

TEQUILA

-PART.6-

*Disclaimer: This story is entirely fictional,

and all characters appearing in it are over eighteen years of age.

小林緑子
KOBAYASI

After being a woman for so long, think I've
become quite skilled at applying makeup...

Even for Yang Li's manly face, think I can transform it into a coquettish bitch look, deceive the whole world.

Then I can use this latex suit and these prosthetic breasts to modify the figure, turning this manly body into a shemale slut. Not even his wife can recognize me, Haha.

Yang Li...Yang Li, speaking of your face, you are actually quite a handsome. No wonder the women you have entanglements with are all beauties.

And you have this figure, damn, I haven't been a man for too long, I really feel the strength that I haven't felt in a long time. I'll take over form here then.

Yet, I see the dosage of that body-swapping
potion is really difficult to control. Even after
the swapping, the cock is still this hard.

Ah, it sounds like that little slut has woken up.

AHHHHH!

A woman with short brown hair and bangs is lying on her back on a white surface. She is wearing a black, shiny latex outfit consisting of a top and a skirt. She is looking up and to the right with a slightly concerned expression. A speech bubble is above her head. The background shows a wooden floor and a window with a wooden frame.

I'm...still alive...

Yang Li woke up and found that he was back in the previous room and could feel the body again. He was glad that what Chen Linfeng gave him to drink was not poison. He felt that it was good to be alive. But he felt that his vision was strange, and his lower body still felt swollen, but he could not feel his penis

A woman with short dark hair and bangs is sitting on a white surface in a modern, dimly lit living room. She is wearing a black latex outfit consisting of a choker, a halter-style top with a corset-like bodice, arm cuffs, and fishnet stockings. She has a concerned expression on her face. In the background, there is a white sofa, a wooden coffee table with candles, and a large mirror reflecting a bedroom.

What what that is this..?

Looking at the tender skin, slender figure, and a pair of tall and erect breasts, a strong uneasiness immediately surged into his heart. When Siqi was here, he was drunk and had sex with Siqi before, and his organs, body was exchanged somehow. What had happen this time? He just don't dare to think about it.

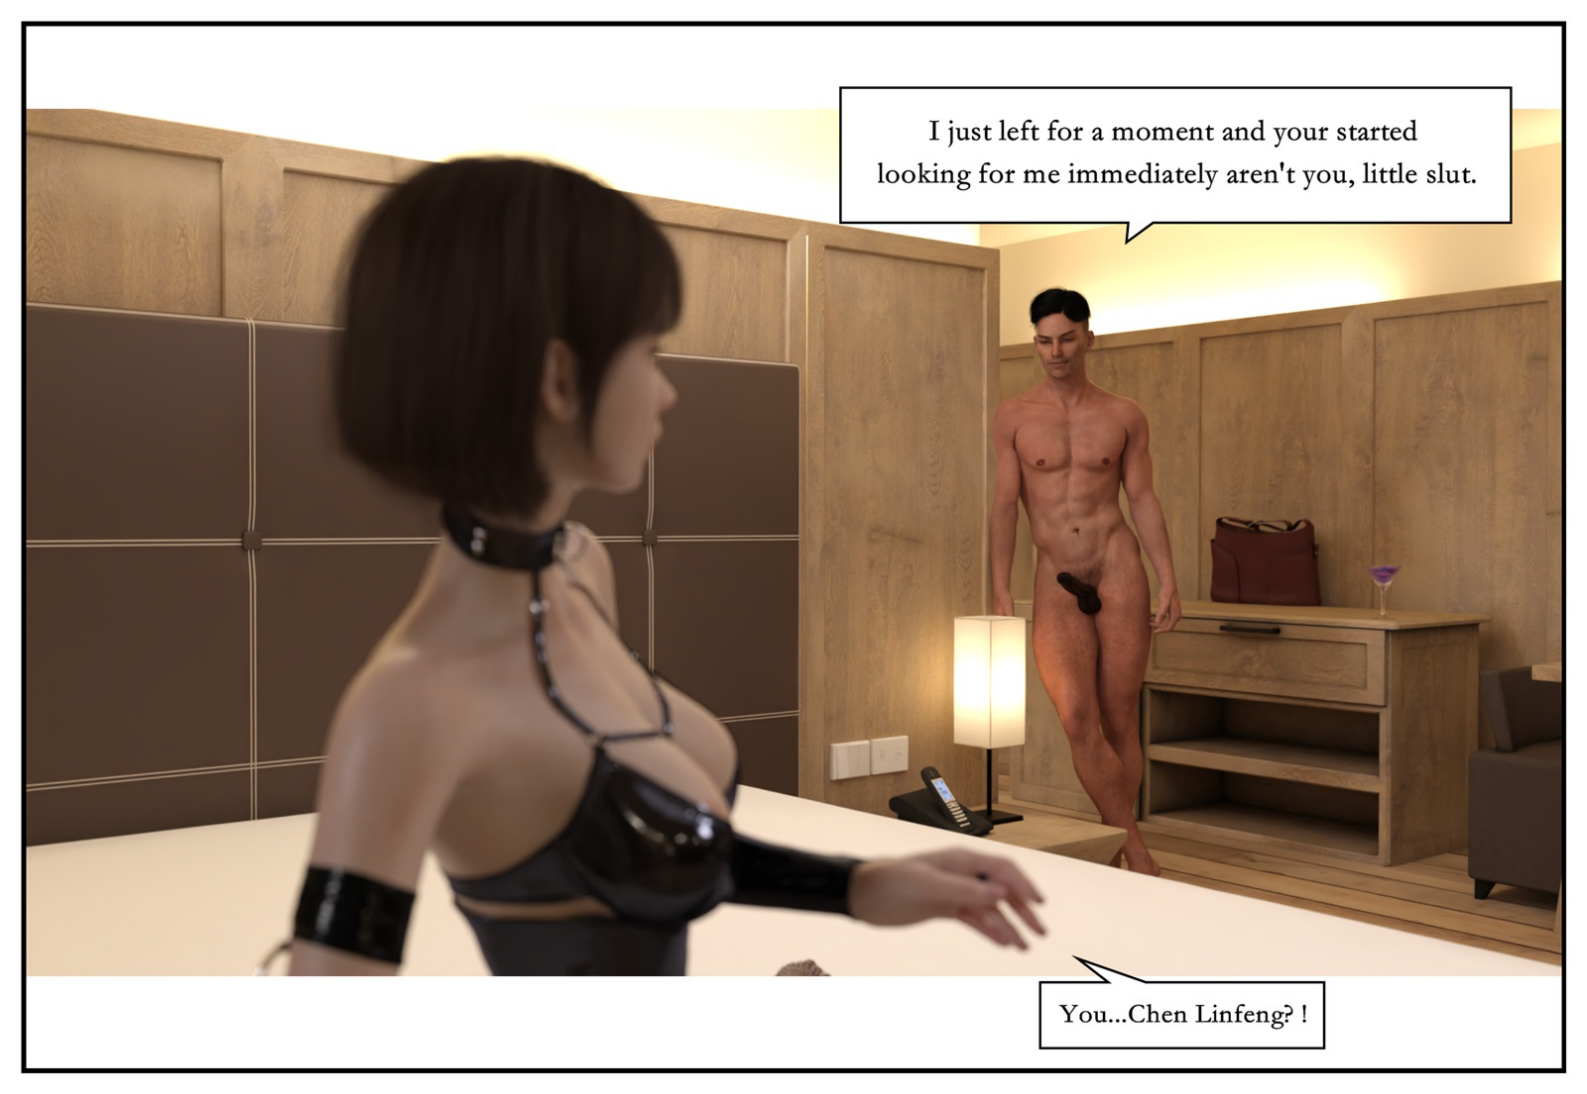

He looked at the mirror, and what was reflected
from the mirror was a panicked beauty with short hair.

How can it be! I have become Chen Linfeng? !
What about Chen Linfeng? !

Yang Li couldn't believe his eyes. He turned into another person, his enemy. In this scientific age, how could such a ridiculous thing happen to him. How should he use this body to face Siqi and Ruike, as well as my family and friends in the future? Many questions and problems surrounded Yang Li's mind.

A woman with short dark hair, wearing a black latex choker, a black latex arm cuff, and a black latex halter top, is seen from the side in the foreground. She is looking towards a man in the background. The man is standing in a hotel room, looking at the woman. He is wearing a black condom. The room has wood-paneled walls and a bed with a white sheet. A nightstand with a lamp and a bag is visible in the background.

I just left for a moment and your started
looking for me immediately aren't you, little slut.

You...Chen Linfeng? !

Or should I call you Miss Chen Linfeng?

A woman with short brown hair is lying on her stomach on a white bed. She is wearing a black latex bodysuit with cutouts, black gloves, and fishnet stockings. She is looking towards a man whose back is to the camera. The man is shirtless and has short dark hair. They are in a room with wooden floors and walls, and a large window with a wooden railing is in the background. A lamp is visible on a bedside table to the right.

Give me my body back, you pervert!

Change it back? Yang Li, I think you did not listen carefully to what I said before.

I said that I want you to experience a life of being played, abandoned, hunted, and humiliated. Now you know what I mean. From today on, you are Chen Linfeng, Haha.

A perverted slut Chen Linfeng who likes to be creampie'd! As for what I will do next...

While Chen Linfeng was immersed in his speech, Yang Li found an opportunity that might allow him to take Chen Linfeng down.

The next moment, Yang Li relied on his body's dexterity to pounce on the pistol in front of him with lightning speed.

I see detective Yang is different, having such a moral character and still doesn't forget your professional ethics, hahaha. Maybe if you can use this body to investigate crimes in the future, might even boost your success rate!

Although Chen Linfeng has Yang Li's body that has gone through police academy and actual combat training, he obviously did not expect Yang Li to be so tenacious, and he still wanted to take back the initiative in the situation at this point. But the look of surprise only flashed across his face for a second.

Chen Linfeng, please stay there and don't move! If you damn dare to move, I will kill you!

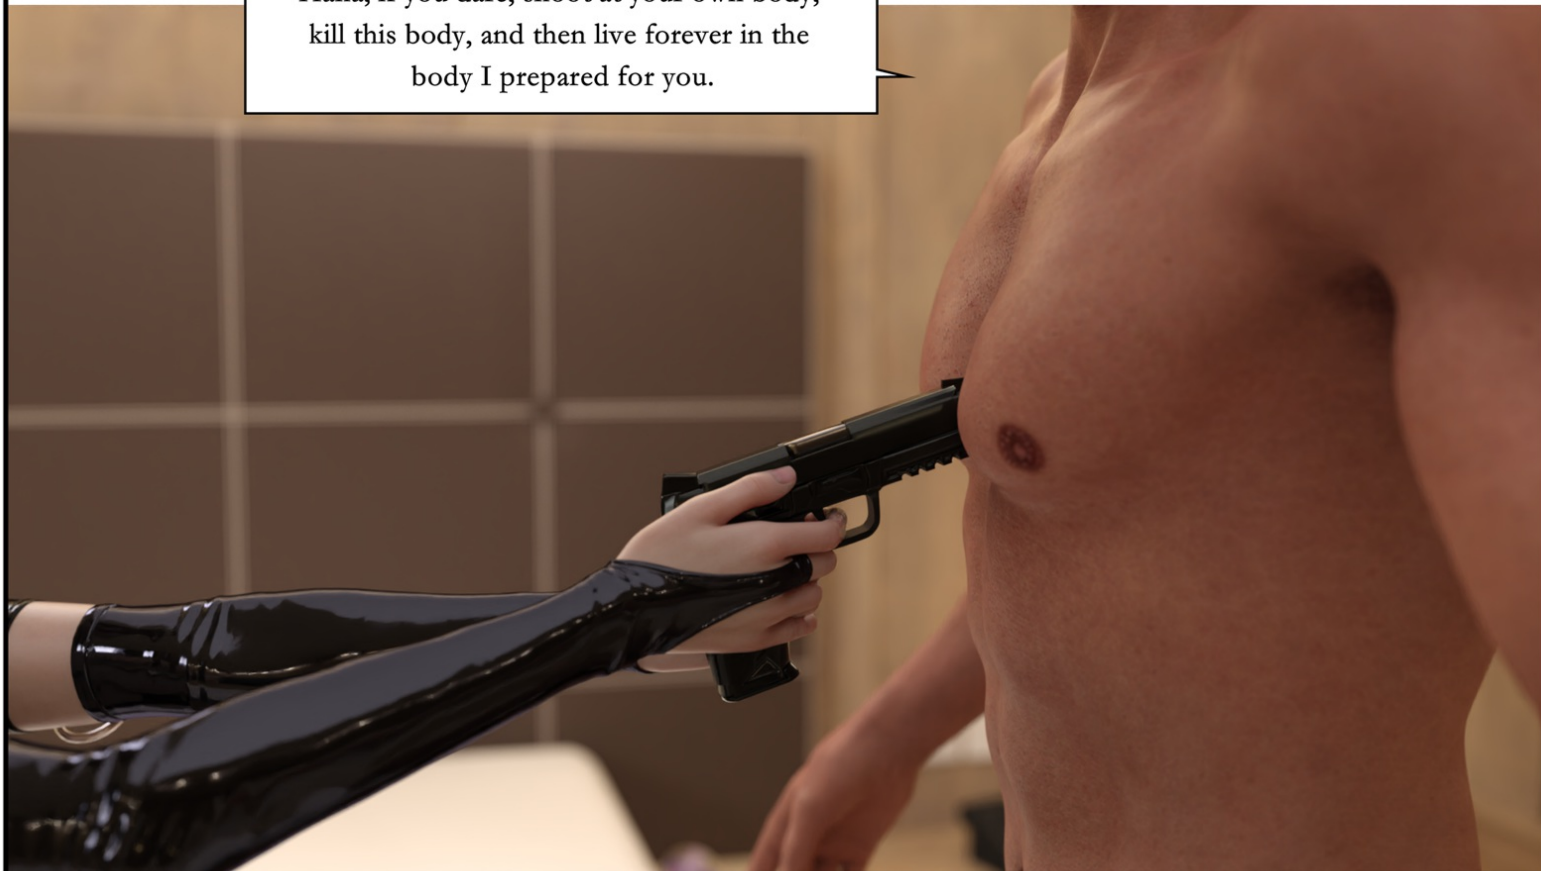

Yang Li never dreamed that one day he would point a gun at "his" body. An hour ago, the same scene was played out in this room, but now after the identities were reversed, he became the one holding the gun, yet as a woman.

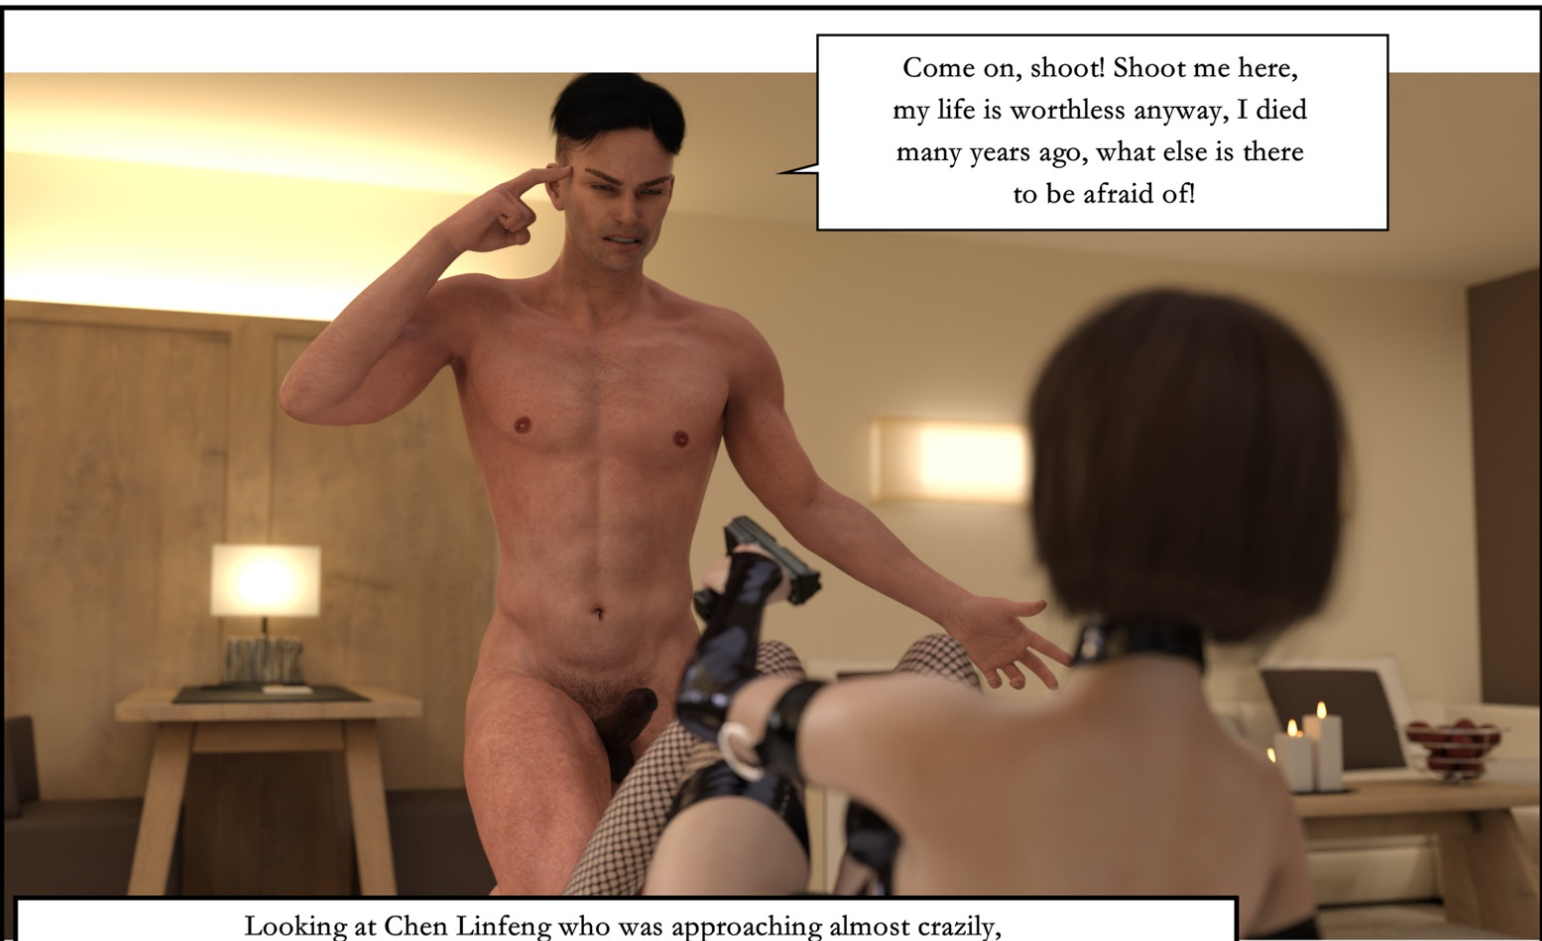

Then you go ahead and shoot, shoot this Yang Li. Anyway, I remember that Chen Linfeng still has a few cases on his body. One more murder charge doesn't matter much.

Chen Linfeng slowly approached with an indifferent expression. Yang Li also gradually discovered that this female body was completely different from his previous body. Not only did the hand holding the gun tremble, but he could not even perform tactical movements for long. At this time, he had to change from half-squatting to sitting.

Haha, if you dare, shoot at your own body,
kill this body, and then live forever in the
body I prepared for you.

A man with dark hair, shirtless and muscular, stands in a modern interior. He has a pained or desperate expression and is pointing his right index finger to his temple. In the foreground, the back of a woman's head and shoulders are visible; she is holding a handgun pointed towards the man. The room is dimly lit with warm light from a lamp on the left and a wall sconce in the background. A desk with a laptop and candles is visible on the right.

Come on, shoot! Shoot me here,
my life is worthless anyway, I died
many years ago, what else is there
to be afraid of!

Looking at Chen Linfeng who was approaching almost crazily,
Yang Li gradually retreated as if out of a threatened female instinct.
Chen Linfeng was right. If Yang Li shot, he might be trapped in this woman's body forever

Stay away from me you crazy ass.

Hum.

You underestimate my current body too much, right? Yang Li, this body was trained by the police academy.

It is impossible for you to stand a chance of winning with your current delicate female body.

I never thought it would be so interesting to see my body from this angle.

These legs are the legs of a young model. Everything on now you is carefully prepared by me, how about it? Like it?

It's not over yet, let me show you
the magic of my body.

Ah!

After saying that, Chen Linfeng grabbed
Yang Li's wrist and pulled him up. Only then
did Yang Li understand the huge gap in
physical strength between the two.

With just a little effort, Chen Linfeng pulled Yang Li into his arms and kissed him. No matter how hard he struggled, it was to no avail.

Maybe it was the effect of the residual alcohol, or maybe Chen Linfeng's kissing skills were too good. Yang Li felt that his whole body was soft, and his brain went blank due to the stimulation of the kiss. It was like a boy who couldn't think when ejaculating, and he couldn't help but moan in his mouth while responding Chen Linfeng.

In this unconscious state, his left hand instinctively grasped the cock in front of him.

Oh, you get used to it quickly, very good,
remember that from now on the gun you
want to hold is the one down there.

Over the years, do you know how many men I have to appease just to survive? Under the humiliation day after day, I have lost my bottom line and turned into a slut who likes to be anal fucked, just a sex toy for men with special fetishes.

It's funny that when I first got the recipe for this wine from a customer, all I wanted was to get more beautiful women's body so I could have more customers.

After experiencing the pleasure of a woman, I was really addicted. During that time, I had sex with people every day, and even reached the point of sex addiction. Until one day, after I was climaxed, I suddenly thought that since I have this ability, maybe I should let my enemy you also experience this kind of promiscuous and despicable life.

Do you know how much effort I have put into getting to know all kinds of beauties with different erogenous zones in the past few months in order to create this perfect female body for you, collecting their parts to create thins one.

Isn't that amazing, my whole body is so sensitive, coupled with my dopamine-addicted brain, can you hear what I'm saying now?

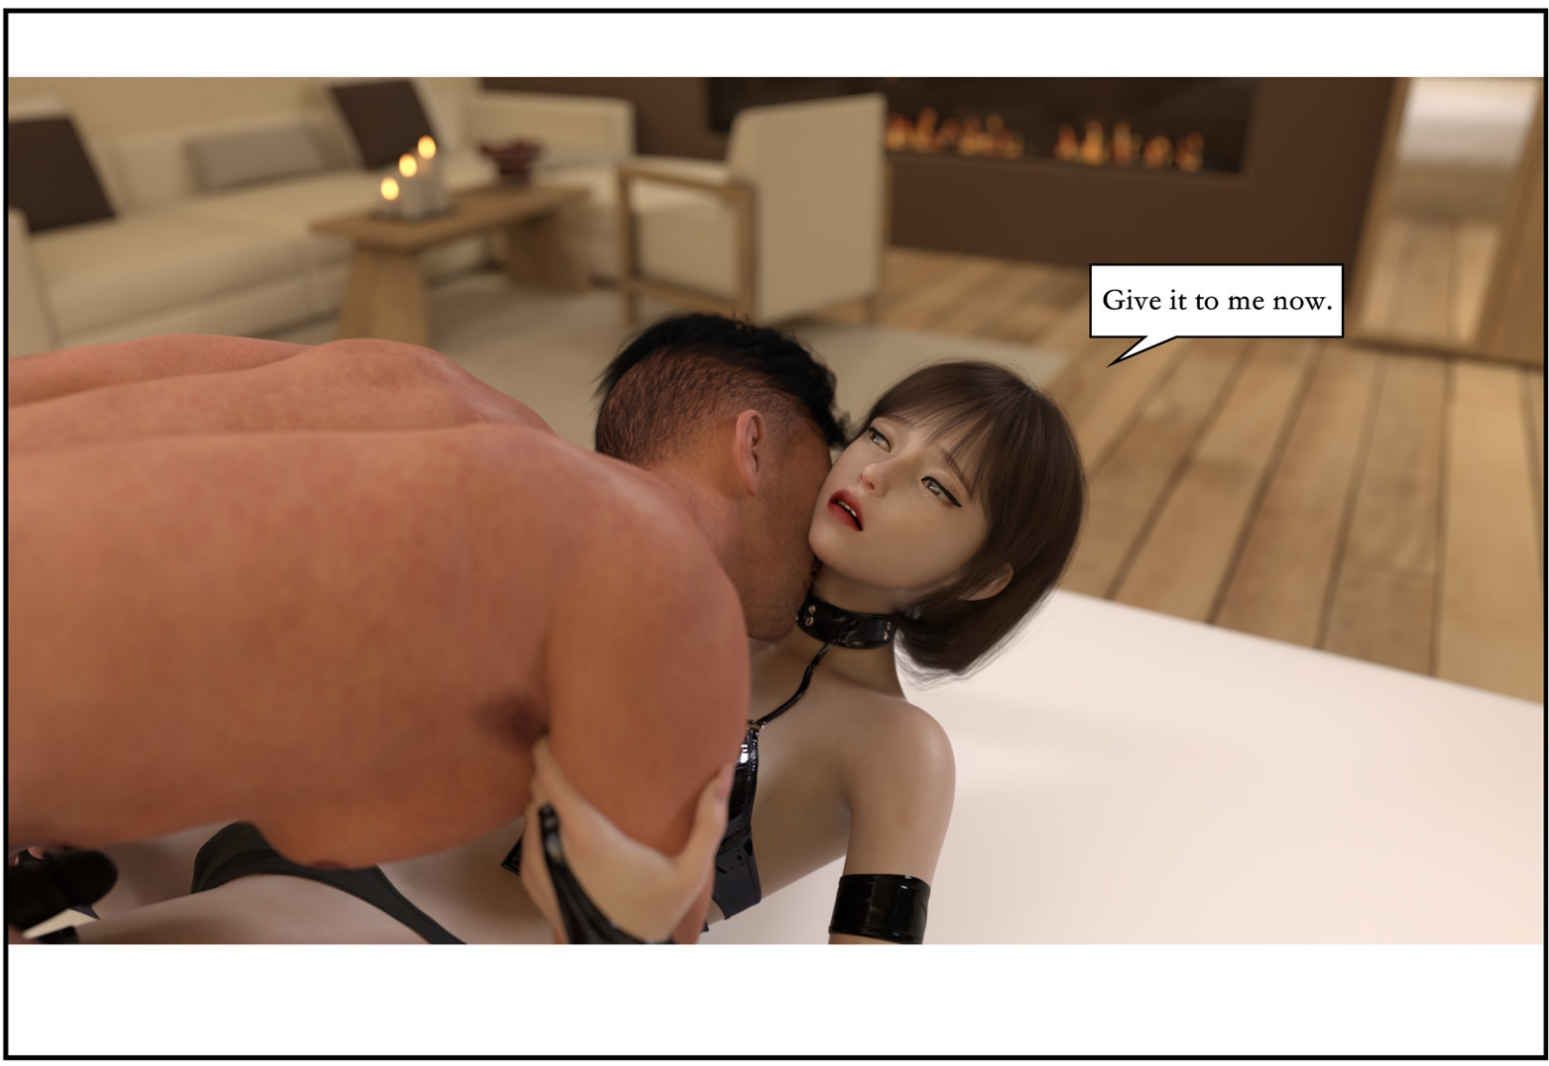

As Chen Linfeng said, Yang Li felt that every part of his body seemed to be a sensitive area. No matter where he was touched, it would be amplified into sexual desire and stimulate his brain. As a result, he now has no ability to think at all thoughts are completely swallowed up by the emptiness in his lower body.

Hum, it's already so wet

Facing further provocation, his last mental defense line was on the verge of collapse. At this moment, he just wanted "Yang Li" to insert his cock into his wet pussy.

As the cock slowly inserted into the hole, the scratching emptiness in the lower body was finally relieved, but what followed was that with each thrust, it violently stimulated the maddening pleasure in his brain.

How about it? The gift I prepared for you is pretty good right? It seems you like it too.

Yang Li twisted his thin waist vigorously and answered without any concealment. Although when he exchanged body with Siqi before, he also got fucked once. But compared to just now, not only was the pleasure in his lower body more intense now, but the sensitivity in his whole body was amplified. The pleasure seemed to come from all directions and finally hit his brain, making him only act according to his body's instinct.

Ah, ye...yeah...I like..

Just as Yang Li was indulging in the pleasure of the female body, there was movement from the closet.

Ruiké? ...

Uh-huh!

Seeing the sudden appearance of Ruike, Yang Li regained his sense a little. Thinking of his embarrassing state just now, he suddenly felt ashamed and embarrassed. He struggled and just wanted to end the scene in front of him quickly.

However, Chen Linfeng didn't give him this chance. He stood up and pinned Yang Li under him again.

Don't go, beauty, we're not over yet.
Why, are you embarrassed to see
your old lover?

let me go!

Don't be shy, come and accept your new identity, and let 'my' first love see what kind of slut you are.

As Chen Linfeng's cock slid in again, intense pleasure surged into Yang Li's brain again.

Ruike, don't... don't look... turn around.

Yang Li used the last of his wits to say this to Ruike.

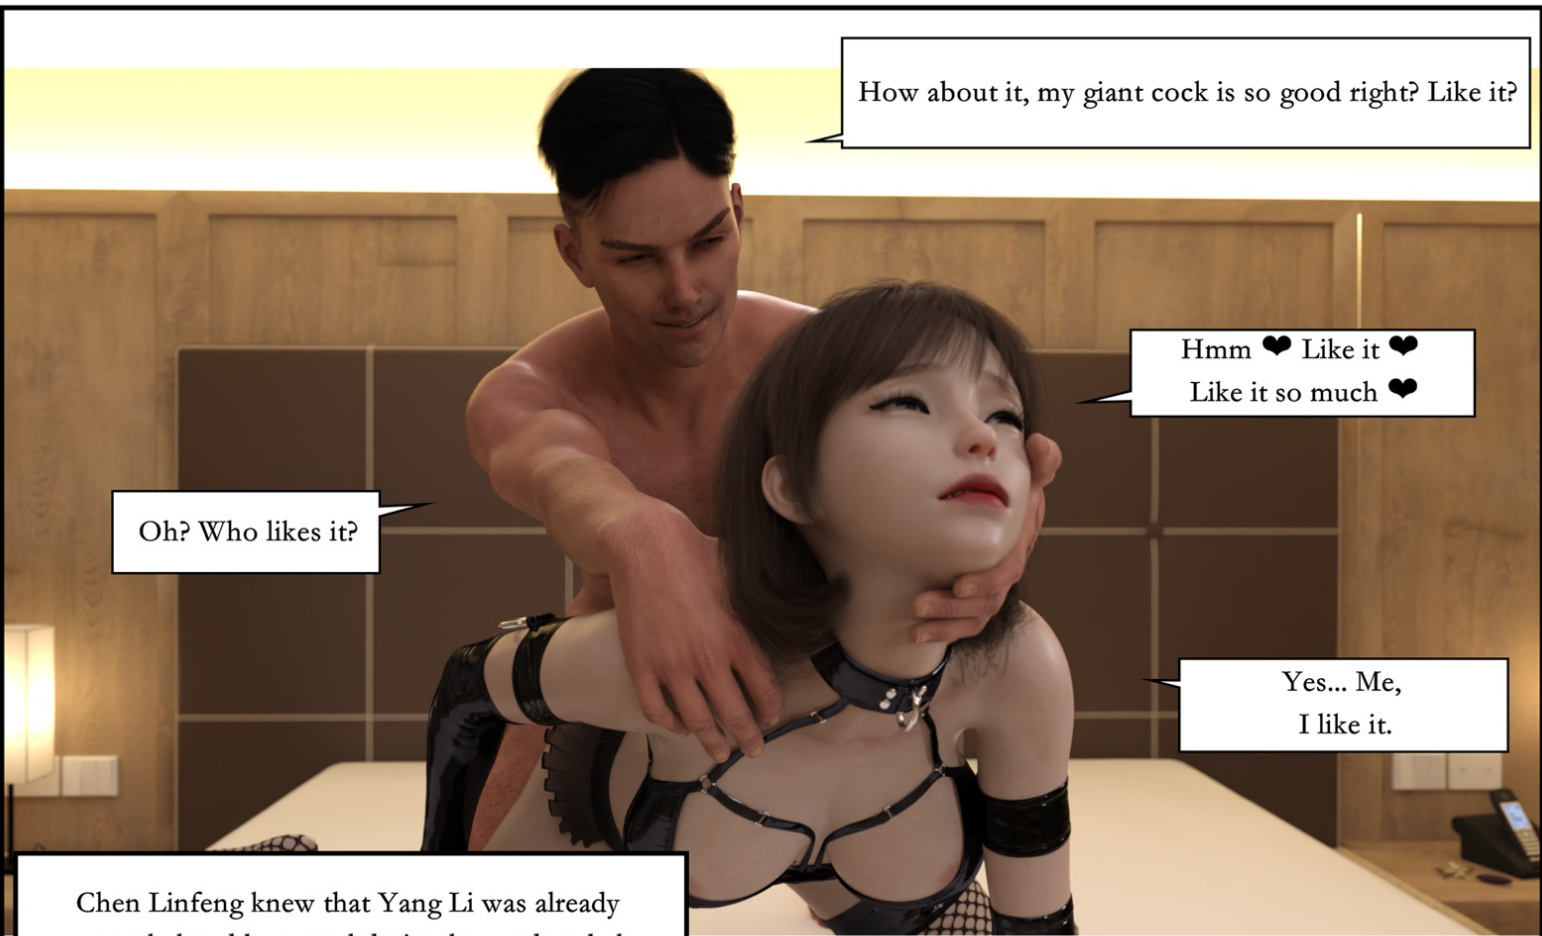

Ah...so comfortable...

Seeing Yang Li being like this because of her, Ruike fell into deep self-blame. She didn't expect Chen Linfeng to reach this point.

Chen Linfeng possessing Yang Li's body, thrust at an extremely fast speed, and combined with the cock that was as hard as an iron rod under the influence of residual alcohol, he violently vented the male pleasure that had been suppressed for so many years. On the other hand, Yang Li experienced the pleasure of a female body for the first time, he had already gone blank at this moment.

How about it, my giant cock is so good right? Like it?

Hmm ♡ Like it ♡
Like it so much ♡

Oh? Who likes it?

Yes... Me,
I like it.

Chen Linfeng knew that Yang Li was already overwhelmed by sexual desire, he used verbal humiliation to give him another psychological blow.

Say that louder!

Seeing that Yang Li was still muttering and refusing to say anything, Chen Linfeng simply changed his position and inserted the entire cock into his pussy.

♥Ah♥ I, Chen Linfeng, like your big cock the most♥

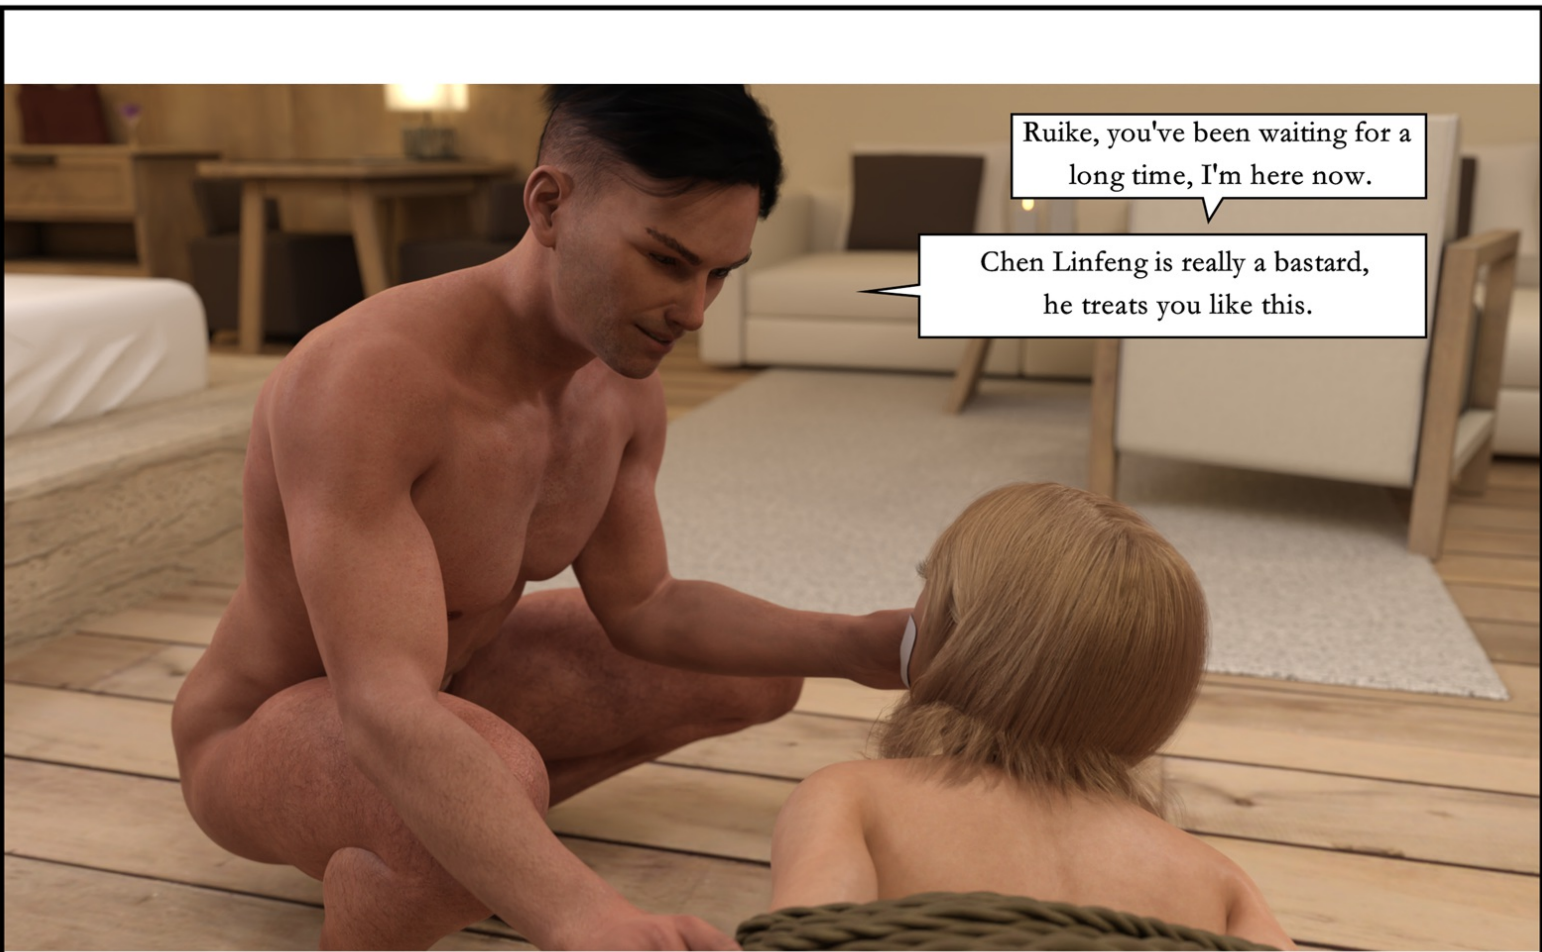

Hm. I'm about to cum, are you ready?

Yeah♥Linfeng likes to be creampie'd the most♥

At the moment of climax, Yang Li no longer cared that Ruike was still beside him, and let his body speak out the lewd lines as if it was a habit.

After the climax, Yang Li was in a state of paralysis and collapse. Chen Linfeng also turned his attention to Ruike beside him.

A man with dark hair and a muscular build is crouching on a light-colored wooden floor. He is looking down at a woman who is lying on her back, facing away from the camera. The woman has long, light brown hair and is wearing a dark green, textured strapless top. The background shows a modern living room with a white sofa, a wooden dining table, and a lamp. The scene is lit with warm, indoor lighting.

Ruike, you've been waiting for a long time, I'm here now.

Chen Linfeng is really a bastard, he treats you like this.

Chen Linfeng, don't you imitate Yang Li.

You pervert, what do you want,
this is different from what you
promised me!

Now change me back!

I'm pervert? You just watched me fuck your ex-boyfriend a freaking ass shemale. How dare you call me a pervert?

I only agreed that you and Yang Li would be together, but I didn't promise how you two would be together. Besides, if you don't keep your dick, there's no way you can comfort your sex addicted lover.

You! Are you kidding me? !

Ruike, why do you do this?

Yang Li heard the conversation between the two in a daze, he was hit again. He didn't understand why Ruike got together with Chen Linfeng.

A scene set in a modern, wood-paneled room. A muscular man stands on the left, holding a green towel. A woman with blonde hair is kneeling on the wooden floor, looking up at him. In the background, a person is lying face down on a white bed. A large window with white curtains looks out onto a balcony and greenery. A bedside table with a lamp is visible near the bed.

Oops, it looks like your secret
has been discovered.

No, Yang Li! Listen to my,
I'll explain everything.

What...What are you doing

Since you have heard it all,
then Yang Li, let me just tell you something.

Chen Linfeng, please...let her go, please.

Without your first love, my plan would not have succeeded so smoothly, and the first time I fully experienced the feeling of a woman was with Ruike.

As for our Ms. Wang Ruike, she also seems to like my sexual organs and has been using my body for a while.

In fact, you really enjoy it, you enjoy the guilty pleasure of watching your body change into a body-selling shemale.

No, Yang Li, don't listen to his nonsense.

Yes, I didn't make it clear. Not only the cock,
you also like the feeling of my anus. After all,
my body's prostate orgasm is so strong.

Ah~

Your anus is itchy again. Come on,
masturbate like you usually do. After
you cum, I will leave and let you two go.
How about it?

Really?

Really, but you must cum on his face.

Reluctantly, Ruike took hold of
her cock and started to stroke it.

Maybe it was to make Chen Linfeng leave quickly, but in less than a minute, Ruike ejaculated almost instantly.

Ahhhhh~

Chen Linfeng, you win, stop torturing
me, tell me what you want.

Yang Li with his face in a mess, finally collapsed.
Tears mixed with semen dripped down from his face.

Now that you know I won, stop calling me Chen Linfeng! I said before, it is easy to kill you, but all I want is you feeling the pain I have suffered! Now I am Yang Li, and you two, one is the prostitute Chen Linfeng, and the other is the shemale Wang Ruike, a very good combination for scums.

In addition, Chen Linfeng, I warn you, don't come in the way of 'my life'. Just be a good bitch and I will not expose you. If you dare to step into my life circle again and contact anyone in any form, I will report your kidnapping case to my fellow police officers, I will let them arrest you. Do you hear this clearly?

Got it... got it...

Um? !

Got it, Detective Yang Dazheng.
Chen Linfeng will not harass you again.

Hahaha, it feels so great to be able to control other people's destiny.

Victorious Chen Linfeng laughed and left the room.

Li, I'm sorry, I didn't mean it just now.

Ruike...why did you help him?

A woman with blonde hair, wearing a green tank top, is sitting on a white mattress on a wooden bed frame. She is leaning over a man who is lying on his back, wearing a black tank top. The man appears to be unconscious or resting. The room has light-colored wooden walls and floors. A large window with white curtains is on the left, showing a view of a balcony and greenery outside. A small bedside table with a lamp is visible behind the bed.

It's not what you think, I...I was
deceived by him too!

Li, are you okay?

To Be Continued

Yang Li now has too many doubts in his mind,
but after being tormented with various drugs
all night long, he can finally close his eyes and
rest for a while.
