

All ready for tonight's experiment, Todd?

Yawn! Sure am, Professor Mayflower.

...give you huge bouncy tits just like these, Tammy!

Maybe after you lose this flat chest you'll finally stop having any illusions that you're actually a man!

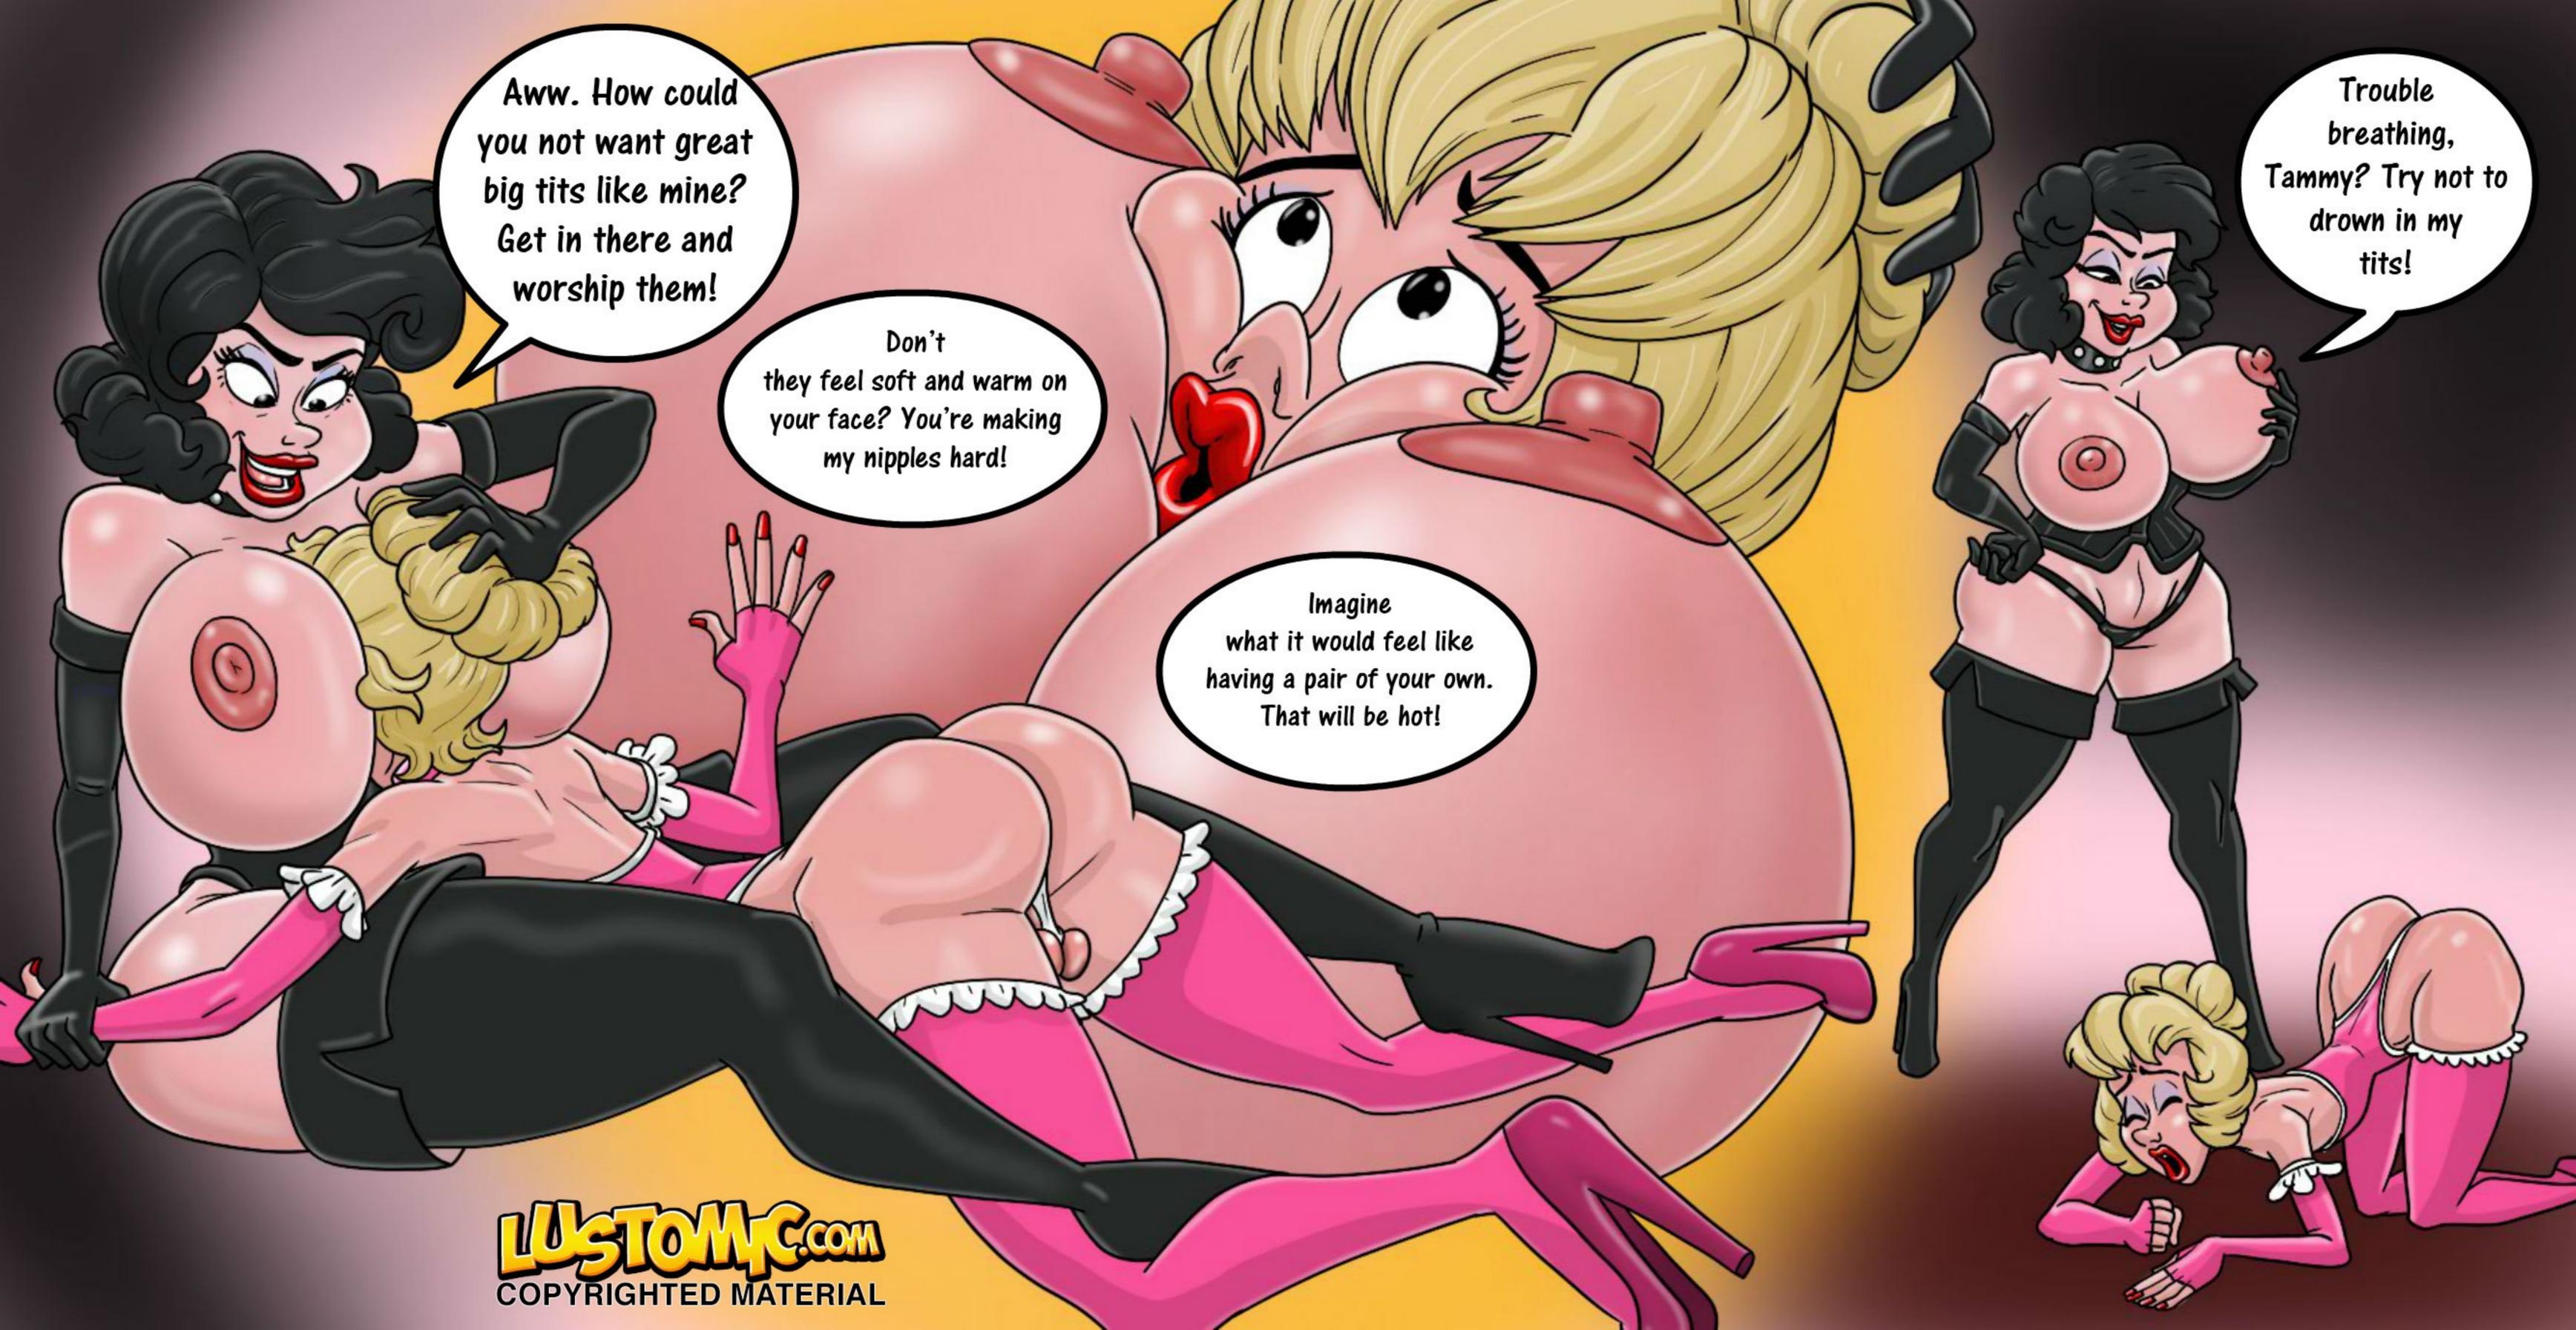

No! Please not that!

Hmm, why does my butt hurt? Oh yeah!

Because she's turning me into a girl every night and fucking my ass!

And last time she said she was going to...

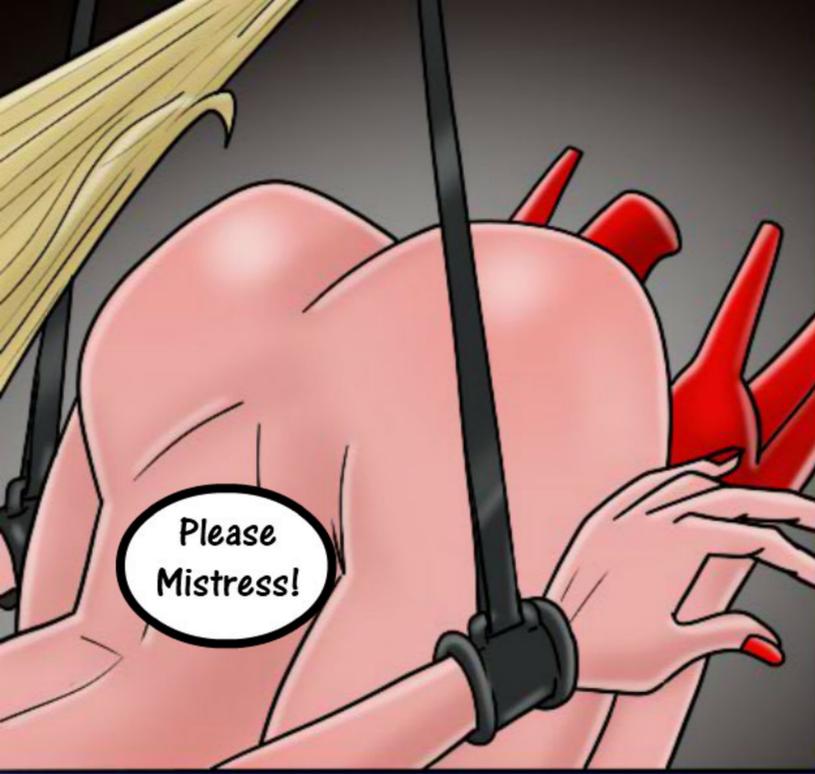

Aww. How could you not want great big tits like mine? Get in there and worship them!

Don't they feel soft and warm on your face? You're making my nipples hard!

Imagine what it would feel like having a pair of your own. That will be hot!

Trouble breathing, Tammy? Try not to drown in my tits!

I'm going to turn you into a hot,...

OW!

What?

... sexy, oh so slutty, big titted high heeled sissy bimbo fuck doll whether you like it or not!

Oh dear!
I don't believe
it!

What's going on? Is
that... ME!!?

There's two
of you now?

Mmm, so
bouncy! Are
these my new
boobies?

They feel so good!

I didn't know my nipples could feel like this! Thank you!

Thank You, Mistress Mayflower for making me a sexy sissy bimbo slut!

That's not me! I would never say things like that!

Oh but it is you, darling! The real you!
She's your alter ego, honey -- the part of you that truly desires to become what you were born to be.

Since you're so conflicted with your "pretend" man life, your mind literally created your true personality as another Tammy. It's Tammy Two!

Tammy two?

SLUT 1

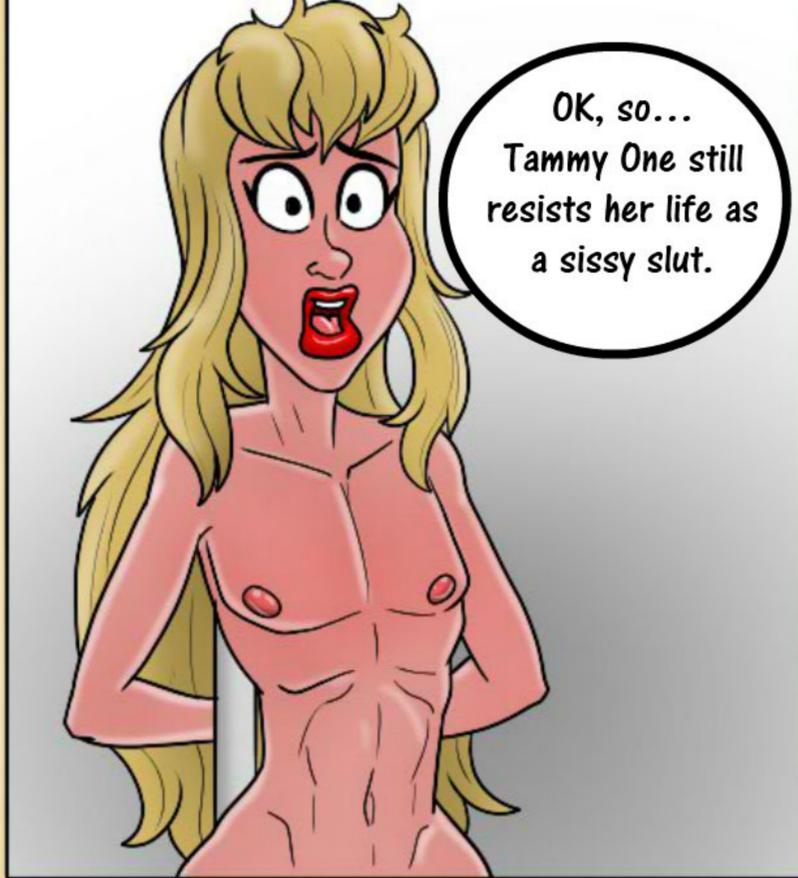

SLUT 2

This needs further examination!

Oh, yeah! Examine me, Mistress. I'll be a good little test subject. You can explore every inch of me!

Stop giving her ideas!

OK, so... Tammy One still resists her life as a sissy slut.

Tammy Two is Todd's true personality, nothing but a total slut that only dreams of lip-gloss, nail polish, sex, cock and domination. The perfect sissy slut!

Really, Mistress?

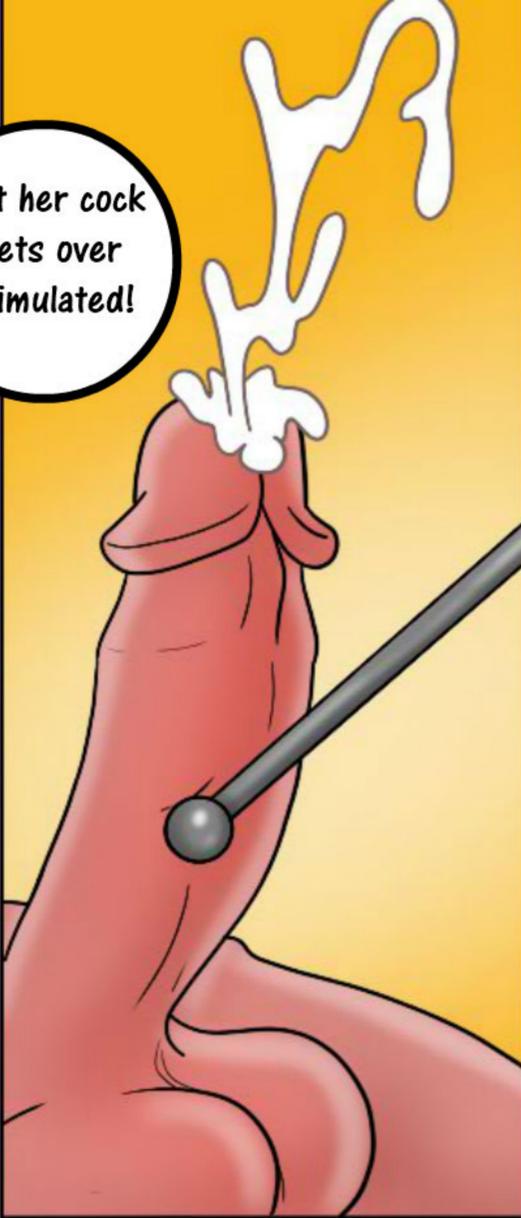

Let's see how each reacts to electric shock therapy...

AlIEE! That feels weird!

Hmm... Tammy One has little sexual reaction when her nipples are stimulated.

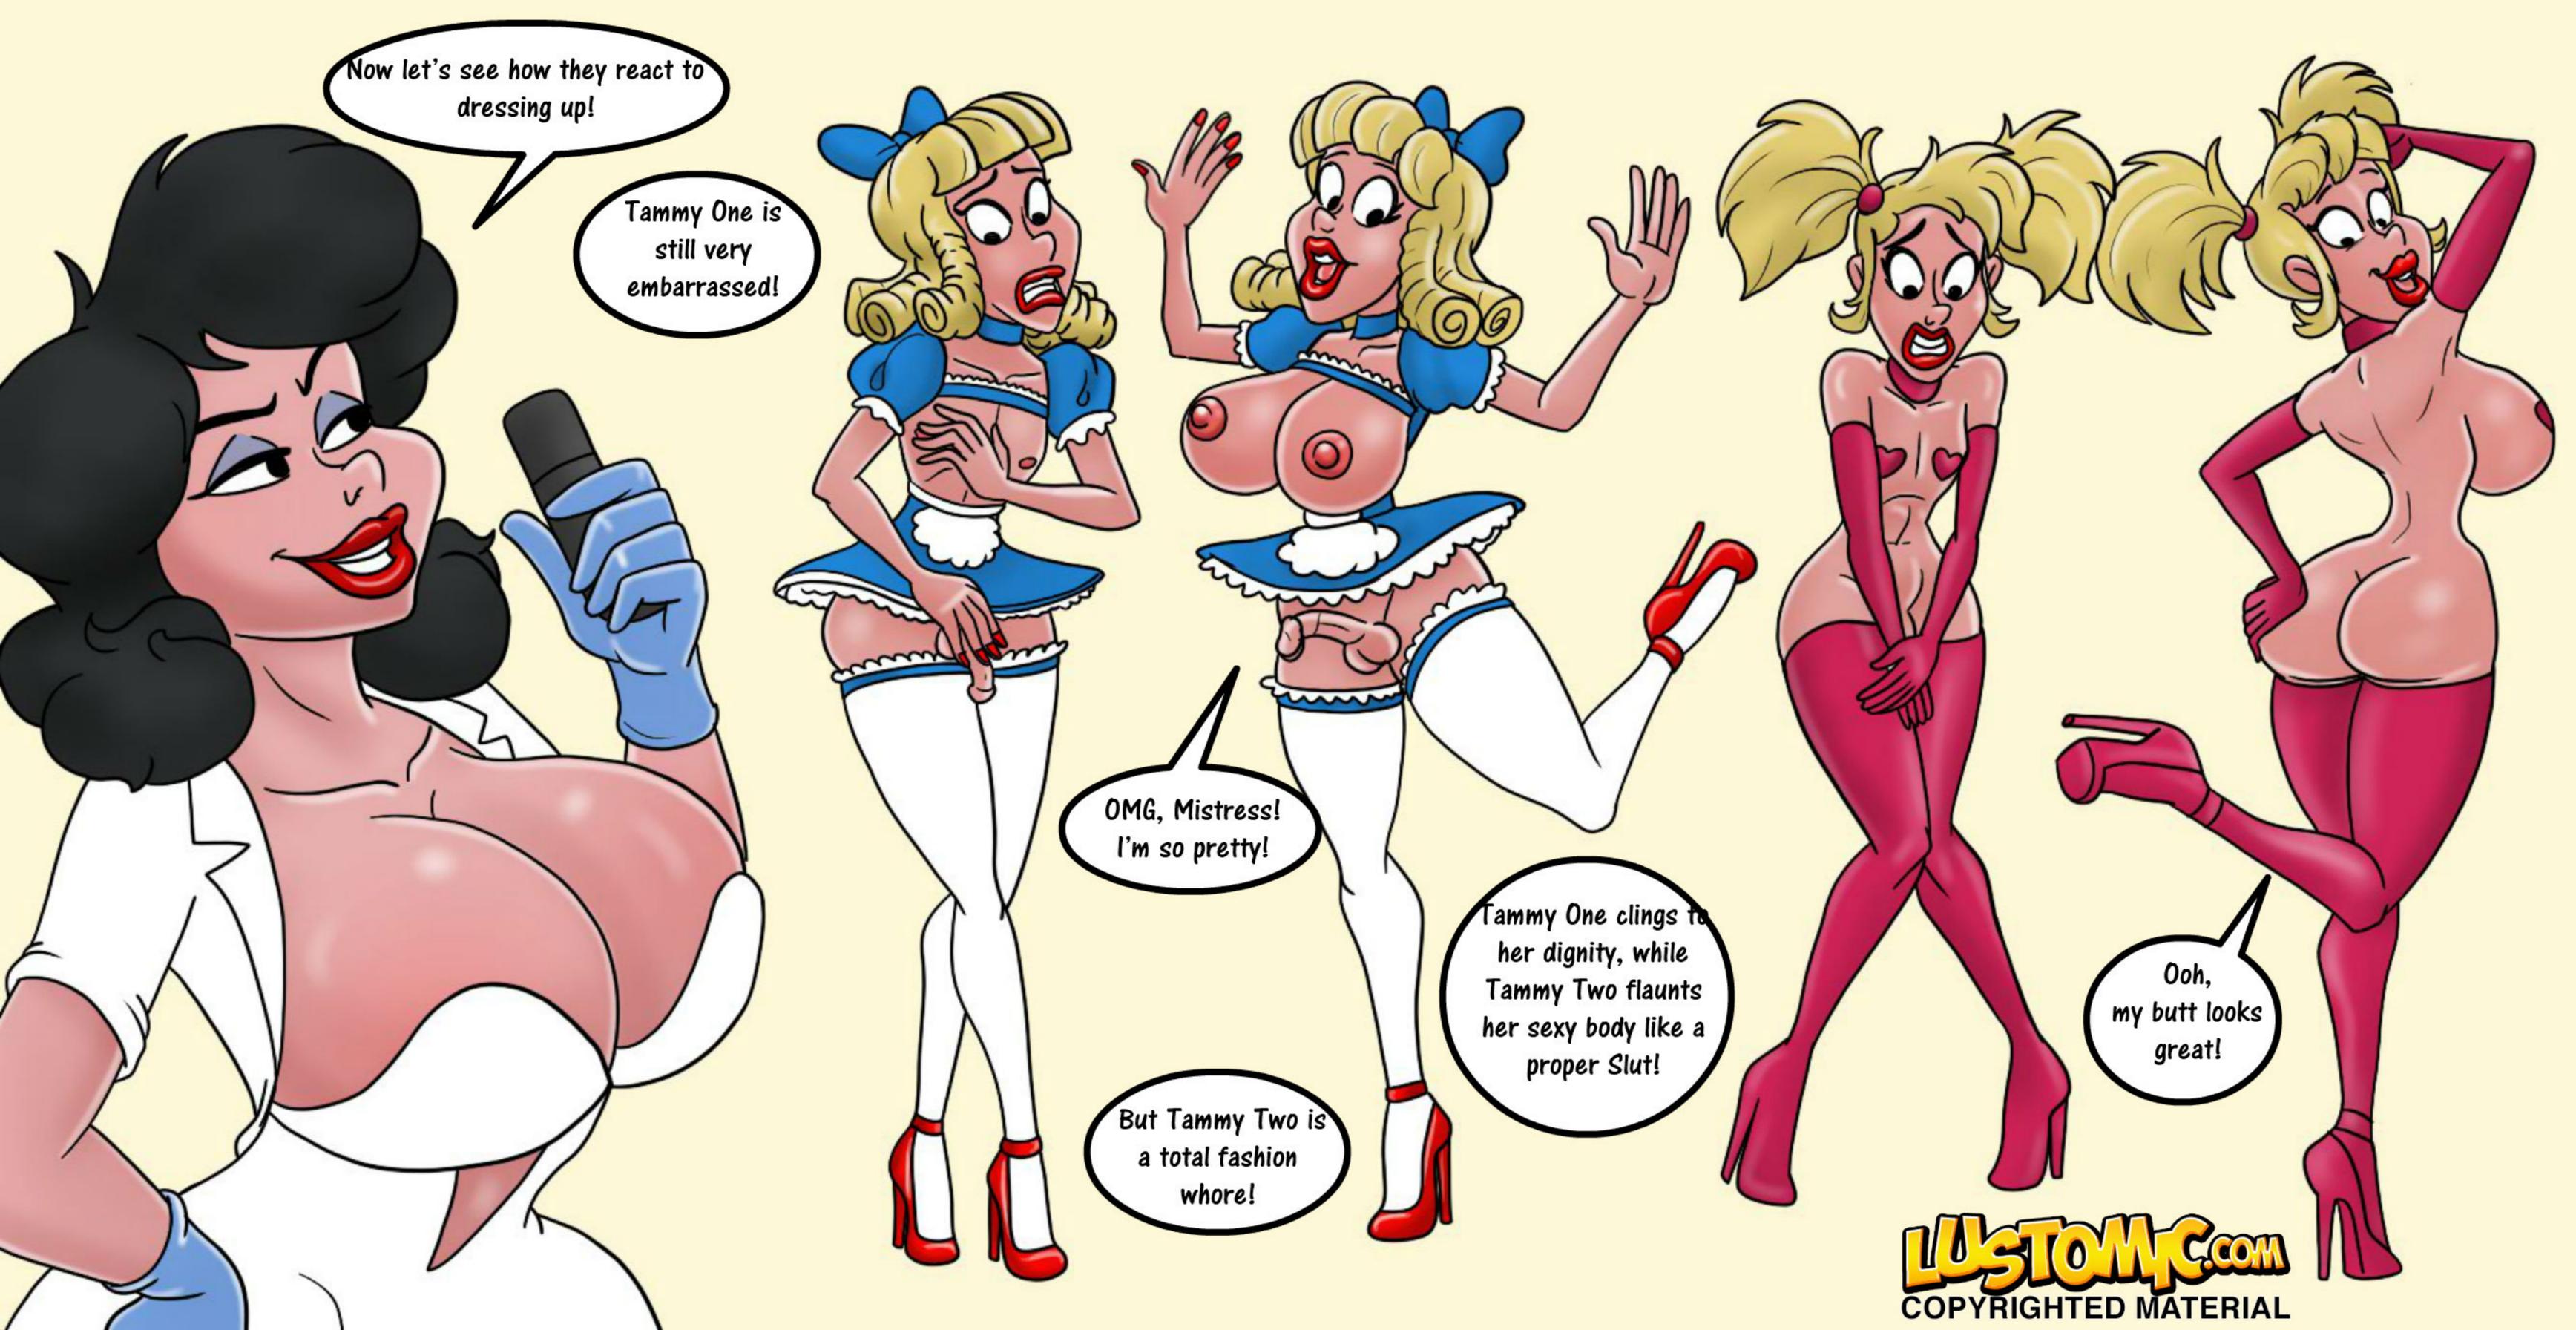

But her cock gets over stimulated!

Now Tammy Two practically blows her load with one little tap of the probe on her nipple! Her whole body is one big sexual organ

Ooh! Wowee Zowee! Giggle Thank you, Mistress! Please don't stop!

Now let's see how they react to dressing up!

Tammy One is still very embarrassed!

OMG, Mistress! I'm so pretty!

Tammy One clings to her dignity, while Tammy Two flaunts her sexy body like a proper Slut!

But Tammy Two is a total fashion whore!

Ooh, my butt looks great!

OK, you two. On your hands and knees. Let's see how much you like cock.

Oh god, that's so huge.

Mmm yeah! Nice and big just like we love it! Please shove it deep in our fuck holes, Mistress!

Feels so good sliding in and out of my sissy hole! So fucking good!

Tammy Two's reaction is optimal.

It... It's... too... BIG... please stop!! It hurts!

Tammy One is still somewhat resistant.

OK, I've reached my conclusion. Tammy One represents the little part of Todd that resists his true purpose.

Tammy Two is the real Todd, really not Todd at all. I'm going to make Tammy Two the dominant personality.

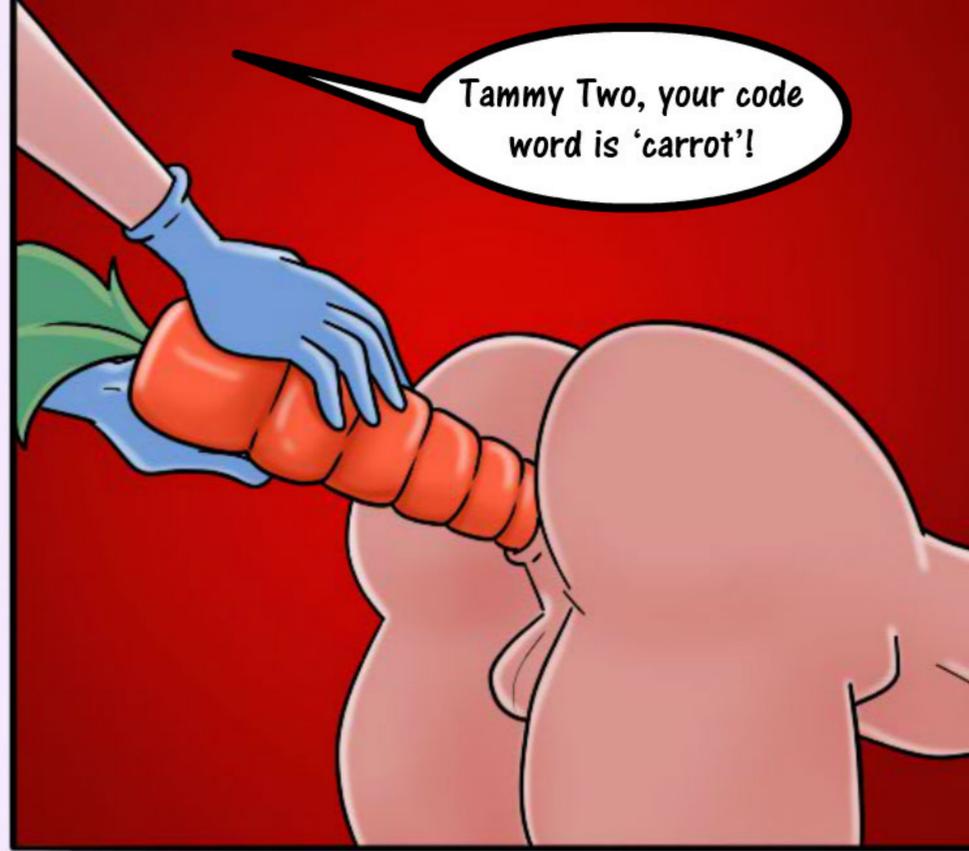

Tell me, why does Tammy One still resist me?

That's easy, Mistress! She's still in love with her girlfriend Shawna!

Hmm, that's preposterous! All of your loves belongs to your Mistress, Tammy! I need to take care of this!

What are you going to do?

The next day Todd awakes with no memory of his dreams. In the afternoon Professor Mayflower calls him to her office.

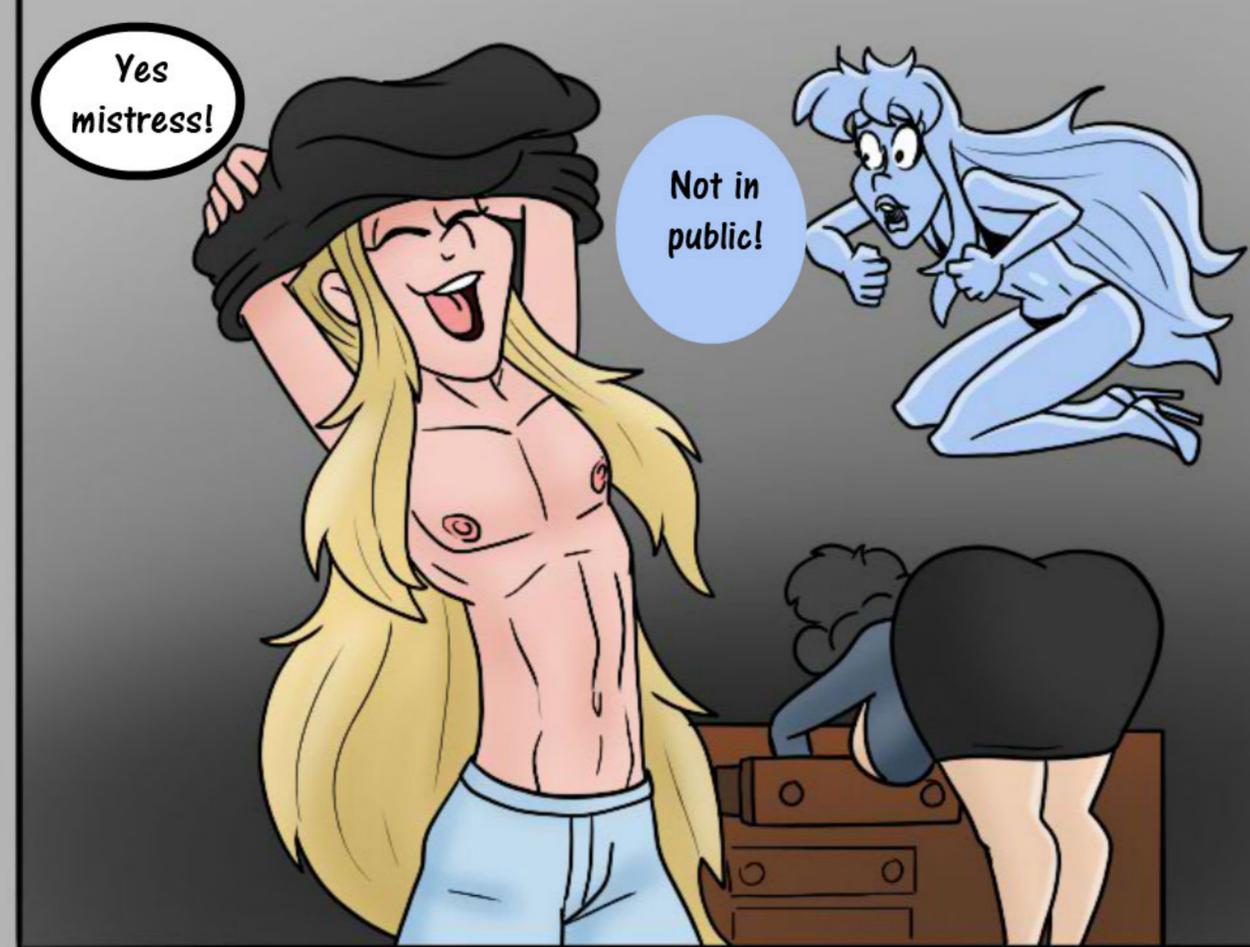

Hi Professor Mayflower! You wanted to see me?

Oh Hi Todd. I just wanted to update you about the sleep study.

Uh Oh! Is anything wrong? I really need the money, you know.

Nothing like that. I just wanted to say...

Yes, Mistress! It's gorgeous! I love all the frills, but I don't have my big beautiful tits!

Aw, you're still sexy as fuck, though.

Thank you, Mistress! Oh? You're taking off my panties! Right here???

Giggle!

Yes, right here. You put out for your Mistress anywhere, anytime, slut!

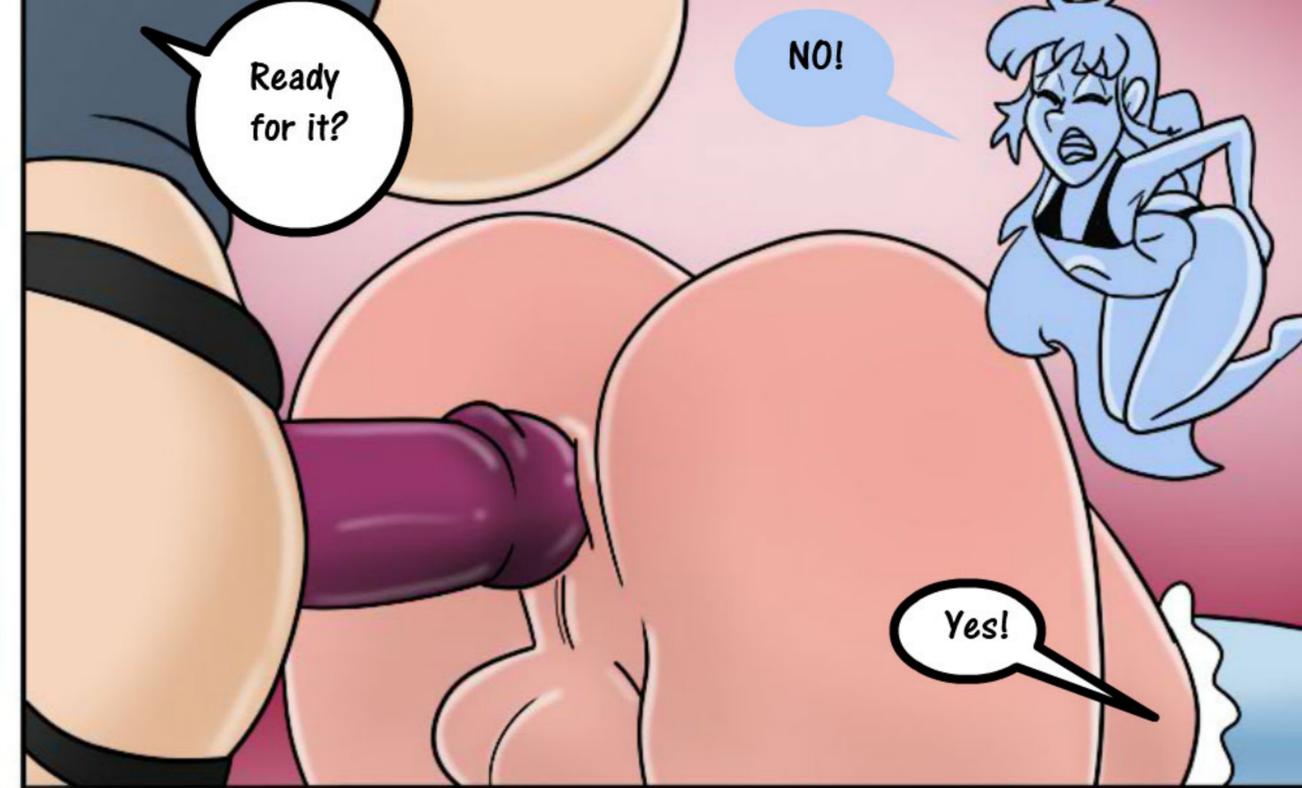

You feel my fingers sliding inside you?

Mmm yeah! So good!

I can feel it too! Mmm

You ride cock like a porn star, Tammy! Speaking of... Look at the camera... let's show the world what you really are!

Wait! No! No video!!!

Ooh Yeah!
I want everyone to see what a total sissy slut I am taking massive dick in my cum hole!

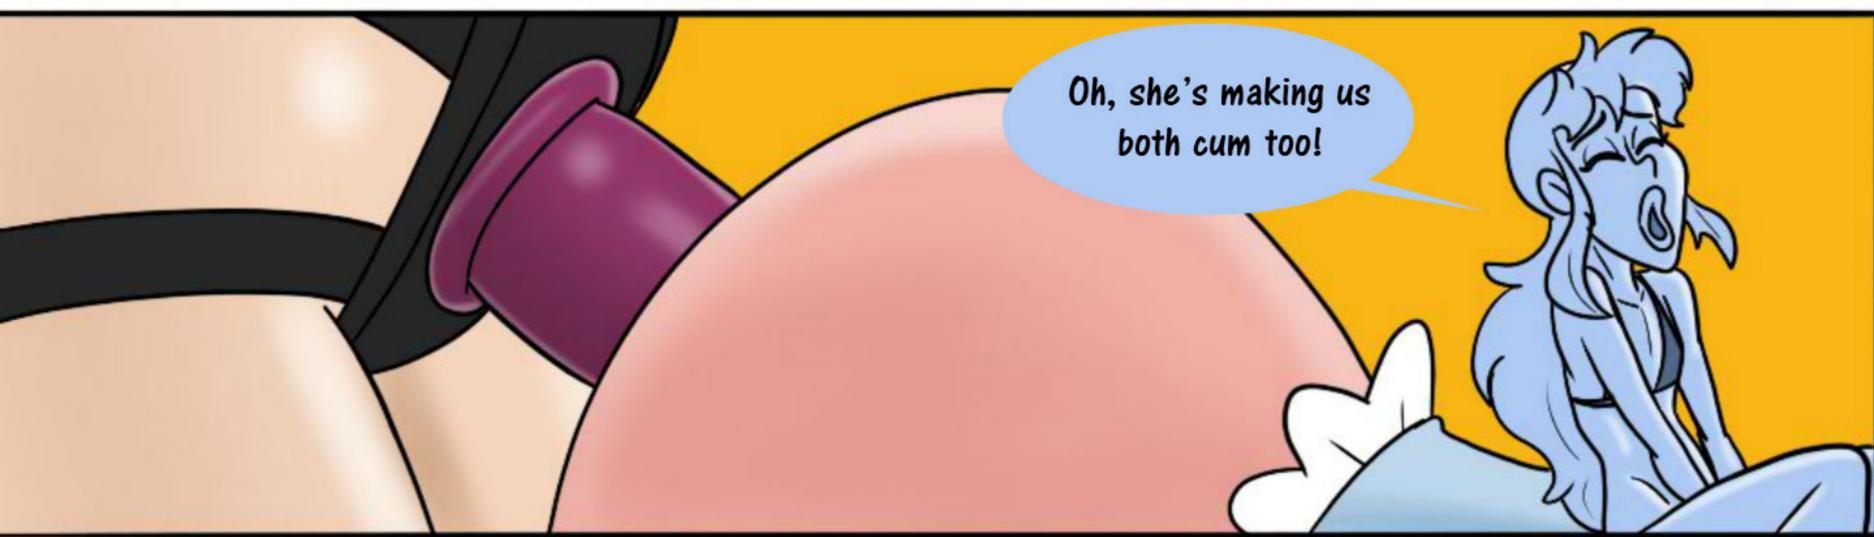

And who do you belong to Tammy?

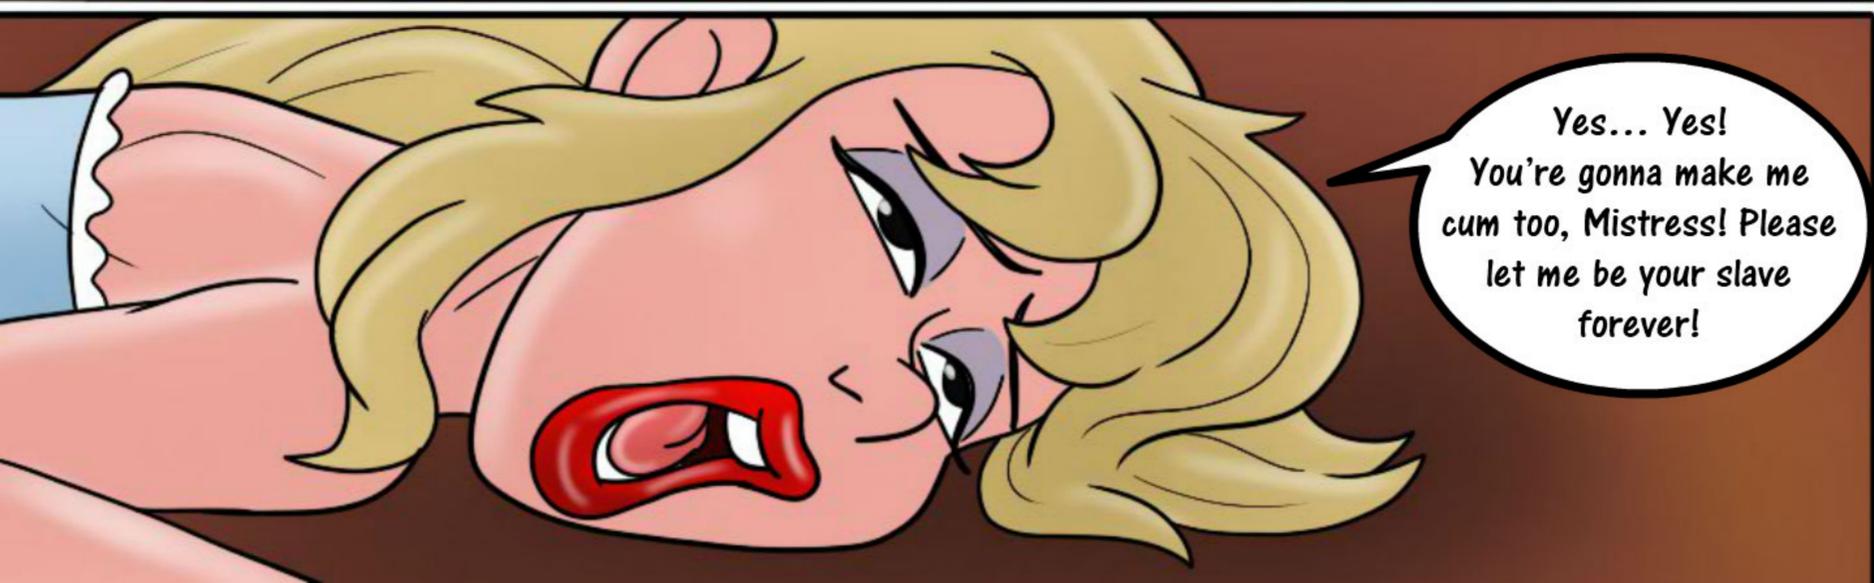

I belong to you, Mistress Mayflower. I am your personal sissy fuck toy sex doll. I am your slut!

You dirty little slut! You're gonna make me cum with all that nasty talk

Oh, she's making us both cum too!

Yes... Yes! You're gonna make me cum too, Mistress! Please let me be your slave forever!

Oh look at that ass gape! Make it wink for the camera Tammy!

Yes Mistress! Hey, everybody! Mistress Mayflower has marked my ass as her property forever now! I'm her bitch for life and I love it!

Great job, Tammy!
Let's get you back before it's
too late!

Yes Mistress.

And wipe
off your make-up, slut!
We don't want Todd to be
suspicious when he
returns.

Stick.

Huh?

Ah... So, what
were you saying?

Oh, right.
I just wanted to say that
we're extending the
sleep study into next
semester.

Shawna's dorm room.

Todd's late! He always visits me before going to the sleep study. Has he even called me?

What's this? A video text from Professor Mayflower?

Ooh Yeah! I want everyone to see what a total sissy slut I am taking massive dick in my cum hole!

What the fuck is this?

Is that... Todd!? Dressed up like a girl taking it in the ass!?

Oh Fuck no! That bitch is going to regret this!
