

# Surrogacy

-side story:

**The Complex Quadruple Relationship-**

\*Disclaimer: this story is entirely fictional.

and all characters are adults

Inside Zheng Guangwei's apartment.

Come on~ come get me~

OMG again? Honey I don't think I can do it anymore.

What? But your dick looks hard to me, it's not floppy or anything like that?

If you're trying to avoid this, I'm going to assume that you are having a mistress outside and you're holding back for her!

\*Note: Body: Zheng Guangwei (Soul: Zheng Guangwei)

Zheng Guangwei had no clue on what's going on within Zhao jie lately. Alough this unexpect change brought some light to their sex life, Zhao Jie becoming lovely all in a sudden made Zheng Guangwei have strange feelings.

You know women in their 40s has some strong desires~

But how could he know that his wife infornrt of him, has someone else's soul in there, soul of the mistress who he had abandoned.

\*Note: Zhao Jie (Chen Yuanyuan)

Hurry up, my good husband, your wife and my pussy are dripping.

For Chen Yuanyuan, although this body is more than ten years older than her previous body, fortunately Zhao Jie has kept it well, so she can be even more attractive with just a little bit of makeup.

Feeling Zheng Guangwei's cock  
entering her pussy, even though  
it was not her own, she felt that  
it was all worth it.

However, just when she thought  
it would go on like this forever,  
an unexpected surprise happened.

This time, the orgasm was stronger than any she had ever experienced in her life, so much so that her whole body convulsed and her consciousness was blurred.

When she came back to her senses, she realized that her soul seemed to have left her body.

Woaaa!!

After everything calmed down, she recalled that the staff of the body-swapping clinic had reminded her that if she drank the body-swapping potion with anyone other than the original two, the side effects would cause the soul to be less able to remain in that body. Now she finally understood what it meant.

A few days later, Chen Yuanyuan's apartment.

This pair of shoes he bought  
me looks pretty good...

It's just too harsh on my feet.  
Besides, I'm also a teacher now.  
Do I look too much like a student  
wearing these shoes?

\*Note: Chen Yuanyuan (Zheng Mingming)

Or should I dress more like an adult?

But, where has Mingming been these past few days, and he didn't come to class aswell... Also haven't come back home for several days.

叮咚!

Huh? Speaking of the devil.  
Did he come back just now?

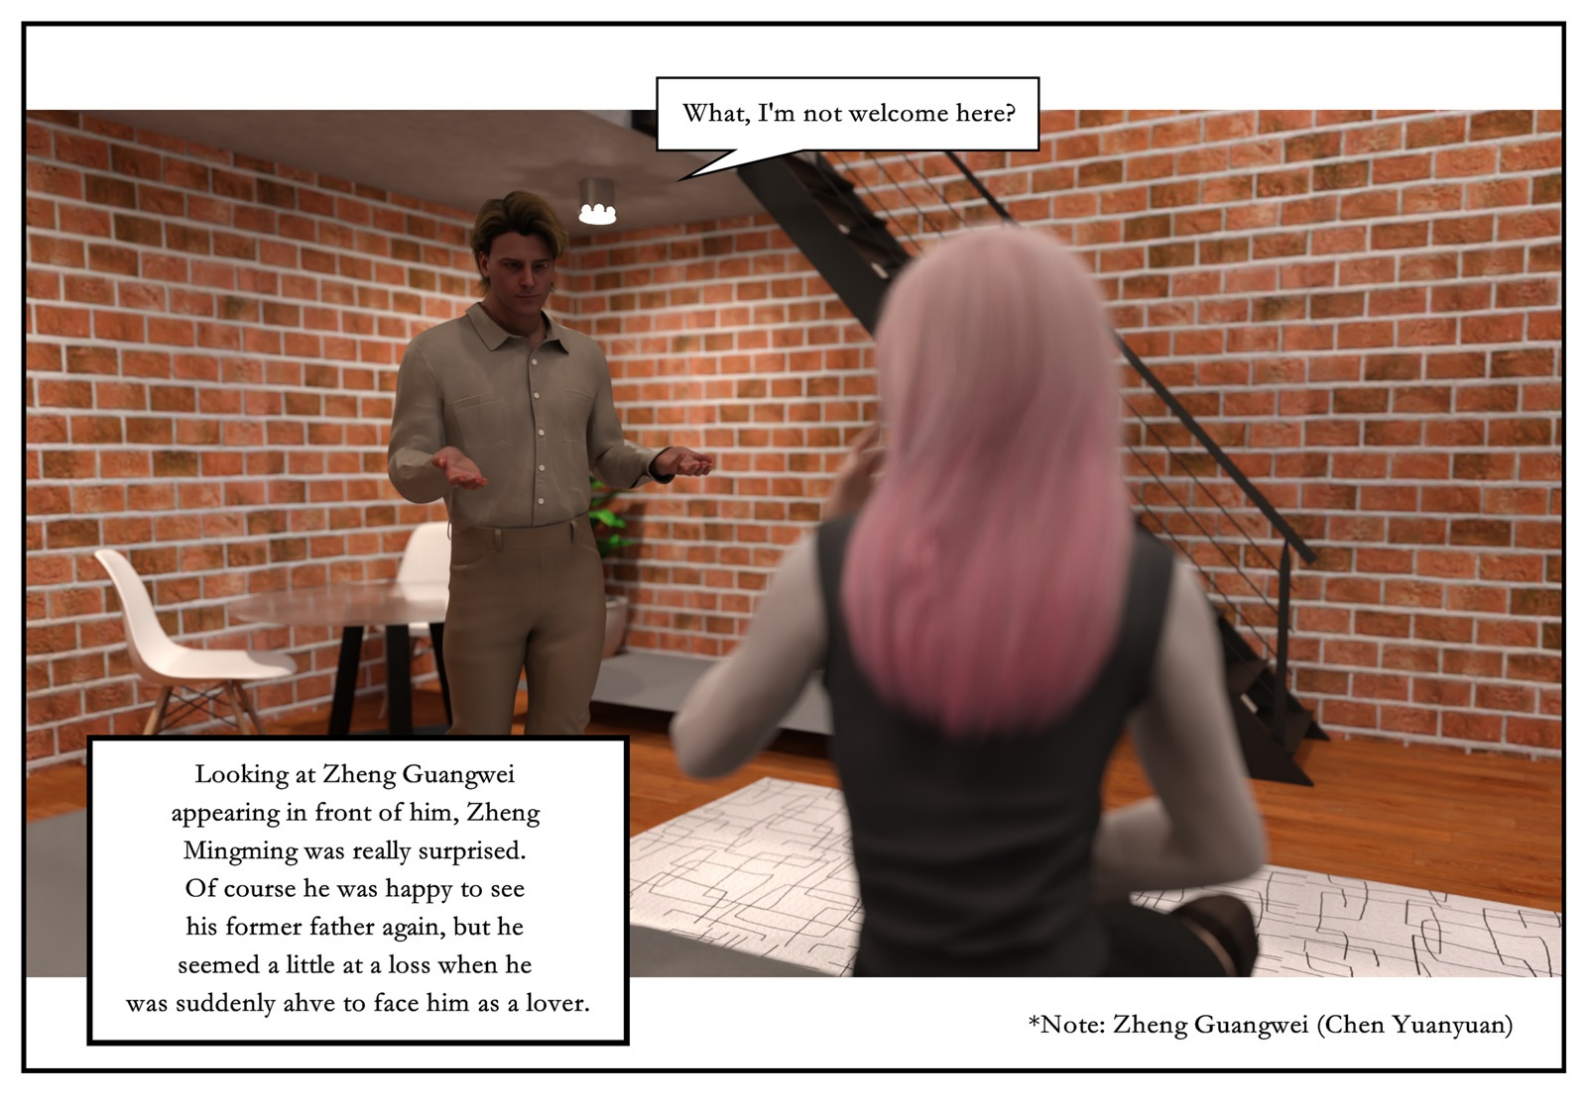

Come on in, the door is open.

Where have you been these past few days, you never told anyone about your absence!

Ah? ! You...why are you here?

What, I'm not welcome here?

Looking at Zheng Guangwei appearing in front of him, Zheng Mingming was really surprised. Of course he was happy to see his former father again, but he seemed a little at a loss when he was suddenly able to face him as a lover.

\*Note: Zheng Guangwei (Chen Yuanyuan)

However, you said before that if I gave birth to that child, you would never come to see me again. So..

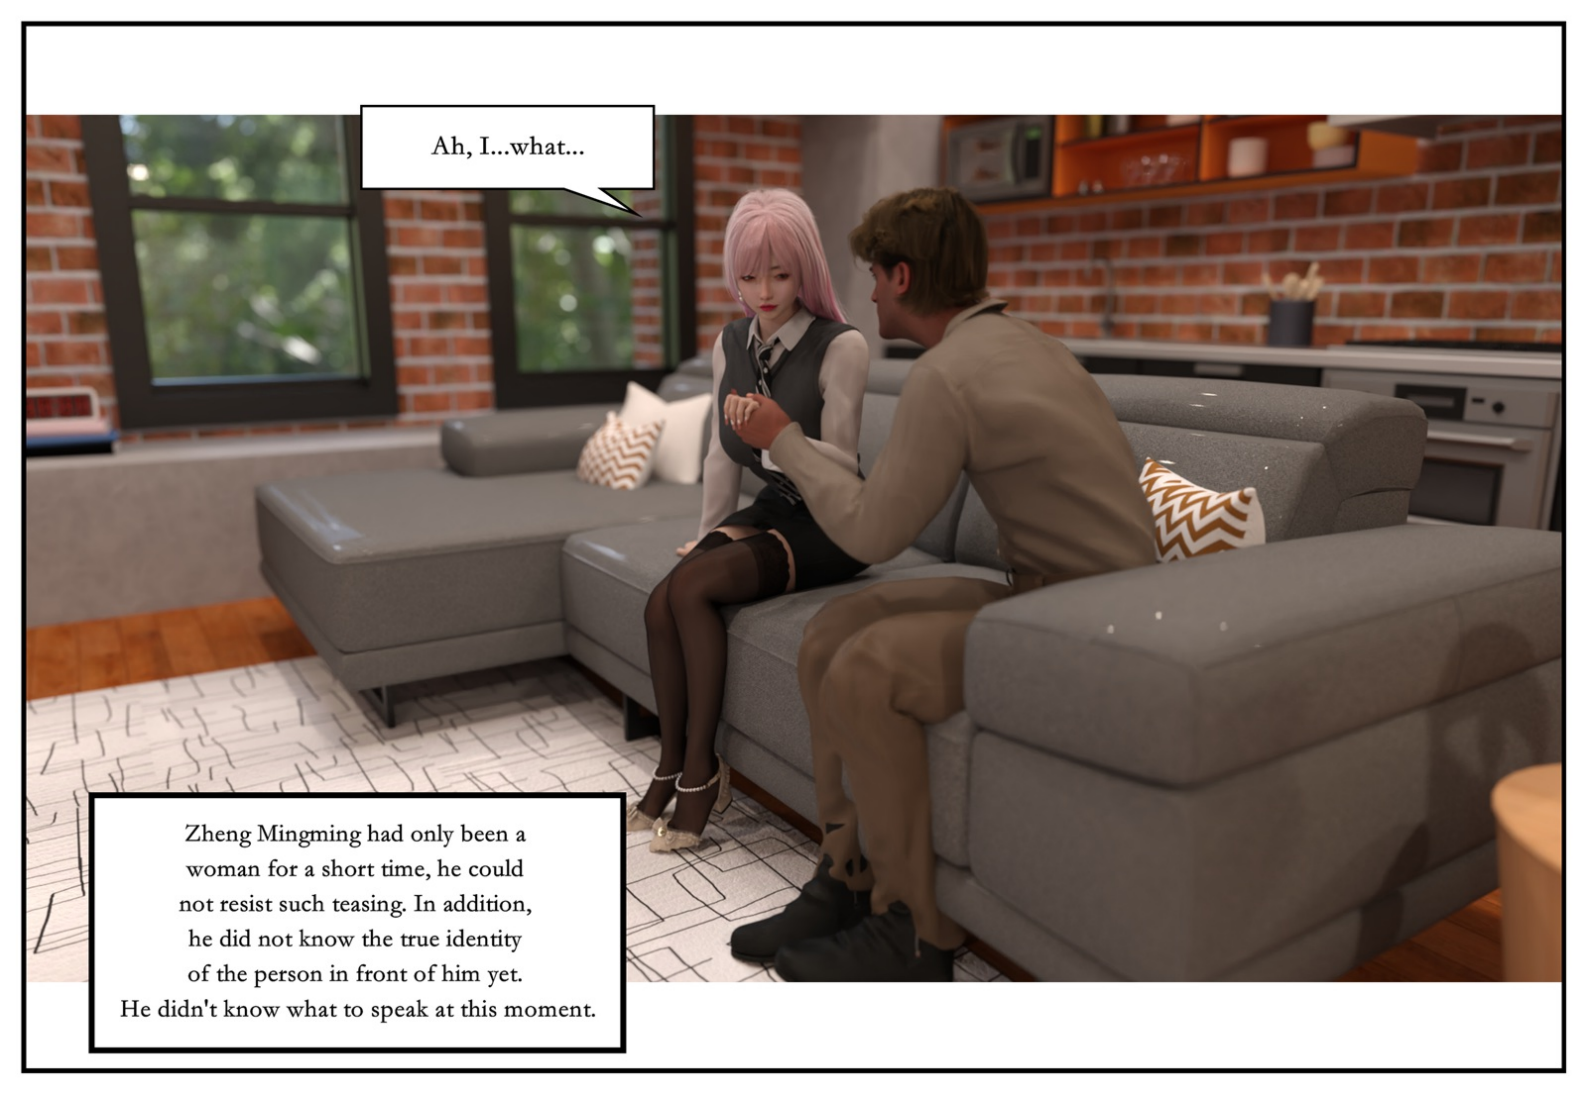

Oh, really, when did I say such  
heartless words?

Hearing Zheng Mingming's statement, Chen Yuanyuan immediately guessed that Zheng Guangwei said that when he came over before the child was born.

Alright alright, Yuanyuan, no matter what I said before, they were all just my angry words. From now on, you still be with me, okay?

While mentally cursing this man's heartlessness, she decided to tease Zheng Mingming and enjoy her former body.

Ah, I...what...

Zheng Mingming had only been a woman for a short time, he could not resist such teasing. In addition, he did not know the true identity of the person in front of him yet. He didn't know what to speak at this moment.

But Chen Yuanyuan was not  
paining to give him a chance to  
think. She knew her body too well  
and understood women too well.

Hmm~

Hmm!

Ahh!

You smells so good, Yuanyuan.

Did your breasts get bigger during breastfeeding?

Even the nipples have become more like a mature woman's.

Eee~

Damn, my breasts feel so good.

Hmm~ My own pussy does  
feel really different, haha.

What are you talking about.?

Do you really think I am  
Zheng Guangwei?

Haa! ?

A man with short, light brown hair is looking down and slightly to his left. He is wearing a light-colored, long-sleeved button-down shirt. The background consists of a red brick wall and a window with a black frame. On the windowsill, there is a small blue and white object, possibly a phone or a small device. The scene is lit with soft, indoor lighting.

Hum. Not long ago we swapped again.

I am actually Chen Yuanyuan,  
and the real Zheng Guangwei  
is now in Zhao Jie's body!

Ah? What is going on?

But, I see that you are pretty good  
at pretending to be me am I right?

Then keep it up!

Well, I... I have long thought of myself as Chen Yuanyuan.

Guangwei, come on, cum inside,  
I want to give you another baby.

Was what you just said real?  
Or you were just too enjoying this.

What...Ah, about having another child?

Yeah.

I don't know, I just feel happy to be with you like this.

A man with brown hair and a woman with pink hair are shown in a close embrace. The woman is wearing a white lace top and a white jacket, and the man is wearing a light-colored suit jacket. They are sitting on a grey couch in a room with a brick wall and a window. The man is looking at the woman with a serious expression, and she is looking back at him with a slightly concerned or questioning look. The scene is lit with soft, indoor lighting.

Your father's body, the desire in there to have more children is quite strong.

Do you really want me to have another baby?  
You have already deceived me  
into getting pregnant once.

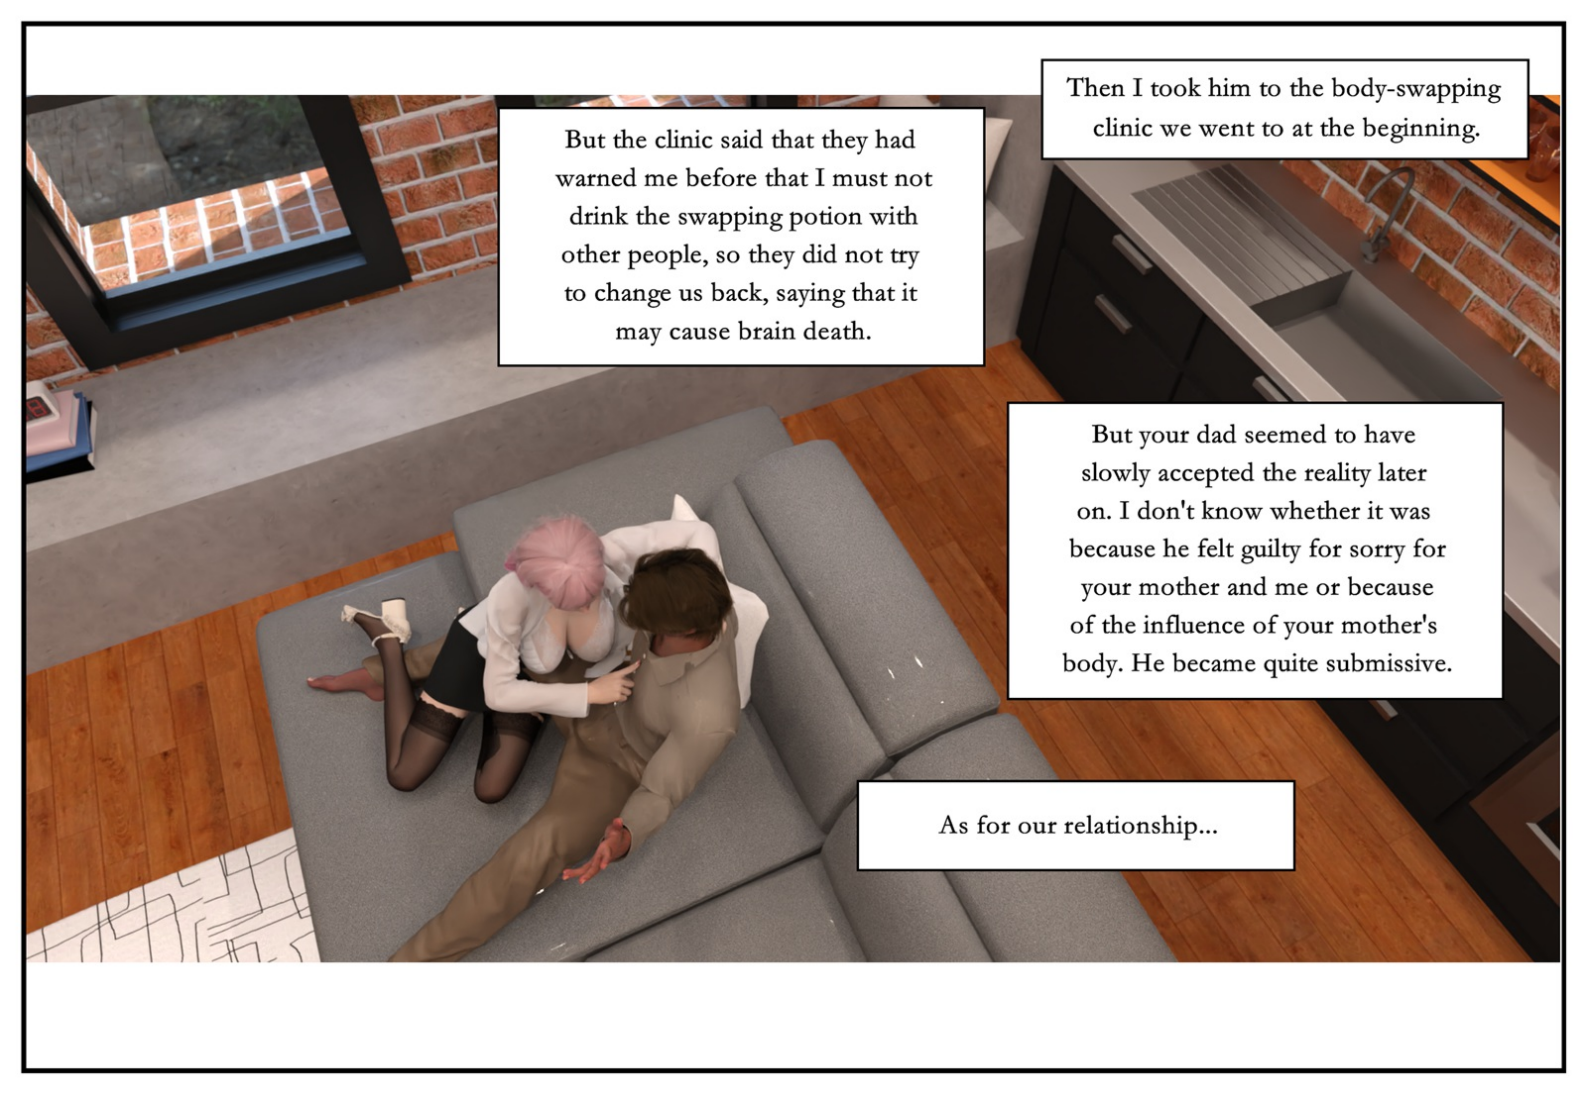

However, even if I were willing,  
what kind of relationship would  
we have now? Would I still be  
just a mistress?

Also, the owner of this body...  
how is my father doing now?  
I'm quite concerned actually.

Well, actually after we swapped  
that day, I confessed everything  
to him...

But the clinic said that they had warned me before that I must not drink the swapping potion with other people, so they did not try to change us back, saying that it may cause brain death.

Then I took him to the body-swapping clinic we went to at the beginning.

But your dad seemed to have slowly accepted the reality later on. I don't know whether it was because he felt guilty for sorry for your mother and me or because of the influence of your mother's body. He became quite submissive.

As for our relationship...

I don't have a good idea. Anyway,  
let's call your mother back first.

Don't mention it, that child has disappeared for quite some time recently and I don't know where she went. I am also trying to contact her.

Then you go home with me. after we can contact her, then the four of us will sit down and discuss about this situation.

Okay, it seems like that is the only way to go for now.

A few months later

So...so comfortable...

\*Note: Zhao Jie (Zheng Guangwei)

How about it, Mrs.Zhao,  
are you used to a woman's body?

Mingming, I can't hold it anymore,  
it's so too comfortable to be  
licked down there.

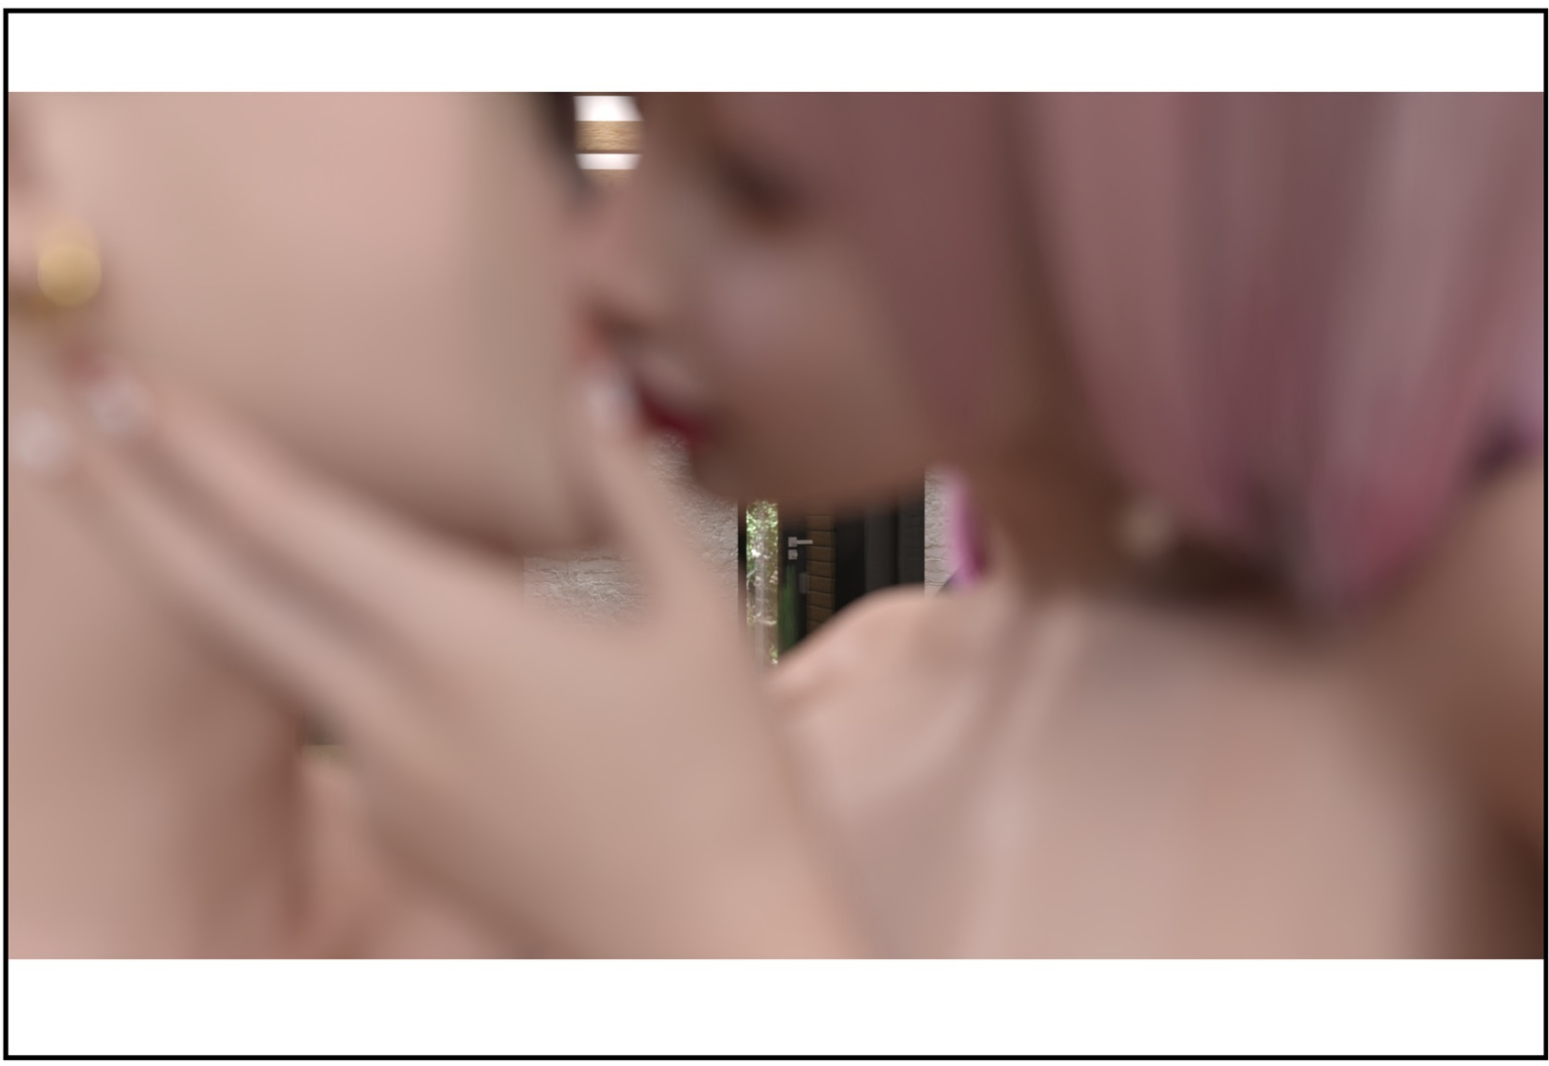

Mrs.Zhao, I am Chen Yuanyuan.

It seems that Mrs.Zhao misses her son too much. It's okay. I have contacted Mingming and he will be back soon.

It seems that you guys get along quite well without me!

You are finally back. Your mother  
and I are worried to death.

Good lord? ! What did you  
do to Mingming's body?

I just had a gender correction surgery to return to my original gender. How does it feel to see your only son become a daughter?

\*Note: Zheng Mingming (Zhao Jie)

Let's just leave them both alone for a while.

Yeah, but will they start arguing?

I don't think so, how could he have the nerve to get angry when he is actually the guilty one.

So, about another matter, I am still wondering if there is any way for the two of us to be together reasonably in this situation. I don't want to be a mistress forever.

After seeing what Zhao Jie did to your body, I do have an idea.

A man with short brown hair, wearing a light-colored collared shirt, is shown in profile from the chest up, looking towards a woman. The woman has long, straight pink hair with bangs and is unclothed. She is sitting on a light blue sofa and looking back at the man. Her right hand is raised to the man's face, with her fingers resting on his cheek. The background is a blurred modern interior with warm lighting and a large window. Two speech bubbles are overlaid on the image: one at the top right and one at the bottom left.

Really? As long as I can stay by  
your side, I am willing to become anything.

Of course it's true, I'll tell you later.

Damn you, you always have so many strange ideas,  
aren't you afraid that you idea may get us further apart?

But why, why do I like you so much!

I'm sorry, my wife.

I already know the situation.

Hum, Zheng Guangwei, you becoming like this is just God's punishment for you.

But no matter what, you shouldn't have the surgery to turn my son into a girl.

In case there is another chance in the future...

Hum, is it heartbreaking to see the only male in your Zheng family turn into a girl?

Zheng Guangwei, this is the punishment I wanted to give you.

Listen up, Zheng Guangwei, or should I call you mom now? In short, from now on I am Zheng Mingming. I have thought that I am a girl since I was a child. Now I just had gender correction surgery with the encouragement of my girlfriend Chen Yuanyuan.

And I'm ready to get rid  
of this thing in a few days.

No! My wife... no no... Mingming.  
Please. No matter what, I can do  
whatever you want me to do,  
Please don't do it.

Anyway, I have decided to have the surgery. But since mom you begged me, I might as well consider keeping this dick.

A woman in a white uniform, possibly a hotel employee, stands in a modern office or lounge area. She is positioned in the middle ground, facing away from the camera. To her right is a large computer monitor displaying a scenic view of a rocky coastline. In the background, there is a green sofa and a person sitting on it. The foreground shows a dark desk with a keyboard and a white office chair.

See, I told you to not go wild with it, now you all making this much more complicated.

As like what I've told Ms. Chen um... Mr. Zheng for now...

Because the situation is really unexpected, the risk of forcing you to change it back is very high. So the best action we suggest is to keep the status quo.

We understand that the risk is very high, so the purpose of us coming today is not to force us back to our original bodys with that device you have.

Instead, we hope to use your  
clinic's other technologies to  
help us in other ways. Our request is...

You actually want to do that??  
Although technically we can do it,  
but... doesn't this make your  
already chaotic relationship more chaotic?

But since it is a customer's  
request, we cannot refuse.

Then let me sort it out again  
and confirm it with you all.

You were originally Zheng Mingming,  
but you are now in Chen Yuanyuan's  
body, right?

That's right, you can just call me Miss Chen.

You are Zheng Mingming's father, Zheng Guangwei,  
and you are now trapped in the body of your wife Zhao Jie.

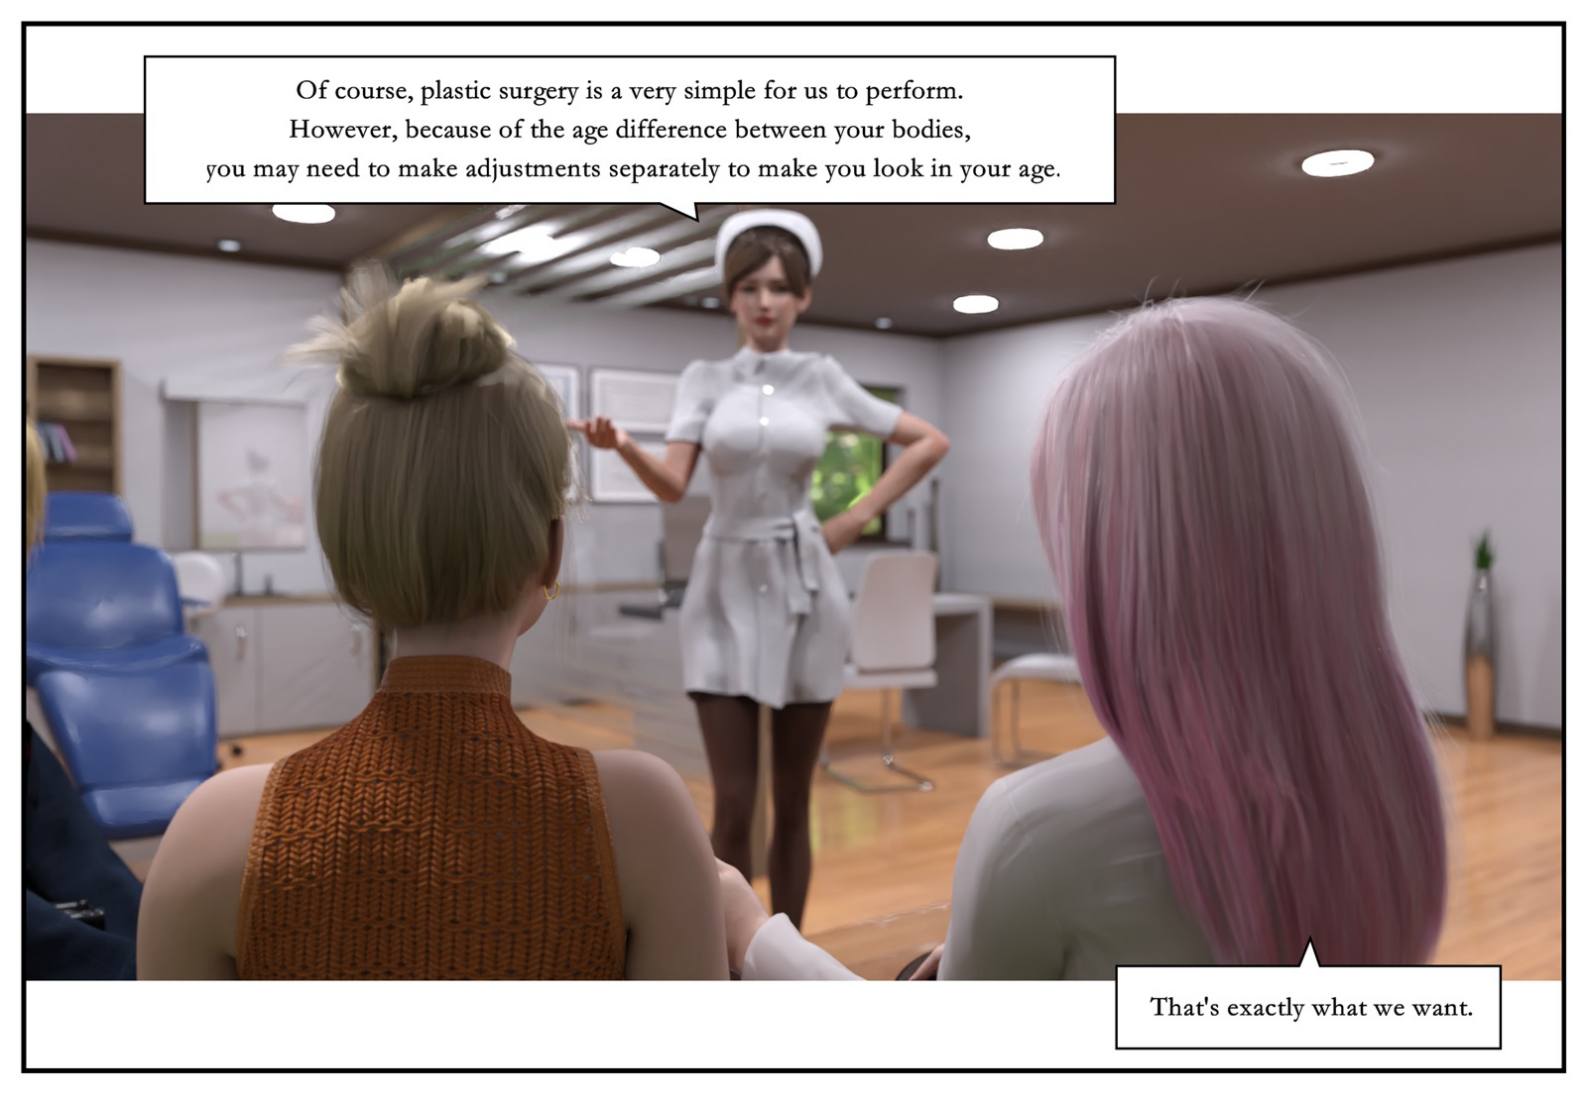

Yeah...

And...you two are now planning to undergo plastic surgery to swap you look, right?

Yes, because that is the only way I can live with the current Zheng Guangwei reasonably.

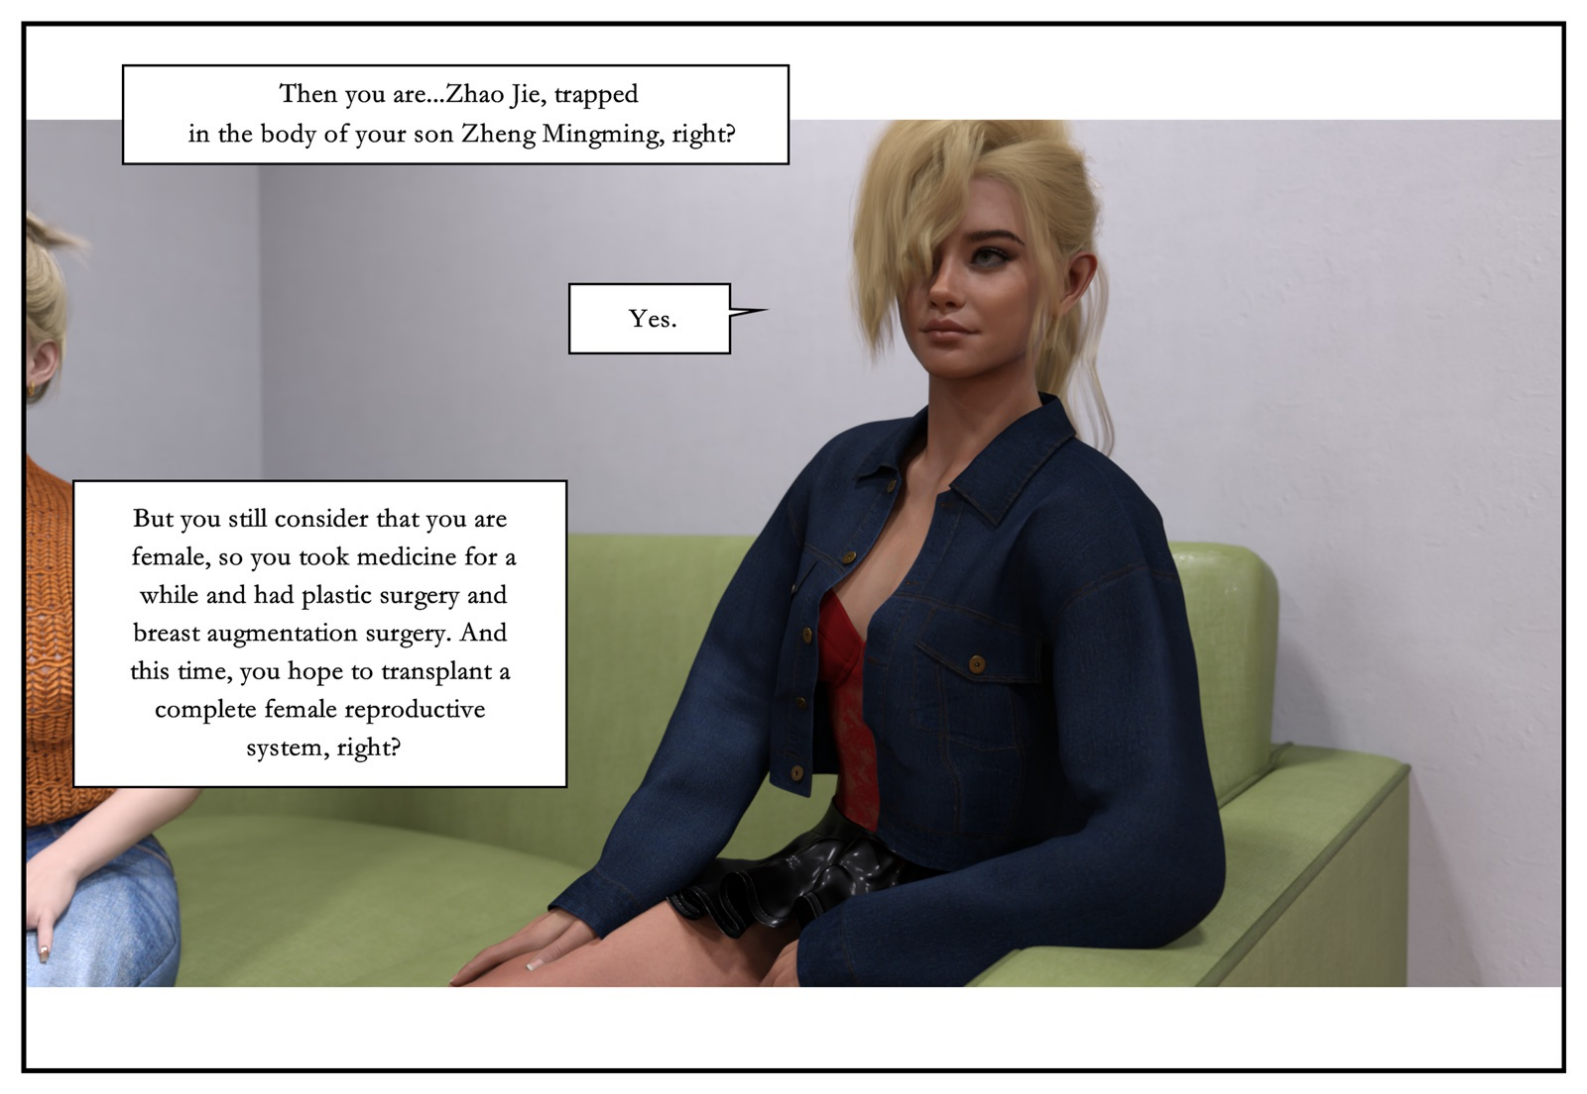

And I... can just be with Mingming now.

Of course, plastic surgery is a very simple for us to perform.  
However, because of the age difference between your bodies,  
you may need to make adjustments separately to make you look in your age.

That's exactly what we want.

Then you are...Zhao Jie, trapped  
in the body of your son Zheng Mingming, right?

Yes.

But you still consider that you are  
female, so you took medicine for a  
while and had plastic surgery and  
breast augmentation surgery. And  
this time, you hope to transplant a  
complete female reproductive  
system, right?

As for the female reproductive system, can you use my DNA to create a set and transplant it to him?

As for the male genitals, please don't destroy them, transplant one onto my body.

Yes!

Ah, this...this...is not a problem, but are you sure?

Okay, if you insist, we will arrange surgery for you as soon as possible.

Really curious what kind of drama you three women can put on.

A while later.

Oh my God, their plastic surgery technology is so powerful. I look exactly like Yuanyuan.

\*Note: Body is Zhao Jie yet also a futanari, face is Chen Yuanyuan, (soul: Zheng Guangwei)

Oh please.. Plastic surgery is nothing to be surprised about anymore.

They were actually able to clone  
Chen Yuanyuan's female genitalia  
from her DNA and transplant it to  
me, but also making it look like it  
was the one I was born with.

\*Note: Body is Zheng Mingming, gender female (Soul: Zhao Jie)

Fortunately, they were also able to preserve Mingming's genital intact...

Transplant that to me to let me  
have two sets of genitals at the same time.

I see they also performed some age-reduction surgeries on your body, and your physical condition looks like you are back in your twenties.

Why do I feel that you are enjoying it, and you don't seem to be reflecting all this.

I'm sorry,my wife. Can you forgive me now?

Forgive you? You have screwed up our life hard, and you want me to just forgive you? You know what, I may forgive you if you can behave well.

So, what can I do to let you forgive me....

Very simple, just be Chen Yuanyuan,  
then marry me, and just be my little  
wife like I was to you before.

How do you like that proposal?  
Do you really want to be a woman?

Ah..I....I..

Yeah.

Don't be shy, we have been an old married couple for so many years, it will just be a matter of reversing the roles from now on.

Good good, I'm right here to help  
you test out your new organ to  
see if it's functioning properly.

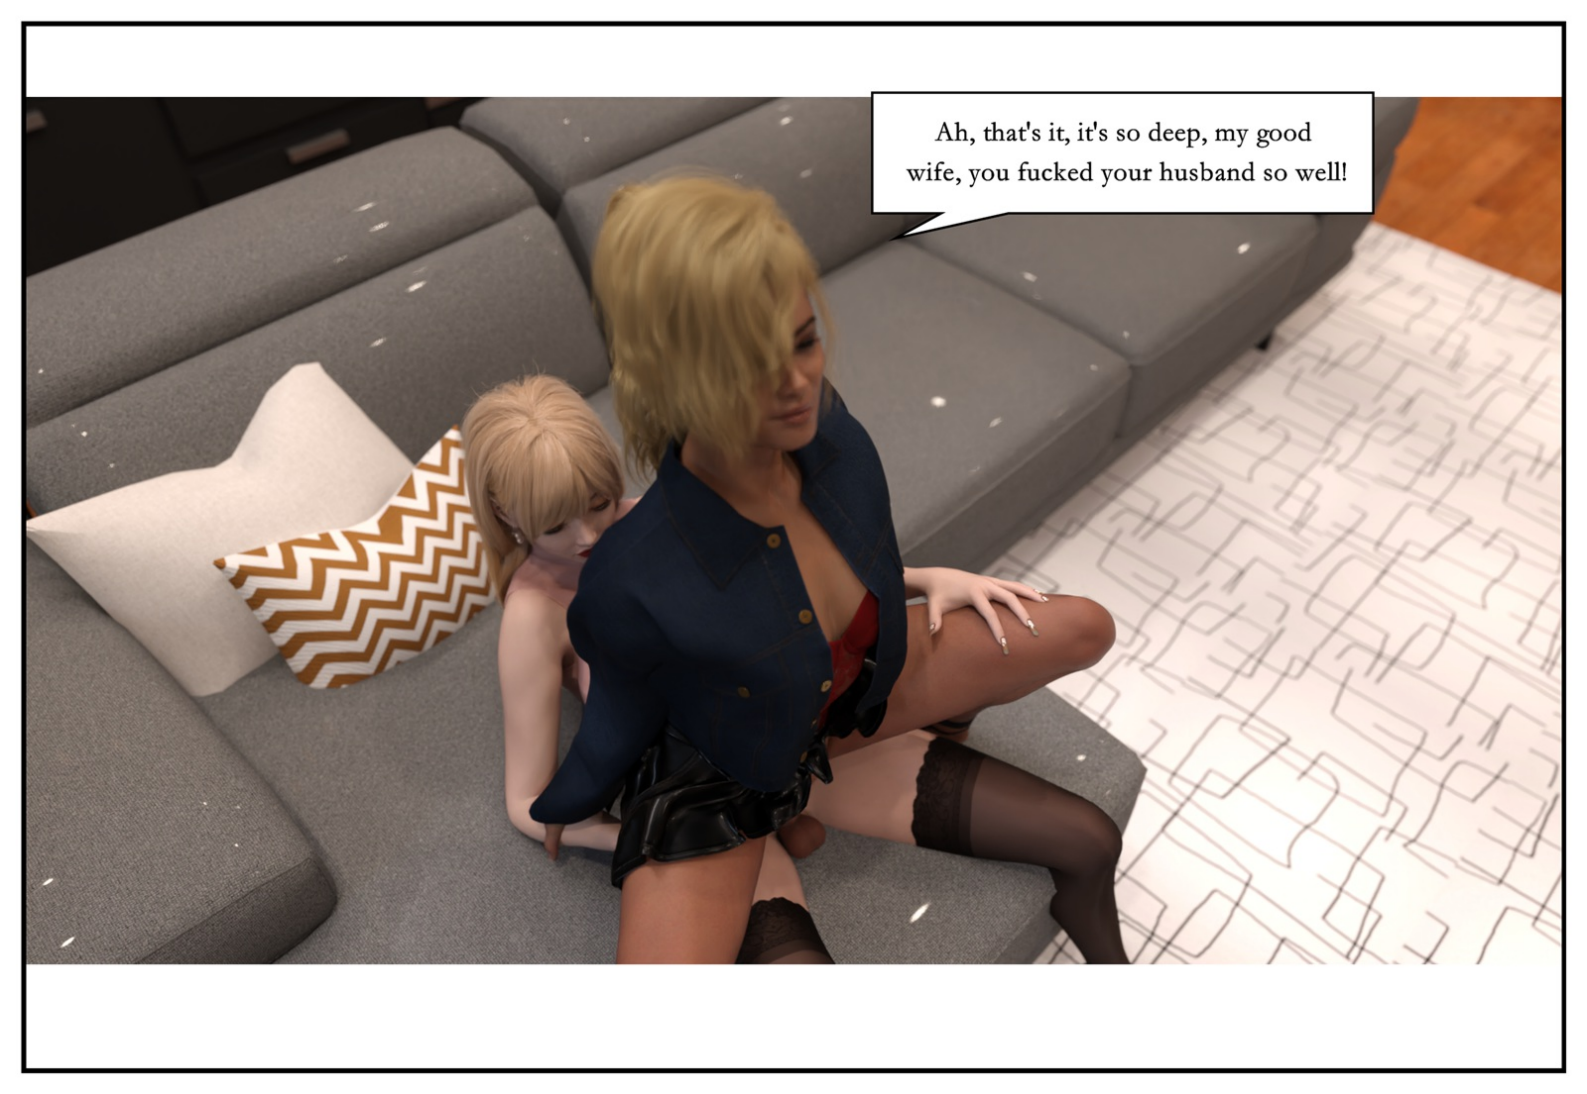

Ah~ Chen Yuanyuan's pussy  
is really tight and sensitive.

AAhhhh, the glans has been  
wrapped in there.

How about it, Mingming's cock is obviously much harder than your own. I have been using that one for too long, I know exactly what makes it most comfortable.

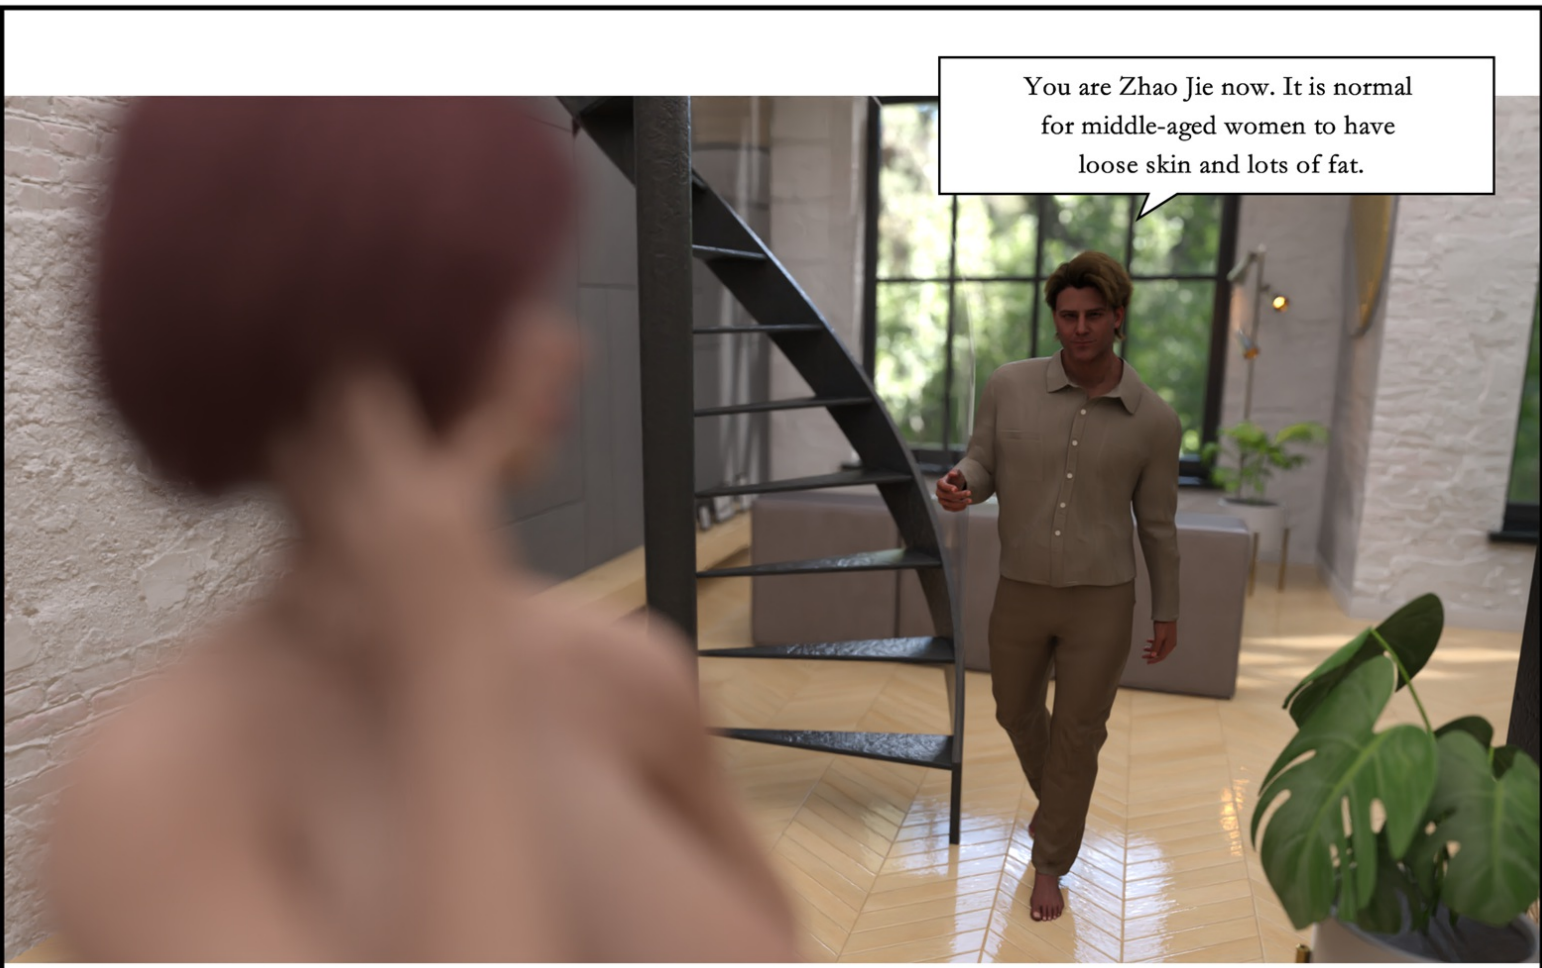

Ah, that's it, it's so deep, my good wife, you fucked your husband so well!

Meanwhile.

Oh my god, my god, is this what  
they call age adjustment?

You are Zhao Jie now. It is normal  
for middle-aged women to have  
loose skin and lots of fat.

\*Note: Body Zheng Guangwei, gender male (soul: Chen Yuanyuan)

But this is so too exaggerated.  
I really looks like a 40-year-old woman.

\*Note: The body is Chen Yuanyuan, the face is Zhao Jie, the gender is female (soul: Zheng Mingming)

What does that matter?  
I like mature women too much.

Anyway, your body is yours,  
if you're ok with it, I'm ok with it.

Also, what you said before about giving birth to a child for me.

Well, didn't I become like this just to become you real wife?

Oh yeah, the wedding of the two children must be arranged as soon as possible.

Wedding dress...I chose this one...how...how about it.

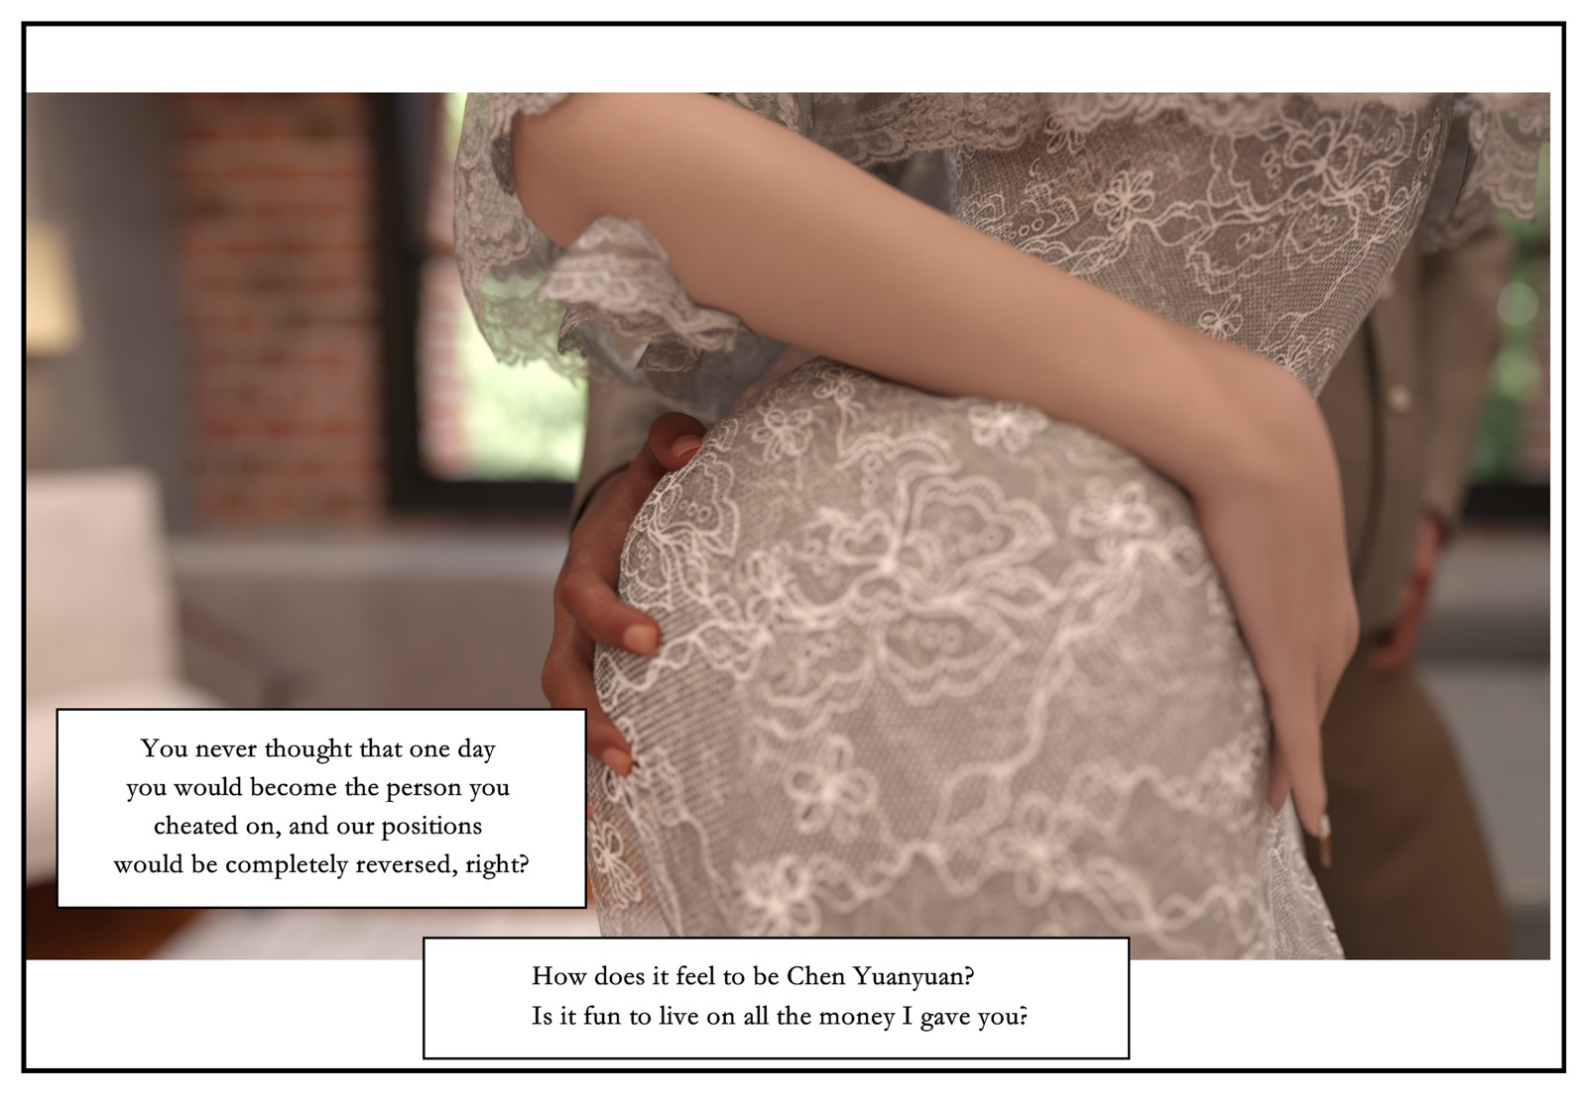

Elegant and classy, very suitable.  
Now I understand a little bit why  
you cheated on me before.

From a man's perspective, it is true that women outside are more attractive anyway, and now 'Zhao Jie' has become older and fatter.

A close-up photograph of a pregnant woman wearing a light-colored, intricately patterned lace dress. Her hands are resting on her belly. A man's hands are visible, gently touching her abdomen from the sides. The background is softly blurred, showing a brick wall and a window with greenery outside.

You never thought that one day  
you would become the person you  
cheated on, and our positions  
would be completely reversed, right?

How does it feel to be Chen Yuanyuan?  
Is it fun to live on all the money I gave you?

Don't worry, when you marry into our family, I will definitely treat you like my own daughter, hahaha.

A woman with long, straight blonde hair and bangs is shown from the chest up. She is wearing a white lace-trimmed, high-necked, semi-transparent top. She has a serious, somewhat annoyed expression. Behind her, a man with dark hair, wearing a light-colored suit jacket and a collared shirt, is looking at her. He has his hand raised near his face, as if gesturing or speaking. The background is a blurred indoor setting with brick walls and a window showing greenery outside.

Stop..Stop it...

Hum, that womanish facial expression, I like it.

Oh, you got excited when I said  
you looked like a woman?

I almost forgot that you are now a futanari.

Come and show me.

It was really a perfect transplant of Mingming's genital.

Also the pussy from Zhao Jie  
is completely wet, I see..

So you are the perfect amalgamation of four of us.

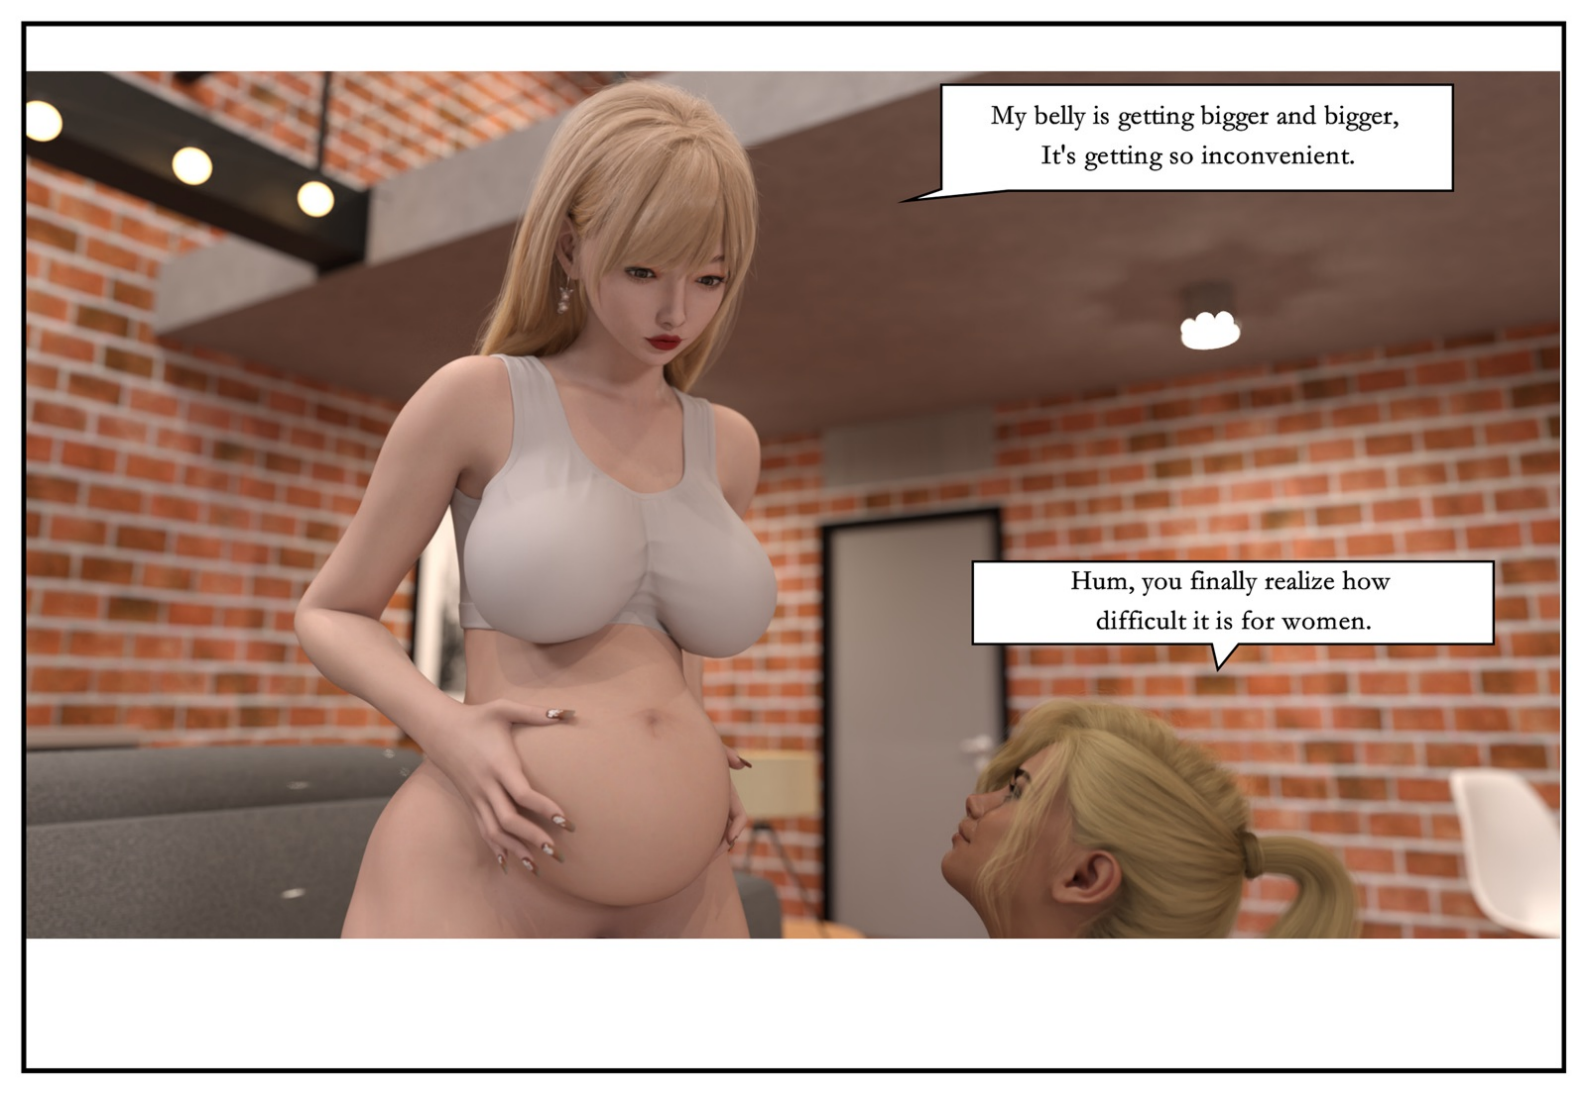

But in the end, it's still have to  
be me giving you some icing on  
my lovely cake.

a few months later.

My belly is getting bigger and bigger,  
It's getting so inconvenient.

Hum, you finally realize how  
difficult it is for women.

But pregnant women  
like you are really rare...

Probably no one would have thought that such a beautiful pregnant mother would have such a big cock under her big belly.

But I went a little too far, and I didn't expect that I got pregnant too.

No, I'm going to cum.

Why are you two playing each other again? Yuanyuan, have you forgotten that you agreed to come with me for the pregnancy test today?

I didn't...Oh my god, mom, what happened to you? Why did you become like this?

They said that in order to make Chen Yuanyuan's body better match the age of Zhao Jie, they added some drugs to promote cell metabolism during the surgery. Originally this was a slow process, but I didn't expect that my pregnancy would speed up the process this much. Then I quickly aged like this.

Fortunately, only the appearance and muscle tissue were affected, and the internal organs of my body still maintained their original age. So after the child is born, I think they will provide corresponding solutions to this.

What did they proposed,  
mother, is that reliable?

Don't worry, mom will tell you  
when the time comes.

During this time, you should just  
take good care of yourself and  
give birth to the child.

Okay, mom, we'll will be healthy.

You are also becoming more  
and more like a woman.

It's amazing, think about it, more than a year ago we  
were father and son, but now we are mother-in-law and daughter-in-law.

Mom, that was a long time ago.  
I am now just your good  
daughter-in-law.

Mom talked too much, my  
Yuanyuan is such a good girl.

Okay, Mingming, stop it. Mom still needs to go to the prenatal check-up with her.

It's okay, Mom, if I don't cum now, it will be very embarrassing if I get an erection outside later.

I see, then I'll go change clothes and wait for you.

Ah, hubby, your blowjob skills are so great, it feels so good to be licked by you.

Hubby, I'm going to cum.

Ahhh!

A woman with short, wavy blonde hair is shown from the chest up. She has a white substance smeared on her lower lip and is touching it with her right hand. To her right, a large, realistic-looking breast is visible, featuring a dark purple nipple plug. The background shows a room with a brick wall and a window looking out onto greenery.

My wife's milk is so sweet.

A few months later

I didn't expect that I would have aged more than 30 years in just a few months. I really shouldn't have agreed to any age-correcting surgery at that time.

Now I can only hope that the thing  
they gave me is really as magical  
as they said.

If this kind of technology really existed, wouldn't it be better if it were brought out earlier? So I don't have to suffer this?

Damn, my belly is so big that  
the stretch marks are all over it.

Mom, how do I get rid of stretch marks...

Ah, you... mother? !

What's wrong? I just changed back and you don't recognize me anymore?

How did you change back to this?

Didn't I say that they were trying to make up for my aging caused by their mistakes? They made me a set of skins according to my original appearance.

Look, now we are exactly the same.

But...you can't always have  
two people who are the same.

Isn't it good to have a sisters? Um?

Okay, just kidding, they also made a mask of Zhao Jie for you. You can wear it when I put on Chen Yuanyuan's skin, so that there won't be two Chen Yuanyuans at the same time.

A woman with long, straight pink hair is sitting at a wooden table in a coffee shop. She is wearing a black sleeveless top and is looking out the window. The background shows a street with European-style buildings, a tree, and a blue door. A chalkboard menu is visible on the table.

This little coffee shop is pretty good, tastes good, and there aren't many people nearby.

A woman with short, straight pink hair is sitting on a wooden chair at an outdoor cafe. She is wearing a white long-sleeved shirt, a dark grey vest, blue jeans, and black high-heeled shoes. She is looking towards the camera with a neutral expression. The cafe has a red brick wall and a red door. A wooden table next to her has a black coffee cup and a croissant. A chalkboard menu is visible behind her. The ground is paved with cobblestones and has some fallen yellow leaves. A tree trunk is visible on the left side of the frame.

When I was pregnant for the first  
time, I liked to go here alone to  
relax.

How about it, it's very comfortable  
to bask in the sun here.

The effect of this skin is really amazing. My aging appearance was completely invisible, and I completely returned back to my original age.

If you put on a mask and fiddle with your hair, I think you can completely become the original Zhao Jie.

Well, it's exactly the same as  
before the plastic surgery.

Don't we look like the wife is  
confronting with a mistress?  
But between us who would they  
consider to be the wife and who  
is the mistress?

But they definitely couldn't guess our true relationship.  
To be honest, I can't even remember it.

Mom, what are you doing?  
This is outside.

You shouldn't call me mom now.

Ah~

Oh, it became so big after being touched by my feet?

Humph, I think you've had  
you fun, now let's go.

Wait?! We just leave now?

What, are you feeling uncomfortable?

No...it's okay, let's go.

You're really okay?

It's okay, my belly is fine.

No, I'm not asking about your belly,  
I mean, is it okay to go to a  
crowded place with your dick that hard?

Ah, is my dick clearly erect? My belly is blocking it and I can't see it.

What a such a beautiful pregnant woman, but down there there is a little tent. Everyone will definitely want to know what's going on.

Ah, I'm already embarrassed stop it.

Ah, no, I'm obviously so embarrassed  
but I'm also so excited.

Ha? are you serious?

I was kissed by you at home, and  
just now I was played with your feet.

Okay, I can't bear it anymore, at  
least I don't want to cum on my  
skirt and make it dirty.

Well, the semen has come out.

Wow, this is outside.

Ah! It feels so good, I can't hold it in anymore!

A woman with long, straight pink hair and bangs stands on a city sidewalk. She is wearing a black V-neck vest over a white long-sleeved collared shirt and blue denim jeans. Her right hand is raised to her chest, and she has a slightly concerned or urgent expression. In the foreground, the back of a person's head with blonde hair is visible, looking towards the woman. The background shows a blurred city street with buildings and trees.

Are you done yet? Let's leave quickly while no one is around.

Wait...

No...no, my stomach hurts...  
I think my water has broken.

A photograph of a European street scene, likely in Paris, featuring historic stone buildings with balconies and a street lamp in the foreground. The scene is slightly blurred, suggesting a focus on the text boxes.

AH? NOW? !

Just hold on, I'll call an ambulance for you!

The End.
