

THE

CURSE

SPELLBOUND

That was definitely the best sex from a random hookup at a bar I have ever had.

Yeah, actually this is my first time doing something like this, but I just felt this connection between us.

Oh and my name is Amy in case you...

AHA! I caught you, you cheating bastard!

Uh-oh! mean... Hey darling I was just uh... this woman here um... yeah I got nothing.

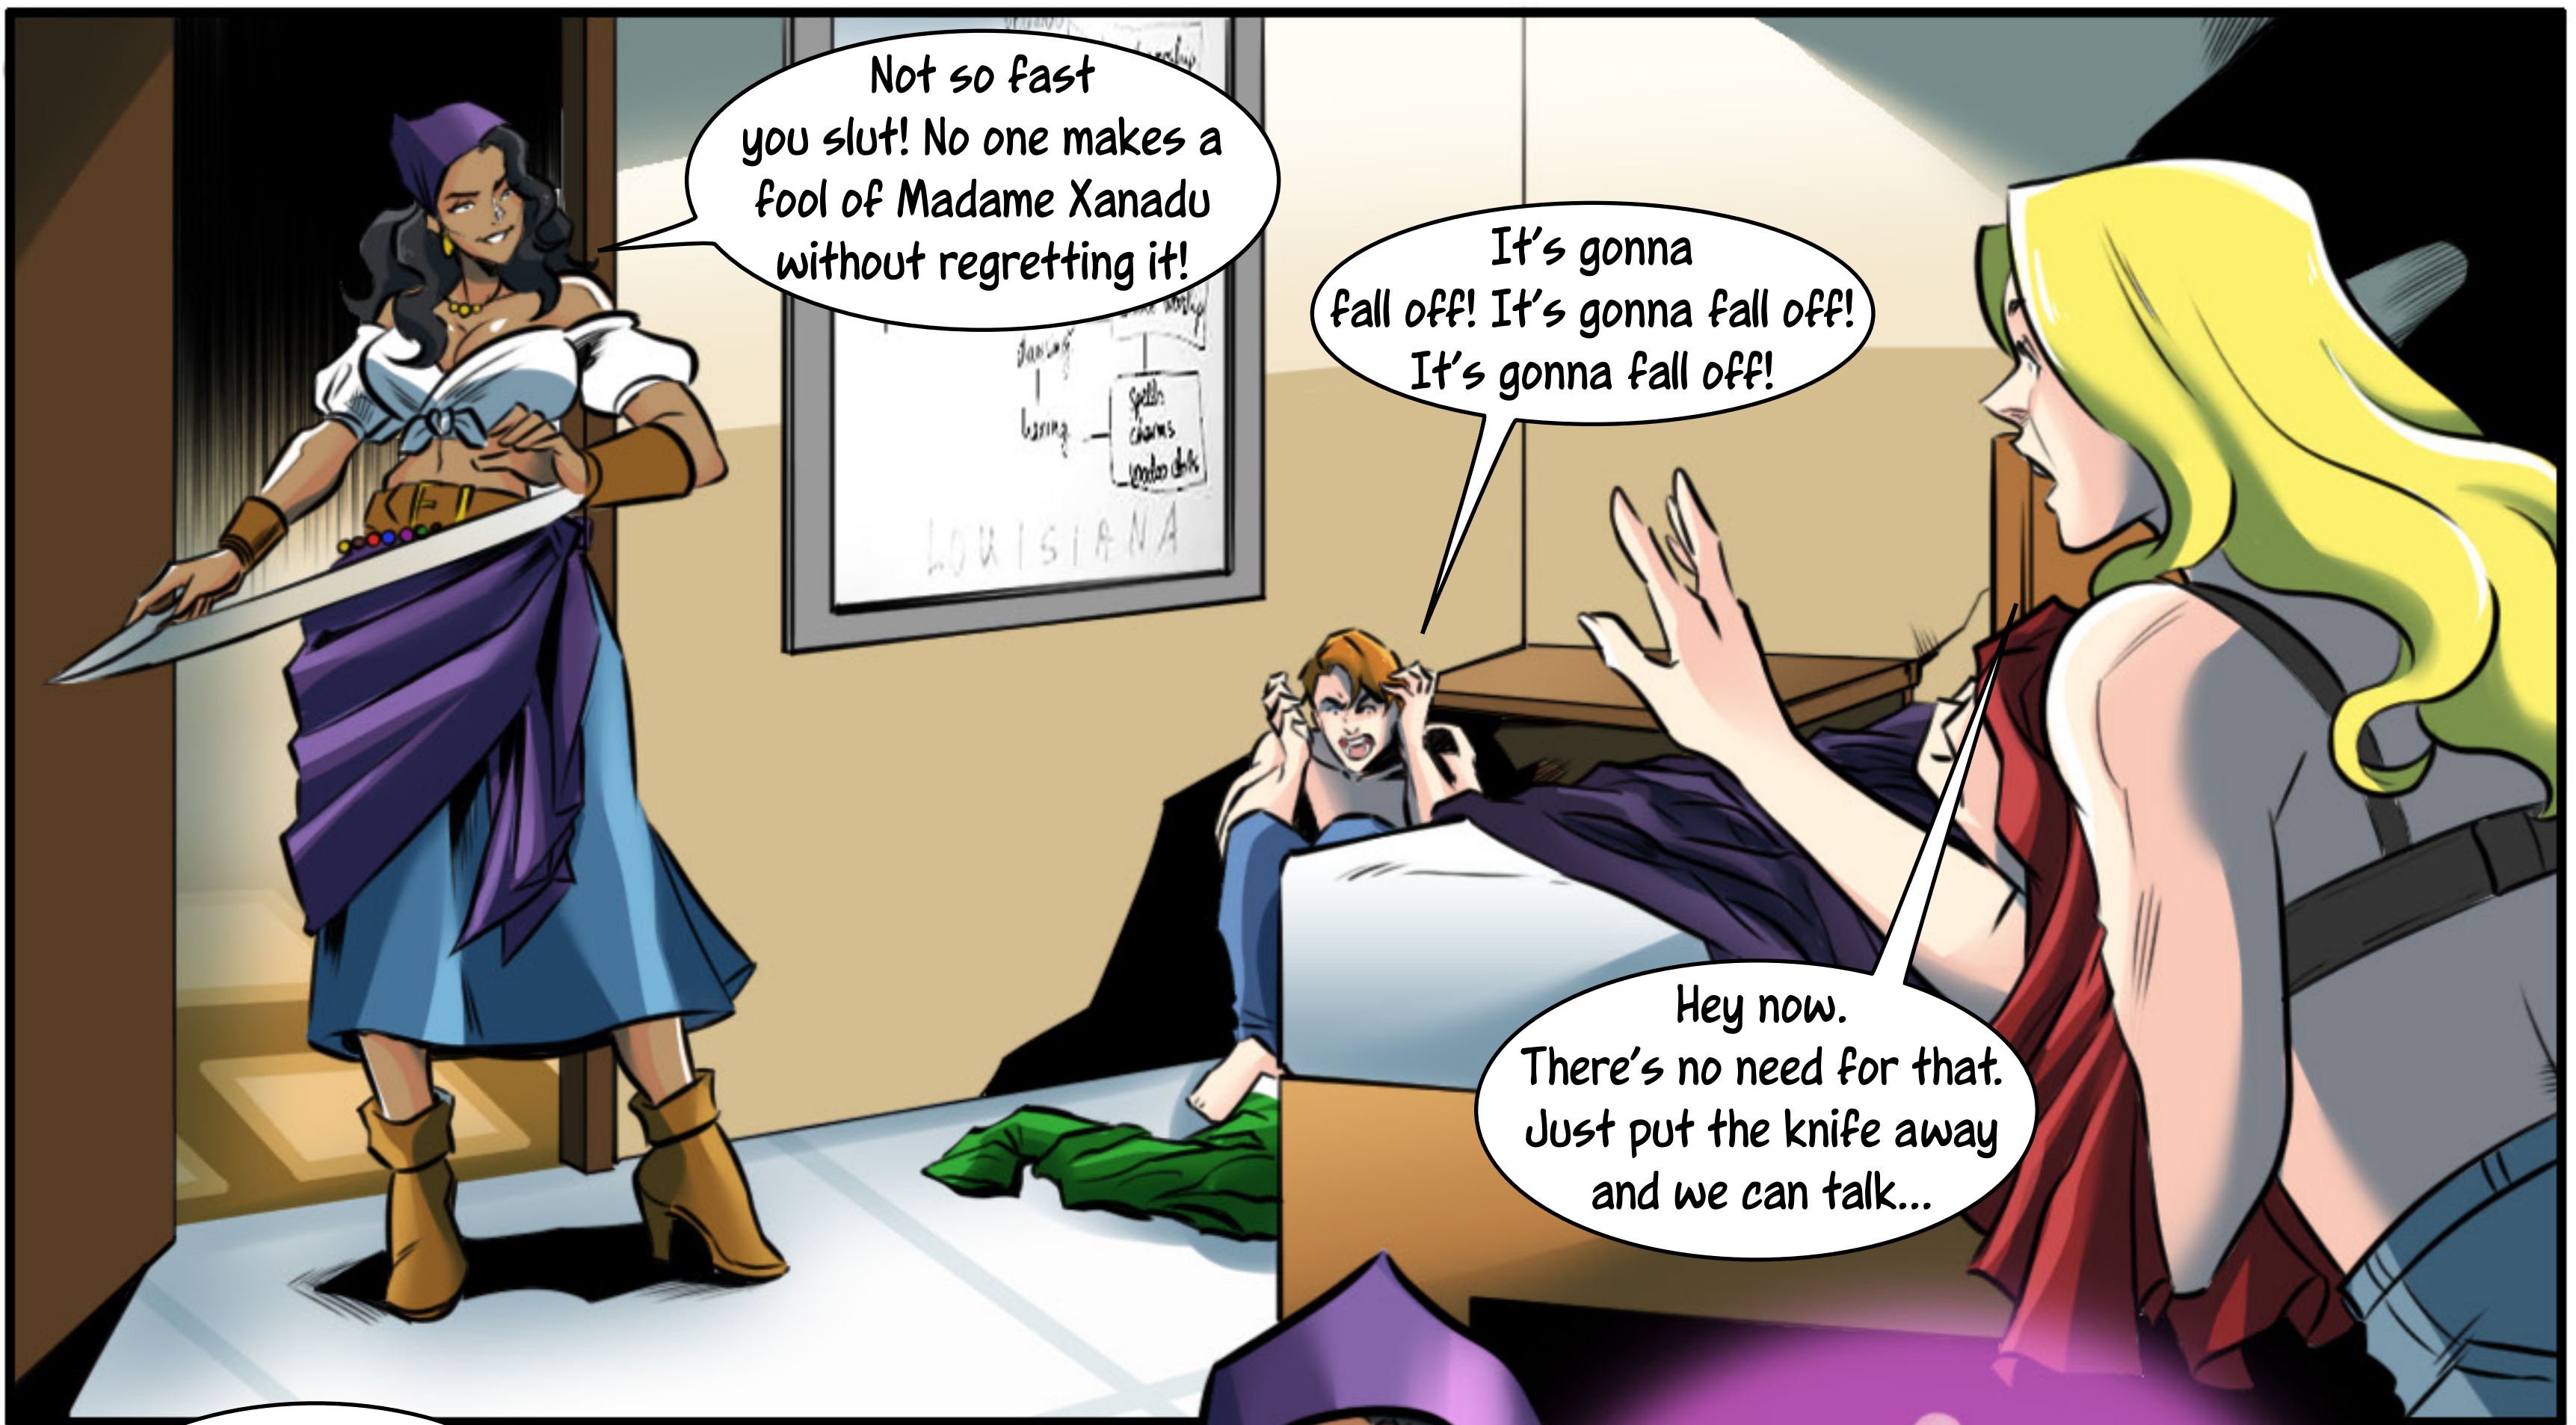

What the...?

WHAT!?! NO PLEASE DON'T DO THAT! I'LL CHANGE, I SWEAR!

Oh you're going to have nothing alright... I'm going to curse your dick so that it falls off!

Oh wow this is so embarrassing. He didn't tell me he was involved with anyone. I'm so sorry. I'll just show myself out and let you two...

Not so fast you slut! No one makes a fool of Madame Xanadu without regretting it!

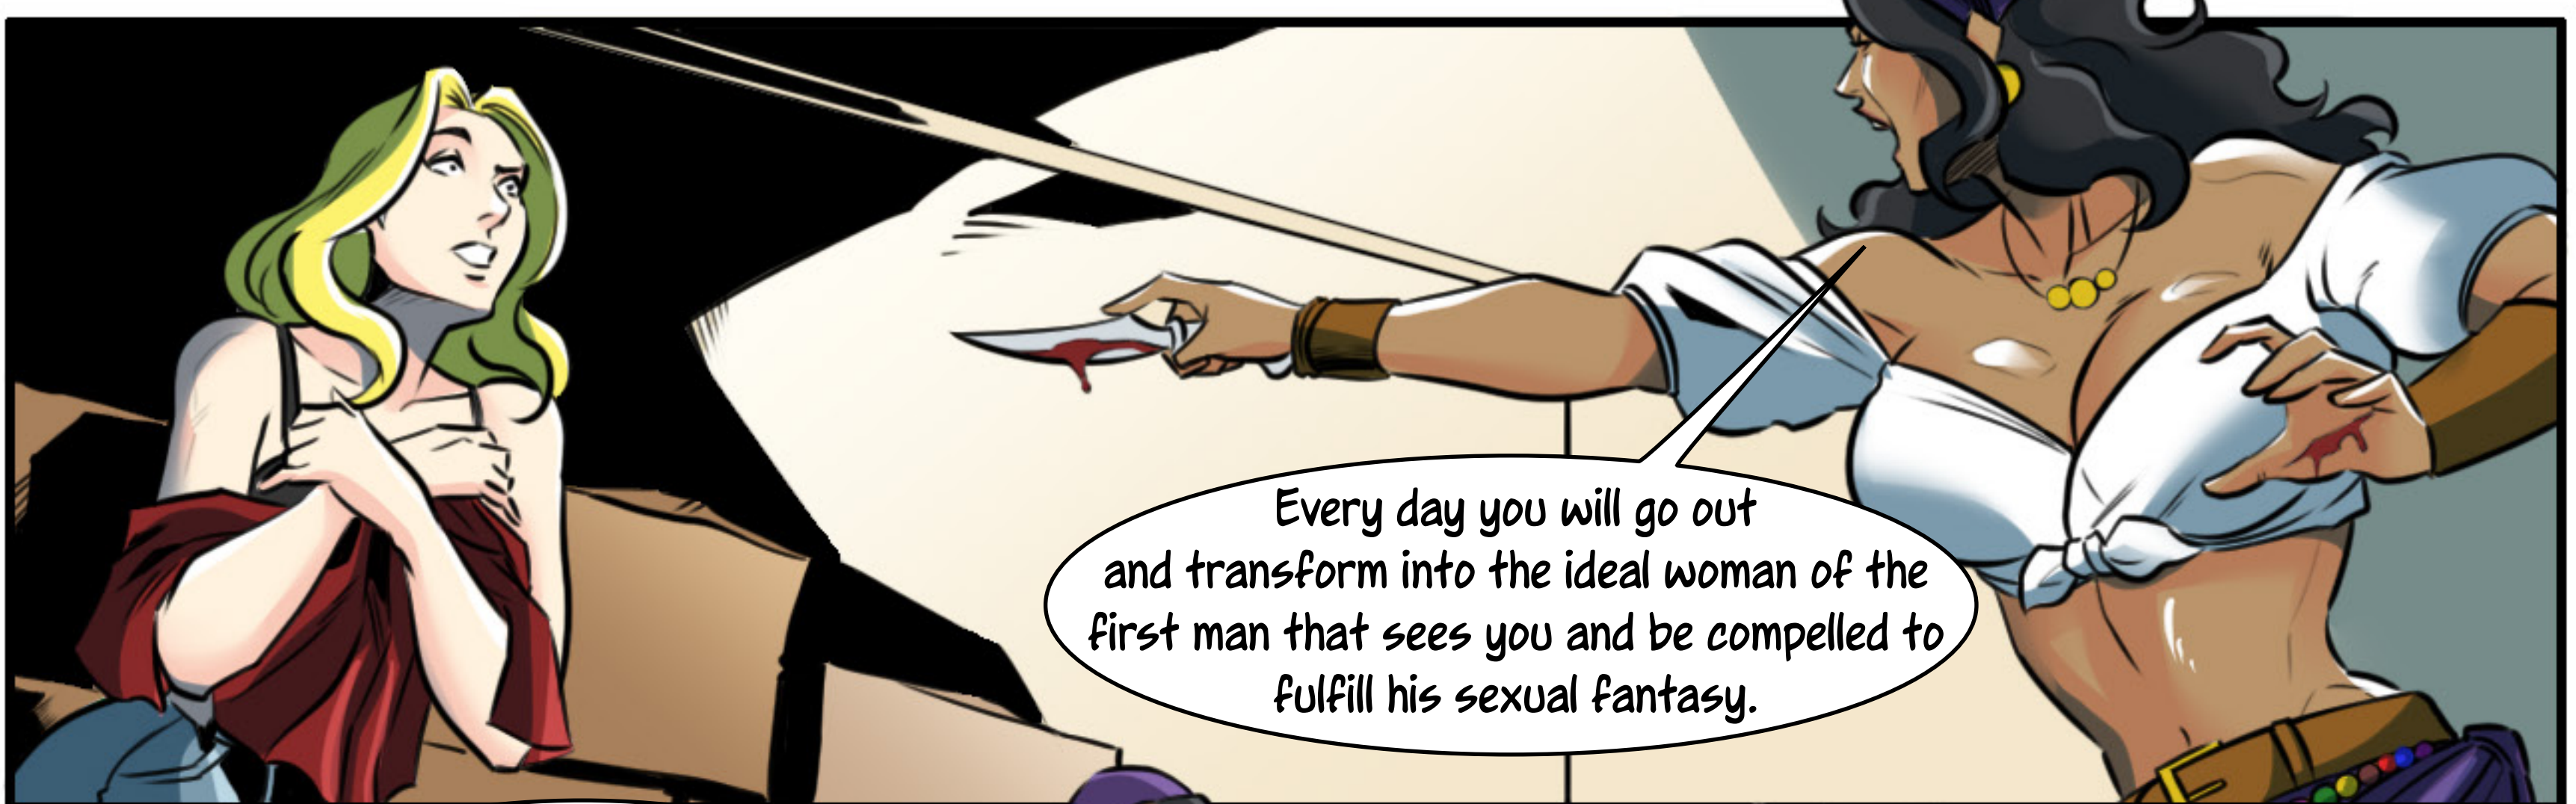

It's gonna fall off! It's gonna fall off! It's gonna fall off!

Hey now. There's no need for that. Just put the knife away and we can talk...

I offer my blood to the eldritch beings from before time began and invoke upon you the Jezebel curse!

SLASH!

Every day you will go out and transform into the ideal woman of the first man that sees you and be compelled to fulfill his sexual fantasy.

Now get the fuck out of my bedroom and suffer the life of a perpetual whore!

You're fucking crazy!

ME XANADU'S
MINISTRATIONS

Wow!
That was a crazy
situation!

From now on
no more sleeping with a
guy until I get to know
him first.

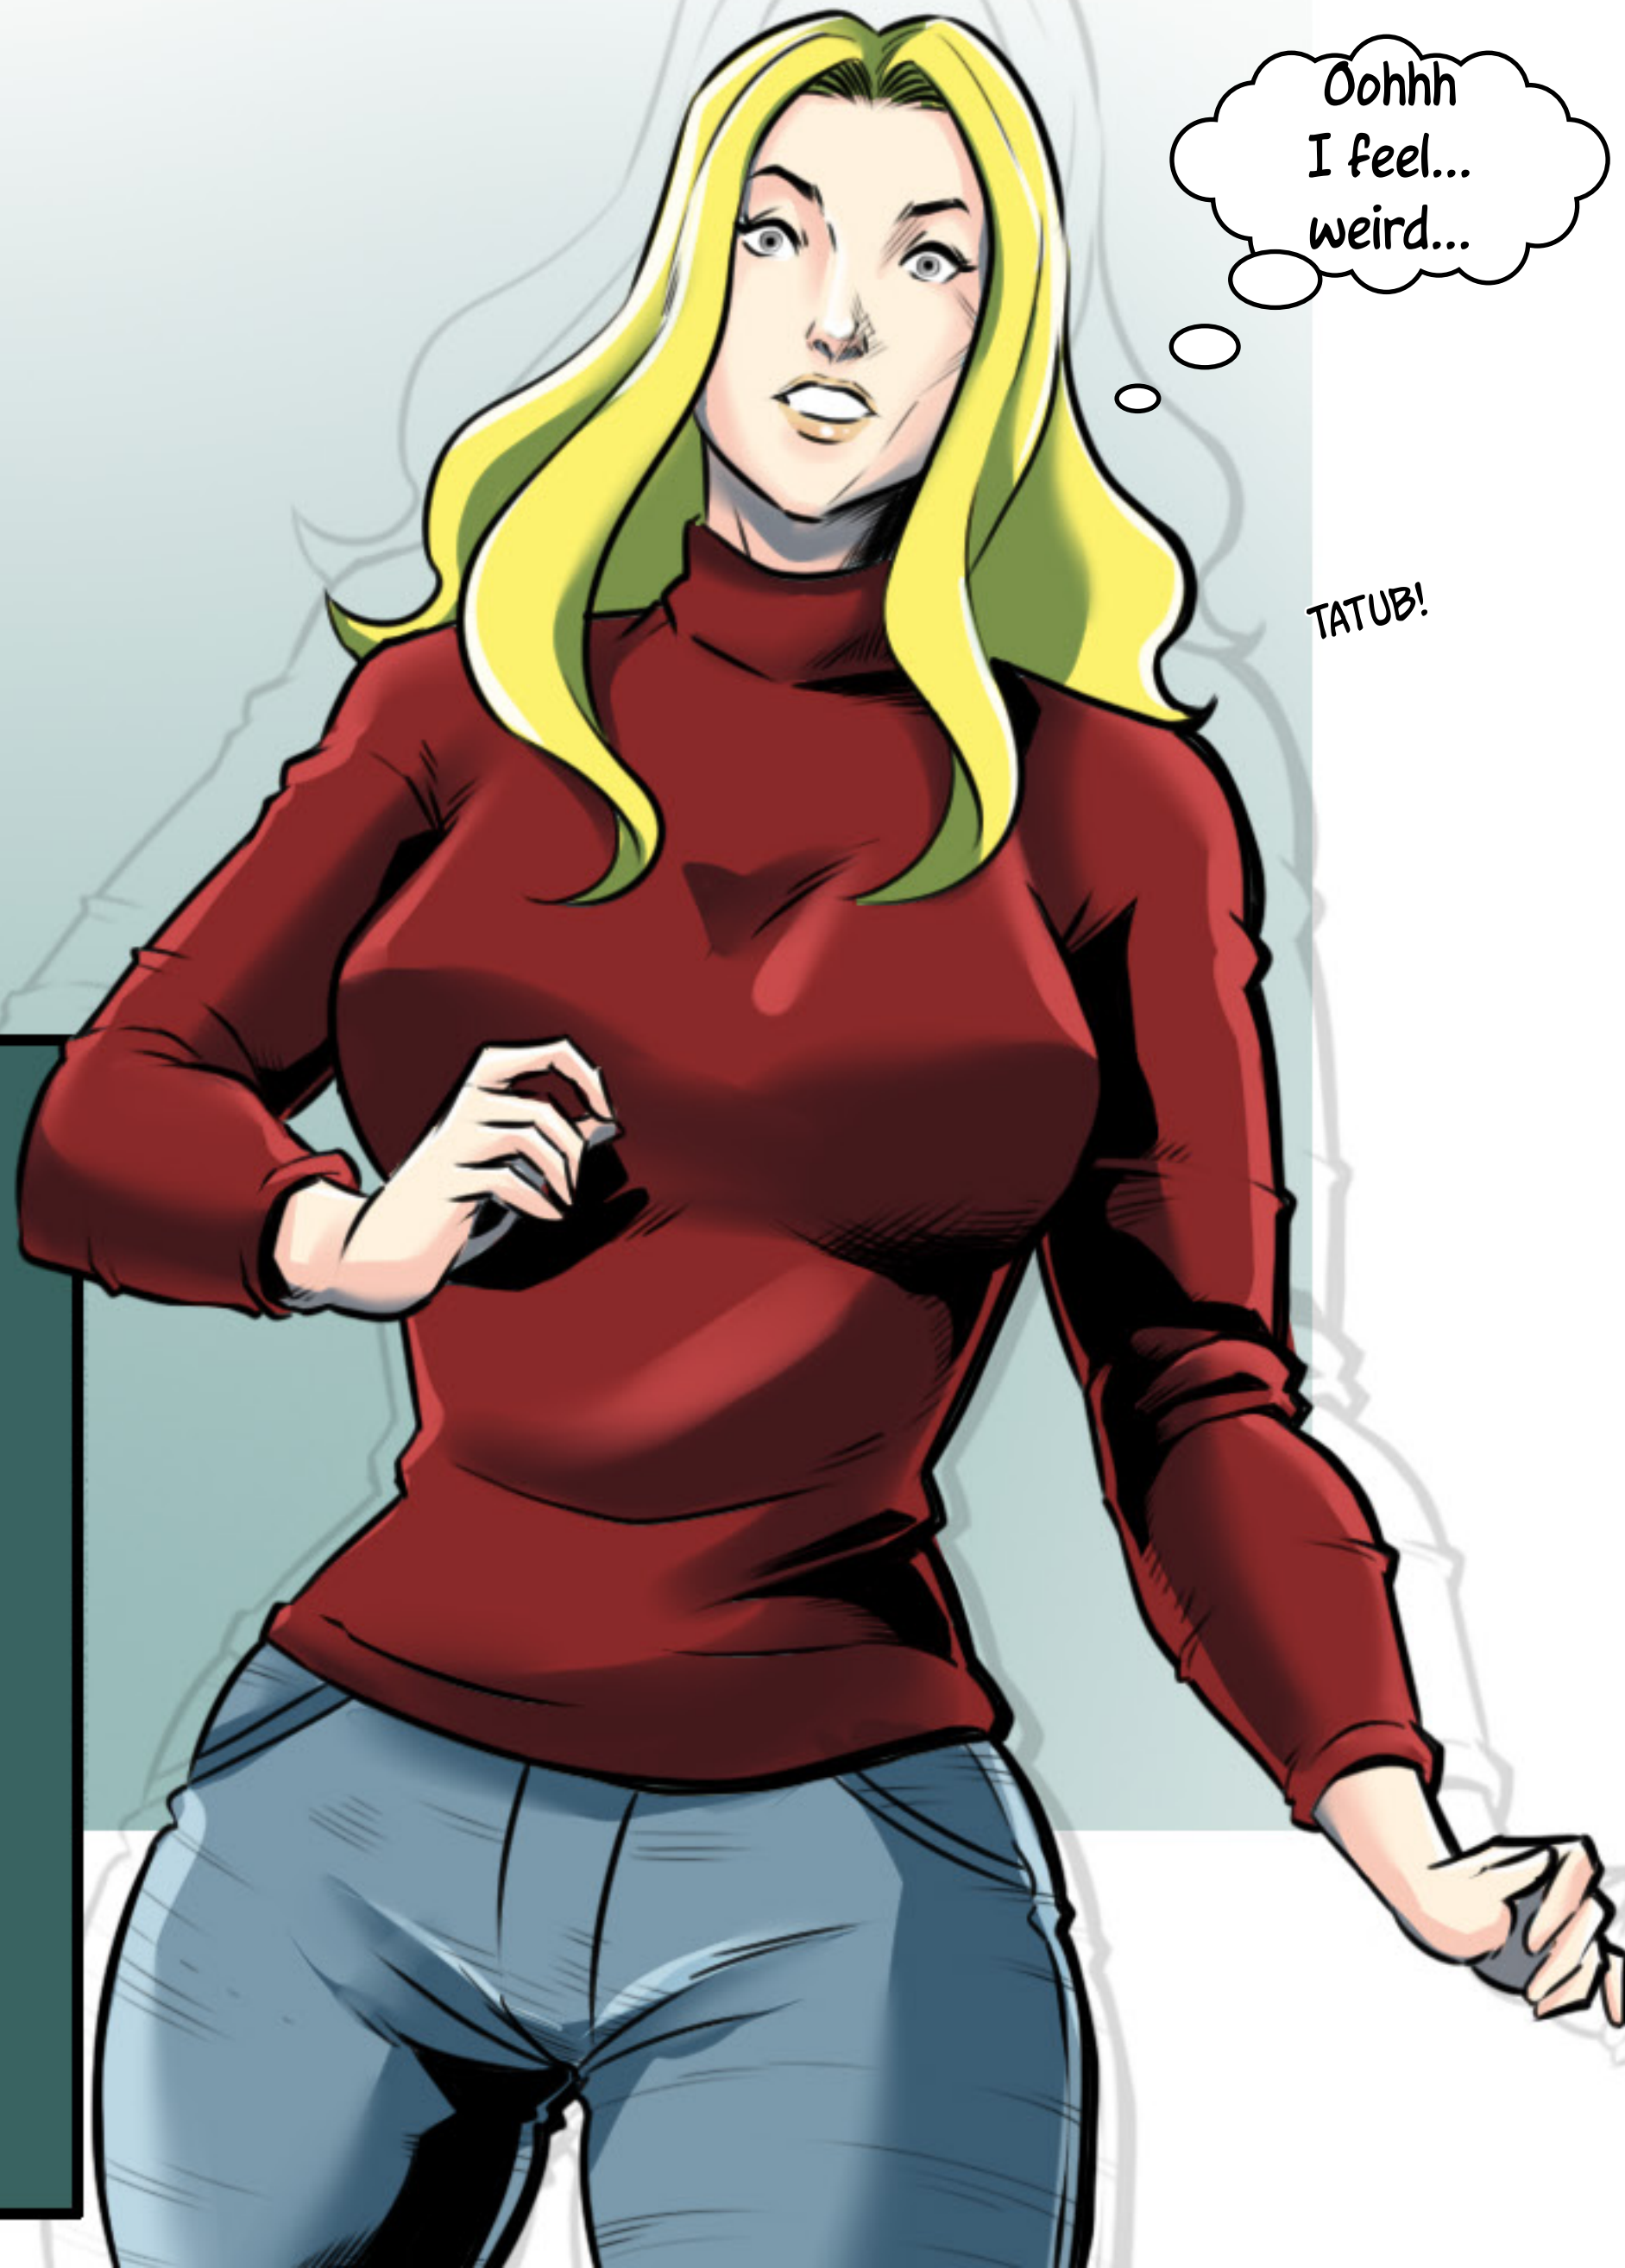

Hey babe
why don't you and me
go into the alley and
fuck! Hehehe!

Oohhh
I feel...
weird...

TATUB!

Ughhh...
just ignore the pig and
keep walking...

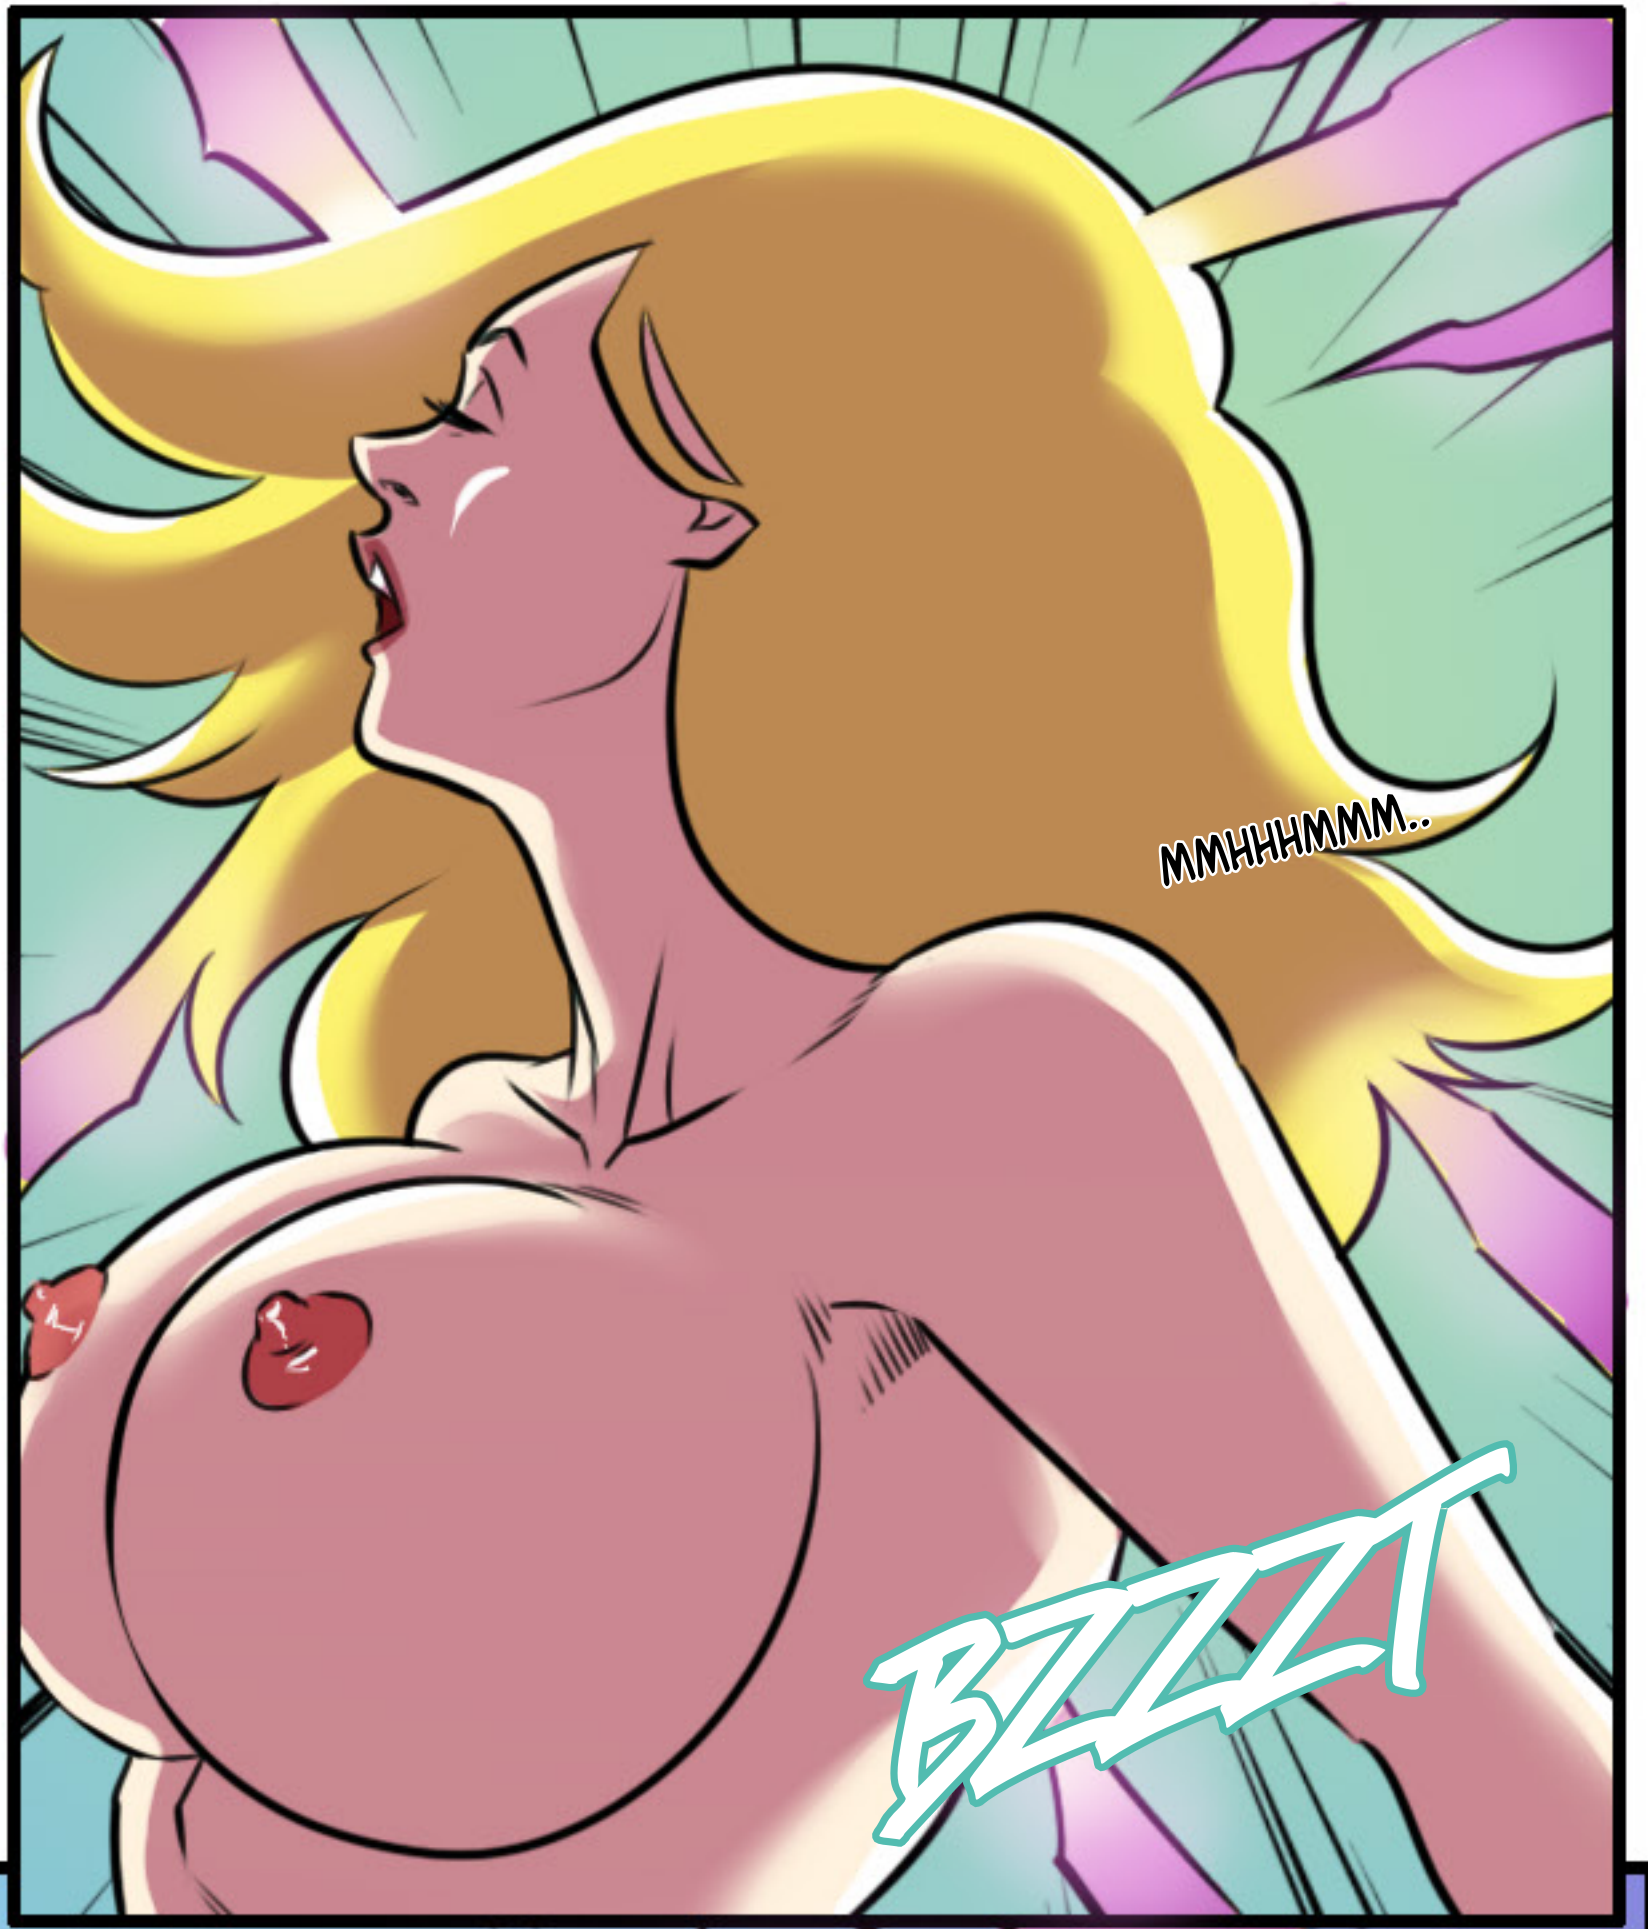

AHHNN..

FWOOMP!

KZZIT

MMHHMMM..

BZZIT

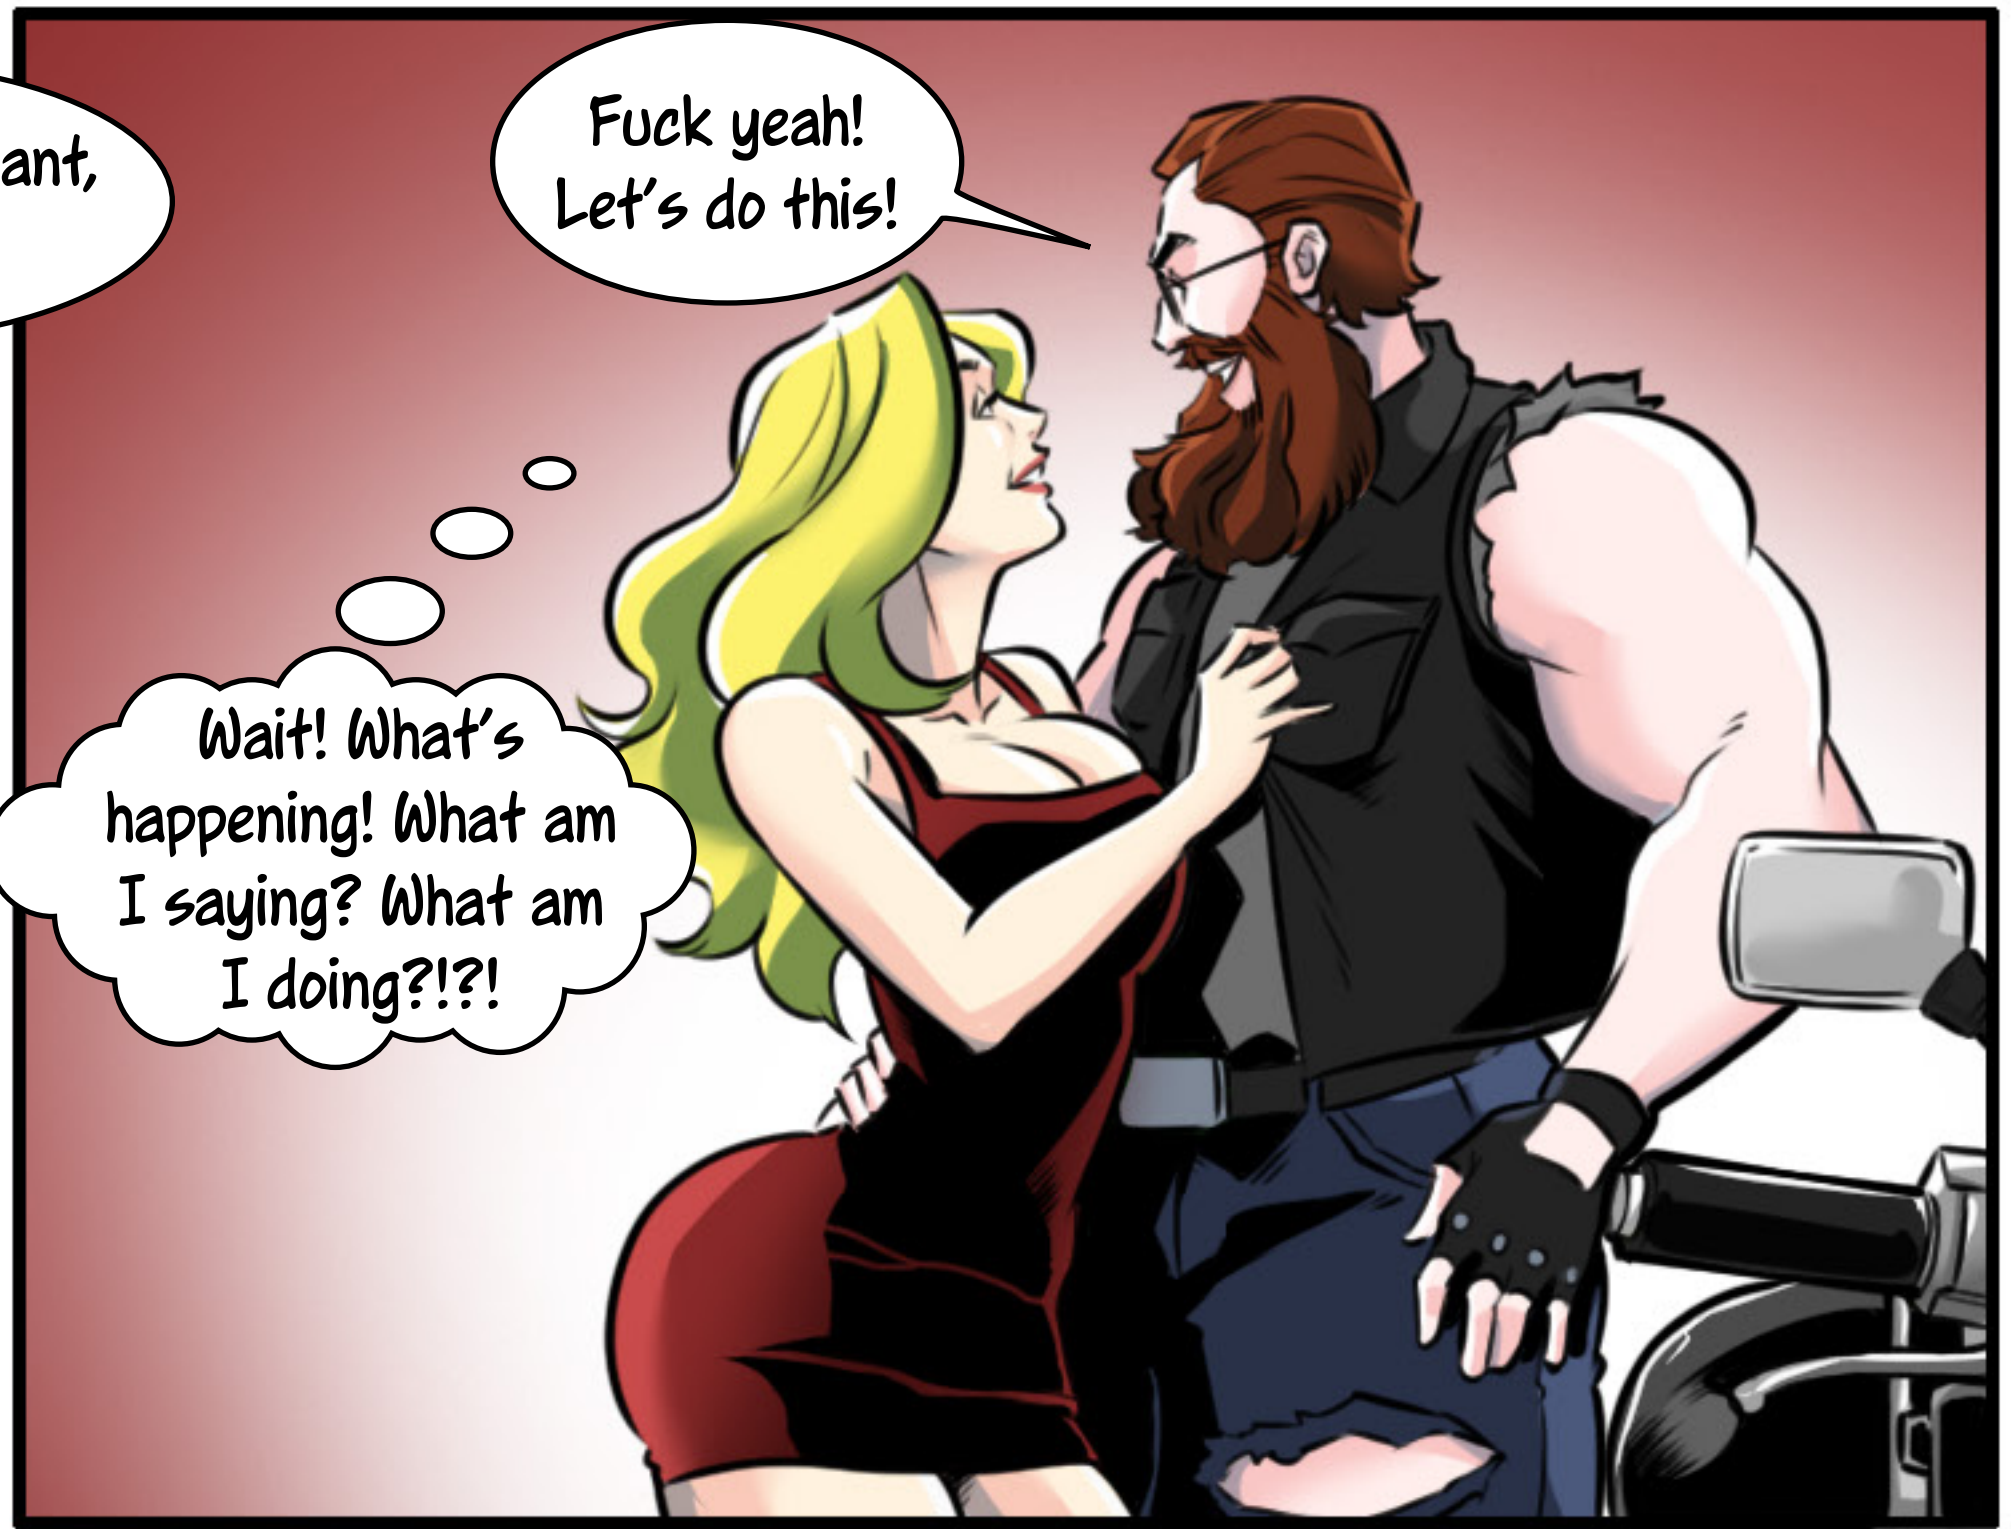

BUMP!

AHHNN..

SHIING!

Whatever you want, big man!

Fuck yeah! Let's do this!

Wait! What's happening! What am I saying? What am I doing?!?!

I'm gonna fuck you so hard, cum will shoot out your ears.

Mmmm... I'm getting wet just thinking about it.

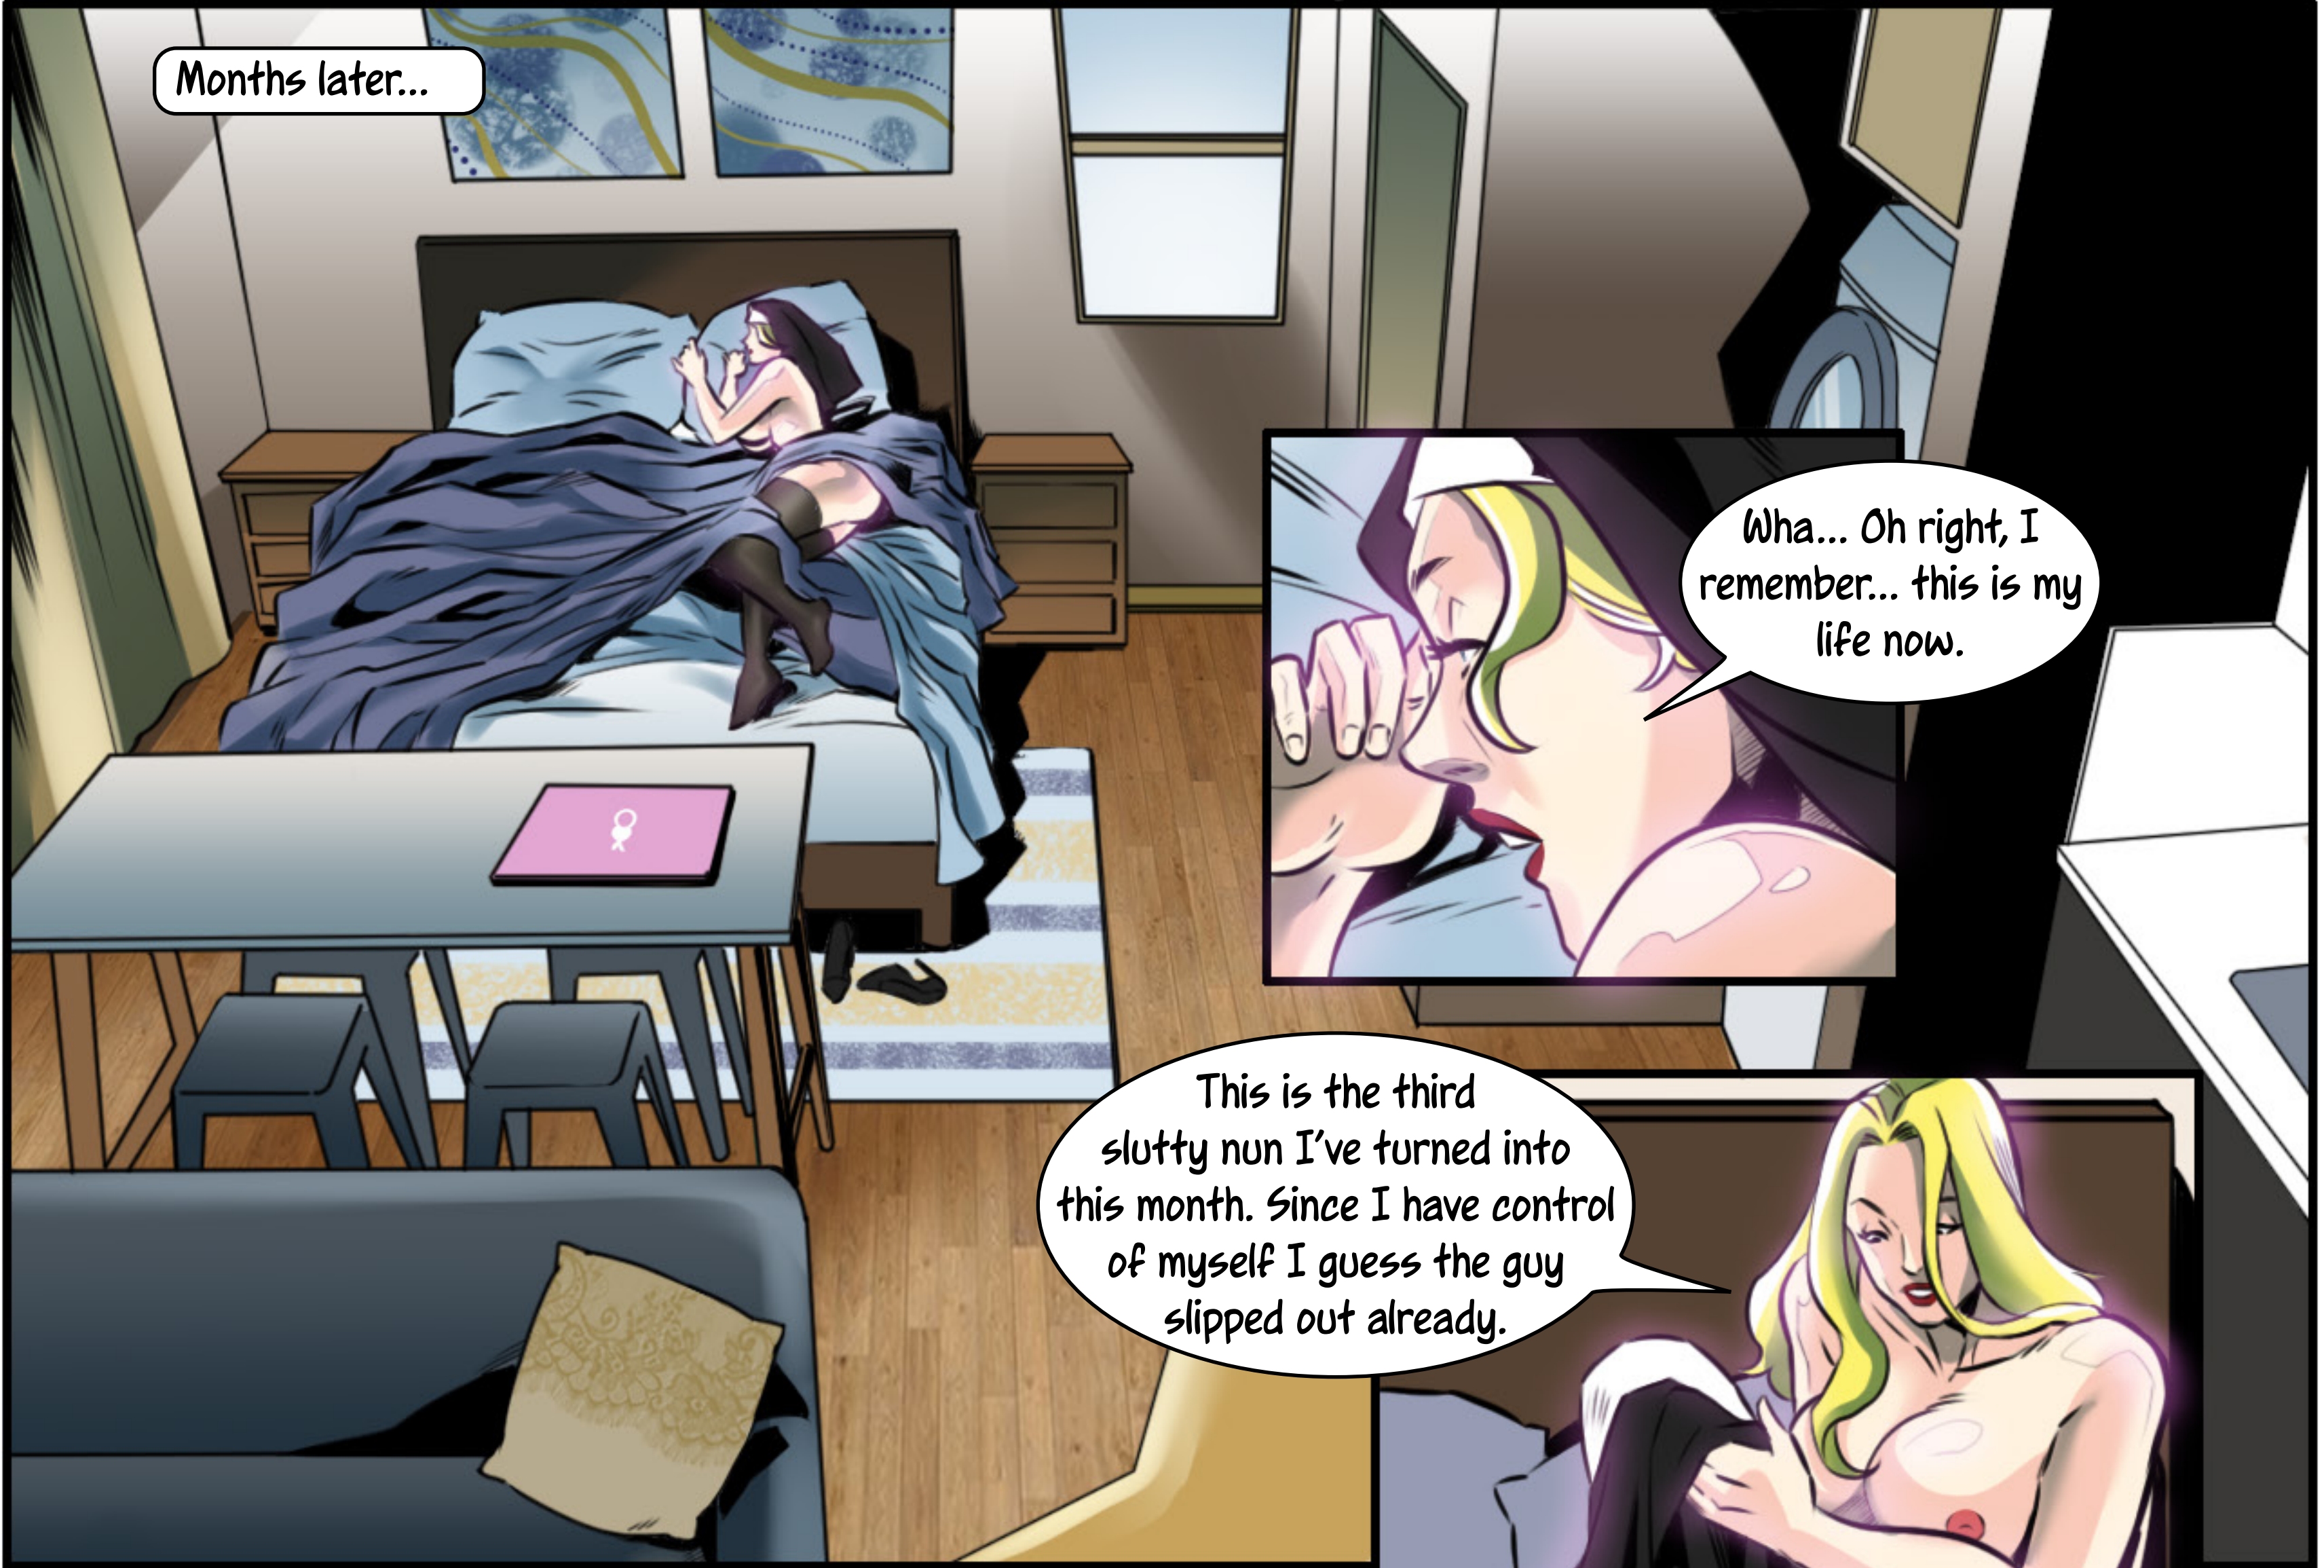

FWOOMP!

I can't control myself!

I can't wait to suck that huge cock of yours!

RIPPP!

Months later...

Wha... Oh right, I remember... this is my life now.

This is the third slutty nun I've turned into this month. Since I have control of myself I guess the guy slipped out already.

At least I'm home, trying to make it back here from a cheap motel or something is almost impossible.

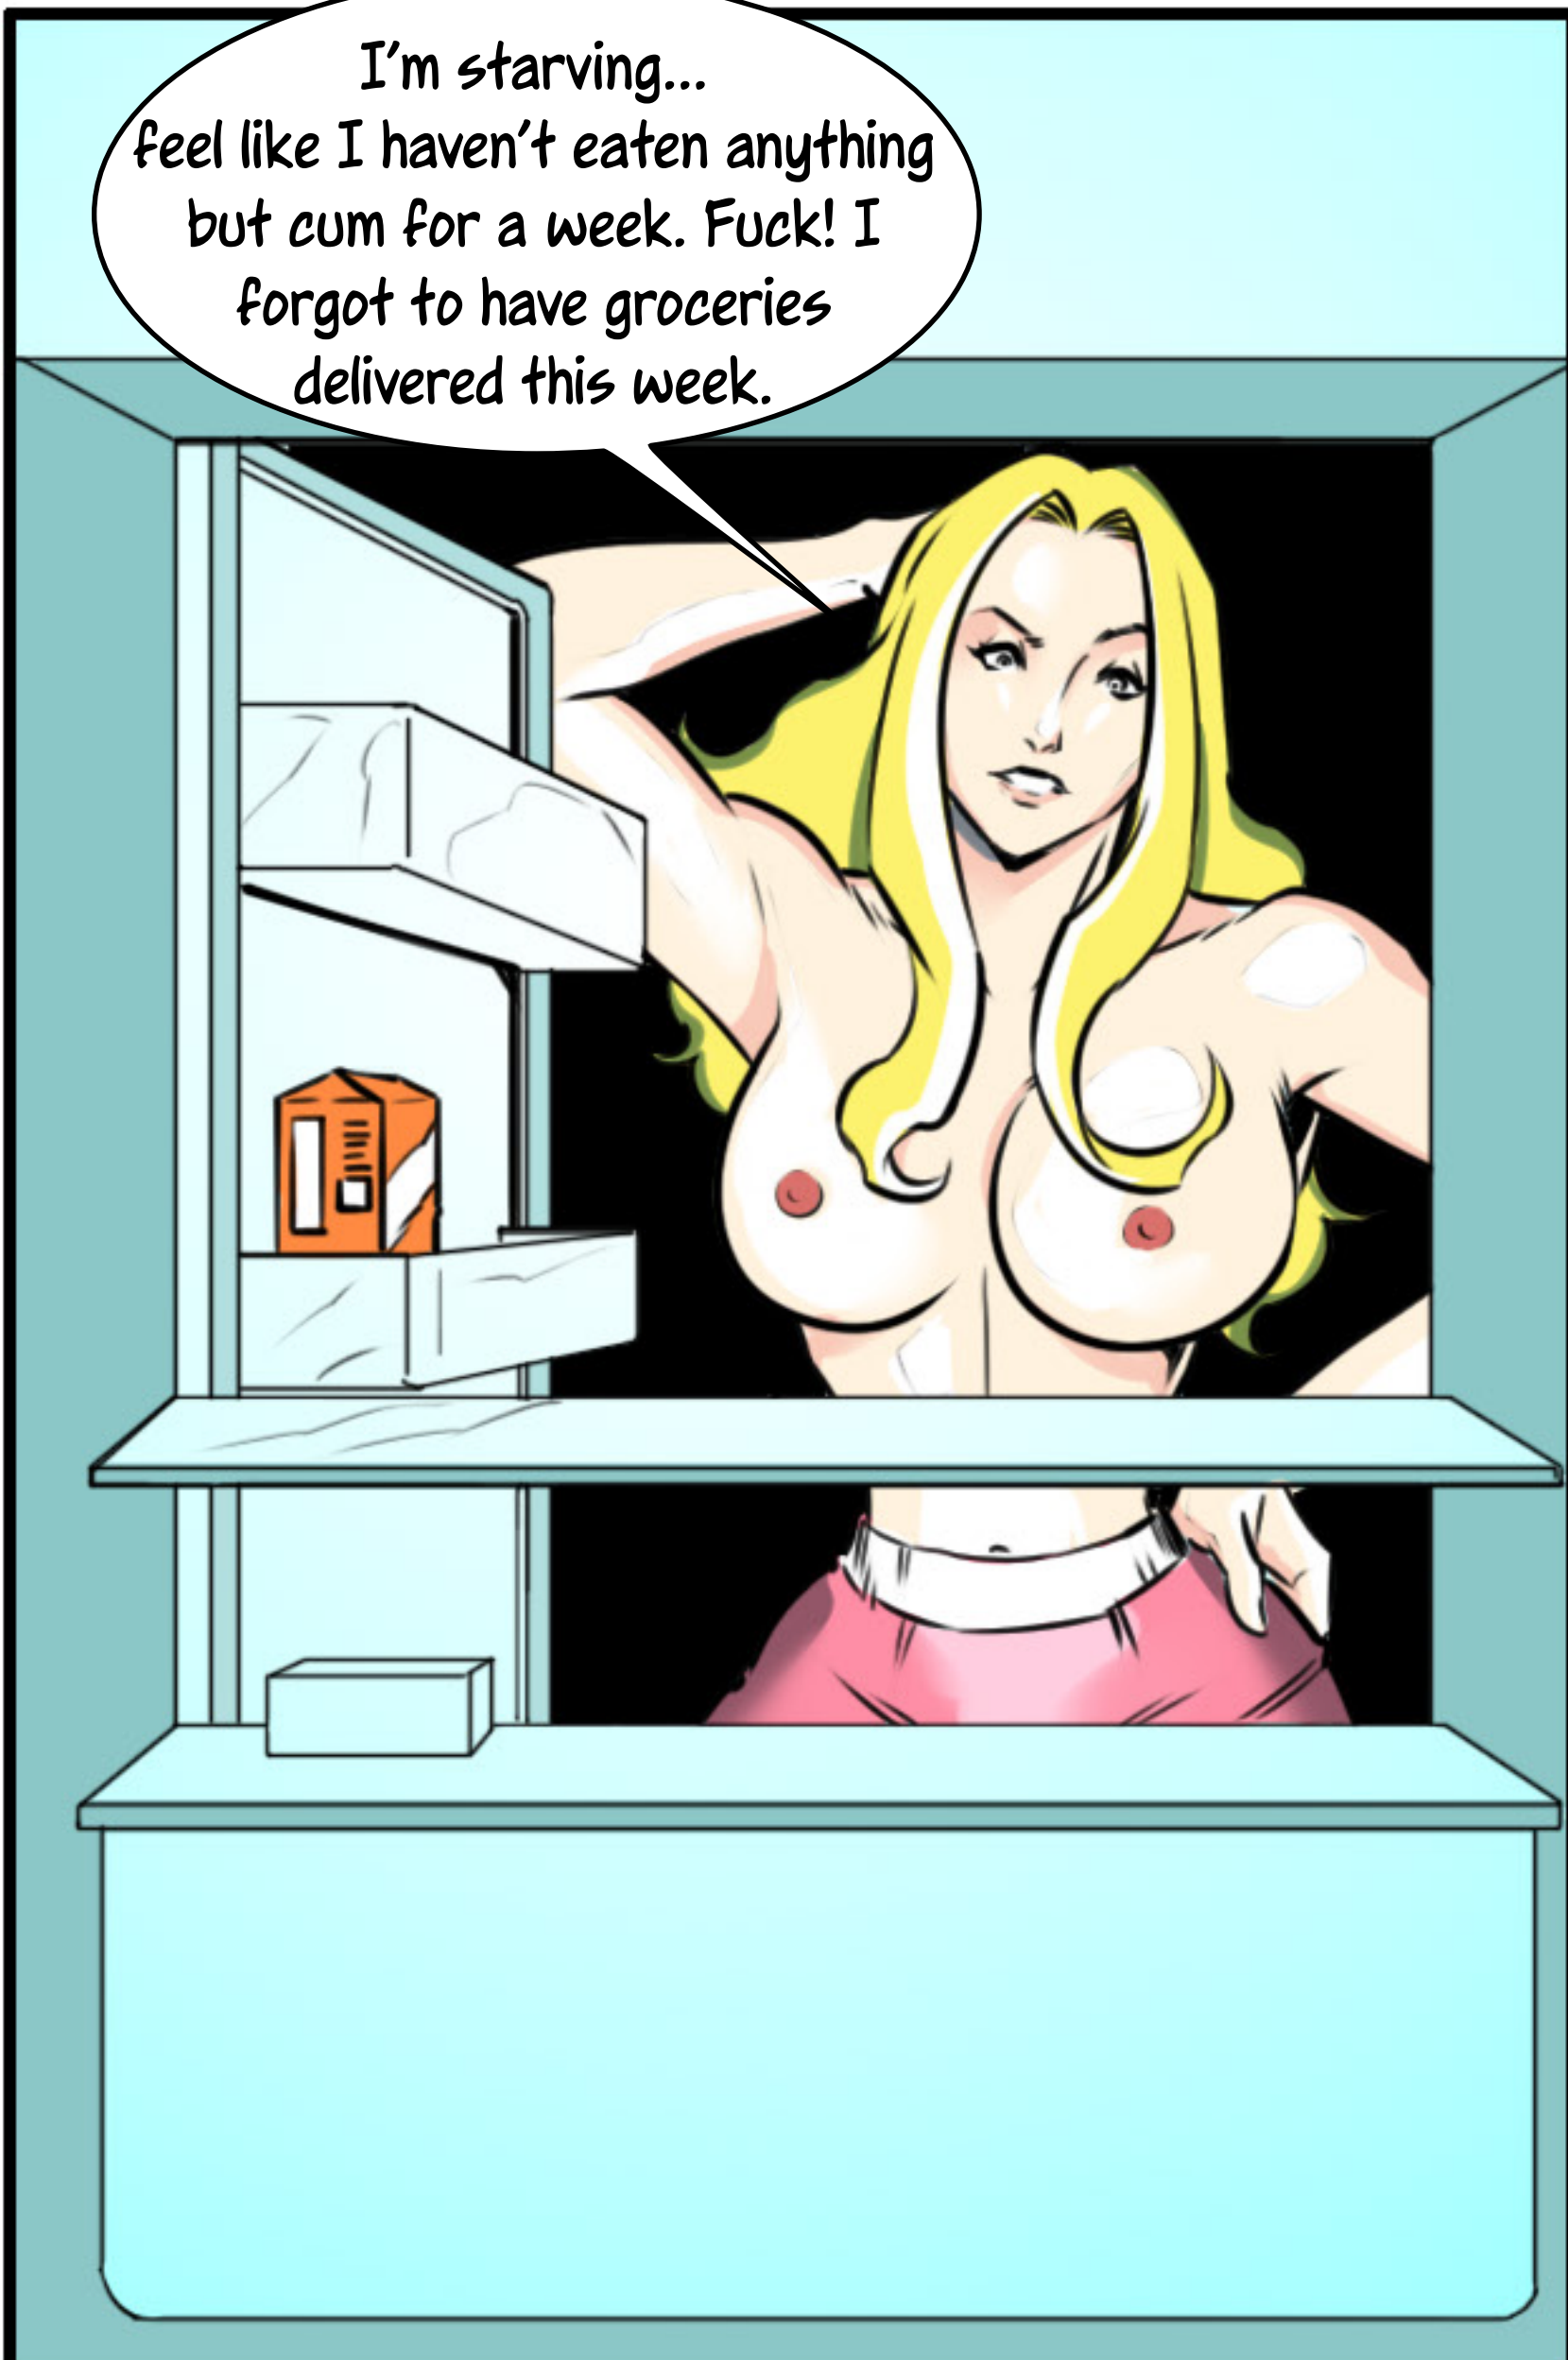

Ah sunrise, my favorite part of the day.

I have about six hours before the curse forces me to leave the house.

Not sure how much more of this fucking curse I can take. Eventually I'll burn through my life savings, then how will I pay for things?

I'm starving... feel like I haven't eaten anything but cum for a week. Fuck! I forgot to have groceries delivered this week.

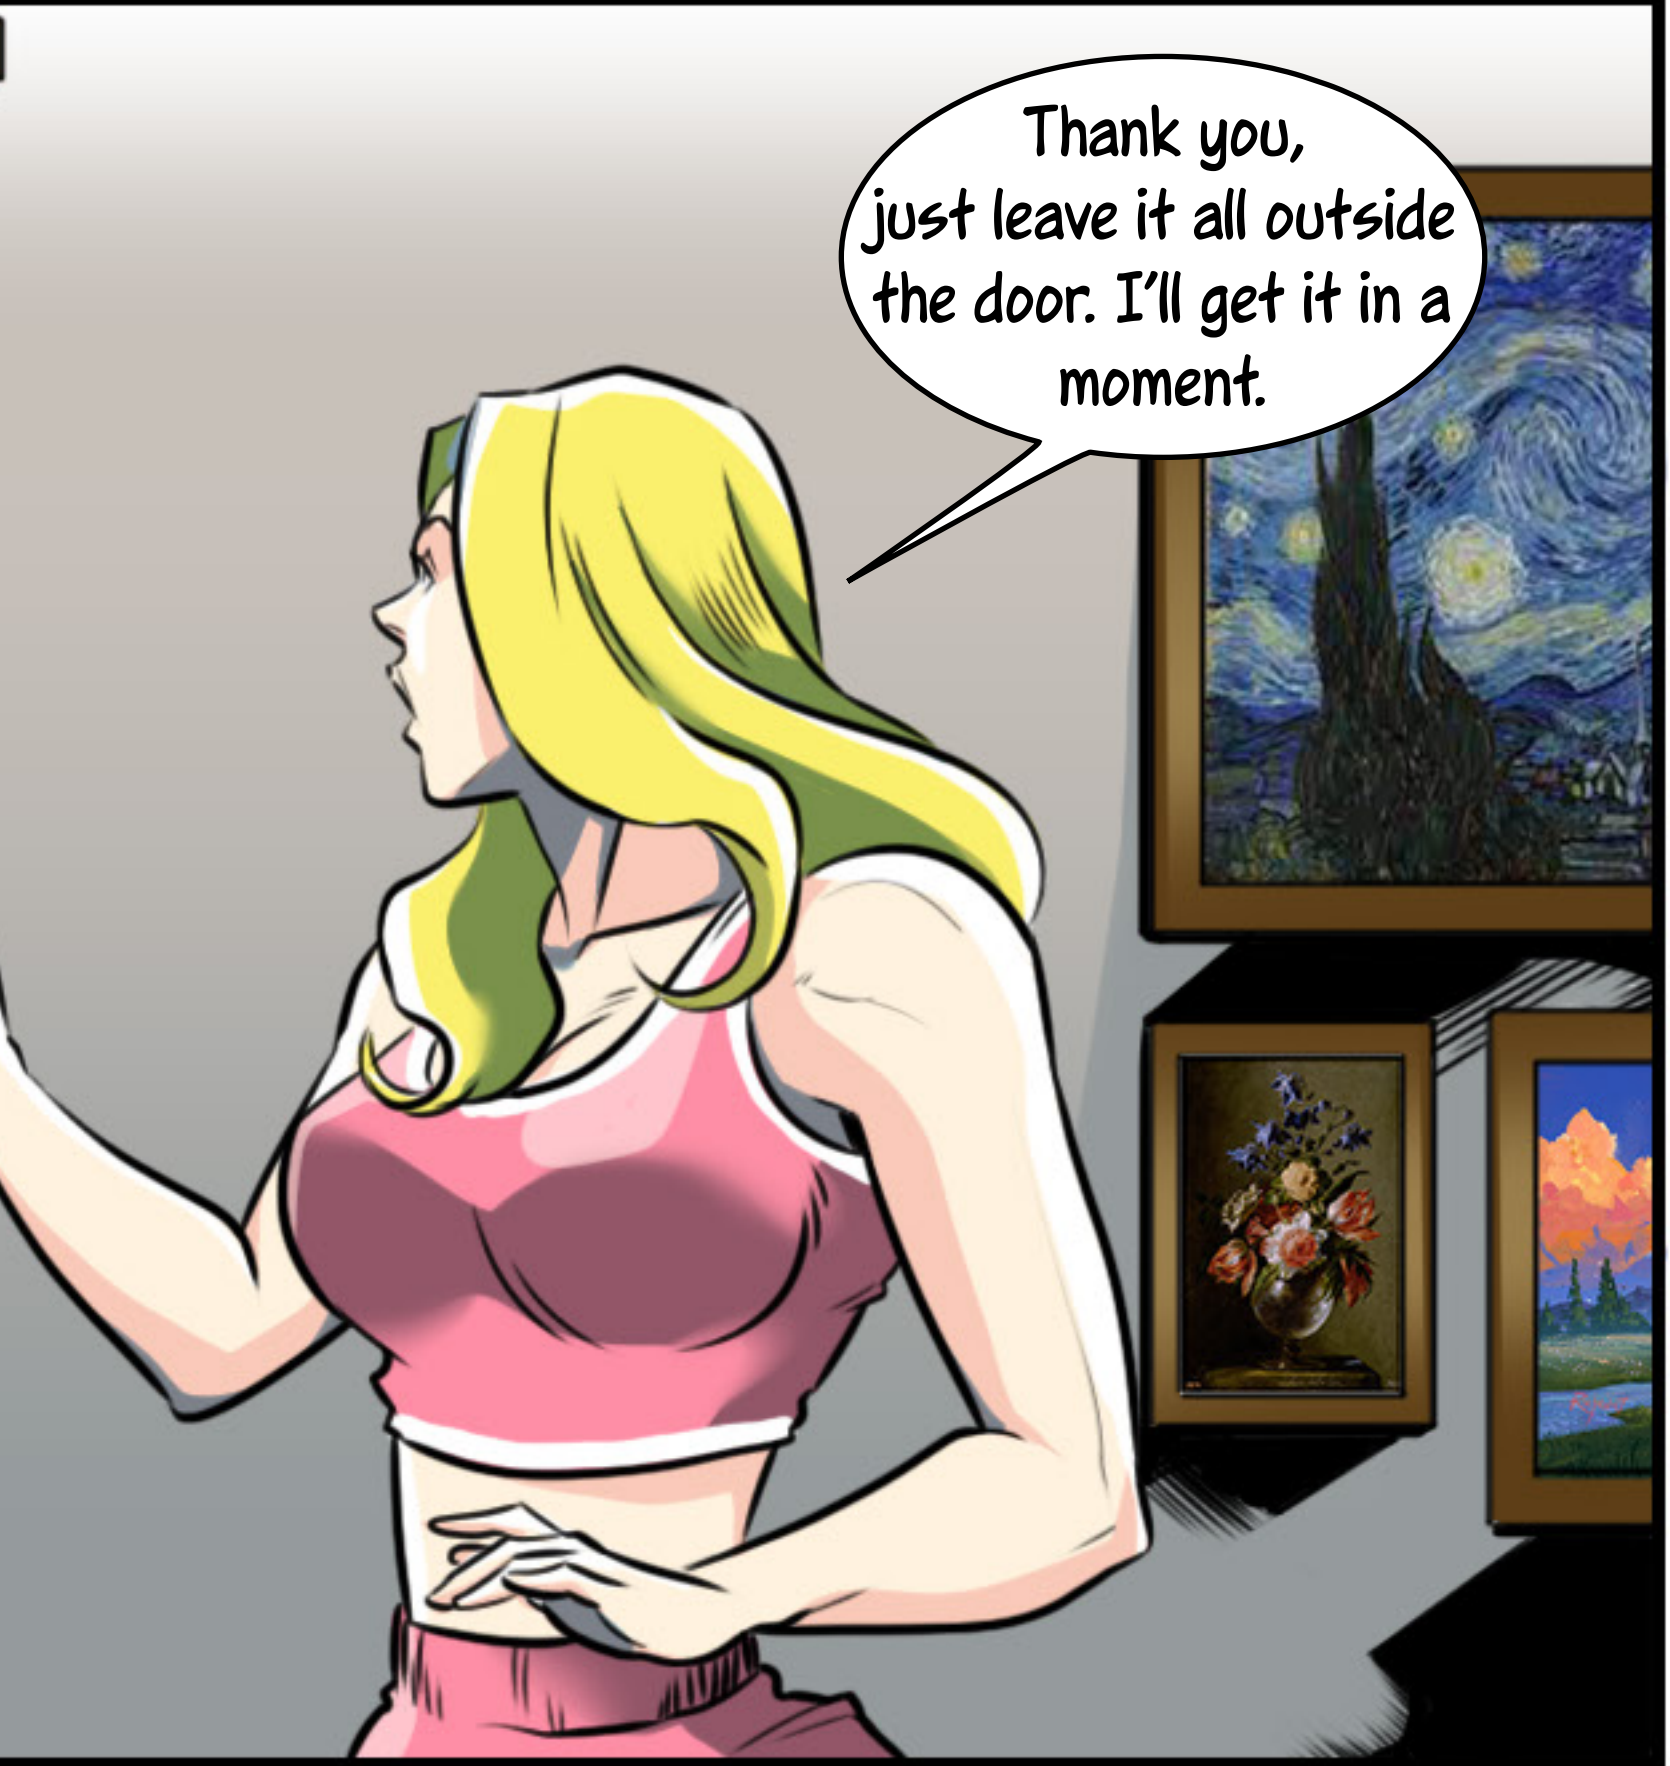

Guess I better do it now.

A little later...

Grocery delivery.

KNOCK
KNOCK
KNOCK

Thank you,
just leave it all outside
the door. I'll get it in a
moment.

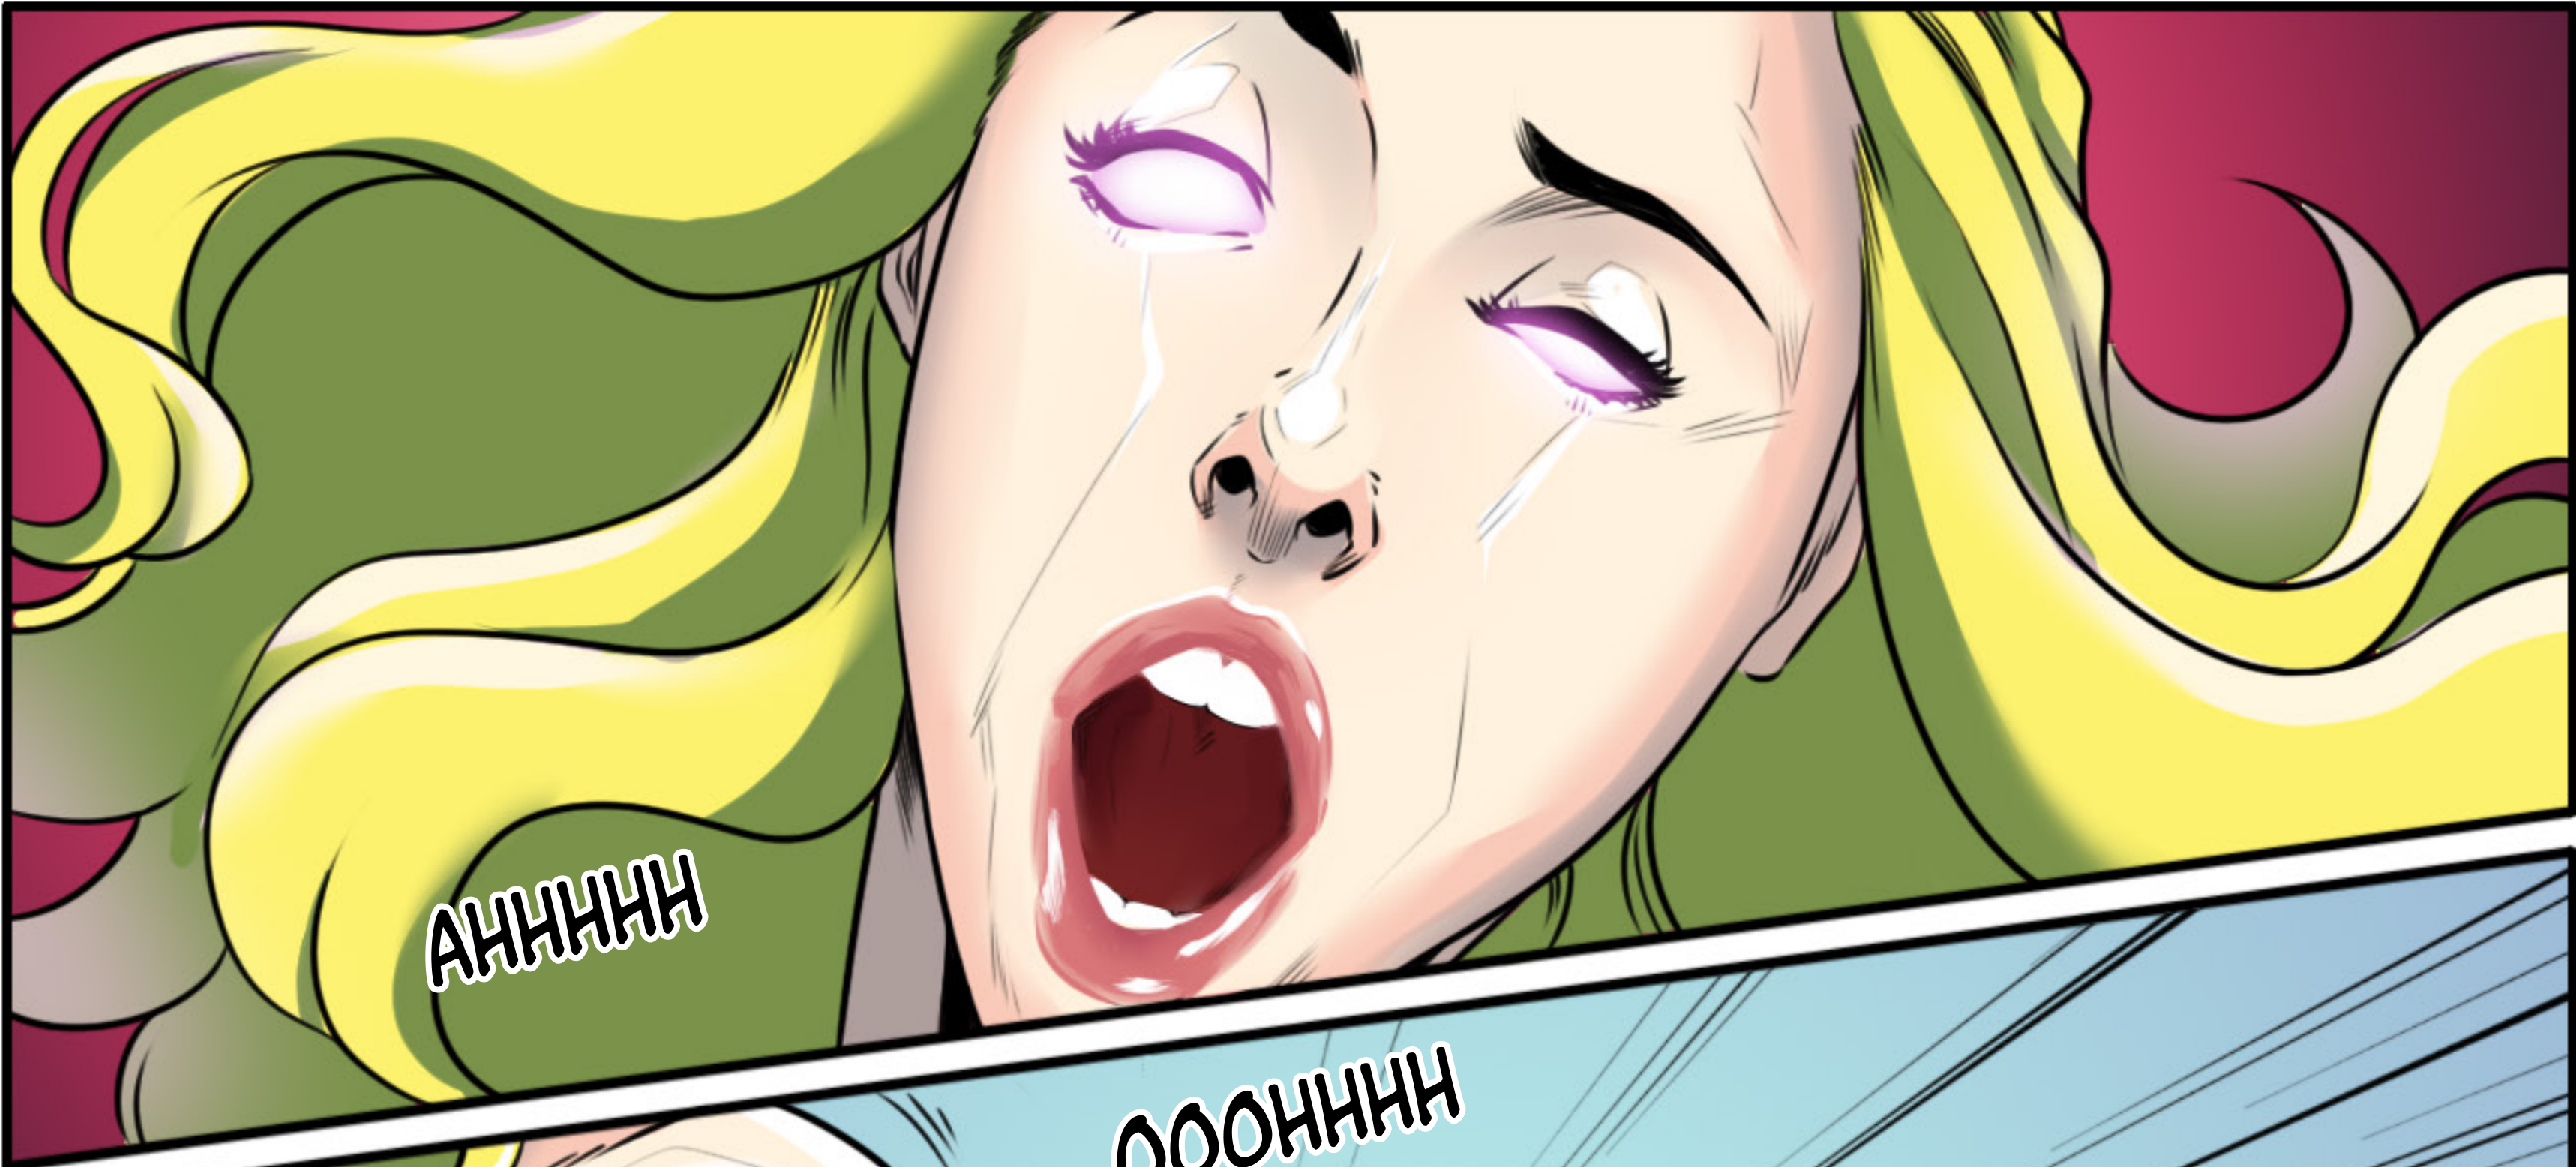

Alright he left.
Now to grab these as
quickly as possible.

Oh hello,
I was just leaving
when I noticed there
was a mistake with
your order.

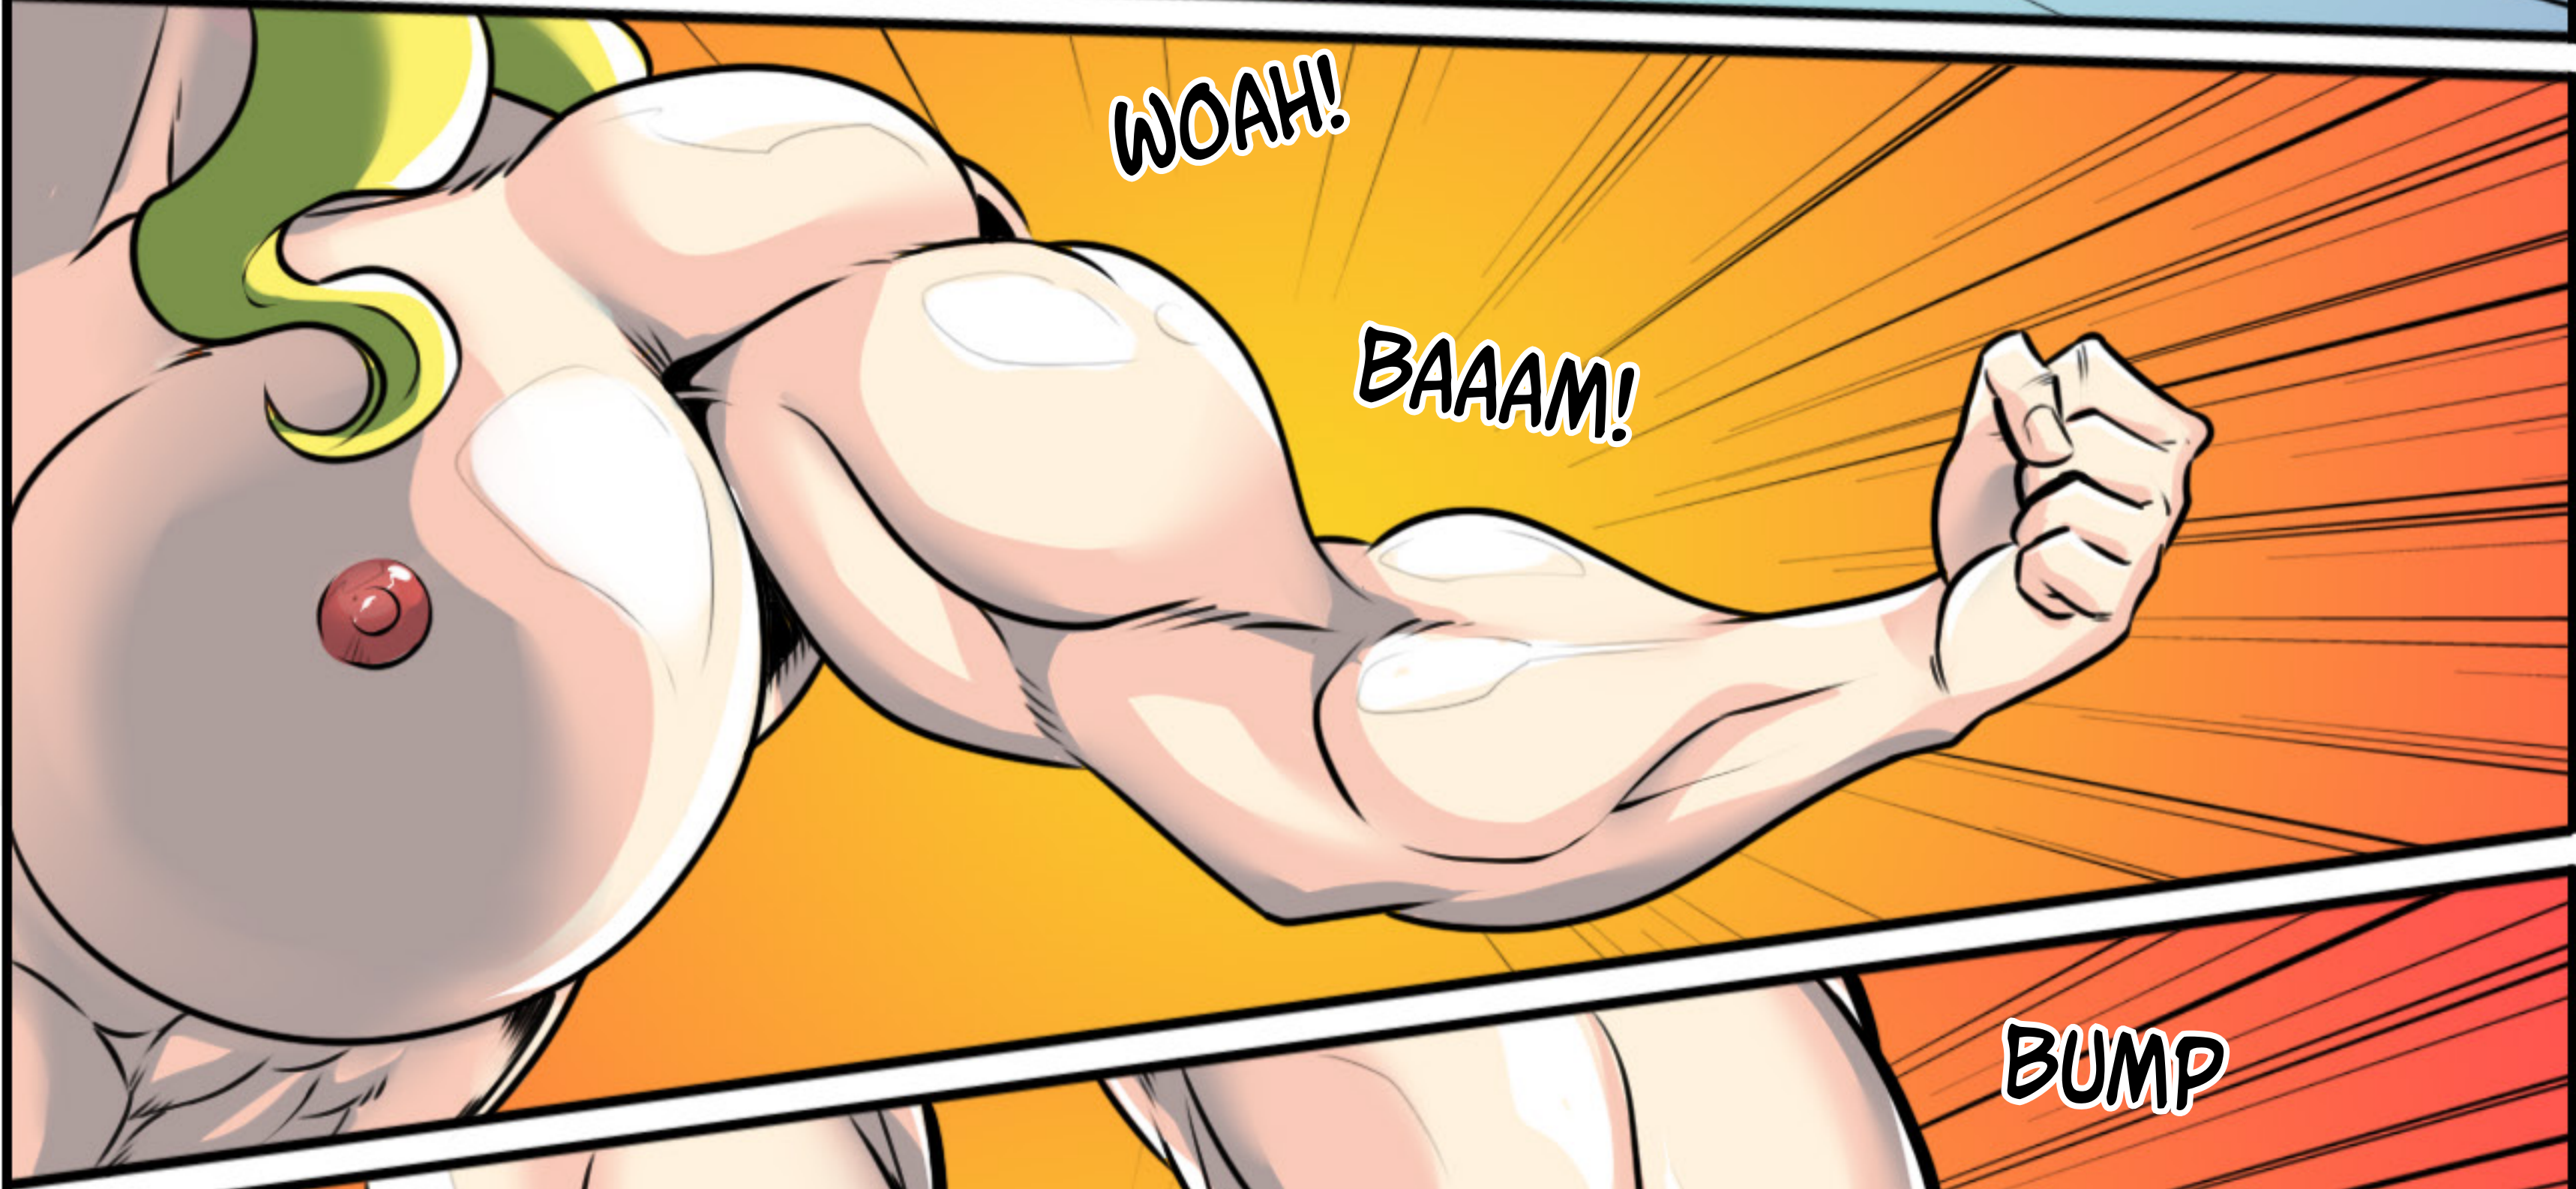

FUCK!
I didn't even make it
for one hour today.

AHHHHH

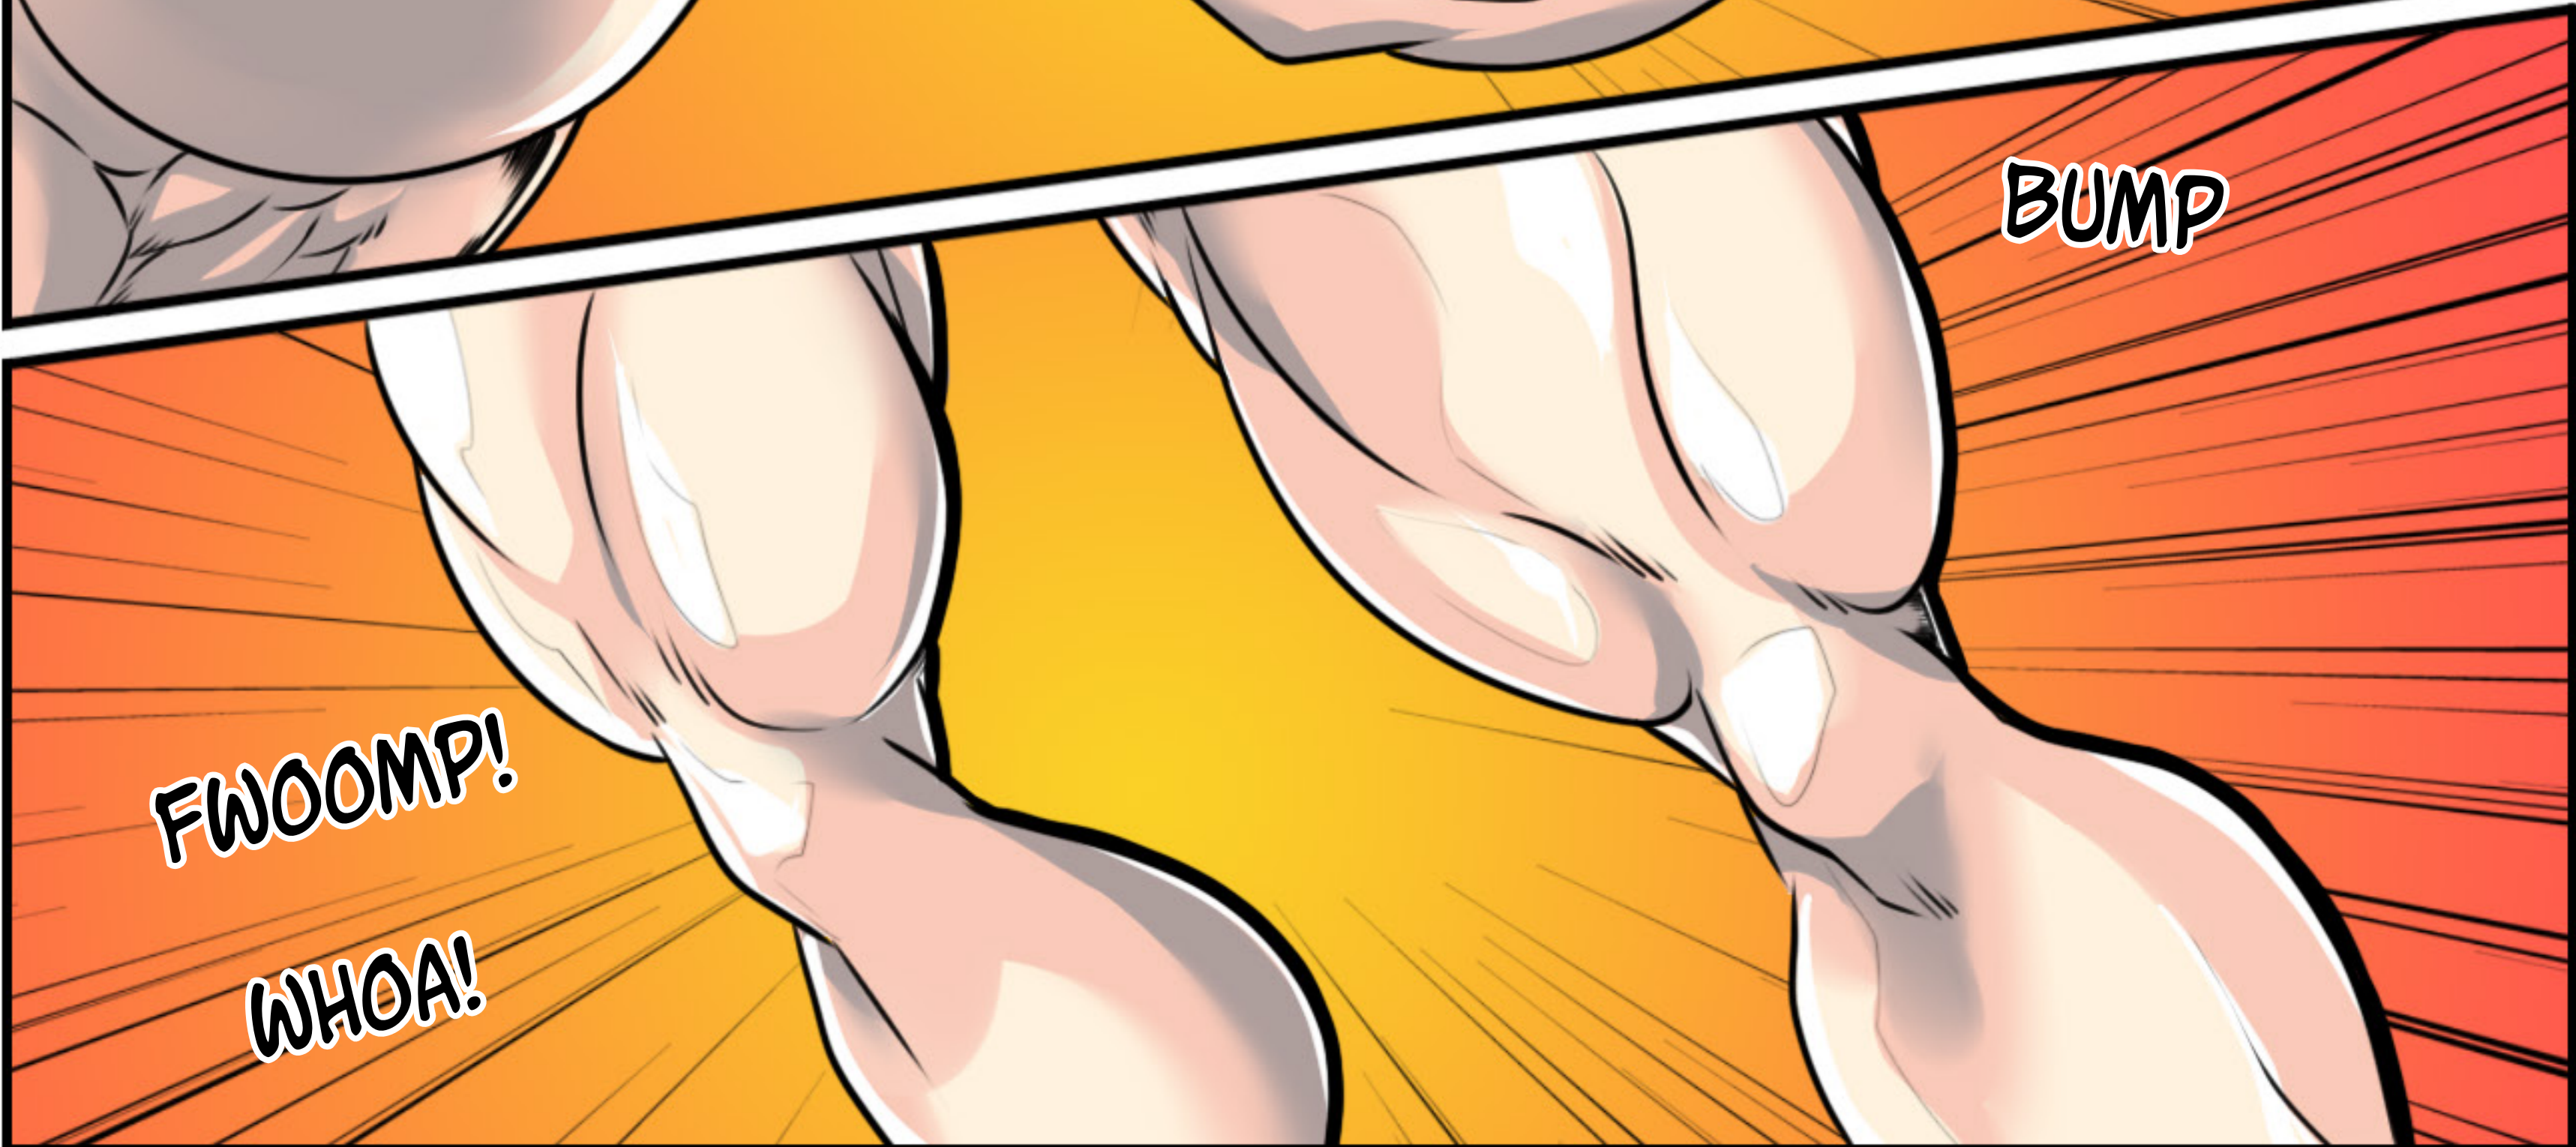

OOHHHH

WOAH!

BAAAM!

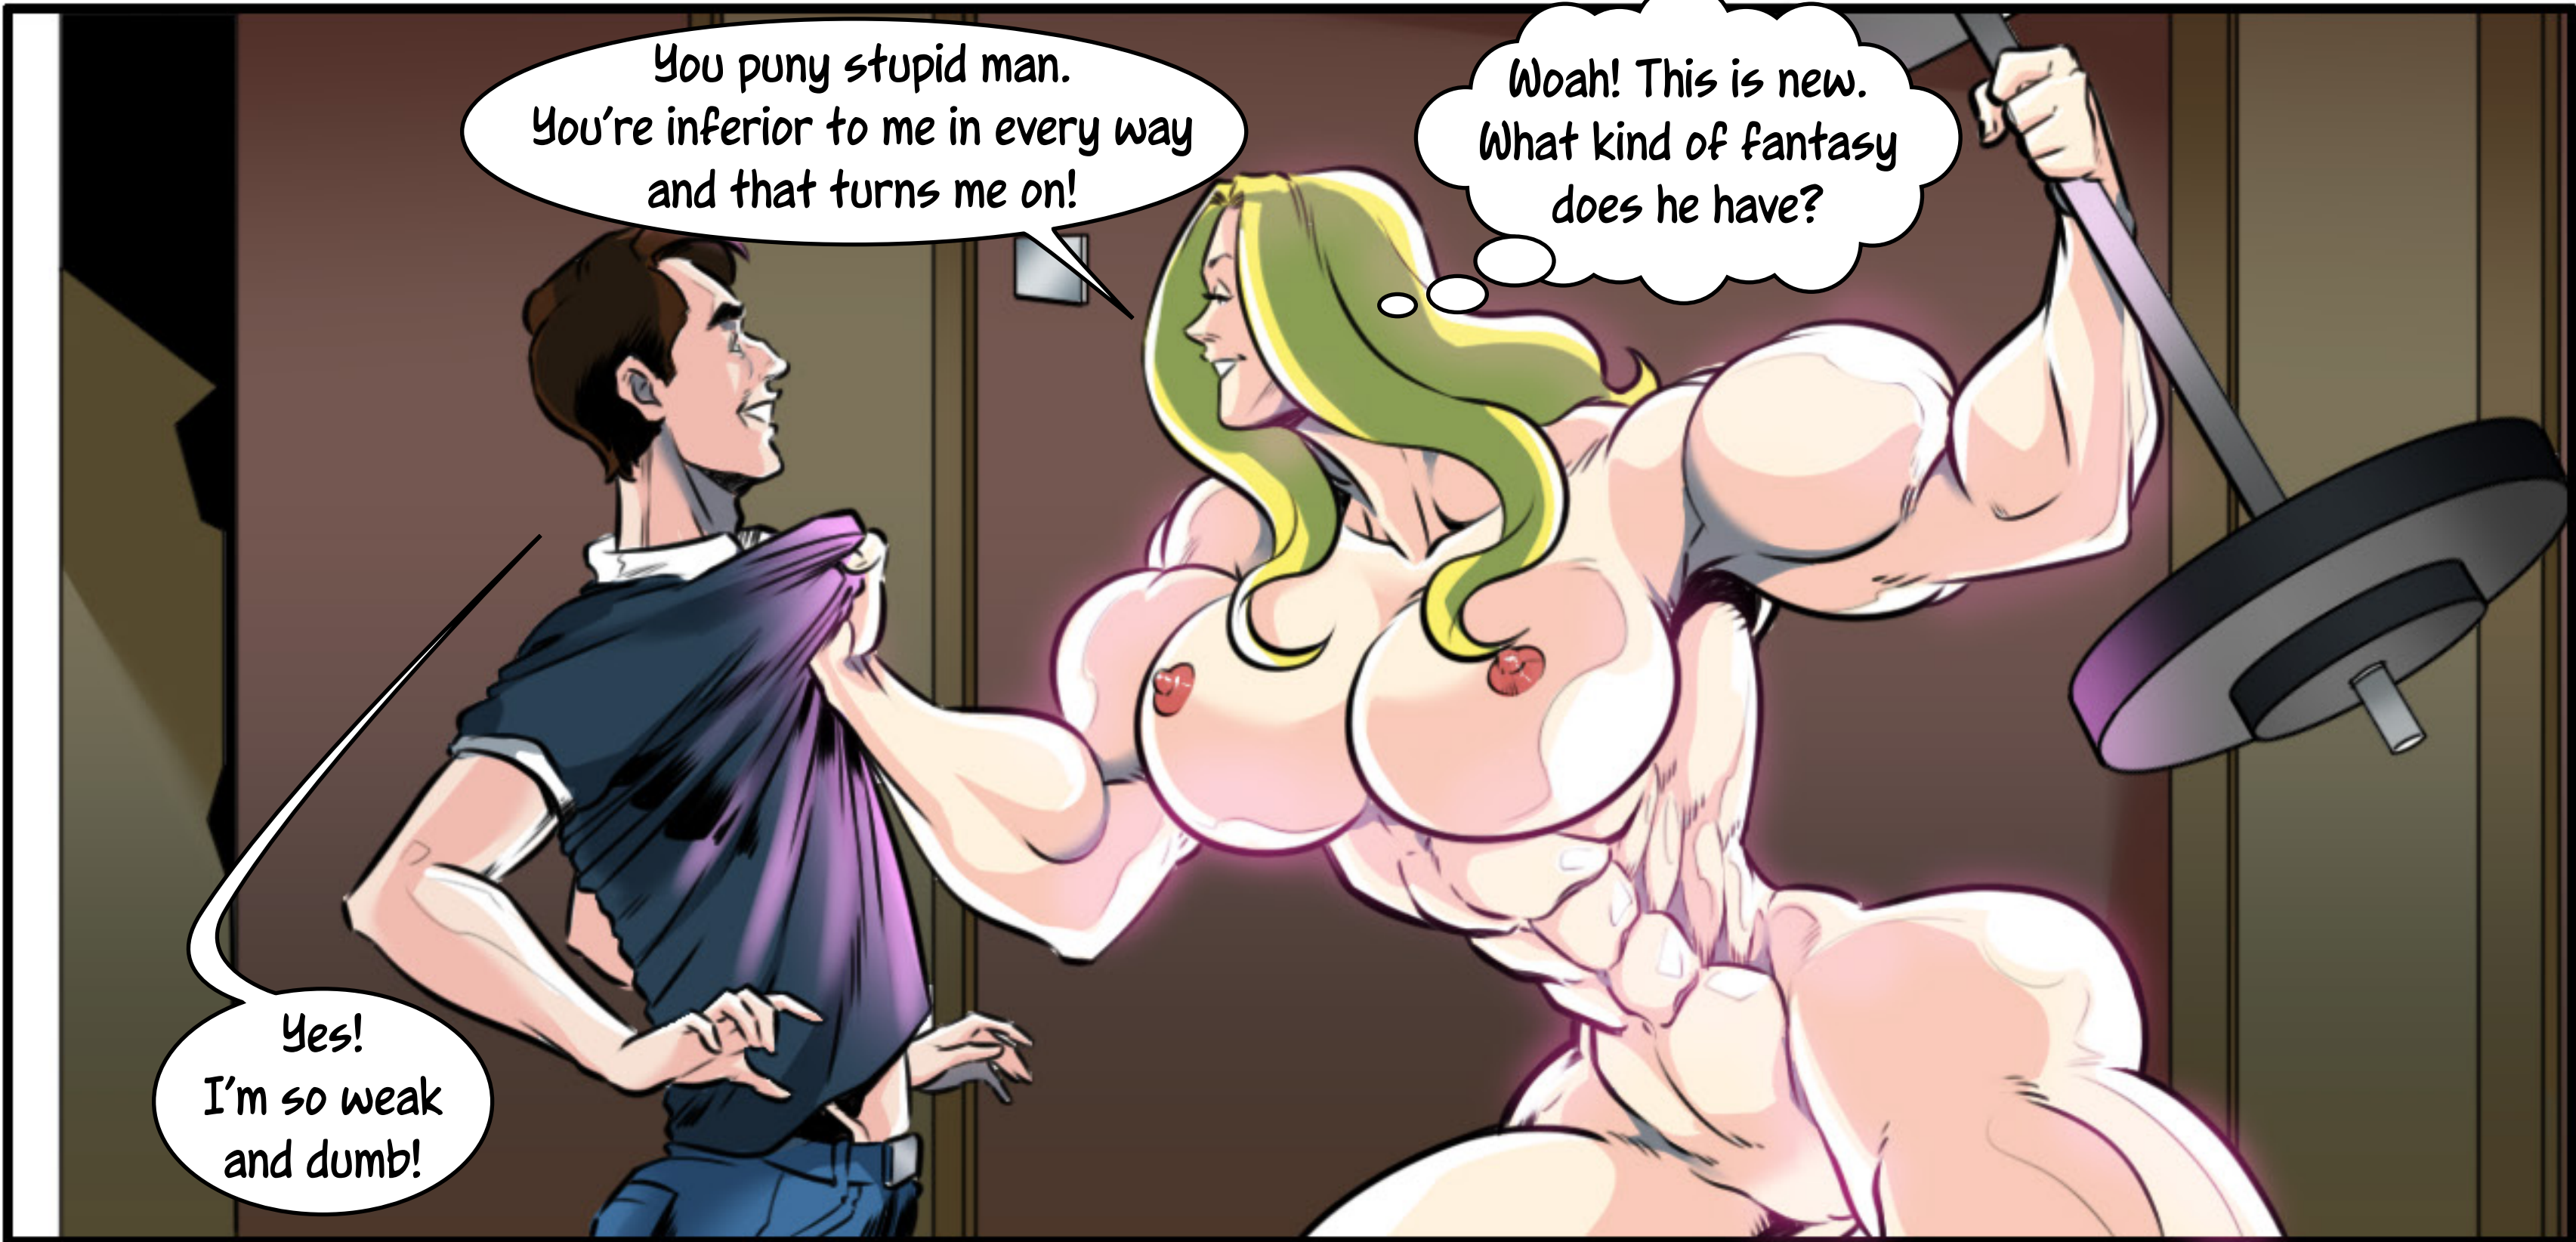

BUMP

FWOOMP!

WHOA!

I'm the strongest
and smartest woman in
the world!

You puny stupid man. You're inferior to me in every way and that turns me on!

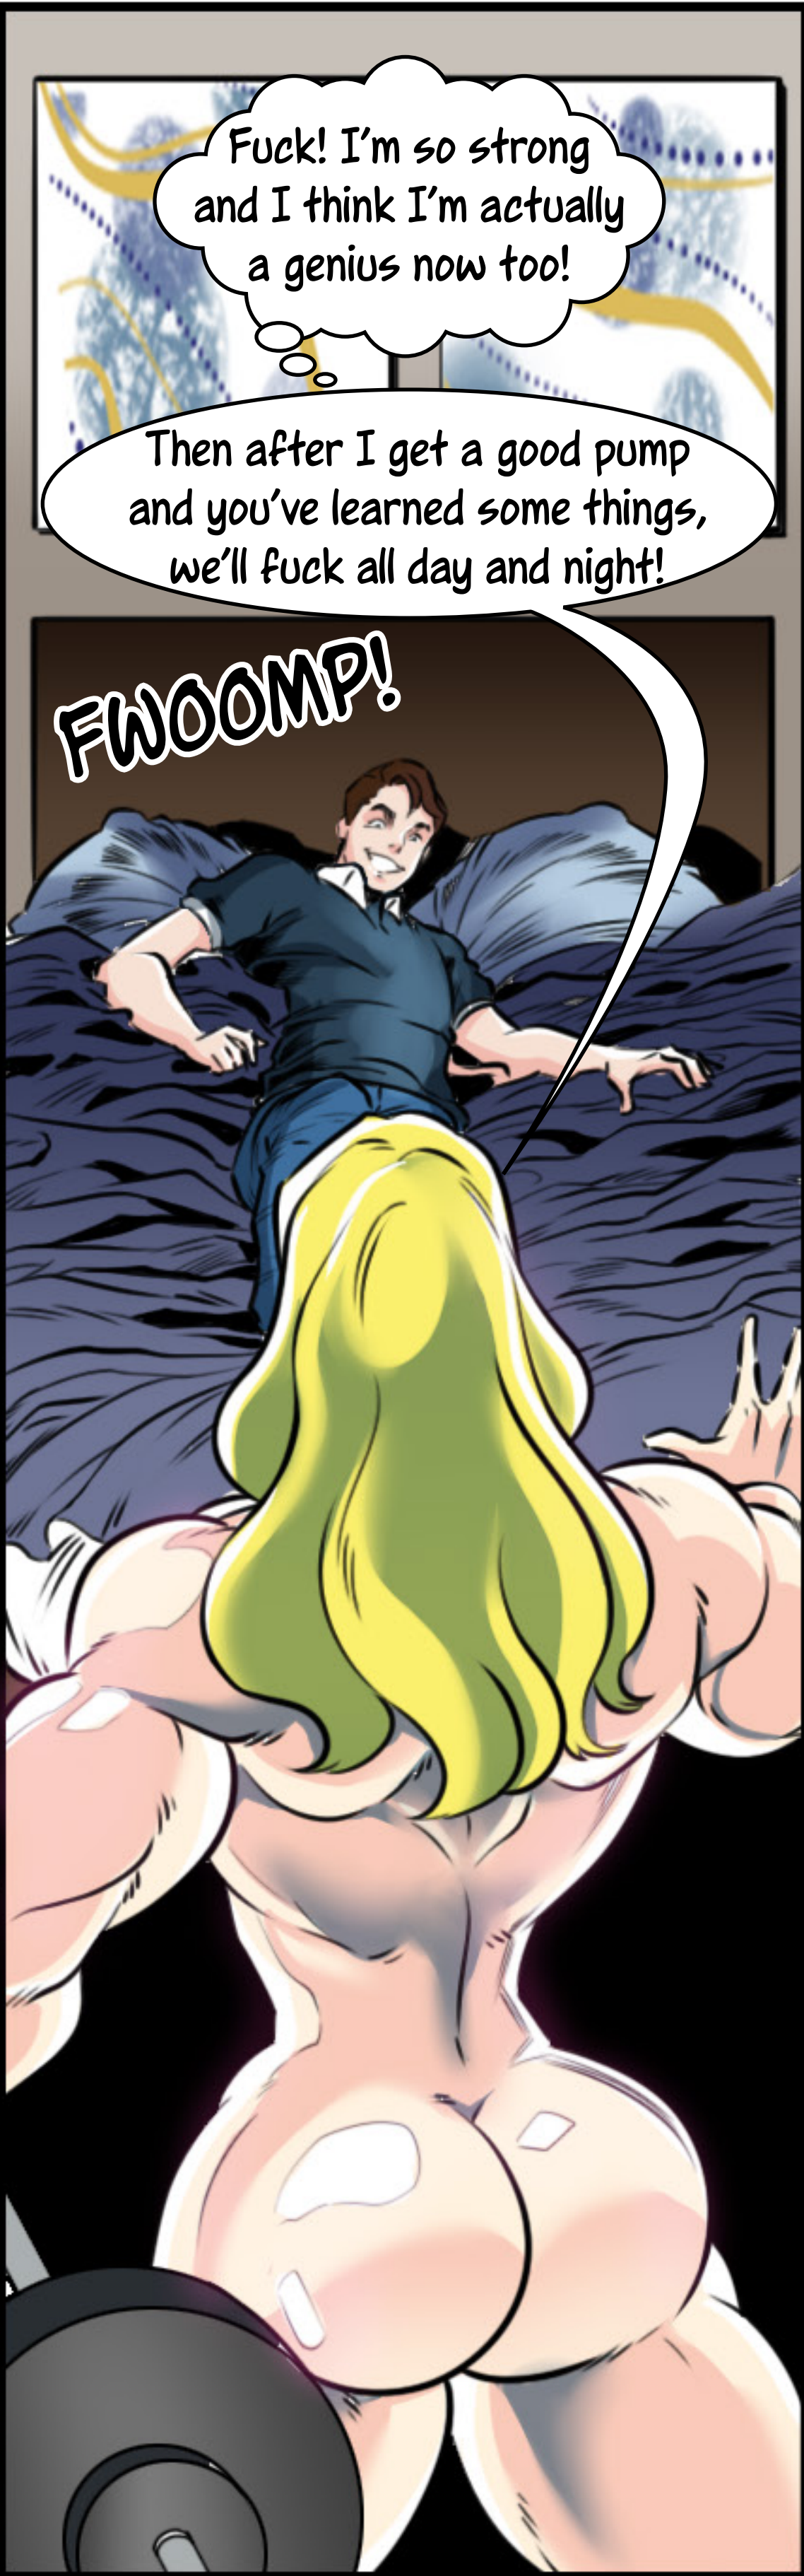

Woah! This is new. What kind of fantasy does he have?

Yes! I'm so weak and dumb!

You're going to watch me lift weights and explain quantum physics!

You're the greatest woman in the world! I'm not worthy!

Fuck! I'm so strong and I think I'm actually a genius now too!

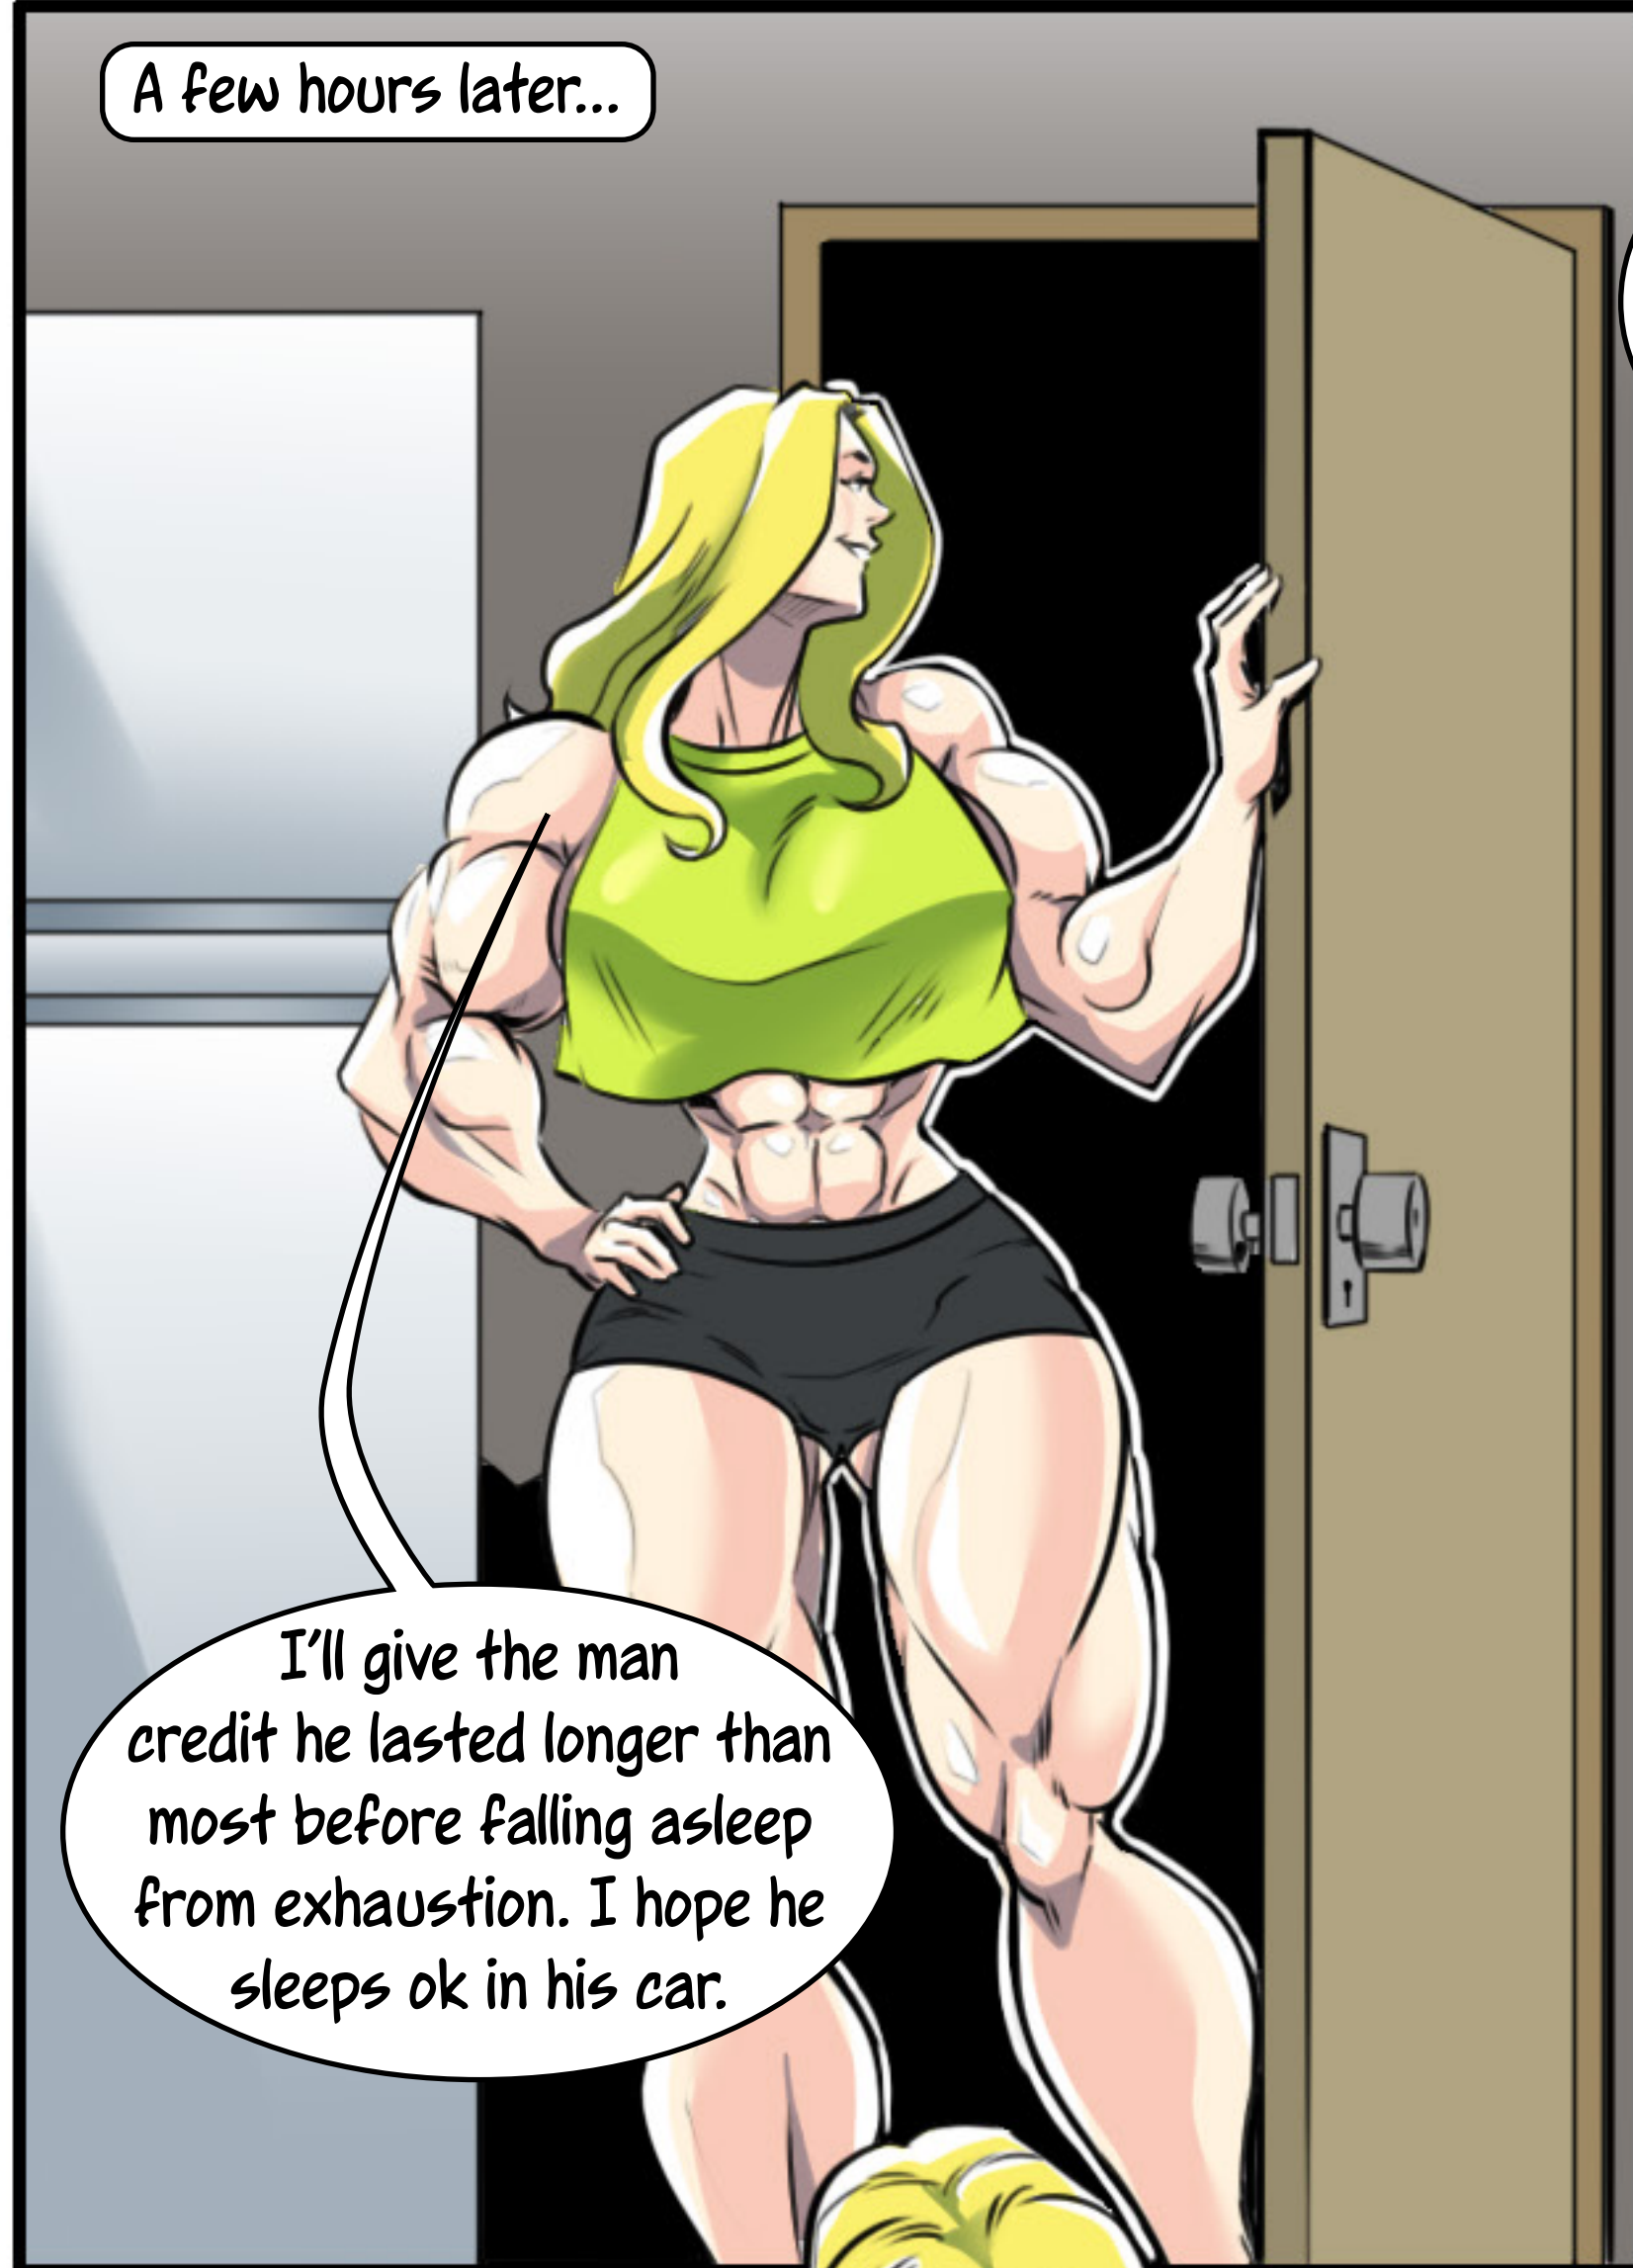

Then after I get a good pump and you've learned some things, we'll fuck all day and night!

FWOOMP!

One of the most important principles underlying quantum physics is that of wave-particle duality. Quantum objects have both particle-like properties...

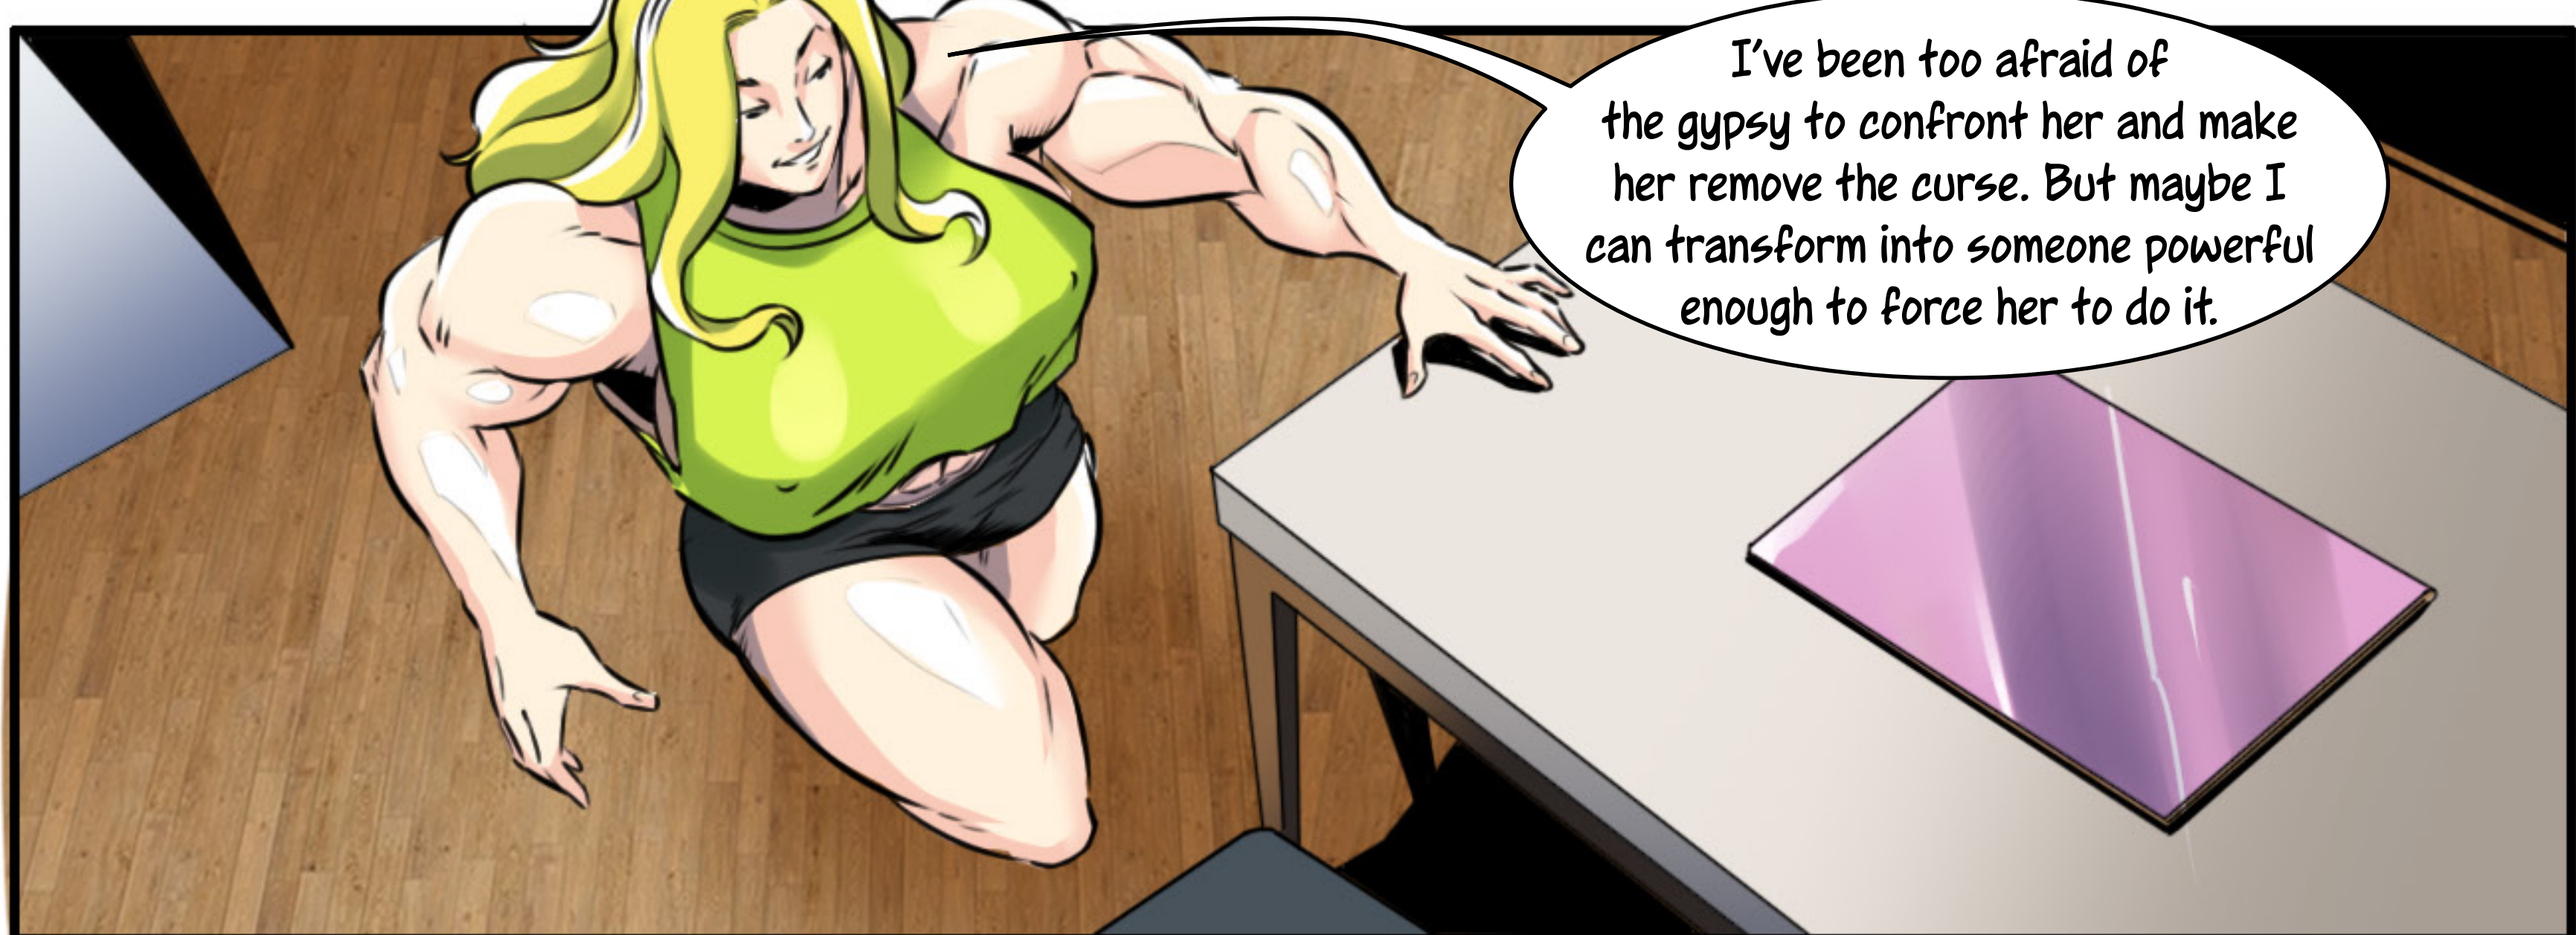

A few hours later...

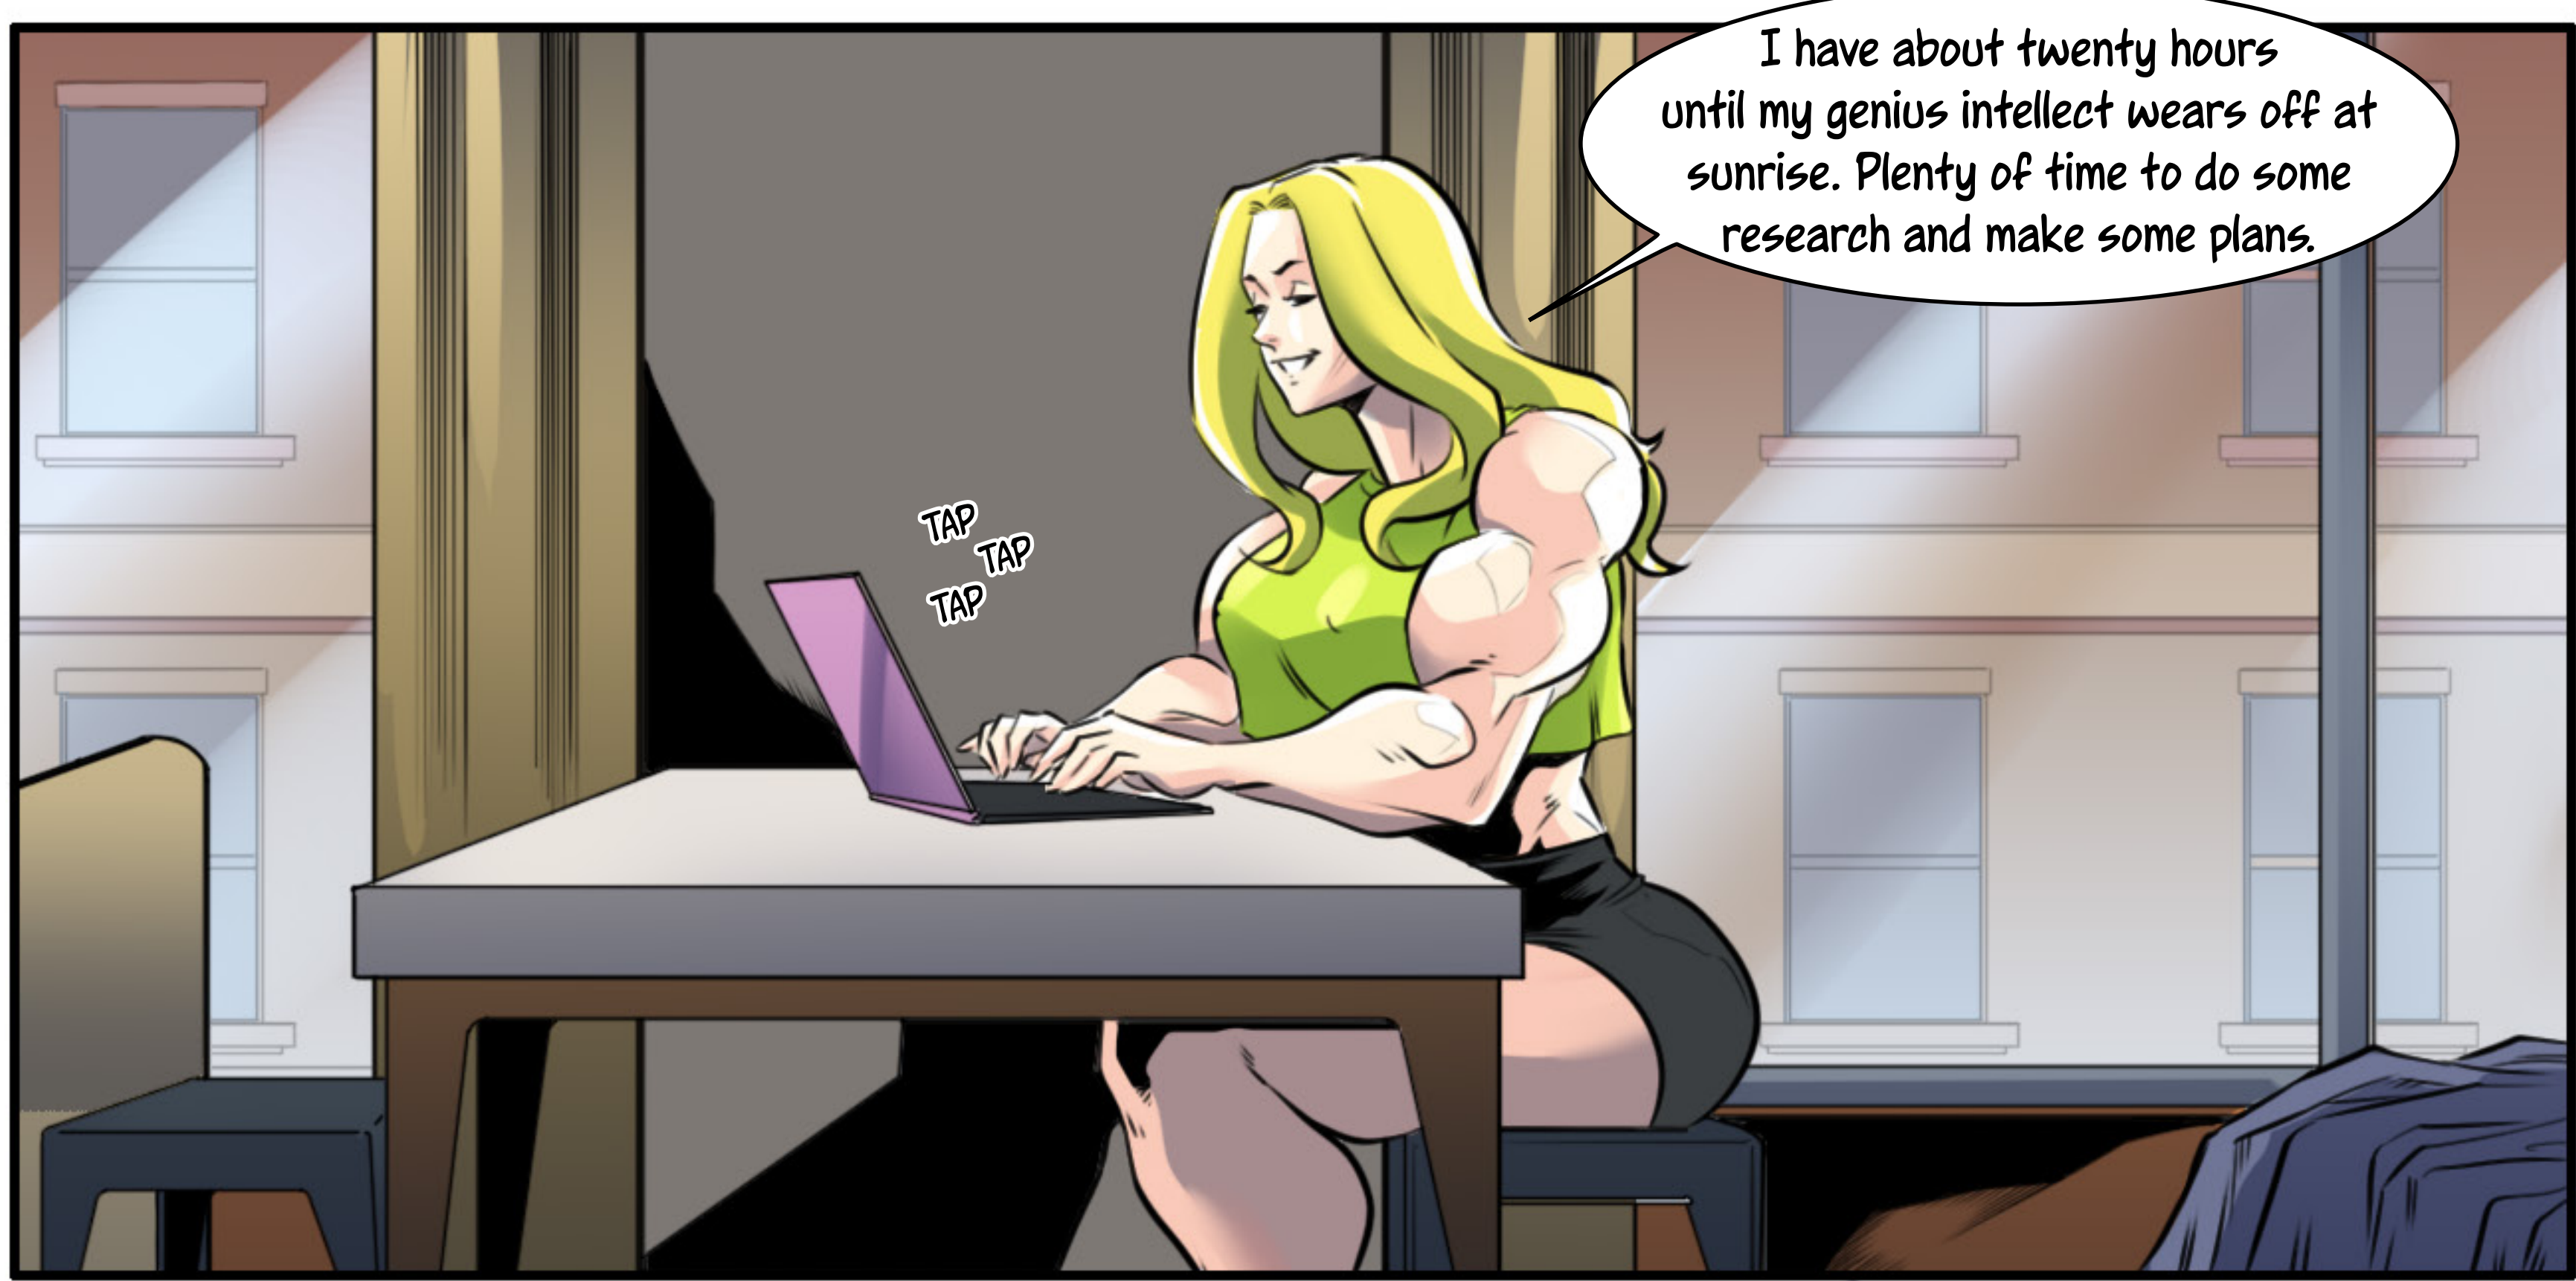

I'll give the man credit he lasted longer than most before falling asleep from exhaustion. I hope he sleeps ok in his car.

Now this is a fantasy body I can live with! Now that I'm a genius I realize I could actually use this curse to my advantage.

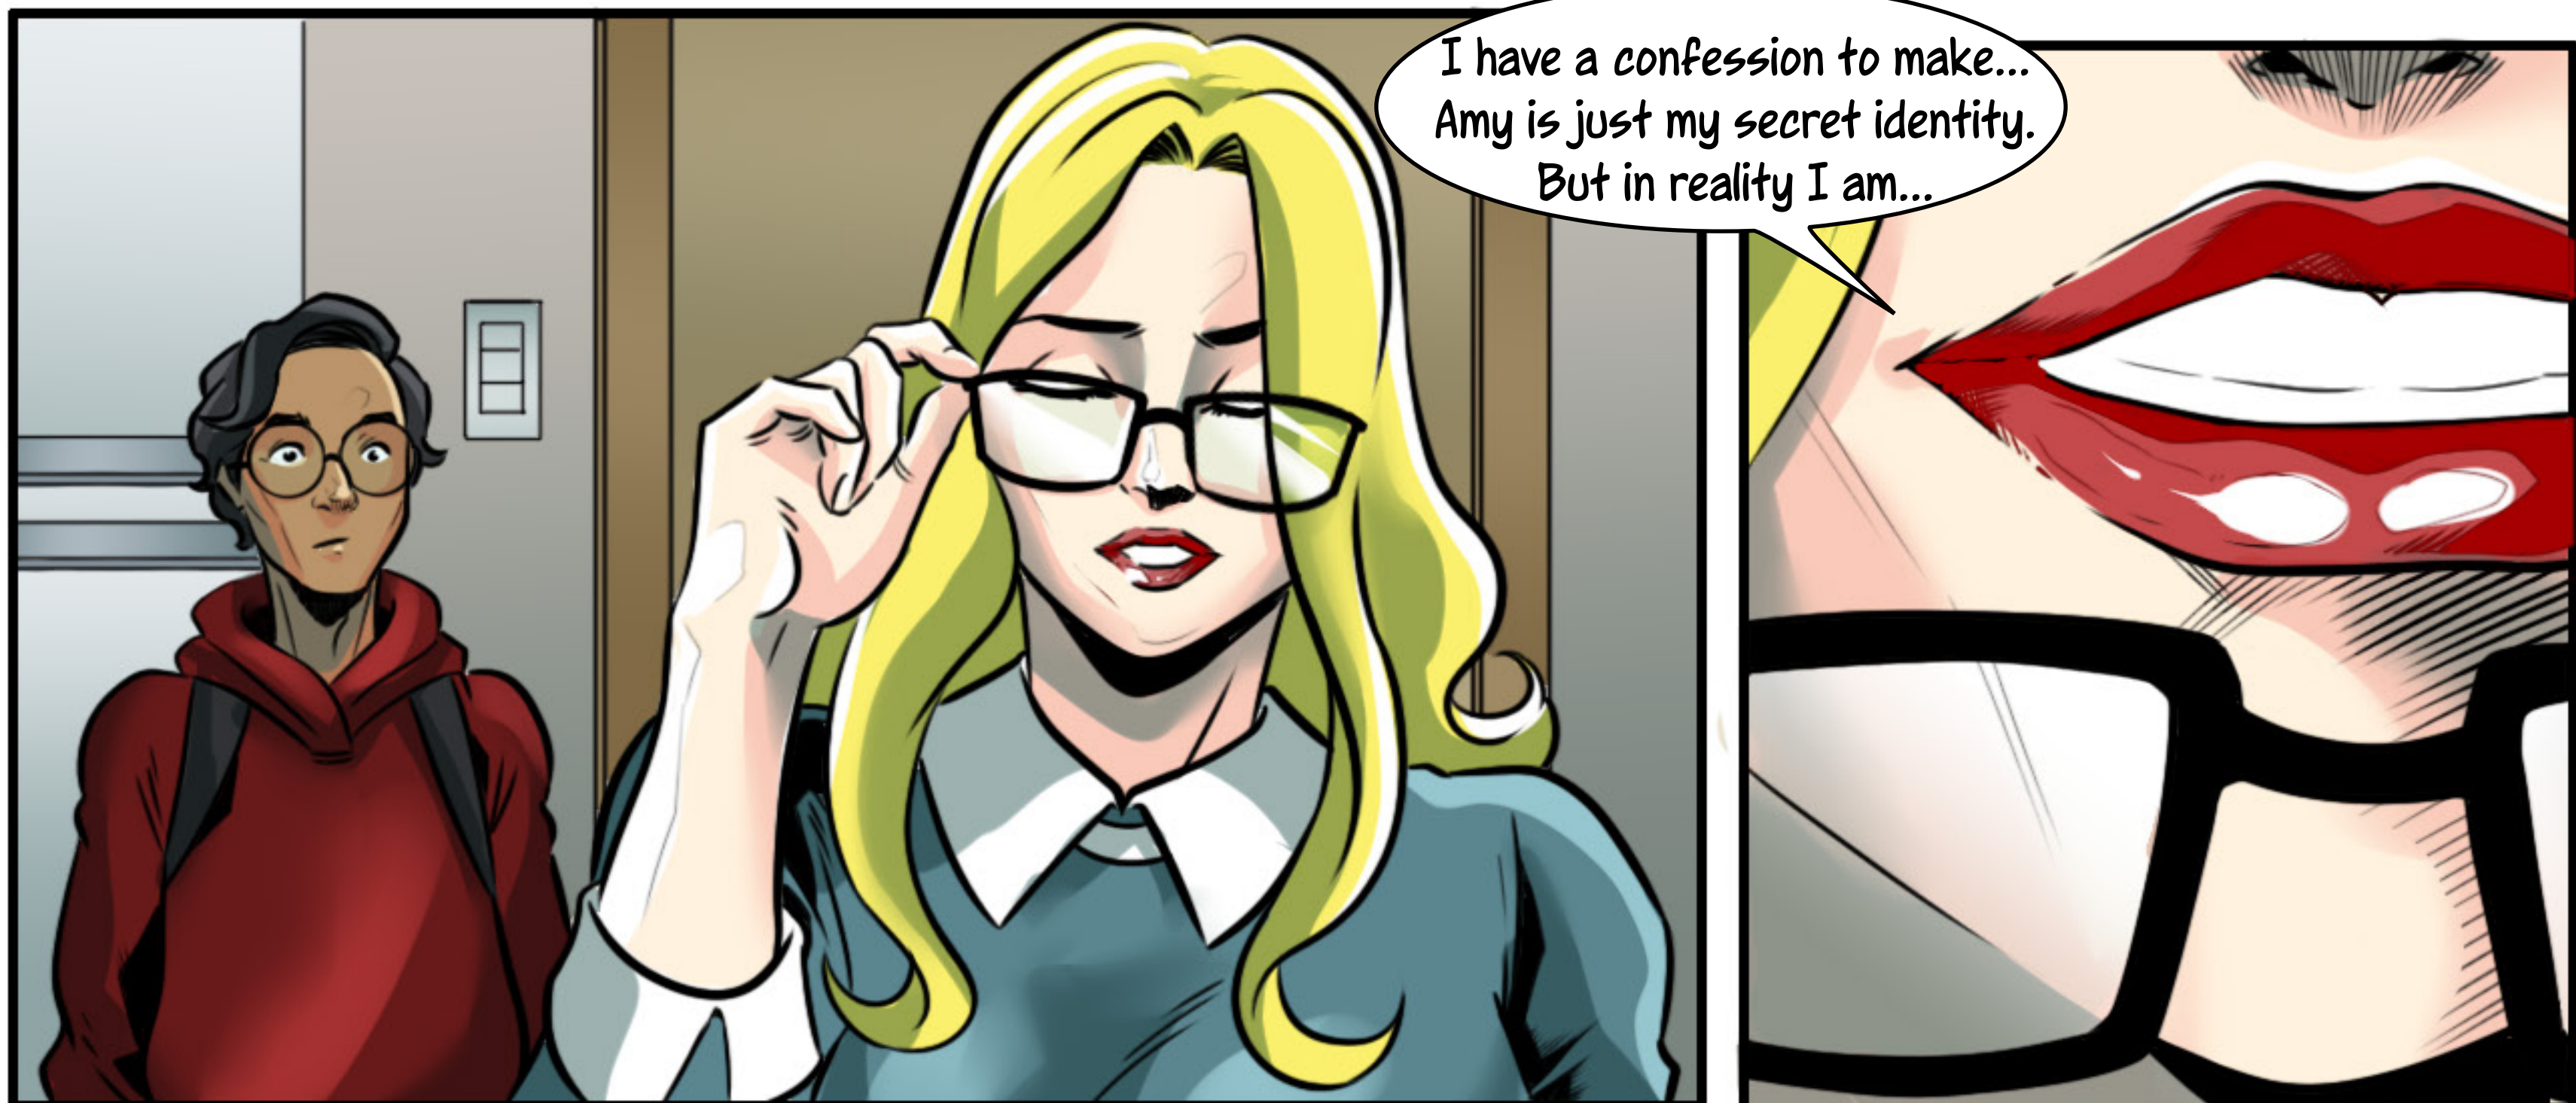

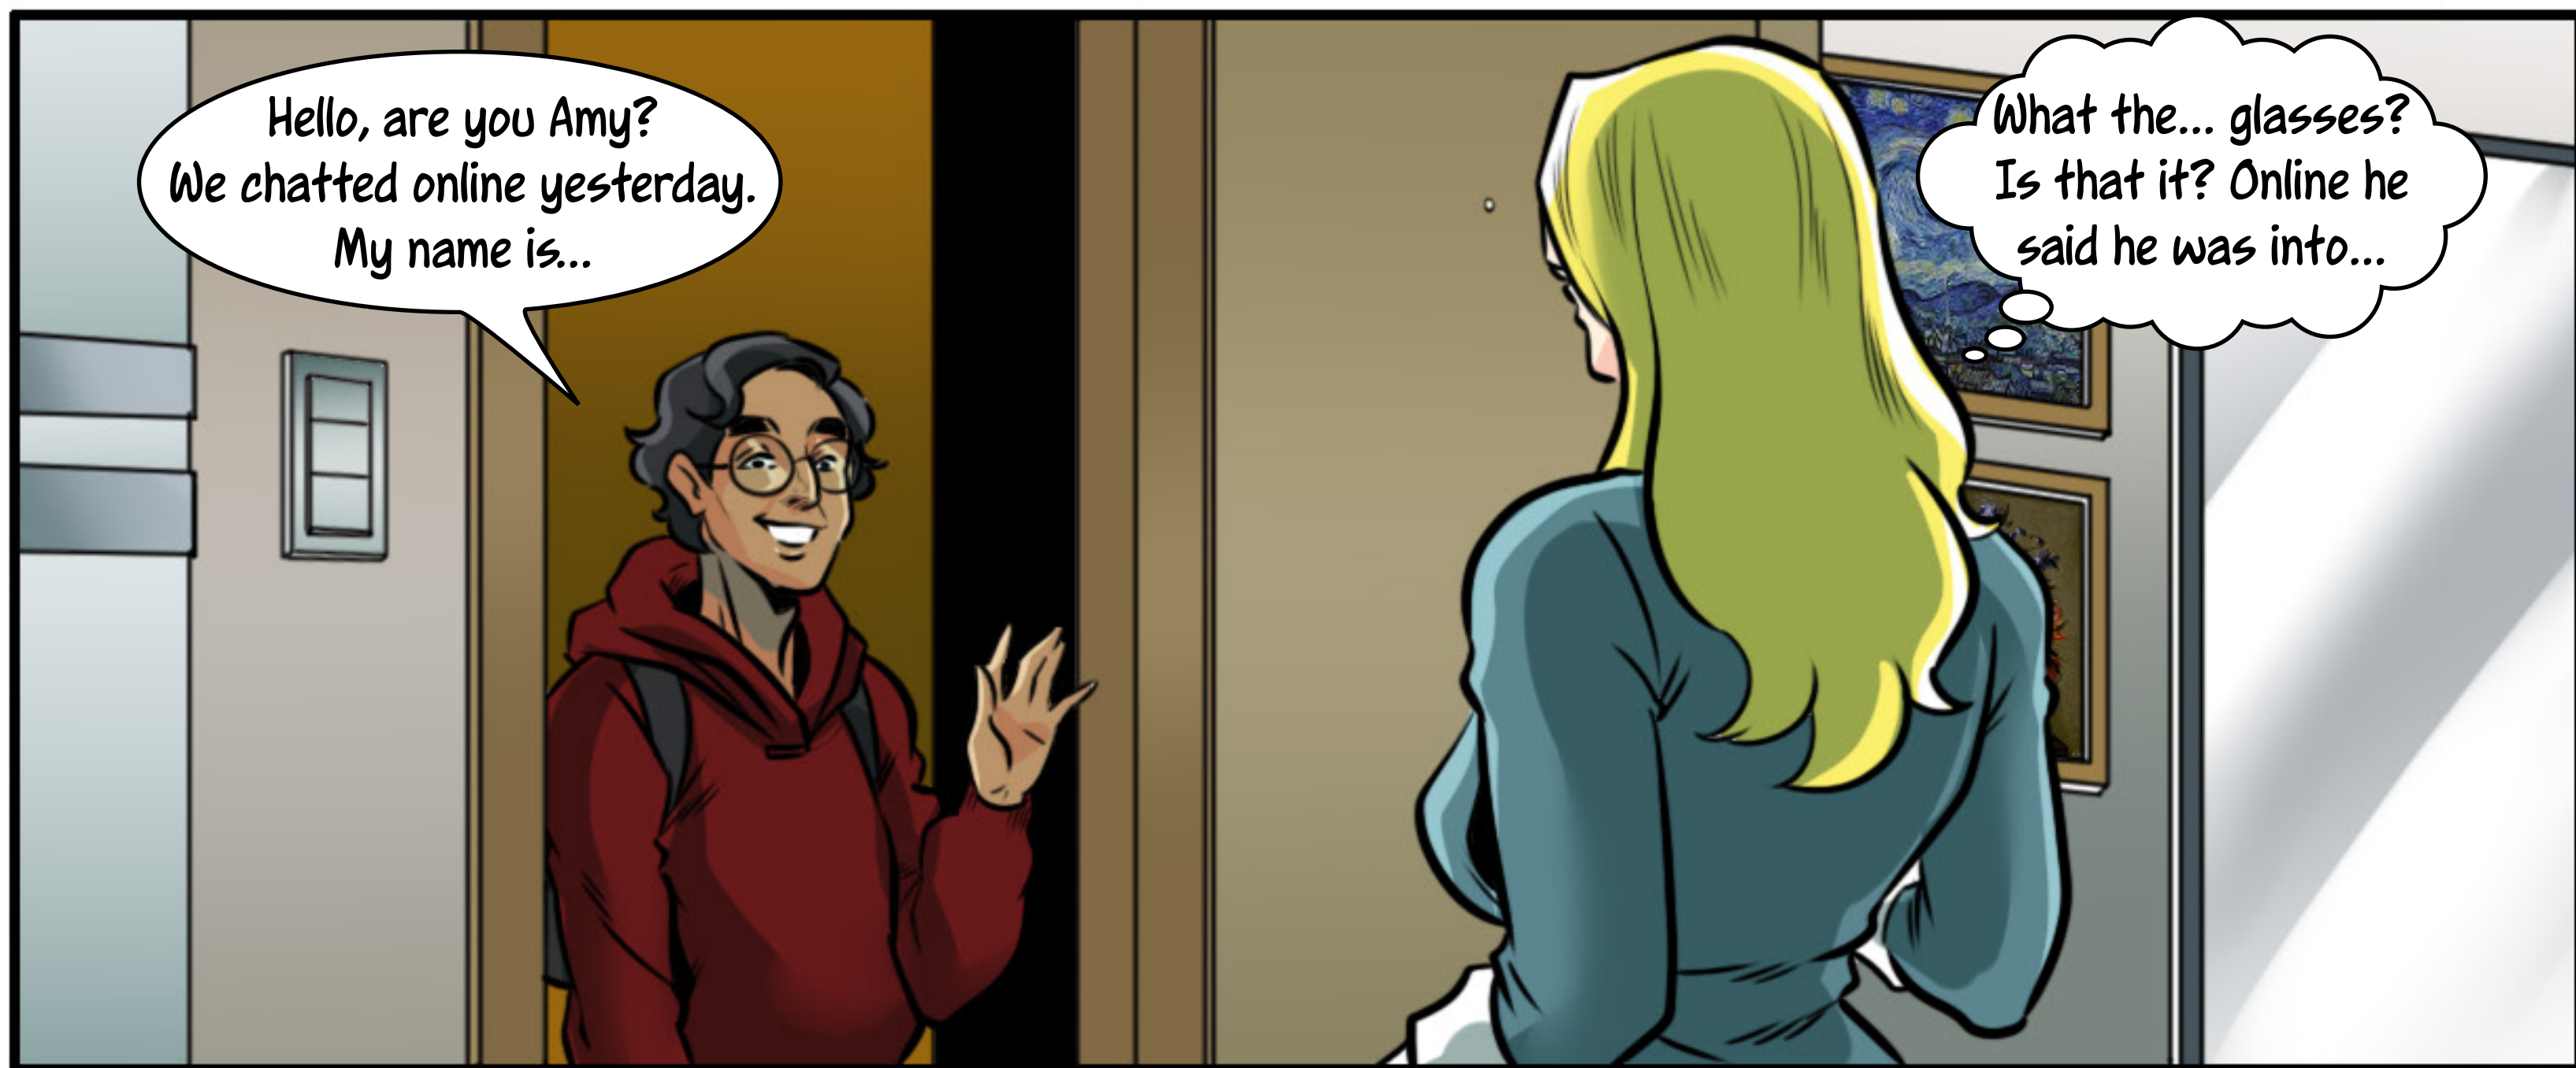

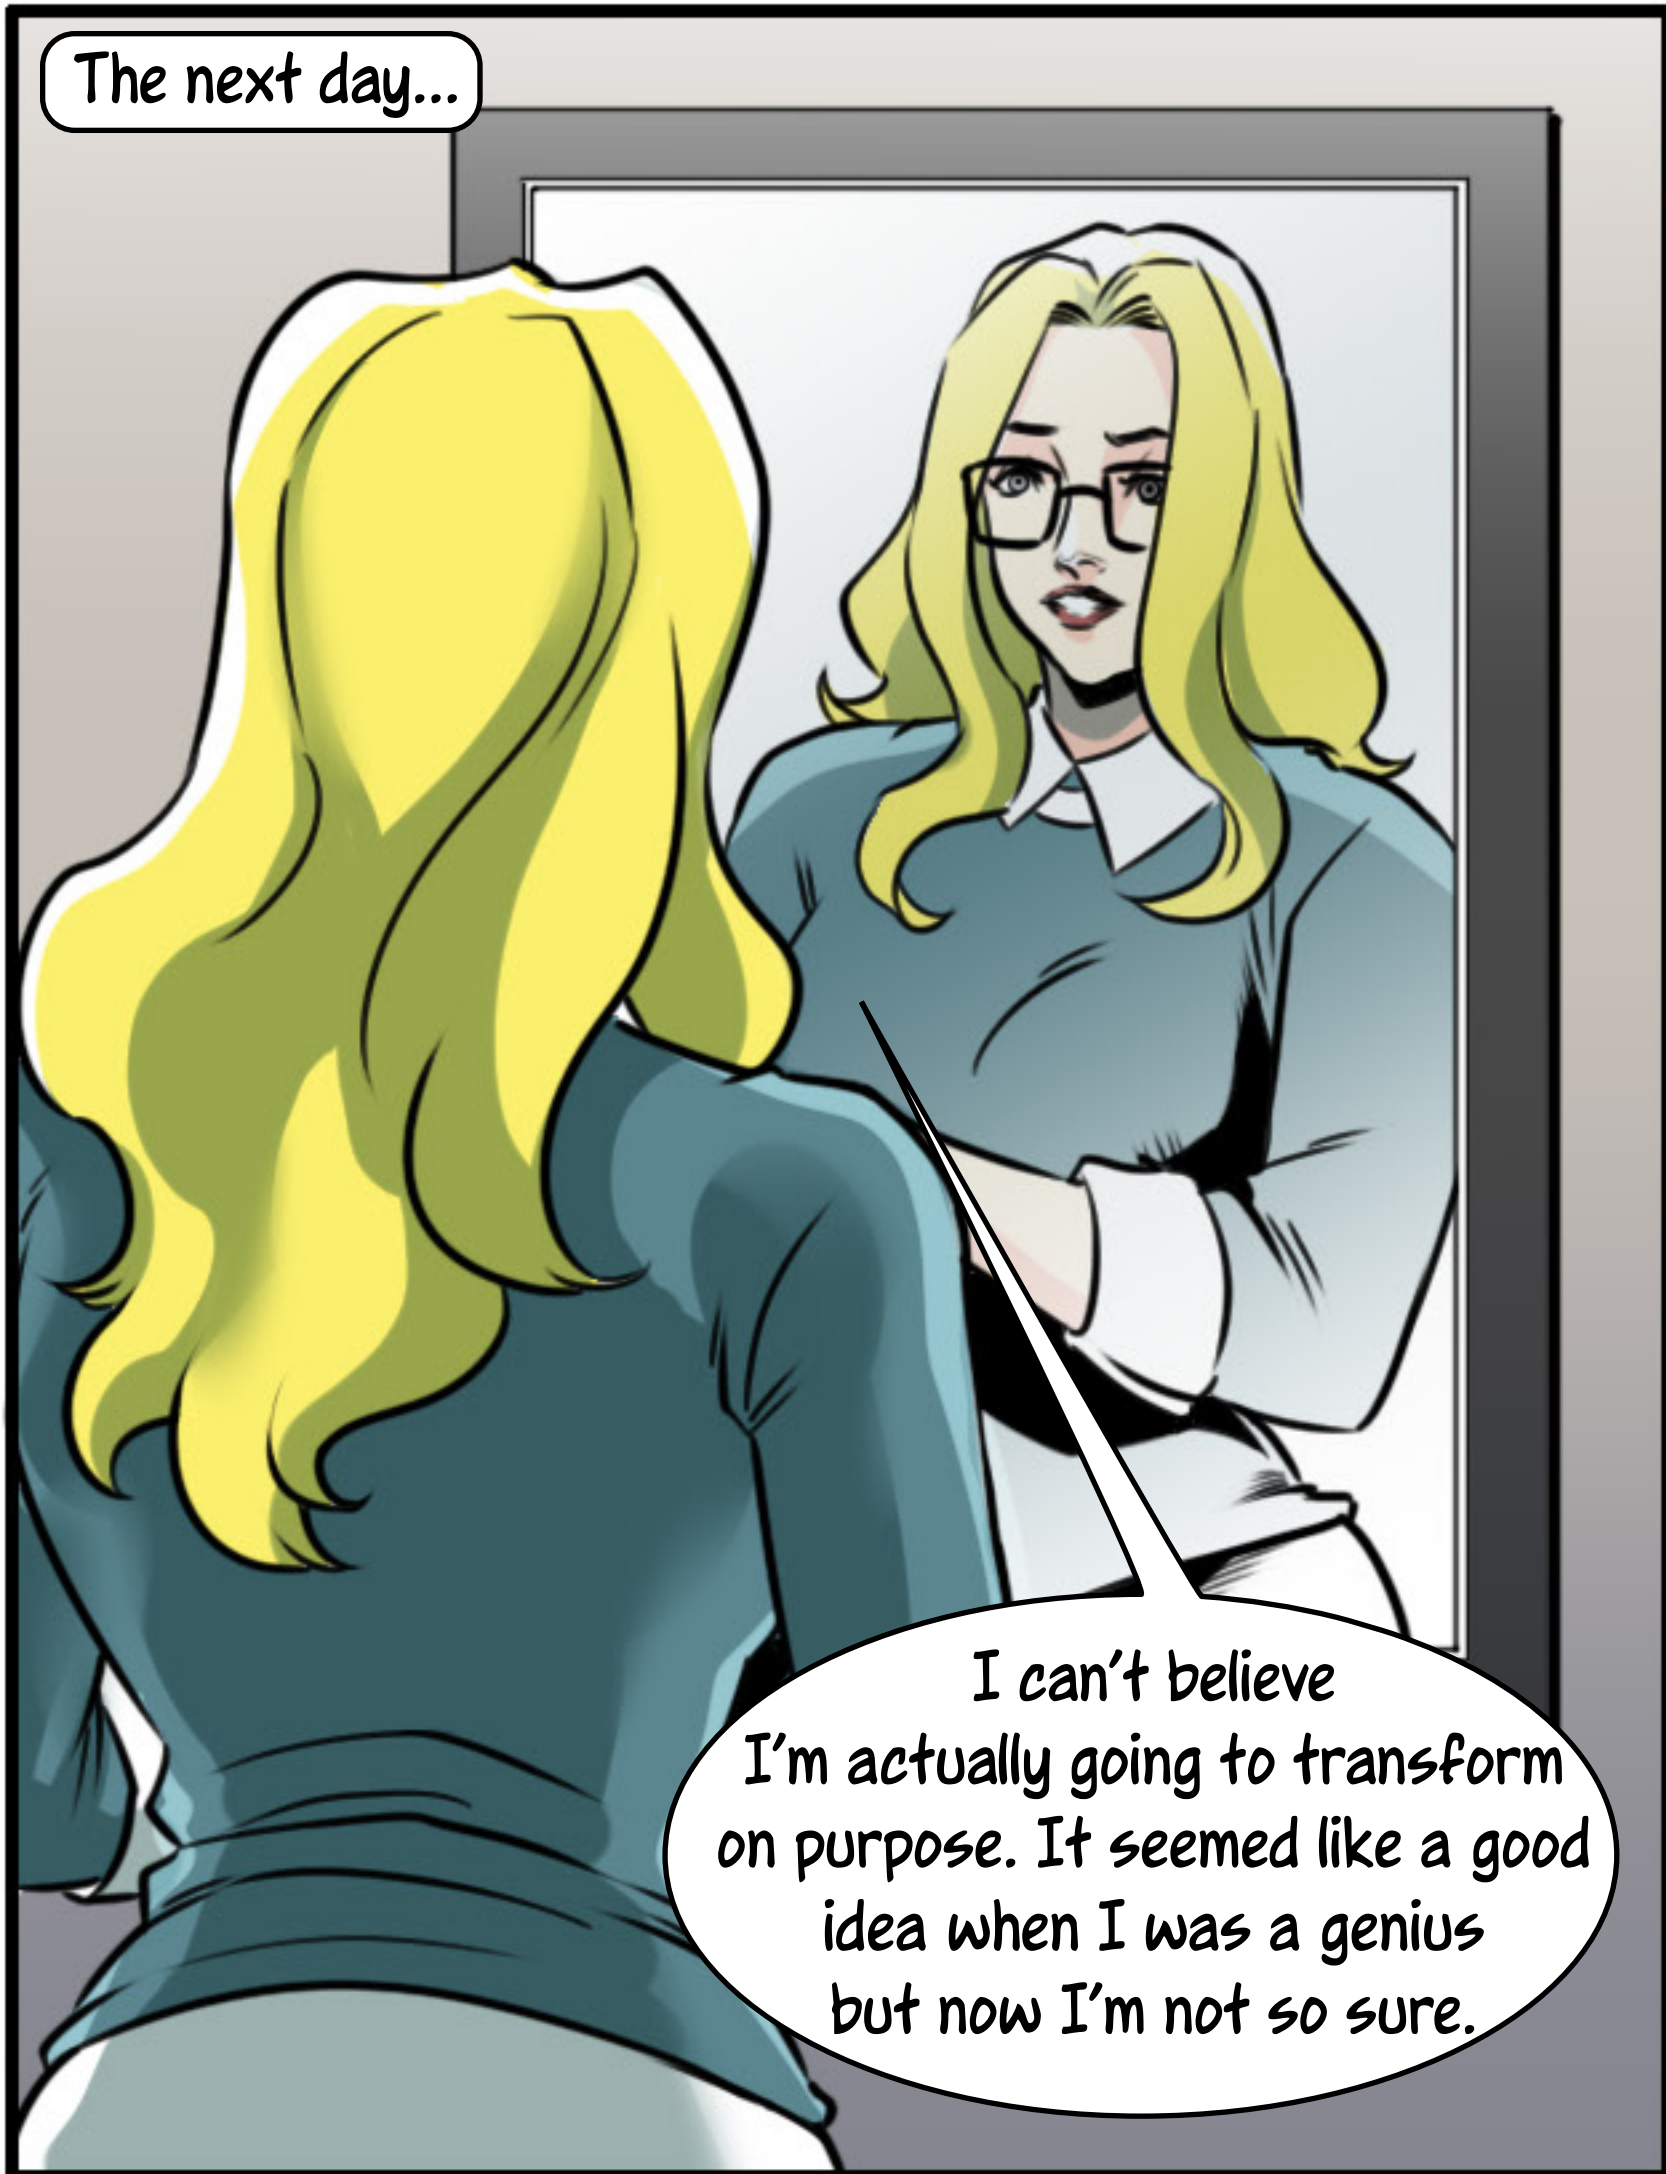

I've been too afraid of the gypsy to confront her and make her remove the curse. But maybe I can transform into someone powerful enough to force her to do it.

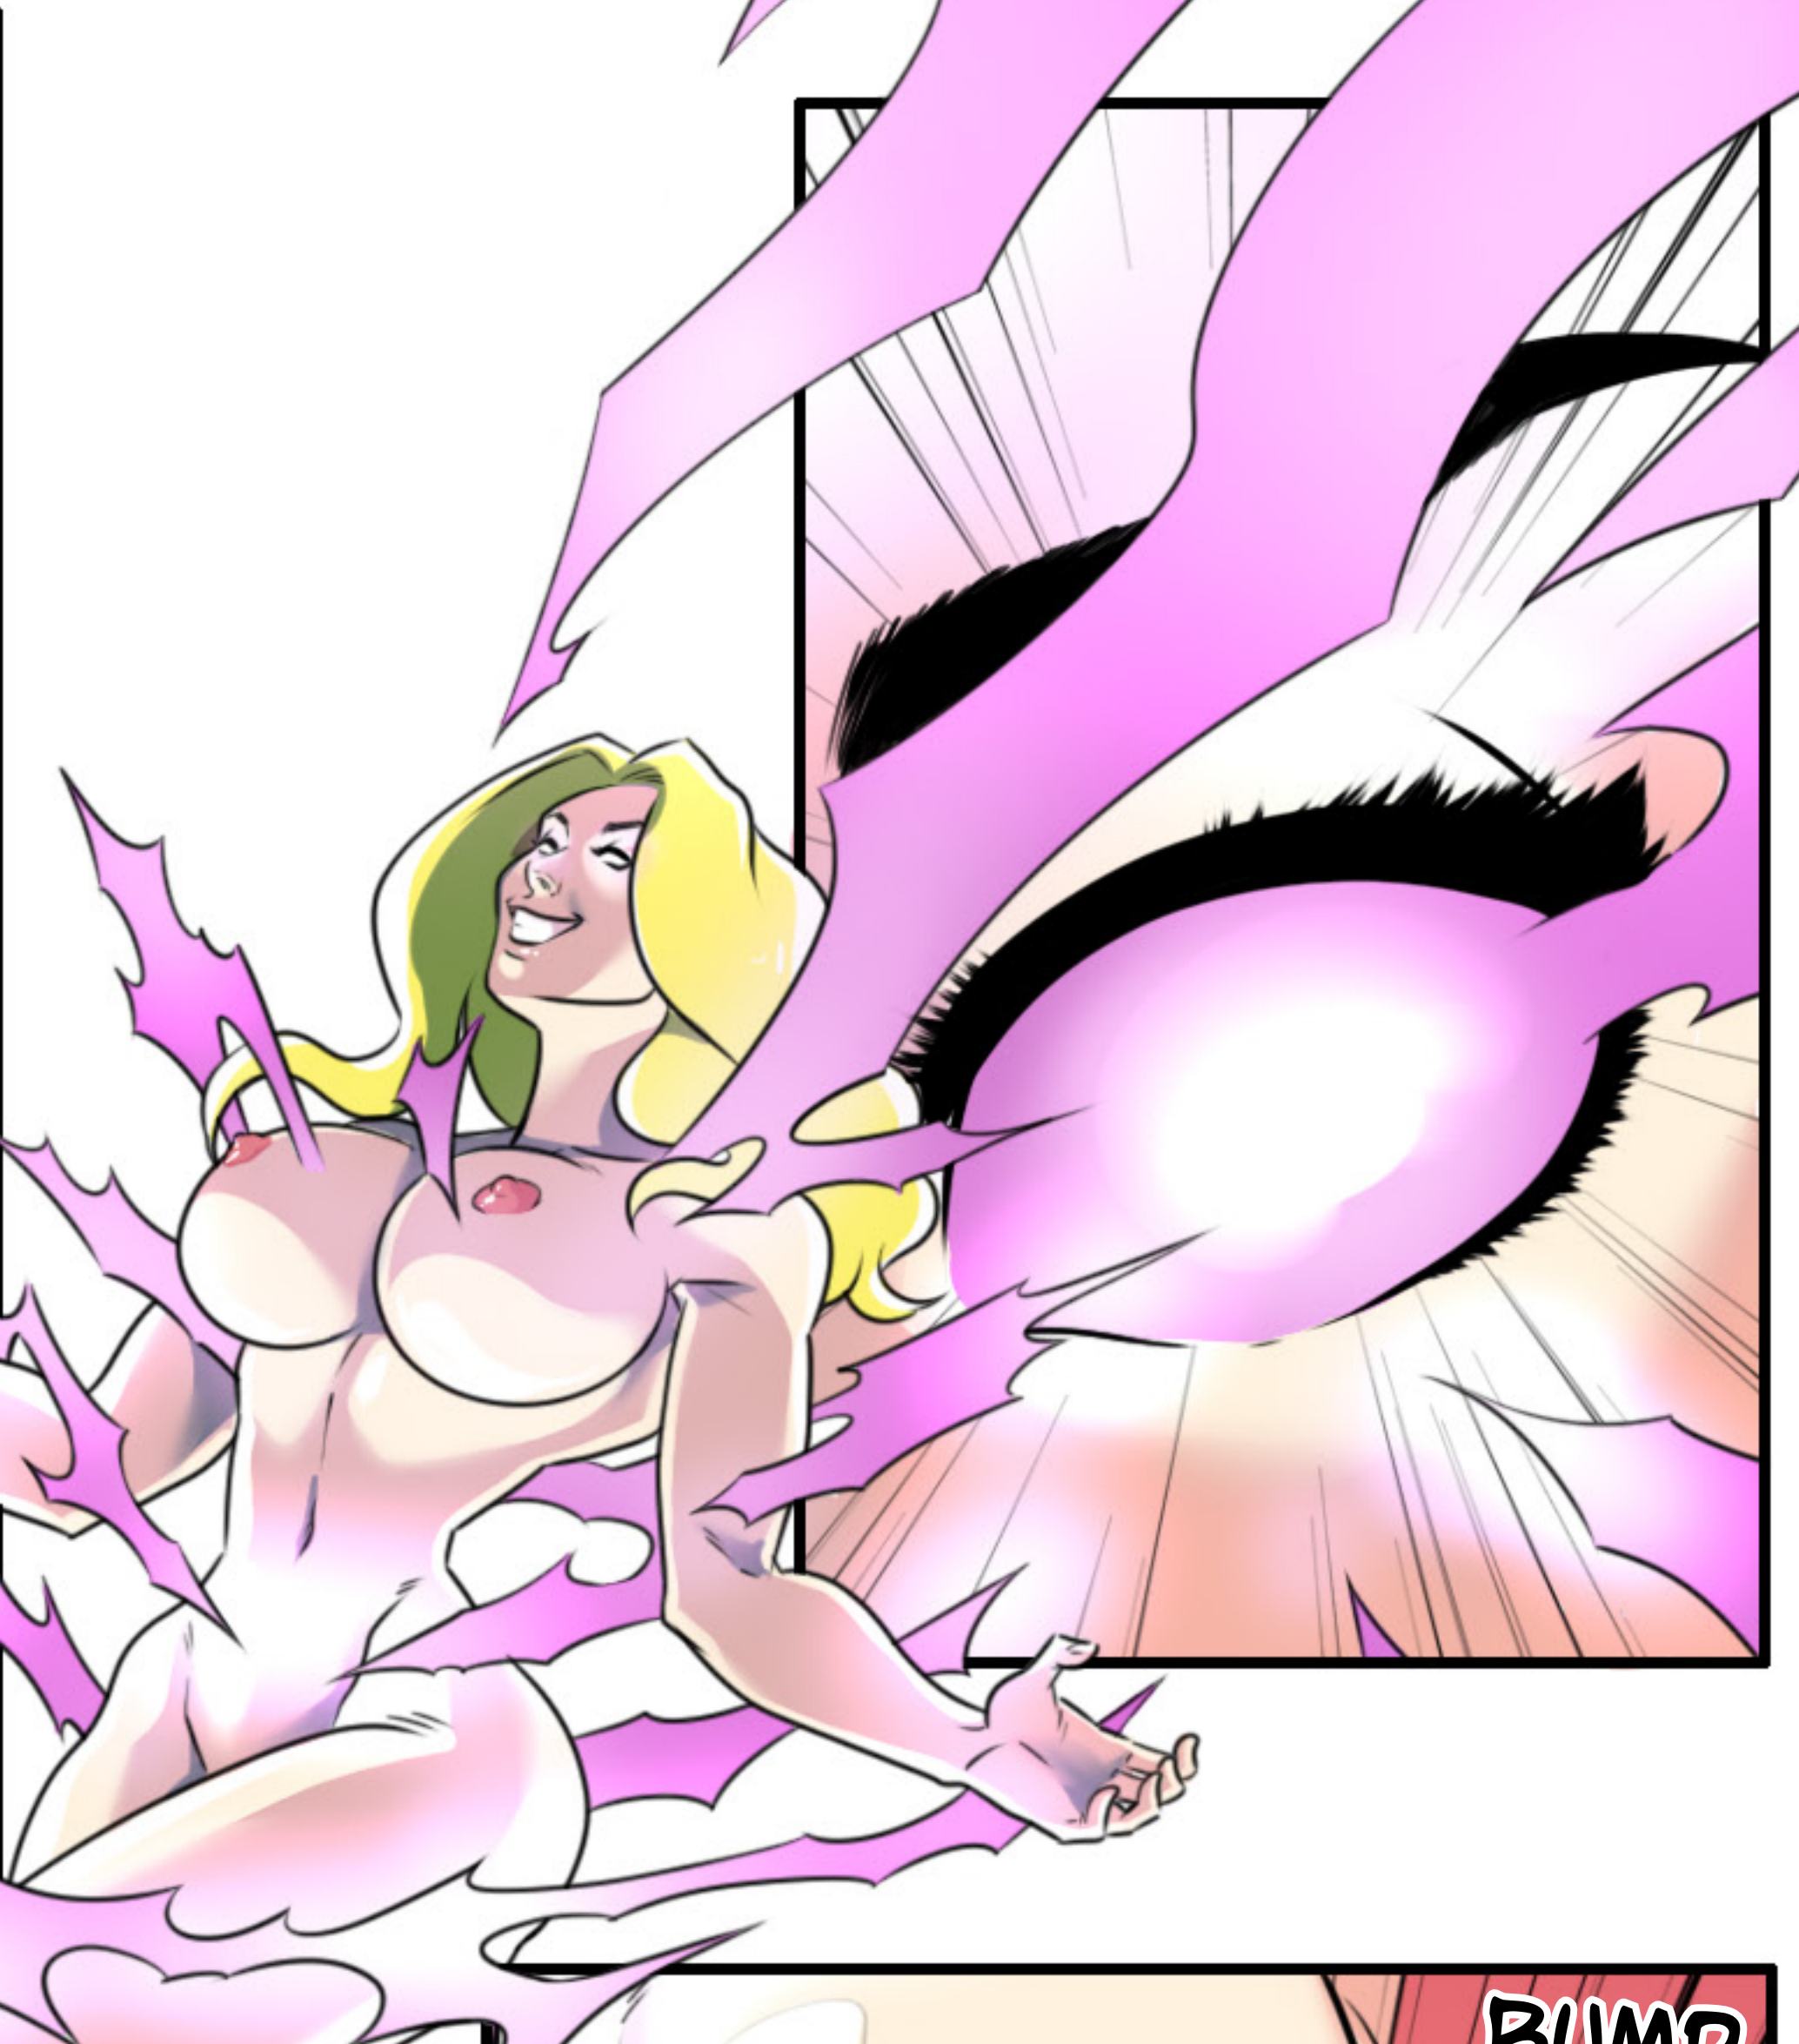

I have about twenty hours until my genius intellect wears off at sunrise. Plenty of time to do some research and make some plans.

The next day...

BAAAM!

FWOOMP!

BUMP

KRAKOOOM!

SUPERIOR WOMAN!
The most powerful hero in the
universe!

I have the strength
to juggle planets!

WHAT THE
FUCK?!?!

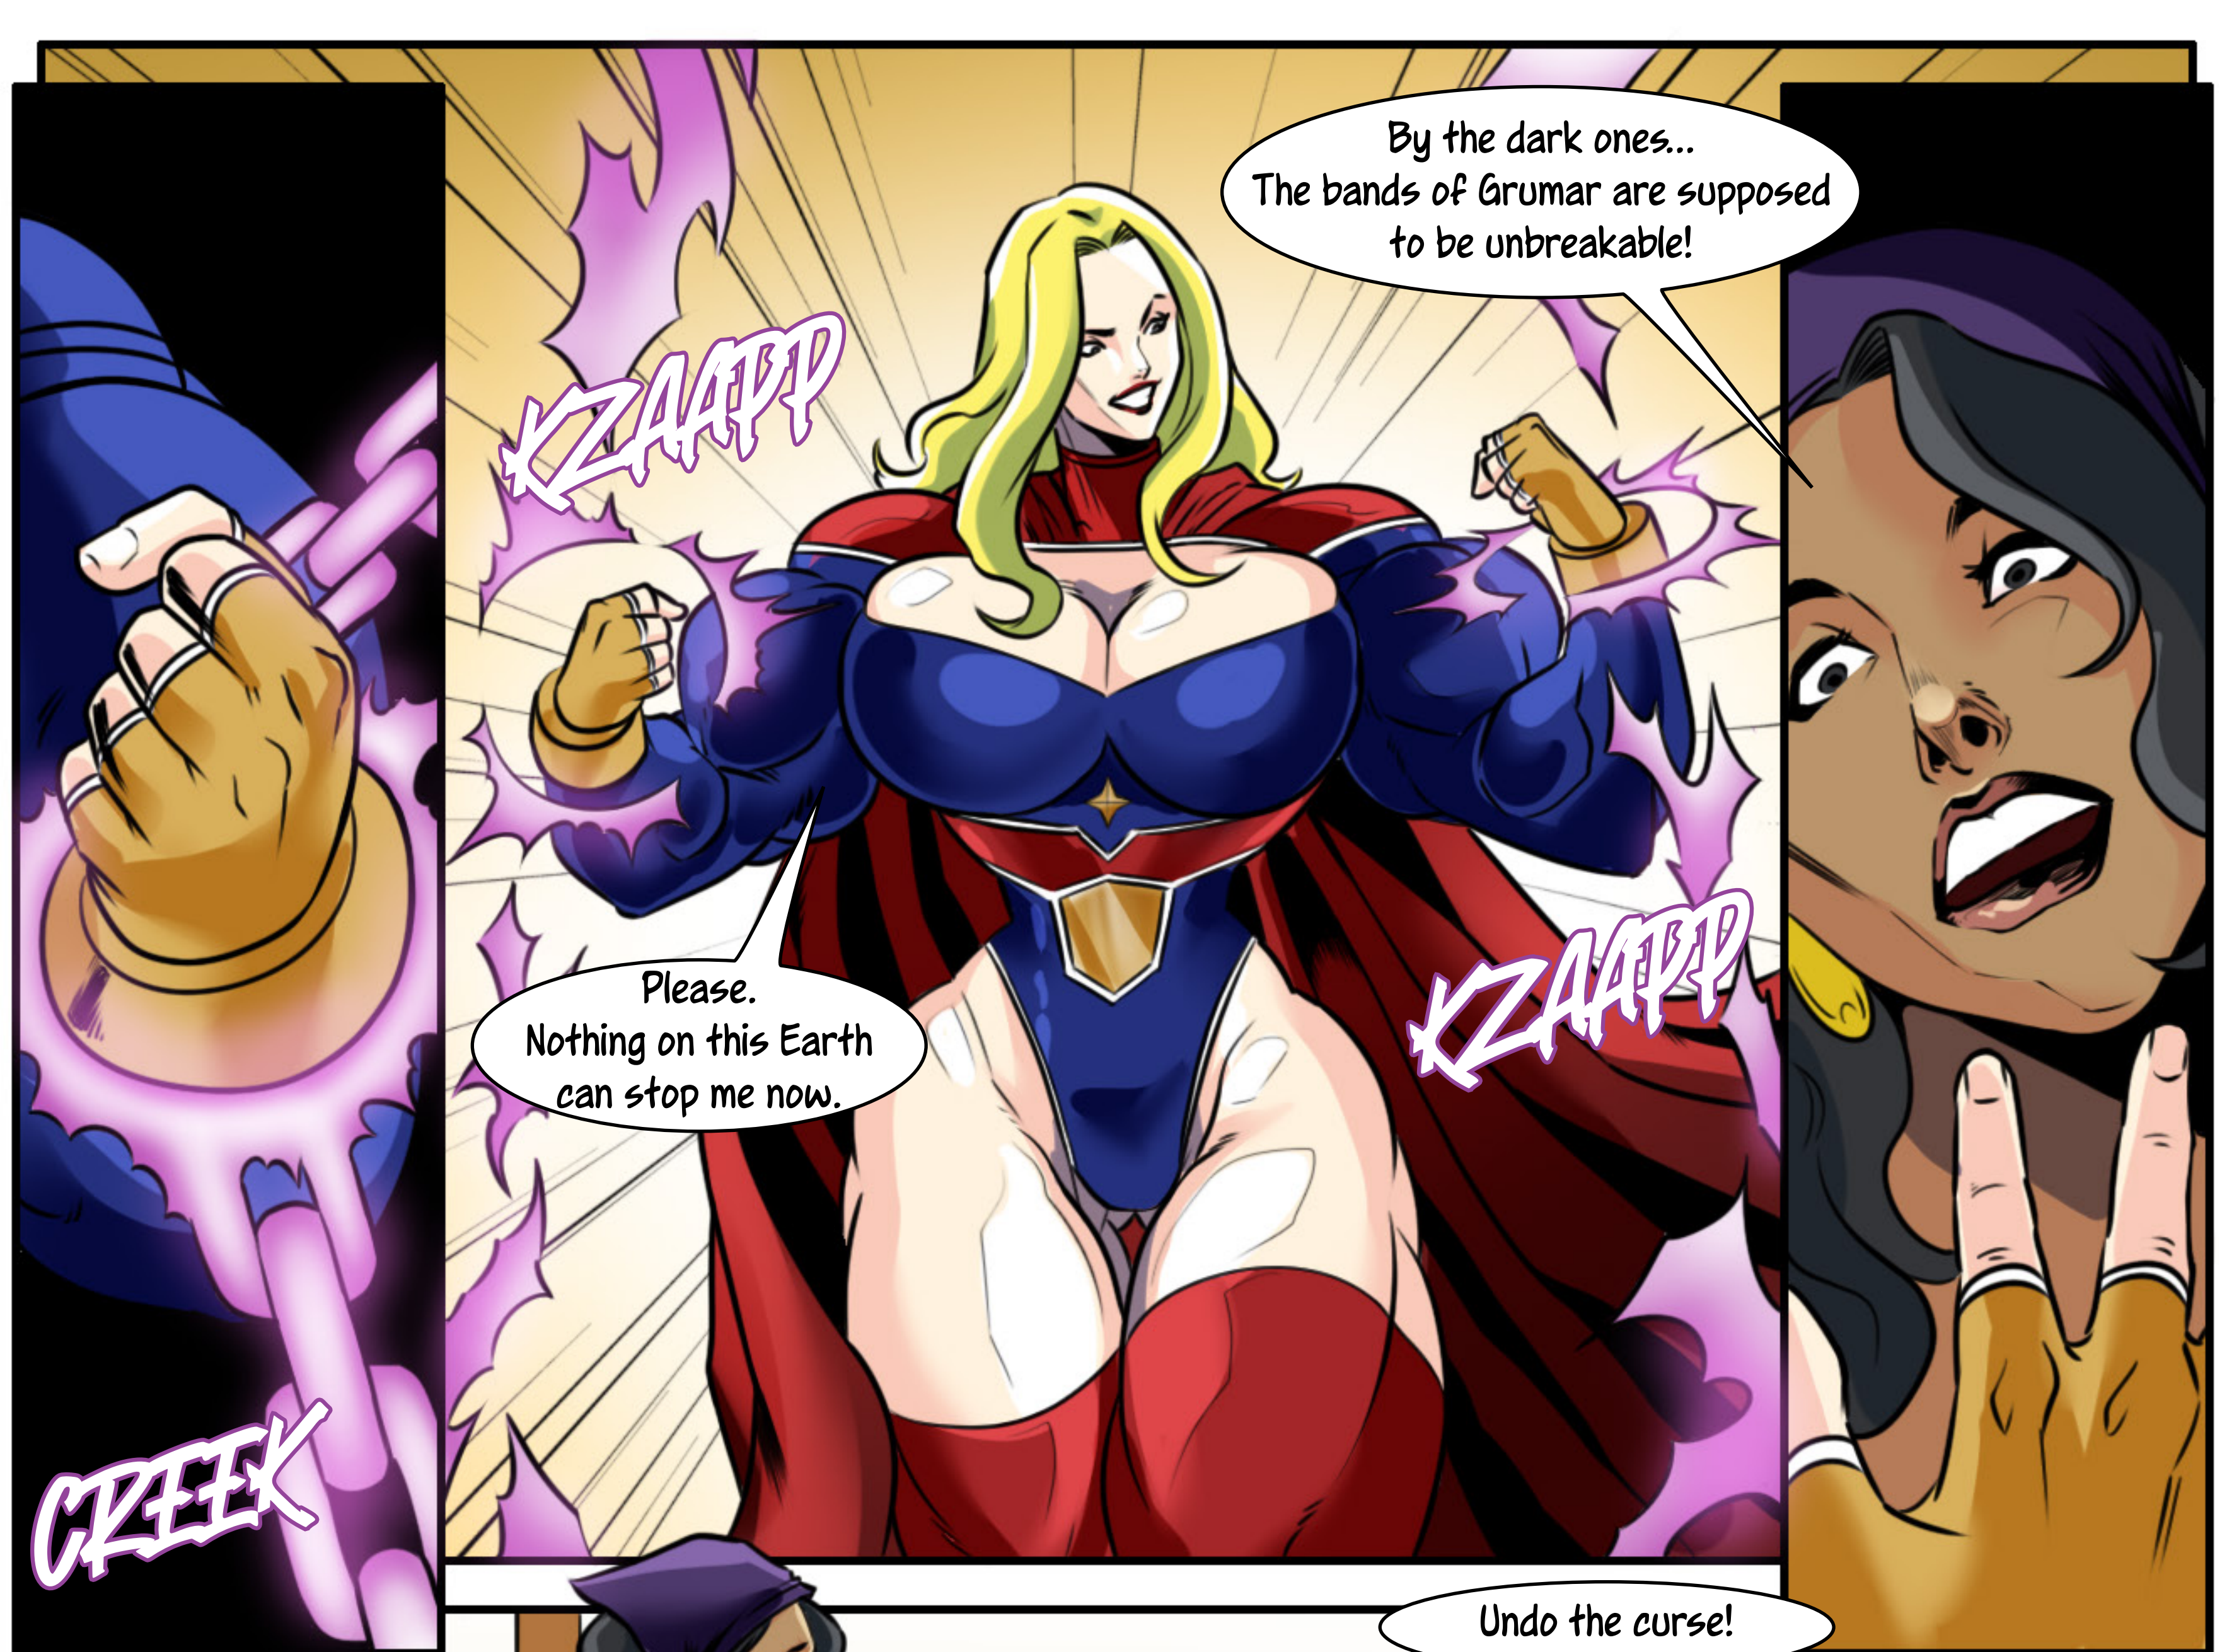

CRAAASH!

You are gonna remove
this fucking curse or I'm gonna
rip off your arms and shove them
up your ass!

Sugano repevgar!
That should hold you
until...

KZZAP

BZAP

Please.
Nothing on this Earth
can stop me now.

By the dark ones...
The bands of Grumar are supposed
to be unbreakable!

CREEK

XZAAPP

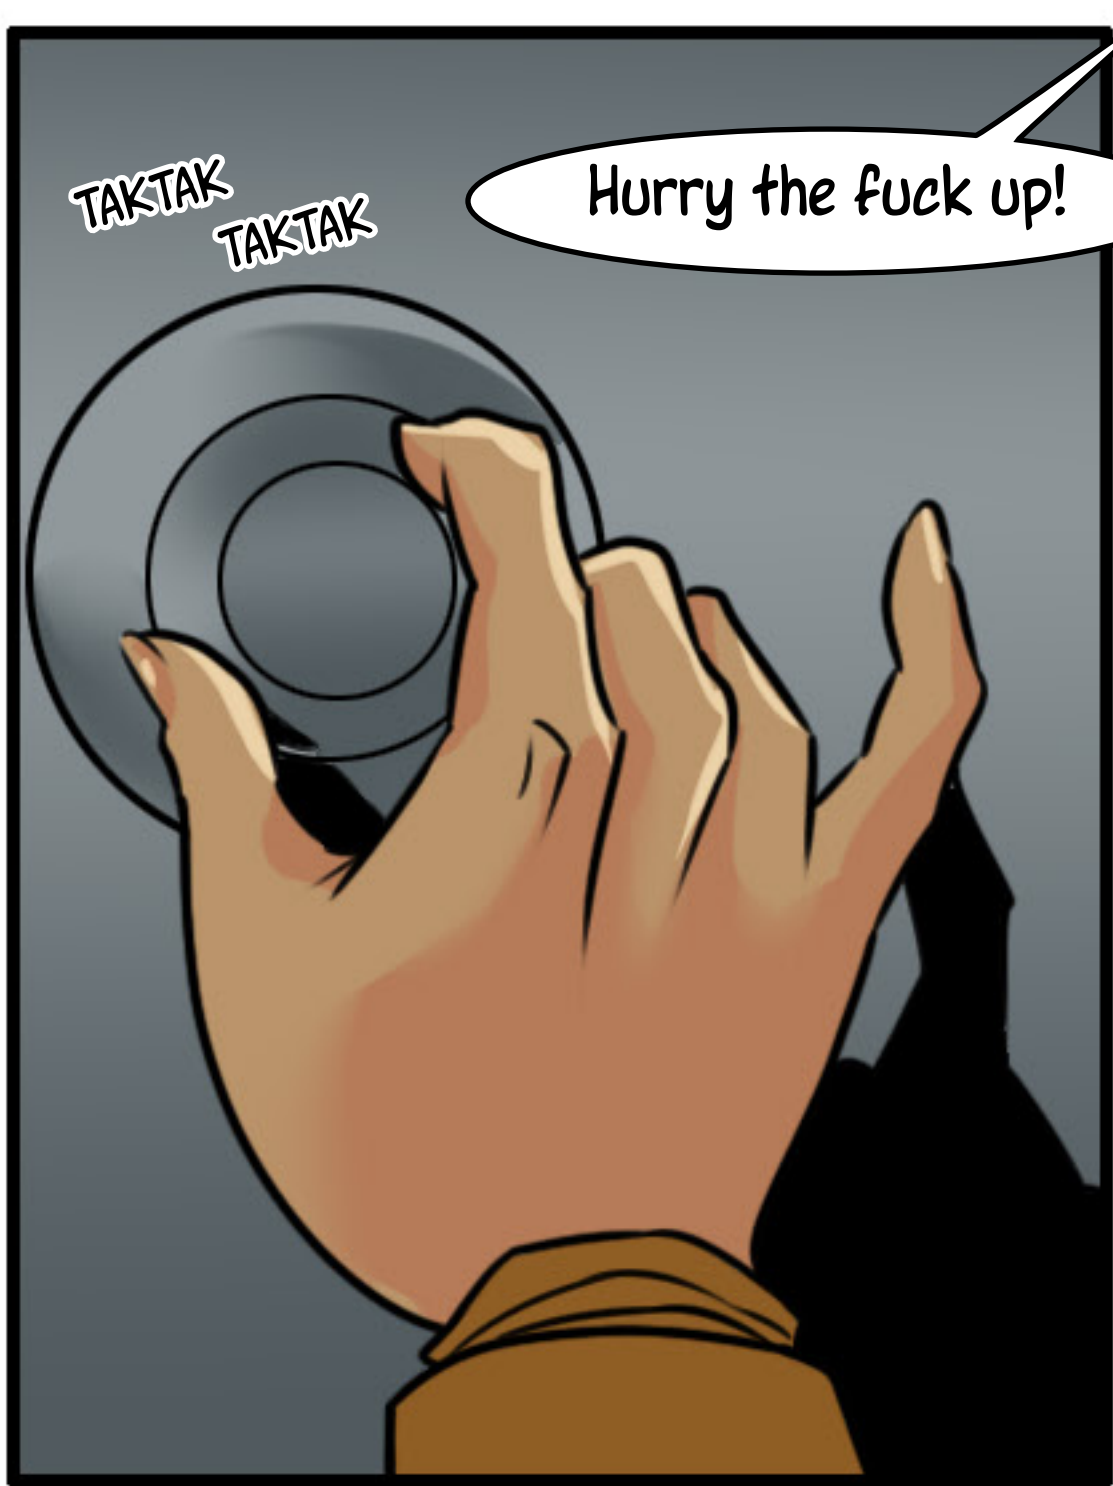

XZAAPP

Undo the curse!

Yes! Of course!
I just need something
from my safe in the
back room.

Undo the curse!

Hurry the fuck up!

Just a moment more.

Will that remove the curse?

No. This is a rare potion made from ingredients that are now extinct. I've been saving it for an emergency like this.

to be continued...
