

SWEET DREAMS SISSY

by Bea

College sweethearts Todd and Shawna are in the midst of a crisis.

Man, I am so fucked! If I don't come up with my tuition before the end of the month, I'll get kicked out before I graduate!

Hey check this out!
"Get paid to sleep! The science department is looking for men aged 18 to 21 to participate in a sleep study. Earn up to \$100 per night."

Now, that's my kind of night job! I gotta contact this Professor Mayflower!

Professor Mayflower?
That slut that's always showing off her ginormous tits in low cut tops? My sorority sisters say she fucks all her male students... and some females too!

What, are you jealous!?
You know you can trust me, honey.

Fuck no!
She may have an amazing pair of tits, but she's got nothing on this ass! I know you'd never do anything to fuck up access to this booty!

We'll think of something, baby! I could work some extra shifts, or you could get a night job.

The next day, Todd set up an appointment to meet Professor Mayflower at her study.

Well Todd, you're a perfect specimen...

I mean subject...

I mean candidate for my study. Always nice to meet someone so interested in science.

Don't stare at her tits, don't stare at her tits

Man, Shawna wasn't kidding... her tits are fucking huge! I can't believe she's a professor here!

Yeah, I really love science. How much does it pay again?

So here's the deal. You will go about your normal activity during the day, but you will sleep here in the lab from 11 pm to 7 am each night.

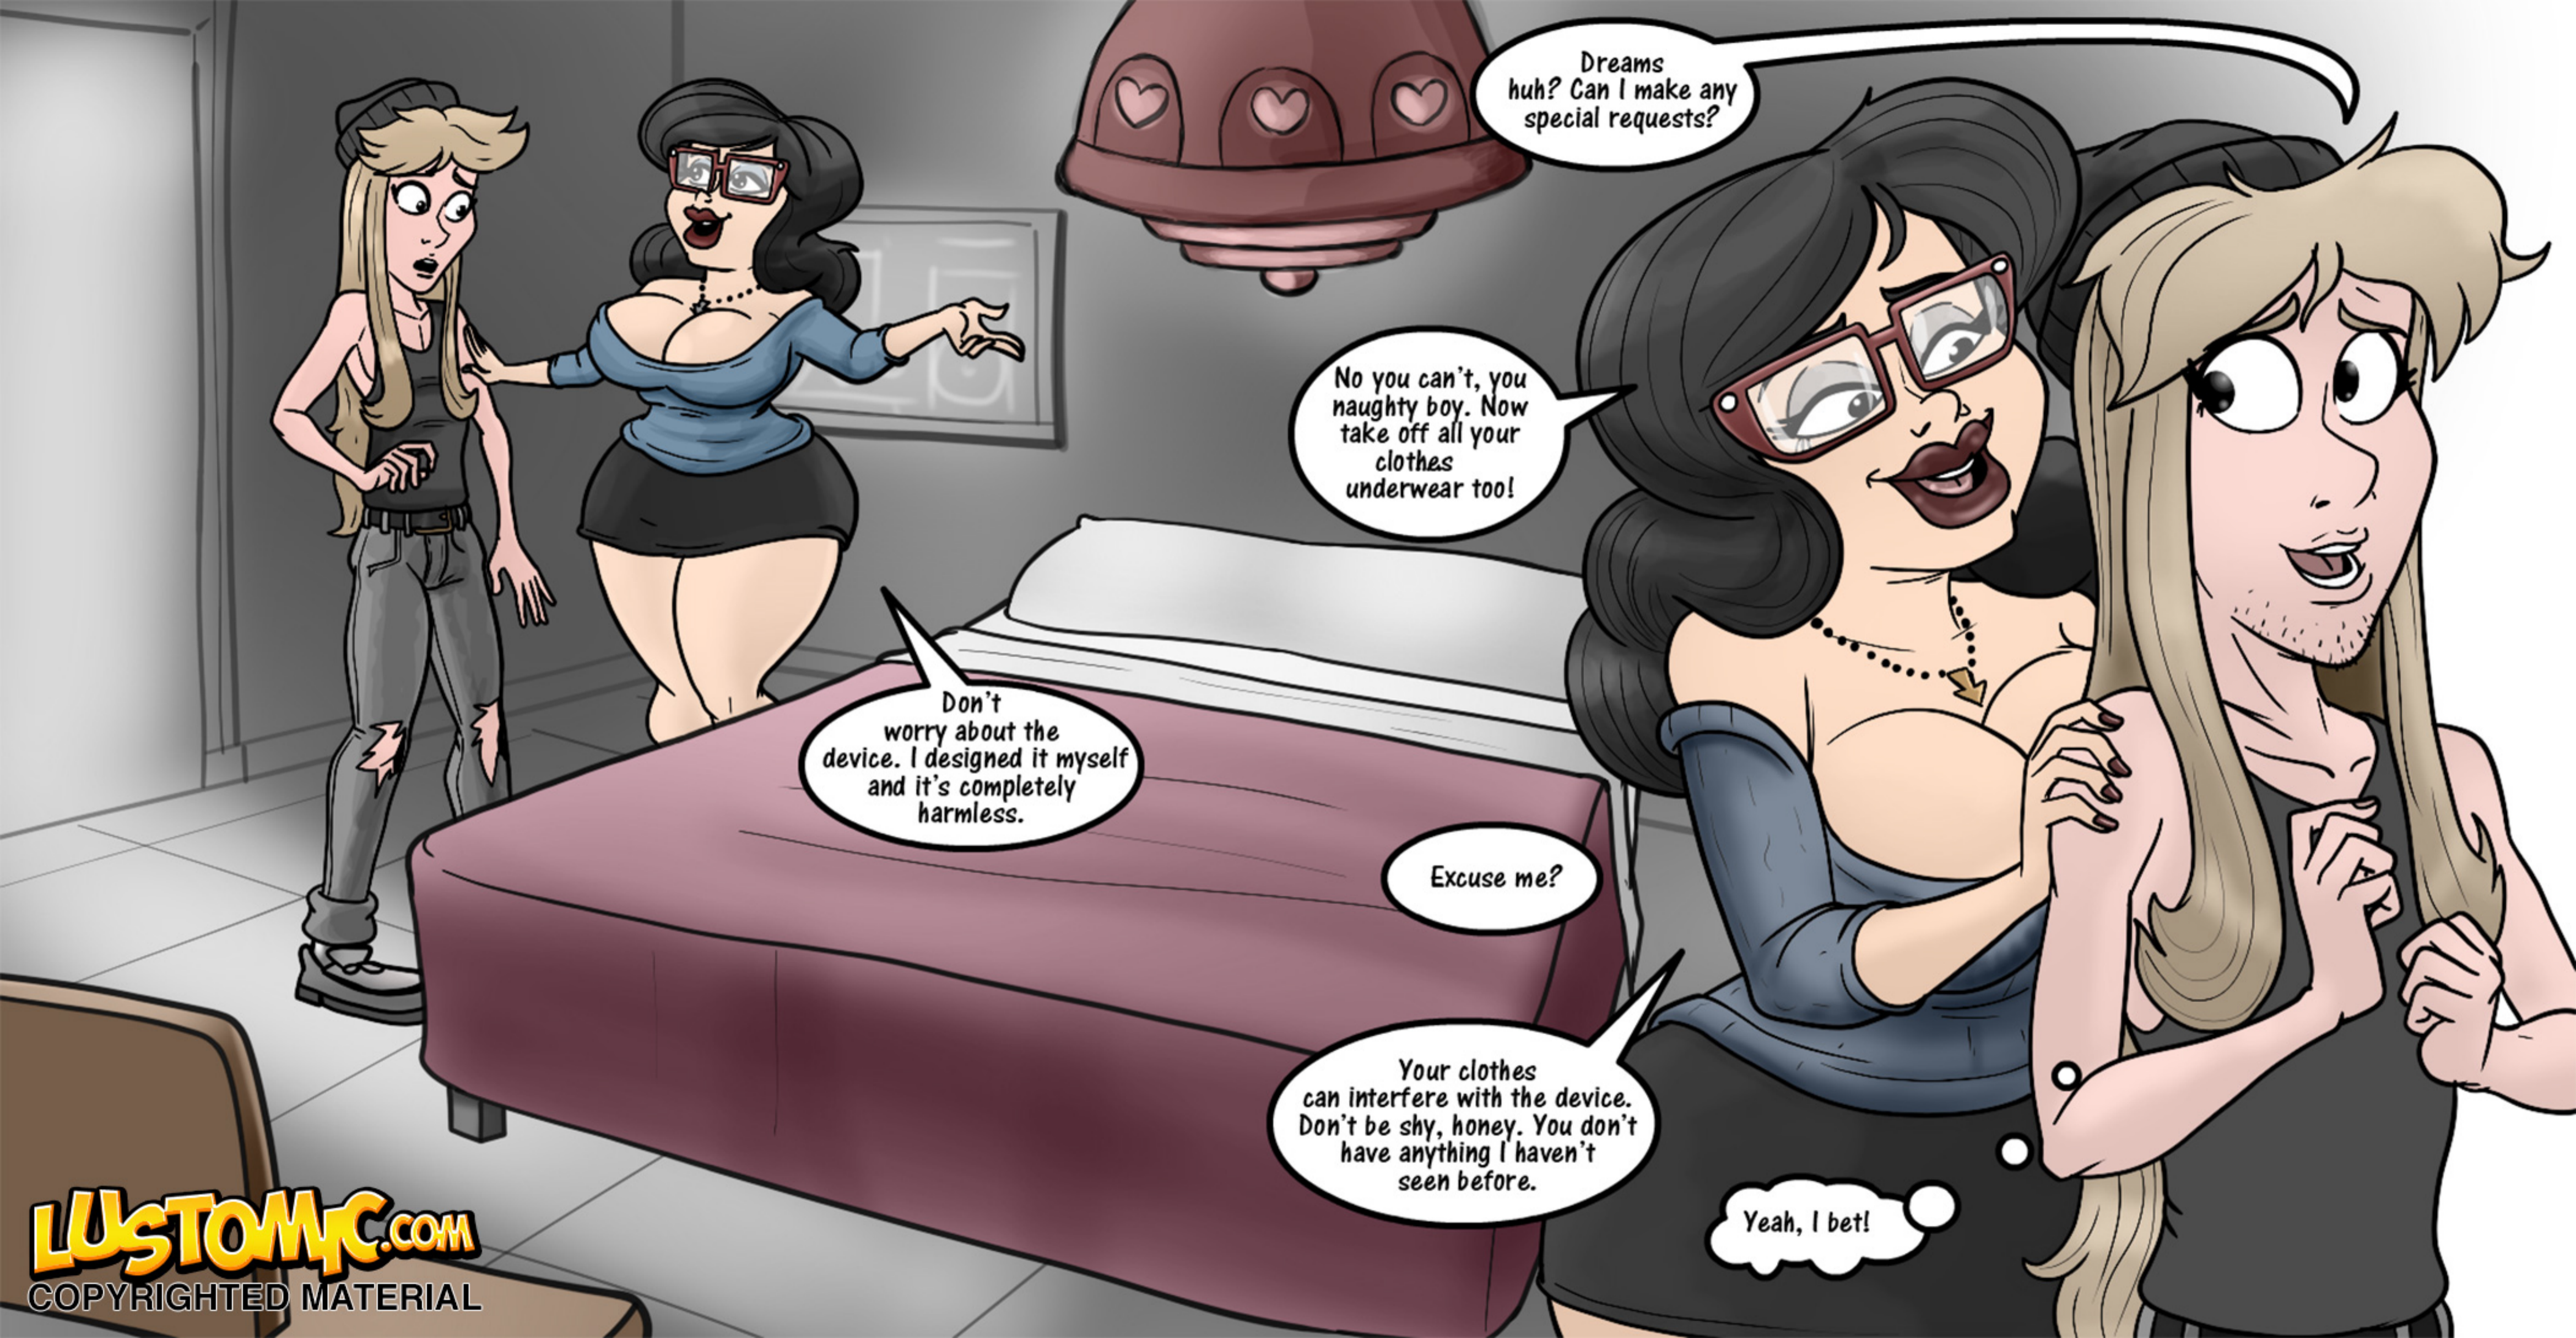

Umm... yeah... ok...

All I need is your signature on this waiver and we can get started.

This will be your room.

So what exactly are you studying anyway?

The connectivity between brain waves and scripted neural input. Basically, pre-programmed dreams.

Dreams
huh? Can I make any
special requests?

No you can't, you
naughty boy. Now
take off all your
clothes
underwear too!

Don't
worry about the
device. I designed it myself
and it's completely
harmless.

Excuse me?

Your clothes
can interfere with the device.
Don't be shy, honey. You don't
have anything I haven't
seen before.

Yeah, I bet!

She's totally checking me out! Shawna was right. But fuck! She's so hot. Shit... I'm getting hard!

Umm, it's awfully short, professor!

Well, I'm afraid we only have girl's gowns for the study. Budget cutbacks, you know?

Ok, it's fine.

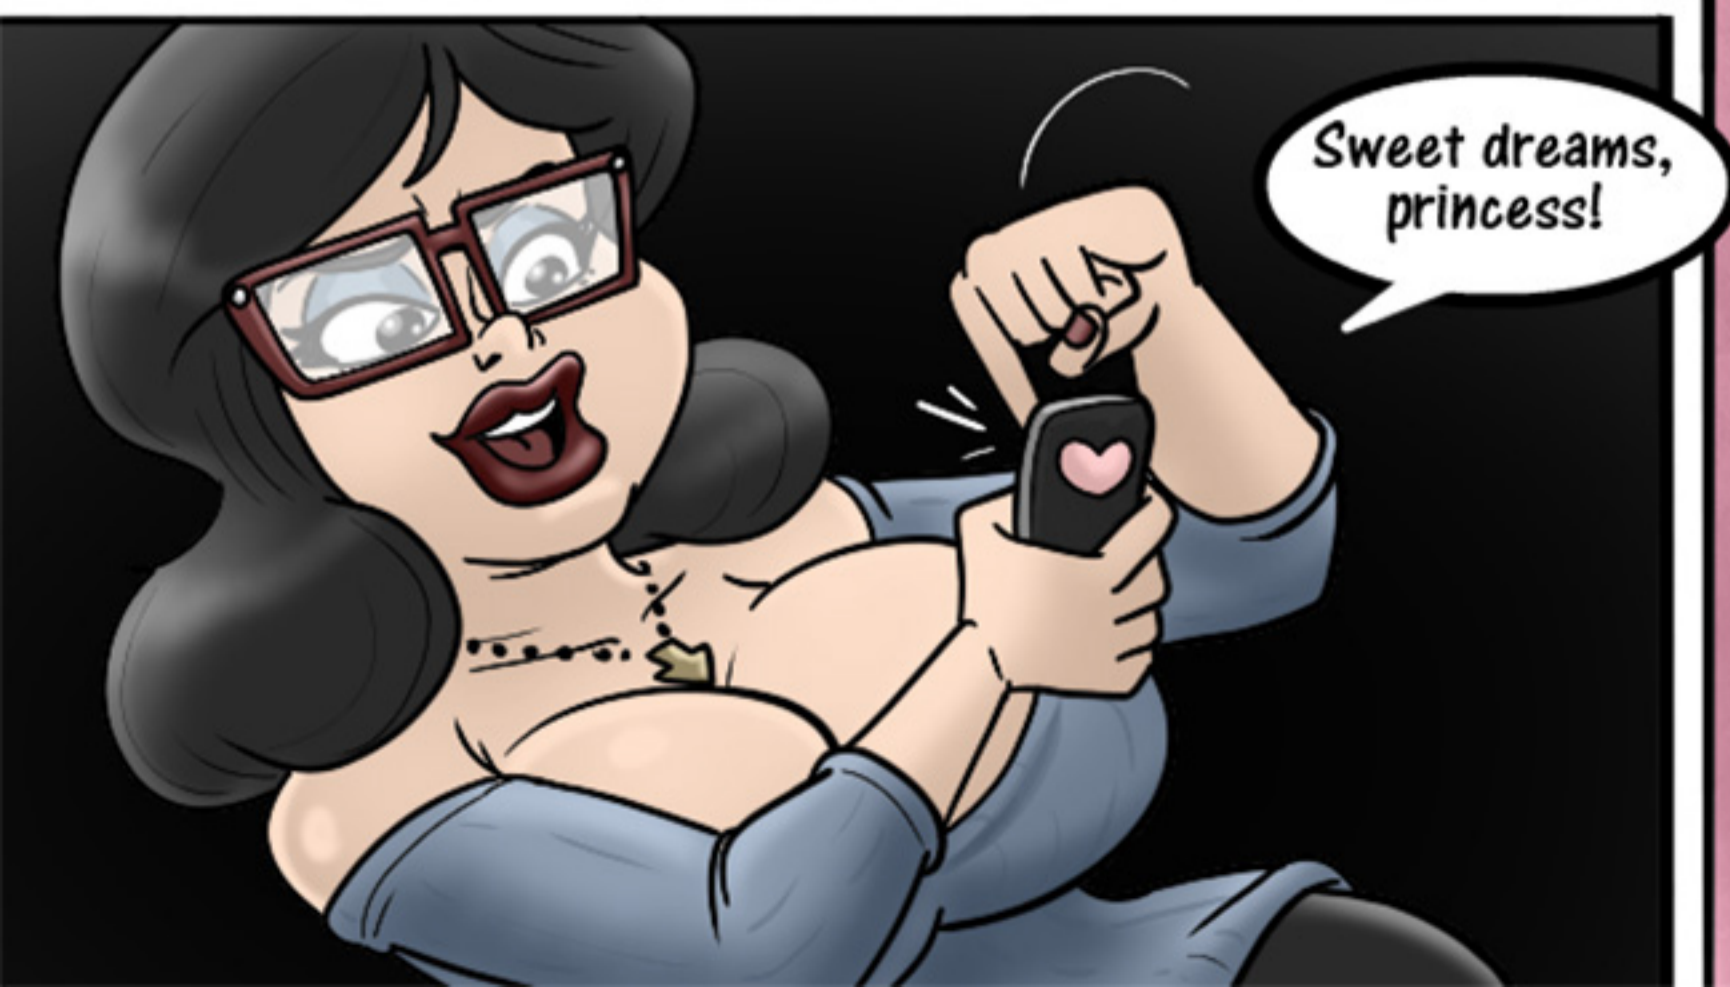

Perfect, now let's get you hooked up and put to bed!

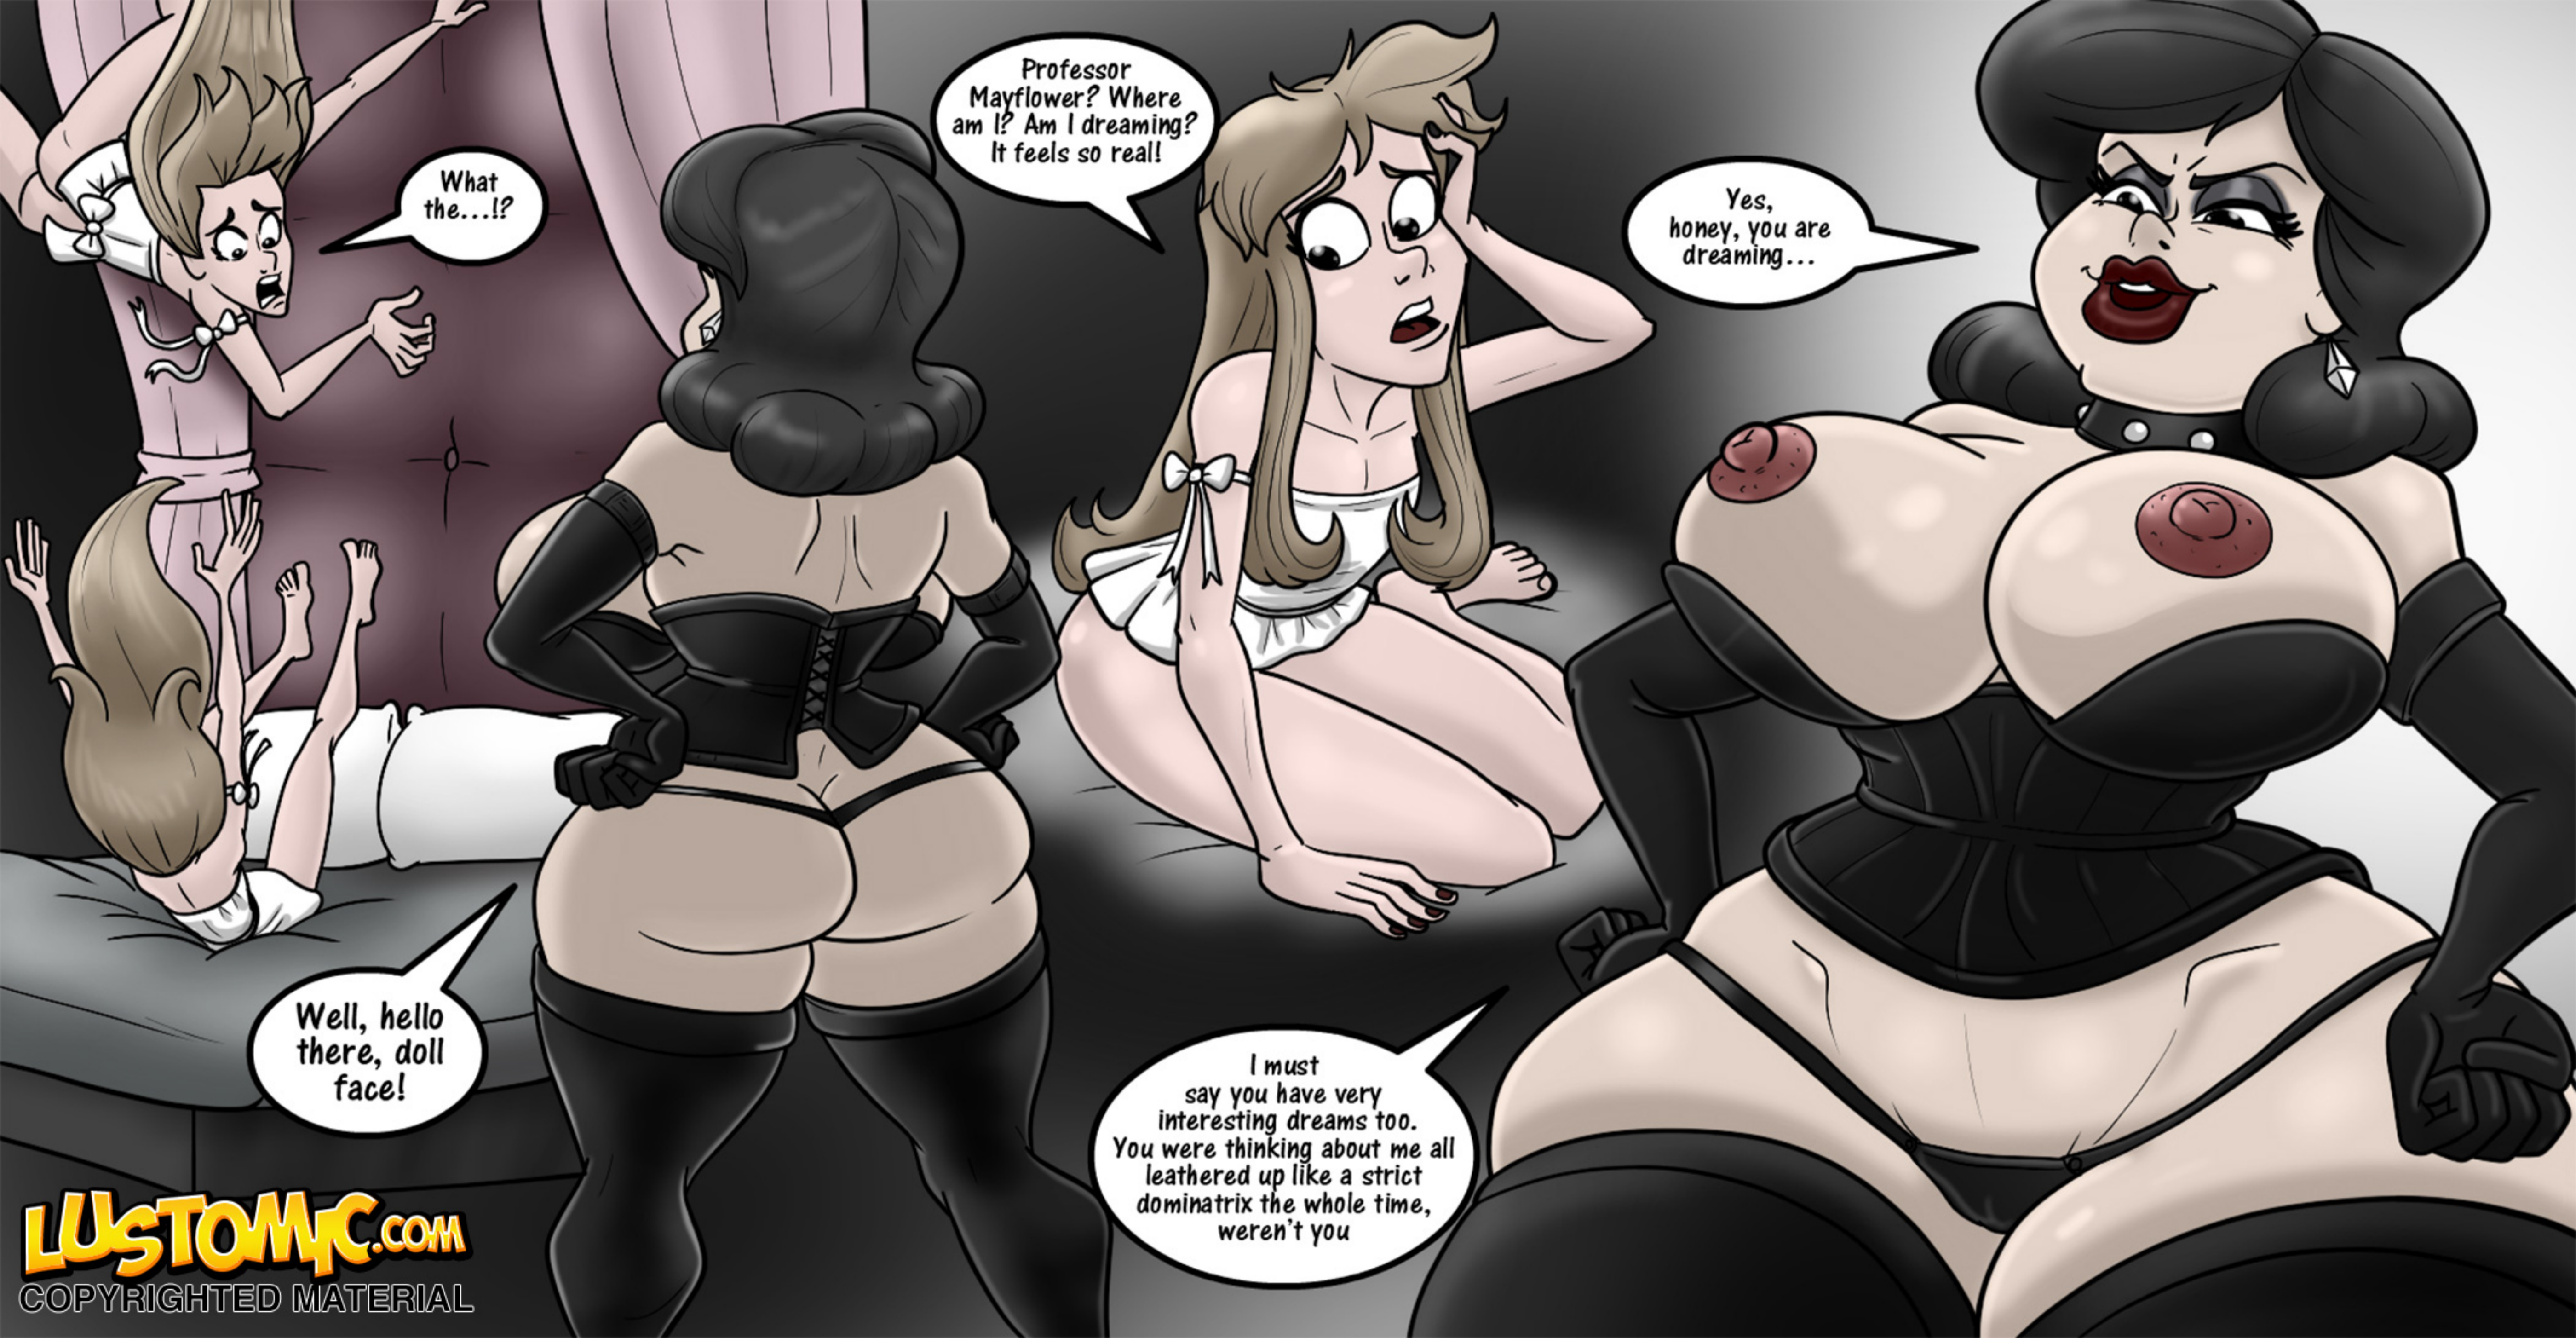

Why does it look like a tiara?

Because I designed it that way, princess! Just kidding, Todd. Um, it has to look like that in order to work.

Um, ok...

You can wear this gown.

What the...!?

Professor Mayflower? Where am I? Am I dreaming? It feels so real!

Yes, honey, you are dreaming...

Well, hello there, doll face!

I must say you have very interesting dreams too. You were thinking about me all leathered up like a strict dominatrix the whole time, weren't you

I should have known this is what you're into. Most guys stare at my tits... you were staring at my high heels!

I can't. I...
I have a girlfriend!

Don't be silly,
this is just a dream.

You're
not cheating on
your girlfriend if it's
a dream silly. So lick
it deep, slut!!!

Crawl here,
slave, and lick my
ass! NOW!

Oh my!
Look what else I found in
your subconscious. Pretty pink
party dresses, lace panties,
and a huge butt
plug!

You naughty little girl! You
should have told me you
were a sissy slut!

Let's try
on these sexy panties you
dreamed up, lover girl! You're gonna
stretch them out with that
hard clitty!

Mmm...
yeah! Her fingers
feel so good rubbing my
asshole!

No freakin' way!
I don't like this stuff! What are
you trying to do to me?

You don't like it, huh?
Then why are you dressed
like that?

What?
I... I didn't put
all this on!

Such an
adorable corset! And
those silky smooth nylon
stockings! You know how
to be a sexy girl don't you,
Todd? Or should I say
Tammy?

Stop
this right now!
You... You're
doing this to
me!

Aww... doing what,
sweetheart?
Stroking this thick
clitty of yours.

I know how
it makes you feel.
So excited, yet so
embarrassed at
the same
time.

Feels
wonderful,
doesn't it? You're
dripping!

RIIP!

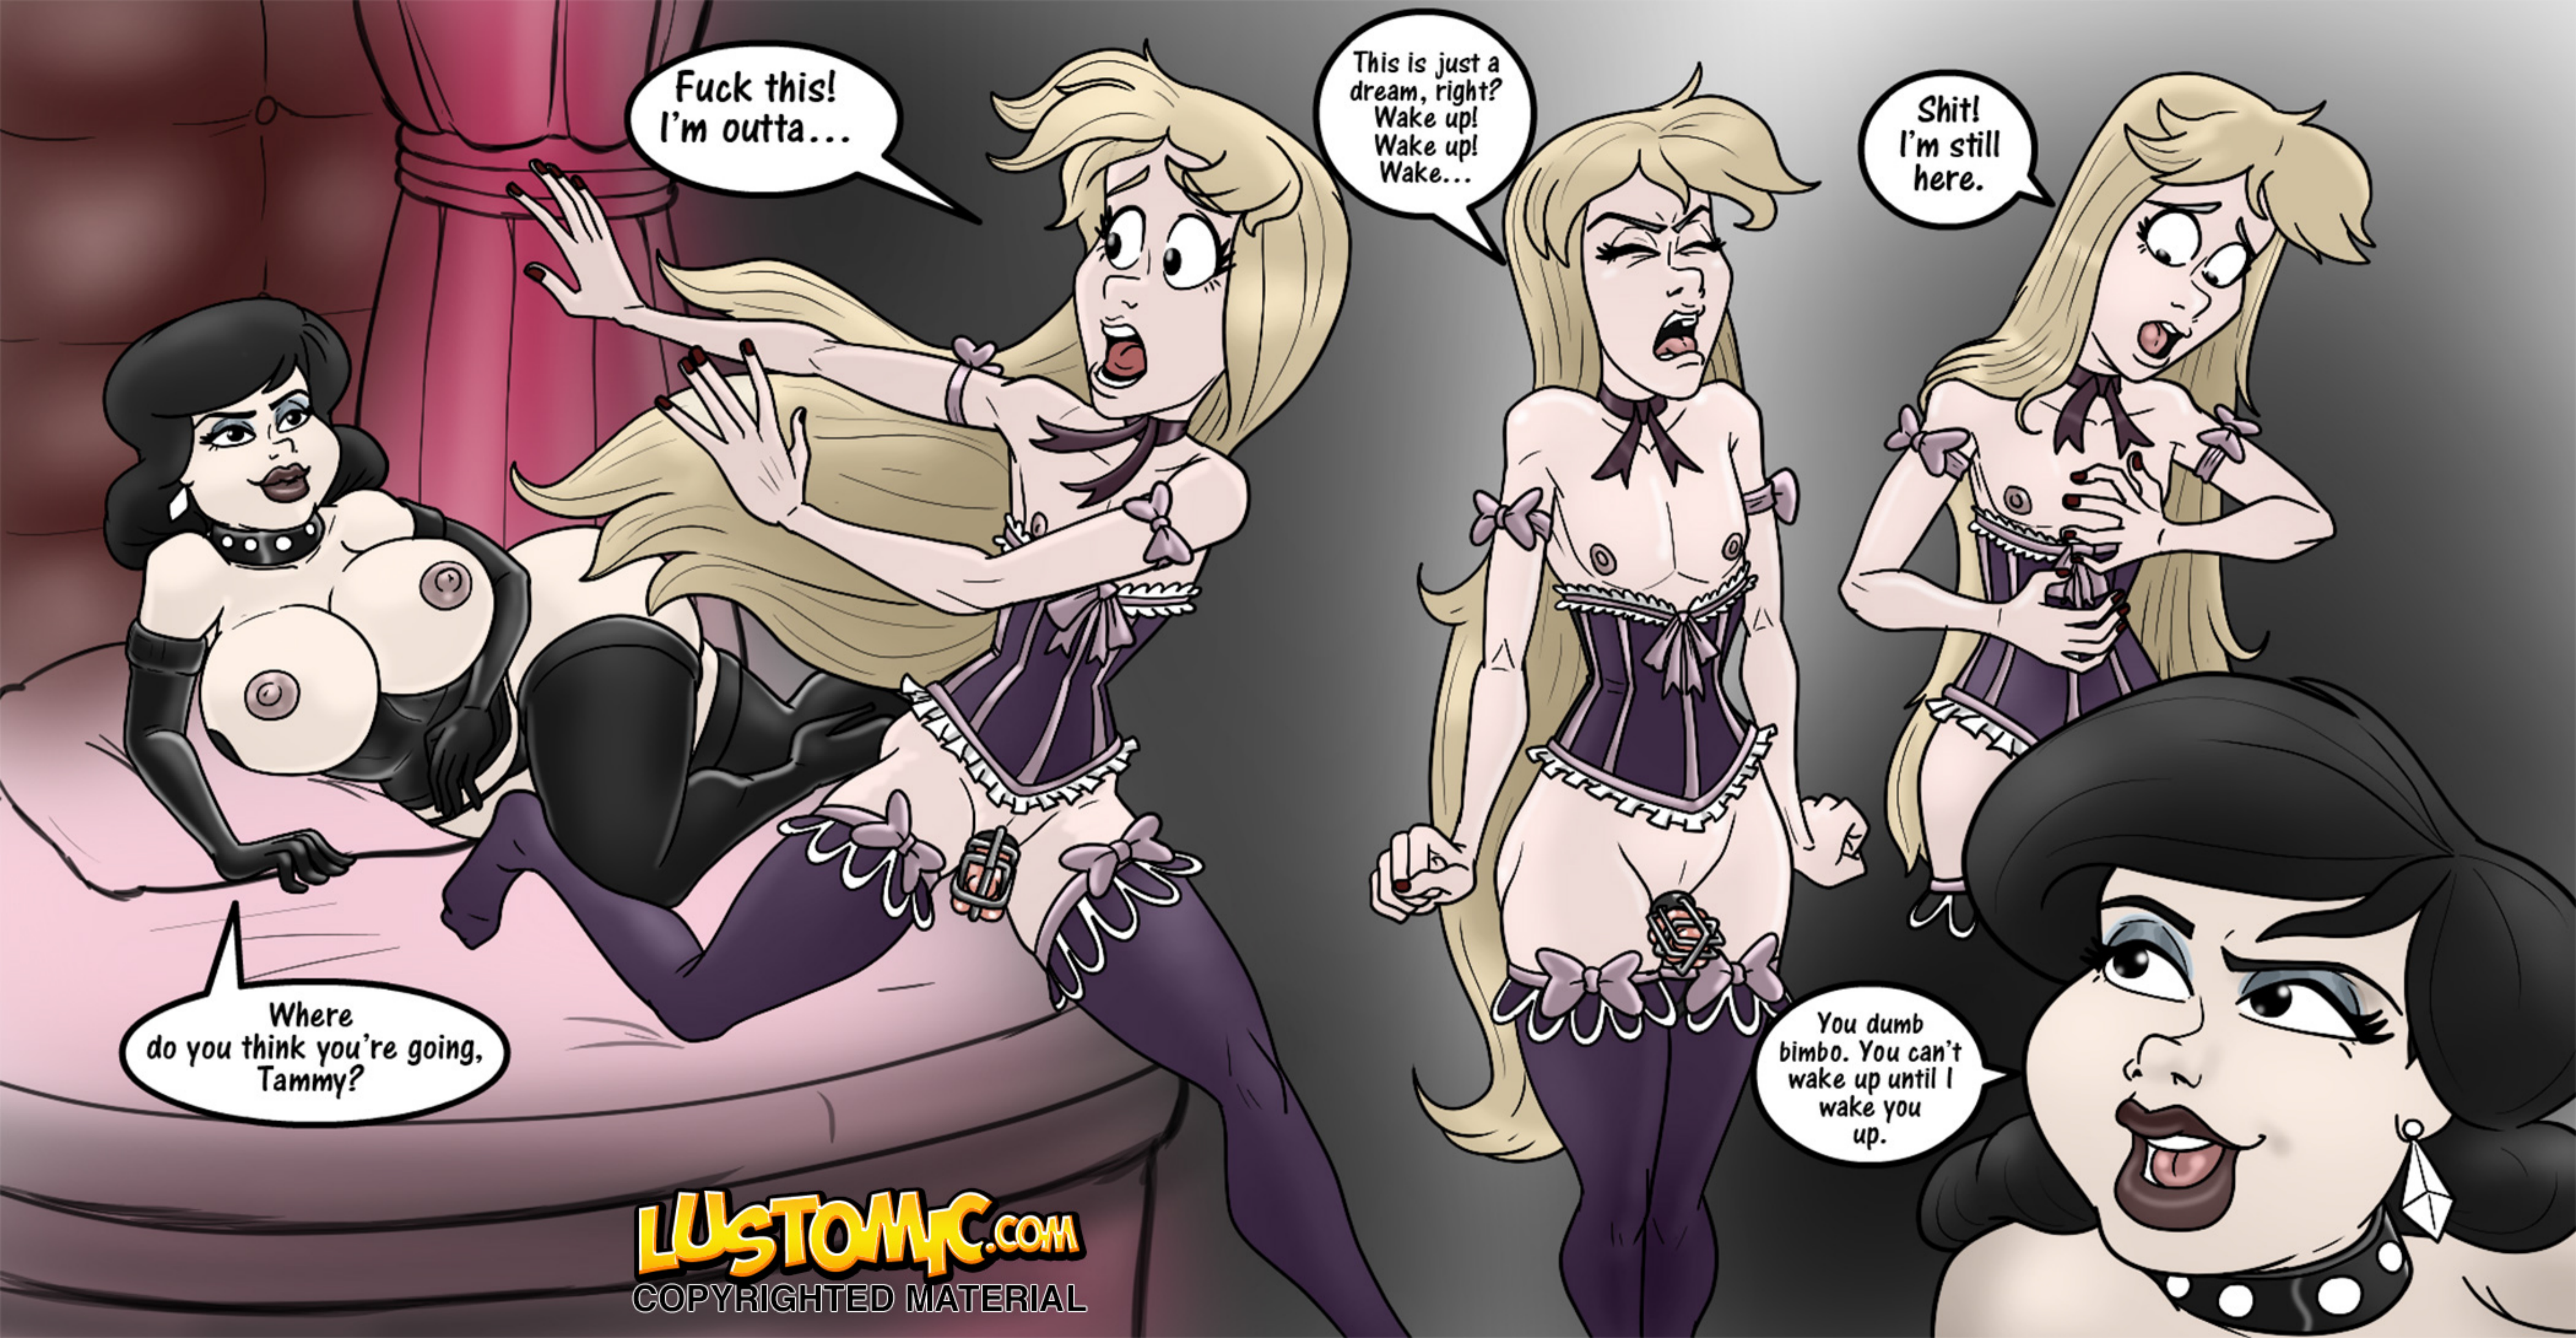

Oh god I'm going to...

You fucking slut! You can't even last 2 minutes! How dare you cum without your Mistress's permission!

You pathetic little worm! You do not cum unless I say you can cum, got it? That little clitty of yours belongs to me from now on!

What the hell are you doing?

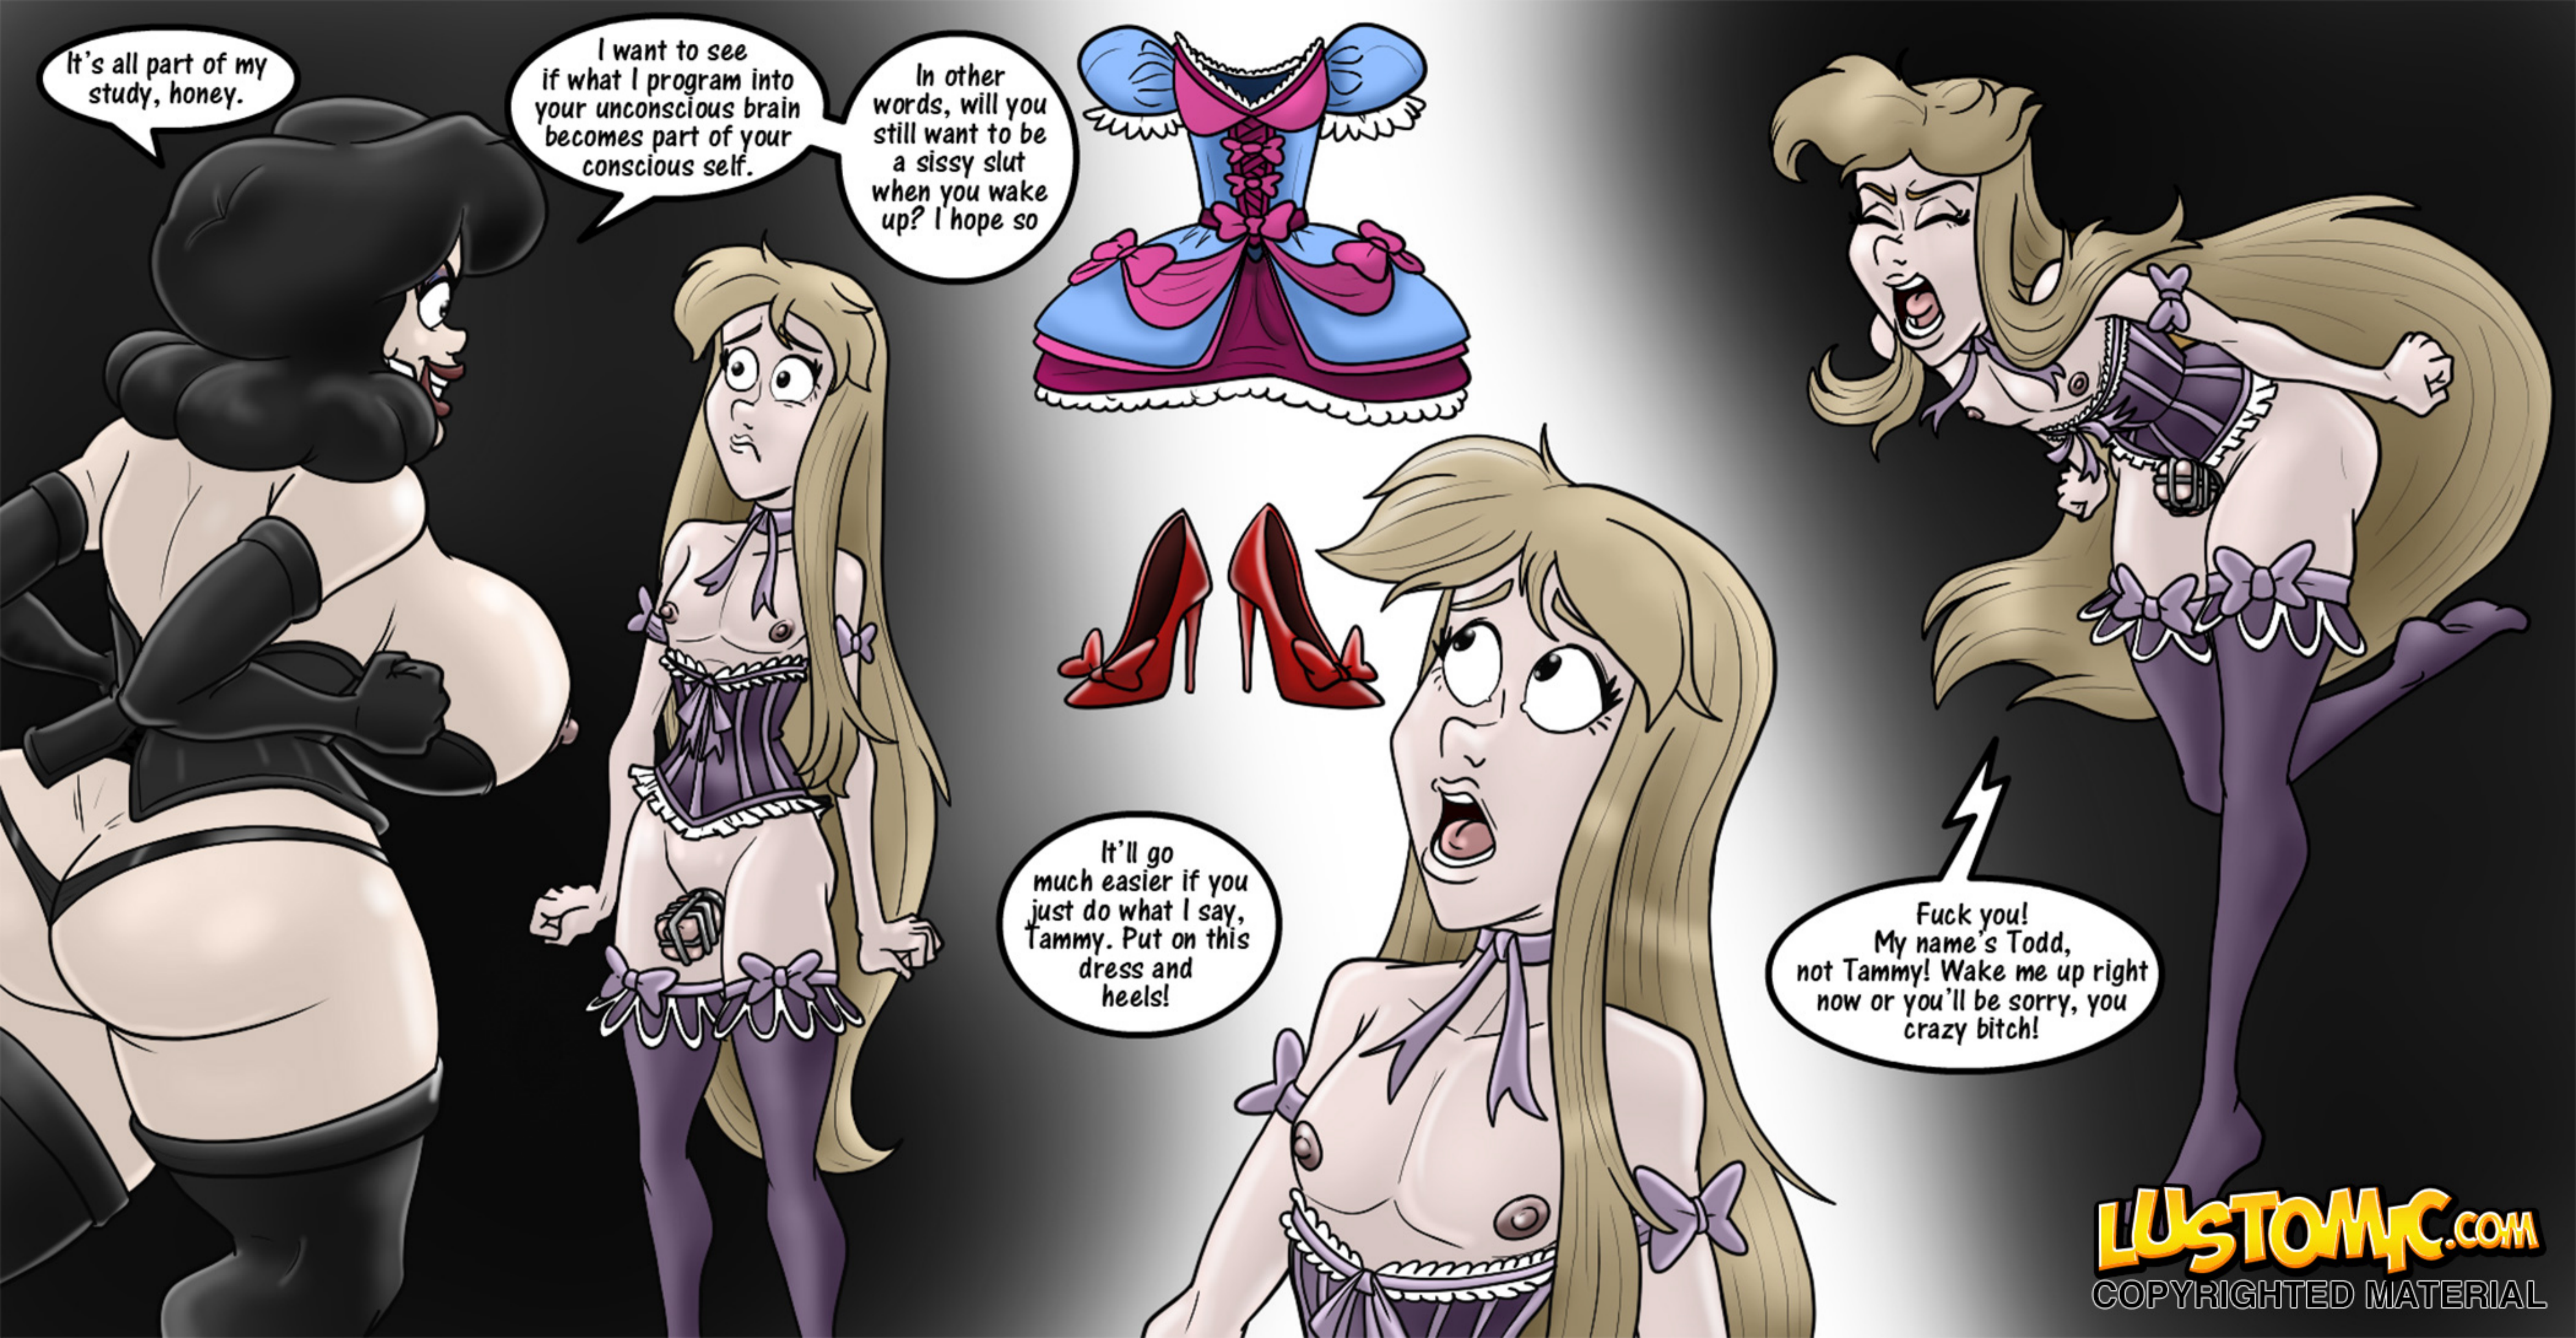

I am in total control of your subconscious state.

"That little device I created also allows me to physically enter your dreams. It feels so real, doesn't it?"

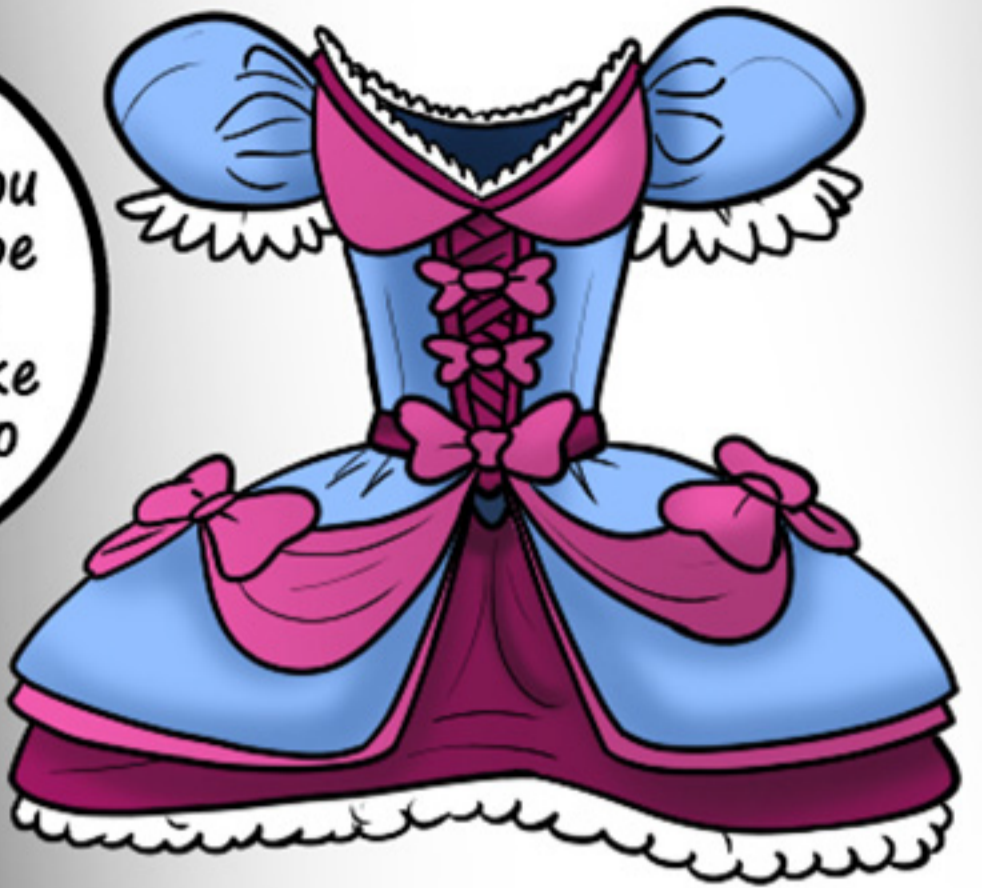

Yes... yes it does! But why? Why are you doing this to me?

It's all part of my study, honey.

I want to see if what I program into your unconscious brain becomes part of your conscious self.

In other words, will you still want to be a sissy slut when you wake up? I hope so

It'll go much easier if you just do what I say, Tammy. Put on this dress and heels!

Fuck you! My name's Todd, not Tammy! Wake me up right now or you'll be sorry, you crazy bitch!

How dare you speak to your Mistress like that, Miss Tamara! You will learn to behave or you'll be punished! Now bend over, bitch!

A good old fashioned paddling will help show you your proper place!

A paddling? You're fucking kidding me! I'm a grown man!

Augh! What the hell?

Oh, really?
I've never
known a grown
man to have
such soft
smooth skin.

This can't be
happening!

It's just a
dream, Todd.
It's just a...

I know it
hurts, Tammy, but it's for your own
good, young lady!

Or to cum so
quickly when
all dolled up
like a pretty
girl!

Yeowch!

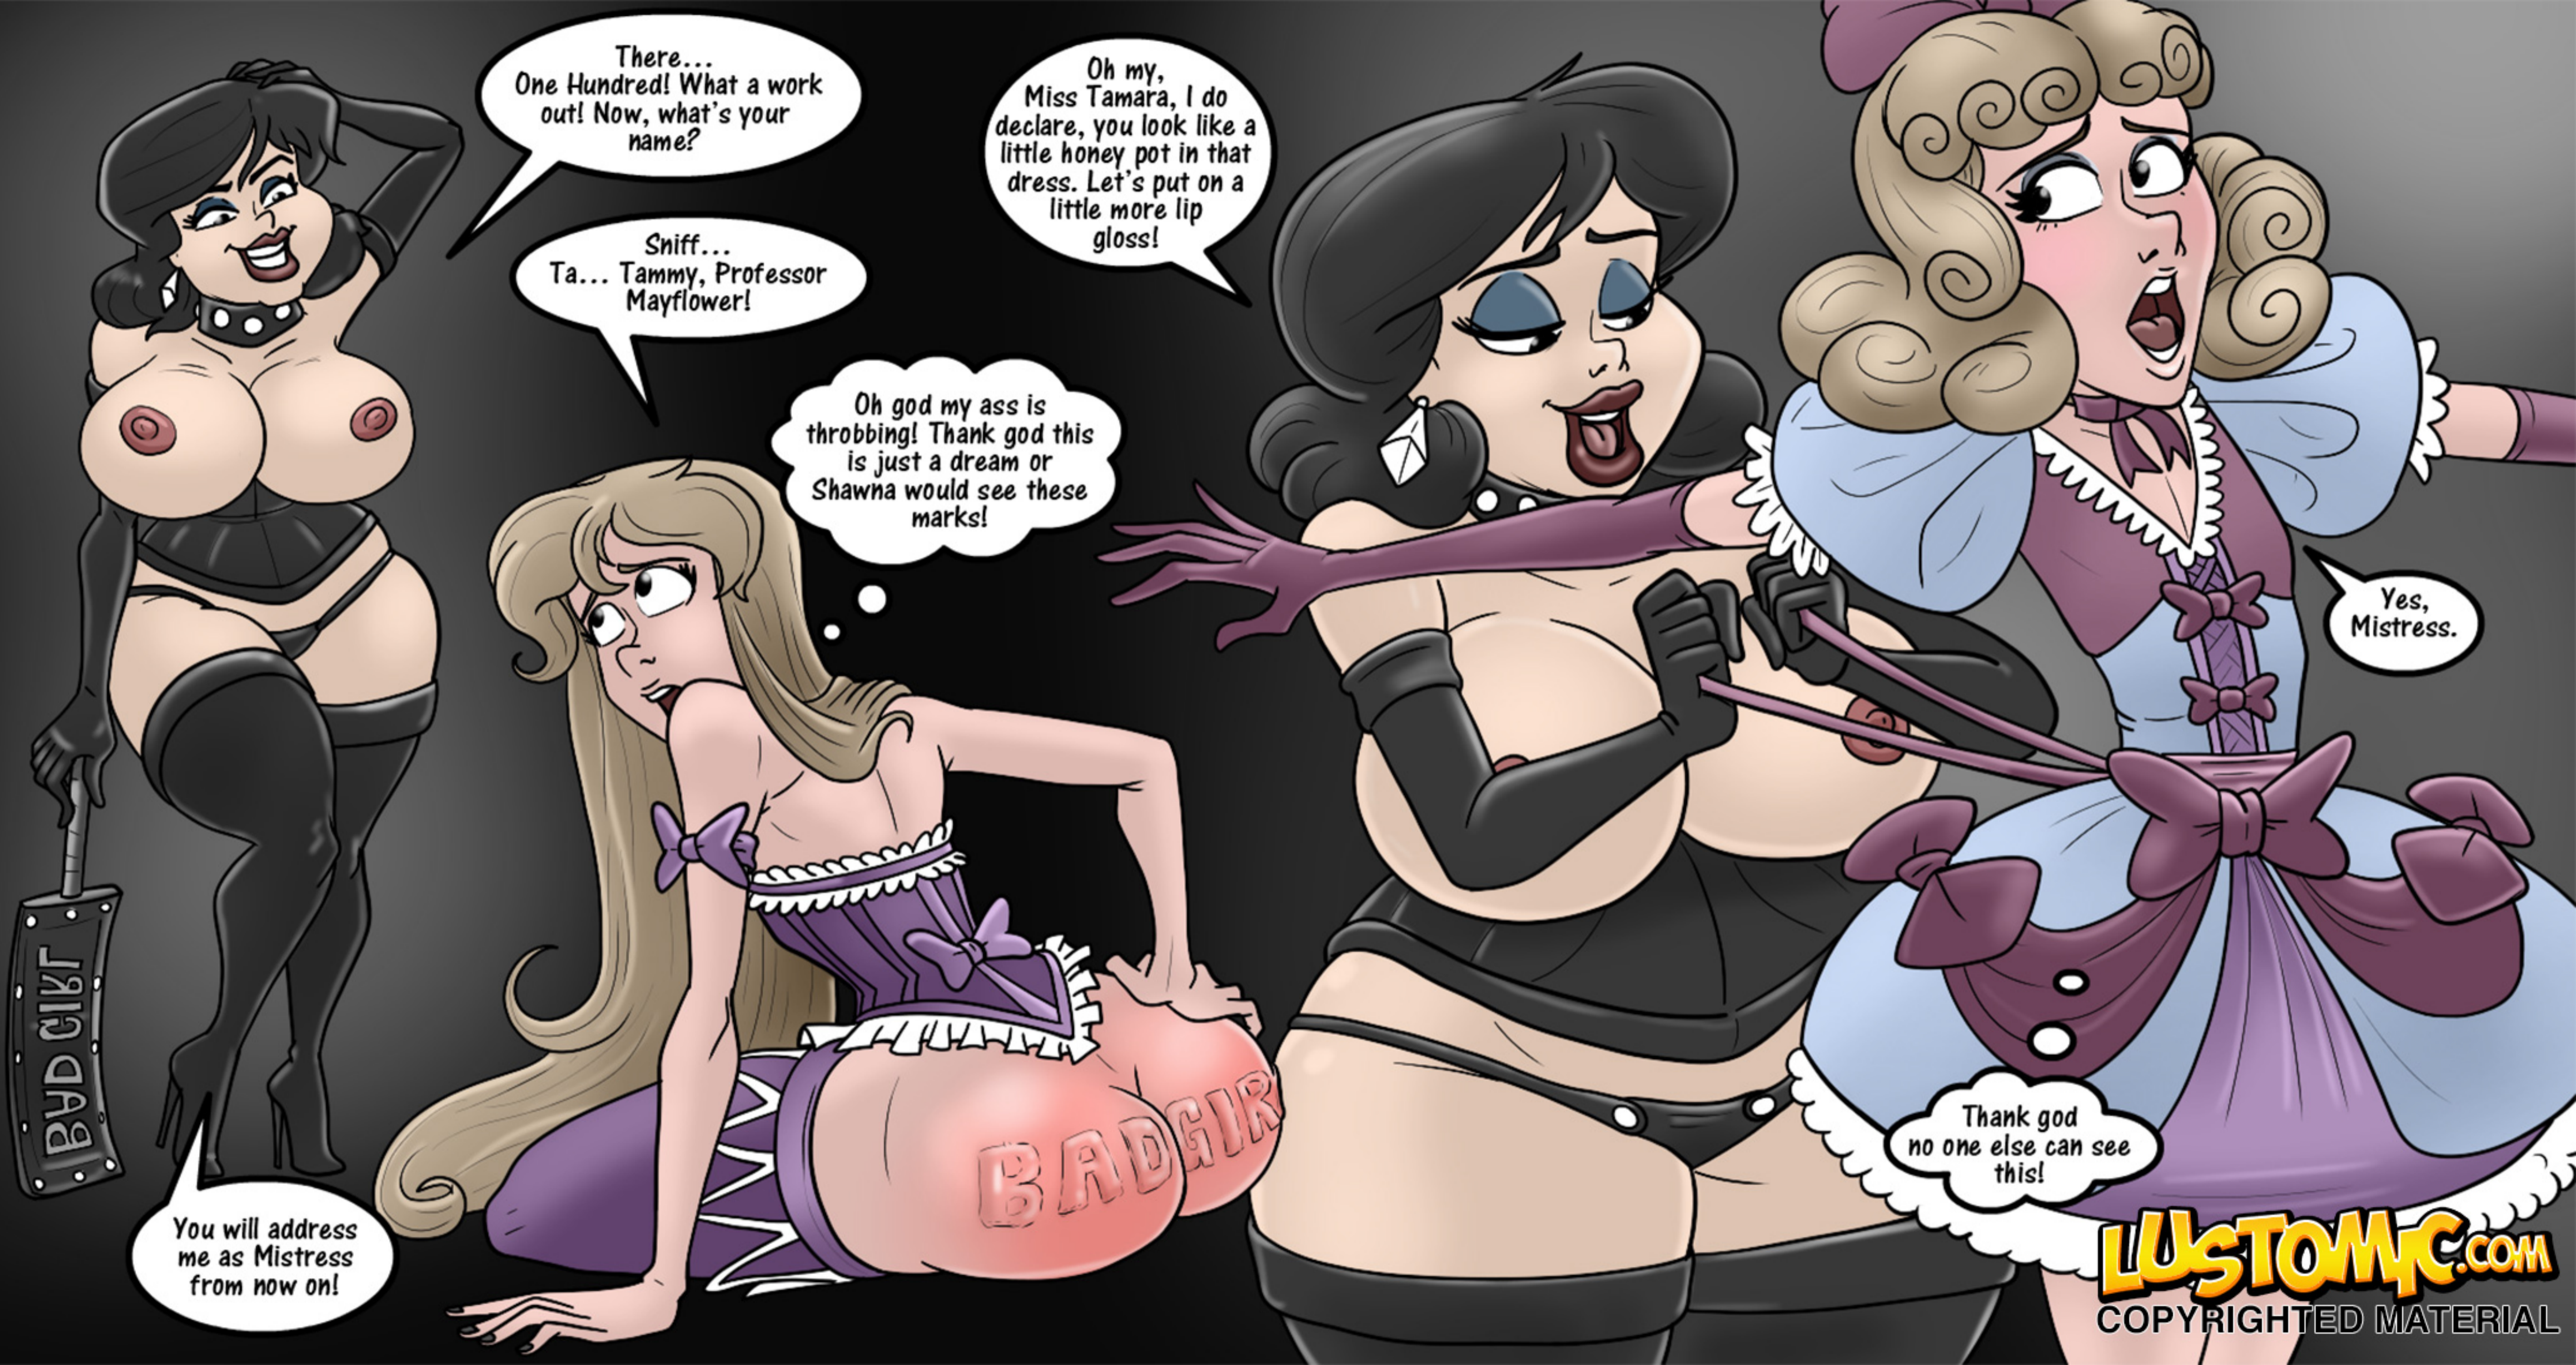

OK OK! I'll
put on the
dress!

Of course
you will, slut...
After you've had a
hundred smacks!
Count them out for
me or I'll make it two
hundred!

Sob! One, Two,
Three...

Mmm... the sweet
sound of thick leather
on baby smooth skin!
It's getting all red!

I can't
hear you!

There...
One Hundred! What a work
out! Now, what's your
name?

Sniff...
Ta... Tammy, Professor
Mayflower!

Oh my,
Miss Tamara, I do
declare, you look like a
little honey pot in that
dress. Let's put on a
little more lip
gloss!

Oh god my ass is
throbbing! Thank god this
is just a dream or
Shawna would see these
marks!

Yes,
Mistress.

Thank god
no one else can see
this!

You will address
me as Mistress
from now on!

Now, you're going to put on a little private fashion show for me, Tammy.

This is a dream come true!

Let me see you work those heels like a supermodel. Strut that ass for me, you little slut. You're a natural!

Yes, Mistress

My feet are killing me! These heels hurt almost as much as that paddle! How do women walk in these things all day?

Let's try some other looks, sweetie.

Ooh, what a sexy first mate! Those tight short shorts just scream "welcome aboard, sailor!"

I just love a girl in uniform... a French maid uniform! Oh yes, you were 'Maid' to serve!

You're so sexy I'm going to burst! More costumes! More prancing and strutting, you little slut!

Such an innocent farm girl! No one would ever guess what you have hidden under your skirt!

Oh yeah! Look out for this cow girl! She's fast on the draw with her loaded squirt gun!

Mistress!
I've been trying on
costumes for hours!

Ha ha!
You've only been asleep
for 10 minutes, darling. Didn't you ever
hear that dreams only last a few
seconds, but can seem
like hours?

10 minutes!?
Oh god, I can't take
anymore.

Please, it must be morning
by now! Someone is going to
come looking for me soon!
Let me wake up please.

Aww, poor thing.
Have I been too rough on my
little sissy? I'll be extra gentle
for the rest of the night.

I'm so
freakin' sensitive
now!

I'm gonna
cum again. I can't
help it.

Oh no you
don't!

This is all part of your training, dear. The feather will tickle you right to the edge of climax, and stop just before you blow it! You simply have to learn that cum belongs to me now.

I'll just leave you here for a while... actually it will feel like days in dream time. But you must learn to control "my" clitty!

Days!? Please, Mistress! This is torture!

Don't you dare spill a drop or Mistress will be very angry! Ta ta for now, baby!

Oh fuck Oh fuck Oh fuck...!!!

What? The feather stopped just before I came! What's happening?

Professor
Mayflower monitors
her sleeping
subject.

Just listen
to you moan, you little slut.
You're making me fucking wet!
Every second I stand here
watching you feels like hours and
hours in your brain!
That's hot.

Look at your
stiff cock leaking like that!
It's so fucking hard from
being my little sissy. I'm going
to own you,
bitch.

I'm going
to rape your
subconscious over and
over until it becomes
your reality
... forever!

Oh god I'm
cuming!

I'm going to
completely fuck your mind up so you don't
know how to do anything but be a good little
sissy bitch for your
Mistress.

I'm back, Tamara! Did you miss Me?

Guh! Guh! Come. Please let me come, Mis... Mistress!!! PLEASE!!!

Nope!

It's time to wake up now, Tammy. I'm afraid you won't remember any of this when you're conscious, but I'll see you again tonight.

Good morning, Todd. You did wonderfully. Here's your first check.

Oh thanks. Yeah, I went out like a light, didn't I? I can't believe it's morning already.

Oh shit! This morning wood is fucking raging! Maybe I can catch Shawna before her first class so I can relieve a little pressure.

Oh god Toddy Baby, what's gotten into you? You've never been horny like this before. I've cum four times and you're still hard!

So much better than your normal 2 minutes and roll over. Wake me up in 10, hun. I don't wanna miss my first class.

Sure, babe.

What the fuck? That was the best sex I ever had but I couldn't cum! My fucking balls ache! Why do I want to see Professor Mayflower again so bad? What's up with this sleep thing, anyway?

The Widow Victoria lived in constant jealousy of her neighbours, the Mayflowers.

While their estate prospered, her livelihood was being drunken away by her degenerate step-son, Philip.

Finally at her wits end, Victoria decided to make a change. She would use Philip as the key to the Mayflower fortune!

Victoria locked Philip in the basement. She spent weeks breaking his mind and preparing his body for her plan. After months of being kept in a drunken haze of pleasure and pain,

Philip became a proper young lady named Fanny. Fanny was a gourmet cook in the kitchen, a maid in the living room, and a complete whore in the bedroom. She turned out to be a fine young lady worthy to marry into the Mayflower family.

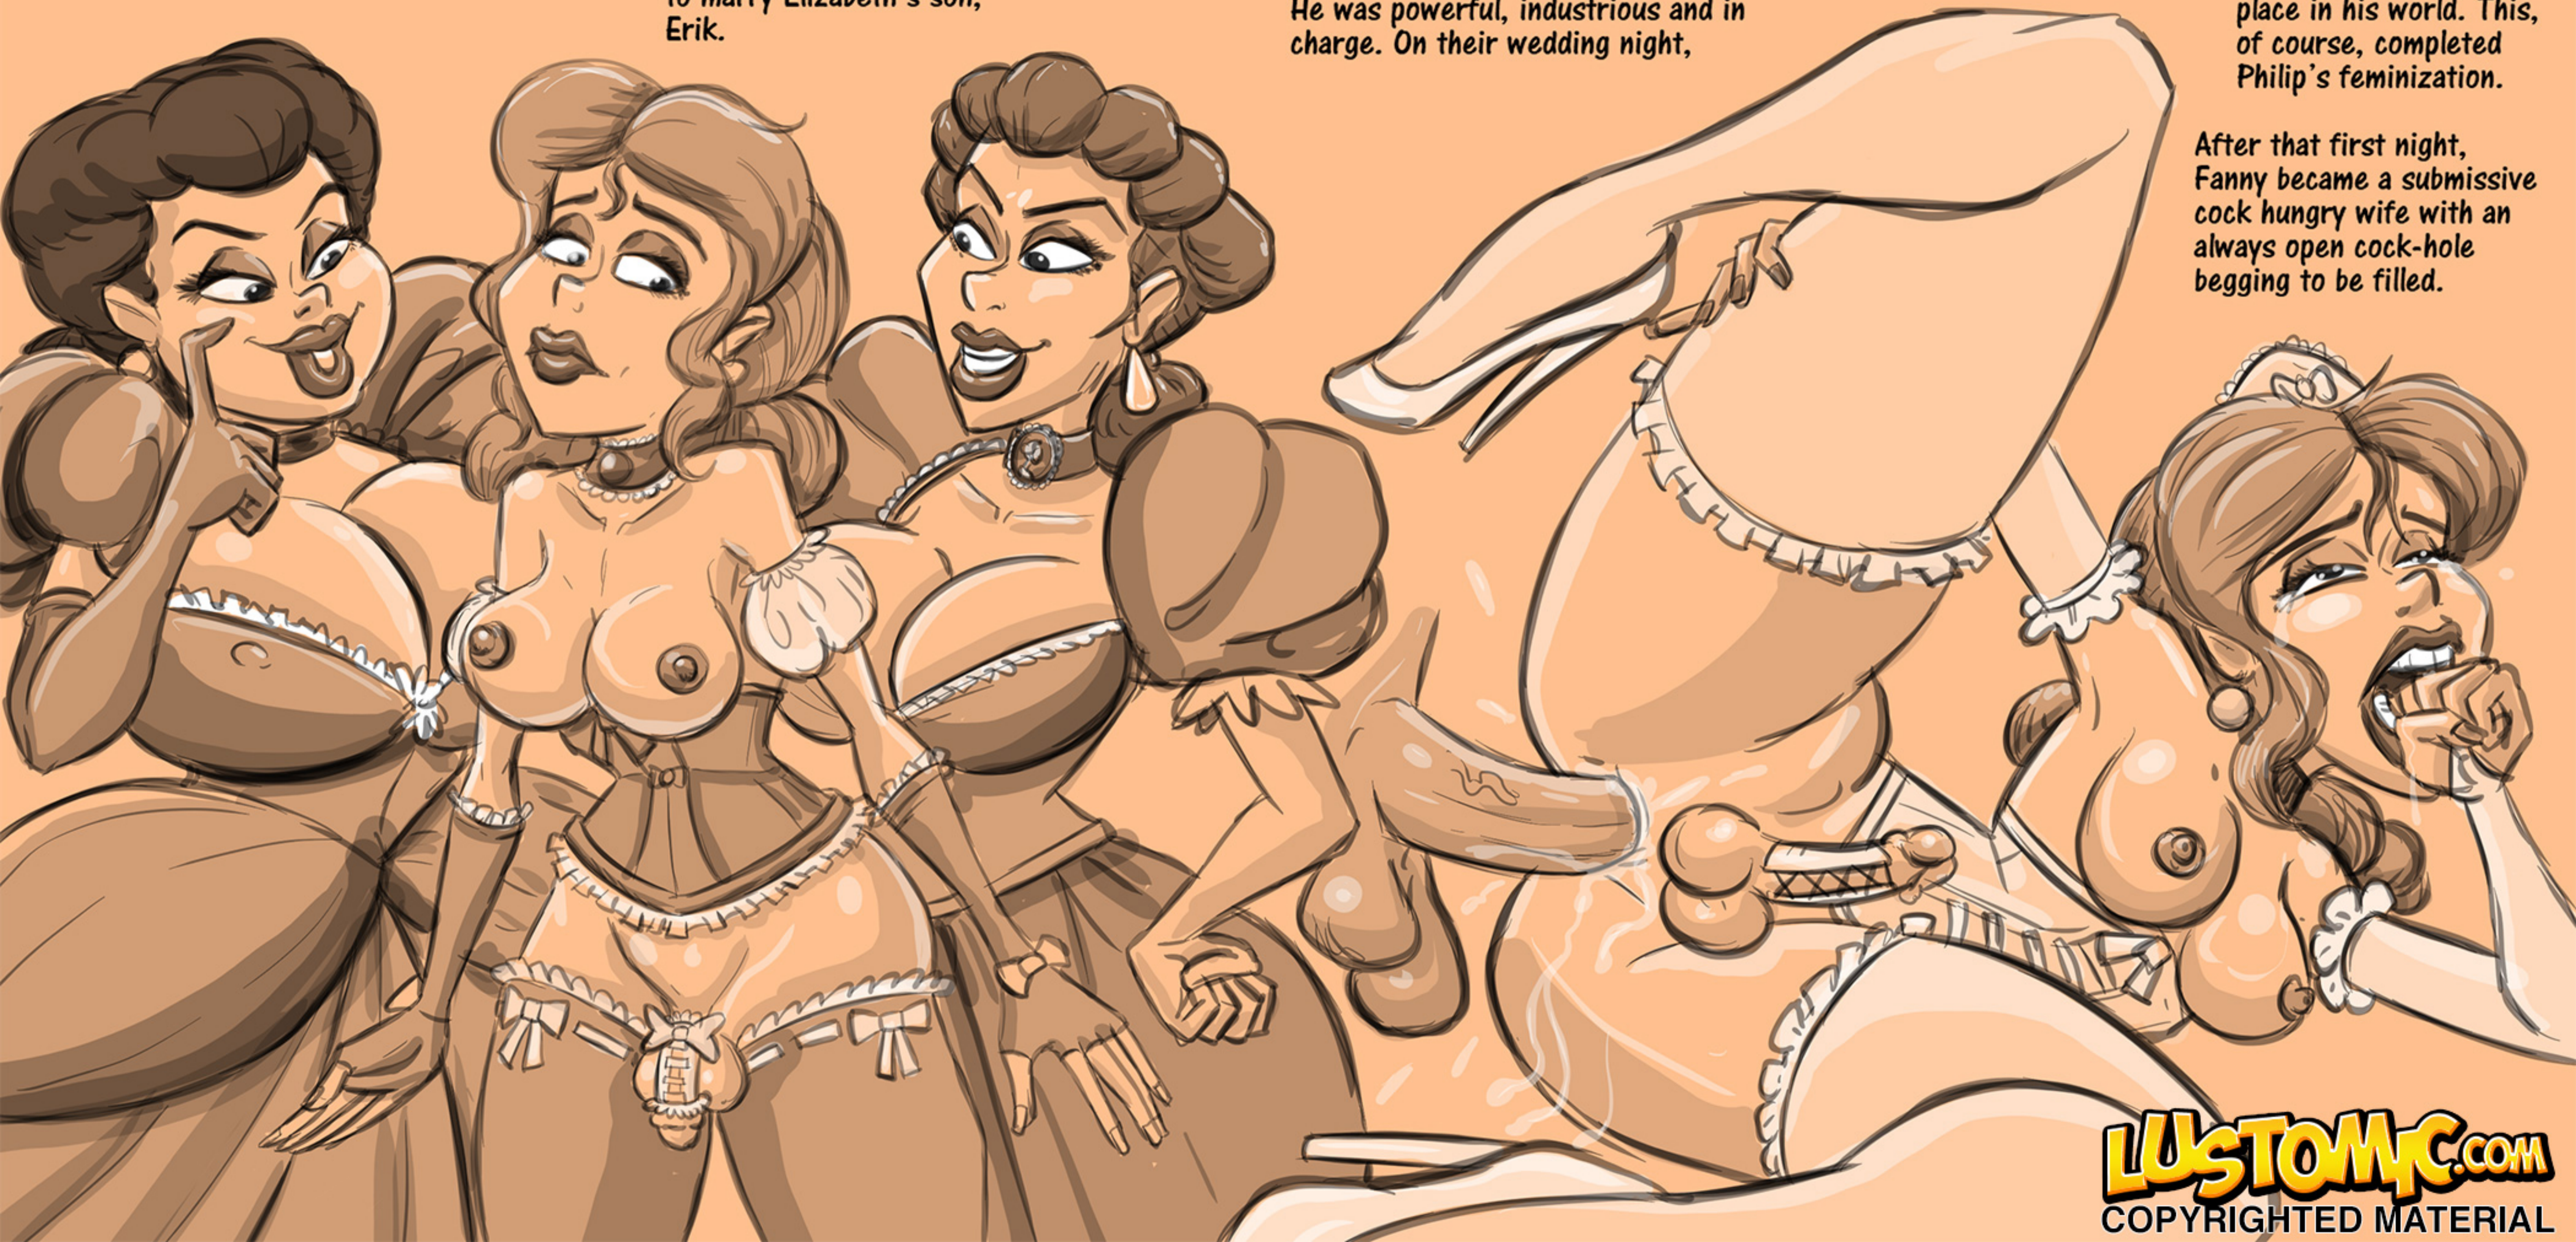

Victoria brought Fanny before Elizabeth Mayflower.

After a thorough examination, Fanny was deemed acceptable to marry Elizabeth's son, Erik.

Erik Mayflower was the exact opposite of what Philip had once been. He was powerful, industrious and in charge. On their wedding night,

Erik took no time in establishing Fanny's new place in his world. This, of course, completed Philip's feminization.

After that first night, Fanny became a submissive cock hungry wife with an always open cock-hole begging to be filled.

Erik worked during the day, but Fanny was not neglected. Her step-mother and mother-in-law made sure she was well taken care of.

Fanny was fucked all day and every night. Playtime got more and more wild as the weeks passed. It wasn't long before Elizabeth and Victoria were not satisfied with having a daytime sissy only. They wanted one who could warm their beds at night too.

It wasn't hard to lure two of Philip's old drinking buddies to the Mayflower Manor. Then they quickly went to work training Trey and Evan in the basement.

Elizabeth used her dairy farm knowledge to change Trey into huge breasted lactating bimbo slut cow named Fey.

Victoria turned Evan, a scrawny little man, into a hot slender sexy girl named Eva. She used bees from the keep to plump up his little ass and tits, and give him a nice pair of thick dick sucking lips. In the end, he was sweet as honey.

After several months, Fay and Eva were let out of the basement and allowed to live in the Mayflower Manor as personal maids.
