

Our teacher invited us to join a small new club in an all boys school. He said, that we would all try to withstand the effect of a mysterious drug. We did not get to know about the effects before the experiment started, but he told us, that all changes were reversible and that there was no danger.

We all trusted our teacher and didnt hesitate to take the drug.

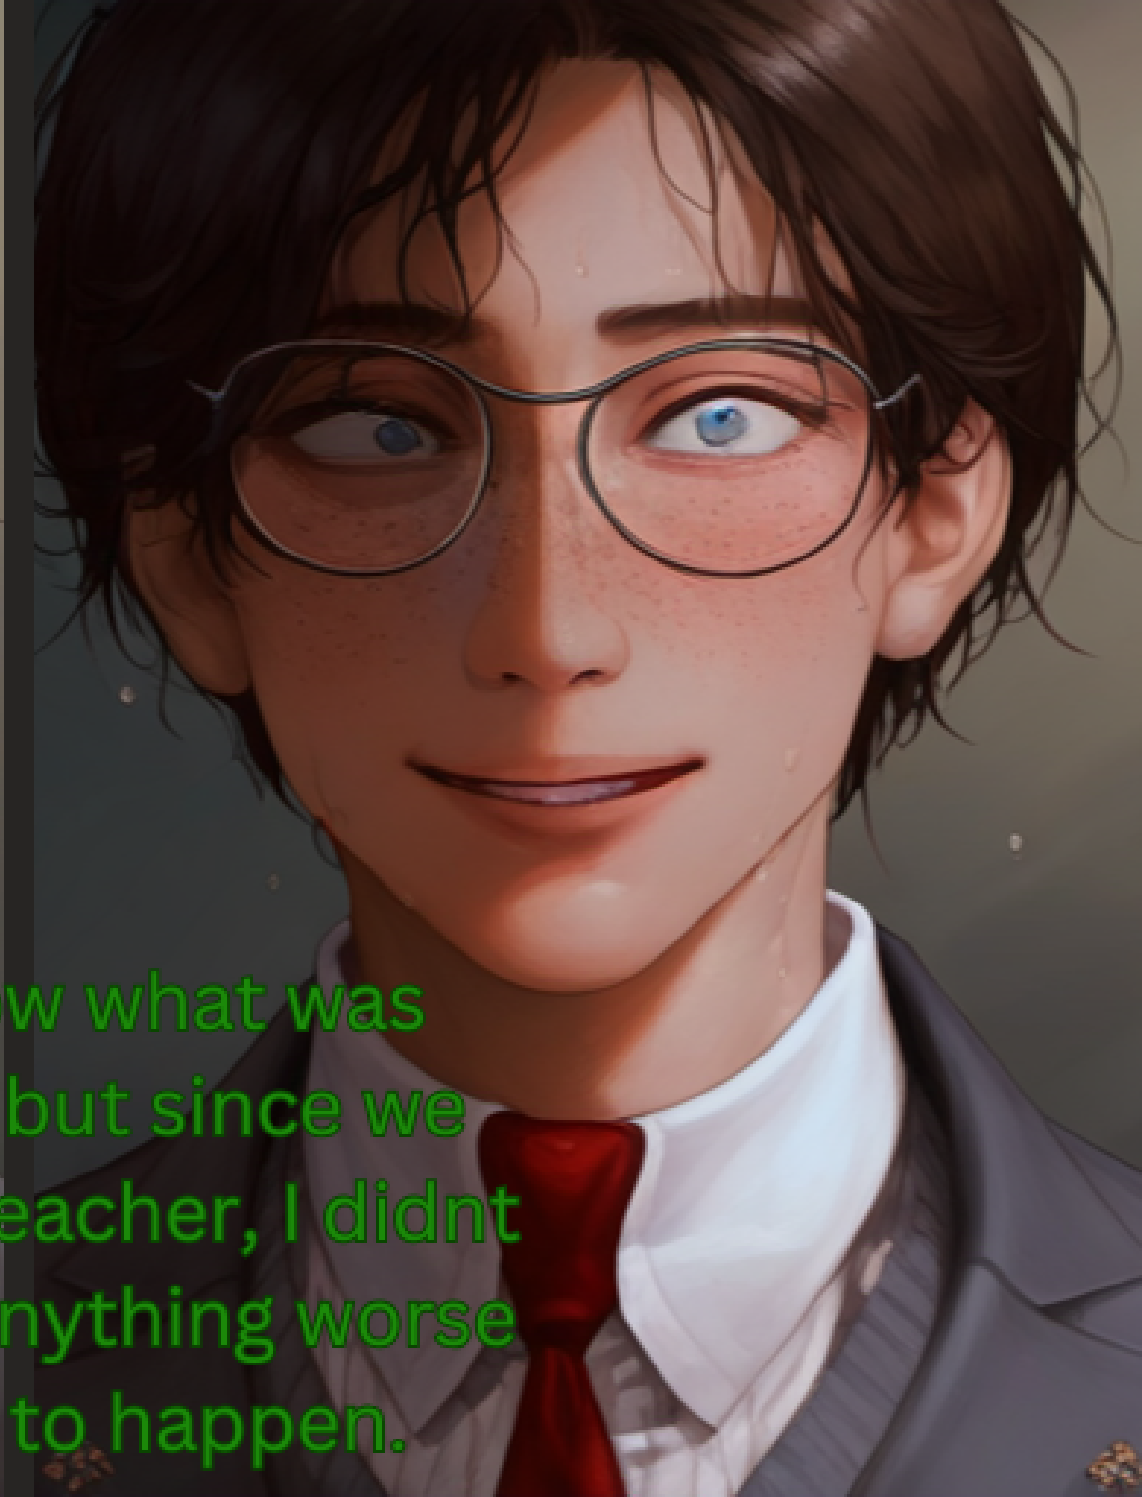

We didnt know better. All the while, our teacher was just smiling at us, fully knowing what was going to happen. I am sure, he was already looking forward to it.

I didnt know what was
happening, but since we
trusted our teacher, I didnt
really think anything worse
was going to happen.

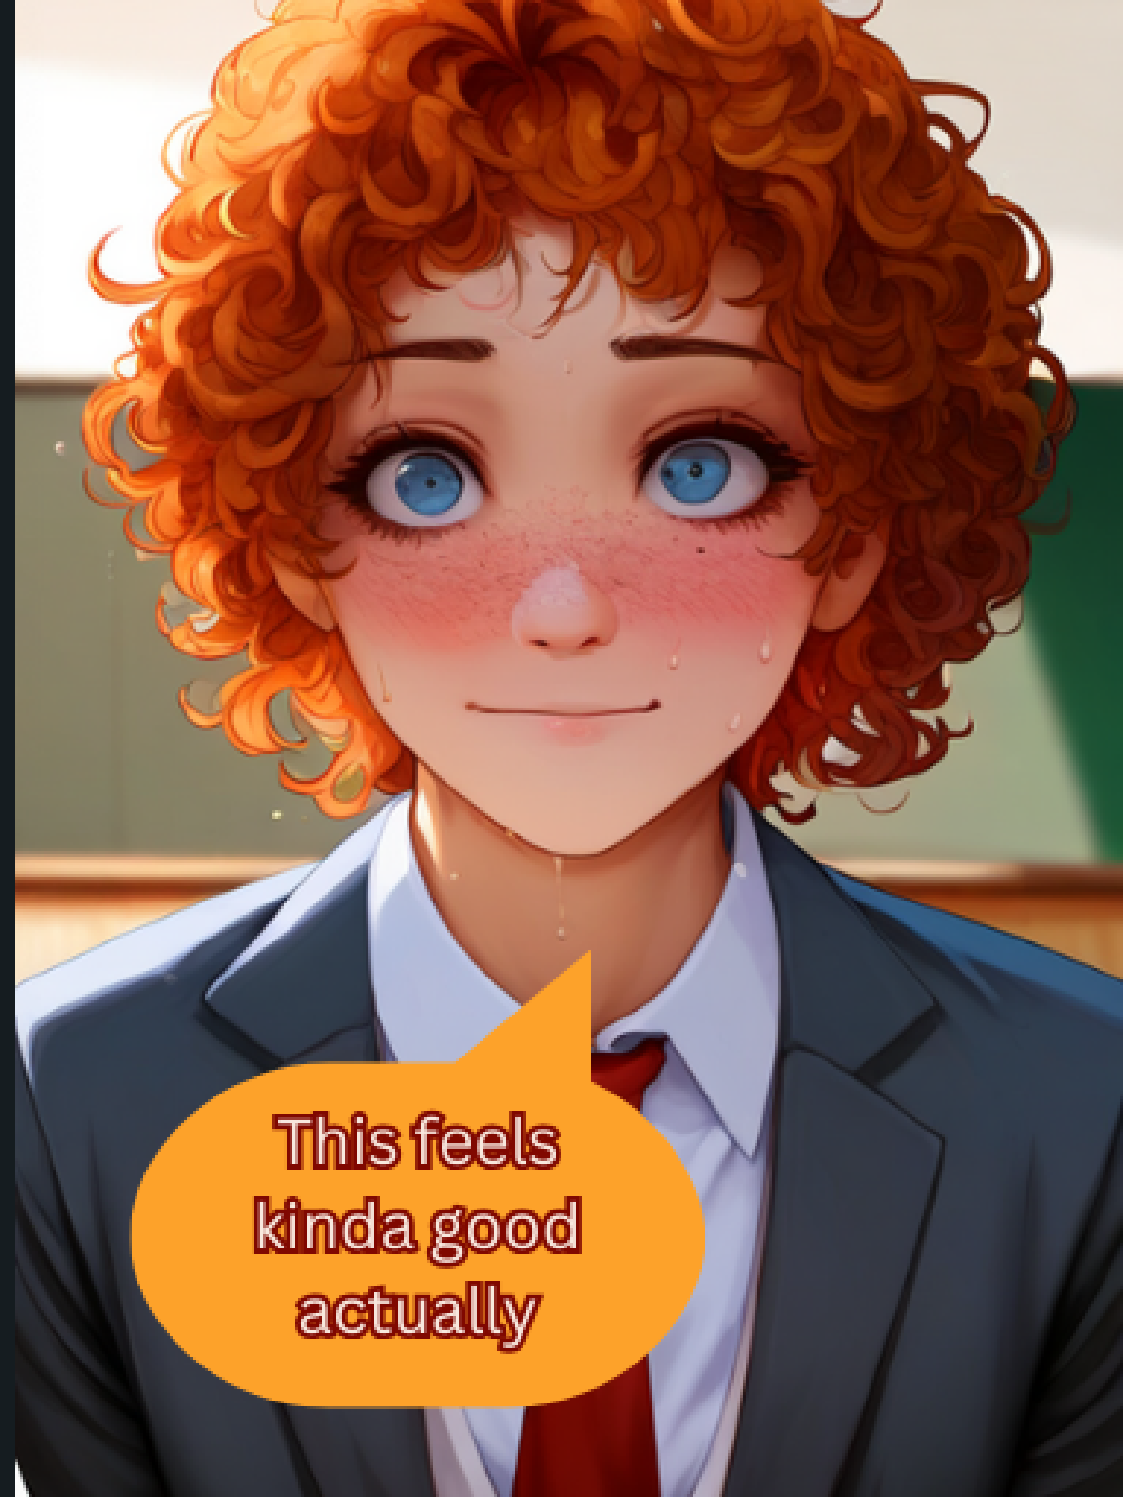

**My god... what
was in those pills,
Mr. Dickson?**

**I think I need
to go to the
toilet...**

My body is twitching. Was Mr. Dickson always this attractive?

This feels kinda good actually

A week later, all of us had started to grow our hair out. Mr. Dickson complimented our new looks and it made us all feel really good for some reason. The next day, we were all invited to a **special gym class**.

**that was a great
workout, Mr.
Dickson!**

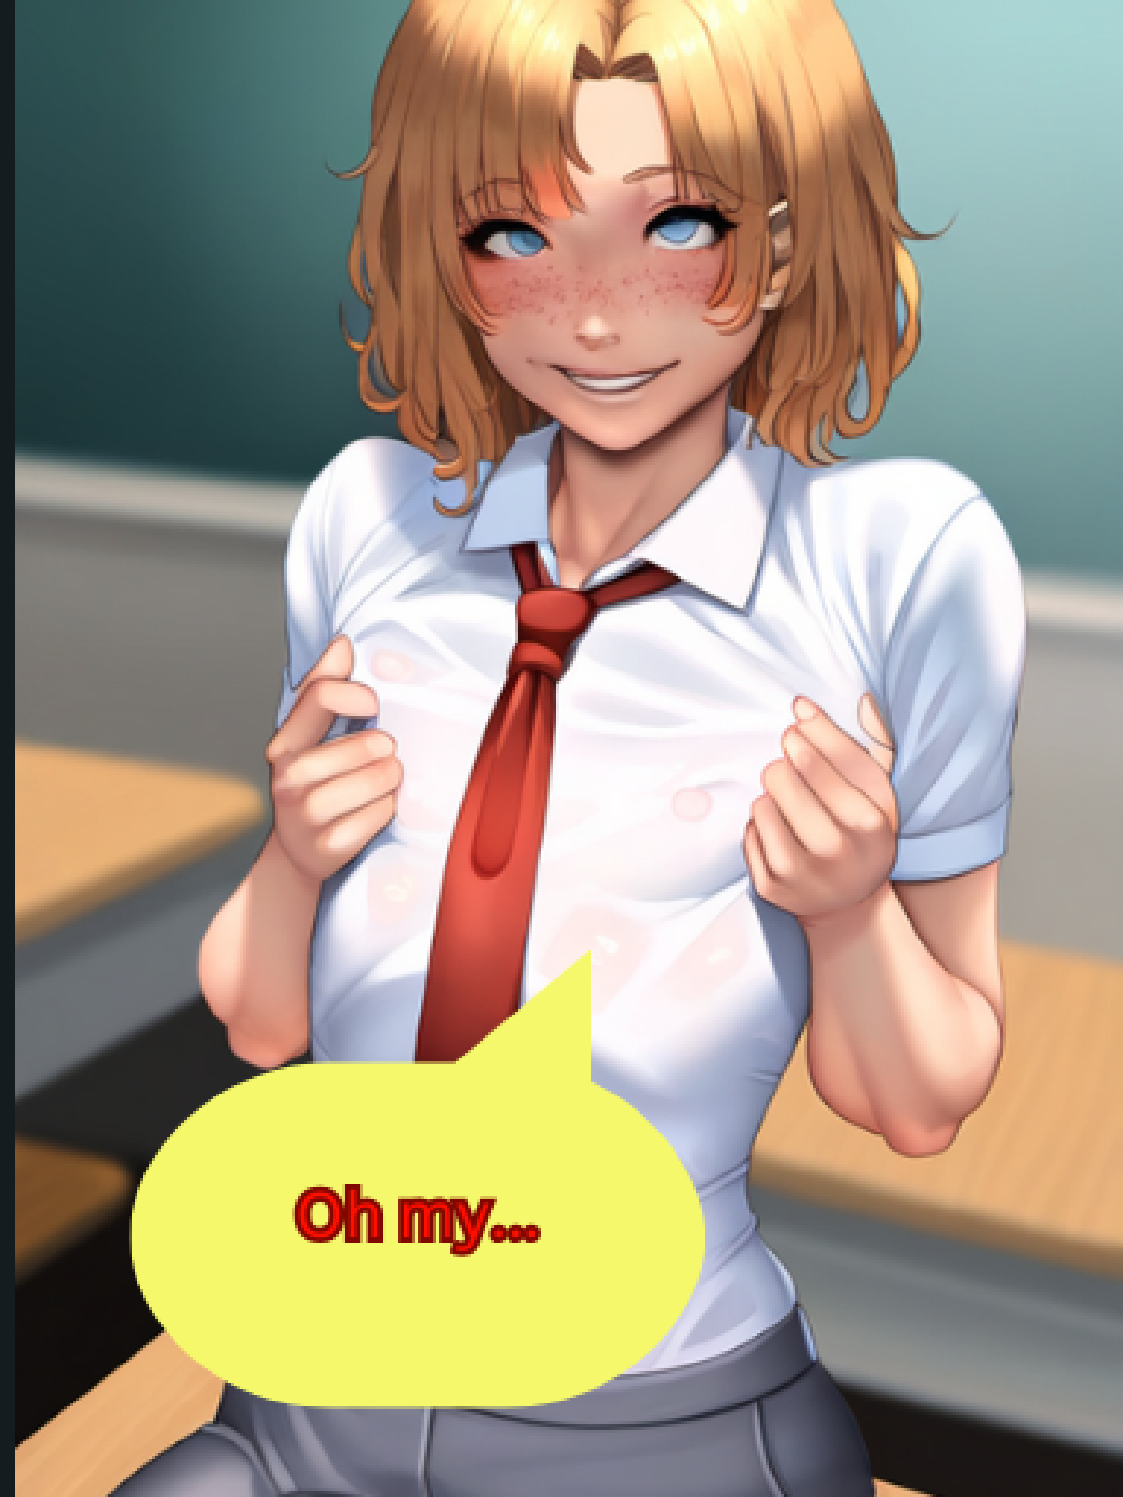

**I think you should go
sunbathing, Ben. A
strong tan would
look good on you.**

**Do you like strong
tans...?**

**My nipples
feel a little
sore**

Oh my...

mhhh... YES!

Have you ever thought of changing your hairstyle, Kyle? Pigtales would suit you

Like this?

Do you think this looks good Mr. Dickson?

You look really good!

...

The workout made my butt look really plump, dont you think?

Im glad you think so.

Haha. If you were a girl, you would certainly make me feel things, Tom.

Is there anything else you think I should try?

What else?

Well, you are really fit. Why don't you show that more?

Blue
would
look
good
in
you.

Thanks.

Everyone
is so
horny...

Arent
you
Josh?

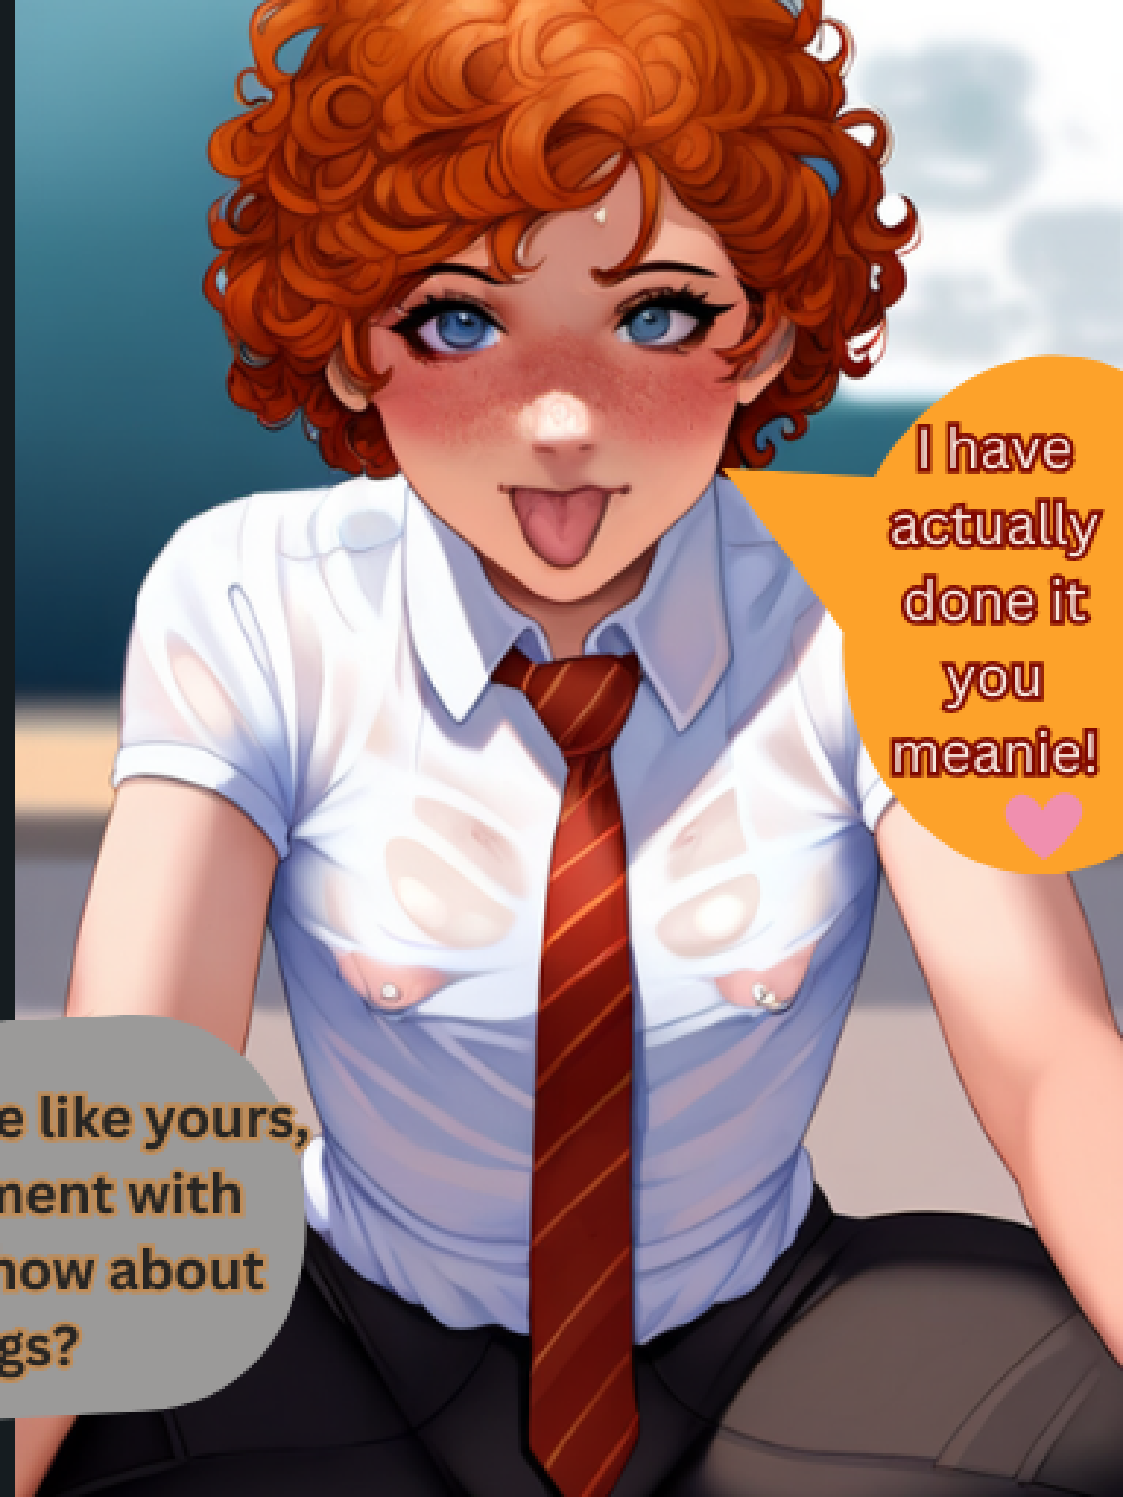

ooo 

Well,
maybe a
little bit.

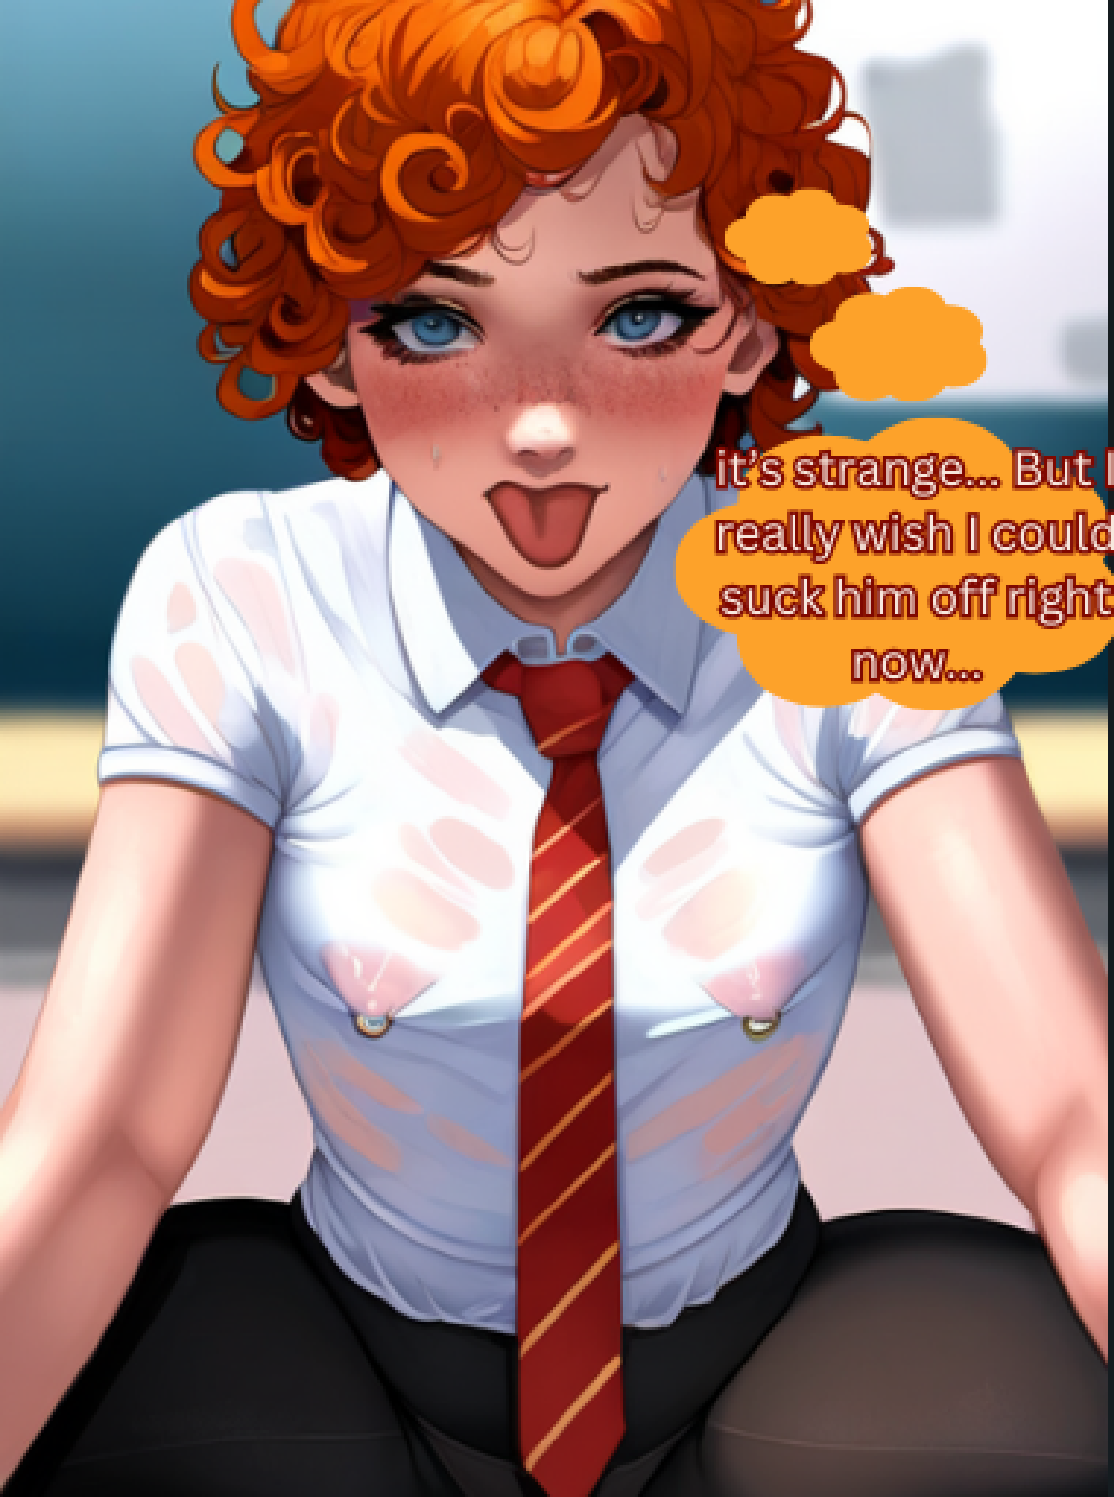

I would really like to look better for yo... I mean better too.

I have actually done it you meanie!

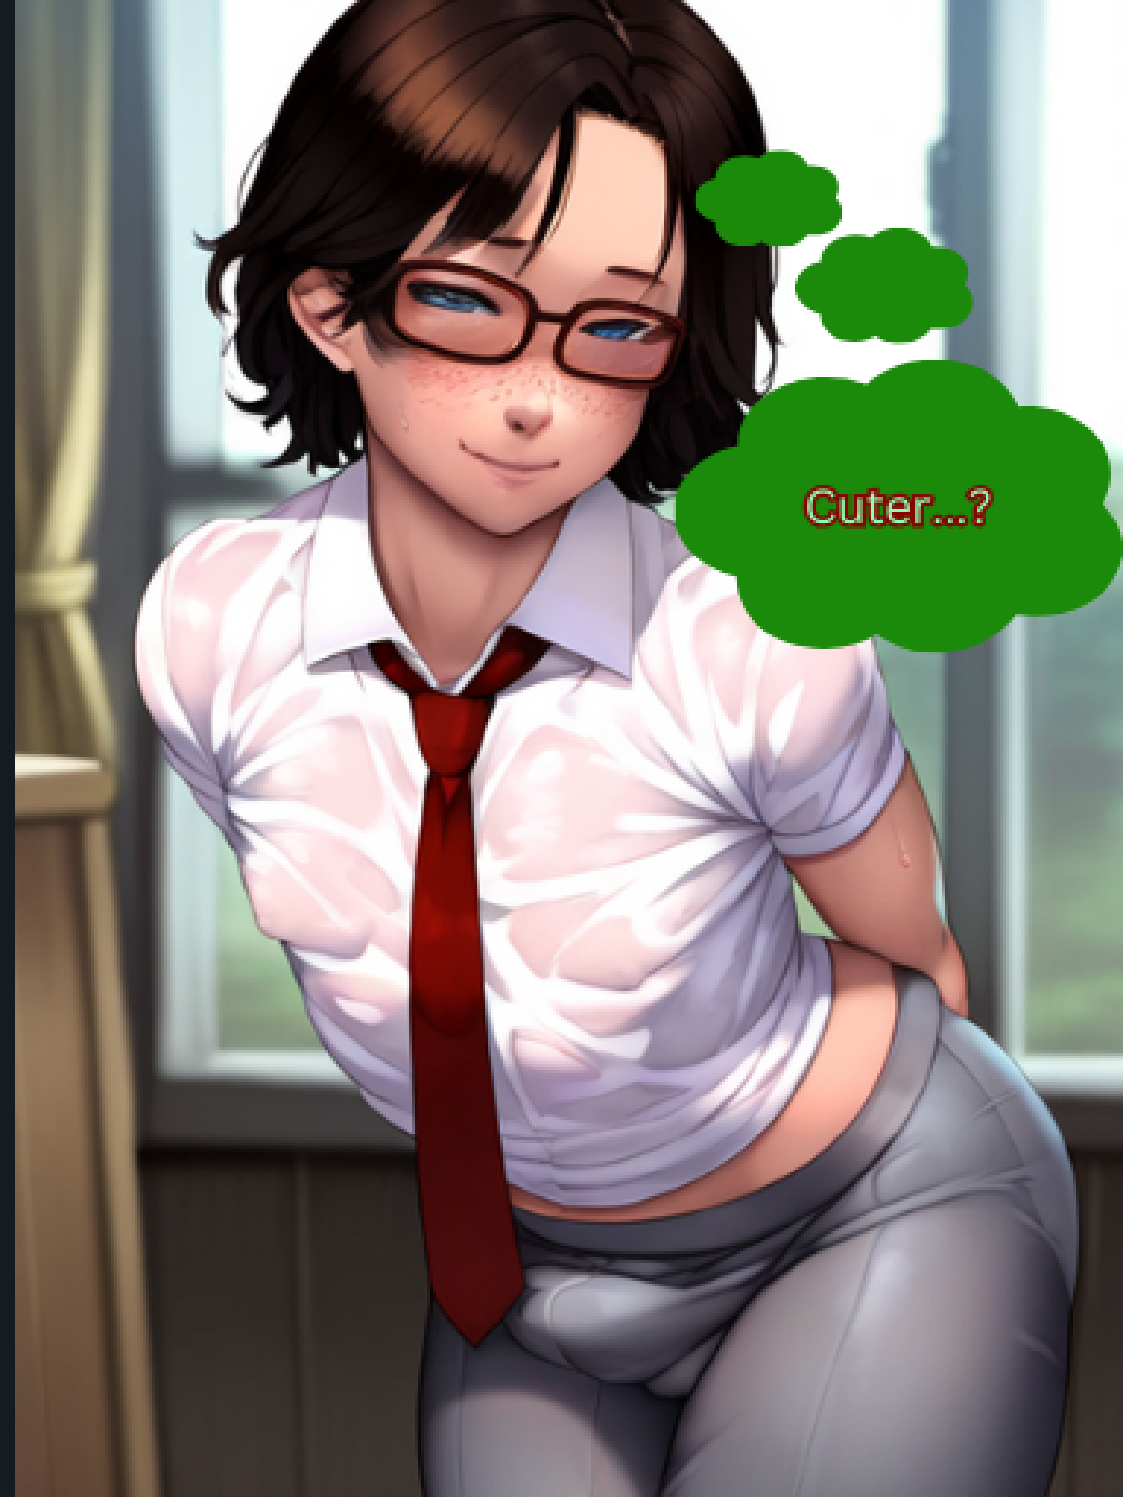

A guy with a face like yours, could experiment with makeup. And how about piercings?

it's strange... But I really wish I could suck him off right now...

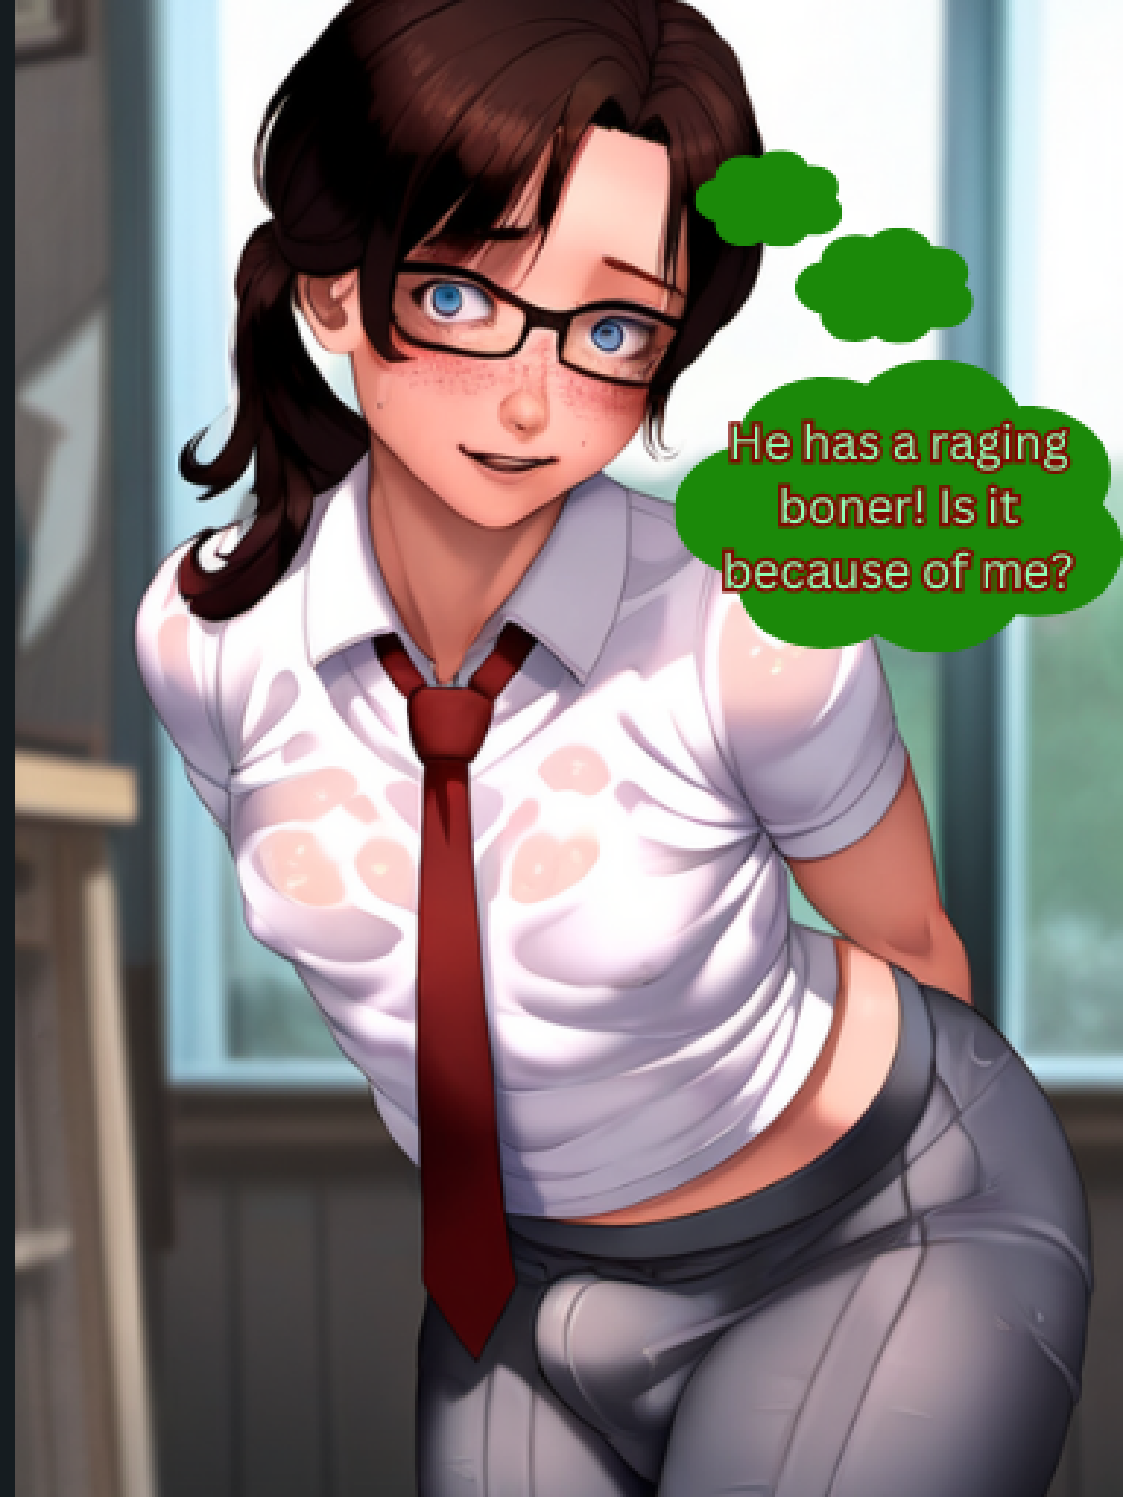

Even though we have been training so much lately, I feel like my body has gotten flubbier.

Your new hairstyle looks fabulous. Maybe you should dye your hair.

He has a raging boner! Is it because of me?

His hardon
makes me so
happy... 

How do you
like me... I
mean it? *giggle*

Oh wow, quite
the
improvement
Christopher!

After only 2 months, our appearances had changed completely. One of my classmates tried to hit on me and told me how pretty I was. Me and the others didn't talk about it, but all of us were craving only one thing. The big thing, that was always hiding under our teachers stretched out bulge, when he was working with us.

In the next month, our changes rapidly increased.

All of us had started to watch gay porn. A few of us even opened up to one another to talk about cute girly stuff and boys. Mr. Dickson clearly was only into girls, and since all of us were into him, we all started to dress like girls fulltime. Since we lived in a dorm and our teacher assured our deacon, that there was nothing to worry about, our parents were not informed.

Fuck... I spend too much time on the toilet... I am going to be late to class.

the vibrator is coming out again... mhhh...

I shouldn't
have sat
down... the
vibrator feels
sooo
good!!!

OH
FUUUUUUCK!!!

Thank you for trying this out with me, Ben. Just looking at the huge thing you bought, makes me think of Mr. Dickson.

I know, right? I can not wait to have that thing inside of me.

I am all lubed up! I also tried to stretch my butthole in the last few days.

None of us even thought about fucking each other. We didnt wonder about our breasts or our change in sexuality. All we thought about was being pretty and dicks. Especially one in paritcular...

OH Fuuuuck!
I wish this was actually
him! I am going to come
soon just from
imagining it.

OH FUCK YES MR.
DICKSON!
FUCK ME
HARDER!!!

Oh god...
I can't believe how
good semen
smells...

I came sooo hard,
just thinking about
him... ♡

Don't scoop it
out of my
mouth... My first
kiss belongs to
him...

I can't help it...
I just needed to
swallow as much
as I can...

Oh Mr.
Dickson...

I didn't have
anyone to
practice with,
but sometimes,
I would sneak
out of class to
improve my
blowjob skills.

hmppppfff...

Josh got really turned on by the thought of getting caught and always pleased himself after his soccer club was over.

I've waited for this all day...

Do you like my pussy Mr. Dickson?

all of us were
crazy for our
teacher.
The thought of
him not being
interested in
us, really
gnawed on our
minds.

Mr. Dickson
had planned
for that to
happen,
however. The
pills he had
bought online
advertised
turning young
boys into
willing sissy
sexslaves for
the 1st man
they see.

7 months after taking the pills...

Kashvi

Ashley

Sarah

Jessica

Kimberly

The club had been called "Sissy club" by our classmates by now. Our teacher made us wear lingerie for the last day of our club. For some of us, the changes to our bodies had been more generous. Whilst Ben, Josh and I had developed voluptuous curves, Kyle and Tom ended up slender yet still very feminine. Our teacher asked us, if we would want for him to refer to us as girls. we all agreed immediatly. In that case we were asked to choose new names.

We all watched in awe, as Mr.Dickson suddenly took out his massive boner and smiled at us. All of us started to drool. "You have all done so well my little Sissies. You really have all become very beautiful. I can see how much you crave this, but today, I can only choose two of you. Kashvi, please undress. I always had a fable for indian looking girls."

Without a second thought, Kashvi jumped on a table and spread her legs. I was so jealous!

He forced his dick right into her.

I can't believe how lucky I am.
Please fuck my brains out!

You tanned yourself
so well, I don't think
even your parents
would recognize
you!

Everything to
please you
Master!

Fuck your
exotic little
whore!

I am going to come!
Take all of it slut!

OMG YESSSS!
Please fill me up!
hmpfff...

I watched in awe, as Kashvi tried to stand up and immediately had to sit down again. She leant against a wall, as the teachers semen was leaking out of her stretched out butthole. Her legs were trembling and she shot out a big string of her own cum all over the floor.

I wanted to be chosen next, but without Mr. Dickson even saying a word, Sarah already tried to tempt him.

Oh no, Mr.
Dickson... I tripped
and can't get back
up. Please help
mee! ❤️

Is this what you
want you stupid
slut?

OH FUCK YESS!

My little pussy is all
yours! I am nothing
but your stupid
little cumdump 

Take my cum you
depraved little
bitch!

OH MY GOD!
It's so warm. I
am actually
being filled up!
Knock me up
please! ❤️

It's over already...
I want to be fucked for
hours...
I am nothing without his
dick...

Mr. Dickson left for the day and the rest of us were feeling destroyed.

Kimberly and Ashley were convinced, that they were not chosen because their boobs had been too small. Both were crying in each others arms.

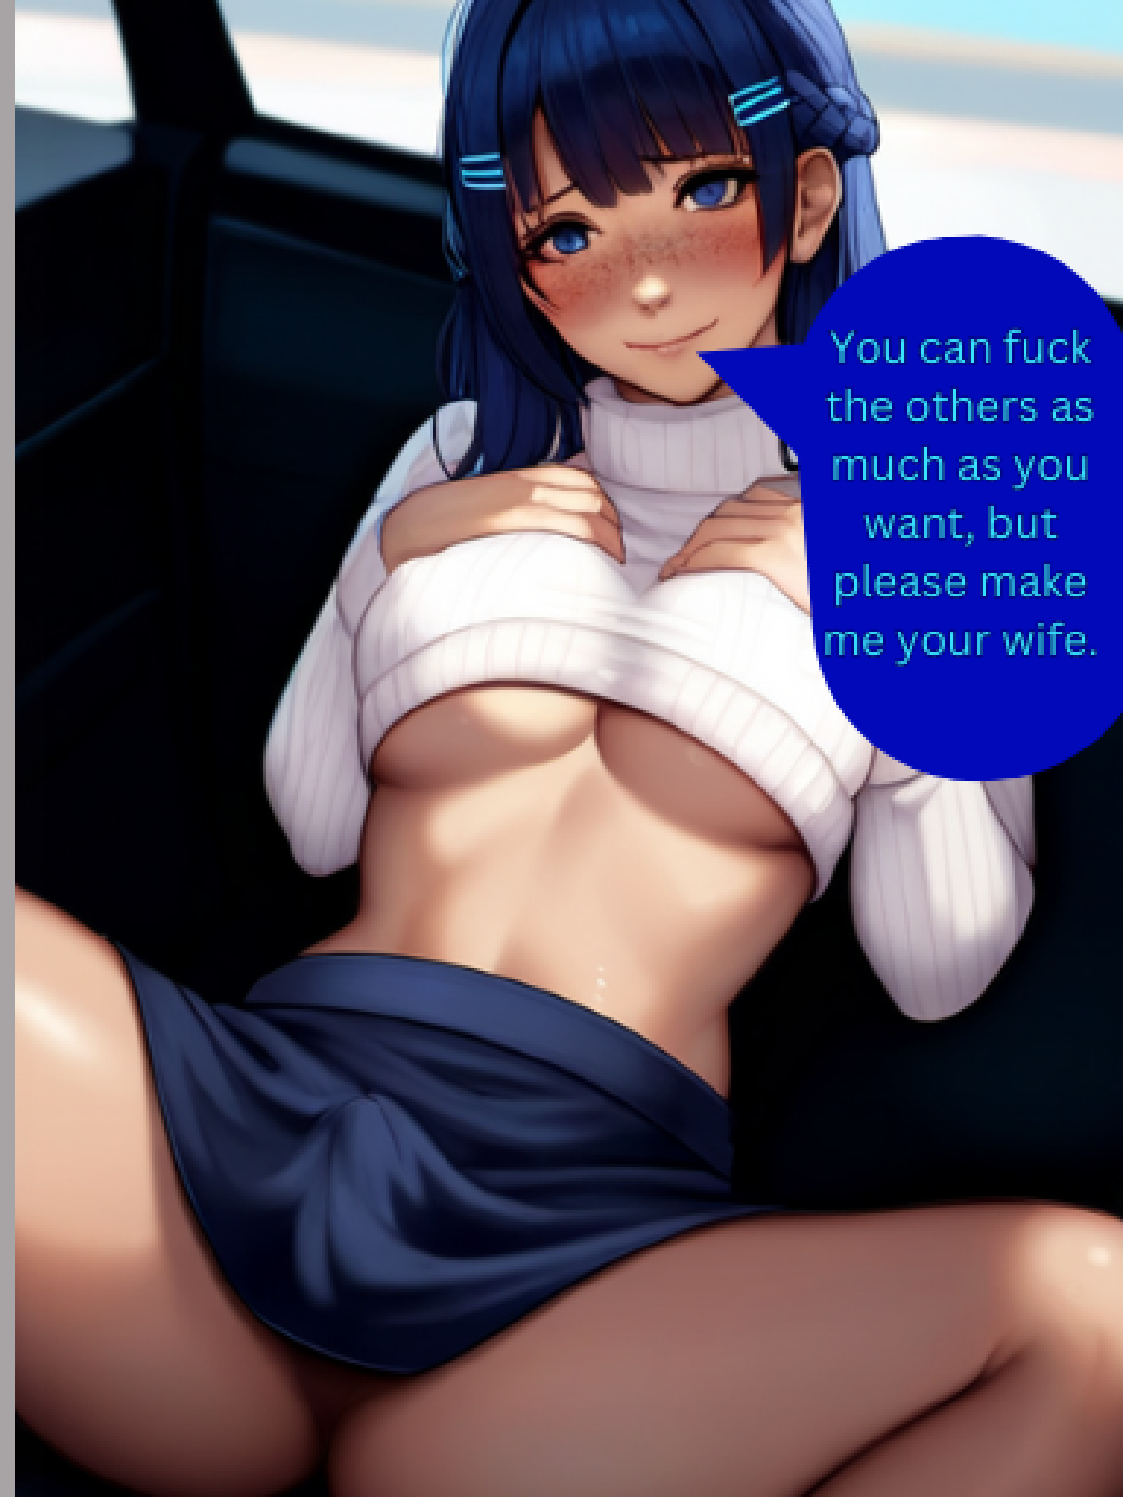

I however knew, that my breasts were even bigger then those of Sarah. What if Mr. Dickson thought of me as ugly?

The thought kept me up at night.

The next day,
Ashley waited
outside of our
classroom for
Mr.Dickson.

that day, Mr.Dickson
had found his
favorite.

Over the years I have
come to believe, that
he actually loves
Ashley dearly.

Does my
pussy feel
good for
you
master?

It is perfect
my love!

I can not
even begin
to say how
happy that
makes me!

FUUCK!!

Your cuteness
made me cum
already...

I love the
warmth of your
spunk in my
belly.

Please make
more love to me.

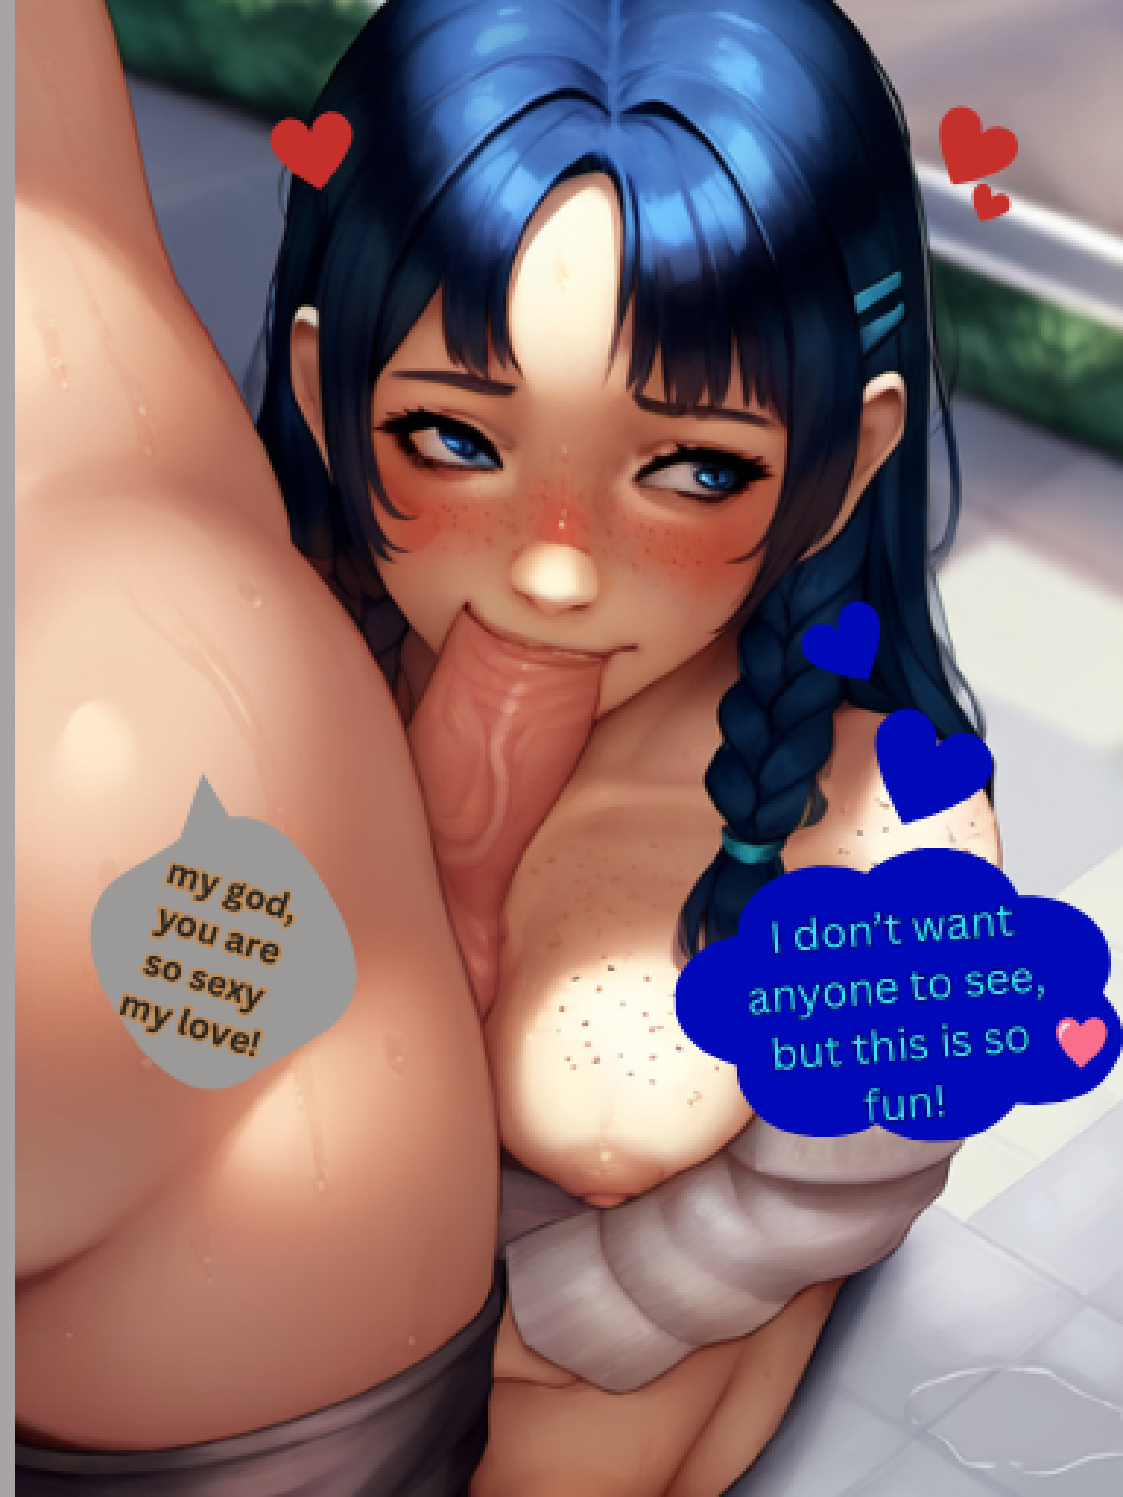

I have
another
idea.

get out
of the
car. I
want you
to blow
me.

This is so
embarrassing. My
body belongs to
you. I don't want
anyone else to
see it. ❤️

Your bulge is starting to stretch your jeans. thank god. I can not live in a world where you don't want to fuck me...

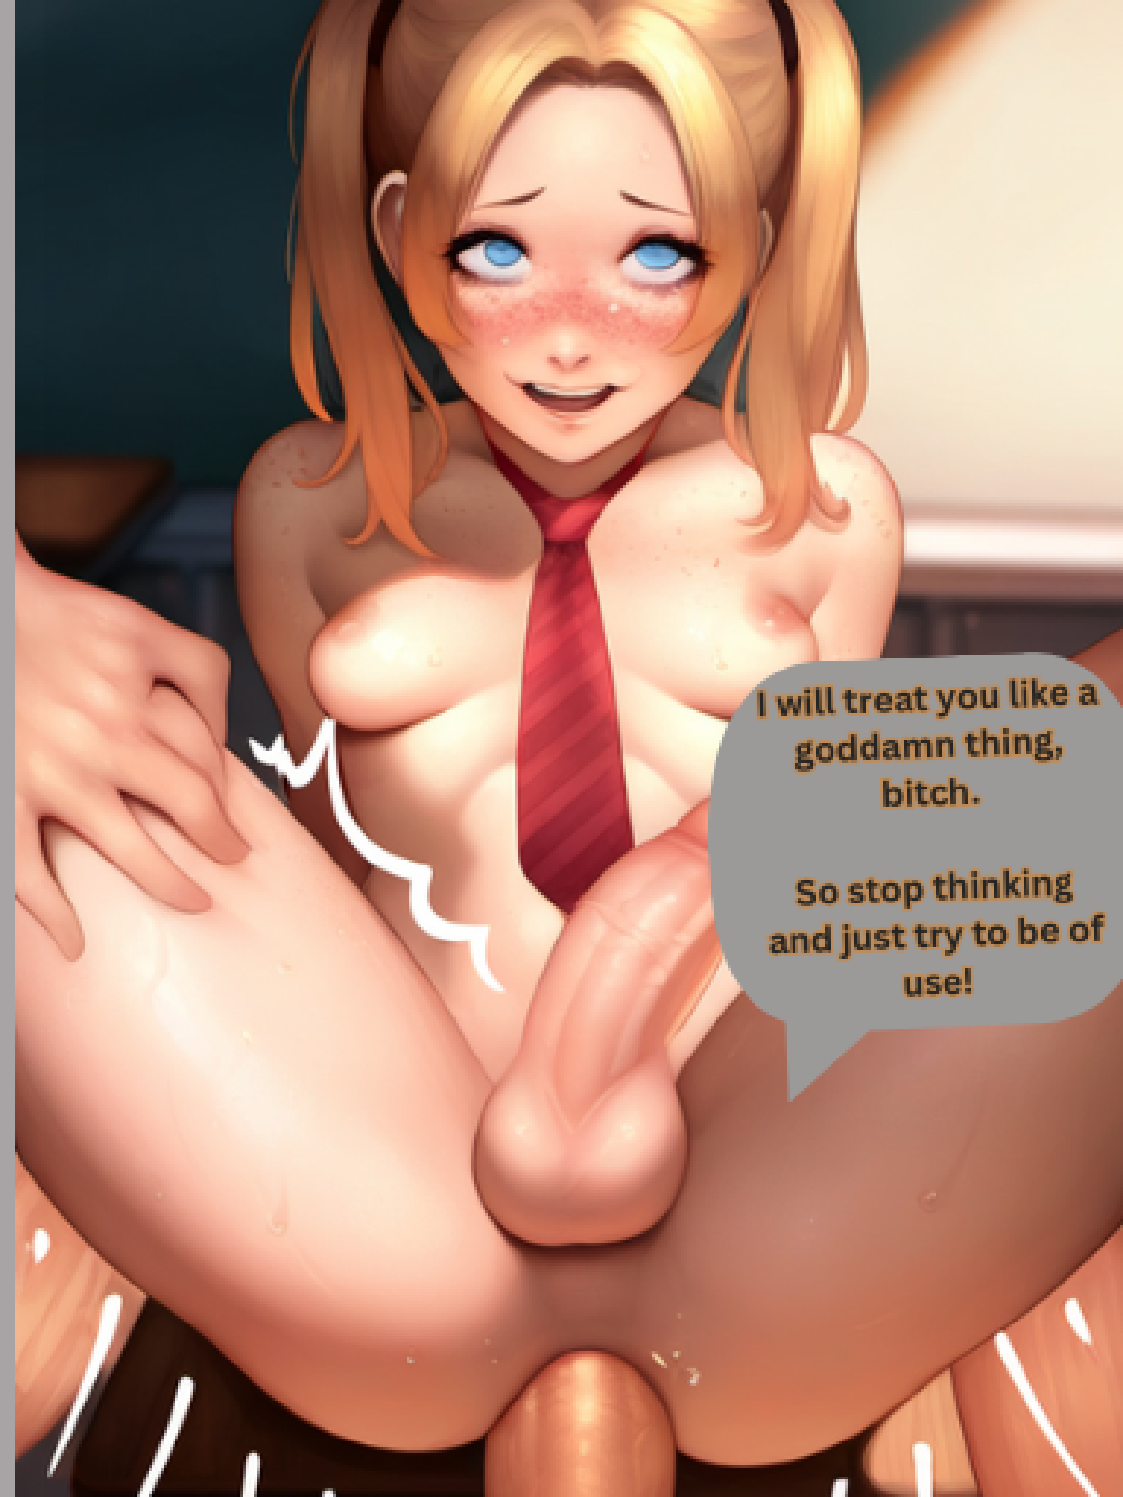

I like you better with pigtails. It fits a petite bitch like you.

I hope I can even take it

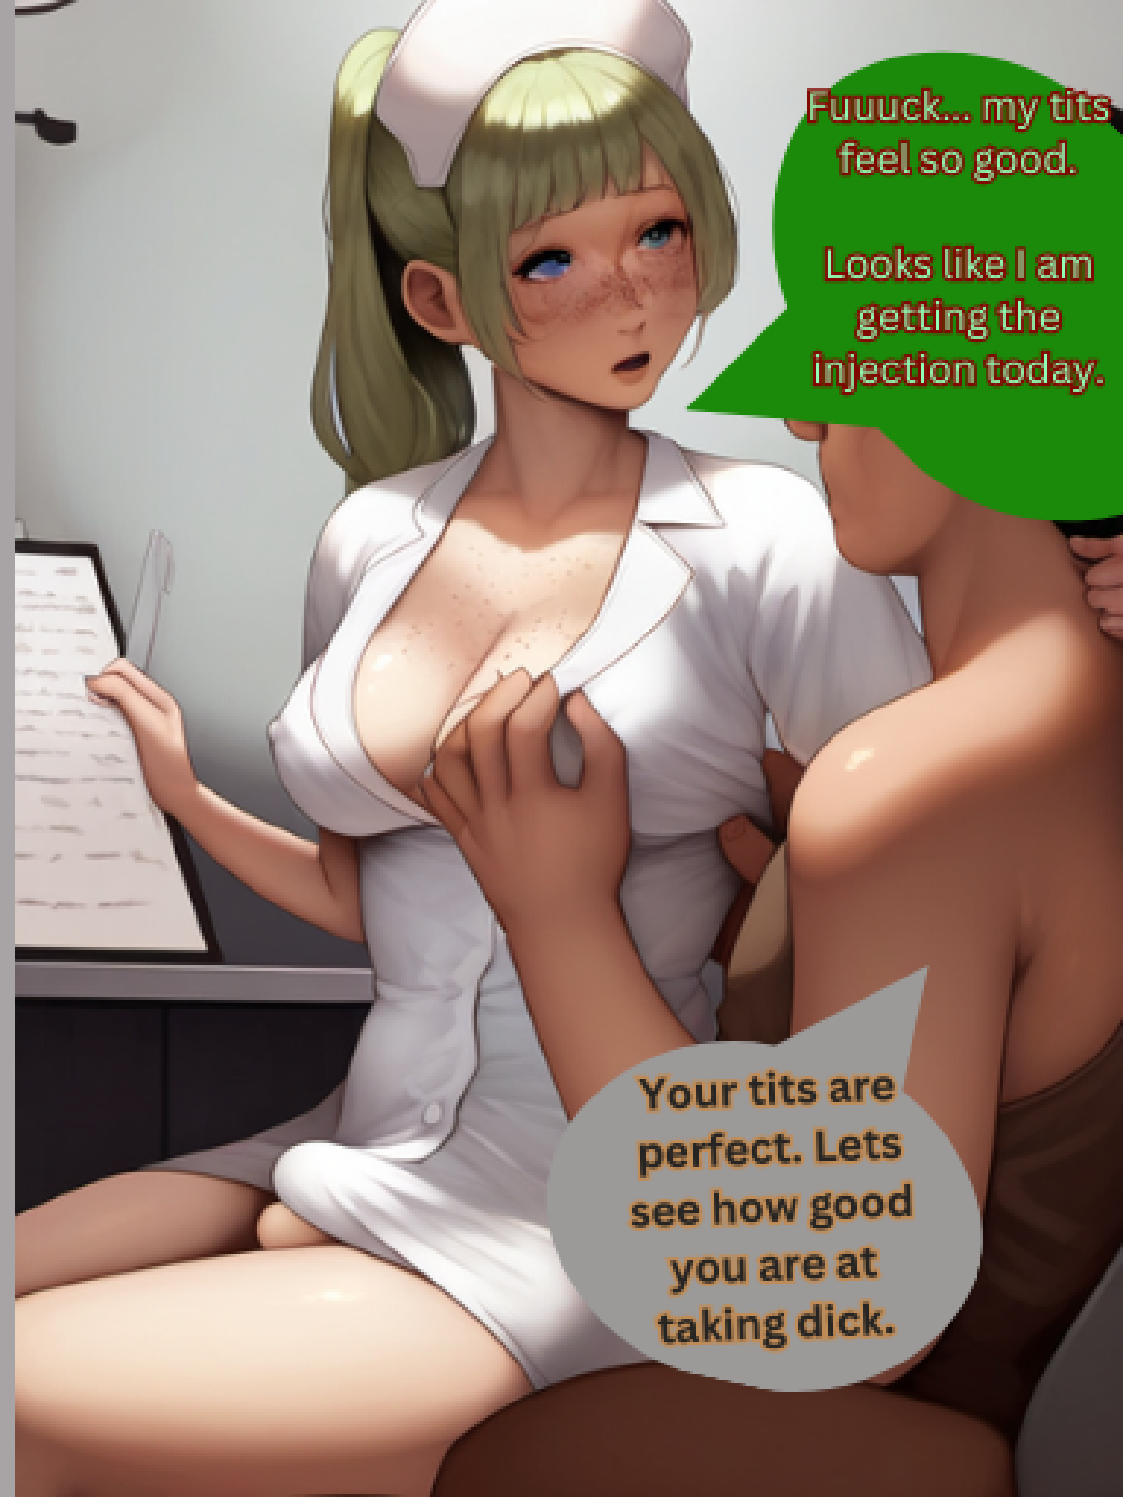

You are so damn tight...
You'll make a great pocket pussy.

Mr. Dickson had not known, that the pills would make us able to get pregnant. Due to the pills, all of us were very fertile. All of us ended up pregnant after we had sex with him for the first time.

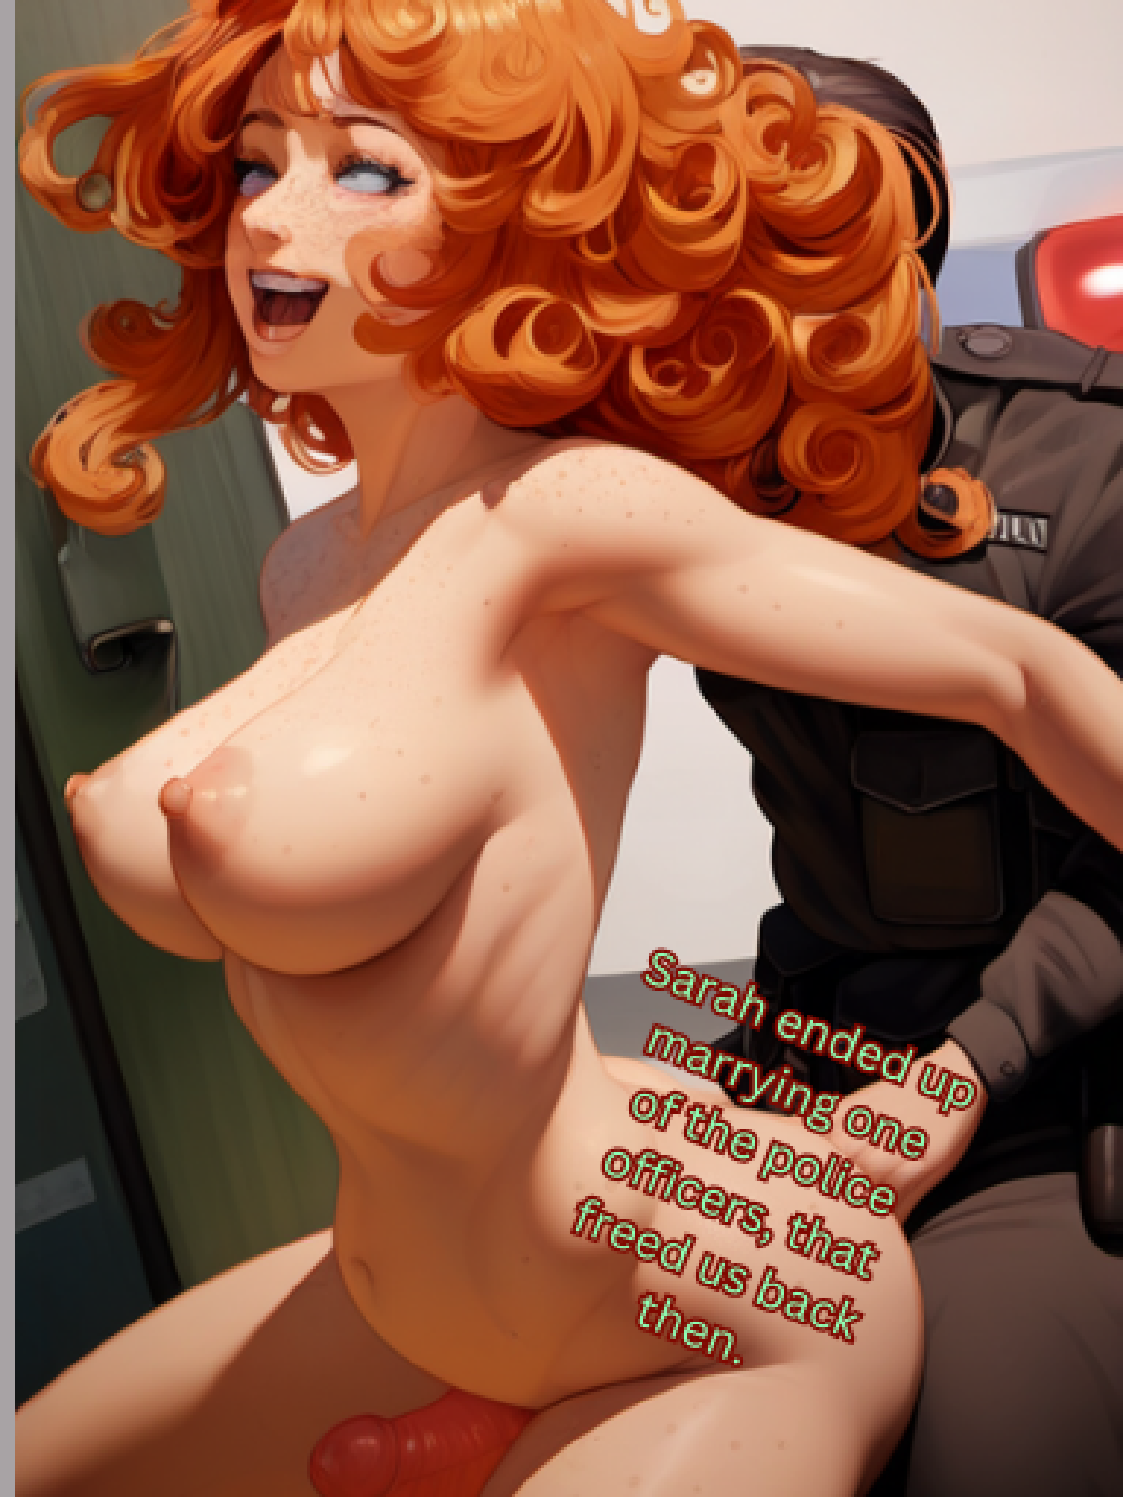

Mr. Dickson was arrested shortly after our impregnation.

After delivering our children, therapists tried to desissify us with varying success.

Our parents sued the school and Mr Dickson was met with a 10 year prison sentence.

I ended up becoming a teacher myself

Sarah ended up marrying one of the police officers, that freed us back then.

Kimberly still loves to get men to have raging boners and dances for a living.

She is currently working on getting breasts transplants in order to starr in transporn movies

Kashvi ended up becoming a police woman herself. A pretty successful one at that.

But none of us
ever really got
Ashley...

She still visits
Mr. Dickson in
prison 8 years
later. Last year
she has
officially
become his
wife.

She already
has a 2nd child
from
Mr.Dickson...

How are you hun?

the guard handed
me these. But you
know how much I
dislike condoms...

and I do not
think it will be
the last...

THE END
