator device and he was already on the phone with 9-11. Everyone watched in nervous silence as the phone operator walked through vital signs before giving him permission to use the device.

Ricardo knew how to use it. The first two jolts had no effect
But finally , the large man jolted upright, his eyes wide open and started gasping for breath.
Another man (apparently a doctor joined in) and the helped the man regain consciousness as the ambulance crew arrived.

Everyone applauded Ricardo as the EMTs gave a thumbs up indicating everything was
Ok.

Of course the first thought on everyone in the lifeguards mind was the bet and sure enough, Megan was standing with her hands at her hips, giving Ricardo a bemused smile as a came back to the office triumphantly.

He winked at her and went back to his work.

Megan and everyone else wasn't expecting such a modest reaction from the usually boastfull Ricardo, and people continues to thank him throughout the night for his quick reactions and "saving the day"

When it was close to time to leave i asked Megan if she was coming with me

"He john, i think maybe not tonight" she said

"Oh ok how come?" I asked

"Well i have to close up tonight and I'm pretty tired. I think I'm just going to take it easy tonight" she said.

I agreed but was secretly a little bit worried. Megan had never closed up the office . I checked the schedule to see if anyone else was scheduled but Megan was the only one on the list.
After everyone else had left I was going to try to kiss Megan goodnight but she looked busy so i just said goodnight

"Bye " she said, without looking up at me.

As i drove home i decided that i would stop to get some food, but quickly
Realized i didn't have my wallet.

"Shit," i thought, well i am definitely going to need that, i better go back to the pool. Maybe Megan is still there and she can let me in.

As i pulled into the parking lot i saw that Megan's car was still there.

"Phew" i thought. I walked into the office and saw that no one was there.

"She must be cleaning somewhere or turning off the lights in the locker room" i figured.

I found my wallet , it was in the drawer that i always left it. I decided i could leave now and Megan would not have to know about the wallet mishap, but i thought i could hear some voices coming from the tennis court. I quietly crept around the pool so that i could see through the fence onto the court below.

Megan and Ricardo were sitting at one of the baselines. They were on a picnic blanket and were drinking wine. I guessed this must have been Ricardo's version of his date.

I strained to listen to their conversation, while ducking down so that they wouldnt be able to see me.

"What is a beautiful women like you doing alone tonight? I guess you needed to see me?" Ricardo was saying

"Well, i just thought... A deal is a deal.." Megan said

"Maybe now you will finnaly stop bugging me and give it up" she laughed

"Thank you for the wine though" megan added

"Ahh it is my pleasure... i can be your'e hero BABY!!" Ricardo belted out his favorite song

"No!! Please stop!" Megan was laughing though. She seemed to be much more playful with Ricardo than i had seen her. She had put on a thin t shirt to keep her warm over the two piece bikini she had worn all day . Her long legs were still bare and they were Spread out across the blanket while Ricardo was laying on his side, turned toward Megan

"You need a man Megan: i tell you every day."

"And you think you are the man that i need? I think i just have higher standards" Megan asked teasing him as always

"Well i think that you don't know yet what man you need. But you are so beutiful you deserve only the best man"

"Ahh thats actually kind of sweet. Thank you Ricardo" megan said

"And i am the best man, so naturally" Ricardo continued

"Oh haha there it is" Megan laughed as ricardos bragging reappeared.;

"So what makes you the best man?" Megan asked

Ricardo didnt answer right away, instead he took a moment.

"I am the best man, because i know how to give a women what she wants"

He answered:

Megan seemed to be thinking hard.

"And what does a women want?" Megan asked, her cheeks were slightly rosy now as she wasn't laughing anymore

"This" Ricardo said as he leaned in and kissed Megan, he used one hand to hold her cheek and i was surprised that Megan didn't seem to resist. They kissed for about a minute before Ricardo pulled away.

Megan was blushing now.

"Ok... So... you are a really good kisser" Megan admitted.

"I'm not finished" Ricardo said.

Ricardo reached down and unbuttoned his shirt before opening it up, and revealing his ripped abs, and dark skin.

"Haha well ive seen that before" Megan laughed again.

"Its not like you don't walk around her with your shirt off all the time"

Ricardo leaned in and kissed Megan again, just as passionately as the first time. I could tell that Megan was really enjoying it, her cheek bones were flexed and her head was bobbing from side to side as Ricardo held her head close to his.

"Wow... Such a Good kisser" Megan said when they broke away again.

"Im still not finished Megan... You asked me what a women want"

Now Ricardo stood up, his shirt was unbuttoned and he was wearing Some sort of light linen pants.

Megan was really blushing now, as Ricardo was standing over her. She was Still sitting on the blanket.

"Do you know what i have left to show you Megan?" Ricardo asked her.

"Umm... Well... Your just so cocky.... I am honestly a little kind curious" Megan said.

"Do you want to see why i am so cocky? Why i know how to give women what they want" Ricardo asked.

Megan hesitated

"Um ... Well, i just want you to know that, you're a real jerk
You know that" Megan was saying this but her body language was saying
something else. She was up on her knees and was positioning her self in front of Ricardo.

"Go ahead Megan, i know you want to see" Ricardo said, touching her hair with his hands

"You asshole" Megan smiled up at him, as she put her small hands at the waist of his pants.

"You can call me whatever you want Megan, i know what you really need" he said

Megan pulled down his pants slowly. Ricardo had no underwear on. As Megan slowly pulled them down, her mouth and eyes contorted into a a wide eyed stare. With each inch that Megan revealed of Ricardo's long, thick cock she was transfixed.

When Megan had pulled them all the way down, she let his pants drop to the floor.

Ricardo's cock was very long, at least 8 inches soft, hanging heavily above his large balls. Megan was on her knees staring at ricardo's long snake in complete silence.

"So Megan , what do you think?" Ricardo asked, smiling at her arrogantly

Megan was still staring at his cock. I recognized Megan had the same distant stare that i had seen in Tina the night before

"So , do you think i should be so cocky?" He asked her.

Megan's face was flushed red as she looked up at him. She couldn't quite bring her self to say the words but she nodded in agreement.

Ricardo bent down and kissed her again. Once again Megan responded instantly. Ricardo helped her to her feet and they continued to kiss passionately as Ricardo's mammoth cock swayed just inches from Megan's body

Megan looked back down at Ricardo's hanging cock and again she gasped amazement . Megan reached down to touch Ricardo's monster but he Pushed her hand away.

"Megan, i want to hear you say if first" he said.

"But... I don't want to say it" Megan pleaded

"I want to hear it Megan, tell me what you now know"

"It... Its just so big Ricardo... You have a really big cock... You have the biggest cock I've ever seen"

"Yes.. And?"

"And... You should be cocky. You... Have the right to be cocky and im sorry for Doubting you. Your a stud and you know it" Megan said

"Ok Megan, i will accept but only if you give it a kiss"

Megan bent down on her knees again. Ricardo's cock was still fully flaccid. Megan took it by her hand and angled it toward her mouth. As she held the massive cock with her skinny arms she looked up at him and massaged his ego some more.

"Its so fucking huge. I can't believe how much bigger you are than all the little boys ive been with"

"You deserve a man, Megan. The best man" Ricardo said

"You're the best man" Megan said, as she kissed the head of his cock.

In a coincidence the sound of a far off firework exploded just as Megan kissed the head of ricardo's cock.

They both laughed.

"It feels like love at first cock" Ricardo joked.

Megan blushed , but she continued kissing and sucking on his cock. At first Lightly kissing along his head, shaft and giant balls. As Megan continued to kiss his cock, ricardos already immense shaft began to harden and thicken. Megan began to suck his cock, taken in a good two to three inches while she stroked his shaft and cupped his balls with her hands.

"See how far you can take me in you Megan" Ricardo suggested

Megan went as deep as she could on ricardo's now fully hard member. It has to be at least 10 inches if not more . It was so thick that Megan had to open her mouth as wide as possible just to get the head in. She struggle to get 4 inches into her throat. This time Ricardo put his hand behind Megan's head and held her in this position.

"Think of this the next time another man tries to show you his cock Megan. I want you to remember who

is your biggest man" he said.

Ricardo let her release his cock from her throat as she fell backwards and Took a few deep breaths to catch her breath back. She seemed to be even more turned on as she started sucking him faster now.

"They cant compete with that" she said.

"Theres no one else with such a big cock Ricardo, its really fucking big, and i just want you to know it."

As Megan bobbed back and forth on Ricardo's cock , her pretty brown eyes were trained up on him, worshipping his manhood with ever part of her soul. Ricardo slowly lifted off Megan's shirt, her gorgeous big breasts we still in her bikini top.

Ricardo took the base of his shaft to angle his cock onto megans breasts. He gave her tits a few soft pats.

"These have been waiting for me" he said.

Ricardo pulled megan up from the ground. He swung her into his arms and started carrying her from the tennis court up to the pool deck.

Worried that they might see me, i quickly hid behind a bush

Ricarado carried Megan up the stairs. He was quite well balanced and strong, and somehow made the act of balancing Megan, a medium hieght girl who had giant tits, look routine.

I was well hidden now, but was kneeling in the grass/mud behind a row of bushes. The sprinklers had been on earlier, and I felt my feet sink into the mud as the lurid scene continued to unfold.

Of all places, Ricardo put Megan down next to the lifeguard chair.

"Wait here" Ricardo told her.

Ricardo climbed up onto the lifeguard chair. He flexed his abs and his large cock was at a strong angle pointing almosr straight up and a thick 10 inches or so.

"Now come up to me" Ricardo beckoned Megan below him.

Megan hesitated and I hoped you had come to her senses. Maybe she had realized she was in love with me, or that Riocardo was too old and gross for her.

"Let me get a condom" Megan said, as my heart sunk.

Megan ran to the office and grabbed one of tina's condom's, the very same one from the night before. When she got back Ricardo was laughing.

"You think that little thing will fit on this?" he laughed, stroking his shaft for megan.

"Well.. I just want to be, smart. " Megan said.

"Ok, lets put it on." Ricardo agreed.

Megan climbed up the lifeguard stand. She had a condom in one hand as she came up the ladder. There was only one seat, so as she came up her face was at Ricardo's cock as he sat comfortably.

Megan gave it a kiss before she started to unwrap the condom.

Before she could finish, Ricardo started lifting her top off. Megan, unsure whether to focus on the condom or her top, let Ricardo push her top up as he was exposed to Megan's sublime chest in it's full glory. Just as I had been, the normally suave Ricardo seemed suddenly flummoxed, unable to have the right words...

"err..." he mumbled.

"Hehe" said Megan, "Like what you see?" She said, half covering her massive melon tits with her skinny arms.

"Lets measure it?" Ricardo suggested.

"Oh um.. ok" Megan said, laying her breasts on Ricardo's lap.

Ricardo angled his shaft in between Megan's giant tits and she squeezed them together around his shaft. Ricardos hard cock was going up from the base of her breasts, to just peaking out of the top.

"Oh, Megan, that feels so good inside those. " Ricardo said, savoring the huge tit hug Megan was giving him.

"A women like you should only be with the big cock" He said, pointing out to Megan his measurement's for her to remember the next time she had a cock in her tits.

"Is this even going to work?" Megan, asked, looking at the unrolled magnum condom in her hand.

"Let's see" Ricardo laughed, pulling Megan's left hand to his shaft.

"Holy fuck, it's not just long, it's thick" Megan said as she struggled to get the condom over Ricardo's

cock head. As she stretched the condom to it's breaking point, she got the condom just around the curve of Ricardo's cock head before there was an audible snap.

Both Ricardo and Megan laughed.

"Um I don't know Ricardo, it's just so big" Megan said, worried now that condoms were off the table.

"I will pull out before I cum, ok" Ricardo promised.

Megan paused for a second.

"Well, you are my hero now." she joked, kissing Ricardo's cock before climbing the rest of the way up the ladder. Megan was standing on the rung just below the lifeguard seat, as Ricardo sat naked, his huge erect cock pointing up toward Megan.

Megan removed her bottom biking and now both of them were completely naked. Ricardo put one hand on Megan's ass, and guided her onto his cock.

Megan closed her eyes and bit her lip as she let Ricardo enter her pussy.

"Oh... UGhhh"" Megan moaned, as she took the first few inches of Ricardo's thick meat.

"How's it feel " Ricardo asked, as Megan, overwhelmed with cock struggled to go lower.

"Biggggggg!!...." she moaned, taking him to 5 inch depth, before pulling back up.

Megan gave Ricardo a kiss, and starting riding his cock. At first, it was slow, a few inches back and forth, but soon, Megan was going deep, 5-6 inches of Ricardo's 10, her hole stretched wide around each thick inch of Ricardo.

"Fucking big!" Megan started moaning , over and over.

"Big!.. Fucking Big! Fuck! Big! Fucking Big!!" She repeated

"Ohhh fuck" Megan started moaning as she rode Ricardo's pole, only taking 3/4 of it's total length.

"You like it?" Ricardo laughed, enjoying every minute as giant breasts swayed in front of him.

"Oh yeah! Big dick! Oh ... Yeah... So Big!" Megan moaned. She leaned forward and wrapped her arms around Ricardo's neck.

"Ohhh... Shit" She moaned, as Ricardo forced another inch of cock into her, up to 7 of his 10 total.

Ricardo started pulling Megan's ass into him as he thrust timed with her. Megan closed her eyes and was leaning into Ricardo, her breasts bouncing against his chest as her arms were wrapped around the back of his neck.

"Take that big cock megan!" Ricardo advised, as Megan's eyes rolled back and she experienced her first orgasm. Her legs started shaking and she had to lift them up onto the chair, wrapping them around ricardo as her entier body spassmed for a good 5 -7 seonds.

"Oh Cock! Oh Cock!" Megan moaned as she orgasmed in pleasure on Ricardo's cock.

Ricardo was looking at her arrogantly as Megan came back to her senses. She was still on Ricardo's cock, her juices gushing on his thick member.

"Oh Ricardo" Megan said, kissing him on the neck as her breasts heaved upon him which each of her deep breaths.

"You havn't gotten the best part yet" Ricardo laughed, squeezing his big balls.

"You can't do that ok... please" MEgan said, comming back to her senses.

"Ok...Megan... Just one more thing" Ricardo said.

"Yes?" Magan asked.

"I want you to get to your office, and get on the desk. All four legs. I want to fuck you as a dog." Ricardo said in his funny Portuguese accent.

'ok, just don't cum in me" Megan replied.

Act 2 - The Teacher

I was sick to my stomach. As Ricardo led Megan back to the office, I knew I couldn't take watching this. I had watched Megan long enough to see that she had been changed, into this sex object that I didn't want to see. I wanted to stop it somehow but, knew it was not a confrontation that I wanted to have. At this point, Megan was happy, and I would not be in any position to change her mind.

I snuck around the office and left, hearing moaning of Megan as I silently crept past the office.

"Oh Ricardo! OH shit its sooooo Big...! Oh! fuck your so deep!"

"You like getting fucked like a dog on my big cock don't you Megan?" Ricardo encouraged her.

"Oh yes! OH my god yes!" she moaned.

I drove home, crushed.

The next day, i was more or less a robot. The stomach punch of the previous night had drained me of all emotion, and I felt like I was on auto pilot, watching myself from a third person rather than living through the day.

Alex and Tina were telling stories of the night, but the big news was that Mark had quit. Apparently he had been so mad about Tina seeing Ricardo's big dick that he had left the crew. I wanted to do the same, but didn't have enough emotion inside of me for that kind of move. Instead I continued on auto-pilot, not really talking to anyone.

Ricardo was in an upbeat mood, singing and flirting with Alex and Tina.

"Did you girls enjoy a special night with a boy last night? I hope he was able to make you enjoy it!" he said to them

"Well I heard someone had a big night at the pool!" Tina suggested.

"A few of the pool mom's almost called the police, said someone was having loud sex all night long!"

I tried to ignore the pain that this caused me, staring into the magazine I had in front of me but not really reading it.

"I know nothing about that!" Ricardo said laughing.

Megan showed up for work a little bit later that usual. She said hi to me and I said a short hi back. She was also quiet but that was not unusual for her.

"So Megan, are you going to have your big date with Ricardo?" Tina asked, pointing to a news article in the local paper about the emergency.

"Hero lifeguard saves 4th of july at the pool" was the headline.

"Oh... I think maybe tonight." Megan said.

"You know, he did earn it I guess" Megan blushed.

"Oh no, well i hope you don't let him get his ego any bigger than it already is!" Tina laughed.

"Yeah I'll try" Megan laughed.

The other girls laughed. I wasn't sure if they had put together that she was lying about tonight being their "first date" but I didn't really care anymore.

As I went up to the chair for my turn as the lifeguard, I thought back to the previous night. Megan's giant breasts swinging wildly as she rode Ricardo's cock. Her moans of pleasure as she came while her arms wrapped around him. I felt sick again and didn't want to sit in the same spot. I carried on, somehow.

Later in the day I was watering the grass out front when Alex came up to me.

"Hey" she said.

"Hey" I said back, not really looking at her.

"Are you ok?" Alex asked, putting her hand on my shoulder.

"I'm fine" I said, not wanting to talk to her of all people.

"You know... you don't have to let it end like this...I can help I think" She said.

"What do you mean?" I asked.

"Well, girls are going to go for a big cock now and then, but there is a lot more to good sex than having a big cock. I know you are worried about Megan, but trust me, Ricardo is not all that good at it."

I didn't respond, but was curious to see where Alex was going with this.

"Once Megan gets tired of getting her cervix punched, she's going to realize that sex for Ricardo is all about him. There's not much else there. Trust me I would know" she smiled.

"So what are you trying to say?" I asked.

"Well, I was wondering if maybe you wanted to come by my place today. I was thinking maybe I could ya know, train you a bit on your technique"

"You mean like my sex technique?" I asked, getting a little uncomfortable.

"Ya, you know, I think if you listen to me I can teach you to be able to out fuck Ricardo, and once Megan is tired of him you will be ready to show her" She traced down my arm with her hand.

"Oh.. uh... I don't know I'll think about it" I said.

"Ok" she gave me a pat on my abs.

I wasn't really sure about all this, but I had to admit, Alex did make me feel a lot better. Maybe some sex with Alex was what I really needed to get over the previous night, and to get over Megan.

"Ya, ok!" I yelled back to Alex as she was walking back.

"Great!" She smiled, and gave me a sexy hip wiggle before she turned and walked inside.

My car whizzed down Sureway Blvd. I had been through this part of town before but not as often. This is where the very wealthy lived, and though I had several friends growing up who were from this part of town, I had trouble identifying with them.

Mansion after mansion passed by, these houses were worth 2-3 million at the very least, i thought as I saw some of the larger ones.

Probably some way more expensive than that, I thought, as I passed the giant gates of the largest house i had seen. Wait, 1654 Sureway". that was Alex's house?

I knew in advance that Alex came from a wealthy family, her parents were both successful lawyers. I think her mom even worked for a fortune 500 company, "chief counsel" whatever that meant. I guess i never really put together what that translated to in terms of salary and lifestyle. Alex's house driveway was at least 500 feet long. The front yard was enough property to build 5 or 6 large houses. The house itself was at least twice as big as the ones around, and very modern looking.

As I pulled up to the front of the house, I felt a little nervous. I hope her parents aren't home, I thought (thinking back to the incident I had with Megan).

I called Alex and soon enough I saw her at the front door,

"Come on in!" she smiled, holding an icy drink in her hand.

"Should I move the car?" I asked, seeing as it was at the very front of her impossibly long driveway.

"No, its fine, come in!' she said.

I got out of the car.

"Ok, this is happening" I thought to myself as she led me into her house.

Her entryway looked over a giant window, there were views of a large lake, and a golf course on one side of the lake.

"Wow!" i said

"Yeah, I know, cool view right? I guess i just get used to it"
She led me into her kitchen which was obviously gigantic as well..

"Would you like a drink?" she asked.

"Sure, what do you have?" I asked.

Alex smiled. She pulled open a drawer to reveal a full bar, probably dozens of types of hard alcohol and mixers.

"I guess I'll have a tequila shot" I ventured, seeing a nice looking bottle of aged tequila.

"Help yourself" she said, handing me a glass.

I looked closer at the bottle. Aged 8 years, Reposados what does that mean?. Jeez, this was not your average tequila.

"You sure I can have this?" I asked

"Yeah go ahead" Alex said.

"Won't your parents mind?" I said.

"They won't notice" Alex said, "They won't be home for another few days, away on business" she said.

I was started to understand why Alex was able to go to so many parties growing up. It didnt seem like her parents were around as much as a normal family.

"So"" Alex said, taking my hand.

"Yeah" so" I laughed.

"Do you want to see my room?" Alex asked me.

"Yeah, of course" I said, downing my tequila in one gulp.

"Follow me" She said, leading me.

Alex led me across her vast entry room to the other side of the mansion. We had to take an elevator up to the top floor, and I could see out over her property. She had a tennis court, and a small pool. Wow, this girl was loaded!. I wondered why she would spend her summer as a lifeguard.

We got to Alex room and she sat on the bed.

“OK, now lets just see what your instincts are” she said.

I realized she was talking about making out, so I decided to try to go along with her method. I sat down next to her and pulled her into me.

I kissed Alex and her hand wrapped around my shoulders. I put my arms insider hers and started slowly sweeping one hand up her side, from her waist, up to just next to her breasts. I could tell they were getting hard as she kissed me back.

“good” she said, before leaning into me. I put one had around her and started to pull her down, as I laid back, pulling her down on top of me.

“No wait.” She said.

“Whats wrong”. i asked.

“Well, you can do it, but I think you want to be more assertive, go for the top position to that you can take control.. Don’t you want to take control of me John?” She asked.

I had to admit, even after all I knew about her Alex was incredibly sexy. She was kind of a taylor swift look alike with her skinny body, blond hair and blue eyes, but she was a little bit tanner skin from all the sun. I was raging at full erection.

“Ok” I said, doing the opposite and pushing Alex down onto the bed.

I pulled Alex’s shirt off while she went straight for my belt. Unbuckling it and rubbing by hard on through my pants. I was kissing her and she was down to her bra. Her skin was so smooth and her delicate arms were rubbing my shoulders and back as we kissed, me laying on top of her. I wrapped one hand around her tiny waist, pulling her up into my rock hard crotch.

“Do you have a condom this time?” She asked,

“Of course” I smiled, grabbing one out of the pocket of my pants, which had be discarded on the floor beside the bed.

I put on the condom, correctly sized this time and pulled down Alex panties. She took of my shirt and a pushed her back down onto the bed.

“Good” She said to me.

I started to insert my cock into her, using my hand to aim it.

"Put your arms here" She said, pulling my hands into a pushup position as I entered her.

"mmmm" she gasped.

I started slowly rocking into Alex, her skinny body feeling so good against my skin. Her pussy was already nice and wet, and her warmth was giving my cock tingles as I slowly rocked in and out.

"Flex your arms" Alex told me.

"Yes, put your strong arms right there" she said, my arms and pecks flexed around her as I continued to slowly hump her.

I looked at Alex's face, she was really pretty and her big blue eyes were looking back at me.

"Doesn't that feel so good John?" She said. "Oh that's really good" she moaned. She wrapped her feet around my ankles and pushed her hot body into me.

"oh god" I moaned.

"STOP!" Alex yelled, putting her palm out toward me and rolling out from under me.

"What??" I asked, confused and horny.

"Ok" so the first step, we are going to work on your stamina" Alex said.

"What??" I asked, still confused. All I could think about was pumping my load into Alex that was about to burst.

"We are going to take shifts, 2 minutes in me, 10 minutes out of me" She said.

"We will go up to 3 minutes next time" she said. "Gradually build up your technique and stamina." she said

"really?" I said. Wow she had really thought this out. I thought about it, I was so horny i really wanted to fuck alex some more. The good news was, if we followed Alex plan I would be alternately fucking her all afternoon long.

"Ok, I'm all in" I said, pulling out my phone to time.

"Lets talk about your body" Alex said as she was browsing her instagram account.

"I lift twice a week" i said

"No, thats good, keep doing that. But you have really good chest and arms, but what about the small muscles?" She asked.

"What do you mean?" I asked.

"Sex is more than just show off muscles. Do you do planks, abs, butt?"

"Like pilates or something? No im a guy. I lift heavy weights."

"Ok" alex said, liking a post on her instagram page.

"Lets try a plank"

Alex got on the ground of her bedroom. I looked at my phone. 2 minutes had passed, 8 to go until we were fucking again and I was still rock hard. Alex was still completely naked, her flawless body on display she seemed completely free of any inhibitions, and for good reason, she was smoking hot.

"I bet you cant hold this as long as me" she said as she held herself in a tight line, her forarms and feet holding her body up.

I got onto the floor and tried to match her position. Not so hard i thought. About 20 seconds later my arms starting shaking.

"Use your abs, your core" alex said, she seemed to be in no struggle at all.

"You weigh like 100 lb, this isnt fair" i said, collapsing onto the floor.

"If you want to be great at sex you need to work on your core." alex said

"From now on when we break we can do a plank and 60 hip thrusts."

"Hip thrusts?" I asked.

"Like this" alex got onto her back with her knees bent. She flexed her stomach and in a very controlled movement raised her waist up into the air and back down. alex did this a few times. Her skinny, leggy body was so smooth and well toned, she really had complete control of every muscle in her body. Here trimmed blond pussy was so inviting as she moved it up and down in front of me with her controllee exercise.

"Can't i just work on hip thrusts by, you know , thrusting into you?" I joked, ready to get back into action.

"Yeah, we will get to that, but you can make it easier by working on your core muscles." She said

"Ok, one other thing before we get started" she said, stepping toward me, flipping her blond hair back and giving me a pretty smile.

I was rock hard as Alex approached me on the bed.

"Your cock isnt small, its actually pretty big. Not huge, but a good size." she said

"Then why did you tell everyone it was small??" I asked

"I wanted to keep you grounded. You are going to get a lot of girls with that body and face, and i dont want you to turn into another Ricardo" she said.

"Uh ok..." I said.

Alex sat on the bed next to me and started stroking my cock.

"Nice and thick" she said

"Probably 7 inches, with those big balls" she said, giving my ball sack a playfull slap.

"Ohh yeah that good." I moaned. God alex was so good at this. Her face was so pretty i was liking her more and more in this role. She may have been a dumb party girl but she sure knew about sex.

"Now your cock has an upward curve, so you can hit the gspot from missionary. Thats good. No doggy style ok, doggy doesnt feel good with your cock shape"

"Ok" i said, preparing to mount alex for the second time today.

"You think you can make it three minutes?" She asked.

"Ok let me know" i said as i eased my cock i side of her.

"Next time rub your cock on my clit a few times before you put it in. I like that big cock head of yours" she said

I was thrusting into Alex at a pretty solid pace.

"Flex your arms and chest while you fuck" alex moaned

"Oh yeah... How long has it been?" I asked

"Like 30 seconds!" Alex laughed

We both laughed for a moment, this was actually fun, and i was really enjoying Alex's tips.

"Oh fuck me! Please Fuck me harder John!" Alex was whispering into my ear as I fucked her hard from the missionary position. Our legs where making loud slapping sounds with each thrust, and this was the hardest I had ever fucked a girl before. I was pounding her hard, not worrying about her delicate body but treating her like a rag doll as I pounded her warm and wet slit.

"Wow John! 4 minutes!" Alex yelled triumphantly.

I knew what that meant, still in our first training session, Alex had promised that if I mad it 4 minutes while maintaining good technique she would let me finish on her.

"Now john! On my Face!" Alex moaned as I pulled my nearly erupting cock out of her, ripped off the condom and pointed it at her pretty blonde face.

"Uhhhh..." I was moaning while 1 huge blast of jizz launched out of my cock head and into Alex's mouth and on her lips. 2..3.. 4... 5 ropes of cum were erupting onto Alex's face, as she swallowed as much as she could. It had been our 6th fuck session today, and this had been building up inside me since we had started several hours ago.

My balls felt like they were aching with a kind of dull pain mixed with a slight tingling of pleasure. With each burst of jizz I felt the tingling spread from my balls through my entire body. I was cumming harder than I ever had.

1 ropes... 7 ropes...

"Fuck John, you got stud balls all right" Alex said, her face coated in jizz and her eyes pinched close to avoid It running into her eyes.

"Oh my god.. " I moaned as the jizz continued trickling out of my cock, in smaller amounts.

Alex dutifully cleaned my cock with her mouth. Delicately licking each side of my cock while smiling up at me with her big pretty blue eyes.

"That was hot!" she said.

"Yeah lets do this more often" I laughed, on a sexual and emotional high.

"Deal" she said.

"But first, lets do 50 more situps." Alex said.

I did the rest of our workout and left Sureway drive. But it wasn't the last time. For the next few days I was spending at least 4-5 hrs at Alex's house every day.

With each day I got a little bit stronger. With better core strength I could start using better balance while fucking and Alex taught me the best motions to hit her G spot. Rather than the natural, instinctual humping movement I had started with, Alex trained me to flex different muscles throughout my motion. Like a professional bicycler, I wasn't just peddling without thinking anymore, I was in complete control of every muscle throughout the motion. I was flexing different muscles on both the positive and negative movements and controlling and balancing the increasing power my improved strength was giving me.

Alex was more and more happy as I was such a quick learner. By the third day I was making her cum with my cock on a regular basis. We worked in new positions and our routine got more complex and intricate with each day. By the second week we tested out two new positions and by the end of the second week we had reached a "best practice" based on Alex's feedback

The routine and evolved to the following. I would start by dominating Alex with my strength and put her onto her back, ripping off her clothes and rubbing my hard on against her. Once she reached for my cock, I would rip off my pants and go at her hard, nailing her for a solid 4-5 minutes until her breath got heavy . Then I would pick Alex up off the bed, her delicate body wrapped around me as I carried her to the desk. From the desk, I would Fuck Alex at 80 beats per minute (we had started using a metronome to get my timing faster). When her legs started to get heavy I would pick her up from the desk and fuck her from my arms, holding her up while she wrapped around me. This was the most difficult position to master, but once I got the motion correct (I had to kindof throw her upward with my arms, then meet her hard with my hips, never throwing her far enough up to release my stiff cock, or there was a risk of injury. Feet position and balance was something we had honed over hours and days of practice.

Alex told me this was my "Adonis" position.

"You will have girls who will worship you for fucking them like this" she told me, as I nailed her from my new found god like pose. Alex would always cum hard after a few minutes of this, sometimes squirting. I would usually cum as well, at about the 17 minute mark. She was having trouble lasting as long as me now.

"And then when you empty those big balls the girls will know they've been fucked by the best stud they will ever have" she told me.

"I can't believe it John, you are such a quick learner" she said at the end of our most recent session.

"17 minutes, at 20 you will be ready" she gave an evil smile

"ready for what?" I asked

"oh... just a little test I have prepared..." she laughed.

I wasn't sure what Alex had in mind, but after all we had done this week I was ready and looking forward to whatever she had next for me.

All of us watched Megan turn bright red whenever Ricardo would flirt with the pool moms. He was still the same guy, even with Megan dating him he never seemed to be content to not try and have more. Me and Megan had stopped talking altogether. She knew the situation was awkward and neither one of us were mature enough to broach the subject. Instead the booth had paired off. Me and Alex would talk and Alex and Tina would talk. No one talked to Megan other than Ricardo anymore, and she didn't talk to any of us.

Tina was always whispering to Alex about the pool moms and she seemed to know all the details of Ricardo even if Megan could only guess.

"He has 3 on the side now, not including Megan" I overheard her telling Alex

"oh that Ricardo." Alex laughed.

"Oh Ricardo is right... he sent me some more... pics last night too" Tina said.

'Don't fall for it!' Alex warned her

"It's just... he's got a really nice one... I have to admit" Tina said

"That's not all that matters, besides, you aren't even 18 yet he shouldn't be sending you pictures."

"He knows about my birthday, I will finally be "of age" yay" Tina laughed.

I looked at Tina. She was really a hot girl. I had really seen her body develop over the past few months. It looked like her tits had grown larger and her waist had grown smaller. If anything, it looked like she was trying to emulate the body type of Megan. She wasn't there, her tits would never be at Megan's size, but the rest of her body was on par and her face was looking more and more mature and sexy. Alex had taught her to use makeup correctly and she had a very nice looking face. Her brown hair had gotten lighter over the course of the summer and she had cut it a little bit shorter recently.

"So have you sent any pics back to Ricardo" Alex asked her

"No... I almost did. His pics were making me kinda horny and I was thinking of sending one back the other night...It's just his dick is so big" Tina admitted.

"I know I know.. trust me just put it out of your head" She told her

"Ok I know, I'm just waiting for a real man to sweep me off my feet" Tina laughed.

“Speaking of that, have you all seen the new family, the Loroux's? They are on vacation from France. The son Jacques is hot hot hot!”

“Oh my god yes! I saw him yesterday when they were signing up, very cute boy! Hes so tall and handsome”

“I know I almost wanted to talk to him but his parents where in the way” Tina continued
I went about my day and tried to ignore their girl talk. I was looking forward to whatever Alex's test was. If I made it to 20 minutes today I should be getting some sort of a prize.

I saw Ricardo and Megan arguing over on the other side of the pool. I couldn't tell what they were saying but I could tell Megan was angry. Ricardo was just smiling and when Megan turned away from him he slapped her on her well shaped but toned ass. Megan looked momentarily angry, but then she turned red and she turned around and gave him puppy dog eyes. Ricardo flexed his chest and Megan gave him an air kiss. Gross I thought.

“OK so change of plans. I think you are ready for your test today.” Alex said.

“Oh... OK... so whats that mean ?” I asked.

“Don't worry, you will do fine. Show up at 4pm today at my house. I want you to wear a bathing suit and wear sunscreen.”

“Ok” I shrugged.

I wasn't sure what to expect when I pulled up to Alex's driveway that night. Naturally I had followed all the steps Alex had taught me. Showering and grooming myself, making sure I smelled good and was physically ready to perform. I had brought condoms and had spent the last few days abstaining from masturbation, “come to my house ready to fuck” had been her mantra

I parked in her driveway as usual and found a note by her front door.

“John,

Come on in. I'm out by the pool. Make yourself a drink and come join me.

-Alex”

There was nothing too outlandish. Alex had mentioned that tonight would be some kind of test, so I felt that the note didn't settle much of the mystery.

I walked into the house and found it to be completely empty. The lights were dim and it was very quite. I made myself a tequila and soda water, squeezing a fresh lime wedge into it. I knew how to get to her pool so I walked through her large house to get to the patio area and slide open the door.

Again it was very quite. There was a woman sitting by the pool, but it wasn't Alex, it was her mom. Alex's mom, Jessica was in her mid 40's and a very powerful and well known attorney. She had a very similar body type to her daughter, with blond hair and a skinny, moderately tall body. Alex's mom looked at me and called me over.

"John! I'm glad you could make it. Come here! Have a drink with me."

Confused, I did the only thing I could and go along with it. I smiled nervously and came to sit next to Jessica, Alex's mom.

"Now. I know you probably thought you were coming to meet Alex tonight, but she told me some things about you and I thought it was time for us to meet."

I sat in silence, trying to figure out what was going on.

"You probably don't know about me and my husband, but I'm sure you can tell from our house that we live a very successful life, and with that success comes a lot of stress"

I nodded my head.

"You see, we have an open relationship. We both work long hours, and sometimes, we don't see each other for weeks at a time. It's very much accepted that we each need to satisfy our selves even when we have work duties that prevent us from having a typical marriage. It probably sounds strange to you, but some day you might understand that 20 years of marriage can take away some of the thrills."

Again I nodded. As Jessica was talking I noticed she was leaning in closer to me. She was so commanding and confident I could tell what had made her a successful litigator.

"My daughter Alex tells me you are quite the lay! Even better than Ricardo. Is this true?"

I nodded again, trying to act confident like Alex had taught me.

Jessica stood up and removed her robe. She was wearing a two-piece bikini underneath. She had a flawless body, with tight abdominals and larger than expected, C cup breasts pushing out from her top. They were clearly fake breasts as they were far too large and perfect for her slight body. She had fierce, piercing brown eyes that seemed to look right through you.

“Don’t act like you aren’t impressed, most girls your age would kill for this body” she laughed. And she was right.

“You are very beautiful Ms. Johnson” I commented.

“Now, John... Time for you to show me what you’ve got”

At first I was nervous about what to do. She had already explained away any moral concerns that I might have had. Not only was her husband aware of her indiscretions, he was maybe even encouraging them. Alex seemed to be aware of it all and it seemed like there was no one to offend.

I took a deep breath and went back to my training. A sort of daze came over me as I went through the first few steps to pleasing a woman. I took off my clothes, other and my bathing suit to allow her to see my finely chiseled body, then I took her by the shoulders and kissed her passionately. She was a skilled kisser and I felt her tongue lash around my own as we kissed and felt our bodies against each other.

Jessica knelt down to pull off her swim trunks. My cock was already at its full attention when she snapped them down, and she smiled knowingly at me as she looked up at me.

“Nice thickness” she said, as she started stroking my cock in her hand.

Knowing my first step was to take control, I grabbed her and pulled her waist up to my own, before taking her body and moving her to one of the lounge chairs. She wrapped her legs around me as we kissed passionately.

After I put her gently onto the chair, I kissed down her stomach to her bikini bottom. Her skin and stomach were so tight I was feeling de-javu from performing this same maneuver on Alex. I couldn’t believe this woman was more than double my age.

I removed her bikini and began to lick her pussy. I wasn’t bashful about it, I knew what Alex had taught me felt good, and within a few moments her mom was panting heavily and wrapping her hands around my head.

I licked and sucked on Jessica’s clit for at least 10 minutes, bringing her to several near orgasms before I dialed back the pressure, in tune with the rise and fall of her biorhythms.

“Fuck me John!” she finally moaned and I knew it was time to transition.

“Make her beg” Alex had always said to me in our practice sessions.

Again I lifted Jessica and put her on the table. The height was perfect, similar to where I had practiced with Alex and the desk in her room. I knew at this height I could thrust at good pace without getting sore or cramped. I was going to pump this women as hard as I could.

I slowly teased her pussy with my cock before entering halfway, hearing her gasp made me feel the first pangs of oncoming orgasm, a feeling Alex had taught me to suppress so that I could sustain longer sessions. I used mental tricks to ease myself back down, and began thrusting my full length into and out of her, at first slowly and gradually increasing.

As I got to a good pace, I knew that I could go a lot harder, but wanted to test the waters.

“Do you want it harder?” I asked.

“Holy shit!” she moaned. “Give me it all you stud!” she shouted, louder than I was expecting.

I was glad I had more in the tank. I increased my pace up to 90% of my max effort, fucking her loudly as the table bounced and her moans getting louder and louder.

“Oh John, oh fuck you stud! Fuck me ! Yes! HARDER! YES! YES!” Jessica was screaming louder than I had ever heard a women scream. While Alex had trained me she had never been as loud as her mother was now screaming.

I continued my pace and now it was almost time for the last phase. My Adonis position as Alex called it. First, I put my arms onto the table, surrounding her tiny body with my strong arms as I sawed in and out of her with deep fast strokes. Then, I looked into her eyes and told her I wanted her to cum on me.

“Oh Yes!” She yelled, “YES! YES! I’m going to cum!” she yelled.

I picked her up off the table so that I was holding her on my waist, lifting her up and down on my cock as her arms wrapped around my neck.

“Oh fuck! Oh fuck!” she yelled.

“I’m... FUCKING.... CUMMING!” She yelled again, as I released the mental energy I was using to prevent my own orgasm. As I did so I felt the sensation to cum rising almost immediately and I felt my balls tighten and immense pleasure as I started releasing sperm into her also quivering body. I groaned in pleasure as I felt the full release and sexual pleasure of my orgasm

“OH! Oh! Oh!” she moaned as I thrust, hard and fast, filling her up with large spasms of sperm from deep inside me.

Finally finished, as I slowed down, I lifted her slippery body off of mine and gently placed her onto the

recliner.

"Oh, that was wonderful " she sighed. I enjoyed the rest of my drink with her, basking in the compliments she was handing me. Before I left, she gave me a kiss, and told me she hoped we could do this again some time.

The next morning when I got the pool, I was a little bit nervous how Alex was going to react. I mean she seemed to have planned this whole thing, but would she be ok with it?

Any doubt was removed the moment I saw her in the morning. She ran up to me beaming.

"John, You did it! "

"What do you mean?" I asked.

"She told me you were a better lay than Ricardo! You passed"

"What does that mean?" I asked.

"It means you are ready! Ready to win back Megan" she said.

Ricardo checked his phone for the 4th time, still no text from Jessica. Ricardo knew that Alex's mom was home this week, he had made sure to check her calendar the last time. While Ricardo had fucked her only once or twice per month, she was very important to him. Not only did he get the pleasure of fucking a beautiful and powerful women, but he also got to receive her payment for his services. At \$5,000 a pop, Ricardo had made more income from fucking Alex's mom than his work at the pool.

"Fuck!" he cursed. It was already 1 am, way to late for her to respond. He knew she usually passed out before 11. In frustration, Ricardo texted Alex.

"WHY ISNT YOU MOM ANSWERING ME??" he texted Alex in anger.

Ricardo saw from his phone that Alex was working on typing a response, which gave him some hope.

"It's over" Alex finally sent

"She has a new man" Alex said

Ricardo threw his phone into the wall, nearly breaking it.. It didn't make sense, how would Alex and Jessica had found someone else for her. She was so needy and only Alex would know how to find a man up to her mom's standards.

Suddenly, Ricardo had a thought. He had noticed something about Alex and her relationships over the

past few weeks and something clicked.

"So, I guess John has upped his fuck game..." Ricardo sneered.

"He will still have far to go" he laughed, as he started texting Megan.
