Technical Instructions

Hello, Hexxet here,

This is an interactive PDF. Meaning you should be pressing the buttons like that “Next” Button in the bottom right corner. There will also be some Arrows and some Options representing the tap-interaction with your phone & the app. Please use those navigation options instead of just scrolling down to follow the story path of your choosing.

Just scrolling down will lead to confusion ;)

So, some
new filter
stuff?

Next

This is Erika.
I know her
for ages.

We went to the
same school and
have been friends
ever since...

And with
friends I mean
she's happy and
I'm in the friend
zone...

But yesterday
I downloaded this
app...while I was drunk...
and it's probably not
gonna work... but it did
cost me 5 bucks! So, I'm
fucking gonna try it out!

Next

Okay fine,
sure. Hit
me.

Watch
the birdy.

Next

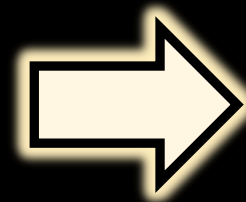

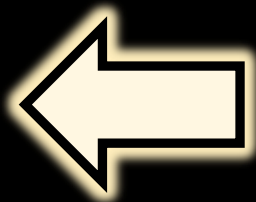

Now what
to do with
her?...

It's working!

So?
Can I see
it?

Next

One moment.
Still playing with
the filter...

Next

A woman with short reddish-brown hair and blue eyes is sitting on a windowsill. She is wearing a teal-colored bikini with lace trim. She is looking directly at the camera with a neutral expression. The background shows a city skyline at sunset or sunrise, with the Empire State Building visible. A vase with purple flowers is on the left. A speech bubble is in the upper right, and a 'Next' button is in the bottom right.

You know, if
it takes that
long, the UI
must be kinda
crap.

Next

Holy fuck!
It's working!

What are
you looking
at?

Oh, I
was just
wondering.

Why are
you wearing
a swimsuit
inside?

Next

Well...
I need to wear
something,
don't I?

Next

And it's
pretty hot
today.

Next

Holy fuck!
It's working!

So... err...
You're going
to are party
later?

Next

Yeah.
You know
it's one of
those fetish
parties.

Gulp

Next

Sorry, where
did you say
you were
going?

I'm going to
a lingerie
party.

Next

HellooO?
You still
with me?

Next

Are you
staring at
me?

NO!
Sorry. Just
comparing the
result with the
original...

Next

A woman with red hair, wearing a white dress, is shown from the waist up. She has a surprised expression. Overlaid on the right side of the image is a series of four white speech bubbles with black outlines, connected by lines. The background is a soft-focus indoor setting with warm lighting.

Holy
fucking shit!

This App
is the real
deal!

Changing
Erika's clothing
was as easy as
swiping right!

I wonder
what else it
can do!

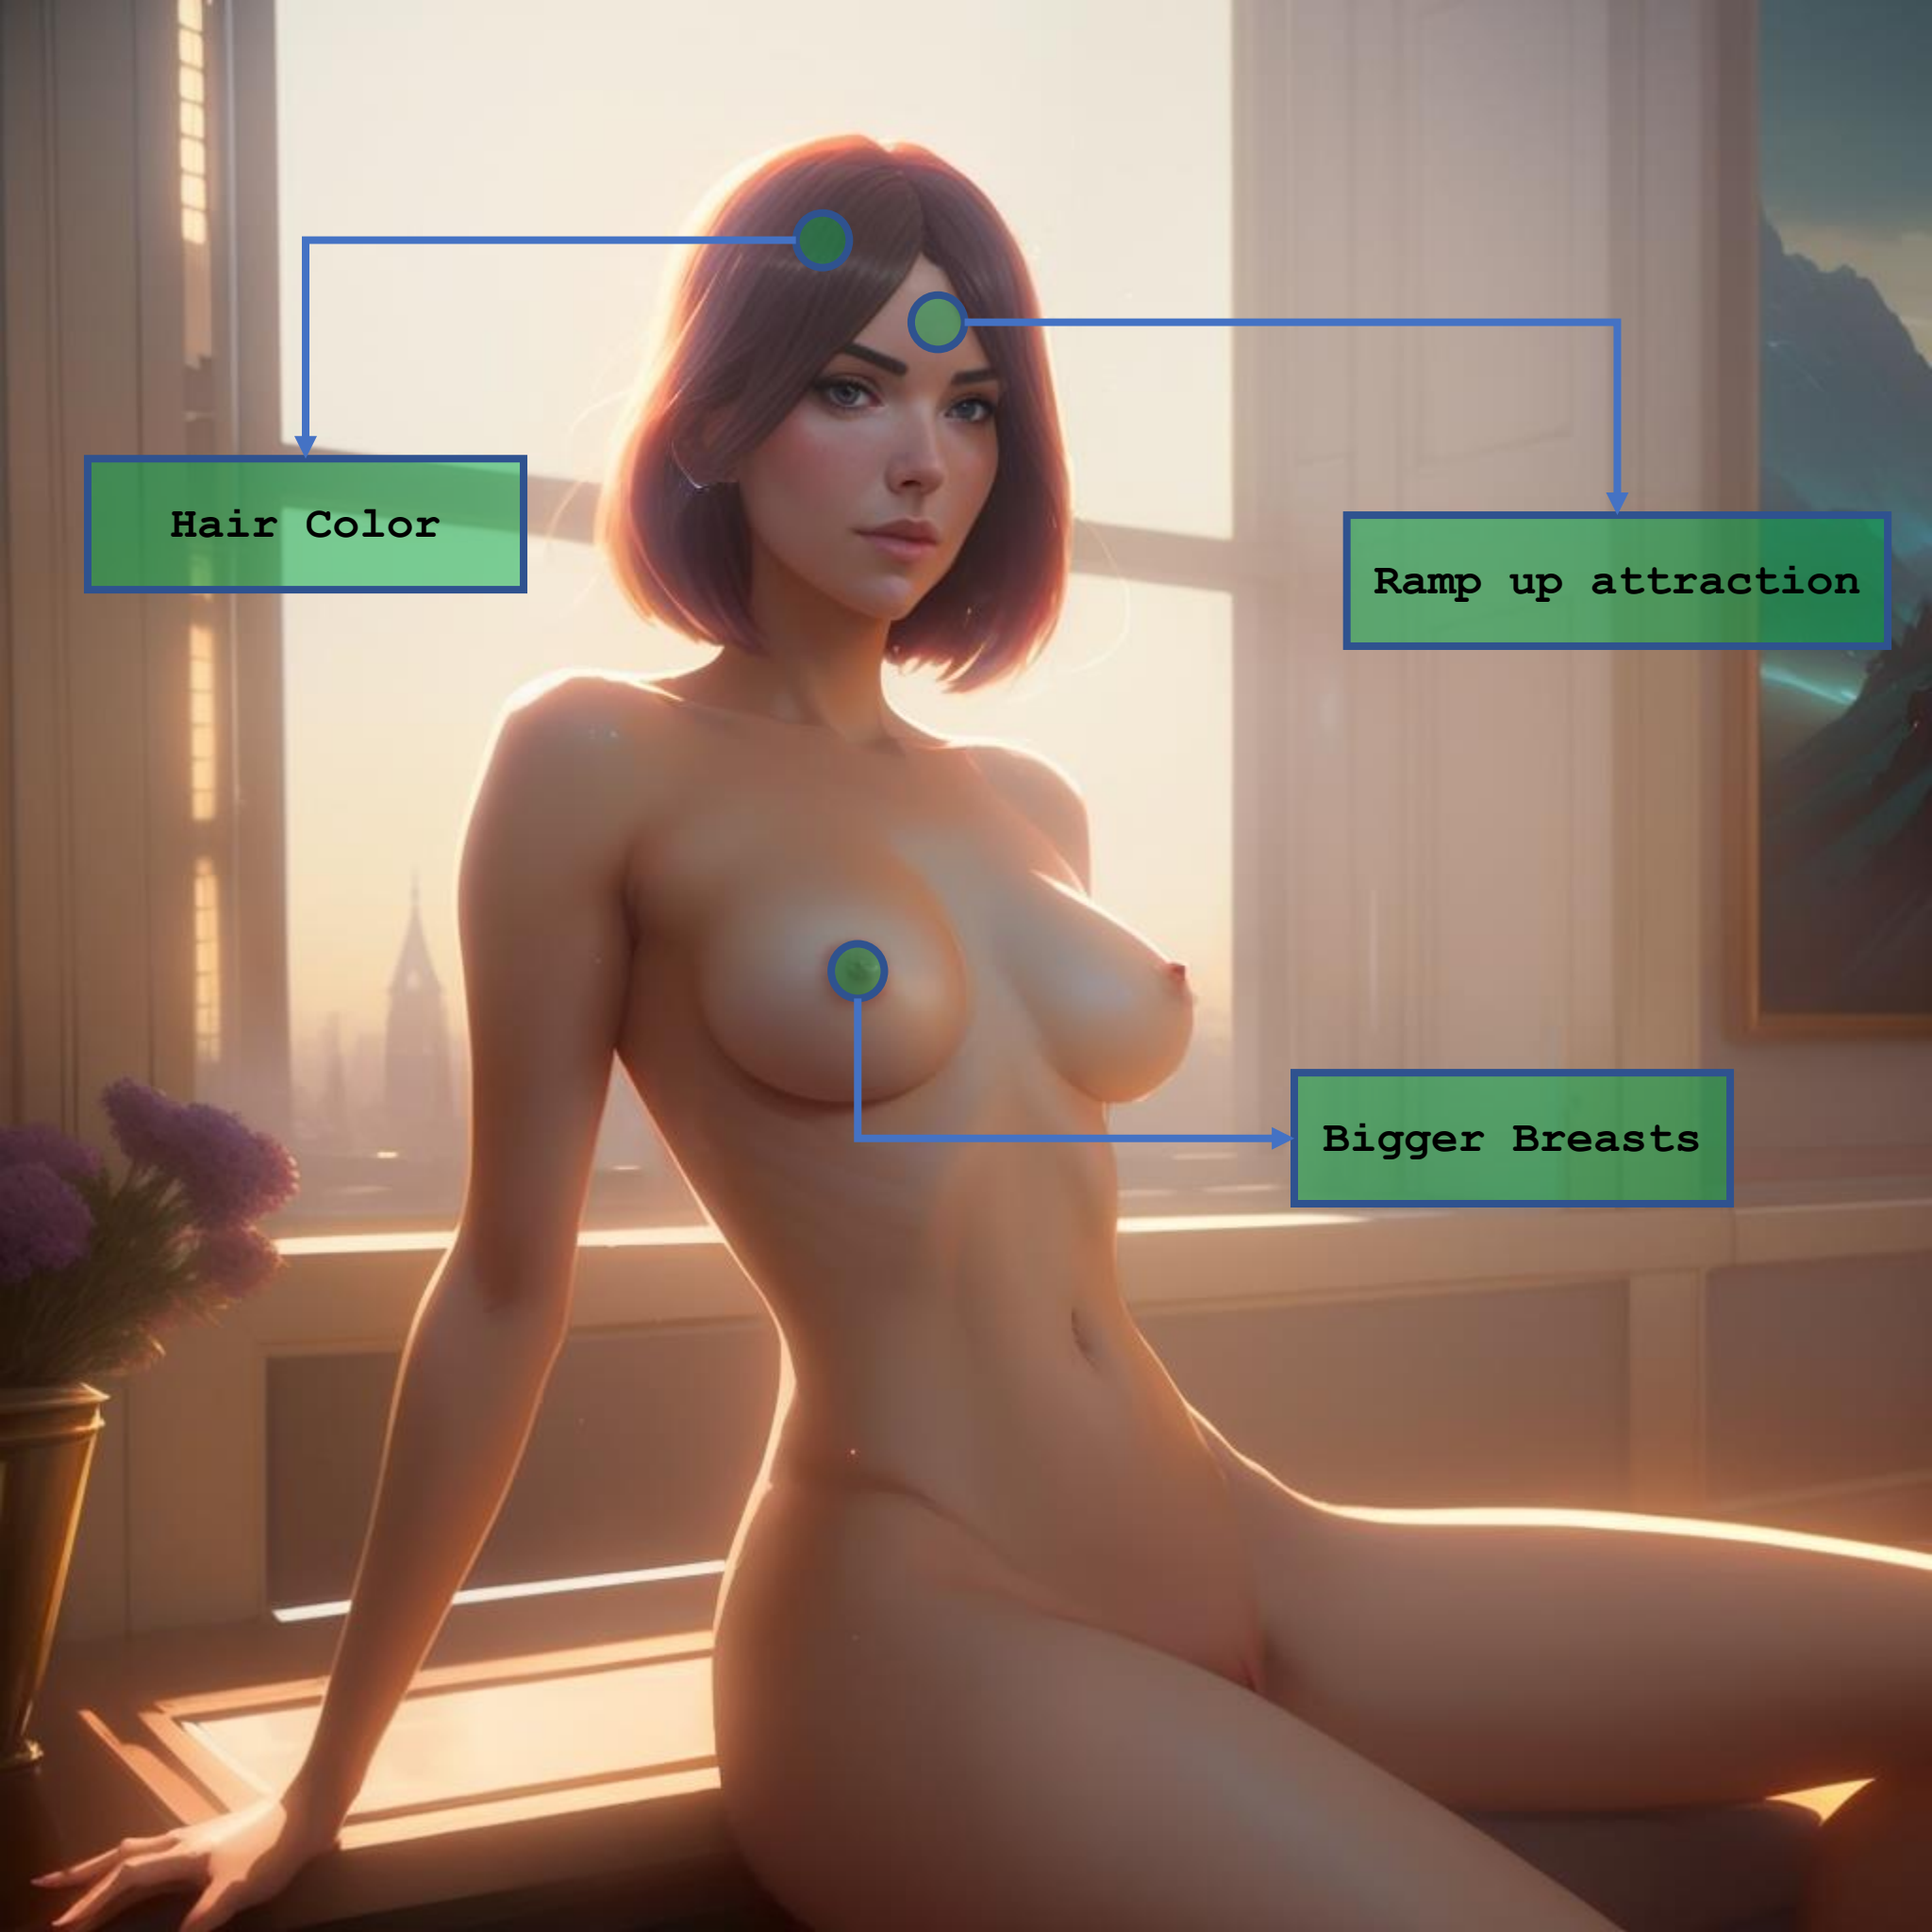

Next

Can I see the
pic already?

Sorry!
It's not yet
perfect. One
more filter!

Hello, Hexxet here,

Whom would you use such an app on first? 😊

This is my first approach to a shorter interactive PAI. Also, I've tried some different art style with the AI Engine this time. I hope you liked it. 😊

More PAIs and of course my regular 3D Comics can be found on my Patreon and in my shops. (If you are only into the PAIs you probably want to visit the shops, not the Patreon). Some free PAIs can be found on my homepage.
