## LIVING A LIE

Ava and Jonathan were a happy couple. They never needed anything else from their lives, except one day, they did.

Around the same time, they began to feel like something was missing from their lives. Like they needed something to change.

Ava had always felt the urge to fuck Jonathan, and she didn't know why. She had fantasized about being a man for some years now.

On the other hand, Jonathan, in secret, had fantasies of getting fucked, but not in his ass, but instead, he wanted to be a woman and get fucked in her pussy.

It wasn't until Ava found some transgender porn on Jonathan's computer that she realized they both wanted the same thing.

They sat down to talk and decided they would go through with it. They went to see a doctor to see how they would even start.

The first thing the doctor told them was that they needed to begin taking hormones. And so they did. Changing their mood and behavior little by little. Ava becoming more dominant and manlier and Jonathan more submissive and feminine.

They didn't even think about having sex mid-treatment since they didn't know how it would play out, but one day, Jonathan launched himself over to Ava and ripped her blouse in two, getting her tits out. No matter how many years he tried, he could never undo a bra, so he just took her tits out over her bra as he always did and started sucking on them. Ava had amazing tits; they were big and firm, especially for her age.

He then lifted her skirt and put her legs up in the air. Jonathan took Ava's panties off in a second and grabbed his already hard cock in his hand. He got his hips in front of hers and put his cock right on her pussy. She gasped slightly because she was barely wet, but she quickly licked her hand and rubbed her clit to get turned on before he started to fuck her.

Jonathan's cock entered Ava in one go. He started pounding her harder and faster than ever; he seemed like he had something to prove.

"Yeah, you like that?"

"Yes, honey, I love it."

The sex was good, but Ava always hated how she had to validate Jonathan's skill.

Jonathan's pulsating cock went in and out of Ava's pussy while she rubbed her clit and moaned (more so because of her masturbating than from Jonathan fucking her), and while Jonathan grunted.

Not even five minutes had passed when Jonathan's eyes got wide open as he grunted loudly and came inside of Ava. He pulled out immediately after, almost pale in the face. He usually lasted at least ten minutes if he didn't even try to hold it, but this time, he came very fast, even trying with all his might.

Jonathan tried to act as if nothing happened and walked to the bathroom, taking his towel.

“I’ll take a bath. Get me some dinner.”

Ava was confused about what happened as well, but she figured it had to do with his new condition.

The days passed, and Jonathan was changing drastically. He yelled less and less, and he stopped being so rude towards Ava all the time; sometimes, he even said please and thank you to her.

Ava was a submissive housewife because that’s how she was raised to be, but she was far from dumb. She saw the opportunity and took it. One night, when she had fallen asleep and didn’t cook dinner, she knew she could either get in a lot of trouble with Jonathan or try to play with his new persona.

“Where’s dinner?”

“I thought we should eat out today.”

“Oh. I guess that’s fine.”

A couple of months before, Jonathan would have freaked out and yelled to Ava nonstop, but he complied with what she said. She loved the feeling of being able to decide something for once, and she wanted to make sure that happened more often.

Instead of giving Jonathan the instructions the doctor was sending her, she googled how she could decrease his testosterone and boost his condition even further. She started to cook a lot of meals with soy, giving him mint tea. She told him he should do a lot of cardio and forget about going to the gym. He trusted all of it, thinking it was the doctor behind those recommendations.

Eventually, the food increased his estrogen, worsening his conditions, and the cardio exercises got his muscle mass even lower.

He was almost unrecognizable; he had about two-thirds of his original weight, he even got shorter, and his personality was much milder.

Ava decided to test her luck even further. She was already the one calling the shots in the house now, although without imposing herself over him, she just decided things, and Jonathan avoided conflict by agreeing.

Ava took Jonathan to the bedroom and started kissing him and caressing him. She never took the lead, and so far, she just limited herself to follow Jonathan's directions and orders in bed, but now it was different. Ava undressed first, which Jonathan never allowed, and then she undressed him, pressing her tits against his flat, skinnier chest. She kissed him all the way down until she reached his cock. It was a good thing his condition didn't affect the size of it, but his balls did seem smaller.

Ava started sucking on his cock while also masturbating him. She left the tip resting in her tongue while she stroked Jonathan's dick and played with his balls with the other hand. Usually, when Ava gave him oral, he grabbed her hair and fucked her mouth, but this time, she was the one in charge. She ran her tongue up and down his cock while she used her thumb to play with the tip. Jonathan didn't grunt, as he usually did; instead, he was moaning although very faintly.

Ava flickered her tongue on the tip of his cock while masturbating him with both hands until he moaned loudly and came inside her mouth.

“Good boy, did you like how I sucked your dick?”

Ava knew that was pushing it. That would be the sort of thing he would say, but she needed to see just how much progress the condition and her ‘treatment’ had made so far.

“I loved it.”

Ava smiled as she stood and gently pushed him towards the bed. He got on the bed, and she got on top of him. It was the first time she decided to ride him. Usually, that just happened when he was too tired to have sex but was horny none the less.

She placed her hands on his chest while getting his cock inside of her pussy. For the first time in a long time, she didn't have to help herself get wet. Dominating him and having the final word was turning her on a lot. Once his dick was all the way inside, she started to ride Jonathan, moving her hips back and forth while both of them moaned loudly.

Surprisingly enough, Jonathan was still hard after just having orgasmed. The thought of being dominated was turning him on too, probably because of his condition.

Jonathan tried to grab Ava's tits while she was on top of him, but she grabbed his arms and pressed them against the pillow over his head, not allowing him to move. The sight of her husband getting dominated while his eyes were closed and him moaning were getting her closer and closer to an orgasm.

“This feels amazing!”

Jonathan's soft voice took Ava by surprise, especially since he could barely get that sentence out between his moans. After that, it didn't take long for her to climax. She leaned her head back and picked up the pace to make him cum at the same time as her, and she succeeded.

She collapsed on the bed, without spooning to him as she always did. Both of them were exhausted, but she knew this was only the beginning.

After that night, Ava knew that sex wasn't the only thing she could take advantage of now. She told Jonathan that there were too many dirty dishes and that she needed help, so she only did half of them, and he did the other half without complaining.

The next day, she told him she wanted to mop the floor, but it had too much dust, so he needed to sweep it before, and so he did, again, without complaining.

As the days kept advancing and Ava continued her ‘treatment,’ Jonathan became more and more meek. He was now about half his original weight, considerably shorter, and had an utterly submissive personality, at least towards Ava.

Ava couldn’t be happier. Now she asked him to sweep and mop the floor, do the dishes, cook, wash their clothes, and do anything around the house. He would do it without hesitating as long as she demanded it with enough authority, which she did by merely copying how he used to talk to her before he got his condition.

Regarding sex, she was now the one in charge, telling him what to do, or just doing whatever she wanted to without saying anything. Now, most nights, she would even make him give her a back massage before they had sex to get her on the mood and a foot massage after to help her wind down. But she still wanted to take things even further.

After a couple of years, some noticeable changes could be seen. Their faces and bodies had begun to change a bit, but nothing too extreme. It was now time for the surgery.

They changed sexes. Ava became a man, and Jonathan became a woman.

Since they already had a life, family, and friends, they didn’t know how to break the news to them. Until Ava had an idea.

They decided when they got the sex change, they would also get plastic surgery, that way, they would look like the other looked before, basically switching places.

Jonathan became Ava, and Ava, became Jonathan.

Even amongst themselves, they referred to their new names now.

It was the big night. The first time they would have sex with their new bodies, but there was one issue. The new Jonathan, who was previously Ava, couldn’t get an erection.

“Don’t worry, honey. It happens to everyone.”

Jonathan was on the verge of tears when Ava reached for something in her cabinet.

“Take these; the doctor told me this could happen, so he recommended I got a couple.”

Jonathan took the viagra.

“It takes about half an hour to kick in, so give me a massage in the meantime.”

Ava lay on the bed face down, and Jonathan got on top of her to massage her. About half an hour had passed, and he was still soft. Ava sat on the bed, spread her legs, and looked at him.

“Why don’t we give you a reason to get hard? Go ahead, eat me out.”

Even though Jonathan asked Ava to suck him off all the time, he never gave oral sex to her. But this time, he started doing it without hesitation. Jonathan leaned in and got his tongue to work. He didn’t know exactly what to do, so he just moved his tongue around, licking her pussy lips and sticking it inside of her from time to time, moving it from side to side when he had it inside.

Jonathan didn’t know where her clit was, so he didn’t even try with that. Instead, he fingered her pussy with two fingers just like he would with his dick, going in and out as fast as possible. Ava was really wet, not because of how good Jonathan was, but at the fact that she had her husband’s face between her legs for the first time.

Ava started to give Jonathan instructions to pleasure her better, and Jonathan complied without questioning her. Every millimetric direction, she told him where to direct his tongue, every tempo she requested his fingers to use.

“You are not getting out of there until you either make me cum or get hard so we can fuck.”

Ava was finally confident speaking aggressively to him and bossing him around even in the bedroom, and he didn’t seem to mind; he was very

submissive, just like she used to be with him before all of this started.

Jonathan tried with all his might to get an erection, but it just wasn't happening, so instead, he focused on getting her off. He fucked her with his fingers and his tongue until she couldn't take it anymore. It took another ten minutes for her to climax. She was soaking wet by then, and it was dripping over Jonathan's mouth and jaw.

"Well done, honey. Now be a dear and lay down; I see someone finally made an appearance."

Jonathan hadn't even noticed that he finally got hard after all that time and everything he did to her. Excited, he lay on the bed just like Ava told him to. His cock had shrunk a bit since he got sick, but not enough for him to be unable to pleasure her; however, she wanted to make sure that she could cum again.

"We are going to try something new today."

"What is it?"

"It's a new position I found online. I'm going to be on top of you, but I'm not going to ride you."

"T-Then, what are you going to do?"

"Basically, I'm going to fuck you."

Ava lifted Jonathan's legs just like he always used to do to her when he wanted to fuck her hard.

"This is called the amazon position. Now get your dick to face me."

"L-Like this?"

Jonathan pushed his dick towards Ava a bit as she got her hip closer to him while still keeping his legs up in the air, holding him by the ankles. In the

past, that ordeal would have been impossible, but with how much muscle Jonathan had lost so far, even Ava could lift him with little trouble.

She leaned her hip towards him and lifted herself with her legs, getting her pussy right on top of his cock. She pushed herself down to get Jonathan's cock inside of her. She got it all in slowly as Jonathan moaned; she was also getting pleasure from him, but Ava was more focused on his face and at the ridiculous pose she managed to put him in.

“Now try to hold on as much as possible. I want to enjoy this for quite a while.”

“I'll do my best, honey.”

Ava leaned over to him while pressing her hips towards him. She went back and forth with a slight tilt downwards. It really looked like Ava was the one fucking him instead of him. And, she thought that even though it was his dick going in and out, she was the one doing everything, pinning him down, getting him hard, making him moan. She was the one fucking him, and it was getting her incredibly wet.

Ava pounded her hips against Jonathan as hard as she could; he even sounded just like she did when he fucked her like that. Ava got more and more excited, so she pushed Jonathan's legs towards him with more force, bringing his knees to his chest and his feet to the sides of his face while still fucking him.

His ass was up in the air, and he looked embarrassed, but she kept going.

“Yes, baby. Fuck me like that. Fuck me harder! Make me yours!”

Jonathan was talking exactly how he liked Ava to speak to him when they fucked. The only difference is that Ava had to force herself to do it since she didn't really get turned on by that, but Jonathan was doing it on his own accord, getting more aroused with every sentence that he used to beg Ava to go further.

Ava felt her orgasm getting close, so she got all of his dick inside and pressed her hips against him while moving around to rub her pussy and clit

against his pelvis. She was getting so turned on by it she was almost yelling out of pleasure. Jonathan, on the other hand, couldn't contain himself any longer. The feeling of Ava on top of him, dominating him, while her pussy was tightly pressing his cock completely threw him over the edge.

Jonathan moved his head to the side to bite the pillow, trying to hold on just a bit longer, but it was impossible; he came with the girliest moan he had ever let out. It was such a high pitch that even Ava had to open her eyes to confirm that it had indeed come out of his mouth.

Jonathan came while still inside of her, and as he pumped his cum inside her pussy, it began to drip down on his cock because she kept fucking him. Even though Ava knew he came, she was too close to stop, so she kept going. The viagra allowed Jonathan to stay hard as his semen dripped to his balls, pelvis, abdomen, and asshole.

Jonathan could not remember the last time he came so much or so hard. He loved the feeling of Ava overpowering him; he knew it was because of his lack of testosterone, but at that instant, he didn't care.

“Grab my tits!”

Ava yelled at Jonathan to help her climax, but he was still a little dazed from his own orgasm, so she grabbed his hands and put them over her tits as she squeezed them.

“I said to grab my tits! Didn't you hear me?!”

“I'm sorry, honey. Is this good?”

Jonathan massaged Ava's tits, trying to help her get more aroused.

“It's good enough, but don't be such a pussy, press them harder!”

Jonathan closed his eyes as he pressed and squeezed Ava's tits, making her moan as she rode him and fucked him even harder, going as fast as she could until she eventually came on top of him.

Both their ejaculations mixed, dripping on top of Jonathan. Ava eventually leaned back, getting Jonathan's cock out of her pussy, and she let herself

fall on the bed.

He then lifted her skirt and put her legs up in the air. Jonathan took Ava's panties off in a second and grabbed his already hard cock in his hand. He got his hips in front of hers and put his cock right on her pussy. She gasped slightly because she was barely wet, but she quickly licked her hand and rubbed her clit to get turned on before he started to fuck her.

Jonathan's cock entered Ava in one go. He started pounding her harder and faster than ever; he seemed like he had something to prove.

She then switched positions and got on top of him

Jonathan tried to grab Ava's tits while she was on top of him, but she grabbed his arms and pressed them against the pillow over his head, not allowing him to move. The sight of her husband getting dominated while his eyes were closed and him moaning were getting her closer and closer to an orgasm.

This time, Jonathan was the one to get closer to Ava and cuddle up to her. She wasn't surprised anymore, even if he never did that. Ava knew now that the man beside her was now only a shadow of the man she married. The manly, muscular man she had spent so many years with was gone, never to return, and she helped with that.

Ava got a text on her phone, so she reached to grab it. It was the doctor, asking how everything was doing. She simply answered that everything was great and that they haven't felt better.

Now, it was as if nothing had happened for the rest of the world.

When they went out, they were Jonathan and Ava, just like everyone remembered them, but what nobody knew, was that they had basically switched bodies.

The new Ava, previously Jonathan loved her new huge tits, her jiggly ass, her hips, and her tight pussy.

The new Jonathan, previously Ava, loved his muscles, his manly face, his huge dick.

The new Jonathan never needed viagra anymore, since the pure fact of being a man now got him so horny he got hard all the time. And seeing what used to be his husband now being a woman, got him going immediately.

Not to mention the new Ava was wet all the time just from looking at herself in the mirror, it didn't hurt that the doctor left her looking incredibly hot.

They also got off from pretending to be the other one in their previous life or version to their friends and family, basically living the life of the sex that they wanted, and not only enjoying the fucking.
