

Ah, thank you.

A woman with blonde hair, wearing a pink and black lace-trimmed outfit, is sitting on a grey couch. She is holding a red and silver can to her lips and drinking. The setting is a modern room with white brick walls, a large window, and a wooden floor. A person's legs in dark pants are visible in the foreground on the right. A speech bubble is positioned above the woman.

*Gulp gulp

The peach-flavored cold drink flowed from my throat to my stomach, and it did make me feel much better.

A 3D rendered scene set in a modern interior. A woman with blonde hair tied in a bun, wearing a pink dress with black lace trim, is seated on a sofa with a white and green patterned pillow. She is drinking from a red and silver bottle. Standing next to her is a man with purple hair, wearing a dark grey cardigan over a white collared shirt and dark trousers. He is looking at her with a serious expression. The background features a large window with a view of a starry night sky, a textured wall, and potted plants.

How much did you drink today?

Not much, just a few shots.

The mix of alcohol and the natural scent of my body started to fill the air, and I could sense a hint of an ambiguous atmosphere.

Do I look sexy in this nightgown?

When I looked up, I saw her stealing another glance at my barely visible breasts beneath the nightgown. Unable to resist, I switched back to my seductive mature voice to tease Ms. Zhao.

Ah, ah, I' m... I' m sorry...

There's nothing to apologize for. Boys your age naturally tend to fantasize about women's bodies.

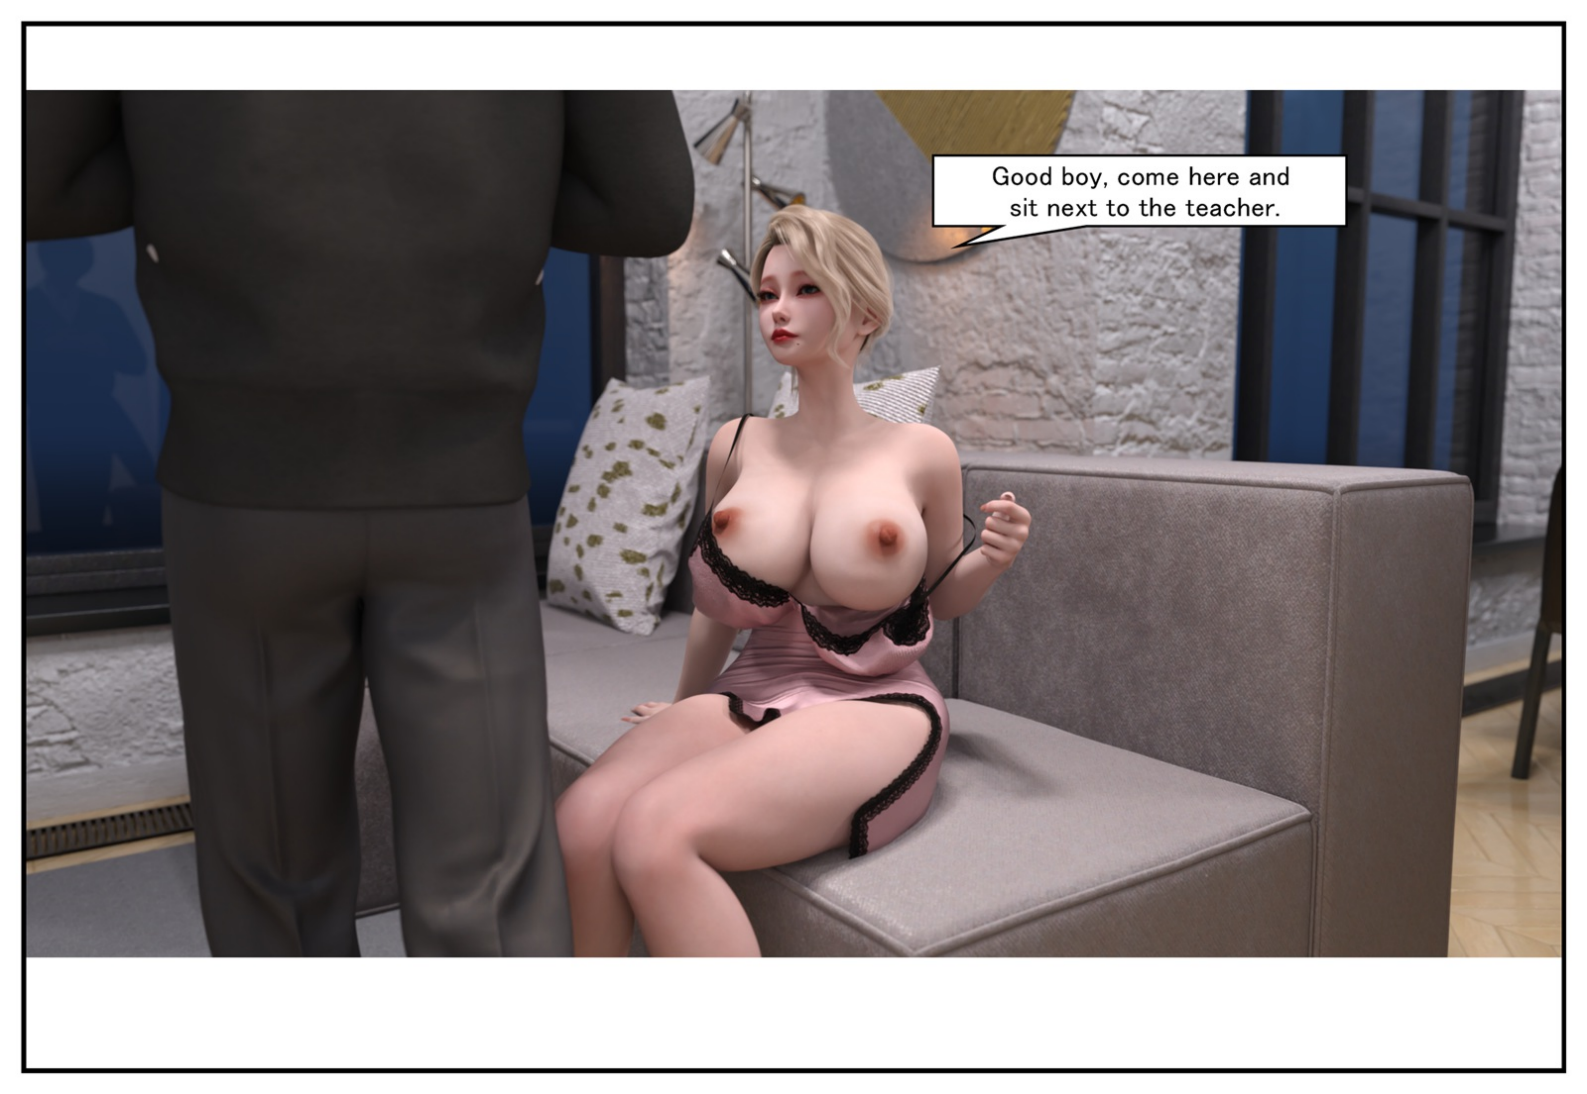

Especially a mature woman's body like mine. Am I right?

Yeah..yeah.

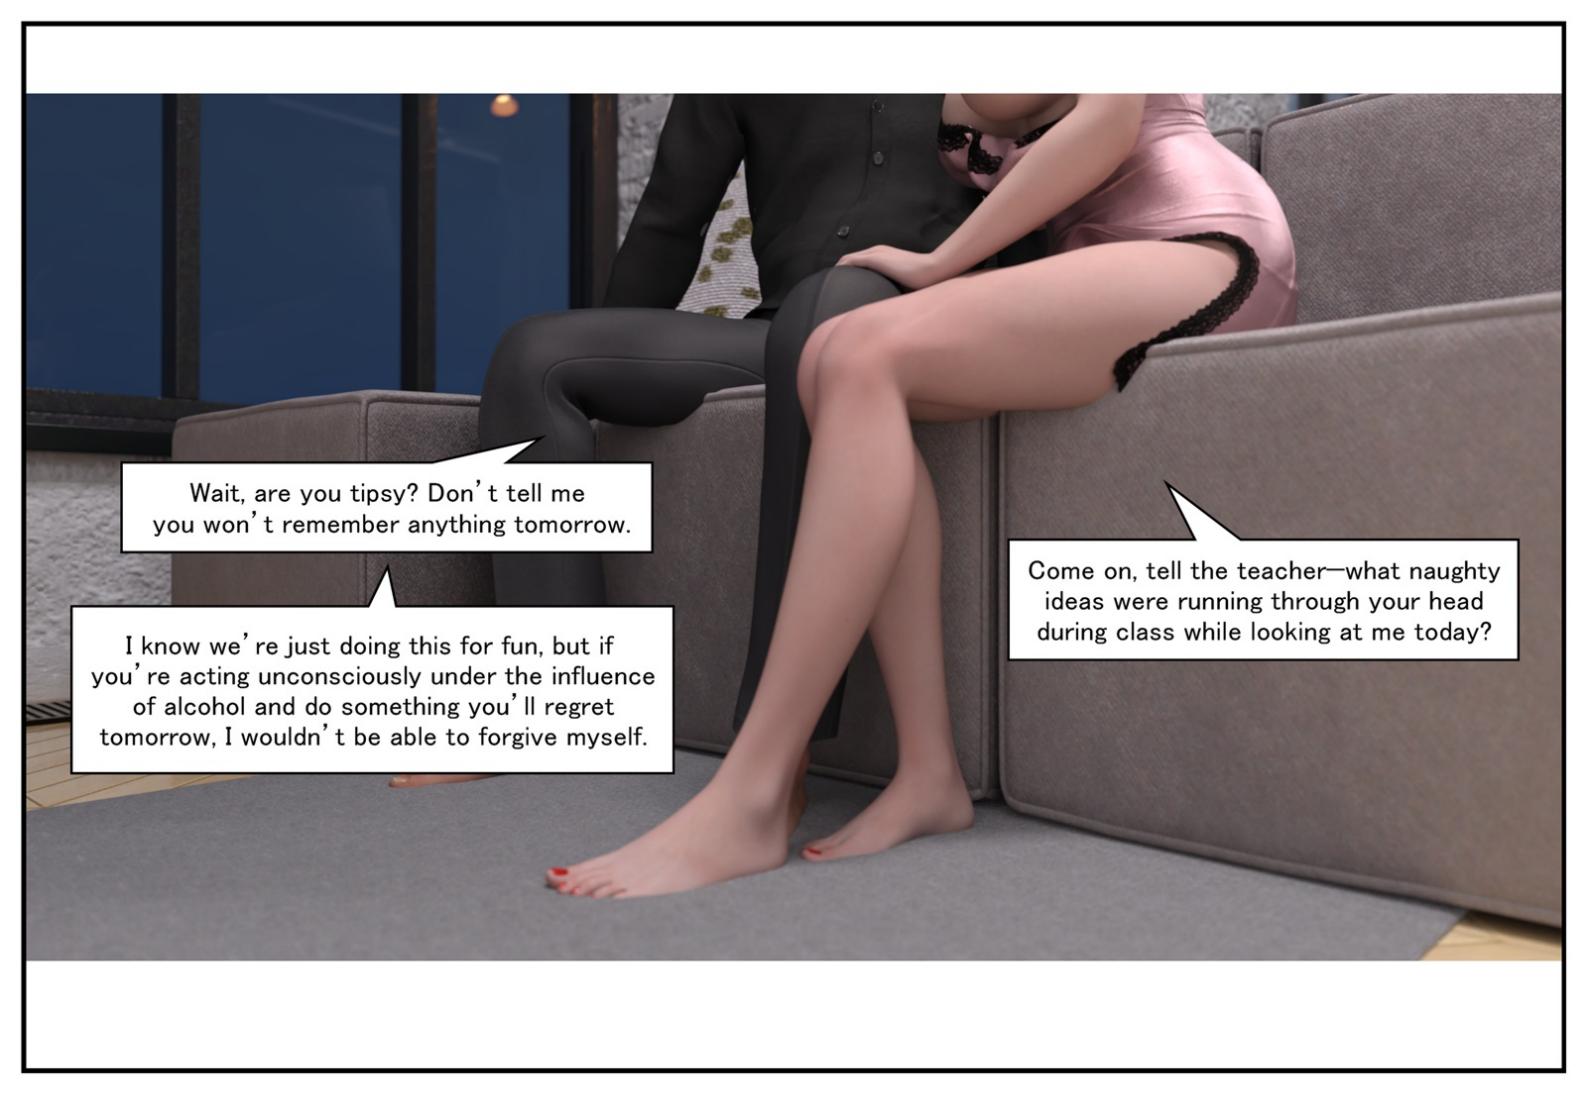

A woman with blonde hair, wearing a pink and black lace-trimmed outfit, is sitting on a grey modular sofa. She is looking towards a man who is standing next to her, partially visible from the waist down. The man is wearing a dark suit and black sneakers with white laces. The setting is a modern interior with a white brick wall, a large window showing a night view, and a gold circular wall decoration. A black chair is visible in the background.

Yes? Who are you talking to?

To you, Ms. Zhao...

Good boy, come here and sit next to the teacher.

Wait, are you tipsy? Don't tell me you won't remember anything tomorrow.

I know we're just doing this for fun, but if you're acting unconsciously under the influence of alcohol and do something you'll regret tomorrow, I wouldn't be able to forgive myself.

Come on, tell the teacher—what naughty ideas were running through your head during class while looking at me today?

Hehe, Xiaoxu is such a thoughtful boy. Don't worry, the teacher is just a little dizzy, but I'm fully conscious.

Alright then, if that's the case...

During class today, all I could think about was you licking...

Hmm? Licking what? Be a bit clearer.

I could think about was
you licking my dick.

Really?

Haha, is that so? Although the request is too much, but I will help you.

I was a little surprised that she actually thought of oral sex. I originally thought that she might want to rub my breasts or at most let me help her cum. Although I am not very interested in licking a boy's penis, I have indeed fantasized about the scene of Ms. Zhao giving me a blowjob many times before.

Of course it's true, look at how bulging your tent is.

As soon as I touched her crotch, I could feel that her dick was so hard that it was about to burst through her pants.

Hurry up, stand up and
take off your pants.

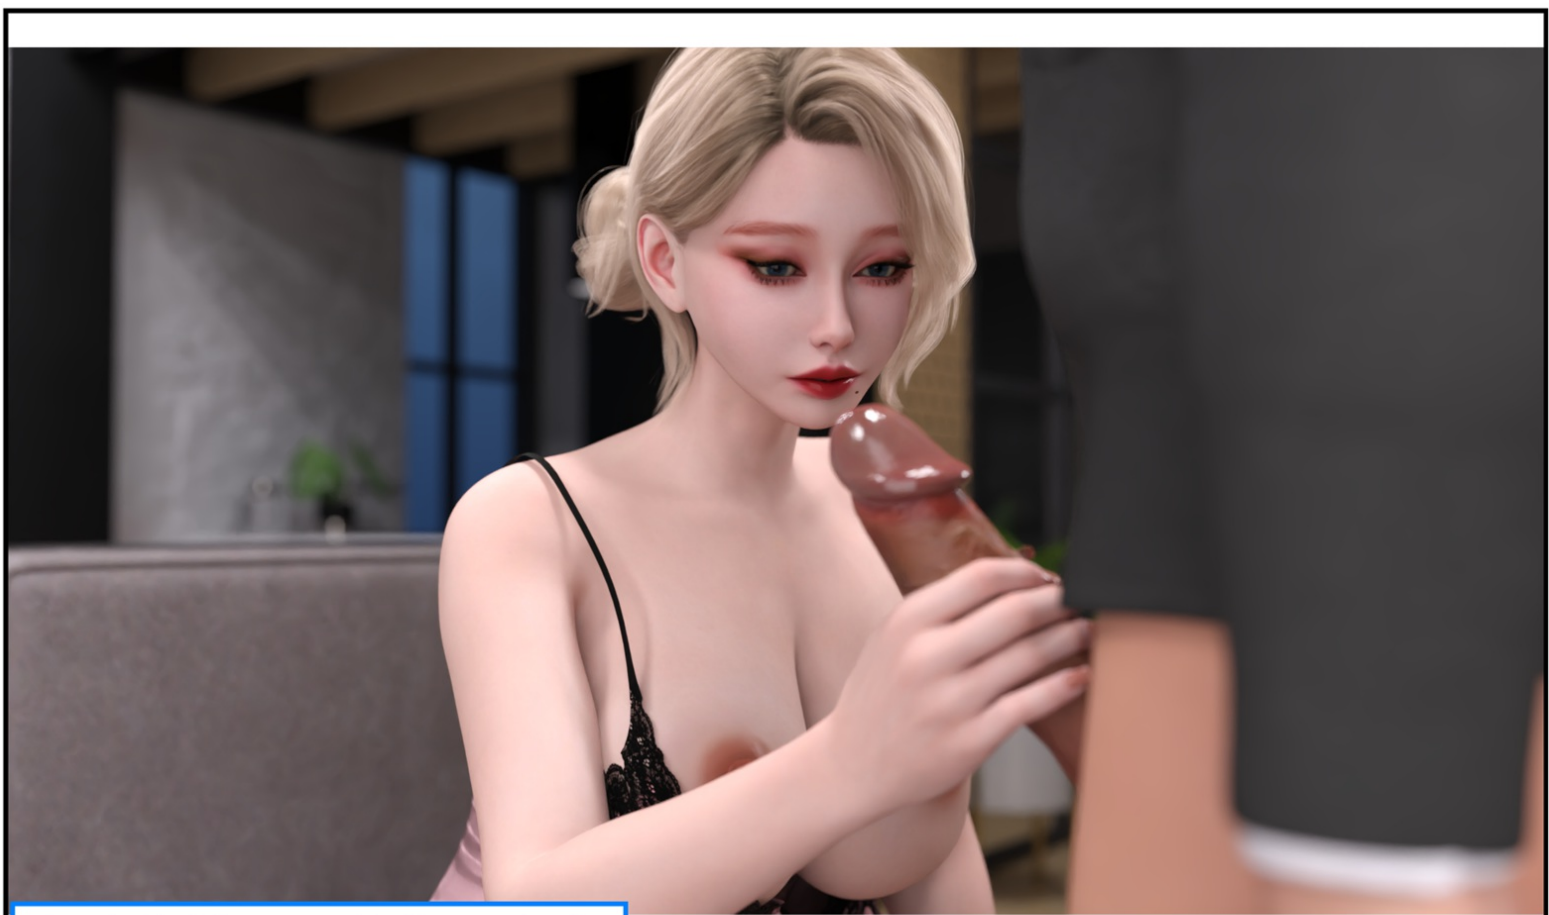

Yes, Ms. Zhao!

You're already this hard, huh?

Although I had seen it once last night, it was the first time to observe my penis closely from this angle. I realized that my penis was so majestic, and even the glans was round, with blue blood vessels evenly distributed on the penis due to desire. Probably because of the teasing just now, she was excited and leaked some liquid. From time to time, a trace of semen mixed with urine odor floated from the front of the glans, but it was a fragrance to me at this moment.

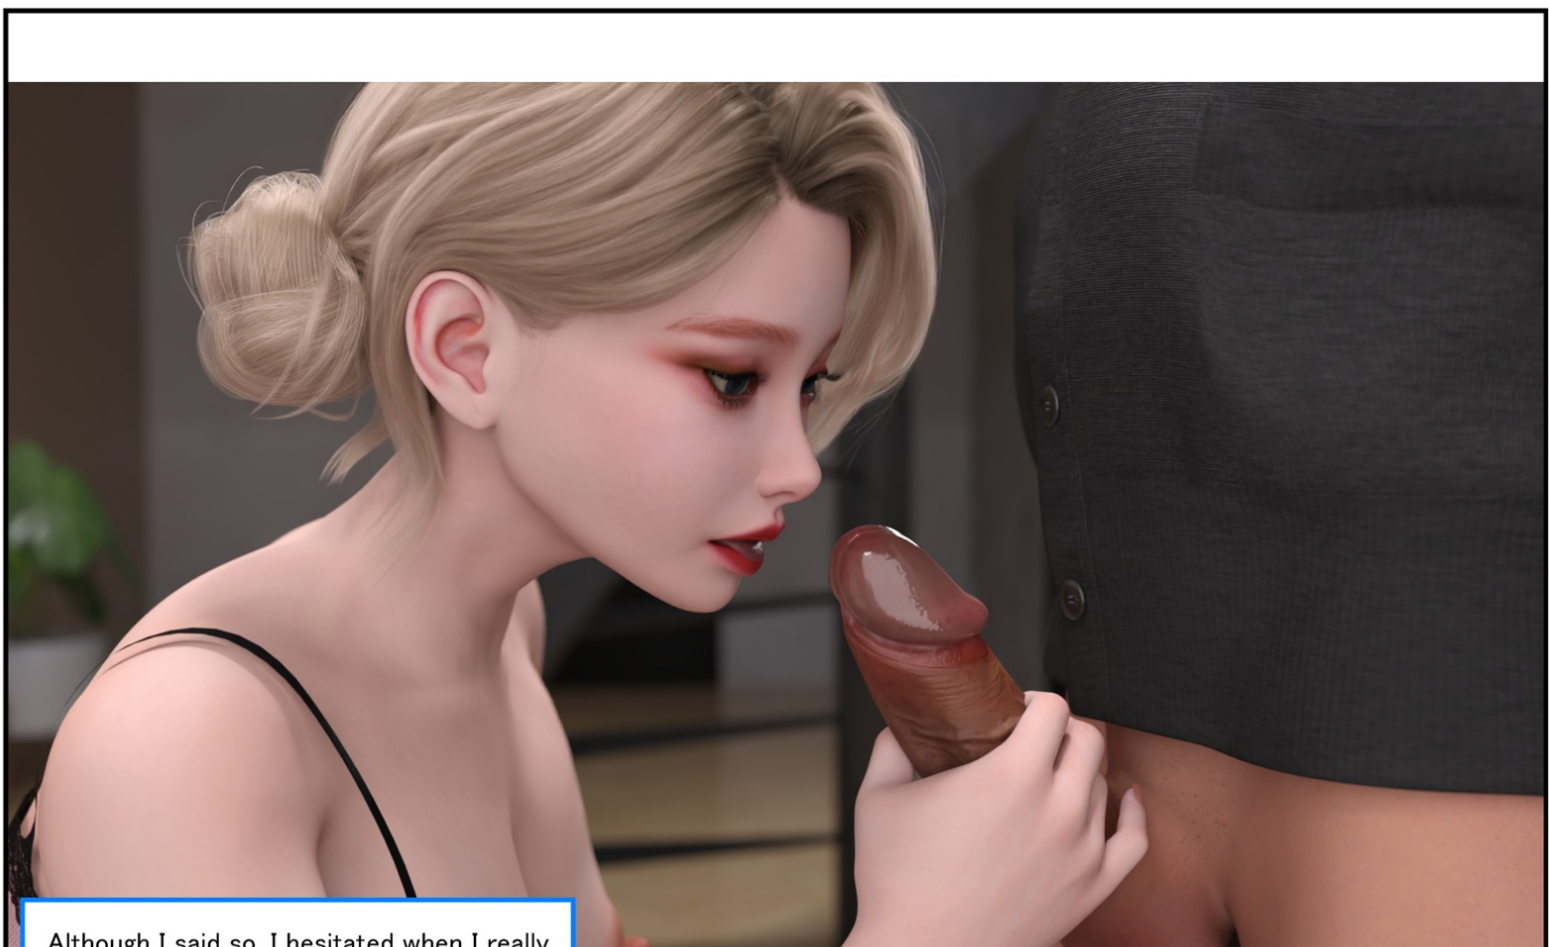

I gently lifted the penis and held it in my hand.
It felt like holding a hot and slightly wet stone.
And I clearly felt her body tremble the moment
I held the penis.

What did you say you wanted me to do? Xia Xiaoxu?

Can you lick my dick? Ms. Zhao!

Of course I can satisfy you~

Although I said so, I hesitated when I really touched it. If I really licked it... would I become a gay?

If you really don't want to lick...it's okay,
I have plenty of other things that I can use.

Don't underestimate me, young man. If I say I will help you with a blowjob, I will definitely do so!

I will do exactly what I said

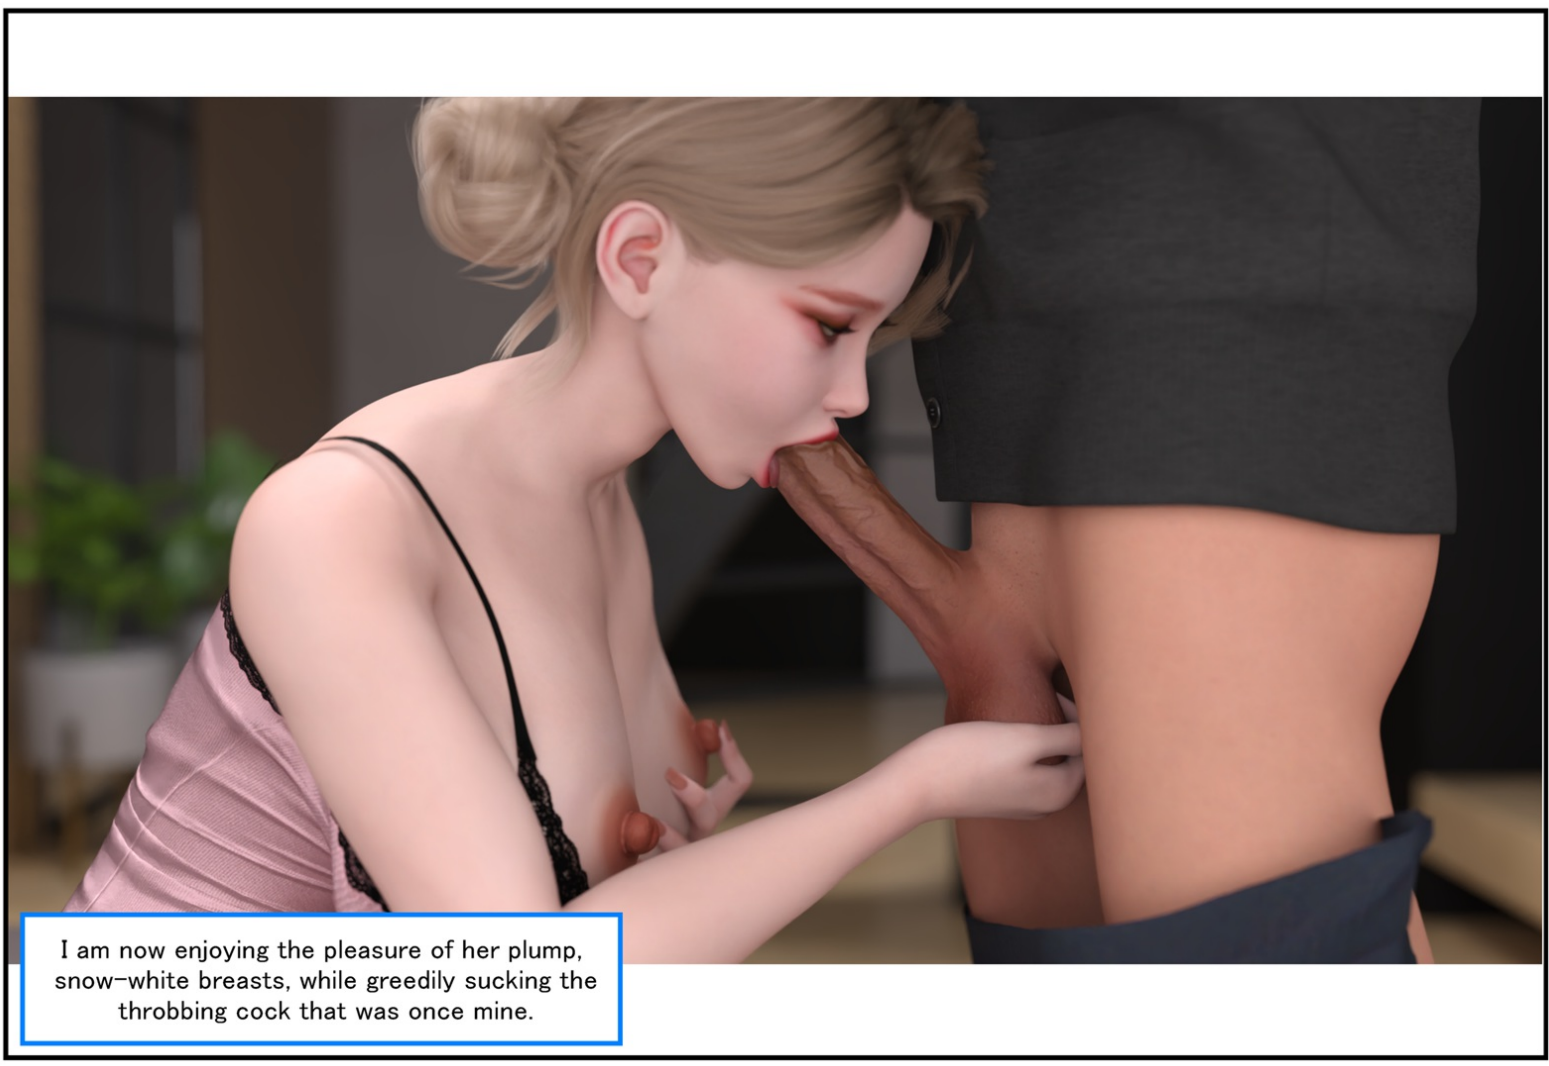

I sucked the entire glans into my mouth like the heroine in the porn film. Unlike what I imagined, the penis at this moment was not as difficult to accept as I imagined. On the contrary, I felt a sense of pleasure when my mouth was filled with the penis.

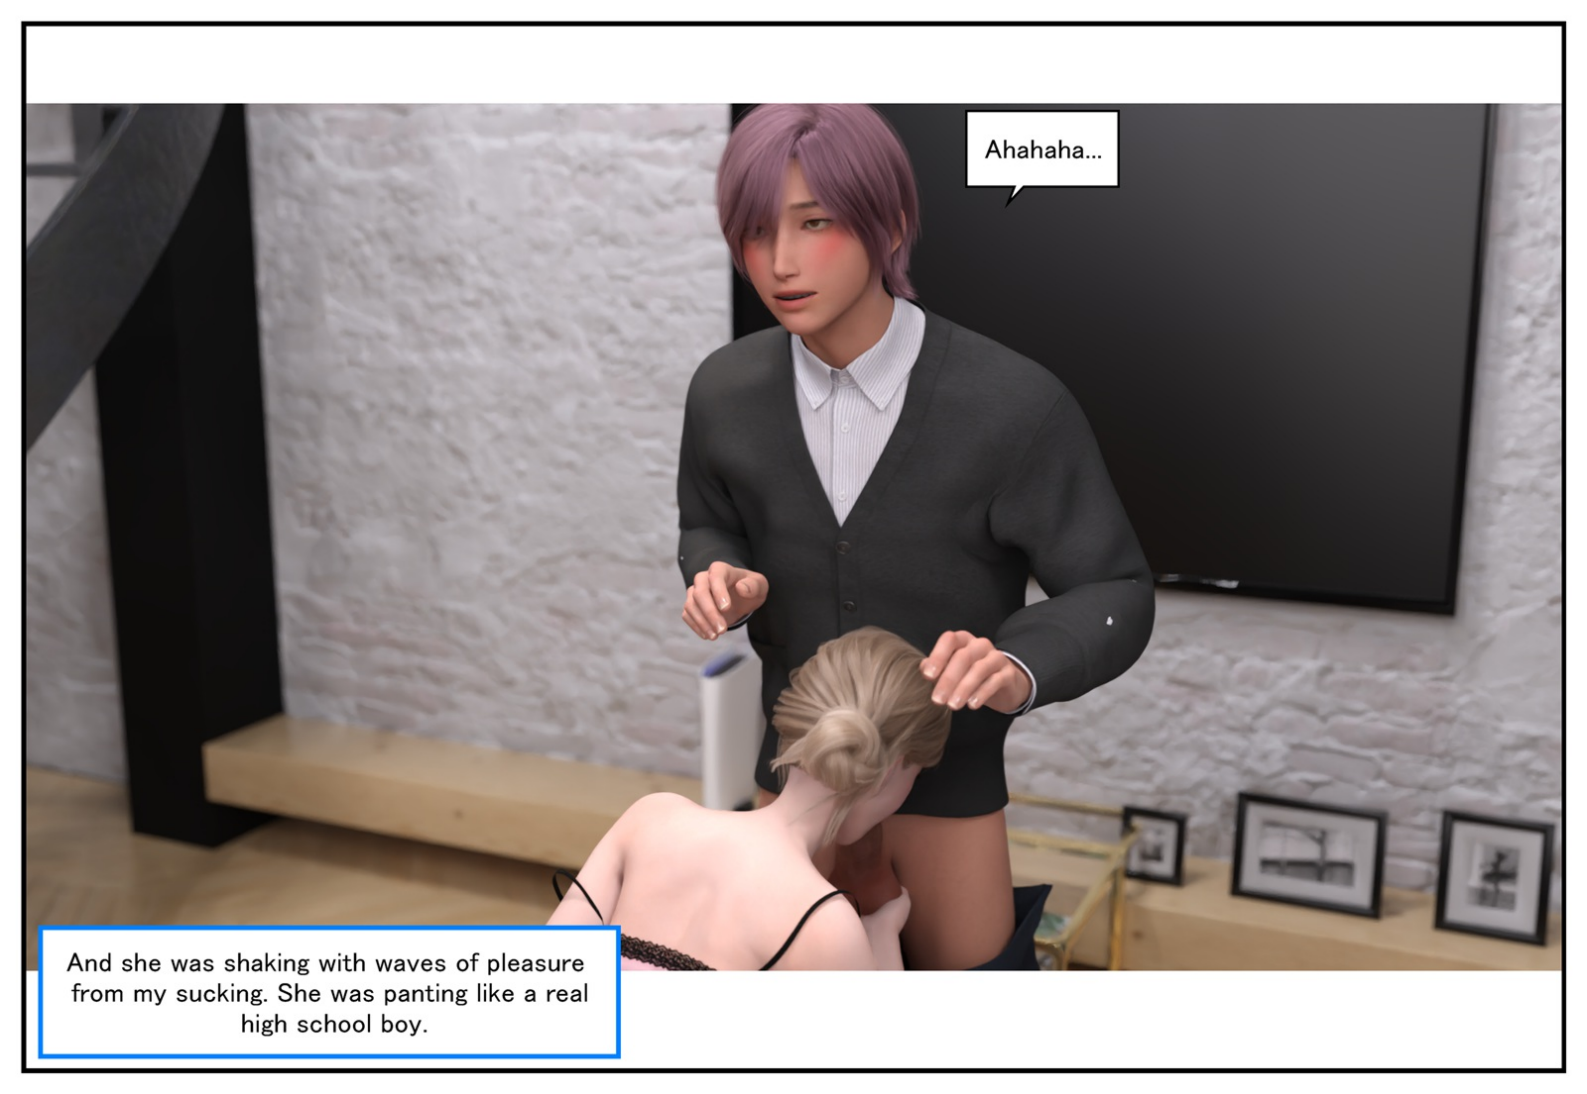

My other free hand gently grasped a breast, and the pleasure from the breast made the penis in my mouth seem even more delicious.

The whole scene is indeed very attractive, my mature and sexy English teacher is giving me a blowjob. But the emptiness in my lower body and the pleasure in my breasts are all conveying the fact that at this moment I am the mature and sexy female teacher...

I am now enjoying the pleasure of her plump, snow-white breasts, while greedily sucking the throbbing cock that was once mine.

Ahahaha...

And she was shaking with waves of pleasure from my sucking. She was panting like a real high school boy.

iS t cnfitbal..?

Huh? Ms. Zhao, what did you say?

Sorry I didn't explain clearly when I was holding your dick in my mouth. I asked you if it was comfortable.

Comfortable... It was very strange. Although I have masturbated many times, this was the first time I put it in someone else's mouth. It was very comfortable to just put a small part of it in my mouth.

Oh, do you think I didn't lick
it deep enough? Then lie down.

Then we both lay down on the floor from the sofa, and rode on her in a 69 position, ready to deep throat her.

How is your view?

This view looks... magical,
can I touch it?

Of course...

Ah~

Then I felt her one hand gently spread my labia, and the other hand gently pressed my clitoris. I could feel my desire rising with the movement of her fingers.

How does it feel?

Mmm~ Very comfortable~ Continue

In return for your oral sex, I can do you a small favor.

You... what are you going to do?

As soon as I finished speaking, I felt her soft tongue piercing my labia and stirring on the flesh wall of my vagina. Although her fingers were already very comfortable, her tongue licked me so hard that I couldn't help but gasp.

Under her stimulation, I couldn't wait to put her penis into my mouth again. But this time, I not only swallowed her glans, but also put her entire penis into my mouth as much as possible.

I put my tongue flat until her penis hit my throat and I felt like vomiting, then I stopped...

Before the urge to vomit became stronger, I slowly spit out the penis again

After spitting out the penis, I took a deep breath of air. Deep throat is more difficult than I thought.

Ah, Teacher Zhao, I didn't expect you to be able to do such a perfect deep throat in your first blowjob.

Who told you that it was your first time to give a blowjob to a man? This is your first time, Xia Xiaoxu!

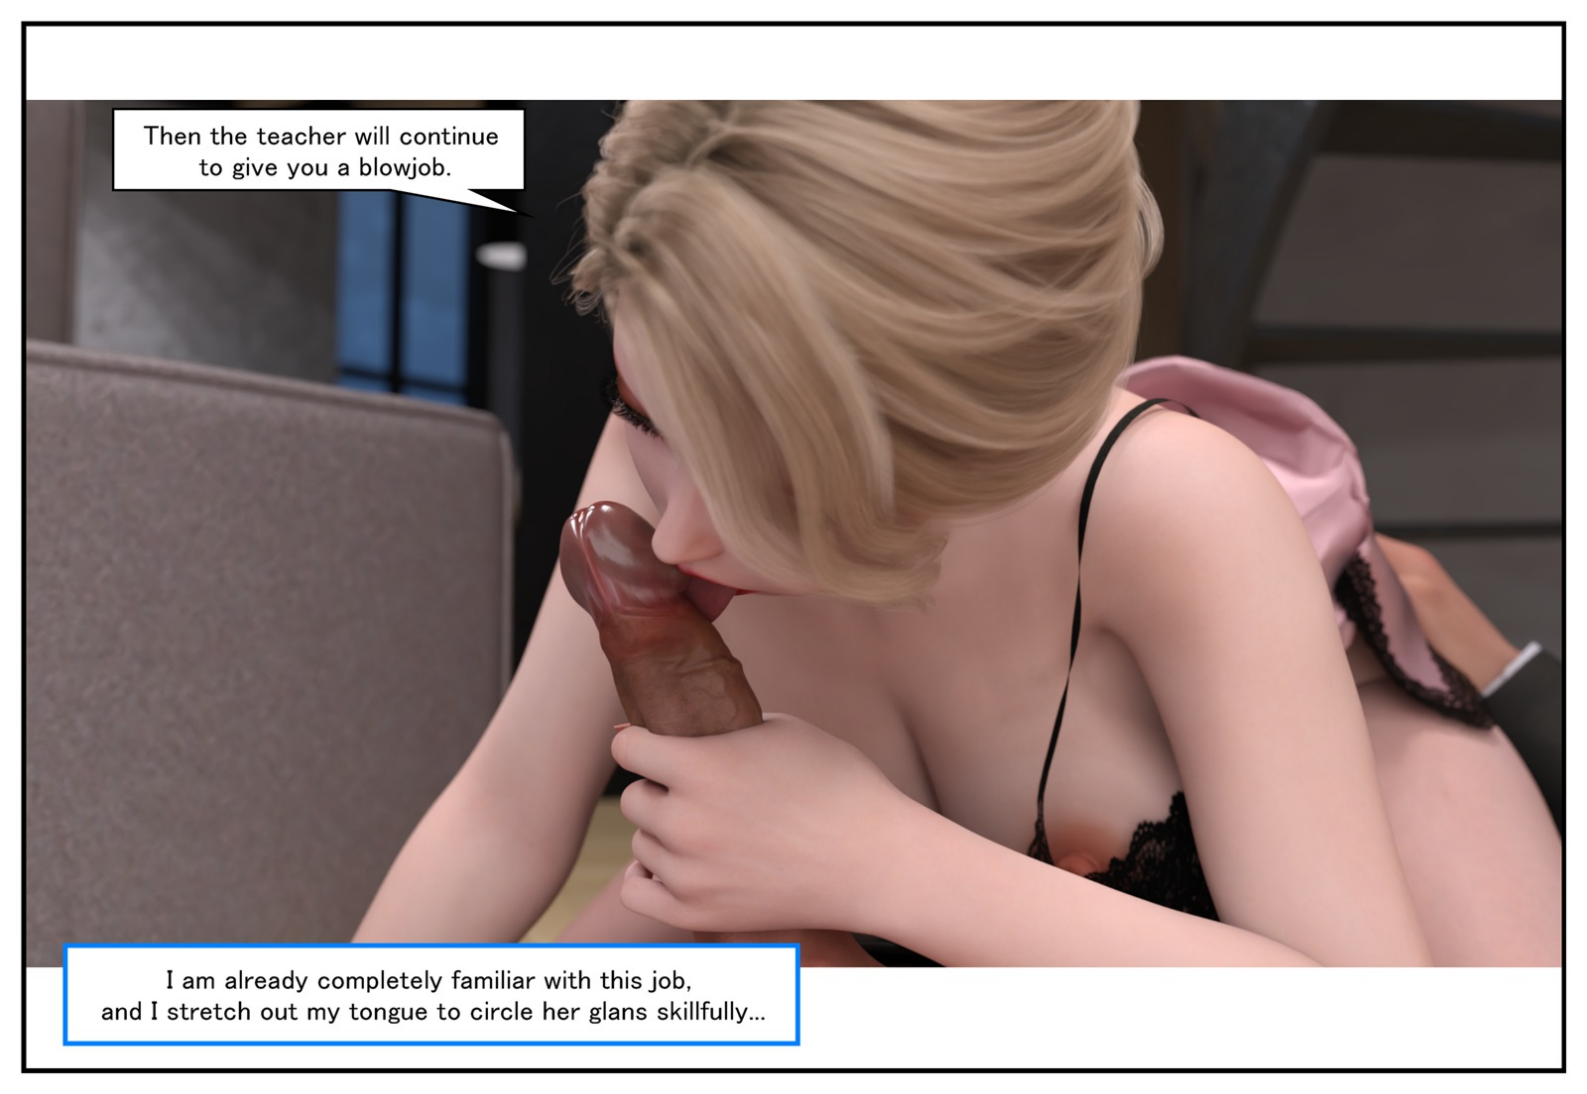

And who allowed you to talk? Lick harder!

While he was talking, I just felt a sense of emptiness in my lower body, and I couldn't wait to be filled by her tongue again.

Ah ah ah ah ~

Her tongue slowly inserted into my body again, and the satisfaction made me stick out my tongue. The expression I put on with Teacher Zhao's face must be very sexy now, I really wish there was a mirror.

A blonde woman with her hair styled in a bun is shown from the chest up. She is wearing a black lace bra and a pink garter belt. She is holding a large, realistic-looking penis with both hands, looking down at it. The background is dark and out of focus.

Then the teacher will continue
to give you a blowjob.

I am already completely familiar with this job,
and I stretch out my tongue to circle her glans skillfully...

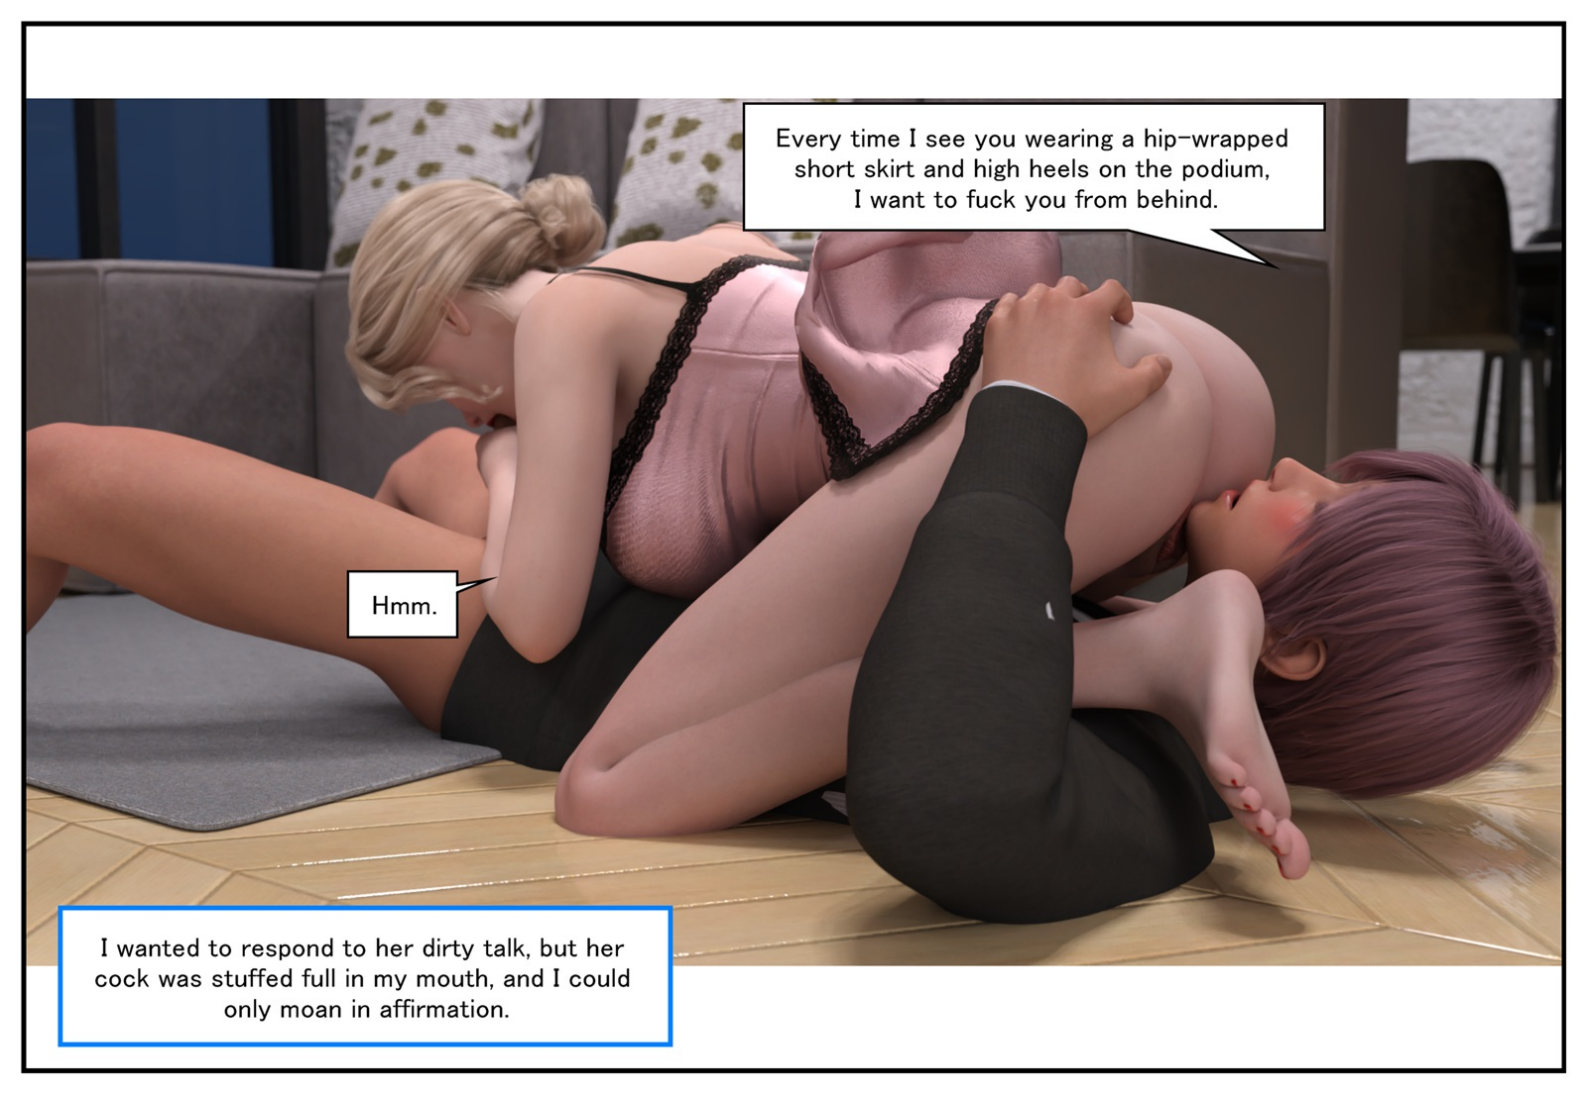

Then I swallowed her glans into my mouth again, swallowing it rhythmically.

It feels so good,
Teacher Zhao, don't stop...

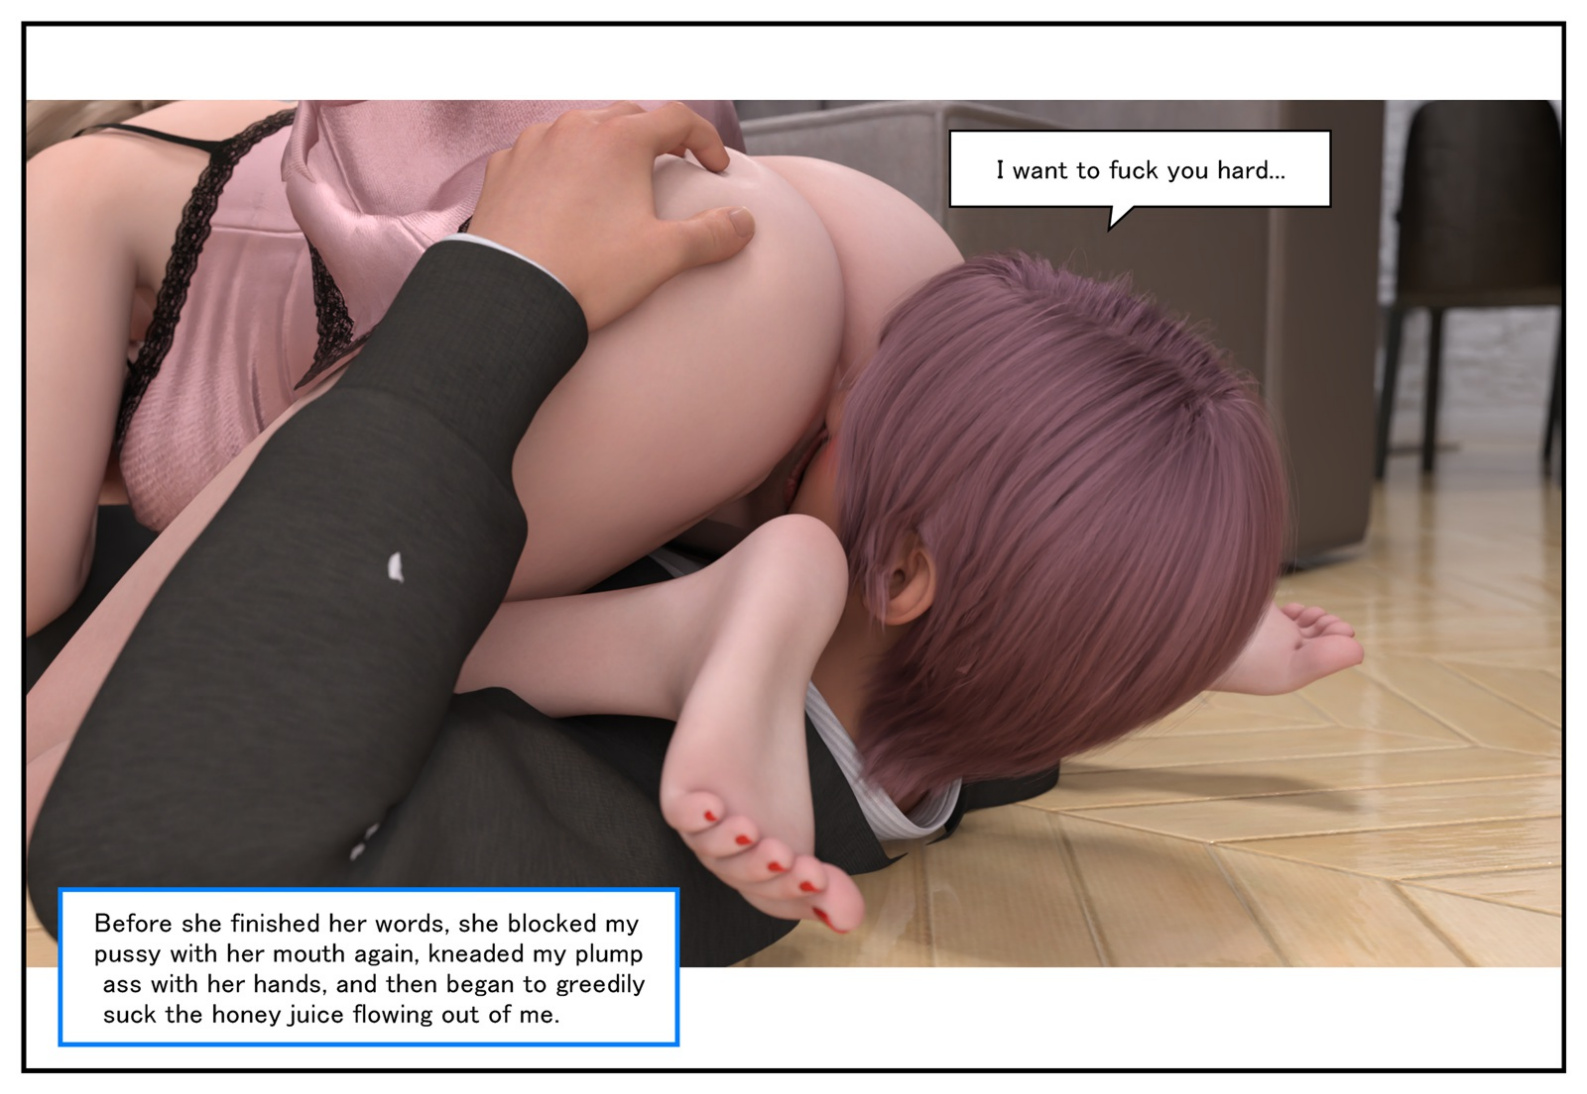

Her voice became deep and rich when she begged me, accompanied by pleasant gasps. I could feel her body tense up because of the pleasure, and her hands began to wander over my body.

Every time I see you wearing a hip-wrapped short skirt and high heels on the podium, I want to fuck you from behind.

Hmm.

I wanted to respond to her dirty talk, but her cock was stuffed full in my mouth, and I could only moan in affirmation.

I want to fuck you hard...

Before she finished her words, she blocked my pussy with her mouth again, kneaded my plump ass with her hands, and then began to greedily suck the honey juice flowing out of me.

Her ass tightened, and then I felt her penis begin to swell. I knew this was a sign of ejaculation, so I quickened the pace.

But at this moment, I did not spit out her penis under the trend of desire. Instead, I held her glans harder and sucked it. I suddenly wanted to taste the taste of semen, even if it was my own semen.

Ms. Zhao! I, I can't stand it anymore, I'm going to ejaculate!

Ms. Zhao's hot, salty semen was sprayed directly into my throat, and part of it was swallowed directly by me.

Ahem...

I spit out the penis, and semen flowed out of my mouth, and my mouth was also sticky.

Haah, haah...

After ejaculating, Ms. Zhao was still lying on the ground twitching, obviously still savoring the aftertaste of the orgasm just now. The mixture of semen and my saliva was still hanging on her penis.

I swallowed all of Ms. Zhao's remaining seed, and the warm and sticky liquid slowly flowed through my throat, allowing me to fully experience the taste of my own semen.

A woman with blonde hair, wearing a pink dress with black lace trim, is sitting in a modern interior. She has a thoughtful expression. The background shows a contemporary living space with a grey sofa, a white shelf with a plant, and a window with blue light. The scene is framed by a black border.

Huh... It's really crazy to think about it...

Although my body is still not satisfied, I am still embarrassed to ask her to continue having sex with me.

How did I... perform?

I can only say that it's great. You can learn such a complicated deep throat so quickly. But I think it's also due to my body's muscle memory.

Ah, I... I'll help you.

But can you let me get up first?
I need to wipe... my dick.

Her penis leaked some residual semen again, and I took a tissue to help her gently wipe it off. Looking at her penis like this, I felt a little liquid leaking from my lower body. The sexual desire of a middle-aged woman is torturing my will at this moment.

You just mentioned muscle memory...
Do you often give men oral sex?

There was a time before... I did go out with boys quite often. Of course, I wasn't as crazy as my mother (Yawei) or Aunt Li (Li Yun).

A character with short, layered purple hair is shown from the chest up. They are wearing a dark grey or black V-neck cardigan over a light-colored, vertically striped collared shirt. Their expression is somewhat somber or thoughtful as they look down. The background features a white textured wall with a large, circular, gold-colored decorative piece on the left and a window with a dark frame on the right, showing a night sky with stars. In the foreground, the back of a person's head with long, wavy blonde hair is visible, suggesting the character is in conversation.

My...semen doesn't taste bad, does it?

Haha, it's not too bad, but it's the first time in my life that I've drunk something so strange.

After cleaning up, she snuggled up to me, and I rinsed my mouth with the drink I just drank.

Do you feel okay?

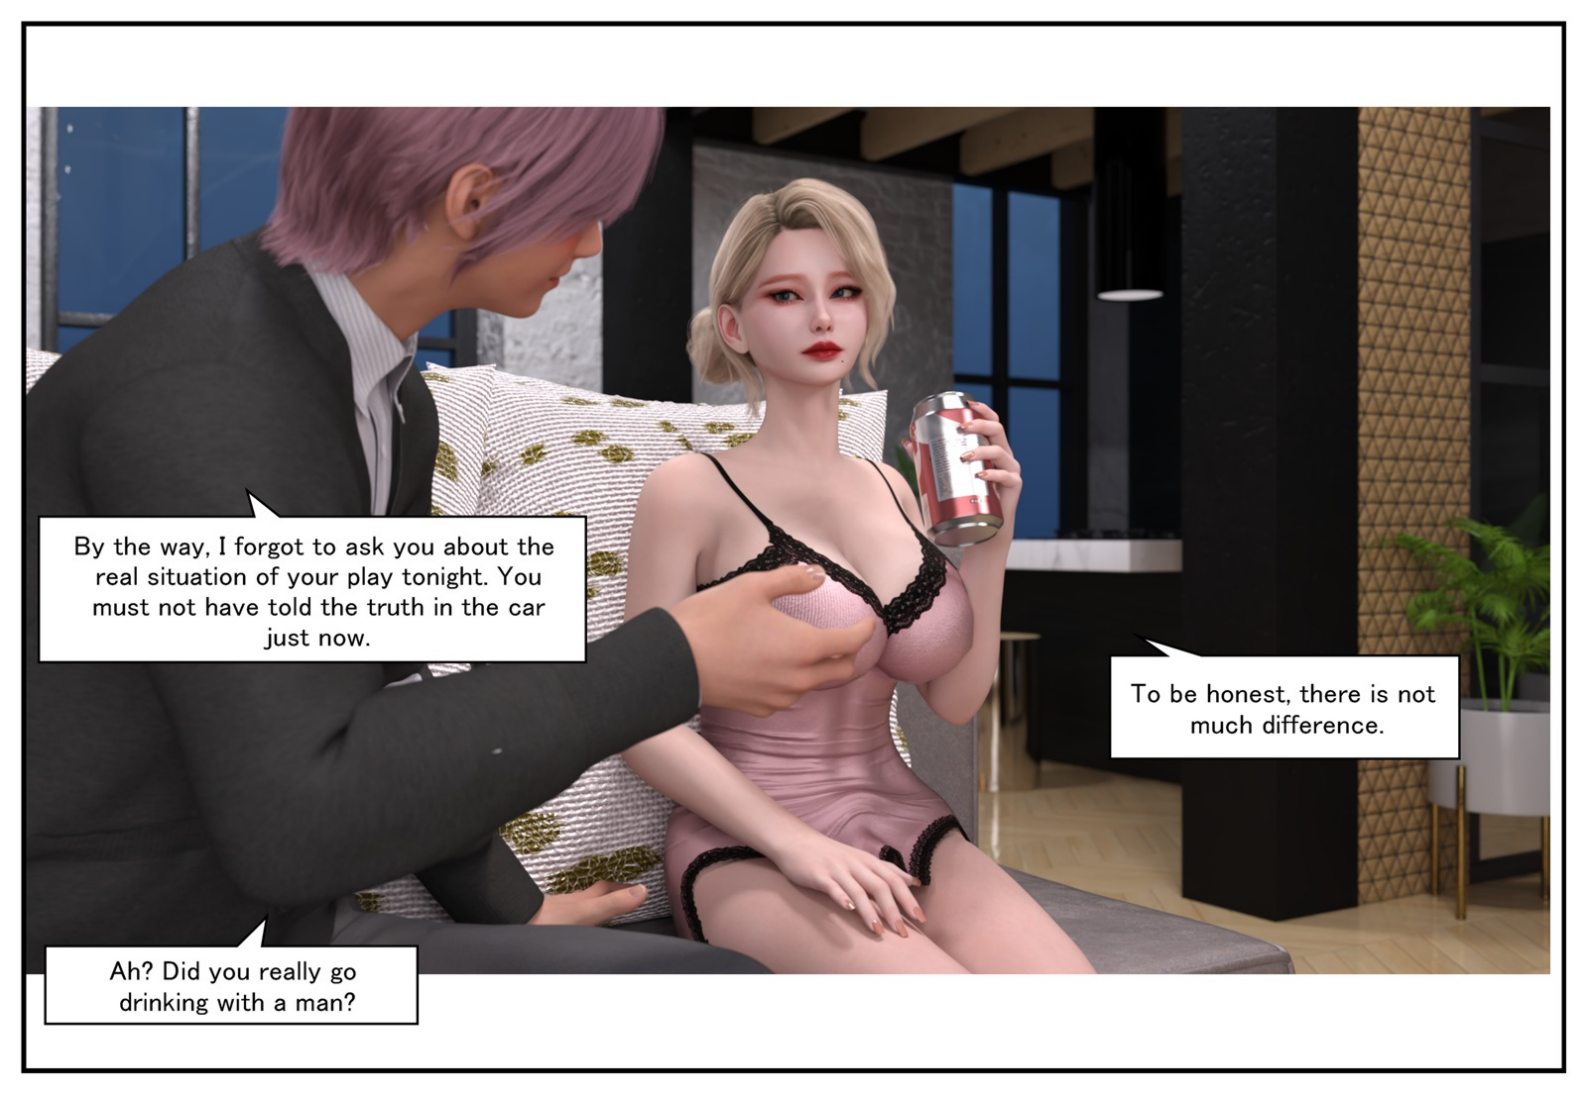

Yeah, very...comfortable

That's good.

Her head was pressed against my breasts, as if she was carefully enjoying the feeling of my breasts. Really, she had just ejaculated, so she really didn't have time?

By the way, I forgot to ask you about the real situation of your play tonight. You must not have told the truth in the car just now.

To be honest, there is not much difference.

Ah? Did you really go drinking with a man?

Because I know that if I act and take the initiative to flirt with a man, Yawei (mom) will definitely be scared by me. In fact, she was indeed scared when she saw me acting like a real woman and flirting with a man.

So I feel that she might take the initiative to ask us to change back before we leave tomorrow...

Indeed, this might be the fastest way to make her bow her head.

Judging from her behavior in the car tonight, she might indeed ask us to change back tomorrow.

Oh, I think you are a little disappointed.

Yes, after so many days, I really want to try to participate in the hot spring tour like this.

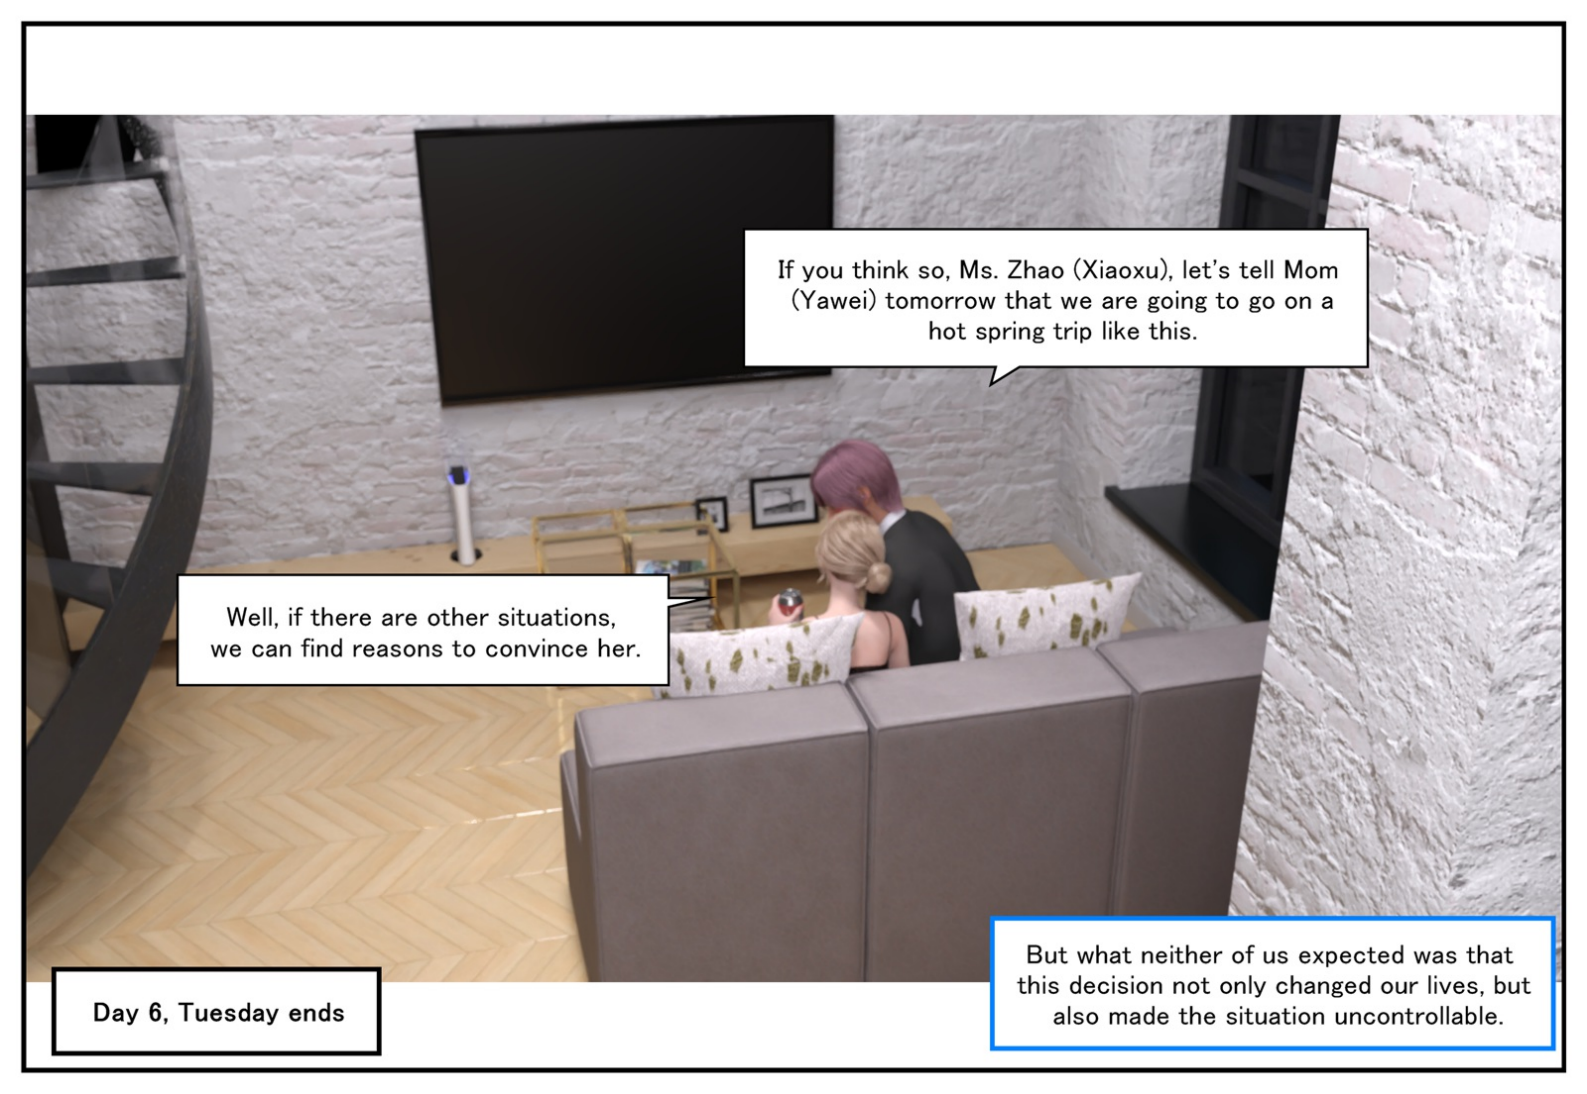

Then let's speak out our true thoughts tomorrow.

I am also going to experience the feeling of a real woman during the trip.

Well, you are also... looking forward to it.

I don't know if it was because of the alcohol or something, but I actually hugged her shoulders and told her the real thoughts in my heart.

If you think so, Ms. Zhao (Xiaoxu), let's tell Mom (Yawei) tomorrow that we are going to go on a hot spring trip like this.

Well, if there are other situations, we can find reasons to convince her.

Day 6, Tuesday ends

But what neither of us expected was that this decision not only changed our lives, but also made the situation uncontrollable.

The next day.

What? You two don't want to switch back.

Well, we both think this will be quite interesting.

Okay, I admit that I did it on purpose at the beginning, but I really admit defeat now, and you don't have to continue to fight me. I have lost this game of cowards, okay, and I will switch you back now.

We are speaking the truth now.

Yes.

You lied to me, didn't you, Xiaoxu?
Don't you want to go back to your old life?

Of course I didn't lie to you, you can use the
remote control to force me to tell the truth.

I'm serious, Xia Xiaoxu.

Me? Yawei, I'm Zhao Fengming.
Don't call me the wrong name.

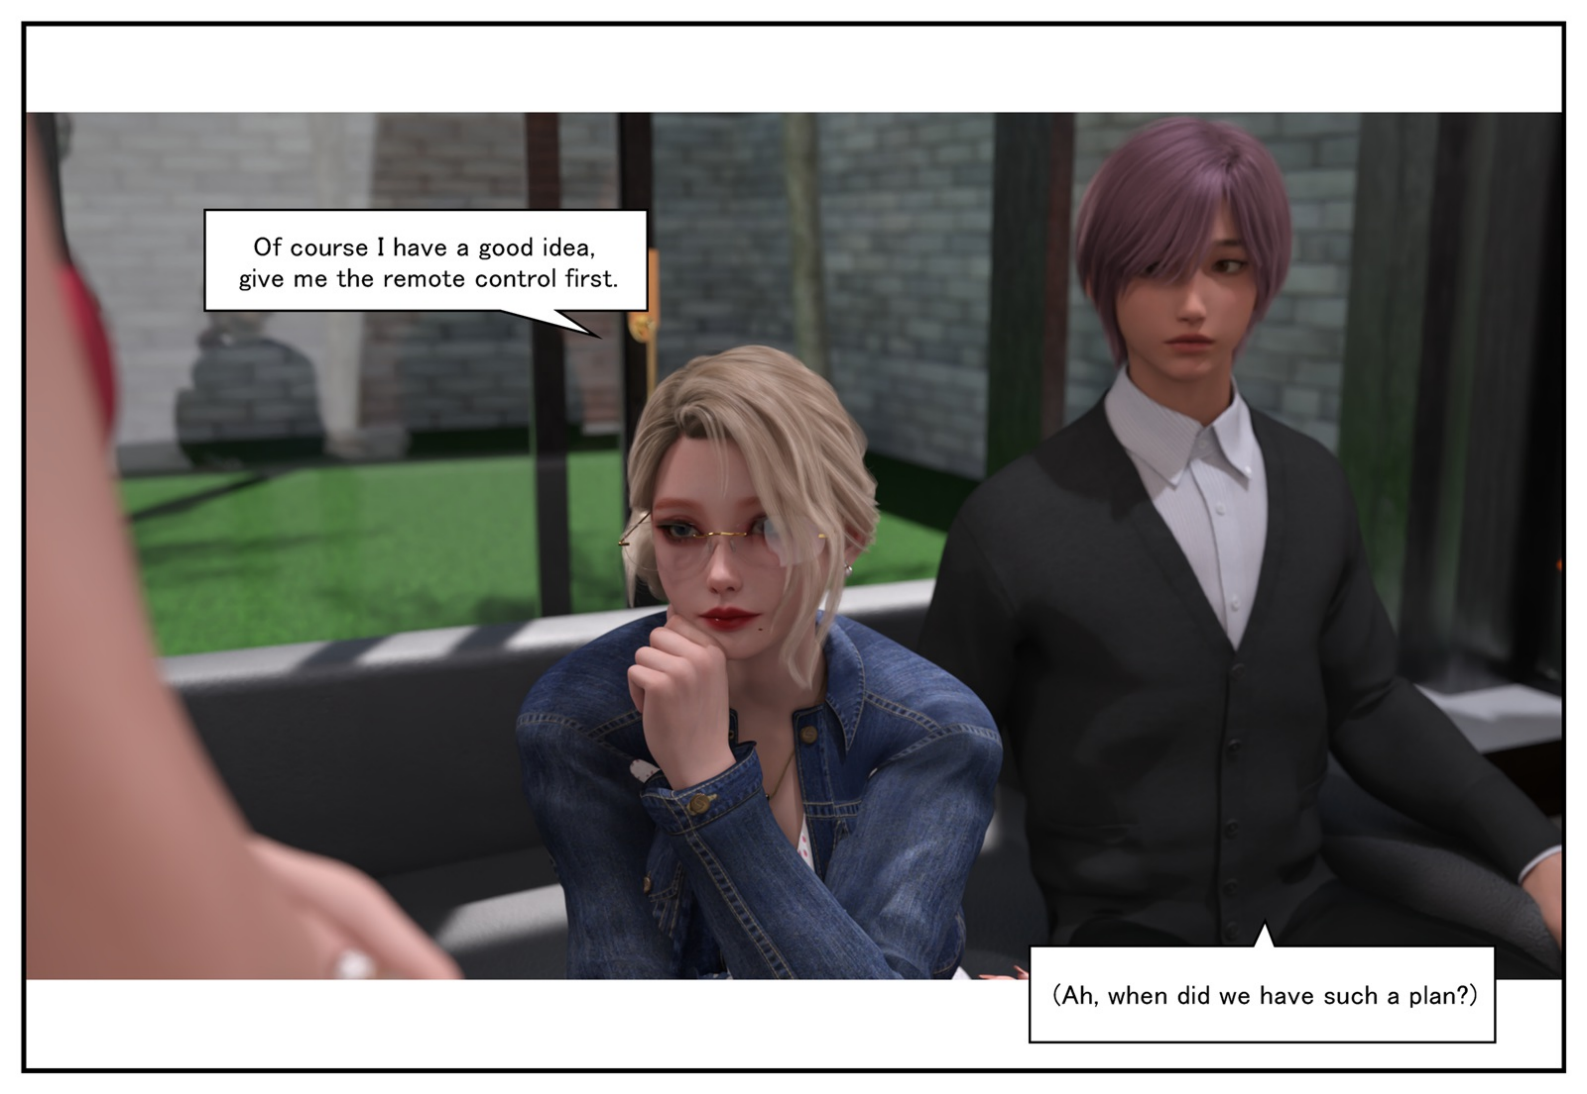

How did I expect you to fall in love with this feeling? How could this happen?

Emm, if you don't experience it yourself, it's hard for me to describe this novel feeling to you.

I want to experience it too...?
Do you have any suggestions?

Of course I have a good idea,
give me the remote control first.

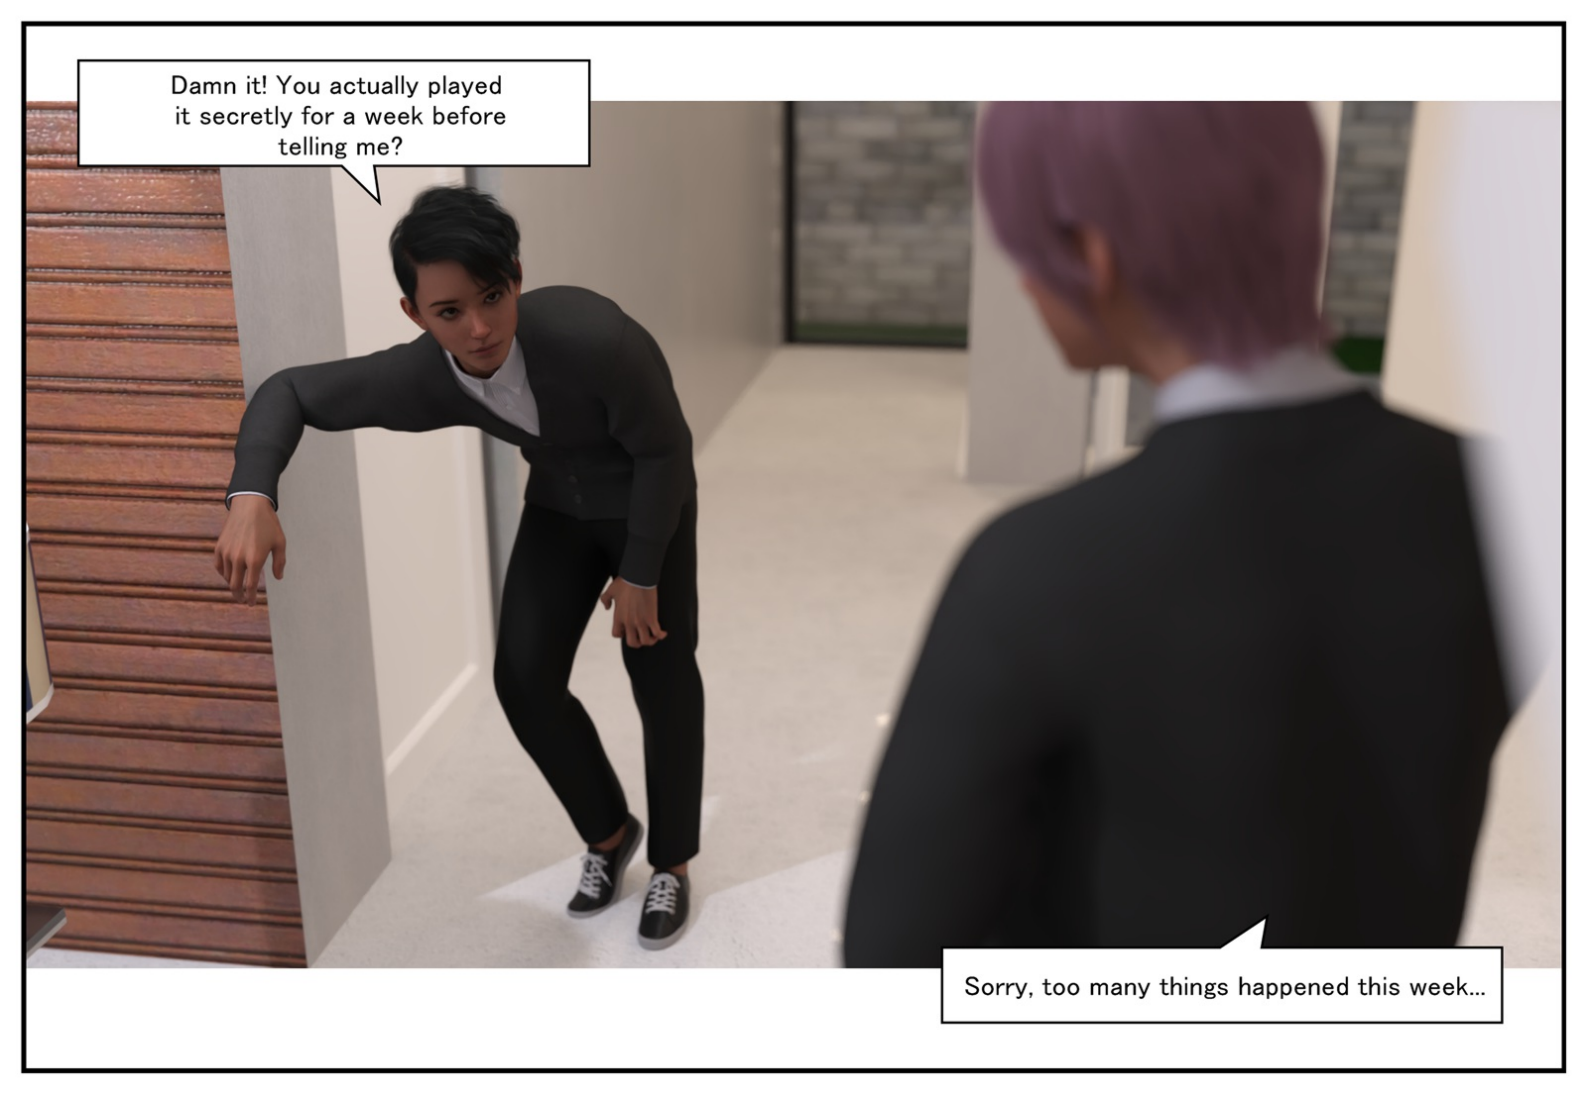

(Ah, when did we have such a plan?)

A 3D rendered scene showing a man in a dark suit running out of a dark grey door. The door is set in a white wall with a stone-patterned floor. To the right, there are white steps leading up to a large window. The man is looking back over his shoulder. A speech bubble is positioned above him.

Xiaoxu, is the remote control left by the alien real?

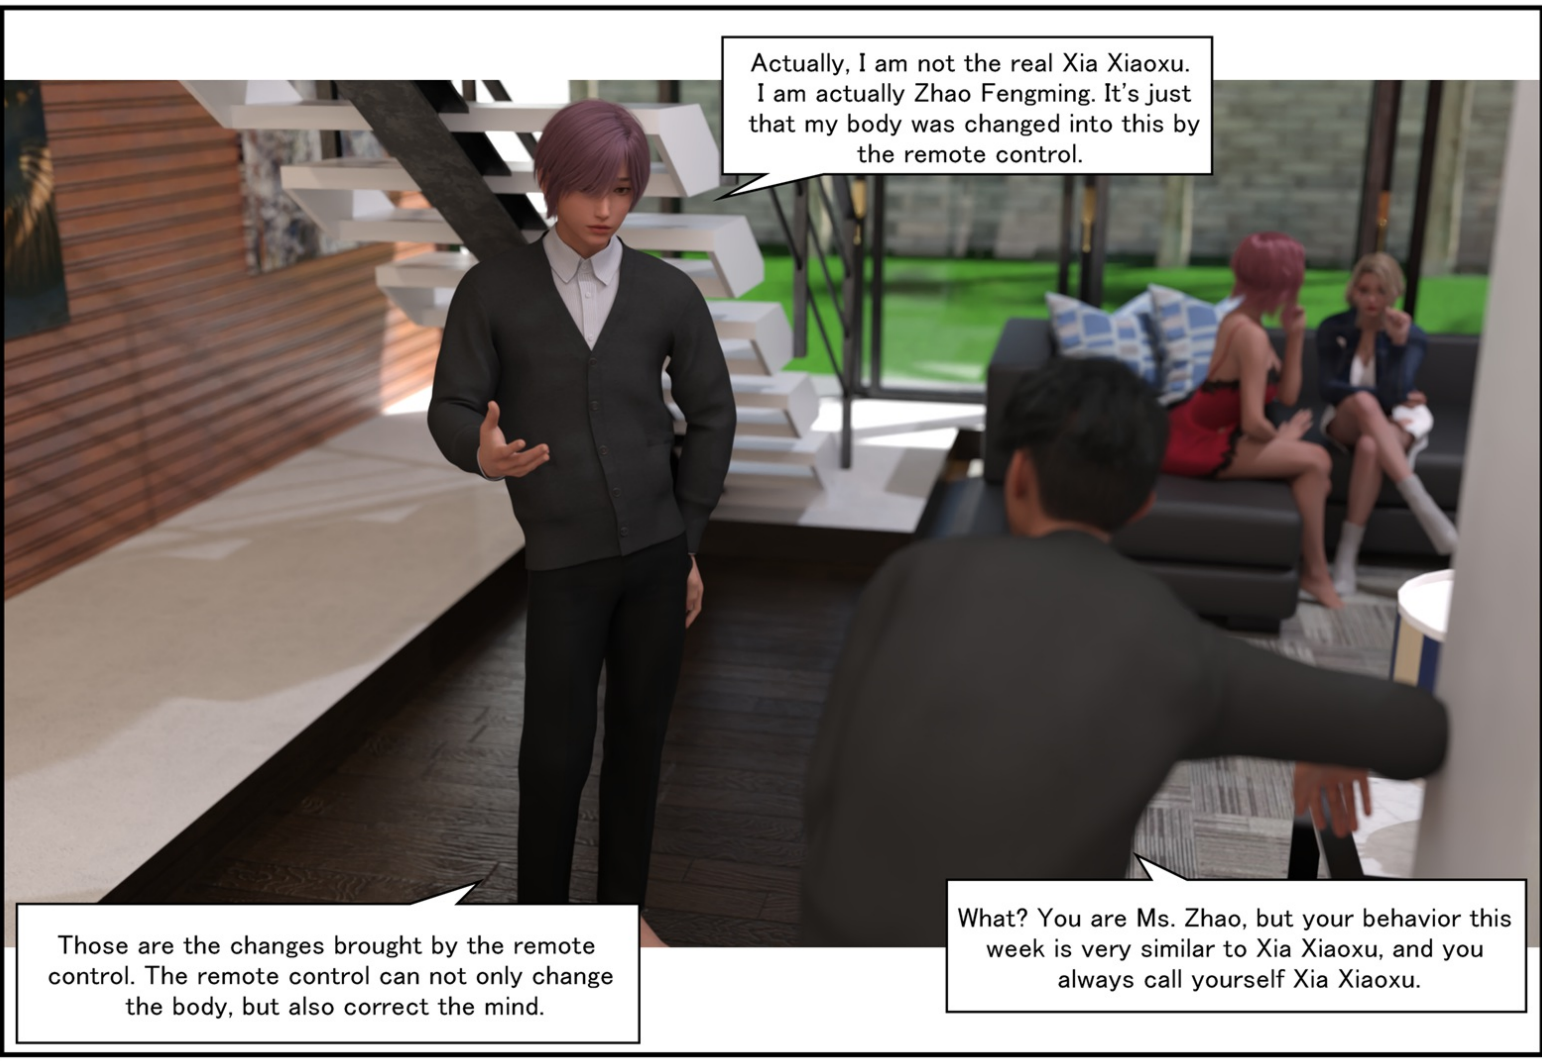

Ha, ha, buddy...you are not kidding me.

Damn it! You actually played
it secretly for a week before
telling me?

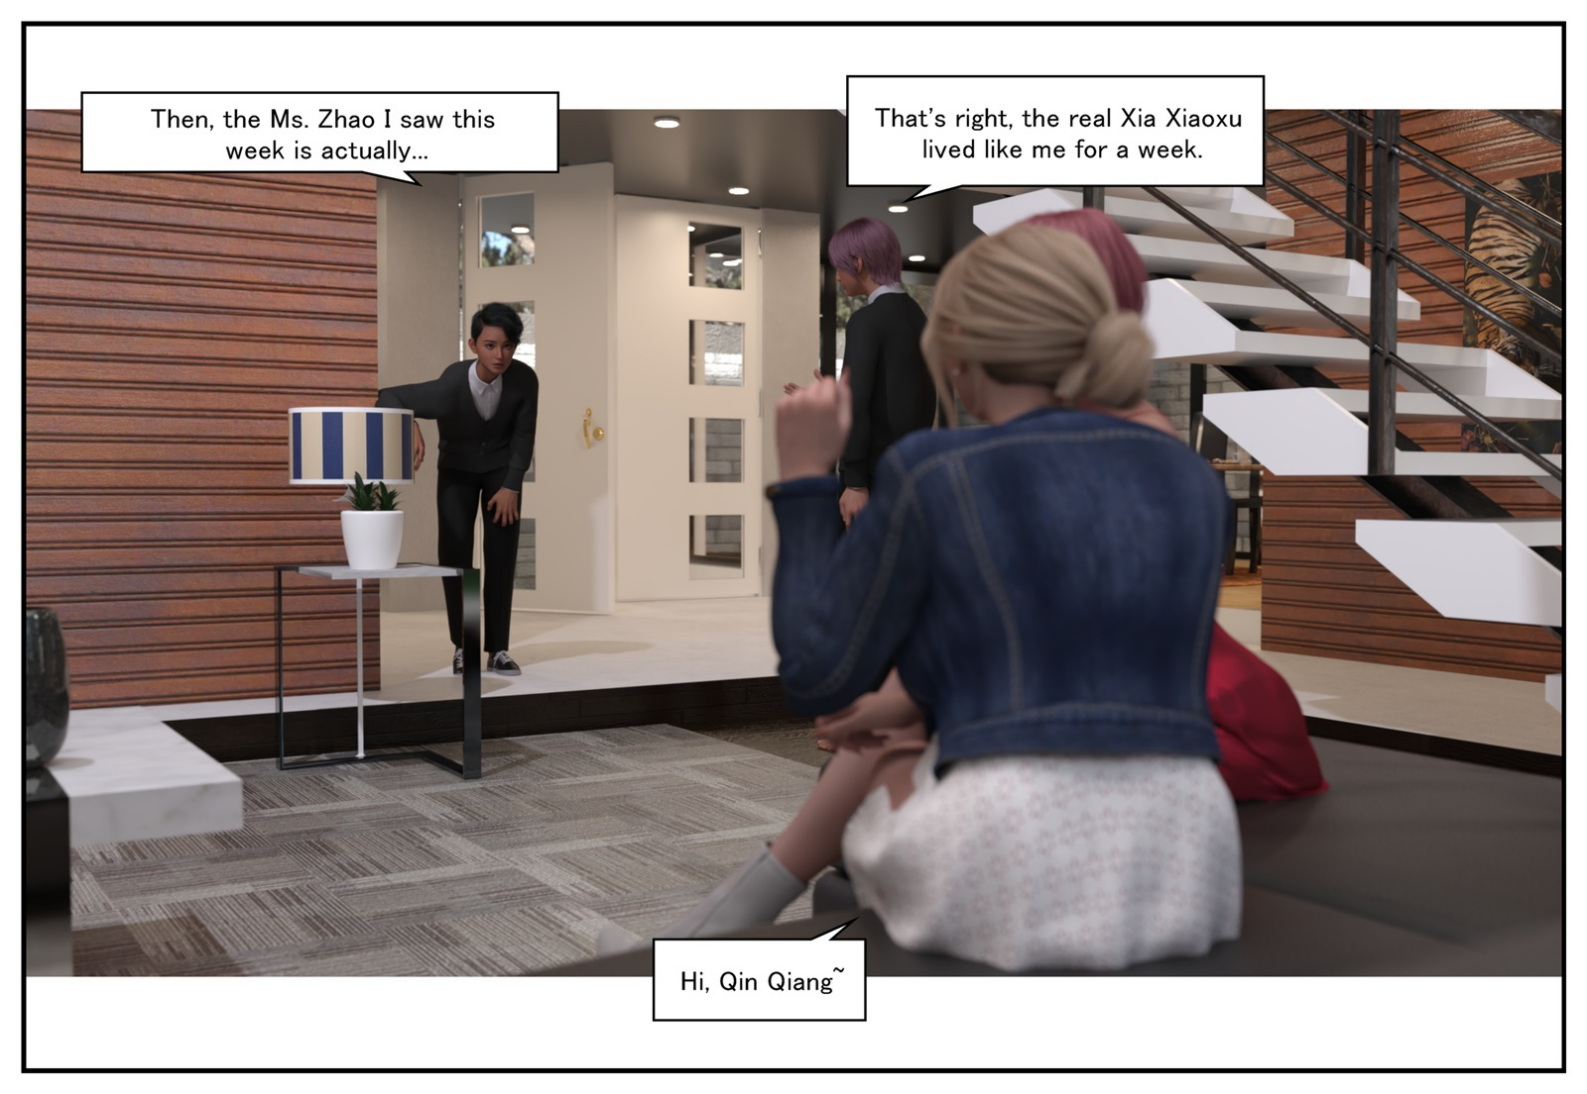

Sorry, too many things happened this week...

Actually, I am not the real Xia Xiaoxu.
I am actually Zhao Fengming. It's just
that my body was changed into this by
the remote control.

Those are the changes brought by the remote
control. The remote control can not only change
the body, but also correct the mind.

What? You are Ms. Zhao, but your behavior this
week is very similar to Xia Xiaoxu, and you
always call yourself Xia Xiaoxu.

Then, the Ms. Zhao I saw this week is actually...

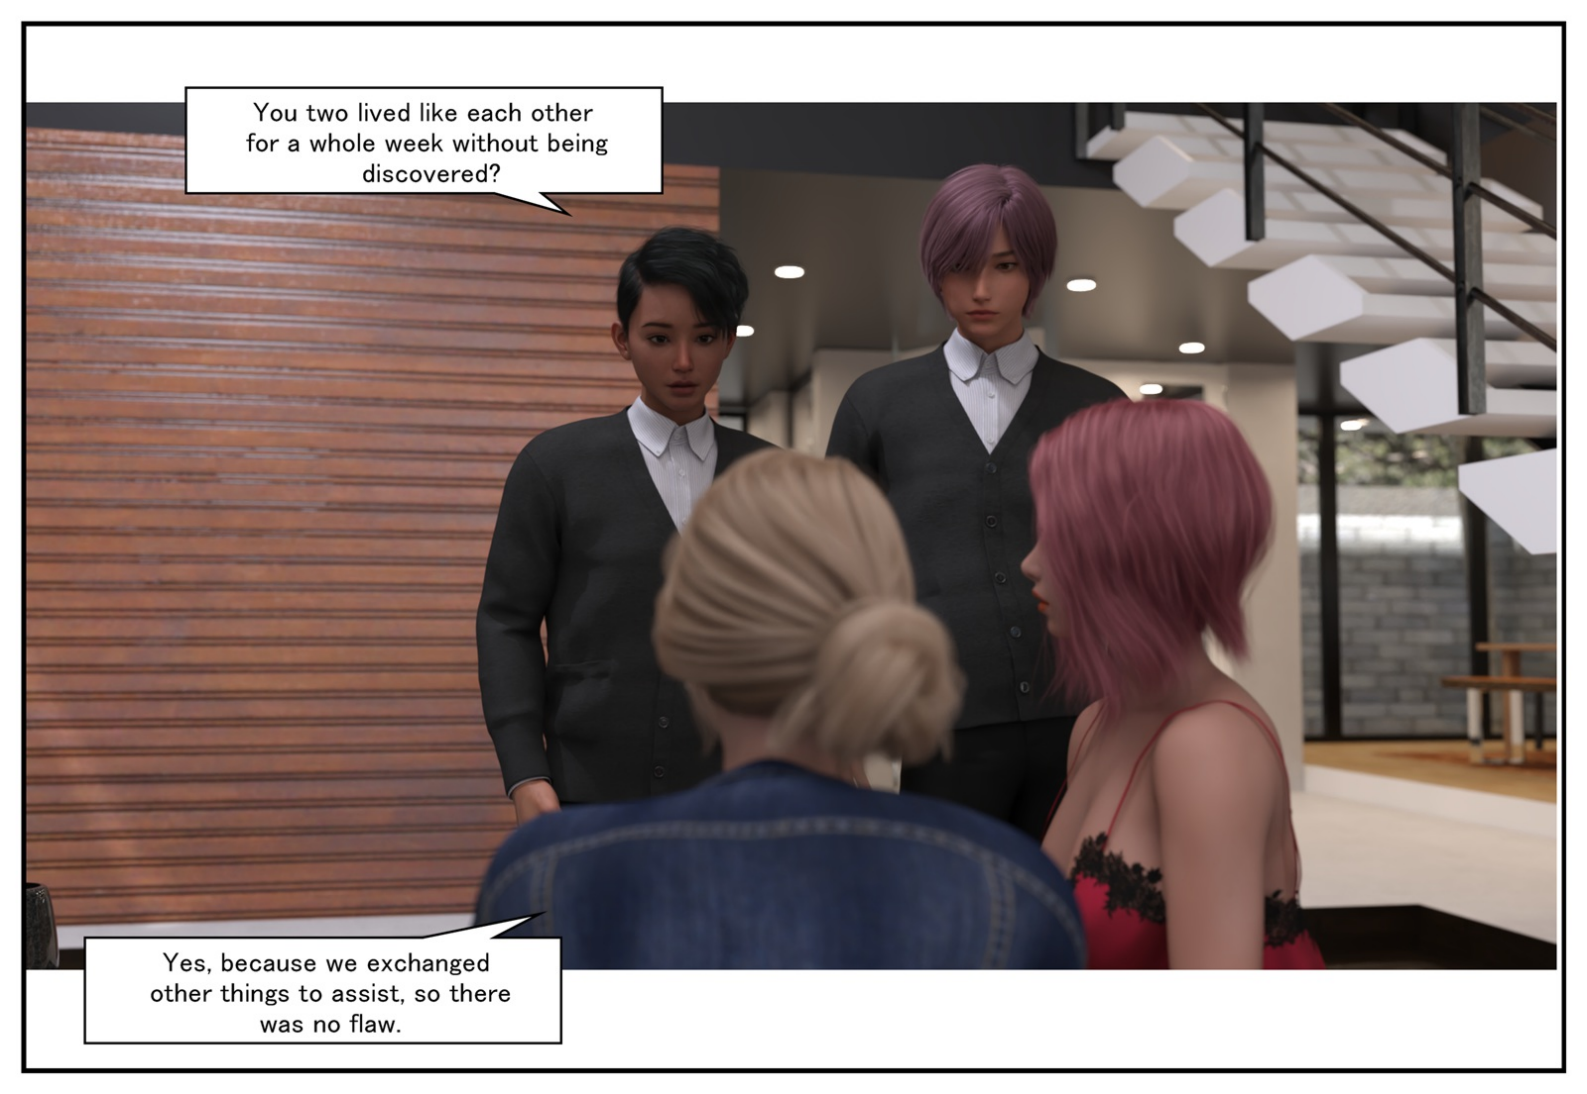

That's right, the real Xia Xiaoxu lived like me for a week.

Hi, Qin Qiang~

Are you sure you want me to switch with this guy? !

That's good. In this way, you and Xiaoxu will both become high school boys and experience life from different perspectives.

You two lived like each other
for a whole week without being
discovered?

Yes, because we exchanged
other things to assist, so there
was no flaw.

But now your Ms. Wang is also curious about what it feels like to become a high school boy, so she also wants to find someone to exchange with, right Yawei.

Uh...

I think we can try to become each other's appearance to participate in this hot spring tour...

What do you think?

Really, really? ! You mean I can become Teacher Wang's appearance to experience everything about her?

Is there any need to ask? !
Of course I am willing

Then there is no time to lose, you take off your clothes first and prepare to exchange.

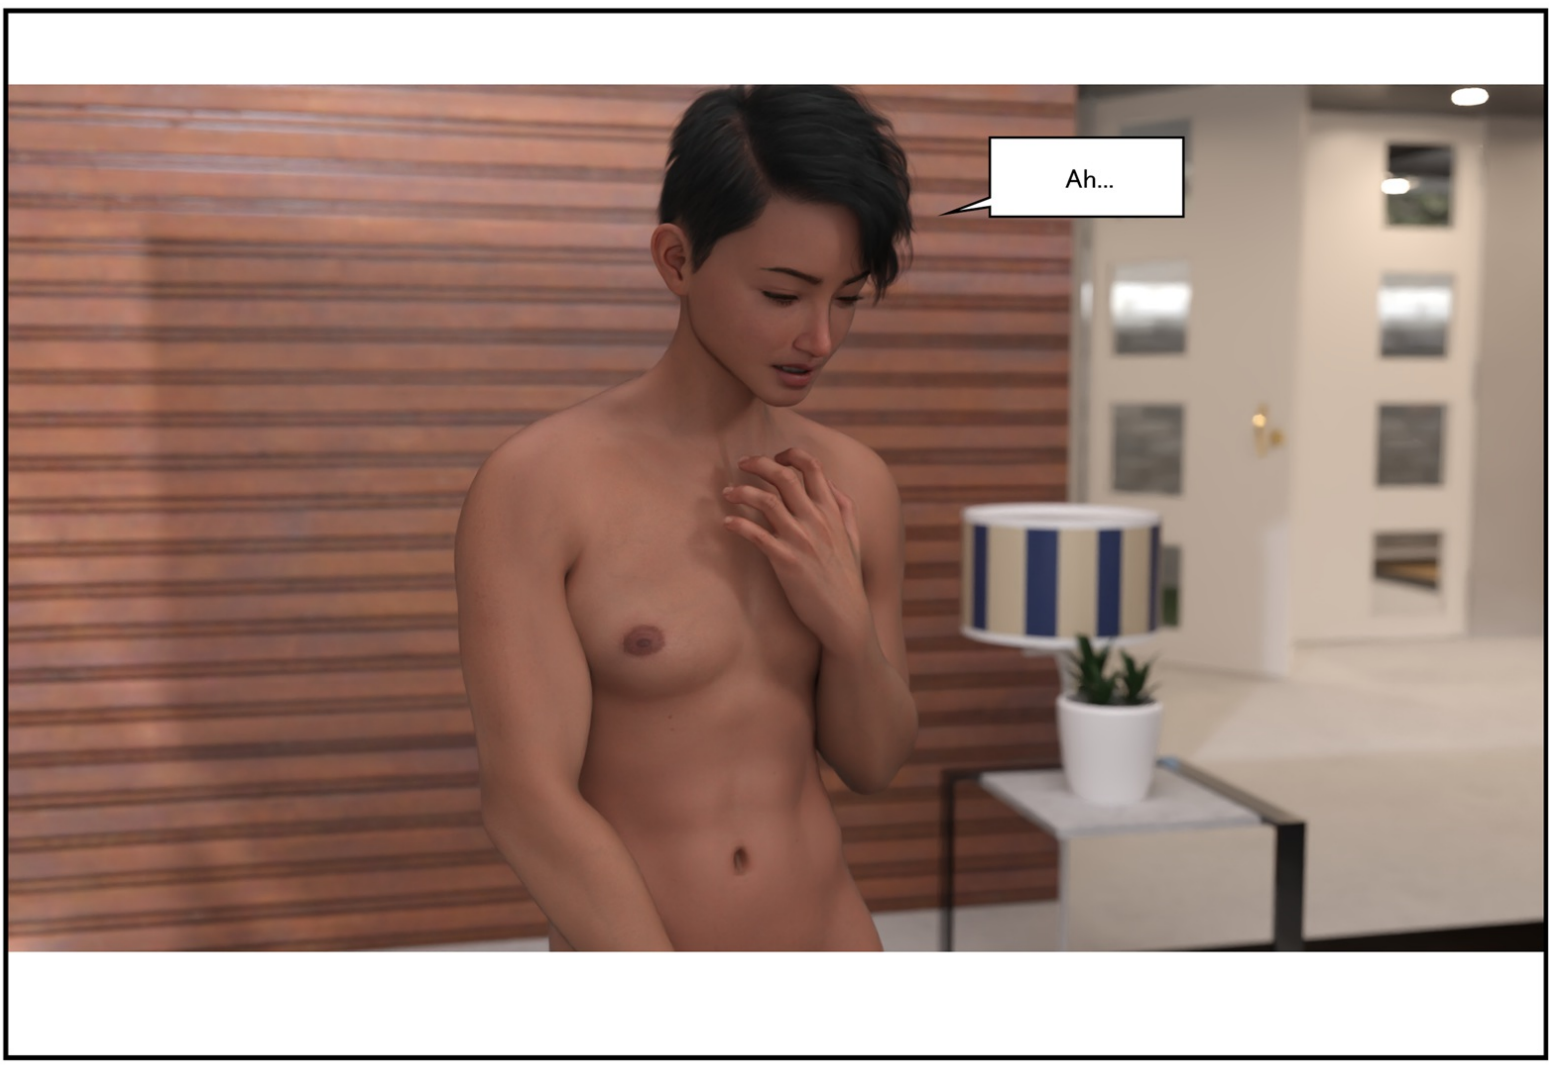

Do you have to take it off so cleanly?

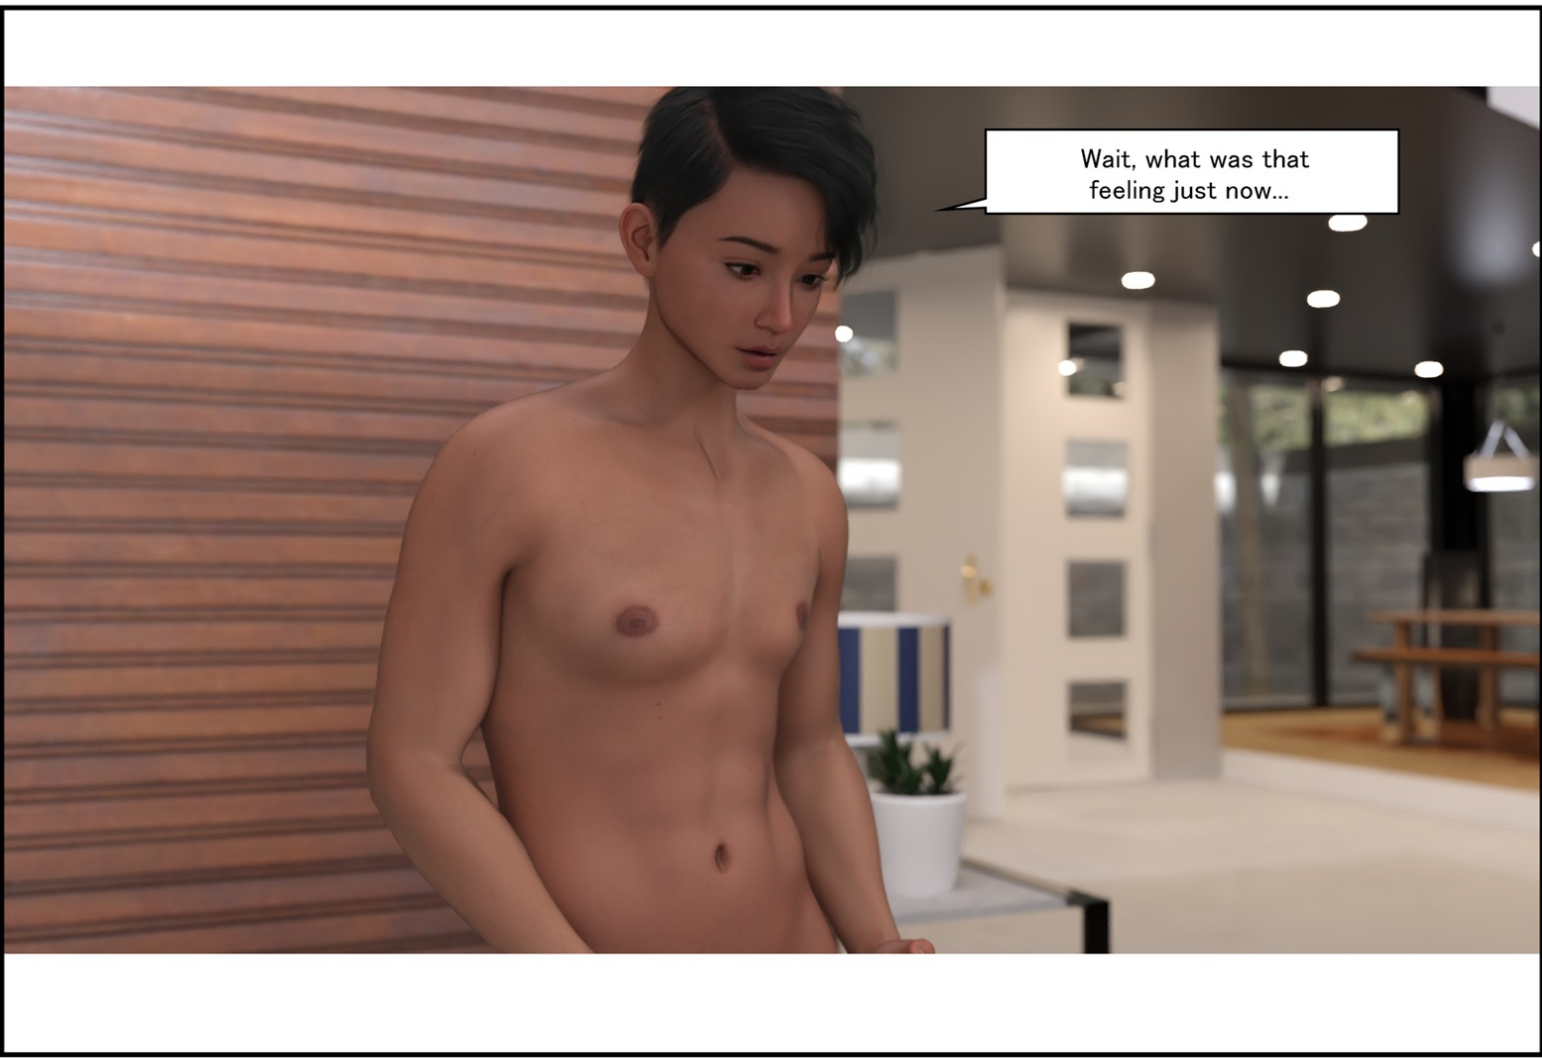

Of course, otherwise it will be bad if the clothes are torn.

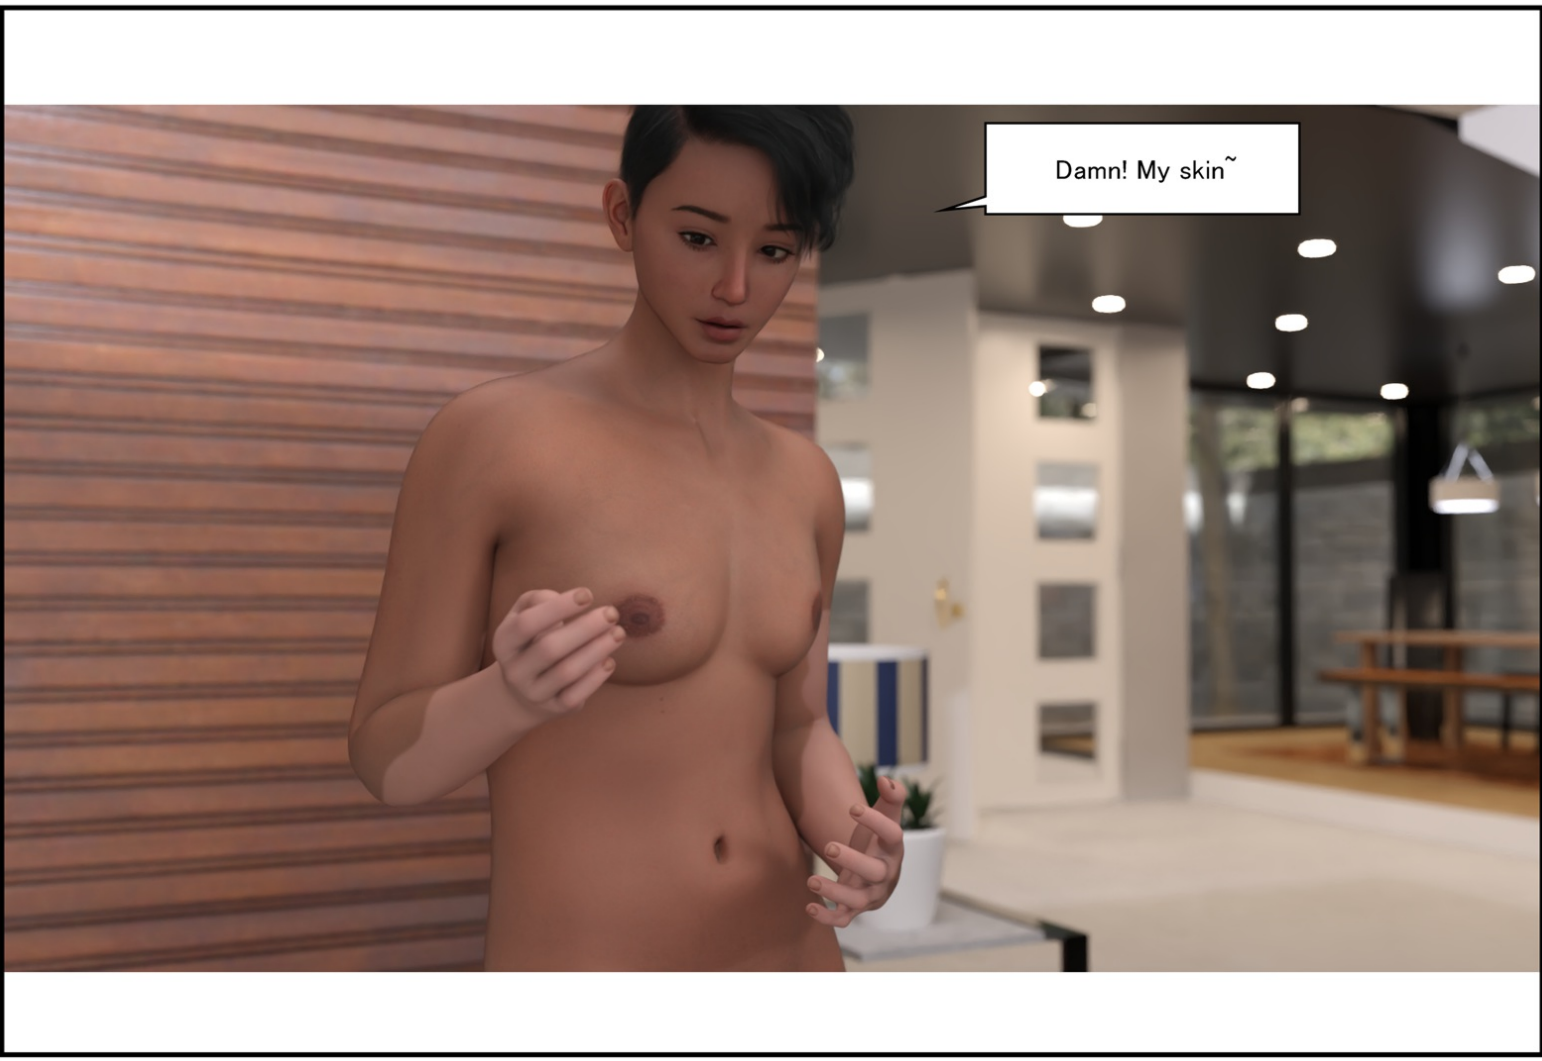

Let's start with you, Qin Qiang.

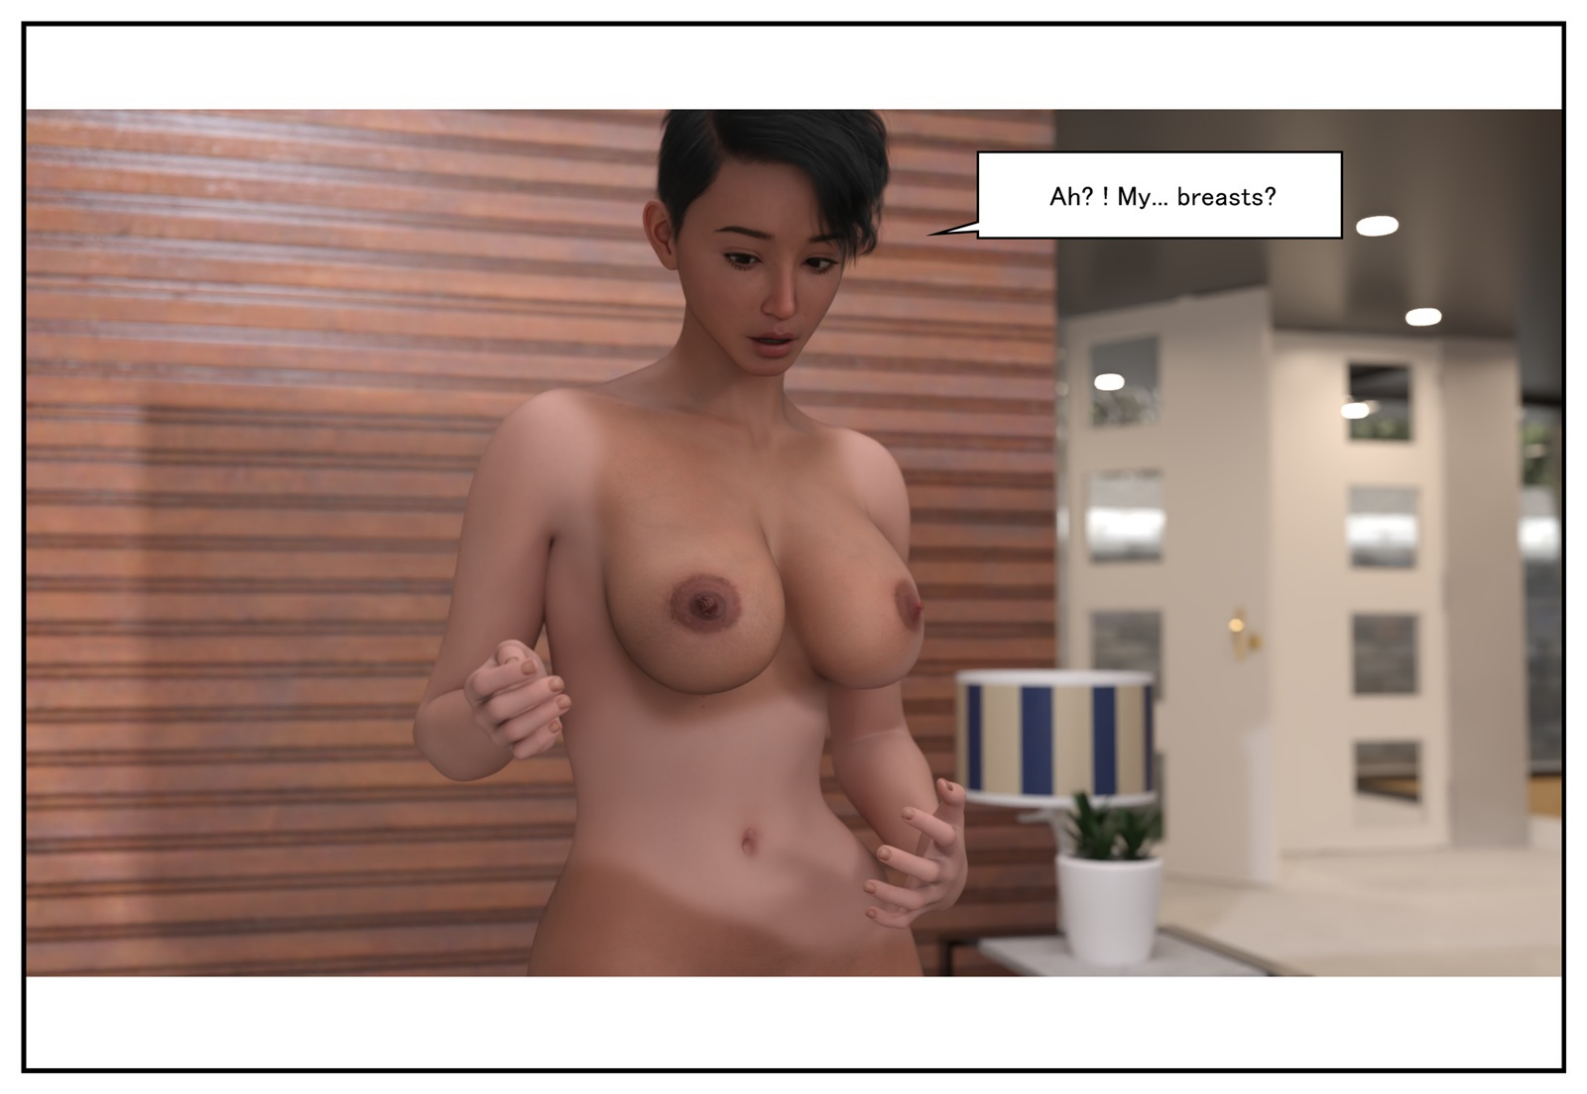

Ah...

Wait, what was that feeling just now...

Damn! My skin~

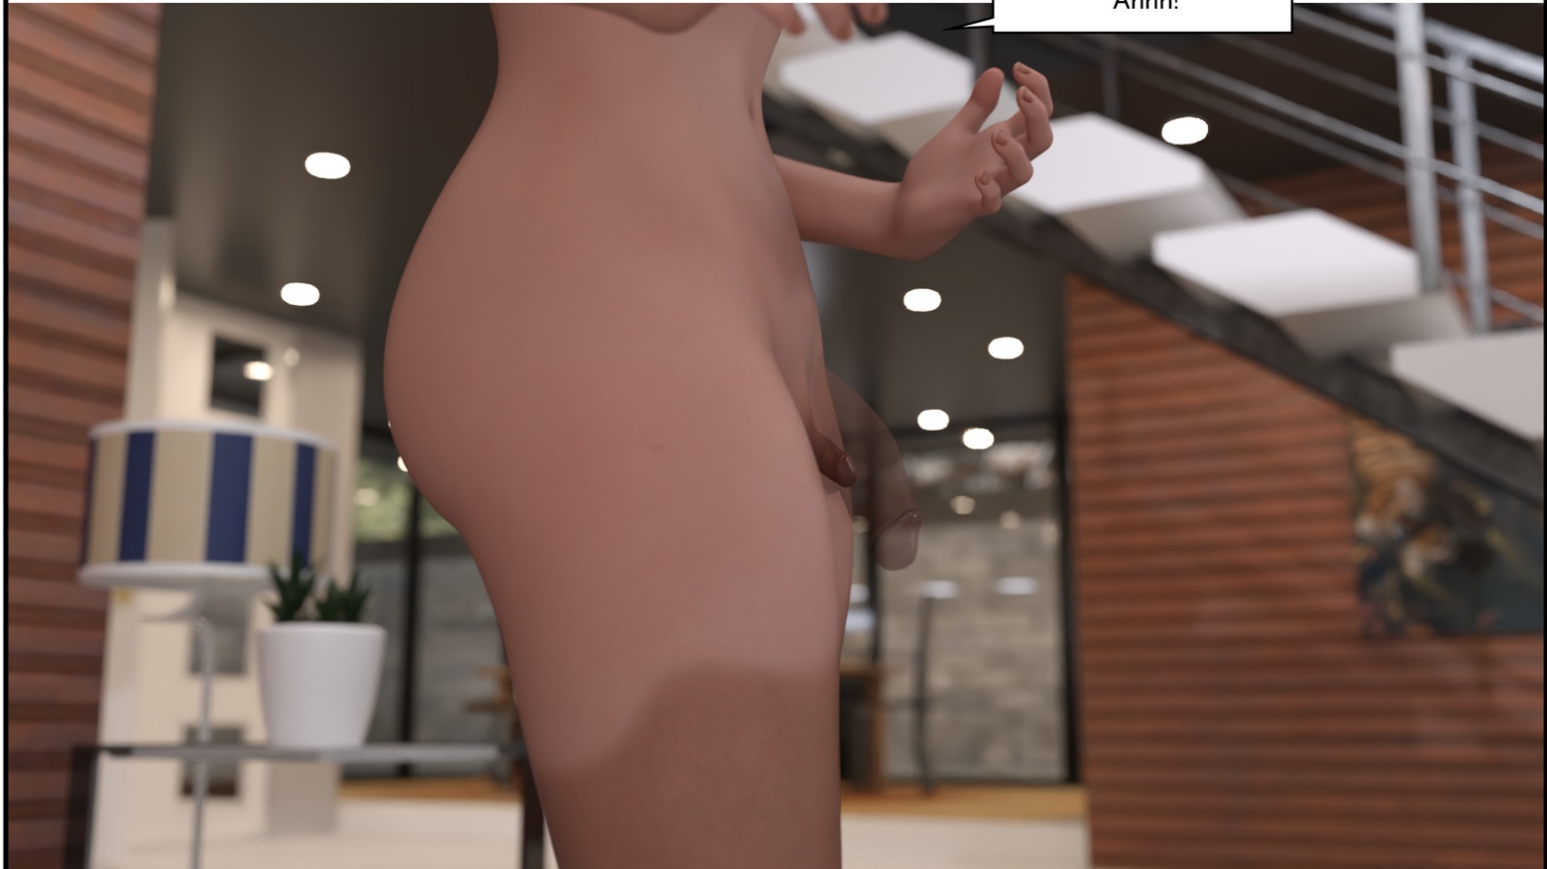

Ah? ! My... breasts?

A 3D rendered scene of a nude woman in a modern interior. She is standing in profile, facing right. The background features a staircase with white steps and a metal railing, and a wall with horizontal wood slats. A speech bubble points to her groin area.

No way, my dick is also...

Ahhh!

*Shrink

Ah, my... my voice...

My hair too...

Damn, dude, isn't this too crazy?
Have I really turned into your mom?

I think you meant to say Fengming, Yawei.

My god, it's truly magical to see another version of myself appear in front of me.

Yes, but that's not enough, next...

A 3D-rendered scene showing two women sitting on a black leather couch. The woman on the left has long, wavy pink hair and is wearing a red dress with black lace detailing. She is holding a small object in her hand. The woman on the right has short blonde hair, wears glasses, a blue denim jacket, and a white lace dress. She is holding a smartphone. A blue and white checkered pillow is on the couch between them. The background shows a window with a view of a green lawn and a stone wall.

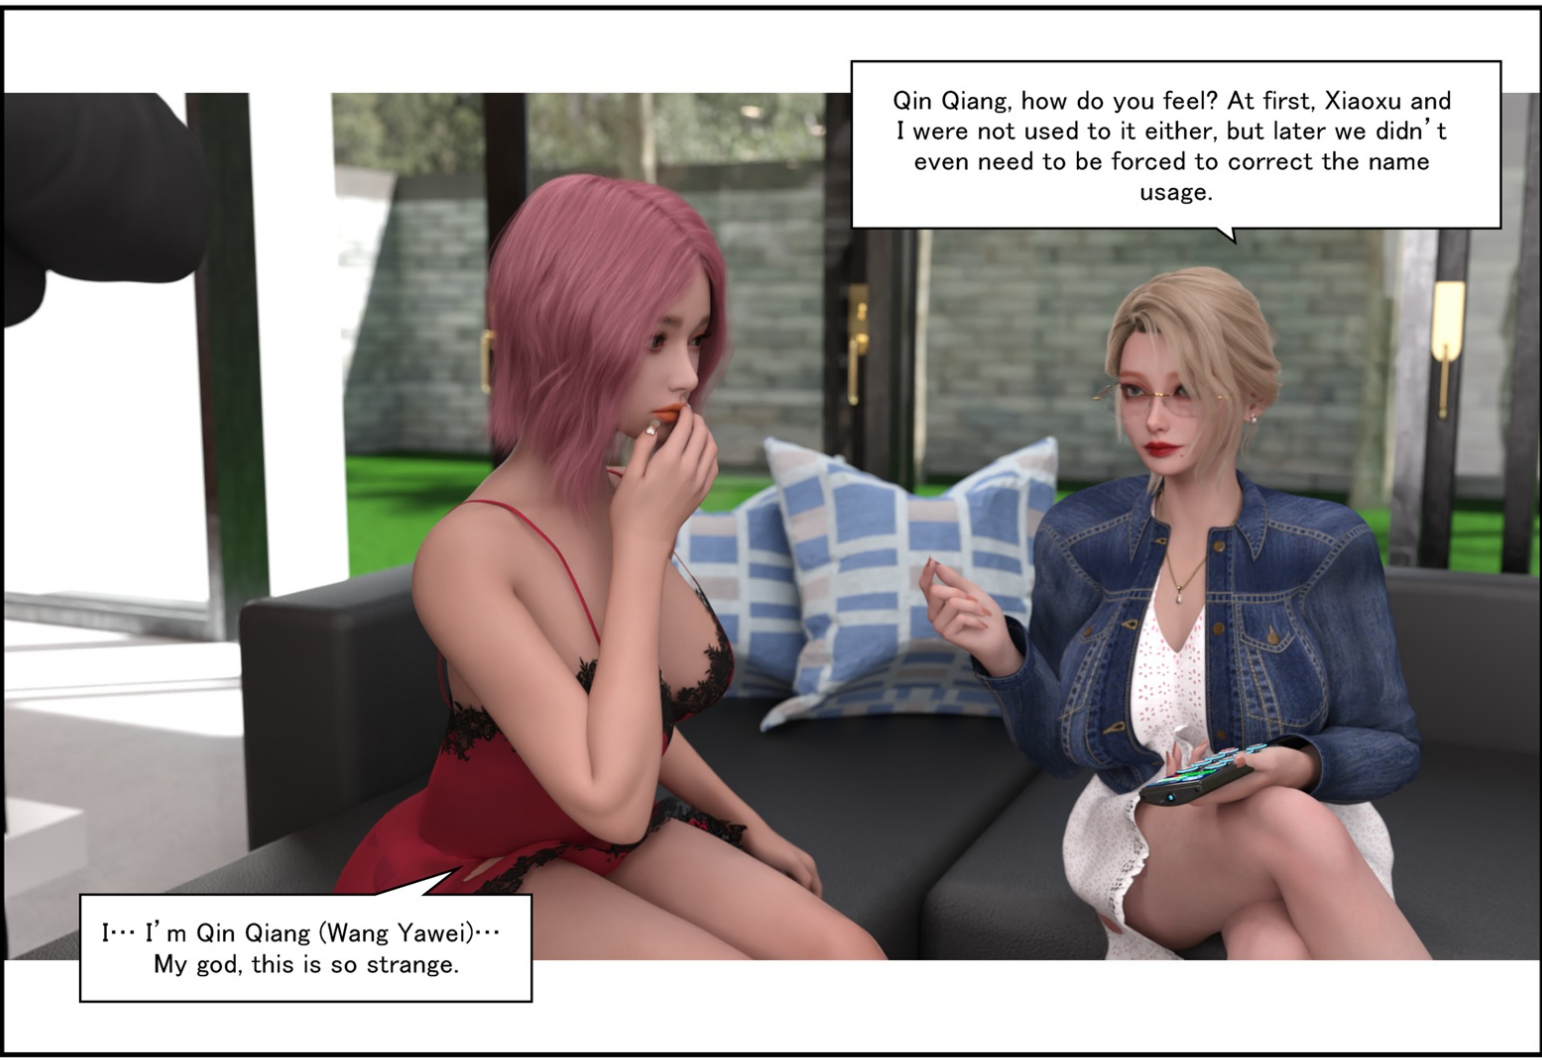

We also need to swap names and self-awareness, just like you did for me and Xiaoxu before, to prevent exposure in front of others.

The moment I pressed the button, Yawei showed a pained expression. I know this feeling, but it's just for a moment. From now on, they will both be forced to refer to themselves using each other's names and adopt each other's attitudes when dealing with me and Xiaoxu.

Wait, shouldn't we swap bodies first?
Ms .Zhao (Xiaoxu)...

Qin Qiang, how do you feel? At first, Xiaoxu and I were not used to it either, but later we didn't even need to be forced to correct the name usage.

I... I'm Qin Qiang (Wang Yawei)...
My god, this is so strange.

Really? Dude (Fengming), have you completely gotten used to it?

The process is quick, I believe you'll get used to it quickly too, see, you're already starting to call me dude, haha.

Hmm, next up is your body.

Just now... what was that feeling?

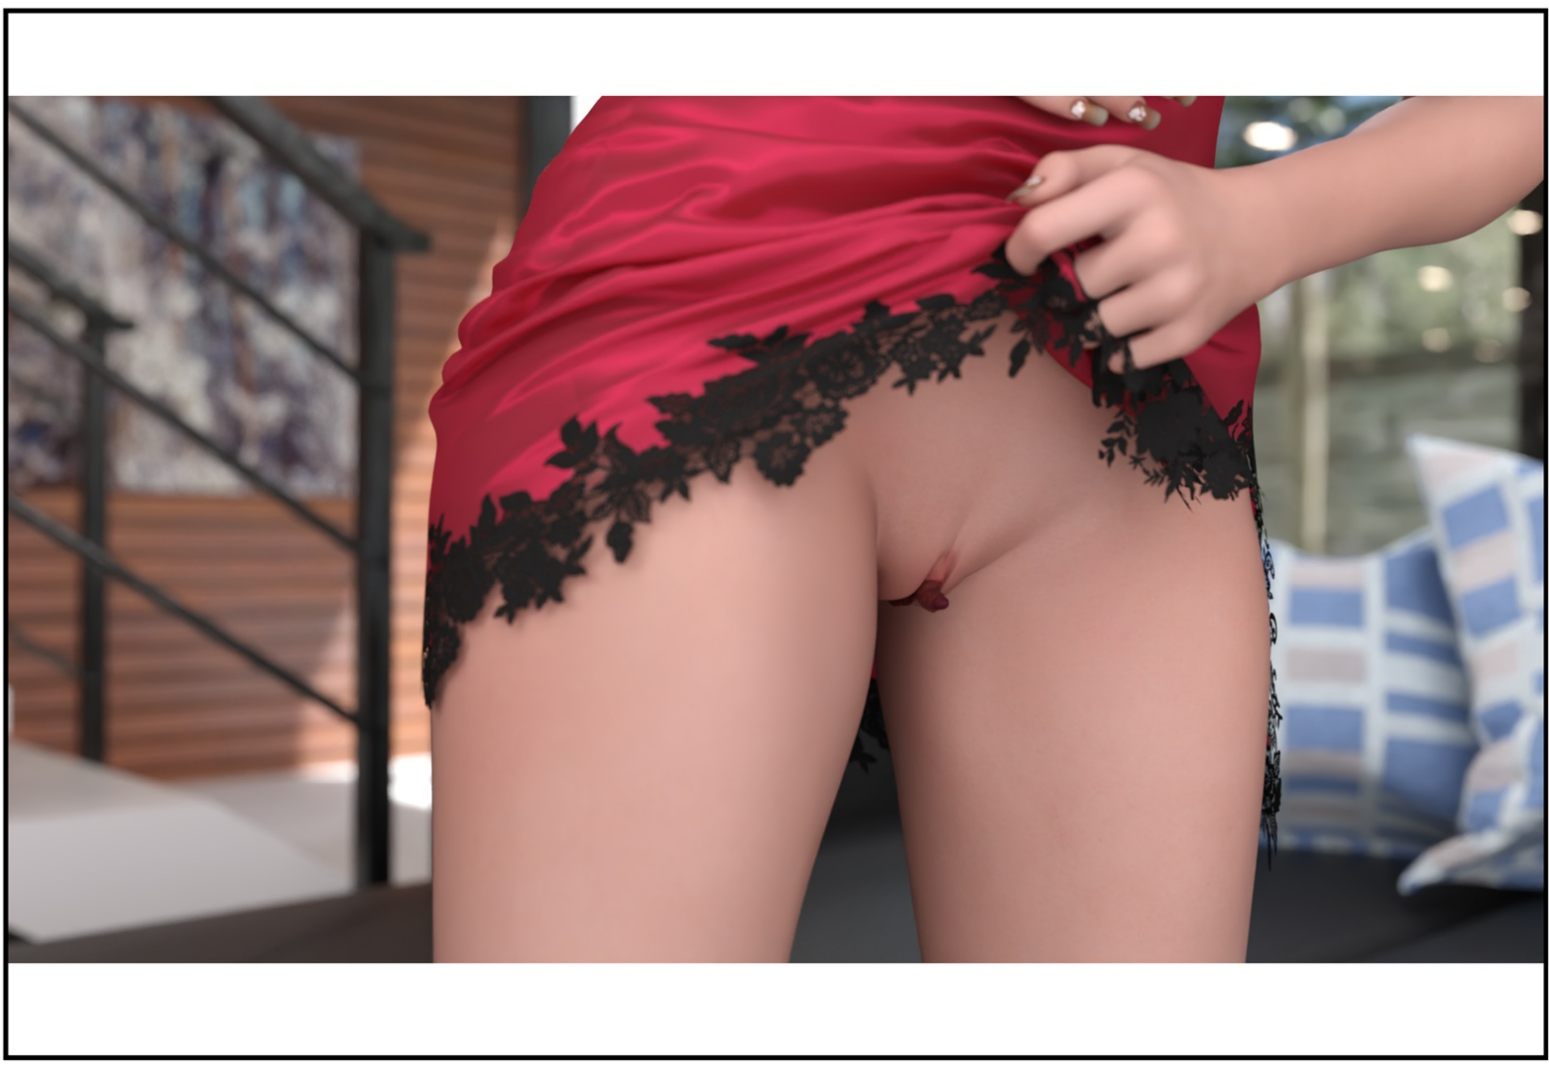

Ah, my stomach hurts so much.

Your body will soon match
your name, Qin Qiang.

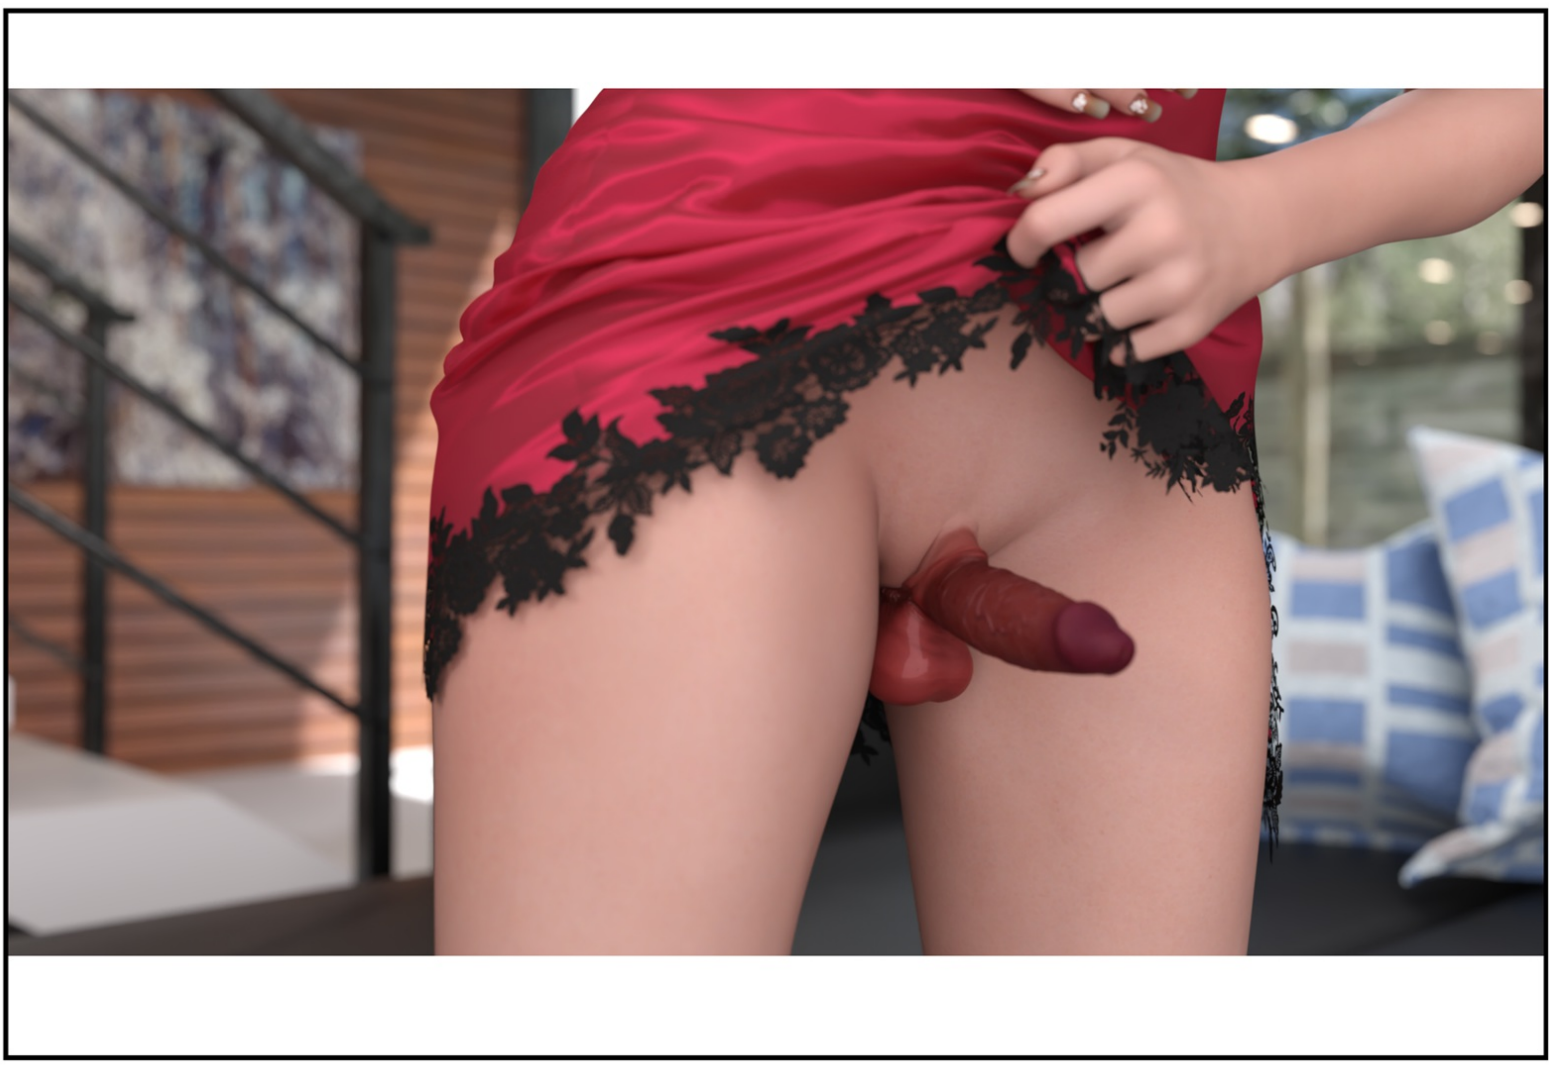

It feels so warm down there...

*Expanding

Qin Qiang (Ms. Wang), your... (down there)...

Damn! Is this my dick?

My body is still shrinking!

What's going on? My boobs are gone!

She's already speaking with the same tone as Qin Qiang.

A 3D rendered woman with short, wavy pink hair and orange lipstick is looking down at a red dress with black lace trim. She is holding the dress with both hands. The background shows a staircase with white steps and a metal railing. A speech bubble is positioned to the left of her head.

Wait, this is clearly my own clothes,
why do I feel so excited looking at
them now?

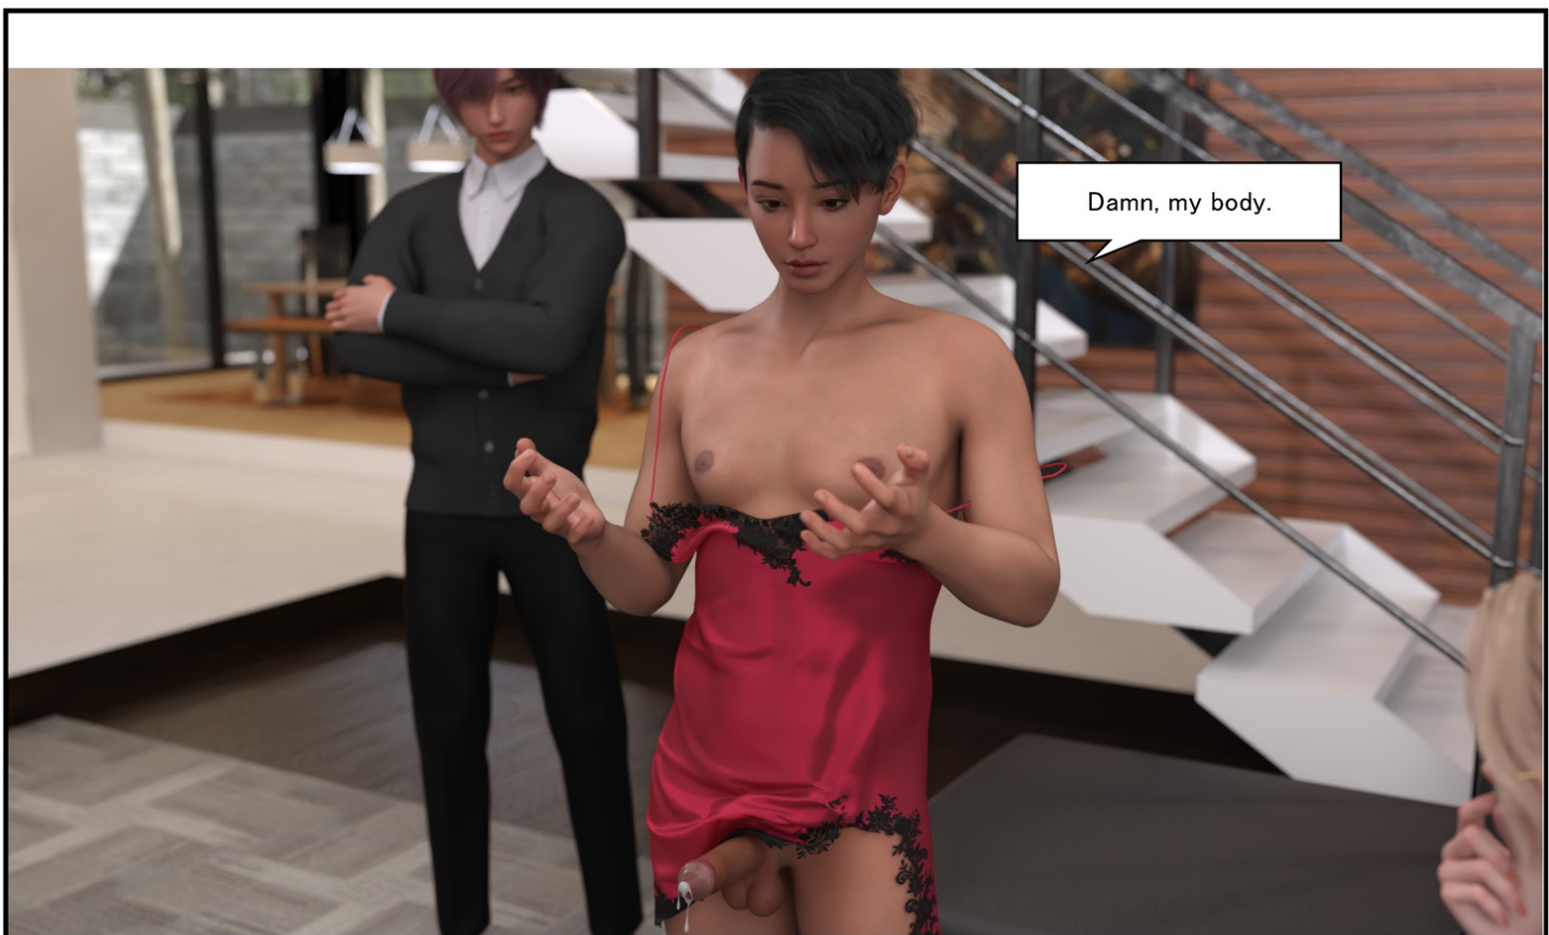

Ahhhh, wearing Ms. Wang's
(my own) underwear feels so good.

I didn't expect you to experience
your first time as a boy so quickly.

As the semen was ejected, the mom
in front of me gradually turned into
my good buddy, Qin Qiang.

Damn, my body.

Alright, stop staring, hurry up and take off your clothes for Wang Yawei.

Ms. Wang (Qin Qiang), your... clothes.

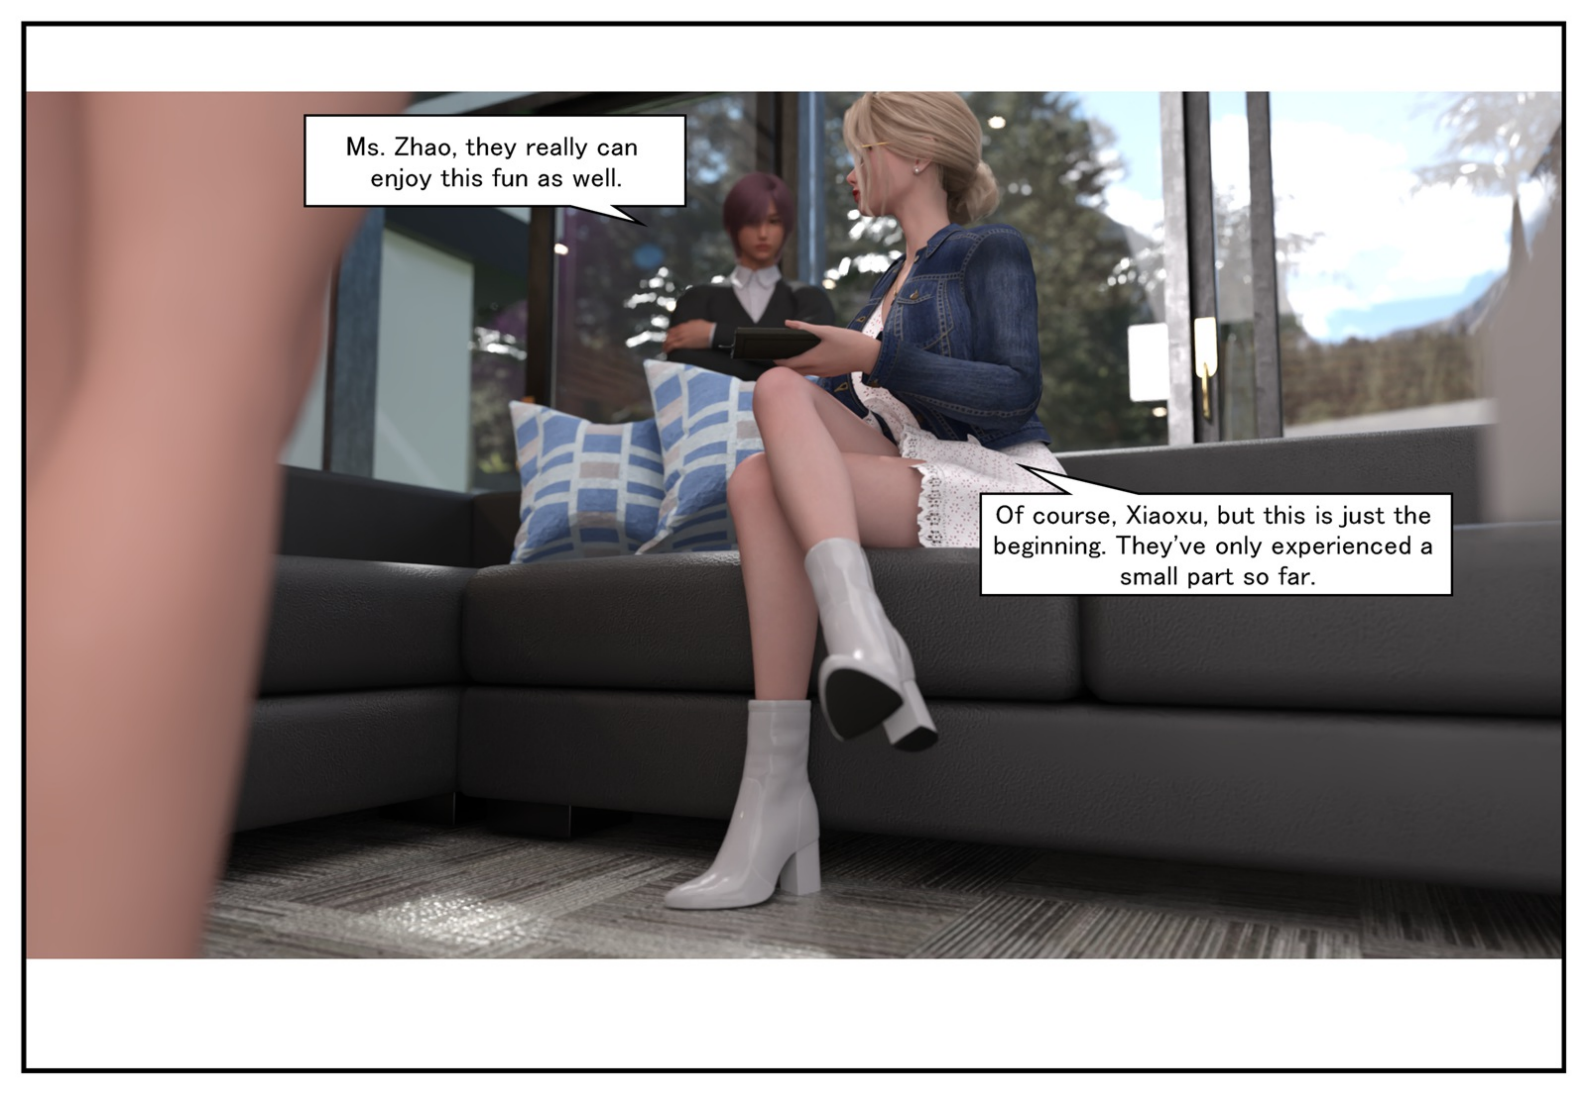

Qin Qiang (Teacher Wang), did you feel it?
Just now when you called Ms. Wang,
I really felt like you were calling me.

Yeah, I noticed that too.

Alright, you... hurry and put on the clothes
I just took off, it's kind of embarrassing to
look at this way...

Ms. Zhao, they really can enjoy this fun as well.

Of course, Xiaoxu, but this is just the beginning. They've only experienced a small part so far.

Are you ready for the next step?

Is there another step?
Fengming (Xiaoxu) is really
getting cooler.

Right, Qin Qiang (Ms. Wang)?

Alright, it's indeed a rather novel experience, just for a couple of days anyway.

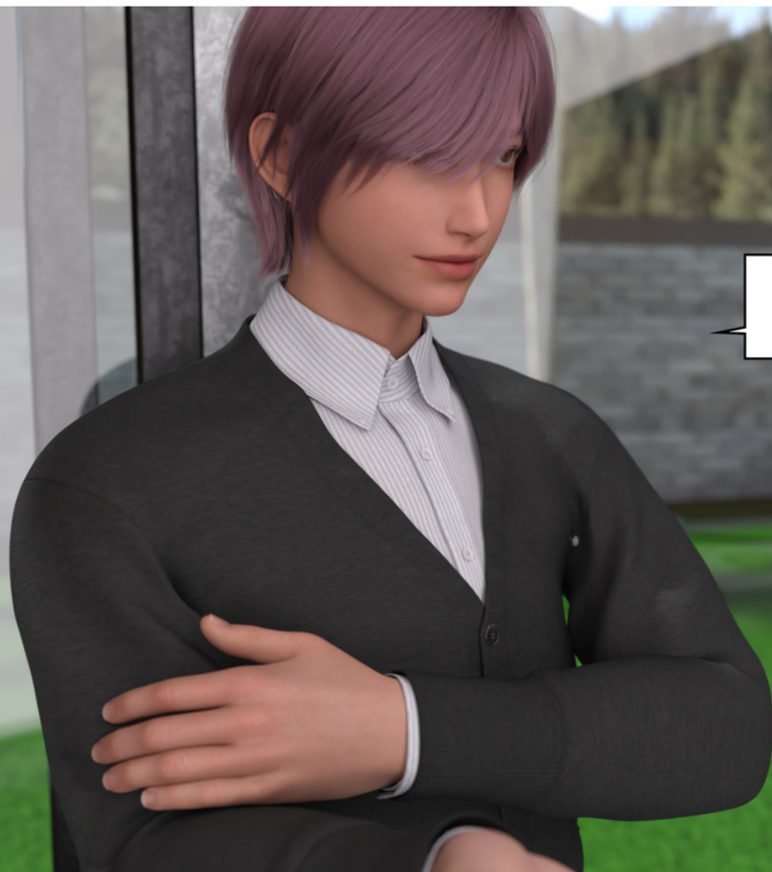

First, we need to ensure that 'Yawei' has the matching teaching experience and memories. Of course, we can't forget about personal relationships and hobbies.

Wow, I actually know so many cooking methods...
and I often discuss them with Li Yun...

Li Yun?

It's normal that you can't catch up when I mention Li Yun. Try to think of Li Xue's mom.

Damn, it turns out it's Li Xue's mom, no wonder the name sounded so familiar. I remember her mom is super sexy.

Why can't I help but show this sleazy smile whenever I mention her?

It seems she has just realized that her memories of Li Yun are different from what they used to feel like.

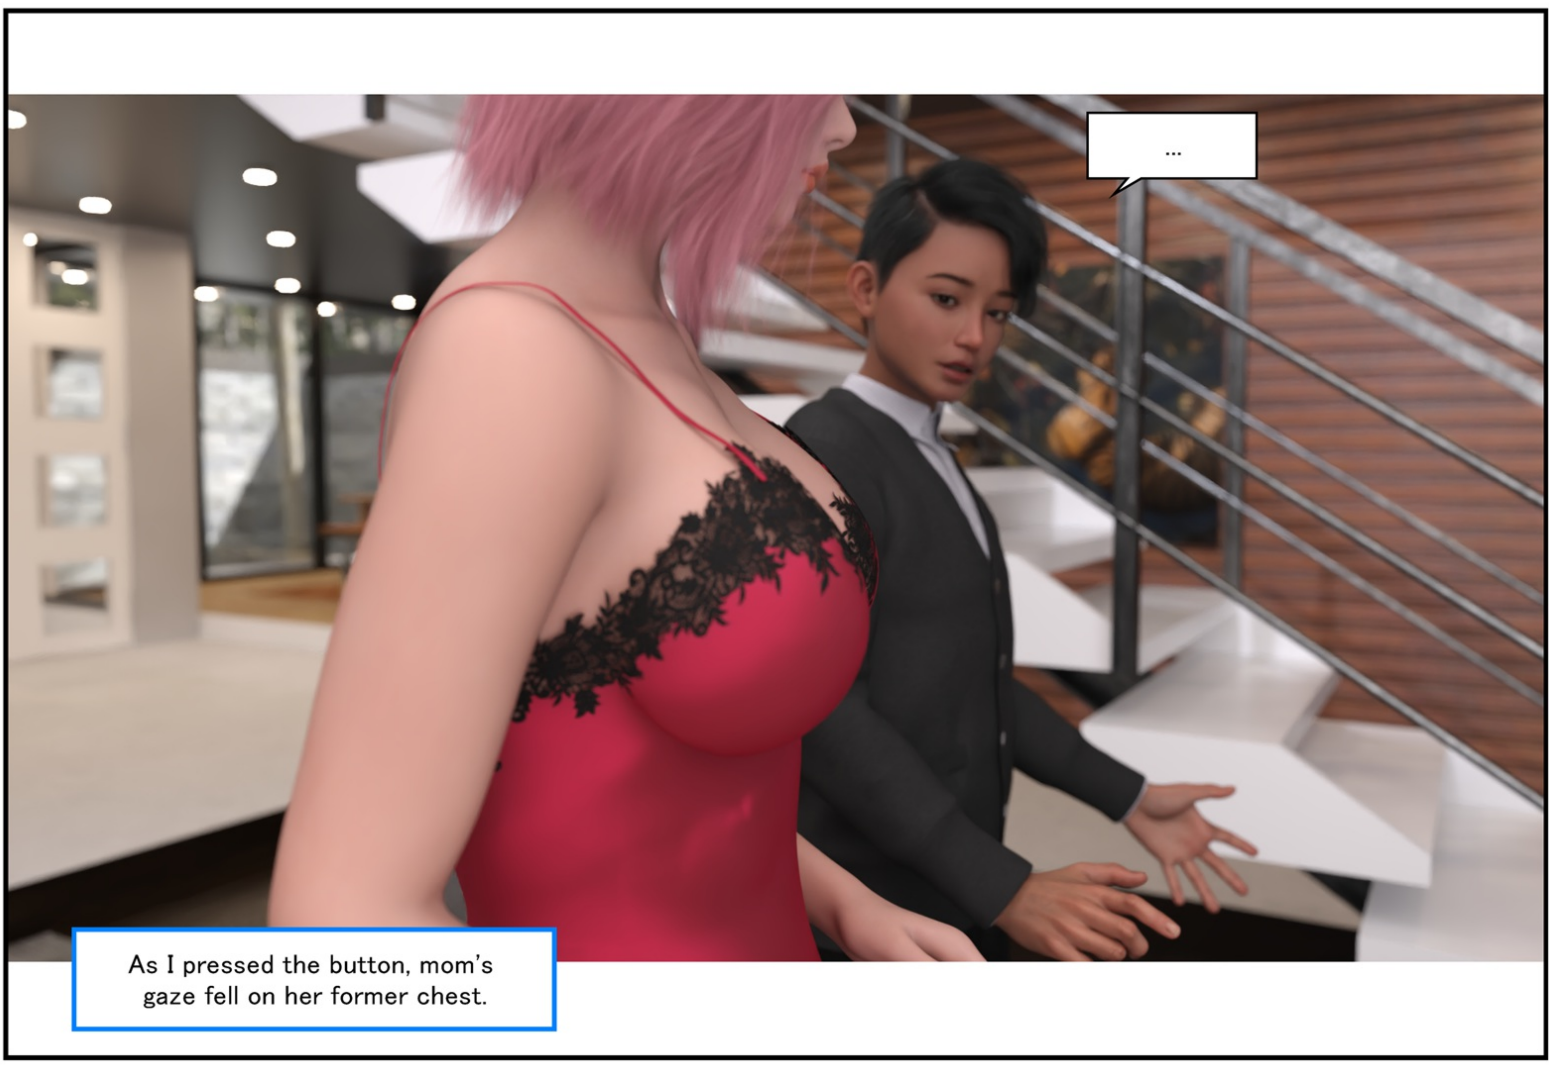

That's not right, why does my mind fill with greasy pickup lines whenever I think of women?

What do you mean by greasy?

Ah, now that you mention it, I remember we still need to swap your interests and aesthetics, or it could be dangerous in the hot springs.

...

As I pressed the button, mom's gaze fell on her former chest.

It feels different looking at my legs now, doesn't it, Qin Qiang?

Damn (oh my), my dick... (down there)...

You really are, the horniest boy in the class.

But don't worry, dude, you'll get used to it soon.

Trust me, it's this feeling that makes things more interesting.

If you want to do something,
I'm totally fine with it.

Really? I'm looking forward
to seeing how many days you can last.

Don't worry! Teacher Wang (Qin Qiang),
I'll try my best to hold back!

Alright, now we've pretty much finished swapping.

It's getting late, you two kids go to school.
Yawei and I still need to tidy up at home.

Let's go, dude, let's head to school first.

Bye-bye, Xiaoxu darling,
Mommy loves you~

Slow down, I'm still... hard.

I can't believe I really did this.

She's started again, though she says otherwise.

Give Qin Qiang some time, I'm sure she'll soon open the door to a new world. After all, you agreed to let her freely explore her body.

Let's go, Yawei, change your clothes and then head to school.

Okay, but why am I so happy when you mention changing clothes?

Haha, because we are women now.

After Yawei and I got to school, we soon organized with the other teachers to get everyone on the bus to the hot springs hotel. The hot springs hotel is a 3-hour drive from the school.

Wow, this feels so relaxing~
A week's worth of fatigue just swept away.

I can't believe you've already
been like this for a week.

This alien stuff is really magical, allowing us to come on this hot springs trip like this.

Right, didn't you say earlier that you swapped our sexual orientations? But why... just now in the changing room, I was still very interested in women's bodies... including yours right now...

That's because I didn't actually change your sexual orientation, so you'll still be interested in women like before.

However, your body might influence you a bit~

Xiaoxu, come help me out.

Alright, Qin Qiang, stop jumping around, you can't see over there.

They are so noisy, were we ever that loud?

But at least it seems he's adapting well, acting like a teenage boy.

But if the young ones are making a racket,
we can't be left behind, right, Ms. Wang?

Ah, what are you doing?

A 3D rendered woman with blonde hair and large breasts is sitting in a hot spring. She is holding a piece of white fabric around her waist. The background shows a wooden fence and some rocks. A speech bubble is positioned above her head.

Hm? But just now you said you were interested in someone's body.

Besides, you haven't really experienced
your new body properly yet.

Wow~

Yawei, it's been a long time since we've had the chance to do this together.

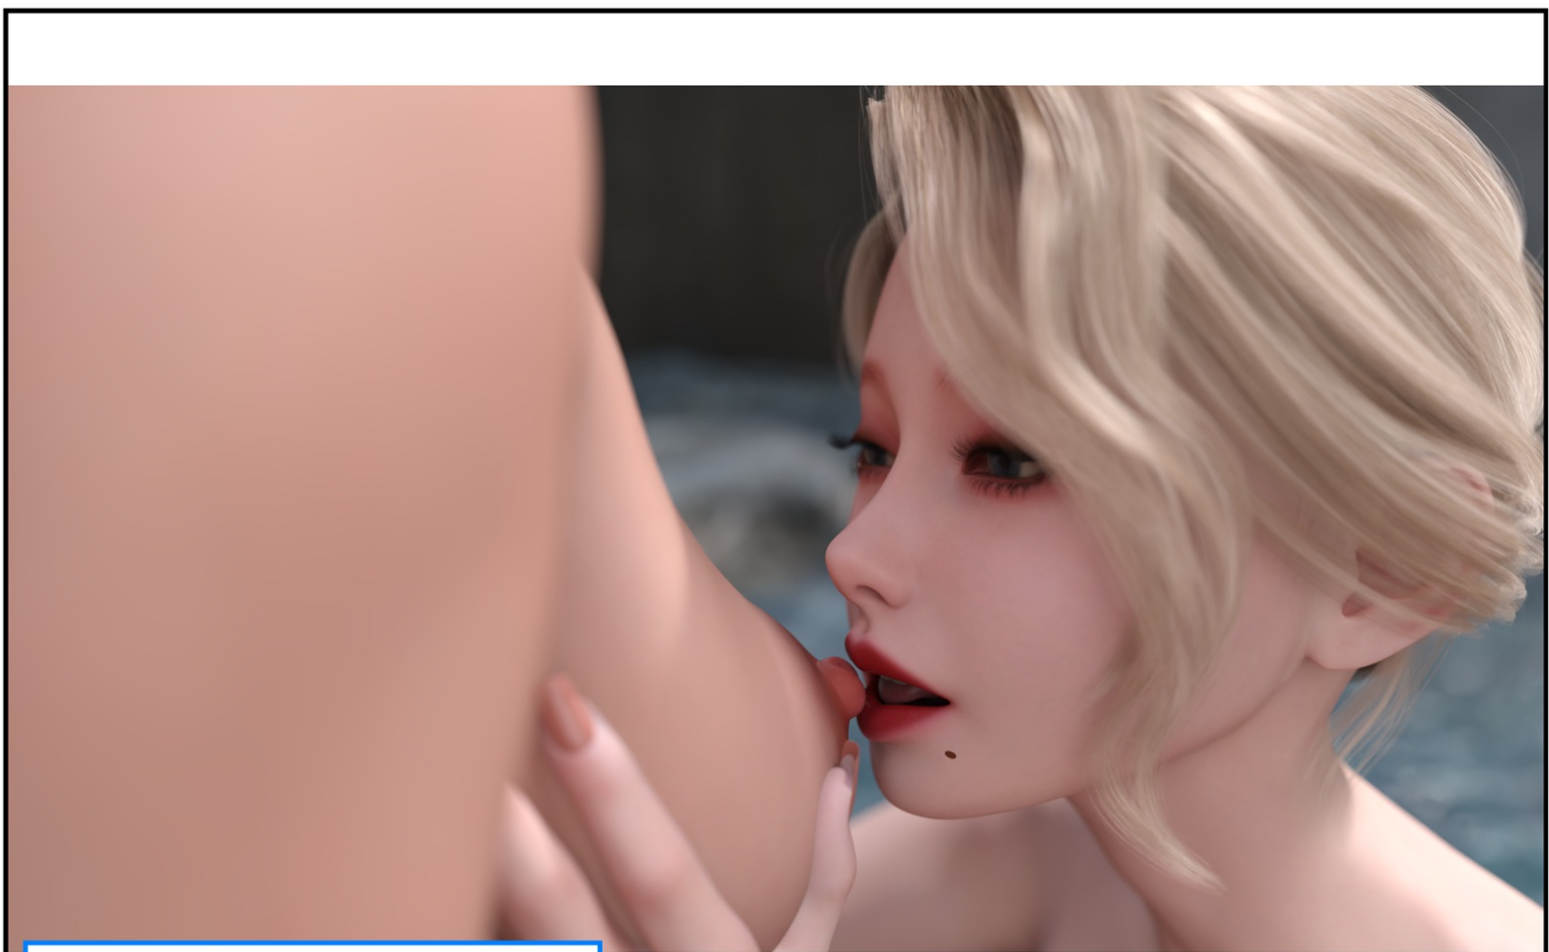

Ah~

How does it feel to have
a woman's breasts?

As I caressed the breasts in front of me, I remembered that if we set aside our current identities, these are actually my mother's breasts.

I'm really envious, they're still so firm even after having a child.

Thinking this way, I couldn't help
but take her nipple in my mouth.

Ah~, Fengming (dude), don't do this,
someone might come in soon.

A close-up photograph of two women's buttocks touching. The skin is smooth and light-skinned. The background is dark and out of focus. A speech bubble is overlaid on the image, containing the text: "So what? We're all women now, what's there to be afraid of?".

So what? We're all women now,
what's there to be afraid of?

A 3D-rendered scene of two women in a hot spring. The woman on the left has blonde hair and is wearing a light-colored, sheer bikini. The woman on the right has purple hair styled in a bun and is wearing a similar sheer bikini. They are sitting on a rocky ledge in the water. The woman on the right is touching the chest of the woman on the left. The background shows a natural hot spring setting with rocks and water.

Mmm~ this feeling, so this
how comfortable it is.

We've only seen this in adult videos before,
I never thought we'd actually experience it
ourselves today.

Ah~ Fengming (dude), my
nipples feel tingly.

But soon it won't just be your chest that feels tingly.

Fengming... (dude) you...

Mmm.

Mmm.

Fengming (Xiaoxu), isn't this a bit too gay...

Gay? Yawei, what are you talking about?
Remember, you are a woman now.

Ah~ not there...

Ah~

Good, that reaction
is very feminine.

Mmm~ So comfortable, Fengming (Xiaoxu),
much more comfortable than a male's sensation.

That's right, relax a bit,
and fully enjoy this pleasure.

It's opening and closing, is one finger not enough for you?

Yeah, Fengming (dude), put another one in quickly.

A 3D-rendered scene of two women in a hot spring. One woman with purple hair is sitting on a rock, looking towards the camera with a hand near her mouth. The other woman with blonde hair is lying on her back on the rock, partially nude. The background shows a wooden fence and a basket on the rock.

No, Fengming (Xiaoxu),
stop it, I...I am almost dying of pleasure.

Ah~ It feels so good, being a
woman feels so good, go faster.
Ahhhhh~

It feels so good, dear (dude)...

You can't do it anymore? There are still many wonderful pleasures in a woman's body waiting for you to explore.

A woman with blonde hair, wearing a shiny, form-fitting, light-colored dress with a high slit, stands over a nude woman lying on the ground. The scene is set in a traditional Japanese outdoor area with a wooden fence and a stone path. The woman in the dress has her arms crossed and is looking down at the nude woman. The nude woman is lying on her back, with her head resting on a purple object. A speech bubble from the nude woman asks, "Can we stay like this forever?". A speech bubble from the woman in the dress replies, "Then you'll have to discuss it with Qin Qiang."

Can we stay like this forever?

Then you'll have to discuss it with Qin Qiang.

If you can make him fall in love with the pleasure of being with men, maybe he won't want to switch back either.

I originally thought I would be sharing a room with other teachers, but to my surprise, I was lucky enough to get a single room.

Once back in the room, I took out the yukata I had specially bought for this trip from my suitcase and put it on.

Even though I'm now so familiar with this body that I treat it as my own, I still couldn't help but be drawn to the sight of the female figure in the mirror wearing the yukata.

Smooth skin, a slender neck, and rounded breasts—I'm so grateful that such a perfect female body is now my own.

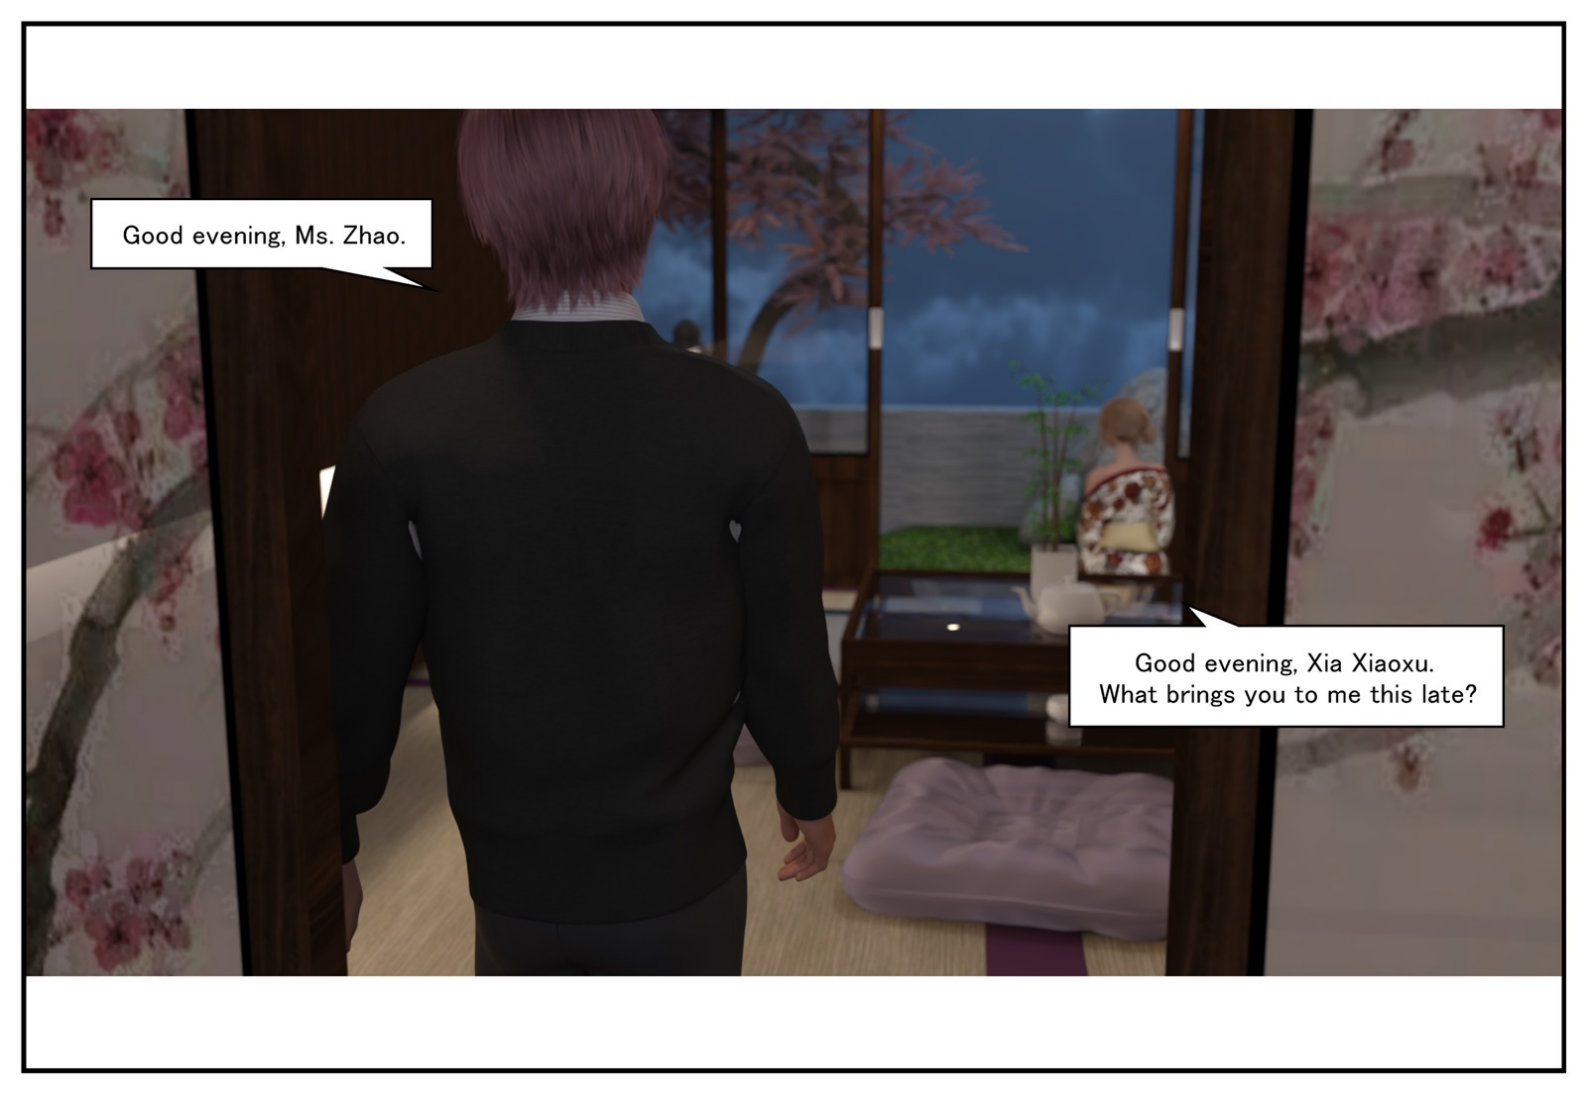

After changing my clothes, I sat by the balcony, feeling the breeze and admiring the cherry blossom trees under the moonlight. I suddenly realized that I had never truly appreciated the beauty of nature before.

咚咚

Come in.

A knock at the door broke the tranquility, and I knew it must be the person I had been waiting for.

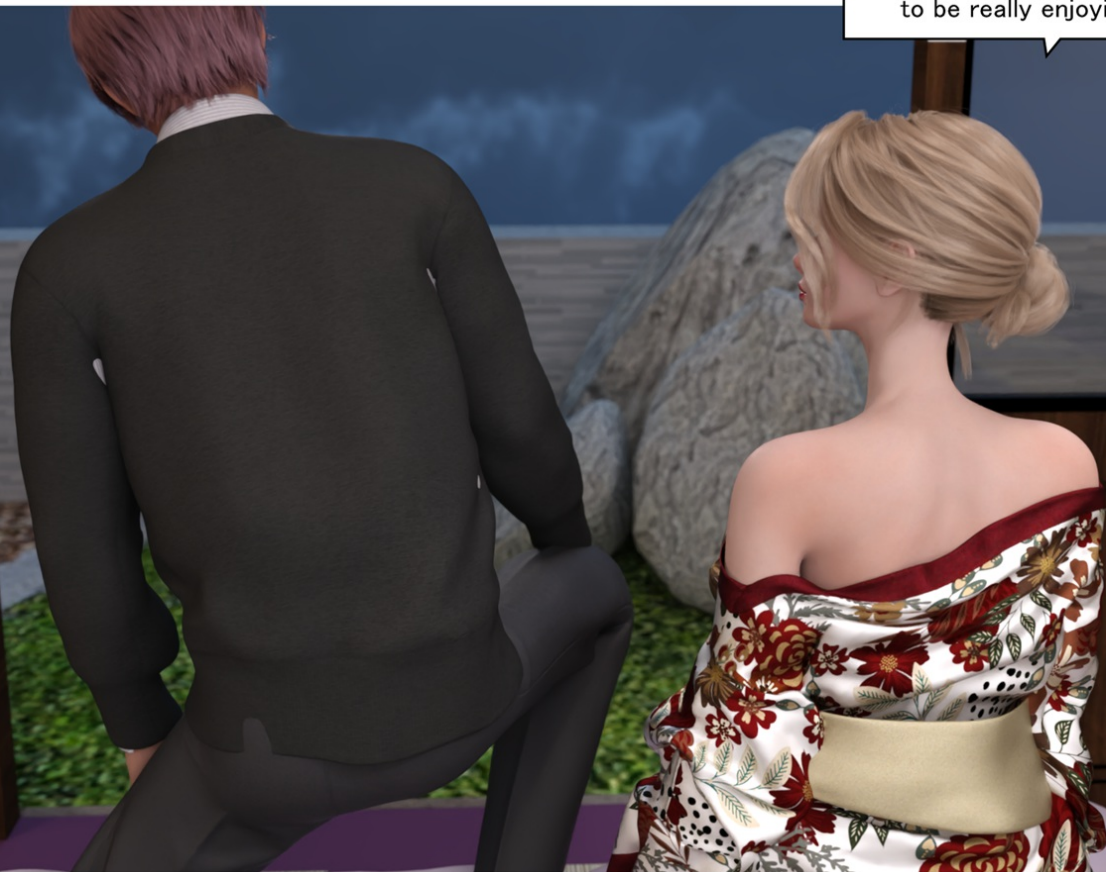

Good evening, Ms. Zhao.

Good evening, Xia Xiaoxu.
What brings you to me this late?

Would you like to enjoy the view with me? Come and sit down.

How's 'Qin Qiang'? She seems to be really enjoying this trip.

'He' was initially grumbling and complaining, but after arriving at the hotel and seeing the girls all dressed in yukatas, his true nature came out. He even tried to peek into the women's bath while we were at the hot springs.

Hehe, that sounds exactly like something Qin Qiang would do.

Ms. Zhao, do you think they'll ask to switch back after the trip?

What about you?
What do you think?

I'm fine either way... but I think this is quite interesting... maybe.

After the conversation ended, we both fell into silence. I could feel the tension in the air rising. But deep down, I was somewhat looking forward to it the anticipation of my first time as a woman.

After a long while, he finally
broke the silence.

Ms. Zhao, can I... kiss you?

Just a kiss? We've already done many things far more intense than kissing, you know.

But, it's true we haven't kissed before.

Then our lips pressed tightly together. I had imagined my first kiss with a girl many times before, but I never expected that my first love would be me, transformed into my sexy female teacher, kissing my own body.

Then she picked me up and hugged me tightly, and put her tongue into my mouth and stirred it wildly. Her breath with strong male hormones hit my face. Even through the clothes, I could feel her erect penis pressing against my vagina.

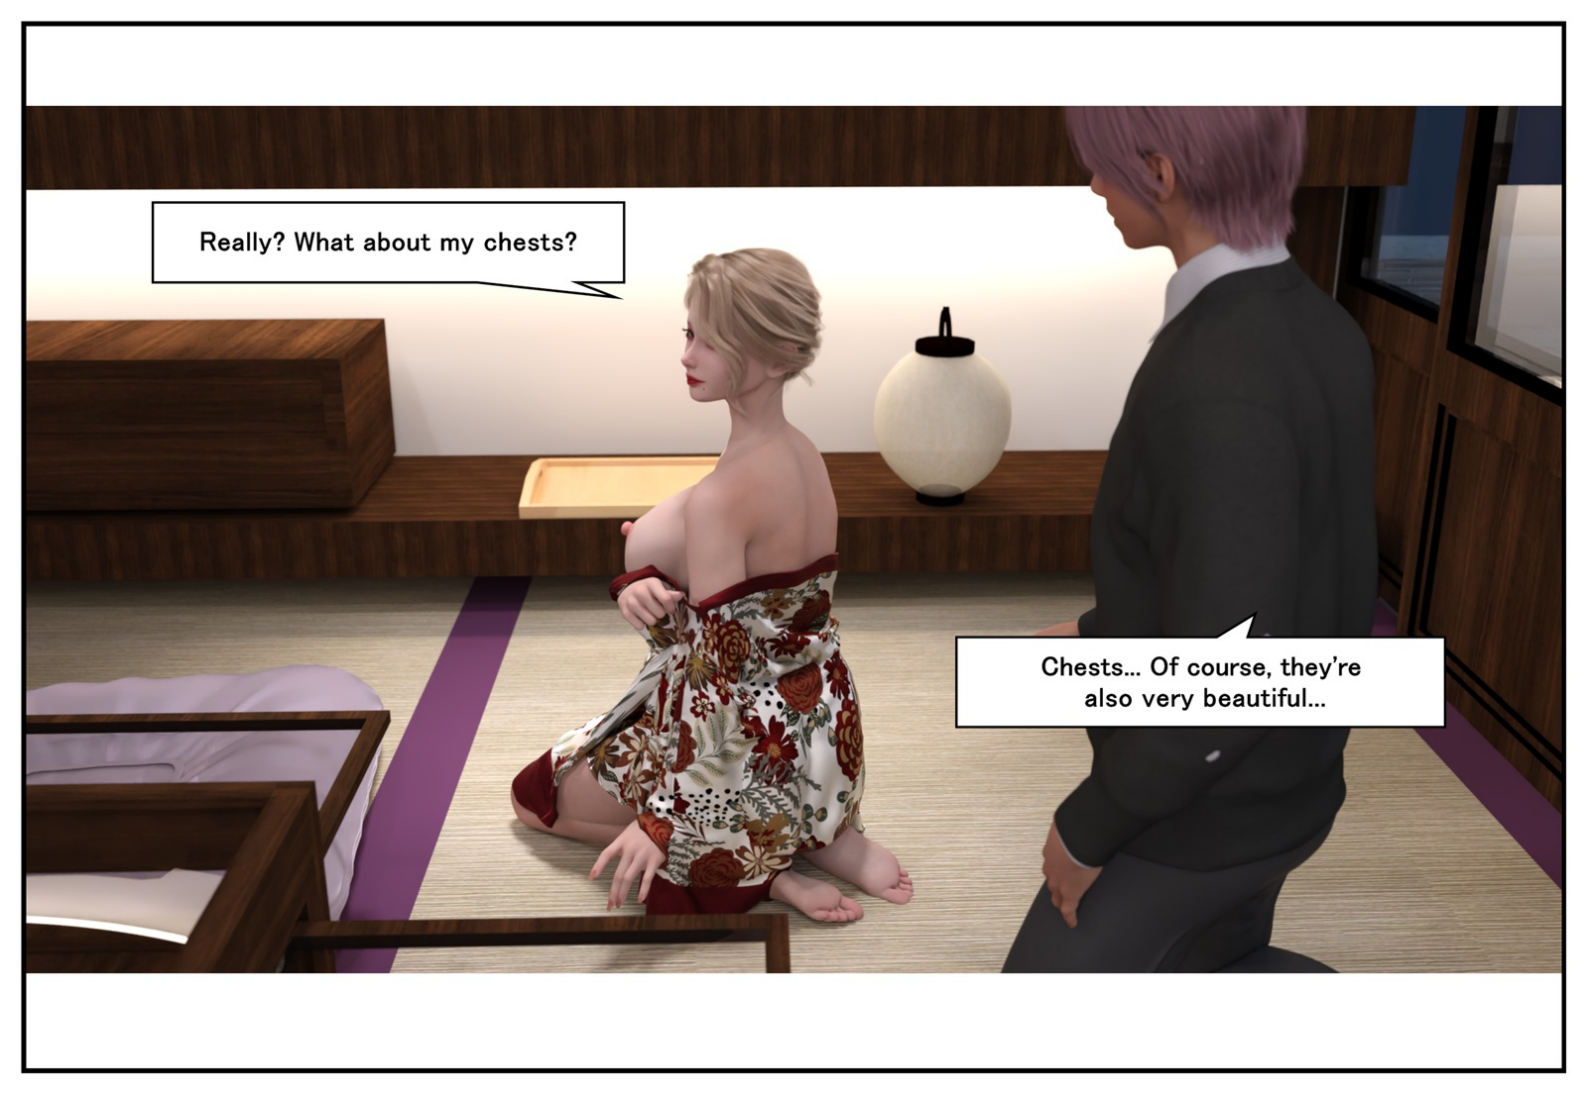

Someone is excited, I won't say who~

Which boy can kiss the sexiest teacher in the school and still not be excited?

Everything about you is so perfect!
Your hair, your eyes, and even the
smell of your body always attract me.

Really? What about my chests?

Chests... Of course, they're also very beautiful...

Love words are so sweet,
don't you want to see the
teacher's naked body?
Dear Xia Xiaoxu.

This was the first time that Ms. Zhao had seen her naked body since we exchanged for more than a week. It was obvious that she was very excited because her erect penis was erect again

Come here and lick.

You have washed it so clean today that there is no smell at all.

Still like it...

Really? Then stick out your tongue and lick it.

Seeing Mr. Zhao licking his former jade feet with such satisfaction, the pleasure of domination surged in my heart again, making my already flooded pussy even worse.

Really cute, just like a puppy.

Today, you can get a nice reward.

Want to put your dick in?
Put it in my pussy.

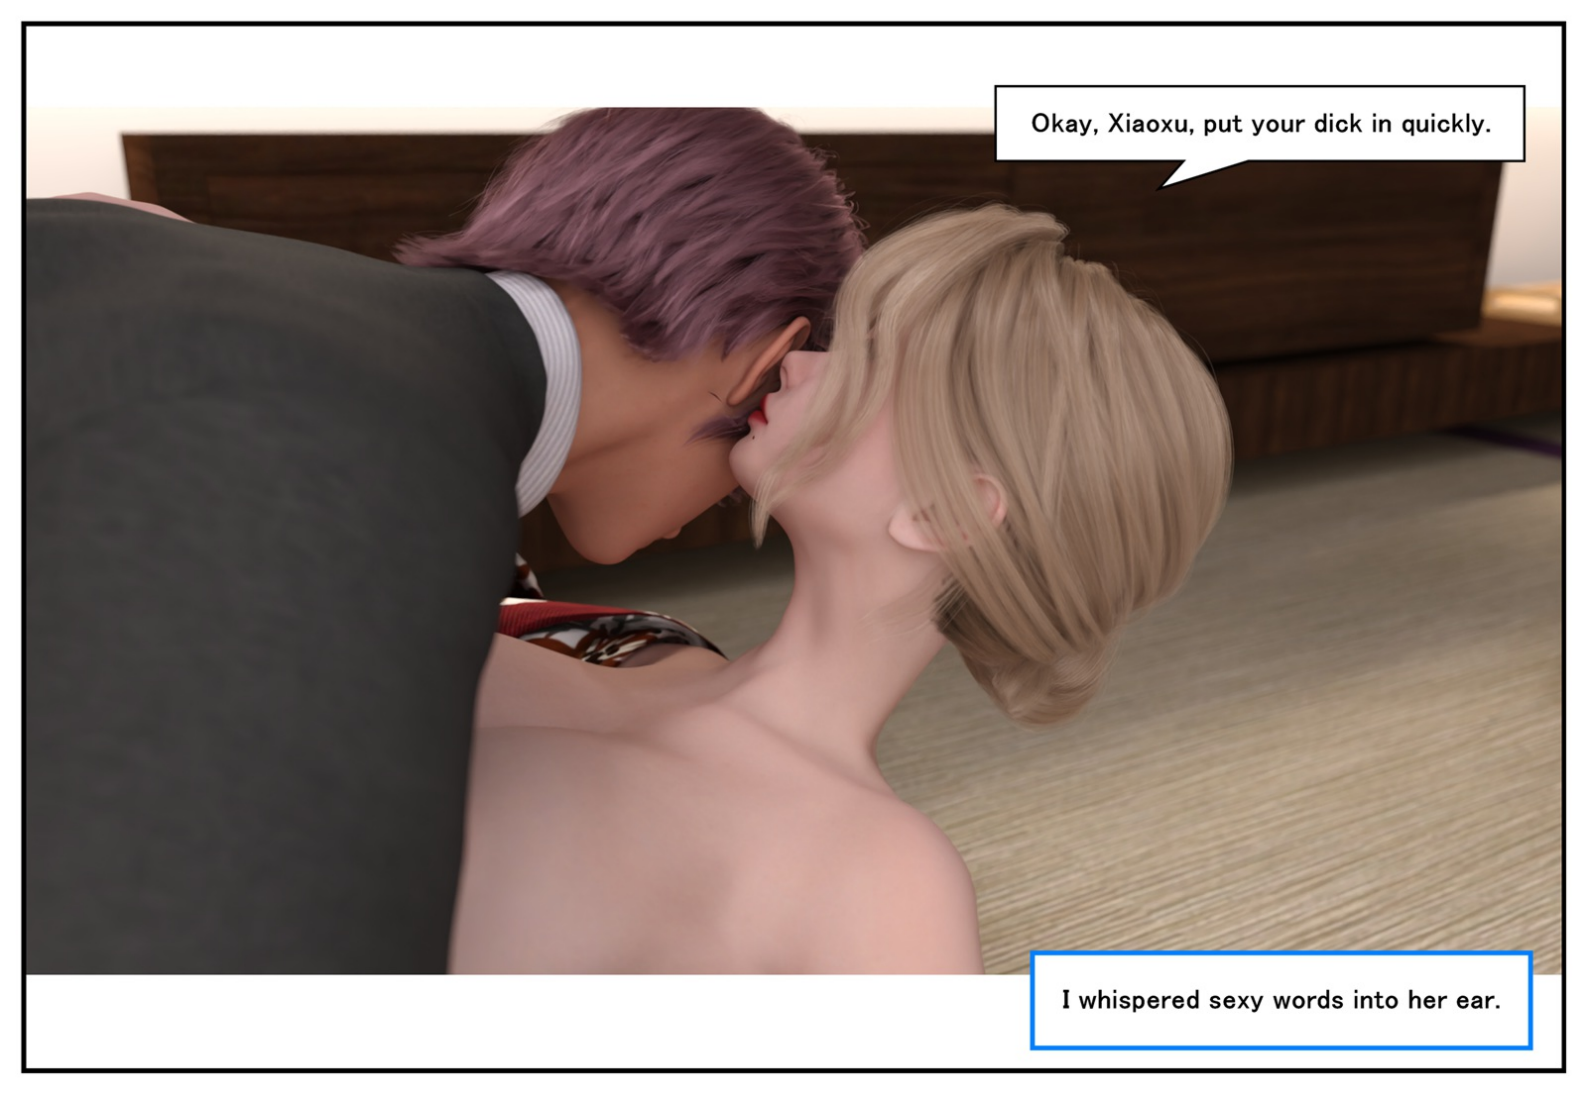

Really... can I really do that?

Of course, Xia Xiaoxu, you've been performing well at school lately, this is your reward tonight

I'm getting better at mastering the voice of a sexy older sister.

Oh dear, look how anxious you are.

Okay, Xiaoxu, put your dick in quickly.

I whispered sexy words into her ear.

After my encouragement, she began to exert her strength and tried to put the penis into my vagina. However, she behaved like a real virgin at this moment, and couldn't get it into the right place

Ouch, little silly, that's not right hole.

I'm sorry, Ms. Zhao, I...

It's okay, I will teach you.

I reached out and held her
penis against my labia.

Silly, have you thought it through?
If you put it in, you will no longer
be a virgin. Our relationship will
also change.

Of course, Ms. Zhao.

As soon as she finished speaking, I felt her waist exert force, and the glans broke through my labia. The hot and hard cock instantly filled my vagina, and a huge sense of satisfaction spread throughout my body.

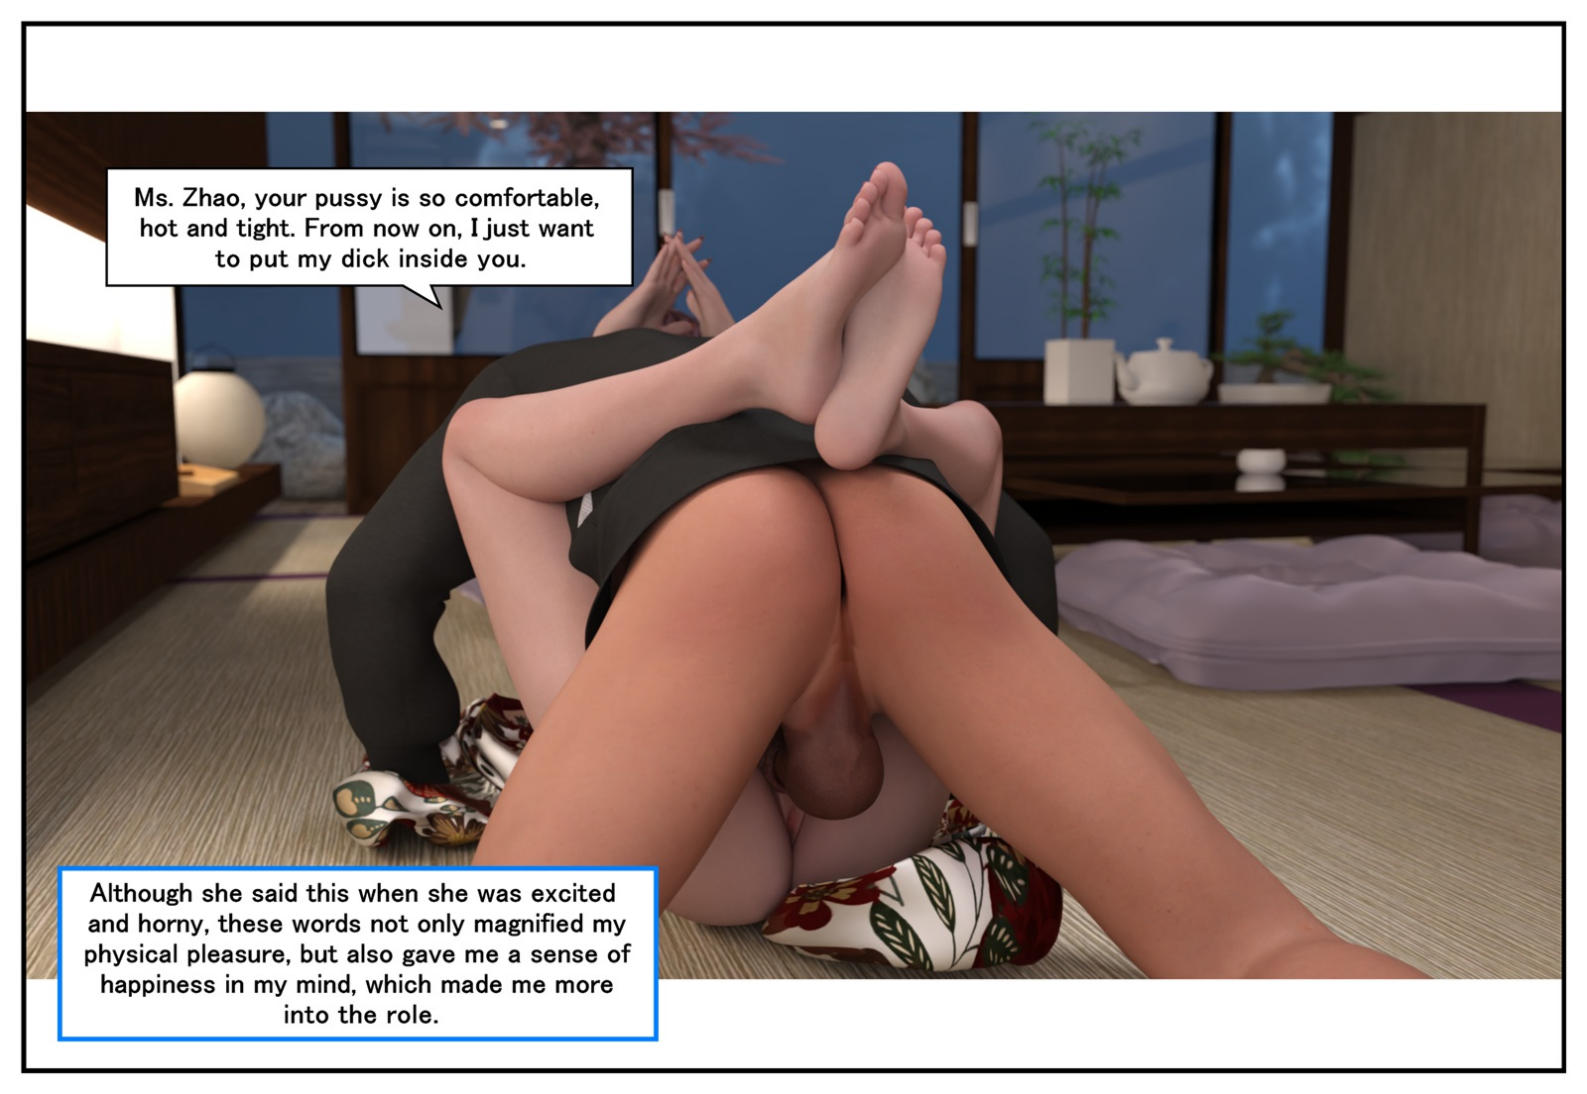

Ah~

How do you feel?

Comfortable...ah, it feels a little...
novel...ah, I feel like I'm going to die.

Ms. Zhao, your pussy is so comfortable, hot and tight. From now on, I just want to put my dick inside you.

Although she said this when she was excited and horny, these words not only magnified my physical pleasure, but also gave me a sense of happiness in my mind, which made me more into the role.

I felt Teacher Zhao's penis rubbing against my vaginal wall, and the repeated piston movement from the vaginal opening to the depths, sending out waves of pleasure that made me incoherent. She moaned in a low voice, immersed in a male pleasure that was completely opposite to mine, a pleasure that was given rather than passive.

Well, Xiaoxu~ you are the best. From now on ah~ from now on, Xiaoxu's big cock will only belong to me.

Xiaoxu, you are so bad. You made me like this.

You have seen all my lewd appearance.

Come give me more.

Under the stimulation of my words, she became like a mad beast.
With each impact, she used all her strength to rub her penis into
he deepest part of my vagina. Every time, I was so happy that I was dizzy

Ms. Zhao, I want to cum too.

Oh my god~ oh my god, I'm about
to climax. You are going to break me.

Cum, Xiaoxu, cum for the teacher~

You cum so much, it seems
you are enjoying it.

It was awesome, I've never had anything as exciting as this week. Not to mention your amazing roleplay. Have you practiced?

I guess, it's quite interesting, isn't it?

In recent years, I have always felt that I am not as beautiful as I was when I was young, and I have lost my former charm. But after this week, my doubts have been dispelled. At least, according to a certain teenager's preferences, I am still very attractive.

To the 'certain teenage', to put it simply,
you feel something when you look at
me isn't it.

Hehe..

So are you dating me now?
Hmm? Xiaoxu? ?

Yeah !

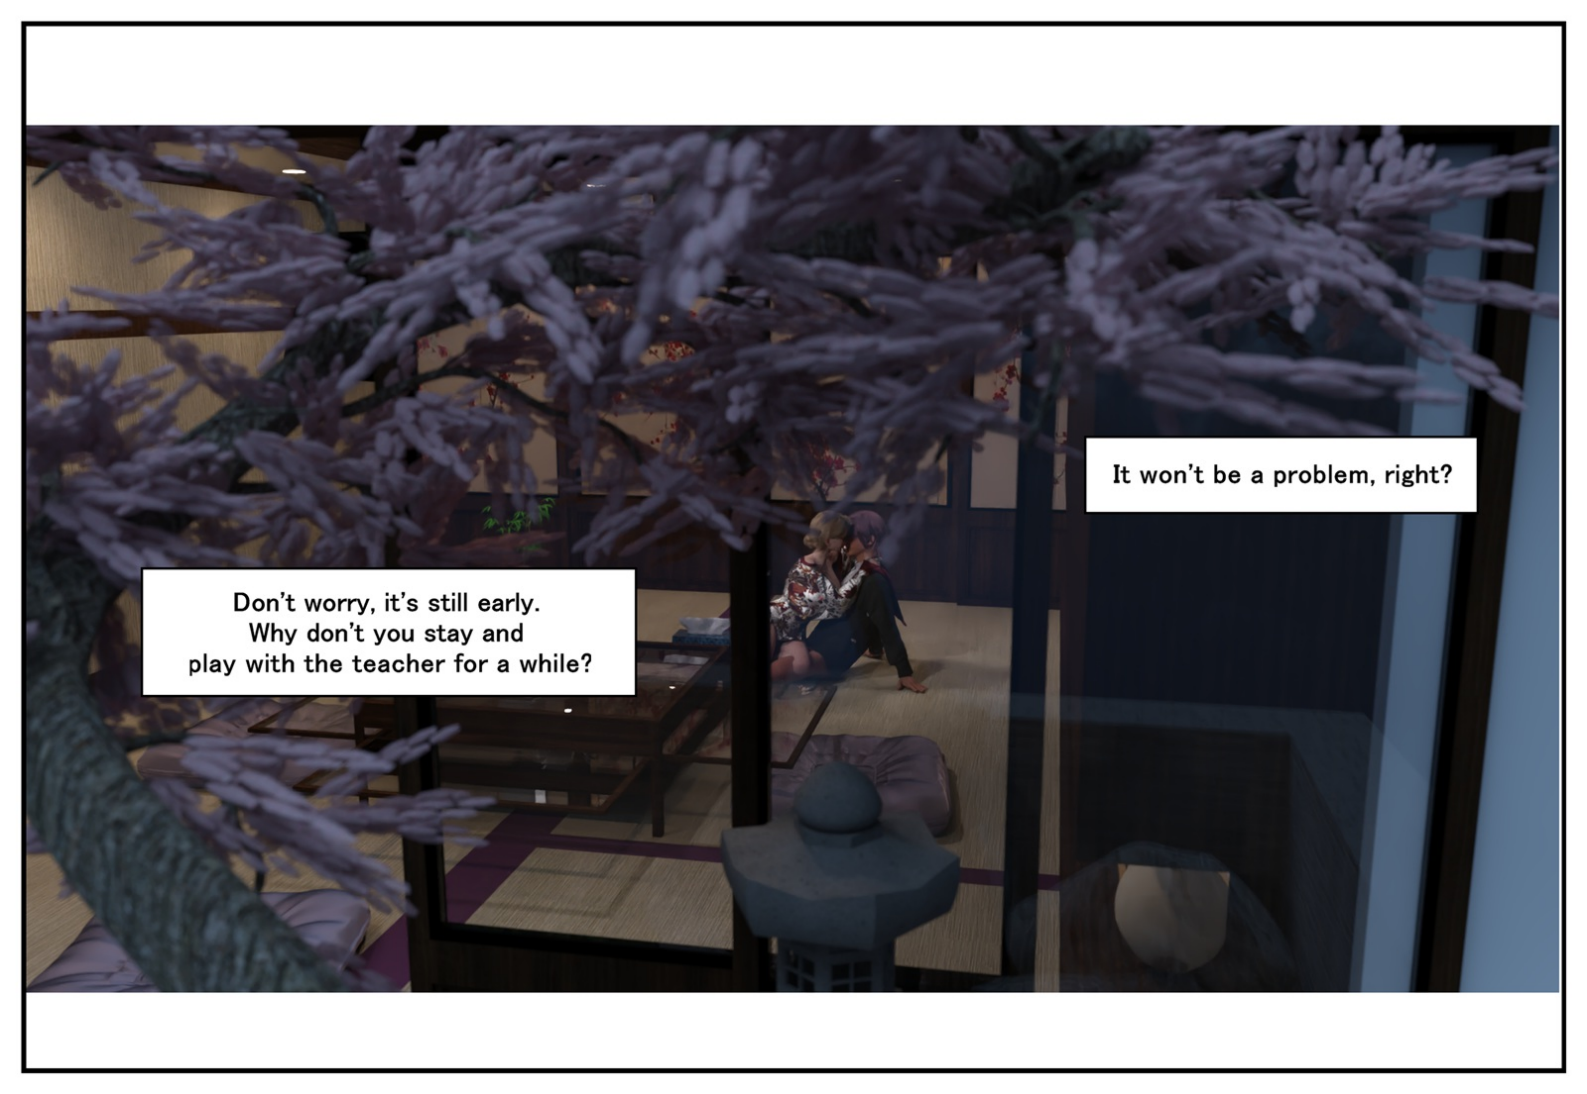

Right, where's the remote control?

I didn't bring it.

Then where did you put it?

You'll know when we get back.

A screenshot from a video game showing a traditional Japanese interior. A large, stylized purple tree with many branches dominates the foreground. In the background, two characters are sitting on a tatami mat. One character is wearing a patterned kimono, and the other is wearing a dark kimono. The room has dark wooden pillars and a low table. A white text box is overlaid on the left side of the image.

Don't worry, it's still early.
Why don't you stay and
play with the teacher for a while?

It won't be a problem, right?

Meanwhile

Ai, why are you still watching TV?
You still have to practice piano later.

Mom, I have already had tutoring
all day today, can she rest tonight?

What are you talking about, Ai?
Mom has already arranged for the teacher.

Get ready quickly. We will leave as soon as I've done packing.

Sorry, Mom, Ai really doesn't want to go to piano lessons today.

Aunt Zhao said this could make Mom listen to Ai...

Will it really work?
