-PART.8-

KOBAYASHI

Ruike...

The next day, Yang Li woke up to find that there was no one beside him. A feeling of unease and anxiety quickly surged in his heart.

She... did she run away again?  
Could this be part of Chen Linfeng's schemes?

No, she wouldn't betray me.  
The things she told me last  
night didn't seem like lies...

Maybe she's just in the living room  
and didn't hear me...

Ruike, please don't t...

Ruike... are you there?

Damn...

Yang Li, finding the room empty, felt his heart collapse, and a tear unexpectedly slid down his face.

Having felt some reassurance with Ruike's company, now he's fallen into such an isolated and helpless state, especially with his body transformed. At this moment, Yang Li felt driven to a corner.

Damn Chen Linfeng, you've really messed me up!

What should I do now...

Li, you're awake. Why are you sitting on the floor without your clothes on?

Where... did you go?

Oh, I got up and remembered there was nothing in the fridge. So, I went downstairs to buy some things and grabbed some breakfast too.

Why didn't you tell me?!

Do you know how worried I was when  
I woke up and couldn't find you?!

I actually thought about asking you to come with me, but you were sleeping so soundly, and after yesterday's ordeal, I couldn't bear to wake you up. So, I went out quietly.

Right... I'm sorry...

I was too anxious, and my  
attitude wasn't great.

But remember, next time you go out alone, you must, must tell me first.

Given the current situation, Chen Linfeng might still be monitoring our movements from somewhere. Until we understand his intentions, we shouldn't make any rash moves.

Got it, Officer Yang!

Come on, let's have breakfast. I bought what you like to eat.

By the way, Li, what are you planning to do next?

How are you going to start investigating the current Chen Linfeng? We can't just sit here and do nothing.

Actually... I don't have a good plan yet.

The only thing I can think of right now is to buy a computer.

A computer? What for?

I've installed a few pinhole cameras in my house. If we have a computer, we can link it to those cameras. Then we can monitor Chen Linfeng and adapt to his moves without making any drastic changes.

So, are we going shopping this afternoon?

Huh? Not shopping. I'm going out alone, just to buy a computer and come right back. It'll be quick.

Come on, let's go together.  
We can also do a bit of shopping.

There's no need to  
take such risks.

How can it be unnecessary?

Look, we don't even have any spare clothes. You can't keep wearing something so sexy.

Plus, you're not used to walking in high heels, we can buy a pair of flats.

Besides, even though you look like a woman right now, your voice still sounds like a man's. I can help you out if I'm there.

...

Alright, that does make sense.  
Let's eat quickly and get ready to leave.

Okay~ then I'll do your makeup!

Makeup... really isn't necessary.

Women always have an enthusiasm for shopping, even now when Ruike's body is entirely male. But once she gets into the mall, she immediately becomes like a little girl, wanting to try on everything she sees in the shop windows. Yang Li at this moment has become her doll, trying on various cute clothes.

Although he has some complaints, seeing the smile on Ruike's face brings back memories of their college dating days. So, he still cooperates and buys a few pieces of clothing that she likes.

Look how pretty you are, Li. You look like a female college student now.

Was it necessary to buy something so expensive...?

Expensive clothes look better~

Well, anyway, it's much better than that dress that showed my butt before.

Li, I need to use the restroom.  
You sit here and wait for me for a bit.

I'll wait for you right here.

This outfit... actually looks quite nice.

I never thought I'd see the day  
Ruike would buy me a dress...

Honey, stop fiddling around.

While Yang Li was idly waiting for Ruike to come back, a voice he had been longing to hear suddenly reached his ears.

So what? Is it a crime to  
pinch my wife's butt?

There are so many people in the mall,  
it wouldn't look good if others saw us.

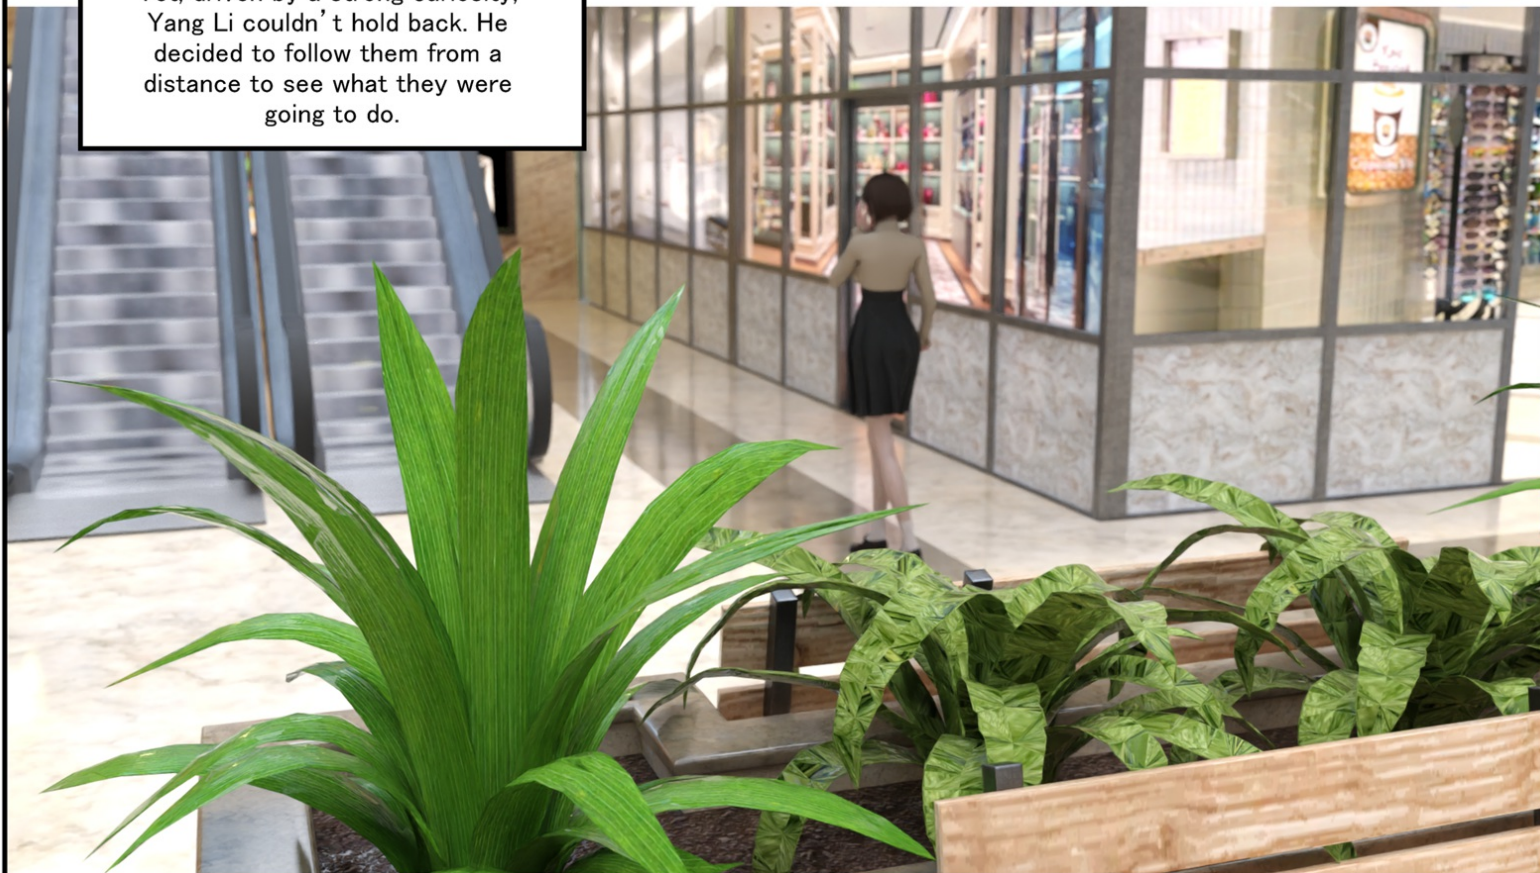

Stop touching, honey, we can play when we get home.

Don't worry, honey, they are all just staring at your chest anyway.

Watching the two of them walking away, Yang Li wanted to rush over and tell Siqi the truth about everything. However, he didn't dare to do so, fearing it might be another trap set by Chen Linfeng. By now, he had become extremely cautious.

Yet, driven by a strong curiosity, Yang Li couldn't hold back. He decided to follow them from a distance to see what they were going to do.

Really, honey, you can't hold back even for a moment, can you? Must you play around here?

What if someone sees us during this moment?

Isn't it more thrilling if someone sees us?

Oh my, you're already this wet?  
It seems my naughty wife really  
does want others to see her like this.

Really... honey, what's gotten into you  
these past few days... you're playing  
so wildly...

If you keep teasing me like this,  
I might not be able to hold back  
much longer.

Mmm~ Honey~

Who told my good wife to have such a big pair of breasts? How could I possibly resist?

Seeing how your cock reacts, it seems I did right.

Teased beyond her control, Siqi started to talk nonsensically, not caring anymore about being in a public place, just trying to keep her voice down as she indulged her husband's desires. She actively unzipped the fake Yang Li's jeans and took out his cock.

Meanwhile, Yang Li, watching from the side, didn't know whether to feel angry or helpless. He dared not step forward to stop them in his current guise, nor did he want to retreat and miss any clues by avoiding this embarrassing scene. Thus, Yang Li could only hide nearby and stealthily observe Chen Linfeng using his own body to engage in this public display of intimacy with his wife.

Damn it! How did Siqi get conditioned like this in just a few days?! She used to be quite conservative.

You look so lewd, honey.  
Do you really like your  
husband's cock that much?

Ah! Just like that, take it all in at once.

Ah! It feels so good.

Don't waste it, my dear, swallow it all.

Yang Li, watching from the side, could hardly bear to look any longer. His own wife was being trained and humiliated by a stranger's soul, yet she was lost in the pleasure. He could no longer care about any threats or his own guilty conscience; impulsively, he prepared to step forward and severely beat his own body.

Ruike ?

Shh...

Feels so good, honey. When we get home,  
put on the sexy lingerie we just bought,  
and I'll fuck you hard.

Calm down, Li. Don't lose your head.  
Didn't you already come up with a  
plan? Let's stick to the plan.

Right, let's go buy that computer.

I'm glad you held me back just now, Ruike. If I had charged in, it would have definitely made things worse.

Anyone in your position just now would have lost their cool seeing that scene.

Besides the computer, help me buy a couple of pieces of clothing. Wearing women's underwear... it's a bit uncomfortable.

Hmm...

Back home, Yang Li hurriedly set up the new computer and started working seriously. It seemed he already had a concrete plan in his mind to turn this disadvantage around.

Ok, now it's connected to the camera.

Then press this to switch between  
the bedroom and living room cameras.

Ruike, you'll need to help keep an eye on it sometimes.

Hmm...

Cough cough, got it... got it...

Ruike, what are you looking at?  
Did you hear what I said?

Wait, Li, look!

They're... doing it again...

Does it look good, honey?

With your cock standing so high,  
I must look really hot, right?

I've been thinking about your cock  
inside me all day long.

Hurry up and put it in, honey,  
your wife's horny pussy can't  
wait any longer.

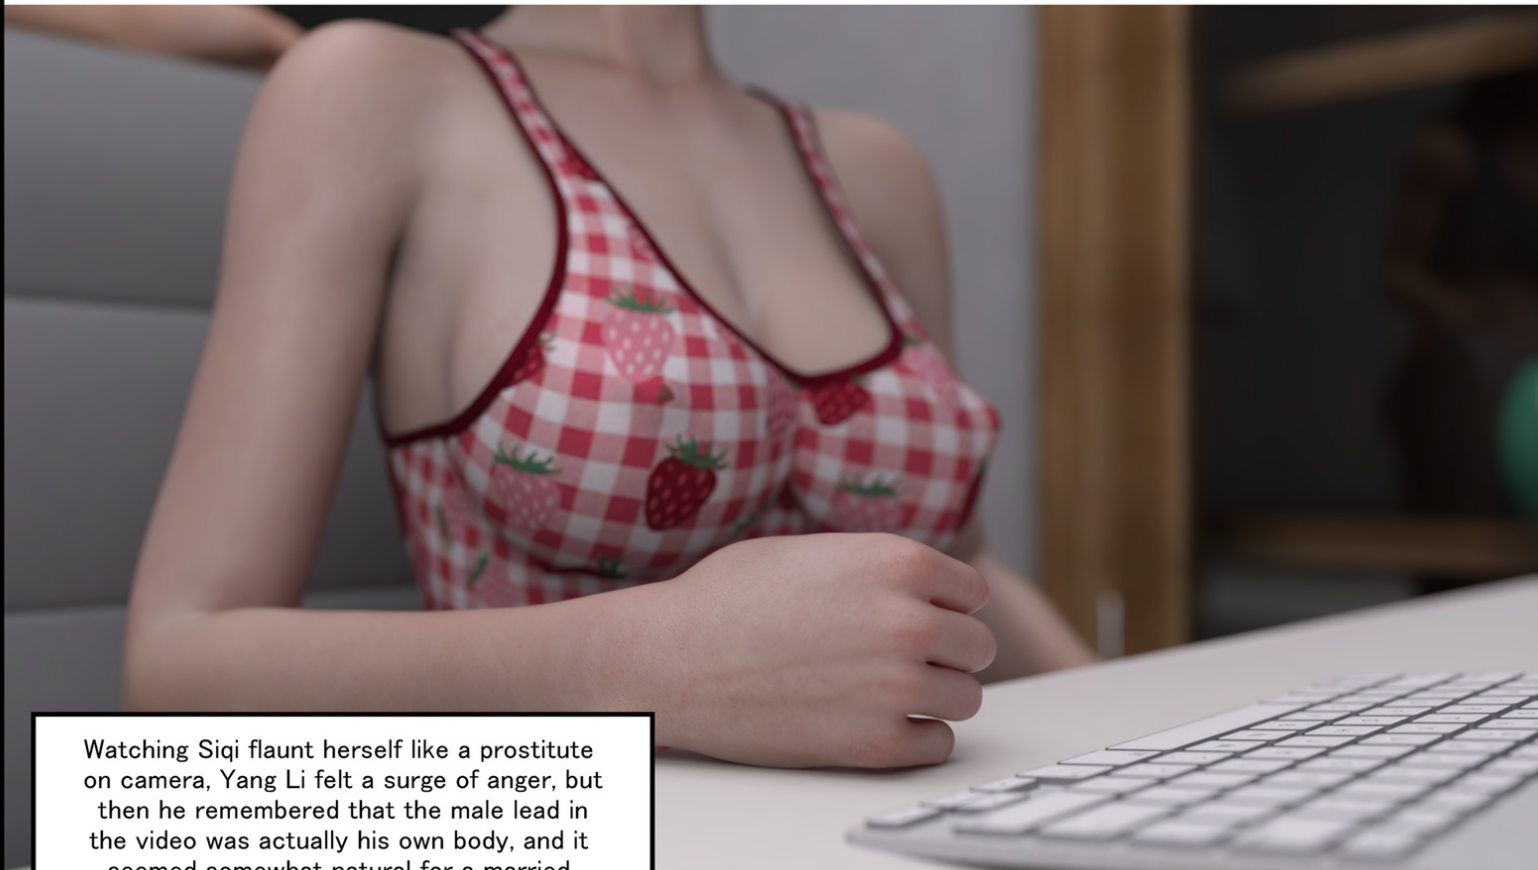

Ah, it feels so good,  
honey, fuck me hard.

Ah, ah, ah~ It feels so good, honey.

Watching Siqi flaunt herself like a prostitute on camera, Yang Li felt a surge of anger, but then he remembered that the male lead in the video was actually his own body, and it seemed somewhat natural for a married couple to have sex.

Aside from his anger, the obscene images he saw made his heart race and his body heat up unconsciously, making him unconsciously squeeze his legs together.

Li, it's really uncomfortable down there, come help me.

Okay...

And Ruike, standing behind him, was also aroused by the provocative images on the screen.

After receiving Yang Li's affirmation, Ruike grabbed Yang Li's face and kissed him. At that moment, Yang Li responded to Ruike like a shy girl.

While kissing, Yang Li's hands were also busy, helping Ruike to pull out the large object tucked inside his pants.

I can't hold it anymore, let's go to the bed.

Ruike, I've been wearing these socks all day. Won't they smell?

No, Li, even if they do, it's your scent. I really like it.

Ruike, when did you develop  
this kind of fetish?

It's Chen Linfeng's fetish, he has a foot fetish. After switching bodies with him, I guess I was influenced too.

Perhaps the changes in our bodies have also somewhat influenced our nature.

Do you want me to lick you down there?

Ruike... are you really going to lick it? Remember, it's yours...

It's okay, Li. I'm actually quite happy it's on you. Plus, it suits you well.

I can't take it anymore, Ruike,  
your licking feels too good.

I can't stand it anymore,  
hurry up and put it in.

Hmm, now you see, right?  
This is already your pussy.

You really want my big  
cock, don't you?

Hmm...

What do you want?  
Say it clearly.

I want your big cock  
inside my pussy...

Indeed, men usually take the dominant role in sex. Overwhelmed by lust, Yang Li didn't hesitate to respond from a feminine perspective to Ruike.

Then call me 'husband' again, let me hear it.

Ruiko, fueled by desire, also exhibited the possessiveness and aggressiveness typical of males.

Ruike, my husband, hurry up and  
put your cock in my pussy.

Ah~ it's so thick, husband.

Ah, ah, ah, ah~ husband, your  
big cock fills my pussy so completely.

Yang Li, perhaps in a display of vengeance  
against Siqi's earlier actions, now fully  
embodied the role of a horny, delicate wife.

Good girl, Li, my good wife, your pussy is  
clenching my cock so tightly. Don't want  
your husband to pull out, do you?

Mmm~ Don' t pull out, husband,  
I want to be with you forever.

Li! I'm going to cum!

Mmm~

The next day

Ah, ah, ah, ah!

Li? What's wrong?

Ruike... my stomach hurts so much...

Stomach pain? Did you eat something bad yesterday?

No... it seems like my period has started...

Ah!? Then... I'll go down and buy you a pack of sanitary pads.

This is so embarrassing. No wonder you were so frisky last night, it was because your period came.

Ruike, why are these sanitary pads like this, they look like diapers.

They're called overnight pants, they're usually used by girls who have a heavy flow.

Here, drink this brown sugar water,  
it should make you feel a lot better.

Thank you, Ruike.

I never realized periods could be this painful,  
I used to think you girls were just overreacting.

I'm actually one of the lucky ones,  
some girls experience pain so severe  
they faint.

The pain didn't just torment Yang Li while he was awake, it also invaded his dreams.

Siqi...

In his dream, he was back to being himself, by Siqi's side.

Ah~ Husband, it feels so good.

But in the next instant,  
he turned back into  
Chen Linfeng.

Hehe.

Ah! Who... who are you?

Me? I'm your husband,  
Yang Li, baby.

Li, my cock, it's so swollen.

Ruike?

You wouldn't mind, right?

Wait! Ruike...

What's wrong? You little slut?  
What are you hesitating for?

Wi... Wife?

Is 'wife' what you call me?

You slut, you should only  
call me Queen Siqi!

Come on, help me lick it, Li.

Ah ah ah~ Ruike, my husband~

Damn, it was just a dream.

Ruike? What are you doing...

Wait... Li... Wait until I finish...

I was just helping you monitor Chen Linfeng...

And they started doing it again.

We can't have sex these days  
because you're on your period,  
so I just took care of it myself.

I'll go wash your socks for you, hehe.

For the next two days, Yang Li rarely left the house, monitoring Chen Linfeng at his own home while investigating Chen Linfeng's past case.

Damn! What the hell is this bitch planning?!  
Does he do nothing all day but fuck Siqi?

Damn!!!

It's already irritating when a woman is on her period. Thinking about the lack of progress over the past few days and having to watch Chen Linfeng with his wife at night, Yang Li was fuming.

Finally, after two days of surveillance, there was a change in Chen Linfeng's activities. He left in the morning and didn't come back until the afternoon.

Yes, Li, just like that.

I can't take it anymore, the head is being licked so wonderfully.

Li, I'm going to cum.

Sorry Li, I... couldn't control it...

Keep a good watch! I'm going  
to rinse my mouth.

Wait, Li! Don't go yet.

Come here quickly,  
who is this person?

Quick, switch to the  
bedroom camera!

Who are these people,  
do you recognize them?

Hurry up, get the stuff out.

Boss, we got the items.

Bring it here for me to see.

Good, this is it.

Take it to the car, let's go.

And, take the woman with us to the car.

Impossible, how could it be him?!

Who is he? Is he from the mafia?  
How do you know such a person?

Ruike, you don't need to worry about the grudge between me and Chen Linfeng. I don't want to drag you into this.

No! Li, you have to tell me.

.To Be Continued.
