

Damn it!

DAMN IT!!

tap

This can't be happening to me.

I need more dark power to expand my corruption!

But what am I doing wrong?!

I followed in the footsteps. . .  
Why do they all turn into slime?

Damn men. . . they're useless.

Ah! This is so frustrating.

I have so many things to do, so many people to subdue and make my slaves.

But first I must amplify my dark power.

DAMN IT!!

hmmm...

I must tempt a man. . . to wrest the light from within.

I may have misfocused the procedure. . .

top

I think I have to go back,  
pay a visit to the dungeon.

I'm sure I have a victim  
for the next test.

top

top

Here we are, who might work? . . .

What? I only have these four prisoners left?

I'd have to control myself a little and or I'd have to waste my time conquering another city.

Let's see. . .

hmmmmm

mmmpff

A captive in a glove. . .  
hehehe. . .  
maybe this will work?

(Crying)

You! You'll be the ideal candidate!

Hey you! BITCH!!  
Don't touch him!!

Huh?

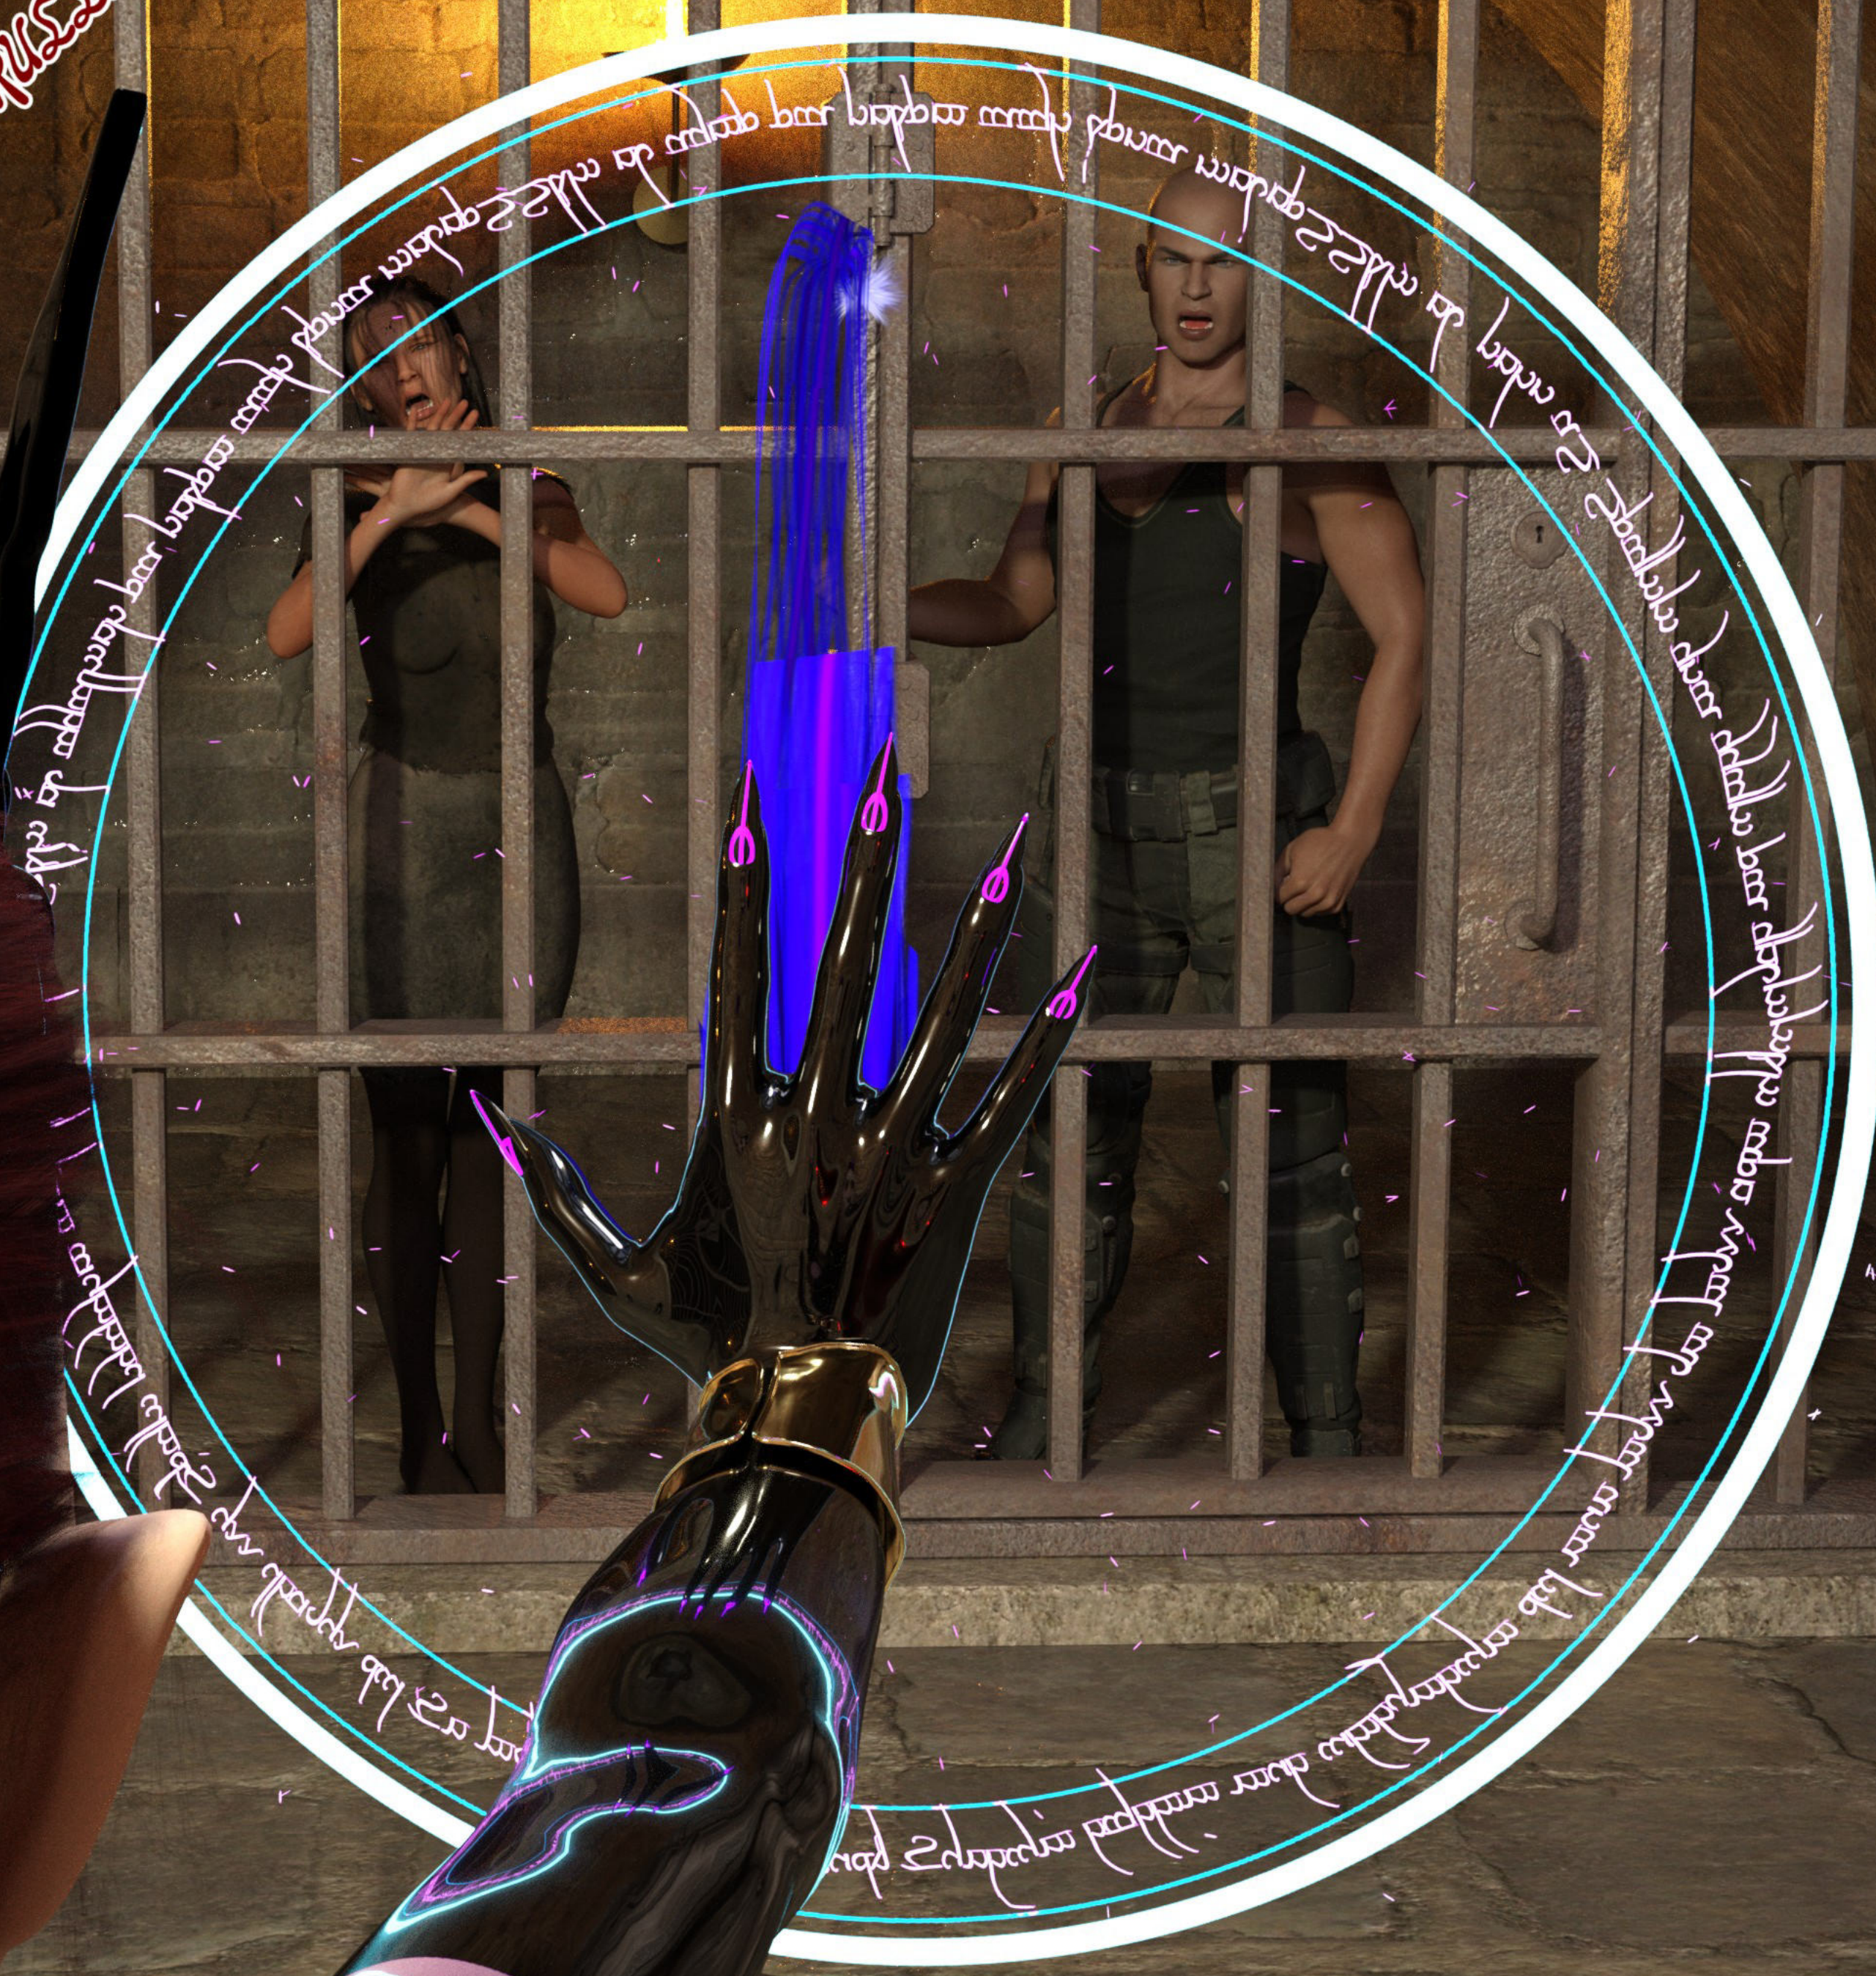

You! AGAIN?!!

Please calm down,  
don't provoke the  
witch any more.

Release me! If you dare, and face me.  
I'll crush your head with my own hands.

I think my last punishment  
hasn't been enough instruction.

ARANYA CRUSSE!

This will teach you to respect your mistress!

Where were we heading? Oh yes, you, I had chosen you.

CHONG

CHONG

I warn you, Dark Queen, if you open the door to my cell, I will make you pay for your sins.

WOW! Thinking about how small you are and how dare you challenge me. . .

Do your parents know that you're risking your life playing Hero?

I'm not afraid of you, Dark Queen.

Ever since I conquered your city, everyone has called me a witch.

But you're the first one to call me by my self-proclaimed title. . .

Without any shade of terror and fear of being tortured. . .

Tell me young one, what's your name?

I'm not a young one, I'm almost 19 years old, and my name is Yuri.

My apologies Yuri, you look much younger to me. And since you've spoken to me with respect, unlike the others, I'll ask you to come with me.

But don't confuse my respect with weakness, If you refuse, I'll force you to come along.

What has she done to us?  
Why is it suddenly so hot?

cough

Hey kid, don't listen. . . to her. . .  
She wants to do something bad to you!

Arrrrr!

Don't worry, soldier.

If you think of even trying something, Dark Queen, I promise you'll pay for all the damage you're doing.

By my love, I swear!

Hmmm.  
By your love?  
Love. . .

Tell me Yuri, do you love those people so much that you dare to challenge the one who managed to conquer the citadel in just one morning. . . She must be a very special girl.

It's not a girl. His name is Tom. He is older than me, but when I beat you, he'll come to realize that I'm his destiny.

Beat me? Me?! And you think that's how this guy, Tom, will fall in love with you?

If I free the city from your grip, he'll know I'm already a man, and forget my step-sister's stupid advances.

No, I. . . Arrr. . . What have you done to us, you disgusting witch!

My body is. . . swelling!  
I. . . feel my tongue. . .

AaaaaH!

My whole body is burning, Something is happening to me, because I can feel that something is stretching my skin. . .

And my head... everything is spinning around me. . .

Ok, I feel generous. . .  
I'm gonna make a deal with you, but you have to help me,  
and if I get what I want, I'll help you make Tom yours,  
make you look irresistible, make him want you.

In fact, I will leave this city,  
I'll set you all free, and I'll let  
people know that people are  
free because of you.

And I'll start with those two,  
and, after you help, the girl  
I got trapped in that latex  
balloon.

Yeah! But only if you agree to help  
me. I swear by the corrupt  
power. Help me to totally corrupt  
my body and I will help you.

What? You would really do  
that if I help you? You'll  
help me win over Tom?

Hmmm "Quid pro quo". . .  
But how do I know you're  
not trying to fool me,  
Dark Queen?

What. . . is happening to me. . . because it's so hard. . . to think,

I can only think of my. . . My Queen. . .

Arrrch Acccchhh

CROACK aaarrch

The heat makes me feel so good. . . my head. . . I must be obedient. . .

My tongue. . . it's dilated so much. . . it won't let me speak. . . but it's all so good. . .

The heat makes me feel so good. . . my head. . . I must be obedient. . .

Because I can't think of anything but to be like my Dark Queen wants. . .

chhhHHHrrrrrr

If you want my help with Tom, you'll just have to trust me.

All right, I'm going to open your cell and trust you. Thinking that you don't want to wring my neck.

*chask*

I want you to accompany me to my throne, there I'll tell you what you have to do to help me.

Okay, let's get this done.

And so, with that alone, you will be the one to liberate your city.

*chirp*

...

If you try to fool me, I will make YOU suffer.

Follow me Yuri, and don't worry about them, if you do your part I will set them free.

Yes, I will...  
...follow you.

MISTRESS

GRRRRROOK

tap

tap

WOW!. . . I have to admit that those powers are impressive. . .  
. . .If I had power like that. . .

Don't stray too far, these corridors are all bewitched, to confuse intruders or prevent my prisoners from escaping.

Only I can see the right way.

This? This is nothing compared to what I could do, and thanks to you, in a short time, I will reach the peak of my corruption and my body will be pure magic.  
Consisting totally of MANA.

This hallway looks familiar. . .

You must be very powerful, if you can cast a spell of such magnitude.

Amazing!!

Yuck! What  
...a mess.

Here we are,  
my throne room.

What are those green  
and black slime stains?  
And that strange smell?

Please don't panic, they're  
just failed experiments.  
Nothing to worry about.

tap

Okay! Now you do your part and then I will do mine.

What should I do?  
Drink that?  
...  
And that's it?

Yes, you just drink this. Easy, isn't it? I warn you, you may not like the taste, but it has the effect on you that I want, I will have my corruption, and you. . .

. . . you will become irresistible, no man will be able to resist your charms, and you will be able to seduce Tom and make him yours alone. . .

Hmmm, yeah, sure... but now you must drink...

And you will free the prisoners and you will leave our town.

You're not lying to me just because I look young and small?

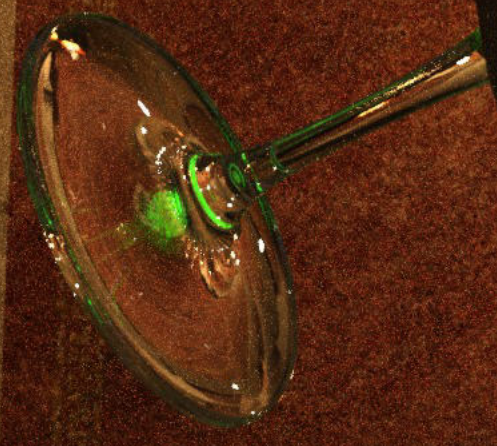

Of course not! If what you demand of me is the price I must pay to get what I want, my complete corruption and becoming the most powerful woman on Earth.

I'll even grant you that I'll share some of that power with you, if you wish.

Could that be true?  
She can give me powers?

Gods. . . up close the smell  
is even worse. . .

Don't think about it Yuri. . .  
just drink. . . FAST! . . .

Then you won't have  
time to taste it. . .

The gods are  
with the brave!

Good boy!  
Drink it all!

Sorry, I didn't want to warn you about how bad it might taste. . . Hehe.

Aaaarrrg!!!

What is this feeling?

You're not going to throw up all over the place?!

My guts. . . I feel something. . . devouring. . . me. . . from inside. . . inside. . .

IT HURTS!!

Yes!! But . . .  
it's working!!

grow!

expand!

Aaaarr!!

Hell, don't let his body  
reject the potion, keep  
changing, don't stop.

It's like my whole body  
is being stretched. . .

And I notice a weird  
high note in my. . .

grow!

grow!

OH YES! it's working!  
The Jewel has accepted it!

AAaaaaaH!

It hurts. . . but I  
don't know why. . .

grow!

expand!

grow!

. . .I don't  
want it to stop!

Don't resist, just let it  
happen, you're almost  
where I want you.

Oh hell! it worked perfectly!

Just look at you! Your body. . .

Now no one will be able to mistake you for a little boy anymore.

. . .Every. . . everything is spinning around me. . .

My voice. . . I think I've yelled too much. . . it sounds weird. . . I feel weird, it's like. . . wait a minute!!!. . .

my voice. . . this chest. . . OH NO! I don't feel my. . .

This witch has transformed me into a. . . girl?

Let me help you up and have a good look at you. . . WOW!

She turned out perfect. Better than even I expected.

What have you done to me?!

Pant!

Just what you asked for sweetie, I turned you into an irresistible creature.

With this look Tom won't be able to resist your new natural charms.

OH! hell!! Those eyes!

Those eyes...!

... so beautiful!

This is not what we agreed on. I didn't ask you to turn me into a woman!

You should have turned me into an attractive man... not a Bimbo wannabe.

HOW DARE YOU! . . . I have granted you a body that many women dream of having.

Fuck! Look at me. . . and this voice. . . gods it's like my sister's voice when she wants to slut around and cheat on Tom.

Shit. . . I look like one of those bimbos at the gymnastics club, but. . . with more boobs. . .

Ungrateful. . . but ok. . . I'm going to make some changes to you. . .

Yes, make me a man, one that Tom loves. RIGHT NOW!

WAHT?!?

AAAAaaah

Don't yell at me, nobody orders me to do anything!!! And least of all someone like you!

You wanted a perfect body, I will give you the body I want you to have

Next time you make a deal, make sure the witch, like me, can't do whatever she wants to you!!

I can't. . .  
move. . .  
NO WAY!

AaaaaH

Why am  
I floating  
in the air?

What is this electric  
sensation running  
through my body?

And why does it  
feel so. . .  
. . . good. . .?!

Hmmmm, how horny it  
makes me to do this. . .

Enjoy the last  
part of your  
transformation  
Yuri. . .

Even though you dared  
to give me an order...  
I forgive you. . .

rub  
rub  
rub

But just because you're  
the only one who has  
made it to this point alive

And also this time you  
will not feel any pain.

What is this wet sensation  
I feel between my thighs. . .

Only a pleasure that you  
will want to feel again  
and again, hehehe

I have to prepare some things. . .

Damn it. . . I should never have made her so beautiful. . .

Damn what is this that I feel. . .?

Don't go away, let me move. . .

Aaaaah, my body. . .

Hmmm, it hurts, all this electricity...

I need to touch myself. . . I need to squeeze these breasts. . . ♡

I should control myself. . . I must resist. . . but. . . it's so impossible. . .

Aaaaah, I want to cum. . . I need to cum. . .

Ohhh, it's so intense. . . ♡ so good. . . I can't resist anymore! ♡

To complete the Ritual so I will have the corruption I need for "MY" final transformation.

Enjoy yourself!

mmpf

A LONG TIME OF FRUSTRATED PLEASURE LATER. . .

Congratulations Yuriko!  
Now you are ready for the Ritual!

Yuriko? Why does she call me Yuriko. . .? Oh no! She has turned me into a full grown woman.

Now everything depends on you, now comes the moment of truth: Fail, and I will turn you into another one of my slaves, without will, without personality.

Succeed where the others have failed and I will fulfill all that I have promised you. . . And, if you still desire it, I will turn you into the most attractive man in the world.

And a good looking one too. Also dressed very sexy.

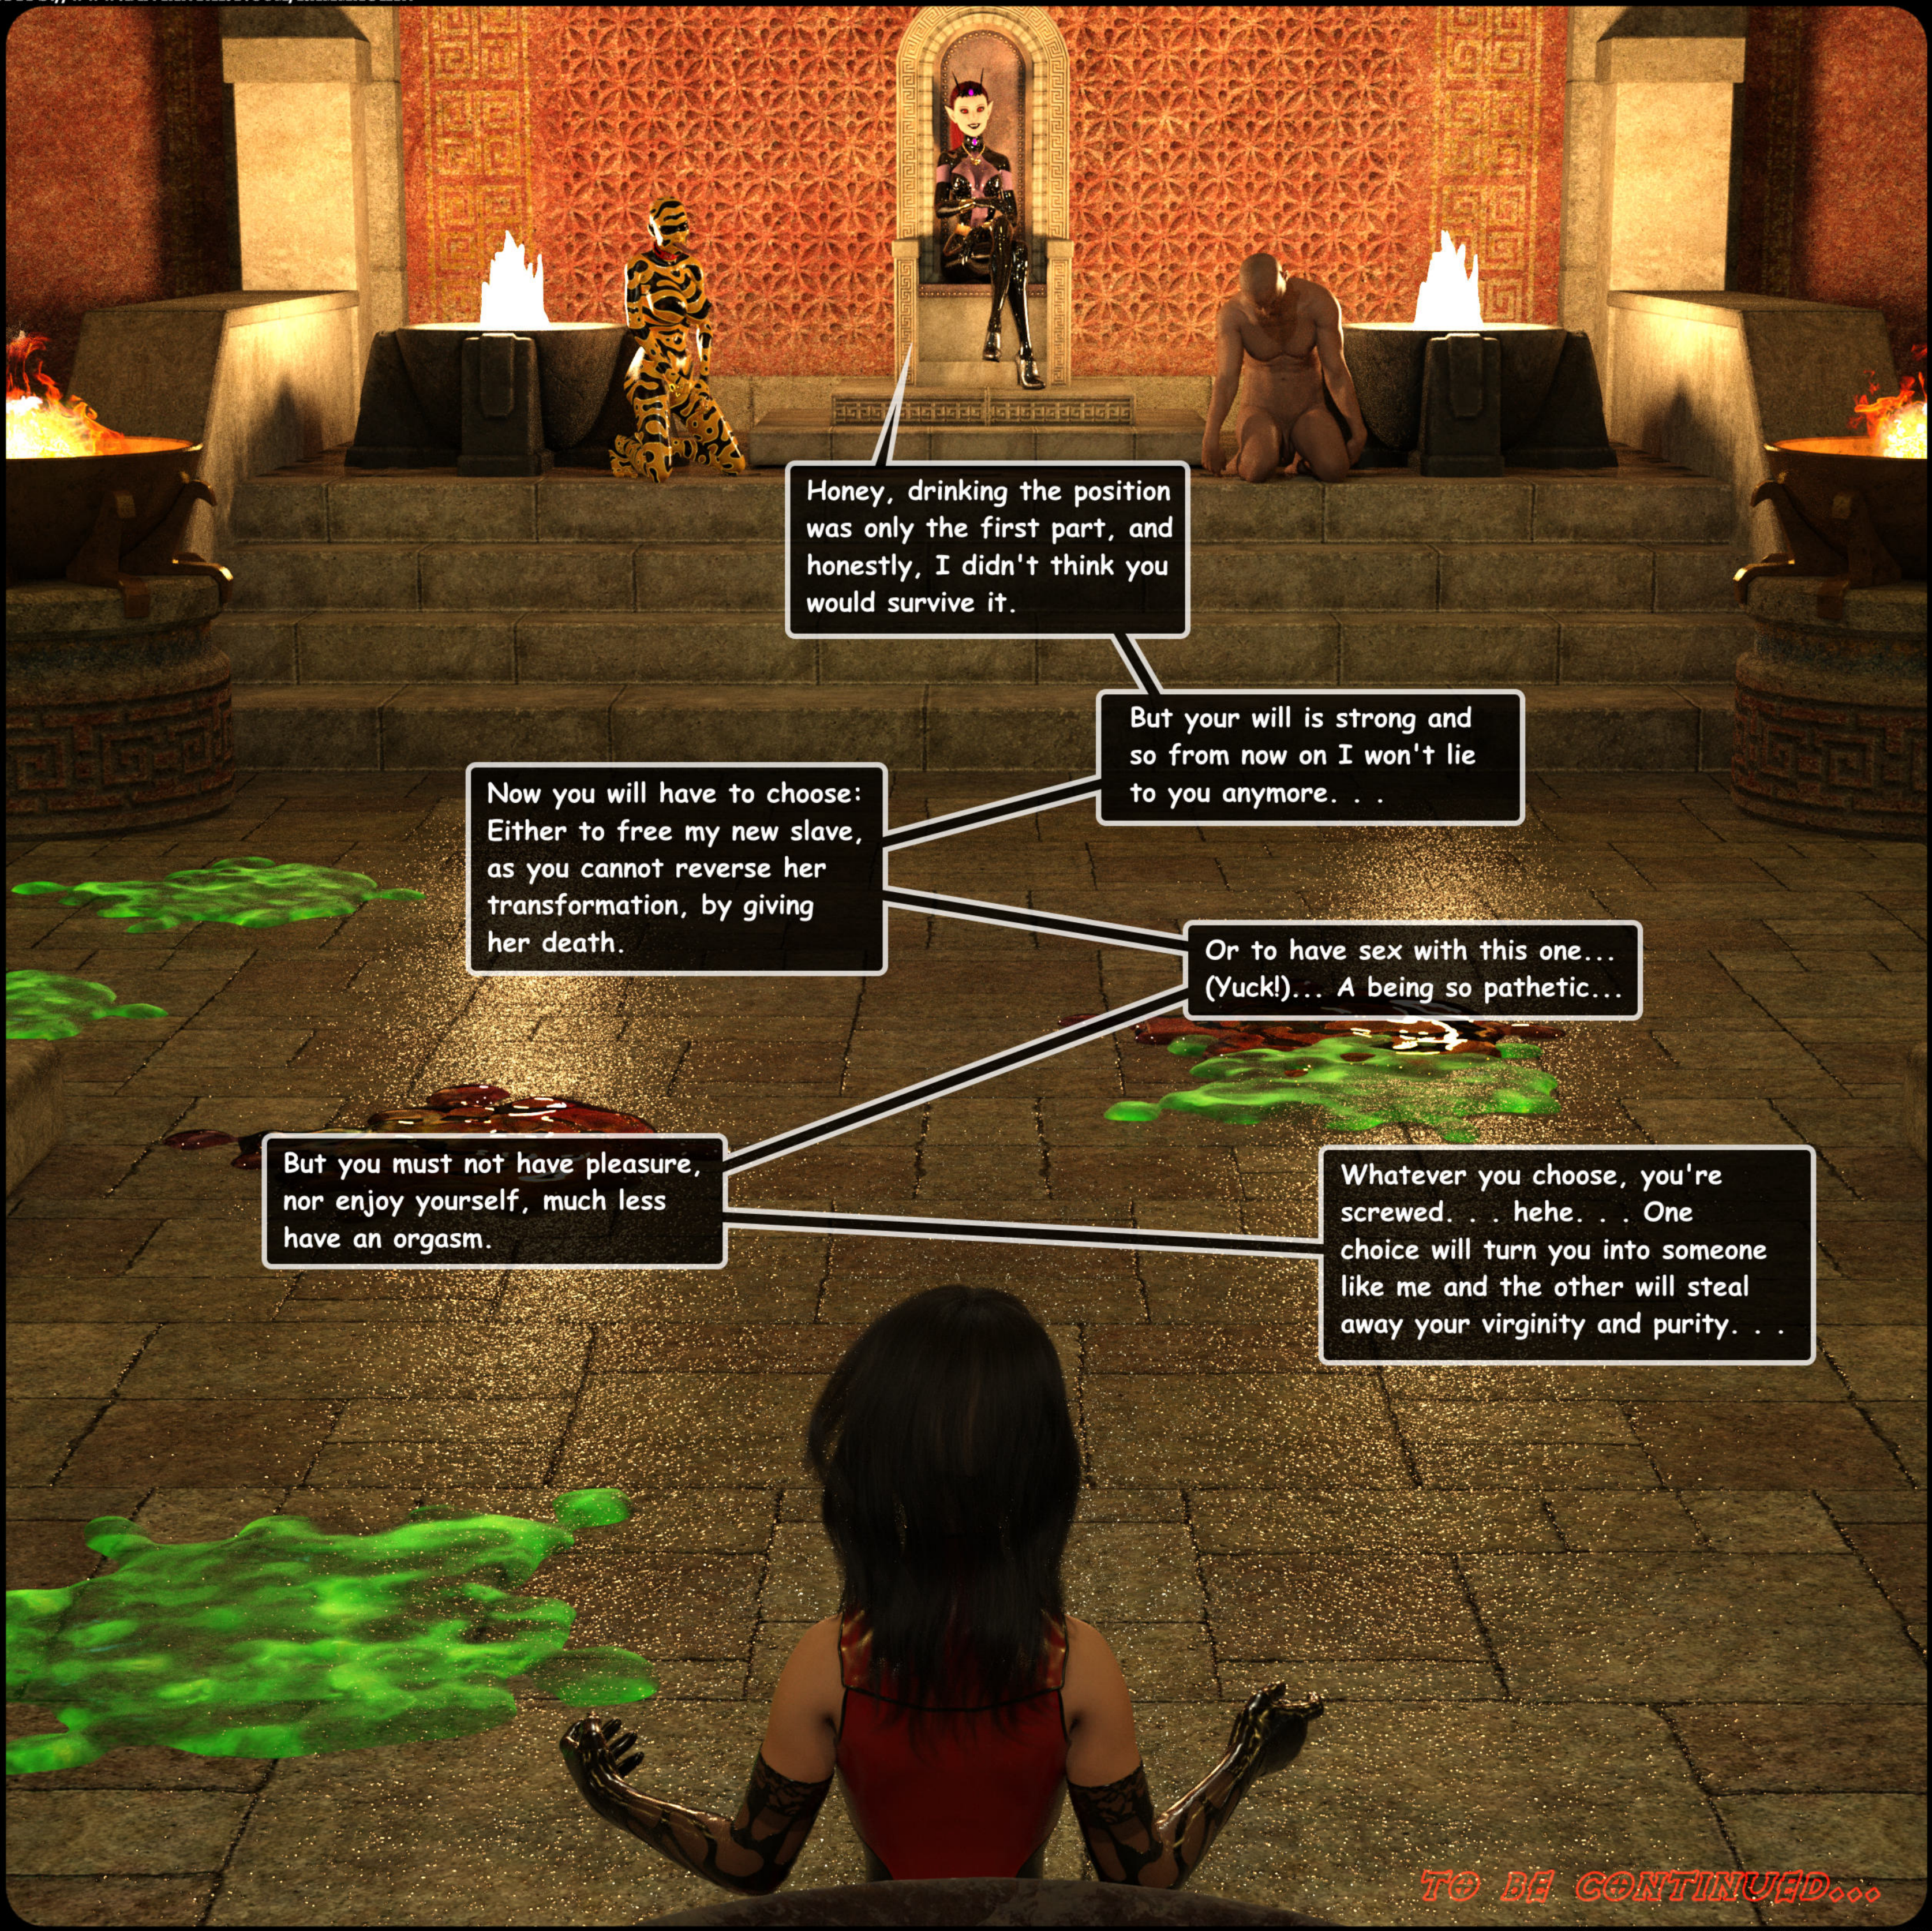

What have you done to me. . .

Why do I feel so dizzy and so weak even though I feel so. . .

I thought all I had to do was drink that disgusting potion. . .

And why did you dress me up like a. . .

And why do I feel so comfortable in this revealing suit?

Honey, drinking the position was only the first part, and honestly, I didn't think you would survive it.

But your will is strong and so from now on I won't lie to you anymore. . .

Now you will have to choose: Either to free my new slave, as you cannot reverse her transformation, by giving her death.

Or to have sex with this one... (Yuck!)... A being so pathetic...

But you must not have pleasure, nor enjoy yourself, much less have an orgasm.

Whatever you choose, you're screwed. . . hehe. . . One choice will turn you into someone like me and the other will steal away your virginity and purity. . .

TO BE CONTINUED...

NO! I DON'T ACCEPT THIS! IT'S OVER!!!

I've kept my end of the bargain.

I've drunk that filthy, absolutely filthy stuff.

You've turned me into. . .

If you were looking for a tramp to complete your corruption, there's no one in the world who would have helped you. . .

Damn it! Give me back my body! RIGHT NOW!

NO! It's not going to happen! Never!

That's not the way it works, my sweetheart, now you have no choice, if we don't complete the ritual, before the next sunrise you'll be dead.

Well you know what, I'd rather die than betray MY LOVE!!!

Are you sure?

What a character!!  
I love her!  
She must be mine!!!

...Very well. . .  
Let's wait for the sunrise  
and then I'll destroy the  
whole city, and kill all its  
inhabitants.

Maybe in the next Capital  
I'll get what I'm looking  
for, or maybe, I'll decide to  
destroy some other city  
before I try another one. . .

WHAT...?!!

You heard correctly, honey, but while  
we wait, I could have fun killing, one  
by one, my prisoners. . .  
After changing them back into their  
previous form. Like so.

And I have lots of other cells  
full of prisoners to have fun with.

You. . . You wouldn't dare to. . .

To kill them? Oh yes!

But not quickly, but slowly and painfully.

But how can you be like that. . .

You used to be a heroine. . .

You saved people from evil. . .

NO, I CAN'T BELIEVE YOU!

HA  
HA  
HA . . .

WHY?! HAHaha... Because I let myself be tempted by envy. I even stole my best friend's boyfriend just for jealousy. . .

When I first dressed up as the Dark Queen, I realized it, I didn't deserve to be a heroine, because I enjoy taking what people want most.

And when I broke my boyfriend's heart and ripped the life out of him I enjoyed it, just as I will enjoy doing the same to all these people.

But if you decide to help me, you may discover that besides being cruel, I can be very generous.

I can no longer return you to your old form, but I can give you power...

...a "lot" of POWER!

AAAAAAAHHH!!!

PLEASE STOP

She's crazy, sacrificing myself won't help anyone. . .

Alright, I'll do whatever I have to do, but swear to me that you won't destroy my city and hurt anyone.

I swear, if I get what I want, I'll do that and more.

And now let's finish this once and for all. Off with that bodysuit and the gloves. And off with his clothes. Get going!

You don't expect me just like that to . . . lose my virginity to this . . . soldier?

What's wrong with him? You didn't mind liking men earlier. Look at that. . . being, he's strong, healthy, what many would call a stallion.

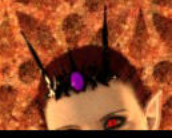

No butts. . .

Yeah, I'm still attracted to men, but. . .

Damn, I don't have time for these mating frills!

Ah yes. . . much better. . .

They're not going at the pace I want... but I'm liking what I see. . .

Hmmmm, how I'd like to be the one doing that to her...

Just thinking about how losing her virginity must taste to her...

OH FUCK!

What an overwhelming feeling is this?

And I thought it was hard to hold back when I got hard. . .

FUCK! I mustn't let myself go like this. . .

I must concentrate, let it happen and get it over with...

For my man. . . for. . . for. . . for. . . Oh hell. . . Fuck. . .

This is what my sister feels when Tom eats her pussy?

Damn... I'm starting to really like it.

OH GODS!

...

OOOH! PLEASE...

I must control myself. . .  
I must. . . resist. . .

Why does it feel so good?

With so much frustration lately. . .

I almost forgot how perverse my body can be when I get excited. . .

Slave come closer. . .

Remember Yuriko, if you start to enjoy yourself and cum. . .

Then you're mine! FOREVER!!

MOAN

AH!

MOAN

DAMN

OH!

I have to pull myself together or I will cum and be her slave.

But I want to cum. . . so bad!

My body. . . I mean this  
body. . . likes his fingers. . .

It shudders. . . with  
the slightest movement  
of his hand. . .

mmh!

moan

AH!

MOAN

Please. . .

. . . DON'T! . . .

. . . STOP!!!

MOAN!  
Fuck, by the gods!

I LOVE IT!

moan

Seeing her like this. . .  
trying to pretend. . .  
is so hot!!!!

Yuriko must  
be mine. . .

I must corrupt her  
beyond what I need  
for the ritual. . .

AH!

mmh!

Hmmm, keep it  
up my pet. . .

. . . and I may  
not sacrifice you.

You. . . you fucking  
perverted witch. . .

You have made this...  
luscious body much too  
sensitive to pleasure. . .

To get me addicted. . .

. . .but I will resist, Whore. . .

This pleasure won't be able to. . .

I. . . am. . . the heroine. . .

No, my sweetness. . .

You are the one who is the  
pervert and slut here. . . hehe!

Slave, unless she says "STOP!",  
start fucking her in earnest.

WHAT?!

Prove to me that you're not a whore. . .

Say "Stop!" and I'll let you go, and you'll have saved your city.

OH FUCK!

What a big. . . fat. . . hard. . . ah... hot. . .

SLIDE

That's how easy it is to save Tom and your city. Say "Stop!". . . or I'll have you fucked.

I want it inside of me.

Let's spice things up a bit. The tights have to go...

You're definitely the slut I want by my side.

AAAAAAH!!

FUCK!!!

What a pain. . .

It hurts so good, my pussy filled with your big dick!!!!

NO!...

G...STOP!!

DON'T..

G...STOP!!

DON'T..

AAAHH... G...STOP!!

Oh Gods! This pleasure I feel while being a woman. . .

Hmmmm! It feels so good.

Oh Tom, I'm so sorry. . . I wanted to leave my first time for you. . .

•  
•  
•

ah!

FLOP

FLOP

hmmmm

•  
•  
•

But when this is over. . .

I plan to make you mine and make love to you every day.

Fuck. . . I can't believe I never had sex. . .

Yes Tom. . . I'll spread my legs every day for you. . .

You will kiss me with passion and desire like I am kissing now. . .

We'll have to fuck a lot to make up for all the lost time without sex. . .

. . . and you will have to invest a lot of effort. . .

*hmm!*

*hmmmm!!*

. . . because I think this is the body of an insatiable. . .

FUCK! I LOVE HOW THIS BODY MAKES ME FEEL!!! I WANT MORE!  
. . .SO MUCH MORE!!!!

You will lick my new pussy and I will suck your cock whenever you ask me to. . .

Fuck. . . I want you to fuck me on all fours and slap my ass. . . I want to feel you deep inside me, while you grab my big tits.

I want to ride your cock Tom. . .

I'll do things to you that my sister. . .

Now! Wait a minute!

I feel something. . .

And and with every stroke this animal delivers to me, it feels like it's getting stronger. . .

ah!

OH GODS. . .  
Y. . . YES. . .

I must control myself. . .  
but those strong strokes of his cock drive me crazy and. . .

hmmm

Yes. . . OH GODS.

I think. . . I think that. . .  
I'm going to. . . Fuck. YES. . .

YES... YES... YES...!!  
Make me... MAKE ME...

FLOP

FLOP

I can feel it. . .  
I'm about to. . .  
I'm going to. . .

So! What do you think of my "Little Illusion"?

...Hzzzzz...

Gegegeeee...

...geegege...

What? It was all just an illusion??!

Not all of it. . . your moaning for example sounded. . . .hmmm. . . How should I describe it? . . .

Quite sincere. . . almost more than real!

I wasn't going to let a girl like you lose her virginity to a... eeh... man?

But back to the matter at hand, I hope you didn't enjoy fucking that toad...

Damn it... I was so close to...

But how could I possibly enjoy it so much??

Shit... This damn...

She sure gave me an ultra-sensitive body for pleasure.

YURIKO!!

Your Devil Queen is asking you something!!

So you admit to having enjoyed. . .

Are you seriously asking me?!

You're the one who gave me this nympho's body. . .

That now doesn't stop being horny.

She has so much fire in her eyes!!!

I LOVE IT!!!

I admit to having been a naughty Queen of Evil. . .

And yes, your body is predisposed to craving attentions and desiring pleasures. . .

So you admit to cheating! . . .

...just for winning!!

That means I'm the winner, because. . . I didn't cum!!

That's what you think sweetie? You are so wrong!

My little flower bee. . .

The the REAL test  
is about to begin. . .

W. . . what?  
The real test?

The illusion  
wasn't the  
test??

Oh honey! As I had said before. . .

I'm not going to let my toad, in its old form, steal my little bee's flower. . .

NO! The pleasure of taking your virginity will be mine.

He won't??

Oh shit!!!

WTF!!!

Surprised?!!!

One of the perks of being a servant of an Evil-Power...

It gives me the power to have this dick.

Oh gods... it's so...

Yes I know, and with it I will make you the whore you want to be right now...

To steal him from your sister is such a...

Tom... That's what you want, isn't it?

Fuck!

It's so big!

And so fat!

I feel a million  
new things...

It's like my whole  
body is demanding  
me to have it...

Lick it with my mouth...  
break my ass with it  
and... and...

I...  
...  
I...

I see you've stopped denying yourself the obvious!

... I want to...

I can't resist... my whole body burns with desire...

I burn to know what it feels like to cum with a cock filling my pussy!

NOT SO FAST!

If you want  
this cock...

Beg your Queen of Evil to fuck you!

Beg me, or I will lock you forever in the deepest dungeon!

Where you will only know the frustration and pain of endless torture!

*you hurt meEEEE!!*

*zzzzAAAAAH!*

Always horny and no release. Always on the verge of an orgasm.

FOREVER!!!

NOW!  
BEG ME!!!

Beg your Queen of Evil to fuck you!

Beg me, or I will lock you forever in the deepest dungeon!

Where you will only know the frustration and pain of endless torture!

*you hurt meEEEE!!*

*aaaaAAAAAH!*

Always horny and no release. Always on the verge of an orgasm.

FOREVER!!!

NOW!  
BEG ME!!!

Yes my Queen of Evil!

This slut begs you!

Fuck me with your cock!

Please, my body needs to have that cock!

I beg you, I'll do anything you ask me but please...

Let me know the pleasure of having that cock inside me!

PLEASE!! FUCK ME!!

*Hnnnnn...*

So, now get to work...  
... use that little mouth of yours... *moan*

*Oh, yesssss*

It's been so long since anyone  
has satisfied me like that...

*push*

*Hnnnnn*  
Almost... I had forgotten...

*Aaaaaa*

... how good these things feel...

Oh hell! YES!

hmmmmmm

AHmmmmmm

This smell, this cock  
in my mouth...

I'm getting  
horny again...

I won't need this medallion that corrupted me anymore!

You really know how to use that mouth! I don't know where you learned it...

But I don't want you to stop! And you really like this!

Admit it Yuriko, you don't want Tom, you just wanted to steal him from your sister.

That's not true! You can't.... be...

And feel like the selfish bitch you are.

That can't be true!... I... I... I...

I admit that I want Tom to be mine...

I'd eat his cock like this, I'd let him splash me in the face...

And yes, I want to take him away from my sister...

And before his cock is clean... I'd make him fuck me...

Yeah... like you Hiroko... I'll make him fuck me too...

Oh Gods!! But what am I thinking...?

Oh fuck! You are such a pro!!!

Don't stop. Don't Stop!

But I like it... I recognise that this body is perfect.

If it wasn't made for love...

When I'm so wet and horny...

They're so erotic, I'm sure she'd be capable of anything to fuck me...

Wait a minute, that's it!

It's voluptuous, so impossible to ignore... men and women desire me...

Damn... it's so hard to think straight...

I have to try hard, to control myself but her moans don't help..

What are you doing?

Why...?

*Aahmm!*

*slurp!*

*Rab Rab*

Why did you stop?

I was so close...

Your Queen of Evil orders you to continue!

I want you to go on now!

Are you sure my... Queen?

How dare you?!

Because I'm so wet that I just want you to fuck me.

Fuck me and if you manage to make me cum before Your Evilness cums inside me...

Well... I'll have to admit that I like being your insatiable little whore.

What?!

Put it this way, I just want to find out what I want more, this or... Tom.

Are you challenging me?!

TO BE CONTINUED...
