

Terminal 1

Made by Rubberduckfucker

This is 24-year-old Svetlana. Her connecting flight to St. Petersburg was delayed today. She's waiting in the terminal for boarding. The airport display board shows another delay.

Svetlana was dressed very sexy and attracted the attention of a group of businessmen who were also waiting for their delayed flight.

**Wow! What a hot woman.
I'd love to fuck her hard
along with the other guys.**

**At first Svetlana
smiled at the men**

Then suddenly

Hey! Do you like Gang Bangs with lots of cock?!

**Exactly! If you do it here
and now with all of us
we pay you 5.000\$!**

**Puh, I mean it's really a
lot of money!**

Three minutes later

SMACK!

After a long Blow
Bang Svetlana is
getting fucked
straight in the ass

Ahhh this is my
first time anal!

Oh my god you
destroy my ass!

Ahhh that's good!

The men are about to cum

One after another...
