

Teacher-student

Reversal

-Part.4-

Xiaoai, what are you fiddling with over there?
Didn't I tell you to clean up quickly?
You really don't listen.

It's nothing, Mom, it's just
a remote control.

If only Mom would listen to me.

Xiaoai thought to herself and pressed the control mode while looking at Li Yun.

*黑框为旁白

Ah...

Suddenly, Li Yun felt a jolt through her body, stiffening on the spot as if struck by an electric current.

She stood there motionless, her body rigidly under her own control, like a robot waiting for commands.

Mom, are you okay, can you hear me speaking?

Li Yun's voice now sounded mechanical,
devoid of intonation or emotion.

I can hear you, please give me instructions.

Xiaoai was startled by this sudden reaction, amazed at the remote's capabilities. But soon, a mischievous idea popped into her mind.

Wow.

If that's the case, from now on, everyone will think I am 38-year-old Li Yun, and you are 10-year-old Li Xiaoi. Our identities are completely reversed! You are my little daughter, and I am the mother!

Who do you think you are now?

I am Li Xiaoi... the little daughter of Mom!

I remember Auntie Zhao said, this remote can also change bodies.

At this moment, Li Xiaoai fully believed in the powerful function of the remote. She clutched the remote, her face gradually shifting from surprise to triumph. She looked down at Li Xue, still dressed in a professional suit, slim yet mechanically stiff, and decided to go further.

Xiaoai, it's strange that such a young girl like you has such a mature body.

Yes, Mom, Xiaoai's body really doesn't match her age.

Let Mom help you with that.

Wow, I didn't expect Mom to look just like me when she becomes a little girl.

That's more like it, Xiaoi, now you look like Mom's good daughter.

But, little girls shouldn't wear these clothes, take them off quickly, Mom will get your clothes.

I understand, Mom.

Good, from now on, you must always wear your own clothes, you can't sneak into Mom's clothes, okay?

I understand, Mom.

Since you are now my daughter,
I should also look like a mother should.

Li Xiaoi felt a warm current rising from her feet, spreading instantly throughout her body. She looked down at her hands; her once childish hands began to elongate, her skin gradually becoming paler and more delicate. Her fingers became long, her bones prominent. Her body quickly grew taller, her slender limbs gradually becoming elongated and symmetrical, her muscle lines becoming more defined. She looked down at her chest, her flat chest slowly rising until forming full curves. Her waist slimmed down, her hips more softly curved and elegant.

Now that's like an adult... Hmm, mature and elegant, this is how a mother should look!

Her facial features also matured gradually. Her chubby childish face elongated into a contoured melon seed face, her gaze gaining a mature charm. Her voice also began to change, shifting from a childlike tone to a deep, magnetic adult female voice.

Hmm, this won't do, if I wear your clothes now it would look very strange, right, Xiaoai?

Yes, Mom, you should wear your own clothes.

My body... it's completely changed!
Is this what I look like at 40?

Are my legs this long? And
my hips this pronounced?

I really look like a mom now!

Not only have I grown taller, my chest, waist, and hips are just like Mom's... even more perfect! This feeling... it's so strange, yet so amazing!

How about it, Xiaoai, does Mom look beautiful?

Beautiful, Xiaoai wants to be just like Mom when she grows up.

You go sit for a while, you'll see how much prettier I'll be once I change into my own clothes.

Indeed, my figure is now even sexier than Mom's used to be.

Next, just a small adjustment and you'll regain consciousness, my dear good daughter.

Xiaoai used the remote to acquire Li Yun's memories, then implanted her own memories into Li Yun's brain while deleting most of Li Yun's own memories, before finally deactivating the control mode.

Li Yun immediately woke up from a deep sleep, feeling as if she had been asleep for a very long time.

What... what happened to me!?

Oh my, my body?!
How did it turn into a child's!?

And why am I wearing Xiaoai' s clothes?!

What's going on, all this frantic rushing,
why aren't you tidied up yet?

You?Xiaoai? No... you... how did
you become like this?!

h no, I should call you Xiaoai now, calm

This can't be real! This must be a dream!
I am Li Xue, you are Li Xiaoai! You must
tell me what happened!

I've switched our identities, from now on, everyone will think I am Li Xue, and you are Li Xiaoai. I am the 38-year-old mother, and you... are just my 10-year-old little daughter.

No... it's impossible!
You... you can't do this!

Well, you can try it out, see if people outside still recognize who you are.
In fact, you don't even have the memories of being "Li Xue" anymore, all you can remember are things from your childhood, right?

Li Yun was stunned, trying to search through her memories, only to find chaos. She had no recollection of her original profession or life, only memories of being Xiaoai taken care of by her mother Li Yun.

How... how could this be, I was clearly...
Li Yun..., why... I can't remember.

However, if you behave well and play the role of "daughter" properly, I think if you perform well, maybe one day I'll change us back.

I understand...

Li Xue bit her lip, her eyes filled with anger and humiliation, yet she was helpless. She had completely lost her adult memories, and she had no idea how she had fallen into this situation.

Hmm? Who understands?

Mo... Mom,
Xiaoai understands.

Good girl, come here and
let Mom hug you.

Mom, if I behave, will you really change us back?

Influenced by the altered memories, her entire demeanor and actions became childlike.

Good child, Mom will certainly
keep her promise.

Thank you, Mom.

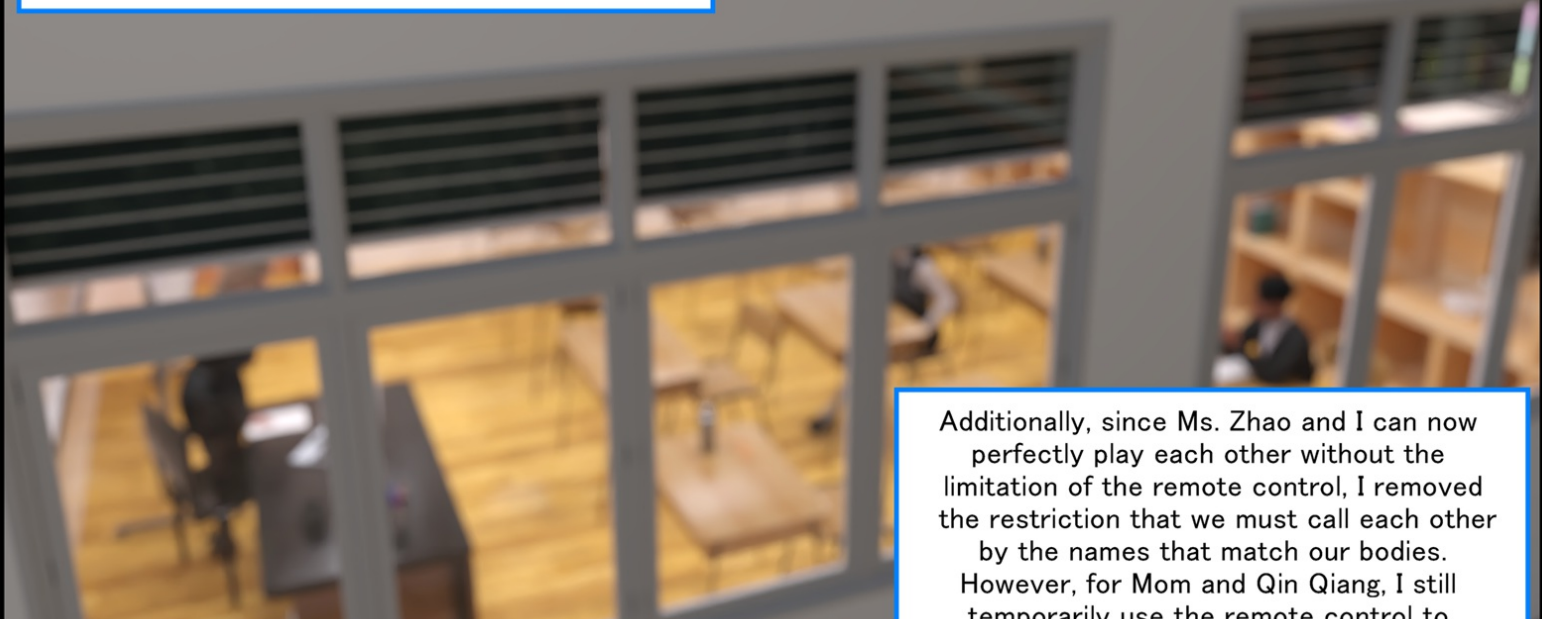

Hmm, Xiao Ai is such a good girl.

Seeing her once domineering mother now helpless and forced to accept the current situation, acting truly like her own daughter and so obedient to her, Xiaoai was overjoyed inside.

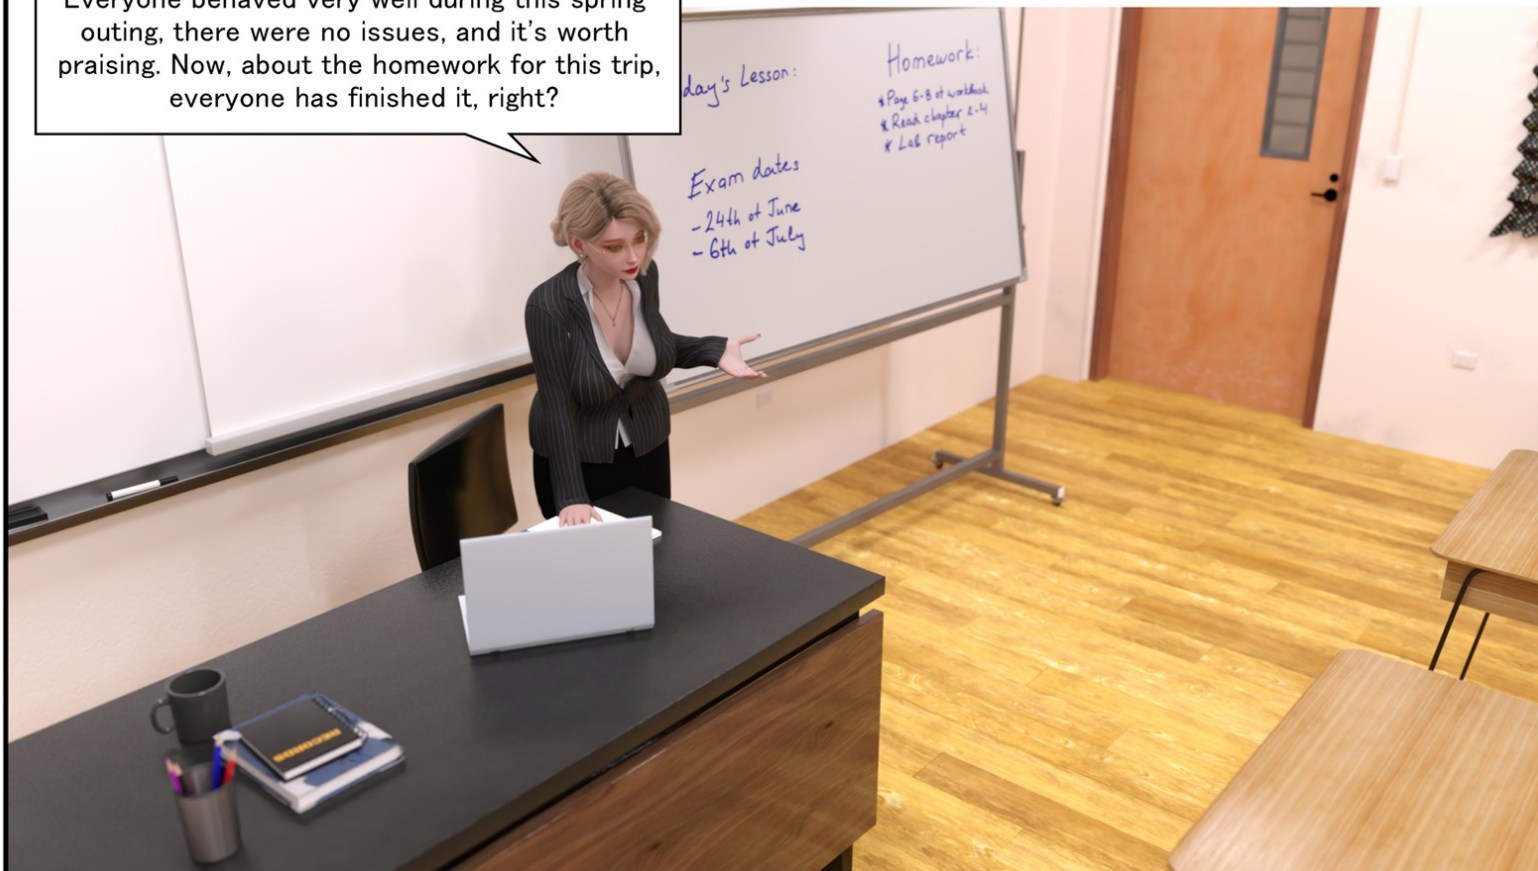

At this time, the innocent Xiaoai still treated this like playing house, thinking about changing both of them back after a few days of fun. Little did she know, the gears of fate had already begun to turn.

After returning from the hot spring trip, I took the remote control back from Xiaoi. We all tacitly did not mention switching back, so I guess whether it's Mom or Ms. Zhao, they both probably wish to maintain this state for a longer time. Qin Qiang, of course, goes without saying. After knowing everyone's bottom line, I think I could be more unscrupulous.

Additionally, since Ms. Zhao and I can now perfectly play each other without the limitation of the remote control, I removed the restriction that we must call each other by the names that match our bodies. However, for Mom and Qin Qiang, I still temporarily use the remote control to forcibly make them call out names that match their bodies.

Everyone behaved very well during this spring outing, there were no issues, and it's worth praising. Now, about the homework for this trip, everyone has finished it, right?

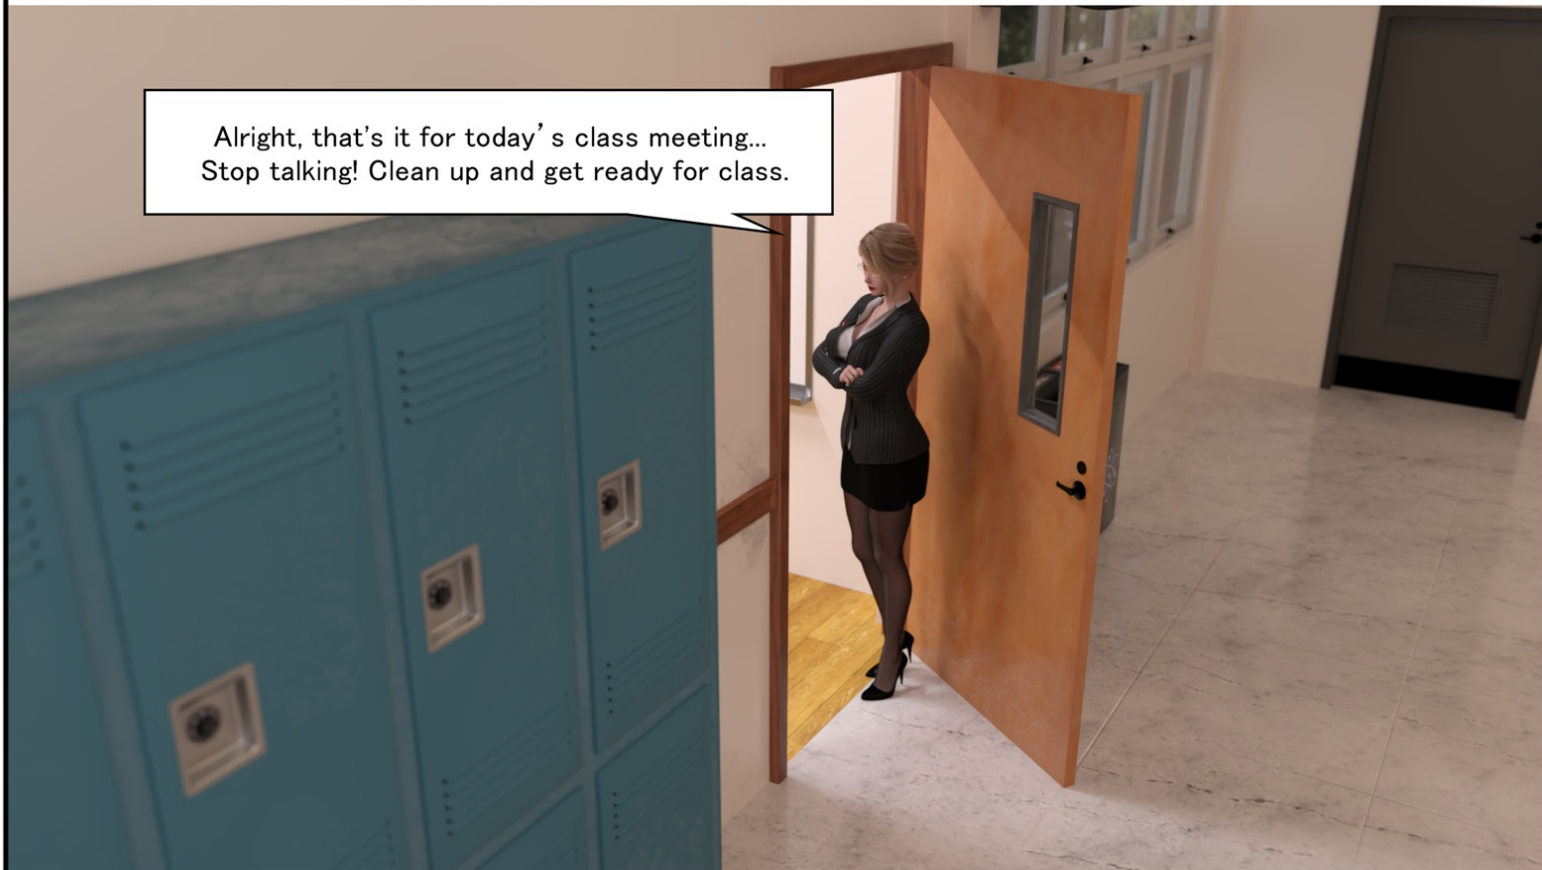

Li Xue, collect everyone's essays in a bit and bring them to the office.

Today's Lesson:

Exam dates
24th of June
6th of July

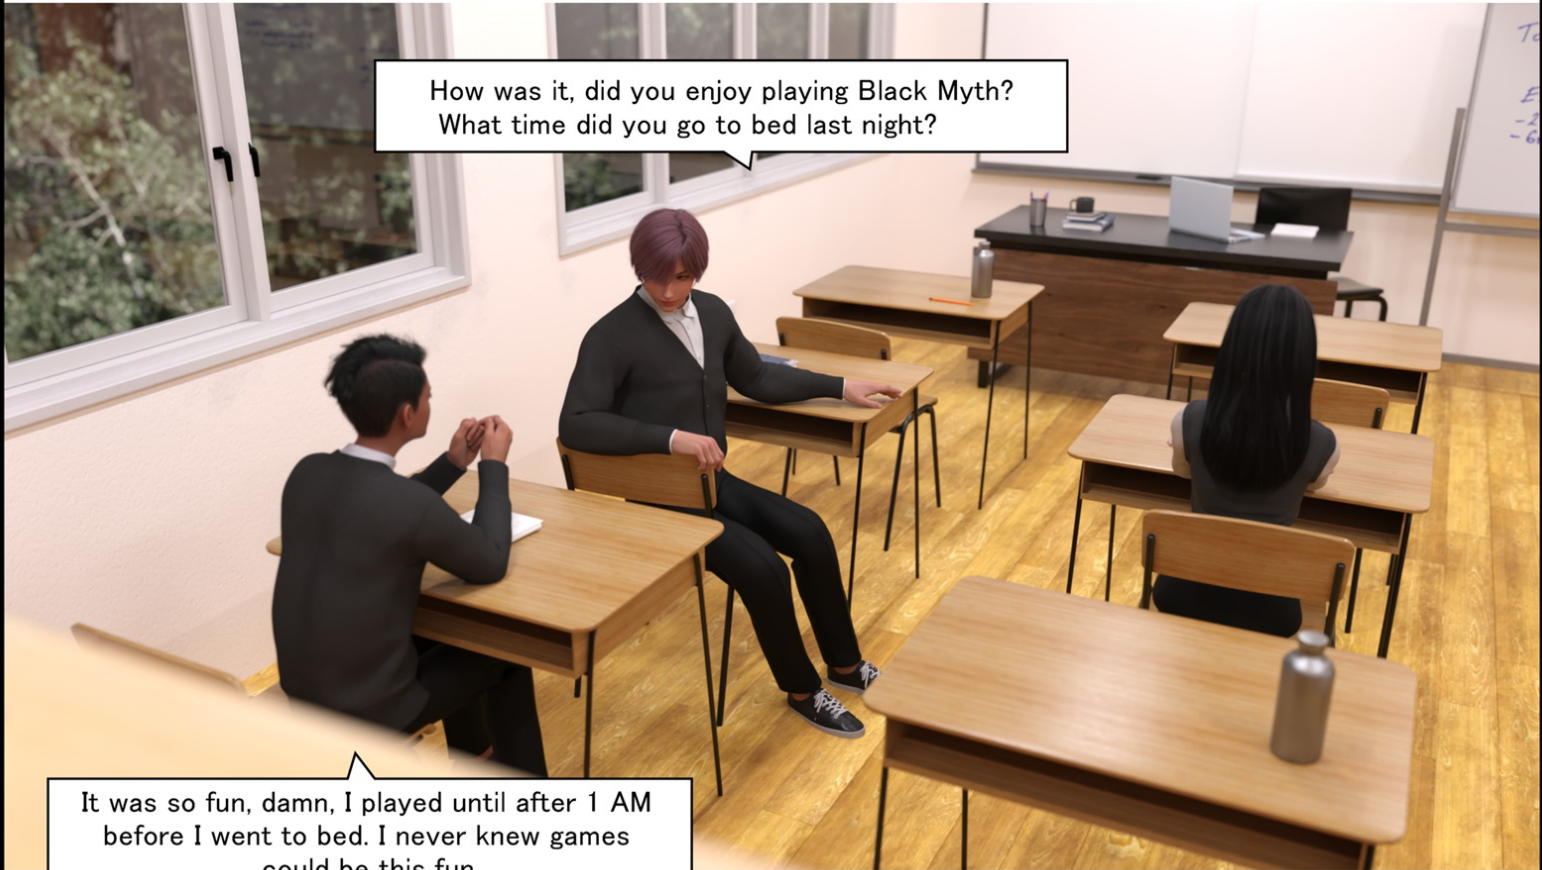

Okay, Ms. Zhao.

Alright, that's it for today's class meeting...
Stop talking! Clean up and get ready for class.

Now, in mimicking Ms. Zhao, I can handle it completely with ease. Even my every move seems to have become natural, as if I've always been like this. I think Ms. Zhao must feel the same way.

How was it, did you enjoy playing Black Myth?
What time did you go to bed last night?

It was so fun, damn, I played until after 1 AM
before I went to bed. I never knew games
could be this fun.

And after you went to bed?
Did you watch the video I
sent you last night?

Stop it, Ms. Zhao's body is just too sexy,
I jerked off at least three times before I
could sleep.

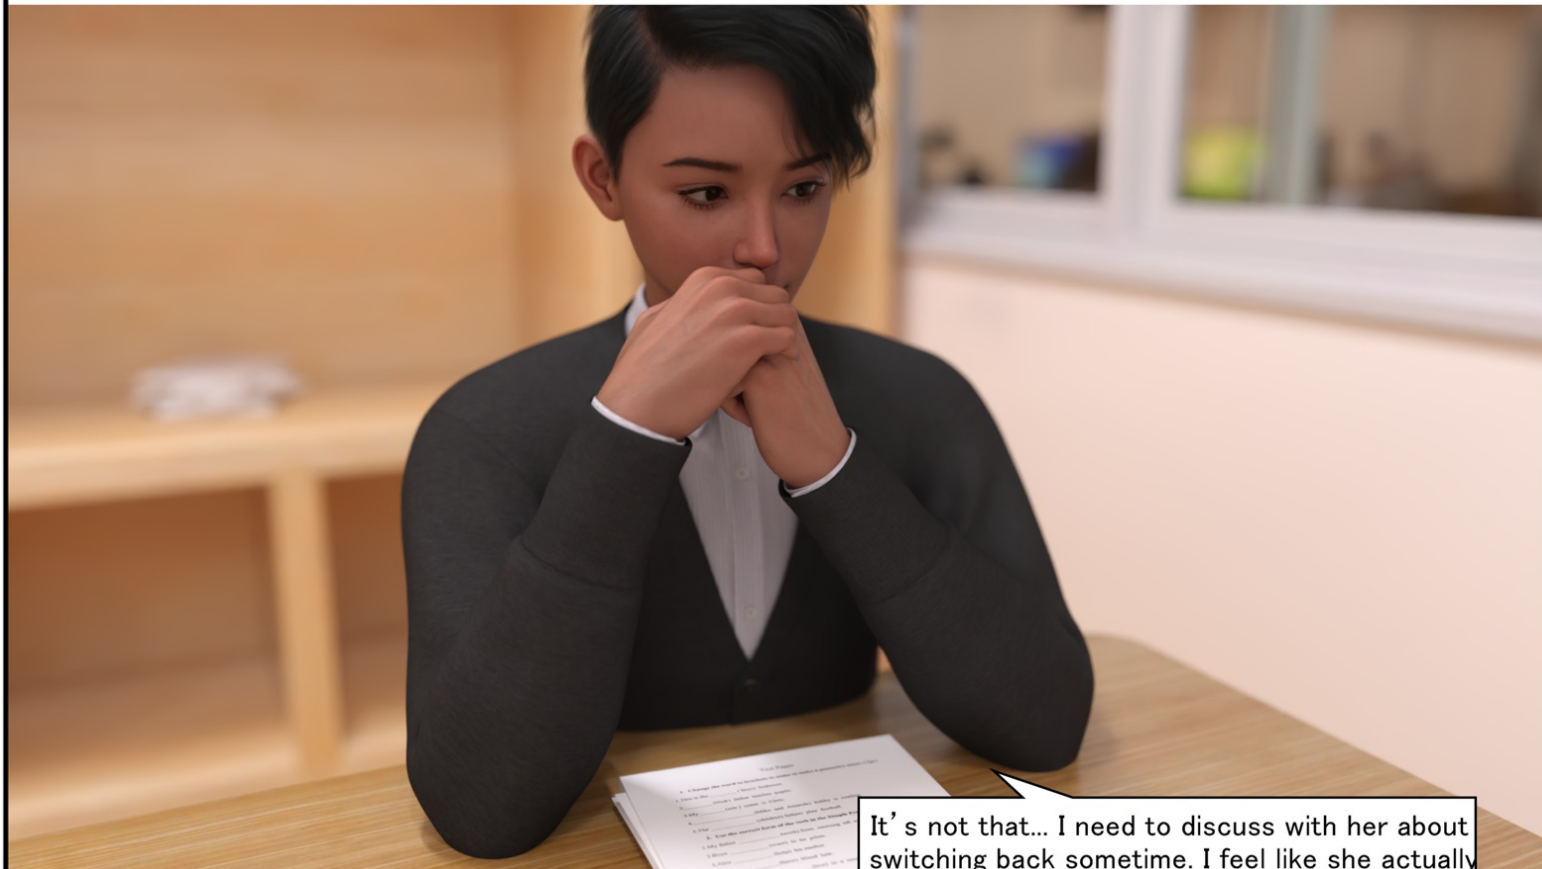

Hahaha, I knew it.

What about after class, do you want to go to the internet cafe and play LoL?

I can't today, buddy, I have plans with Ms. Wang (Qin Qiang) tonight...

Plans for what? A 'tutoring session', is it?

It's not that... I need to discuss with her about switching back sometime. I feel like she actually quite enjoys the current situation, which worries me a bit.

Ah, you look so happy watching porn and jerking off every day, why do you want to switch back so soon?

It's because I feel like I'm losing control more and more, so I want to talk to her about it...

Alright...

You two, what are you gossiping about here?
Hurry up and hand in your homework.

You didn't do it, did you?

I've done it, really, damn, caught by the pretty girl for talking during class again.

Stop it, hurry up and hand it over, no slacking!

Phew, I'm so tired, I never thought being a teacher would be more tiring than being a student, just thinking about the two back-to-back classes this afternoon gives me a headache.

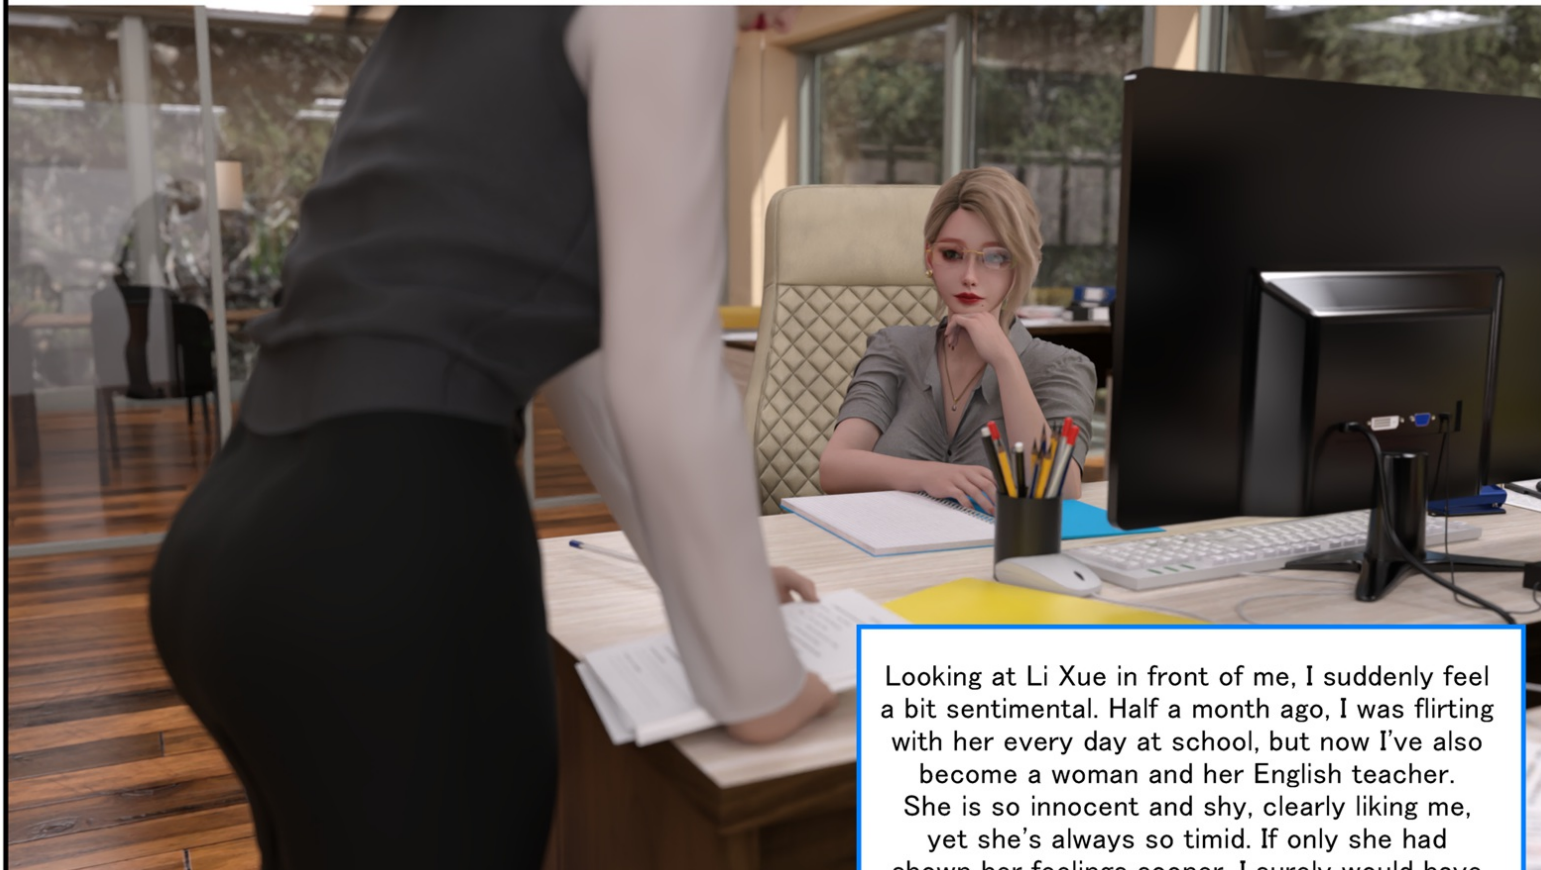

Come in.

咚咚

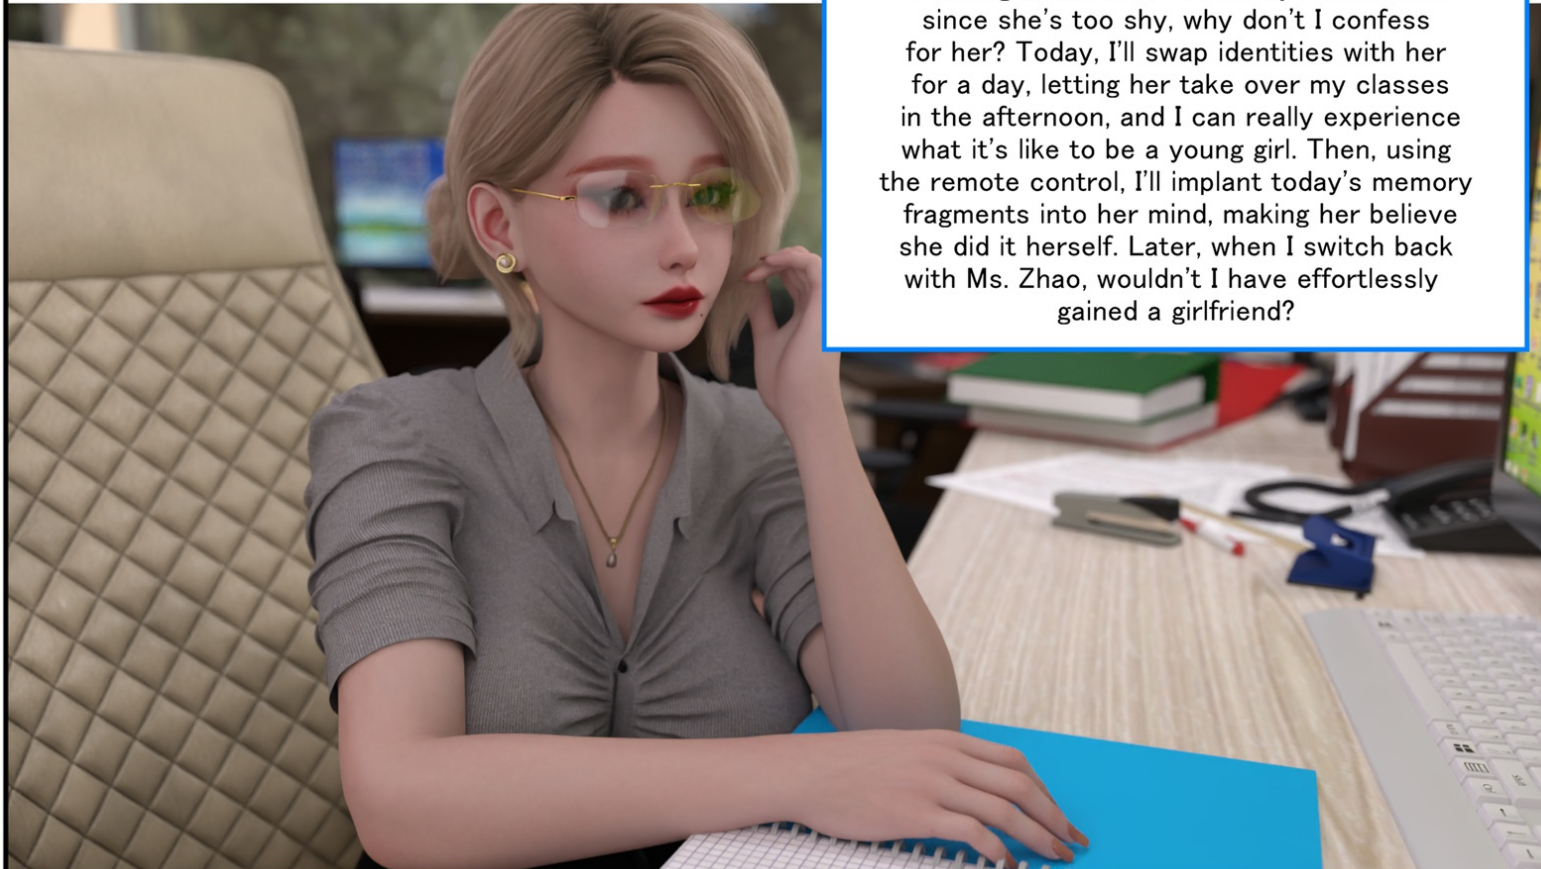

Ms. Zhao, I've brought the homework.

Everyone has turned it in.

Good, thank you, Li Xue. Just put it on the desk.

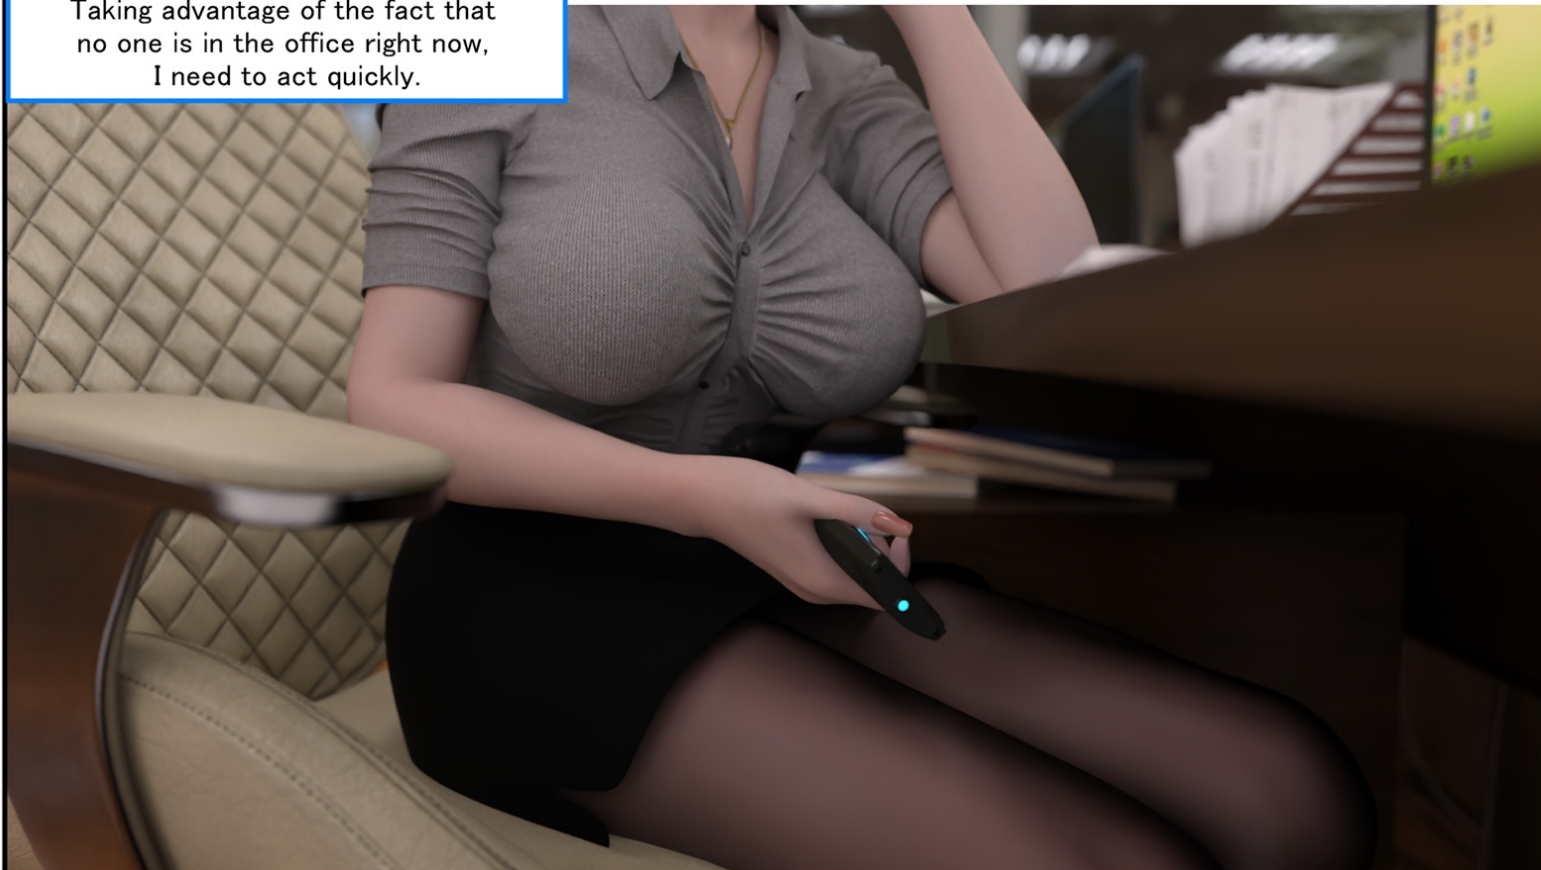

Looking at Li Xue in front of me, I suddenly feel a bit sentimental. Half a month ago, I was flirting with her every day at school, but now I've also become a woman and her English teacher. She is so innocent and shy, clearly liking me, yet she's always so timid. If only she had shown her feelings sooner, I surely would have started dating her by now.

Thinking about this, I suddenly realize that since she's too shy, why don't I confess for her? Today, I'll swap identities with her for a day, letting her take over my classes in the afternoon, and I can really experience what it's like to be a young girl. Then, using the remote control, I'll implant today's memory fragments into her mind, making her believe she did it herself. Later, when I switch back with Ms. Zhao, wouldn't I have effortlessly gained a girlfriend?

I can't help but think I'm a genius.
Taking advantage of the fact that
no one is in the office right now,
I need to act quickly.

Ms. Zhao, I'm going back to the classroom now.

Wait, Li Xue...

Immediately, I pull out the remote control, aim it at her, and press the button...

From now on, everyone except those aware of the remote control will think I am Li Xue, and you are Zhao Fengming. Your actions will now follow my commands, and later, when I end the command mode, you will also believe you are Zhao Fengming to carry out all my daily activities.

Understood, Li Xue.

Like Li Yun before, her gaze becomes vacant, her voice mechanical.

First, let's switch clothes.

Later, I'll use the remote control to change the body shape too... After all, my chest is so large, it doesn't look like a student's at all.

Wow.

I didn't expect her to be so well-developed. This breast shape is really cute, now I definitely have to experience her body.

The bra is also so cute, definitely the style young girls would buy, different from anything in my wardrobe. Take it off and let me try it on.

Hmm~ Although I haven't changed
my body yet, it still fits quite well.

Even though I am now a woman
it still feels so thrilling.

The panties Li Xue just took off are clinging tightly to my vulva, and I can even feel a slight moistness from her urine stains on them. Wrapped in her panties, I can feel my vagina starting to warm up.

Hurry and put on the clothes,
it'll be troublesome if someone comes in.

Luckily, I wore black stockings today,
this seems to be the first time I've seen
Li Xue wear stockings.

Hmm, not bad, but the figure could still use some work. I'll need to change the body later.

Then I picked up the socks Li Xue just took off, preparing to put them on. If I were still a boy now, I'd definitely grab these to the bathroom right away to jerk off with them. I'm sure if I gave these socks to the current Ms. Zhao or Mom, they would do the same.

This time it's a real high school girl's uniform, shoes, and socks, not just some dirty shop items from online.

Hmm, this makes me look at least ten years younger, haha.

Next, just tweak a few details and you'll be free to move around, Ms. Zhao.

During the Afternoon Class

Why do I feel dizzy? It seems like I didn't sleep well at noon.

Alright, class is starting.

Xia Xiaoxu! Stop sleeping. Still in the mood to sleep? Do you know how many points you scored on the test?

Ah, what's with today, why so fierce?

Hmm?

Stay after class; come to my office!

Ah? What is this!

Could it be?

Damn!

What's wrong, Xia?
Do I look different today?

In the Bathroom.

Be gentler, if someone nearby
hears us, it'll be trouble.

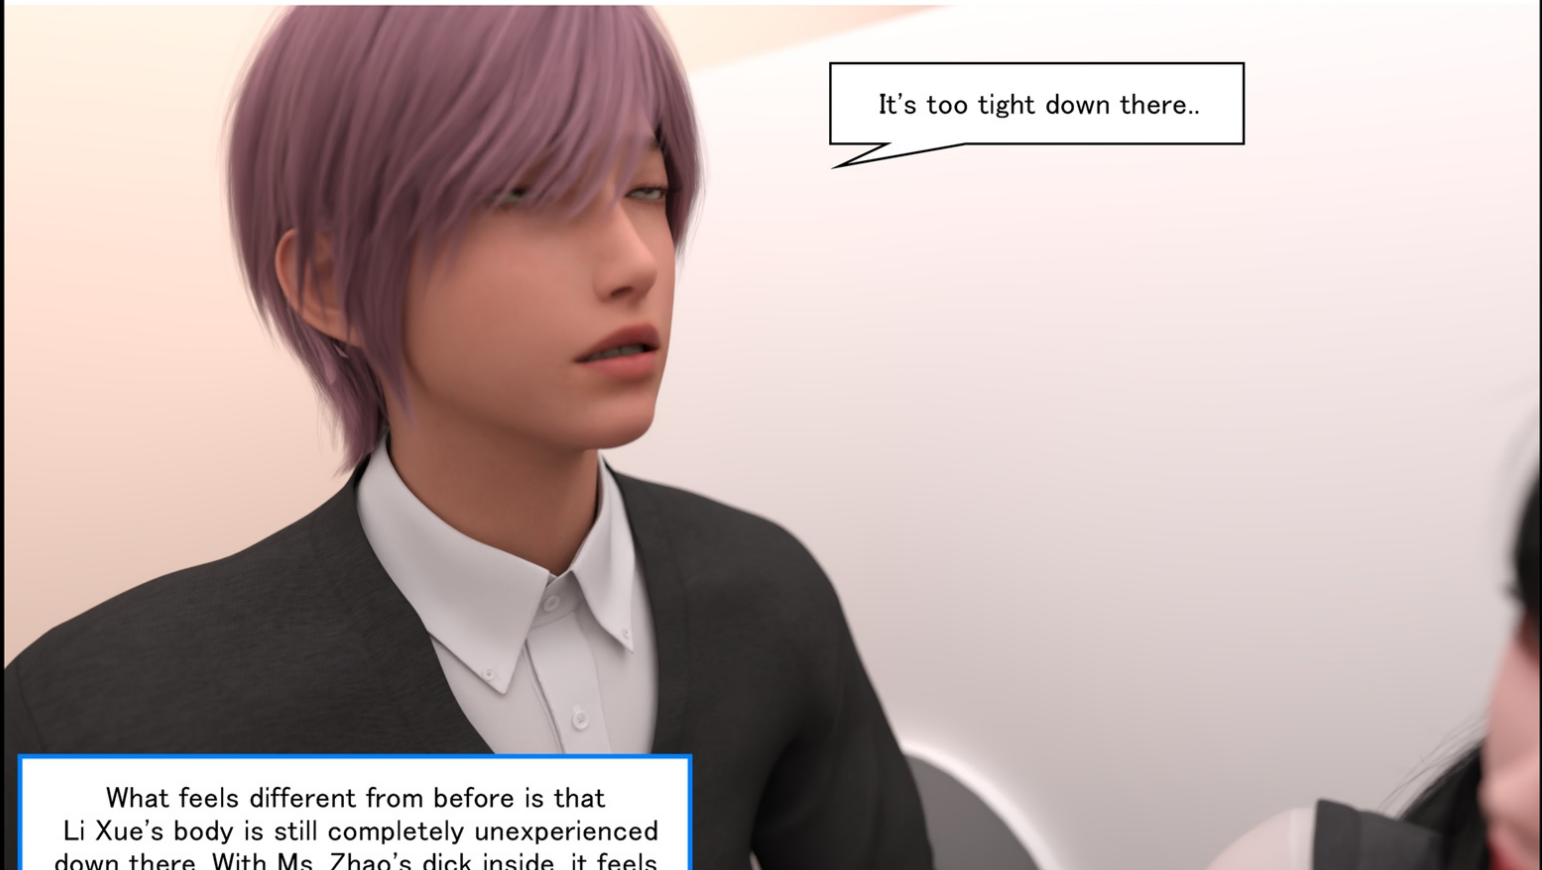

Don't worry, I just checked everywhere.
And class has started, it's PE now, so it's fine.

Ow, it hurts...

Yeah, I'll go slowly.

To make this memory seem more realistic in Li Xue's mind later, I deliberately mimic her tone.

Stop it! Xia Xiaoxu, you're too big down there.

It's too tight down there..

What feels different from before is that Li Xue's body is still completely unexperienced down there. With Ms. Zhao's dick inside, it feels like down there is being torn apart.

Xia Xiaoxu, you're so annoying, I just told you I like you, and you bring me to the bathroom to do this.

You'll always love me, right?

Of course, Xiao Xue.

Mmm...

Let's go, time for class.

I can't, my legs are weak.
I need to rest a bit.

Alright, I'll go out first.

Be careful, and make sure no one sees you.

So this is what it feels like to be in a young girl's body. I remember after becoming a woman, I was already in a body over thirty years old, so today I've truly lived out a young girl's dream.

Although the breasts aren't that full,
the vagina is really tender and tight.

It's completely different from
that of a mature woman.

She will also get to experience this difference soon, especially since I added a layer of lascivious vixen settings to her performance mode. Later on, 'Xiaoxu' might just get thoroughly drained.

Phew, I never imagined I'd do something this crazy at school. In the past, I wouldn't even dare to think about it. But, it's really quite fun.

Hey, 'Qin Qiang', what are you watching over there?

Watching the girls, hehe. Look how lively they are, their little "bunnies" bouncing up and down.

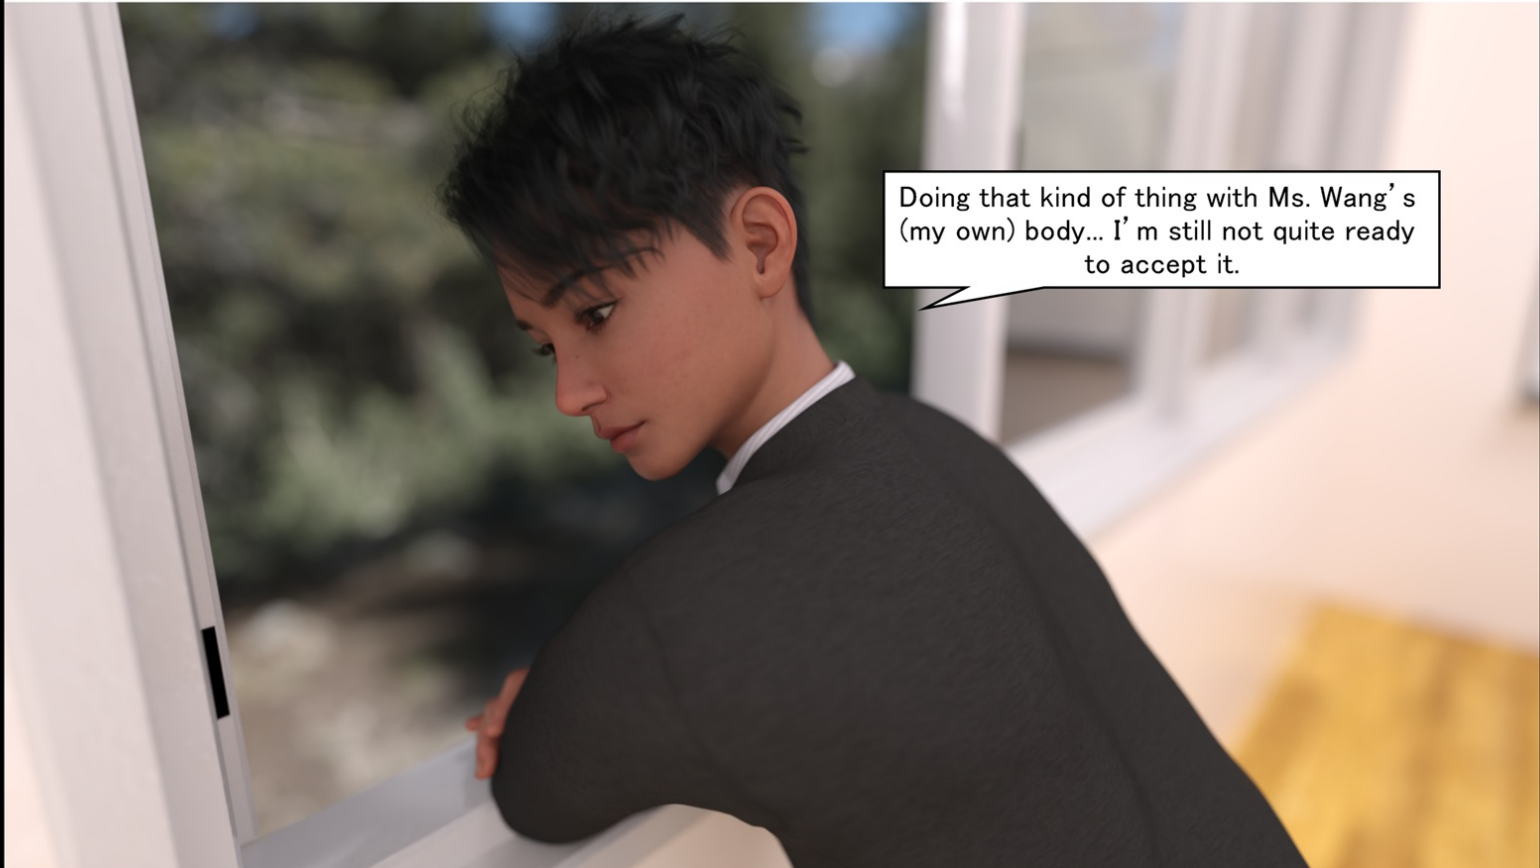

What do you say, how about we think of a way to use the remote control to sneak into the changing room and steal a couple of the girls' panties?

Damn, that's too sleazy, bro.

If you're that desperate, just talk to 'my mom'.
She'd be more than happy to
accommodate your needs.

Doing that kind of thing with Ms. Wang's
(my own) body... I'm still not quite ready
to accept it.

Jerking off is already awesome! Hehe.

I really can't with you. If you need material for jerking off, you could try going up to the women's bathroom right now. You might be able to get 'Li Xue's' panties.

What? What did you two just do again?

Why didn't you say so earlier? Really.

Hahaha, don't sorry.

Even did
- 24th of J
- 6th of J

Homework:
* Page 6 of notebook
* Study chapter 4-14
* Lab report

THIS IS YOUR
YEAR TO ...

Wow, 'Qin Qiang', what are you doing?
This is the women's restroom!

I... I...

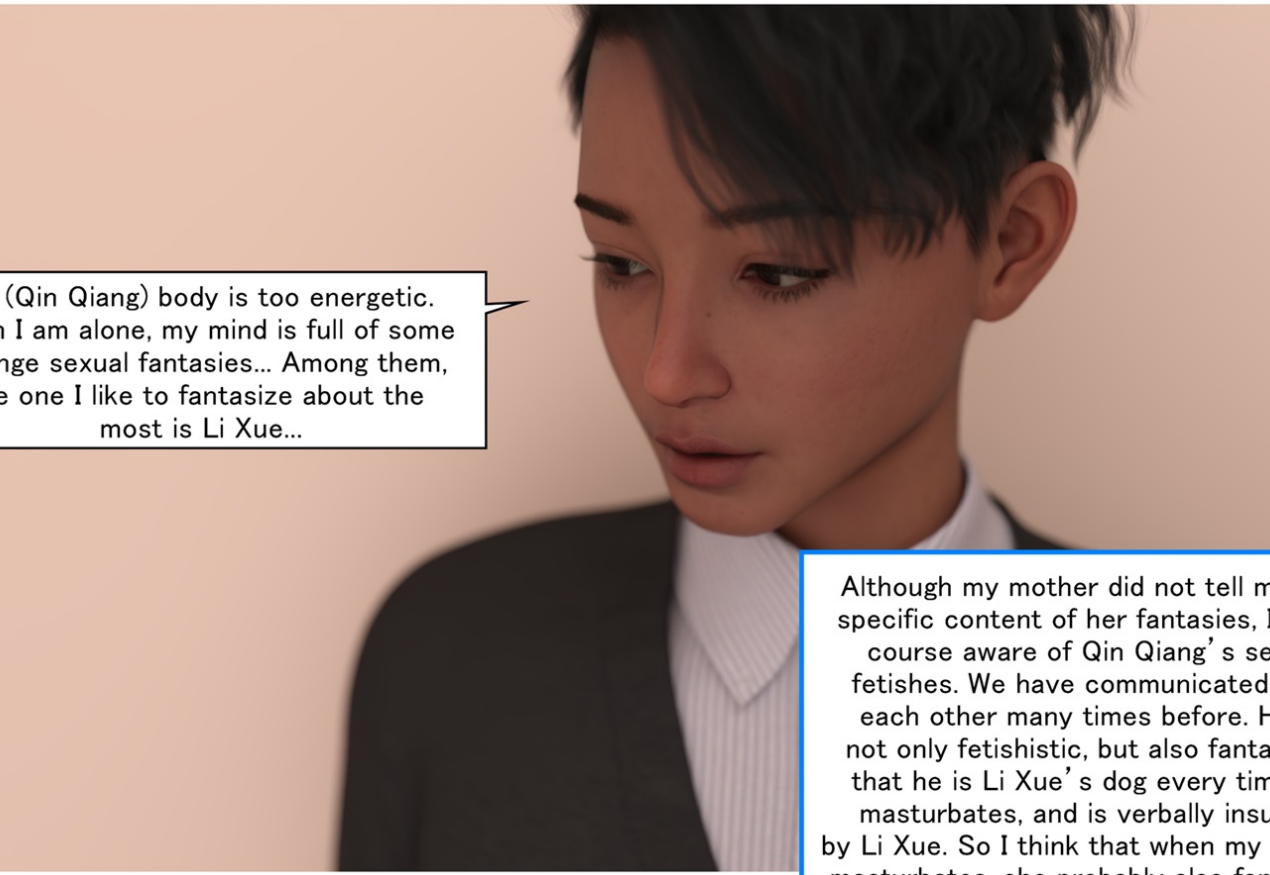

No... no, Ms. Zhao (Xiaoxu), it's still too weird for me (Mom) to have sex with you like that.

I get it, did 'Xiaoxu' tell you? What, do you want to do it with me too? That's okay, I won't put this memory into Li Xue's mind afterward.

Is that so? But I heard you jerk off
two or three times every day.

Th... that's because...

My (Qin Qiang) body is too energetic. When I am alone, my mind is full of some strange sexual fantasies... Among them, the one I like to fantasize about the most is Li Xue...

Although my mother did not tell me the specific content of her fantasies, I am of course aware of Qin Qiang's sexual fetishes. We have communicated with each other many times before. He is not only fetishistic, but also fantasizes that he is Li Xue's dog every time he masturbates, and is verbally insulted by Li Xue. So I think that when my mother masturbates, she probably also fantasizes about the same content.

You are so pitiful. I will help you.

You just need to take off Li Xue's underwear and give it to me.

Okay, but you have to let me see your penis, 'Mom'.

Ah, no. Ms. Zhao (Xiao Xu), don't call me that.

Oh? What should I call you then?

Call me... 'Qin Qiang'...

Okay, Qin Qiang, take off your pants and let me see your penis.

Oh, Qin Qiang, your penis is really small.
Compared with Xia Xiaoxu, it is like a child's penis.

Such a small penis, but still has such a strong sexual desire every day, it is really hilarious. However, it is also very cute even if it is small.

Can't wait right?

Do you want it?

Yes.

Then what should you say?

Ah?

Say it again as if this
is all your fantasy~

Ah, that's too...

Do you still want it, Qin Qiang.

Master...give me your
underwear... (*whisper)

Huh? Your voice is so low?
Haven't you eaten ?!!

Look at me and speak louder~

Master! Give your panties
to your little bitch!

Seeing my mother say this with a perverted expression, my heart became excited, and this time the excitement was even more exciting than when I was facing Ms. Zhao. As expected, men can do anything as long as they have sperm in their brains.

So good, hold the master's
panties in your mouth.

It smells good right? Your cock is trembling with excitement, do you like the master's panties so much?

Is it comfortable to have your little cock
rubbed by the sole of the
master's shoe? Hmm?

I've been wearing these socks for
a whole day, do they smell good?

You are really like a male dog in heat, holding my panties in your mouth, smelling my feet, and your cock is so hard that it can hang on my shoes. You are so cheap.

I imitated the video that Qin Qiang shared with me before, where he said the humiliating lines in a queen voice to the heroine who was masturbating happily.

Sure enough, mother reacted very strongly after hearing these words. The shoes hanging on her cock started to bounce along with her cock. I didn't expect that she was so stimulated that she ejaculated.

Mmm!

Ah? You ejaculated just because I insulted you for a few words? You are so disgusting.

It's so...cool... Ms. Zhao (Xiaoxu),
how did you know what I was
fantasizing about last night?

Of course, I know too well what
you are thinking about now.

Goodness, you cummed into my shoe. It feels all sticky.

I... I'm sorry.

It's okay. 'Mom', I know you have all kinds of weird sexual fantasies in your mind now, if you tell me, I will help you realize them.

Um... Thank you Ms. Zhao (Xiaoxu)...

Let me fix my hair, and then we'll leave.
It's already been too long since school ended.

What are you standing there for?
Put your pants on.

Uh... Ms. Zhao (or Xiaoxu), do I really have to wear your underwear home?

What's the matter? Didn't you want my underwear?

No.. It's just..

Oh, come on, are you embarrassed about wearing women's underwear?

No excuses. A good puppy has to behave if they want a reward next time~

Alright.

Hurry up and put on your pants.
I'll wait for you outside.

He's probably been called to the office by now.
I can't help but wonder what Li Xue,
with my body, would look like as a
middle-aged seductress.

For some reason, a strange sense of jealousy
surged in my heart. Perhaps it's just a
woman's natural envy.

MALE

FEMALE

Come out now, there's no one left.

I... can I come out now?
There's no one outside, right?

Are you done?

Yeah

Didn't you have an appointment with "Mr. Wang" to discuss something? You should head back first; I'll wait here for Xia Xiaoxu.

Okay.

In the office

Xiaoxu, you know the teacher
wasn't intentionally harsh with
you during class, right?

Uh-huh, I know.

Ah, wait, Ms. Zhao, what are you doing?

The teacher loves you so much,
if it weren't during class,
how could I bear to
be harsh with you?

I can't bear it anymore, Xiaoxu.
My pussy got wet back in the class.
Now I can't bear it anymore.

Wait, Ms. Zhao?

What's going on? Didn't you say you would
behave the same as usual? This... what is this?
Why are you taking off your clothes?

*The pink frame is Zhao Fengming's inner thoughts.

My pussy is ready for you, hurry up and take out your dick. Don't worry, the door is locked.

Oh my god, Li Xue's innocent face matches with my body, it feels so contrasting.

It seems that you are also thinking about me.

Hmm, it is fishy and smelly,
but the teacher likes it very much.

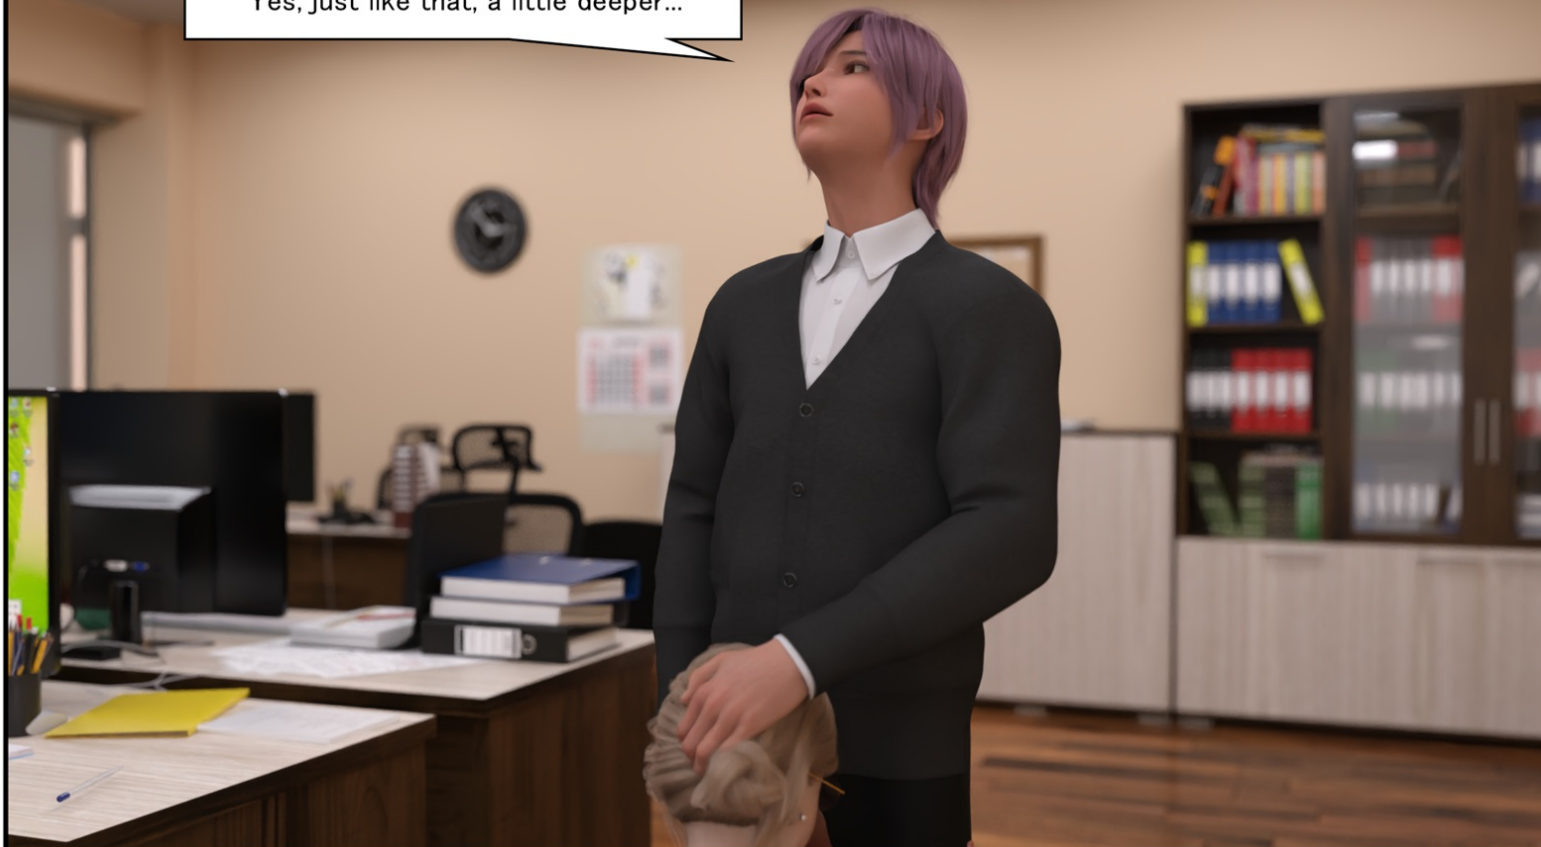

It is really delicious, I must try this.

Even the oral sex
technique is so perfect.

Yes, just like that, a little deeper...

Now don't you stand there like a dead plant, put your dick in now~

What kind of middle-aged nympho setting did he give Li Xue? It's just like a middle-aged slut in heat.

But Li Xue's face is really erotic when paired with my body. I can't hold it anymore.

What are you doing? What are you thinking about? Put it in now.

Haaa~ Xiaoxu, your cock is so thick, my pussy is filled up.

You're almost at my uterus, Xiaoxu~

Xiaoxu~ Faster~ Fuck me harder.

At the same time, Xia Xiaoxu's home

Coming~

Ding Dong !

Ms... Ms. Wang (Qin Qiang)..

Qin Qiang (Ms. Wang), you are here

I have been waiting for you for a long time.

Come in, what do you
want to discuss today?

Wang Yawei never expected that Qin Qiang would dress so feminine and sexy in her body.

I...I..

Looking at her former body in sexy pajamas, Wang Yawei only felt that her body, which had just ejaculated, began to stir again, and it was almost bursting the women's underwear she was wearing.

.To Be Continued.

She didn't even have the confidence that she could fully express what she wanted to say at the beginning.
