

IN A DARK TOWER SOMEWHERE FAR AWAY,
ON THE OTHER SIDE OF THE MIRROR

Your Evil Queen is getting impatient!

Can't you hurry up a little more?

I'm almost ready my Queen.

There are so many sexy things here, I had a hard time deciding what to wear.

If I'm honest, I want a dressing room like that for when I meet Tom.

Again thinking about that damn Tom!

Hell... just look at that butt, it's beautiful, so perfect...

I'll wipe that stupid Tom out of your head!

Ready my Dark Queen of Evil

With this and a few more words about Tom I will make her lose control...

And then I'll finally get what I want.

Only if I lose the laying.

Then Queen Hiroko, you won't mind if I make you cum first.

Then acknowledge that I won the bet and become a warrior witch...

And you'll let me wear some of the outfits I've seen in your dressing room.

You definitely look delicious.

Although you won't admit it, it looks like you've embraced your new body.

Before dawn you will give yourself to me.

What a delight, you still think you can win. But I admit that I admire your spirit.

Warrior witch, hehehe, whatever you want sweetie.

But now let's fuck and may the sluttiest one lose.

She hasn't realized that she has already accepted her perverted body.

Gods, that cock... Shit...
Be careful Yuriko... Yuri...
not Yuriko...

Oh Shit... this body, it
makes me feel so... NO!

and this delicious...
I mean, fucking
butterflies...

It's making me want
that I don't want it...

Focus... remember
what it is you want...

And by the end of
tonight... I'll have it.

I am strong! My love
for Tom is strong!

Yuriko!
Come on!

After being tossed onto the bed

AaammmmH

Please...
Dark Queen
of Evil...

Gently, I'm still
not used to my
new boobs...

I've barely touched you and
you're already moaning?

Truly the Evil Power has
given you an extremely
sensitive body.

moan

mmh

Look at you,
so beautiful,
so prone to
pleasure...

Know that what you feel
now is only a fraction of
what you can feel...

If you join me... I'll give you
an outfit that even the most
vicious sex addict would want...

Not to mention how beautiful it
has made you, with those curves
that would be the envy of a Goddess...

Do you think
I'm beautiful?

Your physique is not only
beautiful, this body is...

...Delicious!

Oh gods...

So good!!!

Oh Gods!

Make me cum,
I want to cum
already...

OH GODS!!!

Yummy

GODS!

What pleasure and she's just
touching me and pinching my nipples!

OH gods... I can feel her hot hard cock rubbing between my lips...

I want it, I want it all, the whole...

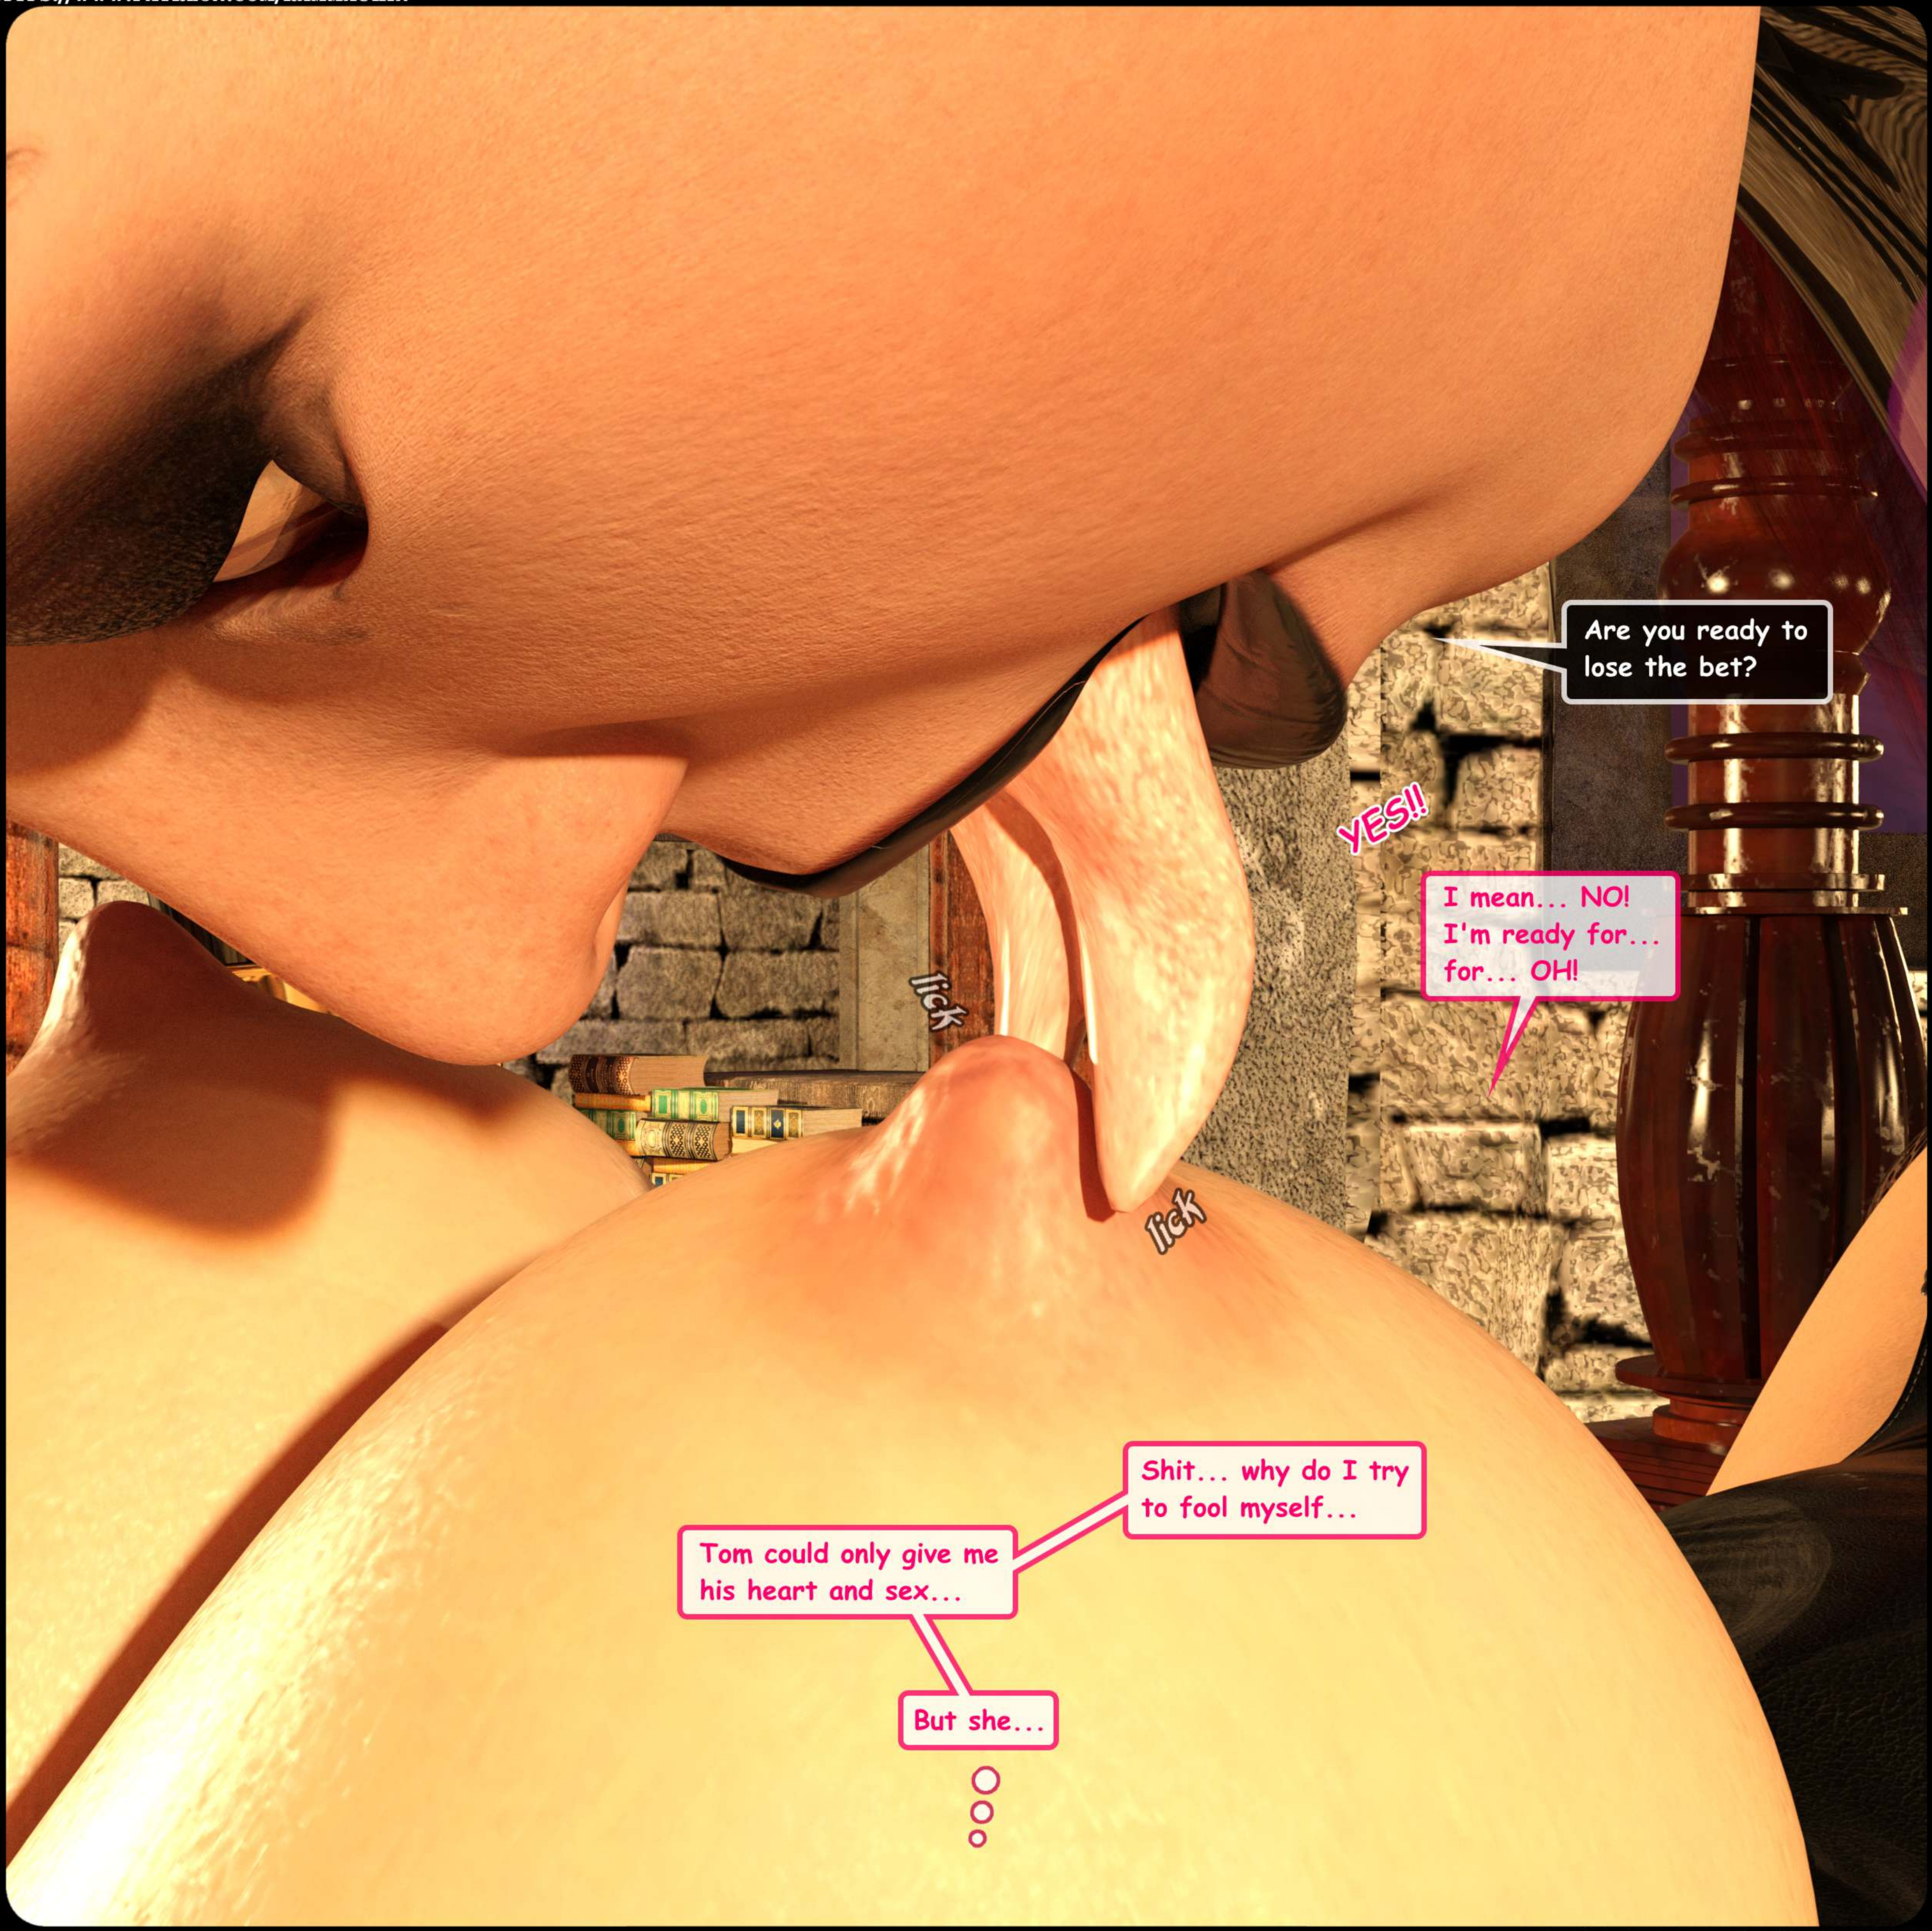

I want it inside of me...

Hell... I can't control myself...

But what am I wishing for?

I love... ..

Yuriko!!

Are you ready to lose the bet?

YES!!

I mean... NO!
I'm ready for...
for... OH!

lick

lick

Shit... why do I try to fool myself...

Tom could only give me his heart and sex...

But she...

...

...after some pampering to go crazy

UH?!

Gods I can't take any more!

Make me cum, make me yours!

Come on!

What?!

You heard me!

I want you to
make me lose!

I want to be
your servant!

Come on, what are you waiting for!

...

I'm so wet!
Dripping wet!

So horny!

I want to be Yuriko!

YOUR EVIL SLUT AND SERVANT YURIKO!

FOREVER!!

Are you sure about what you're asking me?

I am a cruel, perverse mistress and I like things to revolve around me.

I will not be faithful to you, you will be my confidant now, but there will be more.

I will use you to achieve my ends, you will only be a whore that I will use when I want and how I want.

Gods yes! But you now have to fuck me and make me cum first.

AAAAmmmm

Okay, we'll do this...

Whatever happens today,
you'll never be Yuri again.

If I win, you
will be mine...

And if I lose, I will make
you more of a whore and
give you a suit of my slaves...

RUB

Shall we cut the crap?

I'll fuck you anyway,
whether you give
yourself to me or not.

Can you feel my cock
fucking your pussy's
entrance...?

Gods, you're
super hot and
wet.

I...

... Give it to me!
I'M YOURS!

YES?

It's not a fair deal...

No, but it's what you want right now.

I can see it in your face, just being this hottie isn't enough for you, is it?

But if you give yourself to me right now... I'll give you all that and more!

I...

Shit... she's got me

OH YES!!

What a warm pussy! ○○○

I have corrupted her mind! Now with my seed I will corrupt her body...

○○○
And there will be no turning back for her.

And I will finally get my demon body!

SLIDE

slime

OH!!!

Please...
... slow down...
... mmmm...Ah!
It hurts...
it hurts...

ooo

...so good!!

I'm sorry Tom! I
needed to be yours...

But you don't have
this perfect body...

You would understand!!!

Uuh, why...
did you stop?

From now on you will
address me as "Mistress".

And if you want
something, you
will beg for it.

Do you understand
Slave?

I can't believe this is
turning me on so much...

Who does this pussy belong to?

I beg you, my Mistress, not to stop.

Please, fuck me more!!

To you my Mistress!

Good Slut!

YES!

Oh GODS... YEESSSS

Stronger my Mistress,
I beg you to destroy
my pussy!

pump

pump

pump

You are so insatiable!

I have really managed
to corrupt your heart.

AND SO YURI'S NOBLE HEART,
BECAME YURIKO'S CORRUPT HEART.

I love your pussy.

Mmmh!

pump

pump

MOAN!

YEESS!

And I your cock,
my Mistress!!

Don't stop! I beg you,
smash your slave's pussy!

AND THE MORE SHE FELT HERSELF CUMMING IN THE DEPTHS OF HER PUSSY, THE MORE THAT CORRUPTION WAS SPREADING INTO HER SOUL.

Take it all, the whole of it.

Feel it going all the way in!

MOAN

OooooH!!!

I feel like I'm being splitt in two...

And... I'm going to... I'm going to...

ooo

Aaahhh!!

You've cum Whore?!

Now you're really mine!!

○ ○ ○
I can feel the stone now! Full of the purity of her soul!

Now it only remains for me to mark her flesh so that it will never cease to be mine.

Prepare your pussy Whore!

I will now fill it!

YES

YEEEESSSS!

Is that what you want?

That I fill your pussy Whore?

YES! MY MISTRESS! YEESS!!

Good Whore!!!

Take it all!

YEEEESSSS!

Her pussy squeezes me more intensely than before!

GODS! HOW MUCH!!

AND HOW HOT IT FEELS!!!

THE STONE!
I feel it beating in her chest!!!

OH! Mistress!!

She's cumming so much and so hard!!!!

AAAAAAHHH!!!

AAAAAAHHH!!!

YEEEESSSS!

YEEEESSSS!

YEEEESSSS!

Mmmmm...

Mistress...

I can feel your corrupted Cum...

That will be your reward from now on...

If you obey me properly!

It feels so hot... and it makes my dirty pussy itch!

And it doesn't make me stop being horny!

Enjoy it my little slut... it will help keep you busy.

Look at her, she hasn't realized that she's lost her pure soul...

Nor that the Stone is floating above her.

My boobies... they feel much more sensitive than before...

Mmmmm... my body is so lewd and sex hungry now...

And only I will be able to satisfy that desire you feel.

Mistress couldn't you use this slut a little more?

These urges that dominate me are very strong.

That's normal, I've prepared your body to corrupt you more and transform you into my personal succubus...

...
All I have to do is to take the Stone...

And then I will finally be able to get my Demon Body.

Mine!!!

Mine at last!!!

A Soul Stone...

... filled and ready to use!!!!

Please my Mistress, I beg you, help me calm this desire!

I cannot control my Urges...

That's right, the longer it takes to satisfy that first impulse, the more loyal and perverted you will be...

Now play with yourself, and try to control yourself if you can...

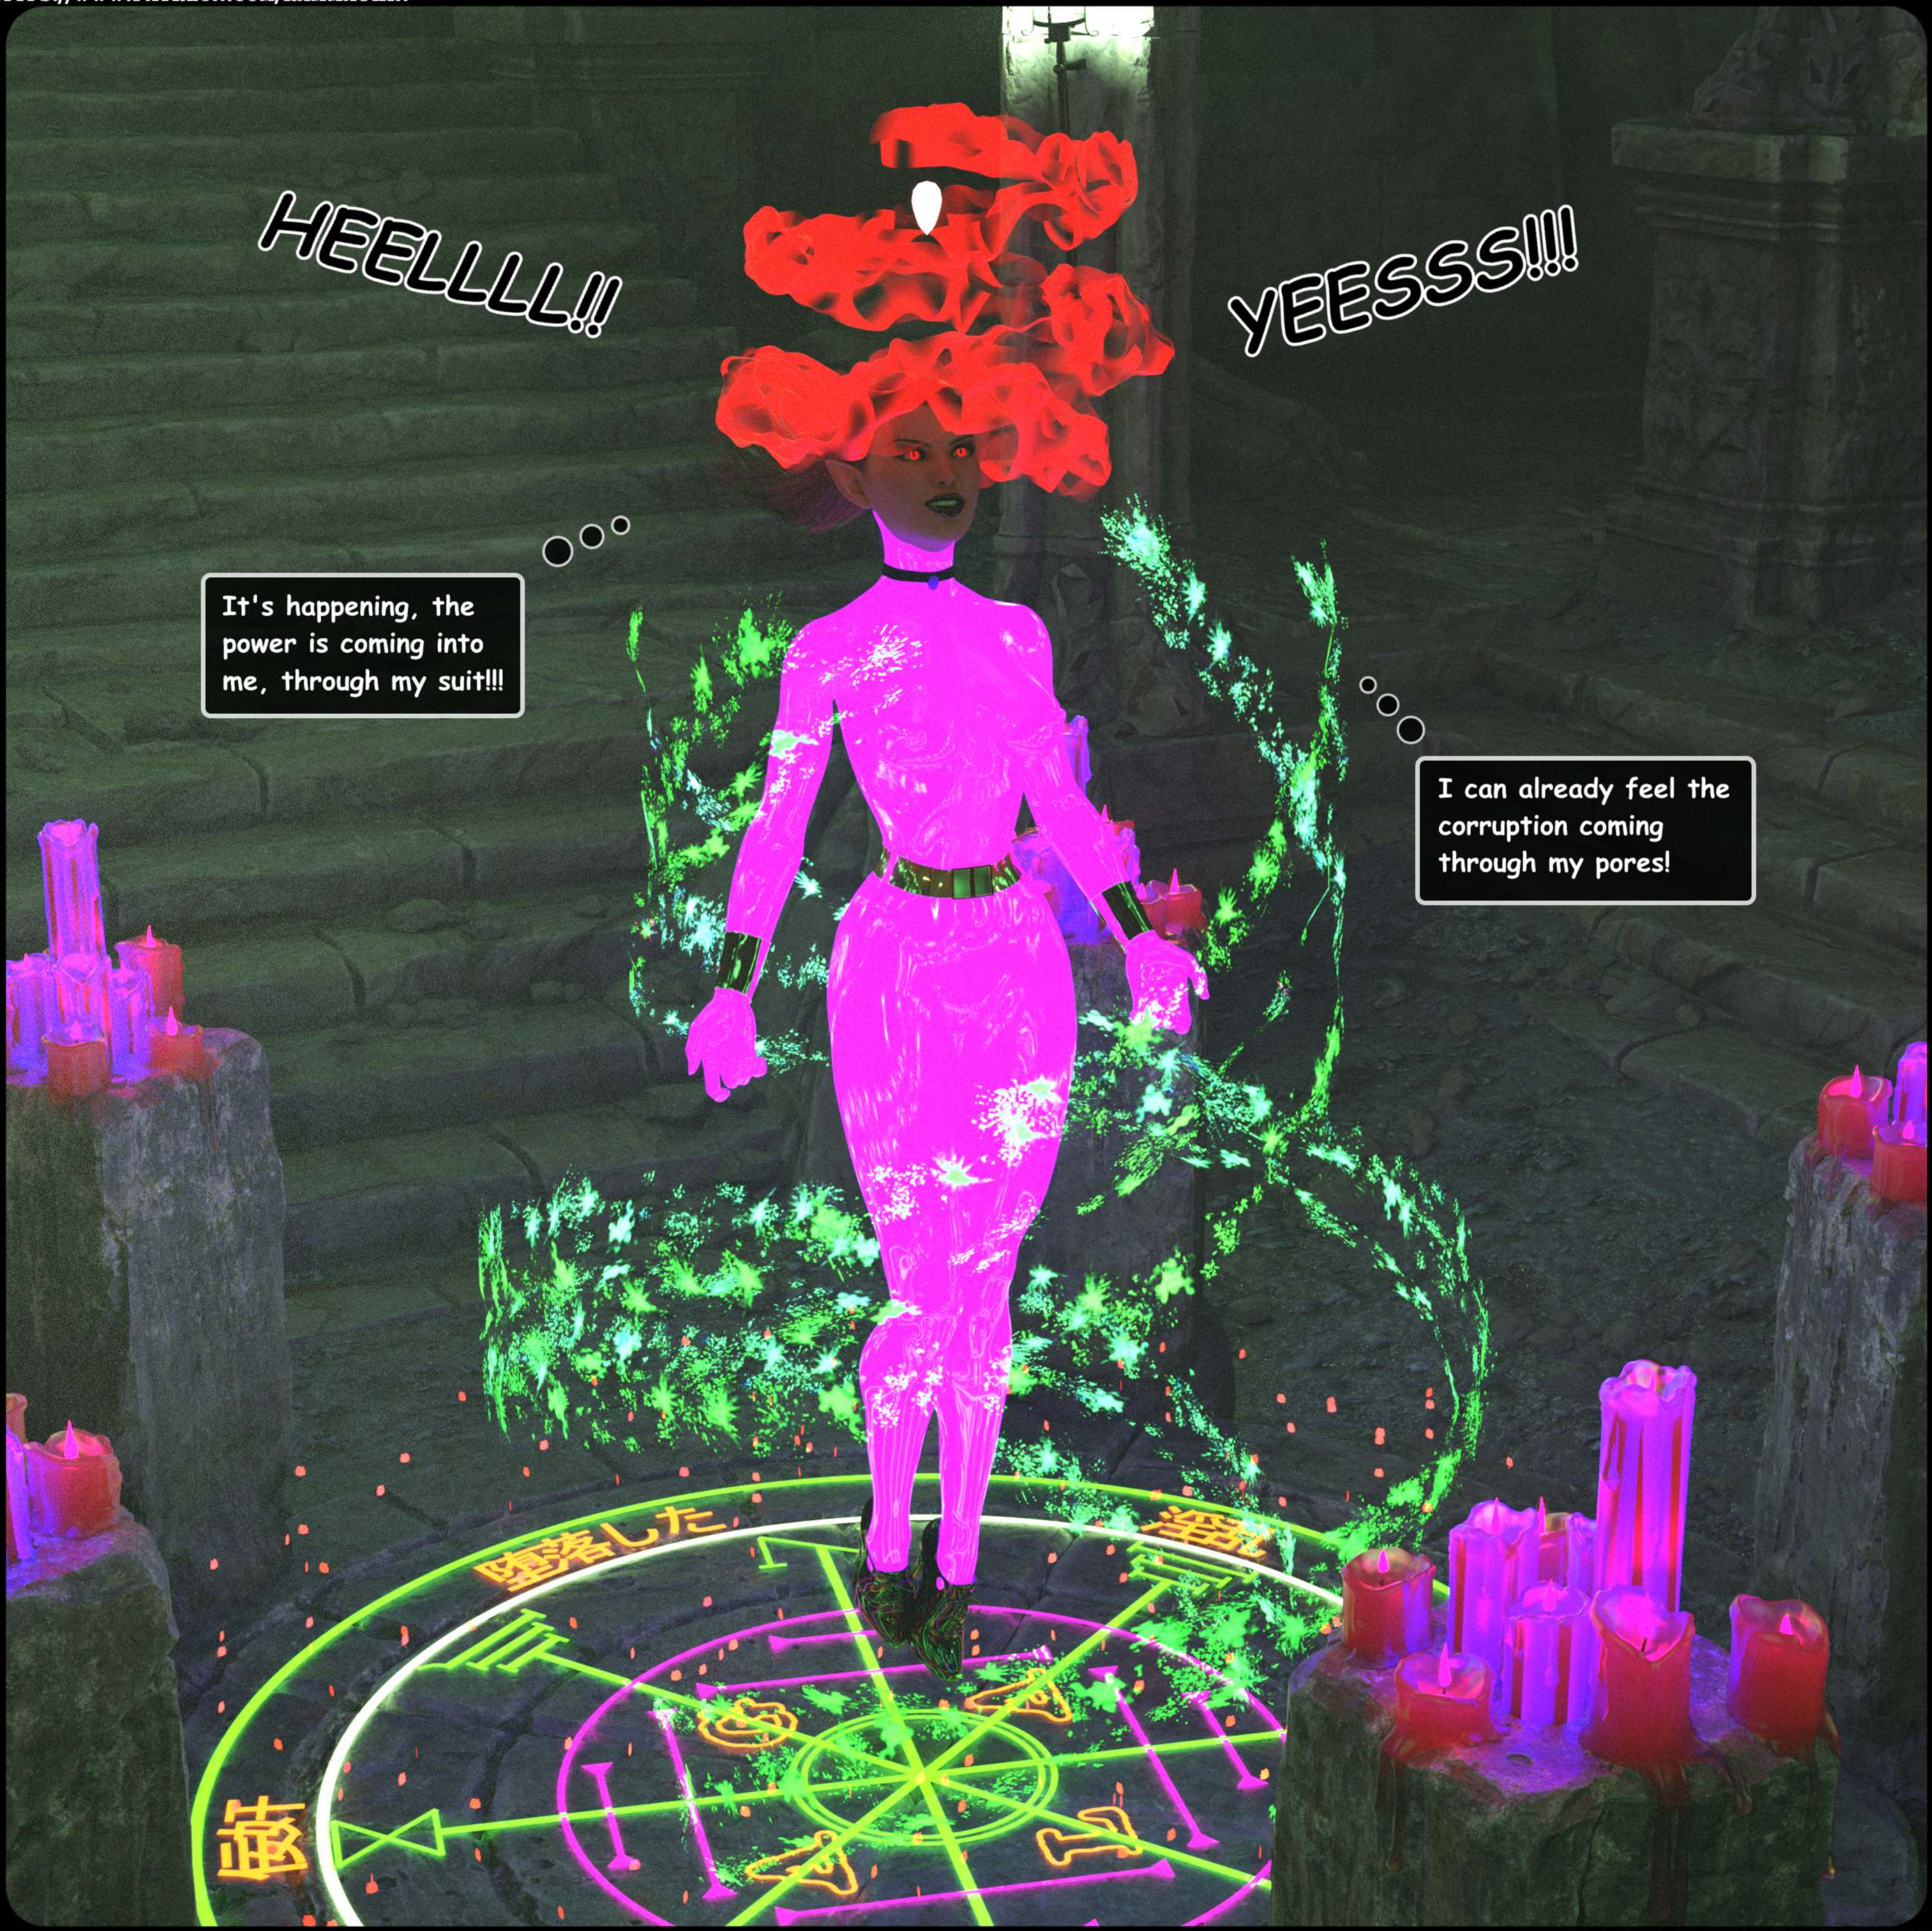

While your Mistress goes and finishes what she started with your help.

HEELLLL!!

YEESSS!!!

It's happening, the power is coming into me, through my suit!!!

I can already feel the corruption coming through my pores!

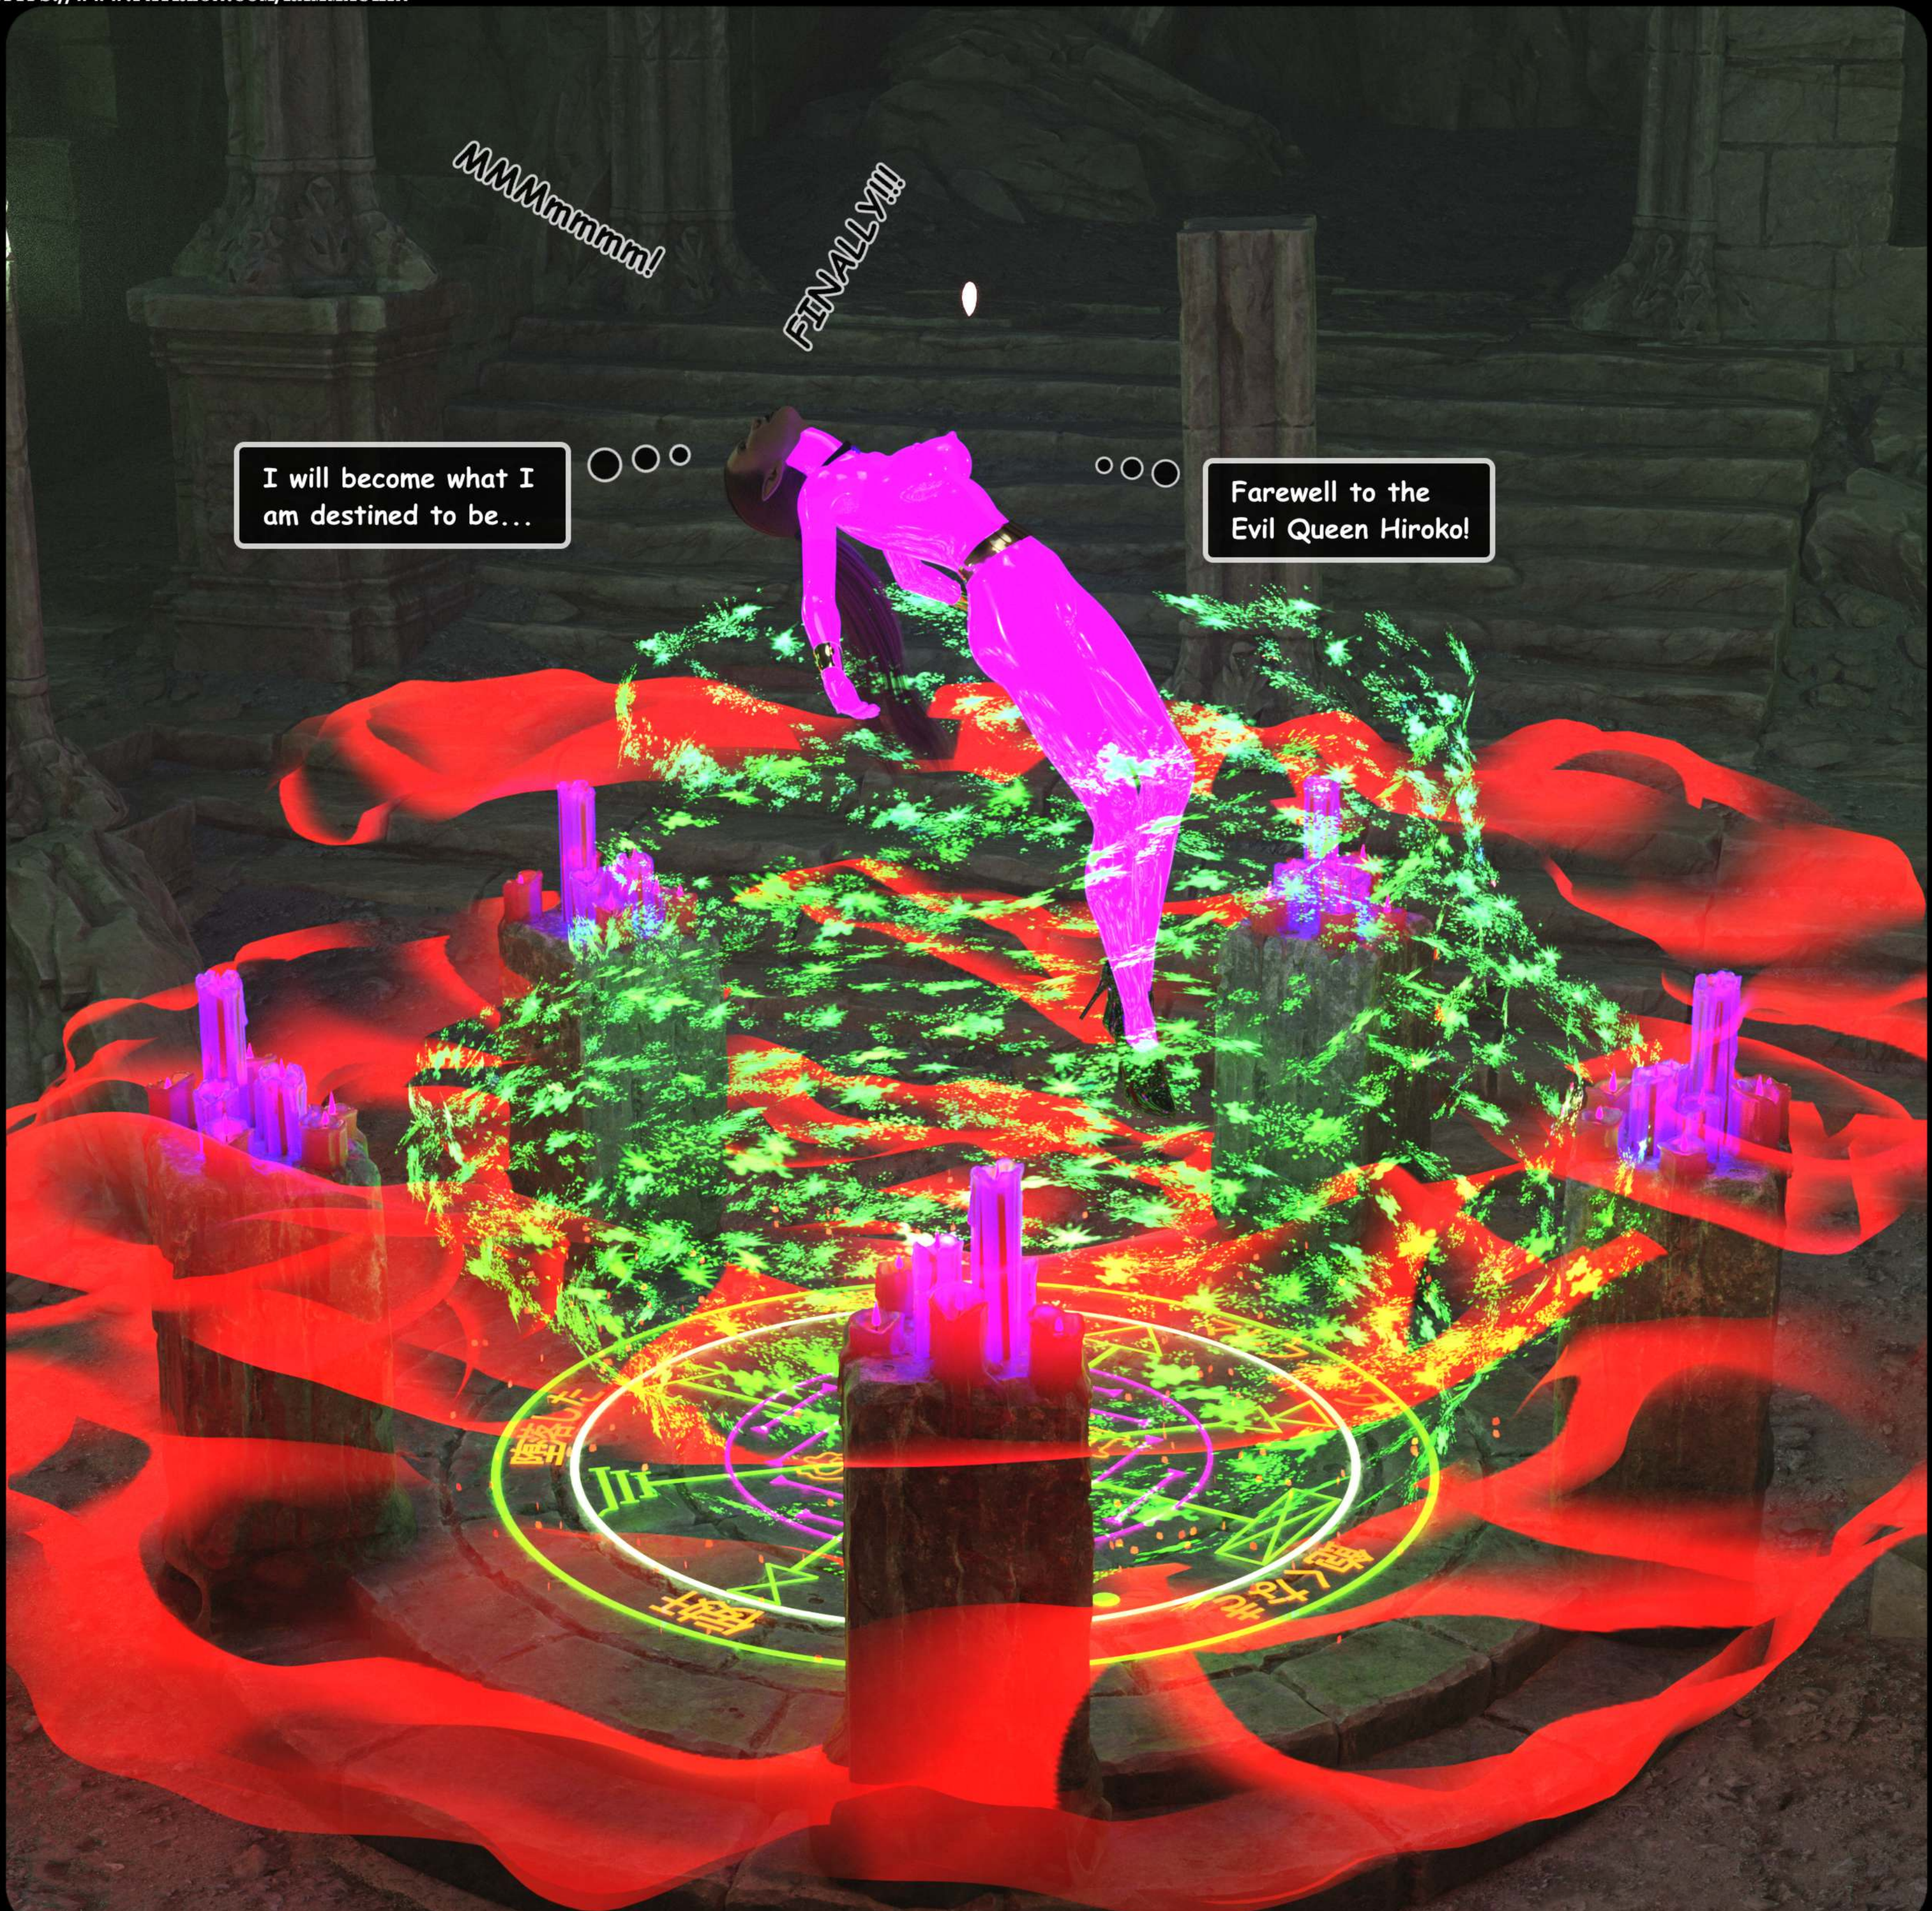

MMMMmmmm!

FINALLY!!!

I will become what I am destined to be...

Farewell to the Evil Queen Hiroko!

The summoning
power vanishes...

It is finished!

LONG LIVE THE DEMON QUEEN !!!

But what?

What happened?

I'm still human!!

And why am I wearing this slutty outfit?

This was not what was supposed to happen!!

What's wrong with this damn book of spells and rituals...

DAMN IT!!!

CURSED BE

THAT BOOK!!

I don't care if SETH himself wrote it, tonight it'll burn in my fireplace...

At least I have Yuriko...

Her pussy and her little mouth will be enough to calm this anger...

As long as I enjoy watching that book burn.

AAH!!

BANG!

What now?

What is this?

A magical barrier!

You would do well...

Mephi honey, could you tell this bitch who I am.

And please honey, take that form you use when you go down to the dungeons.

As you wish my love, Hiroko please meet... Queen Lili The Proud,

Great Queen Of Wailing,

Flayer Of Cruel Ones,

and Scourge Of The Proud.

Lili?! Lili The Proud??

I know you...

You are the Librarian!

The one we used to play pranks on...

Oh, I see you remember...

It wasn't the best time in my life!

But as you can see, my life has changed a lot since then.

And of some of the girls who liked to play pranks on me...

Also changed! And not to their liking!

Giggle...

Tell her about our bet my Queen!

Bet?

Mephisto and I
have a game going...

To split up the bitches
who were doing the pranks.

And as you
said yourself...

"The one WE played
pranks on..."

So you've been
included in our bet...

Do you recognize my
right to claim my prize?

(hehe...)

What does your carnival buffoon mean by that?

You expect me to be afraid or beg?

I am the "Evil Queen Hiroko" since I became corrupted!

Begging or being afraid doesn't enter my way of being!

You're the first one who doesn't tremble.

And I have to admit that I like you...

Both for what you do and for your physique.

And for that, I'm willing to discuss making a concession to you.

If you want to abandon your existence as a corrupted human, you will come with us to my little Martyr Room.

Give yourself to me, serve me like a good whore, and I will have Mephisto transform you into a Demon.

And if I refuse?

Oh sweetheart, then I will be offended and disappointed.

Mephisto dear, tell this bitch, what you do to those who do that to me.

Hehe... Hiroko... then I'll do my best to make you suffer... I know how, and you will lack time in all eternity, to discover the end of my cruelty.

I will start slowly, tearing out the evil essence that made you what you are, so that you will be a normal human without powers, at the mercy of the people who hate you.

I will keep that Trans-Yuriko, purify her and transform her into a Warrior Of Light, so that she can hunt you down as the heroine she wanted to be.

You wouldn't dare...

Wanna bet?

But don't worry, I won't kill you or allow you to be killed, I'll just take the strength of youth from you.

Then I'll let you know the hatred of each of your victims, those who lived and died earlier and those you killed this time.

All who now wander in my domain...

That would only be the beginning, then you will come to know our cells, the dungeons, our rooms of endless torture...

Hell, if you do not give me the satisfaction of being my whore willingly, I will have fun watching how my 'Carnival Demon' destroys you little by little, in each of the rooms, countless times...

You decide!

Spend some time as my whore and become a Demon, or be the star guest of Mephisto's extreme... Sadism Of Wrath!

Ok, ok... I will be your whore!

Damn, I was hoping you'd be so arrogant to turn her down.

Maybe, whatever my Queen has seen in you, it might be really worth it.

Oh darling, how little do you know, what we ambitious women are capable of indulging in.

What a bliss, at last I will be able to use my newly refurbished Martyrs Room... hihi!

I was so looking forward to it

You first!

I hope this shit is worth it.

IN SOME HALLWAY IN THE FIFTH RING OF HELL

Hell... How does she do it?
She's already disappeared again...

You! Follow me!

And don't touch anything, don't
talk to anyone, and try to ignore
the screams and my other victims...

But what? How? In my life
I would have never thought
of using chains to do that
to someone.

What did I just tell you?

Listen to me! You amateur of evil.

I don't like you, if it were up to me, any attempt to become a Demon would end in stinking slime.

You reek of the War Of Light. I can smell it, and all my servants, minions and lackeys can smell it.

There is nothing we hate more than a corrupted Bitch Of The Light, even if you try to be like us.

You Are Not, Nor Will You Ever Be !!!

You are here only because of her, I have had thousands of queens, but none like her.

She is everything to me,
she is more than my Queen,
she is my perverse and
capricious Princess.

I don't know how, but my corruption
instead of turning her into an Empress,
cruel and full of desires for revenge,
has transformed her into my everything,
crazy, sinister, immature, unpredictable
and worse than cruel, dazzling with rancor...

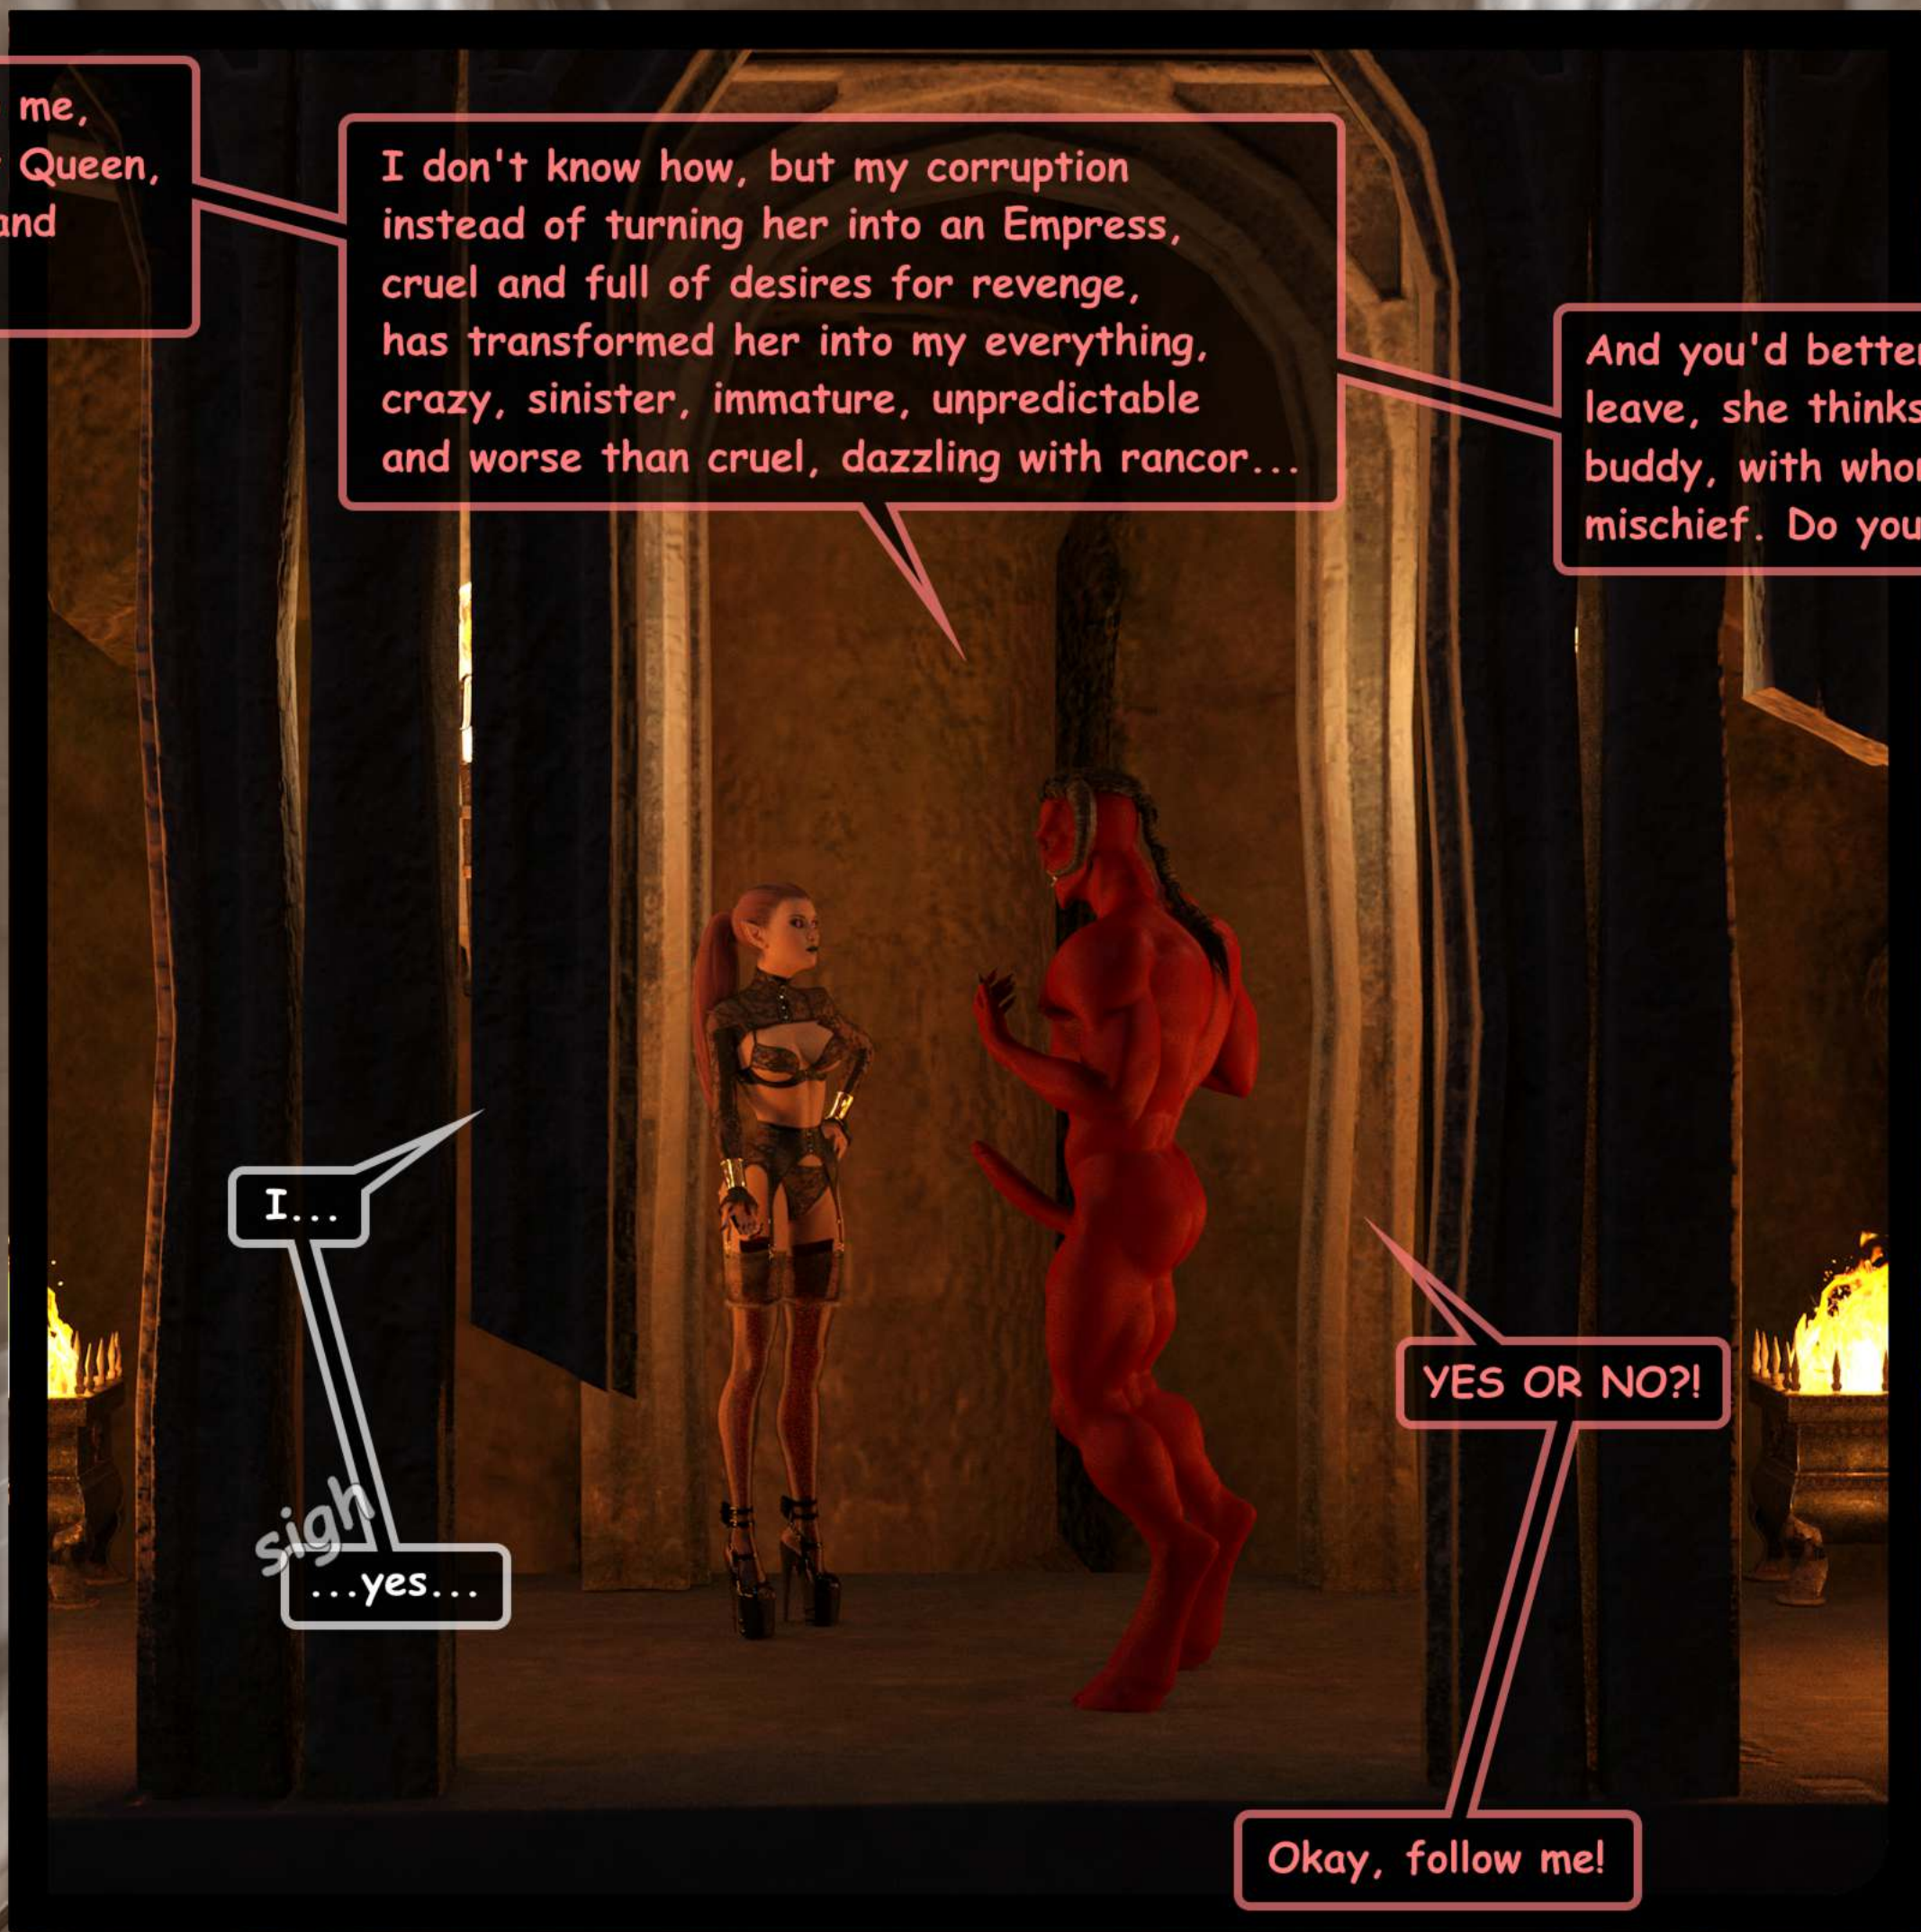

And you'd better hope that, when you
leave, she thinks she's found a fuck
buddy, with whom to share and make
mischief. Do you understand me?

I...

sigh
...yes...

YES OR NO?!

Okay, follow me!

AFTER GOING THROUGH THE DUNGEON OF THE FIFTH RING OF HELL, THROUGH TORTURE GALLERIES AND LONG CORRIDORS

Surprised? Guess who designed this dungeon

WHAT!!

Dungeon? But this looks like a camgirl's playroom!!!!

You've finally arrived!!!

I've put on something more un-comfortable and sexy for the occasion!!!!

YAIH!!

Do you like my private dungeon?

This is where I go down from time to time... let's say... to let out my naughty side...

Don't lie honey, tell the truth, this is where you corrupt yourself with every soul...

That you use to feed your new Underworld Queen Essence.

WHAT!??

How mean you are my master and love...

You don't want to scare my new Besty.

Besty? Hmm.

I have to admit, she looks awesome, so much so, I'd be liking this if it weren't...

What are you waiting for?

Lili is waiting for you and I can't wait to see you two in action.

Don't make that face,
this is Hell.

You...?

You don't...?

No, unless you
both want to.

You're telling me that you're just going to sit there and watch.

Not just watching. I'm a very perverse demon, I won't just watch.

Besides, I love to see my whore of a wife in action.

Normally I would drag you to the worst room in my torture kingdom...

MEPHIIiiii...!!!!

Yes... Mmh... SORRY Honey!!

Ok Hiroko Go ahead, have fun!!!

Don't mind my little demon, he can be overprotective and very jealous at times.

Come here! I won't bite...

Hell... I've been looking forward to this moment ever since Mephi told me that a 'Warrior Of The Light' wanted to be a demon.

I'm so nervous and thrilled that she's here!

I have to admit that I wasn't expecting this.

You just let yourself go!

From this distance you look so sexy...

I admit that you do too, so much so...

Hell, I've never been kissed so hotly before.

She know how to use her lips to kiss very well.

I LOVE IT !

I feel something strange...
or new... I don't know how
to define it...

MMmmmm!

MOAN!

AAamm!

It seems that someone
is forgetting about my
Husband and Master...

MOAN!

I can't stop wanting to feel her hands on me...

And her lips are so addictive, every kiss makes me feel more and more butterflies...

MOAN!

MOAN!

Hell, her moans turn me on so much...

And kissing her is so different from when I play with my damned...

Hehe, it looks like it's really starting to heat up now.

I think Lili was right, she could be a good addition...

moan

Ami!

moan

Mmm!

lick

MOAN!

MOAN!

Mephi must be enjoying it...

As much as he hates corrupted heroes, he wouldn't still be here...

OH!!

The whore's panties are soaking wet!

Are you having a good time bitch?

Let's get this off you and move on to the next level.

Gods yes, don't get me wrong...

I love the way you kiss and how you were rubbing my ass but...

he

he

he

I need something stronger too!

Oh fuck... this is so good...

I love to feel your hot and wet pussy against mine...

I should have tried it before

No... I always like to break the pussies and asses of my victims...

WHAT!!!... you've never done the scissor before?

Well you don't know what you were missing...

I think... Oh Hell...

Can't be that I'm going to cum already...

... although this is better than anything I've ever done...

Mmmmm...

Hehe

That's normal...

moan

Mephisto cursed my pussy juices with the power to make anyone cum almost immediately...

So no one can make me cum before they cum and be free from their doom...

That's not fair... so how are you going to have fun?

... and their face expressing that terror of knowing they're fucked.

I gave myself to him, and I want his, and only his, cock to make me explode with pleasure and scream like the whore I am.

It was my idea. I enjoy watching when they cum...

Ah

Amm

Oh

How can you stand it?

OH! Have no doubt...
that... for me...

I enjoy it as much
or more than you...

And that I love feeling my pussy eager and desperate to cum, it drives me crazy...

But I can only have these terrific orgasms when Mephi cums inside me...

And I want it to be so...

Well, I'm not ready to cum yet...

A FEW MOMENTS LATER...

Yes, go ahead pick one!

So, you want me to pick one?

The one I want?

I remind you that I'm a very bad and naughty servant of evil.

I'm counting on it honey!

Hehe, she thinks those dildos are just like the ones she knows from the mortal plane...

What a surprise she is going to get...

This is going to be so much fun... and hot... oh fuck...

...

I haven't had so much fun and pleasure since I let Mephisto turn me into his slutty Demon Queen.

A FEW MOVEMENTS WITH THE CHOSEN OBJECT LATER...

I don't know what to say... since I became Dark Queen Hiroko...

I've only used them for the fun of torturing others...

All done. Ready to go.

What do you think... ah, isn't that intimidating?

Really? No wonder you're having so much fun with me...

You haven't really had sex just for pleasure.

Oh Hell... you're right,
for the first time in a
long time, I feel like a
schoolgirl again...

It's so beautiful...

Why don't you touch it...
come on, don't be afraid.

It looks so...
strangely alive...

I call it the Seed-Dildo... Ooooh careful... once it's in, it becomes an extension of me...

And it's just as sensitive, if not more sensitive than my little chickpea, from head to base!

Really??

Oh yes, and the best thing is...

The dildo adapts to those who are going to receive it, and makes them more sensitive...

For better or for worse, it all depends on how you want to use it.

But why do you call it Seed-Dildo?

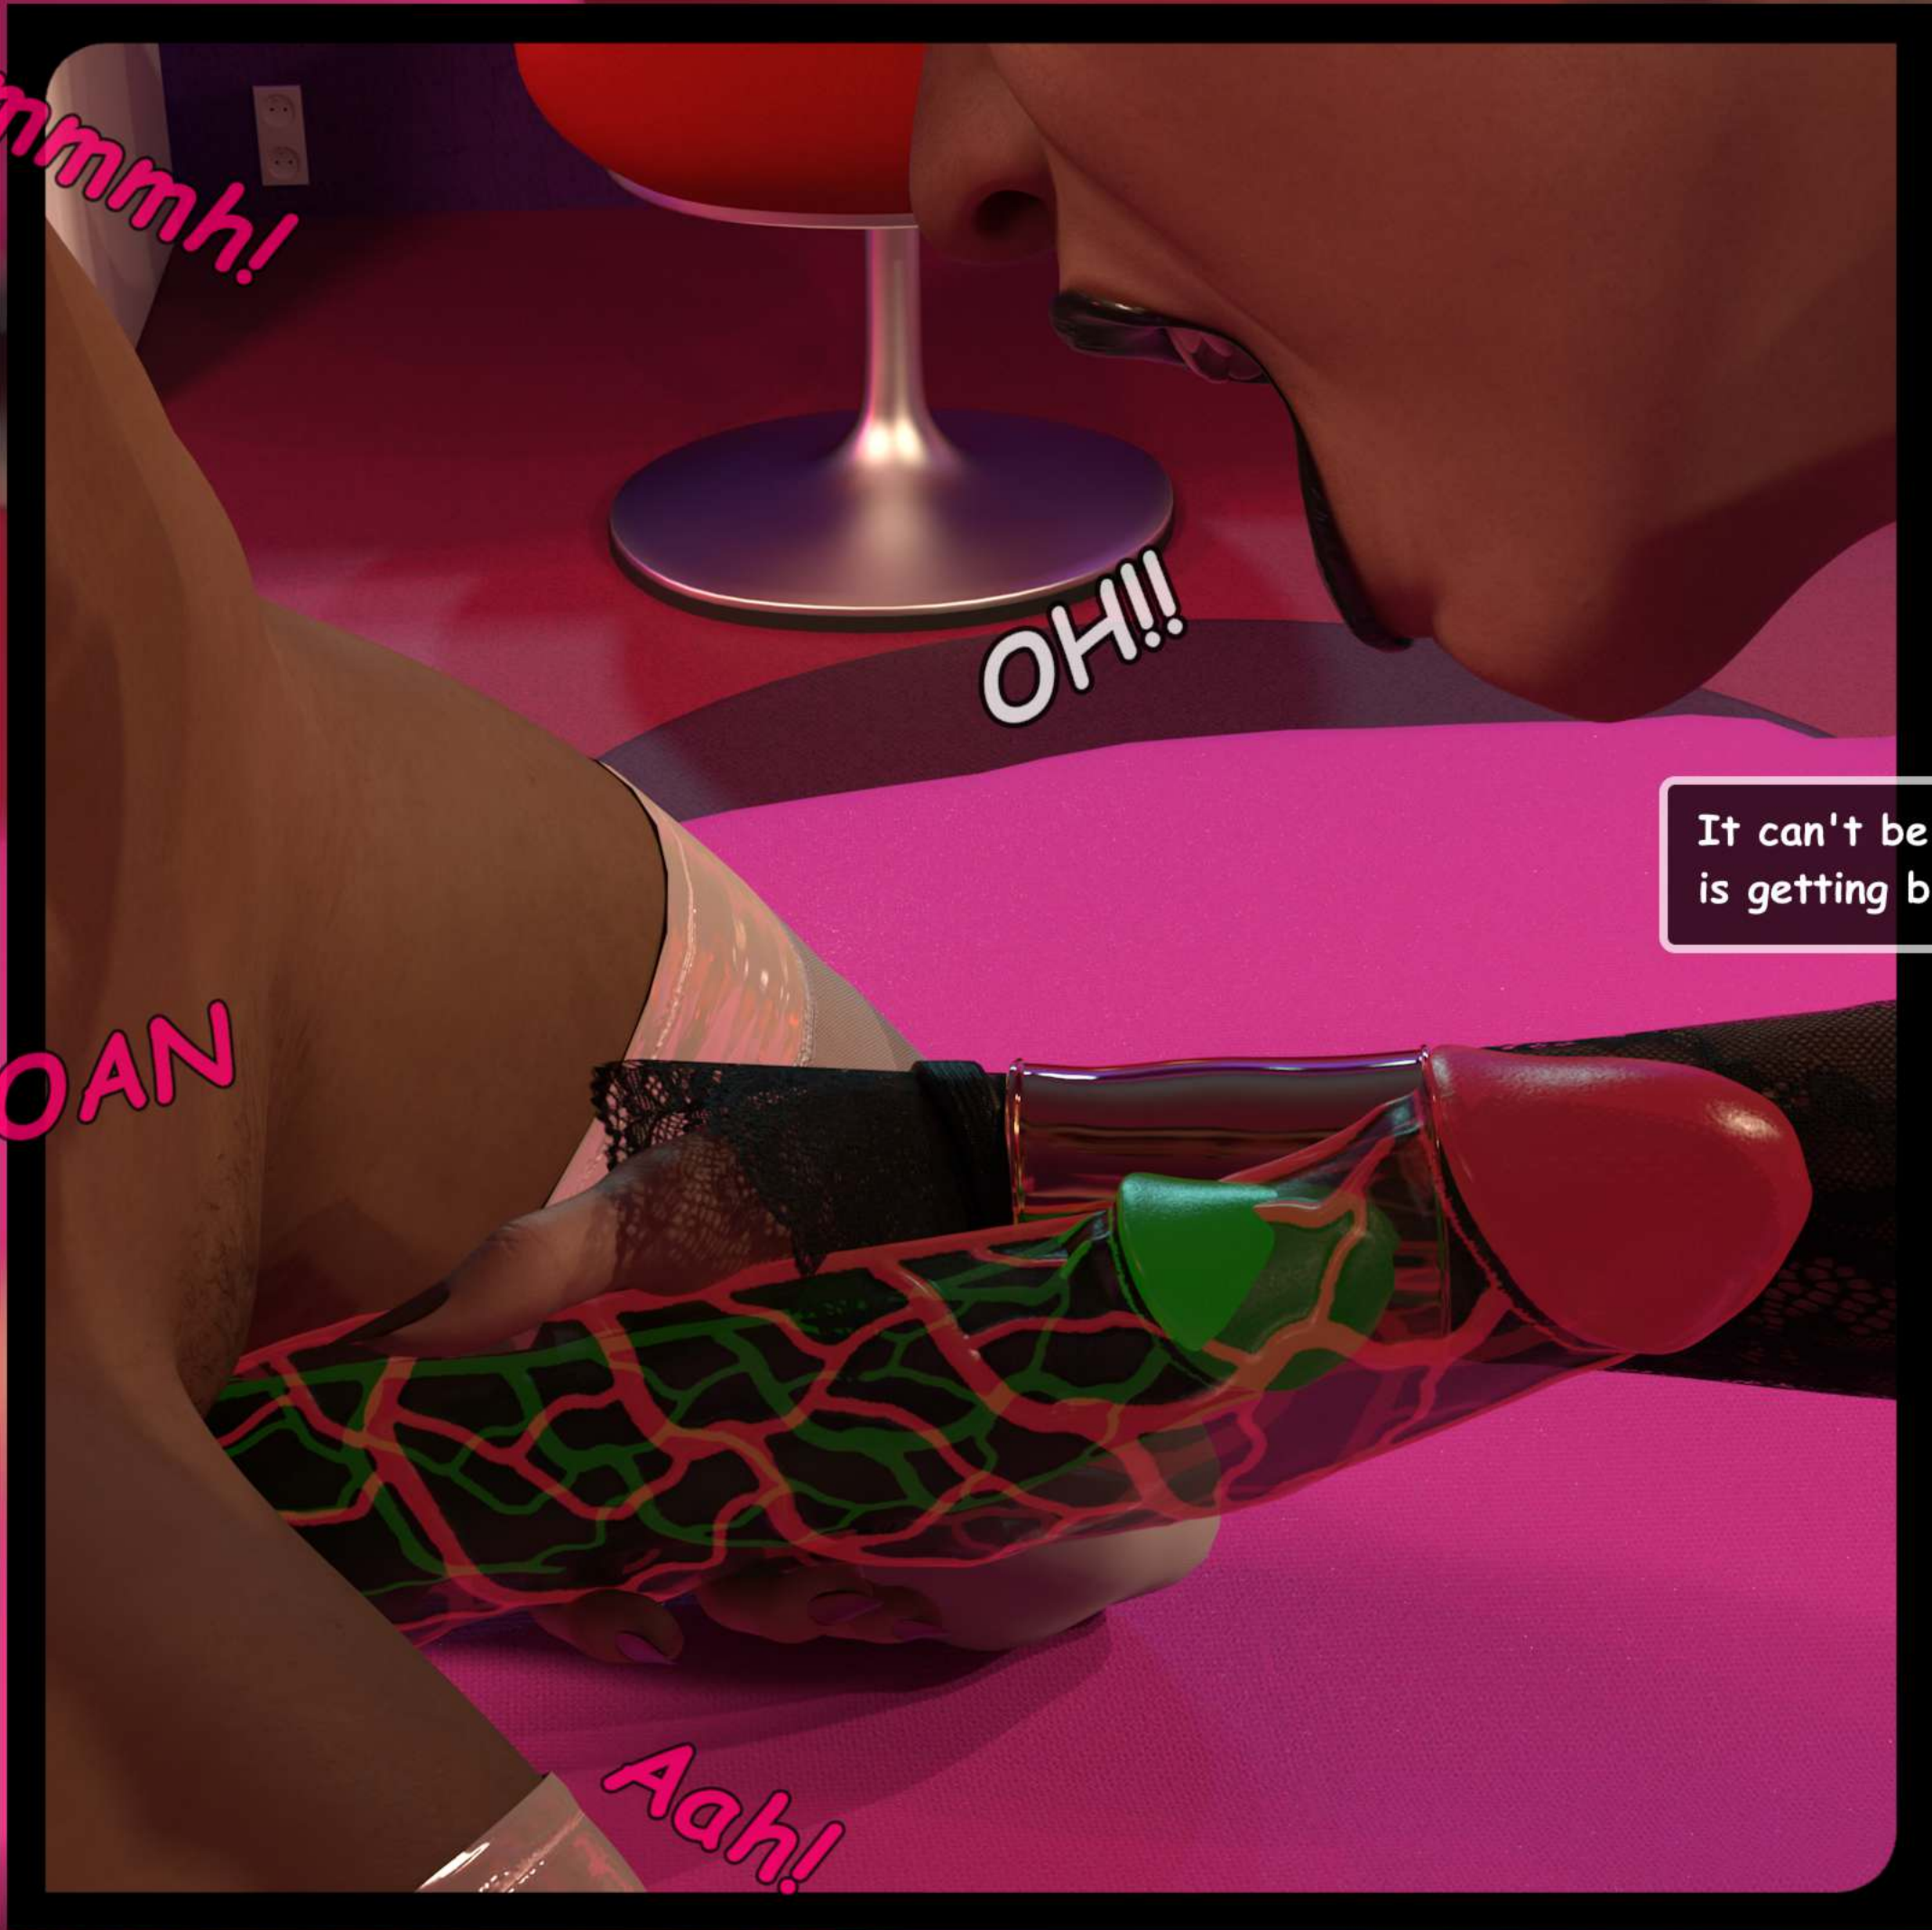

Oh it's just to intimidate, although it's partly, because, when I cum, I um through the Dildo...

Like it's sprouting corrupted semen.

And the best thing for me is that... I can cum as much as I want.

Oh I feel something...

Mmmmh!

OH!!

It can't be... the Seed-Dildo is getting bigger and wider!

MOAN

Aah!

See... the Dildo, to my pleasure, has revealed your most hidden desire!

But Lili, it's too big now...
I don't know if it will fit me!

Don't be
a "virgin"
to me.

Now your Queen orders
you to lie down, because now
the real pleasure begins!

Please... start slowly...

OK, but only because it's you, and I'm liking those faces you make.

A rod that, once you find out how it feels to have it inside, will have you ask me to smash your pussy with it.

Oh, your pussy is really tight!

How long has it been since you've been properly fucked?

It hurts so good...

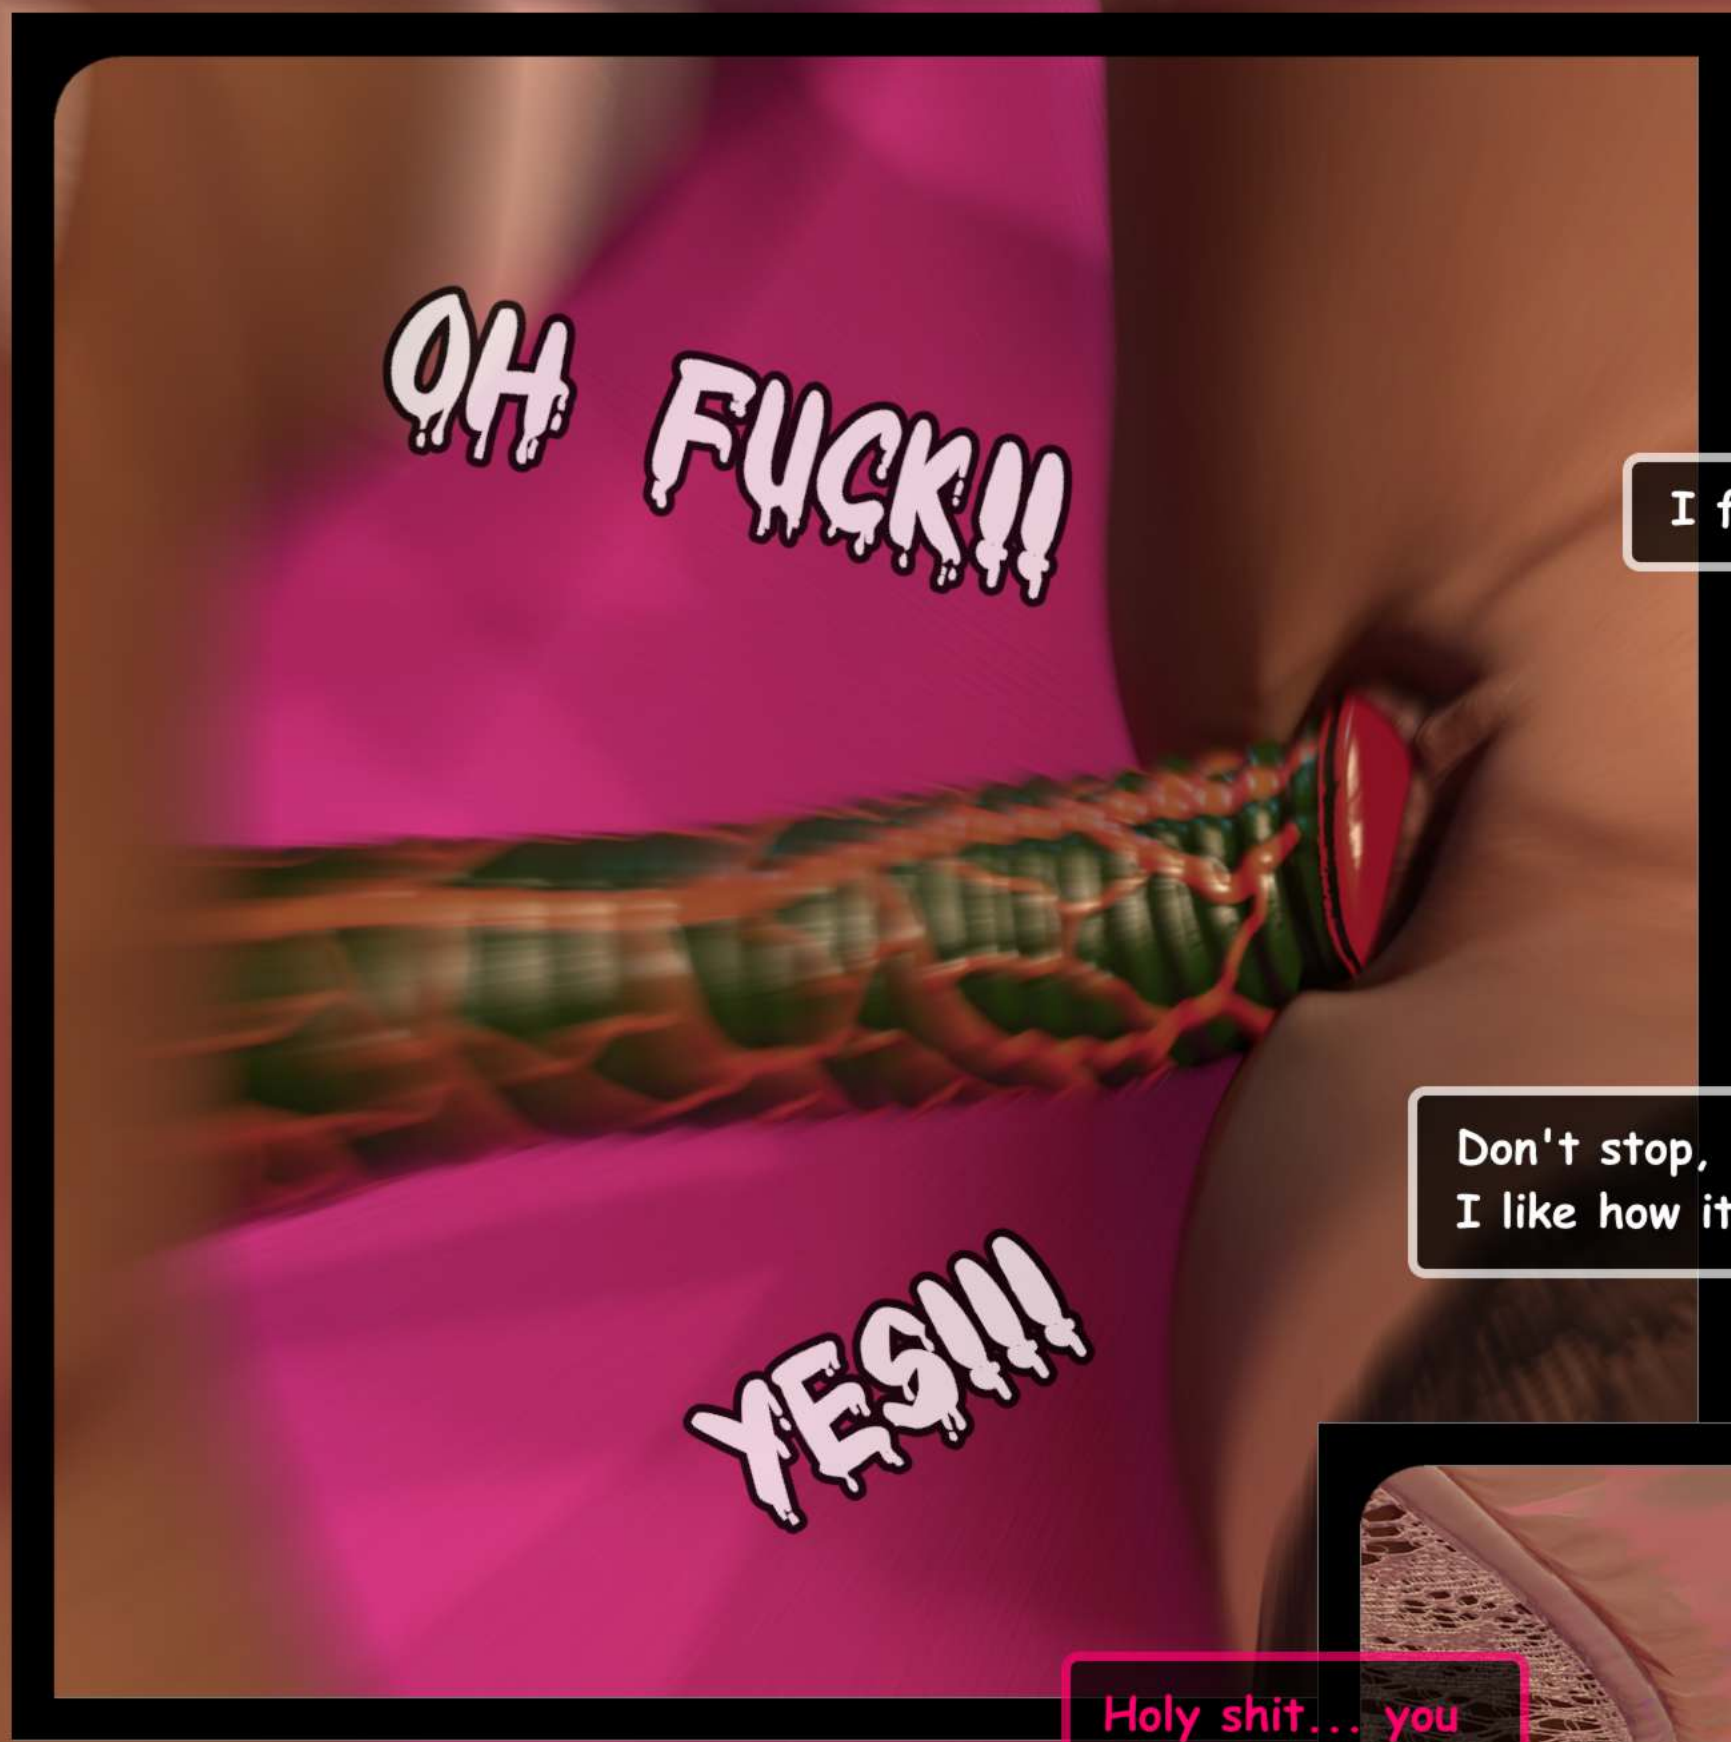

It does too much...

FUCK!

AAAAHH!

Wait a minute... the dildo...

OH FUCK!!

I feel it getting fatter...

Don't stop, put it in me more, I like how it forces me...

YES!!!

Holy shit... you are the worst...

NEVER HAS MY "SEED-DILDO" DONE THIS!!

OH HELL!!!

It's getting bigger inside me too.

AAAMMMMMH!!

You're a whore...

... A real cock hungry whore!

It hurts so much and I like it so much...

AAAHH!

Oh fuck... why have I been denying myself this for so long?

Why have I only been content with torturing my victims?

I feel like my whole body is turning to pudding the more I feel it inside.

MMMMH!

Fuck me Lili!

I'll do anything!

I'll be whatever you want me to be!

Make me your slave or demon, I don't care!

But smash my pussy please, I beg you!

The dildo is going to force me to cum too.

but how? What are you doing to me??

Take it all! Take the whole thing!

You cock greedy slut!

I want to be your slut!

Fuck, I'm cumming with this!

Fuck, I really am a whore!

... Now she is heading towards where I want her.

Soon she will be mine. My toy.

YES, YES,

YEEEEESSS!!

Oh Hell... her pussy keeps getting tighter...

I can't stop jerking her with my Seed-Dildo, I feel so close to cumming, but if her pussy is so tight...

She won't let me and at the same time, she seems so eager for me to cum inside her.

More, more! Pound me non-stop My Mistress, I love it...

The more she fucks me the more I want...

Fuck, I want her to fill me and squirt her cum afterwards...

I want her to cover me completely with her cum.

FUCK! I would even like that... that...

Oh Fuck! That Mephisto's cock would fuck my other hole at the same time.

Holy shit... this is the hottest and most exciting thing I've seen in a long time...

Who could have known, that now I'm the one who wants to turn this Light Slut...

And have her here with us.

YES!

MYNNNNHOO

OH YES!

It might be fun to make Lili jealous, using Hiroko as my concubine...

Hell, damned Hell! She will get to know a Real Hell. Hehe.

By the seven rings... just look at those two asses...

MOAN

Who's going to be my cruel, horny bitch?

FUCK!!!

Me, My Queen! ME!

I'll be your cruel bitch...

Oh fuck, I love how you tear me apart

AAAAAAH!!!

MOAN

OH!

What in Hell?

o
o
o

No, no...

It can't be...

Oh no...

What's happening?

Why did you stop?
I was so close...

Lili? I mean, My Queen...

Is something wrong?

Sorry Light Bitch...

But I need to move your legs out of the way!

Mephi! What are you doing??

No! Stop!

Fuck, you're too big for that!

OH FUCK!!

But didn't you say you were just going to watch?

I had a change of heart, bitch.

Tight and warm... just the way I like it...

So good to break!

No Mephi... it hurts... it's... it's...

OH FUCK!!

OH FUCK!!

The dildo is growing!!!

HELL! YES!!

Mephi, please, you've never had it this... big!!!

Don't lie... Lili... you...

The dildo... keeps getting wider...

Shut up bitch... or... or... or...

Oh fuck, it hurts so good...

Hell... how I love
your tight ass!

Slow down... please,
My Lord... I...

OH!!

Do you remember what
you promised when you
agreed to be my Queen?

Oh yes...

Mmmmh

OH NO!!

Please Mephi...

NO!!

You like this my little devil whore...

I bet you are so horny right now...

If I did the same to you at this moment as I do to my damned...

You would ask me for more and more!

IT'S HURT!!

All right my Slut Queen... you win...

I will make this fallen heroine my second wife!

AH!

I love it... for the Damnation Of All Good... don't stop...

What?!

OH GODS!

so much pleasure...

and paint...

...more... I... need MORE!!

Exactly what you heard,
first I will fuck you, and
then I will fuck her...

And then you both
will play together,

And then I'll fuck you again...

I... no... You...

Cruel?... Of course...

I am the Ruler of the
Fifth Ring Of Hell!!!

OH YES!

I LOVE YOU!!!

I adore you!!!

YES!

You heard it Hiroko!

Now you'll be his Whore too!

You heard it Hiroko!

Oh Hell!!!

○○○

With him behind her,
I'm being worked
harder and harder...

I can't take it anymore...
I keep cumming...

With every new thrust I burst
into another and another...

It's so good...

Get ready my whore...
I'm going to...

... TO... Unload My Balls!

OH FUCK! YES!

Please Cum... My ass
can't take your wild
thrusts any longer.

Even the dildo fell out.

Just look at Hiroko...
She hasn't held out...

She has passed out from
too much pleasure...

In the end the juices
of my dildo made her
cum non-stop...

I CUM!!

OH YES MEPHI...
Yes... Yes fill me...

OH DAMNI It is
so much and feels
so hot today!!!

OH FUCK...
I think that...

I can't stop filling
YOUR slutty ass!

had it so wild...

Not so much cum...

o

I need more!

MEPHI! WHAT ARE YOU DOING? DON'T STOP!

You're hurting me...

OH NO, you don't want me to...

Yes, yes I do...

I've always been curious to know what would happen if a whore like you, tasted her own creation.

STOP! This stuff is extremely potent!

MMMMPPPPFF!

MMMMH

Shut up and clean that pussy well... And don't even think of spitting it out, I want you to swallow it all!

OH DEMONS!

It's so... so...
thick... sticky...
and slimy... and viscous...

SUCK

MMMMH

So tasty...
OH SHIT...
I feel the first effects...

You like it, don't you?

That's it, suck it all up and swallow it...

Get her pussy nice and clean...

DELICIOUS...!

I can't stop, I made it too addictive...

The heat of lust is spreading from my mouth to my cunt...

I'm going to be cumming like Hiroko...

Mmmmm

Aaaa...

Did you think I wasn't going to discover your trap, love?

But... don't worry... I'm not angry...

What's more, I'm going to grant your wish.

To a devilish bitch like you...

I can't deny anything...

more...

please...

MEANWHILE IN HIROKO'S FORTRESS

Mistress...!

Are you around?

Where is she?

I need her to fill my pussy...

I feel so empty...

Evil Queen Hiroko...

Your slutty maid
needs to be
corrupted...

Some more with
your evil seeds...

And to think I wanted to be a heroine...

Hell... it feels so good to be evil...

With this body I can wear a lot of hot and sexy clothes...

And be...

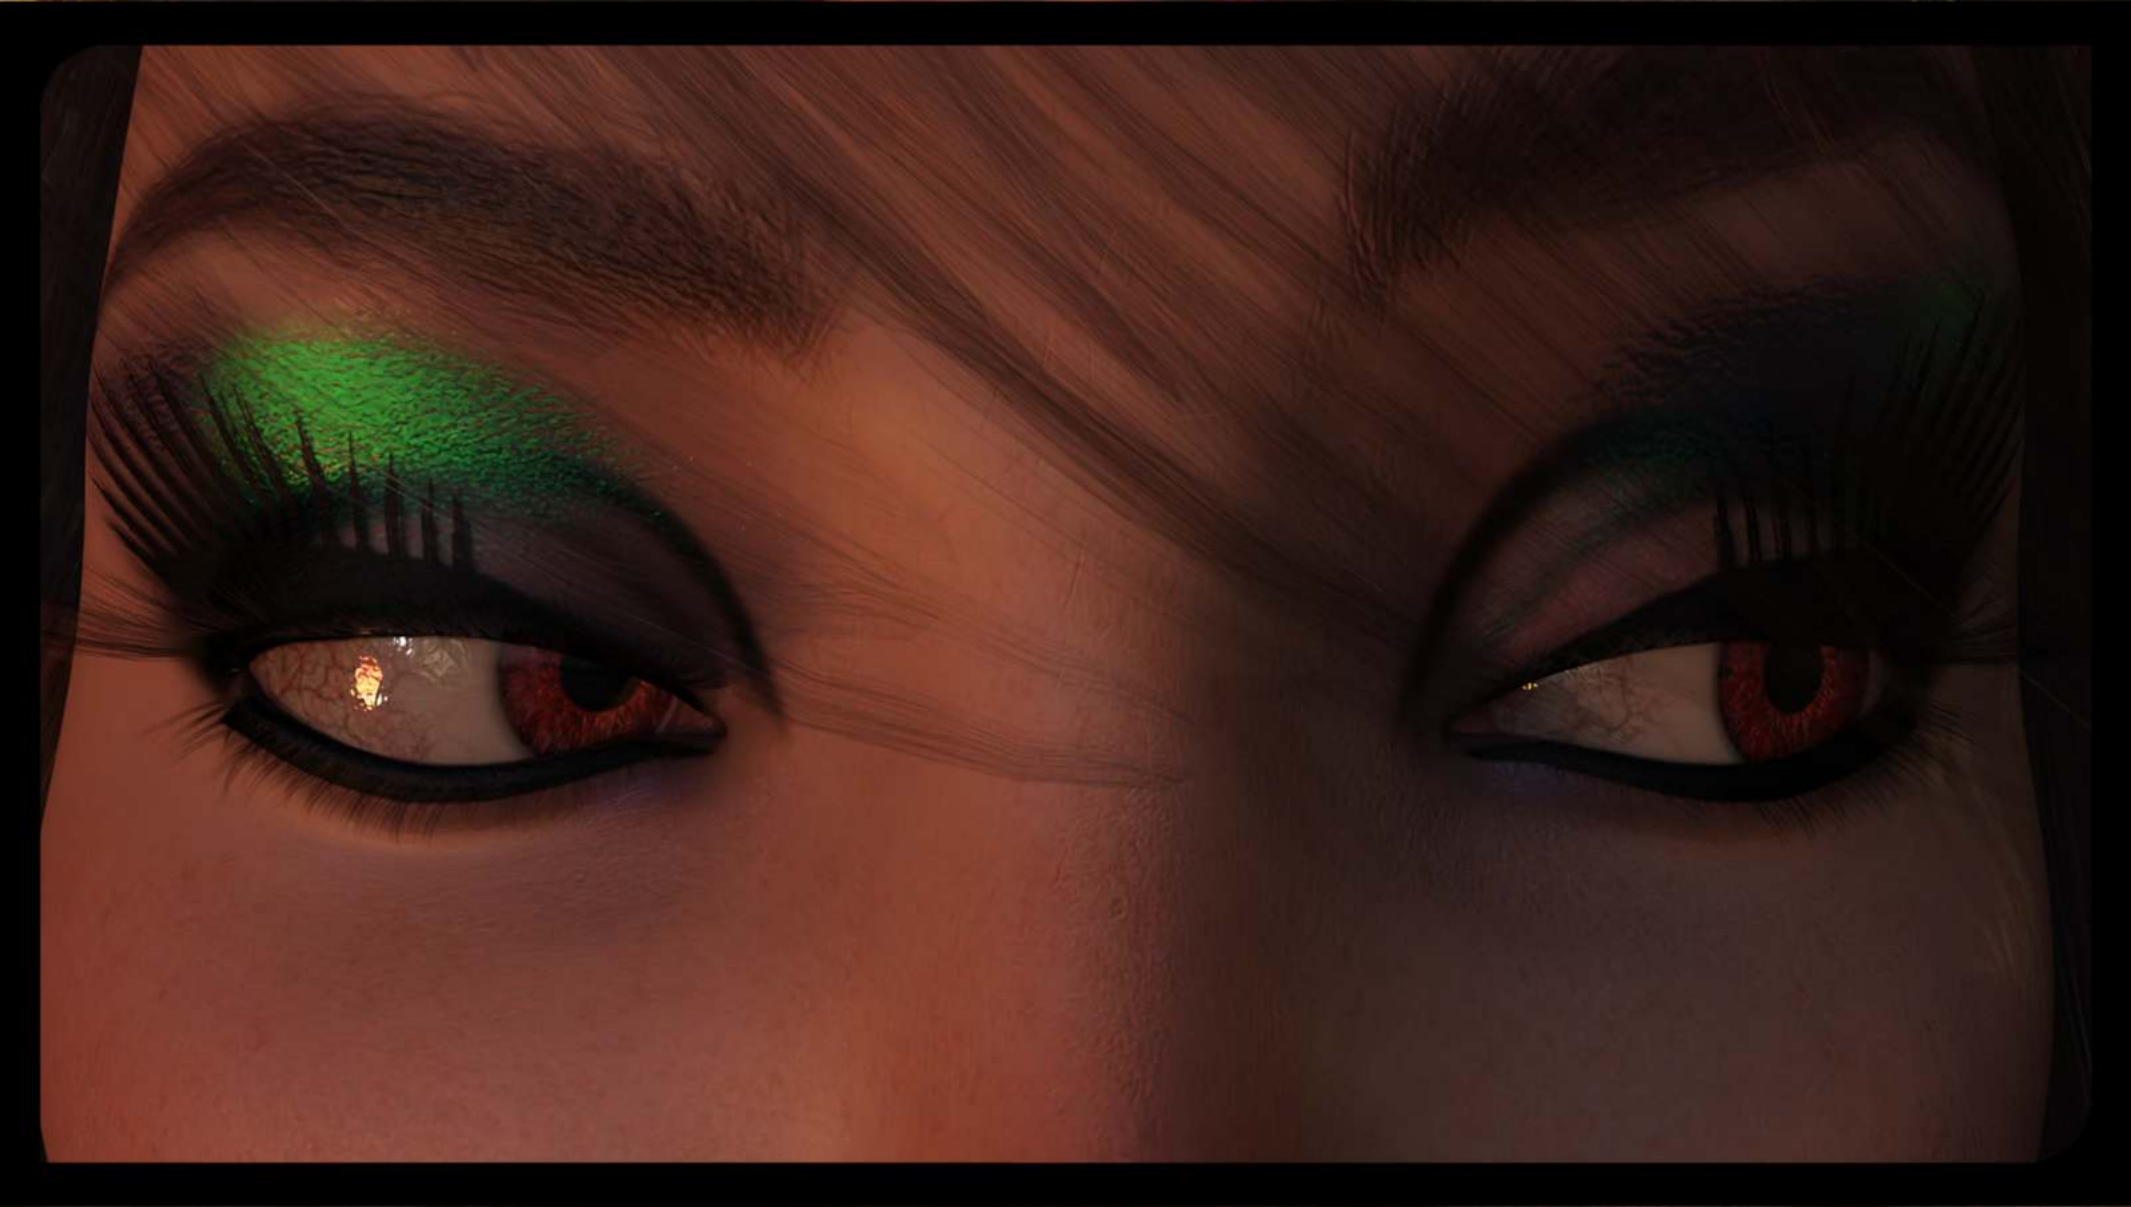

Yuriko...
... come to us ...

Who?! Who is that?!

That voice...

Is not the voice
of my creator...

But it is so...
so... sexy...

Come to us...
Yuriko... come...

It is coming from that corridor...

Yes,

Yuriko...

ooo

Mmmm, now that I think about it...

I don't remember this place...

...follow our call...

...giggle...

My Mistress,
is that you?

Is this a new game?

Oh Mistress...
where are you?

I need you to fill my
naughty pussy again...

It's so hard to walk
in these shoes...
But I love it so much!

It makes me feel so superior,
so sexy, so slutty...
Moving my hips as I walk...

We await you...

OH! That are
real bones?!

...giggle...

... Come to us Yuriko...

The voice is coming from behind this door...

Ughh! How hard... move the latch...

I must... Mistress!

Wait a moment... this is hard for me...

... That's it... come to us...

I got it!

Mistress, are you in here?!

OH!

What is this place?

Is this where my Mistress made the potion that transformed me?

Welcome Yuriko!

You're finally here Yuriko!

We've waited for you for so long!

A body worthy of containing our power!

Beautiful, sensual, a source of desire and soon...

The Source of the Greatest Damnation!

Uh?! What do you mean?

I was created by my Mistress... for herself!

No Yuriko, we are the cause of your fate.

We used Hiroko, so that she prepared you for us.

Do you like your curves?
Your huge breasts?

No Yuriko, we made her
give you the potion.

We made you ready...
for you to be ours...

Come... come closer...

We'll make you even better,
eternally beautiful, immortal...

What? But if she made me
like this... my Mistress...

Will you make me
totally irresistible???

fae

Oh, Yuriko, soon no one will be able to resist you.

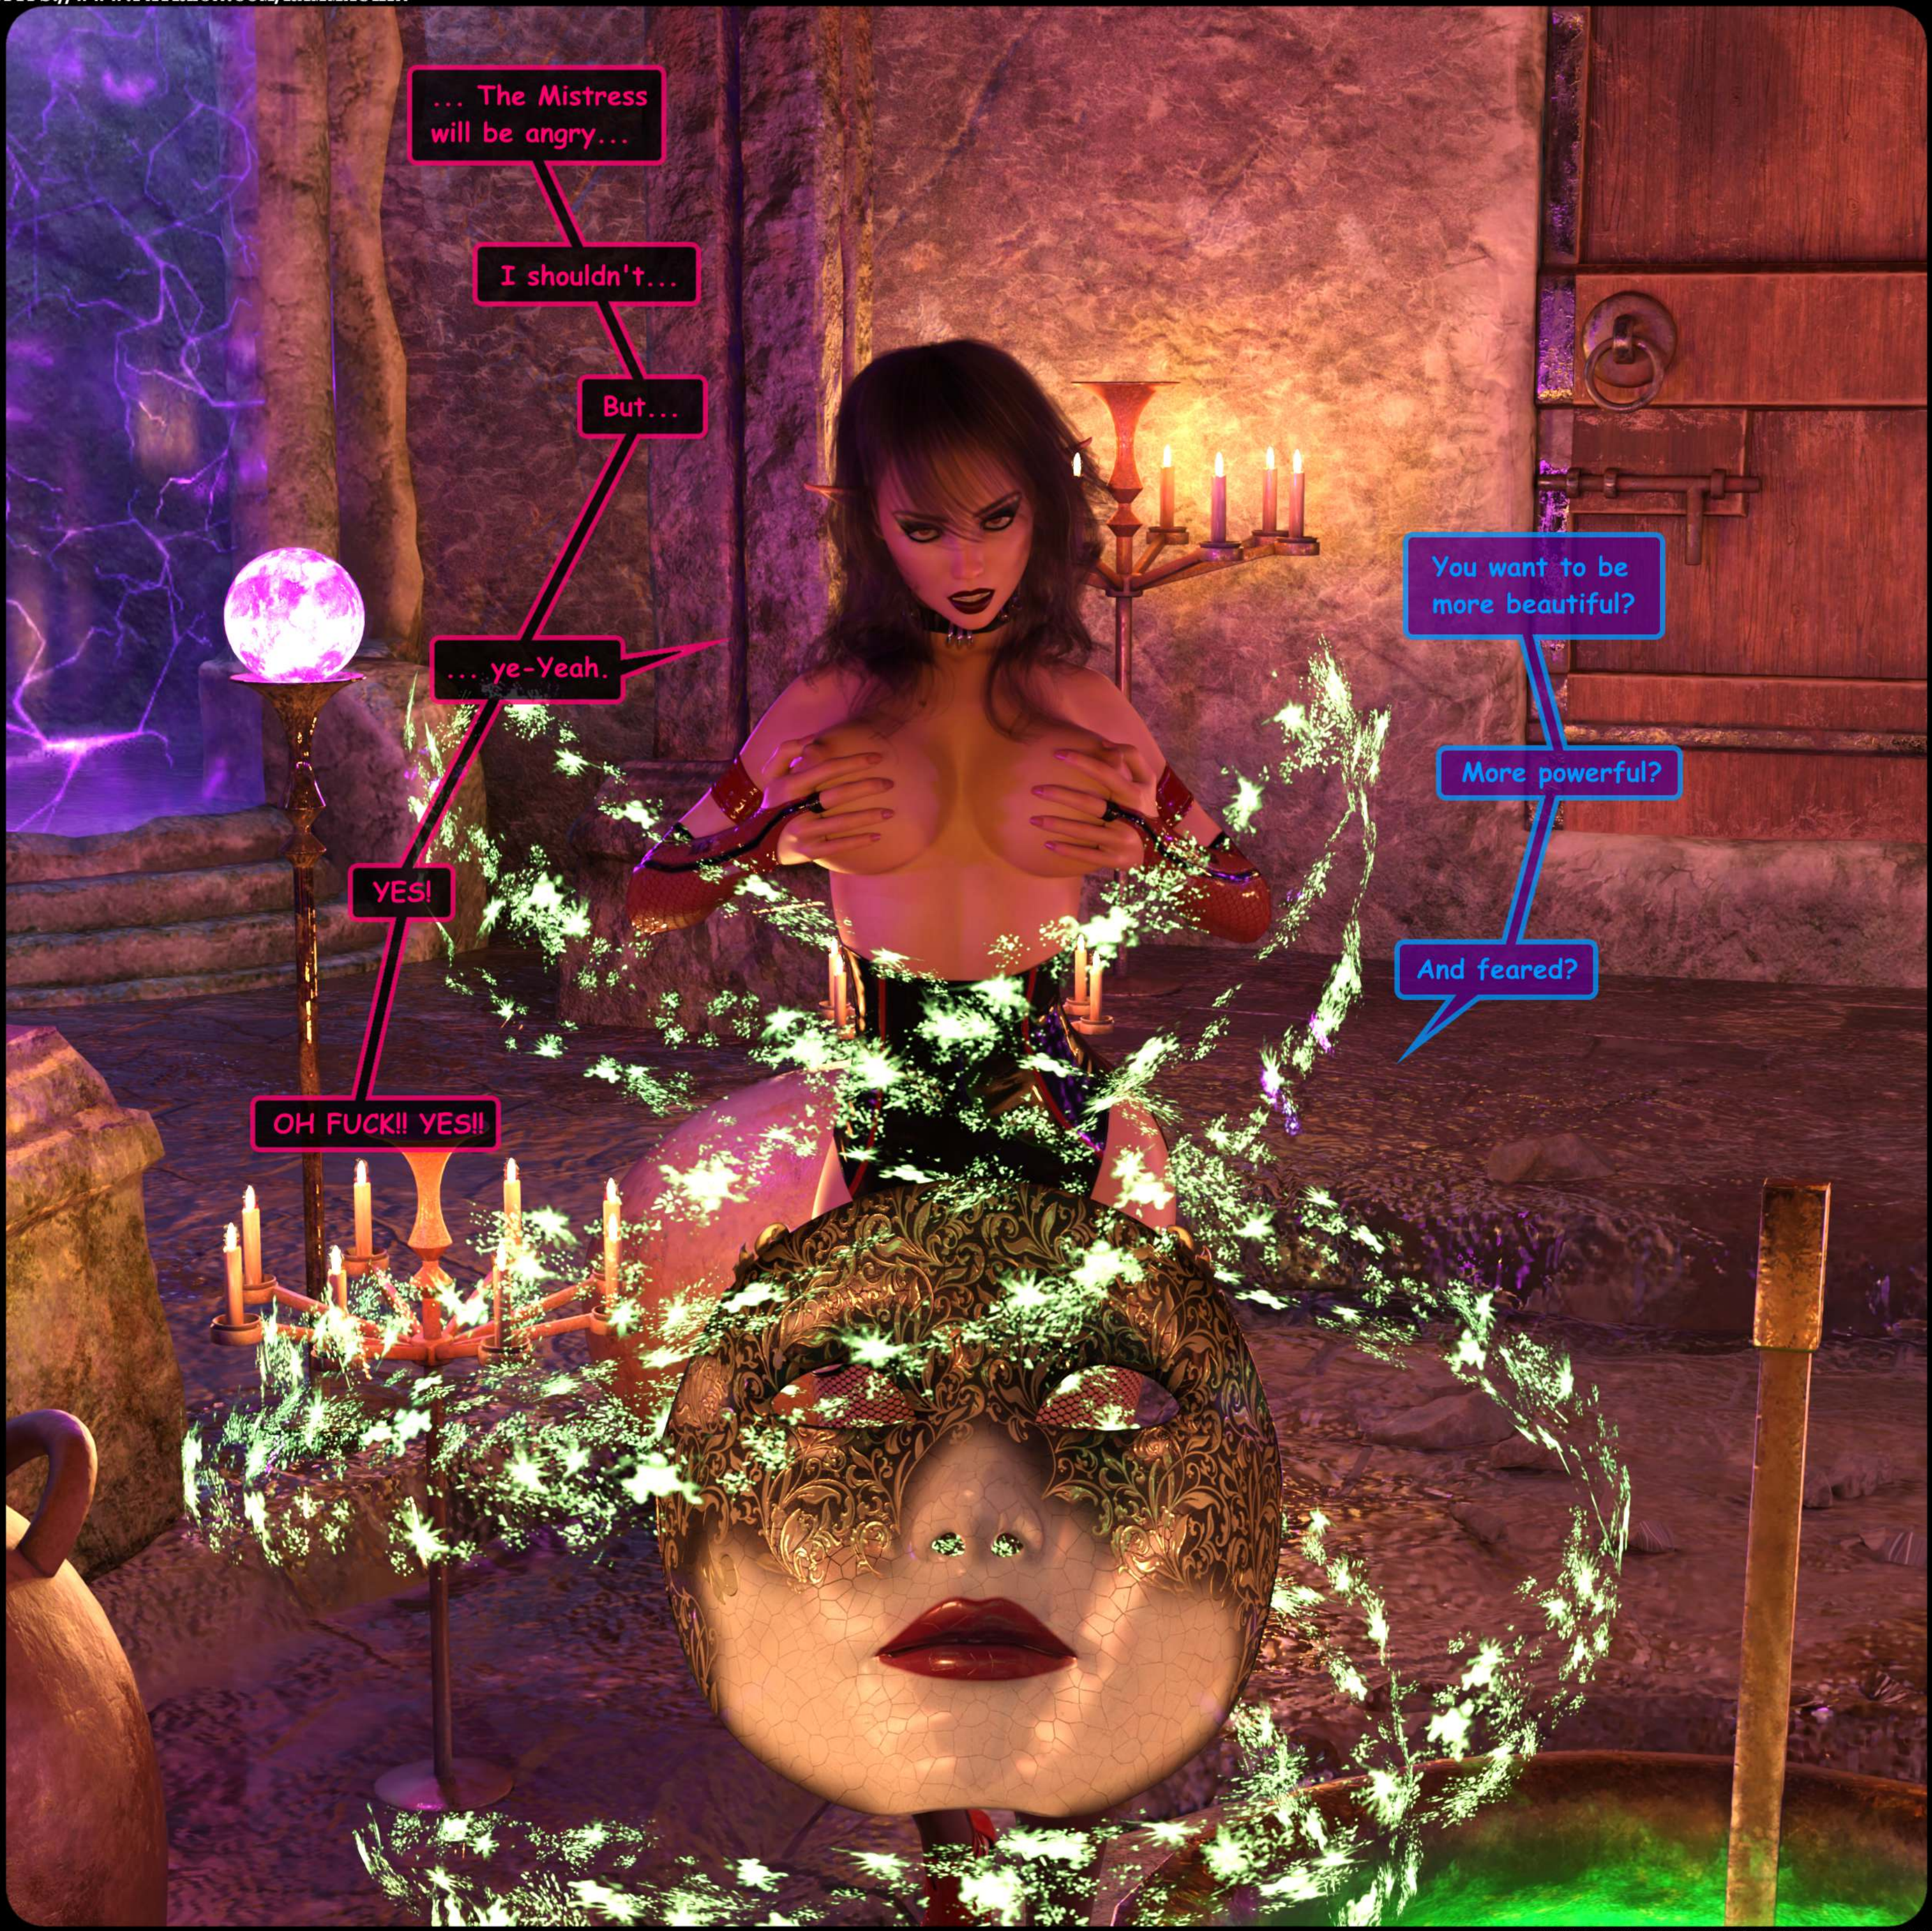

You'll be something that normally won't exist...

Come... don't be afraid...

Come... use us... cover your face with us...

Feel the power that Gods, Demons and Bersekers fear!

but...

... The Mistress will be angry...

I shouldn't...

But...

... ye-Yeah.

YES!

OH FUCK!! YES!!

You want to be more beautiful?

More powerful?

And feared?

Then give your body to us!

Let us guide you!

Put Us On!!

This surely is wrong...

But I want it...

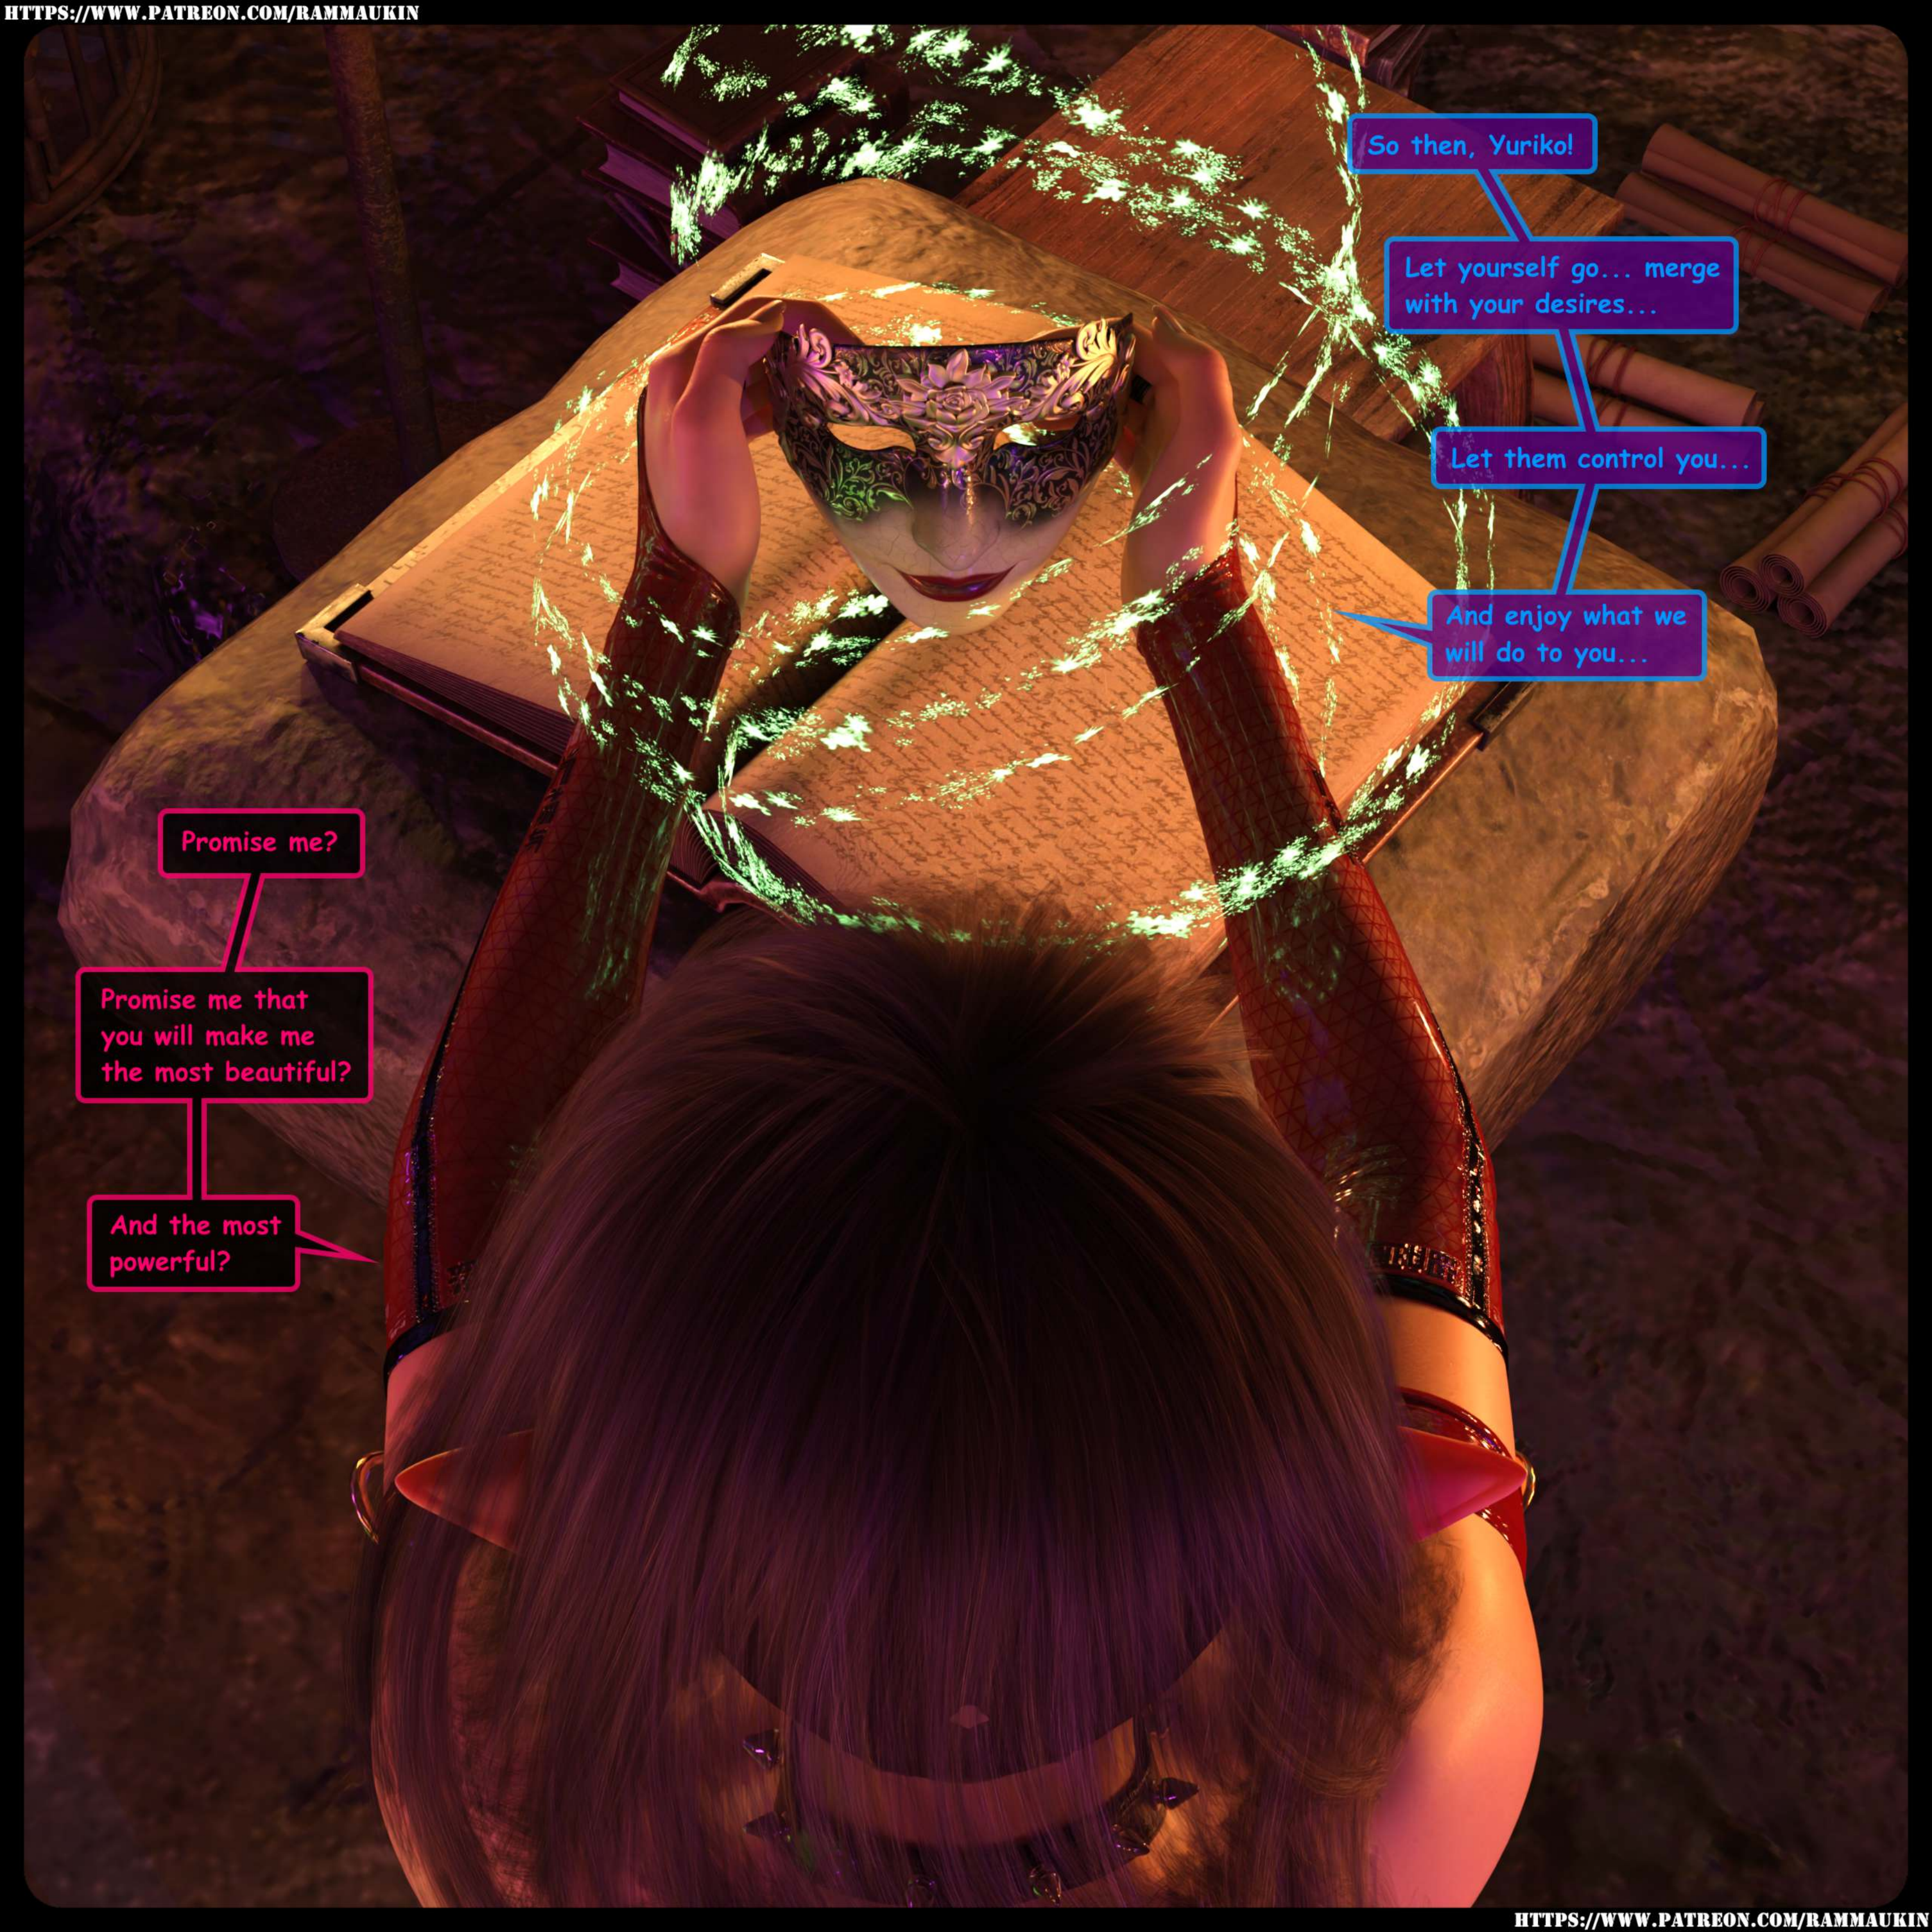

I want to be more Woman...

More beautiful and powerful!

I want to be like my Evil Mistress Hiroko!

Have my lovers at my heels...

Kissing my feet!

So then, Yuriko!

Let yourself go... merge with your desires...

Let them control you...

And enjoy what we will do to you...

Promise me?

Promise me that you will make me the most beautiful?

And the most powerful?

Yes... so much...

Power... beauty...
corruption...

Put us on
your face...

And you will feel the
power enter your flesh
through your skin...

Make me
beautiful...

Powerful...

Feared!

OH HELL!!

This body is even better than we expected!

It doesn't show any consumption from absorbing our power!!

...!

MMMMPPFFF

OH FUCK
YES!! YES!!

With this powerful rebirth!

I will be the most
feared and desired!!

BACK IN HELL, MEPHISTO'S KINGDOM

Oh fuck!

My face... my hair... my skin...

And these horns!

Just great! Damn it!

HOW COULD YOU...

OH YES!! Fuck me HARDER!

You swore you would love only me...

DON'T STOP!
GIVE ME MORE!

Don't lie, bitch, you told me I could have as many concubines as I wanted...

And you said you were going to be the sluttiest of Queens!

Haven't I always treated you well and granted you every whim?

Yes, I did...

Because what you wanted most in your perverted heart was to have a sister...

To play and compete with.

Fuck... YES!!

But...

You had... oh fuck...

Did you hear that, Hiroko?
Now we're both his whores!

Oh fuck! Fuck yes!!

Let's lick each
other's pussies...

Full of Mephisto's semen!!

His whores?

You aren't going
to turn me into...

A Demon?

What?!

Isn't becoming a Demon
Queen enough for you?!

What are you waiting for?

I'm about to finish with this bitch and I'm far from done...

Okay, whatever you want, whatever my Daddy orders me to do!

MOAN

You traitorous bitch...

YES!

I thought you were going to be my friend...

Sorry Lili, Daddy commands...

...

It's this feeling I have in my stomach...

I can't believe I'm doing this, and on top of that...

I feel...!

WHAT THE HELL!

Now I'm a demon, and not just any demon...

A real Demon Queen!

This was worth it.

Is this how my Daddy likes it?

Bitch! Traitor! Slut!

Don't stop!
DON'T STOP!!

AAAAHHH!

Hmmm

PLEASE MASTER!
KEEP GOING!!

FILL ME with
your CUM again...

In the end, Lili's
idea wasn't so bad.

Those twisted and
perverted ideas...

MMMMPFFF

We're merging!

I can feel how our feelings...

And our corrupt ideas and desires...

Make Us One!

IN AN UNDERGROUND RUIN OF
THE ANCIENT DARK ELVES...

AT LAST !!!

Thanks to Yuriko's soul I will
be able to reach my destiny...

Tremble hell!!

Today a new demon full of
evil and power will be born!!

This place gives off magic and radiates corrupted power...

According to the texts this is where the gods do not dare to enter...

Else they could be reborn as Servants of the Shadows.

Let's not waste any more time!

I have waited too long to delay my destiny for vain frivolities and ancient myths.

The Gem has awakened the magic that flows here!

OH!!!

I, Evil Queen Hiroko...¹

Former Warrior of the Lux and now
bearer of earthly evil power...²

Summon The One of the 9 Guardians
of the 9 Realms of the Underworld...³

To tear me from my
mortal self so that I
may be reborn as a DEMON!⁴

And as payment, I bring
a pure soul, torn from its
corrupt body...⁵

YEESSS!!

It's working!!!

I can feel the magic of this place, channeled into these stones, and flowing around me!

FINALLY!

NOW MY CORRUPTION WILL BE COMPLETE AND I WILL BE THE DEMON I USED TO BE!!!
