

# TEQUILA

-PART.7-

Yang Li didn't know how long he had been unconscious, but he felt like he had never been this exhausted in his life. The events of the past 24 hours had not only drained him physically but also left his spirit in tatters. If he could, he would have stayed asleep forever, avoiding the absurd reality that felt even more surreal than a dream.

However, life had other plans. The sound of a woman sobbing brought his consciousness back.

*\*Sob...*

Stop crying, Ruike... I' m still alive.

Cut it out, joking at a time like this.

But I've always been this optimistic, haven't I?

Seeing Ruike still by his side gave Yang Li a sense of security. Although he still didn't fully understand why Ruike was helping Chen Linfeng, the fact that he could sleep peacefully now proved that Ruike was also being forced into this.

Li, let me explain, I never thought things would turn out like this...

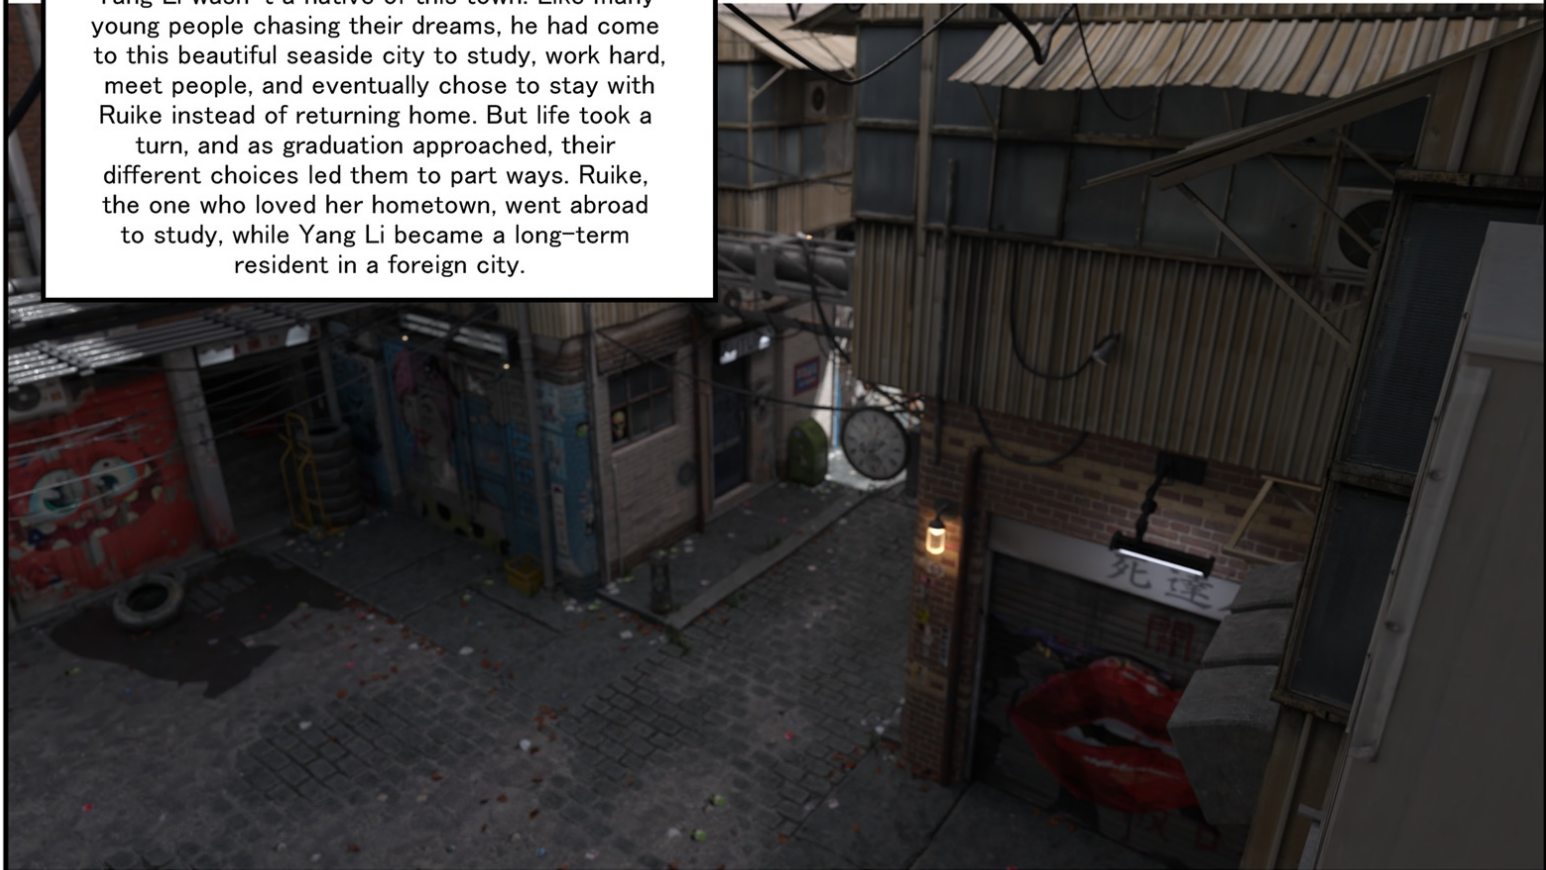

It's okay, Ruike, I believe you. But this isn't the place to talk. Let's go to the safe house I know.

A woman with blonde hair, wearing a light-colored, form-fitting bodysuit and high heels, is kneeling on a large, low-profile wooden bed. She is looking down at another woman who is lying on her back on the bed. The woman lying down is wearing a dark-colored bodysuit and high heels. The room has a warm, wooden aesthetic with a large window on the left showing a balcony and greenery outside. There are bedside tables with lamps on either side of the bed.

Your safe house?

Yeah, I used to live there. Nobody knows about that place except me.

Yang Li wasn't a native of this town. Like many young people chasing their dreams, he had come to this beautiful seaside city to study, work hard, meet people, and eventually chose to stay with Ruike instead of returning home. But life took a turn, and as graduation approached, their different choices led them to part ways. Ruike, the one who loved her hometown, went abroad to study, while Yang Li became a long-term resident in a foreign city.

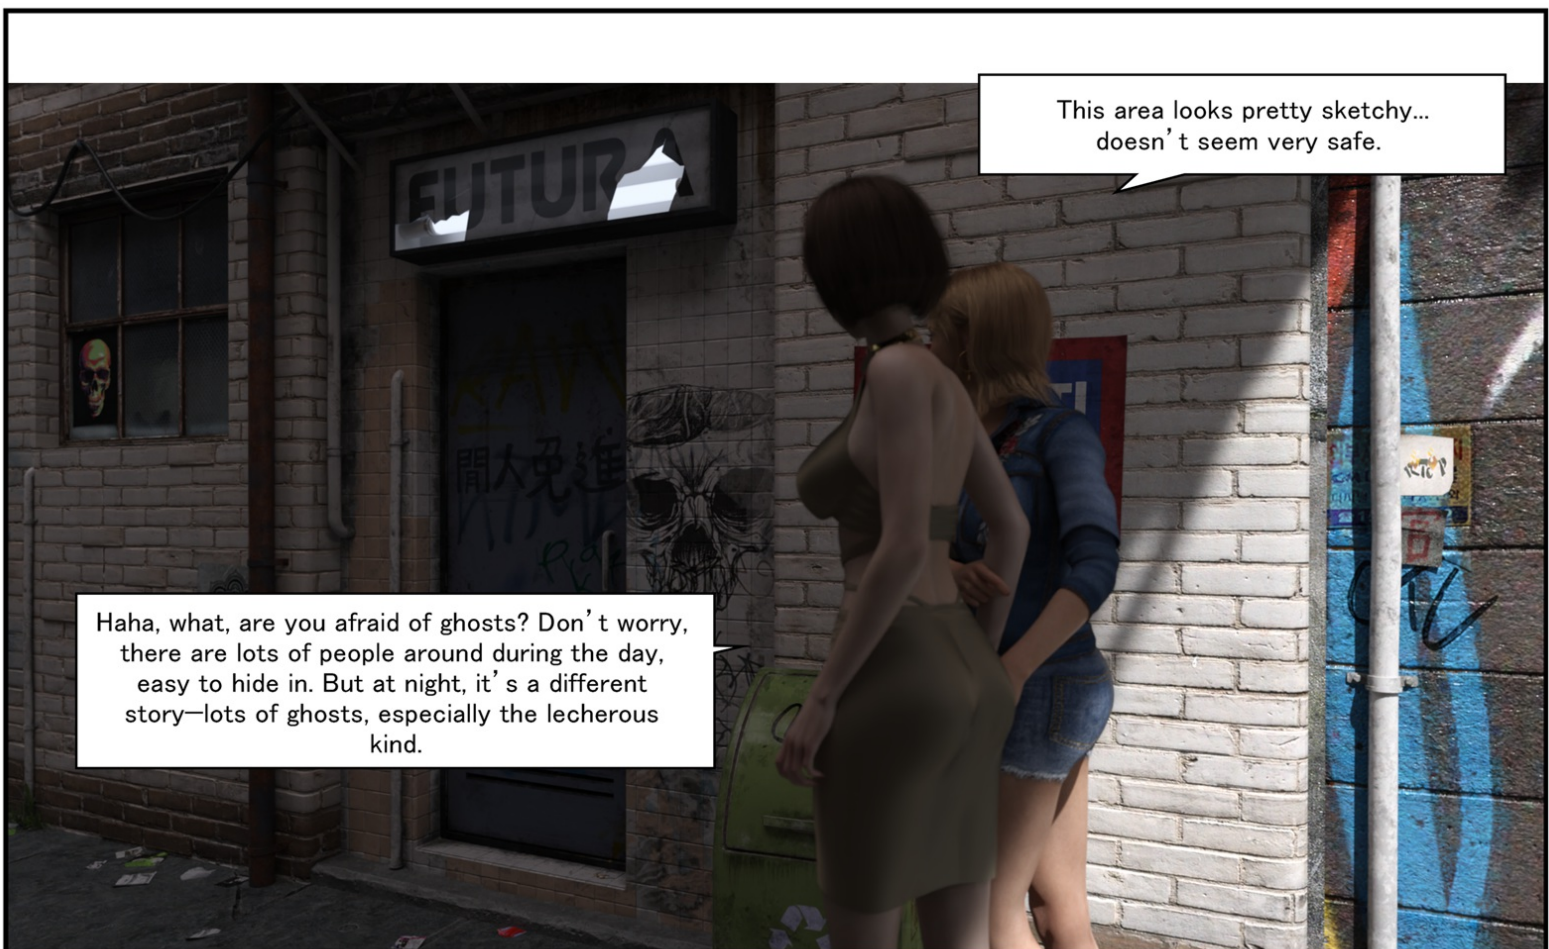

Looking back at those days, and then at the current situation where both he and Ruike were caught between genders, Yang Li couldn't help but feel that life was full of cruel realities and the mockery of fate.

Yang Li... where exactly is this safe house of yours...

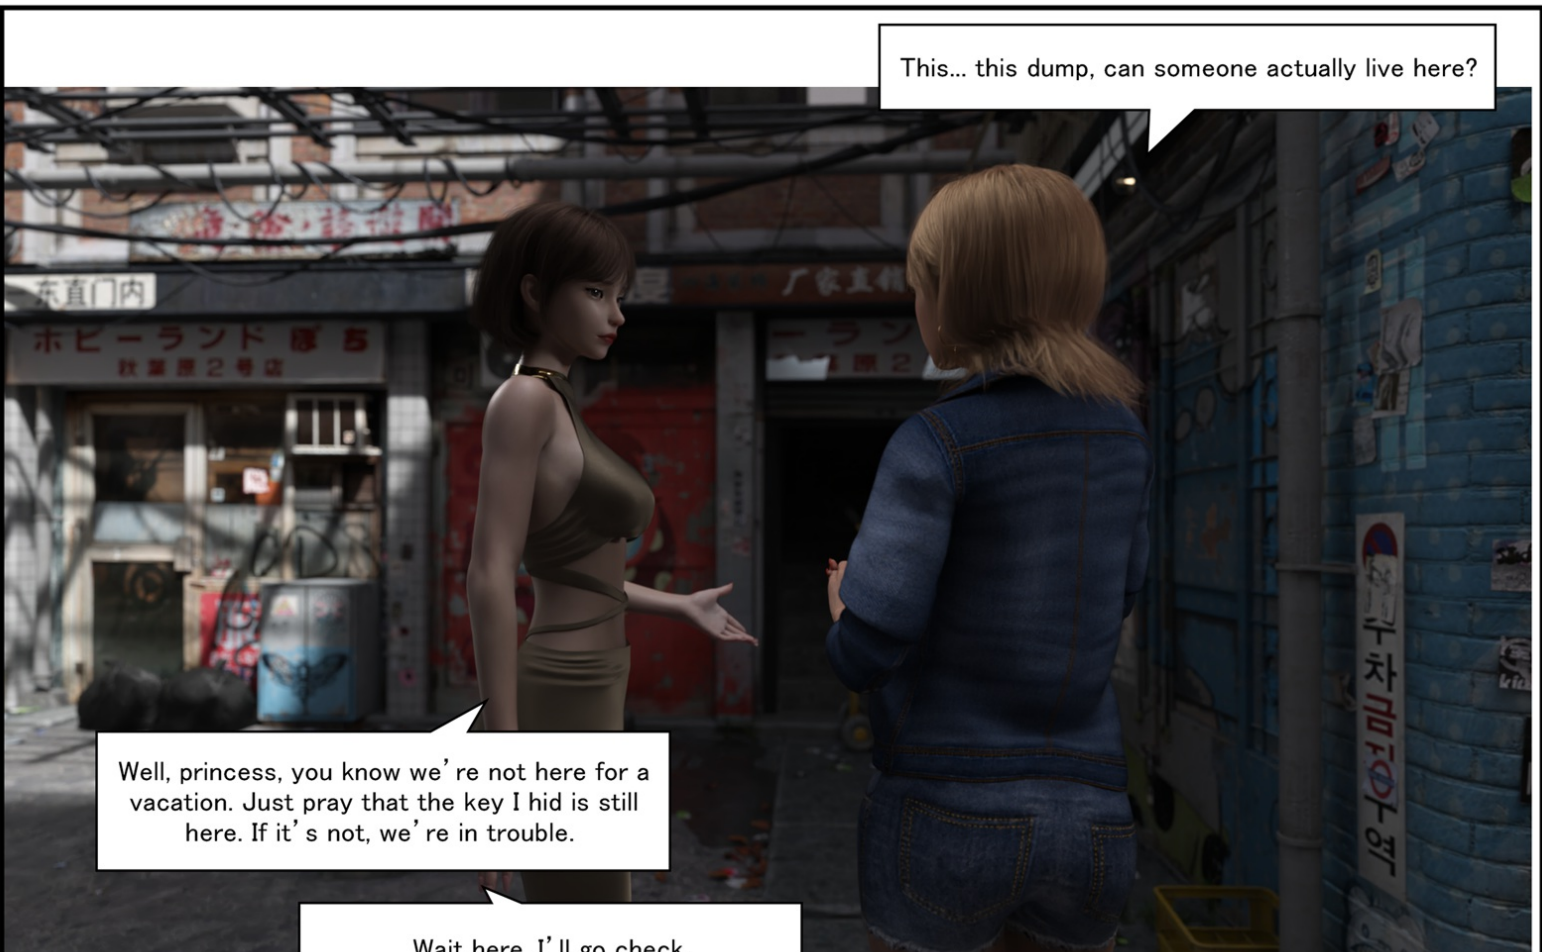

This area looks pretty sketchy... doesn't seem very safe.

Haha, what, are you afraid of ghosts? Don't worry, there are lots of people around during the day, easy to hide in. But at night, it's a different story—lots of ghosts, especially the lecherous kind.

Ugh, Yang Li, can you stop joking around at a time like this? Do you think we're on a date or something? How much farther is it?

Alright, alright, we're here.

This... this dump, can someone actually live here?

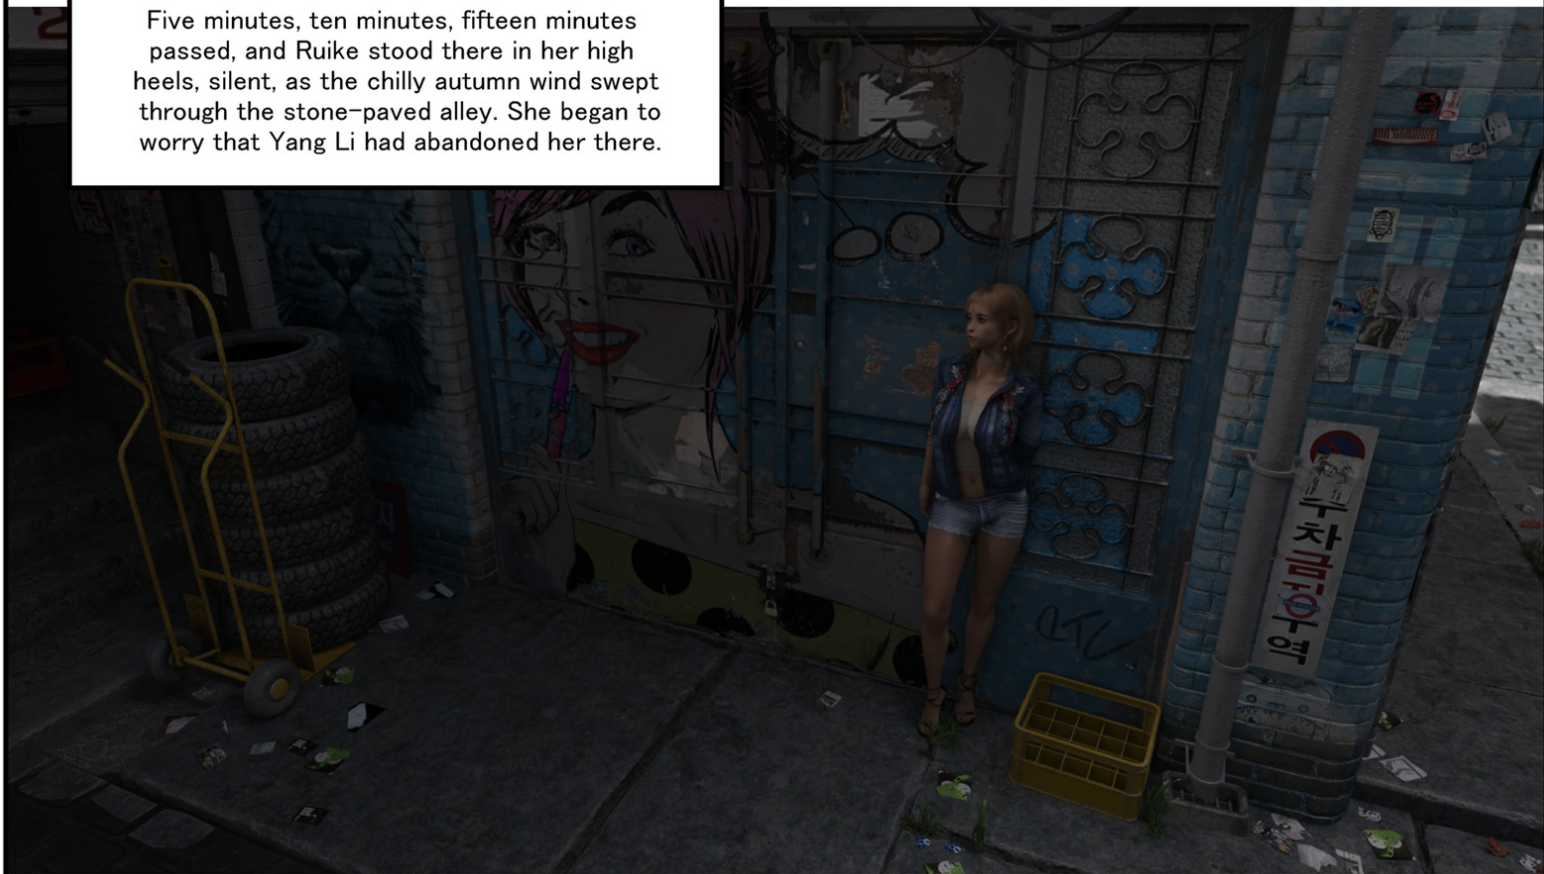

Well, princess, you know we're not here for a vacation. Just pray that the key I hid is still here. If it's not, we're in trouble.

Wait here, I'll go check.

Left alone in the alley, Ruike felt a bit uneasy under the gazes of passersby. Although she still looked as beautiful as ever, her body was now that of Chen Linfeng's former sissy boy. Anyone paying close attention might notice the odd proportions of her figure and the bulge below.

Five minutes, ten minutes, fifteen minutes passed, and Ruike stood there in her high heels, silent, as the chilly autumn wind swept through the stone-paved alley. She began to worry that Yang Li had abandoned her there.

It wasn't until she saw the light from the stairwell and heard Yang Li's soft, feminine voice that she could finally relax.

Come on up, Ruike, I was fiddling with the circuit breaker.

Come inside.

So, what do you think? It's better than you expected, right? More than enough for a temporary hideout.

How long has it been since anyone lived here?  
It smells so musty.

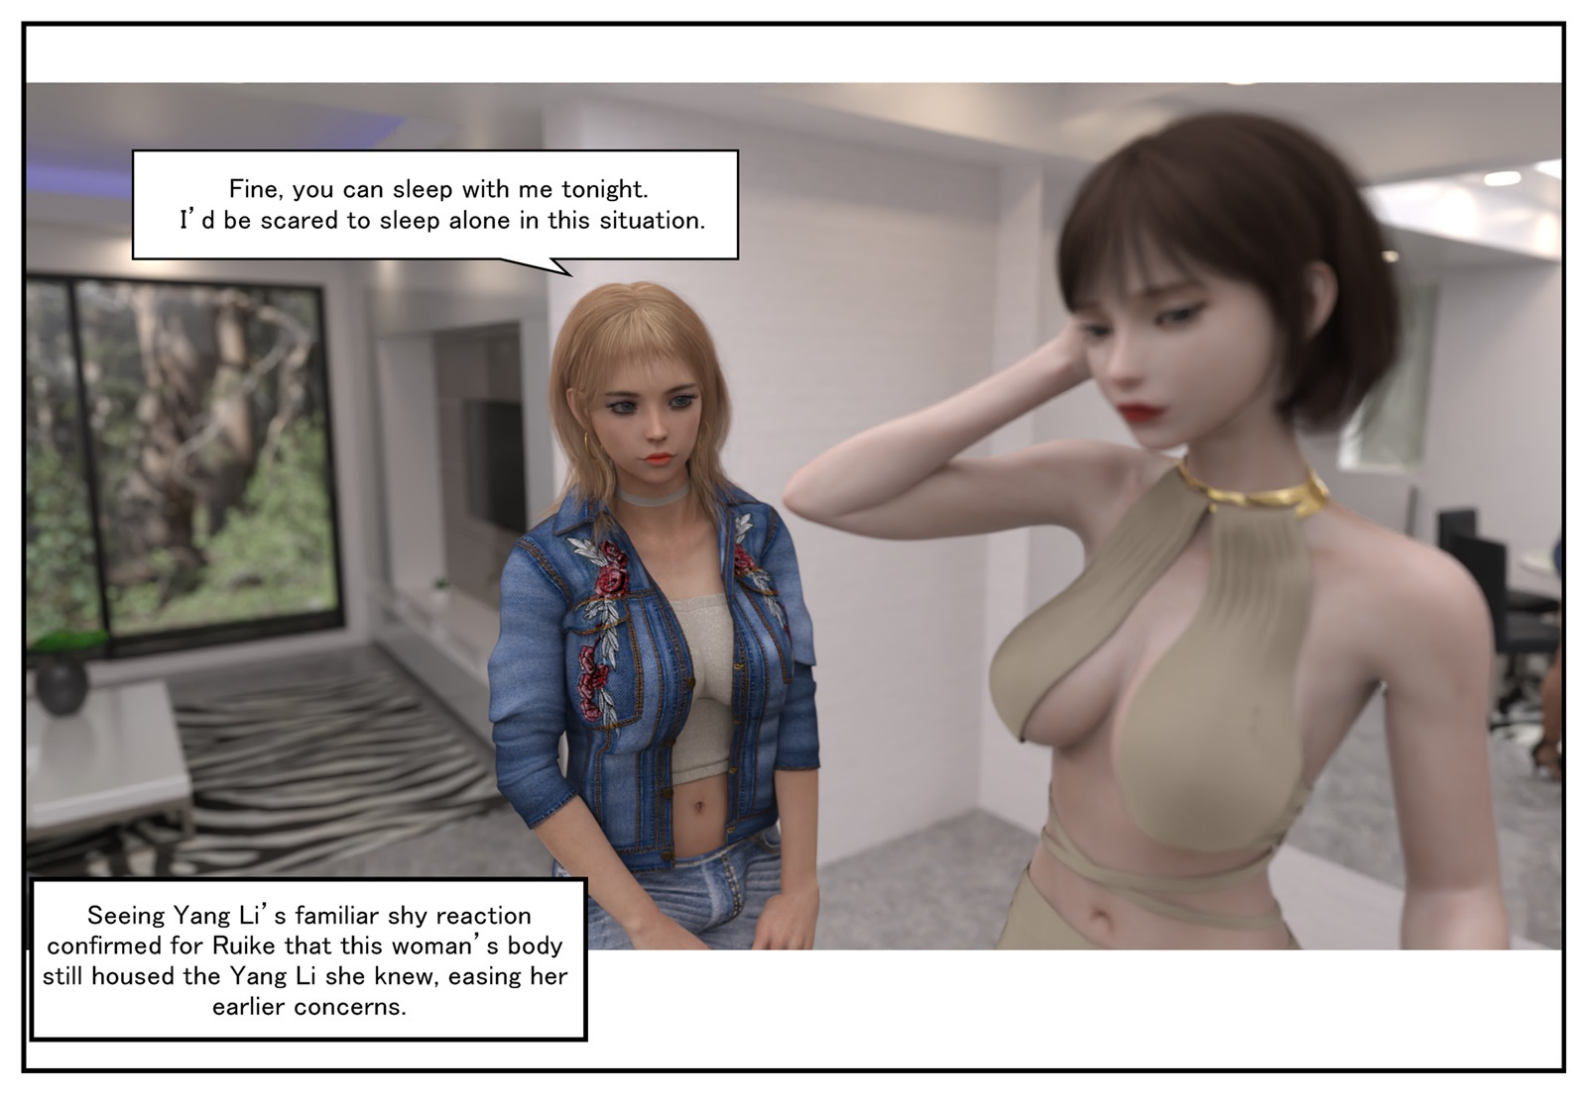

Uh... it's not that bad. I haven't been here in a while, but I come by to clean up every now and then.

But there's only one bed in this place,  
so we might have to share it tonight.

Fine, you can sleep with me tonight.  
I'd be scared to sleep alone in this situation.

Seeing Yang Li's familiar shy reaction confirmed for Ruike that this woman's body still housed the Yang Li she knew, easing her earlier concerns.

Alright, I'm going to take a shower and clean up the bathroom a bit.

Even though Yang Li had been forced into a woman's body, he still saw Ruike as someone he needed to protect. No matter what Ruike had done to him, Yang Li had seemingly chosen to forgive her, at least seeing her now as a comrade in their shared ordeal.

Ruike, help me with these clothes, will you?  
Women's clothes... are such a pain to take off...

A photograph showing the lower legs and feet of a person standing on a light-colored, square-tiled floor. The person is wearing red nail polish. To the left, there is a wooden cabinet with drawers and silver handles. The background shows a grey wall and a doorway. A white text box is overlaid on the image.

So this is me now...

This pervert... how could he be this pretty?

After showering, Yang Li found himself carefully examining his new appearance in the mirror for the first time. Even without makeup, people would think he was a cute girl next door. The only flaw was Chen Linfeng's soft, androgynous voice.

Every part of this body is so delicate...  
just how many girls has he messed with...

Oh right, I remember him saying this body was swapped with Ruike's...

Whether it was Chen Linfeng's body being overly lustful or the allure of youthful pleasure, Yang Li felt a stirring inside just from a light touch.

Ah~

Every time he touched himself a little harder, it nearly made him moan aloud, but he knew Ruike was just outside. If she saw him in such a lewd state, it would be beyond embarrassing.

However, Yang Li wasn't the only one in the room worried about being embarrassed...

Ever since they left the hotel, Ruike had noticed that every time she was alone with the feminized Yang Li, her member would start to harden. Embarrassed to let Yang Li know, she finally took the chance to relieve herself while Yang Li was in the shower.

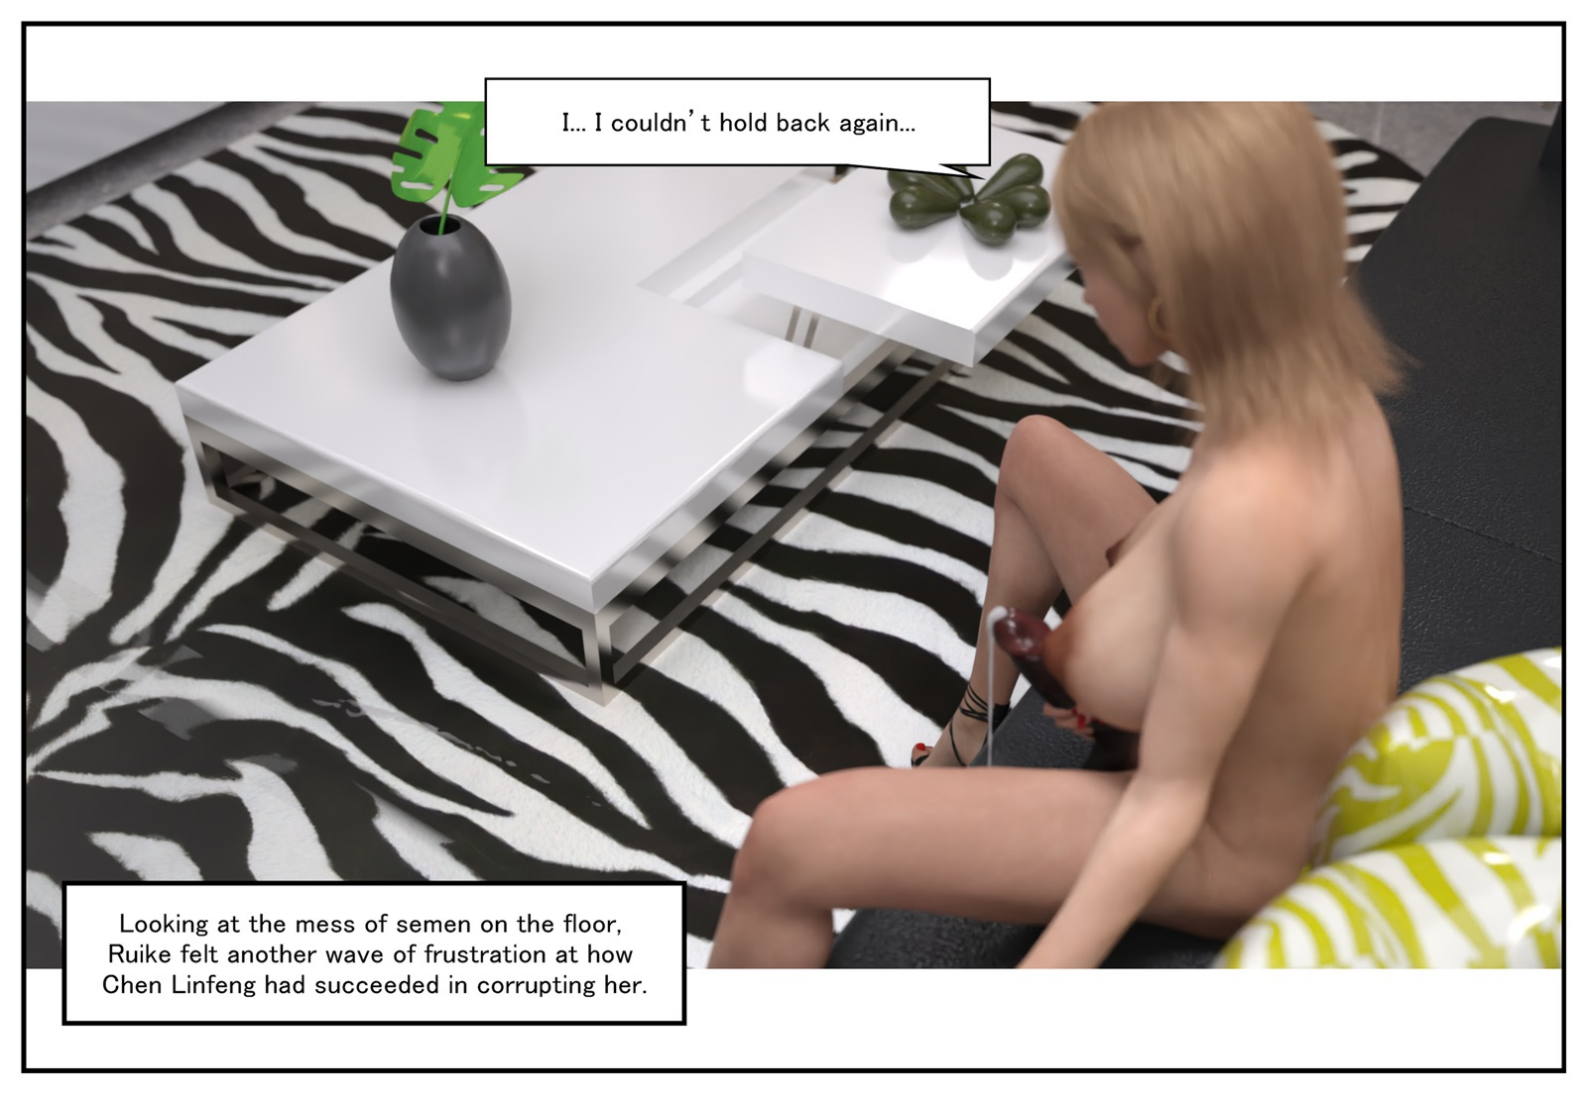

Ahh~

Ugh, I can't hold it in anymore...

Ahhh!

I... I couldn't hold back again...

Looking at the mess of semen on the floor, Ruike felt another wave of frustration at how Chen Linfeng had succeeded in corrupting her.

Ruiké... you...

Ah, Li, why didn't you make a sound when you came out...

How did you end up like this...

I'll tell you everything from the beginning.

Yang Li had originally planned not to mention any of this, but seeing his once sweet first love turned into this androgynous figure, he couldn't keep it to himself any longer.

Your current body is indeed based on mine, but aside from the genitals, the other parts were swapped with those of various girls, each proud of their features.

He tricked me into swapping bodies with him, promising that if I helped him get close to you, he would return my body to me after swapping parts from these young girls.

So how did you meet him?

At the time, my ex-husband had cheated on me, and I had just gone through a divorce. Though I received some settlement money, I was lost living alone overseas. So every night, I drowned my sorrows in various clubs, numbing myself with alcohol.

Then you met Chen Linfeng at a bar?

Yeah..

It seemed to be his usual tactic...

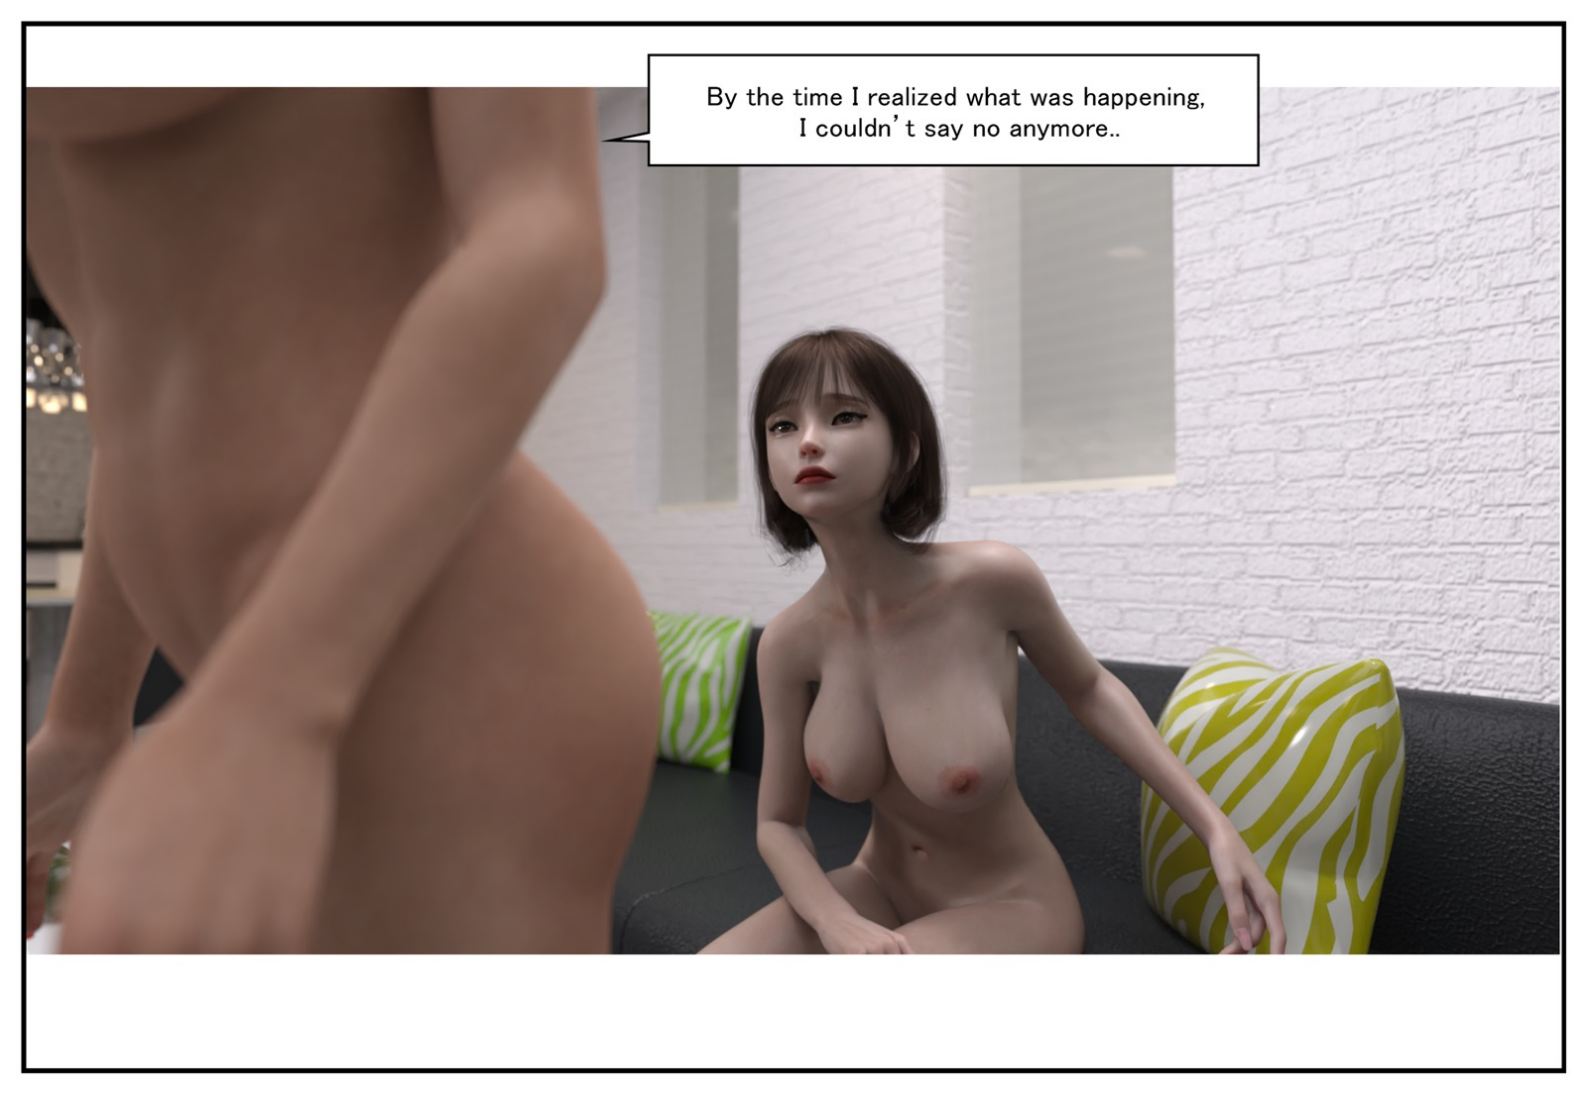

He bought me drinks, talked with me, and we hit it off. He even got me to try the wonders of tequila. He even helped me get revenge on my ex-husband using tequila, but the condition was... that I help him get to you.

I had no idea you two had such a huge grudge,  
or I would have never agreed to help him.

And then, when you found out,  
why didn't you refuse?

By the time I realized what was happening,  
I couldn't say no anymore..

Oh my God, Ruike, your body...

Earlier, Yang Li had been too exhausted at the hotel to notice, but now he saw that Ruike's body was more than just equipped with a male organ.

This chest was swapped with that of some mature prostitute, and the lower part was swapped with a black guy.

Although clothed, with just her face, it was hard to imagine this girl had a man's body. But once she was undressed, it was painfully obvious. Not to mention the massive black member that definitely didn't belong to an Asian male.

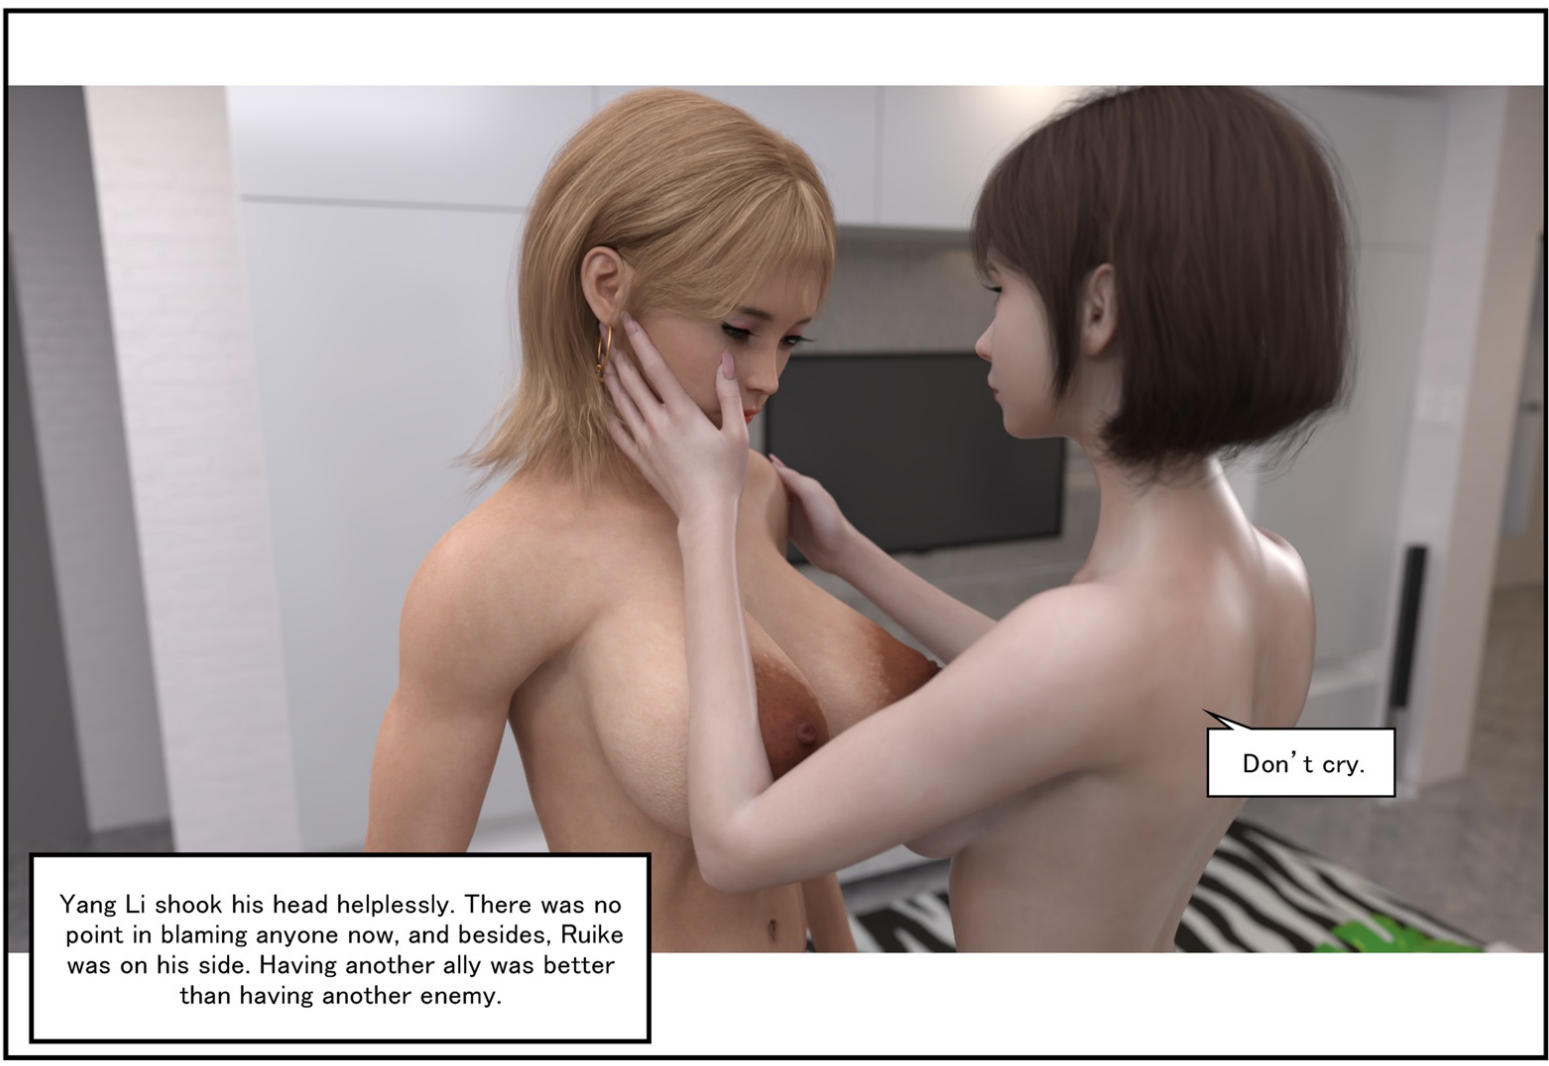

If I don't do what he says, he'll never give me my body back. And now, I'm stuck like this...

And now, I'm stuck like this...

Li... you don't think I'm disgusting now, do you?

How could I think that...

Don't cry.

Yang Li shook his head helplessly. There was no point in blaming anyone now, and besides, Ruike was on his side. Having another ally was better than having another enemy.

Even though I've apologized countless times,  
I truly regret what I did to you. I tried to stop it  
from happening, but I couldn't.

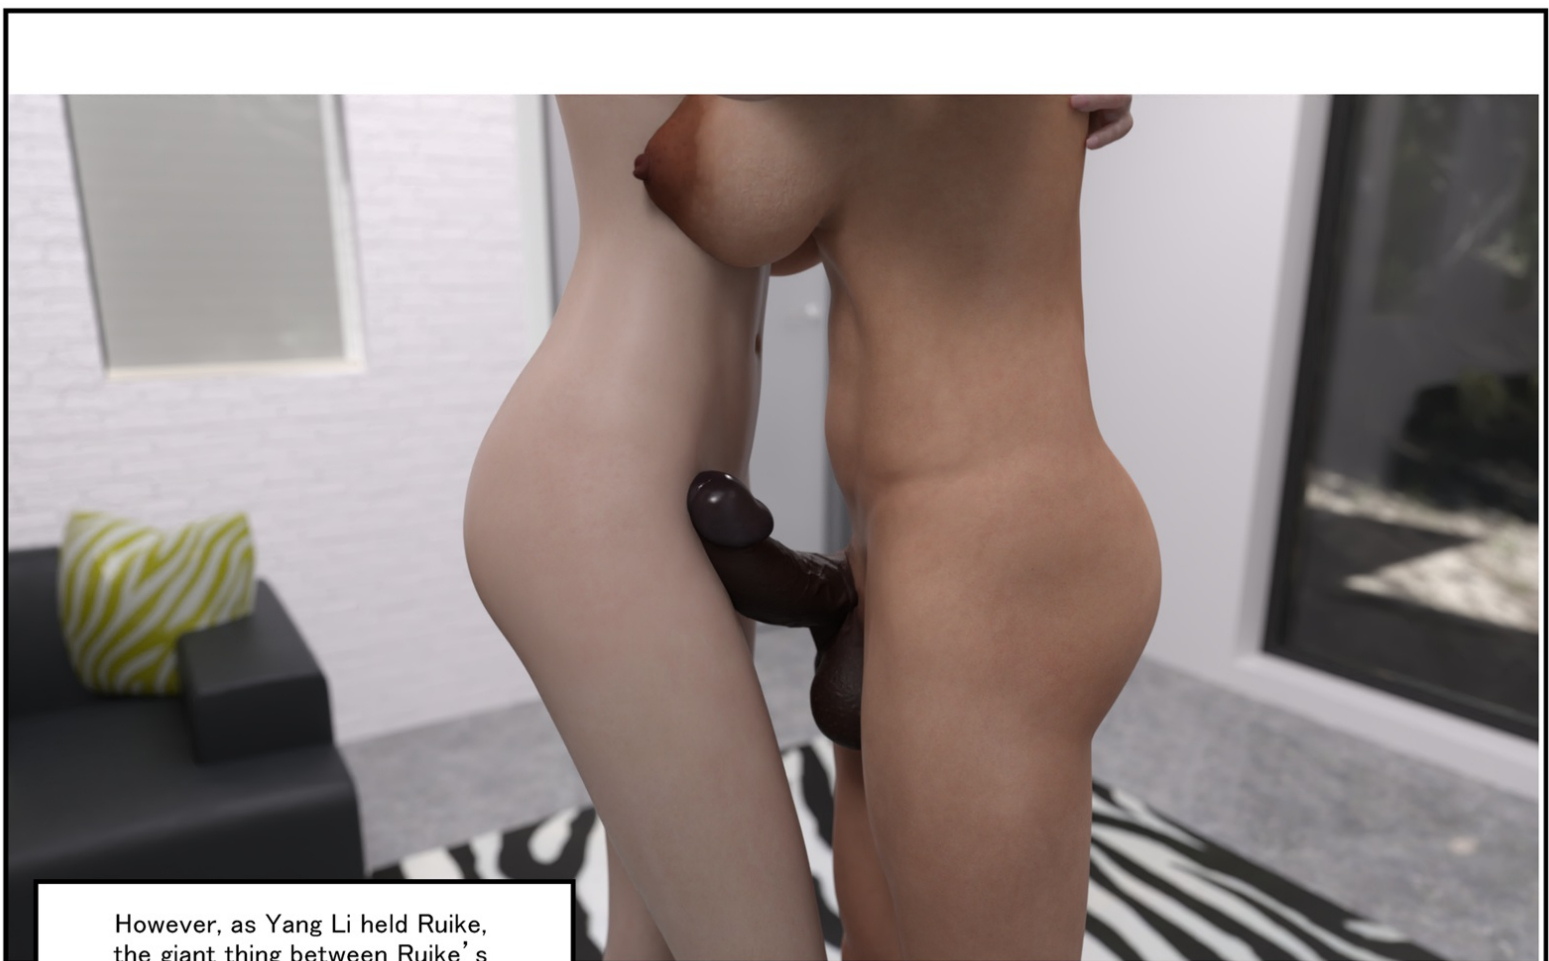

Li, please don't hate me.  
I don't want to lose you.

It's okay, it's okay.  
Everything will be fine,  
trust me.

Even though Yang Li was now in a woman's body, he still comforted Ruike like a big sister, holding the crying girl in his arms.

However, as Yang Li held Ruike, the giant thing between Ruike's legs started to stir.

Ruike, your... down there...

Li, the only thing Chen Linfeng didn't lie to you about was his story of how he got the tequila. After spending so much time crossdressing and doing sex work, his body became incredibly lewd. After he swapped his chest with a prostitute's and got that huge black dick, his sexual desire grew even stronger. His nipples itch and swell all the time, and his downstairs has turned into a monster.

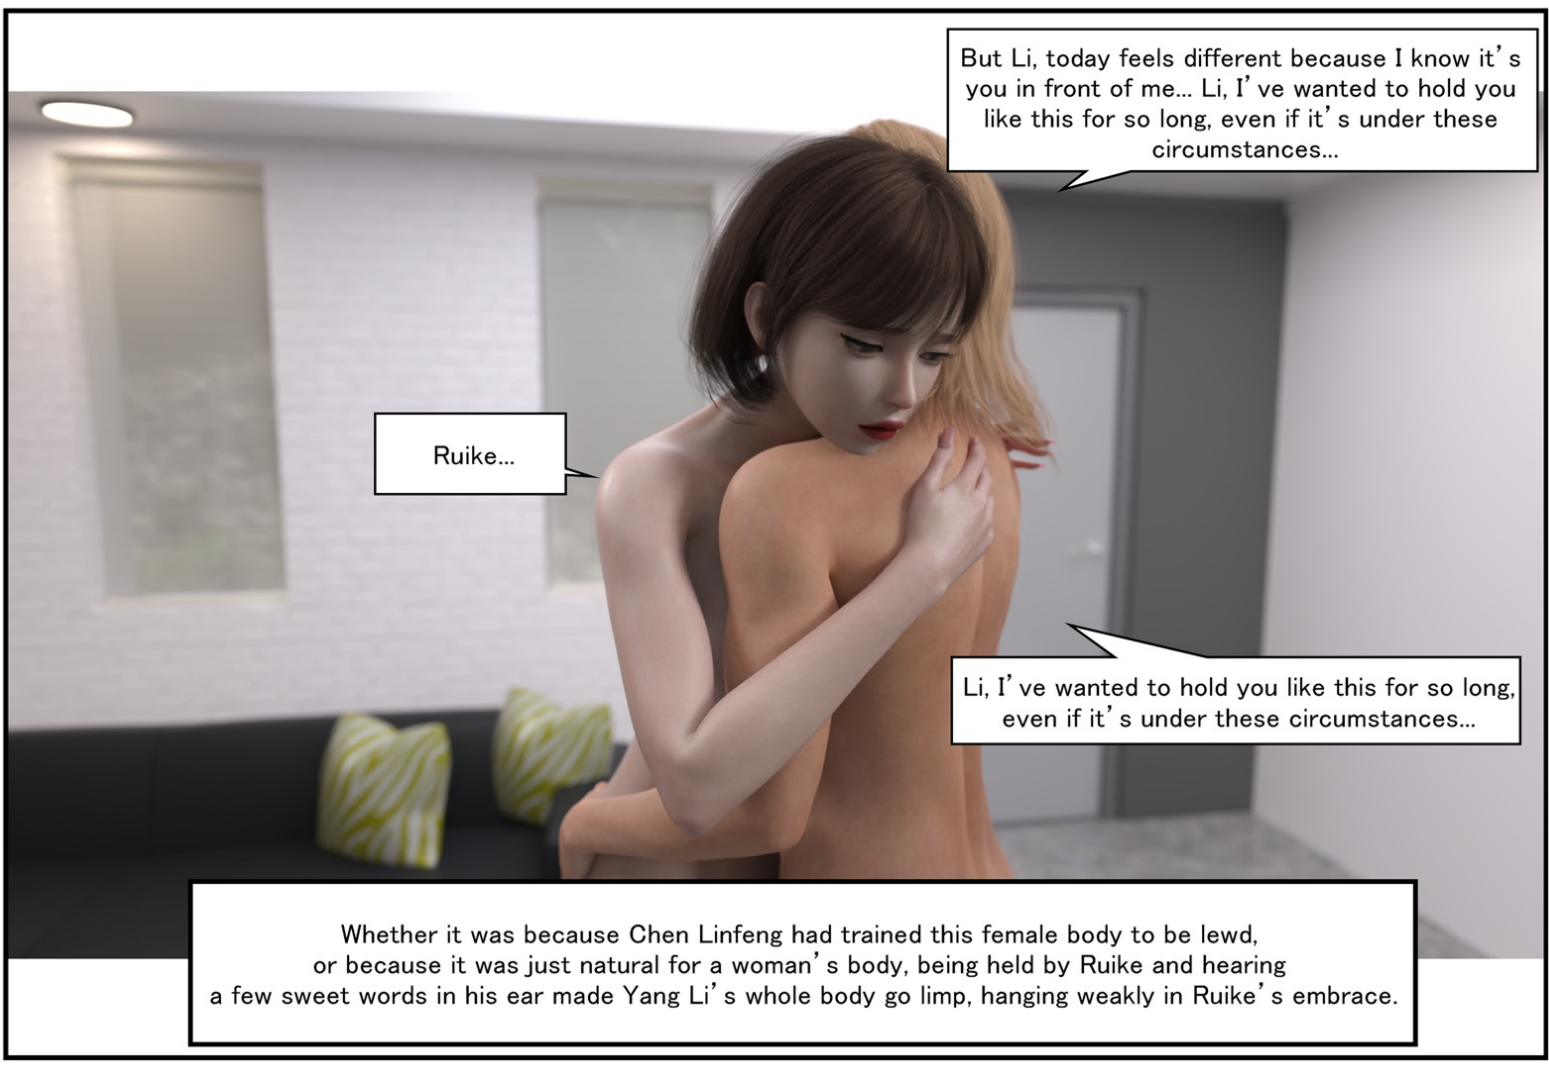

After we swapped bodies, he used my body every day to seduce me, constantly arousing me with the pleasure of being a woman...

So now, I'm quite used to this body...

Yang Li knew exactly what Ruike wanted to do, but the thought of being taken as a woman by his first love was something he couldn't quite accept, especially knowing that Ruike was the original owner of this female body. He tried to resist, but found himself being held like a petite woman in Ruike's arms.

now, I'm quite used to this body...

But Li, today feels different because I know it's you in front of me... Li, I've wanted to hold you like this for so long, even if it's under these circumstances...

Ruike...

Li, I've wanted to hold you like this for so long, even if it's under these circumstances...

Whether it was because Chen Linfeng had trained this female body to be lewd, or because it was just natural for a woman's body, being held by Ruike and hearing a few sweet words in his ear made Yang Li's whole body go limp, hanging weakly in Ruike's embrace.

As Ruike's member rubbed against his folds, Yang Li's mind went blank. All he could think about was having his former first love fill the emptiness inside him with her massive member.

Li, I want you.

Mmm.okay..

Li, just lay down, don't move...  
I'll take care of everything...

Don't worry, Li, I'll be gentle.

Mmm.

his dialogue brought back memories for Yang Li of their first time getting a room together during their freshman year. He never imagined they'd have another chance, let alone in such a twisted way.

However, when Ruike' s large member fully entered his little hole, he finally lost all reason.

Ah, Li, your little hole is squeezing me so good...  
Ruike, please, don't call me by my real name at  
a time like this, okay?

Ruike, please, don't call me by my  
real name at a time like this, okay?

Then what should I call you? Oh, right, this body and little hole are mine now, so shouldn't I be calling you Ruike instead?

Yang Li hadn't expected Ruike to play such a prank, but hearing this suggestion made his little hole even wetter.

Ah!?

“Ruike,” does big brother’s big dick feel good?

Mmm~ So good, “Ruike’s”  
little hole is so full.

But at this moment, the pleasure overtook  
all else, and Yang Li gave in without any reservations.

Ah~ Ah~, go... go slower, it's too big.

Seeing his former boyfriend now moaning sweetly under his stimulation gave Ruike an indescribable sense of satisfaction.

Ah ah ah ah~~

Finally, both of them climaxed together.

Ruike, this relationship of ours is so strange.  
We're not going to stay like this forever,  
are we?

We won't, Li. We'll find your body and settle things with Chen Linfeng.

Okay.

Lying in Ruike's arms, Yang Li once again felt a rare sense of peace.

Two beautiful women peacefully fell asleep in Yang Li's safe house. Meanwhile, on the other side of the city, in Yang Li's original home, the sounds of a woman's moans could be heard..
