where the strong girls live

Sorry I'm a bit late. Had to pump up some more...

That night...

Hello... Pump... what?

Never mind. Aren't you gonna move the chair for me?

Ah... sure, hold on.

Not that I insist on a classic role pattern among men and women... But you know, sometimes, it's cute...

That's very kind of you,
thanks!

Soooo... I'm Emma.
What's your name?

Uh, I'm Jeff.

Ok Jeff, first of all, I'm gonna pay this dinner. I was just joking. Sorry about how I kinda forced you to take me here, but...

... I have a really hard time going out on dates with guys... As you can see I'm kind of... Well, let's see, how would you describe my physique, Jeff?

Eh... tall... ehm... athletic... Mu-mu-muscular.

A woman with a very muscular physique is sitting at a table in a restaurant. She has short black hair with bangs and is wearing a dark blue halter-neck top. Her hands are raised in a gesture of surprise or confusion. The table in front of her has a white plate, a glass, and a lit candle. The background is a stone wall.

Right, so most guys, when they see me, they go like... "what the hell is that?" You know...

I'm six feet eleven Jeff.
Most guys reach up to
here...

Or the smaller ones, like you, reach about up to my breasts, like here...

A woman with dark hair and a dark blue dress is sitting at a table with a man. She is gesturing with her hands while talking. The man is looking at her. The table has a lit candle and glasses. The background is a stone wall.

And I have these wide shoulders...I think I just terrify most men, you know...

I... I can see that. But then why... I mean obviously you work out a lot, so you get even bigger...

Yeah, I know what you mean. It's my own fault. But you see, the thing is, I just *love* being so big and strong. And actually I love small guys...

That's why we're here...?

That's why... you picked me up...
literally and figuratively?

Haha exactly. That's cute. I like small boys with wit!

So ah, how did it feel when I
picked you up? Literally
then...

Well eh... actually... it was rather... exciting actually...

A 3D rendered female character with short, straight black hair and bangs. She is wearing a black, form-fitting, one-piece swimsuit with a halter-style neckline. Her hair is styled with two small, light-colored bows on either side. She is sitting against a grey brick wall, looking slightly to the right with a neutral expression. A speech bubble is positioned to her left, containing the text "Do you mean exciting... physically?".

Do you mean exciting...
physically?

Ok Jeff... what do you say if we just... skipped this mean and went to my apartment?

I uh... would like that...

Here we are, my bedroom!
What's up?

Just... a bit nervous...

Awww, so cute. Let's just sit on the bed and talk a bit, ok?

Sure

I'm gonna take off my boots.
Why don't you take off your
shoes?

So, to be blunt... I am turned on by feeling powerful, feeling in control, feeling bigger and stronger than guys...

I first noticed it when I was maybe eight or nine, when I was fighting with my twelve year old brother and beat him...

I've been gifted with good genetics of course, being so tall... but I also started to work out quite early...

And I just got bigger and stronger over the years, but the thing is, I haven't had any serious relationship...

So that's kind of my situation, in a nutshell. Do you think I'm a freak?

Not really.... power is imporant to a lot of people, in or out of bed... It's not really shocking to me or grossing me out or anything...

That's very sweet of you to say, Jeff... But what do you feel...

... when I do THIS?

Oh my...

Doesn't gross you out?

No, not really...

Nice! Let's take it once step further then...

What do you feel when I do this...?

Eh... it's... kind of exciting again... Physically...

And this?

Getting a little scary...

Scary huh... And what
does scary do for you?

Eh... still... kind of
exciting...

Good, good! Let's show
you some more... Feel my
legs...

What do you think of my calves, Jeff?

They... they're so.... huge!

Yes they are honey. Much bigger than yours..

So this was your first mini-worship session. Did you enjoy it?

Yes, I am enjoying it very much...

So, do you want to go on playing?

Yes...

Good! What do you say if we take off some clothes, huh?

O-okay

Why don't you get up and let me help you?

Or rather, let me go first and show you some more skin...
Then you can see if you want to follow. I don't want to rush you...

Be right be, little Jeff...

Here we are boy. Now get up...

Will you let me undress you?

Y-yes...

So what do you think of my body? Not too intimidating?

Intimidating, yes... But also beautiful...

You're sweet, Jeff.
I'm dying to see what you
look like under there...

I have a feeling it's all gonna be pretty... smallish. The way I like it...

Oh my god, look at that!
Perfect! Just perfect!

Ok if we get rid of those pants too?

Yes... hold on...

Oh no no Jeff, I'm undressing you. Let's take care of this...

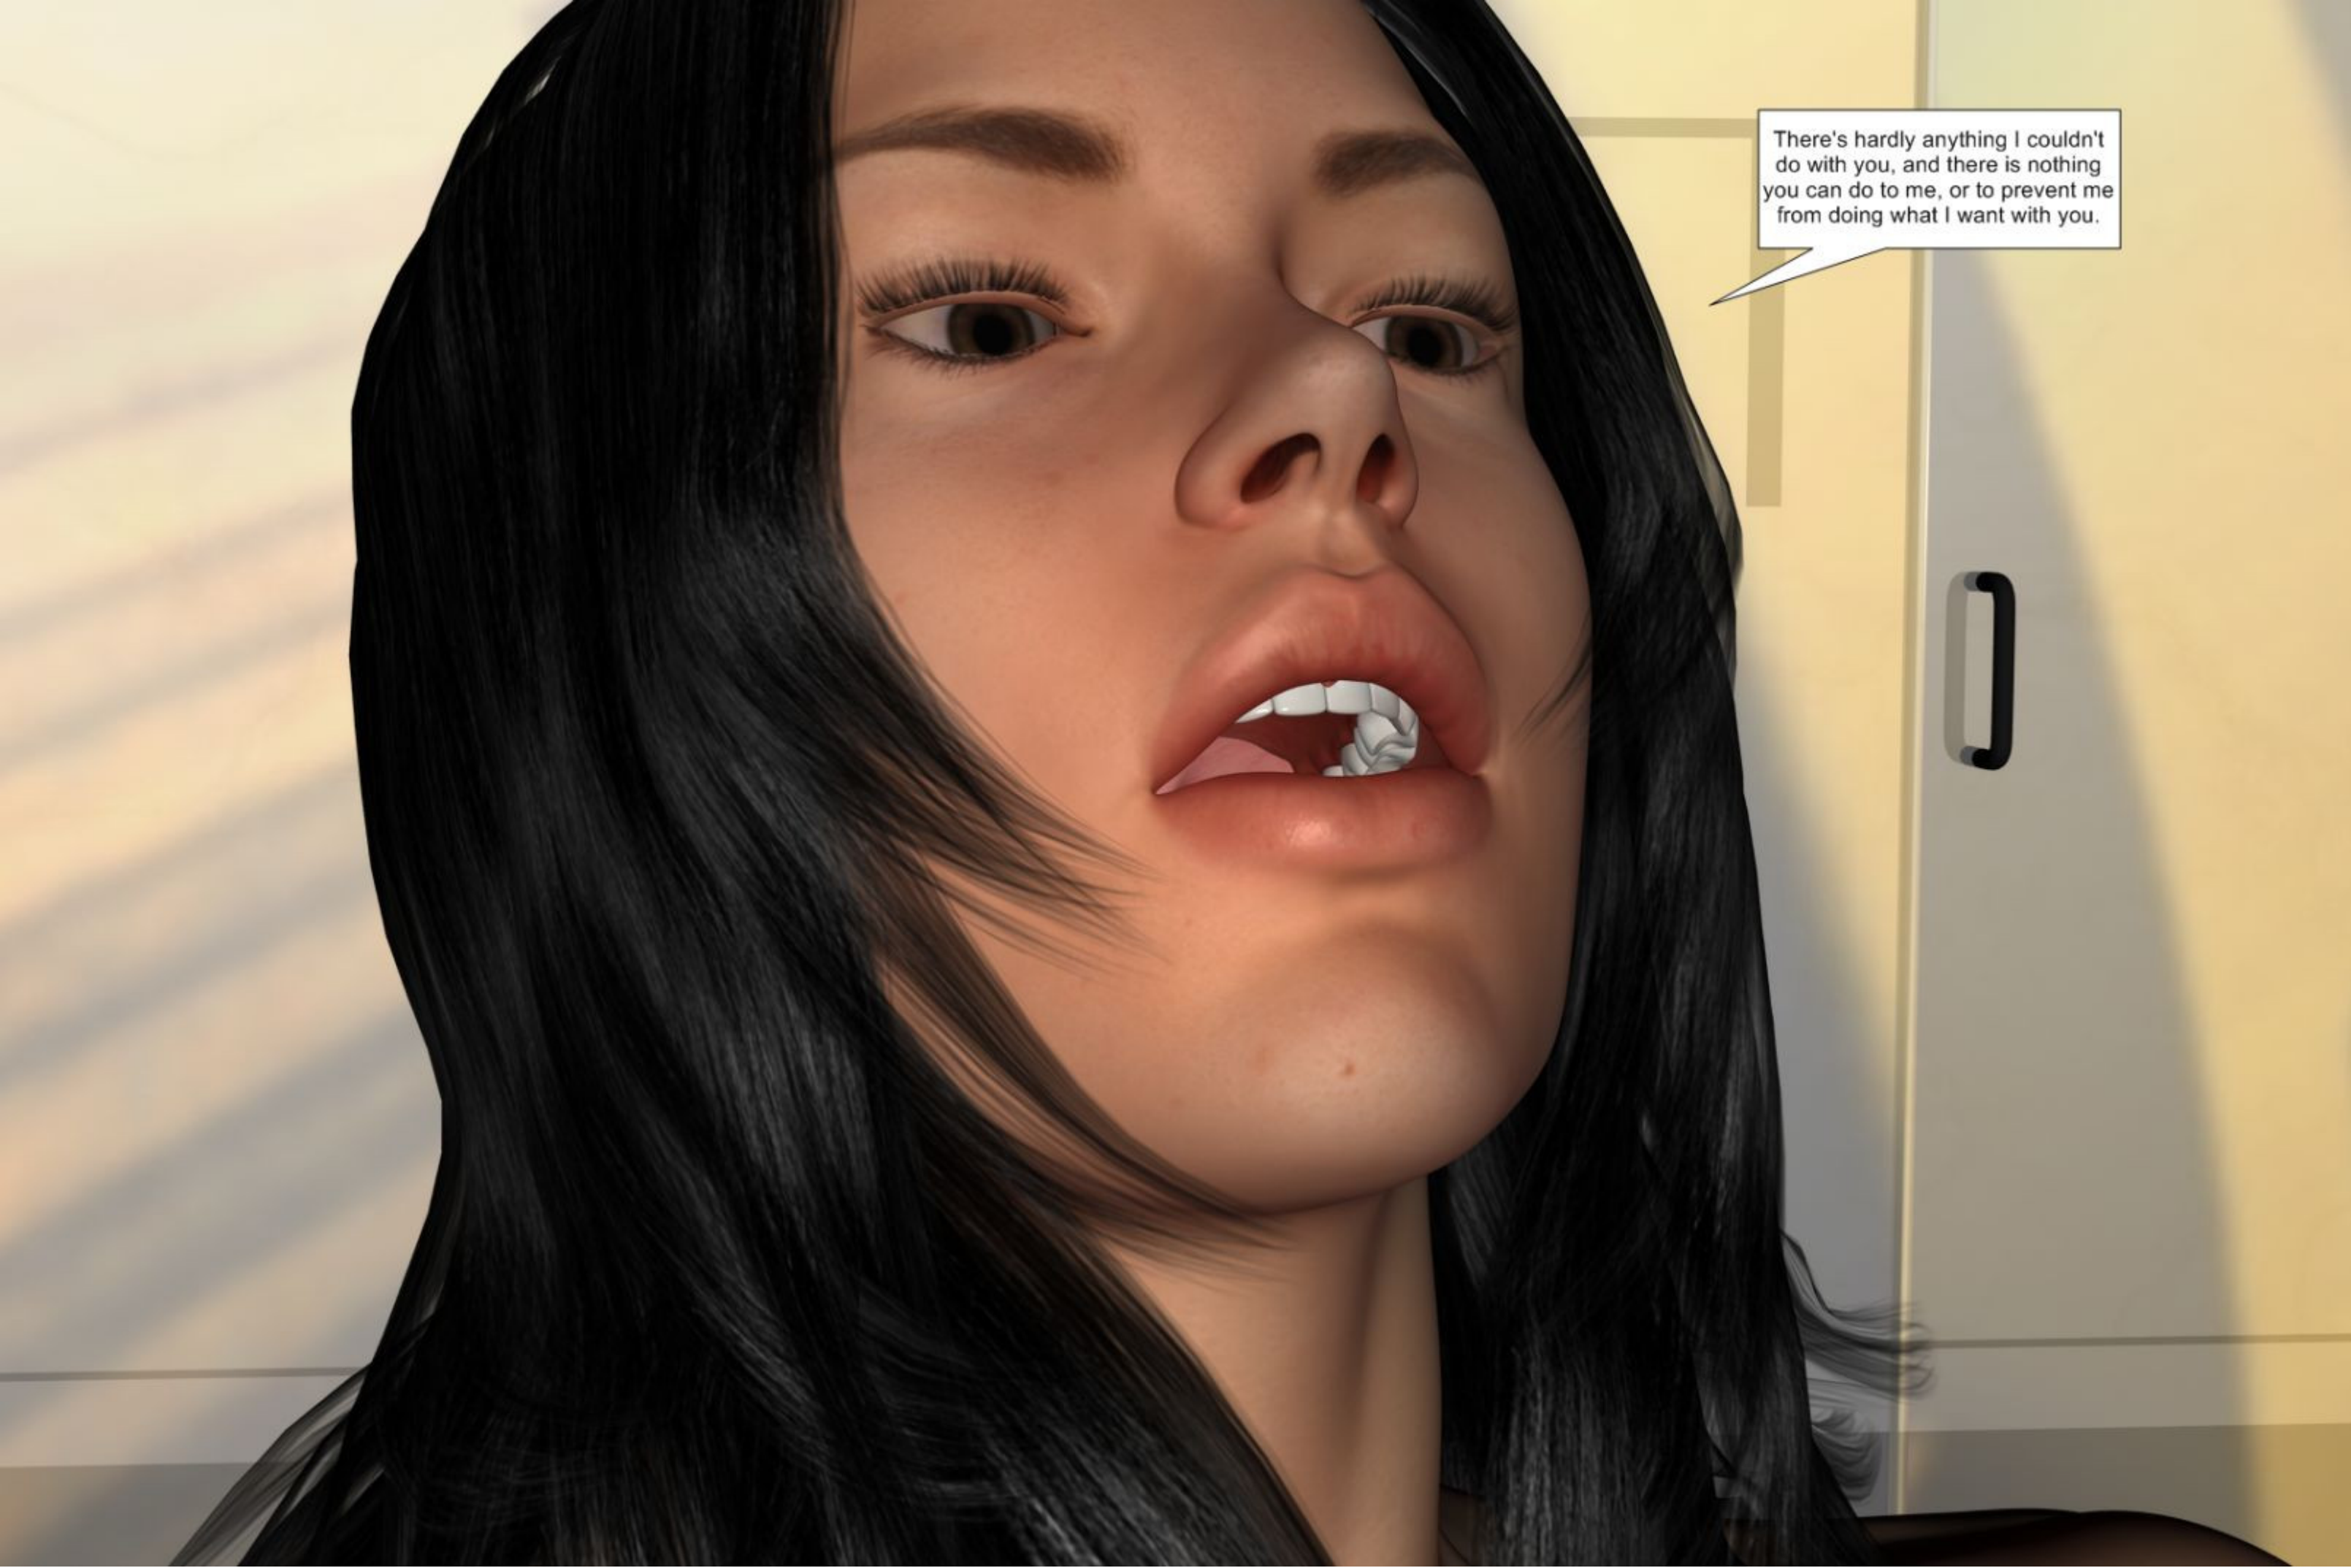

Hmm, feels like you're
really excited! I'm so
happy!

Now Jeff, before we continue,
some serious talk...
I'm obviously a very strong girl. If
you think you have an idea how
strong, double it, and then maybe.

There's hardly anything I couldn't do with you, and there is nothing you can do to me, or to prevent me from doing what I want with you.

I think you realize all that?

It's ah... obvious, yes

Now, I want you to know that I don't want to do anything with you that you don't want. So I'm asking you to tell me immediately when we do something you don't like, ok?

Ok, I will...

So let me tell you what I like, and then maybe we can also discover what you like, ok?

Sure

I like to compare our sizes. I like to lift you in all possible ways. I like to wrestle a bit and submit you. I like to be worshipped... Anything that would be off limits for you?

Eh, I don't have much experience, but it sounds ok...

Good. Now, I also have a little dark side. I may enjoy domination, humiliation... sometimes a bit too much...

So again, if ever I do something you don't like, you tell me, ok?

Ok... no worries...

Great, then let's play a bit!
