

*"The Artist &
the Body Builder"
Part 2*

Here we are!
Make yourself
at home!

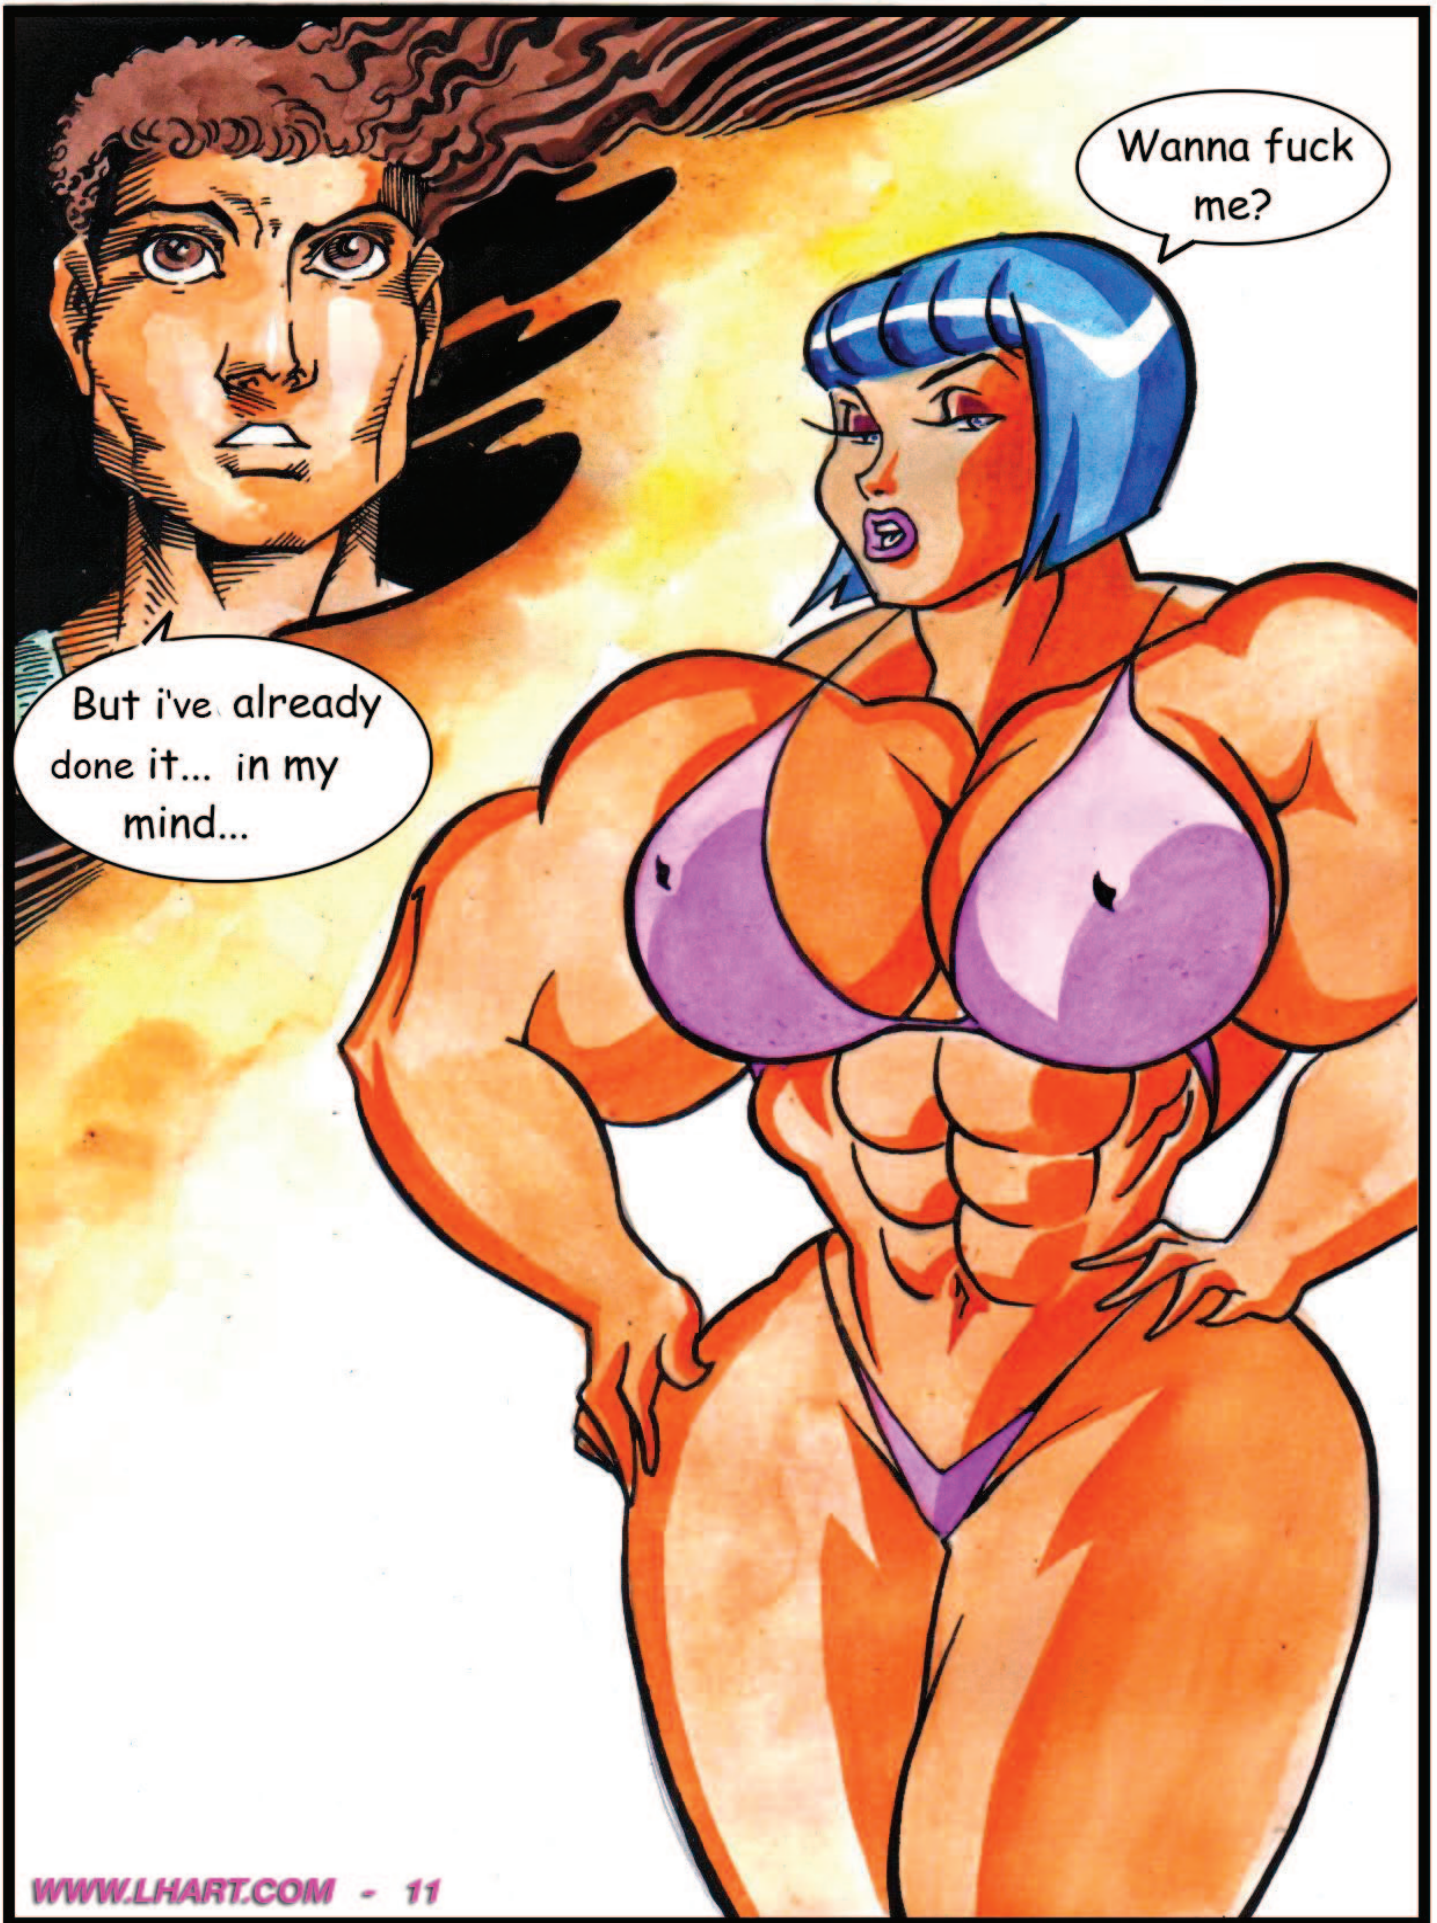

Inside her place she faced him. Her size frightened him, but it also aroused him to no end! Fear & Lust a powerful combo...

Now, i want you to do something for me...

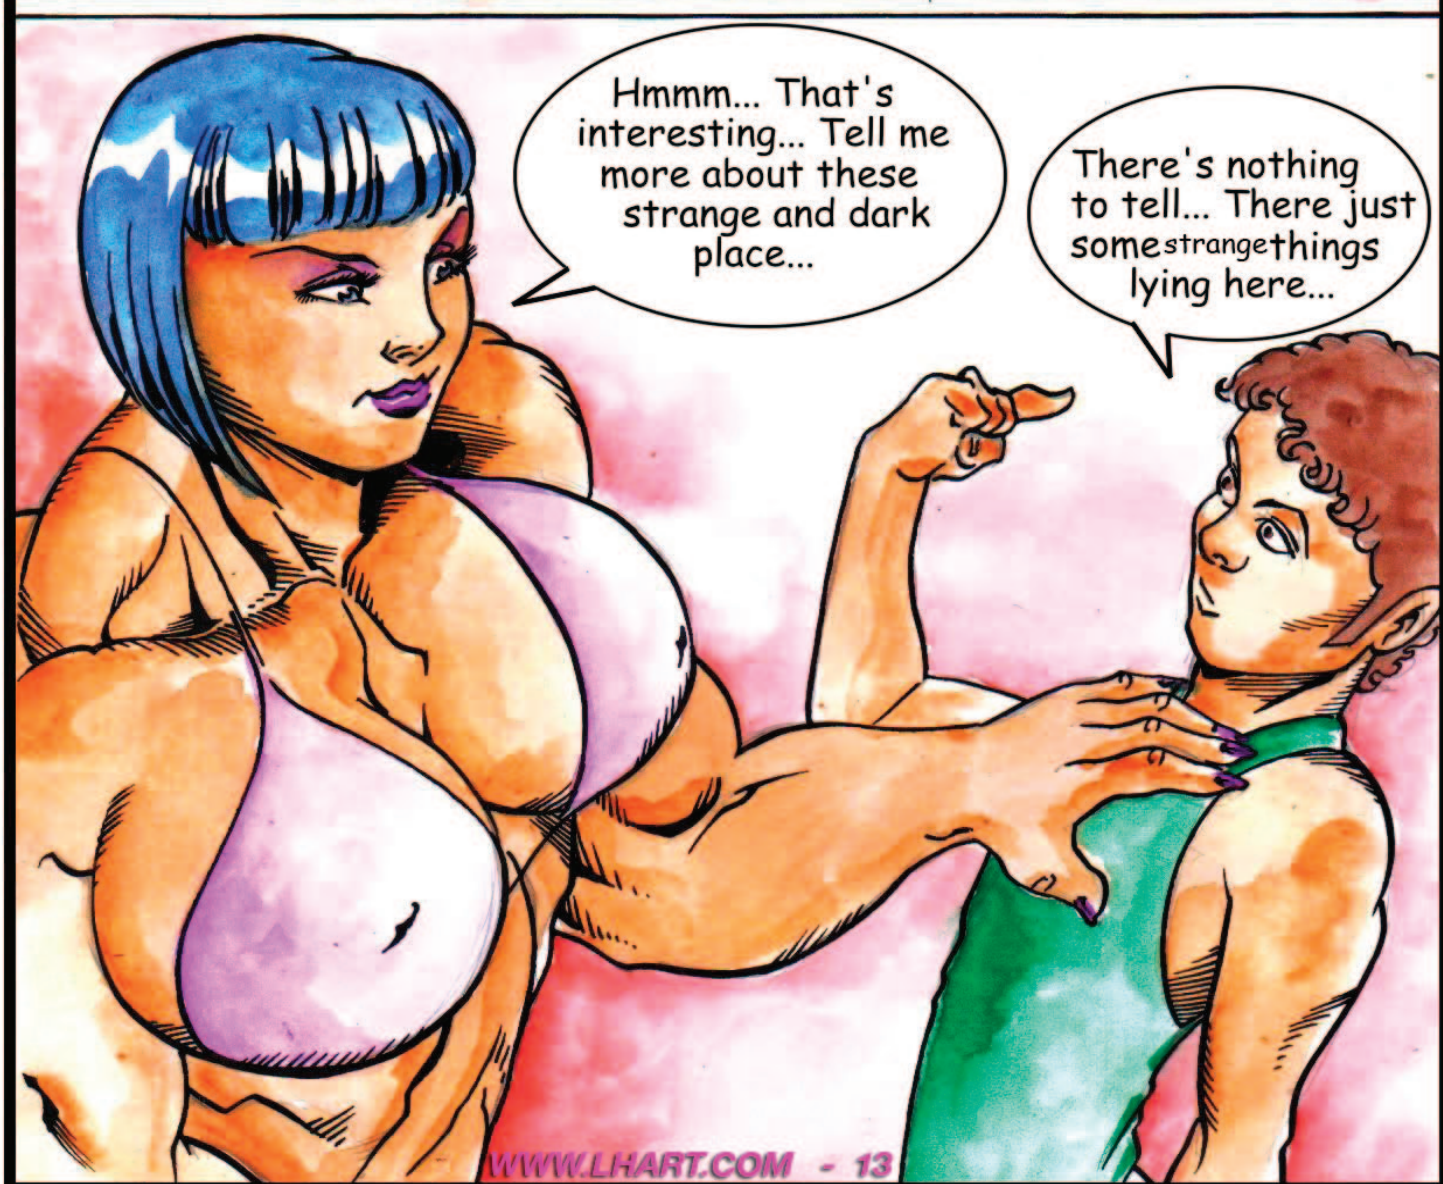

What?

I want you to draw a picture of me!
Like i was a character
in one of
your stories!

Let's go upstairs,
i wanna show you
something...

Ouch!
Easy, lady...

Good Gracious!
her legs are huge! More
muscle in one of them than in
my whole body! WOW!

If i told
her what i see...she'd
either kill me or have me for
lunch ... or just maybe...
